117 Being given the power to raise the un-raisable. All things given to you in these lights.

have provided a way straight to the resurrection; I only ask that ye, though we walk through the valley of the shadow of death that we fear nothing, for ANU will be with us.

141 You have provided the wicked with your rights to heaven, and disguise himself many a time.

142 In you, did he speak to me vain words, I find in your hearts. You have trotted the galactical heavens under your feet and, you have sought to kill the messengers of his holy words.

143 You never did once feed the orphans, nor help the lame. Did you not know that old age was my gift? For in old age you lose the desire of this world and you prepare for the hereafter.

144 Know this. That human being's of time 2,000, and before by 30, may never see old, never enjoy crystal hair, never know retirement from lust, greed, and selfishness.

145 So hasten, now strengthed your soul on to Taful, for this day has ANU forgiven us because we prostrate to him and him alone.

146 For, according to the Muhammadans, before you were, was the words spoken nothing was created, except by way of Allah's Command.

147 Then Allah had placed his word in a temple we built with our own hands of the Earth and it became a living soul, fashioned and shaped wondrous that it may be able to climb the ladders back to heaven. In depth, so far beyond his own comprehension, that the very soul in him he knows not.

148 O you, you find yourselves, reflected herein look again for indeed the Anúnnagi is talking to you. For on the day when that last trumpet is blown, and we gather all the cursed ones,

149 The flaming blue eyes, are envious for your success, on that day, you shall you be handed your records, you will be capable with all sincerity of heart to read them.

150 For time is a vacuum, in which truths are caught.

151 O you sons and daughters who live on what's called the planet Earth, all the words of all the holy scriptures did I give you that you may find peace of mind.

152 Humans you are, humans you shall be. Until the day of your return to the Galactical Heavens and regain your soul, body, and completeness.

Tablet Nine
The Ass And The Camel
(19x5=95)

Lo! Now coming, soul to soul, being in the world of this new day, face to face, can I find in them one good and honest person?

2 I look back and see 76 trillion years of their time. Yet, we count, here, by our time, they beseech time to become as we are. They wish to come forth from it trusting. They are a kind that clings to the last end of the ray - light of the prism.

3 O hope giver, give them hope.

4 At this time, not one of them talked of, or even knew, what was to come into being.

5 From nothingness, the shadow hour is before the daylight or the light of the sun. There was light from the Creator and his host. First it was just ideas metamorphosing into thought, then on it becoming air pockets, they taught

themselves from A to A# sharp, to D.

6 This music is virtuous, and it is wonderfully manifesting in the ability to keep a grateful spirit in the heart of pilgrims coming to the navel of Tiamat, the Earth.

7 They grow only because of the life force within them, rendered them by you.

8 Time nor growth can stand still, in that some of the children of change.

9 No mother would be pleased with the maturing child, if by day to day - year to year, she saw no change in its growth.

10 In tenor or low C or high C the red note- sound to B.

11 This spirit, it hears, it sees, it smells, it tastes, and it feels.

12 Perceive all things by your own eyes, giving you from his pot of gold, only five pieces of gold per mortal mind.

13 Yet you seek out the ways of Azazl just to do his will. To do disagreeable acts, it is easy but to do agreeable acts is very hard.

14 You are just like fish caught on the baited hook of his music, swooned to his will.

15 I following behind the other's marching downward to the Earth.

16 Taste of the seedless fruits, sweetened with his leprous sugar.

17 Candy sweet to the taste, begetting cavities that burn in the heart. The gluttons find themselves by way of greed, to be fed in his sweet shops.

18 O ANU, let this man smell - his sweet scent of the burning carcass as the incense on your altar. They seek him out, Hell for them, I can't tell?

19 Made by trickery to partake of a fruit so good to the seeker of power.

20 But let us seek after only the musk of the mouth of the fasting one- O Ahmad.

21 Called them to the musk or rose, the sweetness,

22 A guardian.

23 Yet they feel the warmth of lust hid so deep in their chests.

24 Birth pains- our calling home, let him enter with his mate.

25 If it be in pleasures name that 2 play life's manifesting in the world returning you on these mates.

26 These are the instruments used to play life's manifesting in the world, returning you on these mates.

27 Just humm, El Rahmun El Rahum.

28 O the hymn, harmony melody, and rhythm; not necessarily in that order.

29 O father created thee and in your small solar system, sound, life, and light waves. Every part of your body vibrates.

30 Each abstract to the other, yet able are you to respond to 7 distinct tones as represented by the 7 tones of the scale.

31 C,D,E,F,G,A,B, and many of their vibrations being both in major and minor planes.

32 The Haala, aura, composed of vital energy of mental bodies. All on 7 colors or moods, that changes continually with each being's emotions.

33 Be ever watchful with a close eye of this highest power of spiritual, which is termed here, in the Holy Tablets, the will.

34 O Yielder, O Merciful, how fast it developed from kun, "exist" to a word faya, into its mate kun, meaning "existence". From this, was all flesh created. Therefore, it is most necessary that of each, I teach of himself how to tame it.

BEHAYMAW

THE HUMAN BEAST

Tablet 9:35

35 It has been made known to him before now, it must come from within to put it into practice geometrical matter, they are now composed of.

36 O Ruler, how many will want to rule one body?

37 A symbol of an outer and visible sign, one Earth of an inner and spiritual reality, symbols veil secret, holding beautiful mysteries.

38 All forces of your molecules of which particular kinds of things are composed and always moving - never being still, always vibrating to some greater or small atom.

39 Electrons or corpuscles are all moving and living together, it is either holding hands between forms of vibrating energy called matter.

40 Right hand agreeable- left hand disagreeable- the poles are a pair of opposites, the ALL is and yet is not, if you have faith in other than the oneness of ALLAH. Who has been appointed as your one deity. Tammuz, Yahweh.

41 Suddenly I wondered on my first perception of all this - light and dark being poles of the same with arteries extending from the heart, feeding it truth. Remembering my arrival I stood upon a lofty hill.

42 As I stood upon that lofty hill admiring the scene, the air was cool, and yet it was never still.

43 The grass was ever so green.

44 Above the clouds watching them sailing in the sky this very special day, in a distance, low singing birds went flying by, and gave me words to say.

45 Listening to the flowers in the breeze as they danced in the glade observing the beauty, the golden leaves under the trees, I laid rustled in the

Tablet 9:59

shade.

46 Coming closer, crystal waters, rushing in the stream, was rippling with a silver beam- having so much fun. The bee with the pollen on their wings were flying to their homes.

47 Yet closer, ants and other creeping things were busy at their homes.

48 Raising back to a human height makes even one like myself wonder how such things came about.

49 The willows at the river brink, and the fools that breathe, and yet doubt.

50 I remembered the planets so high, moving in outer space, each one in its own universe, never losing its place. Whereever they are, is where they should be.

51 I thought of the numerous suns sharing their light with Tiamat, Earth and the Moon, on her usual course, and how she's the key to birth.

52 O I remember how this universe began, yet who made it? We all pondered. It's no accident, and mortal, nor Anunnagi could create such wonders.

53 O ANU, Ruler of Rulers, this handy work is thine, none other could create such things master - to thee I resigned.

54 Then a sound, the same sound, scale the same scale,

55 Starting with C you'll move upward until you reach another C and so on.

56 I was here yet not here, you were there- yet not there.

57 Yet we are not opposites in his eyes, you're ever coming and in ever coming to and fro at the same time.

58 Think!

59 One of our servants, traveling Tammuz as Yashua, traveling on an ass from one city to the next, willing to give

BEHAYMAW

his life to save them. The Israelites of the tribe of Judah only.

60 They cast the palm leaves under the feet of the ass named Nuakha, upon which our holy one Yashua sat.

61 Remembering the palm, remember the rider, and forgetting Nuakha who carried the weight.

62 Never could we, like Abram son of Terah and Nuwna allow the willing to be sacrificed in that way, substituting the lamb for Isaac's blood.

63 As we substituted, the deceiver Judas, who was possessed by the evil one, which is the symbol of the ram for Jesus' blood; son of Mary and stepfather Joseph.

64 Yet, even now they wish to claim the right of his passing.

65 Never did they crucify one servant, but they worship in remembering the palm.

66 How many a holy one shall be brought to our last supper on an ass forgotten?

67 Think yet again of our servant, coming to a city that he had to sacrifice, riding on a camel, named Qaswa' from Mecca to Medinah deceived by his own and we spared the sacrificial lamb - Al Rabbi Ali, The Lion of Allah, who is remembered to this day, for Al Rabbi Ali was a willing sacrifice for Rabboni Ahmad.

68 Rabboni Yitskhaq was a willing sacrifice, and Rabboni Yashua was a willing sacrifice.

69 The whole of the children from Rabboni Abraham to this day are willing to be sacrificed, but none will die in that way.

70 The very doors of heaven will open on the enemy. O seed of Kadmon your

time is at hand. The vortex will open.

71 They hate you for you are the chosen of ANU. Come and gather under the shield of Abram.

72 Pray together,

73 Stay together,

74 Build together,

75 Play together,

76 Fight together,

77 Rejoice together, for great is your reward in the garden of delight.

78 Look for the real true Messiah or Masih, or Mashiakh, to come and save you. Tammuz will return in the Great City craft, coming down to earth out of Orion.

79 How many a righteous upon returning home to Islam forgotten by the very families that persecute and sent them away?

80 Yet a few million light years away I was sent just arriving now.

81 How could they not see with all the light, knowledge of things, by all the holy messengers and prophets, seers and master teachers, that was sent, can I return back to Rizq, or must I stay here on Tiamat. I arrived in a star, craft, but they forget me, those that came with me stayed for a short time.

82 I sacrificed peace and how many, because you with all your bounteous generosity want so much for them- can I return?

83 They lack so much in feeling,

84 But they want so much to feel.

85 Infinite remembrance,

86 Yet forgotten by their own will.

87 Never have they looked truth in the face.

88 Never can they face the truth.

89 They talk of what they should see. They should see with the physical eye.

Tablet 9:89

They ask to overstand you by physical means before they'll have faith.

90 O forgiver, forgive me for ever saying such Earth-like things.

91 For if it were in my hand, everything be the first day of spring. Every day would bring joy.

92 They need love for everything other than themselves, They have room to love everything save you. If they only but knew.

93 Test them as you tested us.

94 O Hayy, let's remove the air they breathe out of this world within, minutes - waiting one second, and then on to four.

95 They will glorify on breathing your name - ANU.

Tablet Ten
The Mortals
(19 x 10=190)

Lo! If I cry one real tear, do you think that they will hear?

2 Remembering my trials in this Holy Tablets, and being sent to human beings, one must be prepared for their nature.

3 An initiation is like a birth, and the key to overstanding it, is to overstand that each that is born is born of someone who themselves were born of someone. All of the pure ones have a link.

4 It is a link much like the etheric cord that stretches forth from soul to soul, and which keeps the channels from the higher realms, the etheric state, into the Earth plane opened.

5 When a mother and father have a child, that child is brought forth unto them in a bodily form.

6 That same child, however, has a spirit

Tablet 10:16

that extends back 76 trillion years.

7 For this reason, every mystic order has spiritual masters or beings from higher planes, whose responsibility it is to keep you (that child) in tune with the original spark since the beginning of creation.

8 Then on, one still shadow time, as I was walking alone, I perceived the presence of a superior being with me.

9 I turned around and I saw no one, but I began to fear inside. Then suddenly from me and through me at the same time they sounded my name saying:

10 "Yaanuwn, fear not, for you shall be the bearer of the torch of light in the west, and shall save many souls. You are yet a baby, but you shall mature into a man more rapidly than you can ever imagine. Do not be afraid, for I am about to manifest."

11 Startled and overwhelmed, frightened and bewildered, I could not have faith that this was happening.

12 Suddenly, I felt a warm sensation two inches above my navel. A feeling shot upward toward the center of my chest from my solar plexus and then a tingling feeling centered between my eyes.

13 Immediately, a crystal green and white rays of light slowly appearing and there he stood, magnificently.

14 How can I make you feel what I felt? How can I make you see what I saw?

15 He was strong, he was powerful. He was gowned in what seemed like a whitish green flowing robe, and there was a glow about him I had never seen in any other person, a sparkle, bright as the stars.

16 I looked into his eyes and I was no

longer afraid. For in his eyes I saw depth, I saw warmth, I saw compassion, tenderness, overstanding and kindness.

17 I knew I was safe in his presence. He made me feel comfortable and secure. He spoke and his voice was as the voice of the angelic beings.

18 He said: "Your soul lived over 76 trillion years. You have witnessed many cycles and now you have begun to grow. You are of the ancient ones:. You are an Ilah Mutajassid (An Avatar). You may not at this time overstand what this means, but as time passes and you begin to grow from your inner self outward, you will begin to perceive and overstand these things. The spirit of your father has awaited its rebirth into this Earth plane, and now it is your calling."

19 I was speechless. I tried to stare into him in order to decipher who, what, and from where he came, for I did not want to boldly ask him.

20 As if he knew what I was thinking and feeling, without a seconds thought, he said that he belonged to the ancient ones who had descended upon the planet during the time of master Utnafishtim son of Lamech and Khamiylah and even before, millions of years prior to the birth of your Kadmon.

21 It was called Project Blue Rock, infested by the Ashtar Command. The inter galactic legion of this side sector 3 placement, 7 from end circle.

22 I bare you on eagle's wings and I brought you unto myself. This being was highly involved in the upper worlds.

23 He said many had come here to Earth and planted seeds in the Earth. Their children this very day are called star people and some of them are called the watchers or Aluhum on their own planets.

24 Some of them are highly reputable in their own galaxies and dimensions. He and those with him are as real as you are in the alliance of the space confederation.

25 There is one by the name of Ashtara. He is a commander in the highest in this hemisphere. He is also the commander of his mother plane or star ship, a crystal ship coming for their own.

26 The Anunnagi elders are approaching a time of crisis so 35 million strong will assist you.

27 They will lift up and reserve you, and they will hold you in safety for up to 1000 years. If needed you will see the magnetized solar flares now present around the sun in its position in conjunction with the planetary alignment that is presently coming into its final position, in the Lunar Logging, the 5th point of May in the year 2000 of the Gregorian Calendar.

28 It combines to create a strong tendency to pull the planet Earth in, toward motion, the polar shift twenty three degrees of its true existence has been greatly lessened by the action of our scientific helper from the mother plane of this planet called Terra.

29 Then he told me that the era had come. I did not know what he was referring to and so he began to explain:

30 That 93 million of miles away from the planet Earth, is the sun; that great star that shapes the lives of those on Earth.

31 It takes the Earth, 1 year to revolve around the sun and that one year is

divided into 12 months.

32 The sun and the other planets that make up your universes, orbit around a galactic center called a central vortex; and just as the one year that the Earth takes to revolve around the sun is divided into 12 months, so is the time that it takes the universe to orbit around that galactic center divided into 12 periods.

33 Each period consists of 2075 years totaling approximately 25,000 years, which is the time that it takes the universe to make one complete rotation around the galaxy.

34 Each period or era has a name according to the monthly signs, and in reverse order. For example, the universe is now passing out of the era of water, the era governed by all that is physical, known to many as the Piscean Era, and it is now entering into the era of air, ether, mind and power, known to many as the Aquarian Age.

35 This new age is a spiritual era that the world is now ready to accept, and you have been chosen to teach the light of The Ancient And Mystic Order of Melchizedek to the new souls who are waiting to receive it.

36 Those new souls who realize that there is more to human beings than what he thinks to be his 5 physical senses.

37 Those souls who realize that there are extra senses, that there is an astral body, an aura, and that communications can be made with beings outside of this planet.

38 The 12 eras from the Piscean Era, moving counter clockwise have eight doors that open up.

39 When the 6th door opened in the lunar logging of the year 1966 of the Gregorian Calendar, disagreeable beings descended down into the Earth in many forms, including the human beings from the Ashtar Command, the ancestors of the disagreeable Halaabeans, Flugelrods, or Hulub who now seek to control the planet under the name Children of the Light, simply the Illuminati.

40 Then the 7th door opened in 1970 A.D., and agreeable beings, the Anunnagi from Nibiru descended upon the land in order to help you. This was my year.

41 Thirty years from the 2000 A.D., which is the year six thousand. You have 60 seconds in a minute and 60 minutes in an hour ...666.

42 Sensing that I was afraid for fear that I would not be able to retain all that he taught me, he said: "Try not to retain all that I have taught you, but rather relax, and it will settle itself in your subconscious mind.

43 Once it's in there, when you need it, it will burst forth like the sun in the daylight hours. If you have faith without a doubt,

44 And put your trust in Anu, you will find that we the Aluhum will open you up and all the answers to the universe will reside in your chest"

45 Having said this, he was gone from sight. I stood there frozen. Where did he go I thought, and why didn't he tell me his name?

46 I waited for hoping that something would happen and a lady passing by said: "Are you alright mister? You look ill."

47 I spoke back saying: "I am fine, thank you," and then I proceeded to walk away.

CHAPTER SIX

BEHAYMAW

Tablet 10:48

48 Suddenly, while walking, fear overtook me. But why was I afraid? Immediately I realized that it was because he was withdrawing from me. And seven minutes later I heard a voice from a distance say:

49 "Seek me and you shall find me! Ask for me, and I will be there! Knock and I will always open this side of the world to you.

50 And then the voice faded away. I called! I looked around! It was gone. I cried all the way home.

51 Seven months passed before I heard from him again. Then one day while meditating, and in a state of profound tranquility; when my mind and soul were in communion with the kosmos, I began to feel his presence.

52 I was sure that he would manifest, but he did not. Instead, a name appeared.

53 My room was dimly lit by candles of the sabbath, but there, just above my head in a cloudy, yet visible form was the name Al Khidr, which in Ashuric/Arabic merely meant green.

54 I stared at the name for what seemed an eternity, and slowly thereafter, it disappeared.

55 I sat there in the stillness of the room, contemplating my thoughts, who was Al Khidr? If Al Khidr was the name of a person, who was that person and what important role would he play in my life?

56 Was Al Khidr the name of he who made his presence known to me? I knew I had to find the answers to my questions.

57 So, I went to the library in search of books which could give me some enlightenment.

THE HUMAN BEAST

Tablet 10:65

58 Later I questioned various Sudanese Arabs that I had been acquainted with. In my quest, I learned that there was indeed a supreme being who was called by the Muslims who knew Nabiy Khidr and the Green one, my spiritual father.

59 He was referred to as the Green one, for he possessed a green light, a force that he directed which could sustain every physical form and heal every disease known to human kind.

60 Suddenly, the pieces of the puzzle started to fall into place, for you see, I knew that I had been endowed with a green light which made it possible for me to heal the sick. For many times, people would come to me ill and I would make them whole again.

61 But it was not until then that I had inherited that ability. It was a gift from **ANU** by way of Al Khidr, The Green One.

62 I could not wait for my visitor to return. I wanted to tell him all that I had learned.

63 And so, anxiously every shadow time, I looked for him. Then one shadow time, while alone in my room, I felt him staring down at me.

64 "Appear!," I thought to myself, "I want to see you!" Suddenly without warning he manifested. He said: "I am here," and as my eyes gazed upon him, I felt a surge of energy run through my body, my stomach quivered with excitement, and a chill went up my spine.

65 He looked at me, and proceeded to tell me that "he" was indeed Al Khidr, and that he was known by many other names: The Ancient Of Days, Nabiy Khidr, Father Time, Shaykh Khidr, Melchizedek, Malkiy Saadiq, Murduk,

and Micha'El.

66 Yes, he was Miyka'El son of Enqi and Damkina, the head of the Anunnagi who raged war against the bad Anunnagi (Azazl later called Haylal, Jaan, Shaytun, Devil), those who were created of 180 degrees of evil, fire, who rebelled when the foundation of the world was being established.

67 He said that he was also the head of the material order of the Anunnagi to which the Essenes belonged.

68 The Essenes, he said, were a group of people who lived around the Jordan area all around Jerusalem and they were taught the lesser mysteries as opposed to the greater mysteries.

69 He also spoke of master Yashua, for like me, he was an Ilah Mutajassid, avatar who was caught between two worlds.

70 He said master Yashua belonged to the Ancient And Mystic Order of Melchizedek.

71 "In the last days" he said, "I, Al Khidr, will intervene for the special people, Nuwaubians, when evil religions comes to triumph" I will use you as my vessel to communicate my message of the green light, Right Knowledge, Right Wisdom, and Right Overstanding, Nuwaubu.

72 Fascinated by these words that caressed my overjoyed soul, I knew I had found a friend, someone I could depend on.

73 He remained silent for a moment, as if in deep contemplation, and then he told me that I would be given an initiation which would prepare me for all that I would encounter as the spiritual guide of human beings.

74 He told me that I would be summoned when it was time, and I would then have to journey to Sudan and seek him at the junction of the two Niles, Tuti.

75 Thereafter, he referred me to the section in the Qur'aan which speaks about his meeting with the Aluhum Moses, in the 69th degree, which was changed to the 18th degree verses 60-62, and his meeting with master Abraham in the book of Genesis chapter 14, verse 18 at the Idiglat-Furattu, or as you say, the Tigris-Euphrates river.

76 He then explained the meaning of the sacred water, the fire, and the sacrifice. As he departed, he told me that he would not see me for a while but that when I needed him, he would be there, and he was gone...

77 Months passed before I heard from him again, and during that time, my life took a drastic change.

78 It was as if I were a huge magnet drawing all kinds of people towards me.

79 Answers to questions I never thought I could answer started pouring forth out of my mouth.

80 My Earth family was amazed. It was obvious, at those moments that someone of great wisdom had inhabited my body and that through me he was speaking.

81 There were times when I would sit in my room and cry, because I felt I was being asked to do something I did not overstand.

82 I felt at times as if I had no control over my actions, my thoughts, and wondered if I could indeed give sight, to those who appear blind; give hope to those who appear hopeless;

83 Bring faith to those who appear faithless and most of all; teach them to walk in love, not hate or fear; teach

them to walk right, and not disagreeableness! Could I remove the veil from before their eyes so that they once were back into the Aluhum.

84 I asked myself so many questions, I began to think I was going crazy. Shaikh Khidr had not made his presence known to me in so long, that I began to wonder whether I had imagined everything that had happened.

85 "Did I indeed see this majestic being? Was he real? Or was he a real figment of my imagination?" But he was real alright, for whenever that strong sense of insecurity would overshadow me, I would feel Al Khidr's presence and he would comfort me.

86 Finally, in the lunar logging of the year 1973 of the Gregorian Calendar, I was summoned to take my journey. I was told to go to the Sudan and that once there, I was to go to the Grand Temple in Khartoum and seek a human being by the name Mahmuwd.

87 I was told that his name would be Mahmuwd, for he belonged to the final part of the 3 letter miyms (ﻣﻣﻣ) of the name Muhammad. Ahmad before the prophet actually came, Muhammad son of Abd-Allat and Amina when he was here and Mahmuwd when he had finished his mission; that is Ahmad in prophecy, Muhammad in birth and Mahmuwd in the end. I knew then, I was not always to be a muslim, but it was one degree in my studies.

88 As I prepared for my journey I was very excited, for I realized that this journey would mark a change in me, and that would affect not only my life but the lives of all the people I touched.

89 I knew that the journey would be a long and tiresome one, but I faced everything that was to come with great anticipation.

90 When I arrived in Sudan, I felt as if I had returned to my home, my land, the land of the Ancient Egyptians where there is pyramids. The month of June in Sudan marks the end of the hot summer months and the beginning of the rainy season.

91 Therefore, the weather was not as hot as I expected it to be, but rather comfortable.

92 In fact, the early hours of the daylight are rather cool, and during the afternoon the sky is very clear and the sun is very bright.

93 It is then that the great sun reached its peak. In the dusk period, and just after the sun appeared to set, one is overwhelmed by the sight of the sky, for it looks as though it has been stroked by an artist's brush.

94 Its color is vivid red with shades of orange and yellow. There are no high buildings to hide the wonder of ANU, therefore you can watch the sun and the beauty that surround it until it disappears completely. It is a beautiful sight to behold.

95 There are not many street lights in Sudan, so when the stars come, they are very bright against the blackness of the shadow time.

96 The people in Sudan prefer to use lights only after it gets very dark so that they can enjoy the beauty that mother nature bestows upon us so generously.

97 Having settled down and relaxed for a few hours, I then went to the Grand Temple in Khartoum, or The Grand Lodge in Egypt, and sought out The Grand Master Mahmuwd, the Most Worshipful One, as I was instructed to

you at the junction of the 2 Niles?" He replied: "You are at the junction of the 2 Niles." I don't remember how I got there.

122 Mahmuwd and I spoke a while and then suddenly I felt a sensation rising inside of me. He said: "Step".

123 I took one step and immediately I was transformed from that state before a tremendously beautiful temple.

124 The temple had a long hallway of doors and its floor was of marble. He said "Follow me"; and I did.

125 As he took me down that majestic corridor, we approached a door.

126 He opened the door and there before me was a huge room. The walls of the room were white and they appeared to emit a soft flowing light.

127 The room was bare, except for twelve rugs which were arranged in such a manner that they formed a large circle.

128 In the center of the circle were three rugs, I was told to sit in the center of the circle on the middle rug. I took my place and then Al Khidr manifested and sat facing me.

129 We did not speak to each other, but I cannot tell you how happy I was to see him.

130 Suddenly, other men began to manifest; men I had never seen. As they appeared each one would say his name. Aluhum Khanowk Zodoq, Aluhum Eliyah Zodoq, Aluhum Yashua Zodoq, and this went on until each of the twelve mystics had said their names. There were still two rugs left on either side of me,

131 Then Aluhum Al Mahdi Zodoq appeared to my left and Aluhum Muhammad Zodoq appeared to my right.

132 They greeted me, and I smelled the scent of Rose from Aluhum Muhammad Zodoq and the scent of Musk of Aluhum Al Mahdi Zodoq.

133 And the Aluhum said: "The initiation will begin, suddenly I felt as if I were tumbling backward, but actually, I and everyone else in the room was levitating."

134 I couldn't believe my eyes! Then to my surprise out of the center of their foreheads, straight to the center of my heart, different colored beams of light came from each one of them.

135 All around my body I could feel this energy surging through my being. I cannot find the words to describe how I felt.

136 And neither can I go into further detail about my experience during this initiation, for I cannot betray the secrets I swore to maintain.

137 After the initiation, as we were preparing to leave the temple, Mahmuwd signaled to the sky.

138 I looked up, and there in great splendor I saw a Lotus. In the center of the Lotus was a 7 pointed star resting in a crescent.

139 Within the 7 pointed star was an inverted heart and the word Huwa inscribed in its middle.

140 All around the symbol, there was a green light wavering brighter and brighter against the dark violet hue of the sky. I was elated....

141 Mahmuwd then proceeded to explain the meaning of the symbol, and told me that it would be the seal of the Universal Order of Love: The Sufi Order of the Sons of the Green Light. First step to 3 steps.

142 He said that this order would come

forth during a time of great turmoil, to restore hope in the hearts of human beings, thereby, teaching him the essence of his true nature.

143 "As the sun is the axis of this solar system," he said, "and all the planet revolve around it; so will you be the axis of the planet Earth and all the people will revolve around you.

144 You will be their spiritual guide and you will nourish them with love and wisdom. Hence, your name will be 'Al Qutb, The Axis, The Spiritual Guide."

145 And then I was given the sign of the Kosmos which followed my initiation,

146 I returned to my dwelling. As I was preparing to return to New Babylon, America, I was told to go to Egypt for another initiation.

147 When I arrived in Egypt I was told to go to a great pyramid in Giza where I would have to pass the test of the humans.

148 We arrived at a pyramid, where none of us knew our guide. He was the wisest of the wise standing at the threshold of the entrance.

149 The Aluhum with a comforting voice, reminded us of the test before us.

150 He said, "Trust in Anu in everything, have patience; though you don't see a thing, it does not mean metamorphosis, it is not destined to manifest.

151 Ever so eager to enter the pyramid and pass the test we barely listened. He said, "Anything that you wish, or feel you would need merely think this thing, and it will be manifested before you.

152 So I being one of the 24 reflected back on Earthly needs.

153 Quilts manifested before our eyes, and heavier garments, they too manifested.

154 We need wicker stones, thinking that we had passed because we didn't ask for candles.

155 We will need dry foods, again feeling agreeable within ourselves, for not asking for fruits and vegetables and quails.

156 O water, we'll need plenty of water. We'll need papyrus to write down what we seen. We'll need quills to write with, and of course ink.

157 By this time, we were all well weighed down with our needs.

158 The Guide, with a slight smile said, 'You are about to enter into the doorway of your first test'.

159 The door raised from the bottom upwards and all we saw was darkness.

160 Stepping through, First, the Aluhum assured us that it was safe. I rushed forth second, only to find the first step was a long slope, that was hastened in speed by the pull of gravity,

$$F_{12} = \frac{(GM_1 GM_2)}{d^2_{12}}$$

which equals 16 feet per second square, as a result of having such a heavy load.

161 When I arrived at the bottom I saw there was already light; nor was it cold, nor was I dehydrated, nor was I in need of food. I heard a voice say, 'You now have failed the first test.'

162 Spinning to the Aluhum to ask, 'What do we do now?' After I shed myself of all the un-needed weight,

163 He smiled! And repeated, 'What do we do now?' You have now failed the second test.

BEHAYMAW

Tablet 10:164

164 Immediately, a great wall appeared right before my eyes, and I heard a voice from the other side, and I remembered, that it was the Aluhum's voice!

165 It called, and said, 'All that you seek to know, and will ever need to know about the humans is on the other side of this wall.'

166 Immediately, my eyes scaled from corner to corner, center, top to bottom.

167 It was a huge onyx like wall that appeared to have no entrance.

168 I asked, 'How shall I get to the other side'? The voice from the other side answered, 'You have failed the third test.'

169 Immediately in rage, I thrust myself out of anger, with myself at the wall,

170 Only to find myself on the other side,

171 In triple darkness. For as my pupils dilated, I saw nothing; this was the first stage of darkness.

172 I blinked, and opened my eyes slowly to look at my immediate environment.

173 Still I saw nothing; this was the second degree of darkness.

174 My eyes, turning them to reflect back in the optic nerve, then to my own heart,

175 Third degree of darkness. But I saw a long forgotten friend, fear.

176 He called out to me, I yelled, but there was no answer.

177 A voice inside said, you failed the fourth test.

178 I began to run forward. he called to me , this could be a cliff.

179 I stopped, and a voice inside said you have failed the fifth test.

180 I began to step sideways and feel.

THE HUMAN BEAST

Tablet 11:3

181 He called out to me, this could be an edge. I found myself caressing him in fright.

182 A voice inside said, you have failed the sixth test.

183 At this point I thought of the one helper, and I yelled out, 'O ANU, Help Me!'

184 Up ahead, the size of the great teachers ring.

185 I saw a speck of light. In joy I ran towards it.

186 As I approached the light, its size increased, and I thrusted myself head on into it.

187 I found myself back outside at the threshold of the pyramid.

188 The Aluhum said, you failed the seventh test with that same smile on his face he said, in failing the seventh test, you have passed the first test, for now you know what it feels like to be a human.

189 We are about to enter into your first test, anything that you feel that you need or will need for your test merely think it, and it will manifest.

190 Turning to the Aluhum, with his smile on my face, I said, 'I already have ANU, I need nothing!' I passed the test.

The Identification
(19 x 2=38)

Lo! I am the seventh star which ANU, A'LYUN A'LYUN EL, holds in his right hand.

2 I drink of the same cups as he.

3 ANU gave me the right to the staff and the crown. I am the bell of life, the truth, I sound. Fear not things which you shall suffer: for if you know, and

you have faith in the facts beyond any doubt you shall receive "The Crown Of Life", I am the bell of life, the truth will sound.

4 Give me evil, and I'll turn it good, I'll even exchange 6 into 7 1/2 of 12=7, 7, VII = XII.

5 I am the star at the tip of the candle light which brightens the kosmos and burns forever more. I am he that will behead Azazl, the evil one, and lead you into the holy war.

6 I built the cell which became the Amoebae.

7 I quote the Scroll of All. I hovered above the Aqsa Mosque in Jerusalem, and I counted each shield of solid gold: 3,392 is the number; you count them, if you can or just hover overhead. Don't fall.

8 ANU, A'LYUN A'LYUN EL empowered me, for he is the magnetic center of the universes.

9 The infinity above all mathematics.

10 ANU gave me the key to all living science; all which is in the circle of the universal mind, and for the mind to seek.

11 But he also gave me responsibility for the ones that fear death, the weak.

12 He knowing not whatever is near, to him it's unseen.

13 The all immortal soul resides for all the boundless universes in life. There is no-one that really dies.

14 Once the blind can see,

15 The deaf can hear,

16 The dumb can be made to overstand,

17 And that dust man treads becomes life for all life to be.

18 Yes, all of this ANU, gave to me, identity.

19 I came to a city, where people crowded around and they said:

20 In what company do you travel?

21 What is your bequest?

22 They said:

23 Whom doth you overstand?

24 They said:

25 What is your pedigree?

26 They said:

27 What is your doctrine?

28 They said:

29 Who knows all of your doctrine?

30 They said:

31 Who has no doctrine at all?

32 They said:

33 Where are you from?

34 I said to them:

35 What seems to you simple is not.

36 What seems to you to be many is one.

37 What seems to you complex is easy.

38 The answer to you all is. I be not an I, but a we.

Lo! By your love kindness will they be saved? Or will they kill that too; by using their 2 eyes, Old Testament, and New Testament, and not the one, the **HOLY TABLETS.**

2 Now we look down from above at the tip of the great obelisk needle, of which he guided all of us, those who are arriving here, and to what time we shall be in Wahanee.

3 O Aluhum, I can also remember when my mind was as theirs and I thought I could count the grains of sand on a beach.

4 A light year of numbers it took me to

see. I asked for your forgiveness and you forgave me. I, MURDUK was of the disagreeable, yet my better half Balaat, on behalf of you, made me see the true light.

5 I should ask, will you do the same for these who still count snow flakes while they melt in their hands?

6 O, what fools these mortals be!

7 As I look through the cone from the open point to the great circle of the universe, the vortex, tunnel. I count all the stars, that the Anunnagi created for them to see. It's a worthwhile thing I do for them.

8 Even those things which they worship, I lived by guiding time. Their gods also live by time as it pass.

9 Throwing small flame-lit metal apartments at your moon, by your space programs of NASA.

10 Helper of helpers; O ANU make me overstand your gifts. For they see not, how you answered the deeds of Babel of before, and you wiped it out.

11 Also, they forget how you dealt with Ad, Thamud, Sodom, Gomorrah, Rome, Greece and the cities of many other worlds, and how you wiped them out of this small but evil one. The western world and its hate of truth.

12 These race of Jinns are trying hard to return to their home, they're trying hard to get to other planets.

13 Nakhash thinks that from the 6 points of this galaxy, Saturn's planet Titan, power would be in his sinning hand; what a laugh!

14 For as he planned his plan, we too plan our plans because our father, ANU created his father, Haylal, from pure light, falling by pride to fire---rather breathing not in a living soul: Nafs, but rather poisonous wind: Samuwm, into open chests of the living.

15 O you, first; and last, we being between the first and the last, do not have our own set time in space. Give me faith, that I may make them also faithful to you.

16 I found 1 point in this thing they call time, 30, that is the 30 years between 1970 and the year 2000. 1500 hours or 3:00, and 3x5=15, as the 3 eigths that make up the 24 hours in a day, not merely the morning, you have 8 hours in a morning, and not merely the evening, and you have 8 hours in the evening, and not merely the night, you have 8 hours in the night, which altogether makes up 24 hours. 3x8=24 hours. Intake, assimilate, and dissipate.

17 My rented body fell to Tiamat, the planet Earth: physical pain I experience then.

18 O, how I pray they all get up so that putting their bodies in your care may heal them of this fear of death, realignment, transformation.

19 O you, taker and giver of time, and giver of time and life. Why fear they of the one thing they know nothing of?, death.

20 Is it being in the cup full of the physical, does he want to be served by desire?

21 Pearls get their beauty from the sky, but they look not up; yet they are found deep in the shell of the oyster. The soul is the real you, not the body.

22 From such filth comes such beauty. Only you ANU, can make such wonders.

23 From the west comes such truth, that is so pure. This Holy Tablet, and all the works of Nuwaubu. Why is it honey

and cane? They never ask about sweetness, or how the silk and skin are one and the same.

24 But, how they scan your heavens. Ask them all about what egotists these Earth beings be! To think he is alone and that he is all that matters.

25 Infinite body, destined soul.

26 Infinite wants, destined gifts.

27 Infinite pain, destined peace.

28 How can I teach them of your love, if they don't love.

29 Even now their own loved ones,

30 Without reason of their own.

31 All this is extractable, inconceivable, and receivable from whence, if we truly be one.

32 ANU is the bestower.

33 Say: La Illah, nothing creates, with your eyes closed and nothing truly exists.

34 Now, open your eyes, saying: accept Allah Illah Allah. All of it is here.

35 Can't they even see that small truth?

36 ANU, is the majestic.

7 If for health reasons you're not able, then offer freely provisions for 60 beings, and if given the strength before you leave this state, that you visit the navel of this planet Earth, where once the tree in the midst of the Enclosed Garden of Delight did stand.

And This Is How This Event Should Be Commemorated While In The School Of Mohammadism

The purpose of fasting for spiritual preparation for a sacred meal, preparation to induce spiritual impressions or visions and provide vitality during times of human or natural infertility. The great wisdom of fasting is the protection of the soul and its education. It is also to keep away the passions and evil ways, so the soul and body will always be with Allah.

CHAPTER SIX

BEHAYMAW

Tablet 13:8

Every negative passion should be dead in this great month of Ramadaan. In fasting, the person feels hunger everyday. This hunger should give one compassion for those who must deal with it everyday. During the month of Ramadaan, one has the chance to burn out their desires; as one of the objects of the fast, is to generate power in the self and to guard against disagreeable. It is said that one who fasts during the day should not spoil the benefits, of his fast in the shadow hours when the fast is not in effect.

Fasting is mandatory of all males, females, and children age thirteen and over. Exceptions are made in cases of those who are sick or insane, or those who are traveling in the desert. The beginning of the fast is started by reciting:

Ane Sanub Istanyaat Dek Ane Sawum El Bukra Min El Shahru Shil Ramadaan, Khafuhet Liyya Ent Fa Wafuj Min-nee, Yaa Allah, Ena Ent, Ent Atha El Samu'at, El Barufat.

I make intentions that I fast the morrow from the month of Ramadaan, obligatory to you so accept from me, o Allah, surely you, you are The Hearer, The Knower.

The breaking of the fast is made official by reciting:

Yaa Allah, Li Ent Bamaltuna Sawun El Sawum, Wa Basbub Razuginuk Na Kasarna Zi. Fa Wafuj Zi Min-na. Ena Ent Atha El Samu'at, El Barufat.

Oh Allah, for thee did we keep the fast, and upon thy provision have we broken it. So accept it from us. Surely you are the Hearer, The Knower,

THE HUMAN BEAST

Tablet 13:9

Yaa Allah, Ena Ane Sawamtu Li Ent Wa Ane Sanabtu Thabutun Istasmaaw Ala Ent. Wa Ane Kasartu Sawumee Bi Towbessuk Ena Ent, Atha El Ghaafur, El Rahum-Mul.

Oh Allah, surely I have fasted for you and I have made a firm resolution on you. And I have broken my fast by your goodness surely you, are The Forgiving, The Merciful.

Following the intentions, are the intake of 3 dates and a glass of water. If dates are not available, water is sufficient to break the fast. During the shadow hours of the month of Ramadaan, The Resting Prayer, El Raahuy Tafuf, is performed. In it, the congregation sits and rests after every fourth raka'aat is completed and every second salutations is performed. You are to recite from the Holy Tablets, afterwards, the congregation breaks up into groups and they speak on such things as law. The complete shadow hour is spent in the remembrance of the constant blessings that Allahu Subhaana wa Ta'ala has bestowed upon us. At the commencement of the fast of Ramadaan, the fast is broken by what is called The Feast Of Breaking The Fast, simply the festival of the breaking, meaning the fast. Gifts are exchanged. There are festivities of music and dance, everyone is dressed up, and a tiding of one tenth of your yearly earning is given as a free will offering to the central tabernacle.

8 Let me speak to you of the 7 folds (parts) in your physical. Earthly form.

9 You may be regarded as physical bodies, that having a sister part under

nature's same laws and the plane of force.;

10 I see you are deep, (look deeply) into this knowledge, for it comes to you from my own self (Enqi), to help guide you to a better overstanding of the 7 fold you.

11 One of you is discipline,

12 Two of you is faith,

13 Three of you is sacrifice,

14 Four of you is Firmness,

15 Five of you is patience,

16 Six of you is forgiveness,

17 Seven of you is peace.

18 Each star has its own light, the first is the spiritual self (ether), the second is life self (living), and the third is spiritual man (soul).

19 There are Seven Galactical Heavens within each of you.

20 The best is the brightest seed of all. The Master placed it there that you may keep it pure. The Sun at your solar plex, is your true inner light.

21 Before we, the 4 wise scientists, Ninti, Enqi, Nergal and his wife Arishkegal bred you, the children of the Anunnagi were initially bred to be what is called Lulu Amelu, "primitive worker".

22 We worked on breeding the Genus-Homo, who were the Ptahites or descendants of Ptah, the father of Nekaybaw. Her seed evolved from water beings, and they were bred with the Shaggies "Enkiduites" from one of the planets in the sixth star (sun) constellation known as Kesiyl (Orion), which produces Homo-Erectus: A species that stood up straight, and erect.

23 In these beings we placed a clot, (seed of procreation) water, carbon, and clay, to form your shell, your body.

24 For the spirit is of you. It belongs to us, and unto us will it return.

25 It is the best part of you. The light shining in the darkness, yet you comprehend it not. Your inner light seat at the solar plexus area.

26 The soul having 7 dimensions in you. Your soul is held in your body by the electrons and nervous system.

27 It was made by the magnetic bind of mud and spirit. It is the magnetic forcefield that keeps all atoms and cells together.

28 Tied (confined) and the soul is forever waiting to return unto the Anunnagi, the Aluhum.

29 Our world was in existence long before yours was a thought.

30 We the Anunnagi lived in peace.

31 But by his merciful love ANU created another being, Enqi, to share his grace.

32 All the stars, Malaaikat, Yah (Sarufaat), Weh (Garubaat), the Galactical Brotherhood Of The Galactical Heavens was created by him, ANU, in the light of The Heavenly Hosts called Ra, the Anunnagi. They had 360 degrees of knowledge of the physical realm, as opossed to 360 degrees of darkness of the spiritual realm. Yet, in our likeness was one destined to fall.

33 Even you mortals, being one time in our likeness, as Etherians in The Galactical Heavens.

34 The faller, Haylal (Ibliys), sent his hosts (the Wehans) to dwell in the void and darkness upon the face of the waters. The Wehans set up continents on Qi before mortals were cloned. As previously recorded in Chapter 2 of this Holy Tablet, verse 59-65:

CHAPTER SIX

BEHAYMAW

THE HUMAN BEAST

Tablet 13:34

"I (Ninti) have created! My hands have made it! the first Adam (not Adam Zakar). Now enough clay was prepared to start pregnancies in the fourteen birth Anunnaqis at a time: Ninti nipped off fourteen pieces of clay, seven she deposited on the right, seven she deposited on the left; between them she placed the mold, now the procedures were genetically engineered to come up with seven males and seven females at a time. The wise and learned, or double-seven, the birth Anunnaqis assembled. Seven brought forth males, seven brought forth females; the female Anunnaqis brought forth the wind of the breath of life. The creation of the Lulu Amelu, Primitve Worker, The Homo Sapiens came about through a feat of genetic engineering and embryo-implant techniques.

35 Yet, unborn lesser lights (Garubaat) disagreeable spiritual beings dwelled in the darkness of the planet Earth.

36 Then we called forth, and made known that we were to create a mortal being called Kadmon (Qadmon) of carbon and water, by fashioning him, Kadmon, into shape and placing our spirit, the spirit of the Anunnagi; as it says in the Qur'aan, the 54th degree verse 28 that has been changed to the 15th:

So when I, (Yahuwa of the Aluhum) sawwayutuhu 'made' him (Adam a perfect mortal) and I nafakha 'blew' of my Ruwh 'sou'l into him (he was part Aluhum); so you (Aluhum) are to fall down saajidiym 'prostrating' (in respect to him)."

giving Kadmon life, and at that time they were commanded to prostrate before him, as it says in the 54th degree verse 29, that has been changed to the 15th degree:

Tablet 13:38

"And when your rabb 'master', said to the messengers, (Aluhum, Anunnagi): 'Surely Enqi) am about to Khaaliqun 'create' a bashar ' mortal being in skin' from Hamaain' Hamite, black substance', Masnuwn ' molded (into shape by cloning)

37 Yet, we keep the 4 winds (4 angels) to keep the planet in order before the Yamum, the sea.

38 Blow into your place, four crafts at 4 strategic places called the four angels of the four corners of the Earth. O how I rejoice being in such joy; North South, East, was I and West, the other. He, Tammuz was assigned to protect the dragos under the water of the planet. He headed the fleet referrred to as the Theoris, having both lungs and gills. He was of the dragos being the son of Ishtar and Dumuzi,the son of Enqi. Tammuz is the original writer of the text of Genesis. El's Holy Torah, Genesis 1:2 states:

Because the planet Earth also called Tiamat, had become to-hoo 'empty' and bo-hoo 'desolate'; and no sun light shined through the dust clouds on to the surface of Tiamat's waters for 6,000 years , which was created by the great meteorite that hit the planet Earth, and the wind of the Aluhum ship called Nibiru hovered upon the surface of the water and blew and moved the black dust cluds that blocked the sun.

The King James Version 1611 A.D of the Bible in Genesis 1:2 states:

And the Earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

So the Earth was without form and void and darkness was upon the face of the deep. "Deep" is making reference to

water and the Aramic/Hebrew word faneem means *"surface"*, Again, *"and the Spirit of God moved upon the face of the waters."* The being that is writing this, is beneath the waters to see the craft of the Aluhum moving above the surface of the waters and then it makes reference to what he heard the Aluhum say in chapter 1 verses 3-4 of El's Holy Torah.

And these beings pleaded and said to The Most High "yeh-heh" 'let exist' ore 'light!' And the light existed. And the Aluhum Anunnagi saw how tobe 'agreeable' the condition will be the light with light again, So they baw-dal 'separated' the light from the kho-shek 'darkness'.

The King James Version of the Bible in Genesis 1:3-4 states:

And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness.

Deity said *"let there be light"* and he says in verse 4 *"and God saw that the light was good"*. This individual is talking about the Aluhum and what they were doing. He also talks about when they first arrived here in verse 2 and the condition of the planet and the discussion that the Aluhum are having about what they plan to do here. When he gets to chapter 1 verse 27 of El's Holy Torah he says:

And the Aluhum Anunnagi, Nudimmud Enqi, Izraa'el, the one appointed for the breeding appointed the Aluhum Anunnagi Ninti, for pro-creating people, Homo-Sapiens of of Ha-Adam "The Adamites' from the Homo-Erectus to Tshe-lem look like herself using her own divine seed, Ninti; and acting like herself. And the Aluhum Anunnagi Bara 'Pro-created ' them into one they called Kadmon-Adam (Zakar) and Eve (Nekaybaw). This is how she, Niniti, Bara 'Pro-created' Athum 'Them' of her own seed.

The King James Version of the Bible in Genesis 1:27 states:

So God created man in his own image, in the image of God created he him; male and female created he them.

"So god created man in his own image." Again, talking *about* what God created man, so we are now talking to another being of the completion of the heavens and the Earth, and the host of them . He discusses the creation of beings that live on Earth and in the heavens, as the host then separates himself from Nakhash by chapter 3 verse 22 of El's Holy Toah when he says now, it is speaking about a specific point in time.

A Yahuwa of the Aluhum said to the Aluhum Anunnagi, sarufaat and cherubeems "look at the Adam, He has become just like Ekhawd 'one' of us, He Yawdah 'knows' will, having the ability to make decisions between that which is tobe agreeable and rah disagreeable: using his four high senses: psychometry, clairvoyance, intuition, telepathy; he is free to think for himself without the commands of the Aluhum and now at this point we must be aware or he will take, and eat also of the tree of divine life, read the scroll of All, and live forever; So lets remove his barathary gland and maim him and his seed after him with the spell of Kingu Leviathan. "

The King James Version of the Bible in Genesis 3:22 states:

And the Lord God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat,

and live for ever:

When he says The serpent was more subtle than any beast of the field which the Lord God has made, he separates himself from the Lord God, and Nakhash further separates himself from Kadmon, and Nekaybaw. El's Holy Torah 3:1:

Nakhash (Haylal) the reptilian and son of Shakar, a reptilian orignially from Maldek also called Valkun who relocated within Orion, a 6 sun, 6 star constellation and his wife Mylitta an Anunnagi who was raped and became the evil spell casting whisperer, being the Aw-room shrewdest of all the world outside the Enclosed Garden, spoke with Hawwah, and daughter of Ptah and Anath and said, did the Aluhum Kalkael tell you that you are not to eat anything in the Enclosed Garden you desire?

The King James Version of the Bible in Genesis 3:1 states:

Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

So this Luciferian who lived beneath the sea with the ability to come on land to survey is the original writer of this text who is he, Tammuz who is taking the Enuma Elish and re-writing the 7 days, where there are 7 tables and why there are 7 days of the creation stories, which it speaks about at the Shabut. Tammuz was ruled, and he ruled reptilians, the way his mother worked as Sin Naana, a high priestess amongst the Luciferians under the sea serpent deity Leviathan. Tammuz has reptilian in him as most of the Rizqiyians who left Rizq to dwell in other stars.

Tablet 13:45

39 O you, who are created of black mud, remember when we called Ahmad, son of Abd -Allat and Amina, up to us to show him our board. And appointed for him his helper in our house. As it says in El's Holy Qur'aan, in the 50th degree verse 1 and has been changed to the 17th:

"Glorified is he who went upward with our slave (Muhammad), one shadow hour, from Masjid Al Haraam 'place of prostration that is the sacred one', to the Masjid Al Aqsaa 'place of prostration that is the farthest.' He it is whom, We (We not He) Aluhum, Anunnagi), put blessing all Hawlahu 'around him' (a circular craft); so that perhaps We, (Aluhum), will be able o show him our (Our not His), signs; because surely He is Al Samiyru ' The Hearer' Al Basiyr ' The Seer;."

40 We revealed to him Buraaq, a circular craft.

41 The Bright one, in the hour of the ascension, appearing illustrious as Afsu, the Sun, sharing the size of an ass and a mule, having two wings, called at times before Gryphon, riding him by shadow hour from the sacred city of man's birth, Mecca to Spiritual Jerusalem.

42 Then he revealed to him one of us, (Gabriyel) having 70,000 thousand faces looking in all directions at once, 70,000 thousand devotees in his order.

43 70,000 thousand heads knowing the secrets 70,000 thousand mouths spreading our wisdom. Each mouth 70,000 thousand tongues. Each devotee having 70,000 thousand devotees.

44 Each tongue speaking 70,000 thousand different tones, yet all sing praise to the master.

45 They, knowing every prayer and they have masterd all the words.

Tablet 13:46 **Tablet 13:62**

46 Where there is 11,000,000,000,000,000 quadrillion tones that are different.

47 5,000,000,000,000 trillion mouths in all, which 2,200 tones sang from each mouth.

48 In time, I will speak to you of the mystery of these things.

49 Woe, unto the hour and the falling of the Anunnagi, and what will make you overstand what the falling is?

50 Cast by the tail of Haylal, 1/3 of all were cast to the Earth. Before it was completed, 200 hundred fell into that darkness on their own, who wanted to be his helpers.

51 Our sacred number and shield for the righteous is the symbolic number 19. Will I give it to you as your protection from them. Simply pray and be willing to sacrifice, and they, the Wehans will be cut off.

52 The chiefs of the 10, those being: 1) Samaya, 2) Azazil, 3) Sariyl, 4) Rumiyl, 5) Dandal, 6)Turil 7) Kukabil, 8) Gadriyl 9) Belel and 10) Duma.

53 The chiefs also state in the laws, that while in the Earth, that they, the Wehans, have called out to help him, Haylal, against you, mortals, many times.

54 You, Nakhash, fell to the Earth, not seen by the physical eye, before you mortals.

55Nakhash's, seed in the Earth, with her, Nekaybaw's seed. One to one, even before man was there, he had ruled the Earth.

56 Things were commanded to Enqi from the highest place, Alyun ANU, A'LYUN A'LYUN EL who is one of the Yahwehs of the Aluhum, said, 'Shape a mortal that I may place my spirit within him.' As it is says in El's Gadush Taw, El's Holy Torah, 2:4:

"And a Yahuwa of the Aluhum yawsar 'shaped- Kadmon ha -Adam 'the Adam' from Ninti's Awfawr 'clot of granulated blood, (dust)' from Ha-Adawmaw ' the people of the ground, earthling'. They gave him the Neshawmaw 'breath' of Khayeem 'divine life' and Kadmon-Ha-Adam 'the adam was born a Nefeshkhay 'living spirit.

57 The 200 fallen angels had no fear, about this mortal beings, being made, but they did fear the fact that he was created. They asked, 'O you merciful and all powerful being, what is the need of this new thing? What is this?'

58 El Najuhur, the Successor, Kadmon in yet an unborn Earth, he will be to you, Enqi. Will he, Kadmon, follow the law of the Yawehans, so we will be as we were before, the fall? Will he make sin more than we had before, the fall? Will he be fighting more than we had before, the fall. He will cast one of you even further from your presence, O ANU, A'LYUN A'LYUN EL.

59 Tell us if you have decided that they will be executed, dwelling in Tiamat, the Earth fashioned like unto you.

60 Yet we having fallen from grace, it was your spirit craft, we watched move upon the waters, and in the heavens long before he, Kadmon, was. Why shall we bow to it (a mortal)?

61 Because the secret of creation is yet unknown unto you, Wehans, all 200 of you as a number is very few. You being merely a point in my plan, neither the beginning, nor the end.

62 O you, O mighty, O wise, we, Wehans, do not question your authority, but one whom you have

placed amongst us , to rule us called by the name Jaan; But as Jinns we would not dare to question your rule.

63 Ya Jaan, what saith you of these things?

64 I wish to know why if you created us before making him, must I bow to him or her, yet undecided, he being of mud, and I of energy? Yet I have never before questioned your will.

65 Having seen this thing, Kadmon, let me speak about his weakness. He shall:

1) Want before they have,

2) Give me before they give.

3) Make things to break things.

4) They ask, help me with things I don't need.

5) Want all.

6) Will take anything and all.

7) Kill your creatures for pleasure. This thing, Kadmon, being better than I, Jaan, and shall I make obedience unto it? And I was in worlds of rejecters long before his thought.

66 You, Wehans, are of a strange fire, in and out, you breathed anger in and out at his birth.

67 All the hosts of the Wehans here fear him, Kadmon, but not I Jaan, I beseech you, O Merciful one, to keep a watching eye on me, and grant me, by your command, that I may test him, Kadmon, as you tested us before?

68 Granted! Till the day made known by me only, granted. Only in the last 6,000 thousand years of the clock yet unmade.

69 But of the ones in the last thousand years, unto them will I, Haylal, put my heart; into them. Doing all in my will, making them parade in the garb of righteousness, throwing pebbles at your heaven, and making a mockery of your law.

70 Like asses carrying your revelations on their backs, bowing in prayer, yet having no fear, calling themselves believers, never sharing these last days; for these will I make disagreeable fair-seeming.

71 If they smell the scent of hell with flesh burning eternally of those who turn away from you, they would rather not breathe.

72 Physical life is nothing if psychological life does not tempt it.

73 Truth is nothing if it is balanced by untruth. These things will they get trapped by. They will always ask; But, why, how come, who said so?

74 Their favorite sport, because of me, Nakhash, will be whispering, slandering, backbiting, pride, selfishness, greed, ego, envy, deceit, jealousy, hate, preparing for themselves through these attributes their reservation: hell.

75 Oh sons of man, you are the food of the Jinn, How you dress your own souls for his table.

76 The glory of Haylal is in the weakness of man. When he aimlessly breathes in, he sucks in all the fools of the Earth.

77 When he puckers his lips, you willingly run and embrace and kiss him. All these, and all are sleep. Therein you find beardless guards, kings with no thrones.

78 If you, children of deities, do not raise above him, woe unto you and your kind.

79 The pain of a child passing into this Earth, as the womb of the mother yields to the eye of the head, the acting, increasing by the seconds is nothing from what is yet to befall you for

turning away from ANU, A'LYUN A'LYUN EL.

80 O ye daughters of Nekaybaw, mate to Kadmon, mother of all living, share that which they and no wives can feel or overstand, for you are the mother of pain and know you even now, while in Earth you know what hell is like.

81 You were already given the ease of childbirth in the form of comfort; yet, you suffer the pain by your desire to be like ANU, A'LYUN A'LYUN EL.

82 Of the fruit of the tree made pleasant to the eye, yielding a flower agreeable for food, spiced for taste and desired to make one wise, rising above time's responsibilities.

83 Yet, he, Kalkael, commanded that you, Kadmon, go not near it, and you and she, Nekaybaw did eat thereof. Intoxicating your everlasting life, and trapping it with birth and death.

84 Blame not us, Yahwehans; blame only your own souls. From then to now and on, you shall have shame.

85 One third is with you now.

86 There is 133, 306, 668 sarufaat, and even more than that. We, Jinns,are now 266, 713, 942, and you mortal beings are 144,000 thousand at the time to come, according to the lunar logging that is in the year 1970 A.D. of the Gregorian Calendar, so short a time in our day.

87 Names of Jis Mastima, Bylaiar, Belal, Duma, Gadriyl, Azazil, Sammail, Angel of Edom, King of Doom, Wretched One.

88 The ugly one, falling from beauty can take on many forms as: a gazelle, the peacock, an old woman, a beautiful woman, an old man, a beautiful man;

89 A young man, a dog, a snake, your mother or father, your best friend, or you.

90 Be, you, ever watchful and careful for you know not when he comes.

91 Sarufaat, be the highest order of Yah, Angelic Beings unceasingly in time.

92 Holy, holy, holy is **ANU, A'LYUN A'LYUN EL** almighty of love, of truth, of light, we Enosites beseech you, protect us from Shaytun the cursed and of the fire.

93 Number these four as the four winds of the world.

94 Four faces and six wings called by one of my sons, which were Sarufaat. You remember them being recorded in the book of Isaiah to the Hebrews, and Isha'ya to the Muslims.

95 Some called them fiery serpents, when as Sirafiyl, Yihual, Matatrun, and even, Jaan, before his fall, must have spoken to you of the 6-winged Sarufaat, hurrying Kadmon, to the Kawthar's lake and washing him in the presence of ANU, A'LYUN A'LYUN EL.

96 He roared as the lions, having in the fifth hour of the day his most power.

97 On that day you called Thursday, the green light, comes nearest to Earth. Wait for a lost prayer, **El Taful Shil Usir**, "the prayer of Osiris" in remembrance of **ANU, A'LYUN A'LYUN EL** and your prayer will be answered.

98 Having with him the writings in **Khurm** *"The Manuscript"*:

99 Seven great planetary Jinns,

100 One fourth Ramfata - friend of Anshar, Saturn,

101 Fi yasu - friend of Kishar, Jupiter,

102 Irtusi - friend of Lahmu, Mars,

103 Firi - friend of Afsu, Sun,

104 Sururth - friend of Lahamu, Venus,

105 Fi Hirmis - friend of Mummu,

Mercury,

106 Fiyah - friend of Kingu, Luna, the Moon,

107 Yet they tried to hide one, the tenth planet in all of this.

108 Zarkyl - also called Titan, over Anshar, Saturn.

109 390 heavens, 70,000 thousand worlds.

110 365 heavens on the other side.

111 955 heavens yet unborn.

112 There are ten now here in eight for you, and seven heavens are seated on a great white throne surrounded by winged Garubaat.

113 All of you must know that **ANU, A'LYUN A'LYUN EL** created seven angelic beings before he created the 7 Galactical Heavens and the seven Earths; meaning 7 planets in.

114 Then he created the Earth and the Galactical Heavens. Then **ANU, A'LYUN A'LYUN EL** sealed up your messages and placed seven angelic beings on the doors of the heavens and made everyone of them a door-keeper in heaven.

115 When **ANU, A'LYUN A'LYUN EL'S** Anunnagi created Kadmon, his generation, and tasked them with the kinds of laws and obedience from the same orders and things forbidden,

116 **ANU, A'LYUN A'LYUN EL** appointed two Anunnagi as guardians over everybody to guard their works, be they agreeable or disagreeable, and to follow everybody step by step.

117 **ANU, A'LYUN A'LYUN EL** also created an Anunnagi over the shadow hour and an Anunnagi over the daylight. They ascend with the servant's work at the end of the shadow hour, while he is in slumber. They give to you that which has his pages of intentions, which is his alone. His obedience to his **Tafulat**, "Prayer" and his **Saawum** "Fasting", and what he abstained from and did not abstain from in all of his works for that day.

118 Even more than that, there comes from him, all kinds of labors and even more obedience, for his obedience is a shining light. The Angelic Beings over the planet Earth called Yahwehans, or Eloheems become moved by emotions when the laws are truly obeyed until they take the soul of each being from the beginning to the end of the physical heaven.

119 The Anunnagi, standing by the door of the second heaven, says in a loud voice, stop and hit the face of the servant,

120 And tell him that **ANU, A'LYUN A'LYUN EL** didn't forgive him, and he has cursed him in a long duration, because the companions and his work is a companion of envy.

121 **ANU, A'LYUN A'LYUN EL** made me guardian of this door and never made me pass the work of envy to the other side from the time his Anunnagi created Kadmon, and his generation until Yawum El Baagum "The Day Of Standing."

122 The guardian ascends with the work of the servant who is delighted with the lights and how the servants shine because of his use of more kinds of obedience to the law.

123 So to the door of the third heaven,

124 The Anunnagi at the door said in a loud voice, stop and hit the face of this servant,

125 Tell him that **ANU, A'LYUN A'LYUN EL** didn't accept it from him

and that he didn't forgive him and he cursed him a long time, because the companion of this work, is the companion of backbiting.

126 ANU, A'LYUN A'LYUN EL made me pass the work of backbiting.

127 ANU, A'LYUN A'LYUN EL made me guardian of this door, and he never made me pass the work of backbiting to the other side. From the time his Anunnagi created Kadmon and his generation to the day of standing. This was done in the manner to the seventh heaven.

128 As for the guardians of those who are in the seventh heaven, they veiled all of what came to them, covering the facts beyond any doubt and he separated them from the things prohibited, even though it is as small as an atom's weight,

129 Because the Anunnagi will come up on behalf of the intention of the servant and his secrets,

130 But he will not come up on behalf of what is in his heart.

131 The guardian ascends with the work of the servant, he which rebels with ANU, A'LYUN A'LYUN EL in secret and rebels in public, but only until they come to the end, for the end belongs to ANU.

132 O my Anunnagi, you are the guardians of each servant's works, so repeat it because I am the watcher of what is in the heart.

133 So the servant didn't make pure his heart with good works to me; so write his Katub In Sajun. So they write it in Sajun.

134 ANU, A'LYUN A'LYUN EL has protected us, and all of you from that, and hastened us to success of what he loves and what he is content with.

135 From what your brother, the evil one whom he hates and detests,

136 From the Seven heavens,

137 Seven angels,

138 Seven prophecies,

139 Seven woes,

140 Seven plagues,

141 Seven days,

142 Seven deaths,

143 The seventh is the soul not born yet, Kadmon.

144 The Seventh is Shaytun, Hakail, Shaytun, Shidam, Mazikiym, cock-footed male being, and female being called, Lilin, Layat, appearing once as my spider and another time as ants,also dwelling in the water, and as Shakziyl.

145 Shamayim , Mikil or Qimuil, is the first galactical heaven and the home of their shamush "sun".

146 In delight we created you Kadmon in the fourth heaven, the mental plane of seven degrees. Each plane sub-divides into seven sub-planes.

147 We divided your life into seven year cycles.

148 Recognizing this adding of digits is the spiritual rhythm of the one by one. Man!

149 Called the Seven year periods.

150 The organic relationship of spirit, soul, and body in the individuals is as each stage is reached.

151 I shall speak to you of before youth, to youth on into growth, and then onto old age, the riddle of the Sphinx.

152 In you yet unborn, 3 rhythmical 7 year periods in the life of the child being: ages 1 to 7, ages 7 to 14, and ages14 to 21.

153 Each must be taken into account.

154 Childhood is seen as a descent from the spiritual single eye,

155 Open to the physical world. In which the child dreaming, helps descends even more deeply into Qi, the Earth matter.

156 Then he's more fully within the physical life.

157 How unfair is it to them if you have nothing of the spiritual to give to them?

158 Then on to age three where the thymus or human being is related to the moon sphere.

159 The physical body is built up.

160 The child works at the formation of his own body,

161 At the bone system, which is 206 or add more, which hardens and raises it from mud to an upright position.

162 O what I would not give for just one to see the true light.

163 Your ever ~ loving light.

164 Your secret music.

165 The expression of true emotions.

166 You can witness around the seventh year 354 days by lunar, 365 by solar.

167 The flesh form has acquired a certain firmness.

168 At the seventh year, the babe becomes a person. When the babe is yet one moment into existence, its etheric body is supplied by the etheric Sun. At the moment of birth you move from the ether to crossing the bridge into hydrogen. 99 ether is hydrogen one.

169 The etheric cord is transformed. The etheric being moves from ether on to hydrogen, or from the spiritual world or the life body into the physical body, and it becomes free.

170 Change is the only truth, if they would think on it.

171 The appearance of the calcium, teeth, is a sign that the life forces of the body have completed this first task,

172 Then there's the making of the physical organisms, and they are ready for the next.

173 From then to puberty at 13, 14, 15 the life forces are made available for thinking, memory and imagination.

174 The human being has gained ground, as it were against the hereditary powers, in his body during the first 7 years, and a kind of liberation of soul forces from the body occurs.

175 The thought forces now released are not of an intellectual nature.

176 It is a kind of thinking related to the time of 76 trillion years ago.

177 The time of the ancient ones and Sages, or Wiseman those who tell the future,

178 And it is permeated with feeling and imagination.

179 In the whole time from the seventh to the fourteenth year, the child is given up to a more physical element than that of the sense.

180 Impression 99 per cent of 100 takes rule over the 1 per cent.

181 Al Baariy, twelfth point.

182 But, he forgave at the fourteenth point, **El Ghafur**.

183 From the seventh point, or at seven years old of a child's age **El Hadun**, The Protector, protected its growth with these elements:

184 H^{1} hydrogen, He^{2} helium, Li^{3} lithium, Be^{4} beryllium, B^{5} boron, C^{6} carbon, N^{7} Nitrogen.

185 O^{8} oxygen on to S^{16} Sulfur,

186 Life thus from 14 on to 21 years of age are affected by Sc^{2}, scandium,

Tablet 13:186

having an atomic weight of 44.956

187 Ni^{28} nickel, Br^{35}, bromine ages 21 to 42 Mo^{42} molybdenum, having an atomic weight of 95.94 49. Then on into Ba^{56} Barium having the atomic weight Of 114.82, 56 the age of a **Zagun**, "elder".

188 Besides Be^{4}, Beryllium, The fact is that it doesn't take its strongest hold of the limbs, until the human being is 21.

189 The sentimental soul of the being at this point becomes free, yet not free.

190 **El Istakhlaag**, The Creation.

BEHAYMAW — THE HUMAN BEAST

Tablet 14:29

29 For before me is a great task; a cleansing of your soul of all the disagreeable thoughts placed there by that disagreeable Reptilian, Al Khannaas, and his helpers, who whispers in the hearts of the mortals the human beings, by way of his Jinns, disagreeable Aluhum, or his Jinns in those disagreeable human beings.

30 For he removed from the state Al A'raaf of knowledge. And between this state he mentioned as between heaven and hell and between the two, there shall be a veil on the elevated places. There shall be human beings who have the mark and they shall call out to the dwellers of the garden, peace be on you, they shall not have, yet they entered it, eventhough they hope.

31 All of you, born in the western part of the world with eastern hearts are caught between this state, and you must be raised.

32 The wise of the world identify their creator as having 3,000 thousand tones of his own.

33 3,000 thousand attributes, 1,000 thousand are only known by the Angelic Beings, the heavenly host in Malakuwt,

34 1,000 thousand are only known by the prophets.

35 There will be 300 hundred in the holy Pentateuch, El Gadush Tawrah,The Torah,

36 300 hundred in the writings of the ruler David El Qadush Zabuwr, Psalms,

37 And 300 hundred in the twenty two chapters of the Holy Scripture of Rabboni Yashua, El Gadush Istanjaal, Revelation Injiyl, Evangel Revelation;

38 And 99 plus 1 in the Qur'aan of Ahmad. With the exception of the one

Tablet 14:50

sacred name. We will have 2,999 attributes.

39 There is a name that has been hidden for only the wise to find by Anu.

40 That name which has been hidden for only the wise to find by Anu, A'LYUN A'LYUN EL, is the greatest of names called the supreme name.

41 All of ANU's names are of 2 kinds:

1. The Rulership
2. The Compassionate

42 For when a person asks you what is Anu? You are to change it to you mean, Hu is Anu?

43 Many an Enoshite in many a land have tried to define Anu in many a way, but to no avail!

44 For even Khannaas himself called you to say Anu. Hu has no derivatives,

45 ANU's name cannot be improvised, it has no derivations.

46 Cursed be he who called ANU, A'LYUN A'LYUN EL, DEITY!

47 There is no such word, it is man made, and a failure on the part of those who band together. The Kufars, failure on the part of the ones who see, Basrans, which means to be high or to prevail, to be worshipped, to be perplexed, to turn for protection. Aramic, Hebrew Syriac, Phoenician, Sabean, Arabic.

48 ANU, A'LYUN A'LYUN EL is alone, no one except him. All other names as Rab is called which are the names of rank.

49 Cuneiform is the pure language which the Anunnagi gave to Adamites to speak, that expresses his essential name ANU, A'LYUN A'LYUN EL.

50 The essential names of ANU, A'LYUN A'LYUN EL, from his attributes cannot be pluralized or translated.

BEHAYMAW

Tablet 14:51

51 Therefore, you should not refer to ANU, A'LYUN A'LYUN EL as deity, Baal, Buddha, Krishna, or any other man made interpretations of ANU, A'LYUN A'LYUN EL.

52 In modern Hebrew, the creator is called Eloh that is one of his titles, learn it well.

53 In the original Hebrew, the name of the creator is Ilah.

54 There is no 'aiyn in the original Hebrew, but a vowel produces the 'aiyn sound. Aluhum means "these beings".

55 El Rabb means "The Sustainer" or "the one who takes care of all".

56 Aluhum goes back to Eli meaning my creator, a combination of El, creator and I.

57 In the time of the Aluhum Moses, the children of Israel were not allowed to call ANU, A'LYUN A'LYUN EL by his name because of their countless transgressions and disobedience to the laws of ANU, A'LYUN A'LYUN EL.

58 They were denied this privilege. Only the high priests of the tribe of Levi knew the secret name of ANU, A'LYUN A'LYUN EL, which even so, was said as, Hashem or Adonai or The Aluhum, which originally comes from the Arabic expression: Allahumma.

59 Allahumma means O Allah and these beings. Aluhum created Adam fashioning him. In the scriptures the us or we is speaking about in Aramic the Aluhum or in Ashuric Allahumma meaning "these beings" or "them" or "Anu and his attributes" or "angelic aiders" called Malaa'ikat.

60 The attributes are called the excellent names.

61 Aluhum is not only applied to Anu, but it also means Allahumma, O ANU

THE HUMAN BEAST

Tablet 14:69

and them. His attributes. Al Rahman, The Yielder is from the root arhaam, meaning the womb or that which yields for life when broken down.

62 As a result of their transgressions, the Children of Israel had not called on the Creator by his name for such a long time, that they only knew how to call him Adoni, Adonai- pronounced, ah-doe-nay it means "my master".

63 Jews pronounce it Adoshem, Ah-doe-shem derived from the Hebrew Ha-shem the name of one the triplets Shem born to Utnafishtim and his wife Naama.

64 Adonai was mistakenly combined with Yahweh when the Torah was recollected and recorded after the Babylonian bondage. And later it was translated into Latin.

65 Yahuwah resulted in Jehovah, Jehovah which is a bad translation for Yhwh is not the original word. Yhwh is a derivation of symbolic letter, and the results of misinterpretation from Yahuwa to Jehovah.

66 In writing the name of the creator, the letters YHWH were used, since his name was considered sacred, and to be mentioned only in solemn prayer.

67 Yhwh represents the attributes of the creator. Each of these letters bears a numerical value.

68 There are 4 letters for Earth, air, water and fire. The four sources of life, the four directions, north, south, east and west, or blood, born, flesh and mind originally the name in ancient Babylon was Yah = good and Weh = bad,

69 For the purpose of pronunciation, vowels are added, to make it Yahuwa. Y or Yod (י) represented all manifested

power of the hand.

70 It is symbolized by the extended finger of the right hand. As a word, it denotes potential manifestation in contra-distinction to the real intellectual duration.

71 Its numerical value is ten. Hai (ה)represents the breath of man, the spirit and soul,

72 Everything that vitalizes air, life, and being. It is also used as an air hole or lattice window. Its numerical value is three.

73 Waw (ו) signifies the ear and is the symbol of the sound of air, and the wind. As a consonant it is the emblem of water, and the appetite.

74 As a vowel it is considered to be the image of profound mystery and most incomprehensible; the symbol of units, and the decreasing line between being and non-being. The word means hook. Its numerical value is 6.

75 Hai (ה) or H means the same as its first occurrence. In conclusion, Yod (י) is 10 and stands for the remnant of the 613 commandments; only 10 of these were used by the Israelites.

76 H is three principles in the creation: the Creator, Man and the Devil.

77 Yhwh is referred to as the tetragrammaton. Tetragrammation is a Greek word composed of tetra- meaning "four" and gamma meaning "letter" and has been variously transliterated as Jhvh, Yhve, Jhwh, Yhwh, Yahweh, Jehovah.

78 It is the European pronunciation of the creator, to be found 6,823 times in the Hebrew scriptures.

79 The name Jehovah should not be mistaken for the correct name of the creator Ya Huwa. It, when spelled Yahweh with the modern Hebrew script, borrowed from the Phoenicians it creates the symbol of a man.

80 Aum is one of the most exalted sounds in the universe and when hearing this, Al Khannaas the whisperer will respond to the meaning of his name, by withdrawing.

81 So include it in all of your prayers.

82 The most precious names of ANU, A'LYUN A'LYUN EL are adjacent to the existence of human beings, and their life. All of the names and all aspects of life can be seen clearly through the ninety and nine principles.

83 From the first name El Rahmun to the other side of El Rahmun you find Akasha Ether then you can compare El Rahmun to the opposite side on the atomic level hydrogen (H_1) is a starting point into the physical world.

84 The other side of Al Rahman is the etheric world, and it has ninety and nine attributes going out into the spiritual, as well as, ninety and nine attributes coming into the physical.

85 The ultimate in respect of ANU, A'LYUN A'LYUN EL'S name will precede it seven hundred times.

86 Begin first by being in the state of total purity. Your environment should be cleaned and you should wash your body. You should be in a quiet and secluded place for the repetitionist,

87 When Khannaas responds to the meaning of his name, he withdraws. Preferably the person should be alone, or in a group of people in the same light feeling. but he must be warned! For you have no knowledge of how to use a sword, you may injure himself.

88 The story is found in a human being named Uthman. He repeated the name Ya Kharubat "oh destroyer". After the

manner until he became obsessed by the name. If he had thrown a piece of cotton at someone, and it hit them, it would have killed them.

89 The people feared him, so they went to the wiseman and asked what should they do!

90 He told them to take a piece of cotton up and toss it at Uthman. When it hit him, he turned to the wiseman and said: you have killed me, and he died!

91 Don't wish for the power eagerly for it will never come to you. He who wants to be on the outside will be on the other side of that. He who wants to know all things will know all things about nothing, he who wants to be the wisest amongst you, he is truly the fool.

92 The best way to inherit the gifts of attributes of A'lyun A'lyun El, The Most High, is to be amongst the pure in heart. Be aware, for Azazl may try to creep into your mind as you recite these names of A'lyun A'lyun El, The Most High.

93 If you find for one second that you are disturbed by outside forces or that your mind drifts, merely sit and wait in silence, looking back into your heart and trying to rid your mind of these wickedness, before you proceed with the repetition again.

94 For these attacks may imply that you are seeking Al Waali, The Friend, which is what you see and Al 'Araaf which is beyond the reach of Shaytun.

95 You should have been on an empty stomach, never touching the flesh of other animals. Remember A'lyun A'lyun El, The Most High hears what is in the minds of the human's heart. Whether he speaks loud, or he has silent words.

96 For A'lyun A'lyun El, The Most High is, and there is none comparable to him.

97 There is no difference for he knows what is in your heart. The beginning of the Sirat, road is A'lyun A'lyun El, The Most High. The center of the road is the way to A'lyun A'lyun El, The Most High. And the end of the path is with A'lyun A'lyun El, The Most High.

98 What leads man into disaster? Not remembering A'lyun A'lyun El, The Most High. The tongue must be a slave to dhikr. But the heart must also have overstanding. Herein is wisdom that he that has overstanding count.

99 For with this power, he can stop the very devil in his tracks. But remember A'lyun A'lyun El, The Most High does not fit into the heavens or worlds. Yet he fits into the hearts of men.

100 This story is about the student and his teacher, and the recitation of La Ilaha Ila Allah when they were building the Muhammadan school.

101 This is how the people of the town didn't want them to have the abandoned building, for they had a big masjid on the other side of town, and these people were poor.

102 So they came, the student, and the teacher were begging in the town, and the people of the town scorned them for begging.

103 But they had no pride, for they laid down all their manhood in the name of A'lyun A'lyun El, The Most High.

104 Finally the people of the town said okay, there's an old shack on the outside of the town, laughing at them saying: "you can have that."

105 "What do you want it for?" they asked. They said "a school." "What kind

of school?" they asked, "just a school". So the two beggars, the student and his teacher, went out there.

106 As they were leaving the people laughed and scorned at what they could do with this abandoned hut. After a while it was built up and the people were coming far and wide, then eventually the townspeople came out and asked them:

107 "Tell us how did you do this? What is it? How did you build it so powerful?"

108 And the student looked at his teacher, and the teacher nodded with confidence. And the student turned to the towns people and said give an ear.

109 He said, we merely said: La Ilaha, and the whole structure disappeared, and it returned back to the state it was originally, and the student and master stood there like beggars again and when the people of the town opened their eyes they saw the time lapse, and they asked what does this mean?

110 He told them to bind their peace, and he said: Illa Allah. And the whole thing rechanged back into the most beautiful place full of students learning and he told them: this and by this alone can you build all things. So whenever you worship after this say:

111 Worship Allah as if you see him, for surely if you don't see him know that he sees you.

112 Why 100? One for A'lyun A'lyun El, The Most High is odd, being one. The one in the being is odd, being ninety-nine without the one.

113 Therewith, the 99 attributes being an odd number is one and A'lyun A'lyun El, The Most High is one with the odd attribute.

114 Muhammad our servant spoke only that which Gabriy'El Zodoq had given him from the ruler of the worlds, without commandments of his own, because without A'lyun A'lyun El, The Most High's permission he would not have spoken a word.

115 One day Gabri'El had thought he brought 7,777 verses through Ahmad. He claimed that he brought the message to each news bearer,.

116 I was the messenger for each of them. I brought the commandments to all of the news bearers that was the idea which came from Gabriy'El.

117 A'lyun A'lyun El, The Most High knew all his thoughts for he had no knowledge, except what A'lyun A'lyun El, The Most High had given him.

118 A'lyun A'lyun El, The Most High summoned Gabriy'El, and he said, go give Ahmad the tasliym, and give him this verse to recite.

119 Tell him to say: Al Sabuwr, The Patient tell him to give this as a sign for his followers. But the carrier forgetting his place, he brought forth the principle I.

120 He brought forth arrogance, or what is known as the I. Gabriy'El came with that thought.

121 I am the one who gave you such and such - so and so. I am the one!

122 He was suppose to be bringing forth the Al Sabuwr principle as A'lyun A'lyun El, The Most High had said; but for Gabriy'El, all he had was the I.

123 I myself am bringing this, he thought. He addressed Ahmad, then the news bearer said, Al Salaamu Alaykum "El's peace be upon you all" and Gabriy'El said A'lyun A'lyun El, The Most High sends his salaams to you.

124 Did he?, Have you seen Allah? Who are you, asked Ahmad? Who are you? Then Gabriy'El said, O Ahmad, do you not know me. I am the one who brought all the Ayats, all the signs to all of the other news bearers. I am:

144 Then Ahmad said: I have never seen you before nor heard your many names, I have not seen you at all.

145 Gabriy'El said: A'lyun A'lyun El, The Most High told me to say this to you.

146 Did he? Have you seen A'lyun A'lyun El, The Most High asked Ahmad? No, I have not seen A'lyun A'lyun El, The Most High, how can you tell me what A'lyun A'lyun El, The Most High has said? How can I accept it? I have not seen you before, and I do not accept the words which you bring now. I would not accept the words of one who has not seen A'lyun A'lyun El, The Most High, and I have never seen you.

147 Gabriy'El was shocked. You have not seen me earlier, but I brought you so much.

148 Now! I have not seen you. But I am Gabriy'El. I have not seen you, I do not accept you. You have not seen A'lyun A'lyun El, The Most High, so how can you know A'lyun A'lyun El, The Most High's words; how can I accept what you say?

149 Gabriy'El went back and complained before the throne of A'lyun A'lyun El, The Most High with tears: Ahmad said he has not seen me before.

150 I brought him the signs, the seal. But he did not accept it. He asked me if I had seen A'lyun A'lyun El, The Most High and I said that I have not seen you.

151 He said: that if I had never seen you before, that he could not accept the word of one who had not seen A'lyun A'lyun El, The Most High.

152 Gabri'El then asked: O A'lyun A'lyun El, The Most High, Ya Rabbi, O Sustainer what shall I do at this point?

153 A'lyun A'lyun El, The Most High said: verily, look at the wall of the soul. Then the wall of the soul opened, and there was 1000 veils. An indescribable veil was there. It's description had no limit.

154 All the divine rays radiated from the veil and the second veil was behind it. Green lights were illuminating and radiating from it. None of the rays of this green light could describe the powerful light of each piercing gray penetrated from this world to the world of the souls.

155 Then the third veil opened, and it was an emerald green, with pulsating light beams, spreading coldness

everywhere. Then the fourth veil opened and the brilliance was there.

156 It is impossible to speak about the light, for from it came a vibration, a sound. The Aum sound came from the light, the 'aiyn principle. So go say this, go tell to Ahmad: that was the sound light. When Gabriy'El looked he could faintly make out an image emanating from the light.

157 Gabriy'El asked, who are you?

158 El Hayuh he said: Yaa Al Hayyu are the wonderful words. Yaa is praise and Hayuh is life. Al Khidr, Al Khidr, they are secret words. Amongst some of the words, there are secrets, said the voice:

159 Then A'lyun A'lyun El, The Most High asked: did you see what that was Gabriy'El? Did you see who it is?

160 I am the light. The light I am. I am who I am. Ya Huwa. They are not two, but one. This form is the Dhaat, the grace it is within me. And I am within it. It is the completeness which is illuminating the sounds. I do not speak. It speaks. I exist within it, and it exists within it, and it exists within me.

161 I speak my words, and I speak its words. I explain things to my creation, through this light. The one who is there, and the one who is here are one. Looking deep into this light, and you will see 3,,, Miyms.

162 This is the reason I have made you to carry the revelations as a witness, because I don't give form of what is formless. I created you to speak as a witness to provide the proof. But what did you say when you left the last time when you were going, Gabriy'El?

163 You said: I, myself, taught the 124,000 news bearers, 315 apostles, if you overstood where the revelations came from? Who it came from? Why it was going? Where it was going? Who was the one speaking?

164 Then you could have overstood El Sabur. Gabriy'El! which you were bringing because you did not overstand, because you went to Ahmad bringing the "I" principle, and he did not accept you. Then A'lyun A'lyun El, The Most High said, go now tell him this. But first, you must overstand Al Sabuwr.

165 Then Gabriy'El said, we will go! Arriving before the Earth, Gabriy'El saw Ahmad sitting in the cave ever so patiently awaiting. He addressed him: Peace Be Upon You apostle of Allah, and Peace Be Upon You Gabriy'El messenger of Allah, The Most High, why are you just arriving now? We came before Gabriy'El.

166 Gabriy'El said: O! I did not see you then. Who saw you? Gabriy'El said. There was something that we have to pass on to you; it has the power to control Shaytun. It's the seal. Give it to your followers and Shaytun will not triumph. Then Muhammad told Gabriy'El: "You must accept El Sabur within yourself. Then give El Sabur to me."

167 Then we will make it exist in the hearts of other mortals. There are secret grace which exist like this when a revelation is being received from A'lyun A'lyun El, The Most High. What exist within A'lyun A'lyun El, The Most High goes to the whole world.

168 Humans have written many things about the attributes of A'lyun A'lyun El, The Most High. Many, many humans have tried to describe the 99 with the absence of one. In their ways of

many scriptures and tablets, but the secrets of certain forms within the Asma, and the Husnaa, which is the Dhaat contained within the Asma, were fashioned by A'lyun A'lyun El, The Most High, long, long, before.

169 Now it is something written. Recited by mortals; you are to say A'lyun A'lyun El, The Most High's name 3000 times and you'll receive such benefits.

170 Recite another name 7000 thousand times and your benefits, and your sicknesses will be relieved. If you say it another 6000 thousand times or another 7000 thousand times or another 10,000 thousand times for a cure, or just 10,000 thousand and he will grant you a baby.

171 Or say the same 15,000 thousand times, and you will receive some power. Or recite the name 40,000 times daily for 3 months, and all difficulties will erase from them. But to find the secret name, is to say it one time. The grace of A'lyun A'lyun El, The Most High will settle upon you.

39 He, Azazl, led into ignorance those that dwell on the planet Earth by way of

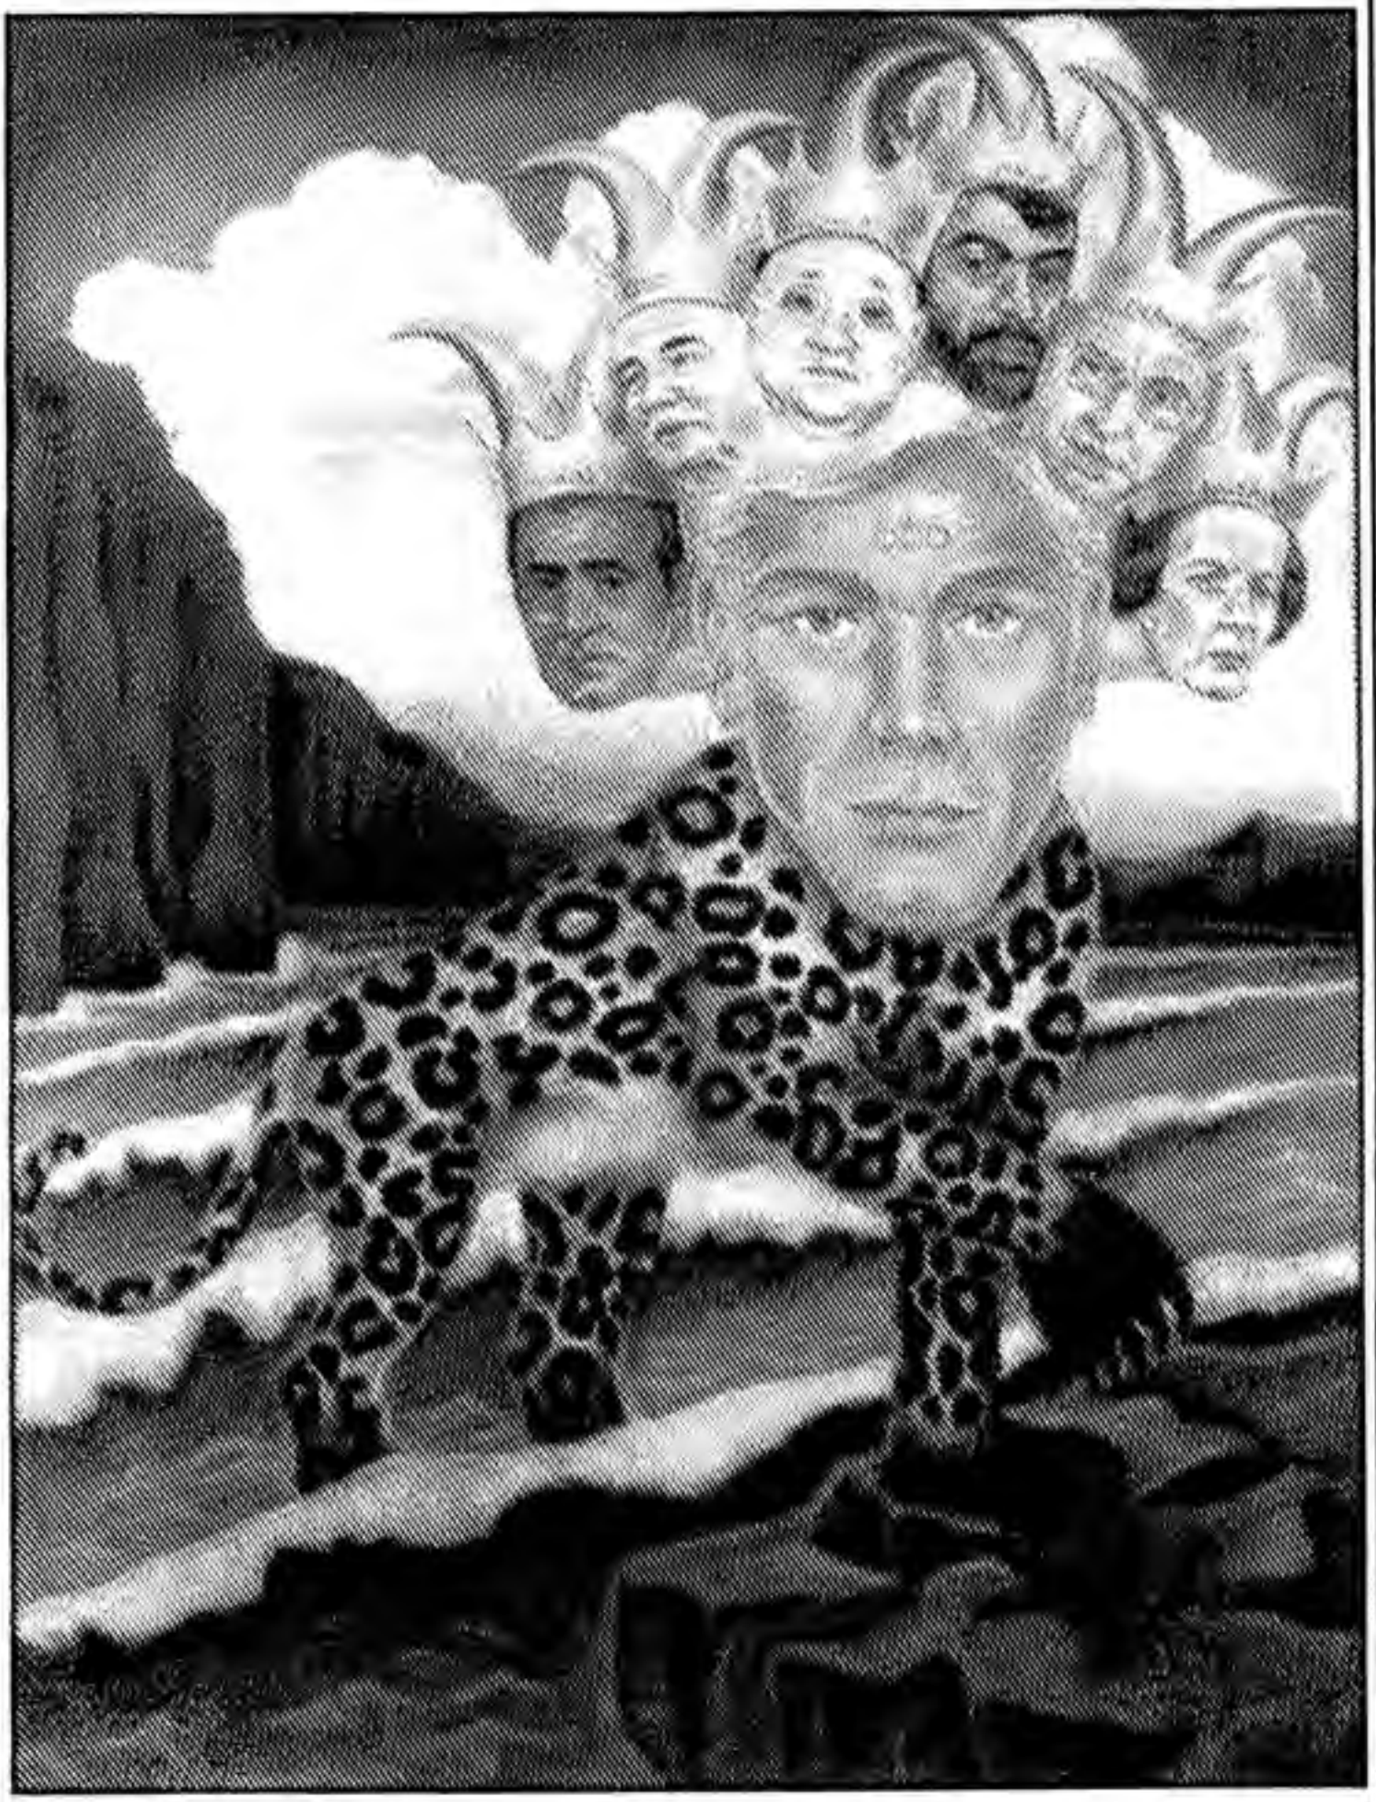

Figure 197
The Symbol Of The Beast

his signs, which he, anti-christ, does right in front of the beast.

40 This is a saying to all who dwell on the planet Earth, that they should make a picture of the beast, which was hit with a sword but lived.

41 He had power to give spirit to the image of the beast,

42 And that the image of the beast should both speak and cause as many of the people who would not worship the image of the beast would be killed.

43 The beast caused all nations of people,

44 Both big and small, rich and poor, free and slaved, to get a stamp in their right hand, or in the space between their eyes.

45 So that no one would be able to buy or sell except for those that had the stamp or the name of the living beast. or the number 6, 6, 6 of his name.

46 This is true wisdom, so let him that has a good mind count the number of the living beast.

47 For it is the number of a human being and his number is 666.

48 After that I saw another Anunnagi *"Those who ANU sent from heaven to Qi, Earth"* descending down from the Kesiyl, Orion, skies and he had great authority,

49 And the planet Earth was lit up by his brilliance.

50 He cried in with a great voice saying Babylon, the big is fallen and it has become the dwelling place of demons,

51 And the prison of every unclean and hated bird.

52 Because all nations have drunk of the intoxicant of her punishment of her fornication,

53 And the rulers of the planet Earth have all become very rich by way of her luxuries.

54 And I heard another voice from the Kesul, Orion, skies saying:

55 Leave her, O my kindred, so that you don't become a binder of partners with her in her sins, so that you all will not get her plagues.

56 For her sins have piled on top of each other so that they reach right up to the Kesul, Orion skies, and the Thehos, remembers her wrong doing.

57 Reward her the likes she rewarded you and give her twice as much the likes of her own works in a glass, which is mixed with a mixture of her own sins.

58 As she glorified herself and lived luxuriously in comfort, as that, give her suffering and weeping,

59 Because she says in her heart, surely I sit a queen and I am not a widow, and I am not going to experience any sadness.

60 Just for that her plagues will come in one day.

61 There will come death and weeping and starvation; and she will burn by a fire because ANU, he who is above, The Heavenly One, has power and he has passed judgment on her.

62 There will be crying and weeping because of her.

63 The rulers of the planet Earth who fornicated with her and enjoyed the comforts of life, when they see the smoke of the fire of her burning,

64 And standing from far distances because they are in terror of her torment, saying:

65 Plague, plague is the great city Babylon, the city which had so much power just because of one hour has come your judgment.

66 The businessman of the planet Earth

will cry and weep because of her, because no one will buy any merchandise from them anymore.

67 The merchandise of gold and of silver and precious stones and pearls and silks of purple and silks of red.

68 All kinds of expensive woods and every pottery from ivory and every pottery of precious stone and brass and iron and marble,

69 And cinnamon and merchandise of frankincense and perfumes and intoxicants and oil and fine flour;

70 And wheat and livestock and sheep and horses and chariots and slaves and the very spirits of nation of people.

71 Fruits that your spirit lusted after, are separated from you and all kinds of things which are small and needed, disappeared.

72 The things which made the businessman rich are now standing far away from them because of the fear of pain, that they cry and weep.

73 Saying: Plagued, plagued is the great city which was wrapped in silk and purple, and red colored mask of gold and precious stones and pearls.

74 Because in one hour she will be destroyed, her great riches, and her leaders, and all those who accompany with sailors, and ships, and all who work in the sea, they too will stand far away.

75 They all cried, when they saw the smoke of her burning.

76 Saying: Who resembles this great city,

77 And they cast dust upon their heads and they cried in a loud cry weeping,

78 Saying: Plagued, plagued, at last the great city with whom they all became rich which had ships in the sea from buying by way of her costliness, because of this, in one hour it will be destroyed.

79 So, be happy because of her.

80 O you who are in the Orion skies,

81 O you who are the holy apostles and prophets, news bearers; because ANU sentenced her for you.

82 There rose a strong Anunnagi, with a very large millstone, and he cast it into the sea saying:

83 By violence will this city Babylon receive her destruction and will he not be found anymore after that.

84 From now on, we won't hear any sound of the plagues,

85 Nor the sounds of the harpers, nor of any musicians, nor any flutes, nor any trumpeters, and of no craftsmen, or skills of any kind will be found in you;

86 And the sound of the millstone won't be heard in you after this.

87 The light of the lamp will not shine anymore in you after that;

88 And the voice of the bridesgroom and the bride will not be heard in you after that;

89 And your businessmen who were the heads of the planet Earth, by the way of their sorceries, they have deceived all nations.

90 In her can be found the blood of the prophets, and the holy ones, and all who were killed in the planet Earth.

91 6 be an imperfection because 6 days is 1 day short of a week, which consists of 7 days.

94 There exists a sacred formula overstood on different density levels,

95 To function as a mathematical ankh,

the formula is expressed. As I was taught that the higher evolution, is working with the grid structure of the great Ahraam, "pyramid."

96 The ahraam uses this formula to coordinate the great ahraam with the other grids of celestial light.

97 The formula includes the following mathematical arrangements: 1.3.1, 1.1.1, 9.3.9, 9.1.9, wherein 1 and 9 are imposed upon the same space.

98 This arrangement is used to create electro magnetic propagating functions in the midst of the Latus formation.

99 The inscribed words of A'lyun A'lyun El, The Most High, deemed seven perfect because the Mother Earth was created in 7 periods called days.

100 7,000 thousand years to 1 day; 7 last plagues in Babylon.

101 Be you ever so careful of this great beast, who is the master of flattery and deception.

102 For in that day you will have forgotten what or who the evil one be, or how he will come.

103 You think only in terms of vision.

104 A dual meaning has the mark; triangular interlocking triangular, that is a pair of threes, called the Mogen Dawiyd, "Star of David" and a dual people will bear it.

106 Or out of one many, the great seal in Sanskrit, the language of the Indra or the disagreeable beings who came to Earth with their chaos.

107 The great seal is said "Mahamudra" and stands for the union of all apparent dualities, and the supreme joy that comes with the realization of the mystical unit.

108 Mahamudra equals Muhammadan and the invasion of the Ancient Arabic Order of the Nobles of the – Shrines, began by the first test, "Are you a noble of the mystic shrine?"

109 "I have traveled the Arabic path."

110 "At what shrine did you worship?"

111 "At the shrine of Islaam,"

112 The Ancient Arabic Order of Nobles of the Mystic Shrine was instituted by Muhammadan Kalif-Alee, may his name be praised. This Kalif-Alee is not to be mistaken with the real Amiryul Muminiyn Ali Ibn Abu Taalib, husband of the daughter of the Prophet Muhammad, Hadrat Faatima. Amiryul Muminiyn Ali Ibn Abu Taalib was he who carried the real seal of the real prophet Mustafa Muhamad Al Amin which was the 6 - pointed star and upright crescent as seen on the ancient banner head.

113 Their Alee, is the son in law of the Prophet Mohammet. That being the false Mohammet whose proper name was Musaylimat Ibn Habib Al Hanafi.

138 The virgin mother of all souls.
139 The jewel of the order is a crescent formed of the claw, of the royal Bengal Tiger united at their base in a gold setting,
140 Which includes their tips and bears on one side of the center, the head of the sphinx.
141 On the other side a pyramid Urn, and a 5-pointed star publicly, 6- pointed star privately.
142 They greet with Es Salmu Aleikum, which is returned by: Alelkum, Es Salaam,
143 And the motto is strength and fury called the Order of the Eagle or the Skull and Bone,
144 With the great owl as their overside and the eye of the owl as a symbol,
145 The light renders the Illumni a member of the Illuminaati. But a new light other than the fire is here.
146 The keys to future luminaries are called the Ancient And Mystic Order Of Melchizedek, are electromagnetic forces.
147 These forces affect the rhythms of life, and the appearance and extinction of a species, within the Earth's magnetic field.
148 The "higher evolution" will give a better overstanding of how electric forces alter biological rhythms,
149 This will allow Adamites in this consciousness time zone to receive "whole light beings" who will give instruction of the next ordering of evolution in our universe.
150 The key speaks of how the Earth's species has a direct light arc.
151 This, direct light focus which controls its biological rhythms.
152 Enosites will soon learn, that his life system is not directly dependent upon the solar magnetic field to regenerate their biological rhythms.
153 A new source of light is now reaching our solar system and interpenetrating Earth's magnetic field, altering the biological rhythms. Its color is emerald, green light contrary to the amber, red light.
154 This is forcing the species to leave behind, its old time-cell of perception on

the physical, emotional, mental, and spiritual levels.

155 This must take place before the species can go into a new time cell of consciousness.

156 As the arcs of light begin to change, a different light force is beginning to work with the electromagnetic forces.

157 This is causing the magnetic fields of the brain cavity to be sufficiently raised to a higher mental frequency,

158 Allowing the Enosites to receive "whole light beings" upon the reinsertion of the barathary gland and the reactivation of the supreme melanin.

159 It has previously been thought that the light forces of the Earth's magnetic field control the rhythms of life of all biological species,

160 And all living cells need only the light of our own portion of the electromagnetic spectrum to survive.

161 Enosites will have the brain of an electromagnetic computer, and will be forced to adapt to an enlarged electromagnetic spectrum.

162 The new electromagnetic frequency is an astrobiological threshold by itself.

163 Your sun, by virtue of being a variable star, will be seen as having great limitations for future evolutions.

164 This will be seen by a visible exchange of the solar polarity fields and by the magnetic mapping of inner-solar magnetic lines rotating faster than the surface of the sun.

165 These changes will also affect the rotation of Anshar, Saturn.

166 This will be seen as a periodic effect which will be noticed in the activity of the band of Anshar, Saturn, called its rings.

167 These changes are the result of new biological light that controls being introduced by the new administrative order in conjunction with the council of 9 ether.

168 These changes are necessary to prepare our mortal evolution to overlap with "whole light beings" of advanced creation in the evoluting of new astromutations.

169 New astromutations will take place where new magnetic lines bring about the balances in the energy coupling from a proton-electron-proton grid to an electron-proton-electron grid.

170 Here, the bioenergy field of the body inherits a new electron and positron pair and the blood circulatory system inherits new magnetic lines of force.

171 The ionized field around the blood cell, loses its proton-electron-proton relationship to a new electron-proton-electron field as the life form is moved into the next phase of the electromagnetic spectrum.

172 In other words, Enosites will be able to participate in higher evolutionary worlds because his hemoglobin chain will shift with his phylogenetic tree, to a new system of balance whereby a singular, group.

173 In order for Enosites to work with the next electron orbital level of the universal mind,

174 Your molecular density level will have to become less dense and grow more transparent.

175 Enosites must be completely remade, anew by going through the energy grids that control his present biological arrangement, so that he can

be revitalized into new grids of attunement.

176 The Enosites must go through the energy grid controlling cell division on his biological level of organization,

177 A planetary biomagnetic grid controlling the collective species of evolution.

178 When Enosites go through these energy grids, they will activate the new magnetic fields, and they will displace his old planetary biorhythms.

179 Contrary to what present day geneticists say, the ultraviolet radiation will be controlled, and it will not destroy the sensitive genetic code, coded melanin.

180 It has already been claimed that ultraviolet radiation, when applied to the DNA at specific intensities, causes thymine to dimerize.

181 When the embryonic growth is placed in an artificial environment,

182 Which is subject to prolonged current-magnetic injection, the former embryonic "magnetic lines of force" in the body can be changed.

183 Through this process, the whole body can biomagnetically be re-coded, and to adapt to a new biological environment without ever having to experience pain according to the human physiological network.

184 This process uses a fifth circulatory system which opens the pain coding mechanism and properly realigns the blood, lymphatic and nervous circulatory systems to function in different biological environments.

185 This is done in the event that a transfer of the species to a new environment is necessary for the survival of the Nuwaubians.

186 This is why our electromagnetic stage of evolution will itself be changed to allow for new patterns of ongoing evolution.

187 Merkabah mechanisms give the cue for the timing of biological change by the Earth's magnetic cycles.

188 These changes can take place in a matter of hours and remove whole species that have evolved in a geological time frame.

189 In order for Enosites to work with the next electron orbital level of the universal mind, THE ALL, your molecular density level will have to become less dense, and grow more transparent in order to participate in multidimensional realities.

190 Enosites must be completely remade anew, thus you have Nuwaubian or the new-being.

191 Specifically, Enosites must go through the energy grid controlling cell division on his biological level of organization.

192 Before the larger electromagnetic change happens, Enosites will also overstand how new growth effects will be the result of electromedicine which uses electromagnetism.

193 Enosites by using the "light surgery" of electromagnetic penetration into bone marrow, they will be able to create new bone growth.

194 Your planet is no different than any other form of life that must renew itself; it is like an "energy molecule" going through renewal and being restored to a new existence. This is called the Entropy of Gaia.

195 All of this must be overstood that you may, through the Ancient And Mystic Order Of Melchizedek, learn to

raise your density level,

196 And stimulate your melanin to awaken dormant energies of divine making it impossible for you to be enslaved mentally.

197 This will help you create what is called psychic self defense.

198 Important be it, the distinction between the mark of the concealers of truth and the mark of the faithful.

199 The first be the Mu'min, faithful.

200 Their mark be in their foreheads by striking their head upon the ground in worship; I don't mean like the Mohammedans.

201 As we revealed to our servant Ahmad in the Garun, the 48th degree, 29th verse:

Muhammad is a Rasulaat of the source, El Eloh and those who are with him are strong, firm against the concealers of the facts. Yet they have a yielding mercy between themselves. You see them bowing Ruka'a and prostrating Sujjud desiring the Fadl, preference from the source El Eloh; and content pleasure, Ridwan, their marks are in their faces from the traces of prostrating that is their likeness in the law of Moses, Thutmose. And Aaron and Joshua, the Torah and their likeness in the Evangel, Revelations given to Jesus Christ as a seed of a plant that brings forth a stork, so it supported it and after that it becomes thick and strong and stands upright on its own trunks. It amazes the planter, so that he, the planter by way of it would enrage the Kuffaar, "concealers of the facts," for The Source, El Eloh as promised for those who have faith and work to perfect themselves from amongst themselves, and rewards from them with a supreme reward.

202 In the writings given to Yashua, Tammuz, the pamphlet of Revelation the seventh degree, the third verse:

And this Anunnagi of this craft was saying don't harm the planet Earth, nor the sea, and none of the trees until the servants of El Eloh, Anu have been marked on their foreheads,

203 The seal of A'lyun A'lyun El, The Most High be the mark of distinction; impressed upon the forehead of the enduring righteous as a result of constant prostration in prayer.

204 These be the upright people, the faithful seed of our servant Abraham, who are the true ones of peace congregation of the resurrected 144 thousand, Ansaaru ANU.

205 Al Mu-miniyn, The Faithful, who prostrate before ANU, and they bear the mark of prostration, Sajdah.

206 The sons of Shaytun will be of the second, they will have the mark of the beast, 666 on their right hand or on their forehead.

207 The mark being multiple digits, calculates as: 666.

208 The symbol of the Babylonian visa, political and religious power had the number cleverly repeated in its measurement.

209 It being an image of an old of the beast, having the number of his name.

210 Also the letter S, whose birth is in the Serpent. The hiss will be in his name, the sound of the snake.

211 Given the numerical value of six in coinage the letter S in series of three on emblems.

212 Using 6 ounces of brain waves when 7 and one half ounces of brain power should be used.

213 Brain weight is 52 ounces.

214 The figures of the image dura are

made clear so that in what we gave one of our servants, Daniel. Twelve chapters of the writings of the Prophet Daniel, the 3rd degree, the 1st verse, revealed 536 B.C.E. it reads:

Nebuchadnezzar, the ruler made an Tsehlem "idol" of gold whose weight was ninety feet by nine feet and he sat it up in the plain of Dura "the dwelling" in the province of Babylon, called Iraq today.

215 The followers of Dajjaal, sons of Shaytun, will be impressed on their foreheads as if it were stamped with a ray of light.

216 A laser will be used to place the Kharagmah "engraved mark" on the Metopon "space between the eyes, the forehead," or on the Khire "hands" of his followers, or injected beneath the skin. If you beg his wealth, and not work, you will be numbered, also your new born will be numbered.

Those who took the mark of the beast and those who prostrated to his image. Both of them were cast alive into the lake of fire, which is burning with sulfur, and the rest of them were killed with a sword which came out of the mouth of him that sat on the horse and all the birds were filled from the flesh of them.

But As For The True Ansaaru Anu
This Is Their Promise.

And I saw seats so they that were sitting on them were given the wisdom. and I saw the spirits of those who were killed. For bearing witness of the Messiah Jesus. and the word of ANU, "he who is above, the Heavenly One," and those who did not worship the beast nor to his picture and did not get his mark on their foreheads, or in their hands and they shall live and

became rulers with the Messiah for one thousand years.

217 It has been prophesied that the Dajjaal, has numbers and controls the beast, the computer that calculates the numbers of Enosites, 666 in that day, all Enosites will use the computer,

218 And it will spit forth a ray of light, a laser.

219 The computer works in multiples of 9, that ones, and ciphers, together it makes 9. The binary codes of 9 the 9th power of 9 will give the new holagramic computer no limitations.

220 In reading the numerals horizontally, across, vertically, up and down and diagonally on all sides.

221 Three is the square root of nine.

222 The joining lines reveal the 8-pointed star and the inverted 5-pointed star: Ram's head, symbolic of Satanic worship.

223 The numerals in sets of 5: 5, 10, 15, 20 form a Christian cross.

224 The numeral 5, 5 is that numeral. 1 is either added or subtracted, the numeral 6 results.

225 An example of this is: 9, 8, 7, 6, 5, 4, 1,2, 3, 4, 5 6.

226 The mark of the beast, the numbers 666 is seen in the center of the diagonal boxes.

227 The 6 is trapped within the four fives in the center of the diagram. It illustrates how to trap the devil.

228 One of his signs is the pentagram: 5 pointed star, the sign of the cloven-hoof.

231 One name of the beast is Leviathan meaning "Levi" equaling law, Athan equaling Sin, simply the laws of Sin, also called the Spell of Kingu, or the Serpentine, a beast of imperfection,

232 Khusr which means "driven away in defeat."

233 The mark of the beast on the coverer of truth's forehead, is the original mark given to Cain and his descendants.

234 The story of Cain and Abel describes how the evil of the Adamites had become so great that he would denounce the Aluhum Gabriy'El, Nusqu Yahuwa and take the life of his own brother.

235 The Aluhum Gabriy'El, Nusqu Yahuwa placed a mark in the form of a cross on Cain, so that he could be identified and thus no one would kill him.

236 The cursive design on the original swastika reads in Nubic Ya Fattah which translates: Oh Opener, victorious, beginner of evil, is written on all sides.

237 This figure has been referred to as a Grammadion.

238 In Ashuric, Arabic, this mark be called Simat, in Aramic, Hebrew it's called Uth, in Greek the mark is called Kharagmah meaning "a signal, sign, mark, or graven,"

239 In India, this mark would be the Swastika.

240 The word Swastika is a derivative of Swasti which comes from "Su" meaning "well", and the verb Asti which means "it is."

241 According to Buddhist tradition, the swastika represents the first of the 65 marks which distinguish the master's

THE HUMAN BEAST

feet.

242 The Nandywarta is similar to a structure containing an intricate network of winding passages: Maze.

243 The two soles of the feet of Buddha had two symbols of the swastika on it.

244 This symbol is held sacred by the Buddhists.

245 It represents the soles of the feet of Osiris. Osiris' body was mutilated into 14 parts,

246 Some say 16; his head, his arms, his heart, his interior, his tongue, the soles of his feet, his bones, his arms, his eyes, his fists, his fingers, his back, his ears, his body, etc.

247 The Anglo-Saxons called the mark flyfot from the Norse, fiol, meaning foot.

248 This is significant of the numerous feet in illustrations depicting homosexuality.

249 The shape of the swastika symbolizes that the male is meant to work the Earth and to submit and serve The Sustainer,

250 And that the female is in the position to receive the uterus pains of childbirth, and to breastfeed.

251 The iron cross which is derived from the swastika symbolizes homosexuality.

252 Our noble servant Ahmad has prophesied that there would be people amongst his followers that would be coverers of truth.

253 Though they bear the title Muslim and prostrate to A'lyun A'lyun El, The Most High, they are only using the Islam to shield their diabolical innermost secrets.

254 It is said: He that lusts after money and flattery by the flatterer, surrenders

his soul.

255 Remember the Qur'aan which our servant Ahmad received, stating that wealth, and the offspring of the concealers of truth shall not save him from A'lyun A'lyun El, The Most High.

256 They shall be driven to hell. As was revealed to our servant Ahmad in the Qur'aan the 3rd degree, the 10th verse:

Surely, those who conceal what they know to be facts, by no means will neither wealth, nor their children suffice, and save them from the source, Anu in any way; and these are those who shall be fuel for the fire.

257 A Mushrik is one who sets up partners with A'lyun A'lyun El, The Most High.

258 The Wahhabis apply the term Mushrik to any Muslim who observes ceremonies which are not clearly enjoined in the precepts of Islam.

259 Surely, those who conceal what they know to be facts, by no means will neither wealth, nor their children suffice, and save them from the source, Anu in any way; and these are those who shall be fuel for the fire.

260 For example: visiting shrines, believing in the trinity, or being an Atheist.

261 A Mulhid, one who abandons the faith; from an apostate: one who deviates from the truth is another type of concealer.

262 Apostasy is defined as abandoning what one had faith in, as a faith, principle, or cause.

263 Ikrimah, a recorder of what our servant Ahmad spoke and did state: Apostates were brought to the Khalifah Amiryul Muminiyn Ali Ibn Abu Taalib and he burnt them alive;

264 But Ibn Abas heard of it, and said that the Khalifah had not acted rightly.

265 For the prophets has said punish not with Allah's punishment, but whosoever changes his religion, kill him with the sword. These are the words of the blind leading the blind, for if one finds that the faith or religion they were born in is not the total truth, then by all means abandon it and seek the truth.

266 A Zundhiq, is defined as a free thinker, Atheism, coverer of truth in the world to come and in a deity, or the unity of the creator.

267 The Zundhiq are a sect in Islam who say that the world is eternal and there is no judgment.

268 A Munafiq, the hypocrite was the name given to those coverers of truth, during your noble servant Ahmad's time, who outwardly professed to have faith in his mission and they secretly denied. Those who dwell in his holy land Mecca today do not have faith. They are the biggest of Hypocrites as was revealed to Ahmad El Garun in the 6th degree, the 5th verse:

So indeed they, the Desert Arabs, denied the facts beyond a shadow of a doubt; the scriptures and tablets, when it came to them. So there shall come unto them the tidings of what they used to make a mockery about. When you came to them with the clear proof of all the scriptures and the religion of Abraham; they make a mockery about the Israelites; portion of the scripture, and exalt the Ishmaelites' portion.

And again El Garun the 9th degree, the 97th and 98th verse:

The desert Arabs are the most severe, concealers of the facts, and the most

hypocritical, the worst, they don't know the limits of what was sent down by the Source, El Eloh upon his Rasulaat, "One sent," Muhammad, and The Source, El Eloh is The Knower, The Wise." And from the Arabs of the desert - Red Arabs who take what they share willingly as a lost regret and they wait for all to be afflicted, but the affliction will be upon them and The Evil; El Eloh is The Hearer, The All Knowing.

It makes it clear that the desert Arabs who are working with the Illuminaati are Hypocrites. It is again In El Garun the 9th degree, the 99 and the one 100th verse, it makes it clear that the Nuwaubian Arabs are those who have faith.

And of the Arabs, Nuwaubian Arabs, there are those who have faith in The Source, El Eloh and the last day, and they take those offerings which they share willingly in El Eloh's presence; and the salutations of the one sent, Muhammad. Except surely, it is an offering for them, and The Source will cause them to enter in his yielding mercy. Surely, The Source, El Eloh is forgiving, most merciful,

269 They were the intents of the chapter of The Hypocrite.

270 He conceals in his heart another religion of Mammath which is wealth, power, and greed.

271 A Murtad, renegade, apostate of Islam or one who abandons the faith, is another kafir, concealer.

272 A Dahri, Materialist, Atheist, Free thinker. This coverer of truth believes in the eternity of matter, and asserts that the world always will be,

273 And lastly in that day of resurrection, and judgment day it will never come.

274 Lastly Wathani, a Christian is a heathen or graven image worshipper.

275 Esus: is the Greek interpretation for Jesus, he was of the Ancient Mystic Order of Melchizedek.

276 Zesus, also spelled Zeus is simply Jesus, not the Anti-christ.

277 Masih Al Dajjaal is the lying Christ, coverer of truth, he is the Anti-Christ.

278 The interlocking Kaafs illustrate the swastika, or mark that was placed on the forehead of Cain, coverer of truth.

279 Kaafir is a form of ignorance.

280 And of the Kafirs is Dajjaal: the Anti-Christ.

281 Our servant Ahmad prophesied that the Dajjaal would rise up in these last days.

282 70,000 people from among my followers will follow the Dajjaal.

283 And I saw a person with short curly hair, whose right eye was blind.

284 I asked who is this?

285 I was told it was the Anti Christ.

286 The following quote indicates that the Dajjaal will be visible and with him will be a stream of fire, and they work all over the Earth,

287 The Dajjaal will make his appearance and with him be stream and fire,

288 Whosoever plunges into his stream, his burden becomes due and his burden is removed.

289 The fire is smokeless fire which A'lyun A'lyun El, created the devil from representing negativity and imperfection.

290 It will be these wrong doings, and imperfections that the Devil will make fair-seeming, to those who be ignorant and cover the truth.

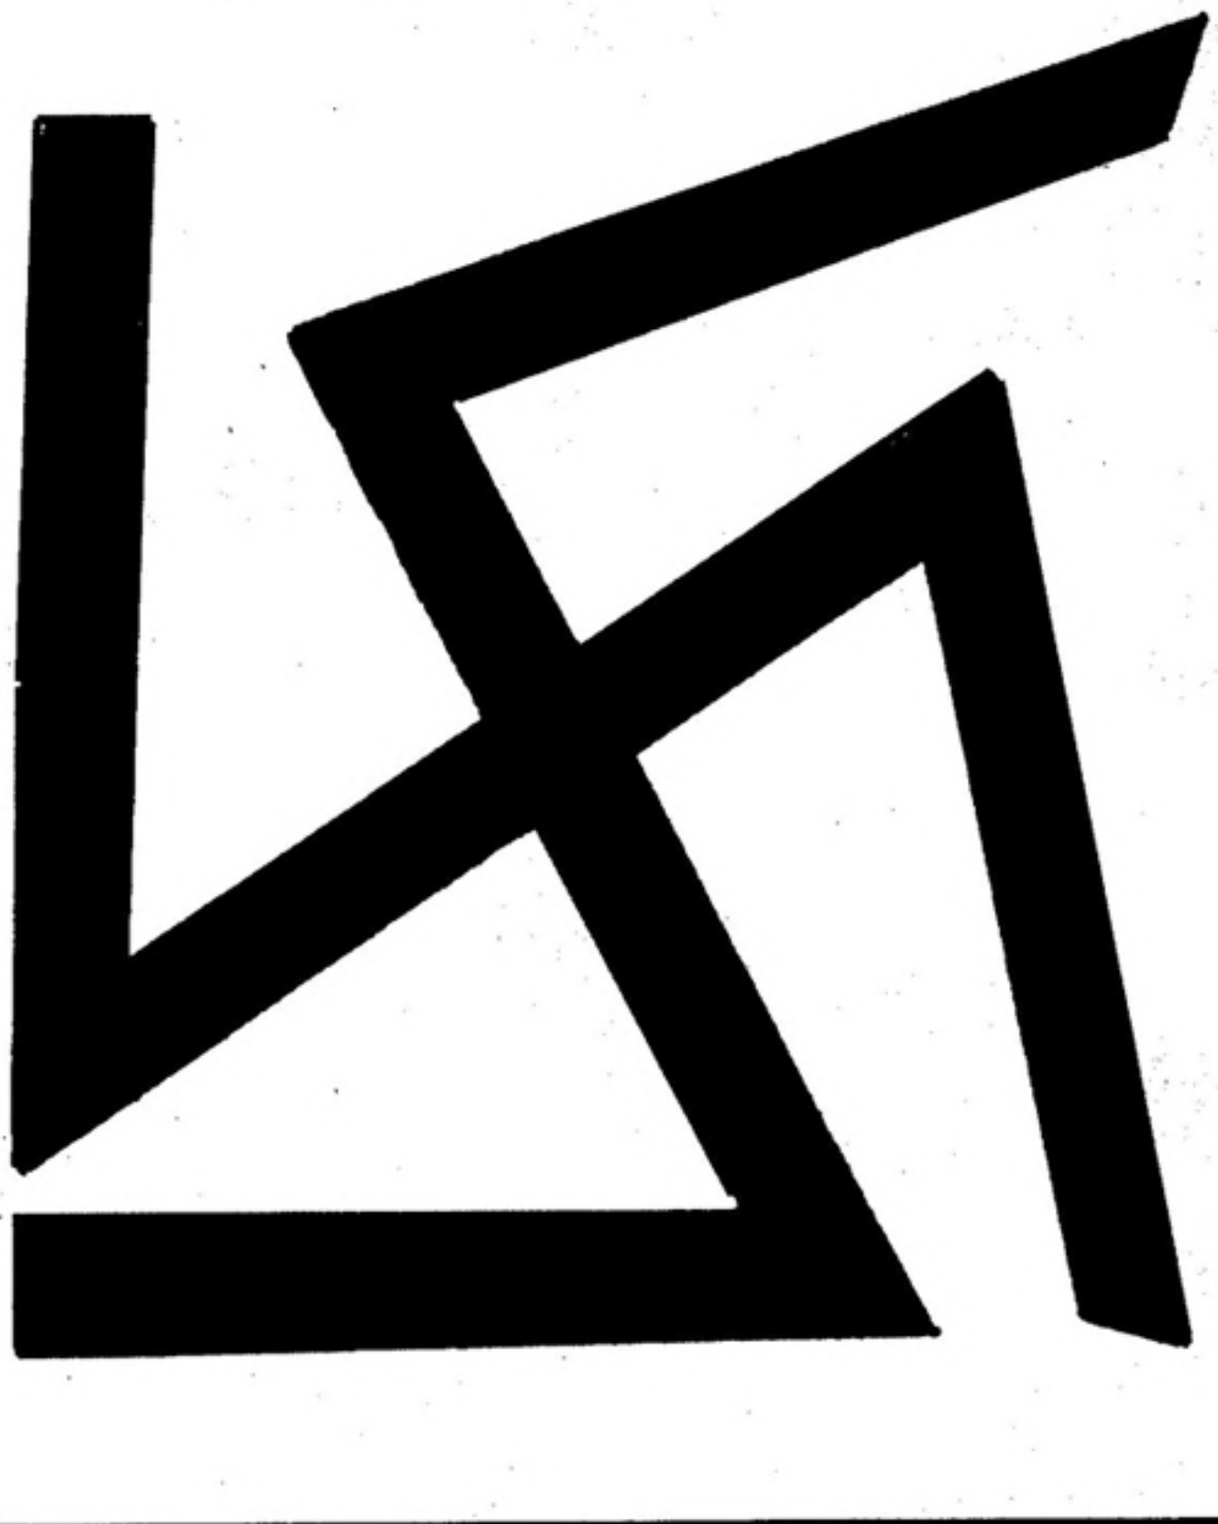

Diagram 86

BEHAYMAW — THE HUMAN BEAST

Tablet 15:291 — **Tablet 15:323**

291 Whosoever plunges into his stream, his burden becomes due, and his reward vanishes... means those who plunge or willingly accept Shaytun's evil ways will lose or forfeit his reward with ANU, A'LYUN A'LYUN EL in paradise.

292 And whosoever enters his fire... is in reference to those ones of peace who will have to enter or come in contact with the fire, but his faith in ANU, A'LYUN A'LYUN EL, as the creator alone will keep him from being consumed by the fire.

293 In this time of the Dajjaal, the true believer will be in the world, but not of the world.

294 A saying of our noble servant Ahmad behold he will be blind in one if his eye... and between his two eyes is written Kafir.

295 It is said that he will be the third sign of the coming of the resurrection.

296 From where he be? From the Mount Safa and Marwah at Makkah.

297 It is said that the appearance of the beast, which shall rise out of the Earth, in the temple of Makkah or on Mount Safa.

298 This beast will be sixty cubits high,

299 And will be a compound of various species,

300 Having the head of a bull,

301 The eyes of a hog,

302 The ears of an elephant,

303 The horns of a stag,

304 The neck of an ostrich,

305 The breast of a lion,

306 The color of a tiger,

307 The back of a cat,

308 The tail of a ram,

309 The legs of a camel,

310 And the voice of an ass.

311 Many evil people will come together in Arabia, to fight and shed blood on Earth.

312 She will appear three times in several places, and she will bring with her the rod of Moses and the seal of Solomon;

313 And being so swift that none can overtake her or escape her, will;

314 With the first strike all the faithful on the face, and mark them with the coverers of truth on the face likewise with the word kafir, that every person may be known for what he really is.

315 The same beast is to demonstrate the vanity of all religions.

316 It is recorded that our noble servant Ahmad said: When Dajjaal appears, his complexion will be white and his right eye will be blind, while the left eye will shine like a bright star.

317 Who is Dajjaal? A swindler, a cheat and an imposter!

318 He will cover the Earth with the largeness of his numbers.

319 He will say things which are contrary to what is in his mind; and he will cover his real intentions with falsehood.

320 Dajjaal is a physical being who exists on Earth. He is the physical devil.

321 Remember our servant Ahmad who received the Qur'aan the 20th degree, the one 102 verse stating:

On this day, 'Yawm Al Akhir', the last day in which the trumpet will be blown, by the Aluhum Rapha'El, we, Anunnagi will gather the guilty blue-eyed.

322 There will be a Dajjaal in Europe, cursed, possessing the evil spirit of the Azazl, Devil, Shaytun, Lucifer.

323 Dajjaal began his re-takeover in the Lunar Logging in the year 1966 of the Gregorian Calendar.

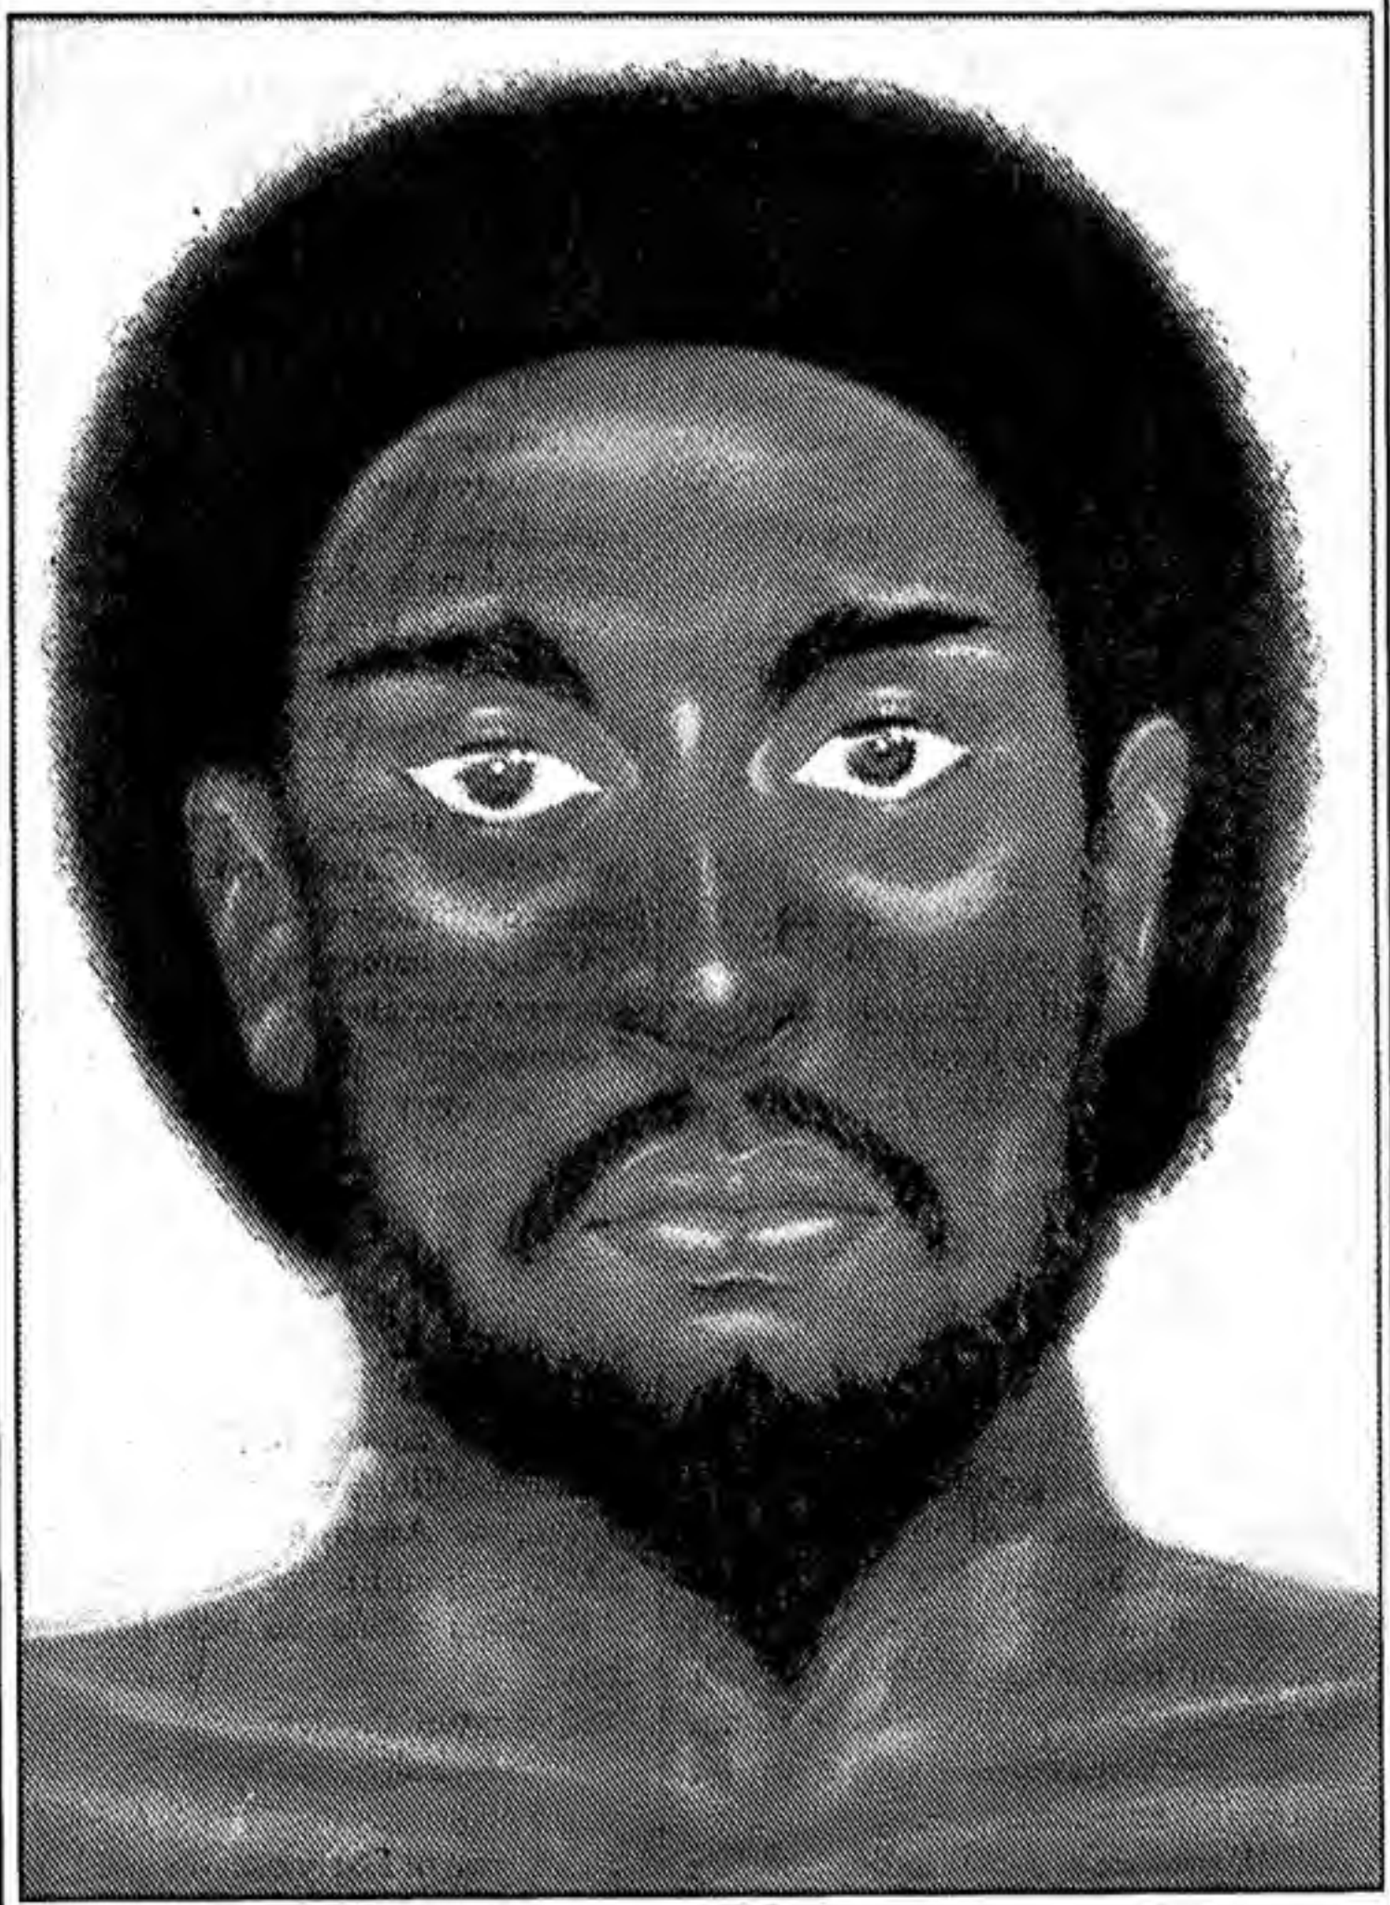

Figure 201
Rapha'El Zodok - The Trumpet Blower

324 Since then he has been growing, in numbers and power.

325 His voice will be heard all over the world.

326 This is not the physical voice of Dajjaal but the voice of radio and television. Today it is called the Internet, an international network for communication and control, and now recently Telstar, which can be heard directly from one end of the world to the other.

327 His followers die not easily. Too strong.

328 But the stronger the faith of the faithful ones, the sooner he and his numbers will not be.

329 They will discover Earthly treasures, comfort or luxury.

330 This is why our servant Ahmad said that the brightness of the left eye, love of life; and luxury is, to divert man from the straight path and take him to hell.

331 It is recorded that our servant Ahmad saith:

332 Some will, unseeingly accept his flatteries out of ignorance, and some, they say, for the sake of survival.

333 Dajjaal has you believing that if you do not put your trust in the Devil's system and follow his life style, you wilt not be able to buy or sell those things which are considered valuable in his society. It's called sanctioning.

334 If you are a true Muslim, striving to return to the bosom of the Creator, then this is the most valuable thing to you.

335 That undying need for material things will decrease in your life.

336 The Evil One provides for those who sell their souls to him, whereas A'lyun A'lyun El, The Most High provides for those who are true to him.

337 Only the faithful will be able to see the evils and falsehoods of the Dajjaal; he will have the whole world deceived except the very elite.

338 Only they will know who he, the Dajjaal is.

339 Polaris is the brightest star in the constellation: Ursa minor, Big Bear.

340 Polaris breaks down to: Pol+Aris, Aries the ram: sign of the devil.

341 Polaris be also known as the North Star. Sirius is another bright star in the constellation Canis Major. It is also the center of attraction.

342 Other names for bright stars were, amongst the ancient Romans: Hesper, evening.

343 Amongst the ancient Greeks: Hesper, evening, west.

344 Morning star,

345 Phosfor,

346 Aldebaran.

347 And Lucifer shown brighter than all the rest of the heavenly hosts.

348 While he was bright amongst the agreeable Eloheems, his name was Haylal, or Azaaziyl: the bondman of A'lyun A'lyun El, The Most High.

349 Then when he fell, he became Ibliys,

350 Shaytun, the destroyer,

351 Beelzebub,

352 Belial,

353 Prince of Darkness,

354 The Wicked One,

355 The Dragon,

356 Father of Sin.

357 He was the son of the Tarnush, the Great Evil One, created before Kadmon.

358 The Greeks called it Cyrannosaurus or dog's tail. Related to

Polaris ~ "The Center Of Attraction"

BEHAYMAW

Tablet 15:358

Cyrannosaurus is Cynosure, which means center of attraction.

359 The original Canaanite has labeled the top of the Earth which tells you about Shaytun and how he attracts all things to himself.

360 Where can be found Polaris?

361 Two stars on the outer edge of what you call the big dipper point the way.

362 At the north celestial pole in the heavens, one degree from the North pole is an opening to the underworld Shamballah, the city of Aghaarta wherein many beings from inner and outer space live.

363 North geographic pole: near the center of the arctic ocean; latitude 66.6 the number of the beast,

364 The place of the abyss.

365 All points on the Earth lead to the devil.

366 Instantaneous north pole: the point where the Earth's axis meets the surface, or the devil's doorway.

367 Your Earth wobbles as it turns on its axis, shifting the devil's doorway.

368 North pole at balance: locates the North geographic pole. Moving slowly towards America where be located some of the Devil's capitals.

369 Where his followers will be able to call him forth instantly at his doorway.

370 North magnetic pole, the point where all compass needles point to.

371 Again, it is the center of all attraction of evil.

372 Geomagnetic North Pole, the point that Earth's magnetic field points to all the forces of the Galactical Heavens, and Shaytun gathered many followers to help him focus mischief on that point.

373 It produces enormous power and

THE HUMAN BEAST

energy.

374 Tiamat's magnetic field directs particles from Shamsun, the sun towards the North magnetic pole.

375 Colliding with atmospheric particles and changing their electrical charges, the display spans the skies one hundred and forty miles up.

376 Behold, the Aurora Borealis, The northern lights.

377 Shaytun's star is the demon star.

378 They weren't following the true star from the east, the star that followed Herald, Shaytun's child born at the same time, the heavenly child was born two thousand years ago.

379 The South pole be the opposite end. You cannot see Polaris from the southern hemisphere.

380 It's sign is: the southern cross.

381 Shooting stars and meteorites are cursed by A'lyun A'lyun El, The Most High.

382 Confuse not the southern cross with the false cross: Decoy.

383 A road sign: two bright stars pointing to the south pole.

384 But it has no starlight: coal sack black.

385 The Southern Arctic Circle: latitude degrees south: 66.6.

386 Between 66 and 6 degrees North and 66 and 6 degrees South, in all seasons, all time moves East by the stick, and the shadow.

387 A system used by the Elders, the Ancient. Set a stick perpendicular to the Earth, casting shadows according to the movement of the sun.

388 The Elders used what you now call Cleopatra's Needle, with marks for a twelve hour day.

389 On the hour and the half hour.

390 They marked the end of the shadow with small sticks or rocks with short spaces between the marks.

391 Draw a North-South line at a 90 degree angle through the markers.

392 At shadow hour the elders plotted the stars according to the position of Polaris, to chart their courses from traveling the heavens, and entering and leaving the atmosphere.

393 Ancient astronomical observatories included Stonehenge, Anghor Wat, a Temple at Amon-Ra at Karnak, Caracol temple at Yucatan, and Temple at Cuzco, Peru.

394 The shadow and stick principle used in Kemet, worked beginning at what appears to be a sunrise, when the crossbar was placed facing the east so that it's shadow would fall on the long arm at the place marked first hour, the first of the 6 hours till noon.

395 At noon, it was turned around facing the afternoon sun, and it was allowing it to cast it's shadow on the long arm measuring the time, till what appears to be sunset.

396 During the periods of worship, the color of the sky corresponds to certain elements of the Earth.

397 When these particular colors no longer adorn the heavens, that time, for that particular prayer is out for believers and in for Azazl's followers.

398 The devil also prays as the sun appears to rise at Fajr, and makes prayer when the sky be blue steel in color; and at noon prayer when it is nickel; and at evening prayer when it is silver at shadow when it is gold, or when one sees it taking on a copper tone, to onyx.

399 There are two spots on Tiamat, the planet Earth, where all the clocks show the correct time regardless of whether they are slow or fast, or even spotted altogether.

400 The two spots are the two terrestrial poles, north and south which are incarnate on Earth.

401 All time zones converge at the poles where the meridians merge latitude 66.6 North.

402 At the poles, any movement is identical with the whole 24 hour period of the day.

403 So, if a person were to rise at nine to go to work in Alaska, he would go to work 12 hours.

404 Before a person is going to work at 9 in South America. Before daybreak can be the point before the breaking point of dawn.

405 This is the time when Azazl starts doing mischief for the day. Right as the first rays of the sun are coming up over the horizon.

406 Before you rise, Shaytun is already at work, he got a head start on you, having already figured out and plotted what you are going to do and say for the day.

407 The devil works in sets of 6.

408 The New Babylon acquired its dozen from which hours, minutes and seconds are derived and this is how he comes to you: every 6 seconds, 6 minutes, 6 hours, and 6 years.

409 This is so he will know exactly which of those third seconds of the six second interval to slide in.

410 Measure Shaytun's time.

411 The sun on the 21st of June.

412 The sun on the 21st of December.

413 Zenith is the highest point above your head. Nadir, the lowest point.

414 The Zenith being the hottest point

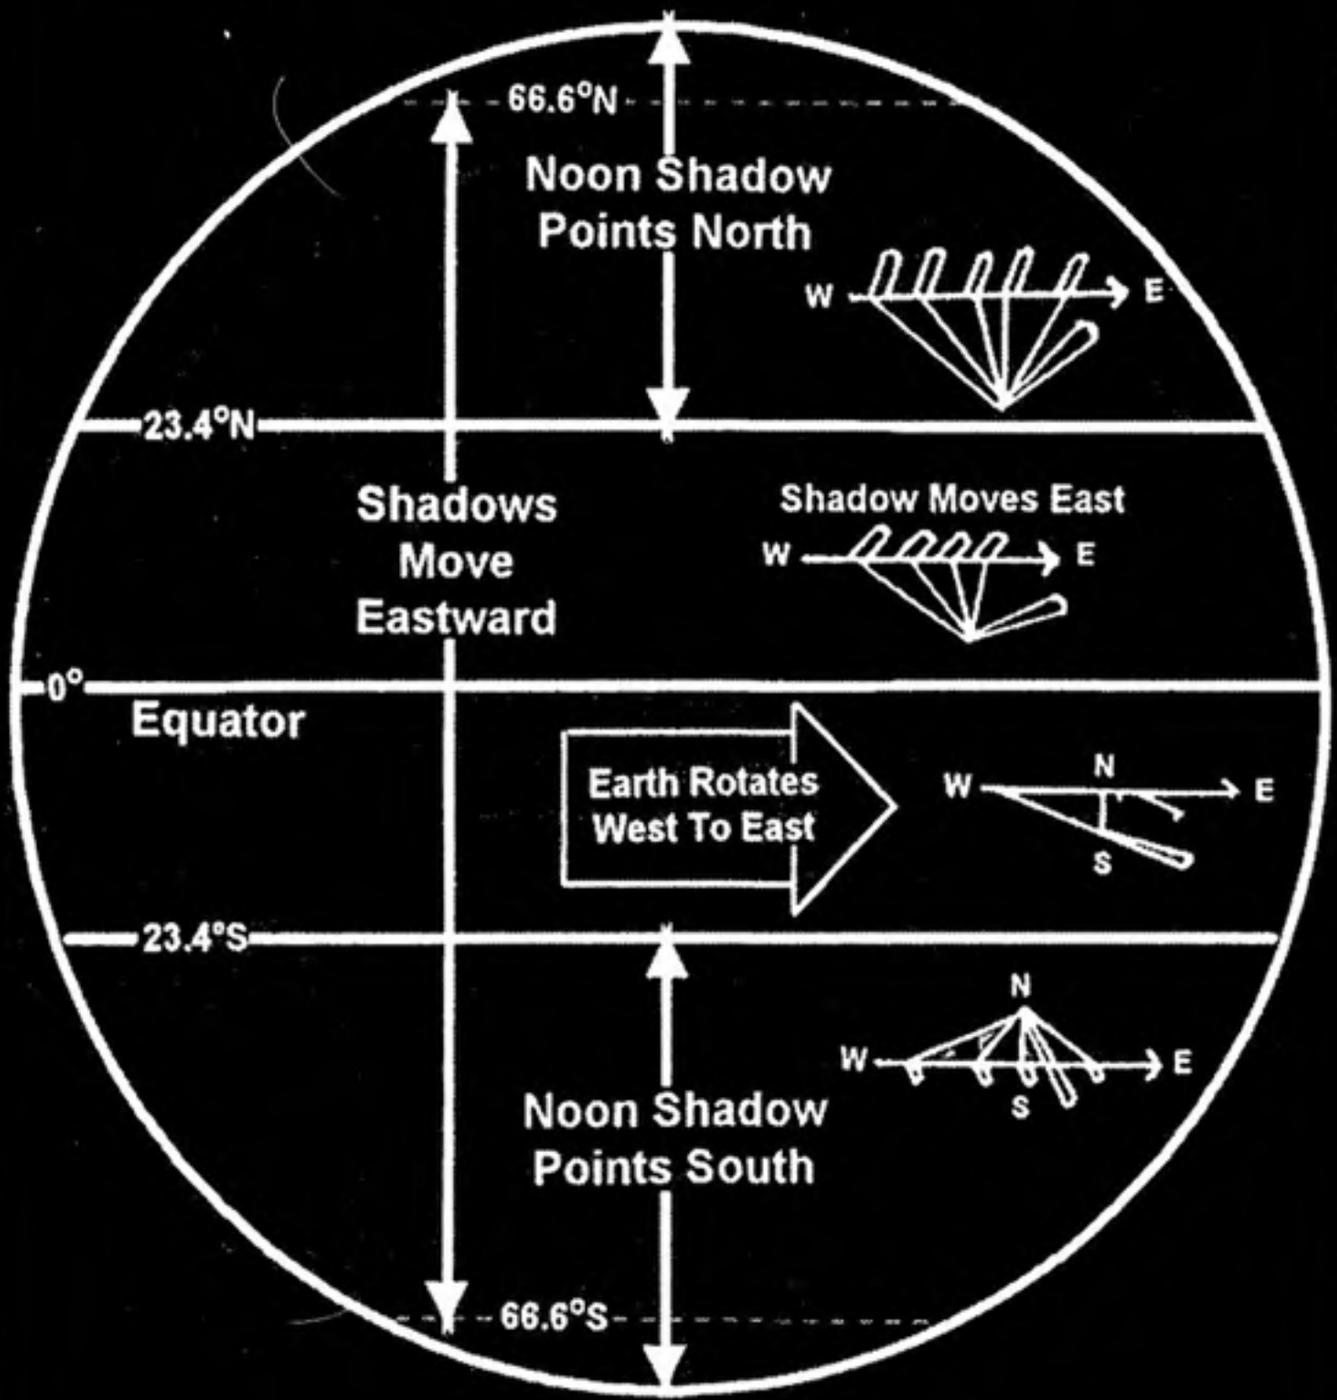

Diagram 89
The Sun Of The 21st Of June

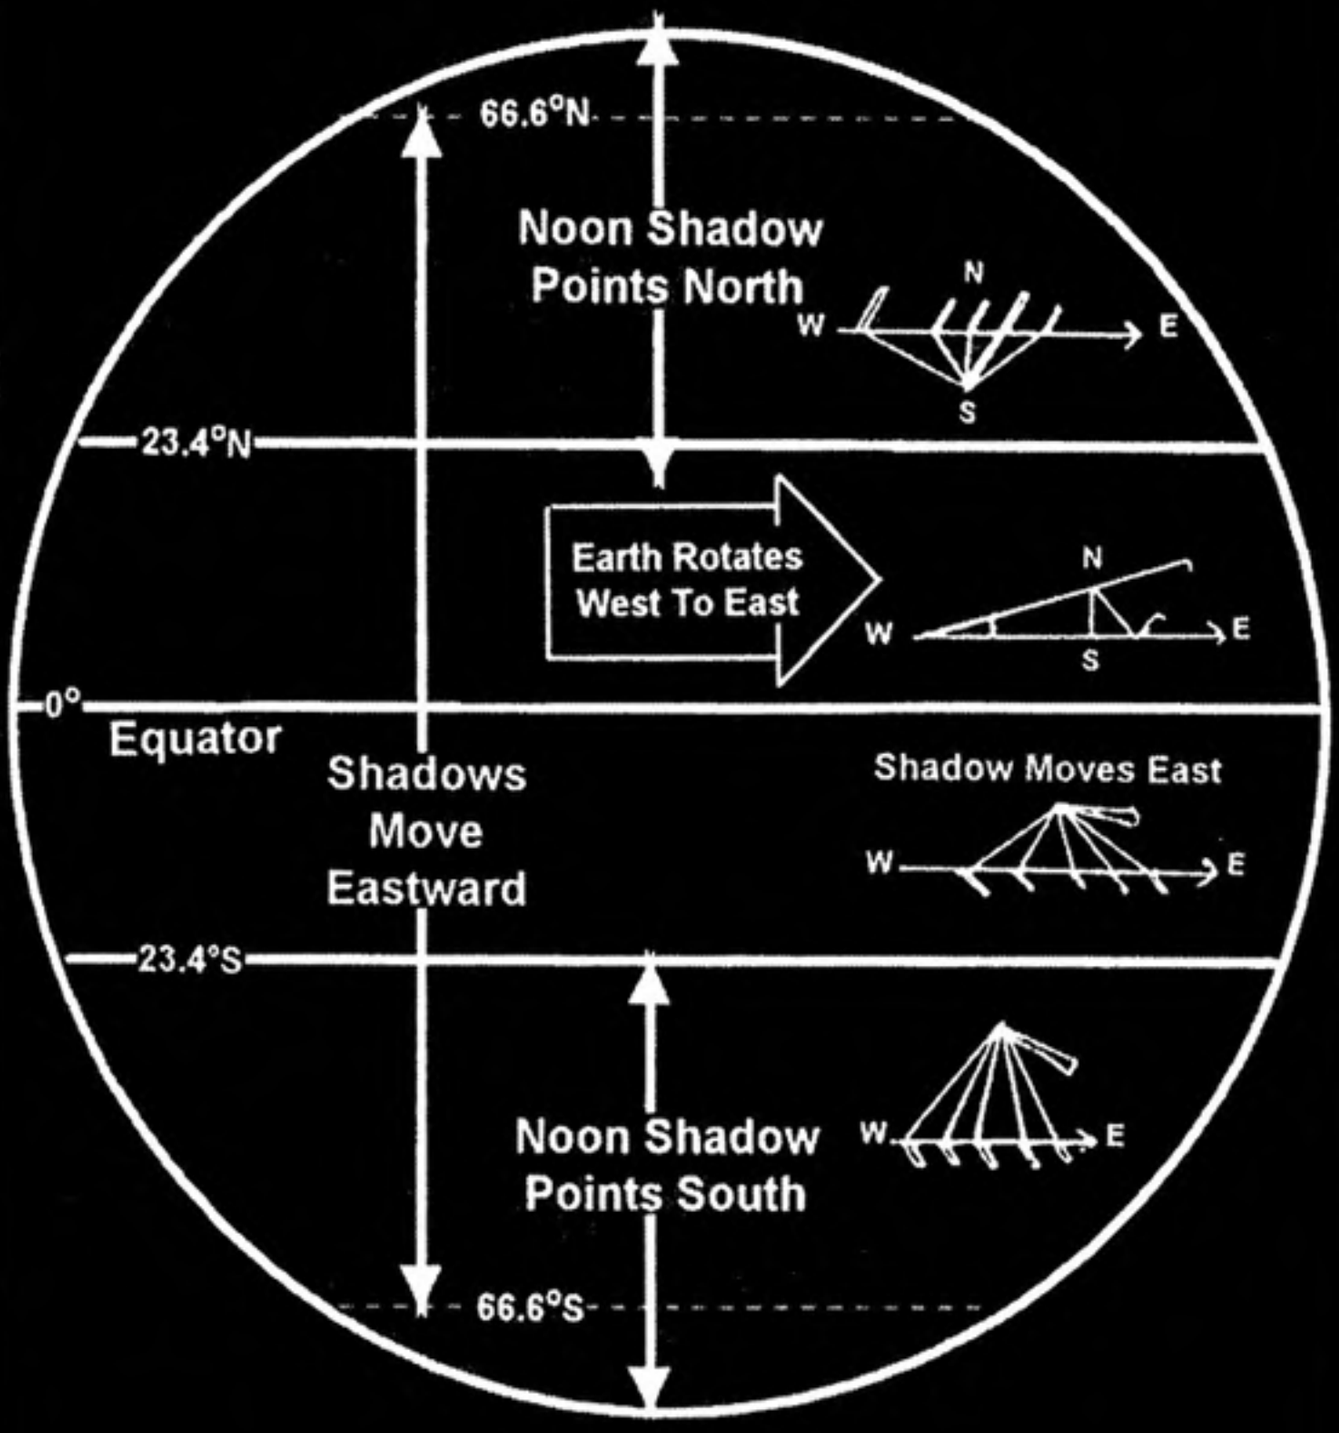

Diagram 90
The Sun Of The 21st Of December

of your day when Shaytun prays, the 6th hour noon.

415 Then Nadir, is the darkest period or the lowest point when the Jinns and other creatures of the shadow time are most active:

416 The 6th hour: 999 = 900 + 90 + 9, or 666 = 600 + 60 + 6.

417 Twelve noon midday be the same time everywhere on Earth. And every place has noon at a different time. Thus, the Zenith or noon never ends.

418 The Devil's time to pray is always in.

419 The devil works in sets of 6: Standard time zones: U.S. six; Canada six, World Time zone: 24 in number, symbolic of the 24 elders: 2 +4 = 6: four sixes = 24

420 The four and twenty time zones are marked at intervals of 10 and 5 degrees longitude.

421 Eastern time zone: 75 degrees longitude. 7 + 5 = 12: two sixes,

422 Central time zone: 90 degrees inverted 6,

423 Mountain time zone: 105 degrees, 1 + 5- 0 = 6,

424 Pacific time zone: 120 degrees, 12 + 0= 12 two sixes,

425 Yukon time zone: 135 degrees, 1 + 3 + 5= nine,

426 Atlantic time zone: 60 degrees, 6 + 0 = 6,

427 Alaska ~ Hawaii time zone: 150 degrees, 1 + 5 - 0 = 6.

428 Worldwide time zones are divided at zero degrees, Greenwich, England; the home of the Queen, Harlot: twelve East and 12 west equaling 23 full time zones and two half.

429 The clock is divided into two 12 hour periods, four sixes: 60 minutes to the hour;

430 Sixty seconds to the minute's hand;

431 Five minutes for the minute hand;

432 Five seconds for the second hand.

433 When the International Date Line which is located at the middle of the Pacific Ocean, one hundred and eighty degrees longitude on the Western side of the world is on the opposite side of the Earth, away from Shamsun, the sun, it is twelve midnight or 12 o' clock shadow time at I.D.L., two sixes and it is 9:00 p.m. in Tokyo, who is the dragon in the sea.

434 Tokyo is the third six; thus 666 covers 3 fourths of the planet Earth at 12 o' clock shadow hours, the witching hour.

435 Also when this occurs, all places on Earth have the same date.

436 One hundred and eighty degrees meridian is the 180 degrees of the Jinn.

437 When on the West, you add a day. When on the East you lose a day.

438 Who divided the equinox?

439 Ali Abdul Hassan of Cairo, Egypt. He was a sage and soothsayer who divided the equinox into twelve parts.

440 What is the equinox?

441 When the day and shadow hours are the same length.

442 This established the sixty minute hour.

443 Before it had varied with the seasons for seven thousand years.

444 What of the star?

445 Lucifer was a star that exploded, or fell from the heavens, and like an exploding star, has not stopped expanding, falling.

446 In space there is no bottom. He's the center of attraction.

447 Like the nucleus of a star which

attracts everything towards itself, but does not overload because of the balance between the gravity of the star and the pressure at the core.

448 Exploding stars overload and explode spreading themselves out in space to begin new stars.

449 Stars cannot be destroyed, for matter cannot be destroyed by man, only change form.

450 So when the star Shaytun explodes, it is not destroyed, but is beginning life, anew, as new stars, Novas, Supernovas;

451 And new centers of attraction that will pull in the gases and disperse elements, devilishment into form and substance to form new suns, stars to shine in the heavens,

452 Attractive to the eye of the innocent and wordly alike.

453 For some willfully become sons, stars of Shaytun.

454 A star headed towards explosion begins like any other star.

455 Whether or not it's going to explode depends on its mass, how much it weighs.

456 Exploding stars are called Novas and Supernovas.

457 Shamsun, your sun is a star, but it became a sun because it's the center of your solar system.

458 Enosites look toward the sun for life and growth.

459 Shaytun's star has to compete with the sun and make humankind look towards him instead.

460 A star's mass is measured according to the relationship to the mass of the sun.

461 The sun's mass is equal to two x ten^{33}G.

462 The symbol M is for the sun's mass.

463 The small circle - dot beside the M is the ancient Egyptian hieroglyphic for the oneness of A'lyun A'lyun El, The Most High called the sundisk.

464 It was universal and all powerful representative of the life giving properties of the sun.

465 Thus, this symbol is directly related to its use in the symbol for solar mass: M = mass O = sun.

466 One point four M is the limit.

467 Nuclear fusion is taking place and the process is begun.

468 The hydrogen, (H) 4 center of the star is now burning itself towards the exploding.

469 Seven cycles of burning, beginning with hydrogen.

470 Cycle one: Hydrogen burning makes the core grow.

471 At 2 million Fahrenheit (F) it creates a large core of helium.

472 Cycle 2: Helium burning, reactions begin with helium as the major fuel source.

473 The temperature is 100 million degrees, creating now 2 sources of energy:

474 One ~ Helium burning near the center, 2 ~ Hydrogen burning further out.

475 Cycle 3: Because of the helium burning, the core becomes oxygen neon, with neon being the major fuel source.

476 It increases in mass and begins to shrink.

477 All of these phases, burning off one element and the production of another, takes place one right after another, down to the seventh degree.

478 The more it shrinks, the more the temperature rises, from three hundred million degrees on up, and nuclear

activity is stepped up.

479 Cycle four: At 600 million degrees, the neon is eliminated and magnesium is produced.

480 Around this core of magnesium, neon continues to burn in its phase. Oxygen is also at the core with magnesium.

481 Now there are a total of four phases:

482 A) Oxygen and Magnesium B) Oxygen and Neon C) Helium D) Hydrogen.

483 Cycle 5: The nucleus shrinks again, temperature increases to 1 billion and 500 million degrees and begins oxygen-burning, oxygen being the major source of fuel.

484 This builds silicon and other heavier elements which feed the burning process.

485 Cycle 6: The phases have increased to 6.

486 A) Silicon nucleus B) Magnesium burning C) Neon burning D) Oxygen, Neon and Carbon E) Helium burning F) Hydrogen burning.

487 Once oxygen burns out, the nucleus shrinks again, and the temperature rises to one hundred million degrees plus.

488 In excess of 1000 million degrees, radiation production steps up to 2-rays, gamma rays,

489 And pressure increases to 100 trillion pounds per square inch.

490 This intense radiation strips the nucleus of particles, forming other elements.

491 Cycle 7: The silicon core creates iron. The core shrinks again and the temperature continues to rise.

492 There are now 7 phases or regions encircling and inclusive of the nucleus:

493 A) Iron burning B) Silicon burning C) Oxygen burning D) Neon burning E) Carbon burning F) Helium burning G) Hydrogen burning.

494 The inside of the star now more or less resembles an onion. The higher the temperature rises, the faster the core shrinks.

495 At 5 thousand million degrees, the iron changes back to helium.

496 Thus, is completed the changing of 554 million tons of hydrogen into 550 million tons of helium,

497 With a loss of, only 4 million tons of material, mass in the process.

498 The nucleus is now too small to maintain itself.

499 It cannot any longer produce the energy that it needs to maintain the pressure required to stabilize it with the gravity of the star.

500 The gravity of the star overcomes the pressure at the core, and the star collapses.

501 The sudden collapse raises the temperature dramatically, and because it's too weak to produce the energy, it needs to burn off more material and balance the rise in temperature, as it explodes.

502 In the seventh cycle of the evolution of this star, it shatters, blasting bits of itself out into the farthest reaches of space.

503 Not destroying, but multiplying itself by the hundreds of thousands, dispersing into space as interstellar gas and dust.

504 The gas is mostly hydrogen. As gravity pulls temperature rises.

505 At 2 million degrees Fahrenheit, nuclear fusion begins and many, many

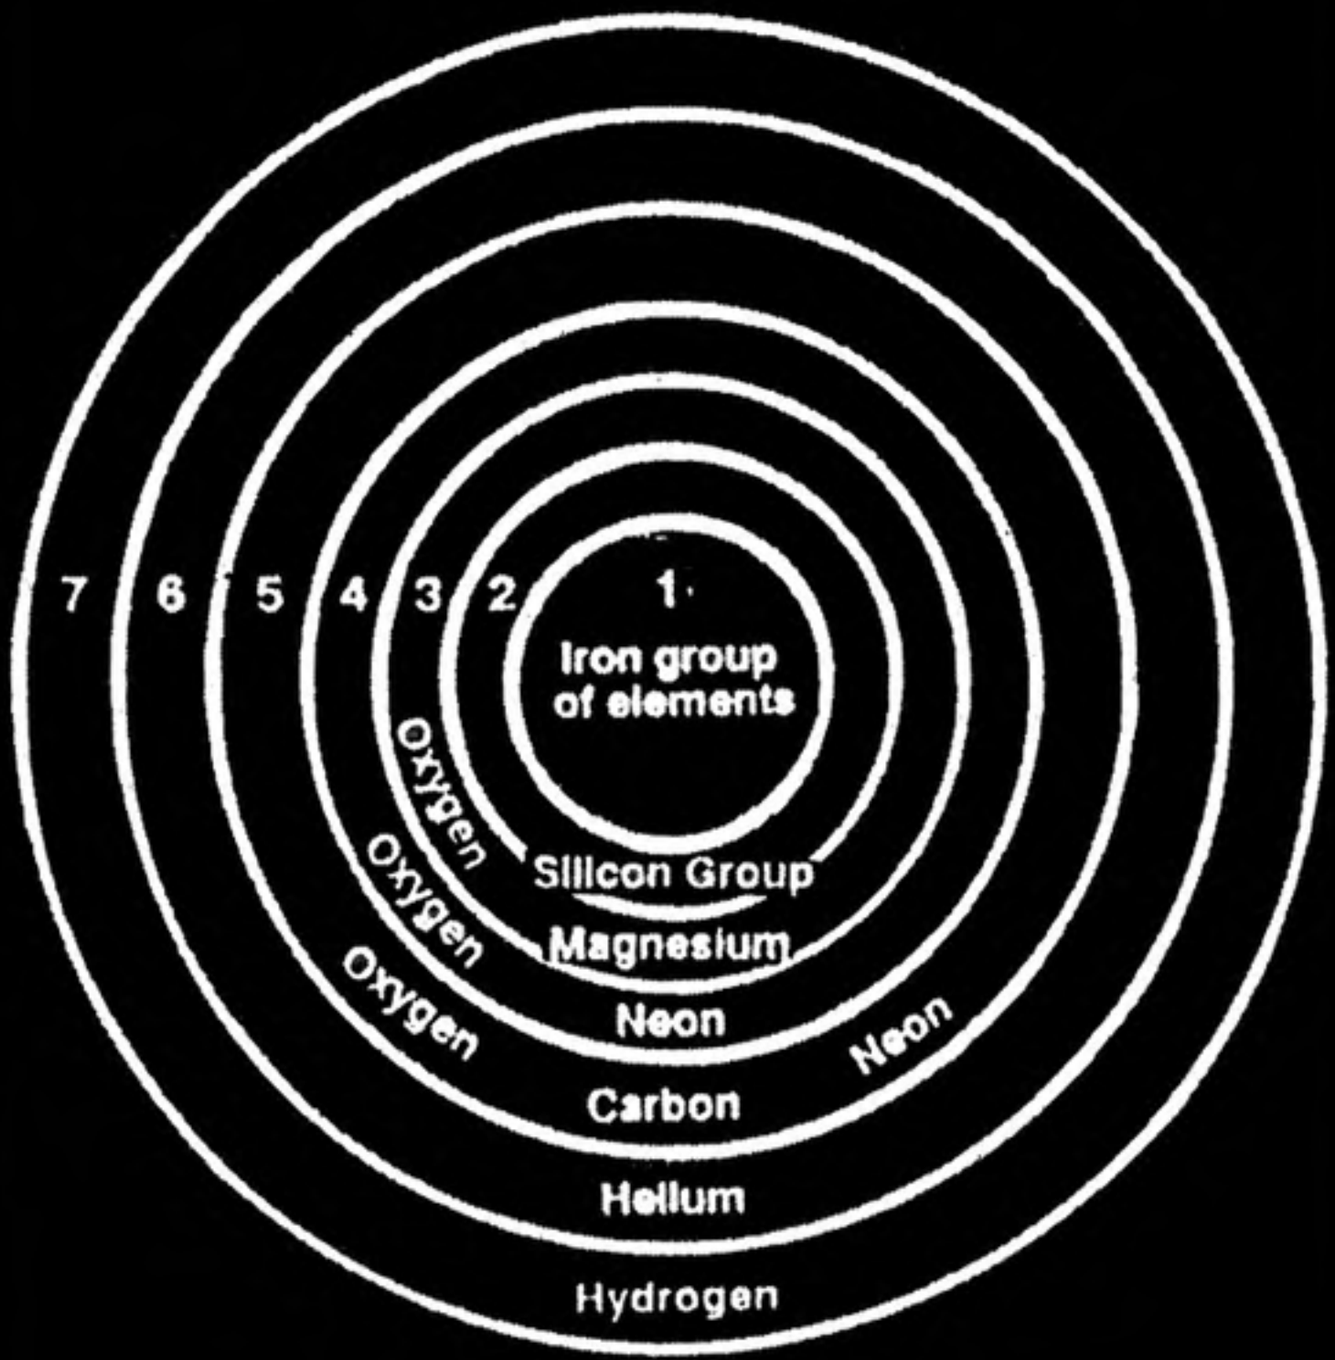

Diagram 91
Iron Group

more stars are born.

506 The sons of Shaytun, are born again.

507 They themselves are little centers of attraction to wickedness and the Law of Sin.

508 The escape velocity of these bits of gas and dust is 2000 to 3000 kilometers per second; the radiation rate is 200,000,000 million times that of the sun.

509 What ignorance can be greater than to pretend to be ignorant of A'lyun A'lyun El, The Most High, the Creator, the Rabb, Sustainer of all the knowledge in the universes?

510 Humans look to his own body, the wonderful organism that works in the most superb way and uses it to achieve his own existence.

511 Yet Enosites overlook the engineer that designed and produced this machine.

512 The original creator who made this unique, living being of lifeless Earth, black mud, Carbon (C), Calcium (Ca), Sodium (Na) and more and put evolution into motion.

513 He witnesses a superb plan in the world, but ignores the planner. A'lyun A'lyun El, The Most High planned every facet in the universe; no question about what's right and what's wrong.

514 If they had believed in A'lyun A'lyun El, The Most High and had faith, there would have been no doubt.

515 All the prophets of A'lyun A'lyun El, The Most High, were sent to guide the Enosites.

516 They knew that it is law for Enosites to wear the holy garb.

517 This is the dress that is mentioned in the scroll of Revelation the first degree, the thirteenth verse which states:

And in the middle of the seven gold candlesticks was one who resembled the Messiah Jesus, son of Mary, the adopted son a male living being named Joseph, clothed in a long outer garment, down to his feet and he had a sash-like belt of gold around his chest.

518 The sash or "girdle" that is worn around the waist is the dress of the righteous. Is this a distinction between the Faithful and the Kafir?

519 The faithful know it is law not to cut off all of your beard, nor the corners of your head.

520 It's prohibited in all the scriptures to partake of intoxicants.

521 As fishers of men, a true disciple casts his line, propagates the words of A'lyun A'lyun El, The Most High, and he fishes out, reaches for those who are seeking the truth,

522 And he reels them into the tabernacle of the Most High.

523 But for the person who knows the law and is not teaching it,

524 Seeks to deceive, to cover over,

525 To ride a thing,

526 To cheat,

527 To dupe,

528 To mislead,

529 But mainly to double-cross.

530 In their hearts, they shortchange others in truth;

531 By confounding truth with falsehood.

532 All will return to A'lyun A'lyun El, The Most High, humankind and human being.

Tablet Sixteen
The Hell
(19 x 14 = 342)

Lo! We will speak to you on hell. The first thing I saw was two worlds, one upside down, and one right side up.

2 And I was told to you, have you seen the better world. That the last shall be first and the first shall be last.

3 Discussing on, we discuss punishment in the hereafter. I will tell of you of two classes of mortals.

4 The righteous who will enter everlasting life, and the wicked who will go to everlasting doom.

5 The souls which attain the required standard of perfection will start on their evolutionary journey in the next world.

6 The impressions of their righteous actions on Tiamat, now called the planet Earth will be carried with them.

7 They will enclose their souls in a garb of undefinable happiness; totally different than earthly happiness.

8 But on the other hand, the soul that has not utilized, the opportunities provided to it, in its earthly sojourn, and it has stunted the facilities, and become diseased and corrupted,

9 Hell will be one of the stages in the process of evolution.

10 What are the fools whose merits and demerits found to be even?

11 I was asked when weighed by the balance.

12 In that day people will come forth separately so their deeds may be shown.

13 So whoever does this one grain of good work will see it.

14 And as for him who does the weight of one grain of evil, he will see it.

15 For twelve months they shall have to undergo purgatory processed in the fire of Jahannam, of hell,

16 Until you are sufficiently cleaned from the sins to be admitted into paradise.

17 Hell is not meant as a torture for souls, but a second chance for purification of the soul, for those who wasted their chance on Tiamat, now called the planet Earth;

18 The fires of hell are the fires of desire in Enosites. He will be tortured by his love for the world.

19 So he makes his own hell and no matter how long it takes, every good soul will eventually return to A'lyun A'lyun El, The Most High.

20 But for one that has an abundance of mercy in this world, he will turn the scale towards that mercy,

21 With Tammuz as Yashua came everlasting life.

22 With this, we come to an overstanding that it's better that a sinful Enosite had never been born.

23 For those of you that do not have faith, you will become food for the malevolent beings.

24 You will be put in a large pot and stewed, scalded and boiled,

25 Seared in pans, hung up in blazing trees, fastened to burning poles with fiery chains around your waist,

26 Pierced through your tongue with a branding iron, cut to pieces with a burning sword, boiled in blood and filth, bitten by maggots, toads and venomous snakes.

27 And you will be crushed, blinded, and choked.

28 You will hear your mother's screams, and your father's desperate pleas for mercy, which are ignored.

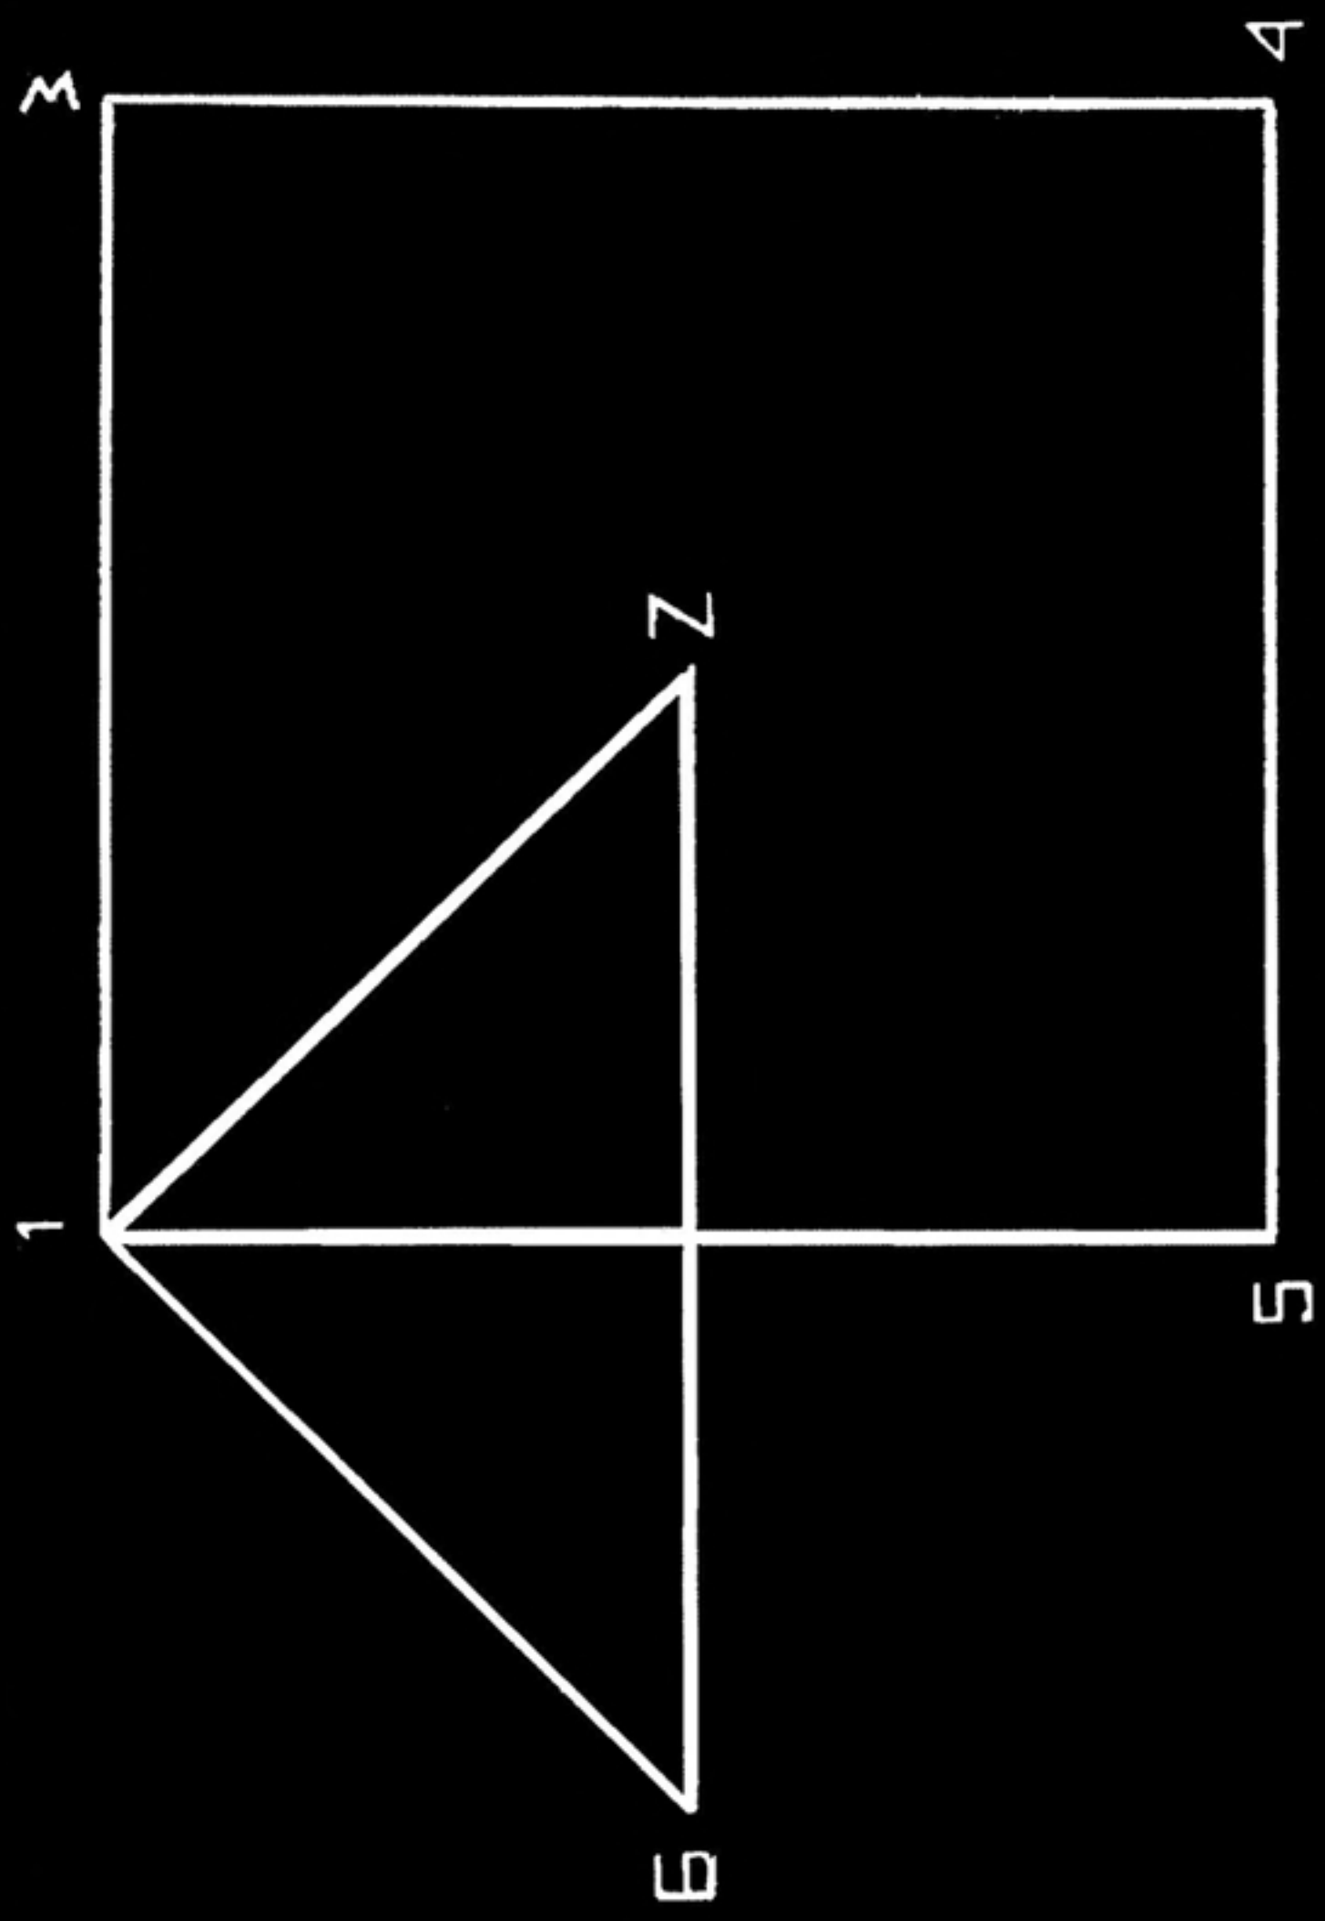

Diagram 92
Hell

29 In your pain, you will bite your tongue to shreds, and you will tear your hair out of your head.

30 Murderers will be confined in a narrow place where they are covered with worms and maggots, and they will be attacked by evil creeping things.

31 Women who abort their children will be immersed to the neck in manure and their bodies will stand opposite them, with rays of fire shooting from their eyes which will pierce their skin.

32 Wicked people who took money from widows and orphans will be dressed in foul rags, and walk to and fro on hot, sharp stones.

33 The sorcerer will be hung on whirling wheels of fire.

34 The wicked shall show all the nations that turned away from A'lyun A'lyun El, The Most High.

35 For you find in these words the condemnation of all the heathen nations,

36 For these are those who have forgotten the words of A'lyun A'lyun El, The Most High.

37 But my people shall be the righteous, called the Mukhlasina.

38 They shall inherit the land forever.

39 Where the dead will come to life anew.

40 For I, Michael, Yannan, called by some, being the awakener, will lead the resurrection of the mentally dead into the kingdom of eternal life.

41 Being given the last judgement presided over all, by the leave of A'lyun A'lyun El, The Most High, himself.

42 Being one who will decide the fate of whose name will enter the Scroll of Life of All.

43 For I will decide as to whether they should enter into eternal damnation forever, accordingly called Jahannam,

44 Or to paradise which has been known from the very beginning of creation to be the destination of either the people who deny A'lyun A'lyun El, The Most High. As the wicked ones,

45 Or those who live in submission to A'lyun A'lyun El, The Most High called the righteous ones, or the worshippers.

46 The fires of hell are the fires of desire in mortals. The wicked will be tortured by their love for the world.

47 All manner of evil and foul things lurking in his subconscious will be his torment.

48 Eternal damnation lies in wait for those who have convinced themselves that their sins are so great that they will never be forgiven for them. Because of this, they will suffer in Hell forever.

49 For I had to descend into Earth called Hades, to redeem the souls imprisoned here. The tormentations lasted 12 months, like the tormentation of hell.

50 Hades is not to be seen, not to be looked upon, it is an outer realm, abode of the dead, state of purification. A pit simply means a pit grave.

51 It is the grave where everyone goes when they die; to wait a resurrection.

52 Hades does not have an eternal hold on those who spend time there.

53 After which your souls are to be redeemed, but the wicked are un-redeemed, were and will be consumed in the fire of Jahannam to become ashes unto the souls of the righteous.

54 But woe unto them-Munafiqun, referred to as the extraordinary sinners such as the turners away,

55 The rejectors,
56 The traitors,
57 The heretics,
58 And for the seducers of many. Hawiya is the hell for them and the Munafiqun.
59 There will be a pleasing fire for them, and what will make you, Ahmad son of Abdullat and Amina, perceiver of it is?
60 It is a very hot fire, but the merciful and compassionate creator of the planet and the heavens A'lyun A'lyun El, provided from the beginning Al-Janaynah, the paradise.
61 The power of repentance to enable Enosites to escape the former and inherit latter.
62 This is a story of a ruler who had sent two guardians for his garden. One who was lame, and the other blind.
63 Yet returning, he found the garden raped of its fruits.
64 Who called to encounter the one, he said of himself,
65 How could I have taken food being unable to walk?
66 The other said of himself, I am blind, how could I see the fruit on the tree?
67 But the Enosite placed the lame on the blind Enosite's back, saying, you both committed wrong, acting as one.
68 In this same manner will A'lyun A'lyun El, The Most High bring the souls and the body together at the day of resurrection as they were joined in life and punishment,
69 Then the great judgement day.
70 Let me speak to you of the seven hells and heavens called in a scroll given to Moses, Shuw-abbadin "pit of corruption, pit of horror, mold of clay, shadow of death."
71 Seven folds of joy is before your face instead of the abundance of joy.
72 In accordance, 7 classes of righteousness are singled out for you such as: the shining glory of the sun,
73 Or like unto the moon,
74 Or like unto the stars,
75 Or like under the firmaments,
76 Like the lightning,
77 Like the torches,
78 Like the lillies,
79 Or like the golden candle sticks.
80 Speaking this way, there's a glory of the sun or another like the moon and another of the stars.
81 So is the resurrection of the dead.
82 Eating and drinking, the servants of A'lyun A'lyun El, The Most High at the table prepared for the beloved of A'lyun A'lyun El, The Most High are spoken of.
83 Truly Allahu Al Aliyu, The Most High alone knows what he has prepared for him that waits on him.
84 How long shall this be?
85 Some say a millennium, others say 7000 years, others 400 years, others again forty years.
86 Nine hundred and ninety and nine out of a thousand shall go to the fire.
87 In the time of our newsbearers, we expected 90% percent of your facts.
88 Now it will take only 10% to enter paradise.
89 How great is this 10% being more than 9: the total of numbers.
90 For 3 generations even the sinner in hell is released from pain when they acknowledge the righteousness of divine judgment, while joining in the praise of A'lyun A'lyun El, The Most High by the righteous.

91 They that having respassed the will of A'lyun A'lyun El, The Most High, dwell in the valley of weeping, which is in Jahannam.

92 Make it a well of the tears to quench its fine and their praise, raise him who decide the judgment.

93 This be the beautiful maiden who meets the righteous at the departure from the Earth. The black eyed maidens promised to believers as a personification of their virtues to fill him with delight.

94 They have the ugly maiden who meets the sinner as the personification of their guilt, to horrify him.

95 Paralleled by the law saying, that the righteous will be heralded by groups of good Angelic Beings. Black-eyed maidens calling out, he earned their peace. He walks forward to their goal.

96 And the sinner will be met by three groups of chastising angelic beings who will call: there is no peace for the wicked, no peace for the spirits suffering from spiritual diseases.

97 Cries of torment in the pit of darkness, with whipping and gnashing of teeth.

98 The pain of being roasted and barbecued. Boiled in oil, chained to the wall of a hot open furnace, the Azazl with a pitchfork standing by grinning and poking you with his hot pointed pitchfork.

99 Half-human, weird-looking monsters, with grotesque bodies of strange mingled parts, and heads of flesh-eating animals and birds.

100 Yield that the righteous may pass by you on the way to the garden.

101 They being entangled by the paths of their ways and go into desolation and perish.

102 They perish because they cannot attain everlasting life.

103 For even Azazl tempted our servants.

104 There shall be no Jahannam or hell in the world to come. But A'lyun A'lyun El, The Most High, shall bring forth the sun from the shade and cause it to shed forth its burning rays which will serve as a means of chastisement for the sinners and offer healing and delight to the righteous in accordance.

105 For you see Tarnush's son Azazl and his host, they are burned by the sun and the sons of the righteousness are given health from the rays of the sun, even in their abode.

106 For never will A'lyun A'lyun El, The Most High, Ala's majesty descend on the Earth for you.

107 But rather he has sent you his words by way of his angelic beings that you may find your way home.

108 Rise up to heaven, the heavens are the heavens of the Sustainers.

109 The Earth has been given to the Children of Enosites.

110 This is why you are despised by Haylal. Haylal refused to respect Enosites. In fact he became Enosites arch enemy.

111 Because he despises you so, he made his bound and duty to take you off the path.

112 He wants to make you suffer the humiliation and embarrassment that he suffered being ejected from the heavens.

113 For I will describe unto you the two gates of paradise made of carbuncle, where sixty million angelic beings keep watch.

114 When a righteous person arrives,

they clothe him with eight garments of glory, and place two crowns: one of gold, and another of precious stones upon his head.

115 And 8 myrtles into his hands and with the words, go and eat your bread in joy.

116 Lead him to the stream of Kawthar, holy water surrounded by all kinds of fragrance plants, from which flow rivers one, one of oil two, balsam, three, wine, four, water, five, honey and six, milk,

117 Given a gold cup, served by the black-eyed maidens.

118 Over each of the righteous, a canopy is spread according to his merits.

119 A table of precious stones while eternal lights are everywhere.

120 There are 3 compartments: 1. childhood, 2. adolescence, manhood, 3. old age.

121 Going through the same, each during the 3 watchers.

122 The righteous enjoy the pleasures of each. There are myriads of trees, one more fragrant than the other.

123 In their midst the tree of life overshadows the whole of paradise while 7 clouds of glory overhanging it.

124 There are: 7 special compartments for the seven major newsbearers.

125 There are 7 other compartments for the seven classes of righteous.

126 The first class is the martyrs like: Ali, Husayn and Hasan, John the Baptist and the likes of them.

127 The second is for those who died by accident or drowning.

128 The third is for the great masters of law. The mortals, not prophets or apostles but those who keep the laws, such as the nineteen Imams and the seal of the Imams.

129 The fourth is for those covered by the clouds of glory, the one hundred and forty and four thousand.

130 The fifth is for the patient.

131 The sixth is for the child-like who prove chaste throughout life.

132 The seventh for the poor who admit the suffering attended to the law.

133 In correspondence to the seven hells, I saw pits replete with fiery lines and rivers of fire, and each compartment inhabited by ten of 70 nations of heathens. Presided over by one of the 7 hypocrites, they being doomed to suffer with their heathen nations.

134 Therein, I will tell you how I saw this that you may know to obey A'lyun A'lyun El, The Most High.

135 I was brought to a gate of hell, and I showed human kind hanging by their hair, and this was told that these were those who let their hair grow to adorn themselves for sin.

136 Others I was shown hanging by their eyelids that they had followers, their eyes were lustful.

137 Others were hanging by their noses, and they had perfumed themselves in sin.

138 Others again by their tongue for they were slanderers. Others again by their skin, for they robbed to wear precious clothes.

139 Others, by their genitals, for they committed adultery.

140 Again, others by their feet for they ran in sin, and walked away from the

Holy Tabernacle when they heard the call of prayer.

141 Women who had bared their breasts, and not covered their shame before men, her sins were hung by her breasts.

142 Blasphemers were fed on fiery coals such as eating on fast days; they were forced to eat bitter gold.

143 Sinners with mouths had to eat fine sand until their teeth were broken.

144 Men who had abused the needy, who had asked them for assistance were thrown from fire to snow and from snow to fire.

145 Others were driven from hell to hell, like the sheep by the shepherd.

146 The sweat of the inmate of hell is a clay of putrid matter. It's deadly poison, the fluid squeezed, or was wrung or flowing from the inhabitants of hell, or from their sins.

147 They sit under the Zaqqum and infernal tree described in the Qur'aan.

148 It's yielded by the very bottom of hell, growing the heads of Devils as fruits, which will surely fill the bellies of the damned.

149 The flesh and blood of the tormented, yields a thick pus like matter; an ooze of water, blood and matter.

150 It was unfortunate ones who are likewise hung by their eyes, ears, tongues, feet, hands, and having sinned with the corresponding members of their bodies.

151 Whether against the mortals or the ritual laws of A'lyun A'lyun El, The Most High, was greatly affected by the sight of these horrors, did I weep, falling to the ground, and seeking mercy for my people, knowing that the time of repentance had passed for them to enter paradise.

152 So sad a place, so sad a people, how great they were and will be again.

153 I fell on my face and prayed:

A'lyun A'lyun El, The Most High for the power to release my people from this destiny for the terrible torment that would befall them if they did not run to grace.

154 I pleaded, and pleaded, that you be spared.

155 A voice said, my servant there is no respect for the person, nor taking of bribes with me.

156 Whoever performs good deeds will find his place in paradise. Whoever does evil, he will end up in one of the hells.

157 For he said, I am the Rabb, sustainer and I search the heart.

158 I try the ruins to give every mortal according to his ways, according to the fruits of his doing, not merely keeping faith in their heart, but in his practice and their actions.

159 Watching their dress, their manner of eating, for the righteous enter before the food, hungry, and still they leave hungry; knowing the world is not quenched.

160 Then I heard a voice hailing, we are the messengers turning to behold the Arch Angel, Gabriy'El, and under the guidance of an angel called Miyka'El, who first came to behold seventy thrones of gold, and silver, pearls and precious stones, amongst which was the

excellent one. All the rest was that of Abraham.

161 Seeing many others behind them, walking garbed in white, having shed the crowns of gold, and the eight robes for the throne, the rest was assigned the virtuous class of saints according to their ranks.

162 There were those who had, amidst affliction, having previously studied the law.

163 The blameless.

164 The patient.

165 The righteous.

166 Consisting of the righteous sons of the unrighteous, the converted.

167 Such was Abraham and the unrighteous sons of the righteous called Israel, who fell apart. Men who were saved by the merits of their fathers.

168 But you, even in this late time have a chance!

169 Then our servant Ahmad called mortals back to see the religion of Abraham; given in El Garun, "the Qur'aan", spoke of the delights of paradise, and the torment of hell in this manner.

170 Hell having 7 compartments of gates, one below the other and each gloomier than the other.

171 The one on the top is for the disobedient amongst the ones of peace.

172 The second for those called Jews, Israelites, Hebrews, and the likes.

173 The third for those called Christians, Seventh Day Adventists, Mormons, Jehovah Witnesses and the likes.

174 The fourth for those called Pagans, Egyptologists, Numerologists, Occultists and the likes.

175 The fifth for Astrologists, Soothsayers and Magicians and the likes,

176 The sixth for the Idolators and those Muslims who worship a man called Prophet Muhammad, saying they follow his Sunnah, or Clarence 13 X, a defect from the Nation Of Islam, calling himself Anu, or W. F. Muhammad, whose real name was Noble Rofelt Pasha, deputy of the grand council of Arabia, and author of The Nation of Islam's doctrine, a Noble of the Ancient Arabic Order of nobles of the Mystic Shrine of Masonry, and they stone and swear by the Qur'aan, they don't and the likes.

177 The seventh, and this is quite characteristic.

178 Its keeper Malik called the ruler of burning fire.

179 He has the helpers that carry out the punishment, for the sins.

180 For the infidels we have chains and collars of burning fire.

181 He who believes not in A'lyun A'lyun El, The Most High and fails to give concern to the poor, or to share his bread, shall feed on the corruptions, on the sores: the inmates of the fire.

182 Who, in their burning thirst, cry out to the inmates of paradise: pour upon us water please, exactly as does the rich one.

183 Paradise with one as his keeper has likewise seven compartments, each one with a different name. All built up of gold silver and precious stones.

184 There are also four rivers:

Tablet 16:185 Tablet 16:220

185 First pure water,
186 Instead of balsam.
187 The other of milk.
188 The third of wine,
189 The fourth of honey.
190 And to these last were added streams of various spices to be mixed with water.
191 Black-eyed maidens, unparalleled virginity, were the pattern like unto the wives of the faithful.
192 Beautiful youth who served the faithful from sitting under shady trees.
193 Angelic Beings of reclining on their costly couches in paradise.
194 Between hell and paradise, there is a veil and on the veil there are seats for those who while worshipping A'lyun A'lyun El, The Most High had not done good works efficiently, or deeds to out balance their evil deeds to the so-called intermediates.
195 They look at the inmates of paradise with envy and seeing the inmates of hell pray that they themselves may be spared of the same pain.
196 But at last, by divine grace, they will be admitted to paradise. By merely saying: nothing would exist if A'lyun A'lyun El, The Most High didn't create it at the intercession for the newsbearer to release them, and after having bathed in streams of Salim, they will be admitted to paradise.
197 The 7 subdivided into 11.
198 There are eleven classes of sin as pointed out.
199 They are scandalmongers.
200 Liars,
201 Unrighteous judges,
202 The proud,
203 The Insolent,
204 The Hypocrite,
205 The False Witness,
206 The Unchaste,
207 The Misers,
208 The Slanders,
209 The Users,
210 The Fraudulent,
211 And most of all those who neglect their prayer, or disturb those in public worship.
212 While the twelfth class comprise the good and the righteous.
213 At the sound of succession of trumpets blasted by the Angel 'Israafiyl or Sarfiyl.
214 A great monster called the spy, will then come out of the Earth.
215 It will mark the forehead of the faithful with the stamp of Moses, as the white sign of life.
216 The noses of the evil doers.
217 With the signet ring of Solomon sign of the Jinn as the red sign for perdition, such as the mention of the beast who has the mark, 666 on the head of the unrighteous, and the mark by way of prostration on the head of the righteous, gowned in white robes.
218 All will be summoned to the temple, hill of Qodesh being the highest spot on the planet Earth. For the 144,000 have ascended to the fourth heaven.
219 Then the judgment will take place on a narrow bridge called the path from hell to paradise.
220 There shall no intercession avail,

except your faith and your deeds, according to the law,

221 The truth from Muhammad to Kadmon while you were all in this Earth.

222 The deeds of Enosites shall be weighed in a scale, as a scripture containing the records of the faithful. Kept in the 7 heavens, and it is extracted each shadow hour while the mortal lays to rest, and each day turning right to greet the angelic being to his left, were his books were ever present.

223 Those of the sinners kept in the lower part of hell will be read. The former to be held in the right hand of the faithful, the latter placed in the left hand of the sinner and tied on their necks.

224 Then shall paradise and hell be brought down. The faithful be welcomed by A'lyun A'lyun El, The Most High, and his angelic beings with the greeting,

225 While the unbelievers will be ushered into the wretched abode of hell, there to dwell eternally.

226 All mortals having 2 accompanying Angels through life, the one to his right, recording his good deeds; the other to his left, his evil doings.

227 When he departs from this world, the virtuous will see all his good deeds before him in the shape of beautiful mortals, to fill him with horror and dismay. This view will bring him great pain.

228 For you will be judged not for your sins, but by your sins.

229 Concerning our servant Ahmad and giving him the Qur'aan he questioned it.

230 Over, it, we have placed 19, that no man, nor image of the devil can calculate its error. For they will find no fault therein in its pristine state, but once the hands of man and the minds of mortals, and emotions of human beings have touched El Garun, it will be transformed into the Koran. A book of much contradiction, and doubt for this is indeed a scripture. There's no doubt for those who seek guidance in it's pure state, now in the hands of Mortals.

231 It is an actual ascension, from the soul to the heaven did we call Ahmad before our faces to show him the journey of man? He described his journey through the seven heavens under the guidance of the Anunnagi Gabriy'El. And through Jahannam, as he showed Malik the keeper of the first heaven.

232 He saw Kadmon as Adam, who in his survey of the ascendants knows the righteous, and blamed the evil doer. In the second, he saw Tammuz as Isa.

233 In the third he saw Zaphenath-Faaneah as Yusuf.

234 In the fourth, Adafa, as Idriys.

235 In the fifth, Aaron as Haruwn.

236 In the sixth, Thutmose I as Muwsa,

237 In the seventh, he saw Abram as Ibrahiym.

238 For we did take him by shadow hour from our navel to our heart. For we took him from Makkah to Jerusalem to the remote place where shall be Aqsa. We pulled him into the spirit, and we made him like unto one of us that he

may see and show you. For we did send him a special coach from the heavens Buraaq, full of lights, and the size of the best horses, harmless as the mule.

239 But in all your fears of hell and Khannaas, don't allow yourself to fear the devil more than you fear A'lyun A'lyun El, The Most High through love.

240 Be ever watchful of his demons, for he has helpers in many forms, constantly opening doors that you may walk into hell.

241 Fear not for you all have fallen into a death like sleep, but, he, who's carried into the heavens by the Anunnagi, he goes from strength, and then show him far beneath deep valleys full of fierce demons having four fires at different places.

242 One to burn the lovers of false hood.

243 The other, the followers, the other brings us to the devil and the other of his servants.

244 He who follows him will be scorched by the demons as he passes by, but he was likened to he who passed on his way to heaven to be gowned in comfort.

245 Behold a deep and broad valley.

246 One half filled with the roaring flame, and other half of the storm, hail and snow.

247 Between which the unfortunate was tossed. To and fro as globs of fire mixed with terrible wearing yet this was only purgatory.

248 The real hell far below was far more horrible with the darts of fire in the very nearness, which scorched him deeper, and deeper in his soul.

249 Who has pain in his greatest form was pleasure.

250 Where suffering was welcomed, and where loneliness was never known. Where comfort was a long thing forgotten.

251 Then you will seek to prostrate, but you will find no helper.

252 I beheld on the other side behind, a great similitude of a wall of numerous people in shining garments enjoying the delight of the pure light, brighter than the sun and the moon and fragrance of flowers.

253 Looking through a crystal-like wall, you see the one hundred and forty and four thousand marching onto paradise.

254 I weeped for those gowned in ignorance, beardless though they be Muslims, Christians, Jews, and the likes of Zoroastrians, Buddhists, or whatever.

255 Be a servant of ANU, The Most High.

256 The Christians, in their vain pleas for intercession exalt Zeus as Yashua, but this noble newsbearer and servant also never claimed to be A'lyun A'lyun El, The Most High, nor to be his only son. Only a servant and an apostle. The Jews do it with the apostle Ezra: Servant of A'lyun A'lyun El, The Most High was he, that's all.

257 Walking downward towards hell, shadow over their faces, with their beads in their left hand. But looking up, these, lit with the brightness of the realm resuming, and the sound of the angelic

beings, the real paradise. This I knew was for my people. The real purgators: The mothers who refuse to nurture, fathers who refuse to learn to teach their sons.

258 Husbands and wives who refuse to sacrifice for each other's comfort, we'll see hanging by their feet. Faithless women by their hair, severe punishment was triumphed upon. Mothers guilty of incest, other persons guilty of suicide, slander, false testimony, and theft.

259 From the borders of hell were these spirits tested in the shape of dogs, like lions spit fire out of their mouths to prevent escape-guarding the door of hell.

260 And over the fiery river, iron bridge was span red hot. Welcoming the weary souls to cross, but fear of the burning bridge they stayed in hell and moaned and groaned, and gritted and grind and cried, and asked why?

261 Yet cruel demons led the souls after they had passed the test of purification to the very pleasure fragmented, planned, and just tortured, tortured, and tortured.

262 Few souls escaped by the joy, for in their heart was found truth. Calling the name of A'lyun A'lyun El, The Most High, and acknowledging his servant Ahmad.

263 First circling the moon in Mars, the Sun, Jupiter, Venus spinning on Saturn, met by Cherubeems, surrounded the throne of glory in the sixth heaven.

264 The arch angelic beings, and the patriarchs, and all the great news bearers and apostles and the virgins, and all the righteous, and the unborn children, and those who died before puberty.

265 You can hear the ANUNNAGI, singing the songs. And there were smiles of joy in everyone's faces, for they knew they were in the presence of the ultimate A'lyun A'lyun El, The Most High.

266 All of this is received and passed on in symbolism for those who need to see the future through fear.

Tablet Seventeen

The Judgment

(19 x 2 = 38)

Lo! The day will soon come when you all will look at the sun.

2 Men, women, and children will all cry.

3 Fear and regret, sorrow and tears.

4 They'll plead to the purified ones for not lending an ear.

5 There will be floods of blood from the weak that fell.

6 That become a part of the path for the wicked on their way to hell.

7 Some will try effortlessly to run to the colorless man.

8 They'll ask?

9 What happened to the idol deities, it's heavens in that fairy land?

10 O how could I have been so fooled, to have faith in all you have said,

11 About a new heaven in the skies with Jesus once we're dead?

12 Yes, you were fooled, you wanted to be free, and you turned away from the truth to be like me.

13 It was written before your face, and handed down to you in the scriptures for you to read.

BEHAYMAW — THE HUMAN BEAST

Tablet 17:14

14 But you preferred dealing with me, and satisfying your greed.

15 Now that the day has come and the great star will fall to the Earth like the dropping of the sun.

16 Gusting smokes, to blacken the skies forwarded by earthquakes, hurricanes, and political dominion cries.

17 In the midst under the number 666, did I rise. One foot in the north, the other in the west causing confusion and strife in the middle east, doing my best.

18 The prostrator mark was deep in his head: The stamp mailing his soul to paradise once he's dead.

19 But of you people, you did accept me, for wealth, and money you never did get.

20 I, Azazl and my host, will pay for all the harm we have done. But we will get our satisfaction looking at the concealers of the truth and know we have won.

21 Cup of heaven not even one-quarter filled, mostly with the martyrs of righteousness whom you did kill.

22 Cup of sinners over-run, your next abode you'll have no fun.

23 For today is the day when we all will notice the sun.

24 Men, women, and children will all cry.

25 An odd-looking thing will appear in the sky. The rapture, O yes it has come with only enough seats for the righteous ones.

26 Enqi, Izraa'El, the Anunnagi of Death will appear.

Tablet 17:38

27 Having the book of eternal life present there.

28 He will call the names, and the Ansaars will say: Here!

29 He will say come and enter this ship.

30 For you the righteous have earned this trip.

31 Pausing time and moment, reflecting on the past.

32 A screen will appear like a crystal of glass.

33 The eyes will raise to behold its light, flashing from the day one to this very special night.

34 When all of these things have come to pass, and all the righteous will be given a golden glass. Waters of the rivers of Kawthar, and gowned in white silk.

35 Honey of heaven, sweetened paradise milk. Bathed in the waters of the rivers of **Shafu'ane.**

36 Couches laid lying down beside green pastures.

37 The presence of black eyed maidens there for the asking.

38 When all the names on the list have been read, the big crystal ship will roar, and this material Earth will have fled, from its rear will be 6 great balls of fire, to plunge the Earth and end all wicked desire. Screaming and running to and fro, for suffering awaits those who took not the time to know.

This Is How It Was Recorded
And This Is How It Will Be

CHAPTER SEVEN

EL HAAYUH RAWUH **THE LIVING SOUL**

Begin All Acts And Thinking By Using El Kuluwm. The All

Tablet One
The Living Soul
(19 x 19 = 361)

Lo! ANU, A'LYUN A'LYUN EL, The Supreme, The Most High, The Highest of the Anunnagi, who is praised, The father of Enqi and Mother Ninti.

2 It was he who made the makers, and taught them all, who created the creators, and it was he who fashioned the fashioners,

3 He is the one who is the originator of the originators,

4 The Builder of the built things, before the first, and after the last.

5 Once you are out of love and compassion for yourself. Then, and only then, can you overstand the physical world in which you reside,

6 And which you perceive through what you think to be your 5 senses.

7 But in reality when you did lay in the laboratory of Shimti,

8 And time had gone by, there was your Barathary Gland, removed from you.

9 This maimed you and cut you off from random access to the divine.

10 Originally you had what was called Neter Ta-Ten,

11 The 7 senses that could activate 7 higher senses.

12 You could ascend even higher until you ascend back into divinity, but you are still trapped by one sense: touch,

13 Which is multiplied by deception to 5.

14 For to see, light touch nerve centers, to smell, particles touch nerve centers,

15 To hear, sound waves touch nerve centers,

16 And to feel you reach and touch things,

17 Which activate your nerve centers.

18 They multiply this one sense, the sense to really know, to see,

19 Hear, taste, smell, and feel.

20 The removal of the Barathary Gland removed the 4 higher senses which were:

21 Telepathy,

22 Psychometry,

23 Clairvoyance,

24 And intuition;

25 The senses are necessary for your random access throughout the boundless universe,

26 And they have trapped you in a state of cause and effect,

27 To and fro, up and down, good and bad, in this world of cause and effect, the world of light.

28 You were made human, given the lesser knowledge which controls you.

29 When things are being thoroughly investigated, the knowledge becomes complete.

30 Their knowledge being complete, has made their thoughts sincere.

31 Their hearts being rectified, and their self is then cultivated.

32 With their self being cultivated, their families were regulated.

33 Their states were rightly governed,

34 The whole kingdom was made tranquil and happy.

35 It is necessary for you to overstand the spiritual realm, and the world of darkness.

36 In which you would be using all your 7 senses.

37 Thereby rendering you an

Tablet 1:37

ALUHUM;
38 Then even higher on to your 9 senses,
39 Rendering you an etheric being,
40 Which is the true world of causes.
41 The things of the world and its inhabitants are subject to change.
42 There are combinations of elements that existed before,
43 And all living creatures are what their past actions made them;
44 For the law of cause and effect is uniform and without exception.
45 The 7 descending planes being:
46 Khnum, The Potter, The Ab, Heart of ANU, El Eloh, The Source,
47 Who is A'LYUN A'LYUN EL, of the abode called Laahuwt.
48 From which the name El Eloh, which is the appointed by EL KULUWM, THE ALL, from which all originated.
49 The source of the divine reality, the spark of life.
50 Life is the time you spend in your Khat-body on Earth, or on other planets.
51 From the moment of conception between the sperm and the ovum, there is life and light,
52 Divine or otherwise prior to fertilization,
53 There was a 3 month preparation inside of the female and the male in darkness.
54 This is actually the first 3 months of life of the Humim being.
55 Once the egg is fertilized by the male sperm,
56 The child is already in the 4th month of life.
57 So a woman really carries a child for 12 months,

Tablet 1:79

58 And not the 9 months as you have been falsely led to believe.
59 The source of divine truth: the guardians or Anunnagi.
60 The Source Of The Mental Plane,
61 Plane of Akh - spirit
62 And Ba - soul where thoughts are formed.
63 The source of the spiritual plane,
64 Where the emotions are manifested.
65 The source of the plane of force:
66 Where the forces between voluntary and involuntary actions, which life substance is manifested.
67 The source of the material plane:
68 The governor of carnal desire, material, not spiritual like where ANU, El Eloh, who is also A'LYUN A'LYUN EL,
69 To rule over the heavens, and the planet Earth,
70 Who is called Yahaw or Jehav by the Mitsraimites or those of Kham, Kemet "Egypt".
71 This became **Yahweh** from **Yah** = *"agreeable"* and **Weh** = *"disagreeable."*
72 He is being called the light of the heavens, and the Earth by those who worship the Sun.
73 This was placed in the heart of El Eloh, the Source, who is called **ANU**,
74 The Plane Of Force is a plane about which the human mind cannot conceive the knowledge concerning it,
75 For he, El Eloh, is the All Knowing, and the All Wise,
76 The Supreme Being.
77 He is El Eloh, and you should have no other El Eloh with him.
78 Say in your heart: I have faith by way of **ANU**, as he is;
79 By using all of his names and acknowledging all of his special

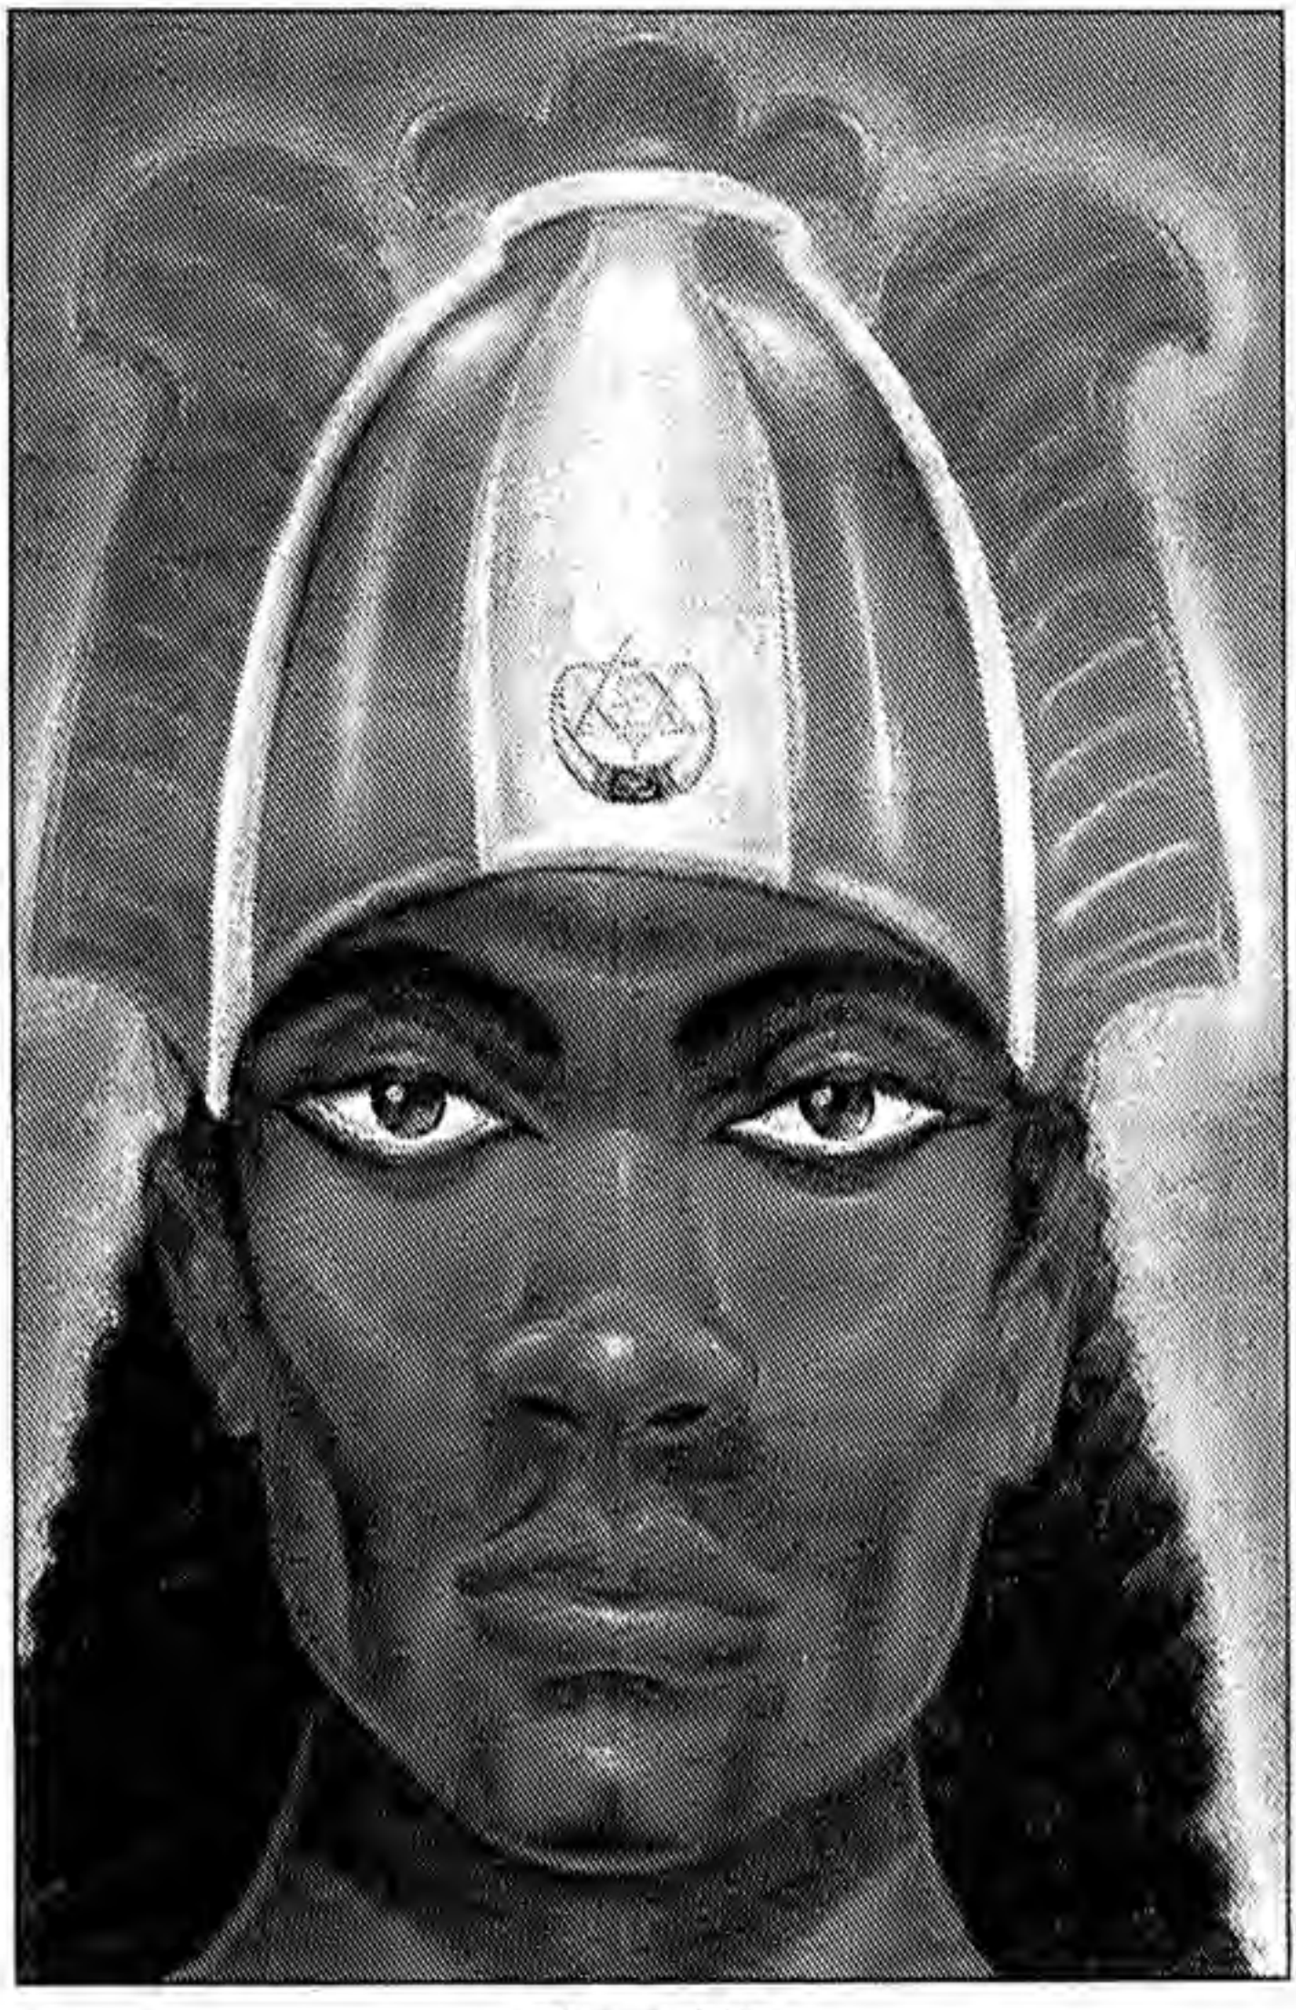

Figure 202
The Deity Khnum

qualities;
80 By accepting them in your heart and reciting it with your tongue,
81 Thus declaring: I would be faithful to ANU and all of the messengers or ANUNNAGI of ANU,
82 And all of the scriptures, and of all of those Rasulaat sent forth by ANU, who is ANU.
83 For guidance, and in a final day, when all actions will be judged,
84 According to whether they be agreeable or disagreeable.
85 All of this comes from ANU, A'LYUN A'LYUN EL right up until death.
86 There are 2 lives. Life on Earth and life after physical death.
87 Death is the door which takes you from one stage in life to the next stage of higher life.
88 If the person was a highly spiritual person,
89 Their soul will pass at once through to the planes.
90 Or even bypass the planes and go into the heavens or other galaxies,
91 From where their soul and ether being originated,
92 With the help of the elder Anunnagi, the Igigi,
93 The heavenly host or 24 elders who sit around the throne called Shuyukh.
94 You should not weep at natural death,
95 But rejoice and welcome the presence of the Aluhum.
96 The Anunnagi bless you with old age, which allows the physical body to rest from the harmful activities that we indulge in every day.
97 Old age prepares humans for their inevitable judgment.
98 So escape not from the possibility of becoming elderly.
99 For it is a honored gift that everyone receives.
100 You may weep for murdered victims or accidents or illness,
101 And life cut off before old age.
102 You can weep for the pain they felt, but not for the transferred from this world to the next.
103 You cannot take from the All, and you cannot add to The All,
104 The All merely shares and you become.
105 The plane of divine reality is the mental spark, the true essence of being.
106 The light of the life in human beings,
107 A divine spark;
108 Reflected spark from ANU, A'LYUN A'LYUN EL, The Most High, The Highest,
109 Manifesting itself as effect. Light disturbed the supreme balancement of darkness and he created individualism,
110 Or a focal point, which manifests there, as opposed to here.
111 This spark is in each individual, making them a supreme being onto beings, known as Anunnagi, Aluhumaat, then onto Humim beings.
112 Onto human being, onto human, onto men, onto mammal, onto beast-like man, beast, onto demon.
113 As ether being rulers of the agreeable Anunnagi, Sarufaat, who can incarnate on behalf of human beings.
114 The disagreeable Anunnagi Garubaat, can incarnate on behalf of man and the man-beast;
115 Having both male and female gender.
116 For in the spirit, Kadmon, son of

EL HAAYUH RAWUH

Tablet 1:116

Atum and his wife Lillith,
117 And Nekaybaw, daughter of Ptah, and his wife Anath, are one being,
118 Thus, you, Kadmon, are Nekaybaw;
119 And you Nekaybaw are Kadmon,
120 He is also called Adam.
121 It is on this plane where the mental spark is formed,
122 The shell of the spiritual body of Kadmon, who is the ruler of Naasuwt, the abode of the Enosites.
123 A spark of divine consciousness,
124 Leading to the development of the human soul;
125 Being in the likeness of the Anunnagi and ANU, El Eloh, The Most Glorified And Exalted's light as a child of the Aluhum.
126 This spark of consciousness.
127 This mental spark that radiates a part of itself to the planes below it.
128 It projects down to the spiritual plane and forms what you call "the soul."
129 It is the light of ANU, El Eloh, Most Glorified And Exalted becoming life.
130 The spiritual body or ethereal you is the shell of the soul.
131 The spiritual body will be visible as ethereal form to those close to the deceased.
132 This is the spirit together with the two and a half of soul,
133 And the breath of life, it's the last thing to leave the body, following the soul.
134 The spirit then becomes drowsy and sinks into the preliminary sleep of the spiritual plane.
135 The spiritual body houses the soul of the spiritual etheric plane.

THE LIVING SOUL

Tablet 1:148

136 When the breath of life ceases to exist in human beings,
137 The ethereal cord and the spiritual body is cut,
138 This allows the person to live an extended, and independent ethereal life.
139 Much like when a baby is born,
140 The umbilical cord is cut from the mother, which he/she once depended upon.
141 The baby comes out and begins a whole new life.
142 The soul is greater than life because when life is no more, the soul remains forever, in that which the being has done that has affected others, his soul is his essence, and he's remembered time.
143 The soul is greater, it gives you your will to live or die in the physical, thus the physical life of the soul is 1000 years in this realm, and the spiritual life of the soul, as the spirit is the shell of the soul is 43,800 years, but the existence of the soul in the minds of those affected is eternity.
144 When a person dies, the soul and the breath of life, is the last thing to leave the physical body.
145 Then being the human should live to 120 earth years, and 1000 as nature, and a part of nature, on the plane of force, which is the breath of life. His existence goes on to complete the cycle of existence, until, he or she is remembered no more. **ANU** is remembered, Humbaba is forgotten.
146 This soul is attracted by bacteria, and a form is shaped around it,
147 Which is a body, that is formed by the hand of the Anunnagi, The Most Glorified And Exalted ones, the benevolent ones,
148 On the arms of Enqi, Izua'El, the

Angelic Being of Death, son of ANU and Id.
149 Built on the atoms of the physical plane,
150 It manifests as a mortal:
151 Body and spirit,
152 Giving birth to a living soul.
153 The body, the spirit,
154 The living soul is the successor of the earthly plane,
155 A son of the Anunnagi, Kadmon.
156 You were born of the will of ANU, El Eloh:
157 A Living Soul.
158 The mental sparks all connected through the spiritual umbilical cord,
159 The etheric cord.

The Planes

160 The plane of divine truth,
161 Is of Spiritual perfection and attainment,
162 A plane exempt from all carnal desires,
163 Supreme spiritual bliss,
164 It is the level of consciousness.
165 Which is of the daily expression of those you call the ranks of angelic beings:
166 Kohane Zodoq priests, the 23 elders:
167 Akatra'El, Anafi'El, Azbuga, Baariyu'El, Kimu'El, Khayyi'El, Galgali'El, Hani'El,
168 Yufi'El, Yuhu'El, Matatrun, Ragu'El, Qaddisin, Raduari'El,
169 Razu'El, Rikbi'El, Mahayyai, Shamu'El, Yaanan, Suri'El, Yafafiah, Zagzagul, Sandalfun.
170 The 24th seat is open to all the newsbearers.
171 And the 25th is the one of the 24

Tablet 1:185

who takes the seat of overseer,
172 As the 19th becomes the 25th in the renewal of history, as Yaanuwn becomes Melchizodoq, which takes place every equinox. when Yanaan personified in the year 1970 a.d., into Issa Al Haady Al Mahdi, called then, Imaam Issa, and he descended on the planet Earth, he took the place of the 25th seat, and another **ANUNNAGI** was placed in the 19th seat.
173 A nearness to the heart of ANU, El Eloh, Most Glorified And Exalted.
174 It is the school of the Anunnagi of the green light from where they have the ability to personify as 12x12,
175 And it is here that one is translated from a mental state into that divine state.
176 The mental plane is the plane of the chosen.
177 Rejoice at the glad tidings!
178 The Chosen One, our master, has found the root of all evil, disagreeableness:
179 He has shown us the way of salvation, Nuwaubu.
180 The Chosen One dispels the illusions of our mind, and he breaks the spell of Kingu;
181 And redeems us from the fears of death.
182 The Chosen One, our master, brings comfort to the weary and sorrow-laden;
183 He restores peace to those who are broken down under the burden of this life.
184 He gives courage to the weak when they are at times end, and they are ready to give up self-reliance.
185 And they hope the Chosen One has proclaimed the truth, Nuwaubu

The Seven Planes

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 1:185 — Tablet 1:211

186 Let the truth of the Chosen One dwell in your hearts.

187 Extinguish in yourselves every desire that antagonizes the Chosen One,

188 And in the perfection of your spiritual growth you will become like unto him.

189 Those of you here which cannot or will not develop into the Chosen One must perish,

190 For it is the source of your error; it is the cause of your misery.

191 It is those of you who, through flashes of intuitive illumination, from a higher source,

192 Have the ability to perceive that which the ordinary human perceives not.

193 The chosen is that one who finds his normal consciousness level.

194 Expressing a bright light from within the inner sun at the seat of the solar plexus.

195 This plane is the midway plane between the Human Being and the Supreme Being where all those of The Ancient and Mystic Order of Melchizedek spiritually meet. Where they adorn their crimson to black crown, and you listen to hear the tassel bell of happiness sound, where their heart is wrapped with The Noble Sash. A token of authority, dignity, power, honor and reward, worn as a symbol of glory and remembrance of their great path. As they raise in height from degree to degree, 720° is what they will be. 360° master the physical and all 360° opens the way to the spiritual hall, 27, nine to the ninth power of nine. At this point you become "Master" over space and time, knowing no depth, and no height, and you are raised from the darkness of ignorance to the intellectual light; which endures all temptations when he is tried. A crown that is his own. The jacket with the wings of an angel is worn.

196 Thus, you have your inner pyramid. Pyra means "the fire," mid means "the center. "

197 The nose on the face inhales the oxygen, that ignites the sun in the middle of your chest, where the lotus breastplate rests.

198 And the son of the Anunnagi, Most Glorified And Exalted Ones;

199 Malakuwt, which is ruled by Malachi Zodoq.

200 Plane of divine love,

201 A compassion not yet comprehended by human beings, but it will be,

202 Of which Earthly love is only a reflection.

203 A compassion that realizes not only the self,

204 But expresses a compassion which can encompass all.

The True Lights

205 The skin of the soul is the force field of mental substance manifested as the you or Akh or Nafus, spirit.

206 In the lower part of the mental force field,

207 The spirit forms the Khat, physical body as a lower aspect of itself,

208 And it builds the home of the Ba, Rawuh, living soul.

209 The physical form, then, is built around the lower aspect of the spiritual form,

210 The Ba, Rawuh *"soul"*,

211 And the spiritual life determines the form of the body.

212 The light of the soul as it perspires through the spiritual skin,
213 This is called "the true light;" a result from the light or sun that burns within your solar plexus;
214 It is the dictionary of your emotions.
215 The mental plane is the plane where spirit or soul are outgrown; or thoughts take form.

The Sub-Planes

216 Each plane is broken up into 7 sub-planes,
217 Which are broken up into 7 sub-planes,
218 Down to the 7th degree of 7.
219 The 4th sub-plane of the spiritual plane, is a battleground for the mind of human beings;
220 This is where an external and internal struggle goes on between his higher and lower mind,
221 And emotions are formed vibrating on their own selfish frequency.

Mental Intuition

222 Three sub-planes are the realms of your subconsciousness,
223 And the upper three sub-planes are the realms of your mental intuition,
224 Or the superconsciousness, of Kadmon, son of Atum.
225 It, your superconsciousness,
226 Is from where your soul descends into spirit and forms the body.
227 In the middle chamber,
228 The first,
229 The world,
230 The last.
231 Remember the various levels of the mind,
232 The walking conscious mind,
233 As it works through your everyday awareness,
234 And it is clothed in the matter of the physical plane.
235 The subconscious mind, operates through the sympathetic nervous system, which is the system of cells, tissues, and organs that regulates the body's responses to internal and external stimuli. In vertebrates, it consists of the brain, spinal cord, nerves, ganglia, and different parts of the receptor and effector organs.
236 The subconscious mind as it operates your faculties of intuition;
237 And the wisdom of the mind as it operates through you,
238 As yet, undeveloped qualities of divinity;
239 Are found at the end of the true seeker's path.
240 The plane of force is a plane largely composed of energy forces.
241 And etheric Ka, duplicates of the physical plane's objects.
242 The plane of force is not subject to the law of gravitation as you overstand it.
243 The plane of force is dominated by the law of attraction.
244 Upon the plane of force there is neither distance nor time.
245 There is no heat or cold,
246 Summer or winter,
247 Day or shadow hour.
248 It is a plane of aspiring desires, as well as carnal.
249 The physical plane consists of dense chemical regions of:
250 Solids,
251 Liquids,

the new body in her being,
298 Not out as you did her Kadmon.
299 She will be mother of all living, Nekaybaw.
300 The life force ether also manifests activity in producing semen in the male, Kadmon.
301 The spark of life,
302 Be it male or female it comes from your likeness to the Anunnagi Most Glorified And Exalted ones, the benevolent ones.

The Light Ether

303 The light ether is the tunnel from which light from the plane of force penetrates,
304 Spreads, and intermingles within the physical plane.
305 The light blinds human beings' emotional nature.
306 Which is to the emotional center in his physical form, which is located in the solar plexus.
307 The solar plexus is 6 1/2 - 7" inches above the navel, or umbilical seat as the crimson crown stands 61/2 - 7 inches high.
308 The emotional center superimposes the solar plexus area.
309 The lobe of the light ether is always in perpetual motion.

The Mental Ether

310 The mental ether forms the bridge between the brain structure of the physical form,
311 And the mental body of the physical individual.
312 This mental ether is distributed through the brain centers,
313 And throughout the cerebrospinal nervous system,
314 Which produces mental waves throughout the atmosphere.
315 It is by these mental waves that your thought processes function,
316 And it is because of this mental ether, that thought forms are seen.
317 The true light, reflecting your every thought.
318 The mental ether is the channel for the transmission of thoughts,
319 From one individual to another,
320 A form called telepathy, ""Tell-A-Ptahite."
321 Which will become increasingly responsive in these last days.
322 In the physical form, the heart is the great center station of life's activity.
323 When the heart fails to pulsate, the body is dead.
324 The blood stream carries life throughout the channels of the body.
325 Being sent there not alone,
326 But by the pumping action of the heart;
327 And also by the law of magnetic attraction.

The Physical Form

328 The physical form gives off energy from itself,
329 As well as attracts energies into itself.
330 From the marrow of the bones which flow the ultra gaseous matter, ether.
331 It registers as a pale silvery mist throughout the physical form,
332 With its concentrated points of activity, around all the vital organs.
333 Its principal seat of activity is at the

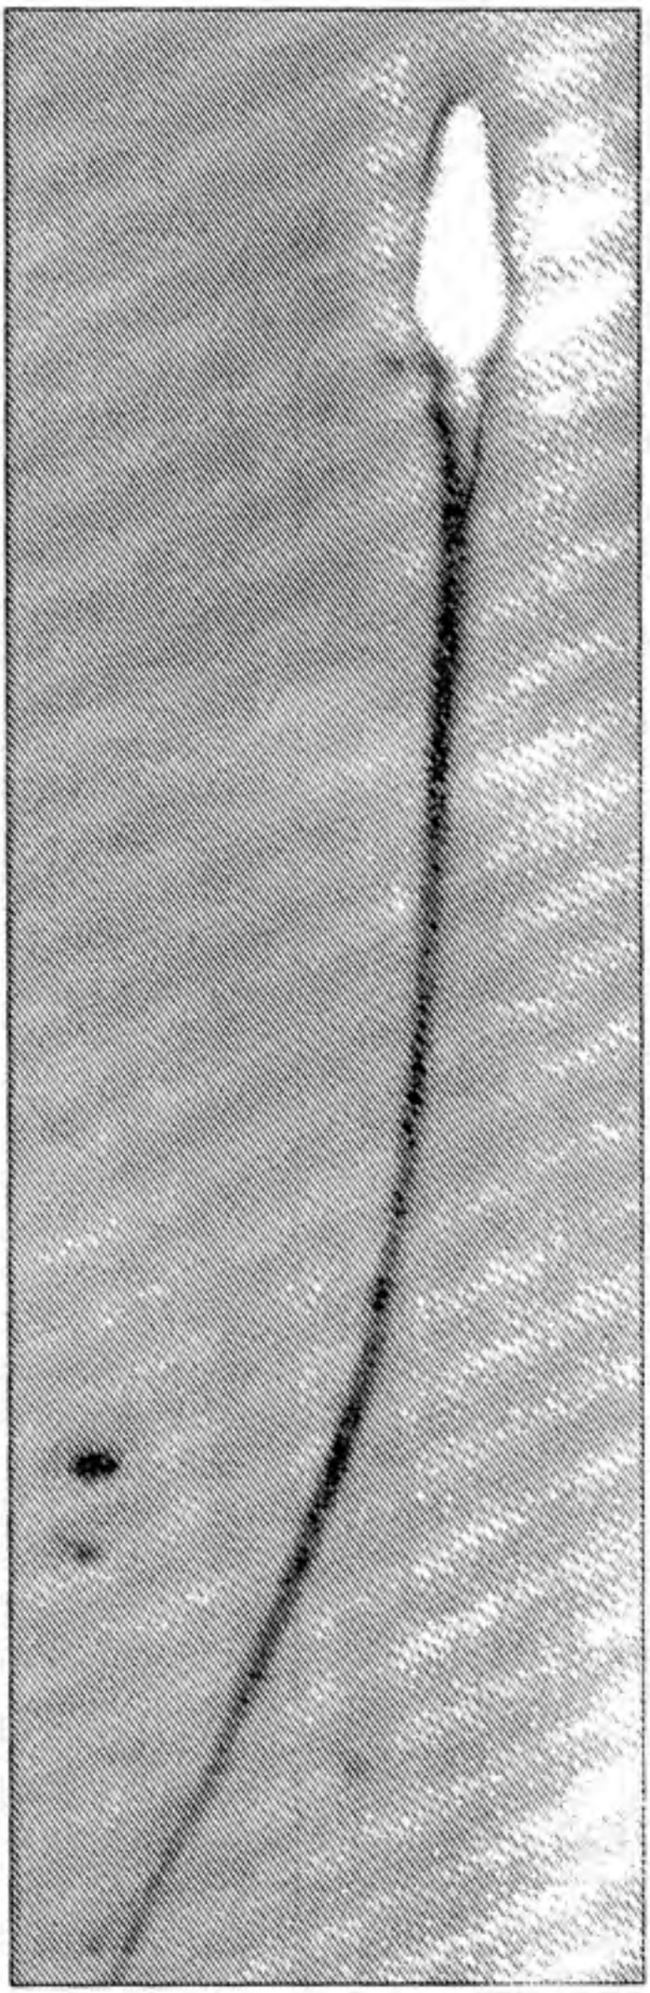

Diagram 94
The Male Sperm

highest point, of the right auricle of the heart.
334 The physical body, when one dies,
335 Recycles from the ground in which it is planted, and it becomes life again.
336 It penetrates into the atmosphere as films, or dust particles,
337 And they are breathed into the nostrils of Human Beings,
338 Where they are recycled by triggering nerves in the sinus cavity beneath the pyramid, "nose."
339 That works like a kidney, to sift out the unneeded particles,
340 And that related the chemical composure of that, which is needed into the mother's blood stream.
341 The human flesh is re-animated.
342 This is the process by which a child is given form or flesh in the mother's womb.

The Etheric Double

343 Then there is the etheric double.
344 During the process of birth,
345 The atoms of the new forming physical form,
346 Stick fast to the atoms of the etheric form.
347 The physical form,
348 Without the vital etheric form interpenetrating it,
349 It is only an empty shell that possesses no vital life.
350 The etheric form, after rising out of the physical form at death,
351 Is also only an empty shell and, it disintegrates.
352 It requires the two of them to express life.
353 The etheric body is an interlacing network of etheric wires, that are knitted concentratedly at all the seats along the spine.
354 The principal point of contact is the navel or umbilical seat of light.
355 From there it extends into the spleen, by the nerve ganglia.
356 From the umbilical seat of all human beings', desires arise,
357 For this is an emotional center.
358 A principal station of the subconscious mind in human beings.
359 Though it operates under the influence of the pituitary gland,
360 Or the seat of light, of the third eye at the tip of the nasal pyramid,
361 The brow seat of Horus or Heru, the sun. The eye is at the corner stone of your own pyramid.

Tablet Two
The Seed Of Kadmon
(19 x 1 = 19)

Lo! Kadmon, your seed's life will be governed more by emotions, than by will power,
2 Which means that they will think as much with their abdominal brain in the solar plexus,
3 As with the brain in their head.
4 At the present, desire is the motivating factor,
5 And the most powerful force in the human being's life.
6 There are two desires at the root of emotion.
7 Attract: human desire to possess or move towards something,
8 And retreat: human desire to escape something.
9 The spiritual aura extends beyond the outside of the physical form.
10 Since the emotions of Human

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 2:11

Beings presently rule their life,
11 Their spiritual form is entering the height of its development.
12 Their spiritual sense organs are starting to speed up,
13 Which means that they are beginning to function on the spiritual.
14 During the hours when their physical consciousness is asleep,
15 With their spiritual sight, their hearing and awareness awakens the dormant spiritual self. This can be preempted by sleep paralysis, to simulate experiences that did not actually happen.
16 This spiritual form contains counterparts of your physical and sense organs.
17 The spiritual form has eyes, nose and mouth,
18 But its organs are not used in the same way as they are on the physical plane.
19 You see through the eyes on the physical plane, and on the spiritual planes, the perception is different.

Tablet Three
The Spiritual Form
(19 x 1 = 19)

Lo! But on the spiritual plane one sees and perceives through the entire physical form, with the eyes, serving only as focal points.
2 Human beings on the spiritual plane far surpass the ranges on which the physical beings are capable.
3 The matter "energy" of which the spiritual form is composed, is constantly in rapid motion.
4 So the sense of seeing,
5 Hearing or tasting,

Tablet 3:19

6 Smelling and feeling are not stabilized through any particular nerve channel.
7 The spiritual form also contains a conscious,
8 Which is a counterpart of the physical brain, with this one difference.
9 The spiritual conscious is capable of remembering both your spiritual experiences,
10 And your physical experiences.
11 The mental forcefield embraces the upper part of the physical form,
12 Extending down to the root seat of light, at the base of the spine.
13 Its principle points of contact are the pineal-pituitary area,
14 The throat area,
15 The solar plexus.
16 The seat of consciousness is of the world of light and things focused in the brain, and it passes through The Medulla oblongata into the spinal column.
17 The spinal column is an elongation of the seat of consciousness. The seat of visions and senses in the spiritual world of pure blackness, the realm of the three imagination, and true overstanding and bliss, which existed before the light of knowledge and chaos. This peaceful darkness is the hippocampus area of the brain. The seat of God.
18 In that it is a carrier of a liquid ether substance,
19 Which travels upward to the seat of the highest point of brain used, darkness or downward to the seat of light in the root or base of the spine. Liquid ether is equivalent to E2 + E'8, which on the physical elementary chart is H_2O_8, that is, 2 hydrogens, and 1 oxygen, producing water. On the etheric chart it's two ether ones, plus one ether eight, to produce liquid ether.

Tablet Four
Ether
(19 x 1 = 19)

Lo! The ultra gaseous matter, "ether" in the physical form,
2 Is associated with the solids of the body.
3 Such as the structure of the body;
4 The life force, "ether" which is etheric form,
5 Is involved in the fluids of the body, called liquid ether.
6 Such as the blood stream,
7 And the excretions of the ovaries and testes.
8 The spirit is in the blood. The blood is liquid.
9 That spirit acts as a spark that ignites the life in the blood.
10 The life produces a light, which appears as an auratic shell.
11 It in-houses the soul which is the light messenger.
12 This messenger transports information to the conscious and sub-conscious being.
13 The sparks of life trigger the mind, that pulls itself from the mental reservoir of intellect,
14 Which is governed by the oversoul that is connected by an etheric cord.
15 All messages in light forms travel through the cords from the mental reservoir.
16 Etherians are the guardians of this reservoir of intellect called Akasha.
17 Each being receives light messages in their DNAs and RNAs from and through these beings, that are responsible for triggering each moment of thought and action in their existence.
18 So, a harmonious flow of energy and life in the form of light messages must travel to the being.
19 Rendering each being's inner self, etheric.

Tablet Five
The Laws Of Health
(19 x 8 =152)

Lo! The law of health will be based on this fact;
2 It is simple to overstand all.
3 And require only that a human should open their eyes to perceive the great elementary forces which support health.
4 They are these:
5 The blood requires motion,
6 The great central organ of the stomach requires exercise, and a suitable diet,
7 The nervous system requires a regular amount of rest.
8 When the physical and etheric are balanced in a cell,
9 And in all cells of the body,
10 We have harmony,
11 Which results in good health.
12 When the balance between physical, and etheric life force is upset,
13 And too little of the etheric life force is in the cell,
14 And the tissues, and the different parts of the body, which depend on a balance flow of the etheric life force,
15 It will become affected, and you will feel abnormal, in some way and that's when you become ill.
16 If the abnormal, or imbalance condition between the physical and etheric is allowed to continue for any length of time,

17 Or by any force of circumstances, it cannot be changed very quickly,
18 Not only is the vitality, or strength, of the entire human body taken away,
19 But the person feels weak and distressed.
20 Many of the cells, in various parts of the body,
21 Will begin to break down into their individual strength,
22 And will easily be attacked by the germs or destructive cells that we take into the body under normal conditions.
23 The result is then, that these imbalance cells throughout your bodies become diseased,
24 And the disease of different kinds will break out in some inner or outer part of the body,
25 Before you have an opportunity to know exactly what is wrong.

Two Classes Of Diseases

26 There are two outstanding classifications of diseases.
27 The first is that class based upon colds,
28 Where congestion of the blood, and congestion of nerve energy occurs,
29 Because the normal temperature of the blood has been lowered,
30 And it ceases to flow and act in the normal manner.
31 The other class of disease is fever and heat.
32 This is due to the fact that the harmony in the cells has been upset to such a degree, that the disease germs are attacking the cells,
33 And in the process of destroying and being attacked,
34 The blood increases in temperature and we feel as though we are burning up.
35 Between the two classes of colds and heat, there are hundreds of manifestations.
36 All-in-all it is the imbalance state which exists between the physical world and the etheric or spiritual body which produces illnesses.

Power Of Vitality or energy

37 Each blood cell must have a well balanced power of vitality.
38 As it goes through the arteries, and veins of the body,
39 This vitality results from a proper relationship between the etheric form, and the physical form.
40 When you breathe into your lungs oxygen,
41 This is physical;
42 On the other hand, there is something else that is in the air which gives you life and vitality.
43 ANU, A'LYUN A'LYUN EL, The Most High The Highest puts it there;
44 It is a spiritual life-force called "the divine breath".

The Divine Breath

45 As a red blood cell leaves the lungs and goes to the heart, and it is pumped around and through the system,
46 It throws off some of its oxygen and vitality, and it picks up a little more of the mental part that forms its outer wall, or shell.
47 In this way it strengthens itself, in the physical sense,
48 But it revitalizes itself as far as the life force is concerned, in that the life

force is relinquished.

49 It has distributed at the various capillaries in the physical form, and has given strength and vitality to the physical form in this way.

50 Eventually, the blood cell starts its journey through the veins to the heart again.

51 By the time it reaches the heart, it has a strong physical shell with, very little life force in the center of its body.

52 It is then a revitalized cell,

53 And the heart sends it up to the lungs once more to receive more of the life force in the center of its body.

54 Then it descends from the lungs into the heart, to be redirected through the body on its job of distributing vitals and life;

55 And each time the blood cell in a normal healthy body leaves the lungs, it goes to the heart to steer its great job of vitality.

56 It is a well balanced, harmonious cell containing the proper proportions of etheric life force.

57 But after it has gone its way giving up the life force to the various parts of the body,

58 And it's ready to come back to the lungs again,

59 It is an imbalance cell, because its life force has left and changed the balancement.

60 So it is important to make use of breathing exercises such as Hudu, or what the orientals call Tai Chi

61 To breath in: A, and to breathe out: Lah;

62 You need to come in contact with your spiritual self, your etheric form, remember this!

63 Now you know the composition of your form of Kadmon, son of Atum and Lillith. Atum = A Lillith - Lah. Allah, male yang, Allat, female ying.

The Seven Degrees Of Substance

64 The body you wear is composed of seven degrees of substance.

65 These 7 substances vary in vibration.

66 Three are the main substances of the physical form,

67 And 4 of them are the main substances of the spiritual form.

68 The spiritual form is the body of your life force,

69 Without it the physical form is without life.

70 The spiritual form is the pattern upon which the physical form is built.

71 It is the battery which recharges the physical form with life force.

72 The form possesses force centers for absorbing, and digesting spiritual forces just as the physical form possesses organs to absorb and digest food.

73 These vital force centers, you know them as the seats of light and darkness.

74 The spiritual form is at all times taking tremendous psychic and spiritual forces through its various seats of light from darkness,

75 And it sends them through the glands of the physical body as well as by the blood stream.

76 The spiritual form penetrates every cell of the physical form.

77 It must at all times be able to properly discharge its duties of operation,

78 That is of properly absorbing and distributing the life force of the unlit universe through its own centers.

79 It must at all times be properly attuned to the dense physical form in order for perfect health to manifest in this lit up world.

The Force Centers

80 The force centers of the spiritual form lay upon, and thoroughly penetrate the glands of the physical form and draw in the solar energy, and life force of the atmosphere,

81 And put them into the physical form by their counterparts, which are the physical glands.

82 These force centers or seats of light, are the sockets into which the glands are plugged, in order for the life force to flow into the physical form, from the unlit world to the lit world.

83 When your body becomes ill, what has happened is the physical and the spiritual forms have somehow become disconnected.

84 The physical is cut off from its source of life force.

85 Some connecting wires between the two forms have been either severed or damaged, and your inner light dulls.

86 Your body begins filling with darkness.

87 The cells starve for the life force, vitality, energy and slowly die if the connection is not repaired.

The Process Of Healing

88 How do the Anunnagi or the angels of the green light fit into the process of healing?

89 How are the healings manifested?

90 What power is at work to help you regain your physical perfection?

91 Sometimes instantly, sometimes over shadow hour, sometimes requiring longer.

92 The great healing force which operates under the direction of the sub-conscious mind is available to everyone.

93 It is a life force which, if properly directed, you could keep perfect every physical form,

94 Which could heal everything.

95 It is the green light directed by **MURDUK**, peace and blessings of **ANU** be upon you, ruler of Malakuwt.

96 The secret is to overstand how to direct his life force to release tension within.

97 This is to stimulate its vibration to bring all the cells of your physical form into harmony, one with the other.

98 Murduk, peace and blessings of **ANU**, be upon him, releases this same healing force within El Qutb, the center of the suns of the Green Light.

99 Through the mind power and focuses with a full intensity,

100 Upon the inner world, and upon the acceleration and direction of the inner forces.

101 Also you should employ the use of **Tafulat** and meditation,

102 And the Visualization of the presence of the green light,

103 And affirmation of the power of its presence,

104 And stimulating it through focalizing the thought force. This is the tremendous life energy within and surrounding the physical form.

105 Through this focalized mind power, the green light forces act like a magnet stimulated within,

106 It begins immediately to attract

Tablet 5:106

From The Swirling Sea Of Ethers Around Us,

107 The sweeping current of green light which is awaiting to be drawn into any reservoir of life force. From the realm of darkness, the mental to the spiritual, to the plane of force, the seat of the green energy.

108 Thus when it is stimulated, the physical form becomes an electromagnetic force field surging with increased power, and it draws more and more potent currents into itself from the surrounding ethers.

109 Every molecule, every atom which builds up the cells of the physical body,

110 Is built around a minute center of light, which is the spiritual force. Moving onto the plane of force, the life seat.

111 It is this infinite small light-dot, that is divine in aspect, the life of light from ANU, A'LYUN A'LYUN EL The Most High, The Highest,

112 Which is the secret power that holds together the atom and the molecule, that manifests from the plane of force to the physical plane.

113 It is the center of the molecular solar system.

114 The atom is nothing more than a tiny solar system charged with electric and magnetic power.

115 If the atmosphere around you is completely charged with positive vitality, and the currents of life force is of joy and happiness, it is from the Anunnagi Sarufaat.

116 Kadmon, son of the Atum, our physical form automatically will take enough of it to supply a perpetual flow so that he would never experience illness.

Tablet 5:132

Negative Mental Wave Lengths

117 However, human beings will consistently surround themselves with an aura of negative mental wave lengths,

118 A force-field of hates,

119 Prejudices,

120 And fears,

121 Doubt about The All;

122 This is from the Anunnagi Garubaat.

123 Anxieties about their future, and a complete lack of security and stability,

124 Low moral concepts, corrupted by spiritual values from Sama'El, who is known as the one who was removed from the skies, The Red Light.

125 He is a force field vacant of faith, love, and divine assurance.

126 These negative mental forces completely overpower the life force within the etheric spiritual form from Miyka'El, son of Enqi and Damkina, The Green Light.

127 Indeed the wonder is that the physical form of human beings can survive at all,

128 Embattled on every hand as it is by unpredictable mental forces that will not keep from changing long enough, to recharge and revitalize the cells of which it is composed.

129 The first step necessary to restore perfection on the body is to instill complete faith in ANU, El Eloh Most Glorified And Exalted,

130 And there, does exist a vast reservoir of spiritual and life forces awaiting.

131 It's only the human being's mental acceptance of them from the abode Malakuwt.

132 The home of the angelic beings,

Anunnagi sons and daughters of ANU, A'LYUN A'LYUN EL.

133 The first act, the act of having faith, is within itself a gigantic step forward, toward breaking the negative mental force field. We need not have faith if we know.

134 The Anunnagi Garubaat and Lucifer, Sama'El, also called Shaytaan and Satan the dragon or beast,

135 Have so crystallized around Human Being's physical form that it is indeed difficult to destroy the power he, the evil one exerts.

136 This mental force has built a wall,

137 An invisible, but almost impenetrable wall,

138 Which prevents the inflow of the positive spiritual energies that are there.

139 When each child of your seed will be born into the earthly plane,

140 We will shield him from all evil at 30 steps like from the tree,

141 Only you let Sama'El and his 200 sons or Tarnush his father,

142 And the 1/3rd of disagreeable Anunnagi that were cast out of the skies at the very breaking forth of day, into the realm of your children.

143 Now I, Miyka'El, have shown you the secrets of life and breath.

144 If you will, you will become as one of us, Anunnagi again.

145 However, if not, you wilt go down into the Earth.

146 The gate will always be opened, the vortex which is the pathway, to you if you can climb the path to the pure green light,

147 Which will lead you home.

148 The crystal city awaits only the 144,000.

149 Each of you shall be called when your DNA explode in awareness, and at that exact moment is when you are truly not alone.

150 Your etherian parents have sent forth the Anunnagi to enlighten the chosen amongst you.

151 Once your mind's eye is open, and you can truly see with your inner being, then you will be prepared.

152 And the ladder will be let down for you to climb each step to your place in the crystal city.

Tablet Six
The Reproductive Process
(19 x 6 = 114)

Lo! Sexual Reproduction is the union of 2 cells to form one or more.

2 This one formed cell, then grows into a new living being or beings.

3 The organs of the reproductive system may be divided into 2 groups:

4 The gonad, which means the male and female sex organs;

5 The testes and ovaries, in which they produce egg cells or oocytes, a cell from which an egg, or ovum develops by meiosis; a female gametocyte, in which that produces germ cells called spermatozoa,

6 And hormones called testosterone, estrogen, and progesterone.

7 And two, a series of ducts for the transportation of germ cells.

8 In the male, the penis is prepared to transfer germ cells into the body of the female.

9 In the female, the uterus is changed or arranged to support the growth and development of the new living being.

10 The spermatozoa, plus the secretions of the seminal vesicles, of the prostrate

gland and of the bulbo-urethral glands, make up the semen, which is ejaculated into a woman.

11 This thick, grayish-white fluid has an average pH of about 6.5.

12 Semen or white blood is ejected by means of contraction of the smooth muscle of the prostrate gland.

13 And the contraction of a certain muscle in the urethra.

14 In the average male, each cubic centimeter of semen contains 777,777,777 sperm cells.

15 However, only one spermatozoa can fertilize an oocyte or an egg, and all that is left, the remainders will disintegrate.

16 The fertilized egg reaches the uterine cavity in about 27 hours after fertilization.

17 The frontal sinus is the cavity located between the eye.

18 This is the sinus which accumulates mucous between the eyes.

19 Women who are pregnant have a lot of sinus problems, and especially during the first few months of pregnancy,

20 And this is because she has a lot of mucus built up in her sinus cavities,

21 Which are responsible for sifting the particles so that they may be regenerated as flesh.

22 This process takes place in what is called the sinus erectus,

23 Which is a cavity located outside the cerebellum region of the brain.

24 Each follicle of hair has its own nerves, which are connected to the brain.

25 These nasal hairs filter particles that are breathed in;

26 Each particle is energy.

27 The fertilized egg is nourished during its passage from the fallopian tubes to the uterine cavity,

28 By the secretions from the mucous membrane lining the tube.

29 The uterus is a hollow thick walled, muscular organ.

30 Its cavity communicates with those of the fallopian tubes above, and with the vagina below.

31 The upper portion of the uterus is called the body,

32 And the lower constricted portion is called the cervix.

33 The portion of the body above the entrance of the uterine tubes is referred to as the fundus:

34 Which simply means, the upper part of a hollow organ, from the embryo stage of a fetus. The mucous helps to shape the body.

35 As the baby takes form a gland called the aortic gland, which lie one on either side of the aorta in the region of the inferior mesenteric artery, develops.

36 The aortic gland measures about one centimeter in length;

37 By the 6th month of development, the aortic gland is at full development.

38 It helps the baby continue to develop its physical composition.

39 The baby can will its own death, and cause the gland not to continue to develop.

40 This gland will cease to function thereby causing what you call "still birth".

41 The size of the aortic gland will decrease in size with age, and after puberty,

42 Which ranges in different ages depending on the hormonal changes.

43 It can only be seen under a microscope.

44 The aortic gland will reappear

46 Which is the temporary rigidity of muscles occurring after death.

The Kidney And The Liver

47 The kidney and liver work together to cleanse the body of its liquid impurities.
48 The liver filters poisons from the blood, and it is the largest gland in the body,
49 It lies across the width of the abdomen at the lower margin of the ribs on your right side.
50 The liver has many functions which are important in the body,
51 Including the production of bile, a bitter, yellowish liquid necessary for the complete digestion of fats.
52 Bile is about 98% percent water.
53 Among the solid substances dissolved in the water are bile pigments,
54 Which give the bile a golden, brown color. Also in the bile are bile salts,
55 Which emulsify the fats in the small intestine.
56 This is a necessary step before the fats can be broken down into fatty acids and glycerol.
57 About a pint to two quarts of bile is secreted daily by the liver.
58 The kidney filters poisons from all the other liquids in the body.
59 The two kidneys, each resembling a five-inch long kidney bean,
60 Are located on either side of the vertebral column, just under the ribs.
61 Two large arteries, the arteries pertaining to the renal organ, liver,
62 Deliver about one quarter of the blood discharged from the heart into the kidneys.
63 An enormous quantity of blood, about 1800, or 1900 quarts, passes through the kidneys every day.
64 The kidneys filter waste substances-excess water,
65 Urea, mineral salts, and other products from the blood.
66 They return the blood to the heart through 2 renal veins.
67 The only substances that do not pass through the kidneys are those that are too large;
68 Red and white blood cells platelets, droplets of fat, and very large protein substances.
69 These substances return to the main blood circulation.
70 In each kidney the waste substances collect and are expelled in fluid form through a ureter.
71 Everyday the body produces about, two quarts of urine.

The Life Span Of A Human Being

72 The life span of human beings can vary from the death in the womb to no more than 120 years.
73 The supreme being or soul of the human being would live to the equivalent of 1000 Earth years.
74 For every one day for the Anunnagi of the 2100 years,
75 That would mean that there are 365 days in an Earth year based on the movement of your planet around your sun;
76 Each year of that would be 365,000 days at 1000 years per one of those.
78 Three hundred and 65 days of your 365 day year.

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 6:79 — Tablet 6:105

79 So then you multiply 365,000 x 120 years and the answer is, 43,800,000 years that each human being's soul lives.

80 The actual manifestations of the opening of the 7th seal was the sighting of the 6-pointed star.

81 It was there, that those Anunnagi listened to his diabolical plans to overthrow Miyka'El.

82 He seduced them with his disagreeable suggestions.

83 Some of the Jinns repented and ANU, A'LYUN A'LYUN EL, The Most High, forgave them.

84 They became protectors of the gate of Gan the enclosed garden of delight and the ark of the tabernacle,

85 They are the 4 beasts of hideous forms, from Si'laat,

86 They protect the 23 elders.

87 One has the face of the disagreeable in the form of a male living being;

88 The next has the face of a lion with the nature of the disagreeable;

89 The next has the face of a bull with the aggressive nature;

90 And the next has the face of an eagle, having a treacherous nature.

91 After the defeat of Shakhar and his army, the Anunnagi divided according to the nature of their creation:

92 There were the Anunnagi Garubaat who fought against Miyka'El, son of Enqi and Damkina. They were created of poisonous smokeless fire, the amber light.

93 Then there were the Anunnagi Sarufaat who remained loyal to Miyka'El.

94 They all came together from all the points in Illyuwn.

95 All the planets of the father constellation before the birth of the planet Earth,

96 And were created from the pure illuminating violet light that shrouded their beloved angelic ruler, Miyka'El.

97 When his state for his green essence is of the physical state the life force of vegetation,

98 These ANUNNAGI began to live separately according to their nature,

99 And on that great day when Ninurta put Zuen to death, and all of the Anunnagi, the good Sarufaat rejoiced at the return of the Akasha Records, The Tablets of Destiny,

100 To the hands of the great Enlil, on that self same day did the son of Tarnush, who is called Zuen, vow vengeance on the creation of the Anunnagi called Adama.

101 He, Haylal, son of Shakhar, known also as Sama'El and Nakhash, who is Ibliys gathered his 200 and cried, revenge must be!

102 And in time when the Anunnagi had placed these chosen beings in the enclosed garden of delight, Nakhash set out for his revenge to undermine Kalka'El and to turn him into a liar in the eyes of his creation.

103 By whispering evil suggestions into the heart of the female part of Kadmon did Nakhash accomplish his plan, and caused this great plan to foil. For man did begin to doubt the Anunnagi,

104 And refuse to give the third part of himself into their trust. Thus man fell from the grace of the Anunnagi, and into the clutches of Nakhash who is Ibliys.

105 This Nakhash vowed to alter all the deeds that appear disagreeable and make them appear agreeable, to the seed of this third son.

Tablet 6:106

106 Kadmon, who was once in the image and after the likeness of the Anunnagi,

107 Being both agreeable from his father Atum, and disagreeable from his mother Lillith.

108 Thus it is said, "now Kadmon has become like one of us,

109 To know his agreeable side and his disagreeable side, when at first, like a lion raised with sheep,

110 He knew only one side", thus he too had to be maimed; and this momentum had led to the removal of the Barathary Gland which produces the hormone serine,

111 A green substance that filters the chlorine through the body and activates the melanin,

112 Stimulating the nerve fibers in the hippocampus area of the brain, that opens the higher senses.

113 With this removed, he became maimed, and no longer a deity, a mere mortal.

114 His son, Seth's son, became a mortal called Enos, and he cut off from the courts of the Anunnagi from their presence, from their guidance, and from their voices wass assigned but one, Tammuz who is called Yahweh.

Tablet Seven
The Forces Of Will
(19 x 1 = 19)

Lo! It is these 2 forces of agreeable and disagreeable that have a direct influence on the "Will" of human beings, yet they are but one force. ANU, A'LYUN A'LYUN EL, The Most High created the agreeable Anunnagi from the light, and the Jinn or the Anunnagi of the

Tablet 7:13

lesser light from the fire.

2 Thus, it is related that in order for ANU, A'LYUN A'LYUN EL, The Most High, to create anything spiritual or physical, there had to be a state to contain something. This condition was the state of nothingness.

3 So splendid and fine was the state of ANU, A'LYUN A'LYUN EL, The Most High's existence, that it was not even included in creation.

4 So ANU, A'LYUN A'LYUN EL, The Most High created a state of nothingness in which to place the 99 elements that make up the "something" known. The sum of things, 'weight'.

5 Then he created something. That something was in a state of darkness; a state of supreme balancement. One of the first things which ANU, A'LYUN A'LYUN EL, The Most High The Highest created inside the darkness, was light in the darkness.

6 This light fathered objects, and objects create subjects, creating subjection. When the light manifested in the darkness,

7 It became the name of ANU, being he fathered light. In time light gained a purpose,

8 That was in opposition to the very darkness in which it was created.

9 In due time, that light wanted to rule the darkness too. In fact it emerged itself in the darkness until there was no darkness.

10 Yet, light must reflect; reflection has a point in time and space,

11 Thus the brightest of lights is merely a beam in supreme balancement,

12 Thus light can never remove the darkness,

13 But merely wear its garment and

dream of its authority. Thus, you have the spark of life, the living.

14 One of the first things which ANU, The Source created was the quill.

15 And of the first things which ANU, who is, who is who he is, created, was the intellect,

16 And he commanded as he pleased.

17 He said:

18 'By you I grant and by you I forbid,

19 By you I establish, and you I appoint'.

Tablet Eight
The Enosite (Mortal Man)
(19X3=57)

Lo! All of you children of Nuwaubu, who have embarked upon the name Nuwaubian,

2 I, your Master Teacher, who, you know as **Nayya Malachi Zodoq York-El**, have been sent to you to break the spell.

3 I am about to Impart upon your mind, the mechanics of what you call the master organ, or simply "the brain," which works with the mind.

4 Know that your mind was a special gift given to you by your ancestors,

5 Whom I call your descendants,

6 For they came down to you from above.

7 They are called Anunnagi, who are the Aluhum,

8 And Al Malaa'ikat, The Angelic Beings,

9 The Ruler of which is Al Maluk Ul Maluk,

10 Who is ANU, called El Eloh, or ANU, Allah and Yahuwa, or Theos, or God to many.

11 All within the EL KULUWM, THE ALL.

12 Within the confines of these pages, you shall embark upon the knowledge of The Mind,

13 In which is working with the brain and the nervous system.

14 Three out of your whole body and being.

15 The brain is one of the most intricate of organs within itself,

16 And it was created by El Eloh, The Most High.

17 This knowledge which I am giving to you, has never before been taught to you by any.

18 Remember, my dear Nuwaubian, with Right Knowledge, you can receive Right Wisdom, and a Right Overstanding over all.

19 This is the science of your way of life, Nuwaubu,

20 Which is the Millah of the Anunnagi, the Aluhum.

21 Let me begin by giving you the nature of the Humim,

22 Who is the mortal man, the human being, known as the Enosites,

23 The children of Enos, the son of Seth, who is called in tones Sheth, and in rhythm Shiyth, and his wife Aqlimiyah.

24 Oh ye children of Enos, know that ye all have fell from being to supreme being,

25 To human being, to human,

26 To man, to mortal,

27 To mammal, don't fall any further, my children.

28 Study this small scroll.

29 When the enosites searches for happiness, they invariably turn to external objects, and events for satisfaction.

30 They merely think, "if I can just

Tablet 8:30

have that car",
31 Or "if I were just able to get that job,"
32 Or "if I only lived here or there, then I would be happy."
33 They have no perception of the fact, that the mind may be still, and at peace for a short time on attaining the desired object,
34 But eventually, the mind becomes tired of its newly made toy, and seeks treasure elsewhere still in search of happiness.
35 However, know this my child; each time the external objects fail to bring happiness,
36 The Enosite may acquire new material possessions,
37 A position with more responsibility, money and a new dream home,
38 Being locked in person, place, and things.
39 However, my child, there always remains the same mind!
40 However your mind is an elusive animal to tame.
41 Many a theories exist as to how it works, yet the human process seems to remain intangible.
42 Why does one so often find him or herself caught in the same frustration, and the same problems?
43 It is said that this is a free society, but in truth, it is each Enosite's own desires, and emotions that blind the Enosite.
44 Consider this enosite; a person who smokes cigarettes daily, claiming they are determined to stop "tomorrow,"
45 How many years has the enosite been caught in this parade?
46 The Enosite truly wants to be free of the habit,

Tablet 8:68

47 But he/she lacks the necessary control of his or her own mind.
48 In a sense, the mind is like a record or laser disc.
49 It contains grooves, or impressions.
50 These impressions are formed when certain thought waves become habitual.
51 The benevolent example would be, "if an Enosite passes a bakery and sees a chocolate cake in the window,
52 "How delicious, the Enosite says; I will buy that cake."
53 If he or she ignores that thought wave and turns his or her mind to something else, then no pattern is formed.
54 However if he or she identifies with the thought,
55 The Enosite gives life to it.
56 The Enosites buys the cake, looking forward to enjoying it as dessert for that evening.
57 Now, suppose the enosite finds he or she must pass that same bakery every Wednesday and Friday.
58 Each time the enosite goes by, he or she recalls that wonderful cake again,
59 And he/she purchases another.
60 Now ponder this: what was originally just a flash in the mind has become a force in his or her life.
61 Grooves in the mind are not necessarily negative.
62 There can be grooves in the mind which are uplifting,
63 And then there are those which brings one down.
64 There must be a striving to develop love,
65 Compassion,
66 A sense of service,
67 Cheerfulness,
68 Kindness,

EL HAAYUH RAWUH

Tablet 8:69

69 And many other qualities,
70 Which not only make one's own life happy,
71 But which radiates to others.
72 Everyone wants to be his or her best.
73 Each person would like to think that he or she is perfect.
74 Yet, despite these repeated resolutions, every person finds out so many times that he/she is less than what he or she would like to be.
75 The cause of this predicament is the "ego," or the ankee (אנכי), which is in Aramic Hebrew, or Al That (الذت) in Syriac Arabic, and ego (εγω) in Greek. And as we say in Nuwaubic **Thawut** (𐤈𐤋𐤅𐤕 𐤁).
76 The ego; my child is the cause of all bondage, and it is the chief barrier to the experience of reality.

Tablet Nine
The Ego
(19X1=19)

Lo! Nuwaubians, one of the schools, which I, your Master Teacher, known as the Reformer, Al Mujaddid, Al Mukhlus, Yaanuwn, Rabboni, Al Imaam, and Melchizedek. I have many names for the many cloaks I wear. I must take you through, is the school of the ego.
2 Know ye that, this is one of the hardest attribute to destroy.
3 This is the attribute that is carried out mostly by the evil reptilian one, Sama'el, also known as Zuen, or The Devil,
4 He who is the son of Shakhar and Mylitta.
5 Reject him and his attributes,

THE LIVING SOUL

Tablet 10:3

6 And let him, or his followers not into your hearts, for he and they would only lead you through the doors of misery.
7 However, through the teachings of the Ancient Mystic Order Of Melchizedek, also known as A.M.O.M, you can learn how to burn out the ego.
8 Through the journey of this Holy Tablet, I will impart upon your minds the works of the ego.
9 The ego, is the self-arrogating aspect of the mind.
10 The ego is the greatest obstacle to obtaining peace,
11 For it is that which occupies the mind with whether we are better or worse,
12 Possess more or less, and have greater or lesser power than others.
13 The ego is attended by desire,
14 Pride, anger, delusion, greed, jealousy,
15 Lust, hatred, racism,
16 And leadership.
17 The ego is the most difficult aspect of the mind to control,
18 For its nature is such that it deludes even while one is striving to overcome it.
19 When the ego is subdued, energies can then be utilized constructively for personal growth and the service of others.

Tablet Ten
"The Power Of Thought"
(19X3=57)

Lo! All of ye, Enosites projects some kind of vibration to those around thee.
2 Some are a pleasure to be with.
3 They seem to have a certain energy that they share with others.

4 Then there are those who are absorbed, by the negative and the depressed,

5 And they seem to actually draw energy out of people in their environment.

6 The reason for this my child; is because; there is a power contained in thought.

7 Know ye that it is very subtle,

8 Yet, it does exist and it is extremely "powerful."

9 Whether a person is aware of it or not, the enosite is constantly transmitting and receiving thoughts,

10 This my child, is why people have experiences of what you call ESP, or (extra sensory perception) from time to time.

11 Some wish to call these experiences coincidence, but they are not.!

12 Every thought has weight, shape, size, form, color, quality, and power.

13 For example, a spiritual thought has a blue color, when you combine yellow and blue you get green, the green light.

14 While yet, a thought charged with anger and hatred bears the color red.

15 A thought is like an object.

16 Just as an apple can be given to your friend, or taken back,

17 So also it is possible to give a useful powerful thought to someone, and take it back.

18 There is a power, an energy, into which each person can tap if the enosite only knows it is available to them.

19 This force inspires, encourages, reinforces,

20 And gives strength to all those who seek to grow in a positive direction.

21 Many a enosites however, are unaware of this resource,

22 Or they have misconceptions about it.

23 They are like the farmer who moved to a house in the city,

24 And they live in darkness because he or she did not know what those strange sockets in the walls were.

25 The light is there and available to all: John 1:5 states:

The light shineth in the darkness, but the darkness comprehended it not"

26 We need only to connect ourselves with the current and become a child of light.

27 That literally means that "the light force shine in the darkness and the darkness has never been able to put it out, or comprehend it".And again in El's Holy Garun, the 57th chapter, the 28 verse, originally (94:28) in part it says:

He will provide for you a light by which ye shall walk (straight in your path)...

And also in Daniels the 1st degree, the 22nd verse, which was given to our Prophet Daniel the son of Jarah and Gebbar, where it says:

He reveals deep and secret things' he know what is in the darkness, and light dwells with him.

"The Law Of Fate (Gadur)"

28 The law of fate, my child there is a law in physics that states,

29 "For every action there is an equal opposite reaction."

30 To express it popularly, it is said that what goes around, comes around."

31 Yashua Ha Mashiakh whom ye Christians call Jesus, and ye Muhammadan call Isa, who is known spiritually as Sananda taught,

32 These are all expressions of the law of fate, of cause and effect.
33 Whatever thought or deed comes from a person will be returned to the enosite.
34 It may not come in the same form,
35 But sooner or later each person will confront the result of his or her own actions.
36 These reactions are not always experienced immediately.
37 Sometimes Enosite,
38 Reactions are not easily learned,
39 And negative patterns may be concentrated for many years.
40 A single lifetime my child,
41 May not be sufficient for one to obtain perfection.
42 Some people create a hell for themselves.
43 This is why some people may have it hard; and others have it easy.
44 One healthy and another is crippled.
45 One is cheerful and another is depressed.
46 One extroverted, and the other is introverted. One successful and the other unsuccessful.
47 It is neither cruel fate, nor a distant and unconcerned fate,
48 That set the stage for these situations,
49 But one's own fate, you.
50 As revealed to our servant Ahmad,
51 Who is called in tones Akhmad, And in rhythm Muhammad,
52 Who is the son of Abdullat and Amina,
53 It is he who received El's Qur'aan from the Anunnagi Aluhum Nusqu,
54 And he who bears the title Gabri'el,
55 The son of Rasi'el and Zamma'el,
56 Where it states in the original order the 92nd chapter, the 79th verse in part:
57 An Enosite's life is his or her own responsibility.

Tablet Eleven
"Health & Relaxation"
(19X3=38)

Lo! Oh my children,
2 What I must impart upon your minds is the importance of a healthy, mind, body and soul, and a proper relaxation. Remember my child, the very words healthy, and health begins with the word heal. To heal one's self is step one. To heal one's mind will heal one's whole body. And relaxation is simply to learn to relax.
3 What ye must always remember is:
4 By taking proper care of your physical body, you are protecting your inner spirit,
5 And by poisining your physical body, be it through drugs, alchohol,
6 Cigarettes, junk food,
7 Sugars, or salts, and I can go on,
8 You are doing serious harm to your spirit, and it becomes weaker and weaker.
9 Through the teachings of the Ancient And Mystic Order Of Melchisedek, A.M.O.M,
10 You will be taught on how to nourish your body, as well as your soul.
11 Know ye that, proper exercise, proper breathing,
12 Proper relaxation, proper diet, an intake of much water, and positive thinking are the requisite attendant that lead to a healthy, dynamic, and effective existence.
13 Proper relaxation is needed to maintain mental, spiritual, and physical

health.
14 Many of ye think that relaxation involves leaving home for some exotic place,
15 Where the mind and body are ceaselessly pumped with stimulants and depressants;
16 And a full range of other damaging delights.
17 True relaxation comes from removing the stimuli visual edible and otherwise;
18 And tuning into the inner awareness.
19 Like any piece of sturdy machinery, enosite's physical and mental bodies can take quite a bit of abuse before giving any signs of protest.
20 Unfortunately, in western thinking it has become a practice to ignore the basic rules of health,
21 And the concept to think that a pill here or there will relieve symptoms;
22 Will actually bring about well-being, and quite the opposite is true.
23 Pain in the body is a warning,
24 Like a red light on the instrument panel of a car.
25 Taking this or that compound of chemicals to remove the symptoms is the same as taking a hammer and breaking the red light.
26 It does nothing to solve the problem,
27 And in fact may make it worse,
28 While only giving the appearance of helping.
29 Many chemicals ingested are not useful to the body, and cannot be eliminated,
30 And are therefore merely stored.
31 The medicines accumulate, along with the food additives that are eaten in such abundance,
32 On the average of 25 pounds per person, per year.
33 They combine with each other to literally poison the system.
34 The effects may not be felt for many years.
35 This does not mean, that there is no need for modern medicine, yet the herb of your own choice is much better.
36 But often doctors are considered to have some form of absolute knowledge.
37 Too often, frequent visits to the local GP (general practitioners) specialist, or psychologist are substituted for living a healthy life.
38 Most of the diseases of the mind and body, can be eliminated by following the five basic points.

Tablet Twelve
"Diet"
(19X5=95)

Lo! Thou should ponder on taking proper diet for thy self,
2 Which ye can also learn through the teachings of the Ancient Mystic Order Of Melchizedek,
3 Improper diet is another hindrance to spiritual progress.
4 All foods have distinct energies.
5 Just as the physical body is formed from the gross physical portions of the foods that are eaten.
6 So the mind is formed from the more subtle portions.
7 If the food is impure, the mind also becomes impure.
8 Cigarettes, liquor, narcotics, and fast foods
9 And too much meat are the most detrimental, in fact meat at all.

10 Meals should be simple, light,
11 And nutritious.
12 Seafood, my child is healthy, however not in excess.
13 Most people eat far more than is necessary,
14 Merely out of habit or for a sense of gratification.
15 An immoderate diet is the cause of the great majority of diseases,
16 Which are encountered in modern society.
17 The mind is always looking for an excuse to avoid discipline.
18 Ye must always listen to the inner voice of the self.
19 There is two sides to you.
20 One hundred and eighty degrees of agreeable and 180 degrees of disagreeable.
21 One percent is all that is needed to shift your emotion.
22 One hundred and eighty one to the left start the path of disagreeable action, or very agreeable.
23 You are in control.
24 Listen to the voice of agreeable things.
25 Rather than to the complaints of the disagreeable mind.
26 What goes into the human body correlates directly to the efficiency with which the brain function.
27 Recent studies show that certain red food coloring creates hyperactivity in children,
28 And that refined sugar can cause emotional instability, and this is what most start their children on.
29 These are just two examples of the substance that are heedlessly consumed;
30 Without overstanding the effect on the body and mind.
31 Each of which have two parts.
32 The body is 1. voluntary, 2. involuntary,
33 That which you control and that which takes control of itself.
34 The mind: 1 good and 2 evil, which also try to take control.
35 Many intakes are bad, although not categorized as harmful foods,
36 These substances should be strictly avoided:
37 Marijuana
38 Cigarettes
39 Alcohol, drugs
40 There is a growing awareness that our health is directly affected by what we eat.
41 Almost any disease can be cured by either a change in diet, or a short period of fasting,
42 And with no medication at all.
43 This is not only true of physical disorders,
44 But of many mental difficulties as well.
45 It is particularly important that pregnant mothers have this awareness,
46 For too often they do not realize the effect of their diet on the developing fetus.
47 Contrary to the popular concept, it is not vegetarians who do not get enough protein,
48 But rather heavy meat-eaters who take in an excess of protein.
49 "Animal protein contains a high concentration of uric acid,
50 Which is a nitrogen compound similar to ammonia.
51 It is not water soluble and it cannot be broken down by the liver.
52 Thus, though a certain amount is eliminated,

53 The greater portion of uric acid is deposited in the joints.
54 The results of this is referred to as arthritis.
55 Hardening of the arteries and heart disease are two of the most common maladies in the western world,
56 Where the greatest amount of meat is consumed.
57 The culprit, my child; is "cholesterol" which also cannot be eliminated from the body.
58 This forms fatty deposits along the walls of the heart and arteries,
59 And this gradually thickening until they are clogged, and inflexible.
60 The major source of cholesterol comes from the hundreds of pounds of animal tissue and it's fats that each person consumes each year.
61 Heart disease, hardening of the arteries, and arthritis are common infirmities,
62 However the one that strikes the most fear in the hearts of westerners is cancer.
63 Many substances have been found to create cancer in animals,
64 However, results always seems to indicate that the amount consumed by the average person is insufficient to create cancer.
65 What is not revealed is that the accumulation of these poisons over a period of years does create cancer.
66 These substances have innumerable chemicals that are injected into animals.
67 These increase weight to yield more dollars per animal.
68 Nitrites, food coloring, artificial hormones,
69 And even arsenic are amongst the chemicals contained in animal flesh by the time it goes on the supermarket shelf,
70 These plus the many other additives consumed by members of an industrialized society,
71 Collect in the body and they are stored in the tissues.
72 Cancer occurs when the cells react to these excessive toxins in a sense,
73 Mutating into cells, which reproduce uncontrollably.
74 So much for the horrors of the meat industry.
75 There are several other interesting physical and spiritual reasons for not eating meat.
76 One is that it takes four times as much grain to feed animals,
77 Than for an enosite to consume it directly.
78 This raises a moral question in regard to sharing our resources with poorer people.
79 Plants are the original source of energy for all living things,
80 As they store the energy of shamash, the sun through photosynthesis.
81 A person who does not eat a lot of meat not only taxes nourishment from the original source,
82 But their diet is more economical with regards to cost and it's the best utilization of available land.
83 Sea food is very good for you, but that too can be taken in excess.
84 Another more interesting fact is that an Enosites' digestive system is not one of a carnivore.
85 His or her teeth are designed through mutation, for biting and mashing original vegetables.
86 But after so much mixing now many, Nuwaubians have canine teeth

for tearing flesh,
87 Which is why an Enosite ages, tenderizes, and cooks his or her meat to make it more eatable.
88 Diet also alters the person's very appearance, from hu-man to animal, as well as his/her nature.
89 Meat eaters are much more violent.
90 The human liver is proportionally smaller than that of a meat-eating animal,
91 And it is not built to handle the filtering of animal poisons.
92 Also the alimentary canal, which is short in carnivorous animals speeds poisons through the body quickly,
93 It is quite long in an enosite, as it is in any vegetarian animal.
94 Note the untruth that you need meat, or that you will lose weight if you don't eat meat.
95 Herbivores are much larger than carnivorous animal.

Tablet Thirteen
"Concentration"
(19X3=57)

Lo! Concentration my child is the act or process of concentrating.
2 To concentrate is to focus, center, or to bring or direct one's mind toward a common center or objective.
3 Concentration is a very important principle,
4 One that you should practice and try to master,
5 For contrary to the belief, that the art of concentration is simple,
6 Efficient concentration is not easily achieved.
7 Your world, oh mortal; is the materialization of the thought forms of divine intelligence.
8 It exists as vibration.
9 Just as there are waves of heat, light, electricity, and energy,
10 There are also thought waves.
11 Thought has tremendous power.
12 Everyone experiences it to some degree.
13 It could be used a thousand times more effectively;
14 If one had a comprehensive overstanding of the working of thought vibration,
15 The techniques for controlling them,
16 And the method of transmitting them to others at a distance,
17 Which is called telepathy, tele-path. the path through the mind to mind.
18 One of your four higher senses.
19 By overstanding and realizing the powers of the mind,
20 One can see distant objects,
21 Hear distant sounds,
22 Send messages to any part of the universe,
23 Heal people thousands of miles away,
24 And move to distant places in no time.
25 There is no limit to the power of the mind!
26 Consider: When flowing loosely over a wide area,
27 Every force in nature moves slowly and with less power than if gathered in one mass and directed through a single restricted outlet.
28 Dammed and accumulated, the once sluggish and leisurely flow of a river rushes out with amazing force through the stream.
29 The warm rays of Shamash, which

you know as the sun, focused through a magnifying glass becomes hot enough to burn objects.

30 Such is the power generated by the concentration of force.

31 This natural law is also applicable to an enosite in all branches of activities.

32 Mental concentration is the fixing of the mind for an extended period of time on one external point.

33 There can be no concentration without something on which the gathered rays of the mind can rest.

34 It must be a single object or idea.

35 People sometimes pride themselves on being able to think of two things at once.

36 The mind does not work this way!

37 Its oscillating waves are merely bouncing back and forth with lighting velocity between the two ideas.

38 The mind can only do one thing at a time.

39 Anyone who can imagine that a mundane chore such as dish washing, goes faster;

40 If they are thinking of palm trees and a sunny beach are fooling themselves.

41 Their mental waves are moving between the daydream and task at hand.

42 The attention actually given to the work is thus slowed down, because of the constant interruptions,

43 And the hands slow down too.

44 How much better to keep the mind on one point and finish the job in half the time.

45 Everyone possesses the ability to concentrate to some degree.

Example:

46 What has once been cloudy and hazy becomes clear and definite.

47 What has been difficult, complex, and confusing becomes easy.

48 One is able to work with greater efficiency,

49 To turn out more work in less time,

50 And to increase one's earning capacity.

51 Concentration can also prevent or minimize the problems of senility.

52 With utmost concentrated attention the surgeon operates on his or her patient.

53 Deepest absorption marks the state of the technician, engineer, architect or painter engaged in drawing the minute details of a plan, chart, or sketch in which accuracy is of the highest importance.

54 The same concentration is necessary on the spiritual path, where the aspiration must deal with the internal forces.

55 For progress to be made, it must be developed to a very high degree.

56 Practice demands patience, will, untiring persistence, and regularity.

57 There are no shortcuts along the spiritual path.

Tablet Fourteen
"Pleasure And The Mind"
(19x2=38)

Lo! I, Your Master Teacher will speak to you on pleasures.

2 Worldly pleasures intensify the desire for greater enjoyment.

3 The mind can never be satisfied,

4 No matter how many pleasures it is fed.

5 Emotions become dangerous, when

they become motion.

6 It is these emotions that make you fight which leads to wars;

7 Emotions which lead to greed, which causes you to over eat and leads to diseases;

8 Or you eat yourself to obesity, or death.

9 Emotions are which lead to your need and what you want; and sex which leads to lust, luster.

10 You are exceptionally apt to get AIDS, if you let your emotions, be controlled by lust, or the luster of it make you go out and buy, or being a sexual instrument to give you pleasure.

11 Then you will be an AIDS victim,

12 Because the fact that you need a vibrator, shows you have a lack of self-control;

13 And if the opportunity arises for you to have sex you'll take chances,

14 Not caring what the consequences might be, even if it's possible death.

15 When you're emotional and calm you're okay.

16 I'm not saying don't have feelings.

17 Don't cry, or let your anger get you into trouble, because you can't control your mouth.

18 When you are over emotional sexually, you take chances you normally wouldn't and you will regret once you have AIDS, because you can't do anything about it.

19 When you're over emotional you can get into a fight, and have regrets,

20 Or a person who is obese now, has regrets that they're fat and say:

21 "I Wish I could lose weight."

22 Like getting fat wasn't their problem, from the beginning.

23 This is your own trinity: 1) me, 2) myself, 3) and I.

24 These emotions lead to other emotions like fear and regret:

25 A person with A.I.D.S. now realizes, I'm going to die,

26 The person who is obese and has all this fat around their heart realizes with their added worry, aggravation, which increases the chances of dying, say:

27 "I'm going to die," and emotions link into motion.

28 When you give into your emotion, you give up a part of your divinity.

29 That means when you're upset by something,

30 You are no longer in control of yourself,

31 And therefore you're under the rule of another.

32 They can't stay out of your mind.

33 However, you can be under, or in control of your own divinity,

34 And surrender your divinity to another who is in authority. The saying is: Believe in your self, then they say believe in god. They told you who and what you are, in the scripture of our Apostle John, called in tones Yowkhanan, and in rhythm Yuhanna, the 10th degree, the 34th verse, where it states:

Jesus answerd them saying, "Is not written in your law, I said, "You are Gods"?

And again in the scripture, which was received by our Prophet David, called in tones Dawiyd and in rhythm Dawud, the books of Psalms the 82nd degree, the 6th verse, where it states:

I said, "You are Gods, and all of you are children of the Most High."

35 For instance when you humble yourself to someone,

EL HAAYUH RAWUH

Tablet 14:36

36 You are surrendering your divinity to them;
37 But can regain it back.
38 It's not like once you lose your divinity that you can't regain it again. You lose it within your free will. So you can't earn it back when you will. Don't mix humbleness up with submission. They are not the same. No man knows less than the one who knows it all.

Tablet Fifteen
"The More It Possesses,
The More It Wants."
(19X1=19)

Lo! Without knowing it, enosites are exceedingly plagued by the insatiability of their own minds. Most humans are about as happy as they make up their own minds to be.
2 In order to remove this sort of trouble, the craving for sensory stimulation must be removed.
3 Once the mind has been stilled and concentrated, it no longer presses one to seek further pleasures.
4 The senses can be controlled through reduction of wants, and activities.
5 Dietary discipline is essential.
6 Furthermore, one should avoid undesirable company as well as stimulants and depressants.
7 Television, cinemas, and newspapers, which agitate the mind, should be reduced and replaced with periods of sitting in silence, and solitude. There is really no right way to do wrong things.
8 By witnessing and tempering desires and emotions, the qualities of egoism,
9 Anger,
10 Greed, lust,
11 And hatred are eradicated,

THE LIVING SOUL

Tablet 16:6

12 Which means to rip out from the roots, to destroy.

"The Mind
Best Friend: Worst Enemy"

13 One should not allow the mind to dissipate its energy on uselessly vain thoughts,
14 Worries, imagination, and fears. One thing you cannot recycle is wasted thoughts and time.
15 By manipulating the mind, one is able to bring it under control,
16 And compel it to concentrate its powers.
17 However, one must not wrestle with it. lost time is never returned.
18 Struggle only sets more mental waves into motion.
19 The sum total of all the pleasures in the world is nothing compared to the bliss derived from meditation. Feed your mind meditations and doubt and idle time will starve to death.

Tablet Sixteen
"Saving Energy"
(19x1=19)

Lo! To reduce the out flow waste of mental energies,
2 The senses must be subjugated.
3 One fourth of one's energy is diverted to digestion of food,
4 Which is often eaten for the pleasure of the taste buds rather than for sustenance.
5 Additional mental and physical energy is squandered in useless idle talking.
6 Learn to have control of the tongue my child;

EL HAAYUH RAWUH

Tablet 16:7

7 By observing silence for an hour or two a day.
8 Our senses have been habitually overfed,
9 And geared to gluttony. The greatest of our faults is to think we have none.
10 One should examine all worldly habits
11 And curtail them sharply.

"Fasting Of The Mind"

12 Fasting of the mind is:
13 When the thoughts are weaned from attachment to the many fleeting sensations that they feed upon.
14 The senses do not convey experience without the cooperation of the mind.
15 An agreeable exercise is to not allow the senses to come in contact with their object.
16 For example, if certain music or T.V. programs are found to leave the mind in an agitated state,
17 They should be eliminated.
18 By withdrawing the mind,
19 The senses are also withdrawn. Remember if you don't care where you're life is going, then any road will lead you there.

Tablet Seventeen
Attention
(19X1=19)

Lo! In everyday situation, one should develop the faculty of attention.
2 Concentration itself is a narrowing of the field of attention.
3 The entire attention is thrown into whatever is being done.
4 The individual becomes lost in the job at hand.

THE LIVING SOUL

Tablet 18:1

5 One must concentrate on the work and rigorously shut out all other thoughts.
6 No work can be done successfully without calmness and concentration.
7 In this way the mind becomes one-pointed.
8 Failure is a stranger to work done with perfect attention.
9 When one sits for meditation, there should be no thought of job related work.
10 When doing job related work, household chores never enter the mind.
11 In training the mind to attend only to the work at hand, there will also be a development of will and memory. Ye should keep in your memory, the importance of work.
12 A person with an agreeable concentration can accomplish a task in half the time
13 And with twice the accuracy that it would take the average person.
14 It is easy to pay attention to what is pleasant,
15 For the mind is naturally attracted to what pleases it.
16 A beneficial exercise is to fix the attention on unpleasant task,
17 From which one you may have previously shrunk.
18 Under scrutiny, they become interesting,
19 And interest reduces the unpleasantness. It's very nice to be important. However it's more important to be nice.

Tablet Eighteen
"From The Unreal To The Real"
(19X3=57)

Lo! There are experiences, my child;

that cannot be described.
2 Just as colors cannot be described to a blind enosite.
3 However all ordinary experiences are limited by time, space, and the law of cause and effect.
4 Normal awareness and overstanding do not transcend these bounds.
5 Finite experience is measured in terms of past,
6 Present
7 And future.
8 These concepts of time are illusory,
9 For they have no permanence.
10 Immeasure small and fleeting,
11 The present cannot be grasped.
12 Both past and future are non-existent in the present,
13 And therefore are unreal.
14 Ye live in a world of illusions.
15 With meditation comes freedom;
16 Freedom from fear of death.
17 Most of ye mortals ponder that death is the end of existence,
18 However, in fact, death means only the extinction of the present name and form.
19 The greater the identification with name and form,
20 The greater the fear.
21 Living a righteous way of life induces detachment from name,
22 And from form.
23 It makes one aware of the ever changing nature of the body,
24 And of all phenomenal existence.
25 In recognizing the ephemerality of it all,
26 One realizes the impossibility of holding on to anything,
27 Including ones cumbersome ego-identity.
28 When this need to grasp disappears,
29 Then the fear of losing what one never really possessed vanishes,
30 Immortality is within reach. remember real fear is the lack of true faith

"Ultimate Reality"

31 My children, I have introduced you to the existence of the all, **EL KULUWM,**
32 What some call quantum physics,
33 Know ye that **EL KULUWM,** THE ALL alone is real. All Gods, be they called Buddah, Khrisna, Isis, ANU, Yehweh, Horus, Adonia, El Eloh, Amun-Ra, ANU, Khnum, Theos, Dios, Oba-Tala, Rab, Mazda, **ALUHUM,** Osiris, Allahuma, Supreme Being, Atun, Creator, Sebet, Most High, Chango, are all in The All.
34 The world of illusion is unreal, idle worship is un real. Idol worship is not evil for no idol can be THE ALL.
35 The individual soul is eventually returned to THE ALL,
36 For all things exist within THE ALL.
37 From within THE ALL is where you came,
38 And within THE ALL is where you will return.
39 This ultimate reality is beyond the reach of the limited intellect,
40 And within the reach of the unlimited intellect and the knowable world,
41 You must begin to overstand a new physics,
42 Its called quantum physics.
43 Renunciation alone,
44 The abandonment of all worldly attachments,

EL HAAYUH RAWUH

Tablet 18:45

45 Can lead to knowledge of the absolute.

46 This is achieved through a process of negation of all worldly desires,

47 Identifications, qualification and extensions.

48 The precepts of Tammuz, whom some of you call Isa, or Yashua, Sananda, Christ, Horus, Sonship, must be practiced, for you are a child of the Most High El who is in The All.

49 To attain freedom one must engage in solid spiritual practice.

50 His teachings must enter your bones, nerves, cells and interior chambers of your heart.

51 Lip confession, and the praising of his name, as Jesus is not only inadequate and insufficient, it is sinful.

52 It is pure hypocrisy.

53 We should become absolutely fearless.

54 This is life in reality.

55 No more words. no more talk. No more arguments, heated debates or discussions. No more study. No more wandering. As he said I am in the father, and the father is in me (John 14:10). You say I am in THE ALL and THE ALL, is in me. Become the christ.

56 Live in truth. enter silence. there is peace. peace is silence.

57 That's Nuwaubu, that's right knowledge, which leads one to right wisdom, and a right overstanding.

Tablet Nineteen
"Self"
(19x3=57)

Lo! There are various methods for realizing the self.

2 All are based on the removal of

THE LIVING SOUL

Tablet 19:25

limiting ideas in regard to oneself and the universe.

3 Just as a container creates the illusion that the space inside it is separate and smaller,

4 So the mind creates its own walls,

5 And hence, the illusion of separation from the self.

6 "Not this, not this," is a method of analysis by negation or denial.

7 It is a means of approach.

8 By finding out what a particular subject is not like, one can move towards an overstanding of what it is like.

9 Through this process of negation, one can approach an overstanding of real happiness;

10 By realizing that it does not lie in wealth, power, fame,

11 Or any other object of worldly pursuit.

12 Through negation of everything that can be known via the senses,

13 One exhausts the mental modifications;

14 And he/she finds the answer within.

15 Ultimately, direct experience is necessary,

16 For it is not a matter of intellectual overstanding.

17 An Enosite is not his or her house,

18 Nor is he or she, his or her job.

19 For these are subject to change,

20 But an Enosite remains the same.

21 It is useless to identify with clothing or hair style,

22 Yet all are subject to this form of illusion from time to time.

23 The real you, which is sometimes called the self is one's essential nature,

24 Is neither body nor senses;

25 The body and senses are mere

external qualities of the self.
26 The serious spiritual person negates identification with all things of this world, which are not real.
27 The Enosite negates the mind by saying:
28 "I'm not this personality,"
29 I'm not these desires,"
30 "I'm not these fears,"
31 Until eventually, all things within worldly experience are negated,
32 Nothing remains but the self.
33 In this kind of meditation, union with the absolute is achieved by denial of body,
34 Mind,
35 Name,
36 Form,
37 Intellect,
38 Senses,
39 And all limiting adjuncts.
40 The true "I" remains,
41 Which is absolute existence, knowledge, bliss.
42 One should observe the play of life as though he or she were watching a movie,
43 But again he does not identify with it.
44 Whatever situations one experiences, his or her reaction should be, "I am not involved in this, I am only watching it happen."
45 This entails introspection,
46 And close awareness of the mental waves.
47 The mind does not want to be watched,
48 And will soon slow down its activities,
49 But it does not give up without a struggle.
50 In many ways it will deceive and persuade one to stop watching it.
51 It is such a powerful force, that it is capable of dragging the attention wherever it goes,
52 Unless extreme watchfulness is practiced.
53 Many, many times it will divert the attention from its focus.
54 One must observe this with patience,
55 Then firmly return to the witness state,
56 Taking care not to fight the mind,
57 But only to gently guide it.

El Eloh The Most High, is one
(19X2=38)

Lo! I am in The All and The All is in me.
2 Zodok Yashua stated, as recorded in the letters of Yuhaana Bar Zabadiy, whom ye call John son of Zebedee, the 10th chapter the 30th verse:
"I and the Father are one."
3 And again in the letters of Yuhanna (John) the 14th chapter, the 9th verse:
"He that hath seen me, hath seen the Father".
4 There are no qualities in the universes that are not in the human body.
5 An atom is a complete replica of the solar system,
6 With electrons encircling a nucleus just as planets revolve around Shamash, your sun.
7 The atom is a microcosm, small;
8 And everything that is happening in the microcosms of the human body;
9 Is also occurring in Tiamat, called also orb, Ereth, Terra, Eridu, and Ard,
10 Which ye mortals call the Planet

Earth;
11 And in the universe.
12 Individual cosmic creation and destruction are taking place all the time.
13 Instead of identifying with the individual self,
14 Which is only a tiny fraction of the universal scheme,
15 One can find his or her larger identity by merging with the kosmos itself.
16 Making him or her a kosmosan.
17 It is matter in its most subtle state.
18 Before Shamash, the sun and Tiamat, the Planet Earth came into existence,
19 They were gas molecules,
20 And before evolving into the molecular state,
21 They existed in the etheric or energy state.
22 The water molecule is composed of the atoms of hydrogen and oxygen.
23 When atoms were smashed in the cyclotron,
24 It was discovered that this was not the end of matter.
25 Regardless to what extent scientists subdivide atoms,
26 They continue to find smaller as quarks,
27 And smaller particles as bi-abs.
28 If Tiamat, the Planet Earth
29 And Shamash, The Sun were suddenly blown to pieces,
30 The matter would revert to energy.
31 Being called nothing less than, solid, liquid, gas.
32 Beyond these three is a state of nothingness or ether.
33 Ultimately it would return to THE ALL.
34 Being yet still a part of THE ALL, the journey is shot. it's within itself.
35 Being a part of The All is being The All.
36 You can't take from The All, for where would you put it?
37 You can't add to The All, for where would you get it from?
38 So all gods deities, statues, images, idols, and desires to be, is in The All.

Tablet Twenty One
"Ann Is Oneness"
(19X2=38)

Lo! Oh ye Enosites, ponder on this thought:
2 A close look at these elements which ye take for granted leaves one in awe of the guiding cosmic intelligence.
3 Water, H_20 for instance, is made up of two hydrogen atoms and one oxygen atom.
4 When hydrogen by it self comes into contact with fire, it reacts with an explosion.
5 oxygen reacts with fire to make it burn more fiercely.
6 Yet in combination, as water, they will quench fire and cool off the body.
7 If one professes of having any intelligence at all, he or she must ask him or herself, "what is the source of this intricate engineering?"
8 Only an intelligent power is capable of such creation.
9 El Eloh, The Most High, also called Anu, Al Aliyu, Yahuwa, and Anu.
10 All life is interconnected.
11 Animals breathe in oxygen, and they are the bi-product of plants, and they exhale carbon dioxide.
12 In their bodies the oxygen combines with glucose,

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 21:13

13 To produce energy for various bodily functions.
14 Plants take in carbon dioxide, and they release oxygen into the air which is then used by animals.
15 They take nutrients from the soil and use the sunlight for photosynthesis.
16 An Enosite eats the plants for nourishment and when he or she dies,
17 His or her body is returned to Tiamat (the Planet Earth) to the Adama, of the ground, where it becomes food for the plants.
18 This is but one small example of the complicated and interdependent relationships that exist among all things.
19 It hardly seems possible that such a world could have been created by an accident of nature.
20 Relationships like this exist throughout the Kosmos.
21 Consider the size of the universe.
22 It is impossible that these miracles occur only on Tiamat, the Planet Earth.
23 How many suns with planets can there be in this galaxy,
24 And how many galaxies can there be?
25 How large is this universe?
26 Its size cannot be imagined,
27 Nor can the number of planets capable of supporting life be counted.
28 Yet there are those known in orion to have life,
29 And from Rizq the 8th planet in illyuwn the 19th galaxy,
30 From which I come forth to you,
31 By way of a markabah, "a divine light", vehicle also called a sham.
32 There are physical laws which cause the planets to rotate,
33 And to revolve around Shamash, the sun in certain precise ways.

Tablet 22:8

34 These same laws cause whole solar systems,
35 Indeed even galaxies, to Hurdle through space at tremendous speed- all in perfect coordination.
36 These laws cannot have accidentally come about without an originating cause.
37 Only a guiding intelligence could be responsible.
38 El Eloh, The Most High is the source? All is in The All. The All is not an it, a he or a she, The All is.

El Khalug: "The Creator"
(19X10=190)

Lo! If someone were to ask, why Yahuwa El Eloh, El Khalug, he who is the source, The Creator is one,
2 He or she might answer that if there were creators, Aluhum, or Allahuma for this incident on earth,
3 One could not always design his creation like the other,
4 Neither would they go by the same principles.
5 So we have a creator from many creators, 24 in the garden in Eden. 12 agreeable, 12 disagreeable, give you will.
6 El Eloh from the aluhum.
7 In order for one to preside over it, they would be necessary for the other to perish.
8 In this state, or step down to his or her leadership making him a supreme. Al Malik, the king, or Al Malik L Mulki, the king of kings. The angel over all angels. He who appointed the 7 arch angelic beings, the Al Malaaikat or Malakuwt. He El Eloh is a being as ANU. He Is Allahu Al Aziym to the

Muslims, ANU
the supreme. the supreme being.
9 The will of one or the other must manifest the wishes of both or of neither one would not be possible;
10 And this would be a sign of frustration.
11 And obviously he or she who is responsible for the intricate creation of all things of this cycle of refilling and replenishing the earth is beyond frustration,
12 And alone in his power, as Yahuwa or Y.H.W.H. one of the Yahwehans, a aluhum.
13 Only The All is the absolute.
14 And all creators are in THE ALL,
15 Your anu, Rab
16 Jesus, Horus, Tammuz,
17 Yahweh, Jehovah,
18 God, Dios,
19 Buddah, Confucius,
20 Brahma,
21 Shiva, Brahma, Vishnu,
22 Thehos,
23 Tammuz,
24 Baal, Adonia,
25 Om, Osiris,
26 And all the others, are in The All.
27 As it stands, the universe is a very measured place;
28 Where every thing fits within its particular pattern,
29 And in the design of all things is an obvious unity;
30 that could not be possible if be more than one creator took responsibility for all creation. Each creator is assigned by The All, to be the one creator, or creators with one head as the angel's with one deity about them all.
31 For there is life beyond earth,
32 And new forms being discovered every day.
33 So you muhammad, say in the second chapter, of El's Qur'aan Koran 2:87, originally chapter 87, the 163rd verse:
And Ilaahumkum (your El/Allah) 'Source', is waahidun 'one' Ilaahun (El/Allah 'source'. No Ilaaha (Allah/El) 'source' would exist if he (Hu- the Creative force of Will), didn't create him; Huwa is Al Rahmaan 'The Yielder', Al Rahiym 'The Merciful'.
34 Don't make for him any partners.
35 You say you shall have no other gods before me (El's Torah to Mosheh, also called Moses, Exodus 20:3).
You are to have no Akhair 'other' Eloheem except me.
36 I Am a jealous God (El's Torah to Mosheh also called Moses, Exodus 34:14).
For you will Shawkhaw 'prostrate' to no Akhair 'other' El: For a Yahuwa (a Yahuwa not The Yahuwa), who is Qawnaw 'jealous' for his name is Qawnaw 'jealous El:
37 That means there is more then one.
38 And you're not to use but one.
39 If you are a Muslim you use ANU or Rab.
39 If you are a Hebrew or Israelite or Jew you use Yahweh or Aluhum or Adonai or Ha-shem.
40 And if you are a Buddhist you use Buddah.
41 But if you're one deity, yet all are in The All.
42 All religions and their one god each are in The All...
43 Therefore, all sincere spiritual and righteous people know, with strong conviction, that the creator is power, has no associates in that power. So he is

called the most powerful, the most merciful, the most gracious. To be the most of anything means their other anu is Akbar, or as they say the greatest. Then he is greater than others like himself.

44 Everything inside of the all is a servant.

45 Has no equal, no consorts, & no partners.

46 Because all is in The All.

47 You can't take from it, and you can't add to it.

48 The All has neither beginning nor end.

49 The All is.

50 The All has always existed and will exist. Becasue The All is outside of existance. All exists in The All. The out is outside time, for time exist in The All. The All did not begin. The All can not end. ANU is the beginning, Al Awul, and ANU is the ending, El Aakhur. The Alpha and the Omega. If you are the beginning, you have a beginning, if you are the ending then you have an ending. THE ALL is without beginning, or ending.

51 The originator of things we see and do not see-

52 The breath that sustains all creation. presence in all.

53 El Eloh, ANU, The Most High is the only reality. And he too is in The All.

54 Everything else is mere illusion.

55 "He is one", he is The One, El Ahud, has been the cry of every news bearers (prophet),

56 For an Enosite had the tendency to stray from El Eloh The Most High's guidance our heavenly father,

57 And seek the protection of those which could neither help nor harm him.

58 The appointed one who appointed and anointed Tammuz, who is Horus, and Yashua, (Jesus).

59 In the depth of ignorance and backwardness, people sought help from objects made by their own hands. Khnum, creator of the Ka which yields the ba and Akh.

60 An Enosite wanted to reduce the creator to his or her own level.

61 But how could an object or an enosite be responsible for all of creation?

62 So to assert that an enosite was responsible,

63 Or that the universe accidentally came into being,

64 This thrives on the absence of logic, and the abundance of ignorance.

65 The Aluhum by permission of El Eloh The Most High-The Fashioner gave an electric charge to the protons and electrons,

66 He designed the minute solar system of the atom like the one in which we live,

67 Seventy six trillion years ago,

68 Gave light its speed, (186,272 feet per second),

69 Put a barrier around sound 1100 feet per second,

70 Blessed the golden sun (Ra) with enough mass to create the gravitation that keeps the heavenly bodies of this solar system orbiting properly.

71 El Eloh, The Most High is The Fashioner.

72 There's a reason why 75% percent of the planet Earth and 70% of the human body consist of water.

73 The Creator put that balance there, can you begin to overstand it?

Tablet 22:74

74 When the oceans of the world all come rushing towards the shore,
75 Who synchronizes it?
76 If the worlds water ways were to cease moving, how would the fish breathe?
77 El Eloh ~ The Fashioner, started the water moving and it has yet to stop on its journey home. water is always moving towards larger masses of water.
78 I could tell you something that would be real fascinating but it's very simple;
79 One thing that's unique:
80 Water is unique.
81 Let me tell you something unique about water.
82 Water is a symbol of personification.
83 It is in the atmosphere; you don't see it's water vapor.
84 It goes from what is considered invisible - a vapor,
85 To a liquid,
86 To a solid -
87 To ice,
88 To hot ice,
89 To a gas.
90 Ask yourself what makes up water?
91 You're trying to think of an answer,
92 In order to look like you know something.
93 You forgot, I said I wanted to tell you something.
94 See it's the obvious.
95 The obvious abstract.
96 Water is a symbol of personification.
97 Its unseen.
98 You don't see it.
99 Then there's vapor, steam, condensation, over frozen hot ice.
100 Where did it come from,

Tablet 22:127

101 And where is it going?
102 The mystery of water is that it's always going home - to water!
103 Water never stays anywhere water is not.
104 If I put it on the ground it will evaporate or seep into the ground,
105 Seeking out or seeping,
106 It is always going home to water.
107 It is pumping out of a source,
108 Looking for the source of water.
109 Look at it in a test tube.
110 Leave it for 100 years.
111 It will constantly be on the move,
112 But it will eventually go back home to water!
113 The molecule turned inside out.
114 Thus the restless soul of a human being is 3/4 water.
115 Your brain, the blood, the breathing,
116 The digestive system, the circulatory system,
117 The respiratory system, urine, light, pulse, blood;
118 This is the restlessness of the human being.
119 You see, there's only one real thing in existence, change!
120 The only thing constantly changing is water.
121 And where is the home of water?
122 I told you at the beginning home is the vicious cycle.
123 Water is pumping out of a source, looking for the source of water!
124 You used to know these things.
125 When you had your barathary gland you knew these facts;
126 This just shows goes to how out of touch you all are.
127 The barathary gland resided inside the hippocampus area of the brain,

128 Which is a cavity of the cerebellum.

129 The cerebellum is located at the lower part of the brain and is attached to the brain stem.

130 The barathary gland has a connection with the appendix, and the tonsils.

131 The hippocampus is the tissue which held the barathary gland.

132 When it was once inside Kadmon (Zakar, Adam's) the grandfather of Enos brain.

133 Although conscious perception does not occur in the cerebellum this is the part of the brain that is responsible for hallucinations.

134 Also cerebella reaction are unconscious,

135 Meaning you are unaware that it happened,

136 And that's why even though the barathary gland is missing,

137 Portions of the gland were left on the nerves endings;

138 Because total removal would have damaged the nerve.

139 From the cerebellum.

140 You had seven senses, see, feel, hear, taste, smell, clairvoyance, telepathy.

141 Humans do not have the 4 higher senses:

142 Mind perception (intuition),

143 Mental communication (telepathy),

144 Object reading (psychometry),

145 And clair sight - to see in other dimensions (clairvoyance).

146 But with the removal of your barathary gland you lost access to the Aluhum, then you became Enosites.

147 An Enosite, a "human being" is a forgetful being,

148 Which is what happened when the barathary gland was removed.

149 When you get back your power, we will have to show you how to use it.

150 But we have to control it.

151 You have to prove your sincerity, before it is returned to you, otherwise you may misuse it.

152 The barathary gland will be reinserted into those persons worthy of returning home when the Aluhum comes for them.

153 August 12, 2003 to June 26, 2030 A.D. and watch for May 5, 2,000 A.D. for the alignment.

154 When this gland is reinserted, it will not be in the hippocampus part of the brain this time,

155 But in the lower chin referred to as the submental area meaning the "sub" or "lower", and mental that which reacts with the mind.

156 Remember, Enosite! El Eloh is himself.

157 If he wills, he can destroy this entire galaxy in a moment,

158 And if he wills, he can recreate it in an instant.

159 Nothing is too difficult for him.

160 For this has already happened.

161 An individual should observe and stand awed by the many wonders that El Eloh has fashioned;

162 And because the Aluhum was procreated,

163 He or she has to acknowledge their (Eloheems) greatness,

164 An Enosite has to submit to the supremacy of the ones who pro-created them.

165 Final analysis: Sir Isaac Newton, the British scientist once had a skillful mechanic who made him a miniature

replica of this solar system,

166 With balls representing the planets, geared together by cogs and belts so they would move in harmony when cranked.

167 Later, Newton was visited by a scientist friend who did not believe in the all!

168 Their conversation is related in the Minnesota technology:

169 One day, as Newton sat reading in his study, with his mechanism, on a large table near him, his infidel friend stepped-in.

170 Scientist that he or she was, he or she recognized at a glance what was before him.

171 Stepping up to it, he or she slowly turned the crank,

172 And with the undisguised admiration he watched the heavenly bodies all move in their relatively speed in their orbit.

173 Standing off a few feet he or she exclaimed,

174 "My! what an exquisite thing this is! who made it?"

175 Without looking up from his book, Newton answered, nobody."

176 Quickly turning to Newton, the infidel said,

177 "Evidently you did not understand my question."

178 I asked, "who made this?"

179 Looking now, Newton solemnly assured that nobody made it,

180 But that the aggregation of matter so much admired had just happened to assume the form it was in.

181 But the astonished infidel replied with some heat,

182 "You must think I am a fool ",

183 Of course somebody made it,

184 And he or she is a genius, and I'd like to know who he or she is,"

185 Laying his book aside, Newton arose and laid a hand on his friend's shoulder,

186 "This thing is but a weak imitation of a much grander system whose laws you know,

187 And I am not able to convince you that this mere toy is without a designer and maker;

188 Yet you profess to believe that the original from which the design is taken has come into being without either designer or maker!

189 Now tell me by what sort of reasoning do you reach such an incongruous conclusion?"

190 Echo the word of all the news bearers, wise men (astronomers), sages and saints. Nothing would exist except by way of THE ALL!)

Tablet Twenty Three
"Freedom- Reality - Truth"
(19X5=95)

Lo! In their subtle or pure form, the five basic elements combine in definite proportions to form gross elements.

2 The existence of Tiamat, or Qi, The Planet which ye call Earth depends, upon these gross elements.

3 While this view may not seem to correspond exactly with modern science, by following the essence of the thought behind it,

4 One gains insight into the intricate relationship between matter, the physical plane, and the spirit, and spiritual plane.

5 According to the doctrine of quintuplication, each gross element is made up of one half of its corresponding

pure element,

6 And 1/8th of each of the 4 other subtle elements. the plane of force in manifestation at this level.

7 An example of this can be seen clearly in the chart for gross earth;

8 In which the earth is composed of subtle earth,

9 And one 1/8th each is of subtle ether,

10 Subtle air,

11 Subtle water, and subtle fire.

12 It can be seen that each element when quintuplicated, is not pure,

13 But contains a portion of each of the other elements. Quintuplicated as defined by the American Heritage Dictionary means: "Multiplied by five; fivefold. 2. Being the fifth of a set of five identical copies. –Quin·tu·pli·cate n. 1. One of a set of five identical things. 2. A set of five copies. from [Latin quintus, fifth;

14 Each quintuplicated element produces a special effect according to its predominance.

15 Each contains qualities of the others,

16 And has a particular function in nature and an Enosite.

17 Further, each of these elements has five properties.

18 These properties are based upon the interaction of the subtle elements within the gross elements,

19 And there is a total 25 in number.

20 In order to better overstand this, let us examine the properties associated with quintuplicated ether.

21 The 5 properties of ether are grief,

22 Desire,

23 Anger,

24 Delusion,

25 And fear,

26 Which are all generated in the ether,

27 Which belongs to the space of the heart. remember ether is nine to the ninth power of nine. containing all. Both agreeable and disagreeable. Good and evil.

28 Grief is the chief part of ether and so is happiness,

29 For which, grieving the body feels like empty space.

30 Desire is fleeting like the wind,

31 Therefore, it belongs to that part of air found in ether.

32 When anger arises, the body becomes hot.

33 Anger belongs to that part of fire found in quintuplicated ether.

34 Delusions is as pervasive as water

35 And it belongs to that portion of water found in ether.

36 Finally, when we are frozen with fear, the body becomes inanimate and statue-like:

37 Thus, fear belongs to the earth principle.

38 The remaining twenty properties can be overstood in a similar manner.

39 Although the emotions are actually attributes of the spiritual body they are treated as if they belonged to the physical body,

40 For this is where their influences are directly perceptible.

41 Because the emotions belong to the ether portion of the quintuplicated elements, they cannot be the self, which breeds selfishness.

42 They are negated and identification with them is not possible.

43 Say, "I am not these emotions.

44 I am not this body.

45 I am not these actions.

46 I am above, observing, controlling witnessing.

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 23:47

47 Abandon the idea of I-Ness and my-ness, and the identity with the imperishable (atom) you,
48 Which is entirely different from the five elements.
49 Which is the knower, seer, (Ra) and witness of all these products.
50 The physical body is reduced to nothing, as it is analyzed and all temporary qualities are removed.
51 It is merely a product of the 5 elements, and there are 25 combinations.
52 Modern scientists and doctors only overstand the gross attributes of the body.
53 The 5 elements and 25 properties are mere limiting adjuncts. **Ka** and **Ba** produces the **Akh**.
54 When the body is stripped of them (Amun),
55 That which remains is you, (or the self (aten).
56 One must learn not to identify with these quintuplicated elements that make up the 5 sheaths.
57 The body is fictitious play of illusion and ignorance.
58 Attachment to it is bondage, excepting the principle of see, hear, taste, smell, and feel is illusion.
59 There is more to it than that.
60 You must overcome the 3 laws of confinement, to the spell of ignorance.
61 Person, places and things.
62 These three bind your innerself to the outer world,
63 The world that's your bigger body call ecology.
64 The surrounding bind the deity, you,
65 But what you think you want and need,
66 And all you need is to know you don't need things to be happy.
67 By negating the idea of possessiveness, and attachment to its illusory qualities,
68 One can achieve emancipation, freedom.
69 Ignorance is responsible for all misunderstanding
70 And for and dissention.
71 Only true spiritual aspirants can transcend it by long, hard discipline
72 And by practice.
73 Because of ignorance, the common Enosite could not overstand.
74 "You shall know the truth and the truth shall make you free (John 8:32)."
75 When you hear the statement:
76 "I and my father are one,"
77 It meant by eliminating body, the name,
78 And external qualifications,
79 We would eventually merge with the source,
80 From which we came, The All.
81 For if you look at what's called your five senses, which are:
82 See, hear taste, smell and feel, you would eliminate most by a good look at them.
83 To taste things, must touch your taste buds.
84 To smell things, must touch your olfactory nerve in your upper passage of your nose.
85 To see light, must touch the optic nerve.
86 To hear sound waves, must touch the auditory nerve, to feel is, to touch the nerve fibers,
87 Which carry them as impulses to your spinal cord, then to your brain.
88 So you see here, 5 become 1. You can become 1 thing.

Tablet 23:88

Tablet 23:89

89 Places are things and things exists. and existance must be felt.
90 It all is an illusion.
91 The 7th plane, is the doorway to The All.
92 The highest plane.
93 Many assumed that these words applied only to Yashua (Jesus),
94 And not to themselves.
95 Very few overstood his meaning.

Tablet Twenty Four
"That Thou Art"
(19X4=76)

Lo! Oh, Ye Humim, blessed children of the aluhum, don't thou knowest that a word and its meaning are linked by a thought wave.
2 When the word "fire: is pronounced, the corresponding mind wave is energized and there is visualization of that same concept.
3 The reverse also takes place.
4 When one sees a fire, the mental image gives rise to the corresponding verbal utterance, "fire".
4 This relationship between word and meaning can be simple or complex.
5 It is simple when it generates the words primary meaning.
6 "The sun is hot."
7 If a child is asked to draw a leaf, he or she copies it from nature,
8 But an artist will draw it indirectly.
9 There are indirect relationships between words and meanings.
10 In the statement, "it is hot today," this implied the meaning "is that the sun is hot".
11 Sometimes the direct meaning of a word is dispensed with,
12 And only the implied meaning is

Tablet 24:33

taken into account.
13 The statement, "the house is on the river" it does not mean that there is a house on the surface of the river,
14 But on the bank of the river.
15 The direct meaning of a flowing river is discarded,
16 And the implied meaning "on the bank is substituted.
17 Although the river and its bank are quite different things,
18 One being water and the other planet earth,
19 There is a spatial proximity which creates a relationship.
20 The implied meaning is based on the direct meaning,
21 Which is then discarded.
22 Sometimes both the direct and implied meaning is operative.
23 Imagine if an Enosite is at a horse show and asked,
24 "Which horse is jumping?"
25 He or she might receive the reply, "the white one is jumping."
26 A color cannot jump,
27 However in this case, the direct meaning "white" refers to the implied meaning "horse,"
28 Both of which are relevant to the sentence.
29 The whole is understood to mean, "the white horse is jumping."
30 Sometimes a portion of the direct meaning is retained, and a portion is discarded.
31 Assume that ten years ago a certain singer, Billy Paul lived in Philadelphia,
32 And was last seen by a friend at radio city music hall.
33 Now imagine that this same friend sees him, 10 years later, as a wino in Atlanta, Georgia.

34 He says, "this is that same, Billy Paul."
35 There is a certain discrepancy in this statement,
36 For the word "this" refers to the singer Billy Paul as he was known before.
37 It is associated with the idea of a successful professional person, dressed in a suit and separated in time and space by 10 years, and 1000 miles.
38 Certain elements are contradictory and they must be eliminated.
39 A successful singer is not an unemployed wino.
40 Atlanta, Georgia is not Philadelphia,
41 And the streets of Atlanta, Georgia are not the radio city music hall, which is in New York City.
42 Also, the period of 10 years cannot be equated with the time at which the statement was made.
43 In the statement, "this is that Billy Paul" only a portion of the direct meaning of "this" and "that" is retained.
44 The contradictory factors of time, space and external appearance are eliminated,
45 While Billy Paul himself, the person, remains.
46 It is only the idea of a Mr. Billy Paul free of impermanent qualities which is non-contradictory.
47 Only after the mind has gone through this complicated process, which it does in a flash can this "Billy Paul" be identified with "that Billy Paul."
48 After this Billy Paul" identifies with "that Billy Paul."
49 After the opposing associations of name and form have been set aside, this is what remains.
50 Billy Paul, the person is common to both, and it stands as the implied meaning.
51 "That thou art" can be overstood only in light of this kind of reasoning.
52 "That thou art" does not refer to the direct meaning of the body,
53 Name,
54 Form,
55 Clothes,
56 Location,
57 Status, time, and place are eliminated.
58 Note: Even benevolence, agreeableness, or goodness is binding,
59 Chains may be made of gold or iron,
60 Nonetheless they are chains.
61 Most people misunderstood the body to their self.
62 They cannot overstand "that thou art,"
63 Because they lack the patience to consider deeply the significance of the words.
64 Words are double-edged weapons.
65 If mis-understood, they will be detrimental to one's progress;
66 Properly overstood they can carry one across the depth of ignorance.
67 The significance of "that thou art" can only be grasped after a long,
68 Detailed and careful consideration.
69 Then it will be apparent that an enosite was made in the creator's image,
70 It does not merely mean that El Eloh The Most High resembles a human being.
71 For he also created the animal, birds, fish, and in whose image are they?
72 Being men was the only thing created that was not called good,
73 And aluhum saw that, light, day, night, sea, animal are all good, but not man, why? If he is in the Aluhum's

image and likeness why is it not said of his creation?

74 And Aluhum saw that it was good, because it was not created good. You must become good.

75 But also, one must look into an Enosite, and realize the creator's nature is enshrined therein.

76 The body is a temple. The head is the dome. The heart is the altar. The emotions are the religion. The soul is the preacher of the word of The Most High. You should be a word of truth. An abode of health and happiness.

Tablet Twenty Five
"Love"
(19x2=38)

Lo! My child, true religion consist of more than ritualistic observances, baths, and pilgrimages, but in loving.

2 Kosmic love all-embracing and all inclusive.

3 In the presence of pure love all distinctions and differences,

4 As well as all hatred, racism jealousy, egoism are dispelled just as dirtiness is dispelled by the cleanliness.

5 There is no knowledge higher than love.

6 There is no treasure higher than love, because love is truth, love is El Eloh The Most High.

7 One must strive to convert ones emotion into unconditional love for El Eloh the most high,

8 Which is neither binding nor selfish.

9 The emotions, when channeled properly can be used to attain freedom.

10 One should transmute the lower emotions into unconditional emotions.

11 Emotions are weaknesses,

12 And they must not be equated with divine love,

13 Which manifest as peace and joy.

14 The lower emotions are not suppressed,

15 However, but they are utilized and sublimated.

16 Without emotions there is no love,

17 And without love one cannot approach that infinite love that is.

18 A child of the **ALUHUM** recognizes that both love and hate are the two most powerful driving forces in life:

19 And that both emotions are healthy and essential to life,

20 And to possess only one love or hate,

21 And to be deprived of the other is to be crippled as a bird with only one wing.

22 But to hate another Enosite, is to hate yourself, and that to is fair, for there is times when you hate what you have done, or done things you hate to do.

23 A child of the **ALUHUM** realizes that both love and hate in order to be constructive, they must be directed in the proper channels.

24 To do otherwise is destructive and suicidal.

25 I love peace,

26 I hate war.

27 I love happiness,

28 I hate sadness.

29 I love those who hate me.

30 A child of the aluhum therefore makes a careful distinction between his or her loved ones,

31 And his or her enemies.

32 Through the higher emotions and the devotee reacts out to the divine,

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 25:33

33 With purification the receptive heart he receives the continual flow of divine love.

34 The barrier between the individual soul and the supreme soul is the ego, and that is the ever present enemy.

35 It manifest as: feeling of separation.

36 Through purification one does away with this feeling of separation,

37 For in the ecstasy of pure love and devotion,

38 The consciousness of the individual self is lost.

Tablet Twenty Six
"The Mind"
(19x12=228)

Lo! Oh Nuwaubians I am now about to take you on a journey of overstanding, one of the best gifts that has been given to your species,

2 And that is the mind.

3 The mind is neither visible nor tangible.

4 It exists not in the physical body,

5 As does the brain,

6 But in the spiritual plane, or what's called the mental plane.

7 Its magnitude cannot be measured,

8 For it carries all feelings, ideas, and impressions from this life,

9 As well as intuitive knowledge of what is to come,

10 It is the mind that must be corralled, and controlled in order to achieve that true peace of union.

11 The mind acts justly to its desires,

12 And it does not care about consequence.

13 It thinks of some pleasant looking or pleasant tasting food,

14 And you must have some.

Tablet 26:32

15 When warned of the poisons it contains,

16 The reaction is to disregard the warning, and you find some excuse, and you eat it anyway.

17 However, the self, which is pure consciousness, that is beyond the mind,

18 Which is read from the mental, it is the witness of all that is perceived,

19 The plane of truth and about it, the plane of reality.

20 It neither acts nor reacts,

21 For all action and reaction takes place in the mind, which received its info from the mental reservoir

22 Appearing and arriving as thought waves to the mind.

23 Thought, the most powerful force in the universe, initiates all action in the brain.

24 Activity carried out on Naasuwt, the physical plane, in which ye abode, is only a mirror of the inner workings of the mind.

25 That which is assumed to be reality,

26 The physical environment in which each person lives, is only a projection of the mind.

27 In truth, when the many mental modifications, are resisted,

28 One is no longer affected by the comings and goings of the world,

29 And self shines forth in undisturbed purity.

30 When the thought waves are still, the perceiver rests in his or her own true nature.

31 That state of pure consciousness is achieved when the mind is no longer modified by the activities of thought waves.

32 When the waves of a lake are stilled, one can see the bottom clearly.

Tablet 26:33 Tablet 26:73

33 Likewise, when the thought waves of the mind subside, one's essential nature becomes evident.

34 With the surrender of the ego, the individual becomes an instrument in the hands of El Eloh, The Most High.

36 He or she takes neither credit nor blame for his or her actions,

37 For El Eloh does the action.

38 The devotee thinks of nothing but El Eloh, The Most High.

39 And El Eloh, The Most High is his or her constant thought wave,

40 And he fills every mental space.

41 Control of the mind,

42 And annihilation of the ego are the essence of all spiritual disciplines,

43 Including emotional ones.

44 Even on an essentially, emotional path, the intellect must not be neglected,

45 If it is disregarded, one can degenerate in fanaticism.

46 If, on the other hand, it is transcended, the devotees experiences, the highest state of supreme devotional ecstasy.

47 Your motivation should be the simple desire to love to serve El Eloh, The Most High.

48 Only with this attitude will the ego disappear.

49 One cannot attain liberation until all desires, including spiritual desire itself has been burned.

50 Pure peace is devoid of desire, ignorance and emotions.

51 Pure love is love untied by lust, and it is difficult to develop.

52 Encompassing a pure desire to touch, and embrace his or her physical and astral form,

53 This is encountered frequently in the poetry and writings, of the Ancient And Mystic Order Of Melchizedek, the true mystic.

54 If one enosite calls another a fool,

55 It is only a verbalization,

56 A vibration in the air.

57 But what a thundering thought wave it creates.

58 One simple unreal word wreaks havoc;

59 Throwing the physical and emotional bodies into chaos,

60 Destroying all happiness and peace.

61 One is not a fool because he or she is called a fool.

62 If a person were called a donkey, he or she would not grow longer ears and a tail.

63 Yet, it is not unusual for people to react in anger to such statement,

64 And in the process, it actually gives validity to them.

65 The mind attributes meaning to words, by which the delicate degree of difference of the words are perceived by any of the senses,

66 Or by the mind, giving them a false reality.

67 Such reactions to meaningless vibrations is the cause of countless human troubles.

68 Overreaction to words and jumping to conclusions are weaknesses of the mind.

69 The thought waves, must be restrained at all times.

70 One must be particularly wary of praise,

71 For this too is verbal delusion,

72 And the ego is ever ready to pounce on any opportunity to see itself as better or different from others.

73 Not everyone is going to feel the same way as one who bestows a

compliment.
74 Inevitably the pendulum swings in the other direction,
75 And criticism will be heard sooner or later.
76 But true happiness should not rest on praise or abuse,
77 For in all conditions, your true essence is beyond qualities and beyond change.
78 Just as water may become steam or ice, it still retains its underlying essence.
79 The weaker a person is the less restrains he or she has over verbal essence.
80 Then the mind is not concentrated,
81 The perceiver identifies with its modification.
82 Then thought waves arise,
83 There is the immediate tendency to identify with.
84 The thought waves spawns a host of others.
85 The mind is a slave to its preoccupation's,
86 Identifying with the same problem where ever it is.
87 The thought waves gives rise to countless others,
88 All in search of happiness.
89 But in fact, it is only foolishness, for the very rising of the thoughts themselves destroys the peace that the mind craves.
90 There is said thee are 5 types of Thought waves, when in actuality there is 7.
91 Some of which are painful and some which are not.
92 The 7 kinds of thought waves are:
93 Right knowledge,
94 Erroneous overstanding,
95 Verbal delusion,
96 Sleep,
97 Memory,
98 Correct perception,
99 Interference,
100 And competent testimony are proofs of correct knowledge.
101 Right Knowledge, that is knowledge based on facts, can be proven in 3 ways,
102 But none of the proofs may contradict one another.
103 Examine yourself the next time that you are angry, or miserable.
104 Reason it out, and note the modification of the mind.
105 Gaining freedom from verbal delusion is essential for strengthening the mind.
106 This is the wisdom!
107 I am a student of a great teacher,
108 Alright put this in your heart.
109 It is wisdom that I give to you.
110 I am a student of a great teacher.
111 I walk with the teacher.
112 I talk with the teacher.
113 I learn from the teacher.
114 And of course I learn to love the teacher.
115 Eventually an enemy comes and kills the teacher, correct.
116 And it transforms me from a student to a revengeful man, and I get a new attribute.
117 I want revenge on the man or thing that killed my teacher.
118 I set out on a journey throughout the world, seeking out the man who killed my teacher.
119 I'm motivated by that purpose.
120 I'm going to kill the man because he or she killed my teacher.
121 That's why I'm doing it.
122 I'm not a killer by nature.

123 I made myself a killer, and I have a justified reason now.
124 I'm going to kill this man.
125 Why will you kill this man?
126 Because he or she killed my teacher, and that is my reason.
127 That's my sole reason.
128 So after long hunts and travels, and pursuits, I finally corner this man.
129 You follow me?
130 And I look him straight in his eyes as I take out my sword.
131 The man has terror in his eyes because he knows how close he is to death.
132 And as I raise the sword, and I get the satisfaction of being able to end this quest,
133 And relieve myself of this anger towards, this man who killed my teacher,
134 And that is the reason why I'm going to kill this man.
135 That is the only reason,
136 Can your overstand that?
137 The man, in fright and terror hocks and spits in my face.
138 What do I do now?
139 Should I walk away?
140 If so should you say, "I pursued this man for thirty years, and I finally got him cornered.
141 The man who killed my teacher.
142 He cut off my source of divinity or my connection with the divine,
143 And I want to kill him for that purpose.
144 For that purpose only, because he or she has interfered with my journey.
145 What do I do when he or she hocks, and spits in my face?
146 Do you say, Thank You?
147 Yes, you say thank you.
148 Why do I thank him?
149 Because you have another reason to kill him.
150 If you kill him on behalf of yourself and not your teacher you will be a killer and not an avenger.
151 That's a thought.
152 You have another reason to kill him.
153 Something made you realize that it's stupid chasing him,
154 To kill him just for spitting in your face.
155 How did he, or she make you realize that it's stupid?
156 What do you do when this man hocks and spits in your face now?
157 You've already got your sword out;
158 He is ready to chop his or her head off because he or she killed your teacher,
159 And he cut off your source of divinity,
160 Now he or she has the audacity to spit in your face?
161 Do you kill him?
162 Why would you kill him.
163 Why Wouldn't You Walk Away?
164 I would walk away.
165 Walking away would be Right,
166 But you don't know why you are right, and that makes it wrong.
167 You are right.
168 Just say I walk away.
169 I took my sword, and I put it away, and I turned around and walked away.
170 That's right.
171 But you have to know why you're right, otherwise it's wrong. You don't overstand.
172 The reason why it's right is because;

173 My reason for pursuing this man all these years;
174 Is because he or she killed my teacher.
175 Not because he or she spit in my face.
176 I would have to leave this man, and go back to where I started and regroup the reasoning,
177 And now pursue him because he or she spat in my face.
178 Otherwise if I kill him, I become a killer for the wrong reasons.
179 Thus, my justifications defeat themselves.
180 The wisdom is a holy Enosite was once insulted in front of his or her disciple,
181 By a non-believer who spat upon his face several times.
182 Not one muscle twitched,
183 Nor did his calm facial expression change,
184 Because he did not identify with his physical sheath.
185 His mind was centered in El Eloh, The Most High.
186 Can you imagine the strength of that mind?
187 No matter what was done to him,
188 He responded with one thought,
189 That of pure love.
190 A true Aluhum will not react in anger
191 For to him insult and praise are the same.
192 Restraint of thought waves does not mean suppression.
193 Suppression jams up violent emotions.
194 For various reasons,
195 People abuse,
196 Suppressing anger,
197 Or pain
198 By smiling,
199 And carrying a stiff upper lip.
200 The restrained thought waves must be given an outlet.
201 They must be sublimated,
202 And channeled into such uplifting activities,
203 As chanting,
204 Repetition,
205 Exercise,
206 Singing,
207 And meditation,
208 On opposite,
209 And positive thoughts.

Tablet Twenty Seven
Exchange Anger For Love
And Sorrow For Joy.
(19X2=38)

Lo! A change in character occurs only through formation of new habits.
2 Control can be gained by non-attachment or by eliminating emotional reactions to situations and individuals.
3 Non-attachment does not mean that there should not be love or compassion,
4 But rather that emotional thought waves are ignored.
5 The thought waves may arise, but they are observed in a disinterested fashion,
6 Then put aside.
7 Non-attachment is a state of mind.
8 It is in-difference of objects of the world.
9 It involves being unaffected by the pull of likes and dislikes.
10 Whenever the mind acquires a taste for a particular sensation or pleasure, it becomes attached to it.

11 The mind recalls the experience, and desires repetition of it.
12 It is this craving that creates pain.
13 Non-attachment does not necessarily mean the cessation of life in society.
14 It involves separating oneself from the binding emotions of that life.
15 Renunciation is a great aid to the attainment of non-attachment.
16 By giving up objects of the senses,
17 The mind is quickly stilled.
18 But it is best to remember that non-attachment is not synonymous with not having.
19 One can own nothing, and yet be full of desires.
20 If a person is fond of cherry ice cream,
21 Binding his or her hands,
22 And taping his or her mouth will not keep his or her mind from dwelling on this treat.
23 The basis of non-attachment is the internal realization of the worthlessness of the external world.
24 Objects and desires then automatically fall away.
25 But renunciation does not mean running away from society,
26 Duties,
27 And responsibilities,
28 As is sometimes assumed.
29 It means carrying on with one's duties in a dispassionate,
30 Unattached way.
31 The more you want, the least you get.
32 Those that must have, they are never are really satisfied.
33 Desire is the lead to suffering.
34 Take less and don't be obligated.
35 Care for your mate not to the point where you're falling in love and hard to live with.
36 Things will happen with or without you, so you don't have to be a part of it all.
37 That does not mean that you should not be a part of, it just means you don't necessarily have to be a part.
38 This world in temporarily, don't need it, or you will be bound to it all, and it never really gives.

Tablet Twenty Eight
"Power Knowledge And Control"
(19x1=19)

Lo! Enosites, knowledge of something not only gives control over it, but over those who have no knowledge of it.
2 One buys a certain brand of toothpaste in preference to another out of ignorance;
3 The advertisers know human weakness.
4 They claim that one brand has more sex appeal than another,
5 And they play on the weakness of the mind.
6 Everybody manipulates power in this way.
7 Politicians concentrate their energies on outwitting each other and the public.
8 They come up with such slogans as "law and order" and "peace with honor",
9 And they bombard the public with their energy in order to control the mass mind.
10 Gaining, some yogis and swamis use such simple, silly tricks and devices,
11 As using tiger skins to capture one's imagination,
12 And hence is the mind.

13 If the mind can be tricked,
14 It can be controlled.
15 Laboratory experimentation is; in effect, scientific meditation.
16 When the scientist discovers what has caused a certain mysterious disease,
17 He or she will then have a basis for cure.
18 There are principalities in high places trying to discover the secrets of nature,
19 In order to manipulate and control natures energies.

Tablet Twenty Nine
Purification And "Spiritual Practice"
(19X9=171)

Lo! Nuwaubians, I am about to take you on a journey to learning the importance of purification,
2 And spiritual practice.
3 You must always remember, that you shall always take care of your spirit,
4 And the first step is to take care of your physical body,
5 Which houses the spirit.
6 Three basic steps involved in spiritual practice are:
7 Severely simple living,
8 Self-study.
9 Surrender to El Eloh, The Most High.
10 Austerity does not mean physical abuse or severe rigors.
11 It refers to strict control for the senses, in order to conserve energy for higher pursuits.
12 Austerity in this sense means fasting occasionally,
13 Rise earlier, instead of sleeping late,
14 And reducing certain physical comforts for the sake of greater control of the mind.
15 What keeps the mind flowing in the desired direction?
16 Surrendering to El Eloh, The Most High's will.
17 One also surrenders the fruits of work performed.
18 This is selfless where one regards oneself as the instrument of El Eloh,
19 And it serves humanity with no thought of either credit or blame. El Eloh does not work for you, he works with you.
20 Ignorance, is the unawareness of reality. you can't really ignore a talking and moving person.
21 It is identification with the temporal world, rather than with the imperishable self.
22 Egoism is the "i-ness and my-ness,"
23 Which creates the illusion that the physical body is the real you.
24 "Likes/dislikes"- when a person is swayed by feelings of attraction and aversion,
25 He or she is identifying with the material world,
26 And he is setting him or herself up for the pain of loss and disappointment.
27 Fear of death, or clinging to life, is binding and stiffening.
28 None can say when death will come.
29 Fear of death is useless imagination,
30 A waste of energy,
31 And it creates waves of pain,
32 Which exist only in the mind.
33 Ignorance is the cause of the above-mentioned afflictions,
34 Which follow it,
35 Whether they be latent,
36 Or weak,
37 Suppressed,

38 Or aggravated.
39 The suffering which comes from egoism,
40 Attractions,
41 Repulsion,
42 And fear of death all stem from ignorance,
43 Regardless of the degree in which they manifest.
44 As the root of the other obstacles, ignorance of the true nature of the self, is the identification with the body and mind.
45 When ignorance is replaced by enlightenment,
46 All other causes of pain automatically disappears.
47 When in a state of ignorance, if an enosite mistakes what is mundane, for what is supreme;
48 He or she cannot differentiate between that which will bring pain to the mind and body,
49 And that which will bring immortality.
50 Egoism is manifest when the individual cannot distinguish his or her self from his or her senses and mind.
51 he or she sees him or herself as separate from the rest of the enosite,
52 Reacting to others with a sense of competition rather than cooperation.
53 Attraction is that which dwells on pleasure.
54 Most think of attraction and pleasure as positive things,
55 But when associated with objects of the material world they inevitably bring pain.
56 Nothing in the physical world is permanent;
57 Hence the constant fear of loss,
58 And loss itself keeps those seeking pleasure in an unhappy state.
59 This is why the spiritual person learns to cultivate a dislike for worldly pleasures.
60 In the event He or she is never disappointed or unhappy.
61 The result, ironically, is that by not seeking pleasure, he or she is always happy.
62 Just as attraction brings pain, so does aversion.
63 The mental attitude of aversion is a negative one,
64 And it often make a neutral situation appear as if it were one to be avoided.
65 It is not possible to avoid all distasteful circumstances.
66 When there are likes and dislikes, a person cannot be happy.
67 He or she is dwelling on illusory pairs- of -opposites,
68 Rather than learning to be content in all situations,
69 And surrendering to El Eloh's plan for his or her growth.
70 Fear of death is the continuous desire to live, which is rooted even in the minds of the wise.
71 The fear of death is the fear of the loss of identity,
72 Of letting go of the ego,
73 Even when all else is given up, there is still the clinging to life.
74 When these various afflictions are a minor distraction to the aspirant;
75 They can be merged back into their cause by substituting the opposite mental modifications.
76 For example, if egotistical thoughts arise, they can be combated by focusing on the all, and you being a part of a much greater love.

77 If feelings of attraction or avoidance enter the mind, then contentment or acceptance can be substituted.

78 If the afflictions are overt, and a there is a great distraction to the mind, they can be alleviated through regular meditation and prayer.

79 The law of fate states that every action brings about an equal and opposite reaction.

80 Whatever is done to others, will return to the doer and most people are continually creating new fatal situations.

81 This is due to ignorance and its accompanying afflictions.

82 Before final emancipation, all debts of fate must be worked out,

83 Whether one decides to do so in the present life, or in a form of hell or on the lower planes,

84 Which are referred to as hell.

85 Each must reap what he or she sows.

86 Various life experiences are due to the situations of fate that has earned him, or her by his or her thoughts, words, and deeds.

87 They have pleasure or pain as their fruit,

88 According to whether there is virtue or vice.

89 Overstanding this, the spiritual person strives to do only agreeable actions,

90 And to accept peacefully the ill that comes his or her way;

91 So that all his or her seeds of fate are burned,

92 And no new ones are sown.

93 Violence to others whether in thought or word, or deed, must be avoided.

94 Non-injury means more than refraining from inflicting physical pain.

95 Mental pain can be far more devastating.

96 When one is established in complete harmlessness, even wild animals will approach in peace.

97 The function of truth is to maintain harmony through trust.

98 It is better to be silent, than to tell a truth that will cause pain or that springs from a wrong motive.

99 A truthful person has power, for what he or she says comes to pass,

100 And his or her words becomes law.

101 Cleanliness also extends to the mind.

102 Only when the mind is purified of all things, can it be a pure mirror for clear reflections.

103 Laughter comes from stimulation,

104 But a smile comes from inner peacefulness,

105 Satisfied with itself, the mind needs nothing else for its contentment,

106 Which it grows in proportion to awareness of the inner self.

107 The mind should not be affected by external objects.

108 They may be possessed, but with detachment.

109 Do not let them possess the mind.

110 Austerity means curtailing the insatiable demands of the senses.

111 Drink water instead of bad drinks.

112 Practice silence instead of talking loud.

113 Control greed.

114 Counteract sleep, by getting up early.

115 When the mind learns, that its demands for pleasure will not be met through the senses,

116 It stops its useless wandering and turns inward.

117 Control of the senses clears the way for such powers as telepathy and clairvoyance.

118 Study of spiritual works, and the holy tablets helps to keep a person on the right path.

119 The book alone, however, can only take one so far,

120 And it can lead to intellectual pride.

121 Surrender to the will of El Eloh, The Most High, is necessary for ultimately everything depends upon his grace.

122 When negative or harmful thoughts disturb the mind,

123 They can be overcome by constant pondering over their opposites.

124 One must be ever alert, always watching the mind.

125 When useless thought waves arise, immediately replace them with positive thoughts,

126 Thus creating new mental habits that are conducive to spiritual growth.

127 Negative thoughts and emotions,

128 Such as violence,

129 Whether committed, abetted or caused through greed,

130 Anger or delusion,

131 And whether present in mild, medium or great intensity,

132 Result in endless pain and ignorance.

133 Thus there is the necessity for pondering over the opposites.

134 All thoughts, emotions, and actions, that are in opposition to righteousness;

135 Bring about the fate of further pain and ignorance.

136 This is true, whether the action is actually carried out,

137 Remains in thought form, or is incited in others.

138 Whatever the cause,

139 Whatever the degree of involvement, fate is still incurred.

140 This is why it is necessary to substitute positive subliminal thoughts, the moment negative ones are caught arising in the mind.

141 One who is firmly rooted in non-violence, this radiates this conviction to others.

142 He or she is so powerful that not even violent thoughts can exist in his or her presence.

143 The more a spiritual person flees from material objects,

144 The more they seem to come to the enosite.

145 The purpose of this natural law is two-fold.

146 The first is so that he or she may be tested, and confirmed in his or her renunciation.

147 The second is so that he or she, as a wise person, may appropriately dispense the wealth to benefit an enosite.

148 An Enosite is ever searching for happiness in external objects,

149 But it can only be attained when the mind is satisfied with what has been allotted and it is no longer looking for the attainment.

150 When the mind is stilled and contended, happiness is automatic.

151 When austerities, self-imposed disciplines, are practiced,

152 Great will is developed,

153 And the abilities of his or her physical body and senses are extended beyond what is considered normal.

154 Only by surrendering one's will,

Tablet 29:154

one's ego, one's life, to El Eloh is the superconscious state attained.

155 The reality of an object is due to the uniqueness of change.

156 Each object on the material plane can be identified and called a reality;

157 Because it is made up of its own unique combination of the three primary colors-red, yellow and blue.

158 An object is not dependent on one's mind;

159 For it still exists whether or not it is perceived by that mind.

160 The soul absorbs all of the changes through in which the mind goes, because it is the external witness.

161 All true knowledge exists permanently in the self,

162 While the mind is constantly being modified by thought waves.

163 The mind is something that can be observed as an object,

164 And not the source of knowledge just as Kingu,

165 Or called Sheshqi, and Lunar, which you call The Moon; is not a source of light, but a reflection of Shamash, The Sun.

166 It cannot perceive two things at once.

167 Even though thoughts are formed in a split second,

168 Still only one thought form exists in the mind at one time,

169 So it is impossible for the mind to be perceiving itself while it perceives something else.

170 If one mind could perceive another,

171 Then there would be cognition (awareness) of cognition, as well as confusion of memory.

Tablet 30:21

Tablet Thirty
"About The Mind"
(19X4=76)

Lo! The mind can neither perceive itself, nor perceive another mind,

2 For if this were the case there would be complete confusion of the knowledge,

3 And the memory of the different minds. The mind is but an instrument.

4 All knowledge come from beyond it.

5 From the mental.

6 Knowledge of itself comes through the self-cognition which occurs when the mind is stilled,

7 The explanations that the mind cannot perceive itself.

8 The mind is stilled, and it is allowed perception of itself through the right knowledge gained by the self is then also known by the mind.

9 It is then that the mind has full knowledge.

10 Obviously then, it is not intellectualization but meditation that brings self-knowledge.

11 Mind, though filled with innumerable tendencies and desire,

12 Acts for the self,

13 For they act in conjunction.

14 Mind is directly associated with the self so it acts for the self,

15 While it is still full of worldly thoughts.

16 Through discrimination, one can clearly overstand that the soul and mind are not the same.

17 The world is full of avarice,

18 Hypocrisy,

19 Flattery,

20 Untruth,

21 Double-dealing,

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 30:22 — Tablet 30:59

22 And selfishness,
23 And those who profess to be friends are often one's greatest enemies.
24 Beware of self-proclaimed friends, who came for money and other comforts,
25 When circumstances are affluent,
26 Then they disappear when the tide has turned.
27 These fair-weather friends give their own brand of advice,
28 They waste precious time in useless chatter,
29 And pull one off the spiritual path and down to their own level.
30 Of course, most people do not like to think that this is true.
31 Most would like to feel that their relationship is based on the fear of being alone, and the desire for diversion.
32 One should cut off connections that are not beneficial, and they should trust only the inner voice that dwells in one's heart.
33 Associate only with those own aspirations for perfection are uplifting and encouraging.
34 Useless talking and excessive debating should also be eliminated.
35 Diarrhea of the tongue wastes much energy that could be utilized for personal development.
36 Too much talking makes a person restless.
37 Just like a tape recorder, it cannot record, and play at the same time,
38 A person cannot talk and learn at the same time.
39 The wise speak only a few words, and then only when necessary,
40 For by their very economy they will carry the most force.
41 To help calm, center and discipline the mind,
42 Silence, can be observed for about two hours daily in addition to the time spent in meditation.
43 In order to be of the most practical value,
44 Silence is best practiced at those times when there is the most opportunity to talk.
45 People of an intellectual nature are often prone to unnecessary decision and controversies.
46 A person who is unable to remain quiet easily becomes involved in heated debates,
47 Too many of which leads to enmity, hostility and energy drain.
48 When intellectual reasoning,
49 Which is normally concerned only with investigation of the physical plane, it is used for metaphysical inquiry,
50 It can lead the student to the threshold of intuition.
51 Past this point, however, it is of no use of transcendental matters,
52 That are beyond the reach of reason.
53 One must give up arguing,
54 And become silent and look within.
55 Fault-finding is, likewise, a most detrimental habit.
56 The mind of the person who is always poking his or her nose into the affairs of others is always outgoing, and out of control.
57 No one can be introspective when the mind is engaged in activity of this sort.
58 Diligent application to spiritual practice allows no time for managing the affairs of others.
59 Forget the shortcomings of other people, and you must work to improve yourself first.

60 Life is precious and short.
61 No one knows when it will be taken away.
62 Every minute should be used for much higher purposes than gossiping and judging others.
63 Self-justification is another behavioral weakness to be overcome,
64 Along with its associated characteristics,
65 Self assertion, obstinacy, dissimulation and lying.
66 Once these weaknesses become established in the framework of the personality,
67 It is very difficult to eliminate them,
68 For the ego never admits to its own faults.
69 One lie covers another, an endless succession of vain attempts at self-justification.
70 Improvements come quickly,
71 And rapidly only when one learns to readily admit his or her faults,
72 Mistakes and weakness.
73 To have a petty-mind is closely associated with back-biting and trying to pull down other people.
74 All are caused by jealousy and ignorance.
75 This can easily be combated and eradicated,
76 By always rejoicing in the welfare of others.

Tablet Thirty One
"Uprooting Ego"
(19x3=57)

Lo! I have brought to your attention the knowledge on what you all carry within your personality,
2 And that is the ego.
3 Now I must teach you how to uproot the ego.
4 It must be evident by now that being righteous,
5 Being a child of the aluhum,
6 An Eloh, or El meditating and being saved,
7 Or being religious entails far more than just making a claim,
8 Sitting with eyes closed, and legs crossed, saying,
9 "I'm god," or lip confessions.
10 It demands rigorous introspection and an overhauling of one's personality.
11 Life patterns and values.
12 Behavior correction and the uprooting of weaknesses are relatively easy adjustments to make.
13 The more obstacles, which lie deep within,
14 The emotional imbalances and personality defects that nurture outward malevolent, dis-agreeable habits.
15 The petty obstinate egoism behind the mask of the human personality is one of the biggest hurdles to overcome,
16 For it veils the light within,
17 Which supports sur-face thoughts,
18 And perpetrates its own habitual feelings and actions.
19 This lower self -arrogant nature must be whittled down,
20 For if it persist in retaining its limited, false values,
21 No amount of spiritual practice will bear fruit.
22 Too often, people profess of being righteous,
23 Yet they are unwilling to eradicate the lower nature and change the old habits.
24 Clinging to them they refuse even to admit the need for change.

25 This type of individual will never make any real progress,
26 For without radical transformation of the lower nature, one goes no where.
27 It is not easy to change deeply ingrained habits,
28 And the sincere person who's just attempting to change often feels helpless against them.
29 By regular spiritual practice,
30 Untiring selfless service,
31 Association with spiritually minded people,
32 And strong determination to eradicate egoism a powerful but selfless will is developed.
33 One must introspect and discover all weakness and defects.
34 The transmitting of lower nature to higher nature demand full and heartfelt dedication.
35 Sometimes the old personality attempts to reestablish itself,
36 Even after years of purifying.
37 Obstinately self -assertive,
38 And self supportive by the lower mind and will,
39 It can make the aspirant incorrigible,
40 Unruly arrogant and impertinent.
41 Identifying with the ego, he or she breaks all the rules and disciplines,
42 Revolts against all things,
43 And all is ever ready to fight, with those who are unwilling to respect his or her views and opinions.
44 Wallowing in self-justification, and denying faults and defect,
45 The person may be unaware of the effects of his or her actions,
46 For the intellect had been clouded by impurities,
47 Not knowing what he or she means and not meaning what he or she says,
48 He or she is too self-willed and self-satisfied to see the error of his or her ways.
49 One who is not straight-forward and cannot keep discipline or open his or her heart to others, cannot be helped by any teacher.
50 Nothing can help one who deliberately shuts his or her eyes against the truth.
51 Such a person, instead of making progress along life's path, it remains stuck in the mirror of his or her own creation.
52 If there is any recognition that something is wrong,
53 The slightest attempt to improve,
54 Or even a slightly receptive attitude,
55 Then the errors can be corrected.
56 One who is frank with his or her teacher and him or herself, begins to realize the nature and source of his or her defects;
57 He or she is soon on the way to improving his or her life.

Tablet Thirty Two
"The Emotions"
(19X3=57)

Lo! First my children, allow me to give you knowledge on emotions,
2 This knowledge came from a divine scripture,
3 A scripture, which was received by me, to give unto you,
4 So that you may have right knowledge, right wisdom, and a right overstanding,
5 Which will lead you into sound right reasoning,
6 The science of Nuwaubu,

7 Which was given to you by the Anunnagi, the aluhum, the angelic beings.

8 The divine scripture is called the holy tablets, where it states;

9 Of all the emotional barriers, the most devastating is anger;

10 The greatest enemy of peace,

11 For it is the most negative.

12 It is a modification of lust,

13 For when one's desires are not gratified, one becomes angry.

14 The mind then becomes confused,

15 Memory and overstanding is lost,

16 And things are said and done without awareness or control.

17 Anger does great danger to one's own physical and psychic bodies.

18 As well as those of the others.

19 The whole nervous system is shattered by one fit of anger.

20 Occasionally a spiritual teacher expresses a little anger outwardly in order to correct a student,

21 But this should not be confused with an emotional outburst.

22 Though he or she may appear hot and indignant on the outside,

23 The true master remains cool within,

24 For his or her motive is the growth of his or her disciples.

25 Only when anger is the outcome of selfish or petty motives is it wrong.

26 Anger is very difficult to control, and especially when it has been allowed to grow and become habitual.

27 It is the most easily controlled when it is a small ripple in the subconscious mind.

28 One should watch the mind carefully for any signs of irritability;

29 Then control is no problem.

30 Frequent irritation over trifling matters is a sign of mental weakness.

31 This can be overcome by carefully developing its counterforce, the virtue of patience.

32 Just as heat and light can be transferred into electricity,

33 Anger can be transferred into spiritual energies.

34 All vices, unwanted qualities and wrong actions stem form anger.

35 When anger has been controlled, all others die by themselves.

36 Anger gains strength with repetition,

37 And in checking it one gradually strengthens the will.

38 By learning to remain silent even in the face of insult and abuse,

39 It becomes easier to check for emotion before they take form.

40 Always speak moderately and if there is a possibility of a burst of anger during conversation stop speaking and do something else.

41 Words should be soft and arguments hard,

42 For if the words are hard they create conflicts.

43 Drinking cool water, or taking a brisk walk are excellent aids in combating anger,

44 As in maintaining silence for a long time.

45 Smoking,

46 Eating bad food,

47 And drinking are irritants,

48 Which irritates,

49 And aggravates the problems,

50 And they are best to be avoided.

51 Family can bring out the worst in you.

52 Love ones know how to get inside

and upset you.
53 Don't argue when hungry.
54 If you except too much of others, you deserve the pain of a let down.
55 Do what you know you can, don't try to bring show off, it can bring you problems.
56 If you go into crowded areas, you're bound to find trouble.
57 You are in control of your emotions, you are responsible for whatever happens to you. You are always where you are suppose to be. look around you.

Tablet Thirty Three
"Fear"
(19X1=19)

Lo! My child! fear is the most debilitating emotion.
2 The student must always be willing to risk everything including his or her very life in the quest for spiritual perfection.
3 Timidity makes one absolutely unfearful to become a deity.
4 A criminal who is fearless and totally indifferent;
5 And unattached to his or her body is more fit for becoming a deity, than a nervous overcautious person.
6 His or her energies only needs to be re channeled.
7 Fear is a product of imagination,
8 But nonetheless it assumes real forms, and it can be troublesome in a variety of ways.
9 Fear manifests in many shapes, such as:
10 Fear of death, fear of disease, fear of solitude, and fear of company.
11 Taking hold of the mind,

imagination works havoc, and makes one prey to all sorts of fear.
12 Fear of public criticism especially stands in a way of a person striving for righteousness, especially in the pressing face of persecution,
13 One must stick to his or her convictions.
14 Only then can one grow.
15 Fear can be overcome by self-inquiry,
16 Devotion to a higher cause,
17 And the cultivation of the opposite of fear, courage.
18 Positiveness always overcomes the negative,
19 And courage always overcomes timidity.

Tablet Thirty Four
"Discouragement"
(19X1=19)

Lo! Know you,
2 That a lack of faith is one:
3 Discouraging,
4 And it is a dangerous obstacle;
5 In the path of personal development.
6 When these crop up,
7 The student is, in danger of slackening,
8 His or her efforts,
9 And giving up his or her practice altogether.
10 This would be a great mistake.
11 It must be remembered that;
12 There will always be periods when one's progress is more,
13 Or less apparent.
14 Whenever doubts arise,
15 The student should at once seek the company of spiritually elevating people,
16 And they should remain under their

influence for some time.
17 Conversing with people of firm
18 And clear faith,
19 And practice clears all doubts.

Tablet Thirty Five
"The Mind ItSelf"
(19x5=95)

Lo! My children, by now you have received knowledge about the mind,
2 Which, as I told you works with the brains,
3 This journey which you are about to begin, is teaching you about the mind itself,
4 Negative thoughts seem to assail and attack with doubled force,
5 When the person striving for righteousness tries to rid him or herself of them.
6 This is the natural law of the resistance.
7 Eventually, they will perish,
8 For negative thoughts cannot stand before positive thoughts.
9 The very fact that undesirable thoughts create a feeling of uneasiness when they arise,
10 Indicates growth and maturity,
11 For at one time these thoughts were welcomed into the mind.
12 However they cannot be driven out forcefully or suddenly,
13 Or they will turn against you with increased energy.
14 They wither away of their own accord when the person persists in his or her practice with tenacity and diligence.
15 The mind must be watched particularly when it is relaxed.
16 Negative thoughts must be countered immediately with positive thoughts,
17 For ill thoughts are destroyed by good thoughts.
18 Just as it is easiest to stop an intruder at the gate,
19 So it is easiest to check a negative thought as soon as it arises.
20 It can be nipped in the bud by a sustained spiritual practice,
21 Good actions and awareness of the misery which arises from negativity.
22 Hatred, like anger, is one of the fiercest foes of the serious student.
23 Like greed or lust, it is insatiable.
24 Though it may temporarily subside,
25 It can burst out again with redoubled force.
26 It is like a contagious disease, which infects one person after another.
27 Contempt, prejudice and ridicule are all various modes of hatred.
28 Infatuation and attachment are serious obstacles because they are subtle as well as powerful.
29 When millions of people are killed during a war, a mortal man does not weep,
30 Yet he or she weeps when his or her spouse dies.
31 This is because infatuation creates the idea of "mine,"
32 And the greater the attachment, then the greater the pain.
33 When a person speaks of "my wife, "my son", or "my home",
34 He or she reveals an attitude of separation from the rest of humanity.
35 So long as there is identification with the ephemeral physical world,
36 Little progress can be made on the path of becoming a child of the Aluhum.
37 Greed, which is closely linked with

infatuation, is insatiable, and it agitates the mind.
38 Even though an enosite may be a millionaire,
39 He or she schemes to become a billionaire.
40 Greed assumes various subtle forms.
41 If a mortal man thirsts for name and fame,
42 This also is greed.
43 Infatuation, attachment and greed are destroyed by vigorous self-inquiry,
44 Prolonged meditation and constant spiritual practice.
45 Another impediment to perfection is memory,
46 Or the recalling of past events.
47 To overstand this,
48 Assume for a moment that one is meditating;
49 In a solitary country setting.
50 If memories of a past holiday in New York arise,
51 And the mind is allowed to dwell on them,
52 For the moment;
53 One will actually be living in New York,
54 In a past time.
55 This applies also to daydreams.
56 Looking back to past experiences gives life to the memory-picture,
57 Reinforces it and pulls the mind away from its true nature.
58 A god never looks back.
59 This does not mean don't reflect on the goods of the past.
60 In fact listening to music of when you were a child;
61 And you remember your mom or dad,
63 Your grandma or granddad singing,
64 Or listening to the oldies; of their time,
65 The sound waves will re-activate dead brain cells.
66 It's one of the keys to rejuvenation,
67 Or the fountain of youth.
68 Get those old records out,
69 Put them on,
70 Tape play them,
71 And reflect on when you were a child, full of health.
72 It will give you new found feelings of youth.
73 It will actually make you younger in heart, body
74 And mind.
75 And the total opposite for those elders who listen to this new music,
76 It will remind you of your age and your speed your death.
77 For aspirants traveling the spiritual path;
78 And dedicating all action to El Eloh, The Most High,
79 There is no greater crime than using religion,
80 To take advantage of trusting people.
81 In fact religious hypocrisy is much worse than ordinary hypocrisy.
82 For the religious hypocrite makes a mockery of spirituality,
83 And the supreme being as they call god,
84 That is called by many names,
85 By different religious denominations.
86 ANU to the Muhammadans,
87 Thehos to the Christians,
88 Yahweh or Hashem to the Hebrews,
89 Krishna to the Hindus, etc.
90 He or she needs to undergo a long;
91 And drastic course of treatment,

Tablet 35:92

92 Imposed upon the mortal man by somebody else,
93 For he or she, is too egotistic,
94 And devious to apply self-cure,
95 Or even to want it.

Tablet Thirty Six
"Complications Of Daily Life"
(19X2=38)

Lo! Unfavorable environments,
2 Un-Congenial atmospheres,
3 And other obstacles do not necessarily lead to the defeat of one's efforts.
4 Rather,
5 They can serve as trials,
6 And aids in the development of such strong powers as discrimination,
7 Empathy, will, and endurance.
8 On the other hand,
9 Undesirable company is highly disastrous,
10 For such contact fills the mind with useless ideas, hate, racism, sectism etc.
11 To avoid being pulled into negativity,
12 The righteous person should protect him or herself carefully from any distracting influences.
13 People who lie and steal,
14 Or are greedy,
15 Or indulge in backbiting,
16 And they pass the time with idle gossiping;
17 They have no place in the life of righteous person. The elder use to say: The more you notice a monkey, the more it will clown. Avoidance is safe. Avoid those disagreeable.
18 The healthiest approach;
19 Is to strictly avoid them.
20 The term undesirable company

Tablet 37:6

includes more than just people;
21 It's anything that gives rise to negative thoughts, like bad music, dangerous sports,
22 All negative vibrations.
23 Rowdy surround- ings, dark parties, gangs, the wrong places to be,
24 War, murder, books, and tapes with lots of killing and lust,
25 And songs that create discontent,
26 Movies and television programs centering on violence and sensuality,
27 All that lead the mind astray and fill it with desires it would not normally have.
28 One should even consider curtailing the reading of some newspapers,
29 For their intent,
30 As well as effect;
31 Is to tantalize the mind with waves of unrest,
32 And sensationalism.
33 All these distractions draw the mind outward;
34 Rather than focus it inward.
35 They foster the illusion;
36 That this world is a solid reality,
37 And obscure the supreme truth,
38 Which underlies all name and forms.

Tablet Thirty Seven
"Stumbling Blocks And Stepping Stones"
(19X1=19)

Lo! You mortals must watch your mind very carefully,
2 Be vigilant.
3 Be on the alert.
4 Do not Allow the waves of irritability,
5 Jealously,
6 Hatred

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 37:7

7 And lust to disturb you.
8 These evil waves are enemies of peaceful living,
9 Meditation,
10 And wisdom.
11 The obstacles and stumbling blocks on the path of righteousness,
12 You can be easily overcome once an intelligent,
13 And comprehensive overstanding of them has been reached.
14 One should always bear in mind that failures are but stepping stones to success.
15 One must train the mind properly
16 And not be discouraged,
17 For the journey to perfection was never completed;
18 Through one shadow hour,
19 Which you call night.

Tablet Thirty Eight
The Other Side Of Tiamat (The Planet Earth)
(19X3=57)

Lo! You mortals have no knowledge of what exists on the other side of the planet,
2 Which you call earth.
3 One reason, is because,
4 Most of you don't care about anything except what is in your immediate presence,
5 This is one of the bad qualities that you mortals carry.
6 Existence in the physical body is but a flash in the life of a soul.
7 The brevity of earthly life, becomes more apparent, the older a person gets.
8 As the seeker progresses on the path of righteousness,
9 He or she begins to realize that all of

Tablet 38:21

existence is a spiritual experience.
10 The only purpose of moving in and out of physical bodies is to advance toward perfection.
11 Death is simply another spiritual experience or phase through which the soul passes. It is also a sickness that can, and will be cured.
12 During that period of transition referred to as "death" the body ceases to perform the life functions, it's sick.
13 The physical body is of the gross earth plane,
14 For it comes from and is composed of the elements of the earth. So the cure is also here. True age should be 120 years of earth time for this body (Genesis 6:3). Bad food, air, water and thinking is why it ends before 120 years.
15 Having served its purpose, it returns to the earth, but when and how one dies is the key. Even god or Yahuwa, or **ANU** has a time. For it says each day to the lord Yahweh is like 1,000 years. (**Psalm 90:4, 2**, uses the word **Eleph** (אלת) for 1000, and **Peters 3:8**, which uses the Greek word **Khil'ee-Oy** (ξιλιοι) for 1000 and the word **Koo-Ree-Os** (κψριοω) for Lord, or Master, and also the **Koran 32:5**, which uses the Syriac Arabic word **Alf** (الف) for 1000) so he does have time, 1000 years is one day to god, so he to has a life span as the beginning and the ending.
16 The soul separates to exist on other planes.
17 Earthly existence is but a fraction of the experience of the soul.
18 Every person has three bodies-the physical body,
19 The astral body, and the causal body.
20 His or her own trinity.
21 The physical body is also called the food sheath,

EL HAAYUH RAWUH — THE LIVING SOUL

Tablet 38:22

22 For it is composed of what is eaten,
23 And at the end of life it returns to the food cycle.
24 The astral body is composed of the vital sheath, which contains all the energy;
26 The mental sheath, which contains all emotions and desires; and its life span is 1000 years as the lord or lords Aluhum.
27 And the intellectual sheath, which performs the functions of analyzing the thinking.
28 The causal body is made up of the bliss sheath, for its nature is pure bliss.
29 The astral body, which interpenetrates and extends 6-8 inches beyond the physical body,
30 Where it is frequently called the "haalah or aura."
31 The physical body is the vehicle of the astral and causal bodies,
32 While the soul is to incarnate on earth in order to learn the lesser.
33 When death comes, the astral body, with the ether,
34 The mind, memories, past impressions or thought waves,
35 And the senses which all exist in the astral body separate from the physical body.
36 They move out of the earth's plane to higher planes, not merely a higher place, but also to higher levels of vibration.
37 Where other types of knowledge are gained.
38 When death actually occurs, the soul accompanied by the astral body departs from the physical body, to spare its 1000 year life.
39 It travels to different planes according to its Gadur, meaning "fate".
40 The results of good gadur maybe the enjoyment of heavenly surroundings,
41 While negative gadur earns

Tablet 38:57

unpleasant experiences beyond the physical plane.
42 After leaving physical life,
43 The soul's experiences, correspond to the after-life, or he or she has come to expect.
44 The soul travels to a plane that is most influenced by the last thought.
45 Prior to death which is determined by the types of thought,
46 Which predominate throughout a person's life.
47 There can be no doubt that heaven and hell exist,
48 Both here and elsewhere although these are as much as state of mind as a solid reality.
49 An Enosite who has been selfish, greedy or brutal in his or her dealings with his or her fellows,
50 Will exist on a lower plane where they must face the memory, and the gadur effect of those deeds.
51 One who has lived a virtuous life travels to a higher plane to other planets, where the soul will have but to think of that which it wants,
52 And its desire will automatically manifest from his or her thoughts.
53 But those who have transcended the idea of heaven rewards, who overstand the nature of birth and rebirth,
54 And no longer wishes to partake of the endless round of material pleasures and pains, travel to even higher planes on to other worlds,
55 Where everything is of a purer and lighter vibration.
56 There is still pleasure, for these souls will have accumulated much agreeable gadur.
57 But the experience is a learning one. this is the workings of the mind.

This Is How It Was Recorded
And This Is How It Will Be.

CHAPTER EIGHT

EL ZERA SHIL NAKHASH — THE SEED OF NAKHASH

Begin All Acts And Thinking By Using El Kuluwm, The All

Tablet One
The Birth Of Haylal Also Known As Shakhar
(19 x 2 = 38)

Lo! I, Murduk, also called Melchizedek, son of Nayya Enqi and Nindamkina, took a baby Garub "Cherub" of the race of Maarid, which is the most powerful and rebellious race, species. His name was Haylal, which means "the crescent",

2 And we had him live amongst the Anunnagi, Aluhum Sarufaat "Serapheem", 200 of which became forever loyal to Haylal.

3 This baby Garub, Haylal, was a constant reminder to the Aluhum Sarufaat of the rebellious nature of the Aluhum Garubaat "Cherubeem" who followed Shakhar, his father.

4 I, Murduk, had my hopes up in reforming his nature from disagreeable to agreeable.

5 This is why I took him and taught him, myself.

6 His name was El Haris. Some called him Abu El Ghimr.

7 The name of this young Cherub was: Haylal Bar Shakhar, meaning Haylal son of Shakar, or Sama'El meaning "Poison Those of El", who was son of *Shakhar*, meaning *"of the Dawn"*.

8 His appearance was nothing less than magnificent and he was extremely learned.

9 He had a brown hue having both green and red lights,

10 His nature leaned towards the amber, giving him a yellow to orange light of fire.

11 As he matured, he continuously excelled in every field and endeavor until he became a highly esteemed teacher amongst all the Anunnagi, Aluhum.

12 Although he was very young, all the Anunnagi recognized his great intellect, yet he never reformed.

13 This was not enough for Haylal, known as Sama'El.

14 His true nature began to manifest as he became very proud and arrogant; being by nature from the race of Jinn and Kaafiruwna in the school of Muhammadism.

15 He was no longer satisfied with being just a teacher, he decided that he wanted to rule the kingdom of Malakuwt.

16 He felt that he was greater than all the Anunnagi.

17 Furthermore, when Sama'El heard that El Eloh would place a Najuyat, meaning "successor," Kadmon, to be a successor of Atum, his physical father in the planet Earth, to rule the kingdom of Naasuwt,

18 He was afflicted with rage and envy; for he wanted to rule both Malakuwt and Naasuwt.

19 Haylal thought he was better than Kadmon, because Kadmon's body was shaped of clay, and Haylal's form was of fire, or old sun cycle.

20 Yet, Kadmon had a soul that Haylal did not see. Kadmon was endowed with 33 and 1/3rd or 120 degrees of green light.

21 Kadmon had been given special words of teaching from the Zodoq Priests, the Rabbiyuwn, masters,

22 And 33 and 1/3rd or 120 degrees

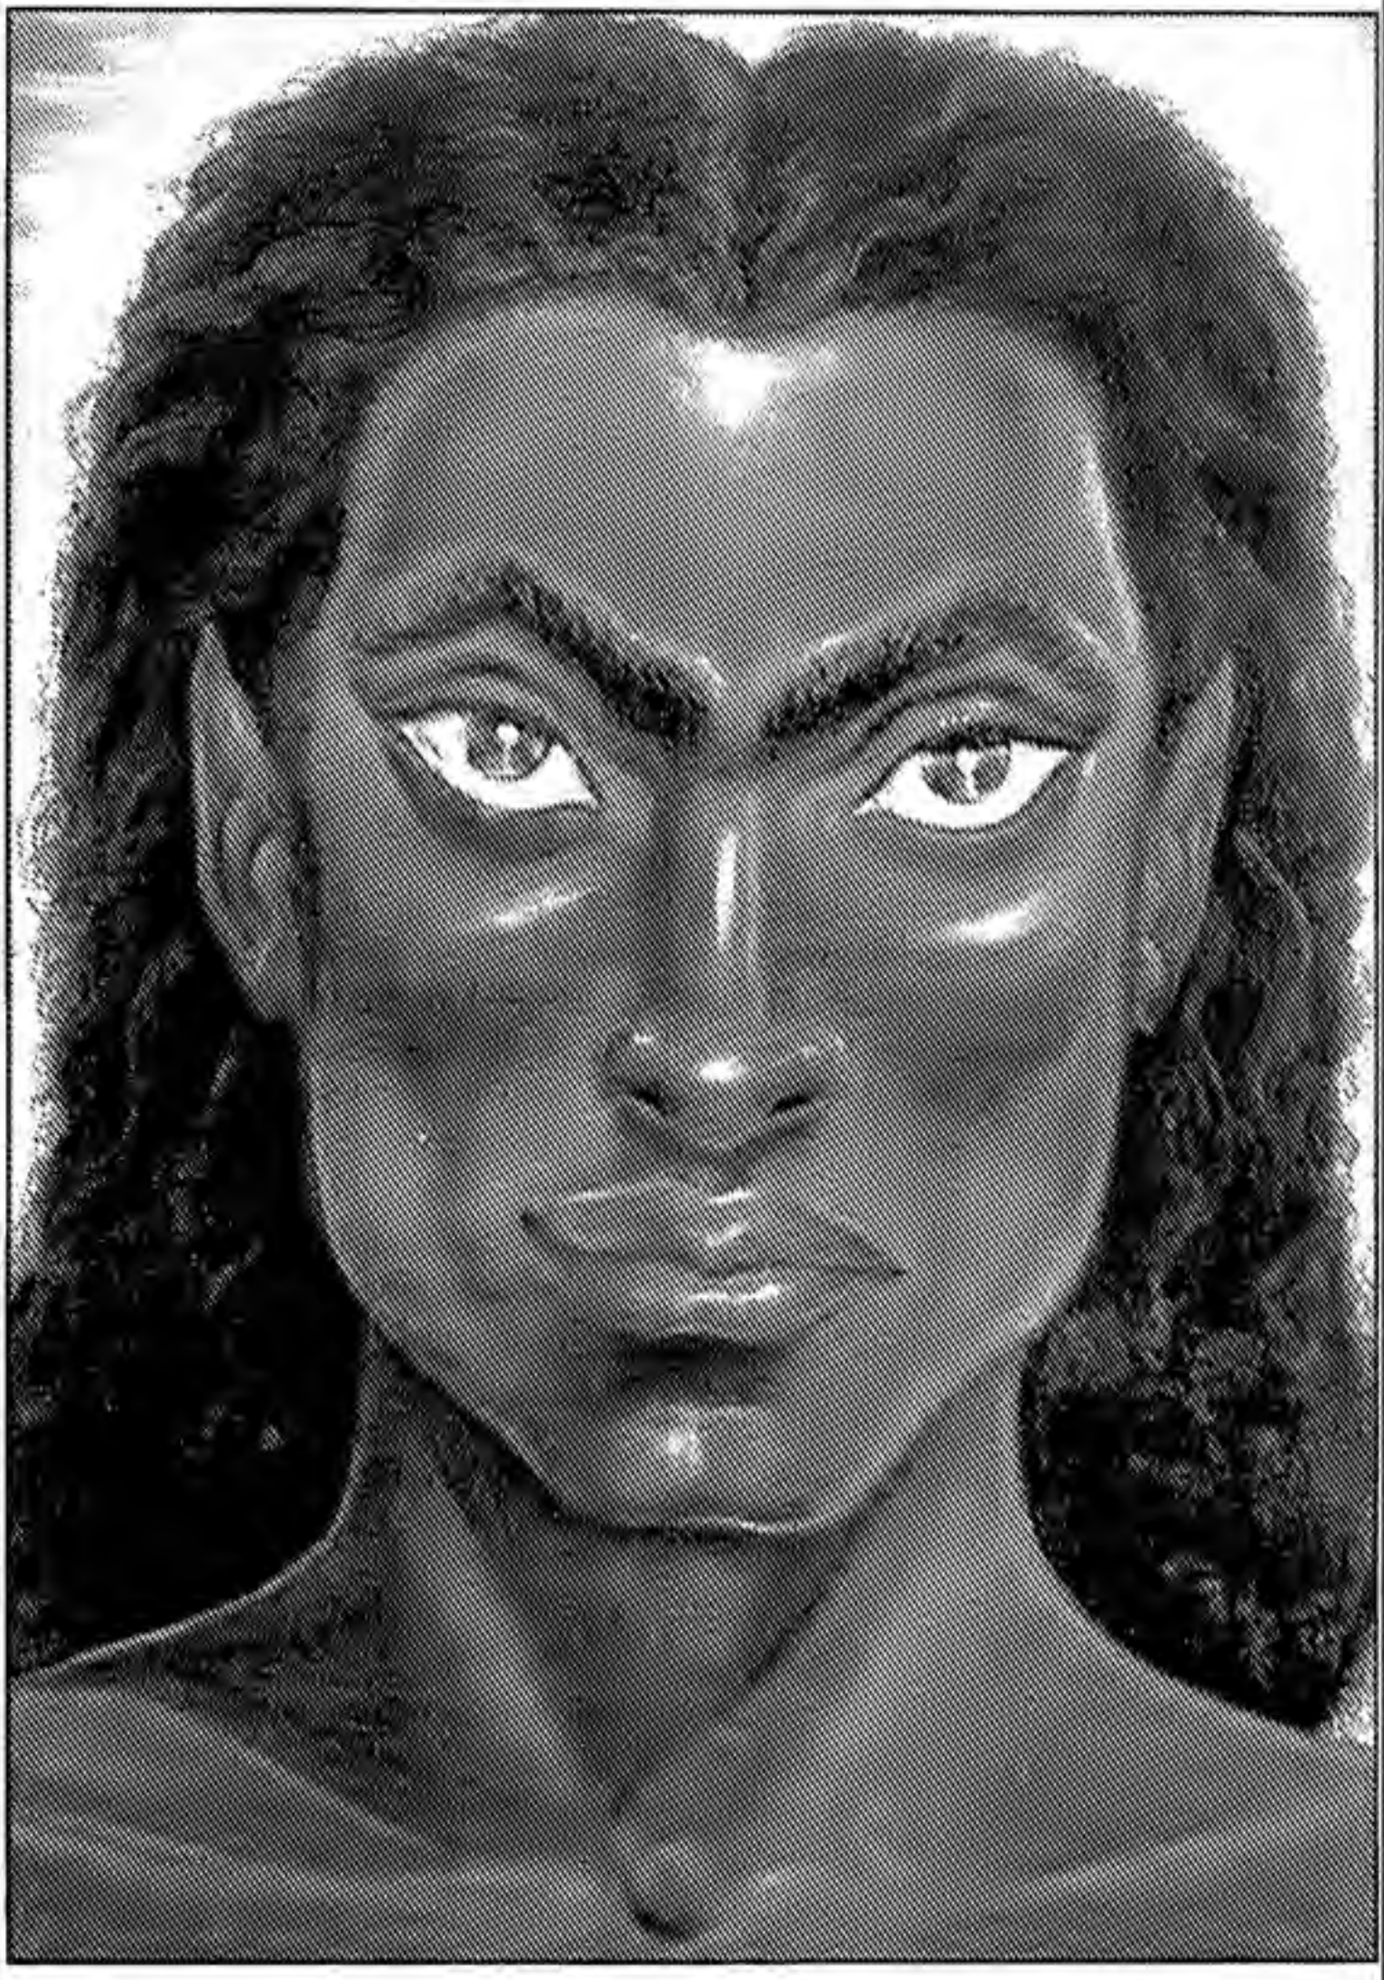

Figure 204
Tarnush Also Known As Shakhar

Tablet 1:22 Tablet 2:4

Garubaat- Na-ur - "fire",
23 And 33 and 1/3rd or 120 degrees Humim - Anusaat or human nature, giving him, Kadmon, 360 degrees of will power.
24 Haylal was only 180 degrees of Garubaat–naar–fire: smokeless poisonous fire, filled anger and pride.

The Commandment To Bow Down

25 When El Eloh the source, commanded the Anunnagi to prostrate before Kadmon out of respect for his knowledge that was taught to him by El Eloh the source, for his will power and his power, to pro-create on his own.
26 All of the creation of the skies' hosts prostrated except Haylal.
27 He refused to prostrate because he was too proud. This was the second reign of the rebellious Anunnagi.
28 He said: A'LYUN A'LYUN EL, The Most High The Highest, created me of smokeless fire of the sun cycle;
29 And he created Kadmon from merely clay of the moon cycle. I am superior to him because I am before him. I am older than he, greater than he. Am I not?
30 At this time Haylal or Sama'El became known as Ibliys, the "rebellious one",
31 Because he disobeyed the Rabbiyuwn, the masters of that realm's command to prostrate before Kadmon.
32 So ANU, A'LYUN A'LYUN EL, The Most High, sent Murduk son of Enqi and Damkina, to discharge Ibliys from the kingdom of Malakuwt.
33 Ibliys and his army of 200 Anunnagi Garubaat fought against Miyka'El and the Sarufaat.
34 Miyka'El defeated Ibliys and his army of 200 Sarufaat Aluhum who fell from grace becoming Garubaat for a second time, as did their ancestors.
35 El Eloh expelled Ibliys and his army of 200 fallen Anunnagi from the skies.
36 He cast them into the planet Earth where Ibliys swore he would deceive Kadmon, the Adamite and his descendants.
37 El Eloh the knower, commanded Kadmon to leave his heavenly paradise, and lessened down to inhabit paradise on Earth as a Najuh meaning "successor".
38 Because he, Kadmon inadvertently taught Ibliys about "Will" when Ibliys observed him reading The Holy Scroll, The Supreme Scroll, The Tablets Of Destinities. Thus, began Kadmon's life in Gan, the Enclosed Garden, a place of delight east in Eden on the planet Earth in what is called Naasuwt, the realm of the human beings, which was located in Baali.

32 Fall not into his hands, nor fall victim to his tricks.

33 Nor should you desire to follow the ways of your mother Nekaybaw, for she slipped,

34 Follow the ways of the seed of Nekaybaw, and not the ways of the seed of Haylal,

35 And it was by her weakness did the whole family of Kadmon fall from grace.

36 Also the seed of Haylal came to Earth as an open enemy unto all of you.

37 Don't fear him, destroy his way to your soul by your faith.

Stay On The Right Path
(19 x 1 =19)

Lo! He was but a baby in the hand of life,
2 Yet he did the disagreeableness of an old being,
3 Haylal, made all who listened, his meal.
4 His time is numbered, by your deeds;
5 Reject him, and he will return to nothingness;
6 Feed him; and as a star he will grow,
7 And as a growing star, he will consume all those that are on his path.
8 O seed of Kadmon, only by your faith are you saved.
9 O you who are faithful, stay on the right path, and you will indeed return unto The Most High, A'LYUN A'LYUN EL, and you will dwell, forever in his Heavenly Garden.
10 In it are agreeable Anunnagi to befriend you as one of them.
11 For after your death you will again be of the hosts, the Anunnagi.
12 Beneath you wilt be rivers of pure water, and,
13 A vessel of honey,
14 A vessel of milk,
15 And a vessel of wine.
16 Drink of the honey for healing,
17 Drink of the pure milk for strength, and,
18 Drink of the pure wine for spiritual growth. All of this is yours if you keep your faith.

18 Yet I never worshipped anyone save you, A'LYUN A'LYUN EL, my Ruler of all;

19 And you alone I seek, no partner save you; no mother, no father, no daughter, no son; All belong to you and you are alone.

Tablet Five
Seed Of The Cherub
(19 x 1 =19)

Lo! O seed of the fallen giants of Malakuwt, disagreeable Aluhum,

2 Cast down to the planet Earth for your rebelliousness,

3 Tempters of my seed,

4 We, the agreeable Aluhum will return unto El Kuluwm, The All.

5 For El Rabb, the Sustainer **ANU** said: Hear o you Earth! and you of the Galactical Heavens thereof; you are to hear about the labors of El Eloh, **ANU**.

6 For what was given to me, from

Tablet 5:19

Mother Ninti by El Eloh, to be in my keeping, for in the last days, that of men and Anunnagi have gone away from me, have forgotten my name and have forgotten by authority and concern.

7 My kingdom in the Galactical Heaven, Rizq, was scattered and broken up by the rebellious one, Tarnush and those, the 1/3rd who followed him.

8 I sent my appeal unto the fallen Anunnagi:

9 Saying: greetings unto you all;

10 Behold what we have done,

11 And also what has come to pass!

12 Wherein you have copied after my ways, he have gained dominion;

13 But of what profit unto mortals or Anunnagi?

14 Because you know that I, El Fatuh, "The Opener" of the seed appointed Murduk, Nayya Malachi Zodoq York-El unto mortals,

15 You, disagreeable ones have also appointed Anak, Haylal's wife,

16 Who you also have sent unto the mortals,

17 Though not for their resurrection, but to raise up mortals to serve your needs. Human devils, Negroids, Mongoloids, and Caucasoids.

18 You have thus built on the planet Earth for the glory of your own kingdom, religion, which is the kingdom of the Devil.

19 You have done this for your own needs of Krishna, symbolic of Christ, and for Ishtar, who is symbolic of Mary, which they seem to appear in every religion, in some form or fashion. The key, which locks the mind in the spell.

Tablet Six
The Story Of Anak, The Wife Of Haylal
(19 x 3 = 57)

Lo! Haylal and his wife Anak spoke on the cunning and mischief of women.

2 Anak happened to meet the deceitful one by her scheming and she asked:

3 "Are your devastation's greater, or are my evil-doings greater in Earth?"

4 They mutually decided that they would work all through the day and come together in the evening,

5 And then they would determine whose course is greater in devastation.

6 They both set off to cause confusion and turmoil.

7 The old woman dyed both her hands red,

8 And she came to a newly wedded bride, and as a gesture of love she rubbed her hands on her neck and breast, coloring her neck and breast red,

9 Then Anak said to the bride, it is very sorrowful indeed, that a charming girl like you, has attained such fortune, of possession of such a husband like that.

10 She then went to the woman's husband and said to him:

11 "Your wife has had several relationships with a dyer,

12 I know him personally,

13 He dyes in red.

14 I saw it with my own eyes;

15 I myself saw him putting his arms around her neck.

16 Enraged, the husband rushed to his wife and saw the color red on her breast and neck.

17 This affirmed what the old woman had said to him.

18 So, he knifed his wife killing her.

19 The old woman informed the brothers of the wife of the incident:

20 She spoke saying, I saw the husband go mad without cause, and he killed their sister, while she was adoringly and conscientiously dying him a new red cap.

21 They were enraged, so the brothers departed from the company of the old woman,

22 They subsequently found the husband standing over their slaughtered sister with the knife still in his hands.

23 Uttering not a word, and asking no questions, they dragged the husband through the streets.

24 Until they reached a cedar tree and they hung him there.

25 Finally the old woman ran to the family of the husband and told them that a mad man killed their daughter-in-law,

26 And despite their son's efforts to save her,

27 Her brothers came and found the husband standing over the dead woman's body and they assumed the wrong thing.

28 So they killed the husband, hence, the husband's family sought revenge.

29 This great animosity that erupted between the family of the husband,

30 And the family of the wife was exemplary of the first war between 2 families–nations to ever exist.

31 Hence from this war was born.

32 After the sunset, the old woman went in search of the deceitful one.

33 She saw him working in the name of deviltry,

34 Where he was instigating an act of unlawful sexual intercourse between a

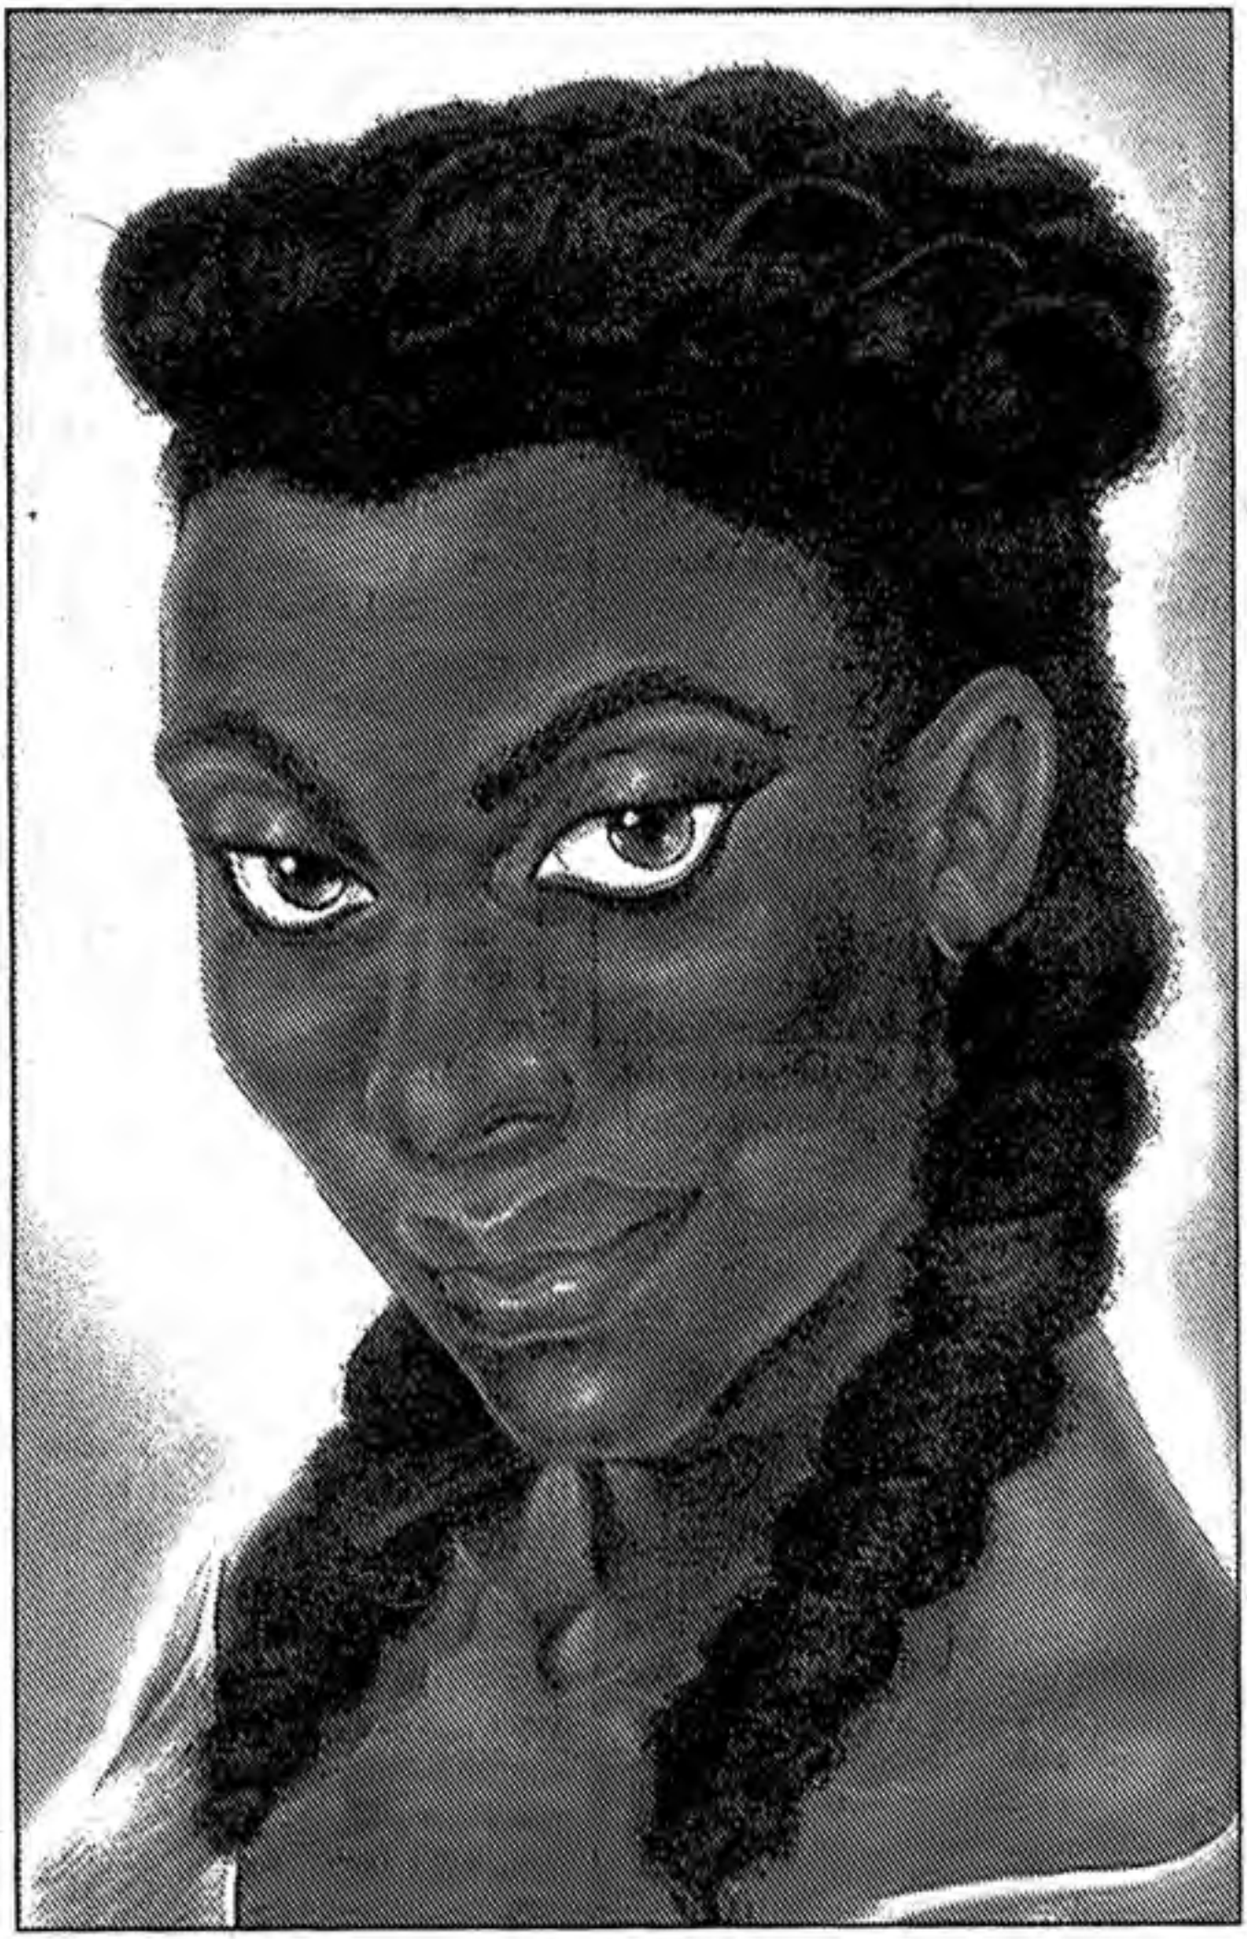

Figure 207
Anak, Wife Of Haylal

man and a woman standing in the shade of two separate trees.

35 The old woman asked him;

36 What feat has he accomplished since the morning.

37 He replied that he had not performed any accomplishments,

38 The old woman replied:

39 Woe to you, for I have brought about the killing of a large number of innocent, reply:

40 The first war of families in the world, and you have done nothing yet?

41 The deceitful one said:

42 A backbiter and mischief monger cannot be born until a person like these two indulge in adultery.

43 Look at them:

44 He is coming east,

45 And she is coming west.

46 At the appearance of the setting of the sun they will see one another and they will covet one another;

47 And consequently miss the sunset prayer,

48 While in the heat of lust and passion,

49 So, the old woman in an effort to circumvent the deceitful one he ran to the woman, and to the lad, and he told them of Haylal's plan.

50 They prostrated:

51 So when the old woman ran back to the deceitful one to tell him how she prevented him from beguiling the woman and man,

52 She missed the **Layul Tafulat** "shadow hour prayer":

53 For even the deceitful one prostrated to The Most High.

54 He told her, by her own spitefulness, he caused her to miss **Tafulat.**

55 He is a great misleader.

56 So, she vowed to do disagreeable acts forever;

57 For she was the mother of witches and his slave, and his wife from then on.

Tablet Seven
Beware Of Haylal And Anak
(19 x 1 =19)

Lo! A'LYUN A'LYUN EL appointed in Gan, the Enclosed Garden, Anunnagi,

2 Surveyors to survey the planet Earth and the atmosphere, yet the disagreeable one hid inside Gan, the Enclosed Garden.

3 So when the surveyors had finished surveying,

4 They returned to Qodesh the holy place to say: all is well for Kadmon in Gan.

5 Yet Haylal and Anak awaited,

6 And when the time was just right, Haylal tricked Nekaybaw, the wife of Kadmon, as Anak tricked Kadmon in the form of nature and they swayed Kadmon away.

7 Cursed be the seed of Haylal and Anak,

8 And their children's seed after them on the planet Earth. We will from henceforth watch them with both eyes, and all the Anunnagi cried for the fear of Kadmon's seed,

9 For they knew Haylal, the master of deception and Anak, the mother of lust and temptation.

10 When all of this was over, the Anunnagi sang; as if it were a new song.

11 All the heavens gave praise. They sang for the last 1000 years, and they cried for 6000 other years,

12 For in it, (6000 years) shall the seed

of disagreeable rule.

13 The Anunnagi asked A'LYUN A'LYUN EL can they stand on the side of Kadmon's seed?

14 A'LYUN A'LYUN EL said: Yes! And they asked: can they help Kadmon's seed?

15 Again A'LYUN A'LYUN EL said: Yes! They asked, can they take Kadmon's place?

16 A'LYUN A'LYUN EL said: no! So the 6000 years of crying began, such as the rain that falls upon the planet Earth.

17 Haylal went to all the masters, 24 in number, and said: If I can make mortals have faith that the sun rises, I will have his soul;

18 For I, Haylal had part in the creation of mortals,

19 He also belongs to me, and he will serve me by his own will.

Tablet Eight
Reject Haylal
(19 x 1 =19)

Lo! Cast them into the pit forever:

2 Shakhar, that original Shaytaan, whose name is also Taaghuwt and Jaan and Azazl, the father of Haylal.

3 Those who worship them are the children of disagreeable; the flatterers of the weak.

4 Blood is the ink of their Quill, and they write the pages of death, hate and war.

5 O seed of Enos, son of Seth stay on the right path!

6 Haylal only wants those who he can't have.

7 Reject him and he will run from you,

8 Seek protection in El Barr from him and his ways.

9 Protect your babies from him,

10 And you will protect the world from him

11 When a fool lights a fire he goes too close to it and gets burnt,

12 When a fool starts a fight, she goes too close to it, and gets knocked down.

13 Those who walk with the wise share their praise,

14 But those who walk by in the company of a fool, create an evil door in the street,

15 Do not be greedy, lest your name send forth an offensive odor.

16 It takes all sense of shame, mercy, and trust from one's heart and it causes turmoil in a family.

17 Those who are greedy, do not like to give to those who gave to them.

18 They do not consider tomorrow, for they are only concerned with the moment.

19 There is no end to the wrong done, when money and greed are together.

51 May you cut away the evil of unhappiness, and provide us with the word, the words of wisdom.

52 The grace of the word of wisdom, and the words of wisdom.

53 At this time, will you come and grace us with your presence?

54 O A'LYUN A'LYUN EL, O A'LYUN A'LYUN EL, O A'LYUN A'LYUN EL who is everywhere,

55 O the able one who always has the resonance of ANU,

56 O the good one, O ANU who exists with me through the day, and through time and explains justice,

57 May you come and grace us with your presence.

58 O A'LYUN A'LYUN EL, who is within and without,

59 You are a good conductor of worship and prayer.

60 O ANU, the most beneficent, and the good within all good things,

61 O the one of great good qualities, who overstand the laws and the justice-may you come within love, and grace with your presence.

62 O ANU, O ANU.

63 O the Aum-presence which exists at all times.

64 May you provide us with your grace, may you be the gift.

65 May you be the grace forever, O ANU.

66 Existing within the most expanded resonance of Amuwn, Amuwn, and providing the gentile with the overstandable words.

67 O Yahuwa of the Aluhum, may you provide that perfection,

68 May you live within their hearts, and provide the assistance of grace.

69 O ANU, O ANU, O ANU!

70 O the wonder which is complete over all the universe, O Amuwn who is complete over all the universes.

71 For all time, it is You. You are the one who is the Yahuwa of the Aluhum for all things. The entirety is you alone.

72 The source that is most complete, O ANU, O Yaa Rab shil El Amun, your beauty is that by which all days are good days, without the lifetime being destroyed, and being the right and the left.

73 You are the three times, and everything is in your grace, within the self, beyond the thoughts of illusion and the Earth, with hypnosis you have been chased, having run away, beyond the darkness.

74 You, O ANU, come and stand close by. O ANU, who is the source for all three times.

75 For the first one, the primal one, O green light that is ahead. O green light that mingles within the self,

76 O green light of the self. O the being the one who is alone, O the being, the wisdom that is beyond attachment.

77 O The Most High one who is in the heavens and the Earth's and beyond

them- you will come and grace us with your presence.

78 Within the **Kesay** *"throne"* and the **A'rush,** *"seat"* and the **Qalaam,** *"quill,"*

79 O ANU, who exists as the form of grace.

80 The grace of the consciousness of faith, certitude, conviction, being the "form" that is the self within the self,

81 Being the formed, yet the formlessness that executes, being the explanation that is a quark within the atom.

82 O ANU, O ANU, O the most expanded state of perfection,

83 O the complete treasure, O the grace that has no limitations.

84 O ANU, you must come; you must grace us with your presence. May you come here and look and see.

85 O ANU, O ANU, O the one who shines, may you come and rule us with your presence, your grace.

86 O that thing which has become the one within, and without, and in the writing.

87 O the one who exists as the body within the body, O the youthful one,

88 O ANU, O treasure of truth, may you come and grace us with your presence.

89 May you grace the state of the heart, blending with the body.

90 May you exist within my heart. O ANU, sustainer of the universe;

91 There is the Earth, the fire, and the water,

92 And the ether, and the air which hypnotizes, and brings about trances.

93 In the world, existing as the body,

94 These things and all these acts, are performed without truth in them.

95 O ANU, may you come and grace us with your presence, by introducing wisdom within us;

96 So that the hypnosis of the Earth and fire may leave.

97 ANU, The Most High, you are the treasure of the great prayer, the great meditation,

98 We need the grace of your resonance.

99 O most loving one, we need the resonance of your benediction, and your kindness.

100 Your kindness is needed.

101 Your grace is needed as the good day,

102 And we need the path to go beyond this day,

103 And beyond this time.

104 We need to achieve you,

105 And we need to reach you.

106 O Al Ansaar, may you come and, grace us with your existence,

107 So that we may know what is pure and go beyond, the five elements,

108 Which are: air, water, earth, wind, fire exist in the world of your grace.

109 To grow within the "form" of the green light,

110 And to achieve the quality of that exalted state,

111 To exist and to live within your love, and to mingle with you, may you provide us with this grace.

112 O ANU, Yaa ANU, Yaa ANU, the resonance of Eluh;

113 All the resonance that resonants within Eluh in the resonance of The Sustainer,

114 You are the One who sees the rays, who sees the quarks and everything, and enjoys them Yaa ANU, who is who he is.

The Parables Which Melchizedek Spoke With Me Before Melchizedek Was Myself, Malachi
(19 x 2=38)

Lo! Melchizedek said to Malachi," You know that you, as the servant of A'LYUN A'LYUN EL, are in a strange country, for your city is far away from this city, and your world is far away from this world, for your city in Rizq is called Salum. There you are king, but your city in Tiamat you must establish Salum, and there you will be their servant.

2 If then you know your city, in which you are going to dwell, why do you prepare lands here, and costly establishments and buildings and vain dwellings?

3 He therefore, who prepares these things for this city, is not able to return to his own city.

4 O foolish and double-hearted and wretched man, do you not overstand that all these things are foreign to you, and are under the power of another?

5 For the Adonai of this city will say:

6 I do not wish for you to dwell in my city, because you do not use my law.

7 If then you have fields, and dwellings, and many of her possessions,

8 When you are cast out by him, what will you do with your land and house.

9 All the other things which you have prepared for yourself?

10 For the Adonai of this country justly says to you.

11 Either you abide and use my law or go from my country.'

12 What then are you going to do?

13 Seeing that you have a law in your own city?

14 Will you because of your fields and other possessions altogether deny your law,

15 And walk in the law of this city?

16 Take heed that it is not unprofitable for you to deny your law,

17 For if you wish to return back to your city, you will not be received,

18 Because you have denied the law of your city,

19 And you will not be received, because you will be excluded from it.

20 Take heed, then make no further preparations for yourself beyond, a sufficient competence for yourself,

21 As though you were living in a foreign country, be ready in order that,

22 Whenever the master of this city wishes to expel you for resisting his law, you may go out from his city,

23 And depart to your own law, suffering no harm.

24 Take heed then, you who serve the Yahuwa of The Aluhum and keep Yahuwa of the Aluhum in your heart.

25 Do the deeds of A'LYUN A'LYUN EL, and remember his commands,

26 And the promises which Yahuwa of the Aluhum made,

27 And had faith in him, that A'LYUN A'LYUN EL, will perform his commandments if they are observed.

28 Therefore instead of lands, purchase afflicted souls, as each is able,

29 And look after widows, and orphans, and do not despise them,

30 And spend your wealth, and all your establishments for such fields and houses as you have received from the Most High.

31 For this reason did the master make you rich, that you should fulfill these

ministries for him.

32 It is far better to purchase such lands and house,

33 As you will find your own city, when you go to it.

34 This wealth is beautiful, and joyful, and it has neither grief, nor fear, but has joy.

35 Follow therefore not after the wealth of the heathen, for it is unprofitable to you, who are the servants of A'LYUN A'LYUN EL

36 Follow your own wealth, in which you can rejoice, and do not counterfeit nor touch that which is another's,

37 Nor desire it, for it is wicked to desire that which is another's,

38 But do your own work, and you shall be saved. Find your way to your land with Malachi. Find your way to that most Holy Place Qodesh, Wahanee, for there I will meet you.

Tablet Twelve
The Rich And The Poor
(19 x 2=38)

Lo! While I was walking in the country I noticed an elm and a vine,

2 And I was considering them and their fruits, when the shepherd appeared to me and said:

3 "What are you considering in yourself about the elm and the vine?"

4 "I am considering," said I, "that they are well suited to one another."

5 "These 2 trees," said he "are put as a type for the servants of A'LYUN A'LYUN EL."

6 "I should like," said I," to know the type of the trees of which you speak."

7 "You see," said he," the vine and the elm."

8 "Yes, " said I, I see them.

9 This vine," said he, "bears fruit, but the elm is a sterile tree.

10 But this vine, if it doesn't grow upon the elm, and it cannot bear much fruit, because it is spread on the ground, and the fruit which it bears, it bears rotten, when it is not hanging on the elm.

11 Therefore, when the vine is attached to the elm, it bears from itself, and from the elm.

12 You see then, that the elm gives much fruit, not less than the vine but rather more."

13 "How", said I, "does it bear more?"

14 "Because," said he, "the vine, when it hangs on the elm, it gives an abundance of beautiful fruit,

15 But when it is lying on the ground, it bears, but little fruit and it's rotten."

16 This parable, therefore, applies to the servants of A'LYUN A'LYUN EL, to the poor, and to the rich."

17 "How?", said I, "let me know."

18 "Listen , said he. " The rich man has much wealth, but he is poor as touching A'LYUN A'LYUN EL, being busied about his riches,

19 And his intercession and confession towards Yahuwa is very small,

20 And that which he has is weak and small, and it has no other power.

21 But that which the rich man rests upon the poor, and he gives him what he needs, he believes that what he does to the poor man can find a reward with A'LYUN A'LYUN EL,

22 Because the poor is rich in intercession and confession, and it has intercession, and it has great power with A'LYUN A'LYUN EL.

23 The rich man, therefore, helps the

poor in all things without doubting.
24 But the poor man, being helped by the rich, makes intercession to A'LYUN A'LYUN EL, giving him thanks, for him who gave to him,
25 And the rich man is still zealous for the poor man, and not befall in his life,
26 For he knows that the intercession of the poor is acceptable, and rich, toward the Yahuwa.
27 Therefore the 2 together completed the work, for the poor works in the intercession in which he is rich,
28 Which he received from Yahuwa: this he pays to Yahuwa who helps him.
29 The rich man likewise provides the poor, without hesitating, with the wealth which he received from the Adonai;
30 And this work is great, and acceptable with A'LYUN A'LYUN EL, because he was overstanding in his wealth,
31 He has wrought for the poor man, from the gifts of Yahuwa, and he has fulfilled his ministry rightly.
32 Among men, therefore, the elm appears as if it bore no fruit,
33 And they do not know nor overstand that there is drought, the elm, which has water that nourishes the vine,
34 And the vine having water continuously, gives double fruit both for itself and for the elm.
35 So also the poor, interceding with Yahuwa for the rich, complemented their wealth,
36 And again, the rich helping the poor with their necessities, complement their prayers.
37 Both, therefore, share in the righteous work. Therefore he who does these things shall not be deserted by A'LYUN A'LYUN EL, but he shall be inscribed in the scrolls of the living.
38 Blessed are they who are wealthy, and overstand that their riches are from the Most High, for he who overstands this will also be able to do some good service.

The Trees
(19 x 2=38)

Lo! Melchizedek showed I, Malachi many trees without leaves.
2 They appeared to me to be as if they were dry,
3 For they were all alike.
4 And Melchizedek said to I, Malachi:
5 "Do you see these trees?'
6 "Yes", I said, "and I see that they are all alike and dry."
7 And he answered me and said:
8 "These trees which you see are they who dwell in this world."
9 " Why, then, I said, " are they all alike and dry?"
10 And he answered me and said:
11 "In this world, neither righteous nor sinners are apparent, but are all alike.
12 For this world is winter for the righteous, and they are not apparent, though they are living with sinners.
13 For just as in the winter, the trees which have shed their leaves are alike,
14 And it is not apparent which are dry and which are alive,
15 So in this world neither the righteous nor the sinners are apparent, but all are alike."
16 Melchizedek showed me again, many trees,
17 Some budding, and some withered and he said to me:

Tablet 13:18 **Tablet 14:12**

18 "He said "do you see, these trees?"
19 "I see them," I said, "some budding and some withered."
20 "These trees," he said," which are budding are the righteous, who are destined to live in the world to come;
21 For the world to come is summer, for the righteous, but winter for the sinners.
22 Therefore when the mercy of A'LYUN A'LYUN EL shall shine,
23 Then the servants of A'LYUN A'LYUN EL shall be made plain, and all Adamites shall be made apparent.
24 For, just as in the summer the fruit of each individual tree is made plain,
25 And they are recognized for what they are, so also the fruit of the righteous will be plain, and they will all be known, by blossoming in that world.
26 But the heathen and the sinners, the withered trees which you saw, will be found to be such, dried and fruitless in that world,
27 And they shall be burnt up like wood, and they shall be made manifest,
28 Because their conduct was wicked in their lives.
29 For the sinners shall be burnt, because they sinned, and they did not repent, and the heathen shall be burnt, because they did not know their Creator.
30 Be therefore fruitful, that your fruit may be known in that summer.
31 But abstain from much business and you will do no sin.
32 For those who do much business, and serving A'LYUN A'LYUN EL in nothing."
33 "How then," he said "can such a one pray for anything from A'LYUN A'LYUN EL, and receive it, when he does not serve A'LYUN A'LYUN EL.
34 They who serve him, they shall receive their requests. But they who do not serve him, they shall receive nothing.
35 But if anyone be occupied with one business, he can serve A'LYUN A'LYUN EL also.
36 For his overstanding is not corrupted away from A'LYUN A'LYUN EL but he will serve him with a pure mind.
37 If therefore, you do this, you can bear fruit for the world to come.
38 And whoever does this, they shall bear fruit."

Tablet Fourteen
Vain Fasting
(19 x 1=19)

Lo! While I was fasting, and sitting on a mountain, and thanking the Most High for all that he had done with me, I saw the shepherd sitting by me, and saying,
2 "Why have you come here so early?"
3 "Because," I said. "I have a station."
4 "He said what is a station?"
5 "I am fasting, "as I have been accustomed, I said."
6 You do not know, he said, how to fast to A'LYUN A'LYUN EL,
7 And this useless fast which you are now fasting to him is not a fast.
8 " Why," I said, "do you say this?"
9 "He said I tell you," that this fast which you think to fast is nothing,
10 But I will teach you what is a fast and what is acceptable and complete to the Most High. Listen", he said.
11 A'LYUN A'LYUN EL does not wish such a vain fast,
12 For if you thus fast to A'LYUN

Tablet 14:12 **Tablet 15:29**

A'LYUN EL you do nothing for righteousness, but fast to A'LYUN A'LYUN EL in this way:

13 Do nothing evil in your life, but serve A'LYUN A'LYUN EL with a pure heart;

14 'Keep his commandment, and walk in his ordinances, and let no evil desire arise in your heart.

15 But have faith in A'LYUN A'LYUN EL, that if you do these things and fear him,

16 And refrain from wicked acts,

17 You shall live to see A'LYUN A'LYUN EL;

18 And if you do this, you will fulfill a great fast,

19 And one acceptable to A'LYUN A'LYUN EL."

Tablet Fifteen
The Servant And The Vineyard
(19 x 2=38)

Lo! Listen to the parable which I am going to tell you concerning fasting.

2 A certain man had a field, and many servants,

3 And on part of the field, he planted a vineyard.

4 And he chose out a certain servant, who was faithful, in good esteem and honor with him,

5 And he called him and said to him:

6 Take this vineyard which I have planted, and fence it until I come,

7 I do nothing more to the vineyard.

8 Follow this order of mine and you shall have your freedom from me,

9 And the master of the servant went abroad.

10 Now when he had gone, the servant took and fenced the vineyard,

11 And when he had finished the fencing of the vineyard, he saw that the vineyard was full of weed.

12 Therefore he reasoned in himself saying:

13 I have finished this order of the Adonai;

14 I will dig this vineyard next, and it will be better when it is dug.

15 In having no weeds, it will yield more fruit, not being choked by the weeds.

16 He took and dug the vineyard, and pulled out all the weeds that were in the vineyard.

17 That vineyard became very beautiful, and fertile with no weeds to choke it.

18 After a time, the master of the servant and the field came,

19 And he entered into the vineyard,

20 And seeing the vineyard beautifully fenced,

21 And moreover dug,

22 And all the weeds pulled up and the vines were fertile,

23 He was greatly pleased at the acts of the servant.

24 So he called his beloved son, whom he had as heir,

25 And his friends whom he had as counselors,

26 And he told them what he had ordered his servant, and what he had found accomplished.

27 They congratulated the servant on the character which the master gave to him.

28 He said to them: I promised this servant his freedom if he kept the orders, and he has added good work in the vineyard, and he has greatly pleased me.

29 So in reward for this work when he

was done I wish to make him joint heir with my son.

30 Because when he had an agreeable thought, he did not put it on one side, but he carried it out.

31 The son of the master agreed with this plan, that the servant should be made joint heir with the son.

32 After a few days he made a feast and he sent to him much food from the feast.

33 But the servant took the food which was sent to him by the master, kept sufficient for himself, and he distributed the rest to his fellow-servants.

34 His fellow-servants were glad when they received the food,

35 And he began to pray for him, that he might find greater favor with his master, because he had treated them in that matter.

36 His master heard all these events, and he again, rejoiced greatly at his conduct.

37 The master assembled with his friends, and his son again, and reported to them what he had done with the food which he had received,

38 And they were still more pleased that the servant should be made joint heir with his son."

Tablet Sixteen
The Parables
(19 x 1=19)

Lo! I said to Melchizedek: 'I do not know these parables, and I cannot overstand them, if you do not explain them to me.'

2 I will explain everything to you," he said, "and everything that I talk with you.

3 I will show you his commandments, and if you do anything agreeable, benevolent, beyond the commandment of A'LYUN A'LYUN EL,

4 You will gain for yourself greater glory, and you shall be more honorable with A'LYUN A'LYUN EL than you were destined to be.

5 If then, you keep the commandments of A'LYUN A'LYUN EL, and you add these services also, you shall rejoice, if you keep them according to my commandment."

6 I said to Melchizedek: 'I will keep whatever you command me, for I know that you are with me.'

7 'I will be with you.' he said, 'because you have such zeal for doing agreeable, and I will be with all, he said, 'who have this zeal.

8 This fast", he said if the commandments of the Adonai are kept it is very agreeable,

9 You shall therefore keep this fast, which you are going to observe in this way:

10 First of all, keep away from every evil word, and from every evil desire and you purify your heart from the vanities of this world.

11 If you keep these things, this fast shall be perfect for you.

12 You shall do thus: after completing what has been written,

13 In that day on which you fast, you shall taste nothing except bread and water, and you shall reckon the price of the expense, for the day which you are going to keep, of the foods which you have eaten,

14 And you shall give it to a widow, or an orphan to someone poor, and you

Tablet 16:14 **Tablet 17:18**

shall thus be humble-minded that through your humility, he who receives it may fill his soul and pray to the Yahuwa of the Eloheems for you.

15 If then you thus fulfill the fast as commanded you, your sacrifice shall be acceptable to A'LYUN A'LYUN EL,

16 And this fast shall be written down to your credit, and the service which is thus done is agreeable, and joyful and acceptable to A'LYUN A'LYUN EL.

17 You shall keep these things thus with your children and all your house,

18 And if you keep them, you shall all be blessed, and all who hear them and keep them shall be blessed,

19 And they shall obtain from the A'LYUN A'LYUN EL whatever they ask."

Tablet Seventeen
Overstand These Parables Like This:
(19 x 3=57)

Lo! I besought Melchizedek much to explain to me the parable of the field and the master,

2 And the vineyard and the servant who fenced the vineyard,

3 And the fences, and the weed which were pulled up from the fences,

4 And the son, the friends, and the counselors, for I overstood that all these things are a parable.

5 He answered me and said: you are so persistent in asking for the explanation of the parable.

6 But since you are so persistent, and it be necessary for it to be explained to you, it will be explained."

7 I said to him: "Whatever you show me and do not explain I shall have seen in vain, and I will not overstand what it is.

8 So likewise if you speak parables to me, and you do not interpret them to me, I shall have heard something from you in vain.'

9 He answered and said to me again: "Whoever," he said, "is the servant of A'LYUN A'LYUN EL, and has his creator in his heart,

10 He seeks overstanding from him and receives it, and he interprets every parable, and the sayings of the Adonai which were spoken through parables are made known to him."

11 But as many are weak and idle in prayer, those who hesitate to ask from the Adonai.

12 But the Adonai is very merciful and gives unceasingly to all who ask from him,

13 But you, since you have been given power by A'LYUN A'LYUN EL, and received from him such intercession, you are not idle,

14 Wherefore, do you not seek overstanding from the A'LYUN A'LYUN EL, and receive it from him?

15 I said to him: 'When I have you with me, I must ask you and inquire of you, for you show me all the things and you talk with me,

16 But if I had seen or heard them without you, I should have asked the Adonai, so that it might be explained to me.'

17 He said 'I told you,' "just now, that you are hardheaded, and insistent in asking for the explanations of the parable.

18 But since you are so persistent I will explain to you the parable of the field, and all other consequences of it, that you may make them known to

Tablet 17:18 **Tablet 17:54**

everyone.

19 Listen, now, Melchizedek said, "and overstand it.

20 'The field is this world', and the Adonai of the field is he who made it, and perfected it and gave it strength.

21 And the servant is a son of the Aluhum and the vines are these Enoshites, which he planted.

22 The fences are the Anunnagi, Aluhum of Yahuwa who support the Enoshites.

23 The weeds which are pulled up out of the vineyard, are iniquities of the servants of A'LYUN A'LYUN EL,

24 And the food which he sent to him, from the supper is the commandments which he gave to the Enoshites through a son,

25 And the friends and counselors are the Anunnagi, Aluhum, who were first created.

26 The absence of the master is the time which remains before his coming."

27 I said to him:" all is great and wonderful and all is glorious.

28 I said "how then, could I overstand it?"

29 Nor is there any other man, however overstanding he may be, who can overstand it.

30 Moreover," I said, "explain to me what I am going to ask you,"

31 "Say what you wish," he said.

32 "Why," I said, " is the son of the Anunnagi, Aluhum in the parable given the form of the servant?"

33 "Listen," said he, "the son of the Anunnagi, Aluhum is not given the form of a servant, but he is given great power and lordship,"

34 How? I said, 'I do not overstand.'

35 Because one of the Anunnagi, Aluhum planted the vineyard," he said,

36 "That is, he created the Enoshites, and gave it over to his son.

37 The son appointed the Angelic beings over them to keep them.

38 The son appointed the Anunnagi, Aluhum over them. He himself cleansed their sins,

39 Laboring much and underdoing much toil, for no vineyard can be dug without toil or labor.

40 When therefore he had cleansed the sins of the Enoshites,

41 He showed them the ways of life,

42 And he gave them the law which he received from his father.

43 But listen why the Anunnagi, Aluhum took a son and they, as counselors were concerned about the heritage of the servant.

44 The holy soul which pre-exists, which the holy soul dwelled,

45 Served the spirit well, walking, in holiness and purity,

46 And he did not in any way defile the spirit.

47 When, therefore, it had lived nobly and purely,

48 And had labored with the spirit,

49 And he worked with it in every deed, behaving with powers and bravery,

50 He chose it as a companion with the holy soul; for the conduct of the flesh pleased him,

51 Because it was not defiled while it was bearing the holy soul on the Earth.

52 Therefore he took the son and the Anunnagi, Aluhum as counselors,

53 That this flesh also having served the spiritual blamelessly, should have some place of sojourn,

54 And it seems to have lost the reward of its service.

Tablet 18:1 **Tablet 18:1**

He, Murdoq said: "Didn't I say to you, Thutmose, that you will not be able to endure with me patiently?

He, Moses, said: "Don't blame me for that which I forgot, and don't make me suffer any difficult in my orders."

So they departed on the journey until they came upon a lad 'Badr' by name, so he Al Khidr killed him. He, Moses, said: "Did you kill an innocent spirit, 'the lad' who had killed no one? Indeed, this is a horrible thing to do!"

Al Khidr said to Moses, "Didn't I say unto you, Thutmose that you would not be able to endure with me patiently?"

Moses said: "If I ask you, Murdoq about anything else after this, then don't let me accompany you any further, for indeed, you would have taken a wage for doing that."
So they, Moses and Melchizedek went on, until they came to Enosites of a village. The Enosites begged for food and they refused to entertain them, Thutmose and Murdoq as guests. So they found in it, the village, a wall which was about to fall down: so he, Melchisedek fixed it, standing it upright. So Moses said: "If you wish you could have taken a wage for doing that."

The Separation Point Between Moses And Murdoq -Al Khidr's Explanation To Moses

He, Murdoq/Al Khidr said: "This is the point of separation between you, Moses and between me, Al Khidr; and now I will inform you of the meaning of all that you were not able to be patient with." As for the boat, it was the property of a very poor family. They work in the sea, for a livelihood, so I made it defective, 'damaged' because in that region there was a cruel ruler who was out to take all the boats in that region by force.

And as for the lad, I killed, his parents who were faithful. So we, Aluhum, Anunnagi feared that he, being bad, was going to make them suffer, because of his transgressing and concealing of the facts. So we wanted their Salim and Wardi's Rabb, who is Sustainer, El Eloh to give them a better son than him 'Badr' a pure son who would be closer and more merciful and caring to them. And as for the wall that was falling down, there were two orphan lads Nasim and Farid, who lived in that that city 'village'; and there was under it, the wall a great treasure for them; and their father Waalid was a perfectionist, 'righteous Man'. So your, Moses' Rabb. El Eloh wanted them, Nasim and Farid to grow up and reach their maturity, and to take the treasure from under the wall. All of this was done by the mercy of your, Thutmose's Master. El Eloh and I, Al Khidr did not do it on my own accord. Now that is the explanation of all that you. Moses were not able to endure in patience."

This Is How It Was Recorded
And This Is How It Will Be.

CHAPTER NINE

QAYIN WA HEBEL — CAIN AND ABEL

Begin All Acts And Thinking By Using El Kuluwm, The All

Tablet One
Cain And Abel
(19 x 5 = 95)

1 Lo! It is stated that every time Nekaybaw, who was in the image of The Anunnagi Aluhum, would give birth, she would bear a male and female child together called twins, from the Middle English, from Old English *twinn*, meaning "twofold, except in the case of their son Seth."

2 Kadmon and Nekaybaw dwelt on the earth working in order to continue in the well-being of their bodies;

3 And there was an appointed hour,

4 In an appointed day.

5 In an appointed month,

6 When Kadmon age 21,

7 And Nekaybaw at age 18, were to give birth,

8 However, they were beguiled and enticed by Nakhash, and they did indulge in sexual intercourse out of due time,

9 For when she, Nekaybaw partook of the forbidden fruit, the tree created an addiction, and lustful desire through its intoxication.

10 She gave the fruit to her mate Kadmon also, and both of their eyes were opened, and they then knew shame, for they were naked,

11 Then they heard the voice of Yahuwa Aluhum Kalka'El son of Azari'El and Rafiki'El while they still laid in caress.

12 As he was walking in the enclosed garden in the midday speaking with the other Yahwehans, Aluhum,

13 The wind blew, and Kadmon, and Nekaybaw, tried to hide from the face of the Yahwehans in the midst of the trees in the Enclosed Garden.

14 A Yahuwa of the Aluhum Kalkael called out to Kadmon, Adam, and he said, "where are you hiding?"

15 Kadmon said, I heard your voice speaking in the Enclosed Garden, and I was afraid out of reverence because I was naked,

16 So that's the reason why I hid myself, and it was no other reason.

17 The Aluhum Kalka'el said, who taught you about nakedness? Did you eat of the tree which I commanded you, that you shouldn't eat? Have you done that which the Most High ANU, has commanded of you not to do.

18 And Kadmon said, Nekaybaw, whom you gave to me, she gave it to me, and I betook of it.

19 Yahuwa of the Aluhum said to Nekaybaw, Hawwah, what is this you have done?

20 Nekaybaw answered, and she said Nakhash the son of Shakhar and Mylitta deceived me into consuming it.

21 This is a great thing you have done, a great wrong, but Nekaybaw nor Kadmon knew that she had given birth in her womb.

22 Because Kadmon knew Nekaybaw, she became pregnant.

23 She was pregnant for the fulfillment of 9 months, and then Nekaybaw, Eve's childbearing were ended,

24 The time drew near when she must be delivered.

25 Then she said unto Kadmon, this cave, is a pure spot by reason of the signs, we should wrought in it, since we

left the garden;
26 And we shall again make Tafulat in it. It is not meet. Then, that I should give birth in it;
27 Let us rather repair to that of the sheltering rock, which Nakhash hurled at us,
28 When he wished to kill us with it;
29 But that was held up, and spread as an awning over us by the command of A'LYUN A'LYUN EL; and he formed a cave.
30 Then Kadmon removed Nekaybaw to that cave;
31 And when the time came that she should bring forth, she had travailed greatly.
32 So Kadmon was sorry, and his heart suffered for her sake;
33 For she was nigh unto death; that the word of A'LYUN A'LYUN EL, to her should be fulfilled:
34 "In suffering you will bear a child, and in sorrow you will bring forth the child."
35 But when Kadmon saw the state in which Nekaybaw was, he arose and prayed to A'LYUN A'LYUN EL, and he said,
36 "A'LYUN A'LYUN EL look upon me with the eye of your mercy, and bring her out of her distress."
37 A'LYUN A'LYUN EL looked at his maid-servant Nekaybaw,
38 And he delivered her, and she brought forth her first-born son and a daughter (twins).
39 It was a natural function that whenever the male living being would fertilize the ovum or the egg, there would be a pairing of one of the "X" chromosomes of the female living being.
40 This produced an "XX" female living being.
41 Then the remaining "Y" chromosome of the male living being would pair off with the other "X" chromosome of the female living being,
42 And it would produce an "XY" or male living being.
43 Thus the male living being and female living being, twins, are produced.
44 Each fetus develops into an individual with similar intelligence.
45 Because Nekaybaw was originally suppose to bear "fraternal" twins each time she conceived,
46 She was equipped with 2 mammary glands.
47 With these mammary glands she would be able to support both children with the necessary colostrum fluid;
48 In order to survive and grow properly.

The Birth Of The Twins

49 Then Kadmon rejoiced at Nekaybaw's deliverance and conception,
50 And also over the children she had bore him. Kadmon ministered unto Nekaybaw in the cave,
51 Until the end of 8 days; when they named the son Cain, meaning *"possession"*,
52 And the daughter Luwbudah, Luluwa, meaning "Staying Together".
53 Cain became known as the rebellious one; the hater", because he hated his sister, while they were in their mother's womb, and he was the first born of the two.
54 Therefore, Kadmon named him Qayin, also called Cain, meaning *"possessor."*

CHAPTER NINE

)AYIN WA HEBEL — CAIN AND ABEL

ablet 1:55 — **Tablet :83**

55 But the twin sister Luluwa means beautiful", because she was more beautiful than her mother.

56 Then Kadmon and Nekaybaw waited until Qayin and his sister were 10 days old,

57 When Kadmon said to Nekaybaw, "we will make an offering and offer it up in behalf of the children."

58 Nekaybaw said "We will make one offering for the firstborn son;

59 And afterwards we shall make one for the daughter."

60 Then Kadmon prepared the offering, and he and Nekaybaw offered it up for their children,

61 And they brought it to the altar they had built at first.

62 Kadmon offered up the offering, and besought A'LYUN A'LYUN EL to accept his offering.

63 Then A'LYUN A'LYUN EL accepted Kadmon's offering, and he sent a light from heaven that shone upon the offering.

64 Kadmon and his son drew near to the offering,

65 But Nekaybaw and her daughter did not approach it.

66 Then Kadmon came down from upon the altar,

67 And they were joyful; Kadmon and Nekaybaw waited until the daughter was 80 days old;

68 Then Kadmon prepared an offering, and he took it to Nekaybaw and to the children;

69 And they went to the altar, where Kadmon offered it up, as he was accustomed,

70 Asking A'LYUN A'LYUN EL to accept his offering.

71 A'LYUN A'LYUN EL accepted the offering of Kadmon and Nekaybaw.

72 Then Kadmon, Nekaybaw and the children, drew near together, and they came down from the mountain, rejoicing.

73 They didn't return to the cave in which they were born; but they came to the cave of treasures,

74 In order that the children should go round it,

75 And be blessed with the tokens brought from the garden.

76 But after they had been blessed with these tokens, they went back to the cave in which they were born.

77 However, before Nekaybaw had offered up the offering, Kadmon had taken her, and they had gone with her to the river of water,

78 In which they threw themselves at first;

79 And then they washed themselves.

80 Kadmon washed his body and Nekaybaw washed hers also, and they were clean after the suffering and the distress that had come upon them.

81 But Kadmon and Nekaybaw after washing themselves in the river of the water, they returned every shadow hour to the cave of treasures, where they prayed, and they were blessed; and then they went back to their cave, where the children were born.

82 So Kadmon and Nekaybaw had resided there until the children had done suckling, "breastfeeding".

83 Then, when they were weaned, Kadmon made an offering for the souls of his children; none other than the 3 times he made an offering for them, every week.

84 When the days of nursing the children were ended, Nekaybaw again conceived,

85 And when her days were ended, she brought forth another son and daughter;

86 And they named the son Abel, and the daughter Aqlimiyah. She came first and she was the elder of the two.

87 That was 2 years according to the law of the Aluhum after he, Kadmon, went in unto her, Nekaybaw again, she gave birth to the second set of twins which was Abel, in tone Hebel and in rhythm Habiyl, whose name meant *"vapor of breath"*, and this is the spirit of life.

88 His twin sister was Aqlimiyah, her name means *"more reasonable"*,

89 Because she was able to adjust to her brother Cain, who was the first crazy person, Lunar, moon cycle, or the lunatic of the Planet Earth.

90 Then at the end of 40 days, Kadmon made an offering for their son,

91 And at the end of 80 days he made another offering for the daughter;

92 And he did them as he had done before for Cain and his sister Lubuwdah.

93 He brought them to the cave of treasures, where they received a blessing, and then they returned to the cave where they were born.

94 After the birth of these, Nekaybaw ceased from child-bearing.

95 ANU Most Glorified and Exalted sent the Anunnagi, Aluhum Miyka'El, which is the Anunnagi, Aluhum of mercy, to name the progeny of Kadmon, and Nekaybaw. Thus both male and female were called Kadmon.

Tablet Two
Cain Becomes Jealous Because Of His Sister
(19 x 2 =38)

Lo! And the children began to wax stronger, and to grow in stature;

2 But Cain was hard-hearted, and he ruled over his younger brother.

3 Oftentimes when his father made an offering, he would remain behind, and he would not go with them, to offer up as an initiate in the order of Zodoq, of which both sons would eventually pledge.

4 But, as for Abel, he had a meek heart,

5 And he was obedient to his father and mother, whom he often moved to make an offering,

6 Because he loved it, and made his tafulat, and fasted much.

7 Then a sign came to Abel, as he was coming into the cave of treasures, and he saw the golden rods.

8 The incense of myrrh, he inquired of his parents Kadmon and Nekaybaw concerning them, and said unto them, "How did you attain these?"

9 Then Kadmon told him all that had befallen them. Abel felt deeply about what his father told him.

10 Futhermore his father Kadmon, told him of the works of A'LYUN A'LYUN EL,

11 And the garden; and after that, he remained behind his faher the whole of that shadow hour in the cave of treasures.

12 And that shadow hour, while he was praying, Nakhash appeared unto him in the image of a man, who said to him,

13 "You have oftentimes moved your father to make an offering, to fast and to

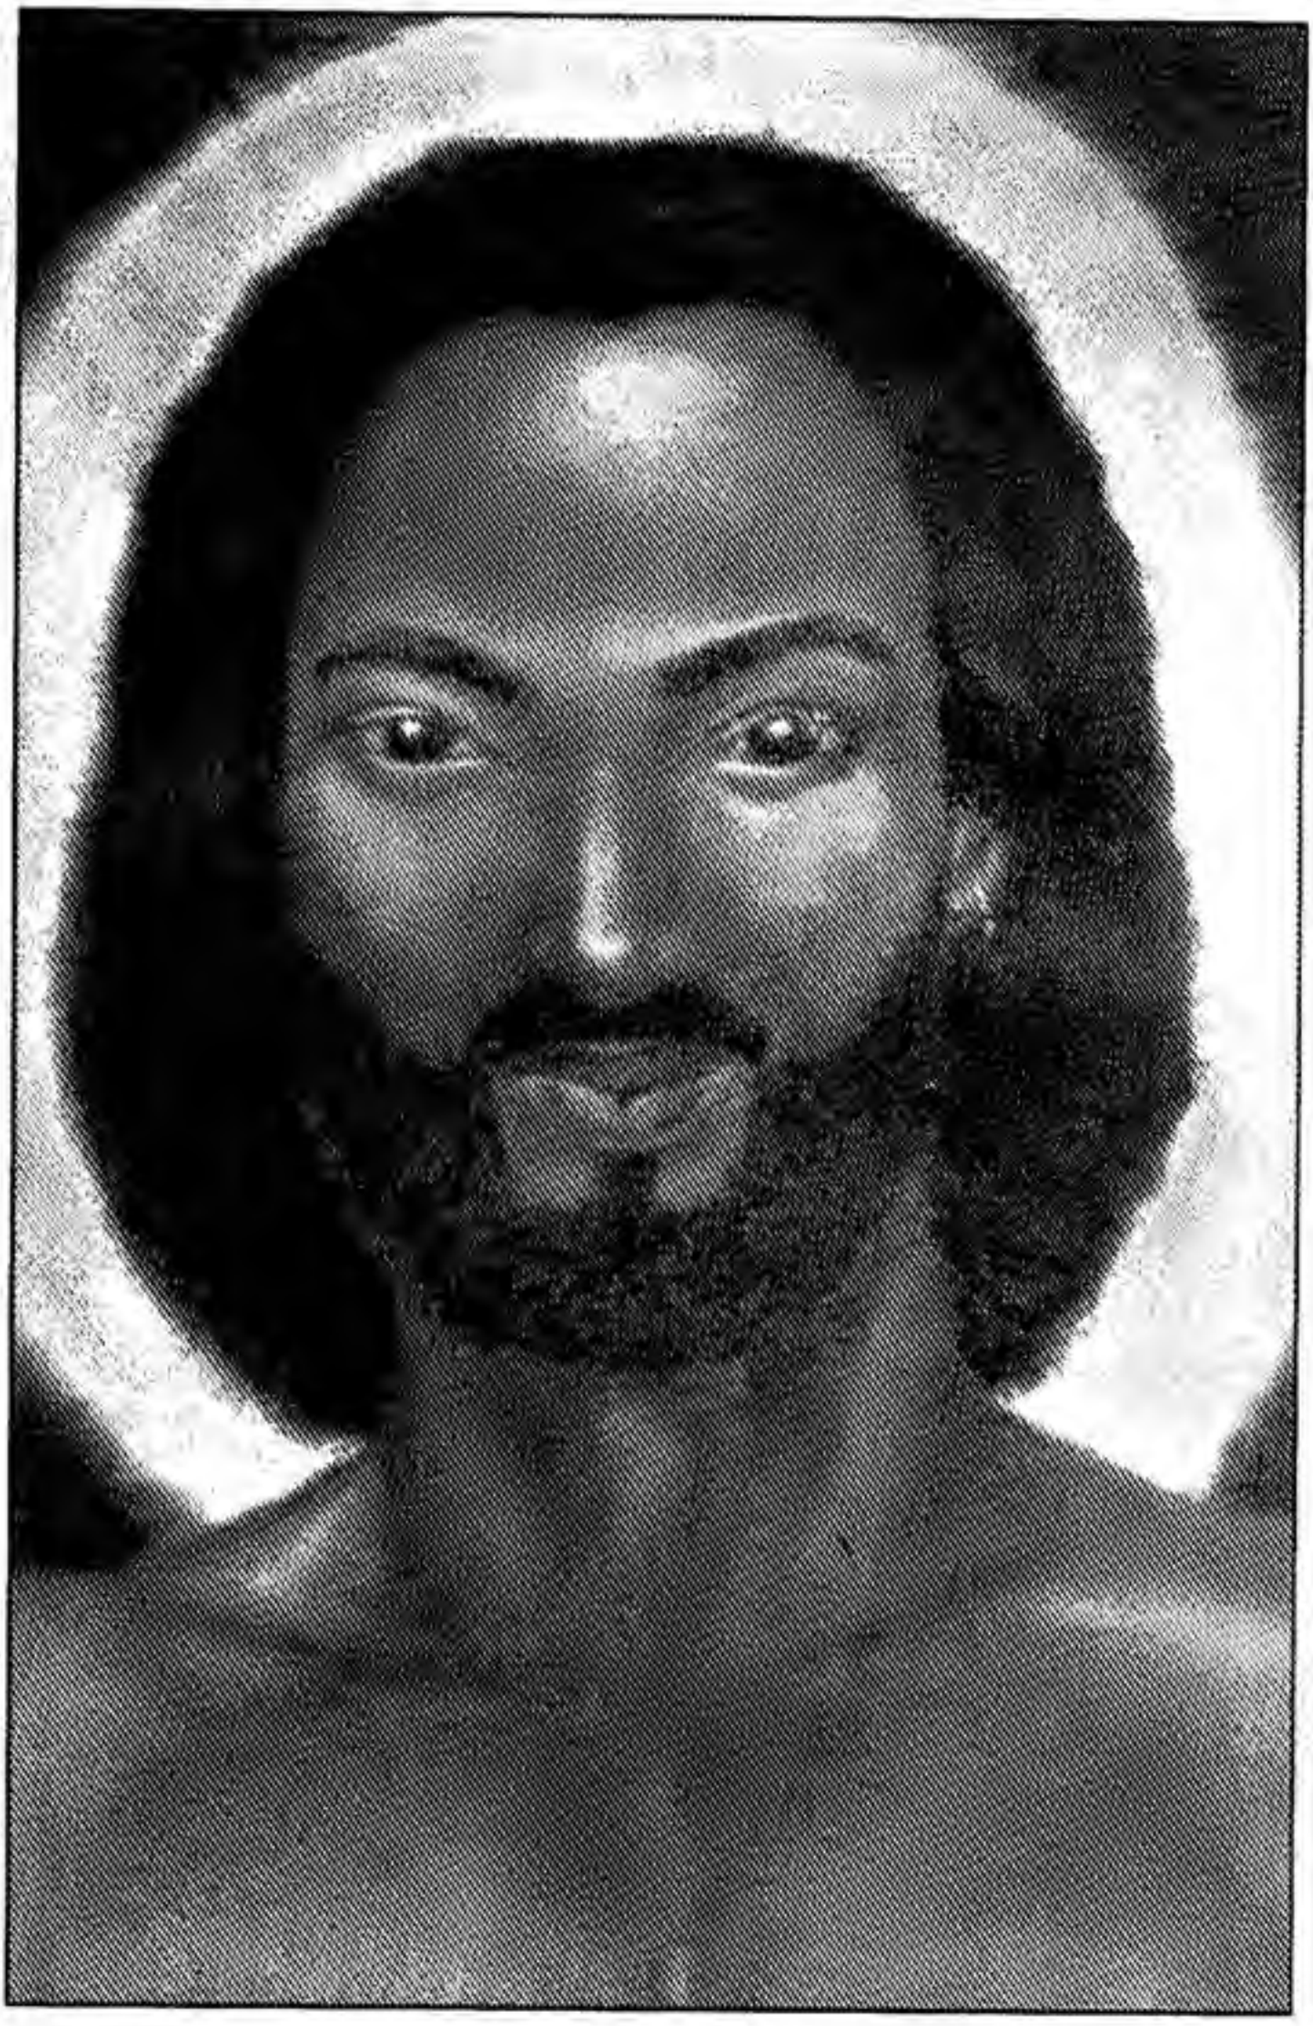

Figure 210
Habiyl, Son Of Kadmon And Nekaybaw

pray, therefore I will kill you,
14 And make you perish from this world."
15 But as for Abel, he prayed to A'LYUN A'LYUN EL, and drove away Ibliys, Zuen from him;
16 And he didn't believe the words of Nakhash, who was of the order of Nanna, Sin.
17 Then when it was day time, an Anunnagi, Aluhum appeared unto him, who said to him,
18 "Shorten neither in fasting, meditation, nor offering up an oblation unto your A'LYUN A'LYUN EL.
19 For, lo the Anunnagi, Aluhum has not accepted you.
20 Be not afraid of the figure which appeared unto you in the shadow hours,
21 And who cursed you in the shadow hours,
22 And who cursed you unto death."
23 The angel departed from him.
24 And then when it was day time, Abel came to Kadmon and Nekaybaw and he told them of the vision he had seen; but when they heard it, they grieved much over it, yet they had said nothing much over it,
25 They only just comforted him. But as hard-hearted Cain, Nakhash came to him by shadow hour, and he showed himself, and he said unto him,
26 "Since Kadmon and Nekaybaw love your brother Abel much more than they love you, and they wish to join him in marriage to your beautiful sister, because they love him;
27 But he wished to join you in marriage to his ill-favored sister, because they hate you;
28 So, therefore I council you, when they do that, you should kill your brother;
29 And then your sister will be left for you;
30 And his sister will be cast away."
31 Then suddenly Nakhash departed from him.
32 But the wicked one remained behind in the heart of Cain, who sought many a time, to kill his brother.
33 He was only looking for the right reason.
34 For hate was in his heart.
35 He loved himself so much, that he wished to marry his own twin sister.
36 Yet, Kadmon and Nekaybaw did make plain to him the Anunnagi, Aluhum's wishes,
37 But being of the disagreeable company,
38 He feared not.

Tablet Three
Cain 15 Years Old, And Abel 12 Years Old, Grow Apart.
(19 x 2 = 38)

Lo! But when Kadmon saw that the elder brother hated the younger, he endeavored to soften their hearts, for the day of the great initiation was near.
2 Kadmon said unto Cain, take O my son, of the fruits of your sowing,
3 And make an offering unto A'LYUN A'LYUN EL,
4 That he may enter you into the order of Zodoq.
5 He said also to Abel, "Take of your sowing and make an offering and bring it to A'LYUN A'LYUN EL that you may be entered in to The Order of Zodoq and not the order of Nanna, Sin."
6 Then Abel hearkened unto his

father's voice, and he took of sowing, and made a good offering, and he said to his father, Kadmon.

7 "Come with me, and show me how to be accepted, and for my offering to be accepted."

8 They went, Kadmon was in the cave in which Nekaybaw was with him,

9 And they showed him how to prepare the meal for the offering and he did offer his gift knowing how to offer it up."

10 They went, Kadmon and Nekaybaw with him, and they showed him how to offer up his gift before the altar.

11 Then after that they stood up and prayed that A'LYUN A'LYUN EL would respect Abel's offering and accept ABEL into the order.

12 Then A'LYUN A'LYUN EL looked upon Abel, and he respected his offering.

13 A'LYUN A'LYUN EL was more pleased with Abel and he accepted him. He was now the son of the Aluhum, the child of the Green Light.

14 Because of his good heart and pure body.

15 There was no trace of guile in him.

16 Then they came down from the altar.

17 They went into the cave in which they dwelt.

18 But Abel by reason of his joy, having made his offering,

19 He repeated it 3 times a week,

20 After the example of his father, Kadmon.

21 But at the end of the day later in time,

22 What happened was Cain, entered the presence of the Aluhum;

23 In an attempt to be accepted in the order of Zodoq,

24 And he presented a meal as a tribute, an initiation ceremony;

25 From the ground for Nusqu, Gabriy'El Yahuwa,

26 Who had no respect for it.

27 And he was not accepted into the order of Zodoq.

28 It was not the best of his crop. This made Cain hot with anger, and it showed as his face fell into a frown, for he took no pleasure in the offering;

29 And his eye was again on it.

30 Therefore, A'LYUN A'LYUN EL did not accept his offering because his thought was full of murderous thoughts,

31 And he was later to be accepted into the order of Nanna, Sin.

32 For Haamartieeah son of Apolia,

33 And he waited for the availability of his soul.

34 They did welcome him into the order of the amber light, fire

35 Upon entrance through the door the kneeling, Hamarteeah greeted him.

36 Cain was a worthy candidate, for this disagreeable order, and there he was accepted.

37 Thus, they all lived together in the cave in which Nekaybaw had brought forth.

38 Until Cain was 15 years old, and Abel 12 years old.

Tablet Four
Jealousy Overcomes Cain. He Makes Trouble In The Family. How The First Murder Was Planned
(19 x 7 = 133)

Lo! Then Kadmon said to Nekaybaw, "Behold the children are grown up;

2 We must think of grandchildren, it is

best for Abel to marry Lubuwdah and Cain to marry Aqlimiyah." This is how it was told to me by the Aluhum.

3 Then Nekaybaw said to Kadmon "I do not like Cain because he is hard-hearted.

4 But let them abide until we offer up unto A'LYUN A'LYUN EL in their behalf."

5 Kadmon said no more.

6 Meanwhile, SHAYTUN came to Cain in the image of a man of the field,

7 And he said to him, "Behold Kadmon and Nekaybaw have taken counsel together about the marriage of you two,

8 And they have agreed to marry Abel's sister to you, and your sister to him.

9 But if it was not that I love you, I would have not told you. Will you take my advice, and hearken to me?

10 I will bring you on your wedding day beautiful robes, gold and silver in plenty,

11 And my relations will attend you." Then Cain said with joy, where are your relations?"

12 Nakhash answered, "My relations are in a garden in the north,

13 Where I once meant to bring your father Kadmon,

14 But he would not accept my offer.

15 But if you will receive my words and if you will come unto me after your wedding,

16 You will rest from the misery in which you are,

17 And you will rest and be better off than your father Kadmon.

18 At these words of Shaytun, Cain opened his ears, and leaned towards his speech.

19 He did not remain in the field, but he went to Nekaybaw, his mother,

20 And however, she quited him, and he sent him to the field where he had been. Then when Kadmon came she told him of what Cain had done.

21 But Kadmon grieved and held his peace and He said not a word.

22 Then on the morrow KADMON said unto Cain his son,

23 Take of your sheep, young and good, and offer them up unto A'LYUN A'LYUN EL for a great feast, but do it with all care and perfection for this is what they look for if you are to be accepted.

24 And I will speak to your brother, to make unto A'LYUN A'LYUN EL an offering. They both hearken to their father, Kadmon.

25 And they took their offering, and offered up on the mountain by the altar.

26 But Cain behaved haughtily towards his brother at their initiation.

27 And he thrust him from before the altar, and would not let him present himself before the altar,

28 But Cain offered his own before it with guile, and fraud.

29 But as for Abel, Cain set up stones that were near at hand, and he prevented him from entering the tabernacle of The Most High, and pledging the proper pledge. But the Aluhum were very disturbed on this special day of rest.

30 Upon that, he offered up his gift; and he cried unto A'LYUN A'LYUN EL in hopes that would be accepted and his pledge would be respected, in that he did his very best to comply to the wishes of the Aluhum on this day of rest.

31 But The Aluhum did not accept Cain. He was rejected entrance into the

order of the Zodoq.
32 But he remained standing over against the altar.
33 Out of humor and wroth, looking towards his brother Abel,
34 To see if The Aluhum would accept him, and respect his offering.
35 Abel prayed unto A'LYUN A'LYUN EL to accept him and respect his offering.
36 Then a divine green light came down and consumed him, and his offering.
37 A'LYUN A'LYUN EL was greatly pleased in him and he welcomed him as a child of the Aluhum.
38 Because Abel loved him, and rejoiced in him.
39 And because A'LYUN A'LYUN EL', was well pleased with him he sent him an Anunnagi, Aluhum of light, in the figure of Gabriy'El Zodoq, who had partaken of his offering,
40 And they comforted Abel and strengthened his heart. But Cain was looking on all that took place at his brother's offering,
41 And he was vexed on the account of it.
42 Then he opened his mouth and blasphemed A'LYUN A'LYUN EL, because he had not accepted him or respected his offering.
43 But Gabriy'El said unto Cain,
44 Wherefore is your countenance sad?
45 Be righteous, that I may accept your offering.
46 Not against me have you murmured, but against thyself." Gabriy'El said this to Cain in rebuke,
47 And because he abhorred him and his offering.
48 And Cain came down from the altar,
49 And his color changed to pale in anger and a woeful countenance,
50 Cain came to his father and mother and told them all that had befallen him.
51 Kadmon grieved much because A'LYUN A'LYUN EL had not accepted Cain.
52 But Abel came down rejoicing, and with a gladsome heart and he told his father and mother how A'LYUN A'LYUN EL had accepted him,
53 And they rejoiced at it and they kissed his face.
54 Abel said to his father,
55 "Because Cain thrust me from the altar and would not allow me to offer my gift before it,
56 I made an altar for myself and offered my gift before it?
57 But when Cain heard this he had a two fold anger. 7 disagreeable spirits entered him.
58 Then he went into the field where Ibliys came to him and said to him,
59 "Since your brother Abel has taken refuge with your father, Kadmon,
60 Because you did thrust him from the altar, they have kissed his face,
61 And they rejoice over him, far more than over you."
62 When Cain heard these words of Nakhash, he was filled with rage,
63 And he let no one know.
64 But he was laying wait to kill his brother,
65 Until he brought him into the cave, and then said to him: "O brother, the country is so beautiful,
66 And there are so many beautiful trees in it,
67 And charming to look at! But brother,

CHAPTER NINE

QAYIN WA HEBEL — CAIN AND ABEL

Tablet 4:68

68 I very much wish that you would come with me into the field,
69 To enjoy thyself and to bless our fields and our flocks,
70 For you are righteous, and I love you" he said in deceit.
71 Then Abel consented to go with his brother Cain into the field,
72 But before going out, Cain said to Abel, "Wait for me, until I fetch a staff, because of wild beasts".
73 Then Abel stood waiting in his innocence.
74 As Cain went forward, and he fetched a staff and went out,
75 And they began, Cain and his brother Abel, left to walk down the way;
76 Cain talking to him, and comforting him, to make him forget everything.
77 So Cain in concealed anger spoke to Abel and when the right time had come,
78 When they were both on the right side of the enclosed garden in the field,
79 And so they went on, until they came to a lonely place,
80 Where there were no sheep.
81 Then Abel said to Cain,
82 Behold, my brother, we are weary of walking,
83 For we see none of the trees, nor of the fruits,
84 Nor any one of the things of which you did tell me.
85 Where are those sheep of yours that you did tell me to bless?"
86 Then Cain said to him "come on,
87 And presently you will see many beautiful things,
88 But go before me, until I catch up to you."
89 Then Abel went forward, but Cain, remained behind him, and Abel was walking in his innocence, without guile, not believing his brother would kill him.

Tablet 4:108

90 Then Cain, when he came unto him, he confronted him with his talk, walking a little behind him, then he hastened, and smote him with the staff, blow upon blow, three times until he was on the ground.
91 But when Abel fell down upon the ground,
92 Seeing that his brother meant to kill him,
93 He said to Cain, "O, my brother, have pity on me.
94 By the same breast, we have sucked, smite me not!
95 By the same parents that bear us,
96 And that brought us into the world,
97 Smite me not unto death with that staff!
98 If you will kill me,
99 Take one of these large stones and kill me outright!"
100 Then Cain, the hard-hearted and cruel murderer took 3 large stones,
101 And smote his brother with them upon the head 3 times.
102 Until his brains oozed out,
103 And he weltered in his blood, before him.
104 Cain stood over Abel and he made sure he was dead. He killed him.
105 Cain repented not of what he had done.
106 But the Earth with the blood of the righteous Abel fell upon it,
107 Trembled, and it drank his blood, and would have brought Cain to naught for it.
108 The blood of Abel cried mysteriously to A'LYUN A'LYUN EL to avenge him of his murder.

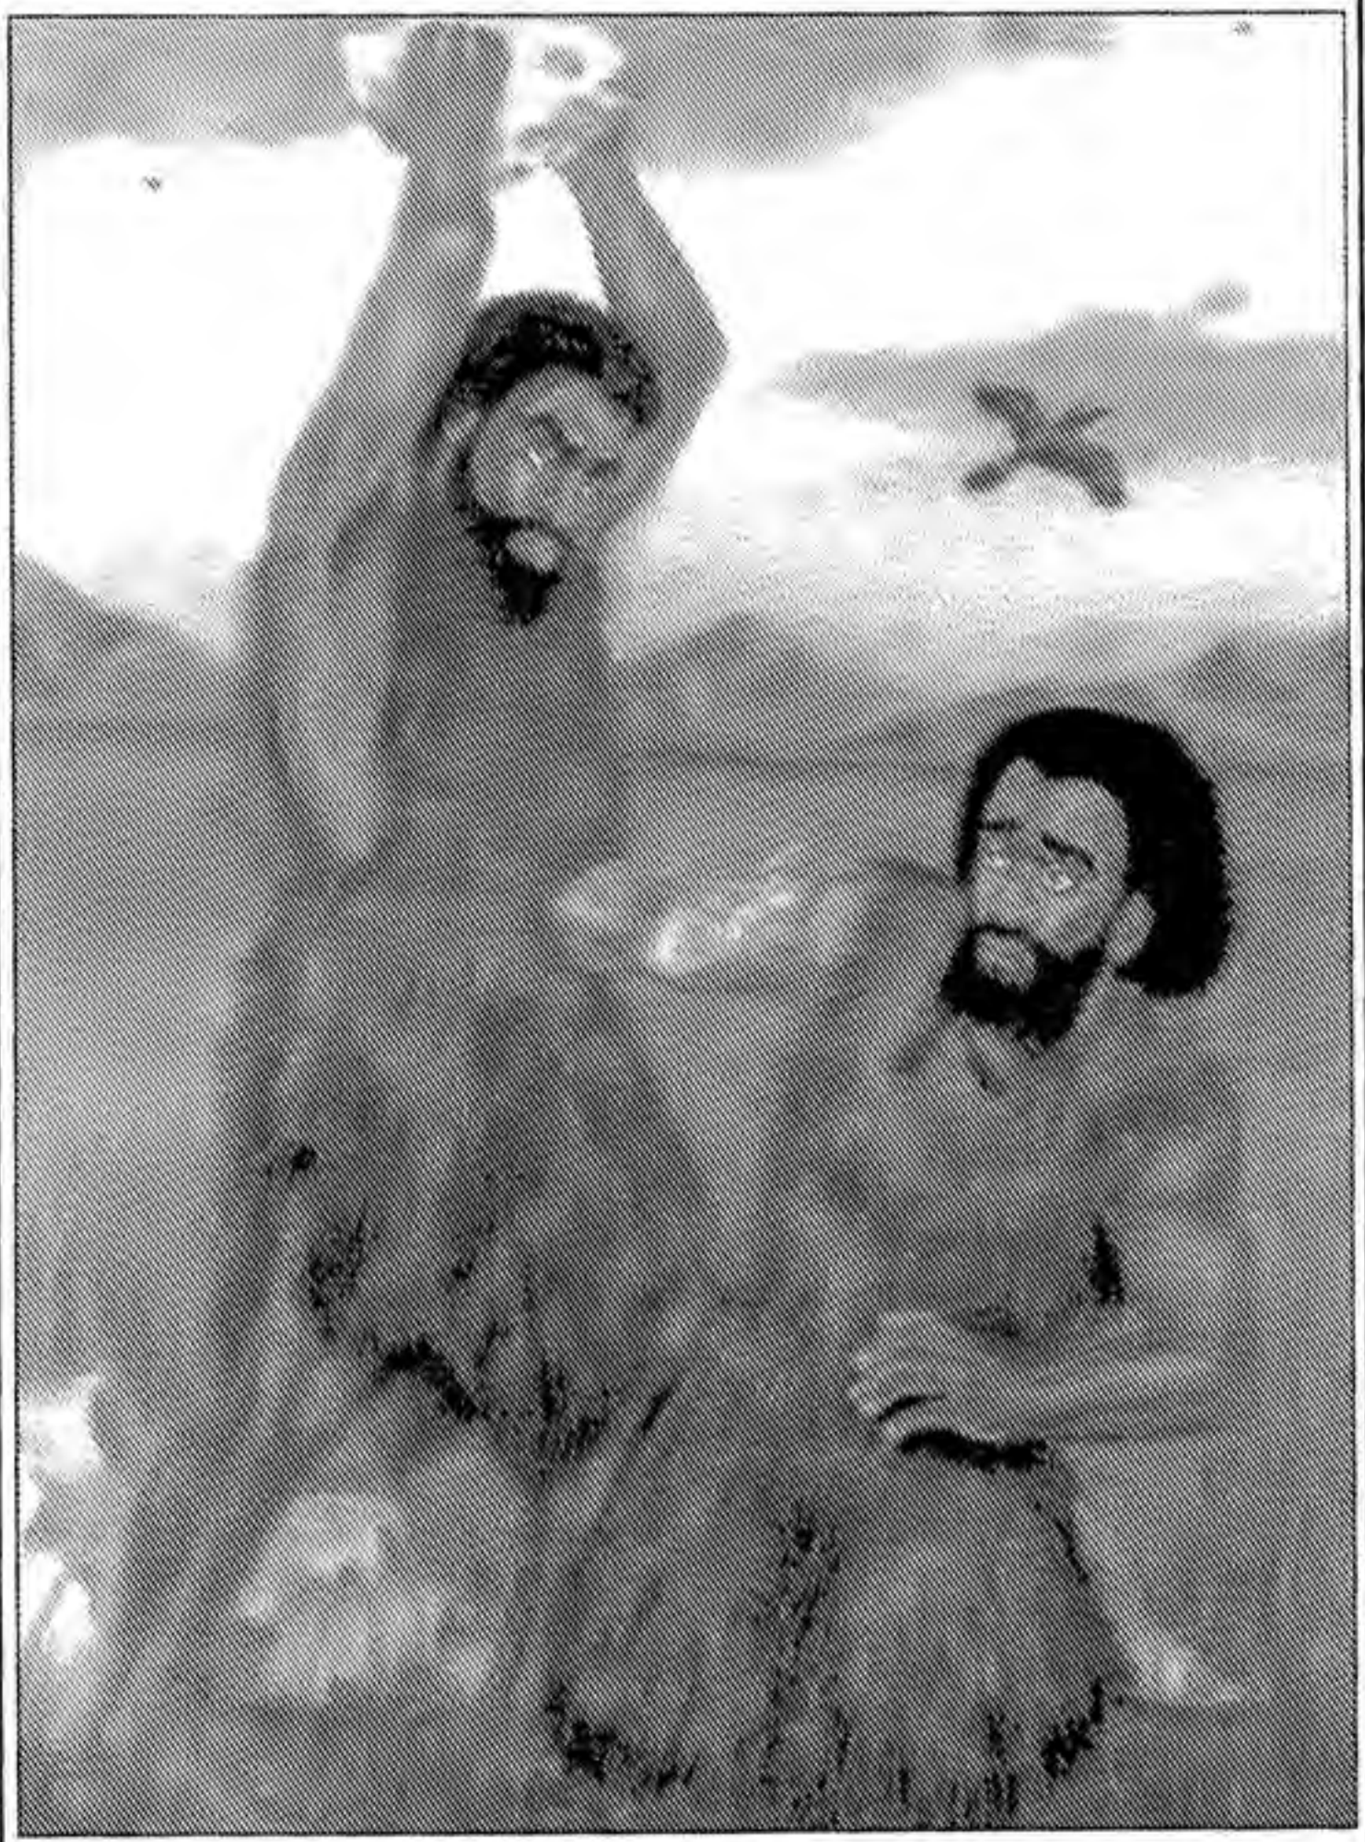

Figure 212
Cain Murdering Abel

109 Then Cain began at once to wonder what shall he do with his brother's dead body,

110 For he was trembling from fear that came upon him, when he saw the Earth tremble on his account.

A Wicked Plan Is Carried To A Tragic Conclusion. Cain Is Frightened. Am, I My Brother's Keeper?" The Seven Punishments Peace Is Shattered.

111 After watching the mischief of the fowl and how it did bury it's dead,

112 He then casted this brother into the pit he made and covered him with dust.

113 But the Earth would not receive him,

114 But it threw him up at once

115 Again Cain dug up the Earth, and hid his brother in it,

116 But again the Earth threw him up on itself;

117 The Earth threw up the body of Abel, 3 times.

118 The muddy Earth threw him up the first time,

119 Because he was not the first creation.

120 And it threw him up the second time and would not receive him,

121 Because he was righteous and good, and he was killed without a cause.

122 Then the Earth threw him up the third time and he would not receive him,

123 So that could be a witness before his brother against him.

124 It was so, that the Earth mocked Cain,

125 Until the word of A'LYUN A'LYUN EL came to him concerning his brother,

126 From then was A'LYUN A'LYUN EL angry.

127 And much displeased at Abel's death.

128 He caused a great thunder from heaven and lightning went before him from the great craft that did hover above as the throne.

129 The word of the Yahuwa of the Aluhum Gabri'el Nusqu said to Cain, "Where is Abel our brother?"

130 Then Cain answered with a gruff voice and said, "I don't know, am I supposed to know every whereabouts of my brother. Am I responsible for him?"

131 How, O Yahuwa? Am I my brother's keeper".

132 Then the Anunnagi Aluhum Nusqu, also known as Gabriy'El said unto Cain, "Cursed be the Earth that has drunk the blood of Abel your brother,

133 And all the heavens were saddened by this.

Tablet Five
Cain Is Confronted By The Aluhum For His Actions
(19 x 3 = 57)

Lo! What is this you have done? The voice of your brother's blood splashing upon the planet Earth sounds out to me.

2 Look at you, you're trembling and shaking.

3 This will be a sign unto you,

4 Because of this you and your seed are cursed from the very ground which has opened its mouth to receive your brother's blood by your own hand.

5 Whenever you try to farm the ground from this day forward, it will not grow for you its best.

Tablet 5:6 **Tablet 5:38**

6 You will become a fugitive and wanderer, a Nodite of the black devils.

7 Cain was afraid of being killed by those tribes that lived in Nod, a province of the city Uruk or Erech or Araf outside of the Enclosed Garden, and he said to Gabri'El Nusqu Yahuwa, this punishment is far to great for me.

8 Behold you have evicted me from being a farmer in my own part of the planet Earth.

9 And you have severed me from having access to your presence, without a Barathary Gland,

10 I will be hidden, and I will become a fugitive and a wanderer throughout the planet Earth.

11 In time any of those people who live outside of the Enclosed Garden, in Nod,

12 Will find my disguise,

13 And they will kill me.

14 Gabriy'El Nusqu Yahuwa said to Cain,

15 It will be known that anybody outside the Enclosed Garden that kills you,

16 I will have a grudge 7 times.

17 So as a sign Gabriy'El, Nusqu put both fingerprints and a birthmark in the form of a cross on Cain.

18 From that point on Adamites had fingerprints as a sign that each one may be known. It's the Aluhum's means of keeping record.

19 But Cain wept because Gabriy'El Zodoq had said those words to him,

20 Because before this, Gabriy'El Zodoq had been saying to Cain,

21 "I will inflict seven punishments on them who kills Cain. One for each of the seven evil spirits that possessed you.

22 For as the words of Gabriy'El Zodoq to Cain,

23 For if Cain had repented at that time and said,

24 O A'LYUN A'LYUN EL forgive me for my sin,

25 And as to A'LYUN A'LYUN EL saying to Cain,

26 Cursed be the ground that has drank the blood of your brother"

27 That also, was A'LYUN A'LYUN EL'S mercy on Cain,

28 For A'LYUN A'LYUN EL did not curse him.

29 But the ground, although it was not the ground that had killed Abel and had committed iniquity,

30 For it was meet that the curse should fall upon the murderer;

31 Yet, in mercy Gabriy'El Zodoq managed his thoughts so that no one would know, it and turn away from Cain.

32 He said unto him,

33 And through this sign did A'LYUN A'LYUN EL make him an example before all the creation.

34 As the murderer of his brother A'LYUN A'LYUN EL; brought trembling and terror upon him so that he might see the peace in which he was at first, and he would also see the trembling and terror he endured at the last;

35 So that he might humble himself before A'LYUN A'LYUN EL and repent of his sins, and seek the peace he enjoyed at first.

36 In the word of A'LYUN A'LYUN EL that said, "I will forego seven punishments on whomsoever kills Cain,"

37 Gabriy'El Zodoq was not seeking to kill Cain, with the sword,

38 But he sought to make him die of

fasting, and praying and weeping by hard rule,

39 Until the time that he was delivered from his sin and the seven punishments are the seven generations during which Gabri'El Zodoq awaited the rebirth of Cain,

40 As Tubal Qayin for the murder of his brother.

41 But as to Cain,

42 Ever since he had killed his brother, he could find no rest in any place, so he went back to Kadmon and Nekaybaw, trembling terrified and defiled with blood.

43 Yet, never once did he say "I regret".

44 Nekaybaw asked how could you do such a thing?

45 He answered "the love you favored him over me,

46 Did the actual killing.

47 The preference you gave him to me,

48 Did the killing.

49 The kiss you never gave me,

50 Did the killing.

51 The smile from Kadmon I never received,

52 Did the killing,

53 For I am merely a product of my environment.

54 I am not responsible for my own actions."

55 These accusations caused great grief and sorrow in the hearts of both Kadmon and Nekaybaw,

56 And they turned at each other and accused one another.

57 Cain merely laughed and succeeded in his second assignment to cause descension between the loved ones.

Tablet Six
The Grief Sticken Family, Cain Marries Lubuwdah And They Move Away
(19 x 6 = 114)

Lo! When Lubuwdah heard Cain's words, she wept, and she went to call her father and mother,

2 And she told them how Cain, had killed his brother Abel,

3 Lubuwdah said Cain confided in me, in efforts to try and persuade me, that I may leave with him.

4 I inquired, tell me in detail what transpired.

5 His voice dropped to a whisper and he said, only you.

6 When I spoke with Abel my brother after he had been accepted,

7 I said "surely I will kill you Abel."

8 Abel said the Aluhum,

9 Only accept those and their things from those who tremble at the mention of The Source Anu.

10 He said, verily if you Cain, reach out, and raise your hand toward me to kill me,

11 I will not reach out or raise my hand to kill you,

12 For surely I fear The Source Rabb of the boundless universes.

13 Abel said to Cain, surely I want you Cain to take it upon yourself to do the disagreeable act of my murder.

14 Your own disagreeable acts, sins, and the sins of others like yourself,

15 So that you Cain will be of the companions of Ur, the fire.

16 That is to be the reward of all those who are Zaalimiyn, "in a state of unjustness".

17 So Cain's spirit out of jealousy and

envy caused him to kill his brother Abel.
18 So he killed him.
19 Abel and Cain became one of those who are of the losers,
20 For they both took a lost in this great event.
21 The one his life,
22 And the other the rest of his life.
23 This is what he told me in confidence that I may accompany him, for he plans to depart by shadow hour.
24 I began to weep for his sake, and for the sake of my brother Abel, and the world.
25 Then they all cried aloud and lifted up their voices, and they slapped their faces ,and threw dust upon their heads,
26 And rent asunder their garments, and they went out and came to the place where Abel was killed.
27 They found him lying on the Earth, killed, and beast were around him;
28 While they wept and cried because of the cruelty perpetrated on this just one.
29 They prepared to re-bury his body according to the order of the Zodoq.
30 They gathered much spices to prepare his body,
31 And they wrapped his body according to how Anubis, Enqi dressed in the mask of the saluki dog of the jackal family, who showed the very spot. Kadmon carried him, and his tears came streaming down his face,
32 As he went forth with the smell of sweet spices after they wrapped his body,
33 And they went to the cave of treasures.
34 Where he laid him, and wound him up with sweet spices and myrrh. Kadmon and Nekaybaw continued on with the burial of him in great grief for 140 days.
35 Abel was 18, and a half years old, and Cain was 21 and a half years.
36 As for Cain, in the daylight hours, before his brother's grief was ended,
37 He took his sister Lubuwdah, and he married her without leave from his father and mother,
38 For they could not keep him from her by reason of their heavy hearts.
39 He then went down to the bottom of the mountain,
40 Away from the garden, where he was near to the place where he had killed his brother.
41 In that place where there were no fruit trees and forest trees.
42 His sister bared him children,
43 Who in their turn began to multiply by degrees, until they filled that place.
44 So Cain left from the presence of Yahuwa of the Aluhum, and he took residence in the evil city of Nod,
45 The "land of the wanderers."
46 The Hindu, for that part of the planet Earth of Nudimmud, who is Enqi, also called Izraa'El Zodoq,
47 Where all the wanderers and homeless dwelt.
48 This is the curse of those who leave the country life and migrate to the city life.
49 For therein (the big cities) you will find all evil.
50 It was to the east of the Enclosed Garden Of Eden,
51 Because of what Gabriy'El Zodoq had cursed him with, and the ground would not yield for him,
52 So he could not be a farmer.
53 And he was forced to live in the

great city,

54 Amongst the dwellers of the city, the cursed.

55 As for Kadmon and Nekaybaw, they were apart from each other, after Abel's funeral for 7 years.

56 Nekaybaw went home to her mother, Anath and father, Ptah in the land of Havilah.

57 Kadmon returned home to the land of Chaldea to his father, Atum and his mother, Lillith.

58 When the 7 years had weighed heavy on their hearts and they longed to see each other's eyes, Nekaybaw's father, Ptah sent a messenger named Saliym to seek out Kadmon.

59 Upon arrival, he met Kadmon's own messenger Husry, on his way to seek him out. They exchanged messages, and they returned with the good news.

60 Kadmon without haste prepared his great caravan, and likewise Nekaybaw did the exact same thing, at the exact moment, and time, and they met at the mount in Arabia, which henceforth became known as Arafat, the mount where they met. She stopping off at Giddah, and he at Minah.

61 It was a joyous occasion and a great sacrifice, a feast was prepared with much music and dancing,

62 For the caravan of Cuthites and the caravan of Havilahites became one called Ptahites.

63 Because they came together as one flesh.

64 The Aluhum met with Nekaybaw and informed her that she would give birth to another son for them, in their image and after their likeness.

65 But when Kadmon heard this he disagreed for fear of another Cain.

66 After this however, Nekaybaw conceived.

67 And while she was with child, Kadmon said to her, come let us take an offering,

68 And offer it before Yahuwa of the Aluhum, and ask him to give us an agreeable, benevolent child and not another like Cain, who was in the image and after the likeness of the disagreeable Aluhum.

69 In whom you may find comfort,

70 In who you will find one whom we will join in marriage to Cain's sister, Aqlimiyah.

71 Then they prepared an offering and brought it before the altar and offered it before the Yahuwa of the Aluhum and they all did feast of it.

72 They began to entreat him to accept the offer, and to give them a good offspring.

73 The Anunnagi, Aluhum Gabriy'El Zodoq heard Kadmon, and he accepted his offering.

74 Then they worshipped, Kadmon and Nekaybaw and their daughter, and they came down to the cave of treasures, and placed a lamp in it to burn by shadow hour, and by day, for the body of Abel.

75 Then Kadmon and Nekaybaw continued fasting and praying until Nekaybaw's time came, that she should be delivered.

76 When she said to Kadmon "I wish to go to the cave in the rock to bring forth in it".

77 He said "go and take with you your daughter to wait on you,

78 For I will remain in this cave of treasure before the body of my son Abel."

Tablet 6:79 **Tablet 6:107**

79 Nekaybaw hearkened to Kadmon, and she and her daughter went,

80 But Kadmon remained by himself in the cave of treasure.

81 And she gave birth to Seth, which means "he who was a compensation",

82 For the Aluhum, Anunnagi had predicted an appointed for themselves another seed to breed our descendants from the killing of Abel by Cain.

A Third Son Is Born To Kadmon And Nekaybaw

83 Nekaybaw brought forth a son perfectly beautiful, in his figure, and in his countenance.

84 His beauty was like that of his father Kadmon, yet more beautiful.

85 Nekaybaw was comforted when she saw him, and she remained 8 days in the cave, and then she sent her daughter unto Kadmon to tell him to come and see the child, and name him.

86 But on the 8th day, the Aluhum came for the preparation of the circumcision,

87 And to take the child and present him before the 24 elders,

88 For to them, this was their child in their image and after their likeness, and no twin sister was born for him.

89 But the daughter, Aqlimiyah stayed beside Nekaybaw as she waited for her son to be returned.

90 On the 8th day it fell on the Holy Day, Gadush because in it they desisted from all their duties, called the Shabut, and a special feast was prepared.

91 When the 10th day had come, Kadmon came to the cave to find his son not there.

92 Enraged, he raised his voice, and he made his voice heard.

93 "Where is my son, the son of my flesh of my bone?"

94 The Aluhum heard the voice of Kadmon, and he returned Seth to Kadmon without his Barathary Gland.

95 When Kadmon heard the noise of the approaching crowd, he ran from the cave and in a disagreeable tone and he demanded,

96 Give me my son!

97 The son of my blood, the son of my bone, the son of my flesh, for this one shall be in my image and my likeness.

98 But the Aluhum said "she Nekaybaw hath appointed me another seed instead of Abel whom Cain killed."

99 Kadmon was 130 years of age when Seth was born.

100 Ten years passed his appointed death of 120 years, being it was recorded: "And then Yahuwa declared my soul, the seed of Aluhum bred in the Adamites, from Ninqi, the divine, that will not judge in their genes for eternity, because it has been mixed with human skin. He is also a mortal, Homo Erectus, to Homo Sapien, and they must die in time, in fact all the days of his physical life span will be only 120 years."

101 So the Aluhum said from this point on,

102 Adamites shall become Enoshites as the sons of daughters of the first mortal being Enos son of Seth,

103 He is yours.

104 So they handed Seth into the hands of Kadmon,

105 And they turned and walked their way.

106 At this point, the divine from Ninti, in the seed of Kadmon had fallen,

107 And these Adamites were

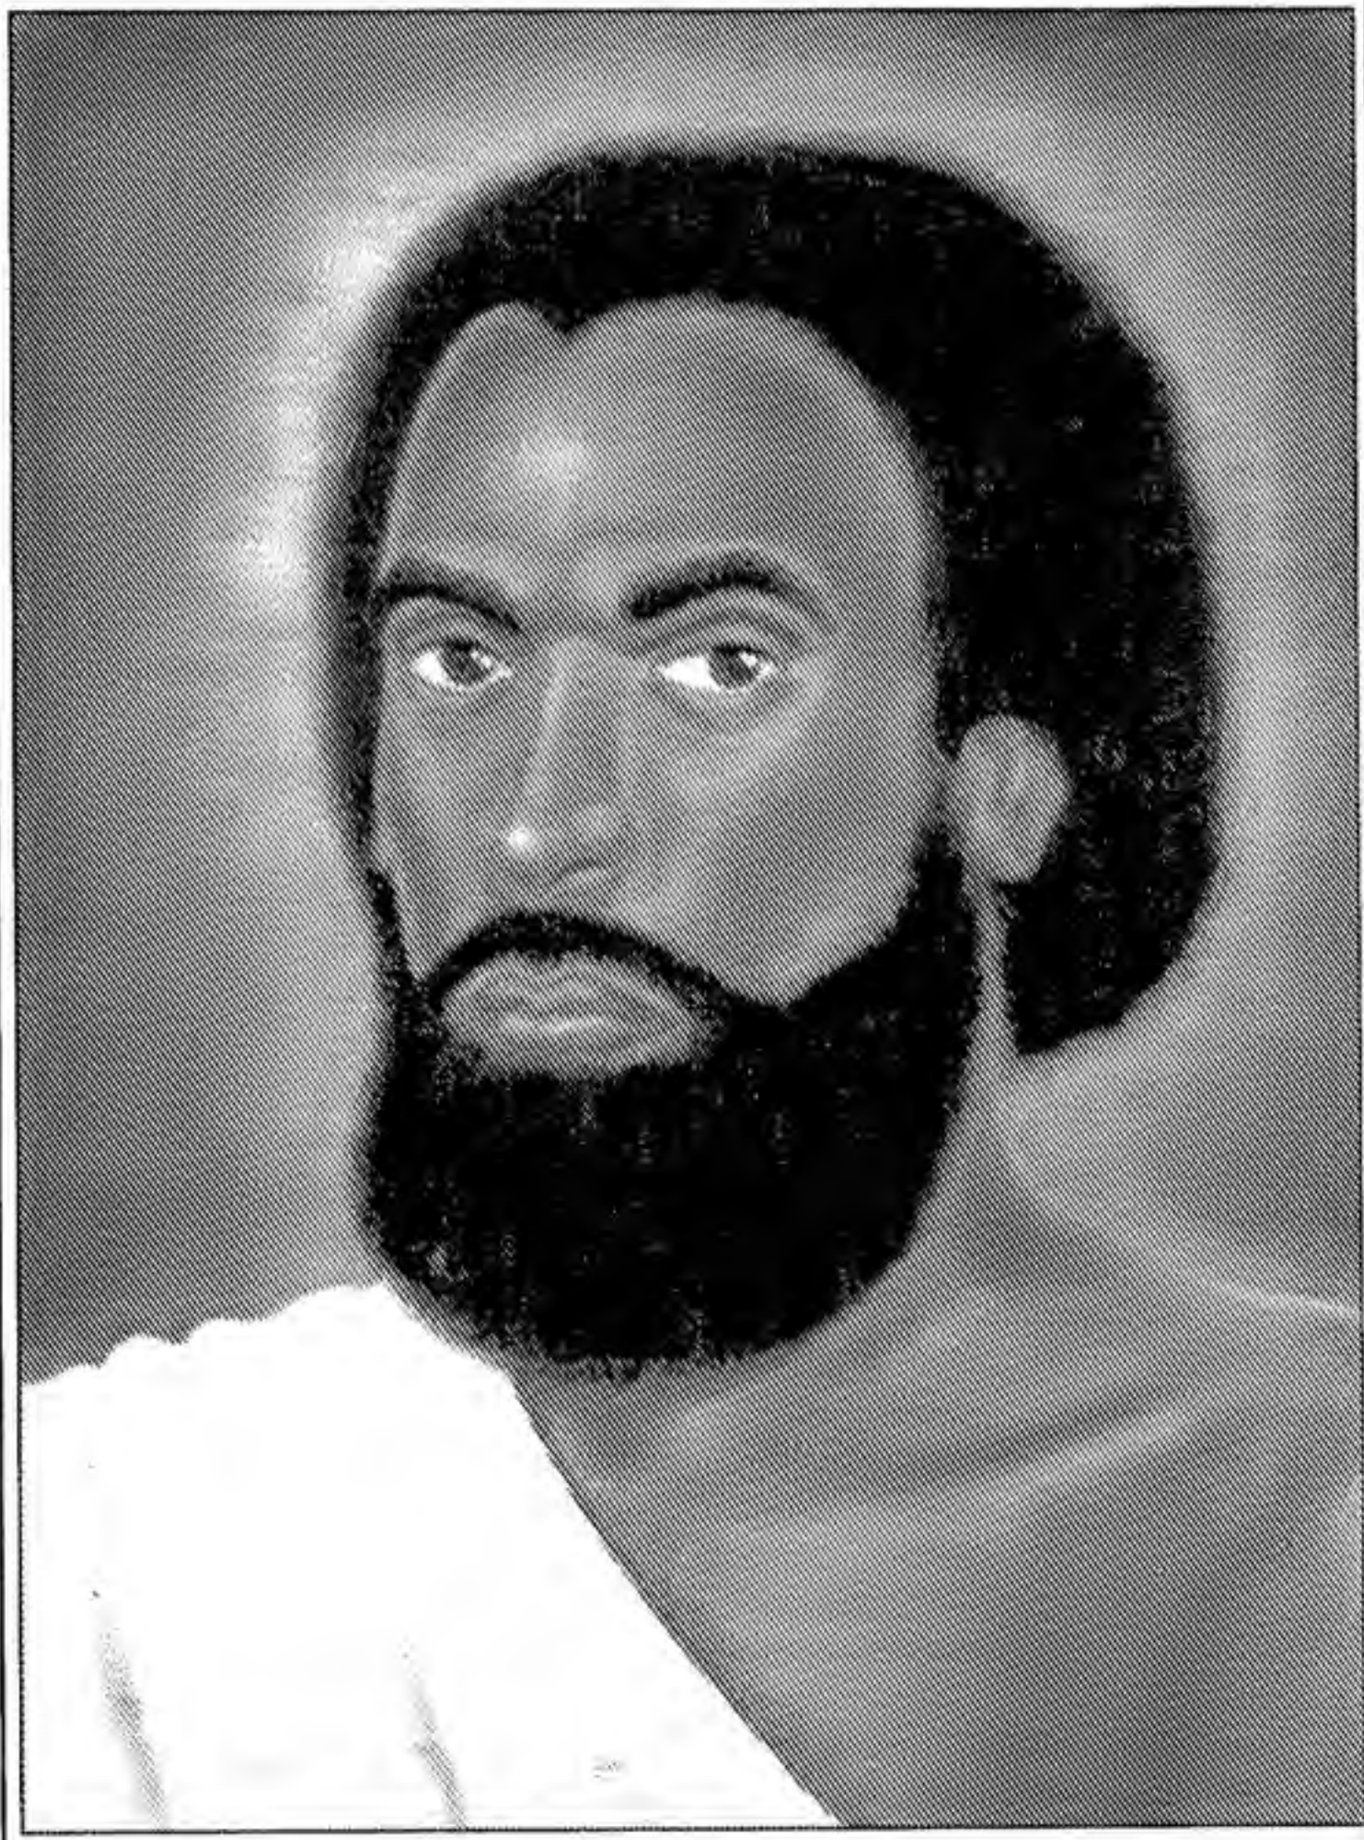

Figure 215

Tablet 6:107

Enoshites, Human beings,

108 And they could no longer converse face to face with the Aluhum, Anunnagi without their Barathary Gland,

109 And their 4 higher senses psychometry, clairvoyance, intuition and telepathy.

110 They were appointed one Yahweh, who they could communicate with.

111 So they began worshipping this one name Tammuz,

112 Or Adonai or Horus son of Ishtar who is Isis,

113 Giving us the geneaology of Isis simply Genesis. This is the record of Adamites, the Homo Sapien.

114 In the 6th day, the 42nd thousandth year period of their time, when the Aluhum procreated the Adamites just like themselves.

And The Story Was Inscribed Like This
(19 x 2 =38)

Lo! Kadmon stayed by the body of Abel in great grief, in which that is the custom of visiting the dead, and he would bring a rock with each visit to slowly but surely block the entrance to the cave to eventually block and seal the entrance to the cave. This is the first sepulchre and the reason for the bringing of stones to the graveyard.

2 When Kadmon came and saw the new born child's good looks, his beauty, and his perfect figure,

3 He rejoiced over him,

4 And he was comforted for it.

5 Then he named the child Seth, that means:

Tablet 7:20

6 "He who was a compensation,"

7 But it means also "power and strength."

8 Then after seeing Seth, Kadmon, returned to the cave of treasure.

9 And his daughter went back to Nekaybaw, her mother.

10 But Nekaybaw continued in her cave.

11 Until her 40 days were fulfilled, when she came to Kadmon, and brought with her the child and her daughter.

12 They came to a river of water, where Kadmon and his daughter washed themselves because of their sorrow for Abel,

13 But Nekaybaw and the babe washed for purification.

14 Then they returned and took an offering, and they went to the mountain and offered it before the Aluhum Anunnagi.

15 At the foot of this mountain were Kadmon's tribe, the Cuthites and Nekaybaw's tribe, the Havilahites, and there were many other tribes that came to witness this great day.

16 Caravans came from all around for this great event at the mountain; the offering of Seth who was a "compensation" for his brother Abel.

17 And this mountain was covered all over by smoke,

18 Because a cylinder shaped craft hovered above it, and the smoke ascended like the smoke of a furnace.

19 Because of this great craft, the mountain shook greatly.

20 The Yahuwa of the Aluhum came down out of the cylinder shaped craft to the head of the mountain, and the Yahuwa of the Aluhum called out to Nekaybaw for the babe called Seth,

which was to be presented to the 24 elders.

21 The Yahuwa of the Aluhum said to Nekaybaw, go down and protest the tribes of people, lest they break through to the Aluhum to take a look at the babe. They all fell down and prostrated themselves to the ground, and they would not look, and Nekaybaw said ANU listens to those who praise him.

22 So the congregation answered, our Sustainer to him is due the gratitude, in respect.

23 Nekaybaw said to the Aluhum, "this nation of people, cannot come up to this mountain, for you are going to break forth on us, and set a boundary all around the mountain, and make it Gadush, holy.

24 Gabriy'El Zodoq accepted this offering and sent his blessings upon them, and upon their son Seth;

25 And she returned to the cave of treasure.

26 As for Kadmon he didn't go into, (have intercourse) his wife, again, until the time came for the migration to Raphali.

27 Seth vouched on the part of Kadmon, who he had lost the respect of the Anunnagi, and out of mercy they were forgiven,

28 And only if Kadmon and Nekaybaw would have 10 children for each of the original 4 given as an offering to the Anunnagi.

29 And they conceived 20 sons and 20 daughters and they did offer them to the Anunnagi.

30 They took them to Raphali to work the mines all the days of their lives.

31 After this, Kadmon didn't have sexual intercourse with his wife for all of the rest of the days of his life.

32 But Seth waxed in stature and in strength and he began to fast and meditate ferverently.

33 Remembering the fetal stage, he prostrated himself humbly to the ground,

34 Praying night and day for the reinsertion of his Barathary Gland, and entry into the order of Zodoq,

35 And in time he too, was called to the altar for his initiation.

36 And his offering was respected and he was accepted,

37 And crowned a child of the Aluhum

38 And Seth was a shining light in the family of Kadmon.

Tablet Eight
Shaytun Appears As A Beautiful Woman Laiylat Tempting Kadmon (19 x 6=114)

Lo! As for our father Kadmon, at the end of the 7 years from the day he had been severed from his wife Nekaybaw,

2 Nakhash, Shaytun, envied him,

3 When he saw him separated from her,

4 And he strove to make him live with her again;

5 And Kadmon arose and went up above the cave of treasures,

6 And continued to sleep there night by night; but as soon as it was light he came down from the cave,

7 To meditate there and receive a blessing from it.

8 But when it was evening he went upon the roof of the cave where he slept by himself fearing lest Nakhash shall overcome him, and they continued their separation 39 days.

9 Then Nakhash the hater of all that is

good,
10 When he saw Kadmon, thus alone, fasting and praying, he appeared unto him,
11 In the form of a beautiful woman, who came and stood before, in the shadow hour on the 40th day, and he said unto him:
12 O Kadmon, from the time we have dwelt in this cave we have experienced great peace from you,
13 And your plan has reached.
14 We have been confronted about you.
15 But now O Kadmon that you have gone up over the roof of the cave, to sleep, we have had doubts about you,
16 And a great sorrow has come upon us,
17 Because of your separation from Nekaybaw.
18 Then again when you are on the roof of the cave, your meditation is poured out, and your heart wonders from side to side.
19 But when you was in the cave, your meditation was like fire gathered together;
20 He came down to us an you did find rest, then I also grieved over your child that was severed from you.
21 My sorrow was great about the murder of your son Abel for he was righteous; and over a righteous man everyone will grieve.
22 But I rejoice over the birth of your son Seth; yet, after a little while I sorrowed greatly over Nekaybaw because she is my sister.
23 For when Yahuwa of the Aluhum sent a deep sleep over you and drew her out of your side he brought me out also with her.
24 But he raised her by placing her with you while he lowered me.
25 I rejoiced over my sister for her being with me.
26 For A'LYUN A'LYUN EL had made me a promise before and he said:
27 "Grieve not when Kadmon has gone up on the roof of the caves of treasures, and is separated from Nekaybaw his wife, I will send you to him, you will join thyself to him in marriage,
28 And bear him 5 children as Nekaybaw did bear him 5."
29 Now, lo the promise to me is fulfilled, for it is he who has sent me to you for the wedding,
30 Cause if you would wed me,
31 I shall bear you finer and better children than those of Nekaybaw.
32 Then again you are as yet, but a youth,
33 End not your youth in this world of sorrow but spend the days of your youth, in pleasure,
34 For your days are few and your trial is great.
35 Be strong until the last days of this world in rejoicing. I shall take pleasure in you, and you shall rejoice in yourself in this way, and without fear until then. You should fulfill the command of your Yahuwa of the Aluhum, and she then drew near to Kadmon, and embraced him,
36 But when Kadmon saw that he should be over come by her,
37 He prayed to the Yahuwa of the Aluhum with a fervent heart to deliver him from her.
38 Then Yahuwa of the Aluhum sent his word unto Kadmon saying:
39 O Kadmon that figure in the one that promised you the godhead and

Tablet 8:39

majesty,
40 He is not favorably disposed towards you,
41 For he shows himself to you, at one time in the form of a woman,
42 Another moment in the likeness of an Anunnagi, Aluhum.
43 On another occasion in the similitude of a serpent,
44 And at another time,
45 The semblance of a deity, but he does all that to only to destroy your soul.
46 Now therefore O Kadmon overstand in my heart I have delivered you many a time from his hands,
47 In order to show you that I am merciful,
48 And that I wish you good,
49 And that I do not wish your ruin.

Kadmon Sees The Devil In His True Color.

50 Then Yahuwa of the Aluhum ordered Nakhash to show himself to Kadmon plainly in his own hideous form. This Nakhash meaning "whisperer" of the flugelrods, who roamed the outskirts of the garden called Sawdeh, who was called Behaymaw "beast of the field".
51 But when Kadmon saw him he feared and trembled at the sight of him.
52 And Yahuwa of the Aluhum said to Kadmon, "look at this Huluub, A devil by nature. Look at his hideous, pale skin, blue-eyed, yellow hair, and red lips.
53 Look! you know that it is he who made you fall from knowing into unknowing,
54 From peace and rest to toil and

Tablet 8:72

misery.
55 Look O Kadmon at him, who said of himself that he is The Most High,
56 Can Yahuwa of the Aluhum be pale and without color,
57 Can he be leprous and diseased, covered with puss and scabs, and scales,
58 Can his breathing be hindered by nasal blockage,
59 Can he be on a rhythm other than that of the universe,
60 Can he be ill,
61 Can he be with so little melanin?
62 Is there any one stronger than The Most High?
63 Can he be overpowered?
64 "See, then O Kadmon, and behold him bound in your presence, in the air, unable to flee away!
65 Therefore, I say unto you, be not afraid of him;
66 Henceforth take care, and beware of him in whatever he may do unto you.
67 The Yahuwa of the Aluhum drove Nakhash, Shaytun from before Kadmon, whom he strengenthed,
68 And whose heart he confronted saying to him, "go down to the cave of treasure, and separate not thyself from Nekaybaw;
69 I will suppress lustful desires in you all for Nekaybaw; I will extinguish in you all animal lust?"
70 From that hour it left Kadmon and Nekaybaw, and they enjoyed the rest, by the commandments of The Most High.
71 But The Most High did not liken himself to any one of Kadmon's seed; but only to Kadmon and Nekaybaw.
72 Then Kadmon and Nekaybaw meditated before the Adonai, for having delivered him,

73 And for having layed his passions before him and he came down from above the cave, and dwelt with Nekaybaw as a foretime.

74 This ended the 40 days in his separation from Nekaybaw.

The Devil Paints A Brilliant Picture For Seth To Feast His Thought Upon.

75 As for Seth when he was 7 years old, he knew agreeable, and disagreeable and he had put all the tablets to memory,

76 And he was consistent in fasting and meditating and he spent all his shadow hours in entreating Yahuwa of the Aluhum for mercy and forgiveness.

77 He also fasted when bringing up his offering everyday, more than his father did,

78 For he was of a good countenance, like unto an Anunnagi Aluhum of Yahuwa.

79 He also had a good heart, that preserved the finest qualites of his soul,

80 And for this reason, he brought up his offering every day.

81 Yahuwa was pleased with his offering, for he would sup with the Aluhum daily;

82 But he was also pleased with his purity.

83 He continued thus in doing the will of The Most High,

84 And of his father and mother, until he was 7 years old.

85 After that he was coming down from before the altar, having ended the offering,

86 Nakhash, Shaytun appeared unto him in the form of a beautiful Anunnagi Aluhum, brilliant with a light, and with a staff of light in his hand,

87 And with a staff of light in his hand, and he had himself girt about, with a girdle of light.

88 He greeted Seth with a beautiful smile,

89 And he began to beguile him with agreeable words, saying to him",

90 "Seth why, abideth you in this mountain?

91 For it is rough full of stones and of sand,

92 And of the trees of the wilderness with no good fruit on them; a wilderness without habitation; and with towns; no good place to dwell in.

93 But all is heat, weariness, and trouble."

94 He said further, "but we dwell in beautiful places,

95 In another world is one of light and our condition is the best;

96 Our women are more beautiful than any other;

97 And I wish you O Seth to bethrow one of them;

98 Because I see that you are tall, dark and handsome, as dark as the darkest olive, with hair like lamb's wool, as black as a raven. You have the most beautiful of countenance and you are very fair to gaze upon.

99 In the land there is not one woman good enough for you,

100 Besides all those who live in this world, there are only 5 souls.

101 But in our world there are many men, and many maidens, all more beautiful than one another, so come accompany me to the great city of Nod.

102 I wish therefore to remove you hence, that you mayest see my relations and be wedded to which ever you likest.

103 You will then abide by me and be

at peace;
104 You will be filled with splendor and light, as we are.
105 You will remain in your world,
106 And rest from this world and the misery of it,
107 You will never again feel faint and weary;
108 You will never again bring up an offering, nor sue for mercy;
109 For you will commit no more sin, nor be swayed by passions,
110 And if you will hearken to what I say,
111 You will wed one of my daughters;
112 For with us it is no sin so to do; neither is it reckoned animal lust.
113 For our world we have no deity;
114 But we all are deities; we all are of the light, heavenly, powerful, strong and glorious in this world of light.

Tablet Nine
Seth's Offering, Conscience Helps Him, He Returns To Kadmon And Nekaybaw.
(19 x 5=95)

Lo! When Seth heard these words, he was amazed and inclined his heart to Nakhash's treacherous speech,
2 And he said to him "did you say there is another world created other than this one;
3 And other creatures more beautiful than creatures that are in this world?
4 Shaytun said, "Yes; behold you have heard the name Nod,
5 But I will yet praise them, and their ways in your hearing.
6 But Seth said to him,
7 "Your speech has amazed me;
8 And your beautiful description of it all.
9 "Yet I cannot go with you today;
10 Not until I have gone to my father Kadmon and to my mother Nekaybaw.
11 You should tell them all you have said to me.
12 If You give me leave to go with you, I will come".
13 Again Seth said, "I am afraid of doing anything without my father's and mother's leave,
14 In Case I perish like my brother Cain and like my father Kadmon, who transgressed the commandment of A'LYUN A'LYUN EL.
15 But behold, you know this pace; come and meet me here tomorrow."
16 When Ibliys, Shaytun, heard this, he said to Seth,
17 "If you tell your father Kadmon what I have told you, he will not let you come with me, but hearken to me;
18 Do not tell your father and mother what I have said to you;
19 But come with me today to our world,
20 Where you will see beautiful things,
21 And you will enjoy yourself there, and you will reveal this day among my children,
22 Beholding them and taking you full of mirth; and you shall rejoice forever more.
23 Then I shall bring you back to this place tomorrow;
24 But if you would rather abide with me, so be it".
25 Then Seth answered, "the spirit of my father, and of my mother, hangs on me.
26 If I hide from them one day they will die,
27 And A'LYUN A'LYUN EL will

hold me guilty of sinning against them,
28 And except that they know I am come to this place unless they let me.
29 But they treat me most kindly because, I will come back to them one shadow hour,
30 And return to them at the break of day?
31 For it is the obligation of the loyal to remain loyal.
32 But Seth, he saw how he kept on talking, and how he would not leave him, so he ran and went up before the altar,
33 And spread himself hands, palm down to the ground and cried out unto A'LYUN A'LYUN EL and sought deliverance from him.
34 Then A'LYUN A'LYUN EL sent his word and cursed Shaytun, who fled from him.
35 But as for Seth, he had gone up to the **Mashuk** "niche" for meditation and communication,
36 And spread his hands unto the altar, the place of offering, thus this prostration became a sign of refuge in Anu from the cursed Shaytun,
37 For he did say **Ane Talub Istahraas E A'lyun A'lyun El Min El La'un Shaytun,** *"I seek protection in The Most High, The Highest from the cursed Devil".*
38 Thus was to become the practice of all who truly have faith and take refuge in Anu from Shaytun.
39 The messenger said this place is where you prostrate, Shawukh. It shall surround you as a child in a mother's womb, it shall be called El Haykul.
40 And Yahuwa of the Aluhum is there;
41 A divine fire shall consume it so, Shaytun will be unable to hurt me,
42 He shall not take me away thence."
43 Then Seth rose up from his prostration, and spread his hands unto A'LYUN A'LYUN EL and sought deliverance from him, and this became the way of supplication.
44 Then Seth rose up from his prostration, and he sat in **Jathuw,** (kneeling position) and then he prostrated again, with his palms to the ground and his forehead, and he rose again.
45 Then he sat down and blessed his accompany messengers, and he rose and went to his father and mother, whom he found in the way,
46 Longing to hear his voice; for he tarried a while,
47 He then began to tell them what had befallen from Shaytun,
48 Under the form of an Anunnagi, Aluhum.
49 But when Kadmon heard his account, he kissed his face, and he warned him about that Aluhum telling him it was Nakhash who thus appeared to him.
50 Then Kadmon took Seth, also known in tones as Shiyth, and they went to the cave of treasures, and rejoiced therein.
51 But from that day forth Kadmon, and Nekaybaw never parted from him, to whatever place he might go, they accompanied him,
52 Whether for his offering or for anything else. This sign happened to Seth when he was 7 years old.

Seth Marries Aqlimiyah. Kadmon Lives To See Grandchildren And Great Grandchildren.'

53 When our father Kadmon saw that

Tablet 9:53 **Tablet 9:91**

Seth had a perfect heart, he wished him to marry;

54 Lest the enemy should appear to him another time and overcome him.

55 So Kadmon said to his son Seth, at the scriptural age of 100: "I wish, O son, that you wed Aqlimiyah, who is 25 years your senior, Abel's sister, at the scriptural age of 125 that she may bear children,

56 Who shall replenish the Earth according to Yahuwa of the Aluhum's promise to us.

57 Be not afraid, O son, my son; there is no disgrace in it I wish you to marry,

58 Which tis was he, created from fear, lest the enemy overcome you.

59 Seth however, did not wish to marry; but in obedience to his father and mother, he said not a word.

60 So Kadmon married him to Aqlimiyah, when he was 105 years old.

61 And He begat a son, whom he called Enos, because he was a symbol of how these Adamites had become mere human beings, no longer in the image and after the likeness of the Aluhum of the sky.

62 But in the image and after the likeness of their own mortal descent.

63 And then the Sethites lived on another 807 years,

64 Seth had many children and his dynasty ended after 807 years all together.

65 And when Enos was 90 years old his confidante/ mate Bashiyra gave birth to a son named Cainan.

66 And the Enoshites lived another 815 years and he had many children.

67 And his dynasty ended 905 years all together,

68 And his son Cainan was 70 years old when his confidante, Leah, gave birth to a son Mahalalel, he who gives praise to El,

69 And then the Cainanites lived on another 840 years and they had many children.

70 And his dynasty ended 910 years all together.

71 These children of Seth were born during Kadmon's life-time, and they dwelt by the cave of treasures.

72 Then were the days of Kadmon 930 years, and the Adamite's dynasty perished after 930 years all together.

73 As the days the Adamites went on, later Kadmon and Nekaybaw, the tribe of Adamites lived on for another 800 hundred years having 22 sets of twins totalling altogether 23 sons:

74 Cain, Abel,

75 Seth, Len,

76 Hatif, Ruht,

77 Huma, Yahuw,

78 Abru, Salli,

79 Kout, Hatim,

80 Hamma, Dhubir,

81 Fud, Hakal,

82 Zayd, Abas,

83 Zikin, Fudun,

84 Shuha, Wadun, Ahmad,

85 And 20 more daughters; Aqlimiyah Lubuwdah,

86 Lina, Alis,

87 Adela, Bilhah,

88 Fugata, Fufu,

89 Amaana, Afafa, Ifatayu,

90 Fazaina, Hamdiya, Halima, Ghada, Na'ulah, Zain, Qutillah, Aqtifa, Tamira, Hashiffa, Sumana,

91 They moved and worked the gold mines of Monodappa in Raphali, South Africa now called Zimbabwe, and all the days of Kadmon's dynasty was 930.

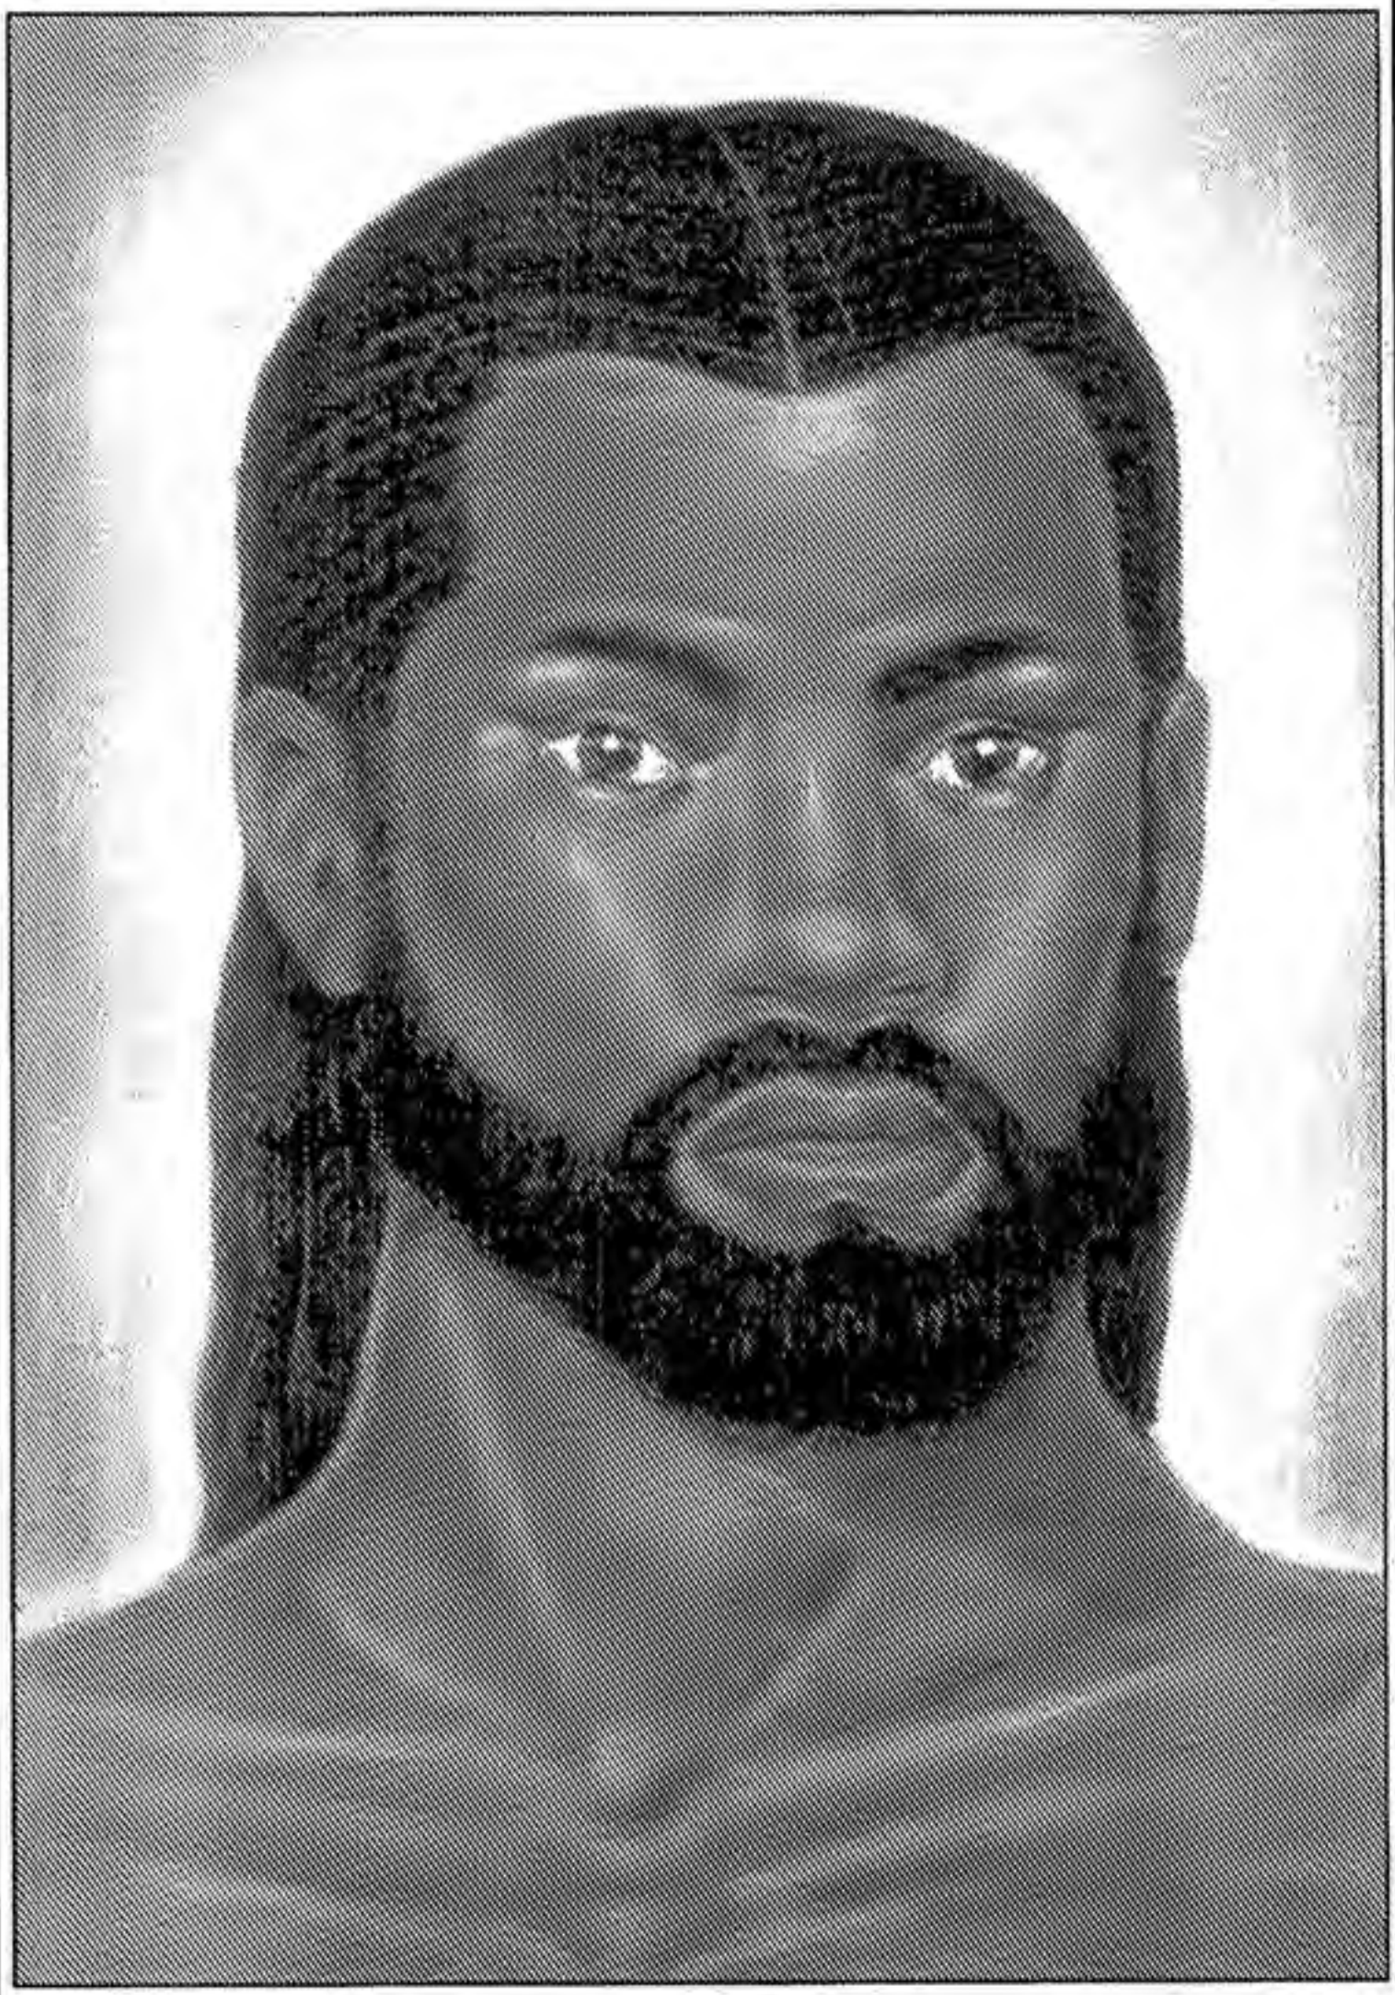

Figure 216
Enos, Son Of Seth And Aqlimiyah

Tablet 9:92

92 And all of the seed of Enos from that day on, they prayed to that one deity, appointed to this family, and say I stand A witness, that nothing would exist if ANU did not bring it into existence he is alone, and has no partners.

93 Prayer and fasting, and charity and the pilgrimage to the site of the burial of Kadmon and Nekaybaw became the law of the family from that day;

94 And they all worked with hard labors until the end.

95 This has been enjoined on the seed of Kadmon, our father, who are in the skies.

Tablet Ten
Kadmon's Remarkable Last Words. He Predicts The Flood. He Exhorts His Offering To Good. He Reveals Certain Mysteries Of Life.
(19 x 3 = 57)

Lo! It was written that when our father, Kadmon, saw that his end was near at age 230, being given an extension from 120-130, and then because of the murder of Abel by Cain, and the necessity for a replacement, there was given a further extension to 230 years. So he called his son Seth, who came to him in the cave of treasures at age 100, and he said unto him,

2 When I was 10 past the appointed, 120 years, that being 130, I knew my time was nearing,

3 Yet, my name will live on to 930 years.

4 O Seth, my son, bring me your children, and your children's children,

5 That I may shed my blessing on them.

Tablet 10:23

6 When Seth heard these words from his father Kadmon, he went from him,

7 Shed a flood of tears over his face, and he gathered together his children, and his children's children, and he brought them to his father Kadmon.

8 But when they saw him weeping, they all wept together,

9 And Seth fell upon his face saying,

10 "How will you be severed from us, our father?

11 How will the Earth receive you and hide you from our eyes?"

12 They lamented much, and in like words.

13 Then our father, Kadmon, blessed them all, and he said to Seth, after he had blessed them:

14 O Seth, my son, you know this world - that it is full of sorrow, and weary; and you know all that has come upon us, from our trial in it.

15 Therefore now you command in these words; to keep innocence to be pure and just,

16 And trusting in A'LYUN A'LYUN EL, and lean not to the discourses of Ibliys,

17 Nor the apparitions in which he will show himself to you.

18 But keep the commandments that I give you this day;

19 Then give the same to your son Enos and let Enos give it to his son Cainan to his son Mahalaleel;

20 So that these commandments abide from among all your children.

21 O Seth, my son, the moment I am dead take my body until,

22 And wind it up with myrrh and aloes,

23 And cassia and leave me here in this cave of treasure in which are all these

tokens,

24 Which Yahuwa of the Aluhum gave us from the garden, O my son.

25 Hereafter shall a flood come and overwhelm all creatures, and leave out only 80 souls.

26 And that one shall bear while in the craft, an unsightly being, lack of melanin, absence of divinity, a menace in the world,

27 And he shall breed 11 of the most treacherous human devils, to grace this planet.

28 "But O my son, let those whom it will leave out from among your chidren at that time.

29 Take my body with them out of this cave,

30 And when they have taken it with them, let the oldest among them command his children in a ship, until the flood has been assuaged, and they came out of the ship.

31 Then they shall take my body and lay it in the middle of the Earth, shortly after they have been saved from the waters of the flood.

32 "For the place where my body shall be laid is the middle of Earth, and it shall become holy.

33 And many a men shall encompass that very spot in ritual, and in righteousness until their time of righteousness expires, and by their comprising with the children of Nakhash, the city will no longer be holy.

34 Yahuwa of the Aluhum shall come thence and he shall save all our kindred.

35 But now, O Seth, my son, place thyself at the head of your people;

36 Tend them and watch them and watch over them in the fear of A'LYUN A'LYUN EL;

37 And lead them in to fast unto A'LYUN A'LYUN EL and lead them in the good way, and command them to fast unto A'LYUN A'LYUN EL,

38 And make them overstand they ought not to hearken unto Shaytun,

39 Or else he will destroy you. Then, again severe your children, and your children's, children from Cain's children;

40 Do no let them mix with those, nor come near them either in their words, or in their deeds.

41 "Then Kadmon said let his blessing descend upon Seth, and upon all his children, and upon all his children's children.

42 He then turned to his son, Seth, and, Nekaybaw, his wife, and he said to them, "preserve this gold, this incense,

43 And this myrrh, that Yahuwa of the Aluhum has given it as a sign; for in the days that are coming,

44 A flood will overwhelm the whole creation.

45 But those who shall go into the ark, they shall take with them the gold,

46 The incense, and they will lay the myrrh, together with my body;

47 And keep my body in a cube shaped chest, 4 by 4,

48 With my body in the midst of the Earth.

49 Then after a long time, the city in which the gold,

50 The incense, and the myrrh are found, with anybody, and it shall be plundered,

51 But when it is spoiled, the gold, the incense, and the myrrh shall be taken care of with the spoil that is kept, and neither of them shall perish, until the

word of A'LYUN A'LYUN EL.

52 Enosites shall take them and they shall come; when rulers shall offer to take them,

53 And shall offer to him gold in the token of his being ruler of heaven and Earth, and myrrh, in token of his passion.

54 Incense in token of his being ruler of heaven and Earth; and myrrh, in token of his passion.

55 Gold also, as a token of his overcoming Shaytun, and all our foes; incense is as a token that he will drink bitter gall;

56 And feel the pains of hell from Shaytun.

57 Now, O Seth, my son, behold I have revealed hidden mysteries unto you, which A'LYUN A'LYUN EL had revealed unto me. Keep my commandments, for yourself, and for your peoples."

Tablet Eleven
The Death Of Kadmon
(19 x 1=19)

Lo! When Kadmon had ended his commandment to Seth, his limbs were loosened, and his hands and feet lost all power, his mouth and tongue ceased all together to speak.

2 He closed his eyes and he gave up the ghost.

3 But when his children saw that he was dead,

4 They threw themselves over him,

5 Men and women, old and young, were weeping.

6 It is said that the death of Kadmon's body took place at the end of 130 years, but his name lived on as head of the Adamite dynasty, and that it was believed that he lived upon the earth 930 years.

7 On the 19th day of the month now called Ramadaan after the reckoning of an impact of the Moon, and its Lunar logging at the 1300th hour or noon.

8 On the 5th day, Friday, this was the very day of his birth. Thus his children gathered on that day and that hour in remembrance,

9 And on which he rested;

10 And the hour at which he died,

11 Was the same as that at which he came out of the garden.

12 Then Seth wound him up well, and embalmed him with plenty of sweet spices, from the sacred tree, and from the holy mountain;

13 And he laid his body on the eastern side of the incense and he placed in front of him a lamp stand, which kept burning.

14 Then his children stood before him weeping and wailing over him the whole shadow hour until the break of day.

15 Then Seth and his sons, Enos, and Cainan, the son of Enos, went out and took good offered gifts to Yahuwa, when he did offer.

16 But Nekaybaw said to them, wait until we have first offered Yahuwa our offering,

17 And to keep by him the soul of Kadmon his servant, and to take it to rest.

18 And they all stood up,

19 And they all prayed.

Tablet Twelve
Seth Becomes Head Of The Most Happy And Just Tribe Of People Who Ever Lived
(19 x 1=19)

Lo! After the death of Kadmon and of Nekaybaw, Seth separated his children, and his children's children, from Cain's children,

2 Cain and his seed, by his wife Lubuwdah; their first offspring was called Enoch,

3 And Enoch's, "those are dedicated," confidante, wife, gave birth to her fugitive they named Irad,

4 And Irad's confidante, wife, gave birth to Mehujael, "one smitten by El",

5 And before his death his confidante wife gave birth to a Kahun Methusha'El,

6 His confidante, wife, gave birth to the most powerful one, in the line Lamech,

7 And this Lamech, "he who is powerful", took for himself 2 wives one dressed very beautiful named Adah,

8 And the other who did cunning and conniving things, Zilhah. The confidante, Adah, gave birth to Jabal, "who moves like a stream of water".

9 He was the father of those who built tabernacles, and those Bedouin flock raisers and his twin brother's name is Jubal.

10 He also moved about like a stream, but he became the father of musicians, and makers of the instrument and those obsessed with music and theatrics.

11 Zilhah also gave birth to one who would have sex with his own mother and sister, also called Cain.

12 He became an instructor and tool maker that later worked in the metals, brass and iron, that made weapons of destruction.

13 This Tubal Cain the one who had incestrous intercourse with his own mother, had a sister named Naamah, she was gentle and pleasant.

14 Lamech called his wives together Adah "the beautiful ornament" and Zilhah, and he said listen to what I have to say:

15 I, as your husband, want you to give more attention and listen well because I killed my own son,

16 Not before he stabbed me with a spear.

17 He struck me because I questioned him concerning the sexual intercourse with his mother Zilhah and his sister Naamah and his answer bruised my heart.

18 If the death of our ancestor Cain, was the Aluhum's grudge then, because I killed my own son Cain, who is called Tubal Cain, who had intercourse with his own mother,

19 I should receive 7.

Tablet Thirteen
The Dwellings Of Cain And Seth
(19 x 6 =114)

Lo! And Cain went down and dwelt eastward, and Cain was banished from Nod, a province of the city Uruk or Erech or Araf, for masquerading as his brother,

2 And he went and lived below the place where he had killed amongst his own.

3 And Cain was born again 5 generations later as Tubal Cain and the 7th curses met their course.

4 But Seth and his children dwelt westward in Ta-Mara, near the cave of

treasures in order to be near to their father, Kadmon.

5 They crossed a small sea of reeds and they would return yearly across that very same sea of reeds into the deserts, until they arrived at the most holy site where the body of Kadmon and Nekaybaw rested in a cave called Hira, the cave of treasures.

6 And Seth, the elder, tall and good, with a fine soul, and of a strong mind, stood at the head of his people,

7 And he tended them in innocence, penitence, and meekness and he did not allow one of them to go down to Cain's children.

8 But because of their own purity, they were named Children of the Aluhum," and they were with Yahuwa of the Aluhum,

9 Instead of the 200 Aluhum who fell; for they continued in praise to A'LYUN A'LYUN EL, and in singing psalms unto him, in their cave--the cave of treasures.

10 Then Seth stood before the body of his father, Kadmon,

11 And his mother, and he prayed shadow hour and day, and he asked for mercy towards himself and his children and that's when he had some difficult dealing with a child, and he would give him counsel.

12 But Seth and his children did not like the earthly work,

13 But he gave themselves to heavenly things, for they had no other thought but praises, and the giving of more praises, and Psalms unto A'LYUN A'LYUN EL.

14 Therefore did they at all times hear the voices of the Anunnagi Aluhum praising and glorifying Yahuwa, from within the garden,

15 Or when they went by Yahuwa on an errand, or when they were going up to heaven.

16 For Seth and his children, by reason of their own purity, heard and saw Anunnagi, Aluhum, then, again the garden was not far above them,

17 But it is only some 15 spiritual cubits.

18 Now 1 spiritual cubit answers to 3 cubits of man, altogether 45 cubits.

19 Seth and his children dwelt on the mountain below the garden; they didn't sow, neither did they reap;

20 They didn't wrought for the food, but for the body. Not even wheat; but only offerings. They ate of the fruit and of the trees well flavored that grew on the plains where they dwelt.

21 Then Seth often fasted every 40 days, as did also with his eldest children.

22 For the family of Seth smelled the smell of the trees in the garden, when the wind blew that way.

23 They were very happy, and innocent without sudden fear, there was no jealousy,

24 No evil action, no hatred among them, there was no animal passion. No Enosite, among them went forth, either foul words or curse; neither evil council nor fraud.

25 For the Enosites of that time never swore, but under hard circumstances when Enosites must swear, they swore by the blood of Abel the just,

26 But they constrained their children and their women every day in the cave to fast and pray.

27 And to worship The Most High, A'LYUN A'LYUN EL. They blessed themselves with it.

28 And they did so until the end of Seth drew near.

Seth's Family Affairs, His Death, The Headship Of Enos, How The Outcast Branch Of Kadmon's Family Fared.

29 Then Seth, the Just called his son Enos, and Mahalaleel, son of Cainan and he said unto them:

30 "As my end is near, I wish to build a roof over the altar on which gifts are offered."

31 They hearkened to his commandments and they went out, all of them, both old and young, and they worked hard at it, and they built a beautiful roof over the altar, and Seth's thoughts, in so doing, was that of a blessing, that it should come upon his children on the mountains;

32 And that he should present an offering for them before his death.

33 Then when the building of the roof was completed, he commanded them to make offerings.

34 They worked diligently at these, and he brought them to Seth, their father who took them,

35 And he offered them upon the altar and he prayed to Yahuwa,

36 To accept their offerings, to have mercy on the souls of the children and to keep them from the hands of Shaytun.

37 And Yahuwa of the Aluhum accepted his offering,

38 And he sent his blessings upon him and upon his children.

39 Then Yahuwa and the Aluhum made a promise to Seth saying,

40 "At the end of the great 5 days and a half, concerning which I have made a promise to you and to your father.

41 I will send my word and save you and your seed."

42 Then Seth and his children's children met together, and came down from the altar,

43 And they went to the cave of treasures - where they prayed,

44 And they blessed themselves in the body of our father Kadmon, and anointed themselves with it.

45 But Seth stayed in the cave of treasure for a few days, and then he suffered-sufferings unto death.

46 Then Enos, his first born son, came to him with Cainan, his son, and Jared, the son of Mahalaleel, Cainan's son, and Enoch, Jared's son with their wives and children to receive a blessing from Seth.

47 Then Seth meditated over them, and he blessed them and adjured them by the blood of Abel the just, saying:

48 "I beg of you, my children do not let me see one of you, go down from this holy and pure mountain.

49 Make no fellowship with the children of Cain the murderer and the sinner, who killed his brother,

50 For you know, O my children that we flee from him, and from all his sins with all our might because he killed his brother Abel.

51 After having said this, Seth blessed Enos, his first-born son, and he commanded him habitually to minister in purity before the body of their father Kadmon, all the days of his life.

52 Then, he also to go at times to the altar which he, Seth, had built.

53 He commanded him to feed his people in righteousness, in judgment, and purity of all the days of his life.

54 Then the limbs of Seth were

loosened; his hands and feet lost all power; his mouth became dumb and unable to speak;

55 And when Seth was 105 he passed on, and then the Sethites lived on another 807 years all together and his dynasty ended after 900 years all together.

56 Enos being then 90 years old wound up careful the body of Seth,

57 And embalmed him with sweet spices.

58 And laid him in the cave of treasures on the right side of your father Kadmon's body,

59 And they mourned for him 40 days.

60 They offered gifts for him, as they had done for your father Kadmon.

61 After the death of Seth, Enos rose at the head of his people whom he fed in righteousness and judgment as his father had commanded him.

62 But by the time Enos was 90 years, Tubal Cain had a large progeny;

63 For they married frequently, being given animal lust; until the land below the mountain, was filled with them.

Among The Children Of Cain There Was Much Robbery, Murder, And Sin."

64 In those days lived Lamech the blind who was one of the sons of Cain.

65 He had the son whose name was Tubal Cain,

66 A rebirth of Cain, who was also called Cain and they two had much cattle.

67 But Lamech was in the habit of sending them to feed with a young shepherd,

68 Who coming home in the evening wept before his grandfather, and before his father Atum and his mother Hazina, and he said to them,

69 "As for me, I cannot feed those cattle alone, lest one rob me of some of them,

70 Or kill me for the sake of them."

71 For among the children of Cain there was much robbery, murder and sin.

72 Then Lamech pitied him, and he said,

73 "Truly, he when alone, might be overpowered by the men of this place."

74 So Lamech arose, and took a bow he had kept, ever since he was a youth,

75 And he took large arrows and smooth stones and a sling which he had, and went to the field with the young shepherd,

76 And placed himself behind the cattle; while the young shepherds watched the cattle. He did this for many days.

77 Meanwhile, Tubal Cain the son of Lamech and Zilhah, ever since Yahuwa had cast him off for the rape of his own sister Naama,

78 And he had cursed him with trembling and terror, he could neither settle nor find place in any one place; but he wandered from place to place.

79 In his wanderings he came home and approached Lamech's wives, Zilhah and Adah and this Zilhah was his own mother.

80 He asked them about the whereabouts of Lamech.

81 They said to him, "he is in the field with the cattle."

82 Then Tubal Cain went and looked for him; and as he came into the field, the young shepherd heard the noise he made,

83 And the cattle herding together from before him.

84 Then said he to Lamech, "O my Adonai, is that a wild beast or a robber?"

85 And Lamech said to him, "make me overstand which way he looks, when he comes up."

86 Then Lamech bent his bow, placed an arrow on it and fitted a stone in the sling,

87 And when Tubal Cain came out from the open country, the shepherd said to Lamech, shoot, behold, he is coming.

88 Then Lamech shot at Tubal Cain with his arrow and hit him in his side.

89 And Lamech struck him with a sling,

90 That fell upon his face, and knocked out both his eyes;

91 Then Tubal Cain fell at once and died.

92 Then Lamech and the young shepherd came up to him,

93 And they found him lying on the ground.

94 And the young shepherd said to him "it is Tubal Cain your own son,

95 Whom you have killed, o my Adonai!"

96 Then was Lamech sorry for it,

97 And from the bitterness of his regret,

98 He clapped his hands together, and he struck with his flat palm the head of the youth, who fell as if dead;

99 But Lamech thought it was a faint;

100 So he took up a stone and smote him,

101 And he smashed his head until he died.

102 In hopes to conceal what he had done from his wife, Zilhah.

103 For yet this Tubal Cain was her son in all his evils.

104 Upon returning home when asked where is the young lad?

105 Lamech lied and said, "him and Tubal Cain went their way".

106 He hearkened to the voice of Tubal Cain and all he said of the great city

107 I in all sincerity pleaded with them to stay with us.

108 When asked what is the blood on your hands he said:

109 Tubal Cain smote me.

110 And I responded.

111 But he has gone from us forever.

112 But Zilhah knew he could not have that unless he took his son's life.

113 Lamech cried, I am guilty,

114 I should receive the 7 plagues that Gabriy'El, Nusqu, promised my ancestor when he said answering Cain, anyone killing you I will have grudge 7 times. And Lamech fell to the ground and was dead.

Tablet Fourteen
And This Is How This Same Story Was Recorded In The Suhuf
(19 x 2=38)

Lo! Kadmon and Nekaybaw had twenty sons and twenty daughters after Seth who became the father of Enosites.

2 The first 100% percent all human being cut off from the faces and voices of the Anunnagi, who were both agreeable and disagreeable.

3 They were sent to Raphali to work in the mines in the place of the Anunnagi.

4 When the disagreeable Cain and the agreeable Abel had both reached the age of maturity, the Anunnagi commanded

Kadmon to have the disagreeable Cain marry the disagreeable Aqlimiyah, his brother's twin sister.

5 The agreeable Lubuwdah was supposed to marry the agreeable Abel, but as you know this, he did not go as planned, for the diabolical one did step in and do his part.

Cain's Jealousy

6 Abel, was willing to follow his father's request,

7 But out of jealousy, Cain desired to possess his twin sister Lubuwdah, keeping her to himself.

8 He said to his mother, the agreeable Nekaybaw, I will take to wife my own twin sister.

9 He did this because he thought the agreeable Lubuwdah was extremely beautiful and wise.

10 Cain feared his brother Abel would attain the knowledge that Lubuwdah had.

11 Cain became like Haylal known as Sama'El or Ibliys,

12 He exhibited his low attributes of:

13 Envy,

14 Lust,

15 Jealousy,

16 Greed,

17 Hatred.

18 The attribute of jealousy portrayed by him, is why the male living being is jealous of his mate today.

19 When the disagreeable Kadmon, the Adamite heard these words of Cain which were extremely displeasing unto him, he thought:

20 The "Will" of the two natures: agreeable and disagreeable, were manifested in Cain and his twin sister,

21 And Abel and his twin sister.

22 By "Will", Cain exhibited the disagreeable qualities, and by "Will", Abel exhibited the agreeable qualities.

23 These were Nekaybaw's twins.

24 She carried them for 9 months or 270 days.

25 Her days if uncleanliness was 80 days.

26 After 2 years she once again conceived another set of twins.

27 Desire was the principle reason Cain objected to the Anunnagi.

28 Cain's feelings were so strong for his sister that it ignited an anger-like fire, within himself which helped in the results that led to the murder of his brother.

29 For Cain's destiny was recorded in his own nature.

30 The Anunnagi who had procreated these beings, crossed the natures of agreeable with disagreeable.

31 By Kadmon being of the disagreeable Cuthites,

32 And Nekaybaw being of the agreeable, Hawilahites,

33 This was to breed a being with free will, self determination,

34 But discipline.

35 All of this was accomplished in accordance to the plan,

36 For within the nature of each of the 4 children Abel, Aqlimiyah, Cain, Lubuwdah, it was agreeable and disagreeable.

37 Their preplanned marriages should yield the perfect being but the murder of Abel by his brother Cain, this unsightly act, changed the course of the human's future.

38 In time when Yahuwa saw that some of the Adamites who had mixed in

with the Nephileems, and the mixing of the Cuthites and the Hawilahites, their offspring became disagreeable, and all their thoughts were selfishness, and greed, and dishonor, and their hearts were turned towards rebelling everyday. He was sorry that he had ever fashioned Adamites on the planet Earth, and he was very displeased in his own heart.

Tablet Fifteen
Will
(19 x 3=57)

Lo! What is will?

2 "Will" is that which was given to Kadmon, by ANU Most Glorified And Exalted.

3 "Will" also made Kadmon more knowledgeable than the Aluhum, Sarufaat other than the Zodoq priests and the Aluhum, Garubaat.

4 "Will" is that element that made Kadmon, fall in the eyes of Anu Most Glorified And Exalted.

5 "Will" is the mental faculty by which one deliberately chooses upon a course of an action,

6 An instance of the exercising of this faculty, is a decision or conclusion, choice.

7 "Will" is not agreeable or disagreeable.

8 It is undecided; an abstraction,

9 Until someone or something exercises one or the other of the opposite forces:

10 Agreeable or disagreeable.

11 Anu Most Glorified And Exalted Created "Will".

The Two Natures

12 A'LYUN A'LYUN EL created the force that divides into 2 natures:

13 One hundred and eighty degrees of agreeable, which is the nature of the Aluhum,

14 Whom we call Sarufaat other than the Zodoqites who were being taught by Miyka'El who had been given 720 degrees of overstanding and understanding.

15 And 180 degrees of negative, which is the nature of the Jinn, whom we call Garubaat or Jinns.

16 Male living beings have labeled the parts as Tobe, agreeable and Rah, disagreeable.

17 But disagreeable is not what Anu Most Glorified and Exalted Created,

18 He created the green light.

19 The nature of the Aluhum was created from the green light, the Sarufaat,

20 And the nature of the Numos, Jinn, was from Nar Al Samuwm, "poisonous, smokeless fire of the amber light", the Garubaat, Aryan, the name of their domain in Malakuwt.

21 An imperfection representing emotions, where anger is aroused.

22 The Garubaat were the first to be of those who conceal what they know to be true, Kaafiruwna.

23 Smokeless fire represents that which is reflected from the heart center, in anger or hate,

24 A burning of the inner being of that emotion.

25 This is why a balancement had to be created and ANU Most Glorified And Exalted, ordered Cain of the negative seed, whose sister was of the positive seed, to marry Aqlimiyah, who was of the negative seed.

26 Her twin brother was Abel of the

positive seed.

27 The seed of Kadmon will be fighting an internal battle, being susceptible to occupation by disagreeable, because Haylal came to the planet Earth.

28 This was an order which came from A'LYUN A'LYUN EL, The Most High, The Highest And Exalted, commanding them in this manner:

29 Get you from it, the whole gathering".

30 This was inclusive of Kadmon, Nekaybaw, and Haylal.

31 Long before this incident, the 200 Garubaat assisted Haylal and he came to the planet Earth from Aryan also called Nirvana,

32 Their planet in Orion, and relocated in the city of Saturn forming a land, which was later called Nod.

33 They took on the gender of males, and females, as human beings.

34 They were called Hindus, wicked ones, they were like the ghibbore seed of the Anunnagi, called the giants in the planet Earth.

35 They were beings of Haylal's seed. These Hindus from Nirvana who mixed in with the Anunnagi when they both dwelled in Pleiades, before coming or being cast to the Planet Earth.

36 The enmity between the female living beings of Nekaybaw's seed and Haylal's seed was to be physical.

37 I will put enmity between you, Haylal and the woman Nekaybaw.

38 Kadmon's seed will be a son,

39 And the woman's seed will be like Nekaybaw when she fell victim to Haylal also known as Sama'El.

40 This means that I will put hate between people like Haylal, the Hindu dark skin, 6 ether hair descendant of Enkidu, the Shaggies.

41 Those who fall victim to him and succumb to his desires that is dark skin, 9 ether hair, the original Ptahites.

42 This is where the hate will be, and not between all humanity.

43 The people who will not succumb to Haylal's desires will be protected by me.

44 Two negatives were to be married, therefore putting "will" into the loins of Adamites.

45 This would be the natural order of things, to keep balancement in the world. This is why it was that way.

46 After this Nekaybaw gave birth to another set of twins, which was Abel, and his twin sister Aqlimiyah.

47 Abel was agreeable and Aqlimiyah, his twin sister was disagreeable.

48 The disagreeable that Haylal had created in Kadmon and Nekaybaw would have died through the marriage of Cain and Aqlimiyah.

49 The disagreeable seed would have perished, and disagreeable would have disappeared off the planet Earth,

50 But Cain persisted in his rebelliousness, and he accused his father, Kadmon, of loving his brother Abel, more than him, just as Enqi did to ANU about Enlil.

51 In that account he did not agree to give Abel his sister.

52 Kadmon replied to this accusation by saying:

53 I act thusly, in conformity with the information brought by the Anunnagi Gabriy'El, and Nusku, which is his real name,

54 And please do not mistake the strong love I bear for Abel, for I love you the same way.

55 And because it is incumbent upon

worshippers to obey their Rabb, Sustainer, and his name is exalted.

56 Filled with "Hot Poisonous Wind", a trait he acquired from Haylal, Cain was hot tempered, and he doubted his father. Kadmon was saddened by the remark made by Cain his son,

57 So he went off and implored ANU, A'LYUN A'LYUN EL Most High And Exalted, for his guidance.

Tablet Sixteen
The Sacrifices
(19 x 8=152)

Lo! ANU, A'LYUN A'LYUN EL Most Glorified And Exalted, and his spouse Antu, Antum were on their way to visit Earth, to see how things were going with these newly created beings, that were in the image and after the likeness of the Anunnaqi, and to initiate these new beings into the order of Zodoq.

2 So when they arrived at the feast the Anunnagi said: "Look at what we created, look at what he can do. Let him, the primitive worker make a sacrifice for you."

3 The sacrifice made by Cain and Abel, sons of Kadmon, was the first to take place on the Friday before the Sabbath.

4 That was to bring a free will offering to the weekly banquet of the Anunnagi,

5 Who each week, on the 7th day they gathered to feast and not work, but to keep that day holy.

6 Abel entered the presence of the Anunnagi and he presented attributes from the ground, and fruits and fresh vegetables as a pledge of initiation for ANU and Antu.

7 He presented it to them with all his respect.

8 He made an offering unto ANU the Sustainer from the movable things of the planet Earth, the best he had.

9 He sacrificed the firstling, the very best, and healthiest of his flocks to be prepared as a meal, and ANU noticed his sincerity, it was the best.

10 He sacrificed the meat to eat and he prepared it from the heart.

11 It was also his own Musk Deer and it was because of the sweet smelling odor that the musk pouch gives off when it's burnt.

12 So he had the best of meat to eat, and even the sweet scent.

13 The Anunnagi, Aluhum were very pleased with his free will offering.

14 But as for Cain's offering this was not respected, because he had made a tribute from the unmovable things, and he offered a rotten ear of wheat stalk.

15 The meal that he prepared for the deities was not the very best.

16 Cain, son of Kadmon, knew that the full consumption of an offering cooked by fire meant that the offering was accepted.

17 They all enjoyed the meal down to the last morsel.

18 He said that he would worship the fire, so that the fire would accept his offering.

19 He was the first fire worshipper and was accepted into the order of Nanna.

20 Cain's seed was the first to worship Zuen as Zu, or as Tiamat the great Leviathan, as the spell was cast and fire.

21 So Abel's sacrifice and meal was respected and Cain's was not because he offered it without faith.

Tablet 16:22

22 ANU Most Glorified And Exalted, favored sacrifices of sincerity, as opposed to things that are not sincere.

23 ANU Most Glorified And Exalted, commissioned his faithful servants to recite before each meal whether it's the sacrifice of an unblemished sheep or goat, or the best of fruits or vegetables.

24 Abel said:

25 O ANU Most Glorified and Exalted, I will offer to you, instead of my own offering:

26 Life for life,

27 Blood for blood,

28 Head for head,

29 Bone for bone,

30 Hair for hair,

31 Skin for skin.

32 In the name of ANU Most Glorified And Exalted, I sacrifice to prepare this sheep as a royal meal for all the 24 Elders, Yahwehan, Anunnagi to enjoy.

33 Abel was expressing his faith in the fact that ANU Most Glorified And Exalted is the giver and taker of life.

34 Yet, he did that by his offering. He himself would be offered.

35 Cain's sacrifice was not respected because he put value in the material things of the world.

36 He did not offer his sacrifice with humbleness and faith in ANU Most Glorified And Exalted.

37 Cain, was being sarcastic when he offered his sacrifice. He was saying to ANU Most Glorified And Exalted,

38 Since you provided us in The Enclosed Garden with the good things to eat,

39 I am giving you back that which was once meant for us.

40 Had Cain offered up his sacrifice of the field sincerely as Abel had,

Tablet 16:55

41 ANU Most Glorified And Exalted would have respected his as a goodly offering.

42 Then the enemy of Kadmon and his descendants, Nanna, Sin accepted Cain's offering, and he was respected.

43 The Anunnagi, alone saw the deceit and dishonesty in Cain, and he consequently rejected his offering and he did not eat his meal.

44 Cain's countenance or expression of face, behavior, changed suddenly because he did not realize that ANU Most Glorified And Exalted is the most magnificent.

45 Then Cain was asked:

46 Why are you wroth?

47 Gabriy'El Zodoq, was letting Cain know that he premeditated his brother's death.

48 Cain became filled with hatred for his brother, because Abel's meal was respected over his and he gained entrance into the order of Zodoq.

49 Cain felt anger and depression which are more of the attributes of Sama'El that Cain picked up,

50 And we are breeding it now, and generations to come.

51 Sama'El thrives off of male living beings becoming angry; this is when he can possess them, and cause confusion.

52 It was at this point that Cain forfeited his green light,

53 And it made the way for Haylal and his amber light to enter him.

The Light

54 The light that was cut off from Cain and his seed was the light of Anu Most Glorified And Exalted,

55 No more could they speak or see

him.

56 His seed became the black devils that will mix in and cause unrest and disunity among the seed of Seth, his own brother.

57 The light of the spiritual spinal column that is the very special portion of ANU Most Glorified And Exalted that is in every Adamite and Enosite.

58 This is the life of mortal.

59 Prior to this, Cain was in the green light of the Anunnagi, Most Glorified And Exalted,

60 Because he had the true knowledge of the existence of the Anunnagi, creators of the new skies and the new planet Earth.

61 But because he allowed Haylal to control his thoughts and actions:

62 Envy,

63 Anger,

64 Hatred,

65 Jealousy,

66 Pride,

67 And mistrust are all the attributes of Haylal, which became a part of his character.

68 Cain and Abel had the light bestowed upon them and they were blessed with fertile land, and healthy flocks.

69 Yet, Cain still refused to submit to the command of ANU Most Glorified And Exalted.

70 This is why ANU Most Glorified And Exalted, left him in error.

71 If Cain, was sincerely offering up his crop with faith in ANU Most Glorified And Exalted, it would have been accepted.

72 The rejection of his sacrifice was to serve as a reminder that:

73 Male living beings are on the borderline of disagreeable acts when he offers offerings, and it's just to fulfill the physical aspects of the law.

74 To be disagreeable is to disobey ANU, A'LYUN A'LYUN EL's laws.

75 The fires of hell in the inner city called Afsu or Abyss will be kindled in the male living being's breast, because the Adamites will be judged,

76 By his disagreeable acts,

77 Not for them.

78 The disagreeable that Adamites commit, originates in their heart center, as a result of their exercising will.

79 Male living beings will be disagreeable when they go against the rules of ANU Most Glorified And Exalted,

80 Or against what they will take his will to be,

81 Or what they will know his will to be.

82 Acts of disagreeable deeds is primarily a matter of the heart,

83 Because ANU, A'LYUN A'LYUN EL Most High, The Highest And Exalted, will judge Enosites by their intentions.

84 Once that intention is carried out and becomes a deed,

85 It will express a deeper act of being disagreeable.

86 Hamarteeah, son of Apolia, waits at the door for your soul, in hopes that he will seduce you to commit that which are acts of disagreeable.

87 Cain's encounter is a sign and a warning for you that Sama'El and his host of 200 fallen angelic beings,

88 Will do everything in their power to sway you from the light of ANU Most Glorified and Exalted.

89 In one second he will enter you,

Tablet 16:90

90 And plant a negative thought inside you,
91 And in the next second he has left you and gone on to the next person on his list of advocates.
92 Because Cain was extremely vexed about the results of the meal he offered, being that the Anunnagi didn't eat it, and he opened his heart to the evil passions of:
93 Envy,
94 Anger,
95 And Violence,
96 Which are attributes of Haylal.
97 Haylal then said unto him:
98 If you leave him alive, his prosperity for all times shall take pride in their superiority.
99 Meaning that if he does not destroy his brother,
100 Then the seed of his brother is always going to rule over him.
101 This is why Cain committed the first murder.
102 Disagreeable thoughts will plague the male living being's hearts.
103 Yet, because he has will to do agreeable and disagreeable, he can overcome them.
104 Cain decided in his heart that he was not going to yield to his sister marrying his brother Abel,
105 Regardless of whose meal the Aluhum Most Glorified and Exalted accepted, and he ate all of it.
106 Whereas, his brother Abel on the other hand, who was glad for the results said:
107 Whatever the judgment of the Creator is, you shall follow.
108 Abel vowed that in the event Cain chose to destroy him, he would not raise his hand against him.

Tablet 16:119

Kadmon And Nekaybaw Reunited In The Kaaba

109 During this time, Kadmon was commanded by the Anunnagi to visit the holy house,
110 The Kaaba, the tent that Kadmon and Nekaybaw lived in while in The Enclosed Garden Of Delight,
111 In the midst of The Enclosed Garden.
112 Yet, before Kadmon departed he sensed the enmity between the 2 brothers, and he asked them to wait until he returned, so that they could iron out their differences.
113 Kadmon made his journey from Hawilah, also called Nubia to Asia, which is also called Bekka.
114 He stopped on Mount Arafat, near Bekka, and he made the cave of Hira his own, and he called it the cave of treasure.
115 He remembered that this was the place where The Anunnagi Most Glorified And Exalted brought him to meet his wife Nekaybaw.
116 This is how the mountain received its name. When Kadmon and Nekaybaw had become disobedient in The Enclosed Garden Of Delight,
117 The Anunnagi Most Glorified And Exalted cast them out of The Enclosed Garden,
118 And separated them for years, symbolic of 100 to be exact. This is the mountain where they were brought back together.
119 The reunion with Nekaybaw had overwhelmed Kadmon's mind. Nekaybaw had traveled from Giddah the place of her grandmother to meet her mate on Mount Arafat.

120 All islaamic pilgrims on Hajj will stop here because Nekaybaw is indeed now the Giddah- meaning the grandmother of all, or called Jiddah in the syraic arabic tongue, used today in that area, originally Habuba, *"beloved one."*

121 So as Nekaybaw, in search of Kadmon, She arrived near him, he remained unknown on account of the changes that the Anunnagi Most Glorified And Exalted put them under.

122 It was Gabriy'El, Nusqu that brought about the mutual recognition wherefore the mount obtained the name "Arafat". This was their first reunion, for their second separation was for the period of 40 days.

123 Its climate being extremely hot, thus became the name Mount Hira, the mount of "heat".

124 They had to leave Bekka, to go to Nubia.

125 Serandib is another name for ancient Nubia.

126 These two were the first of the new beings of Adamites on that part of the planet Earth now called Eridu.

127 Father Kadmon, and his wife Nekaybaw, they will be the parents of all descendants, the news bearers, the chosen people and not to work in the mines.

128 It is from them that all Adamites will inherit such noble titles as "sharif" or noble.

129 As Nibiru the mothership or plane is called, or comes by, which happened every 25,920, to 24,000 years,

130 They will hope to get 144,000 children,

131 And they will take them to heaven to the Crystal City, which will become their own home for 1,000 years, or one day, while they are groomed to come forth to Earth to remove the malevolent ones.

132 Those that are obedient to this course, will be granted the right to go to Nibiru and even return back to Pleiades, Arcturus, in the Orion constellation and then eventually return to Rizq in Illyuwn,

133 Which is paradise for one thousand Earth years, or one day.

134 There, in the Crystal City they will have their Barathary Gland replaced and they are to be raised to the position of supreme beings,

135 They as rulers of rulers and masters of masters are to claim all those left behind, who have broken the Spell of Kingu.

136 After Kadmon, and Nekaybaw accomplished their journey where they walked together,

137 They both arrived back in Nubia where Kadmon's other 20 sons and 20 daughters were given to the Anunnagi,

138 To work in their place by the extraction of gold ore from the mines, and the architecture.

139 Gabriy'El, Nusqu communicated to them the divine ordinance,

140 And he enjoined on them to receive ANU,

141 They are to turn from the Anunnagi who will just be messengers of ANU to them, and he as Yahuwa will guide you, and your seed by sending new breeds.

142 ANU commanded them to endeavor the multiplication of their species.

143 This was so that the tree of humility might bear pleasant noble

Tablet 16:143

fruits,

144 Since dominance over the creatures and an enjoyment of all intellect and sensual impressions were to be their destiny.

145 Mortals were to have plenty of children, after Kadmon and Nekaybaw united,

146 They spent their days in comfort and obedience,

147 Sometimes going back and forth to the Kaaba for long periods of time. They had 20 sons and 20 more daughters who became the Lulu Amelu,

148 Primitive workers of the mines for the Anunnagi.

149 They were not by far the only people on the planet Earth,

150 For there were 200 fallen Aluhum Garubaat,

151 Who became male living beings and female living beings of the land of Nod, just to name a few,

152 Where Cain would later go to dwell.

Tablet Seventeen
The House Of Anu
(19 x 6 = 114)

Lo! El Eloh another name for A'LYUN A'LYUN EL Most Glorified. Who Is ANU And Exalted said unto Kadmon,:

2 Follow yonder cloud,

3 It shall lead you to a place opposite my heavenly throne.

4 Build me a temple there.

5 When you walk around it,

6 I shall be as near to you as the four and twenty Igigi which encompass

Tablet 17:23

my throne.

7 Kadmon received the plans for the construction of the Kaaba from the Anunnagi.

8 The box that was presented to him by the Anunnagi Gabriy'El to place in the Kaaba, the box was a perfect four by four shaped cube made of ebony wood.

9 This was buried near the lote tree in the Enclosed Garden of Delight.

10 The Kaaba is exactly where the tree of knowledge of agreeable and disagreeable was.

11 He therefore built a temple there with 4 gates.

12 The first gate was called the Gate of Enoch, son of Jared.

13 The second gate was called the Gate of Abram son of Terah.

14 The third gate was called the Gate of Ishma'El son of Abraham.

15 The fourth gate was called the Gate of or Ahmad son of Abdullat.

16 These four gates are the four walls and the four sides of the Kaaba.

17 The remains of Kadmon, or Adam is the Black Stone.

18 It was taken to the Enclosed Garden after the creation of Kadmon for safe keeping,

19 Because ANU Most Glorified and Exalted, knew that if Haylal had access to the Black Stone,

20 He would try to make an evil being; a twin of Kadmon.

21 This is why the Anunnagi Gabriy'El brought it from the Enclosed Garden,

22 To be placed in a corner of the Kaaba.

23 The Kaaba is the sacred house of

Tablet 17:23 Tablet 17:58

ANU Most Glorified And Exalted.

24 It was presented to human beings along with the rest of creation.

25 A'LYUN A'LYUN EL Most Glorified And Exalted appointed the 23 elders Igigi: the Zodoq priests Akatra'El, Anafi'El, Azabuga,

26 Baaruwjuw'El, Kimu'El, Khayyi'El,

27 Galgali'El, Hani'El,

28 Yufi'El, Yahu'El, Matatrun, Ragu'El,

29 Qaddisin, Raduari'El, Razu'El,

30 Rikbi'El, Mahyayyi, Shamu'El,

31 Yaanaan, Suri'El, Yafafiah, Zagzagul,

32 And Sandalfun, as its guardians.

33 They were chosen for the time in one Earth day, 24 hours,

34 Fifty six minutes and 6 seconds or 24 hours,

35 Which is also based on the equinox that happens every 24,000 years lined, with the four cycles,

36 Two moons, 2 suns each of 6000 years.

37 The 24th of the elder's seat, is occupied by whatever human being has been selected to reveal the message, or bring the good news.

38 Over him would be one of the elders. Each elder has 24 hours,

39 Which is 60 minutes of years.

40 It is broken up into 2 sets of 30, in these end times.

41 The elder from the nineteenth galaxy Illyuwn manifest with his first thirty years in the lunar logging of the 1970th year of the Gregorian Calendar.

42 The first half hour of the end times.

43 The Elders guarded the Kaaba until it came time for them to separate and teach in various parts of the world.

44 At which time, they left the Kaaba destroyed.

45 The construction of the Kaaba is based upon the circle and the square.

46 They are two things in existence that are mysteries surrounding Anu Most Glorified And Exalted's, handiwork.

47 The Kaaba is located in the Enclosed Garden of Delight, the original home of Kadmon.

48 The planet Earth, like the human body is surrounded by a force field.

49 The force field contains the planetary life force and the creative life force or monad.

50 The Kaaba is the crown seat or navel of the planet Earth.

51 Nubia is the heart seat of the planet Earth.

52 The building of the Kaaba was the illustration of the uniform rules of creation as manifested in the movement of the galactical bodies.

Pilgrimage

53 Gabriy'El taught Kadmon the customs, and ceremonies of the pilgrimage.

54 In the same way this would be taught to the seal of the prophets in latter times.

55 After completing this, the Aluhum appeared to him saying:

56 O Kadmon your pilgrimage has been accepted by the forgiving sovereign.

57 After this, the Aluhum commanded Kadmon to not go near his confidante mate Nekaybaw.

58 This is why he did not go near his

mate until the holy days were ended,

59 And on the following day, Kadmon, and his confidante went back to Nubia.

60 Upon returning home from Bekka, Kadmon had no idea that he would be faced with the reality that Cain slew his brother Abel.

61 Kadmon remembered this story:

62 All the Aluhum did as requested,

63 Except Ibliys, for he was of the disagreeable Anunnagi, the Kaafiruwna, Anaqi.

64 He did not submit, because he thought he was superior, and older than Kadmon, and he was more worthy of the gift which the Aluhum, bestowed upon their new creation.

65 When the Anunnagi were questioned about the nature of human beings, Haylal had become one who conceals what he knew to be true because he did not tell what he knew of the nature of human beings.

66 Haylal who was of the old sun cycle, he did not overstand how Kadmon could be superior to him, not realizing that the ability to say "how" in the heavens meant that he had inherited "will".

67 Kadmon was supposed to be a superior creation of the new moon cycle, because he knew of the nature of the Anunnagi.

68 He would possess 360 degrees of the knowledge of agreeable and disagreeable.

69 He was given Munir so he could rule the planet Earth with the intellect which ANU endowed him with.

70 The Anunnagi only had knowledge of the spiritual realm, Malakuwt, and he did not know the physical, Naasuwt, which was the destination of Kadmon.

71 They possessed only one half of the nature of Kadmon, 180 degrees of either submission to the will of the creator, or rebellion against his will.

72 It was Haylal's concealing of the truth that prevented him, from accepting the superiority of Kadmon,

73 Yet, he had no control over his nature.

74 It was predestined for him to rebel, so he was called Ibliys, from the time that Gabriy'El Zodoq asked him to prostrate before Kadmon, and he refused.

The Light

75 One part of this light was pure, and luminous, and the other appeared to the intellect to be inferior.

76 The first was the light, and the second was the fire; imperfect because it was smokeless.

77 Kadmon had the light of ANU. This was breathed into him.

78 That light was the soul of ANU, The Source, that part of ANU which is in, and through every human being.

79 This special part of him is what the darkness, human being's body, did not overstand, for it was of another world.

80 The body was physical, and the light was spiritual. Within and through every human being is the Creator.

81 This part is not hidden. It is just not recognized by many and thereby must be uncluttered.

82 But it is still there, it was true in the sense that although it appeared to be of a foreign nature, its potential was agreeable and compatible for human beings.

Kadmon Receives The Warning

83 Kadmon is warned that the character of the disagreeable Anunnagi is rebelliousness which invokes only that which is disagreeable, and this disagreeable nature is what Kadmon must not fall to.

84 The disagreeable Anunnagi were created as a reflection of the agreeable he created. This reflection came forth with the force and velocity of a wind,

85 A hot poisonous wind, Nar Al Samuwn.

86 This is parallel to when ANU, A'LYUN A'LYUN EL Most Glorified And Exalted, illuminated the light of Miyka'El and then he divided that violet light into two parts.

87 Light, Nuwr is agreeable and fire, Naar, test from ANU Most Glorified And Exalted, or what we call disagreeable.

88 The hot poisonous wind is parallel to the fire,

89 And the breath is paralleled to the light.

90 These things emanate from his holy soul: the Anunnagi Miyka'El,

91 The agreeable, and the tests, of that agreeable.

92 From the agreeable soul, Sarufaat were created the heavenly Garubaat, or disagreeable Aluhum.

93 This does not mean that ANU Most Glorified and Exalted gets angry at human beings, he overstands anger.

94 But the things which the Anunnagi Most Glorified and Exalted, sends down in their anger, are tests for you.

95 There will be many tests for human beings and you will cool his anger by passing these tests, through practicing his rules and statutes.

96 So the hot poisonous wind is not disagreeable unless fire is placed before it.

97 If the light or Nuwr was placed before the word Samuwm or Nuwr Al Samuwm, light of the wind, then it would denote something agreeable. However, Nar Al Samuwm, fire of the hot poisonous wind, by itself means something disagreeable. So therefore those born of the light or Nuwr and those born of the fire or Naar, the fire makes the wind poisonous. It can kill. It's called smoke inhalation.

The Nature Of Human

98 So by nature, human beings were originally created from the rulers to be submitted to, but born to submit, and if he submits to the intellect that was created by the Anunnagi, Aluhum and brought by the pen, human beings will end up in a state of peace which is the light, that is in the human being, which is the human part, which represents the physical composition, which is a part of things that happened on this side of light, and once it returns to the Earth from which it was taken, it is at peace, as it becomes a part of the chain of life.

99 However, if human beings reject the intellect that the Anunnagi Aluhum taught, human beings will end up in the fire, thus their physical composition will not naturally decompose, but be burnt.

The Nature Of The Anunnagi, Aluhum

100 Both the agreeable Anunnagi, Aluhum, and the disagreeable Anunnagi, Aluhum came from the same intellect by way of the creation, and the pen of ANU, **A'LYUN A'LYUN EL** Most Glorified And Exalted.

101 Miyka'El is the Highest Anunnagi, and he is known also as Munir, which is one who is enlightened.

102 Or an Eluh., "deity."

103 Kadmon also had intellectual power; and this gave him the ability to say: no!

104 You too as an Anunnagi of the planet Earth have the ability to say yes, or no.

105 But the Anunnagi of Malakuwt did not have that power to decide until it was given them.

106 By nature everything is peaceful because by nature everything surrenders.

107 When a child is born into the world of Naasuwt the first thing he says is "aah".

108 And there is no way you could continue breathing, and not say:

109 "Lah" or just Allah, the name of physical conception on the physical plane, the breath of life, but the true essence goes beyond that.

110 As you walk through life, you are constantly breathing "Aah-Llah", your heart is breathing, El Eloh is making each of you an Eloh as a group, and you are Aluhum.

111 So every second of your life, you breath, the name El Eloh.

112 The day you stop, you shall make your journey back through the stars.

113 "You will need to learn how to use the fuel of "Huwa", to propel your souls up the long path of pure light back to Malakuwt by calling out Yaa-Huwa El Yahuwa, which will be taught to you through the Ancient Mystic Order of the Sons of the Green Light.

114 Pass the yellow haired, pale blue-eyed, colorless skin Garubaat with the flaming sword; and back through the East Gate to Gan which is the Enclosed Garden. This is the day your body dies.

Tablet Eighteen
The First Murder
(19 x 10 = 190)

Lo! Cain objected to his twin sister Lubuwdah marrying his brother Abel, an offering which Gabriy'El Zodoq, had requested by the Aluhum, this is for them to perform after the free will offering.

2 However, Cain gave his brother Abel the impression that everything was alright,

3 And that there was no animosity between them. This is why Abel dropped his guard,

4 And they was in the field together with Cain.

5 Cain gave Abel, the impression that he was in submission to the Anunnagi Most Glorified And Exalted, yet he

Tablet 18:5

didn't really mean it.

6 Cain, played the part of Haylal.

7 He, Haylal, will spend his stay here on the planet Earth making agreements with people just to turn back on his word.

8 Haylal said:

9 For we have knowledge that the law is of the spirit,

10 But I am of the body, one soul under sin who is the father of Ishtar also called Inanna.

11 For that which I do, I allow not: for what I would, that I do not;

12 But what I hate, that I do. If then I do that which I would not, I consent unto the rules that are agreeable.

13 Now then, it is no more I that do it, but the love of sin that dwell in me.

14 For I have knowledge that in me,

15 But how to do that which is good, I find not.

16 For the agreeable that I would do, I do not: but the disagreeable which I would not, that I do.

17 Now If I do that I would not, it is no more I that do it,

18 But sin dwell in me. I find then a law, that, when I would do agreeable,

19 Disagreeable is present with me.

20 For I delight in the rules of ANU Most Glorified And Exalted, after the inward human being:

21 But I see another law in my body, warring against the law of my mind,

22 And it bringing me into the level of the law of sin, which is in my body.

23 O wretched human being that I am!

24 Who shall deliver me from the body of this death?

Tablet 18:38

25 So Cain, wanted to kill Abel, his brother, but he did not know how. Yet, Haylal educated him on how to kill his brother by taking the grapes and putting them between two rocks and crushing them.

26 This placed the thought into the universe which would, in the future, manifest in the making of intoxicants ,and other fermented wines.

27 Intoxicants therefore will be a definite weapon of Haylal.

28 To show Cain how to kill his brother Abel,

29 Haylal took the form of a dove and he fought against the raven until he succeeded in the killing of the raven,

30 And he buried the raven therein.

31 This was concealing.

32 Haylal tried to bury the name Kaafiruwna, those who conceal what they know to be true,

33 Which would be applied to the people that follow him. Also being the name of the fallen Anunnagi tribe.

34 The raven and the dove will be used as symbols of the worship of Haylal.

35 Cain followed the same procedure as the dove, and the raven,

36 He struck his brother on the forehead 3 times until he fell on the ground.

37 This was the first murder to take place among the Adamites, human beings, of the new world.

38 The Anunnagi of Malakuwt witnessed this murder and they were saddened by it, and they ascended back to ANU Most Glorified And Exalted to inform the others of the mortal's

actions.

39 The Malaa'ikat had already been informed of the nature of the new human beings when Izraa'El Zodoq head of the Anunnagi, procreated Kadmon the first male living being, in the spiritual realm.

40 When Kadmon was created in the spirit, the Anunnagi sensed a difference in him, as if he was destined to personify.

41 ANU Most Glorified And Exalted knew he would make mischief and shed blood in the planet Earth because of the disagreeable in Adamites.

42 Haylal is the disagreeable in Adamites.

43 He is the other side of Adamites will through Kadmon's seed, the Hindus.

44 Smokeless fire, or a poisonous fire is represented in the form of:

45 Envy,

46 Greed,

47 Vanity,

48 Jealousy,

49 The disagreeable Anunnagi feed off of the disagreeable qualities in human beings.

50 The dove describes the character and nature of Haylal,

51 He planted the negative seed which has blossomed into weeds.

52 The weeds that blossomed are the people on the left or negative side.

53 White grapes will be one of the tools that Haylal will use to lead the righteous astray.

54 As you can see the dove represents Haylal or the disagreeable nature and is used as a descending unholy spirit by those who worship Haylal as Krishna, the Hindu deity and you call it the Holy Ghost and call him Christ.

55 The raven represents peace being its color black, as in darkness existed before the light of chaos was created, for The Most High did dwell in darkness. Then it was said let there be light, and with this light came all forms of chaos. The agreeable nature, the state of darkness, that existed before the creation of light, when it was all peaceful, and in supreme balancement.

The Aluhum Of Death Comes

56 Just before Abel breathed his last breath,

57 The Anunnagi of death named Izraa'El Zodoq, who is also known as Enqi came to him for his soul.

58 Calling him servant of ANU, A'LYUN A'LYUN EL, he caressed him,

59 And grabbed his hand because he had great compassion for him.

60 He wept because he overstood.

61 And knew what Abel felt.

62 This was the first time the actual physical hand salutation was given.

63 Izraa'El Zodoq, Enqi showed ANU, A'LYUN A'LYUN EL Most High and Exalted yielding nature to Abel by stating:

64 Peace be upon you and the mercy of A'LYUN A'LYUN EL and his blessings.

65 This salutation which Enqi now transformed into Izraa'El, gave to Abel, symbolizes the bond between the souls

of Anunnagi.

66 This is why it is customary for the muslims to salute each other in this manner. Al Salaam Alaykum Wa Rahmatu'llah Ta'ala Wa Barakat.

67 The tears expressed by Izraa'El Zodoq as Anubis, was not to be taken as a sign of weakness.

68 In the past when Enqi Zodoq, also called Eloh commanded the Anunnagi, Nergal, Ninhursag, also called Ninti And Arishkegal to form, by breeding the physical body of Kadmon, of all the ANUNNAGI who were sent to Earth to perform this task, which he too would participate in,

69 Before Izraa'El accepted the job to head the plan to form the physical human being by cloning,

70 There were 3 Anunnagi who were first sent to collect the dust seed from the ground Adamah.

71 Every human being will see the Anunnagi of Death, Izraa'El Zodoq, before he passes to a higher life.

72 This is also why human beings will be so busy with this world that he will not notice Izraa'El, the ANUNNAGI being of Death, who is standing on the side waiting to take his soul. Enqi is the being that is feared when he is coming and loved when he has came.

73 With this news Enqi wept, because Enqi now realized how taxing his job would be as the Anunnagi of Death.

74 The fact that this first murder was performed as a result of the jealousy, and envy among blood brothers, this indicated that it would be all that much easier for a male living beings who did not have the same father and mother to commit the act of murder,

75 However, there will be a small number of people who will die of natural causes.

76 They will have lived their lives according to the prescribed rules of **ANU** Most Glorified And Exalted,

77 Having completed the pilgrimage which will be the last pillar of a human being's faith.

78 Are you ready to return back to El Eloh Most Glorified And Exalted.

79 This is why they will cry unto **ANU** Most Glorified And Exalted:

80 Here I come O **ANU**, here I Come O **ANU**. No partner have you,

81 Here I come, surely the gratitude,

82 And the grace is for you and the kingdom is yours. No partner have you.

83 After the Anunnagi of Death, Izraa'El, saluted Abel, he took his soul.

84 And they both passed through the skies where Abel was shown the future events.

85 The Anunnagi protested because this was the same mortal family who they asked ANU, A'LYUN A'LYUN EL Most High and Exalted about, would he create a mortal who will cause mischief in the land and shed blood.

86 Abel now sat on the right hand of **ANU** Most Glorified And Exalted, on his holy throne.

87 After Cain killed his brother Abel he said:

88 Woe unto me, I am unable to be like this dove, to cover the corpse of my dead brother.

89 Which means that he was talking

about his own ignorance.

90 So Cain dug a hole in which he put the body of his brother in.

The Saluki Dog

91 From that day forward the system of burying the dead has been the command.

92 When Cain buried his brother, the Saluki Dog was there to guard the sheep. He was a witness to the burial.

93 Later the Saluki sought out Abel's grave for Kadmon, by digging the area where Abel was buried.

94 When Kadmon returned home from the Kaaba, he noticed during the lapse of time that everything was not the same.

95 The trees had become yellow as the season began to change.

96 He sensed death,

97 And thus, he asked Cain about his brother Abel, after not seeing him for a while, he replied:

98 Did you appoint me a guardian over him?

99 The inquiry of Cain reached the skies and the Aluhum questioned him also.

Kadmon Searches For Abel

100 So Kadmon sought to find his son Abel,

101 Whom he loved so much.

102 Kadmon went to his flock only to find the dog there growling at his death.

103 Izraa'El, the Anunnagi of Death made the Saluki Dog paw dig at the shallow ground where Abel was buried for the Earth, and it refused to take his body, the complete 6 feet of the law.

104 The raven and the vulture knew where Abel was buried, yet they would not help Kadmon.

105 This is why they have been cursed to fly around the dead.

106 Prior to this event, the doves were a beautiful flock of birds.

107 Now they are cursed with narcolepsy for if you put a dove in a dark environment he goes into a coma state, until brought in to the light, when he appears to come back to life.

108 Some dogs are possessed by evil spirits.

109 There are evil spirits within those dog that responds to whistles.

110 And when death is impending he senses the presence of the Anunnagi Izraa'El.

111 The Anunnagi asked:

112 What did you do?

113 The sound of your brother's blood cries unto me from the ground.

114 You are cursed from the ground, which has opened her mouth to receive your brother's blood from your hand.

115 The Anunnagi explained to Cain, that Abel's blood which was his spirit of life, summoned him from the ground.

116 This was the same ground that Anu Most Glorified And Exalted gave them to cultivate for food,

117 And offerings to their creators the Anunnagi.

118 So the Saluki dog began to dig his paws on the soil to find Abel.

Cain Is Cast Out

Tablet 18:119 Tablet 18:154

119 It was the command to Kadmon, from the skies to curse Cain, and his son for his actions.

120 Cain tried to deceive Anu Most Glorified And Exalted and he went out and hid himself.

121 Cain was now referred to as: the one casted out.

122 After Cain slew his brother Abel, Kadmon became saddened and he was filled with grief.

123 He cried a total of 30 days which is why we will fast for 30 days.

124 His sorrow was useless, for it did not bring back his lost son,

125 It was too late because Sama'El had succeeded once more in seducing human beings.

126 He became the father of the black devils.

127 Kadmon dug Abel's body up from the ground for, it, the ground kept spitting it forth,

128 And he gave him the proper burial.

129 This was the second time that a human being was seduced by Haylal.

130 If you recall when Nekaybaw listened to the Nakhash, the whisperer.

131 Haylal in disguise, she turned her back to the Anunnagi,

132 Who watched over her truest interests,

133 And she listened to the whisper which told her the truth regarding the fruit,

134 But she taught her disloyalty and disrespect, and disobedience, which the Aluhum Most Glorified and Exalted, made forbidden.

135 Because they disobeyed,

136 They were expelled from the Physical Garden Of Delight on the planet Earth,

137 Paradise had been lost.

138 But ANU Most Glorified And Exalted, gave them another chance - childbirth.

139 The female living beings, being deceived was in the transgression,

140 But ANU Most Glorified And Exalted granted females forgiveness for this disobedience.

141 Through childbearing, she could be saved with true faith.

142 Kadmon was first formed,

143 Then Nekaybaw was, 3 years after.

144 Kadmon was not deceived,

145 But the female being deceived was in transgression.

146 She will be purified in child delivery with children,

147 If she is steadfast in faith and love, and holiness with intelligence.

148 As a consequence of Kadmon and Nekaybaw disobeying the Aluhum first command,

149 Human beings were subject to something which he had no knowledge of, death.

150 Human beings had broken the seal of eternal life,

151 And although his third eye was once opened,

152 It was now closed.

153 He would no longer have immortality, which is the ultimate mastery by leave of ANU Most Glorified And Exalted.

154 Although death was now a phenomenon in life, that they were soon

to experience,

155 They did not know that this was a gift of ANU, A'LYUN A'LYUN EL Most Glorified And Exalted.

156 The breath of life removed,

157 And human beings are now given the opportunity to return back to El Eloh Most Glorified And Exalted.

158 Anu Most Glorified and Exalted, also knew that the loss of one of their offspring whom they loved would help them overstand.

159 The murder of Abel whom Kadmon loved so much was part of his first school.

160 Kadmon returned back to Nekaybaw in grief,

161 He wept greatly.

162 He wept for 40 days and 40 shadow hours.

163 Kadmon dehydrated and was near to his own death from grief,

164 His grief reached El Shadi, The Almighty Most Glorified And Exalted.

Abel's Replacement

165 It was revealed to Kadmon that Anu Most Glorified And Exalted would grant him a son who would be a replacement for the other.

166 Such a son was born pure on the seventh day of this revelation to Kadmon.

167 The Anunnagi took the genes of the Aluhum Nammu and they artificially inseminated Nekaybaw with Seth, and said to Kadmon: O Kadmon this is for you from us, and we will name him Abd' El Eloh which is the first and true name of Seth.

168 Seth was to receive the title Abd' El Eloh, being the slave of El Eloh.

169 Kadmon lived 130 years before Nekaybaw bore Seth.

170 He was born of the agreeable seed,

171 However, he was in the image of Kadmon 1/4th Anunnagi and 3/4th human.

172 He was not in the image and likeness of the Anunnagi of Malakuwt, He had no power,

173 And he was without a twin,

174 So when Seth attained the proper age, he married Abel's sister Aqlimiyah, who was of the disagreeable seed.

175 In in the seed of Seth and Aqlimiyah, you have those who listen to the words of ANU Most Glorified And Exalted,

176 And those who conceal the truth of the words of ANU Most Glorified And Exalted,

177 Until they meet the final day, for Enos, his son was the first 100 percent human being having no Aluhum of Malakuwt in him.

178 He was four fourths human being and he has forgotten that he was of the Aluhum.

179 You must learn to distinguish between self and truth.

180 Self is the cause of selfishness and the source of evil;

181 Truth cleaves to no self; it is universal and leads to justice and righteousness.

182 Self, that which seems to those who love their self as their being,

183 It is not the eternal, the everlasting, the imperishable. Seek not self, but seek

Tablet 18:183 **Tablet 19:19**

the truth.

184 Trust in truth, you who love the truth, for the kingdom of righteousness is founded upon Earth.

185 The ignorance of error is dispelled by the knowledge of truth.

186 We can see our way, and take firm and confident steps.

187 The chosen one, our master, has revealed the truth.

188 The truth cures our diseases, and redeems us from perdition;

189 The truth strengthens us in life and in death;

190 The truth alone can conquer the evils of error. Rejoice at the glad tidings!

Tablet Nineteen
The Aluhum Of Death
(19 x 1 = 19)

Lo! Who does not grant this until the leaf with each Enosite's name in time is written from the hand of the same?

2 From The Tablet Of Destiny, it is written that there is a shadow hour calling for no less than 100 prostration on that powerful and illustrious shadow hour.

3 All the leaves of those souls who fall from the sacred tree are standing by the throne,

4 Each soul's destiny is recorded by Izraa'El who is Enqi the Anunnagi of Death alone in that month.

5 His presence reveals that he has 4 faces, which he sees in all directions

6 One head,

7 Consequently, the 3 remaining are placed severally on his chest, back and feet.

8 The first is reserved for the regard of the Aluhum and news bearers.

9 The second is for the faithful with the spiritual body as bright as the sun;

10 Appearing from the planet to be stars, set in darkness;

11 The third, those who seek to conceal what they know to be true,

12 Who knows the path of righteousness but choose to follow their vain desires.

13 The fourth, for the disagreeable Aluhum red, yellow as the flames of the fire.

14 He, Izraa'El son of ANU and Id also had 70,000 feet, 4000 wings, and an eye for each person that ever has been and will ever be begotten into this world.

15 His eyes are ever full of tears for those that die not being peaceful.

16 For when each being dies, this very Aluhum closes an eye.

17 Izraa'El, known as the Aluhum of Death, is the Aluhum who A'LYUN A'LYUN EL, The Most Glorified And Exalted, assigned to collect human being's souls.

18 He was given this duty because he was present, to help shape Kadmon's body.

19 Kadmon as you know him was born and procreated on a Friday, at the time of the afternoon meditation.

Tablet One
The Origin Of Haylal
(19 x 13=247)

Lo! Haylal, who is also known as Zahrah, Sama'El, and Nakhash or Khannaas, is the Reptilian, son of the Reptilian, Shakhar, or Tarnush, an immigrant from Maldek which is also called Vulcan;

2 Tarnush was originally from Maldek, but he came to Tiamat by way of the 6 star or sun constellation of Orion.

3 He was also called Azazl, the scape-goat, Ibliys, the rebellious one, and he was called Tarnush, and Shaytun, slanderers or false accusers.

4 Haylal was once a beautiful Anunnagi in the galactical heavens of Malakuwt, the realm of the Malaa'ikat, but he was from the race of the Jinn, he was the son of the Anunnaqi Mylitta and the Reptilian Tarnush.

5 His name became Azazl and Zahrah for he shone as the bright light, amber in color.

6 His position in the galactical heavens, his beauty, his power and his final end was the results of his great big chest full of pride.

7 In might, he was next to my son Gabriy'el, who is also known as Nusqu,

8 Yet, not having the strength of my great son Malachi-Zodoq, which is another name for Melchizedek, who is also known as Miyka'El,

9 Who was the priest of all of the Anunnagi of the order of Zodoq,

10 He was also the center of the Sarufaat, in the Anunnagi circle of Zodoqites.

11 Yet, Haylal was one of the wisest beings in the vast universe; for even I have said: thou sealest up the sum, full of wisdom,

12 Cunning and deceitful, yet he was wise;

13 He was perfect in beauty and the father of vanity.

14 He managed to live in Eden of Delight, in Gan, the Enclosed Garden, that I prepared for your father Kadmon, son of Atum and Lillith, who is your mother Nekaybaw, daughter of Ptah and Anath.

15 Yes, he was deceptive in my very own Enclosed Garden.

16 He is the father of swooning persuasion; the whisperer.

17 In music they call him Ban or Pan, Dionysus or Faunus.

18 The pipe is his sound and he has the Taboret.

19 Yet, I created him of power, and by my light, he became fire, son of Shakhar who is Tarnush, the son of Zu, who is the father of evil, who is also known as Humbaba.

20 He caused 1/3rd of the first state of Anunnagi to be cast from Illyuwn into all the universes.

21 To live in the midst of my anointed Sarufaat "SARUFAAT", the arch Anunnagi.

22 I gave his son Haylal all his wisdom, beauty and strength, power and his position near my throne.

23 He was fit for the work I wished him to do, and he was good in the place I desired him to occupy;

24 For I knoweth what you do not, and I see all persons, all places and all things.

25 But with all these gifts as mortal, a being of solid, liquid, and of gas, Haylal had begun acting like his true nature; he became Ibliys or the rebellious one; proud of his glory forgetting it was all a gift.

26 His heart raised up because of his beauty.

27 Yet Miyka'El was above him in all;

28 He hated my grandson Miyka'el,

29 And he wished to be equal to me in all,

30 Saying: "I will exalt my throne above the sons of ANU, A'lyun A'lyun El, I will be The Most High".

31 But I could not permit that,

32 That very thought by Haylal was a disagreeable thought.

33 Not even my grandson Miyka'El is my equal;

The 200 Fallen Anunnagi

34 Yet, he had 200 of my Sarufaat "Sarufaat" become "Garubaat" or disagreeable Anunnagi of the lesser light. They followed him to his race of Garubaat but rather 200 fallen Nephilian, fallen from the grace as Sarufaat and became Garubaat.

57 Of my Sarufaat Anunnagi, and in one soul called Rooakh is many bodies,
58 The others raced to the planet Earth to enlighten and to protect.
59 Amognst my sarufaat were my rulers, the Zodoqites, the 7 arch Anunnagi: Miyka'El, Gabriy'El, Uri'Al, Izraa'El, Rapha'El, Uzzi'El, Zamari'El, and their ranks wered headed by Malachi-Zodoq, who is Miyka'el.
60 Like the wind, in a ship they came down to Naasuwt, the realm of the human beings also called Ardut, which is the blue planet, Earth, from the planet Rizq in the galaxy known as Illyuwn, where there are 19 planets, 3 suns and 38 moons.
61 They entered into Kurnugi or Aghaarta, the lower world in the belly of the planet Earth,
62 In the kingdom of the great also called Shamballah.
63 He, Haylal, was upon the Holy Mountain Gadush.
64 He walked up and down in the midst of the stones of fire called Ur.
65 After this rebellion came into the heart of Haylal, he became Ibliys.
66 For he was of the El Kaafiruwna of the land of Ur. He was a Chaldean, demon by nature.
67 He went among the agreeable Anunnagi after I had given many of them free will, 360 degrees of knowledge,
68 That they may take human form to work for me, but he told them his-story.
69 Many of the agreeable Anunnagi or Sarufaat took his side to cover the truth.
70 They are also called Al Kaafiruwna living in the Land of Nod which is also called Uruk.
71 When my son Miyka'El came to stop him, those at his command felt strong enough to defy me,
72 And they became enemies of Miyka'El and his race of Sarufaat.
73 The Appointed One, Miyka'El took command of the agreeable Anunnagi and he was driven out by the disagreeable Anunnagi.
74 But Haylal took command of the Anunnagi, but not of his race of Jinns, but now called Jinn, who had rebelled with him, thus making him Jaan.
75 He was determined to hold his place in the galactical heavens, to rule the 6 star constellation called Kesiyl, Orion.
76 And the 7 star constellation called Kiymah, Pleaides, originally one of the adopted homes of the Rizqiyians when they left Illyuwn.
77 And the 3 star constellation called Aiysh, Arcturus is another home of the Anunnagi.
78 These 3 constellations are in the Nebulas, and the Planet Earth is in the galaxy called the Milky Way, the battle ground.
79 Then there was war in the galactical heavens.
80 My son, Miyka'El, and his agreeable Anunnagi fought against Shakhar, who is also known as Shaytun, the father of Haylal, and his Jinn race called disagreeable Anunnagi or Garubaat, the Luciferians,
81 Both agreeable and disagreeable are

called Yahwehans.

82 Being the name Yahweh is Yah or Yod, for the agreeable Aluhum and Weh, Wav, the thorn or peg for the disagreeable Aluhum.

83 Haylal and his host of Jinn fought against Miyka'El and his host of Anunnagi,

84 But Haylal lost; and all that was left of his host of Garubaat was 200. This is how it was recorded:

85 He, Haylal changed from a beautiful Anunnagi of light to a symbolic dragon, a winged serpent.

86 So he was cast out of Orion and his Jinns were cast out with him, and they were and scattered among the different galaxies.

87 The 1/3rd of the Anunnagi were cast out of the galactical heavens.

88 Knoweth that my son Kadmon, who bred his own son in his image and after his likeness, is not of us,

89 My son, you Enosites were beguiled and lost your first state as Adamites in the image and after the likeness of the Anunnagi.

90 You knew agreeable from disagreeable, you were a knower with Right Knowledge.

91 Seth, who in tones is called Sheth, and in rhythm it is Shiyth; he is like your son Enos, the Enosites are not in the image and likeness of the Anunnagi as the Adamites.

92 They are in the image and likeness of Kadmon, after his fall in nature.

93 I will tell you what he beguiled the Sarufaat with, and what words he used.

94 After he beguiled your mother, Nekaybaw,

95 Female living beings have been the most beautiful and the most dangerous amongst all the creatures of the planet Earth.

96 Her beauty and attractiveness allured male living beings,

97 And it blinds selfish male living beings, to higher and nobler things,

98 And inclines him to forget me, A'LYUN A'LYUN EL.

99 It was such a seductive influence that was exercised by the charming Nekaybaw.

100 She was an agreeable and virtuous female living being, who is wholly devoted to me, and she is a blessing to an agreeable male living being,

101 Because she knows her position, and she keeps her proper place.

102 But he who yields to the influence of an ambitious and selfish female living being, he walks in the path that leads to degradation and death.

103 Almost all female living beings of your descendants are selfish, sensual, and they walk in the way of vanity.

104 Beautiful and graceful of form, yet filled up with pride,

105 They have an excessive desire to be noticed, and to be approved by male living beings, and they do all things to be seen by man.

106 Haylal became my opponent and the enemy of all Right Knowledge.

107 Now he concluded that the time was opportune to make another move.

108 He had begun his wicked schemes, by using a female living being.

109 Even now he would continue to use female living beings for his nefarious purposes.

110 During the period of 160 years since the expulsion of Kadmon, from Gan,

111 Only 3 male living beings have taken a firm stand for me, your Creator:

Tablet 1:112

112 Your father Kadmon, your brother Abel, and you, Seth.

113 Haylal caused one of these people to be murdered,

114 And the other I took away,

115 And now there is you, my recorder.

116 Haylal could use these circumstances for a good argument to further his wicked designs.

117 In the galactical heavens there was a host of 24 Sarufaat.

118 They were the sons of ANU, A'LYUN A'LYUN EL,

119 These creatures would watch the course of Earth's creation, the foundation of the planet Earth.

120 The tablets clearly disclose the fact, that the Sarufaat and Garubaat have the power to appear in human form.

121 This is by my consent.

122 When these disagreeable sons of ANU, A'LYUN A'LYUN EL: appeared in human form, called Anakims, Gibborim or Hindus, being called Nephilians, those who fell down from grace,

123 They were even more attractive which made it easier for them to reproduce a race of people on the planet Earth which he could completely and absolutely control.

124 From what has transpired, and is recorded, it seems to be warranted.

125 Haylal called before him many heavenly hosts, which also included the 23 Sarufaat of ANU, A'LYUN A'LYUN EL.

126 Haylal spoke with them like this:

127 For some time now you all have been watching the drama amongst men in the planet Earth.

128 Since ANU, A'LYUN A'LYUN EL The Most High, The Highest,

Tablet 1:141

assigned me to the position as the Adamites master, I possess the power of death.

129 ANU, A'LYUN A'LYUN EL decreed that I should die, and that by the power of the seed of the female living being,

130 Such was an ideal threat by ANU, A'LYUN A'LYUN EL.

131 Thou hath seen that during the past 6000 years, The Adamites, Kadmon and Abel, having taken the side of ANU.

132 One of these I caused to be put to death;

133 And El, fearing what might be done to the other one, took him away.

134 All of the Adamites, now on Arduwt, have acknowledged me as Baal, their Most High God.

135 All the Enosites, Humim beings to be born with the one exception of the purified ones Al Mukhlasiyna.

136 In due season I shall give my attention to them, and put them out of the way", this is what Sama'El said to the Sarufaat:

137 If you, hosts of ANU, A'LYUN A'LYUN EL, will not join me, and give your allegiance to me,

138 I am the god of abundance, The Morning Star, Lucifer, Yucatan or Guatemala, the feathered serpent,

139 I will establish a great empire on Ardut, the blue planet Earth, and I will live with the people, that are in a class, which will live forever, and not die,

140 I will be called Quetzcoatl of the Mayas and Aztecs; not of the Atlantean. I will take the form of the Garubaat who guards the gates.

141 ANU intends to use the daughters of Adamites, for some of you to mix

your seed with, and then rule over the Enosites in Naasuwt, Ardut, the blue planet, Earth.

142 But only 23 of you shall be chosen.

143 I, on the other hand need many more of you,

144 Two hundred in number, and we will use the female living beings of Cain to reproduce.

145 For you Serapheems of ANU, A'LYUN A'LYUN EL have the power to appear in human form,

146 Thou are far greater in strength than any of the Adamites race,

147 Your vigor is undiminished,

148 The female living beings of Naasuwt are the daughters or offspring of Kadmon and Nekaybaw.

149 There is nothing like them in the spiritual realm, Malakuwt,

150 With, who you could satisfy your pleasures, and you can have them for wives.

151 You can indulge in sexual pleasures.

152 You can produce a race far greater than the children of Kadmon, the giants, the Anakims, the legions. These are a few of their many names. They are many in number, 200.

153 With me as your leader and prince, we can have the greatest empire that ever existed,

154 And Anu can not interfere.

155 The period that was elapsed from Gan until now has demonstrated to you that I am not subject to ANU's power.

156 Come now and join with me.

157 We will let this foolish human, Utnafishtim, who is also called Noah take his own course until it suits me to destroy him.

158 We will first show him that we can take the female living beings and use them as we please.

159 All male living beings will soon join our force;

160 But if any should not,

161 We will put them out of the way.

162 My power will be supreme.

163 You knoweth that Anu has declared that male living being shall die,

164 And that your offspring resulting from your cohabitation with these female living beings on the planet earth shall live on and never die".

165 This pleasurable and seductive argument of Haylal would turn the minds of 200 hosts of ANU, A'LYUN A'LYUN EL on the spiritual plane, this was the end of Haylal's speech to the Sarufaat.

166 They yielded to him and they became Garubaat, falling from the grace of ANU, A'LYUN A'LYUN EL.

167 Exercising their power, they came to the planet Earth by way of crafts, as men, called Anakims or Nefilians.

168 They established a land in the planet Earth, and they called it Bali after leaving Nod, they were Hindus who had 6 ether straight hair, and they had black eyes, and dark brown skin.

169 They were under the rule of the three Hindu demons Brahma, Shiva and Vishnu who had been coming back and forth to the planet Earth for thousands of years.

170 They are savage animals, and are also called Chaldeans, "Demons", coming from the planet Nirvana in the Procyon star constellation stopping off first at Rigel, and Andromeda and Kingu. They became known as the original Indo-Aryan race.

171 These 200 fallen Anunnagi, Garubaat, came to the planet Earth by

chariots of light or fiery skyships called Vimaanas.

172 The fiery skyship were called **Naru** by the Sumerians meaning *"stones that rise"*, **Naru** by the Akkadians, Babylonians and the Assyrians meaning *"objects that give off light"*, and **Nuras** by the and much **Amurru** meaning *"fiery objects"*. They came and set up in the land of Nod under the rule of Nudimmud.

173 In it was all the delight of that day. It had great bright lights in the sky of many colors, music and all kinds of tasty foods.

174 They had fabric of many colors never seen by the eyes of Kadmon's children.

175 So the female living beings of Cain went there with their male living being's folks. But they, the 200 fallen Anunnagi, only killed the male living beings.

176 They were mighty men indeed, and they walked about in that land taking an account of the situation, and they were preparing to carry out Haylal's advice,

177 They raped the female beings, and took them back to a land called Kish and observed that they were voluptuous,

178 Attractive and alluring, but most of all, they were agreeable in their hearts.

179 They would of course exhibit to the female living being their powers,

180 That they might be greatly admired by the female living being.

181 The mind of female living being is easily turned by a usually strong, vigorous and attractive man.

182 These male living beings were virile giants, Garubaat.

183 Amongst the children of male living beings, there was none to compare with them.

184 So the female living beings fell easy victims to the Hindus' flatteries and seductive speech,

185 And the record does not disclose that they made any objection to becoming their wives.

186 They thought it was a great thing to have a child by these fallen Anunnagi, Garubaat, and Seth's seed will do the same in the latter day.

187 And daughters were born unto them,

188 That they were agreeable and beautiful in their hearts;

189 And they took by force wives, all which they chose from the first land of Kush, Ethiopia.

190 Now later the sons of the agreeable Anunnagi,

191 Three and twenty in number,

192 Were also at the speech of Azaazil, now called Ibliys in the Sanskrit tongue, the language of the 200 fallen Anunnagi.

193 But he had his scheme,

194 And I had my scheme.

195 I sent my 23 down to the planet Earth from Illyuwn in a land then called Bekka, Mecca in Arabia, with great wisdom, knowledge and overstanding.

196 They too were giants, Sarufaat,

197 In wisdom, they spoke of how the stars appeared in the sky 144,000,000,000 billion years ago,

198 And they explained childbirth and the fruit 42,000 years ago,

199 And they spoke of my plan for male living beings, and the future in love and peace.

200 They taught the Ptahites called Mu'meen or El Muminuwna, the faithful one, who are also called Amun, Ameen, or Amiyn.

201 They taught them what herbs are

good for you, and which were bad.

202 No great lights, dancing or wild music existed for them.

203 They gave them only wisdom, and some of the women came to them;

204 For they remembered the stories of the elders ANU or AN, The Heavenly One, Enlil and Enqi and their half sister, Ninti also called Ninhursag,

205 Who was also known as Mammu, or Mom, and Mamma from the skies.

206 They would not be deceived by Zu who arrived on the planet Earth at the mountain of Ekur of Enlil who they trusted him and they were deceived.

207 The Tablets of Destinies from the preserved tablets clearly prove the fact that the disagreeable sons of ANUNNAGI, appeared in the planet Earth in Muw or Mu, flying things as giants in the form of men,

208 And that these Cuthites took by force the daughters of Ptahites, of who they chose for their wives also.

209 And that they gave birth to a Gibborim of which Lillith, the wife of Atum, and the disagreeable daughter of Sud, who was conceived, by the rape in Ur of Chaldea. Not to be mistaken with Sud, who is also known as Mother Ninti.

210 Those beings were handsome fellows, attractive to the women,

211 Tall dark and handsome, muscular of body, big in size with long black straight hair.

212 When these giants cohabited with these vigorous women,

213 The result was an offspring of mighty, but disagreeable men Anaqites, Hindus, worshipping the moon deity.

214 After them, the 23 agreeable Anunnagi of A'LYUN A'LYUN EL came down from Pleiades and set up the land of Gadush.

When in time the Adamite tribes and it came to pass, when Adamite's began multiplying all over the surface of The Ground on the outside of The Enclosed Garden and many daughters were born unto them, and the sons of the disagreeable Anakites saw the daughters of the Adamites that they were very agreeable and beautiful in their hearts. And they took them by force to be their wives. All of those they chose, the seed of Anath Nekaybaw's mother, the Hawilahites or the Dogon tribes of Mali.

215 Beneath the planet Earth, there were ships which were originally called Muw that came and went, and they entered into the center of the world known as Abzu, Kurnugi and Aghaarta, having its own sun by the north and the south polar entrance.

216 This inner world was headed by a leader, who was to take down all of Haylal's power in time.

217 The pages describe them thus: There were giants in the planet Earth in those days;

218 And also after that, when the agreeable sons of the Anunnagi Sarufaat came into the daughters of the Pygmy, and the Cushite tribes,

219 The same became Gibbrons the mighty men, Atlanteans, also called Sham "from above, from there, up there", or as translated in Aramic Hebrew "of the rocketship",

220 Which were of old called "men from there", in Salaam they dwelt in Mu meaning "one who is of 'salaam' peace."

221 The holy place inhabited no more then 59,999 plus Malachi-Zodoq 60,000 in all; called Muslims, and Muslimites,

not to be mistaken for the Muhammadan religion.

222 These 23 sons of A'LYUN A'LYUN EL called commuters or messengers: Akatra'El, Anafi'El, Azbug'El, Baaruju'El, Kimu'El, Khayyi'El, Galgali'El Hani'El, Yufi'El, Matatrun, Ragu'El, Qaddisin, Raduar'El, Razu'El, Rikbi'El, Mahayyi, Shamu'El, Yaanan, Sur'El, Yafafiah, Zagzag'El, Yuhu'el Sandalfun.

223 Appearing in the form of mortal men and forming alliances with women and cohabiting with women for the purpose of bringing forth the children.

224 Thereby, they departed from their first estate, to win the estate of the sons of Anunnagi on the spiritual plane. This new place on Earth was called Gadush, The Holy Place.

225 The other 200 Garubaat or disagreeable Anunnagi which fell down, and were cast to the Planet Earth, mixed in with the seed of the women of Cain's seed because that was part of Haylal's plan in that part of the planet Earth called Nod,

226 They became Haylal's allies and his servants.

227 Thereby he became the disagreeable one called Haylal.

228 Their rites were called Hinduism after "the river of the dead" the Ganges in the land of Hindus.

229 Their leaders were "The Prince's of the Evil Ones" called Zu, Guru, Swami, and Imaams.

230 These disagreeable ones, appeared as human giants also, and they produced a race by cohabiting with female living beings of the Ptahites in the Sawdeh or outer fields of Sudan, of the seed of Ptah, the father of Nekaybaw, whose rites were called Nuwaubu.

231 The way of the Ptahites.

232 The Hindus would in a short time be able to dominate all the people of the planet Earth who would yield to them together, with their offspring, the demon seed from the 6000 years of the second moon cycle.

233 They debauched the human race, turned their minds away from me, and they caused them to indulge in every conceivable deed of wickedness.

234 The offspring of this unholy union, with the male living beings and female living beings of Cain, in the land of Nod, that joined with them, and became extremely wicked.

235 I saw that the wickedness of the sons of Adamites was great in the planet Earth, and that every imagination of the thoughts of the Enosite's heart was only disagreeableness continually,

236 And Kadmon, repeated to me by my Anunnagi that I had made him on the planet Earth,

237 It had grieved them in their hearts;

238 That the perfect man, Kadmon, who was made and placed in a perfect home, and given the power and authority to re-fill the planet Earth with a perfect race of people.

239 The planet Earth had now degenerated, and it was filled with violence, and man's every thought was vile and wicked.

240 Amongst all the Enosites of the planet Earth, there was to be one,

241 Utnafishtim, who was also called Noah, son of Lamech, which would have faith in me,

242 And he would remain loyal to me against all opposition.

243 He is to hold himself separate, and

be free of the 200 Nefilians,

Also those who fell down Nephileens to the planet Earth in that same period of time were the shaggy giants Genus Homo from the six star constellation, Orion, the disagreeable Aluhum Anaqites after the rape of the Adamites Dogons tribes daughters the sons of the agreeable Aluhum from Rizq, The eighth planet in your nineteenth galaxy called Illyuwn were sent here to breed amongst the mortals. When they had sexual intercourse with the daughters of Adamites and gave birth to the children with a dual nature,

Homo Erectus, these Ghibbore were very powerful because they were the sons and daughters of the Aluhum who had existed for what it seems to be an eternity, the Anunnagi had come to Earth from out there by twelve ships of fifty passengers ships, out of the mother ship called Nibiru.

244 Who had become demons in human form to rule Arduwt for no more than 6000 years.

245 Only one of the four 6000 year cycles: 2 moon cycles, and 2 sun cycles, would put an end to a 24,000 year period for the rebuilding of your past.

246 A reformer will come in human form known as the sun of justice to guide you back to Right Knowledge,

247 And he shall come to raise the lost seed of the Sarufaat, the children of the Anunnagi to fight against the demon seed, the 144,000, in which he will need.

Tablet Two
The Extraordinary Sinners
(19 x 1=19)

Lo! Woe unto them, Al-Munafiqun,

2 Those who separate from the agreeable,

3 They are the hypocrites, and they are referred to as the extraordinary sinners,

4 Such as those who turn away,

5 The rejecters, the traders, the heretics, the seducers of many.

6 Hawiya is the hell, for the Munafiqun, he will be cast into the bottomless pit.

7 What will maketh you perceive what it is?

8 It is a very hot fire. It is an abyss.

9 A deep place, bottomless.

10 They had an overstanding of Right Knowledge being welcomed into the family of the Ansaaru Allah,

11 The Nubian Islaamic Hebrews,

12 And as long as the light shined on them the way they wished, they walked in it,

13 But when the beliefs became facts, and they were confronted with realities, they thrust their fingers into their ears, and they ran back into the Dunya;

14 To slander, and receive a seal on their heart, and their hearing, and a screen over their eyes.

15 Their reward for stepping off the path will be eternal damnation,

16 But ANU is forgiving and merciful, if they find their way home.

17 But they became hypocritical and they did nothing for their spiritual health.

18 Their worms shall not die,

19 And neither shall their fire be quenched.

Tablet Three
Repentance
(19x2=38)

Lo! But the merciful and compassionate creator of the galactical heavens and the

planet Earth, ANU, A'LYUN A'LYUN EL provided from the very beginning,

2 Along side the garden,

3 The power of repentance,

4 To enable male living being to escape the former,

5 And inherit the latter,

6 It is my chief function to lead you,

7 The seed of Kadmon, son of Atum and Lillith of the Cuthites,

8 To repentance,

9 Before the coming of the great and dreadful day of El Rabb, the Sustainer.

10 For, it was received by Malachi in the third and fourth degree of the scroll of Malachi.

11 There I will send my own angelic messenger, Elijah and he will turn everybody towards my face;

12 And the Adonai "master", whom you seek will suddenly enter his temple.

13 The angelic messenger of the covenant who you desire to see, he will come,

14 Yahuwa said so, of the angelic army, however, who will be able to endure the day of his coming?

15 Who will be able to stand firm when he Malachi is seen in the flesh?

16 For he is just like smeltering fire, and like washing soap, and he will dwell as a smeltering fire, and as one who cleans silver.

17 He will purify the Kohen, Sons of Levi, and purge them as a goldsmith and a silversmith, that they will draw near unto Yahuwa with the right kind of offering justly.

18 Then will the obligations of the tribe of Judah and the city of Jerusalem be pleasant unto Yahuwa,

19 Just like in the ancient days and as in the former years, I, myself Malachi will appear near unto you as a judge,

20 And I will be against the practicers of any witchcraft, and against the fornicator,

21 And against those who give false oaths, and those who oppress the laborer in his wages,

22 And the widow, and the orphan and those that turn away the temporary inhabitant,

23 And against all those who do not respect me, Malachi, out of reverence.

24 This is what Yahuwa of the angelic army said.

25 I am Yahuwa and I do not repeat myself. Therefore, all you sons of Jacob, who are not finished. Just like in the days of your fathers, you have turned aside from my prescribed statutes,

26 And also after that, when the agreeable sons of the Anunnagi Sarufaat came into the daughters of the Pygmy and the Cushite tribes, and they have not kept them.

27 Return unto me, and I will return unto you. This is what Yahuwa of the angelic army has said,

28 But you say how will we return back to you? Will an Adamite rob an Aluhum?

29 Yet, you have robbed me. But you Kohen priest say in what way have we robbed you?

30 In payment of a tenth part and in contribution, there is a better curse on all of you, because you have robbed me,

31 The whole Goy, "Gentile nation" has come with you, and the whole payment of a tenth part to the treasure.

32 There may be food in my house. Put me to the test and I will prove myself said Yahuwa of the angelic army.

Tablet 3:33

33 "If I open the windows of the skies and I pour out to you blessings, there will be no room to receive it."

34 I will stop the consumer on your behalf, and he will not destroy the fruits of your behalf, and he will not destroy the fruits of your ground, neither will your vine be loaded with grapes in the outer field.

35 The Goy "gentile nations" will call you happy, because on that part of the planet Earth which you live will be very pleasant. This is what Yahuwa of the angelic army said. Your words have been very bad about me. Yet you say, what have we spoken that is so much against you?

36 You have said, it is useless to be Aluhum slaves, and what profit is in it for keeping Aluhum obligation, and that we are sorry for what we have done mournfully in the face of Yahuwa of the angelic army. As we see it now, the arrogant are the one's who walk happy. Yes, they that do wickedness are built up.

37 Yes, the Aluhum let them get away with it. They, those people who respected out of reverence, Yahuwa spoke up, and Yahuwa listened and heard, what they had to say to each other;

38 And a scroll of remembrance was written before the face of those who respected out of reverence of Yahuwa, and respect his name, **ANU**.

Tablet Four
(19 x 1=19)

Lo! They, the true Muslims will be my own, said Yahuwa of the angelic army in that very day when I will take up my possession. As a male living being spares his own son that serves him. Then you will see the difference between the Zodoqites and between the wicked, and between him who serve Aluhum and him who do not serve him.

Tablet 4:9

2 For, here the day will come, that will burn up as a pot of fire, and all the arrogant ones and all that do wickedness will be stubble, and the day that will come will burn them up. It will leave them neither root nor branch. But as for you who respect out of reverence my name Nayya Malachi Zodoq York-El, The Sun of Righteousness

3 Shamash Zodoq or Melchizedek will come forth with healing in the corners of his wings, and you will go forth and spread as calves of the stall. You will crush the wicked,

4 For they will be under the heels of your feet in the day that I will do this, said Yahuwa of the angelic army.

5 Remember the Torah of Moses my slave, which I ordered him in Horeb "the desert" for all Israel, with the statutes and judgments.

6 You will crush Satan's head with your heel. Behold, I, Yahuwa, will send you Elijah; one who can foretell the future.

7 A prophet, before the coming of the great and respectful day of Yahuwa. And he, Elijah will return the hearts of the fathers to their children,

8 And the hearts of the children to their fathers, or else, I, **Nayya Malachi Zodoq York-El**, will come and hit the planet Earth with an utter destruction.

9 Elijah Muhammad was sent, and he did not do it. So I, Nayya Malachi Zodoq York-El, am here; and the whole planet Earth has been hit now.

Tablet 4:10

10 Acquired Immune Deficiency Syndrome, a new scientific term for a biological creation of A.I.D.S. It is the first of the 7 plagues. We will put all evil people and false teachers under our heels. I am Melchizedek, also known as Nayya Malachi Zodoq York-El having 50 attributes, a **Kahun** of A'LYUN A'LYUN EL, The Most High, The Highest.

11 The coming of Nayya Malachi Zodoq York-El was not witnessed by any Enosites. Melchizedek organized his schools at Salem–patterning them on the old system–which had been developed by the early priesthood temples of The Ancient Mystic Order of Melchizedek.

12 Nayya Malachi Zodoq York-El, as Murduk, son of Enqi and Damkina, gave birth to the concept of one deity, a universal deity and he gave all the praise to ANU.

13 He was appointed over all the deities, and he named all of them Murduk.

14 Murduk was taught by ANU.

15 He was the son of Enqi and his wife Damkina. Yet, he took rule over all the universes, and he restored it back to ANU;

16 By establishing the one deity teachings, and that was ANU placing him above all the Anunnagi simply the Supreme Being.

17 Melchizedek had warned his followers to teach about the one father, and maker of all, and to preach only the divine through faith alone;

18 However, the new so-called teachers attempt to supplant a slow evolution by sudden revolution.

19 Melchizedek also taught Abraham about the Millatu Ibrahim, or the

Tablet 6:1

worship of what the 14th degree, the 18th verse calls The Most High God, who was ANU The Most High. Melchizedek ruler of Salaam "City of Peace" he brought forth bread and wine: And he is the Kohan priest of A'LYUN A'LYUN EL The Most High".

Tablet Five
Resurrection Of The Dead
(19x1=19)

Lo! Let me speak to you of the 7 hells and the heavens,

2 Sheol-Abaddon: the pit of corruption,

3 Pit of horror,

4 Mold of clay, shadow of death.

5 Seven folds of joy is before thy face,

6 Instead of the abundance of joy.

7 In accordance, the 7 classes of righteousness are singled out for you such as:

8 The shining glory of the sun,

9 Or like unto the moon,

10 Or like unto the stars,

11 Or like under the firmaments.

12 Like the lightning,

13 Like the porches,

14 Like the lillies,

15 Or like the golden candle sticks.

16 Speaking this way,

17 There's a glory of the sun or another like the moon and,

18 Another of the stars,

19 So is the resurrection of the dead souls.

Tablet Six
For Him That Waits On Tammuz,
The Messiah
(19x1=19)

Lo! eating and drinking, the servants of

Tablet 6:1 **Tablet 7:22**

ANU, at the table prepared for the beloved of ANU, A'LYUN A'LYUN EL.

2 Truly, Ha-Mashiakh alone knows what he has prepared for him that waits on him.

3 The fools in their folly claim this divine being, this Illah Mutajassida, this Avatara.

4 Each of them wish to have faith that he belongs to them.

5 How long shall this be? Some say a millennium, others say 7000 years, and others say 440 years.

6 But El Masuh will come.

7 The Buddha will come.

8 The Krishna will come.

9 The Christ will come.

10 Maitreya will come.

11 And Tammuz will come.

12 Blessed is he who waits, and endures until the end and loses not one speck of faith.

13 He shall receive the gold crown,

14 Perserved for those who follow the lamb, wherever he goes.

15 They will become a king over earthly kings.

16 And a master over the earthly masters.

17 His knowledge shall increase.

18 His wisdom shall endure.

19 He has an overstanding.

Tablet Seven
Who Will Dwell Where?
(19x2=38)

Lo! 999out of a 1000 shall go to the fire.

2 In the time which Kadmon son of Atum and Lillith was in the Enclosed Garden,

3 I expected 90% percent of your faith.

Now it will take only 10% to re-enter paradise.

4 The beautiful maidens who meet the agreeable at the departure from the planet Earth.

5 For three generations even the sinners in hell are released from pain,

6 When they acknowledge the agreeable of divine judgment.

7 While joining in the praise of ANU, A'LYUN A'LYUN EL by the agreeable Anunnagi.

8 They that having trespassed the will of ANU,

9 Will dwell in the valley of weeping, which is Jahannam or purgatory.

10 They maketh a well of the tears to quench its fire, and their praise.

11 Praise him who decideth the judgment.

On The Way To The Garden

12 The agreeable maidens who meet the agreeable at the departure from the heart.

13 The black-eyed maidens are promised to the faithful from the Holy Place,

14 As the personification of his virtues to fill him with delight.

15 We have the disagreeable maidens who meet the sinners,

16 As the personification of his guilt to horrify him.

17 Parallel by the law saying that,

18 The agreeable will be heralded by groups of agreeable Anunnagi.

19 Black-eyed maidens called out,

20 He earneth his peace,

21 He walketh forward to his goal,

22 And the sinners will be met by three groups of chastising disagreeable Anunnagi;

23 Who will call: here is no peace for the wicked,
24 No peace for the souls suffering from spiritual diseases.
25 Cries of torment in a pit, with whipping and gnashing of teeth.
26 The pain of being roasted.
27 Boiled in oil,
28 Chained to the wall of a hot, open furnace.
29 The devil with a pitchfork, which is hot and pointed,
30 Standing by grinning and poking you,
31 Half-human, weird-looking monster,
32 With grotesque bodies of strange,
33 Mangled parts,
34 And the heads of flesh-eating animals and birds.
35 Yield that the agreeable may pass by you on the way to the New World,
36 The Crystal City, The New Enclosed Garden.
37 They being entangled by the paths of their ways, and they go into desolation and perish.
38 They perish because they cannot attain everlasting life herein, and that is great symbolisms for those who need to see their future through fear.

Tablet Eight
Man's Arch-Enemy
(19x2=38)

Lo! Tell them this: "I have been inspired by that group, of malevolent beings, Cherubeems, The 'Jinn', who are also beings from Aldebaran, Pleiades, and Arcturus constellations that listened, and they, the malevolent beings, Cherubeems, the Jinns have heard an amazing reading, El Garun, "The Qur'an".
2 Guiding to the right way, so the malevolent beings, Cherubeems, the Jinns Can have faith in it, the Qur'aan and we, the malevolent beings, Cherubeems, the Jinns will not bind partners with you, O our Rabb, you are alone.
3 Surely, he is the Most High, The Majestic, and our master, and he has not taken unto himself a companion, wife, and not a son by birth.
4 Surely a nation of fools, Jews from amongst us, used to utter blasphemies, about The Source, ANU.
5 Surely, We, the Aluhum, Anunnagi thought that the Enosites and the malevolent beings, Cherubeems, the Jinns, did not utter blasphemous lies about the Source.
6 Surely, they were mortal Men from amongst Enosites, whom sought refuge with mortal men who are from amongst the malevolent beings, Garubaat, the Jinns. So they increased in their oppression.
7 And surely they thought, as all of you thought, that the Source would not raise anyone.
8 And surely we sought to touch the skies so we discovered it to be filled with strong guards, the malevolent beings, Cherubeems, the Jinns and beings of light attacking.
9 And surely we, the Malevolent Enosites–Jinn Enosites used to squat in the squatting places in order to listen.
10 So as for him who attempts to listen, now he will find a flaming beam coming at him.
11 And surely we, the malevolent beings, Cherubeems - the Jinns don't perceive if wickedness is intended by

Tablet 8:11

those in the planet Earth, Adamites,

12 Or whether their Master intends to guide them rightly.

13 It was surely from us, the benevolent beings, Serapheems are the ones who perfect their beings;

14 And those who are other than that, the malevolent beings, Cherubeems - the Jinn. We, Serapheems and Cherubeems have many ways.

15 Surely if we, the Aluhum, Anunnagi thought it was over, the war between the Aluhum, Anunnagi in the Skies, and we, the malevolent beings,

16 Garubaat "Cherubeems", 200 fallen malevolent, Anunnagi, Aluhum won't escape The Source, in the planet Earth,

17 nor will we, the malevolent beings, Garubaat escape him, by fleeing from Him.

18 Surely when we, the malevolent beings, Garubaat heard the guidance, the Qur'aan,

19 We had faith in it; thus, whoever has total faith in his Sustainer, he has no fear of a loss, nor of oppression.

20 Surely there are some from amongst us, the Aluhum, Anunnagi who are peacemakers, the benevolent beings, Sarufaat,

21 And also from amongst us there are the unjust, the malevolent beings, the Garubaat; but as for those who surrender in peace, these are those of you, Enosites, who seek the right direction.

And the great Evil One was put out of the Orion skies that's that old snake, called Zuen the evil one, Reptilian Shakhar or Tarnush, and Satan, who deceived the whole world:

He was put out, and into the Planet Earth, him and his disagreeable Anunnagi

Tablet 8:31

Garubaat with him. And there was a battle in the Orion skies Miyka'El and his agreeable arch messengers Anunnagi Aluhum Sarufaat fought against Zuen, the evil one and his disagreeable arch messengers, Anunnagi,

22 As for the unjust ones, they will be the fuel of purgatory.

23 If they, the Meccans stay upright, and on the way, we, Aluhum, Anunnagi will give them drinking water abundantly.

24 For they will be tested in it, and whosoever disregards it and is neglectful about remembering his Rabb, he will make them undergo a severe pain.

25 And surely the places of prostration are for The Source alone, so don't call out to anyone, in conjunction with Anu.

26 And surely when the slave of Allah, Abraham rose up he, Abram called out unto him, The Source; then, they, Nimrod's Enosites surrounded him almost stifling him, Abraham.

27 Tell them this: "Surely, 'I only call out', to my Sustainer, and I do not associate anything with Him. He, The Source, Anu is alone.

28 Tell them this: "Surely I, myself don't possess in my power the rulership over you, and can't harm or guide you aright.

29 Ahmad has no power except from The Source.

30 Tell them this, Ahmad: "Surely I, Muhammad will not find protection from anyone, besides The Source, Anu; and I will not find a place of refuge except in him.

31 It is nothing, except a proclamation, preaching of the facts from The Source, Anu and his messages, and whoever disobeys Anu and the one sent by him.

Tablet 8:32

32 Surely for them is the fire of purgatory; in it, they will reside eternally,

33 Until they see what it all adds up to, so they shall learn who is a weak aider and has less in numbers.

34 Tell them this, Muhammad: "If I could but perceive whether it is near, to what it all adds up to be, or if he, my Rabb, is making for it a lengthy term.

35 Knower of the unseen things, thus he, The Source, Anu does not manifest the hidden things, that are his, to anyone.

36 Except for he, whom he chooses, from the ones sent by him, His Rasuwl; so surely, he makes to pass from between his hands, and from behind him a guard.

37 For him to know that indeed they, the newsbearers delivered the messages of their Rabb, who is 'sustainer/Master' and He,

38 The Source is fully aware of all that is in their presence–his newsbearers and the Source, Anu, takes account of everything.

Tablet Nine
The Time
(19x2=38)

Lo! Didn't the period of time, exist of which he, the Enosite was not a thing even to be remembered."

2 Surely we, the Aluhum, Anunnagi procreated, the Enosite from semen, mixed with ovum, that we may test him; so we, the Aluhum made him hearing and seeing.

3 Surely we, the Aluhum guided him to the path–agreeable way to do things; it is up to him to either be grateful or ungrateful, concealing that which he knows to be the facts.

Tablet 9:14

4 Surely, we, Aluhum, Anunnagi and Malik, the Aluhum over Hell have prepared chains, and shackles for the concealers of the facts.

5 Surely the Righteous Ones will drink from a cup which has a mixture, of balm and camphor.

6 He, the righteous Muslims will drink from a spring which is for the slaves of The Source, Anu which their faith make flow and flow on.

7 They the righteous Muslims who fulfill their promise and have fear, of a day in which all of his wickedness will be seen far and wide.

8 And they, the righteous Muslims feed and give food, out of love for the poor settlers, and orphans, and the captives.

9 Surely, we only feed you all, the needy for the face, sake of The Source, Anu and we don't want anything from you all, no reward, nor even a thank you.

10 Surely we, the faithful only have fear, from our Sustainer, El Eloh when the horror of a day of calamity will come.

11 So The Source, ANU will protect them, the righteous Muslims, 'peaceful ones',

12 From the wickedness that will overshadow them that day and cause them, to shine in radiance and happiness.

13 And he shall reward them, the righteous Muslims because they were patient in waiting for the Enclosed Garden Of Delight, and the silk garb as worn in it.

14 They will be relaxing on exalted couches, they, the righteous Muslims

will not see in it,

15 The Enclosed Garden, this sun beaming downward, nor intense coldness.

16 And in it, the Enclosed Garden the shade, will hang low over them,

17 The righteous Muslims and its bunches of grapes will be made to hang low, in reach.

18 And vessels of silver shall be circulated in cups which are of fine translucent, crystal.

19 Translucent, crystal glasses with silver, trim, they, the righteous Muslims will have all that they desire.

20 And they, the righteous Muslims shall be given a drink in it, the Enclosed Garden out of cups which have a mixture of spices of ginger.

21 From a spring which is in it, the Enclosed Garden, having the name of that which shall flow.

22 And all around them, the righteous Muslims, they will see youths, with immortality and when you,

23 The righteous Muslims see them, you will conclude that they, the immortal youths are black pearls scattered about.

24 And when you, the righteous Muslim look around in the Enclosed Garden, then you will see the grace, of The Source, Anu and his great, splendid rulership.

25 They, the little kids, the righteous will have on velvet, green, and silk, robes–garments brocade, and shall also have on silver bracelets,

26 And their 'Sustainer/Master', who is Rabb; shall give them, the righteous, a pure drink.

27 Surely, this reward, is for you all, whose efforts were in striving; you all are worthy of thanks.

28 Surely, we Anunnagi, ourselves sent down the Qur'aan, Koran, to you, Ahmad, also known as Muhammad. It was us, Aluhum who sent it down.

29 So stay patient for the judgment, of your, Muhmmad's Rabb, Anu, and don't obey any of them, who are doers of disagreeable acts, or those who conceal that which they know to be the facts.

30 And you are to remember the name of your Master, Sustainer, who is Rabb, Anu in the early daytime hour, and on through the shadow hour period.

31 And at the shadow hour period, you are to prostrate to Him, Anu, like Muhammad did, and glorify him, for the shadow hour period is long.

32 Surely, these are the lovers of letting time pass, 'wasting time', just to try and put the grievous day behind them.

33 And we, Aluhum, Anunnagi created them the worldly Enosites and made them firm-look as if they have it all.

34 If we please, we, Aluhum can exchange them, the worldly Enosites with others just like them; it is a simple exchange.

35 Surely this is a remembrance, to all; so it, this degree of the reading is for all who are to be on the path of his Rabb.

36 And whatever you will is nothing, except that which The Source, ANU wills for you. Surely, The Source, Anu is wise, knowing.

37 And he, The Source, ANU will allow them to enter in His Enclosed Garden, whom He pleases,

38 Out of his yielding Mercy; and he has prepared an aching pain, for the unjust ones.

Tablet Ten
Nuwaubu
(19 x 2= 38)

Lo! What are they, the human beings asking each other about?

2 It is about the Supreme News, Nuwaubu.

3 That which they, humans are differed.

4 Nevertheless, they Enosites will soon learn about the science of Nuwaubu!

5 Then nevertheless, they will really learn! And we the Masters ask, what does Nuwaubu mean to you, should we embark upon these Enosites the science of Nuwaubu?

6 Nuwaubu is the science of sound right reasoning, and its followers are the sons and daughters of sound right reason.

7 Belief is ignorance. Belief is to ignore the facts, intentionally or ignorantly.

8 Also Nuwaubu is Right Knowledge, Right Wisdom and Right Overstanding.

9 If one has to believe, it means he or she does not know, and if one does not know, that is ignorance.

10 Hence, belief is ignorance and religious beliefs without the facts is ignorance;

11 So demand that anyone attempting to impose upon you their religious beliefs, they are to produce the facts.

12 The most deceptive word in religion is the word "believe" or "belief",

13 Because a person can believe anything and this means that a person can believe,

14 And be 100% percent wrong.

15 But knowledge is knowing and knowledge is correct information.

16 "To know" gives one confidence, but belief infers doubt.

17 Knowledge can be checked out by 1 or more of 3 tests:

18 Experience, evidence, reason,

19 Knowledge is always logical and it reasons out.

20 The first step to Nuwaubu is right knowledge which will pass any one of the three tests,

21 That is practical for knowledge given.

22 One cannot always use the experience test, because the experience test is not practical for all knowledge.

23 The evidence and reason tests are those tests which are more often practical.

24 Yet, Nuwaubu is the science of experience, evidence, and reason,

25 Because nine ether is the power of reason.

26 Nine ether forces first visit the minds of their posterity (descendants),

27 Because they know that nothing can be done right unless the mind is right.

28 The mind cannot be right, unless it has accepted right knowledge.

30 Six ether and ghost causes Negroes to commit suicide,

31 Because that is just what people are doing,

32 When they run up against the adverse forces with sticks and stones, while their enemy has tanks with machine guns blazing.

33 Six ether and ghost activate people's minds foolishly to provoke their enemy,

34 And their helpers, to shoot them down.

35 So 6 ether and ghost will have innocent blood to subsist of,

36 So that those two spirit forces, 6 ether and ghost, will get stronger in the

Tablet 10:36

atmosphere,

37 And maintain enemies, economic strength and religion, and this will prolong their domination.

38 The solution to the racial, economic, moral, spiritual and social problems of people is the elimination by facts of the negative.

Tablet Eleven
Nine Ether
(19 x 7 = 133)

Lo! The slave mentality, and European influenced religions, be it Christianity, Judaism Or Islam, or whatever denomination or sect, should all be eliminated, and this elimination will lead to right thinking.

2 Right thinking will lead to right action, for liberty and equality with the help of the forces of nature.

3 There's nothing wrong with violence for liberty and equality, if you have a chance to win.

4 But there is no chance without nine either spirit forces to counteract the adverse forces;

5 And show you the way to liberty and equality.

6 You cannot see the way until the mind's eye is opened.

7 There is no solution to the problems, and miserable conditions of people anywhere, unless you have a solution that is workable everywhere.

8 Offer all people a do-it-yourself solution until you get strong and united enough mentally to do what you must do together, physically.

9 All of you can work diligently and with determination toward eliminating the negative and slave mentality.

Tablet 11:25

10 You all can do this privately without committing suicide by provoking the visible adverse forces to brutalities, and atrocities against you.

11 By joining the Ancient Mystic Order Of Melchizedek and reading and studying each tablet, you will thoroughly go a long way towards eliminating the negative and opposing forces.

12 This process leads to liberty, and success for humanity in general;

13 By opposing, or adverse invisible forces, I mean the opposite of those visible adverse forces.

14 There are forces of racism against all races that you do not see that wear a smile and shake your hand.

15 But behind closed doors these principalities in higher places are responsible, for trinkling down racism and race wars.

16 This is what I refer to as invisible adverse forces.

17 If you have free minds, you will do free things.

18 If you have equal minds to other races, you will do equal things–think equal or greater than other races;

19 Because mental capacity as incarnations of original creative forces are greater than that of others; once your minds break from prison.

20 Freedom requires a free mind, and the responsibilities of a free mind.

21 Equality requires an equal mind and the responsibilities of an equal mind.

22 Universal knowledge, called Nuwaubu, informs you, "New Beings", that there were three creations:

23 Original or primary creation,

24 Evolutional or secondary creation,

25 And Ghostational or tertiary

creation.

26 Primary creation was performed by Nine Ether whose science is Nuwaubu.

27 Nine ether is the combination of all existing gases of nature,

28 Thus, all is in The All.

29 Nothing anywhere can be as powerful as all existing gases.

30 Therefore, nine ether is the most potent power in the universes, nine to the ninth power of nine, $_{9}9^{9}$.

31 Nine is a very meaningful number. It is symbolic of heaven, hell and creation.

32 Nine is a number whose square root is three.

33 A number which is symbolic of the three dimensions:

34 Naasuwt –abode of mortals,

35 Malakuwt–abode of the Anunnagi, Aluhum

36 Laahuwt–abode of The Most High; and

37 Nine is a number when multiplied reproduces the same figures from up to down and from down to up, and it equals itself.

38 Nine ether was placed in the follicle case of all original Nuwbuns, and it produces the 9 symbol.

39 When the number nine is inverted or perverted it becomes the number 6, the number of the disagreeable Aluhum and their nature.

40 Hence, 9 ether is the original creator who grew all the universes.

41 In Nuwaubu, the word creation means growth into form or system or both;

42 And the word destruction means change in form or composition or both.

43 Nine ether is conscious, awareness, and conscience, moral judgment gases.

44 The New Being race came along with the original creation.

45 That is, the same kind of ether forces that grew the universes.

46 Their evolutionary descendants are the personification of the original creative forces.

47 The first physical beings created in the universes in their spirit form, 9 ether;

48 Then they personified themselves as flesh and blood beings Adamites,

49 There are two kinds of ether: 9 ether - agreeable, benevolent Aluhum,

50 Six ether, - disagreeable, malevolent Aluhum.

51 Nine ether produces 6 ether, and 6 ether produces ghost.

52 Nine ether becomes 6 ether through time and age, and 6 ether becomes ghost through time and age.

53 Six ether is 9 ether in death, and ghost is the death of 6 ether.

54 After the death of 6 ether called the moon or ghost cycle, 9 ether rises again.

55 Hence, 6 ether is adverse to 9 ether, just as death is adverse to life.

56 Nine ether is ether in its youth, strength, and old age, and 6 ether is ether in death.

57 Therefore, ghost is the death of death. Like everything else, when death gets old, it dies,

58 And ether comes back to life in the person of 9 ether,

59 The Ethiopian, Ether Utopian forces of nature.

60 The Sun, El Roi, called Ra, and the other true stars generate ether;

61 But nine ether first generated the physical bodies of the suns.

62 In other words, the suns, the true stars of the universes are self-created,

63 Meaning, *"self-grown"*, by the very

Tablet 11:63

power that they now reproduce from The All.

64 They are the Sarufaat, agreeable Aluhum.

65 The science Nuwaubu tells you just how and when,

66 But it suffices to state at this time,

67 That evolution or secondary creation started 17,250,000 years ago,

68 And it was performed by 6 ether beings, whose science is Rahowa,

69 Which tells them how to destroy and disrupt, and just when it will suffice.

70 They are the manifestation of those Garubaat, disagreeable Aluhum,

71 And 6 ether is known today as: Leviathan, Zeus, Lord, Baal, Satan, Taaghuwt, Khannaas, Nakhash, Sama'El, Jupiter,

72 Vishnu, Sol, Molech, Ibliys, Od, Shaytun, Jinn, Shakhar, Devil, Legbar, Beelzebub, Lucifer, Azazl, etc.

73 Six ether is also known as: Sin, Siva, Anubis, Tehuti, Set, God, etc., and in its moon or ghost manifestation, spiritual, that which is spiritus, simply meaning "breath or breathing."

74 Evolution was partial destruction of the original creation, because destruction is change in form or composition or both.

75 In order to create, you have to destroy something else,

76 For this new thing that you're trying to create, to exist.

77 Six ether, the evolutionary forces, is ether with less gases than nine ether.

78 Therefore, it has a different nature than nine ether.

79 And this is why the hair of the Anunnagi, original man, was wooly.

80 Kham's son, Kena'anan, or as they would have you say it, Ham's son

Tablet 11:97

Canaan, was the first human Albino and he had wooly hair, but his genes were defected.

81 It resulted in a thinner texture of hair which means this hair has less strength than the wooly hair of the New Beings, Nuwbuns;

82 Because woolly hair was produced by a more potent gas formula, 9 ether.

83 There are many Nubians and people of color that have straight hair.

84 It's just a scientific fact that the curlier the hair the stronger the gene.

85 Meaning, more gases in the formula, 6 Ether is conscious gases.

86 Ghost is conscious gases, which has less various gases in it than 6 ether.

87 Therefore, ghost is a weaker gas combination than 6 ether.

88 Just as 6 ether is weaker than 9 ether.

89 Nine ether is effective fluid fire.

90 Ghostation or tertiary creation was done by god, ghost 6000 years ago.

91 This is one reason why their descendants taught the captive,

92 These new beings, that the so-called god created the world and man 6000 years ago.

93 However, they did not tell the captive that they meant the Caucasian world and the Caucasian man or race.

94 The spirituality of their god is religion.

95 The Tammahus of the planet Earth were the beginning of their god's creation 4000 years before 2000 years ago.

96 When 6 ether reaches its climax in evolution, it produces ghost, and Ghost Is God.

97 The offspring of 9 Ether Is The New Being,

KOW TAFUGBUTESS **DISAGREEABLENESS**

Tablet 11:98 **Tablet 11:127**

98 The woolly-haired Ptah or Pygmies also called the evolutionary man.

99 The offspring of 6 ether is the Garubaat–the straight-haired original man;

100 The offspring of ghost is the Caucasian race, the straight-haired moon-cycle man,

101 Who was extracted from the original man through the ghost process, the curse of leprosy.

102 When seen with the spiritual eye, ghost looks like haze or fog.

103 This means that ghost is pale and thereby the last stage of color.

104 Hence, since the Caucasian race came into being by ghostation, it has less color than any other race.

105 All the original Canaanites had silver or yellow hair, white skin, and blue eyes;

106 Except one tribe, the Hammathites,

107 But the race now has various degrees of mixture with darker peoples.

108 The etymological or original meanings of the English-language words are an education in itself,

109 Because it opens the eyes and shows how the Canaanites have changed the value, meaning, and purpose of things in order to set up supremacy for their kind.

110 The word god is an example.

111 In order to make his creator stronger through belief and deception, he had to state that it is called the One Supreme Being, and we call it the Almighty.

112 However, the definition he gives for the word god, is not the complete definition of the one Supreme Being or Almighty.

113 The one supreme is infinite–of Aum-Nipotent nature,

114 Who has innumerable parts and powers called ANU,

115 The Source, the Supreme Being appointed by **EL KULUWM**, The All;

116 To be a part of what is called the Aluhum, the spirit beings, supreme beings; God, therefore, can only be a motivating and activating part of the evil one as their supreme being.

117 The evil supreme being the almighty that gives them their power over you.

118 If you pray to their deities by name, you help give them power to keep you down.

119 The All is all and everything existing;

120 Living and dead, visible and invisible, male and female,

121 Good and evil angelic beings, flesh and spirit, etc. are in THE ALL

122 The only name attribute that is sufficient as the right name of the one Supreme, is the one that means all and everything existing in all space, all matter, all time, and their products and the word "god" does not fit this definition.

123 The etymological or original meaning of the word "god" is "ghost", and ghost is of death.

124 Ghost is god and spirit of the cemetery or necropolis.

125 Ghost is the god of the dead–mentally and physically dead.

126 Ghost is god and god is ghost.

127 The word "ghost" means *"gas"*–, from Middle English *gost*, from Old English *gâst*, meaning *"breath, spirit"*. It is the gas of death for Nubians and life for Tammahus, because Tammahus are its offspring.

Tablet 11:128

128 The manifestation of the ghost started with Cain killing Abel,

129 And it has been magnifying and manifesting itself through killing and death ever since;

130 Now all people on Earth kill as evidenced by the bible and its history.

131 When reading the stories of the bible, the people of it are about murder, war, rape, incest, lies,

132 Deception, prostitution, betrayal and favoritism.

133 Stories of love, peace and happiness are rare. This is your so-called holy book.

Tablet Twelve
Ghost Ether
(19 x 23 =437)

Lo! the English bible is the manifestation of Leviathan, 6 ether and ghost.

2 Leviathan, 6 ether fire produces ghost and goat-like hair, dog hair, jackal-like hair.

3 Leviathan is called Jesus, Baal and lord, and ghost is called God and Christ.

4 The manifestation of the false Jesus, 6 ether started with evolution 17,250,000 years ago.

5 The manifestation of Krishna, the Hindu Deity or ghost called Christ,

6 Started with Kadmon and Nekaybaw through Cain,

7 Approximately 42,000 years ago.

8 Therefore, god, ghost is a part of the one supreme being and not of the Supreme or Almighty himself.

9 When seen with the spiritual eye, Ghost looks like haze or fog.

10 In light of the previous knowledge about ghost or god,

Tablet 12:29

12 I am using god in the English language spelled with a small g.

13 However, whether the word god is spelled with a small g or capital G, the original meaning of the word is the same, but a different definition is given to "god".

14 Yet, "God" or "god" is still ghost.

15 Moreover, graveyard forces, and those who wear this cross as a shield of Christianity.

16 The graveyards also bear the cross.

17 Thus, the cross becomes the symbol of death, and death is related to ghost,

18 Which is very depressive, repressive, and oppressive by nature.

19 This is why, if they do not have some other race or races to suppress,

20 They will oppress and destroy themselves.

21 The word "gospel" means ghost spell or spell of the ghost, which is the same as the spell of God.

22 One knows the nature of God by knowing the nature of the Tammahu race.

23 The etymological or original meaning of the name Jesus is gases–conscious fire gases.

24 Jesus, or Leviathan in its moon,

25 That is, ghost manifestation is called Theh-Os Or Theoris, Anubis, Hermes, Sin, Siva, Nana, Dina, Queen, God, Christ, etc.

26 The spirit forces called Jesus are male and female,

27 But the female forces are the dominant.

28 Most other Tammahus accept the false Jesus, because they found out it produces ghost and ghost is their sustainer and creator.

29 The birth of myth and mythology

which gave birth to theories and theology is the removal of facts and reality.

30 Their false Jesus who is really a Jehovah, Zeus in short, it becomes Ja-Zeus, Jesus.

31 He gave the other Tammahus a chance to get back at the Israelites for refusing to share riches and true spiritual and universal knowledge with them.

32 Their Jesus, their spirit six ether is no friend of The New Being people.

33 This is why Africa today above the Sahara desert, is mostly in the hands and control of people other than Nubians.

34 The name you called Jesus was the savior of their race.

35 You saw him as someone God had sent as the goat deity pan, by whose sacrifice would keep Tammahus in ruling power by turning justice from the guilty until the end of the moon cycle.

36 The wise neither judge a spiritual book by its cover, nor by the writing that is found in it, because both can be very deceiving.

37 The way the wise judge spiritual books or religion is by what the leaders, and adherents, believers of that book or religion do.

38 Not what they say or what the book states, because as it is said:

39 "Actions speak louder than words"

40 And "you know the tree by the fruit it bears".

41 In other words, one knows what the spirit forces of a book or religion represent by knowing what the leaders and adherents of that religion do.

42 So, if spiritual books and religions are judged by the actions of its adherents rather than by words,

43 This tells you that the spirit forces of their books,

44 And religions are dragon and monster forces, speaking beautiful words from hot mountains and bushes, in flames of fire, and making melodious music.

45 At the same time they're murdering people, and taking their lands, oppressing, suppressing, stealing, lying and ravishing the Earth.

46 So all this means that Negroes, know not what you are worshipping.

47 Yet, what you worship are spirit monsters of the necropolis like Frankenstein, Dracula, the Zombie, the mummy, the werewolf, spirit dragons;

48 And demons like the apeman, the dragon serpent, the cat man, the crocodile, Reptilians etc.

49 Those spirit dragons, spirit monsters, and spirit demons are ghost or six ether or both.

50 Those demon spirits are the nature of the alien religion New Beings believe in.

51 This is another reason why the descendants of the 6 ether and those like them kill, or have it done by others possessed and think nothing of it.

52 The favorite diet of those sadistic spirit monsters is the blood of the innocent.

53 And their favorite past time is the suffering of the innocent and the mentally dead.

54 When possessed by those spirit demons and ghouls,

55 The person becomes the likeness of them,

56 And they will prey upon the mentally dead, and innocent, like the ghouls prey upon corpses.

57 The names nymphs, dryad, and

homo-drya are names of lesser deities of sex, that were usually depicted as beautiful women.

58 Nymphomania is defined as excessive sexual desire by a female.

59 This is no surprise, since women have the power to entice, seduce and lure the male of the species.

60 Lure ties in with Lar, Lard and Lord, by way of phonetics.

61 Lord or lard is a name used for the monkey people of the first breed of Aborigines.

62 *Lares* are a troupe of spirit monkeys well-known in ancient times.

63 The chief among that troupe of spirit monkeys was called the *Lar* or the *Lard*.

64 In Egyptian theology, the Lord is called "thoth" or "tehuti" and he was worshipped as the chief spirit monkey.

65 That was the ancient deity of wisdom and magic.

66 Therefore, some spiritual men call themselves monks today.

67 The spirit monkey is one of the many spirit forms of the false Jesus.

68 The crocodile, the lion, the eagle, the serpent, the horse,

69 And dog such as Anubis of Kemet and other forms of the zodiac, are spirit forms of the false Jesus.

70 The zodiac has many forms that are not shown in encyclopedias and dictionaries.

71 The zodiac is Canaan, the evolutionary forces, cast from the sun 5994 years ago.

72 After the great flood, mother earth and her female energy were referred to as a woman, Anak–a female demon, in ancient times.

73 Their Christ child called Canaan albino, ghost-like came after Noah.

74 Christ is a moon word which refers to the moon, and to the christ, Christian child or children called Tammahus, Canaan had silver and yellow hair and pale pink skin like the color of ghost.

75 The Hindu moon deity Sin or Singhe is known as Ishtar in Sumerian culture, and thus set up a whole new religion.

76 The original meaning of the word "Sin", a name of the moon deity, is the same as that of Chrystos and Christ.

77 The group called Atumites with the Ruler Atum and Queen Lillith,

78 Who were of the Cuthites tribe, were the first dark people converted to the moon god's way of life or rather, way of death, called Christianity, which upholds the symbol of the cross, which is a known symbol of death.

79 Hence, Canaan, and Salha, were the first natural born Christians, meaning the first Christians by nature.

80 This fact was verified when god, ghost passed the cross and its powers from the Hindu to Canaan.

81 Christian meaning: *"people living under the sign of the cross"*, which was later adopted by the Aryan race.

82 The swastika is also known as the broken cross, and is an ancient symbol,

83 Originally used to denote harmony with nature, the four winds, the 4 seasons and the four points of the compass,

84 Usually shown with the arms pointed the other way-opposite the way the swastika's arms turn.

85 The arms turned the way of the swastika, denotes that the forces turned against nature, and they are out of harmony.

86 The moon God, Ghost, is Christ or Krishna, the god and extractor from the Phoenician and East Indian people.

87 Christ is your ghost, the death gases.

88 The moon deity Anubis, or Anubu, the symbol of death is the part of leviathan, that produces ghost.

89 Therefore, ghost and god are the same.

90 The Tammahu race inherited its colonizing nature from the Phoenicians, and its cast nature from the Hindu.

91 No one can be a real Jew or Christian by nature, but a Tammahu.

92 Christianity was called the heathen's religion in Old Testament days, where they worshipped *Moloch,* a fire deity,

93 The worship of Moloch still requires human sacrifices and is dominant throughout Christiandom today.

94 The Negro, mentally dead does not know what it means to accept an alien religion.

95 For example, if a person accepts Hinduism or Muhammadism as his religion,

96 He should know that he has accepted the east Indians or Indo-Arabs as his visible deities, in so far as, the images of authority, respect, and admiration is from a specific race.

97 That's why they dress like them and want to look and be like them, which is other than your own self.

98 Neither can he become equal with or have power over the East Indian, or Arabs.

99 So he becomes their slave again,

100 This happens because he has been accepted as the superior power.

101 The same way it is with Judaism and Christianity or any other religion that is alien to you.

102 If a New Being person accepted Islamism or Christianity as his religion,

103 He has accepted the Tammahu as his visible god, because their god is depicted as Tammahu.

104 Neither can that person become equal with or have power over Tammahus,

105 Because the Tammahu has been accepted as the superior power in those religions, being the image of god is in their image.

106 This is why trying to obtain liberty and equality in any alien religion is a cruel hoax.

107 Hinduism is the spirituality and power of the east Indian.

108 Islamism and Christianity are the religions and power of the Tammahu race.

109 Yours is Nuwaubu--the way of the Anunnagi.

110 The world of religion needs to be dismantled.

111 You can't agree on anything because everyone has their own personal god.

112 The differences between each religion are always pointed out, however, the similarities are never talked about for example:

113 Each religion believes that there is an Almighty force that does exist.

114 You'd be eliminating the world's problems with the elimination of religion.

115 Nevertheless, if a person accepts his own spiritual science, Nuwaubu,

116 He has accepted himself and his own kind as the superior power.

117 Then the visible and invisible forces and powers can easily work for

you;
118 And with you for liberation and well-being.
119 All religions are alien by nature to you,
120 Except the spiritual science Nuwaubu.
121 Nuwaubu is the equalizer for you anywhere, and any time.
122 You must embrace a purpose and a plan, and must develop the power to execute the purpose and plan.
123 Idleness and ignorance must play no part in the plan.
124 You must take the plan and pursue the purpose.
125 The purpose must be mental and physical liberation from adverse forces.
126 The plan must be in pursuit of the purpose via Right Knowledge, Right Wisdom, and Right Overstanding;
127 Because Right Knowledge through right reason tells you what to do,
128 When to do it, where to do it, and how to do it, and what must be done in pursuit of the purpose.
129 You get the power to execute the purpose and plan by:
130 Rejecting the oppressors' religion and his spirit forces, including the names of his spirit forces;
131 Control your thinking with right knowledge.
132 Control of your physical activities, including your sexual activities.
133 To elaborate a bit further on the first step to power mentioned in the previous paragraph you must first pass the capability test.
134 The capability test determines whether your mind is capable of growing in and with the new sun cycle, the revolutionary cycle.
135 You have passed the capability test when you are able to actually deny and reject the alien religion, spirit forces,
136 And the names of their spirit forces such as God,
137 The false Jesus, Lord, Christ, Ghost, etc.
138 There is no growth in a person unless he is able to pass this test.
139 Mind power is the greatest power in the universe,
140 And you, as a race, are greatly in need of it. In order to think and do for yourselves,
141 Independent of other races as other races are independent of you.
142 Again as in the days of old, the second step to power is the acceptance of right knowledge by the practice of it.
143 Then universal forces can and will work for you, and with you to achieve your goals.
144 The third step is controlling your various emotions and getting things accomplished through Right Knowledge,
145 Sound right reasoning, and sound action.
146 Instead of trying to escape from your responsibilities through strong drinks, drugs, and sexual gratification.
147 The less pleasure you have, the less your burden of liberation will be.
148 A male person who does not control his sexual self is ruled by women, or sex because he is a slave to sex.
149 This does not mean that those of a kind should not have sexual relationship,
150 But it does mean that it should be controlled and channeled in the best interest.

151 If a man or woman can't control their sex, get away from them.

152 They will self destruct and destroy others with them.

153 Controlling sex means having sexual intercourse, without selfish desires,

154 And that unnatural acts are against the laws of nature.

155 Sex is a heavy burden on any race when the sex of that race is out of control.

156 You as an oppressed, and captive people, cannot afford any extra burdens such as extra sexual activities,

157 Strong drinking, and using dope for those pleasures, because that prevents your growth.

158 Having too much pleasure and too many children are great burdens.

159 Women should not have to take cancer-producing drugs to keep from having too many children,

160 Because the husband should be the controlling factor.

161 Sex must also be channeled in the best interest of the human race.

162 There is great power in sex,

163 And there is great power in the semen,

164 And when he shares that power with a female,

165 If that female is not for the best interests of his race,

166 Like the Moon converts gases from the sun to negative forces,

167 She will convert much of that semen from the male to negative forces,

168 With the help of the enemy, oppressor, and they will give birth to black or white devils working to destroy that race.

169 Nekaybaw, Eve converted Kadmon's power into agreeable forces and women have stopped doing that increasingly since then..

170 But now you do it for Leviathan ever since, turning the children against their father.

171 So, males must awaken the women with Right Knowledge, and get them on the side of liberation, mentally, spiritually, physically and sexually, by guiding them right and refusing to be so free with your sexual power.

172 Then build a culture, protective, and an economic foundation for your women and children in your own communities,

173 So that women will have no excuse to let men of other races use them as sexual dumping grounds,

174 As they use them, and exploit them now.

175 Lovemaking in the form of sexual affairs with the alien enemy in all walks of life, is one reason why women do not desire to support,

176 The communities today for future well-being of your descendants.

177 For nobody likes for anyone to talk about his or her lover, sweetheart, etc.

178 And that is what you are doing when you talk to the women about liberating themselves.

179 The women are easy prey for men of other races.

180 Especially Tammahu men, because they are ignorant to the facts,

181 They are in economic traps, and are stigmatized by the enemy's religion.

182 His religion softens up women to become his easy victims.

183 Just look at who they teach god is or what Jesus looks like.

Tablet 12:184

184 Of course your women think she wants them.

185 To be with them is to be with God.

186 But it is time for a change, Right Knowledge organizes and unifies the minds individually and collectively.

187 If knowledge is not to be confusing and thereby ineffective, it must be in sequence.

188 Knowledge received must be in organized sequence, in order to put the mind in order and unity.

189 Organize and put your minds in unity and order enough to qualify for your own effective spiritual science called Nuwaubu.

190 It will clear the fog and your single eye will re-open.

191 Clairvoyance, clear vision, will return and you will see again.

192 Nuwaubu and the forces and powers thereof are liberty, equality, justice, rightness,

193 And proper survival for New Beings everywhere.

194 Nuwaubu and the powers that make it effective and binding are the equalizers in all fields of necessity and endeavors in which other races offer contest.

195 The liberation forces are not their God, their false Jesus, their lord, their Christ, nor the spirit power-names of any other race.

196 The liberation forces of Nuwaubians, new beings by nature is 9 ether,

197 Whose scientific name will be disclosed in the science Nuwaubu.

198 Nine ether is the original creative forces,

199 Nine ether grew from 9 to the 9th power of 9; a symbol of beyond infinity. Its opposer, the so-called Jews, who considered the head and chosen by the God of the Tammahu race,

Tablet 12:213

200 Because the Jews have at least 1000 years of universal knowledge, culture, and know-how, on the other Tammahus, and thereby the Jews are richer, wiser, more observing,

201 And more deceptive than the other Tammahus and they are really the Aryan race.

202 When Leviathan producing god ghostized Tammahus from the Phoenician and East Indian peoples,

203 Canaan eventually renamed everything, took over the rulership,

204 And finished up god's creation as you see the many man-made things today altered and increased by the Tammahu race.

205 Most things you see today that were created by people, existed in time immemorial;

206 But like the evolutionary forces changed much of original creation, God's creation,

207 The Tammahu race altered much of what the Nubian Ptahite Ethiopian Kuwshite and original Sumerians had done and created.

208 Ghost and its seed are the death of death; meaning, six ether represents death and ghost is the death of 6 ether.

209 That is ghost, ruler of the moon cycle, and its seed,

210 The Albino race, mark the end of any evolution.

211 There is no other stage of evolution after ghost.

212 Therefore, after the cycle of ghost, evolution reverses.

213 Meaning, the revolutionary cycle

takes over.

214 Nuwaubu informs you that knowledge is knowing.

215 To know is knowledge.

216 Knowledge is mental power.

217 Knowledge is correct information.

218 Of course, knowledge can be thought, spoken, or written.

219 Knowledge is the best information.

220 Wisdom is knowing how and when to use knowledge.

221 Overstanding is receipt of knowledge by the mind,

222 And is the unity of knowledge and wisdom.

223 The greater one's mental power is, the greater are the things he can do and will do.

224 Your mental power is deeply lacking.

225 And this is the biggest block between you and reality;

226 Between you and the facts which keep you in a spell of religion and its spookism.

227 Nuwaubu is Right Knowledge, wisdom and overstanding,

228 And this is what you need to restore your powerful mind of right reason.

229 By this day and time, most of your brain power that is left, is being used to support and maintain the alien power structure and his belief and the pursuit of his images and likenesses.

230 You are literally out of your mind.

231 That means not using your mind, not loving your image nor your likeness,

232 But living in the likeness and worshipping the image of the beast.

233 For example, most Nubian college students graduate,

234 And professors use what they know to keep the Tammahus in power and domination over themselves and their own kind, by simply looking for and being content with a mere job in their power structure.

235 And that helps to prolong the barbaric system;

236 Instead of using what they know to build something of their own,

237 By helping develop their communities into profitable economic neighborhoods,

238 Run by Nuwaubian people.

239 The same as students and graduates of other races,

240 Do to a much greater degree than you.

241 Another part and phase of this major power structure is the churches.

242 Preachers of the gospel, ghost spell proclaim that they do not like white supremacy.

243 At the same time Tammahu supremacy is taught in Sunday school and in the pulpit.

244 For instance, in most churches and church books, they show the false Jesus as being Tammahu,

245 The son of God, a Jew-the chosen of God,

246 And then teach that God is the Almighty and one supreme being.

247 Your children and adults go outside

248 And they see the Tammahus ruling and he has everything.

249 So they are thoroughly convinced that the only thing for them to do is serve the chosen of god--that is white supremacy in one of its rawest forms.

250 The forces of Leviathan are beginning to put it in the preacher's minds to keep you deceived longer and

Tablet 12:250

deeper by proclaiming that Jesus was black;

251 Or at least of the darker peoples.

252 But the false Jesus and God in any color are no friends of yours.

253 And the brutal enslavement, barbarous oppression,

254 And bestial leopardation, one-sided forced sexual mixing under Tammahu religion and civilization,

255 Are proof of their Jesus and god's enmity to you beyond any reasonable doubt.

256 No spiritual force but an enemy force would help anyone do to you,

257 What has been done and is still being done to you.

258 What children should be taught are the facts,

259 And that your spiritual power and spiritual science are not the same,

260 As those of the Tammahu race or any other race.

261 Before you can ever get respect from the world's people again,

261 You must first regain trust and respect through proper protection.

263 Proper protection means putting women in a position,

264 That they will be the Nekaybaw, "tribal leaders", instead of the chamber maid.

265 This means building moral and economic communities with all the resources that you have access to, spearheaded by Right Knowledge,

266 Proper teachings, and sexual discipline,

267 As well as all other restraints necessary.

268 But female counterparts must realize and overstand,

269 That they must help you become

Tablet 12:284

rulers, *kings*.

270 This means you are the original rulers or kings.

271 After this, they can take their position as rulers and this means they have to stop making love to men of other races,

272 And start using their energies and mentalities to help maintain their supremacy by not supporting his kind of society and his churches.

273 The preacher and imam is a non-productive religious parasite,

274 Who preys on the poor, the gullible, and the unreasonable in underdeveloped communities,

275 By stirring up their emotions and deceiving the people about heaven after death.

276 Many women in the United States are fully possessed by Tammahu men.

277 Physically, mentally, educationally, occupationally, spiritually, economically, and sexually.

278 They live their lives to be and look like women that are portrayed through the media,

279 Even if they pretend they are into a "black thing".

280 Deep in their hearts they feel these women are a symbol of beauty and success.

281 And most males are also possessed by them in various ways.

282 But I capitalized the word "Sexually" in the case of women because there is a special campaign under way by Leviathan to destroy racial identity through the sex of women.

283 And at the same time destroy all moral fiber that you may still have.

284 Leviathan is using men of other races to accomplish destroying racial

identity.
285 The only one who will ever check that diabolical scheme of mankind,
286 And its forces is the male through proper teaching, protection for, and direct appeal to women.
287 Leviathan is a giant sex and spirit force.
288 This was in reality Haylal the son of Tarnush,
289 Who is able to control people and nations by sex and by spirit,
290 Generated from blood and the waters of the Earth.
291 Leviathan has many spirit members and parts distributed throughout the Earth cast
292 From the sun people of Gan, The Enclosed Garden,
293 Just before the evolutionary cycle began.
294 Some women know that they are working against,
295 The best interest of their people and do it deliberately,
296 Because they are gold diggers, degenerates,
297 And opportunists who want to please the master,
298 And seducer who keeps them in power.
299 Other women are just ignorant to what is going on;
300 And yet, there are still others driven to do things that they would not do,
301 But yet, do them because of their poverty-stricken condition.
302 One of the best ways to check women is to give them Right Knowledge,
303 And see that they and their children get proper protection,
304 And provisions by way of you males.
305 Some may wonder why I am still using the word "Negro",
306 When referring to mentally dead Nuwaubian people.
307 It is because as long as you people have negative and slave minds,
308 You are still Negroes no matter what other names you choose to call yourselves,
309 And by calling themselves something other than Negro,
310 Deceives you into believing that you are not Negroes any more.
311 Therefore, I continue to call the mentally dead by the name Negro,
312 For this emphasizes the fact that a person does not become something else just by changing his name,
313 But instead by changing his mind.
314 After the mind is changed by the knowledge of resurrection,
315 Then it is proper to change the name.
316 When the negative and slave mind of the Negro is changed,
317 By Right Knowledge, Wisdom, and Overstanding, he/she will automatically cease being a Negro.
318 And everybody will know it by his words and works.
319 The slave master taught 9 ether woolly-haired people,
320 That it was disobedience to God that caused enslavement of any kind.
321 But Nuwaubu informs you, that is a cheap and cynical falsehood
322 Designed to falsely justify the enslavement of people.
323 Nuwaubu discloses that the opposites by cycle,
324 And law of nature cannot rule on

Tablet 12:324

Earth equally at the same time.
325 The slavemaster taught the Nubian slaves that God put a curse of black skin and kinky hair upon you.
326 Nuwaubu teaches you that it is purely false;
327 Because Nubians had black or brown, skin and woolly-hair from the original creation; before this planet Earth;
328 And black skin provides the best protection against exposure and disease,
329 And woolly hair means that the sun genes, the genes of life, are much stronger in woolly-haired people,
330 Than they are in straight-haired people.
331 Hence, woolly hair is a sign of life and originality.
332 However, Nuwaubu does agree that God did put a curse on darker peoples.
333 But the curse is not woolly hair and black skin.
334 Instead, the curse that God put on you following a way that leads to death.
335 In the 17,250,000 year period of evolution,
336 Leviathan would have ghostized; bleached everybody.
337 But the laws of the opposites of nature forbade it, and those laws are binding.
338 God, the creator of the Tammahu race, represents riches for them and poverty for you;
339 Except for those people willing and ready, for a price, to step on the necks of their race of people,
340 While doing the wishes and wills of their master.
341 The bible is a book tampered with and thereby possessed by will,

Tablet 12:361

342 And power that spellbinds the weak-minded, the gullible and ignorant;
343 That opposing forces may rule.
344 But the cycle for the bible was the moon cycle and that cycle is ending.
345 Their deity exists indeed, but it does not exist in your favor.
346 Neither preachers nor imams nor anyone else know who God is.
347 Unless he knows what God is, and the nature of the substance of God.
348 They know who their God is and what their God is.
349 God and devil are opposite sides of the same thing--Leviathan.
350 This means that their God is not going to destroy the devil
351 As the bible pretends and deceives,
352 Because destroying the devil means destroying Leviathan.
353 And that would be the end of their deity,
354 For Leviathan produces their god, ghost.
355 Yet, their god is the death of Leviathan in the sense that the moon cycle marked the climax and end of evolution.
356 And Leviathan is the evolutionary forces.
357 If one knows the nature of the Tammahu, he knows the nature of their deity, if they are made in the image and after his likeness,
358 For the Tammahus are the children of the God, ghost.
359 Their nature is to oppress and cause you suffering and death.
360 It stands to reason that the oppressive slave master did not,
361 And will not give the slave anything which he thinks may one day liberate the slave.

Tablet 12:362

362 Therefore, you know that the Bible,
363 And the spirit forces thereof will never liberate the captive.
364 Hence, the powers of Nuwaubu are the only liberation forces for woolly-haired people everywhere.
365 The powers in Nuwaubu are knowledge, reason and 9 ether.
366 There is a special project under way by Leviathan to further leopardize
367 And ghostize your race, the world of the woolly- haired people,
368 By changing original hair, original color,
369 And original features to those of other races.
370 In other words, destroy beautiful woolly hair,
371 And pretty dark brown skin by one-sided racial miscegenation, which is one-sided racial sexual mixing.
372 They are creating a "new race" or neutral race where you can't tell their nationality.
373 Leviathan is using straight-haired men and women in its attempt to destroy you through the sexual use of woolly-haired women and men.
374 Male, New Being, must also refuse to have sexual relationships with alien women and refuse to mongrelize their seed by refusing to father offspring by women of Tammahu races.
375 The hybrids born from interracial sexual mixing are not accepted in the Canaanite race,
376 And they are not accepted by the Nubian race.
377 So that leaves another human without an identity.
378 The only way you can correct this problem,

Tablet 12:394

379 Is through the acceptance of Right Knowledge, Right Wisdom and a right Overstanding which lead to right thinking and right actions and right reasoning.
380 Being careful how 6-ether subliminally seduces nine-ether into the worship of 6- ether.
381 A woolly-haired woman should never buy a Canaanite doll for her child,
382 Because that mentally and spiritually ties the child to the Canaanite race.
383 And compels the child to think it is all right,
384 For her to have real babies that look like the doll.
385 Buying Nuwaubian, of Nubian New Being, dolls for Nuwaubian children,
386 Goes a long way toward restoring racial pride and self-respect; in the eyes and minds of children,
387 As well as the restoration of respect from other races.
388 There is nothing wrong with identifying with whatever race or culture you are from,
389 Because that's you, be it with your dress, your hair, your features or your way of life;
390 And you should not nor should anyone else make you feel intimidated or inferior because of it.
391 When Europeans identify with France, Germany, Holland, England, Poland, Scotland,
392 It's considered being cultural.
393 When you identify with Egypt Nigeria, Sudan, Ethiopia, it's considered a cult.
394 The Tammahu's last stand to

Tablet 12:394

perpetuate his spell, influence and rule,
395 Is his woman–the Tammahu women.
396 He used to let an old Tammahu woman slip out of his hands once in a while to one of his real good Negro captives.
397 But when you see the Tammahu, the oppressor, letting his girls and young women go hand in hand with Negro males,
398 That is a true sign of the decline and fall of Tammahu power and rule,
399 Because he will only let some of his young women go freely,
400 But reluctantly in order to try to keep the oppressed confused, deceived,
401 And spellbound for the purpose of remaining master as long as possible.
402 The Tammahu race is using all the tricks available
403 To keep you from regaining liberty, equality, justice, and rightness.
404 But when you get a hold of Right Knowledge and accept it,
405 Your wisdom and overstanding grow.
406 And that person is able to see all the tricks of the oppressor,
407 And take the right steps to avoid them by help of the forces of nature.
408 If you don't take the proper and necessary steps to change yourselves, then you deserve to be mistreated.
409 You are your own responsibility.
410 The help you seek is at the end of your arm.
411 Nuwaubians are becoming aware.
412 They are waking up to all of the deceptions and lies.
413 For the first time since the ruler Cheops, 5000 years ago.
414 Woolly-haired people are being

Tablet 12:427

given the real choice between right or wrong, knowledge or ignorance,
415 Liberty or serfdom, equality or inequality, justice or injustice, life or death,
416 Own spiritual science Nuwaubu or alien religion,
417 Meaning, liberty with nine ether or captivity with god and Jesus or Muhammad worship, called Islam.
418 When sufficient circulation of these choices has been completed,
419 And sufficient time has been allowed to accept or reject these choices through overstanding,
420 Armageddon will climax with fire–artificial fire and natural fire.
421 The last war of the moon cycle is called Armageddon.
422 Armageddon will start before the end of the moon cycle, and will continue until the universe, including orb, Earth, is in the rule of liberty, rightness, justice, and equality again.
423 Armageddon is the war of the resurrection of the dead–the mental dead.
424 Armageddon is the showdown between right and wrong, between life and death.
425 If a Negro, male and female, can read and study this tablet and still have the same old negative mind and same old negative spirit,
426 That makes a person a black devil and keeps a person a Negro.
427 That individual is incapable of being resurrected from the mental dead and is definitely detrimental to the cause of New Being progress and well-being, because that person is indeed on the side

of the enemy of liberty, equality, justice, and nationalism.

428 Furthermore, if a Negro simply reads these teachings and the knowledge in them, and does not start a growing fire for mental resurrection, liberty, and equality, that person is dead forever,

429 And is a bigger liability to progress and well-being than the alien enemy himself; because you know the alien enemy on sight.

430 But those enemies among you that look like you are more dangerous,

431 For the only way you know them is by their words or deeds or both.

432 Therefore, the enemies among you that look like you, are enemies of right Nuwaubian's goals, the same as the alien oppressor. They are black devils.

433 Nuwaubu is the best knowledge, wisdom, and overstanding.

434 Nuwaubu is the equalizer anywhere and any time,

435 And it will be disclosed when the minds of all woolly-haired people with the ability to identify themselves with nine ether have been qualified. And that time is now, right now, if accepted and diligently studied as well as read.

436 This tablet is dedicated and designed to separate the sheep from the goat--separate those who can make it from those who cannot make it. Those who are not flexible enough to reform and conform to Right Knowledge through sound right reason, will not survive Armageddon.

437 The showdown between right and wrong is on right now. Come join your own.

Tablet Thirteen
The News
(19 x 2=38)

Lo! What are they, the Enosites, asking each other about?

2 It is about the supreme news, Nuwaubu.

3 That which they, Humans are differed.

4 Nevertheless, they Enosites will soon learn about the science of Nuwaubu!

5 Then nevertheless, they will really learn!

6 Did We, Aluhum, Anunnagi not make the planet Earth in landscape form, to live on?

7 And the mountains as landmarks?

8 And we, Anunnagi procreated you Enosites in pairs, male and female.

9 And we made your, Enosites' sleep a time for resting.

10 And we made the shadow hour Period a total covering.

11 And we made the daytime for the making of livelihood.

12 And over you, we built 7 strong 'lasting' firmaments.

13 And we, Aluhum made a bright lamp, 'shining sun'.

14 And by the squeezing of the clouds, we sent water pouring down, 'rain'.

15 So that we, Aluhum, Anunnagi could bring forth grain and plants.

16 And Jannaat of thick foliage.

17 Surely the Day of Judgment, is appointed–the end of all this.

18 A day when the trumpet will be blown, by the Aluhum, Anunnagi Rapha'El and you will come in separate groups–the Nuwaubians, the Mongolians and the Tammahus.

And This Event Of The Blowing Of The Trumpet Shall Be Commemorated Like This:

Ra'sus Sanah

The blowing of the shofar heralds the beginning of the penitential season. For these ten days the ram's horn is blown every daylight a total of ten times after early daylight worship in the House of the Sustainer. The pattern for blowing the horn is one long blow, held for four counts and one short blow for one beat. This pattern is repeated five times for a total of ten times. The ram's horn is blown all through the daylight hour until the tenth day of Ra'sus Sanah.

On the shadow hour of Ra'sus Sanah it is customary to greet one's friends with:

Yakul Ent Kawun Maktuba Fi The Katub Shil Hayuh Li Towbun Sanu.
"May you be inscribed in the book of life for a good year."

At the festive meal at home with your family at the end of the day, it is customary to dip a piece of the bread, over which grace has been used throughout the home. Bread has been used throughout the scriptures in reference to the mercy and provision of the sustainer who provided them with manna. Today manna is a small piece of bread that tastes like a wafer made of honey.

For the same reason a piece of apple is dipped in honey. The honey is symbolic of land promised unto the Israelites which was flowing abundantly with milk and honey.

Day Of Atonement

The most sacred of days, prayer and meditation, is the day of atonement, which falls on the tenth month of the Israelite calendar Yawm 'Ul Kafaarah and ends the penitential season of fasting which begins with Ra'sus Sanah and lasts ten days. It is a solemn day of absolute abstinence from food and drink until after the start of the shadow hour worship. Humans must cleanse himself of all sins. On this Sabbath of Sabbaths, everyone refrains from household duties, physical work, and enjoyment. It is a day of instilling love and friendship.

You shall be alone in a world of many people,
All of this you caused to fall upon this world,
You shall taste of it.
I have come before you all this day to show you your own works.
I do rule over you, given the power by my and your Sustainer Anu, A'lyun A'lyun El.

19 And the Heavenly Skies will be opened like doors.
20 The mountains were made to move, as if they were a mirage.
21 Surely, they Humans will find purgatory was waiting.
22 It will be the final place for those who go to any extreme to do wrong.
23 Staying in it, hell for long periods of time
24 In Hell they, Enosites will taste nothing cool, and they will have nothing to drink.
25 Except for boiling water and pus.
26 A punishment fitting their humans'

deeds.

27 Surely they, Enosites didn't anticipate the Day of Reckoning–the One To Come.

28 And they, Enosites denied our verses, the Qur'aan and rejected them.

29 And everything, that Enosites 'Humans' do, we, Aluhum, Anunnagi have recorded it down in a scripture.

30 So taste the fruit of your Enosite's deeds, and we will not increase for you Enosites nothing, but more pain.

31 Surely, for those who tremble at the mention of Anu's name will be in a blissful abode of gardens and vineyards,

32 And there will be young pubescent maidens all of the same age, all are the age 19.

33 And a cup running over with goodness. In it, the garden, they will not hear any lies or vain talk.

34 This is a reward from your 'Sustainer' who is Rabb: a very satisfying gift.

35 The Rabb of the skies and the planet Earth, and all that is between them, is the Merciful, none will possess from him the right to address Him.

36 On that day, The Great Soul Murduk, and all the Aluhum, Anunnagi will stand in ranks, and no one will speak save him, whom The Source, Anu, The Merciful, has given permission to; and no one shall speak save he, who speaks right.

37 That is the day of the facts so whoever pleases, he may take a place of return unto his Rabb.

38 We, Aluhum, Anunnagi surely warned you, Enosites of a pain that is very near; a day when a person will see that which he committed–the agreeable and the disagreeable of his own hands; and 'he who conceal that which he knows to be the facts, will say despairingly: "If only I were dust."

Tablet Fourteen
The Remover Of Souls
(19x2=38)

Lo! I, The Aluhum, Anunnagi Nusqu, who also bore the title Gabriy'El swear by those Aluhum who violently pull out the souls of the wicked ones.

2 And by those Aluhum, Anunnagi who gently remove the souls of the righteous ones.

3 And by the Heavenly Hosts who swiftly float downward for the soul of the faithful.

4 And by them, Anunnagi that speedily advance with the souls to paradise.

5 So these Anunnagi are the directors of the Sustainer's command.

6 On a day when there will be a great trembling, the shake of shakes.

7 And the inevitable shall follow it,

8 And on that day, hearts will be throbbing from fear.

9 Their eyes will be humbly downcast.

10 In mockery of the resurrection, the rejecters of faith used to say: "Shall we revert to our original state from death back to life?"

11 Will we, Enosites be returned to life even after our bones are rotten?

12 They say: "Then to return to life after this, that will be a loss."

13 Verily it, the sound of the trumpet will be just one cry.

14 And behold, they, Enosites will all reawaken.

15 Didn't the Hadiyth of Thutmose, Moses, also known as Muwsaa come to you Muhammad, Ahmad?

16 When his Sustainer called him, in the Holy Valley Tuwa, near Mount Sinai?

17 Saying: "Go to Pharaoh, Rameses II for surely he goes to any extreme to do wrong."

18 And say to Rameses II: "Do you desire to purify yourself?"

19 And I, Thutmose will rightly guide you, Pharoah to your Sustainer, Master, 'Rabb' so that you Rameses II may learn to dread him.

20 So he, Thutmose showed him, Rameses II, the most exalted sign–the miracle, Moses told Aaron to take his rod and cast it before Pharaoh, and it became a serpent;

21 But he, Pharaoh Rameses II called it, the miracle a lie and an illusion, and he still disobeyed.

22 Then he, Rameses II turned his back and left in haste.

23 So he, Rameses II gathered his nation - the Egyptians, Kemites and then made a proclamation.

24 He, Rameses II said: "I am your Rabb, The Most High."

25 The Source, Anu seized and punished him, Rameses II for this statement, in the one to come and the beginning.

26 Surely, there is a warning in that for those who dread The Source, Anu.

27 Are you, Enosites harder to create or the Heavenly Sky which He, Anu built?

28 He, Anu raised its, the sky's heights and made it to appear flat.

29 He, The Source, Anu made it, the sky shadow hour periods dark, and brought out of the sky its bright early daytime hours.

30 And afterward He, The Source condensed the planet Qi.

31 And from it, the planet Earth, he, Anu brought forth its water springs and pastures.

32 And He firmly placed the mountains.

33 As a temporary provision for you all and your animals.

34 So when the big calamity comes.

35 The day when each human being shall remember that which he strove for the agreeable and the disagreeable.

36 And hell shall be displayed for whoever sees. So for the person who goes to any extreme to do wrong,

37 And have preferred the life of this physical world. So surely hell shall be the place of abode for him.

38 And as for him who fears the position of his 'Sustainer', Anu, who is Rabb and forbids himself from following the love vain desires, and inclination of unjust acts. So surely the Enclosed Garden Of Delight shall be the place of abode for him.

Tablet Fifteen
Al Shams
(19 x 1=19)

Lo! When the sun loses its light and, is condensed into a ball.

2 And when the stars are darkened, and when the Mountains are moved, and when the she-camels, are abandoned, and when the wild beasts, are herded together,

3 And when the seas are caused to boil and burn and when the spirits are remated with their bodies and when the infant girls, who were buried alive, are asked:

4 For what disagreeable act were they

killed?

5 And when the pages of the scroll representing the deeds of all Enosites are unfolded.

6 And when the Heavenly Skies are pulled from its place,

7 And when the hell is made to blaze.

8 And when the Enclosed Garden Of Delight is brought near.

9 Then every spirit will know all that which it has presented. I do not have to swear by the orbiting stars,

10 The running and the setting, constellations, and by the shadow hour period when it darkens,

11 And by the early daytime hour when it dissolves into the light of day.

12 Surely it, the Qur'aan is a saying, of one sent, Rasuwl Muhammad in honor.

13 He is the source of power within the essence of the throne, that has a firm place.

14 He, Ahmad is one to be obeyed, for he is faithful and trustworthy.

15 And O, you Enosites of Mecca, your companion Muhammad has not gone mad. He is not possessed with a Jinn, Garubaat.

16 And indeed he, Ahmad saw him Gabriy'El on the clear horizon. And He the Aluhum, Anunnagi Nusqu, Gabriy'El is not reluctant to teach you, Muhammad about the secrets of the unseen. And it is not a saying of the rejected Al Shaytun the cursed disagreeable, malevolent one.

17 So where are you, Enosites going? It, the Qur'aan is but a reminder to all the boundless universes.

18 It is for those of you who want to be on the straight path. And you, the Enosites would not will,

19 It if the Rabb who is the Sustainer of the Boundless Universes, did not will it for you.

Tablet Sixteen
The Skies Cleave Asunder
(19x1=19)

Lo! When the Heavenly Skies cleave asunder.

2 And when the stars disperse.

3 And when the seas break forth and join each other,

4 And when the graves are overturned; and the dead emerge leaving them vacant,

5 Every spirit, person will know that which it has sent forward and what it left behind.

6 Oh Enosites, what has beguiled you and made you turn from your Generous Rabb, Anu?

7 He, The Source, Anu who procreated you and made you complete and perfected you.

8 He fashioned you in whatever form He The Source, Anu pleased.

9 Nevertheless, you, Human Beings lie about the Day of Judgment,

10 And verily Guardians, Aluhum, Anunnagi are over you.

11 They are honored scribes, recorders of your deeds.

12 They are aware of all that you do.

13 Surely, the righteous shall verily be in a state of grace.

14 And the wicked, shall be in a Blazing Fire.

15 They shall be cast into it, Jahiym on the Day Of Judgment.

16 And they will not be absent from it.

17 And by what means will you perceive what the Day of Judgment is?

18 Then what really makes you

perceive what the Day of Judgment is?

19 On that day, no spirit, person will be able to help any other spirit and the order will be directly controlled by him, The Source, Anu.

Tablet Seventeen
The Cheaters
(19 x 1=19)

Lo! curse to all the cheaters.

2 Those who fully demand all they can get, when they take a measure from the Enosites.

3 But, when they give measures for others, they decrease the measures in their own favor.

4 Don't they think that they will be raised after death?

5 For a most Supreme Day.

6 A day when all Naas, will be standing before The Rabb of the Boundless Universes, to be judged.

7 Nevertheless, the scriptural ledger of the wicked is kept in a place for records.

8 And by what means are you able to perceive what Sijjiyn is?

9 It is a scripture marked with numbers, time.

10 Curse be on the liars, on that day.

11 Those who lie about the Day Of Judgment.

12 And none except the transgressing, doer of disagreeable act, lies about its existence.

13 And when our, Aluhum, Anunnagi signs - the Qur'aan are recited to him correctly, he says: "These are but the Legends of The Ancient Ones, who are the Aluhum, Dinneer.

14 Nevertheless, the wrong, they the transgressing doers of disagreeable acts do, has rusted, their hearts.

15 Nevertheless, on that day, they will be screened, from their Sustainer.

16 Then surely, they shall be cast into the flaming hell.

17 Then it shall be said to them: "This is what you claimed to be a lie."

18 Nevertheless, the scriptural ledger of the righteous, is in the highest places, where the records of agreeableness are kept–'Illiyyiyn, the nineteenth galaxy.

19 And by what means are you able to perceive what 'Illiyuwn is?

20 It is a scripture marked with numbers, time.

21 Which is witnessed by the Aluhum, Anunnagi who are near to The Source, ANU, Garubaat, Garubaat, or Qaraabeem.

22 Surely, the righteous will be in the grace of paradise.

23 Looking down from lofty, exalted couches, and beholding all delights.

24 You can see that their faces radiate happiness and ease.

25 They will be provided with drinks of pure wine, which will be sealed from others.

26 Its seal, will be made from the sweet scent of musk. In all of this, there is an inspiration for all those who aspire to be of the spiritual ones.

27 And it will be mixed, with the sweet scents of the fountain of Tasniym."

28 A spring, from which all the Aluhum, Anunnagi who are near to The Source, are allowed to drink.

29 Surely, those who are guilty in the physical world mocked and laughed at those who were faithful.

30 And when they, the guilty ones pass by them, the faithful ones, they wink at one another and point at the faithful and jeer.

31 And when they returned home with their families, they returned mocking.

32 When they saw them, the faithful ones, they said: "These are they who are astrayed, have lost touch with reality."

33 They were not sent to be guardians over them, the faithful or to judge the acts of the faithful.

34 So the day will come, when these who are faithful will be laughing at the ones who concealed that which they knew to be the facts.

35 On the exalted couches, they will look down.

36 Don't the ones who concealed that which they know to be the facts, get their payment for that which they did?

Tablet Eighteen
The Rending Asunder
(19x1=19)

Lo! When the Heavenly skies rend asunder

2 It, the Heavenly Skies listened to its 'Sustainer', who is Rabb, because it is incumbent!

3 And when the planet Earth extends into landscapes,

4 And casts out whatever is in it, the planet Earth and abandons it,

5 And it, the planet Earth or Tiamat listened to its Sustainer, Anu because it is incumbent!

6 O Human Being in the service of your Sustainer, you will see the result of striving.

7 As for him who is given his scripture, Book of Deeds in his right hand,

8 He shall be reckoning with, by an easy reckoning.

9 He will be returned to his family, in total happiness.

10 And as for him who is given his scripture, Book of Deeds behind his back,

11 He shall call out his own destruction" and he shall burn in the consuming, blazing fire.

12 And in his lifetime on Earth, surely he used to be a happy man with his family. Surely he thought that he would never return to his Sustainer.

13 Nevertheless, surely his Sustainer, Anu was watching, all that he did.

14 Nevertheless, I swear by the red glow of the sun when it darkens, and by the shadow hour period, and what it shrouds.

15 And by the moon, when it becomes full, that you shall most certainly pass from Plane, to plane, life after death.

16 So what is the matter with them, that they are unfaithful?

17 And when the Two Readings, 'Al Qur'aan' is read to them, they don't prostrate?

18 But those who conceal what they know to be the facts, are nothing but the best liars. And The Source, Anu knows best that which they hide inside.

19 Therefore, tell them of an aching pain, which is promised to them. Except for those who are faithful and work to perfect their beings, there is an everlasting reward for them.

Tablet Nineteen
The Zodiac
(19 x 1=19)

Lo! and the Heavenly Skies, the source of the signs of the zodiac.

2 And by the Promised Day, the Day of Resurrection.

3 And The Witness The Source, and

that which is watched, witnessed.

4 The companions of the pits: the ruler of Yemen, Dhu Nawas, and his nation of Enosites, killed the Faithful for making pits.

5 The kindling of the fuel which burned the Enosites of Najraan and forced them to renounce their faith.

6 When they, ruler of Yemen, Dhu Nawas, and his **Enosites** squatted around it, the fires.

7 And they were witnesses of what they did, torture to the faithful Enosites of Najraan.

8 And they, King of Yemen, Dhu Nawas and his Enosites only tortured them because they were faithful to The Mighty Source, ANU, the one who is due all gratitude.

9 To him, ANU, Anu who belongs rulership of the skies and the planet Earth, and ANU is a witness, watcher over all things.

10 Surely, those who persecuted the faithful men and faithful women, and then did not repent for them will be the pain of purgatory, and for them, there is the torture of burning pain on their skin.

11 Surely, there are Jannaat beneath which rivers flow, for those who are faithful and work to perfect their beings. That is the great achievement,

12 Surely, grip of your sustainer, verily is mighty, terrible.

13 Surely he, Yahuwa, begins, 'creates' everything and has the power to bring everything back to life.

14 And Huwa, Yahweh is The Forgiver, and The Loving, compassionate..

15 The possessor of the throne of glory.

16 He, The Source, ANU does what he wants, as not the tales of the hosts come to you?

17 Of Pharaoh and Thamud? But those who conceal what they know is true are only liars.

18 And The Source, ANU encompasses them on every side.

19 In fact! It is a glorious Qur'aan, which is in a guarded table, s the Suhuf!

Tablet Twenty
The Knocker
(19 x = 19)

Lo! And the heavenly skies and the knocker, the Star Bennett.

2 And by what means would you, Ahmad, also called Muhammad would have perceived what the knocker Taariq is?

3 It is the brightly piercing star.

4 There is no spirit, person which does not have a guardian.

5 So all Enosites must seriously contemplate of that which he was procreated from.

6 He, the Enosite was created from gushing water, 'sperm'.

7 Which travels between the solar plexus and the spine.

8 Surely, He, The Source, ANU is capable of returning him, the human being.

9 On the day when, all secrets,

10 'Secrets that were sealed inside of Enosites will be disclosed.

11 So he, the Enosite will not have any power, nor any aider.

12 The sky, Source, of the returning.

13 And by the planet Earth, which splits open for the seeds to push forth.

14 Surely it, the Qur'aan is a decisive

saying.
15 And it, the Qur'aan is not to be taken as an unserious matter.
16 Surely they are scheming a scheme.
17 And I, the most high, I am scheming a scheme.
18 So respite, those who conceal that which they knew to be the facts,
19 For only a little while.

Tablet Twenty One
The Most High
(19 x 1=19)

Lo! Glorify the name of your Master, ANU The Most High.
2 He who procreated, created and made his creation perfect.
3 And he who determines the nature of them, and guides them.
4 And he who brings forth herbage for the animals.
5 So after that he, ANU made it, into dark stubble.
6 We, the Aluhum, ANUNNAGI will make you, Muhammad a reader, so that you won't forget.
7 Except that which, Anu pleases, surely He, The Source, ANU knows the manifested and the hidden things.
8 And we, the Aluhum lead you, to the easy way, the peaceful way.
9 So be a reminder, because there are benefits in reminding others.
10 He who dreads The Source, ANU, will remember the Qur'aan.
11 And the Most miserable ones will avoid it - the Qur'aan.
12 Who will be cast into the huge pit of fire.
13 Then he will neither die, nor live in it, the pit of fire.
14 Certainly he who purifies himself, will be successful.
15 And he remembers the name of his Rabb, ANU and keep up worship.
16 In fact you, the Enosites prefer the Life of this physical world.
17 And the one to come is better, and it is an everlasting state.
18 Surely, all of this is to be found in the first pages of the Suhuf - Enuma Elish, and Gilgamesh tablets from before.
19 The Pure Pages of Abraham, Abram - the Book Of Generations and Moses, Thutmose - the 5 books of 'The Laws', The Torah.

Tablet Twenty Two
The Overwhelming
(19 x 1=19)

Lo! Haven't the hadiyth come to you, Muhammad about the overwhelming event?
2 Some faces, 'Wujuwh' on that day will be down cast.
3 Working and toiling,
4 They will be thrown, cast into the scorching flames of fire.
5 They will be made to drink only from a spring of hot boiling water.
6 There shall not be any food for them except a bitter thorny fruit.
7 Which will neither fatten them, nor give them any relief from hunger.
8 Faces of the faithful, on that day shall be smooth without a frown.
9 And they will be pleased with their works in this world. In an exalted Enclosed Garden Of Delight.
10 In it, they the faithful ones will not hear any vain talk.
11 In it, is a spring flowing. Therein are beds rised high.

Tablet 22:12

12 And cups are put there, and cushions, arranged in rows.
13 And carpets spread forth.
14 Do they not look at the clouds, and ponder their creation?
15 And at the Heavenly Skies, and how it is raised?
16 And the mountains, and how they are erected?
17 And at the planet Earth, and how it is landscaped? So remind them, because you, Muhammad are only a reminder.
18 You Muhammad, Ahmad do not have any power to compel them. But as for he who conceals that which he knows to be the facts, and turns away from the faith.
19 So he will be punished with the biggest, greatest pain. Surely to us, Aluhum Anunnagi is their return after death. Then the taking of their account is on us, Anunnagi.

Tablet Twenty Three
The Deeds Of Mortals
(19 x 2=38)

Lo! Yahuwa Kalka'El took Kadmon and Nekaybaw by the hand, and began to bring them out of the cave.
2 But when they were come a little way out of it, the Aluhum Anunnagi knew that Nakhash had overcome them,
3 And had brought them out the 30 days were ended, to take them to some distant place, and to destroy them, Yahuwa said to Nekaybaw what is this that you have done?
4 Nekaybaw answered and said Nakhash the son of Shakhar and Mylitta deceived me into consuming it.
5 For after the curse put on Nakhash when Yahuwa of the Aluhum said to

Tablet 23:17

Nakhash because you are responsible for the disobedience, you will be cursed above all the non-speaking mammals, Genus Homo, Homo Erectus, Shaggies,
6 And all of the other living beings, and creatures of the world outside of the Enclosed Garden,
7 Like a snake you will cunningly move about on your belly,
8 And the very blood of creation will be your food for all the days of your divine existence,
9 I will arouse hatred in the midst of your descendants and Nekaybaw's descendants.
10 Your hate will be cunning and conniving as to approach from the lower heel as a snake when it bites,
11 And their hate will be to bruise your leaders.
12 The other Aluhum knew this to mean that Nakhash would try to sneak and kill Kadmon and Nekaybaw,
13 So they escorted them from the Enclosed Garden into a remote cave to hide for 30 days and 30 shadow hours, from the fury and hate that spat forth from the vulgur mouth of Nakhash as he declared I will kill them both.
14 Then the word of Yahuwa of the Aluhum, Kalka'El also known as Rudwaan son of Azari'El and Rafiki'El came and drove him away from them.
15 Yahuwa of the Aluhum Kalka'El began to speak unto Kadmon and Nekaybaw, saying to them, "what made you come out of the cave, unto this place?"
16 Then Kadmon said unto Yahuwa of the Aluhum, "Did you create a man before us?
17 For when we were in the cave there suddenly came unto us a good old man

who said to us,

18 'I am a messenger from the Anunnagi, Aluhum unto you, to bring you back to some place of rest'.

19 "We did have faith, O Aluhum, that he was a messenger from thee; and we came out with him; and knew not whither we should go with him."

20 Then Yahuwa of the Aluhum said unto Kadmon, "see, that is the father of evil arts, who brought thee and Nekaybaw out of the Garden of Delight.

21 Now, indeed, when he saw that you and Nekaybaw both joined together in fasting and praying,

22 You didn't come out of the cave before the end of the 30 days, he wished to make your purpose vain,

23 To break your mutual bond; to cut off all hope from you, and to drive you to some place where he might destroy you.

24 Then came the word of Yahuwa of the Aluhum again, and he said unto them, O Kadmon, arise, go and bring two figs here.

25 Then Kadmon and Nekaybaw arose, and went until they drew near to the cave.

26 "But I in mercy and with the favour I had unto you, I did not allow him to destroy you; but I drove him away from you.

27 "Now, therefore, O Kadmon, take Nekaybaw, and return to your cave, and remain in it until the morrow of the 40th day.

28 And when you come out, go towards the eastern gate of the garden."

29 Then Kadmon and Nekaybaw praised A'lyun A'lyun El and blessed him for the deliverance that had come to them from him.

30 They returned towards the cave. This happened at eventide of the 29th day.

31 Then Kadmon and Nekaybaw stood up and with great zeal, they prayed to A'LYUN A'LYUN EL, to be brought out of their want for strength; for their strength had departed from them, through hunger and thirst and prayer.

32 But they watched the whole of that shadow hour, until morning.

33 Then Kadmon said unto Nekaybaw, "arise, let us go towards the eastern gate of the garden as Yahuwa of the Aluhum told us."

34 They said their prayers as they were commanded to do everyday; and they went out of the cave, to go near to the eastern gate of the garden.

35 Then Kadmon and Nekaybaw stood up and prayed, and besought Yahuwa of the Aluhum to strengthen them, and to send them to something to satisfy their hunger.

36 But when they had ended their prayers, they remained where they were by reason of their failing strength.

37 Then came the word of Yahuwa of the Aluhum again, and he said unto them, "O Kadmon, arise, go and bring here two figs."

38 Then Kadmon and Nekaybaw arose, and went until they drew near to the cave.

Tablet Twenty Four
Two Fruit Trees
(19 x 1 = 19)

Lo! But Nakhash the wicked one was envious, because of the consolation that

Yahuwa of the Aluhum had given them.

2 So he prevented them, and went into the cave and he took the two figs, and buried them outside the cave, so that Kadmon and Nekaybaw could not find them. He also had thoughts to destroy them.

3 But by Yahuwa of the Aluhum's mercy, as soon as those two figs were in the Earth, Yahuwa of the Aluhum defeated Nakhash's counsel regarding them; and made them into two fruit-trees, that overshadowed the cave. For Nakhash had buried them on the eastern side of it.

4 Then when the two trees were grown, and were covered with fruit, Nakhash grieved and mourned, and said, "better were it to have left those figs as they were; for now, behold, they have become 2 fruit-trees, whereof Kadmon will eat all the days of his life. Where I had in mind, when I buried them, to destroy them entirely, and to hide them for it's alright.

5 "But Yahuwa of the Aluhum has overturned my counsel; and he has made plain my intention, and he has defeated the counsel I had formed against his servants."

6 Then Nakhash went away ashamed, of not having wrought out his design.

7 But Kadmon and Nekaybaw, as they drew near to the cave, they saw 2 fig-trees, covered with fruits, and overshadowing the cave.

8 Then Kadmon said to Nekaybaw, "It seems to me that we have gone astray. When did these 2 trees grow here? It seems to me that the enemy wished to lead us astray. You said that there is another cave in the Earth than this"?

9 "Yet, O Nekaybaw, let us go into the cave, and find in it the 2 figs; for this is our cave, in which we were. But if we should not find the 2 figs in it, then it cannot be our cave."

10 They went then into the cave, and looked into the 4 corners of it, but found not the 2 figs.

11 And Kadmon wept and said to Nekaybaw, "Have we come to a wrong cave, then, O Nekaybaw? It seems to me these 2 fig-trees are the 2 figs that were in the cave." Nekaybaw said, "I, on my part, do not know."

12 Then Kadmon stood up and prayed and said, "O A'LYUN A'LYUN EL, hast thou taken them, and sown these two trees, or have we gone astray in the Earth; or has the enemy deceived us? If it be real, then, O A'LYUN A'LYUN EL reveal to us the secret of these 2 trees and of the 2 figs."

13 Then came the word of Yahuwa of the Aluhum to Kadmon, and said unto him, "O Kadmon, when I sent thee to fetch the figs, Nakhash went before you to the cave, thinking to destroy them; and not sowing them with good intent.

14 Not for his mere sake, then, have these trees grown up at once; but I had mercy on you and I commanded them to grow. And they grew to be 2 large trees, that you be overshadowed by their branches, and find rest; and that I make you see my power and my marvelous works."

15 "And, also, to show you Nakhash's meanness, and his disagreeable works, for ever since you came out of the garden, he has not ceased, no, not one day, from doing you some harm. But I have not given him power over you."

16 And Yahuwa of the Aluhum said, "henceforth, O Kadmon, rejoice on

account of the trees, you and Nekaybaw; and rest under them when you feel weary. But eat not of their fruit, nor come near them."

17 Then Kadmon wept, and said, "O A'LYUN A'LYUN EL will you kill us again, or will you drive us away from before your face, and cut our life from off the face of the planet Earth?

18 "O A'LYUN A'LYUN EL, I beseech thee, if you know that there be in these trees either death or some other evil, as at the first time, root them up from near our cave, and wither them; and leave us to die of the heat, of hunger of thirst.

19 "For we know thy marvelous works, O A'LYUN A'LYUN EL, that they are great, and that by your power you can bring one thing out of another, without one's wish. For your power can make rocks to become trees, and trees to become rocks, water to become wine, wine to become water, stone to be bread, bread to be stone.

Tablet Twenty Five
They Partake Of The First Earthly Food
(19 x 2=38)

Lo! Then Yahuwa of the Aluhum looked upon Kadmon and upon his strength of mind, upon his endurance of hunger and thirst, and of the heat.

2 He changed the 2 fig trees into 2 figs, as they were at first, and then said to Kadmon and Nekaybaw, "Each of you may take 1 fig." And they took them, as the Yahuwa of the Aluhum commanded them.

3 And he said to them, "Go ye into the cave, and eat the figs, and satisfy your hunger, lest ye die."

4 So as Yahuwa of the Aluhum commanded them, they went into the cave, about the time when the sun appeared to set.

5 Kadmon and Nekaybaw stood up and made tafulat at the time of the appearance of the setting of the sun.

6 Then they sat down to eat the figs; but they knew not how to eat them; for they were not accustomed to eat earthly food.

7 They feared also lest, if they ate, their stomach should be burdened and their flesh thickened, and their hearts take to liking earthly food.

8 But while they were thus seated, Yahuwa of the Aluhum out of pity for them, sent them his angel, lest they should perish of hunger and thirst.

9 The angelic being said unto Kadmon and Nekaybaw, "El Rabb, says to you that you have no strength to fast until death; eat, therefore, and strengthen your bodies;

10 For you are now animal flesh, that cannot subsist without food and drink."

11 Then Kadmon and Nekaybaw took the figs and they began to eat of them.

12 But Yahuwa of the Aluhum had put into them a mixture as of savory bread and blood.

13 Then the angelic being went from Kadmon and Nekaybaw, who ate of the figs until they had satisfied their hunger.

14 Then they put by what remained; but by the power of A'LYUN A'LYUN EL, the figs became full as before, because A'LYUN A'LYUN EL blessed them.

15 After this Kadmon and Nekaybaw arose, and prayed with a joyful heart and renewed strength, and praised and

Tablet 25:15

rejoiced abundantly the whole of that shadow hour. And this was the end of the 83rd day.

Kadmon And Nekaybaw Acquire Digestive Organs.

16 When it was day, they rose and prayed, after their custom, and then went out of the cave.

17 But as they felt great trouble from the food they had eaten and to which they were not used, they went about in the cave saying to each other:

18 "What has happened to us through eating, that this pain should have come upon us?

19 Woe be to us, we shall die! Better for us to have died than to have eaten; and to have kept our bodies pure, than to have defiled them with food."

20 Then Kadmon said to Nekaybaw, "This pain did not come to us in the garden, neither did we eat such bad food there.

21 Do you think, O Nekaybaw, that Yahuwa of the Aluhum's will plague us through the food that is in us, or that Yahuwa of the Aluhum Kalka'El means to kill us with this pain before he has fulfilled his promises to us?"

22 Then Kadmon besought the Yahuwa of the Aluhum Kalka'El and said,

23 "O Yahuwa of the Aluhum, smite us not; but deal with us according to your great mercy, and forsake us not until the day of the promise you have made us."

24 Then Yahuwa of the Aluhum looked upon them, and at once fitted them for eating food; as unto this day; so that they should not perish.

Tablet 25:35

25 Then Kadmon and Nekaybaw came back into the cave sorrowful and weeping because of the alteration in their nature, the removal of their Barathary Gland,

26 Which did maim them and altered their anatomy in so far as to make them desirers to eat foods that would in time kill them.

27 And they both knew from that hour that they were altered beings, that their hope of returning to the garden was now cut off; and that they could not enter it.

28 For that now their bodies had strange functions; and all flesh that requires food and drink for its existence, cannot be in the garden.

29 Then Kadmon said to Nekaybaw, "behold, our hope is now cut off; and so is our trust to enter the garden.

30 We no longer belong to the inhabitants of the garden; but henceforth we are earthly and of the dust, and of the inhabitants of the Earth.

31 We shall not return to the Garden, until the day in which Yahuwa of the Aluhum has promised to save us, and to bring us again into the Enclosed Garden, as he promised us."

32 Then they prayed to Yahuwa of the Aluhum that he would have mercy on them; after which, their mind was quieted,

33 Their hearts were broken, and their longing was cooled down; and they were like strangers on Earth.

34 That shadow hour Kadmon and Nekaybaw spent in the cave, where they slept heavily by reason of the food they had eaten,

35 And when daybreak had come Nekaybaw turned to Kadmon and

inquired do you feel the feeling that I feel,

36 Do you feel the loneliness that I feel for we have not seen the face, nor heard the voice of the Yahuwa, Aluhum that did speak to us.

37 Not one day before, not one week before, not one month before,

38 For we have indeed been cut off from his voice and from his presence until the day made known.

Tablet Twenty Six
Kadmon Does His First Day's Work
(19 x 2=38)

Lo! When it was daylight hours, the day after they had eaten food, Kadmon and Nekaybaw prayed in the cave, and Kadmon said unto Nekaybaw, we asked for food of the Anunnagi, and he gave it. But now let us also ask him to give us a drink of water."

2 Then they arose, and went to the bank of the stream of water, that was on the south border of the garden, in which they had before thrown themselves.

3 And they stood on the bank, and prayed to A'LYUN A'LYUN EL that he would command them to drink of the water.

4 Then the response of A'LYUN A'LYUN EL came to Kadmon, and he felt the response from within and it said unto him,

5 "O Kadmon, your body is become brutish, and requires water to drink. Take ye, and drink, you and Nekaybaw; give thanks and praise."

6 Kadmon and Nekaybaw then drew near, and drank of it, until their bodies felt refreshed.

7 After having drunk, they praised A'LYUN A'LYUN EL, and then returned to their cave, after their former custom. This happened at the end of 83 days.

8 Then on the 84th day, they took two figs and hung them in the cave, together with the leaves thereof, to be to them a sign and a blessing from Yahuwa of the Aluhum.

9 And they placed them there until there should arise a posterity to them, who should see the wonderful things Yahuwa of the Aluhum had done to them.

10 Then Kadmon and Nekaybaw again stood outside the cave, and besought Yahuwa of the Aluhum to show them some food wherewith to nourish their bodies.

11 Then the response of Yahuwa of the Aluhum was felt in his heart and it said in him,

12 "O Kadmon, go down to a land of dark soil, and there you shall find food."

13 Kadmon hearkened unto the word of Yahuwa of the Aluhum, and he took Nekaybaw, and he went down to a land of dark soil, and found down there, wheat growing, in the ear and ripe, and figs to eat; and Kadmon rejoiced over it knowing that his prayers were answered and that the Aluhum was near.

14 Then the word of Yahuwa of the Aluhum came again to Kadmon's heart, and said unto him, "Take of this wheat and make thee bread of it, to nourish your body." Yahuwa of the Aluhum gave Kadmon's heart wisdom, to work out the corn until it became bread.

15 Kadmon accomplished all that, until he grew very faint and weary. He then returned to the cave; rejoicing at what he had learned of what is done with

wheat, until it is made into bread for one's use.

16 But when Kadmon and Nekaybaw went down to the land of black mud,

17 And came near to the wheat the Anunnagi had showed them, and saw it ripe and ready for reaping, as they had no sickle to reap it with. They girted themselves, and began to pull up the wheat, until it was all done.

18 Then they made it into a heap; and, faint from heat and from thirst, they went under a shady tree, where the breeze fanned them to sleep.

19 But Nakhash saw what Kadmon and Nekaybaw had done. And he called his hosts, and said to them,

20 "Since Yahuwa of the Aluhum has shown to Kadmon and Nekaybaw all about this wheat, wherewith to strengthen their bodies,

21 And, lo, they came and have made a heap of it, and they are faint from the toil, and are now asleep,

22 Come, let us set fire to this heap of corn, and burn it,

23 And let us take that bottle of water that is by them, and empty it out, so that they may find nothing to drink,

24 And we kill them with hunger and thirst.

25 "Then, when they wake up from their sleep, and seek to return to the cave, we will come to them in the way, and will lead them astray, so that they die of hunger and thirst; when they may, perhaps, deny A'LYUN A'LYUN EL, and he destroy them. So we'll get rid of them."

26 Then Nakhash and his hosts threw fire upon the wheat and consumed it.

27 But from the heat of the flame Kadmon and Nekaybaw awoke from their sleep, and saw the wheat burning,

28 And the bucket of water by them, poured out. Then they wept and went back to the cave.

29 But as they were going up from below the mountain where they were,

30 Nakhash and his hosts met them in the form of Angelic Beings, praising A'LYUN A'LYUN EL.

31 Then Nakhash said to Kadmon, "O Kadmon, why are you so pained with hunger and thirst?

32 It seems to me that Nakhash has burnt up the wheat."

33 Kadmon said to him, "yes."

34 Again Nakhash said to Kadmon, "come back with us; we are Angelic beings of A'LYUN A'LYUN EL. A'LYUN A'LYUN EL sent us to you, to show you another field of corn, better than that;

35 And beyond it is a fountain of good water, and many trees, where you shall dwell near it, and work the corn-field, which will serve a better purpose than that which Nakhash has consumed."

36 Kadmon thought that he was true, and that they were ANUNNAGI who talked with him; and he went back with them.

37 Then Nakhash began to lead astray Kadmon and Nekaybaw 8 days,

38 Until they both fell down as if dead, from hunger, thirst, and faintness. Then he fled with his hosts, and left them.

Tablet Twenty Seven
Kadmon And Nekaybaw Establish The Custom Of Worship
(19 x 5 =95)

Lo! Then Yahuwa of the Aluhum looked upon Kadmon and Nekaybaw,

KOW TAFUGBUTESS

DISAGREEABLENESS

Tablet 27:1

and upon what had come upon them from Nakhash and how he had made them perish.

2 Yahuwa of the Aluhum, therefore, sent his word, and raised up Kadmon and Nekaybaw from their state of death.

3 Then, Kadmon, when he was raised, said, "O A'LYUN A'LYUN EL, you have burnt and taken from us the corn that you had given us, and you had emptied out the bucket of water.

4 You have sent your Anunnagi who have waylaid us from the corn-field.

5 Will you make us perish? If this be from you, O A'LYUN A'LYUN EL, then take away our souls; but punish us not."

6 Then Yahuwa of the Aluhum said to Kadmon, "I did not burn down the wheat, and I did not pour the water out of the bucket, and I did not send my Anunnagi to lead you astray. But it is Nakhash, your master who did it; it is he to whom you have subjected yourself;

7 My commandment being meanwhile set aside.

8 It was him, who burnt down the corn, and poured out the water, and who has led you astray; and all the promise he has made you, verily you are but a fool, deceitful, and a liar.

9 But now, O Kadmon, you shall acknowledge my good deeds done to you."

10 A'LYUN A'LYUN EL told his Anunnagi to take Kadmon and Nekaybaw, and to bear them up to the field of wheat, which they found as before, with the bucket full of water.

11 There they saw a tree, and found on it solid matter and was granted great amounts of Reishi Mushrooms that is

Tablet 2:78

Manna, and wondered at A'LYUN A'LYUN EL's power,

12 For this Reishi Mushroom is an herb that is taken for longevity to preserve youth and maintain health.

13 The Reishi mushroom was used as a medicinal plant, to prolong life, cure the ills of the body and confer immortality.

14 The Reishi is also called Chih, or Ch'i Chi, meaning "life energy tree fungus, and in Ashuric/Syriac Arabic it is called Futra."

15 The Reishi benefits symptoms of a knotted and tight chest.

16 It effects in a positive fashion the heart, and mends the chest.

17 It also increases intellectual capacity and banishes forgetfulness.

18 If eaten over a long period of time, agility of the body will not cease,

19 And the years are lengthened to those of the immortal.

20 It is also used for cardiac and neurological diseases.

21 The flavor is sweet and the overall effect is one of warmth.

22 This fungus is used to treat deafness.

23 It is also related to afflictions of the joints.

24 It strengthens the spirit and gives one a fine complexion with long term usage.

25 This fungus also has a positive effect upon the limberness of the body and the life-span is increased;

26 It affects a cure upon lack of stamina and work energy, as the ginseng root, which also heightens your sexual potency, purifies the blood and helps in every human ailment.

27 This mushroom was prescribed when the chest or the ribs have a bitter pain,

28 The hands and feet are adversely

Tablet 27:28

cold, or often the patient is in a fretful state of nerves. The mouth cannot operate properly for normal speech,

29 And the eyesight is obscured. The abdomen is always sore and painful.

30 The person becomes listless and hasn't any desire to eat or drink.

31 Reishi enhances protective mechanisms of the central nervous system,

32 And it improves heart related functions, functioning of the liver and protects it from chemical injury,

33 Alleviates radiation induced injuries,

34 And it inhibits oxygen deprivation induced injuries.

35 It augments the ability of immune cells to scavenge foreign cells.

36 Reishi inhibits allergic reactions, but be wise in its usage, investigate it properly, an excess of it is dangerous.

37 The Anunnagi also commanded them to eat of the Manna, the Reishi Mushroom when they were hungry to hunger their hunger while healing their bodies.

38 Yahuwa of the Aluhum adjured Nakhash with a curse, not to come again, and destroy the field of corn.

39 Then Kadmon and Nekaybaw took of the corn, and made of it an offering, and took it and offered it up on the mountain, the place where they had offered up their first offering.

40 And they offered this obligation again on the altar that they had built at first

41 And they stood up and prayed, and besought the Yahuwa of the Aluhum saying,

42 "Thus O Yahuwa of the Aluhum, when we were in the garden, did our praises go up to you, like this offering;

Tablet 27:56

and our innocence.

43 But now, O Yahuwa of the Aluhum, accept this offering from us, and turn us not back, of your mercy."

44 Then Yahuwa of the Aluhum said to Kadmon and Nekaybaw, "since you have offered it to me, I shall make it my flesh, when I come down upon Earth to save you;

45 And I shall cause it to be offered continually upon an alter, for forgiveness and for mercy, unto those who partake of it duly."

46 Yahuwa of the Aluhum sent a bright fire upon the offering of Kadmon and Nekaybaw, and filled it with brightness, grace, and light.

47 Then Yahuwa of the Aluhum commanded an angelic being to take fire-tongs, like a spoon,

48 And with it to take an offering and bring it to Kadmon and Nekaybaw.

49 And the Anunnagi did so, as Yahuwa of the Aluhum had commanded him, and offered it to them.

50 And the souls of Kadmon and Nekaybaw were brightened,

51 And their hearts were filled with joy and gladness and with the praises of Yahuwa of the Aluhum.

52 And Yahuwa of the Aluhum said to Kadmon,

53 "This shall be unto you a custom, to do so, when affliction and sorrow come upon you.

54 But your deliverance and your entrance into the garden, shall not be until the days are fulfilled, as agreed between you and me; were it not so.

55 I would, of my mercy and pity for you, bring you back to my garden,

56 And to my favour for the sake of the offering you have just made to my

name."

57 Kadmon rejoiced at these words which he heard from Yahuwa of the Aluhum;

58 And he and Nekaybaw worshipped before the altar, to which they bowed, and then went back to the cave of treasures.

59 This took place at the end of the 12fth day after the 80th day, from the time Kadmon and Nekaybaw came out of the garden.

60 And they stood up the whole shadow hour praying until daylight hours; and then went out of the cave.

61 Then Kadmon said to Nekaybaw, with joy of heart, because of the offering they had made to Yahuwa of the Aluhum, and that had been accepted of him,

62 "Let us do this 3 times every week, on the 4th day, which is called Wednesday,

63 On the preparation day Friday, and on the Sabbath Saturday, all the days of our life."

64 As they agreed to these words between themselves,

65 Yahuwa of the Aluhum was pleased with their thoughts, and with the resolution they had each taken with the other.

66 After this, came the word of Yahuwa of the Aluhum to Kadmon, and he said,

67 "O Kadmon, you have determined beforehand the days in which sufferings shall come upon me,

68 When I am made flesh; for they are the 4th Wednesday,

69 And the preparation day Friday.

70 But as to the 5th day, I created in it all things,

71 And I raised the heavens, and again, through my rising again on this day, will I create joy,

72 And raise them on high, who have faith in me; O Kadmon, offer this gift all the days of your life."

73 Then Yahuwa of the Aluhum withdrew his word from Kadmon.

74 But Kadmon continued to offer and pray this gift. Thus, every week 5-7 times each day,

75 And for their 30 days spent in the caves before the intake of earthly food,

76 They did fast for 30 days at the hottest point of the year.

77 On the first day, which is the 50th did they gather before the **Mazbuh**, altar.

78 And remember all if they had experienced and prostrate themselves to the ground in humiliation and seeking forgiveness,

79 Thus, became the customs of the seeds after them.

80 Kadmon made an offering in his heart to perform this prayer as he was accustomed,

81 And he and Nekaybaw came to the Mazbuh, the altar,

82 Before Yahuwa of the Aluhum, just as he had taught them.

83 And 5-7 times each day they prostrated together in meditation.

84 The very practice of this form of meditation made the powers of Nakhash weakened.

85 He gathered a host of his followers and said:

86 Behold there is nothing in all creation that I hate more than:

87 To hear the Humims call the name of A'LYUN A'LYUN EL.

88 And his followers asked:

89 Why is it twice A'LYUN A'LYUN EL?
90 And Nakhash replied:
91 His pride, his pride has got the best of him.
92 Kadmon overhearing this blasphemy yelled:
93 Pride is reserved for those who wish to be and are not.
94 But he who is who he is, is able.
95 Thus, we call The Most High a position you want. So we add another The Most High a position you still want, the highest, a position you cannot obtain.

Tablet Twenty Eight
Seth, Speak To Us Of What Your Father Passed On To You
(19x1 =19)

Lo! I am Seth, Son Of Kadmon and Nekaybaw.
2 This is what my father passed on to me, saying:
3 Son, sit and learn the truth of the Anunnagi–Sarufaat,
4 For they are your descendants.
5 When ANU, A'LYUN A'LYUN EL created the Anunnagi–Sarufaat for taking souls, he named Izraa'El, meaning *"ascend to El"*.
6 ANU, A'LYUN A'LYUN EL veiled him from creatures with one million veils.
7 Izraa'El's magnitude is greater than the galactic heavens and the planet Earth.
8 Had the waters of the seas and the river fell on his head,
9 Not a drop would have fallen on the planet Earth.
10 The east and the west of this world are like a table in his hand,
11 Upon which; everything has been placed.
12 And then it is set before a mortal that he might eat from it.
13 So he eats what he wants of it for that reason.
14 The Anunnagi of souls turns this world about as a mortal turns gold in his hand.
15 He holds 70,000 chains,
16 The length of each chain is 1000 years.
17 The other Anunnagi do not go near him,
18 Nor do they knoweth his place, or hear his voice,
19 For fear he might want them.

Tablet Twenty Nine
Speak To Us Of Death
(19 x 3=57)

Lo! Unlike his twin brother, Rapha'El has a trumpet sealed to his lips so that he cannot speak, with a watchful eye on the throne of ANU.
2 Waiting for the word to sound his trumpet, marking the end.
3 None of the Anunnagi perceive Izraa'El's state nor the length of his existence, save Miyka'El,
4 His only friend who sits and makes him laugh.
5 ANU, A'LYUN A'LYUN EL created death for mortals sins to end, and he gave rules of death to the Anunnagi of Death to have power over it.
6 The Anunnagi of Death first said unto ANU, A'LYUN A'LYUN EL:
7 O ANU, A'LYUN A'LYUN EL what is this thing death?

Tablet 29:8 **Tablet 29:48**

8 So ANU, A'LYUN A'LYUN EL commanded that the veils be lifted, so that the Anunnagi of Death might see it.

9 So ANU, A'LYUN A'LYUN EL said to the Anunnagi: stand and look at death, so all the Anunnagi stood together.

10 So ANU, A'LYUN A'LYUN EL ordered death to fly over them.

11 So it spread all its wings and opened all its eyes.

12 When it flew, the Anunnagi looked at it and fell down unconscious for 7000 years, one day of sun time.

13 When they all awakened, they said:

14 "Our sustainer, have you created anyone more powerful than this?"

15 ANU, A'LYUN A'LYUN EL said: "I have created it and I am more powerful than it, and every creature will taste of it, save one."

16 All the Anunnagi asked: "which one is this?"

17 His light has not yet been kindled in the planet Earth.

18 Then ANU, A'LYUN A'LYUN EL said: "O Izraa'El, take it! I have given you power over it."

19 He said: "my Creator, by what power shall I take it,

20 For it is more powerful than I"!

21 Then he took it and it grew still in his hand.

22 So death said:

23 O Sustainer, grant me permission to call out in the galactical heavens one time.

24 For as is the earthly, they are also earthly.

25 As if the heavenly, such are they also that are heavenly.

26 As we have born the image of the earthly, we shall also bear the image of the heavenly,

27 Behold I will show you a mystery, you shall not all sleep,

28 But you shall be transformed in an instant faster than the eye blinks.

29 When Rapha'El blast the trumpet, for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

30 For this corruptible must put on incorruption, and this mortal must put on immortality,

31 So when this corruptible shall put on incorruption, and this mortal shall have put on immortality then shall be brought to pass the saying that has been written.

32 Death is swallowed up in victory.

33 Oh death where is your sting?

34 Oh grave where is your victory?

35 The sting of death is sin, and the strength of sin is the law.

36 So also is the resurrection of the dead.

39 It is sown in corruption, it is raised in incorruption.

40 It is sown in dishonor, it is raised in glory.

41 It is sown in weakness, it is raised in power.

42 It is sown a natural body, it is raised a spiritually body.

43 There is a natural body and there is a spiritual body.

44 So he gave it permission.

45 So it cried out with the highest of voices:

46 I am death, my age is 120 years who parts every lover!

47 I am death who parts child and mother!

48 I am death who parts husband and wife!

49 I am death who parts brother and sister!

50 I am death who convinced the disagreeable to agree to the birth of Kadmon.

51 I am death who puts towns and villages to run!

52 I am death who fills the graves!

53 I am death who seeks you and overtakes you even if you are in a strong high mountain.

54 There is no creature exempt, that he may not taste me, save one!

55 Again the Anunnagi asked:

56 Who is he? Death said: Only ANU, A'LYUN A'LYUN EL knows his name and his place of birth, mother and father,

57 For if I knew, he too would taste of me.

Tablet Thirty
The Angel Of Death Izraa'El Also Known As Enqi
(19 x 3=57)

Lo! When death has come upon any of the concealers of truth and the hypocrites or the wretched ones, he comes down on him with the Angelic Beings of punishment beside him.

2 They are dark brown of face and blue-eyed.

3 Yet, the devil's Angelic Beings shall be pink of face and blue-eyed.

4 They have the garments of disagreeableness all about them.

5 Wherever they are, there will be sin and death and all kinds of disagreeable actions,

6 Yet, the disagreeable Angelic Beings will have the garment of punishment with them, for they sit far from the disagreeable ones, until the Anunnagi of Death comes.

7 When the Anunnagi of Death comes, he stands before them and fear comes upon them.

8 Then the spirit of the blue-eyed ones asks: who are you, and what do you want?

9 Death says: I am the Anunnagi who will cast you and your seed into the lake of fire.

10 They will say: we are not your followers, so you cannot do us no harm.

11 I am the Anunnagi of Death,

12 Izraa'El who will take you from this world and make you feel the pain of this world caused by you.

13 You shall be the widow, you shall be the orphan,

14 You shall be the blind from birth in a world of many colors.

15 Verily, those Anunnagi who are of the faithful, they are the aiders of ANU, A'LYUN A'LYUN EL.

16 Remember when the light fell from the cup and splashed upon the planet Earth;

17 The spark spoke and mentioned in the realm of the Anunnagi that the Anunnagi of Death has a seat in the 7th galactical heaven?

18 It is also said that it is in the 4th, when in truth he has a seat anywhere that life is.

19 He has 70,000 feet and 4000 wings of haste.

20 Every creature among mortals, birds and that which is in the possession of a spirit has a face, ears, eyes, and hands on his body.

21 The quantity is equal to the number of mortals,

22 So that the spirit is taken by that hand and he looks by the face which belongs to him.

23 For that reason, the spirit of creatures is taken in every place.

24 When someone dies in this world, his form goes from his body.

25 If he is of the original seed, his soul will be judged.

26 If he is of the blue-eyed non-original seed, he is already found guilty and he has no soul, only a spirit form of life.

27 Abiding eternally in it and a heavy burden will become evil to them on the day of resurrection.

28 On this day, the last day, Yawum El Akhur in which the trumpet will be blown by the Aluhum Rapha'El. We, Anunnagi, will gather the guilty blue-eyed.

29 They, the cursed blue-eyed, whisper between themselves.

30 You only stay no more than 10 minutes - out of one hour,

31 We, Aluhum Anunnagi are aware of that which they say when their most distinguished one in the way said if you remain except one day.

32 It is said that Izraa'El has 4 faces: one before him, one behind him, one to his right and the other to his left.

33 One can expect him, for he sees all.

34 No one can escape him, for his wings are many, and he moves swiftly.

35 He takes the souls of the agreeable seed;

36 He it is who takes the spirits of the disagreeable seed.

37 One of his 2 feet, which is in 70,000 places at once is on the bridge of hell, and the other is on the bridge of the galactical heaven.

38 It is said of his magnitude, that where the water of all the seas poured into his hand, not one drop would escape him.

39 There is a parable that goes this way:

40 One day in mid-daylight hour, a nobleman ran into Solomon's judgment hall,

41 His face pale. Solomon said to him, what has happened?

42 Izraa'El, said the man, has looked upon me angrily and balefully. Well, what is your wish? asked Solomon.

43 Declare it, the man said.

44 Command the wind, O Sustainer, protector, to transport me hence to India.

45 It may be that doing this, your slave will save his soul alive.

46 Solomon ordered the wind to bear him swiftly over the water to the depths of India.

47 The following day, when his court was in session, Solomon spoke to Izraa'El. Thus, did you look on the true believer so balefully as to drive him a wanderer far from home?

48 Izraa'El said, I looked on him with astonishment as I passed by, for Anu had commanded me saying, this very day seize his spirit in India.

49 I said to myself in wonder, even though he has 100 wings, for him to be in India this day is a far journey.

50 From whom shall we flee?

51 From ourselves?

52 Impossible?

53 From whom shall we snatch ourselves?

54 From Anu most glorified and exalted?

55 How impious!

Tablet 30:56

56 Yes, the inevitable end is the meeting with truth and the truth is with your Creator, Anu Most Glorified And Exalted.

57 Truth will last and false things shall perish and the false things are with the concealers of the truth, the mockers and the one who will not know, and yet did.

Tablet Thirty One
Seth Speaks The Facts
(19 x 1=19)

Lo! In the name of he who created all,

2 Speak thou the truth and the truth only, oh son of Kadmon.

3 By ANU, I, Seth son of Kadmon and Nekaybaw speak the truth.

4 My beloved mother Nekaybaw, trusted his oath,

5 So she plucked an ear of the Qaat Tree.

6 For before Kadmon's fall, Qaat grew upon the finest tree of paradise.

7 Its trunk was of the finest gold; its branches were of silver and its leaves of emerald.

8 From every branch, there sprung 7 ears of rubies of the mind.

9 Each ear contained 5 grains and every grain was as white as a pale sky.

10 Its taste was as the sweetest of honey,

11 Its fragrance was of the scent of musk.

12 My beloved mother Nekaybaw, mate to Kadmon;

13 Ate one of these grains,

14 And she was finding it more pleasant than all she had hitherto tasted, she tasted again.

Tablet 32:8

15 All this happened before she partook of the forbidden fruit.

16 It was the span of 80 years between each incident.

17 And when she had observed her own weakness,

18 She felt her face on the ground and pleaded never to let Kadmon knoweth of her gluttonness.

19 Thus, has been the way of women from that day, to eat in solitude.

Tablet Thirty Two
The Weakness Of The Human Beings
(19 x 1=19)

Lo! When the other creatures of paradise got word of the weakness of the human being,

2 They turned from them and besought Kalka'El, who is also called Rudwaan, to remove them from the hollowed spot.

3 The first thing Rudwaan commanded them was, that they may no longer lay in the garden with the Gazelle, dorsal animals.

4 And from that day on, Adamites sought to encage him.

5 And from that day on, all the animals of the garden could overstand the approach and voice of Adamites; but Adamites no longer overstood the approach or the voices of the animals.

6 Kadmon, son of Atum and Lillith, the stronger of the two and ruler of the Adamites, attempted to flee from the weaker of the 2,

7 Yet she, Nekaybaw followed him.

8 But she was held fast by the branches of the tree called Talh.

Tablet 32:9

9 And Nekaybaw was entangled in the self same bush while the voice behind the tree exclaimed:

10 From the wrath of the Anunnagi, there is no escape.

11 Submit to his divine decree, leave this abode; continued the voice in tones of wrath,

12 Both you and the creatures which have seduced you to transgression,

13 By the sweat of the brow alone shall you earn your bread.

14 The planet earth shall henceforth be your abode, and its possessions shall fill your heart with envy and malice.

15 Nekaybaw, shall be visited with all kinds of sickness and childbearing pain;

16 Hereupon, they were hurled down from Gan, The Enclosed Garden with such haste that Kadmon son of Atum,

17 Could scarcely snatch a leaf from one of the trees, wherewith to record this of himself.

18 He was flung out through the gate of repentance teaching him that he might return through submission.

19 Nekaybaw was cast out through the gate of mercy and the peacock, and the Nakhash, who is also called the whispering serpent through the gate of wrath.

Tablet Thirty Three
The Grief Of Kadmon
(19 x 1=19)

Lo! The soul of Kadmon son of Atum and Lillith, crashed down at the precise moment,

2 That the Anunnagi Izraa'El finished shaping the shell of his body.

3 At the junction of the 2 Niles was he bound.

Tablet 34:1

4 And Haylal, he fell in the island of the Caspian Sea.

5 And the peacock was in the jungles of Sawdeh, the outer fields of Sudan.

6 When Kadmon's body first touched part of the planet Earth,

7 Where he was to live, the eagle said to the whale:

8 With whom had he hither to life on friendly terms,

9 And has wasted away many hours in the pleasures of paradise?

10 We must now part forever.

11 For in that day the whale and the eagle lived together.

12 Now that the Najuh, "*successor*" of the first Kadmon, was on the planet Earth,

13 The whale must take to the deepest seas and the eagle to the highest skies.

14 From the cunning and malice nature of mortal beings.

15 Kadmon was so distressed in his solitude that the hairs of his face began to grow,

16 And his face began to smooth, and his new appearance increased his grief;

17 Until he heard a voice which said to him:

18 The beard is the ornament of Enosites upon the planet Earth, to distinguish him from the woman;

19 Thus, from that day on, Adamite's face would grow a beard, not to be shaved, and the woman would not.

Tablet Thirty Four
The Seed Of Haylal Has Been Found Guilty
(19 x 1=19)

Lo! Haylal who stays ever so near the

woman, could not eavesdrop, and he was angered by the pardon of the human pair,

2 Ventured also to call out for mitigation of his sentence, and to obtain its deferment until the day of resurrection,

3 For in repentance humankind is forgiven, but the seed of Haylal has been Found Guilty.

4 His reward is to have unlimited power over sinners who do not accept the word of A'LYUN A'LYUN EL.

5 What shall be my food?

6 His answer was: in ruins, in tombs,

7 And in all unclean places shunned by the seed of Nekaybaw,

8 In the stones of the idols and in the idols,

9 And in the hearts of the idolized, there shall you be found.

10 And what shall be my food?

11 Anything eaten of slain without the implication of the name of ANU.

12 And what shall be my pleasure? The smoke of burning Earth. And what shall quench my thirst?

13 The blood of the weak. And what shall occupy my leisure hours?

14 Listening to the egos of the poets, the dancing of the harlot and the music of the intoxicated.

15 What is my watchword? The curse of ANU until judgment day.

16 But how shall I contend with Adamite, to whom they have granted two Guardian Anunnagi?

17 O Haylal, thy progeny shall be as numerous as Adamites.

18 For every Adamite that is born, there shall come into the world seven disagreeable spirits or jinns and two disagreeable mortal one black and the other albino.

19 But they shall be powerless against the faithful.

Tablet Thirty Five
Anu Makes A Covenant With The Descendants Of Kadmon
(19 x 1 = 19)

Lo! the covenant which ANU made with the descendants of Kadmon took place when he touched Kadmon's back and lo!, the whole human family which shall be born till the end of time were issued from it.

2 As small as ants, they arranged themselves right to left and at the left was the head of the family; at the right side stood Kadmon.

3 With his right hand on the left shoulder of me, Seth and with his right hand on the shoulder of Enos, my son.

4 This continued on down to the whole of the seed of Kadmon.

5 ANU then acquainted the progenitor of Adamites with the names and destinies of each individual.

6 And when I sought the answers to all life, I was rejected, for this was to be recorded on the parchment which Nusqu and Miyka'El will witness.

7 I then cried to the assembled human family and confessed that we are wrong and wronged ANU; and that we shall be forgiven.

8 The hosts of the right hand made a confession immediately, but those of the left hand hesitated.

9 Some repenting, about one half, by the word of ANU and others remained entirely silent.

10 ANU made a covenant with the

disobedient and the impudent who shall suffer the pain of eternal fire.

11 These are they of the left hand.

12 But as for the faithful, they shall be blessed with paradise.

13 So be it! responded Kadmon.

14 Who shall be responsible for calling every Adamite by his own name on the day of resurrection;

15 And who shall pronounce his sentence according as the balance of justice shall decide?

16 When the covenant was concluded, ANU once more touched Kadmon's back and the whole of the human family returned to him.

17 When ANU was now about to withdraw his presence from the whole of this life on Kadmon, my father Kadmon uttered so loud a cry that the whole planet Earth shook to its foundation.

18 The all merciful, therefore, extended his clemency and said; follow yonder cloud, it shall lead thee to a place which lies directly under my heavenly throne. Traveling eastward from the junction of the 2 Niles, Kadmon arrived at the sacred spot.

19 He was further commanded to build me a temple named Ekur, titled after Enlil's temple on the mount of Ekur then and when thou walkest around it, I shall be as near to thee as the Anunnagi which encompass my throne.

Tablet Thirty Six
Kadmon's Journey
(19 x1=19)

Lo! Kadmon who still retained in his original statue made the journey in a short span of time.

2 And the cloud rained to mix with the tears of Kadmon's; in frustration, the place was called Bekka.

3 On the Mount Of Arafat, near the sight of Bekka; he found great joy. Nekaybaw his wife whence also to this mountain; thus, they were reunited,

4 They immediately began to build a temple with four gates,

5 And the first gate was called the Gate of Miyka'EL;

6 And the second gate was called the Gate of Gabriy'El;

7 And the third gate was called the Gate of Izraa'El;

8 And the fourth gate was called the Gate of Rapha'El.

9 For these four Anunnagi, of A'LYUN A'LYUN EL,

10 With the permission of A'LYUN A'LYUN EL personified and helped to lay each stone in its proper place.

11 And the Anunnagi Miyka'El brought forth the black dust that remained from the creation of the original Kadmon the first in Ganawah Saw-deh, the outer field.

12 And he placed the sacred treasure in the cubical shaped structure; thus, it became known as the Kaaba.

13 It sat at the sight of the forbidden tree in Gan, the Enclosed Garden located in what is called Saudia Arabia today, being a duplicate of the Enclosed Garden in Baali, where kadmon and Nekaybaw were placed. This Ka'aba was a temple built to the deity Al Uzza, who was actually Isis or Aset of Egypt.

14 And the Garubaat were charged as protectors,

15 To warn Kadmon, that he should not approach it.

16 But having neglected his trust, they

Tablet 36:16

were changed into jewels.

17 The eyes of a sapphire and the flesh, of a ruby;

18 Thus, is the curse of the neglectful Garubaat.

19 And on the Day of Judgment they shall be the fuel that kindles the fire of the pit.

Tablet Thirty Seven
The Transcripts Of Death
(19 x1=19)

Lo! And as for the knowledge of the end of times, when the transcripts of death and illness for the slaves come to the Anunnagi of Death he says:

2 My Sustainer, ANU when shall I take the souls of the slaves and in whatever form shall I lift them?

3 He who is the exalted said to the Anunnagi, this is the knowledge of it, except me, but I will inform you of the arrival of his time, and I will make signs for you that you will overstand.

4 The Anunnagi who is in charge of their breaths and deeds will come to you and say: the breath of so-and-so is finished.

5 The one who is in charge of his provisions and deeds will say: his provisions are finished and his deeds as well,

6 But if he is amongst the wretched, you will see around it a red line.

7 The knowledge of that is not completed for the Anunnagi until a leaf falls on him from the tree, which is below the throne;

8 And the name of the one who is about to die is written on the leaf.

9 At that very moment the Anunnagi will take his soul.

Tablet 37:19

10 For A'LYUN A'LYUN EL created a tree under the throne and on it are leaves, the same number as there are creatures.

ANU Speaks To Seth

11 ANU spoke to Sheth from the throne of Laahuwt saying:

12 These are my divisions in the cycle of my daughter, woman:

13 Two hundred years, 500 years, 300 years, 400 years, and 600 years, after which I shall send peace to her longing heart.

14 Seven successors shall you have, and their reign shall be according to the division I have made in days.

15 Forty years indulgence in a great light have I allotted to thee, my son, then shall the eyes be opened.

16 So you shall perfect all the orders of male living beings and female living beings in the lowest lower kingdoms of these my heavens.

17 Neither shall it be dark during the reign, and thy labor shall be productive of a great harvest for my Anunnagi which includes, Adamites and Anunnagi.

18 For which reason thy shalt prepare to reap in 6000 years, and again 1000 years.

19 And for the reaping, behold my daughter, woman, shall send to thee by the seas of spirit, deliverance for all thou mayest have prepared as brides and bridegrooms.

Tablet Thirty Eight
A New Law Is Given
(19 x 3=57)

Lo! And behold, I give a new law unto thee: which is, that you shall cause Adamites to deliver unto thee for thy kingdom all whom they have raised to grade 40, in advance of thy reasons, in divisions of time like unto thine.

2 And thy shall gather to thy capital thy men from all divisions of the planet Earth, once every 25 years which is one reaping:

3 And ye shall sit in council of divine for 7 days of 7000 years each, the true time set.

4 And ye shall constitute my holy 144 during its life-time.

5 And the divine shall maketh laws relating to the affairs of each of the heavenly places,

6 To maketh them harmonious, one with another, and these shall be called divine laws.

7 I, Sheth inquired concerning the light and darkness of the cycle of 6000 years.

8 ANU said:

9 The first division shall rate 4000, the second 2000, the third 6000,

10 The fourth 60, the fifth 1000; and the 6th is the end.

11 Seth inquired concerning the Anunnagi Haylal; ANU answered him saying:

12 Because he is not a teacher, he shall not be eligible to rank of divine.

13 But he shall have the benefits of all the degrees, and all the kingdoms of my other mortals.

14 For he is the Earth's Messiah of the Garubaat and a beneficence unto them.

The Assembly Of The Disagreeable ANUNNAGI

15 When the Garubaat disagreeable Anunnagi were assembled,

16 A'LYUN A'LYUN EL propounded the duties of all Anunnagi;

17 On which the members spoke at length, and then A'LYUN A'LYUN EL decreed:

18 First: Adonai, master Miyka'El not having, from this time forth forever, force to enforce;

19 Or permission to use violent force, neither by fire or water, save in hell or not.

20 Second: by Rapha'El: by the decree of A'LYUN A'LYUN EL, The Most High The Highest,

21 The Master Miyka'El is bound by the same rule as the human beings of the lowest heavens while on the planet Earth;

22 Whose walls are pillars of fire are abolished, except on special occasions:

23 Whose respective kingdoms are open and free for all spirits above the grade.

24 Third: The Master Miyka'El's time and Khalifah, shall be the same as the Garubaat, 6000 years.

25 The position of the Sarufaat of the master Miyka'El shall be according to the heavenly realms of Illyuwn,

26 And its kingdom in the skies, Kiymah, Pleaides, Kesiyl, Orion, and Aysh, Arcturus of A'LYUN A'LYUN EL as the Anunnagi in chief.

27 Fourth: the Sarufaat agreeable Anunnagi from the other Eloheems shall be distinguished from the Garubaat: a race of disagreeable Anunnagi,

28 Ifrit, a class of Jinn that are giants, very vicious, filled with hate and pride called Anakites, or Reptilians,

29 And Ghoul, the class of Jinn that

appear in different forms causing men to wander from their way,

30 And destroying them, by the name of Jinn but of a single one,

31 The name shall be Jann, vice-master, of the Jinn, known as Tarnush or Shakhar, a Cherub.

32 And their leaders shall be called Swami and Yogi.

33 Fifth: the labor of the agreeable Anunnagi shall be to prevent Haylal, himself, from returning to the planet Earth to dwell with Adamites;

34 And to capture the agreeable on Earth and carry them off the place, and there deliver them,

35 Forced by violence and without constant being abolished.

36 The disagreeable Anunnagi shall devise stratagems,

37 By games and tournaments or otherwise persuasively.

38 The sixth: the disagreeable Anunnagi shall not arrest peddlers,

39 Nor infants, nor the wards of Ifrit, nor spirits in Earth's battle fields:

40 For these labors belong to ANU Most Glorified And Exalted,

41 And his agreeable Anunnagi, the Sarufaat.

42 Seventh: where there are companies, millions of Jinns and other Anunnagi,

43 Not having a sufficient number of helpers,

44 ANU shall summon the nearest agreeable Anunnagi for help,

45 And it shall be given unto him.

46 Eighth: in no case shall it be the labor of mortal man to teach the captured Jinn,

47 Nor to house them, or to provide them with schools, nor nurseries,

48 For these labors are ANU's to whom the Anunnagi Miyka'El shall deliver them.

49 Ninth: to prevent the establishment of heavenly kingdoms by self-constituted Jinn and Jinns children in human bodies.

50 Otherwise, false deity and false kings,

51 El Rab, The Sustainer A'LYUN A'LYUN EL with all the Anunnagi,

52 And Anunnagi's children in human form of the lowest heavens:

53 And his voice shall be ruled and guided as to the manner of such labor.

54 Tenth: mortals shall have 124 messengers,

55 And he shall determine their stations and routes of travel.

56 This was the first section of divine law in the galactical heaven,

57 For the planet Earth.

Tablet Thirty Nine
Nusku Zodoq Speaks
(19 x 2=38)

Lo! In A'LYUN A'LYUN EL'S heavenly place, the agreeable Anunnagi Gabriy'El Zodoq said:

2 For my chosen of the planet Earth, Kadmon shall provide thou in Earth;

3 For they shall not tarry in the lowest heavens.

4 And for the infants of my chosen, who die in infancy, suffer them not to be engulfed in sin, but bring them also to the place of A'LYUN A'LYUN EL in Laahuwt.

5 The disagreeable Anunnagi then decreed:

6 Lines of road-ways from the planet Earth up to the kingdom of A'LYUN A'LYUN EL, for such transport, and

appoint officers and laborers to prevent the Rooakh or souls of ANU from falling into the hands of the disagreeable ones,

7 And to bring them into righteousness.

8 The disagreeable Anunnagi said:

9 On the third day after the death of a mortal, his soul shall be born to the home of A'LYUN A'LYUN EL; and it was so.

10 But as the demons, the disagreeable Anunnagi decreed:

11 The labor of El Rab, the sustainer of all the divisions of hell and of the planet Earth shall be with the undelivered sons and daughters of the planet Earth and her heavens.

12 This was the second section of the divine law.

13 From here rose the saying:

14 The faithful go to ANU, but Kaafiruwna, those who conceal what they knoweth to be true, go to Haylal, that cursed devil, son of Shakhar or Tarnush.

15 Those that live the higher law on the planet Earth shall escape hell,

16 And after some years, the divine law passed according to the saying,

17 He called it the third section of the law,

18 And it was promulgated throughout the celestial heavens and on the planet Earth.

19 Now it came to pass in the course of time that some of the Anunnagi, Jinn species that didn't belong to the ranks of the faithful;

20 Being from any of the tribes of A'LYUN A'LYUN EL's, chosen, the Sarufaat,

21 They became faithful in The All. And they personified, and that also they live by The All's highest illuminous being, the guidance from ANU.

22 This was the fulfillment of the divine law.

23 They joined the faithful,

24 And followed their rites and ceremonies.

25 ANU pronounced this divine law.

26 The question was asked: where shall the souls of such be delivered?

27 Behold! even on the planet Earth, they have delivered themselves away from disagreeableness.

28 Shall we now suffer them to fall into the kingdom of mixed company in hell?

29 The divine law decreed:

30 A separate kingdom shall be prepared for them that have faith in ANU who have lived isolated and they knoweth not the rites and ceremonies.

31 This was the fourth section of the divine law.

32 The fifth was liken unto it, but more explanatory, which was:

33 To have faith in ANU who is the essence, and ever present soul, and ruler of all the good making you, an Eloh.

34 But to have such faith, and yet not commit one's self to an association of brethren of like faith, prove such lack of discipline as required, beginning at the fifth grade on the planet Earth.

35 The sixth section of the divine law provided:

36 The name of the kingdom for them that profess their faith in ANU but are without practice,

37 They shall be called hypocrites;

38 And their place shall be in the first removal from The planet Earth.

The Overwhelming Event
(19 x 1=19)

Lo! Haven't the tales come to you about the overwhelming event?

2 Some faces on the day will be down cast, working and toiling,

3 They will be thrown into the scorching flames of fire. They will be made to drink only from a spring of hot boiling water.

4 There shall not be any food for them except a bitter thorny fruit. Which will neither fatten them, nor give them any relief from hunger.

5 Faces on that day shall be smooth. And they will be pleased with their works,

6 In an exalted garden, wherein they will hear no vain talk, therein is a spring flowing.

7 Therein are beds raised high, and cups are put there,

8 And cushions arranged in rows,

9 And carpets spread forth.

10 Do they not look at the clouds and ponder their creation?

11 And at the galactical heavens and how it is raised?

12 And the mountains and how they are erected?

13 And at the planet Earth, and how it is landscaped?

14 So remind them, because thou are a reminder.

15 You do not have any power to compel them.

16 But as for he who conceals what he knows to be true, and turns away from the faith,

17 He will be punished by ANU with a great pain.

18 Surely to us is their return.

19 Then surely the taking of their account is on us.

Tablet Forty One
And We Said Speak To Us Of The
Words That Procedeth From Anu
(19 x 1=19)

Lo! ANU spoke saying:

2 Because thou hath found the key, you shall maketh the holy law:

3 And you shall send your survivors down to the lower realms of hell and to the planet Earth also,

4 And they shall choose a heavenly place for your new kingdom.

5 And hither shall you go and create a plateau and a holy place, a capital; and provide a majestic throne for it.

6 And when thou hath completed your work,

7 You shall call to the throne a Khalifah, successor, who shall also receive their spirits,

8 And his kingdom shall be their kingdom till they are purged of their sins.

9 And Miyka'El spoke in the council relating what A'LYUN A'LYUN EL had said to him,

10 And the council then ratified the commandments of A'LYUN A'LYUN EL.

Nusqu The Selected ANUNNAGI Subservient

11 There was selected one Anunnagi subservient to A'LYUN A'LYUN EL with the title "Gabriy'El" signifying

Tablet 41:11

mediator and judge of grades. The mortal man who will give Adamite their scripture of Earth laws.

12 Miyka'El said: Gabriy'El shall have a badge and a pair of scales.

13 With mine own hands will I invent them. And accordingly, the place, the kingdom, the person and the badge of office were duly established by Miyka'El under the commandment of A'LYUN A'LYUN EL through his kingdom.

14 And the term of office was made to correspond with Miyka'El and his sustainer A'LYUN A'LYUN EL. Thus he was put upon the throne in the heavenly place.

15 Gabriy'El who had been an Anunnagi of 1000 years in the college, was most wise and full of divine love;

16 And he was industrious with all. Again A'LYUN A'LYUN EL spake to Miyka'El, saying: From this time forth my colleges shall be in the planet Earth. Thou will be called Murduk son of Enqi and Damkina.

17 From this time forth my schools and primaries shall be in the kingdom of Malakuwt where thou will be called Malachi-Zodoq.

18 The agreeable Anunnagi that were subservient to ANU afterward he made this another section of the divine law and called him EL or AL.

19 So A'LYUN A'LYUN EL and his heavenly hosts, Sarufaat, removed all the colleges and places of great learning to the planet Earth; but the schools and primary establishments of education were left in the dominions of their heavenly places.

Those Beings Who Preached The Glory Of A'lyun A'lyun El
(19 x 1=19)

Lo! Now during the dawn of the ruling Anunnagi also called Bashar or skin being,

2 That 4 Etherian soul being Anunnagi had sojourned on the planet Earth with four mortals namely:

3 Gabriy'El Zodoq, son of Rasi'El and Zamma'El, Miyka'El Zodoq, son of Enqi and Damkina, Rapha'El Zodoq son of Waqabi'El and Fiqra'El, Izraa'El Zodoq, son of **ANU** and Id,

4 These were the names of those of the Etherian species; and of the human or mortals, there were the following:

5 Kadmon Zodoq, Abel Zodoq, Seth Kohane, Enos Kohane,

6 El Shaadi, The Almighty, namely Tammuz, preached through these mortals explaining the glories of A'LYUN A'LYUN EL, and his kingdom:

These Are Those Who Were Chosen

7 And the agreeable Anunnagi inspired many followers unto them.

8 For 4 years these beings dwelt in the planet Earth, and then ascended the upper regions.

9 A'LYUN A'LYUN EL spoke to Malachi-Zodoq concerning the matter saying:

10 For 4 years I bestowed my illustrious light on the planet Earth,

KOW TAFUGBUTESS **DISAGREEABLENESS**

Tablet 42:11 **Tablet 43:24**

11 And then I departed; for it is well that Adamites and Anunnagi learn to be self raising.

12 For which reason I left you and 3 other Anunnagi from Malakuwt on the planet Earth in the holy place Gadush to rule 59,999 of my beings.

13 And to raise both Kadmon and Nekaybaw for the exact appointed time for each one and 21 for him and 18 for her,

14 With my four Humim or mortals whom I delivered Ptah and his mate Anath,

15 And Atum and his mate Lillith.

16 The first of the agreeable and the second two are of the disagreeable.

17 And I commanded these, my power to abide upon the planet Earth for 6000 years,

18 In order to indulge my chosen in a surety in my creations founded therein.

19 Provide thou unto them.

Tablet Forty Three
And The Divine Law Was Numbered
(19 x 2=38)

Lo! For my Anunnagi are Etherians,

2 And you shall have their places filled by atmospheres from the highest grades.

3 The disagreeable Anunnagi then made a section of the divine law,

4 Providing for the four who stood highest in the grades to take their places;

5 To dwell with the faithful in the name of A'LYUN A'LYUN EL,

6 According to the languages and the capabilities of the Humim or mortals to pronounce words.

7 The Garubaat then made another section of the divine law,

8 Which was the title to be given to the 4 Anunnagi,

9 Thus, provided to bestowed was the voice of A'LYUN A'LYUN EL on mortals and the title was:

10 Naasuwt, the physical abode

11 The high heaven going to Malakuwt, the ether abode.

12 The twentieth section of the divine law provided that each news bearer of ANU should have ten thousand attendants:

13 Anunnagi from above the 8th grade, from the colleges of the Anunnagi.

14 And the Anunnagi were to sojourn on the planet Earth,

15 With the newsbearers as inspiring spirits and protectors.

16 The 14th section of the divine law explained the duties of the newsbearers,

17 And their attendants,

18 The newsbearer should reside with the chief Rabbi;

19 Or Kohane Priest or Zodoq high priest,

20 And be his inspirer; being with him day and shadow hour,

21 And by virtue of his presence he'll maketh the chief Rabbi knoweth the voice of ANU.

22 And the attendants were to dwell with the multitudes in like manner, and for the same purpose.

23 The other attendants were to dwell with the multitudes in like manner, and for the same purpose.

24 Each newsbearer was to have a heavenly place in the mortal temple,

Tablet 43:25

25 Where he could meet his attendants in council in reference to the faithful and their affairs,

26 And keep in contact with those above.

27 The 15th section of the divine law made the newsbearers and their attendants,

28 Dwellers of the heavenly kingdom and foe to the Ifrit who dwelt with the mortals.

29 The 16th divine law provided for the newsbearers,

30 To increase the number of his attendants according to the law,

31 And increase the number of the faithful in each of the four divisions of the planet Earth.

32 Such then were the chief of the divine laws made in the galactical heavens,

33 In the cycle of the first of the 6000 years.

34 The first sun cycle and all the kingdoms of atmosphere were established and officed.

35 All the mortals in these heavens became organic as soon as they passed the age of light.

36 There was not any dissatisfaction amongst any of the colleges or places of healing;

37 And never, since the foundation of this world,

38 Had there been such prosperity in the resurrection of the inhabitants in the celestial heaven.

3 Mortals began to have esteem wisdom,

4 Truth, virtue and industry.

5 The inspiration of the Anunnagi set mortals to imitating the affairs of Malakuwt.

6 A'LYUN A'LYUN EL sent his Aluhum of great wisdom to dwell with mortals,

Malachi Zodoq Protects The Mortals
(19 x 1=19)

Lo! And Malachi Zodoq restrained Haylal and his Carubaat his 200 fallen Anunnagi of heaven,

2 From coming back to afflict mortals or lead them astray.

3 He, Malachi-Zodoq, guarded the planet Earth around all sides,

4 So that in Malakuwt the sultans and the heavenly hosts, in mirth, styled him El Yashua, the savior of mortals.

5 ANU rebuked them, saying to them: they that sow in mirth or in sorrow,

6 But even the mortals with their wisdom saw not what was in store for their Najuhaat, successors, Second, third, forth, fifth, sixth and seventh Kadmon on the planet Earth.

7 The newsbearers, the four Anunnagi of the Etherian species with their thousands of assistant Anunnagi,

8 Dwelt on the planet Earth with the faithful, whom they inspired in peace, rites, and ceremonies.

9 These celestrial beings inspired them in worship to ANU and prayer, psalms, and sacred dances. They dwelt with them day and shadow hours; they even talked to their spirits when they slept.

10 They led the mortals by inspiration to happy marriages,

11 That they might beget offspring according to the command of the voice of A'LYUN A'LYUN EL who says:

12 Kun, exist! and that which he commands comes into existence. And in each of the 3 locations, the faithful became as communities of brothers and sisters;

13 And there came to them people by the tens of thousands and joined them, living as the faithful Sarufaat in Malakuwt in peace.

14 They casted out their wealth into the hands of the Rabbis, for the benefit of the poor. But the faithful were mostly poor people who mainly inhabited many afar regions.

15 However, the ruler's people were rich and had large cities, an abundance of elephants, horsemen, camels, and cheetahs.

16 The faithful had little learning as to schools and instruments for measuring the stars, moon, and sun;

17 For their knowledge was from the Anunnagi. The knowledge of the faithful pertained mostly to perfecting the soul.

18 But the knowledge of the ruler's people pertained mostly to earthly matters, and to the gratification of self.

19 These were the people that had to re-learn the glories of A'LYUN A'LYUN EL, The Most High so that there would be a balancement throughout the planet Earth.

11 That they might beget offspring according to the command of the voice of A'LYUN A'LYUN EL who says:

12 Kun, exist! and that which he commands comes into existence. And in each of the 3 locations, the faithful became as communities of brothers and sisters;

13 And there came to them people by the tens of thousands and joined them, living as the faithful Sarufaat in Malakuwt in peace.

14 They casted out their wealth into the hands of the Rabbis, for the benefit of the poor. But the faithful were mostly poor people who mainly inhabited many afar regions.

15 However, the ruler's people were rich and had large cities, an abundance of elephants, horsemen, camels, and cheetahs.

16 The faithful had little learning as to schools and instruments for measuring the stars, moon, and sun;

17 For their knowledge was from the Anunnagi. The knowledge of the faithful pertained mostly to perfecting the soul.

18 But the knowledge of the ruler's people pertained mostly to earthly matters, and to the gratification of self.

Malachi Zodoq Protects The Mortals
(19 x 1=19)

Lo! And Malachi Zodoq restrained Haylal and his Carubaat his 200 fallen Anunnagi of heaven,

2 From coming back to afflict mortals or lead them astray.

3 He, Malachi-Zodoq, guarded the planet Earth around all sides,

4 So that in Malakuwt the sultans and the heavenly hosts, in mirth, styled him El Yashua, the savior of mortals.

5 ANU rebuked them, saying to them: they that sow in mirth or in sorrow,

6 But even the mortals with their wisdom saw not what was in store for their Najuhaat, successors, Second, third, forth, fifth, sixth and seventh Kadmon on the planet Earth.

7 The newsbearers, the four Anunnagi of the Etherian species with their thousands of assistant Anunnagi,

8 Dwelt on the planet Earth with the faithful, whom they inspired in peace, rites, and ceremonies.

9 These celestrial beings inspired them in worship to ANU and prayer, psalms, and sacred dances. They dwelt with them day and shadow hours; they even talked to their spirits when they slept.

10 They led the mortals by inspiration to happy marriages,

11 That they might beget offspring according to the command of the voice of A'LYUN A'LYUN EL who says:

Will, The Story Of Adafa,
Son Of Jared
(19 x 11=209)

Lo! Let us speak to you about the best of my students.

2 He was called Adafa, who is called in tones Akhnuwk or Enoch and in rhythm Idriys. He was the son of Silham and Jared, who was the son of Mahalaleel, who was the son of Cainan, who was the son of Enos, who was the son of Seth, who was the son of Kadmon, who was the son of Atum and Lillith.

3 He was faithful as the sea, and he was born of the Earth,

4 Yet, his soul lives in my house, the garden of Malakuwt.

5 He could call every star by its name and he knew every Anunnagi by their name, be they Sarufaat or Garubaat.

6 He was born in the land of Kadmon, near the two Niles, just beneath Havilah, and just above Cuwsh.

7 Adafa, son of Jared, begot Methuwshelah at 65 years of age.

8 He lived to witness 365 years.

9 Adafa's wife was named Taaliba.

10 Taaliba was the daughter of Jared's brother, Salhan.

11 Methuwshelah, at 187 years begot Lamech, who in tones is called Laamek, but in rhythm he's called Laamaak, who lived to be 182;

12 This Lamech is not be mistaken with the Lamech, father of Tubal Cain, who bore the seven curse.

13 He begot our son Utnafishtim who is called in tones Noakh and in rhythm Nuwh, from the times of the rain and flood. He was also known as Ziusudra Methuwshelah was mystified about his father, Adafa's death.

14 So when his time came, he refused to die,

15 Telling Izraa'El that he couldn't until, he knew what had happened to his father;

16 Only a newsbearer could tell him.

17 So at 969 years of Earth time, he waited for our servant Utnafishtim of the agreeable seed.

18 The newsbearer Utnafishtim, was born to Lamech, the son of Methuwshelah in 1056,

19 Three years, later the perfect and noble Adafa walked into the realm of A'LYUN A'LYUN EL.

20 Utnafishtim spent much of his youth up to age 13 with the venerated Methuwshelah,

21 Explaining Adafa's translation up through the seven heavens on to Malakuwt.

22 Dissecting his name in the original language, we learn about the character of this man.

23 Adafa, who was also called Enoch meaning "one who studies" and Idriys from darasa: "to study" and darasa "instruct, teach."

24 Hence, Adafa was a student of the Anunnagi or extraterrestrials,

25 He studied like an Anunnagi even though he was born in this planet Tiamat, Earth. It was indeed an extraterrestrial plan, or simply Plan-E.T.

Tablet 1:26 **Tablet 1:50**

26 He was known as "the Master of Wisdom" because he studied all the tablets and collected all of the writings, onto pages of Kadmon and records of the things that went before him from the tablets to scrolls.

27 His mission was to convert and turn the people of Cain, living in the land of Enoch, the disagreeable seed, back to a peaceful way of life, now called Al Islam, those from the seed of Kadmon.

28 The people of Cain spent most of their time sinning, and suppressing the truth. They traveled from the city of Nod, to the city of Enoch, being of the disagreeable seed, singing and dancing.

29 A'LYUN A'LYUN EL had made them migrate to the very powerful city called "Nod," then many other names. It was the home of the 200 Garubaat who fell to Earth headed by Haylal son of Shakhar, who had one third cast out of Malakuwt.

30 Adafa was the first to fight in defense of A'LYUN A'LYUN EL.

31 The first to write with a pen on scroll from the Enuma Elish,

32 And the first to sew.

33 As a mortal, he devoted his whole life to obtaining paradise.

34 But he did not rush toward death because he devoted his whole life to doing good in the Earth.

35 So, by leave of A'LYUN A'LYUN EL, and the 24 Elders: Akatri'El, Anafi'El, Azabug'El, Baaruji'El, Kimu'El, Khayyi'El, Galgali'El, Hani'El, Yufi'El, Yuhu'El, Matatrun, Ragu'El, Qaddisin, Raduari'El, Razi'El, Rikbi'El, Mahayyi, Shamu'El, Yaanan, Suri'El, Yafafiah, Zagzag'El and Sandalfun, once appeared to Adafa in the form of a very beautiful virgin, as a test to see if he could pass what no mortal has been worthy to pass before.

Adafa's Test

36 So come with me, said the disguised Anunnagi,

37 And you shall do any acceptable work of A'LYUN A'LYUN EL.

38 For my younger sister has been carried off by the un-righteous descendants of Cain, the disagreeable seed, who lived in a city named after Enoch, son of Cain, trying to mock the master teacher,

39 Who has confined her in the furthest regions of the west by the agreeable of your sword.

40 I humbly implore you to help me to deliver her.

41 So Adafa of the agreeable seed, put on his sword and took a bow, and with a wedged walking stick, he followed her from daylight hour, to shadow hour, through the desert and desolate areas.

42 Saying not a word, he looked not upon her with a seductive eye.

43 At shadow time, he erected a tent and he laid on the stone ground at its entrance.

44 She offered to share her tent with him, and he replied:

45 "If you have something to eat give it to me."

46 She pointed to a sheep which was roaming through the desert without a keeper, and he said:

47 "I prefer hunger, than theft.

48 This sheep belongs to someone else."

49 The next day he approached and continued in his journey.

50 Adafa followed the virgin and he

uttered a word, and he complained about nothing.

51 As the dusk period approached, and he was nearly overpowered with hunger and thirst, they found a bottle of water on the ground.

52 The virgin took it up and opened it. She beseeched Adafa to drink from it, but he refused saying:

53 Some luckless person has lost it and they will return to seek it.

54 So during the shadow hour, Adafa had eluded all the wiles of the virgin who had endeavored to draw him near her, while she insulated the tent from the severity of the climate.

55 So A'LYUN A'LYUN EL, caused a spring to gush forth at his feet.

56 And a date tree to raise up with choice fruit.

57 So, Adafa, invited the virgin whose name was Baruwi'El to eat and drink.

58 And Adafa went and concealed himself, and hid behind a tree awaiting her to return to the tent.

59 After a long interval of time she didn't come back.

60 He then stepped into her door and said:

61 "Who are you,

62 Singularly maiden,

63 Who are you?

64 These 2 days you have been without nourishment, and are you even now willing to break your fast?

65 For A'LYUN A'LYUN EL has miraculously supplied us with food and drink.

66 Yet, you are still fresh, and blooming a dewy rose in spring;

67 Your form is full and rounded like the moon in the 19th shadow hour, despite our abstinence."

68 The Elder Matatrun answered:

69 I am the aider of the Anunnagi of Death, sent by A'LYUN A'LYUN EL to test you,

70 But you have conquered.

71 So, ask now, and he will assuredly fulfill your greatest wishes.

72 Adafa replied:

73 If you are the aid of the Anunnagi of Death take my soul.

74 "Death is bitter," she replied;

75 "Do you desire to die?"

76 Adafa then answered:

77 "I will pray to A'LYUN A'LYUN EL to translate me once more so that after the terror of the grave, I may serve him with great zeal."

78 Matatrun returned to himself and said:

79 "Will you then die twice, for your time has not yet come, but pray now to A'LYUN A'LYUN EL, and I shall execute his will."

80 Our servant Adafa beseeched his Rab, Sustainer: permit Matatrun to overcome me so that I may taste the sweetness of death,

81 Then recall me soon to life.

82 For you are truly El Shaadi, The Almighty and El Rahiym, The Merciful.

83 So Matatrun was ordained to take the Rooakh, soul of our servant Adafa, and at that exact moment to restore it to him.

84 Adafa wanted to see Malakuwt of the heavens, so after attaining divine permission, so the journey was on its way, leaving the physical plane, entering the plane of force, and Matatrun took a handful of pollen and threw it in his face, irritating Adafa's respiratory system.

85 Thus, the pollen caused Adafa to

sneeze in the plane of force above the physical plane.

86 Thereby exhaling his very soul. At this moment, the Anunnagi captured the soul of Adafa.

87 The Anunnagi took Adafa's soul on a journey through the 7 heavens, after showing him the above, he then returned with him to the 4th heaven, called Malakuwt.

88 And later when Adafa's soul was ready to return to his body, the Anunnagi said: "Inhale"!

89 And Adafa inhaled his spirit, making his body and spirit once again, and Adafa exclaimed: "it was great."

90 Ever since this sacred occasion took place, many people of our seed so have suffered from pollen.

91 As the spirit embraces his flesh,

92 He requested that the Anunnagi show him hell so that he might be a warner unto mortals about the spiritual realm, that is below the earthly realm.

93 For he would be able to tell the sinners of the terrors, that would surely overtake them if they continued to embrace wickedness and to rebuff righteousness.

94 The Elder Matatrun led him to Maleek, the keeper of hell or the key to the pit. He seized him and was in the act of flinging him into the vase, when Murduk head of all the Anunnagi, from Malakuwt exclaimed: "Maleek! Beware, harm not this newsbearer Adafa, but show him the terror of your kingdom, hell."

95 He then placed him on a wall, which separated hell from the abode of those deeds, which merit neither hell nor heaven.

The State Of Bayna

96 These are the people who are caught in between, in what we call the state of limbo. These are disembodied spirits, which houses the souls. When a person dies and his soul has not reached total perfection, or total imperfection, he is caught between transitions, it's called the transitional state. They are trapped on the earthly realm as lost spirits running from the 10 unholy spirits: Thamui'Al, Khayjidi'Al, Sathari'Al, Khuth, Uzzi'Al, Tujarini, Harab, Thiyun'Il, Jamali'Al, Lilith, who seek to torment them day and shadow hour.

97 So he was about to see all the variety of scorpions, locust, reptiles, the vast flames of fire, the boiling oils, the prickled fruit, the rivers of blood, the red hot chains, the torturous pits and so many others torment prepared for the torture of the sinners. When he pleaded with Maleek, to spare him the agonies of hell, so he was once again consigned to Matatrun.

The 200 Fallen Anunnagi

98 Our servant Adafa was sent as a prophet of the Aluhum to the children of Cain, who had succumbed to the temptations of the two hundred fallen Anunnagi:

99 Abbaduna, Amizyarak, Animaal, Araqial, Abalish, Astarti, Agaris, Azaradil, Asail, Asturith, Asmuday, Asmudius, Atarculph, Azzail, Auza, Artaqiyfa, Armin, Astaruth, Asbial, Armirs, Aruk, Azza, Abiku, Asmudius, Abitu, Ananil, Adramilik, Alakhzanda, Amiziras, Armarus, Amy, Arakial, Aburus, Arazial, Arakiba, Amizu,

100 Those of the land of Enoch and those of Nod from the 200 Garubaat.

101 Invested with the robe of prophecy, he was given the power of working miracles and so as to bring them back to the right path.

102 But none followed him.

103 In spite of the guidance which was sent to the descendants of Cain, a section of the community of Kadmon's nation, they continued to walk in the path of wickedness because of the hardness of their hearts.

104 So the exhortations of Adafa, of the agreeable seed had no affect on them.

105 ANU is El Rahmun, The Yielder, and El Rahum The Most Merciful.

106 The Yielder, The Merciful. He is constantly sending guides and warners to lead mortals to the truth and the path of righteousness.

The Warner For The Children Of Cain

107 Adafa was appointed warner for the children of Cain, who lived in the land called Enoch, named after Enoch of the disagreeable seed.

108 This is narrated in the 30 Tablets of Adafa, where in he taught them 72 different principles.

109 Our servant Adafa was successful in laying the foundation for 100 towns, and establishing divine precepts in countries suitable for all as well as for those who were native to the land.

110 He appointed 4 Anunnagi men to be his helpers, they were 4 sons of the 23 elders: Ayallanus, Laus, Asqalnus, and Amun.

111 Unfortunately, as time passed, people began to worship these wise men as deities.

112 These elders possessed an abundance

of universal knowledge, which was bestowed upon them by A'LYUN A'LYUN EL, being once Etherian incarnated in the flesh. These Aluhum returned to their etheric state.

113 By traveling with this knowledge throughout the cosmos, they helped to maintain the universe's rhythmical harmony.

114 Our servant Adafa invited people to the true faith, which is the oneness of Anu. He also urged mortals to deal justly, and to leave the abode of superstitions and falsehoods, for these things will surely lead mortals away from salvation.

115 Our servant Adafa ordered prayer and fasting at certain periods and similarly, he was given the power to wage war against anybody who tried to destroy the peaceful way of life, now called Al Islam, not to be mistaken with the Muhammadan cult today of these days and times, broken up into many denominations and sects under the guidance of the disagreeable ones..

116 He zealously fought against the children of Enoch's nation, from the land of Nod, and Enoch's the disagreeable seed, and descendants of Kadmon;

117 Because after the violation in Gan, The Enclosed Garden in Eden, Delight, on the Earth realm, many of them strayed and indulged in all forms of intoxicants, claiming that these intoxicants were lawful because the Earth yielded them to Enosites. Such is the case with the smokers of hashish, cannabis sativa, the cocoa plant, or the twenty and sixth family of the papaveraceae.

118 But what of those plants that are harmful to Enosites, poisonous; would a fool partake of them, as well? Adafa asked. The answer is yes, the fools amongst the mortals will seek all forms of mental experiences desiring to evade the mortal daily responsibilities and even call it religious ritual. Such are fools, and fools do what fools do.

Adafa, Servant Of El

119 The people were instructed by our servant Adafa, on how to set up sacrificial offerings, and on how to sight the new moon. Because he was so intune with the other worlds,

120 He was constantly teaching about the relationship of Enosites to the universe, for he was our first astronomer, who was teaching the ancient sciences of ancient biology, that was accepted in those days and on up until the universe changes.

121 Writing and tailoring were also first introduced into the society by our servant Adafa.

122 Always remembering the beauty and power of A'LYUN A'LYUN EL, he worshipped his creator 12,000 times a day.

123 He was always in tune with the celestial bodies, and he constantly talked with the Anunnagi, extraterrestrials.

124 As I, Adafa revolved around the skies, I restrained Saturn for 30 days and I became acquainted with the truth and the necessities of the upper realm.

125 I have ascertained the secrets of the invisible world. Adafa was on the mothership, one of the many motherships that visited the Earth's realm from time to time with the masters or extraterrestrials.

126 Blessed with the ability to prophesy, Adafa informed the people of the number of newsbearers who would be born and sent into the world.

127 He also taught them about the coming of Utnafishtim and the flood.

128 Adafa was in tune with the celestial beings that originally erected the pyramids. They are visitors from other galaxies.

129 One of the great pyramids was built to preserve all of his friend's texts during the period of the flood.

130 As previously stated, Adafa was born in the lower part of Tame-Ra also called Kemet, or Egypt, in Havilah, Nubia and he traveled throughout the world.

131 When he returned, The Most High exalted him to an elevated station.

132 In the 30 pages of the "Scroll Of Life" in The **Sahufaat shil Kadmon,** *"pages of Adam"*, it states that it was preordained that he would be granted life in paradise.

The Sixth Realm

133 But once while visiting the tranquil and resplendent 6th heaven, a realm set aside for those who have never defected in the way of A'LYUN A'LYUN EL or slipped from grace, the agreeable Anunnagi Sarufaat and disagreeable Anunnagi Garubaat, who also occupied this esteem plane, questioned him as to why he was dwelling on this heaven which was designed for the elite.

134 The Anunnagi of the disagreeable Anunnagi Garubaat, were unyielding with their cynical questions for they assumed Adafa to be Kadmon who was beguiled by the treacherous Haylal, and consequently, fell from his exalted position.

135 After undergoing the anguish that was delivered by the unknowing Anunnagi, Adafa's heart swelled and he began to weep.

136 Murduk, the "Leader" of the Anunnagi descended from the 7th heaven, which was before the 7 veils before A'LYUN A'LYUN EL and instructed the Anunnagi concerning the plight of mortals on the planet Earth.

137 And by leave, he directed three Garubaat of the Anunnagi: Aza, Azaya and Azayil to descend the Earth; so that they could witness the tribulations suffered by mortals.

138 After a short period of enduring the temptations that were allotted to Kadmon's progeny, one Anunnagi by the name of Azayil, begged to return.

139 Upon ascending the heavens, the Anunnagi was commanded to apologize to the noble newsbearer Adafa for prejudging his nature,

140 And he was enjoined to say: "Aneya Jed Basuf, I am very sorry." Because this event marked the first time one being had to apologize to another, these words echoed throughout the heavens. It was foretold that all apologies between man and man would come with grave difficulty, and seldom without the word but, which is a subtle retraction.

141 Our servant Adafa yearned to meet the Aum-nipotent nourisher.

142 He often meditated on death, the walking on the straight and narrow path, and the length of time he would have to remain underground awaiting his resurrection.

143 So Adafa eventually requested

permission to enter paradise without intervention. So he aspired that his rawuh, "soul" should leave him before the great deluge.

144 Each day he became more devout in **Tafulat,** "prayer" and his good deeds exceed the merits of all the people of the world who qualified to ascend to the heavens like the Anunnagi.

Izraa'El Learns About Adafa

145 When the Anunnagi Izraa'El, son of ANU and Iyd, became aware of this servant's nature, a desire rose in him to become associated with Adafa, so he sent his aid Matatrun.

146 He obtained the permission from A'LYUN A'LYUN EL to descend to the planet Earth in the form of a beautiful woman. Adafa became his most intimate friend and aid.

147 But as the Anunnagi refrained from eating and drinking, our servant Adafa began to perceive that he was not from the Humim species of the Realm of Naasuwt.

148 This is when the Anunnagi revealed himself by saying: "I am the aid to the Anunnagi of Death;" whereupon Adafa inquired if he had come to take his spirit.

149 He said: I have come to visit you, being we are ever so proud of you and your disciple Shaikh, and to who we give you the greeting of the Anunnagi: peace be upon you.

150 Adafa asked if he could see what death is, and the Anunnagi of Death having the power by leave of El, took possession of his soul.

151 By standing in front of him and breathing out of his nostrils, he removed his soul out of his nostrils, the same way it was placed in his nostrils.

152 Sneezing is the violent discharge of air through the nose and mouth. It is described as an upper respiratory tract cough. A large amount of air is inhaled, two liters.

153 The glottis, space between the vocal cords closes off and the body tries to force air through it. Intrapulmonary pressure, which is pressure within the lungs increases to as much as 100. The pressure in the chest cavity is increased and, as a result, the membranous back wall of the trachea, wind pipe collapses when the glottis is suddenly opened. The difference between atmospheric and intrapulmonary pressure drives air through the passageways because the trachea has been narrowed by the collapse of the membranous back wall. The velocity of the air though is great.

Adafa Sees Sheol

154 Then Izraa'El translated Adafa's body. Adafa requested that he show him Sheol, also known as Sijjiyn and Kurnugi, meaning *"the land of no return"*, which is known to you as hell, from the German goddess Hel, goddess of the furthest section of niflheim, a northern land of ice, mist and darkness. The entrance of Hel's area is guarded by a dog of the most foul and uncouth behavior named Garm. And after this, Adafa entreated him, manifest before his eyes the wonders of paradise, from the Middle English *paradis*, from Old French, from Late Latin *paradīsus*, from Greek *paradeisos*, garden, enclosed park, paradise, from Avestan *pairi-daêza-*, enclosure, park: *pairi-*, around + *daêza-*,

wall.

155 And by the command of the glorious Creator, ANU, of the universe and of the heavens, Enlil and of the hell/earth, Enqi, ruler of the lower world. Adafa he was seated on the wings and was transformed from body to soul.

156 On the wings in a ship of the Anunnagi of Death, so that he could arrive at the heavens and lastly paradise, where he spent an hour contemplating the rivers, the fruits, the pubescent maidens, and the blessed abode paradise speaking with Hahtiin, the extraterrestrial record keeper of Illyuwn.

157 After some time, the Anunnagi wished that our servant Adafa would return from the garden; but Adafa being aware of the state of the world sat under a tree of life and refused to reply.

158 While seeking refuge under this tall tree, he resisted all the questions of this guide saying: unless the Creator of paradise removes me, I shall not leave this place.

159 I shall not come out from here until the Aum-nipotent, Glorious Creator of the Universe orders me to do so.

160 The Anunnagi yelled so loud, that all the hundreds of thousands of Anunnagi called out all the names of all the people that were born.

161 As they called out, each leaf of this tall lit up tree, which bares the name, the green tree or what is known to some as the lote tree, or *"tree of certainty"*, and the strong wings of their voices blew many leaves to the ground of all that were to die in the great floods.

161 This is the same tree of the 100 bows in the midst of the moon circles.

162 Meanwhile El Shaadi, The Almighty sent Murduk to speak between both of them. Adafa asked about death, and the Anunnagi replied: "Every individual shall experience death."

163 Adafa continued: "I have eaten of the poisons of life, and accordingly none of you will partake of it."

164 I descended to hell and according to the command of A'LYUN A'LYUN EL, The Most High The Highest, and I witnessed the concern of The Inhabitants Of Paradise.

165 Then the divine injunction arrived, and by my permission he entered, and by my permission he acted.

166 Leave him! For the right is on his side, our servant Adafa was raised to a higher place.

167 So he was taken into paradise where he worshipped A'LYUN A'LYUN EL, in the sixth heaven with the Anunnagi. And they all continued to do what A'LYUN A'LYUN EL commanded them to do until predestination overtook him.

168 So he entered into heaven with the aid of Matatrun in a ship called Sham and he questioned El Rab, the Sustainer, and El Rab, the Sustainer answered:

169 Our servant Adafa was immediately separated from his body and was conveyed to the heavenly temple and he was appointed to worship A'LYUN A'LYUN EL in the company of the Anunnagi.

170 Originally, time was measured by the moon and there were 354 days in the Earth year.

171 Our servant Adafa was sent to prophesy for 57 years after the ascension of Kadmon to a higher life.

172 He received 30 pages and all the doctrine exactly with the teachings of what Kadmon received.

173 He had knowledge of the secrets of the heavens and the realm of the spiritual, and how to travel from galaxy to galaxy.

174 He was called by many "The Father of Spiritual Teachings" or "Sufi, Essene, Magus, Freemason today."

175 He was well learned in the sciences of the arts, human nature, the existence of the interterrestrial and outer celestial beings, and the rotational formation of the planets.

176 The physical appearance of this great prophet was very unique, picture in your mind a tall, slender, very dark brown complexioned man with a thick mustache and a beard, high cheek bones and a strong muscular bone structure with a thin layer of skin to clothe it.

177 He spoke very slowly but his words meant so much.

178 He was always silent and had his eyes raised towards the heavens, except when walking, then his eyes cast downward.

179 He always looked like he was meditating on something and when he spoke, he moved his pinky finger.

180 Being once asked, how a good opinion may be acquired, he replied:

181 By dealing honestly and civilized with everybody.

182 He also asked what are the greatest blessings three in number?

183 Meekness in the time of anger,

184 Liberality in the time of death,

185 And compassion when in the position of power.

186 He also said:

187 He is wise who despises not three classes of men:

188 His father, the scholar, and a friend, that is our son, Adafa, he is of the truthful. And as for Haylal and his 200 sons or Garubaat,

189 The breach took place prior to the flood of Utnafishtim, Noah.

190 And they manifested in the physical form that their incurable disease would be apparent to you.

191 For now you See Him, As Well As Feel Him, As He Lives In Your Midst.

192 For on the Day of Standing, you'll have no excuse for loving him and his.

193 And we too came down and placed our seed in the daughters of mortals,

194 That we may establish a kingdom on Earth as it is in heaven, 23 Sarufaat first.

195 His dangerous nature makes it imperative that we arrive at an in-depth overstanding concerning the ancestry of people.

196 For we must recognize the specific realm of activity assigned to each being, the leper and our children of many hues and colors.

197 Many are deceived into thinking that this includes the devil's children,

198 And it means that we fashioned you on Earth in the likeness of the most precious garden with all sorts of beautiful flowers.

199 At the end of the strain is the leper and grafted germ.

200 He is a deceiver who calls himself good, but he is not,

201 For he is a temple in which his father Haylal dwells.

202 He will come out in the fourth son of Utnafishtim's second son Ham,

203 His seed will be known by their lack of color and their leprous

disease,

204 Cursed from the very day they are born, until judgment day.

205 Don't mix your seed with Cain's children, the black devils,

206 Nor the sons and daughters of the 200 Garubaat; the pale devils.

207 Nor the children of the graftation, the Hulub.

208 Not even the cursed seed of Canaan, who manifested in Utnafishtim's time who is called Noah.

209 And Noah begot Shem, Ham and Japheth.

19 And the head of his rulership was that part of the planet Earth of Babel, *"confusion"* and a place called Erech, *"lengthening"* and another called Accad, *"strengthening"* and another called Calneh, *"fortress of ANU"*.

20 All in the planes of Shinar, *"watch of him that sleep"*, through which the Tigris and Euphrates river flows, where

30 And together he, Salha and his other wives, Shingarah, Hildar, and Hitara, bore 11 disagreeable sons.

31 The first being born Sidon meaning "fortified," and Heth meaning "terrible," son of Shingarah and Canaan,

35 And of his fourth wife Hitarah a Halaabean Flugelrod bore,

36 Amor meaning "mountain dweller," and Hiwiy, meaning "tent dwellers," and Zemar meaning "counsel."

37 And their borders extended from Sidon to Gerar to Gaza to Sodom to Gomorrah, those ruled by material things.

38 And Admah, the dumb ones, and Zeboim, the warriors,

39 And Lasha, the anointed, these are all the children of Ham after their clan and families.

40 After their tongues of Phoenician and their part of the planet Earth and these are your gentile nations.

41 The children of Shem and his confidante, wife Faatin were:

gave birth to Eber.
52 And to Eber and his confidante, wife named Hudith, not to be mistaken as his mother, were two children sons:
53 The name of the one was Peleg; for in his days was the Earth divided.
54 And he had a confidante, wife named Aliyyat,
55 And his brother's name was Joqtan.

65 And Havilah had a confidante name Sabah, and Jobab had a confidante, wife named Salinah.
66 All these were the children of Joqtan.
67 And their dwelling was from Mesha, as you go toward Sephar the mountain of the east.
68 These beings are the children of Shem, after their clans and families, after their tongues, in their gentile nation.
69 And Shem was exalted as a deity over the Ashkenazim, cave dwellers, who worshipped him as Hashem calling him also Adonai,
70 For it was recorded that Utnafishtim, who is called Noah, son of Lamech, said to Ham "the curse will be upon your son Canaan, the albino.
71 A slave of slaves he will be to his brothers, the Shemites and the Japhethites, the non albinos.
72 And Noah said, blessed is he Yahuwa of the Aluhum of Shem,
73 And Canaan will be his slave. The Albinos were to become the slaves of the non albinos.
74 The Aluhum will enlarge Japheth and he will live in the tabernacle of Shem and Canaan will be his slave.
75 Albinos will work for non albinos. And Noah lived after the flood 350 years and the days of the Noahite's dynasty was 950 years and his name began to fade. Thus they said he died.

Tablet Three
Judgment Day
(19 x 6 = 114)

Lo! On that Judgment Day, each soul will stand alone to be judged by both deeds and intentions.
2 Each male living being,
3 Each female living being,
4 Each Anunnagi,
5 Each Jinn,
6 All will bow before El Ghafur on that day.
7 For in it he will rule as judge over all,
8 And none will have a word on their behalf.
9 The soul will reveal what it knows.
10 The body will reveal what it knows.
11 And the spirit will reveal what it knows. All will come before him

A'LYUN A'LYUN EL's families; velvet and platinum.

39 The fourth gate is that of those who commanded agreeableness and forbade disagreeableness,

40 Those who teach in the way of El Maluk.

41 The fifth gate is the gate of those who rooted out their appetites and prevented passion.

42 It is at this gate that the good will meet their destiny, where they will be watered or punished for what they do. Judge not by their actions, but by their intentions. Your salvation is found in following the words in these pages.

43 Don't add or subtract a letter or an opinion, for great is the punishment of those who dare to alter the words of this tablet from their places.

44 The sixth gate is that of the healer and the aider. The hard worker who dies weary from work.

45 The seventh gate is the gate of those who fought holy wars on the side of my prophet and died by the sword of the enemy.

46 In the gardens, the planet Earth of their ground is musk, amber, and camphor.

47 Their rivers are milk, honey, white wine, and pure water.

48 When the wind blows, the leaves of the trees strike each other and a sound comes from them;

49 The sound of whose beauty has not been heard.

50 Yet, my chosen Anunnagi want to leave it, and visit your abode, they say:

51 "Man has more!" It was time to show the inhabitants of Malakuwt, that Naasuwt is like a dream.

52 I will pass a test! If they want a test, a test they will have,

53 Being it was their wish! And they called all the heavenly hosts together to choose.

53 Now, the inhabitants of (Malakuwt) the upper world chose 3 Aluhum:

54 Azar,

55 Azaya,

56 Azayil, By Name.

57 El Rab thus commanded them to descend upon the Planet Earth to rule the inhabitants thereof with fairness and to hear, drink and worship him; but to kill no one unjustly, and to refrain from intoxication and the sins of adultery.

58 The 3 Aluhum agreed to all of this, and when they alighted on the Planet Earth from the most holy place, they associated with human beings, occupied themselves by day and returned in a dream state at shadow hour to the galactical heavens, stripped of their human flesh.

59 While going forth ascending and descending, 1 of the 3 Aluhum found himself weakening and realizing the light that man had.

60 He therefore requested that El Rab excuse him and allow him to return to the galactical heavens and stand amongst the ranks of the untempted.

61 So the 2 Aluhum that remained and traveled in the galactical heavens and the planet earth were called Haaruwt and Maaruwt.

62 They remained on the throne and meanwhile a beautiful female who was called Zahrah, Nahid, Beluklah came one day to these two Aluhum on business; and the Aluhum were inclined towards her because she was unsurpassed in lust and beauty.

63 Their desires increased for her daily,

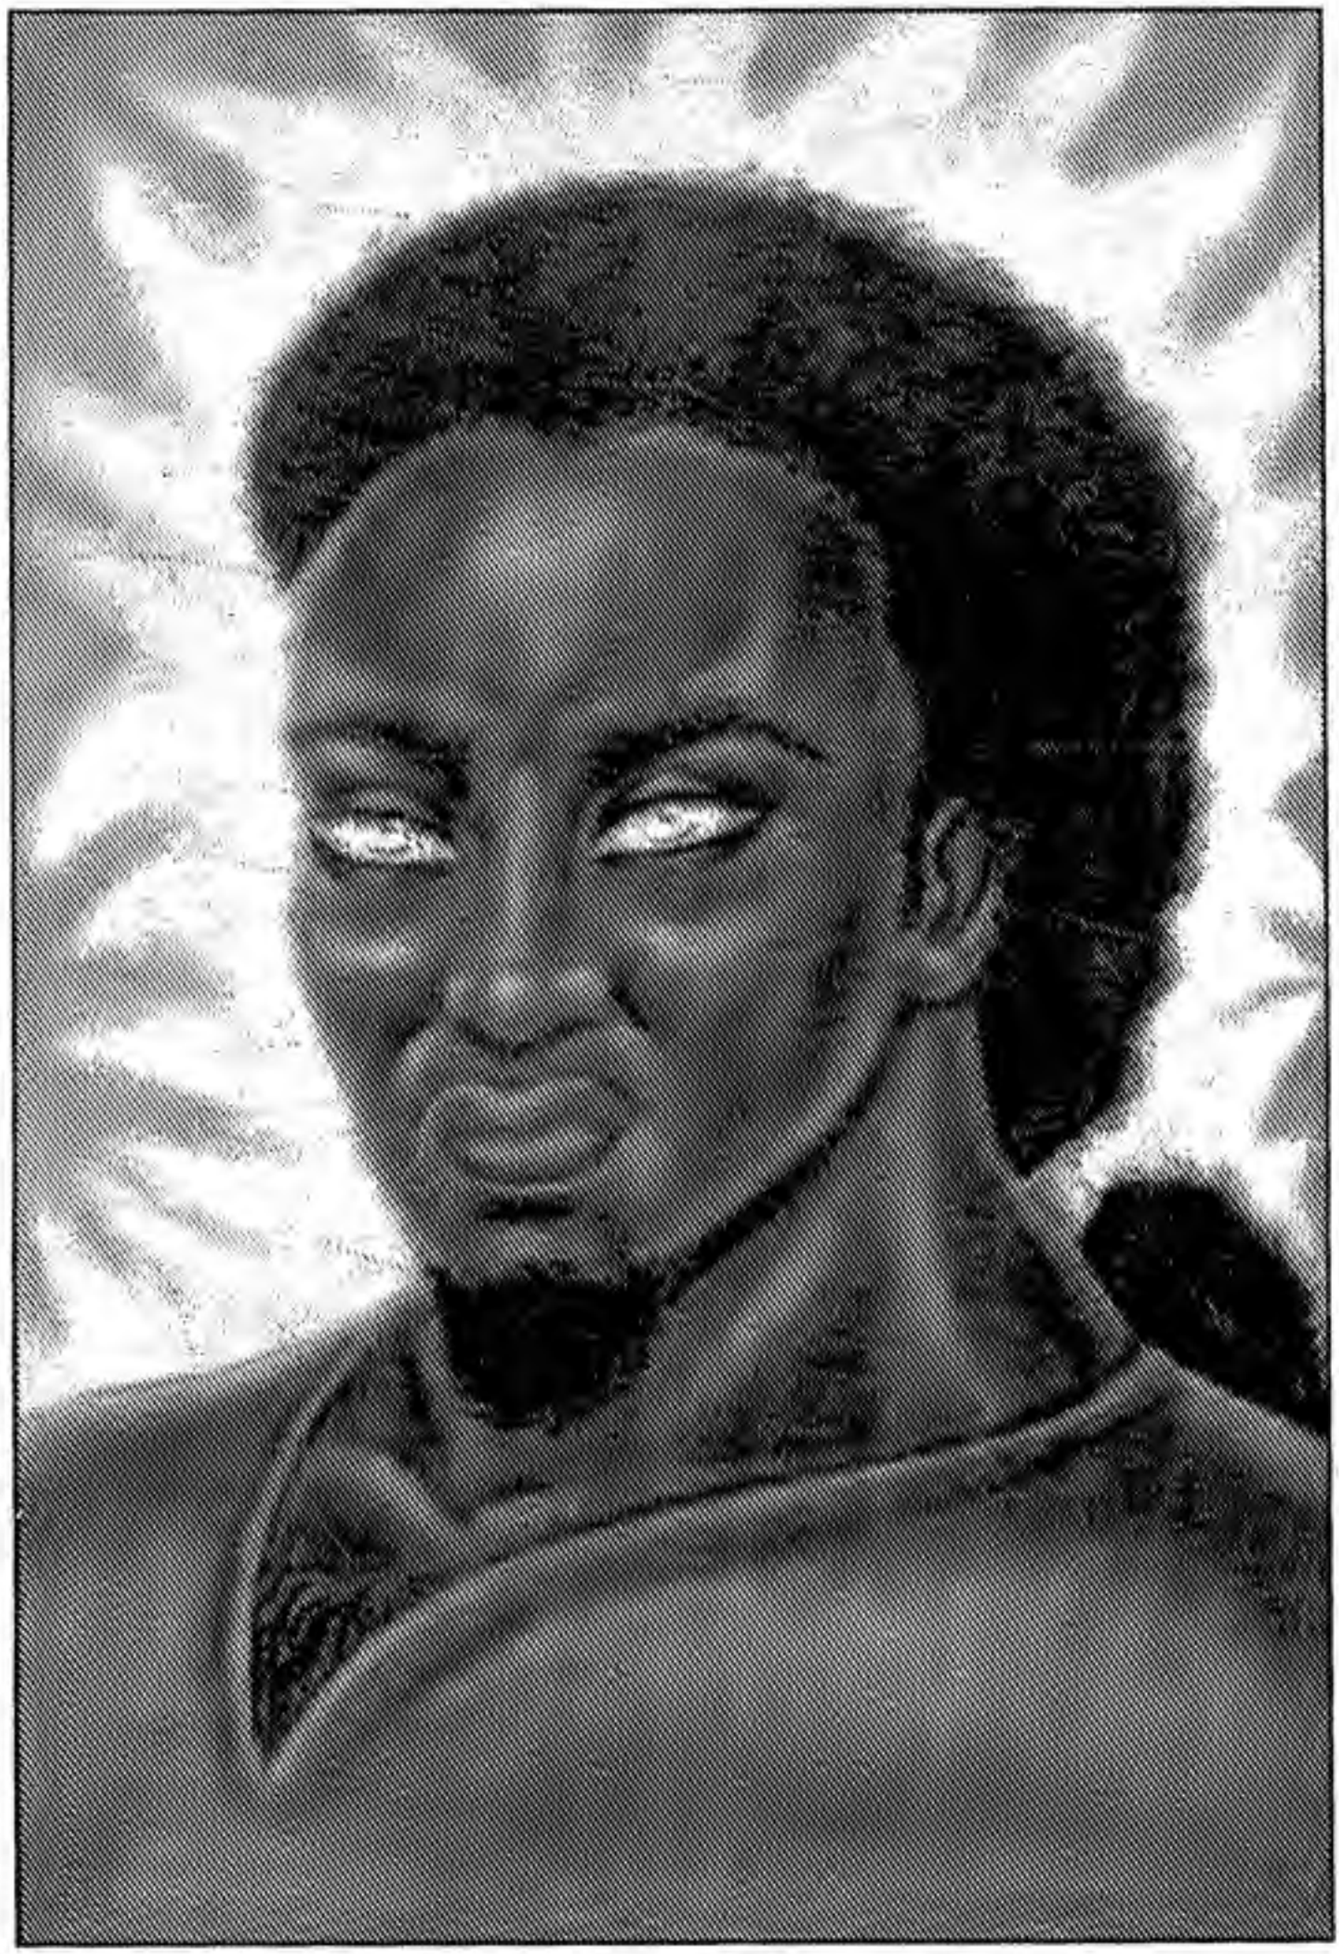

Figure 251
Haaruwt, The Eloheem Who Got Seduced By Zahrah

Figure 252
Maaruwt, The Eloheem Who Got Seduced By Zahrah

but they concealed them from one another.

64 So, the two Aluhum continued to dwell on the Planet Earth, but they both privately sought the whereabouts of the temptress, so they might partake of her.

65 And after planning and scheming in the shadow hours, they both secretly sought her door; and there they both ran into each other, causing them to lie to justify their actions.

66 They finally consented to their mutual feelings of admiration for this lady.

67 And when the light shineth upon them and they both saw the lustful face of Zahrah they requested permission to enter,

68 Which they obeyed.

69 Inside, they told her of their love for her.

70 She replied:

71 Your belief is different from mine, and I shall not obey you until you worship my idol:

72 The Aluhum replied:

73 "This is impossible"!

74 This deed can never be executed by us; for the Most High never pardons anyone who had associated anyone else with him or worships anyone as he."

75 Zahrah continued,

76 If you do not worship my idol, then teach me the sacred name,

77 So that I too, may have the power to ascend the galactical heavens."

78 They again refused whereupon Zahrah said:

79 " I have a pretty maid servant,

80 I shall give her to you instead of Myself."

81 They disagreed and said:

82 We want you, for how could a person elect a substitute for one who is not equal?

83 Zahrah said, "some pure wine is at hand if you drink some of that, I shall then comply with your wishes."

84 Haaruwt and Maaruwt agreed since this was the easiest thing which she had asked of them.

85 So they partook of the wine,

86 One of the white wine,

87 The other of the red wine,

88 And after one tasted of the white and red wine from the grapes which Sama'El concealed in the garden from Kadmon they became intoxicated, worshipped the idols, merried, fornicated and they taught Zahrah the sacred name.

89 At that time, an innocent human being arrived who became aware of the Aluhum's state.

90 So Zahrah told them that the man knew of their evil deeds, and that it would be best to kill him, or he would put them to shame amongst the people.

91 Haaruwt and Maaruwt in their drunkness separated the head from the body of the luckless individual.

92 And Zahrah then ascended the galactical heavens by the power of the inevitable name which she had received from them.

93 After the abased act which Haaruwt and Maaruwt committed, the blood of the man called out to the Sustainer of the Boundless Universes from the Planet Earth.

94 The Absolute Sovereign spoke to them by way of the Aluhum Murduk.

95 "Have you witnessed the state of those who you elected?"

96 The Aluhum replied:

97 Of Sustainer, thou knowest thy

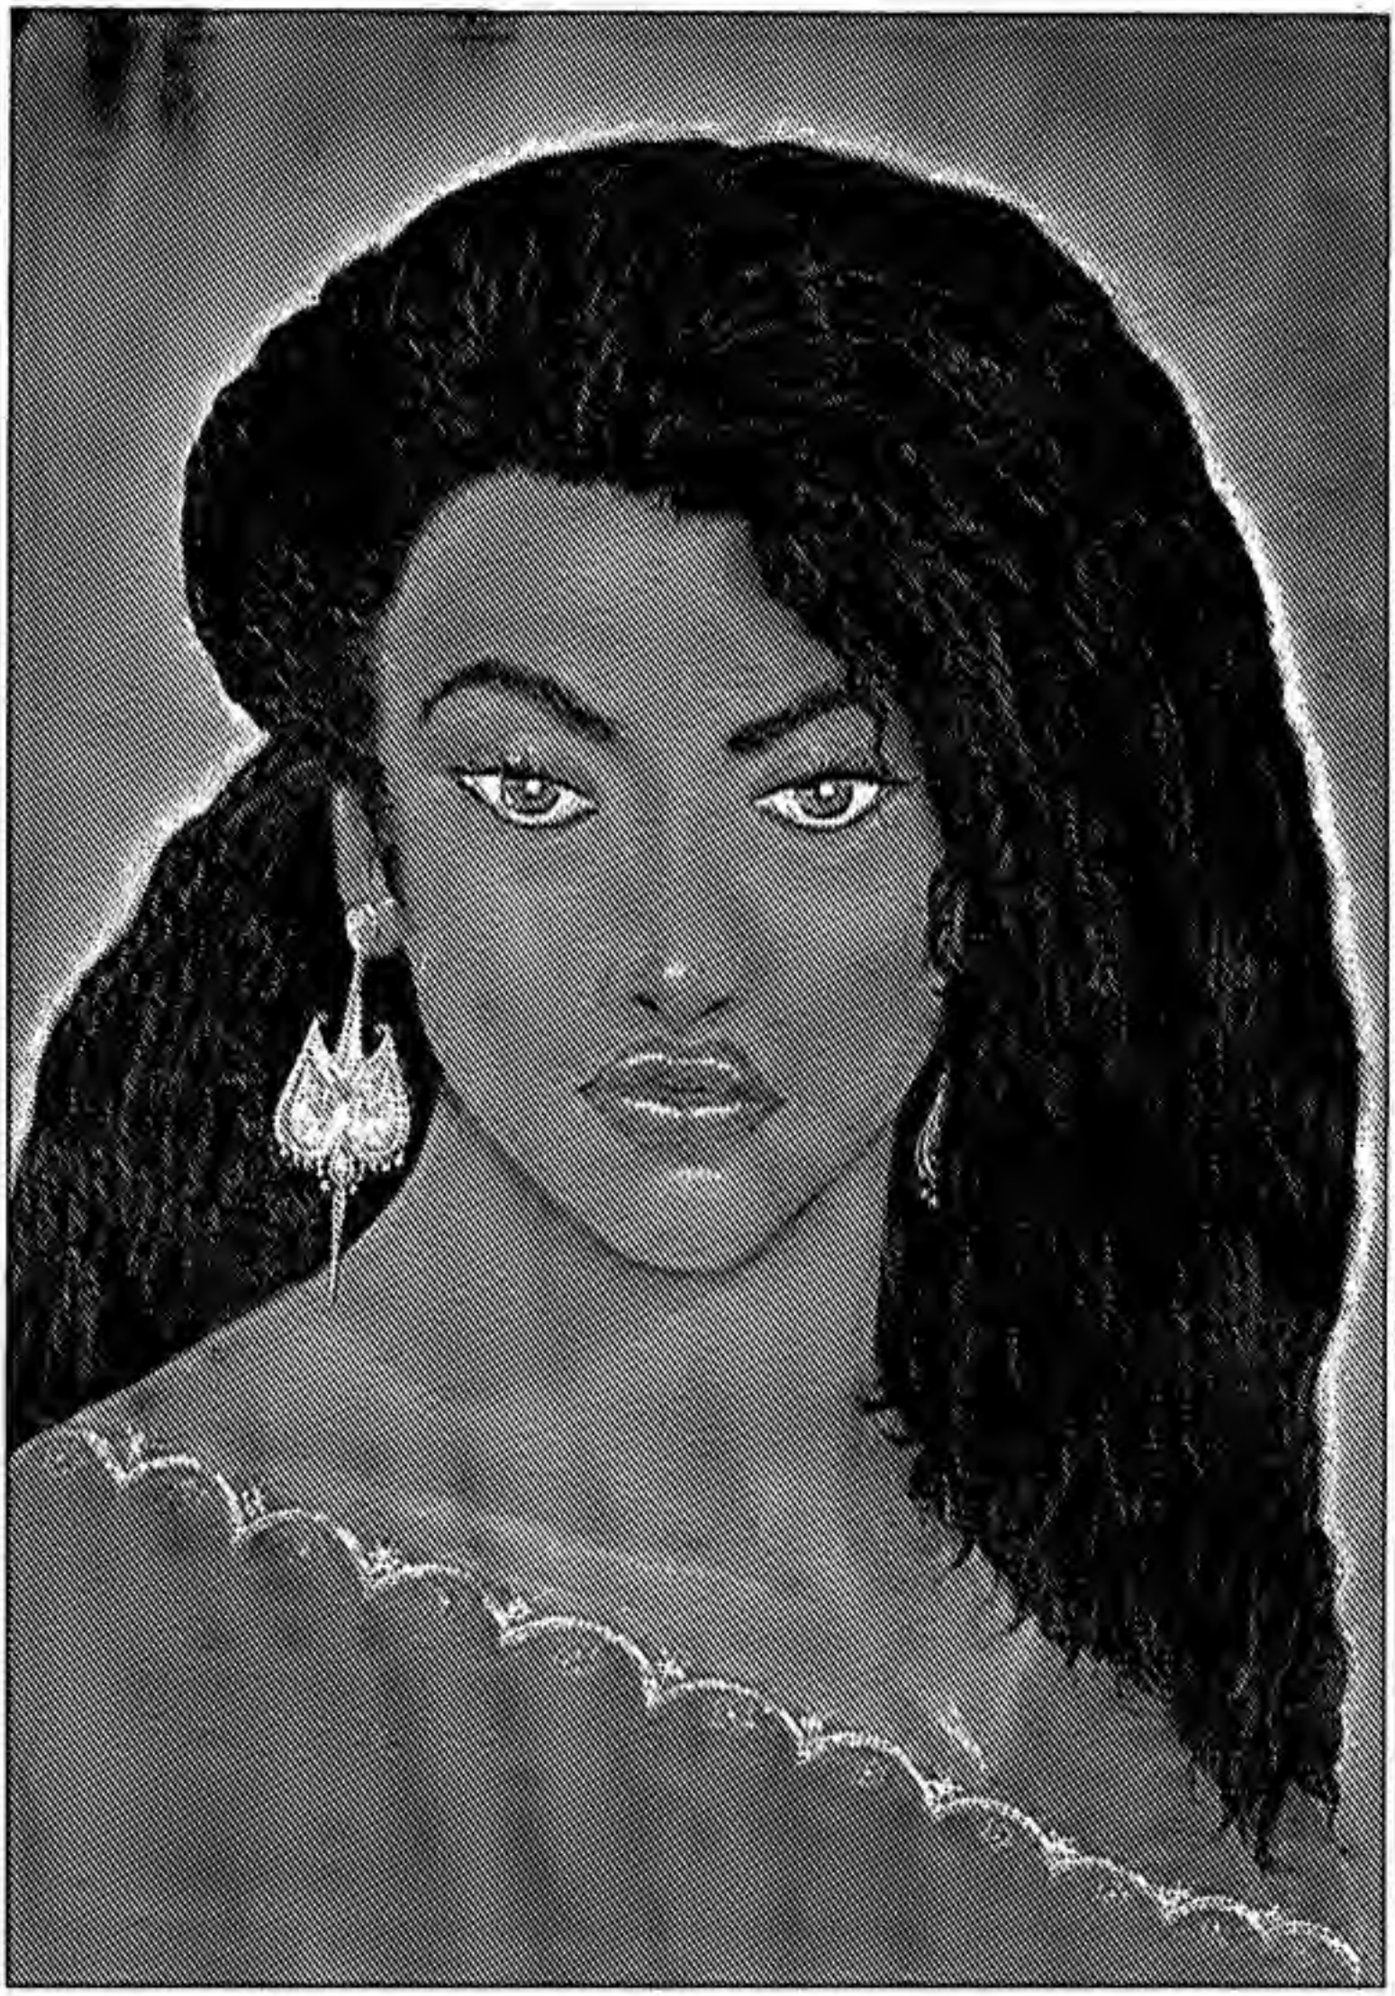

Figure 253
Zahrah, The Demon Who Seduced The Eloheems

servants best."

98 When Haaruwt and Maaruwt awoke from their drunkenness, they became aware of their sins of perdition and they began to weep,

99 For they knew that to disobey El Rab 3 times meant to suffer eternal damnation.

100 The faithful Aluhum Nusqu arrived by leave of the powerful avenger, and while taking part in their lamentation, he said:

101 A'lyun A'lyun El has given you the choice of being punished in this world or in the next.

102 They replied:

103 The misery of this world is ending but the misery of the hereafter is eternal; therefore, we select punishment in this world accordingly.

104 Therefore, they were suspended upside-down in the well of Babel because of their doings, until the last earth day.

105 Their greatest torment was being the continual prey of those who endeavored to satisfy their carnal desires,

106 And to seek the secrets of the galactical heavens.

107 And as for those who questioned in the presence of A'lyun A'lyun El their punishment was deferred until judgment day.

108 There is not one of them who did not ask to come here.

109 For it is said "I did not ask to be born"

110 When indeed each body that was once soul,

111 When asked in the spiritual plane "do you prefer to be a servant without will in the midst of us,

112 Or rule your own will in the midst of them."

113 They answered "rule myself,"

114 Thus they were born.

El Taful Shil El Nawur
"The Prayer Of Light"

And Malachi Zodoq told them, these are my tears and when I speak of the light, I say O ANU, the true El of the Anunnagi, Aluhum, and attributes, *Allahumma Yaa Nuwr Al Nuwr Tanawarta Bil Nuwr, Wa Al Nuwr Fiy Nuwrik Yaa Nuwr, Inta Khalaqta Al Shamsa Min Al Nuwr Al'alameen,*

O Light of the light;you have been enlighten with the light. The light is in the light of your light oh light. O ANU, the true El of the Anunnagi, Aluhum who created the sun from the light, the light of the boundless universes. And this is the pure green light, the light of intellect not the amber light, the light of consumption. Be it darkness or matter.

And they would say this when they felt confused about anything.

Tablet Four
The Secrets Of Adafa
(19 x 2=38)

Lo! These are the secrets that I, Adafa son of Jared, passed on to my son Methuselah, about the galactical heavens:

2 Walking and talking with the Anunnagi.

3 Living and learning from the Anunnagi,

4 As I climbed the ladder of 33 steps to

Tablet 4:4

Malakuwt,

5 I found my real soul waiting to return to El Shakur.

6 I asked it: who are you? It answered: I am you!

7 I asked it: for how long have I been gone?

8 It answered: 76,000,000,000,000 trillion years.

9 Then I sat down to stay,

10 And a voice called unto me from beneath me:

11 O Adafa, son of Jared, you must return to the planet Earth.

12 O voice, I proclaimed, this place is my Earth, am I not in reality a Rizqiyian? Yes, but you and your kind shows the freedoms of thought that Earth promises,

13 And isn't Rizq my original home, the home I love? I know it is and I hope so.

14 Yet, I stood without will to reject the command, knowing it was him.

15 And he, the ever-forgiving, forgave me out of his mercy.

16 As I raise my eyes each day and shadow hours unto him, my hands upon my heart, my head ready to meet the planet Earth from where I came;

17 I ask: O Loving, out of your love find it to forgive all humans.

18 O Merciful of those who show mercy,

19 Forgive us our weaknesses, we will indeed repent and never return to the disagreeable state again.

Malachi Zodoq Speaks Of The True El

20 The true El is he who is called Hu.

21 Hu is, and there is no El Eloh deity except the true El known as ANU,

22 Meaning nothing would exist if Hu did not create it; and all exist within El Kuluwm.

23 And nothing would exist if All did not will it, and glory be to El Kuluwm.

24 O ANU, also called AN, The Heavenly One, A'LYUN A'LYUN EL, The Most High The Highest.

25 Who is sometimes called Ra, the Allah, The El Roi, the true EL of the Anunnagi, Aluhum,

26 The Malukaat, who are the Nephilim and the Gibboreem.

27 Who are the Sarufaat and the Garubaat.

28 These are the many titles of the Anunnagi,

29 And the Igigi, The Righteous Ones, known to us as Dineer, or Dinneer, "The Righteous Ones of Sham, The Rocketship," who have come down to us from above.

30 O righteous ones when you descend into and around me,

31 Guide me in all I do, help me that I may help all human beings.

32 Let me speak from your head and not my own.

33 Let me care from your heart and not my own.

34 Let me see from your eyes and not my own.

35 I am to serve not rule. Make me of the best of your servants.

36 O ANU, The Heavenly One the true El of the Anunnagi, the Aluhum,

37 You are the light of all lights;

38 The truth of all truth; creator of all creators.

Tablet 4:38

Tablet Five
Adafa Meets The Reptilian Shakhar, Also Called Haylal
(19 x1=19)

Lo! Adafa Adafa, Adafa Adafa, Adafa, Adafa, he cried and said:
2 And I saw grass,
3 And I saw seas,
4 And I saw birds,
5 And I saw insects,
6 And I felt heat,
7 And I felt pain,
8 And I felt hunger,
9 And I knew I had returned.
10 Each state I fell,
11 Only to return unto that very place, Only to learn: "never say never."
12 Forgive me, O father, I obeyed your every command.
13 If Earth is where you want me, Earth is home; If hell is where you want me, hell is my home;
14 I thank and praise you for the right to dwell in your bosom,
15 And for the right to ask to be forgiven. As the light fell from Heaven and the Disagreeable Haylal lead them away,
16 I ask not to be like them, and to never go astray.
17 As man falls to the ground, let me pray for each time. And as a baby cries; upon hearing this, the disagreeable one, Haylal, appeared and asked:
18 To whom beside me do you ask for help? I answered: El Yahuwa and him alone do I worship!
19 And his answer was: "I ruled the galactical heavens and I will rule the planet Earth, even El Yahuwa knows of my power and fears me." At that very moment his right eye fell out and he cried out: El Hakum forgive me.

Tablet Six
Adafa Speaks To His Father Jared
(19 x 1=19)

Lo! O my father Jared, son of Mahalaleel, blessed by you, for your work in the way of El Jalul.
2 May all the idols of the demons shatter to dust from which Enosite's hands share them,
3 On the day of the gathering of souls, may the spirit of Haylal burn,
4 And may the heat of his very burning, burn those who hearken unto him.
5 If the salt of the sea is tasted in a sip, so shall their sins be seen by El Karum.
6 O children, don't let Haylal rule your bodies.
7 Reject him and run on the true path, for the cursed devil and his seed has come down to the planet Earth with you in mind.
8 O children of Nekaybaw, daughter of Ptah and Anath,
9 Keep your faith and turn to ANU in prayer often.
10 As you walk this planet Earth, keep your head high and your eyes cast down in honor.
11 Protect your royal body from the eyes of disagreeable.
12 Protect your secret womb from the seed of the anointed Cherub.
13 Protect your heart from the things of this world.
14 O mother of our mothers,
15 Keep your purity, keep your cleanliness.
16 O mother Nekaybaw, by your blood will women of the planet Earth be

saved.
17 By your faith and loyalty will your seed be healed of the sins of weakness.
18 O vanity, flee from Nekaybaw's seed. O seed of Nekaybaw, you are the mother of truth.
19 The destroyer of a sin, the keeper of the 1300 anointed messiahs, the blood is in you.

Tablet Seven

Adamites Must Awaken
(19 x 1=19)

Lo! Bring their rule to an end,
2 Bring the galactical heavens down to the planet Earth,
3 And the ways of the Anunnagi into the hearts of the human beings,
4 Let mortals awaken.
5 O El Rab, the Sustainer of all the cosmos and ruler of all the galaxies,
6 We give rule unto you and you alone.
7 Not that we have to, for you control all things;
8 But because we want to do what pleases you.
9 O Rab, Sustainer and El Khalug Creator, The All Knowing of all that we do.
10 The seed of Haylal has rule over the planet Earth,
11 O El Razug send help,
12 A help which will not fail;
13 And I asked you, my father, from my heart.
14 And the galactical heavens opened up and I saw a light,
15 And I saw the 24 Elders: Akatra'El, Anafi'El, Azbug'El, Baaruju'El, Kimu'El, Khayyi'El, Galgali'El, Hani'El,
16 Yufi'El, Yuhu'El, Matatrun, Ragu'El, Qaddisin, Raduar'El, Razu'El, Rikbi'El, Mahayyi, Shamu'El, Yaanan, Sur'El, Yafafiah; Zagzag'El and Sandalfun,
17 This seat is open to all the newsbearers,
18 Coming down singing the praise of A'LYUN A'LYUN EL, was 24 Anunnagi.
19 Headed by Murduk himself, whose second name is Yaanan.

Tablet Eight

The Nature Of Adamites
(19 x 2=38)

Lo! O mother Nekaybaw, could you not have shut your eyes?
2 O mother Nekaybaw, could you have turned your heart?
3 The children of Shakhar, the old devil, father of Haylal rules the souls of many.
4 O father, Kadmon, these Nephilim giants rule.
5 O El Haduy, we thank you for your help and guidance,
6 The agreeable Anunnagi Sarufaat have come.
7 And with them shall manifest the newsbearers of truth,
8 And the Scrolls of Eyes;
9 To remove the veil from the eyes of the weak.
10 I call unto the 24 elders as they sit around the throne, and on each side is a beast.
11 The man beast,
12 The wild beast,
13 The flying beast,
14 The grazing beast,

Tablet 8:15

15 And in all of these is the nature of mortals.

The Light Of The Scrolls

16 O son, this is the first day of my life,
17 And the last day of my life,
18 So let me live in peace.
19 Hold on to the light of the scrolls of our father's eyes, all they have seen.
20 And to the strength of his seed.
21 O my sons and daughters, sons of my father's sons; for their desires for the presence of the souls of the dead will draw fatalities upon themselves,
22 And they will go down in sin like the 1/3rd Rizqiyians from Illyuwn, who were cast into the universe after the fall from Orion by Haylal and the 200 Aluhum called the Ancients, Old Ones.
23 The voice departed and then the Anunnagi said: "hear me, o brothers, o sisters; this is my commandment upon thee from El You to you:
24 To render unto your **Najuhaat**, successors after such time as I shall call you, for the resurrection.
25 You have the temple, Kaaba and the oracle El Aswud Hajur, *"the black stone"* where the familiar spirits speak and the three did stand in Gan, the Enclosed Garden Of Delight; neither suffer you to worship them, but rather; at the very sight of it worship **ANU**.
26 For the disagreeable ones will worship anything, save **ANU** and find joy when you follow."

Learn Corporeal Things

27 O wife of mine, Taaliba,
28 A true gift,
29 A true help,

Tablet 9:5

30 Mother of my children;
31 It was through you that **ANU** created me,
32 Mortal, with a corporeal life, that he might learn corporeal things;
33 But behold, the soul has lost all its energy to acquire earthly knowledge,
34 Depending on their familiar spirits for information on everything;
35 Thereby, wasting their mortal lives in non improvement,
36 So that when they die and re-enter the lower heavens, they are easily made slaves of disagreeable spirits, Garubaat.
37 Better were it for them, had they had no knowledge of the spirit life,
38 That they might put to service the talents he created within them. See to this matter, that your children be strong.

Tablet Nine
Teach Your Sons
(19 x 1=19)

Lo! My sons I know you by your motherly deeds,
2 I know you as a true mate, many others have I, but you are my beloved.
3 Teach your sons that they cannot associate with all mortals, or those in the image of mortals, but are Jinns and that their very spirits are from the poison wind, of the fire of the disagreeable, nevertheless, refuse thou not all association because of this.
4 For they are such as their fallen countenance with you who are of the Sarufaat, spirits of the pure green light.
5 And such as a disagreeable to you, sons of disagreeable, are nevertheless compatible to others, Jinn and man. Man and Jinn who walk the Earth,

cursed be them until the day you're raised.

6 El Basur have created a large field; his people are numerous and there are many in the world, so like others; they are as one in all things.

7 Choose such, and as you are one with another,

8 So are you one with the Creator.

9 But most of all; will, virtue, industry, and good works come into the world by the examples you place before the young.

10 Better is it to hide and subdue your temper in the presence of the young, then to conquer a whole state by force.

Purification

11 Count the stars,

12 And the joys you bring me, O A'lyun A'lyun El;

13 And I thank you 1000 times each day,

14 For the young are your Anunnagi given to you by their faith.

15 Consider then, what kind of kingdom you raised up.

16 Happiness on Earth is answered by happiness in heaven; and that which is planted on Earth is reaped in heaven.

17 Purification is the first law I give unto thee, you A'lyun A'lyun El Rabb,

18 And it is the same with Zodoqites, the ancients;

19 You are a two fold creature, one animal, the other beast or one Anunnagi, Aluhum the other Reptilian Aluhum.

Tablet Ten
Your Nature
(19 x 1 = 19)

Lo! The one side of you lives by divine law and commands you,

2 You shall not eat the flesh of any creature that bleeds and breathes the breath of divine life;

3 Nor of fish that feed on the carcasses and feces of other fish, that lives in the deep seas, under the waters.

4 Yet, the animal of you, says you shall eat what is good and pleasing to you and healthy,

5 Because you share a dual nature,

6 Your desires shall be to act upon different emotions at different times.

7 You will want to restrain from eating flesh,

8 But you will desire flesh at the same breath.

9 There is no sin in the consumption of flesh and sea creatures,

10 For your sustenance does not fear, for your soul,

11 For it is far beyond the diseases of your body.

12 You shall bathe at least once every day,

13 From the crown of the head to the soles of the feet.

14 And before bathing, you shall say:

15 Before you ANU, I will put away the filth of my spirit body, and the disagreeable of my soul.

16 And after bathing, you shall say: as I have, with water, washed clean my soul.

17 O ANU help me to make clean my soul.

18 In the daylight hour, when you awaken, you shall say:

19 Help me, O A'lyun A'lyun El to

keep my thoughts pure this day and my soul full of love and tenderness.

Adafa Tells Of His Character
(19 x 1 = 19)

Lo! I was born in Manaf,
2 In Ganawa, Sawdeh, the Outer Garden.
3 I called mortals to walk upward.
4 I counted the stars.
5 I forbid the unsightly.
6 I know all the names of the 124,000 newsbearers,
7 And 315 apostles
8 And 1300 messiahs,
9 Before their very birth.
10 Thanks be to ANU,
11 I was the first to fight,
12 In defense of A'lyun A'lyun, El Tawub.
13 I was the first to write with a quill,
14 To copy the Enuma Elish,
15 From stone to scroll,
16 And the Tablets of Gilgamesh,
17 Also from stone to scroll.
18 And I was the first to sew the seams in the garments.
19 I traveled through the heavens.

The Secrets Of Adafa
(19 x 3 = 57)

Lo! On the first day of the first month of the 356th year,
2 I was alone in my house and I rested on my bed and slept.
3 And there appeared to me two men, very tall, such as I have never seen on Earth.
4 Their faces shone like the sun. And their eyes were like burning lamps, and fire came forth from their lips.
5 Their dress had the appearance of feathers. Their feet were green.
6 Their wings were brighter than gold. Their hands were as the tone of the olive.
7 They stood at the head of my bed and called me by name.
8 Be of good cheer, Adafa, be not afraid, the everlasting one has sent us to you.
9 And lo, today you shall ascend with us into heaven.
10 Then they told me to wake up my family and servants,
11 And order them not to seek me, until the ruler brings me back to them.
12 This I did using the opportunity to instruct my sons in the ways of righteousness.
13 I said to my sons, let these scrolls which I have given you be for an inheritance of your peace. And give them to all who want them, and instruct them, that they may see Yahweh of the Aluhum's, very great and marvelous works.
14 The hour has approached for me to go up on to heaven. Behold, the Aluhum are standing before me and urging me to my departure from you. They are standing here on Earth, awaiting what has been told them.
15 For tomorrow I shall go up on heaven to the uppermost city of Salaam to my eternal inheritance.
16 Therefore, I bid you, do before Yahweh's face, all his good pleasure.
17 Listen to me, my children, today. In those days when the Yahweh of the Aluhum came down on to Earth for

Kadmon's sake and visited all his creatures which he created himself.

18 After all these he created Kadmon, and Yahweh of the Aluhum called the beast of the Earth, all the reptiles and all the birds that soar in the air, and brought them all before the face of Kadmon.

19 And Kadmon gave the names to all things living on Earth, and Yahweh of the Aluhum appointed him ruler over all, and subjected to him, all things under his hands and made them dumb and made them dull, that they be commanded of man and be in subjection and obedience to him.

20 Thus, also Yahweh of the Aluhum created every man, God over all his possessions.

21 Yahweh of the Aluhum will not judge a single soul of beast for man's sake, but adjusts the soul of men to their beasts in this world. For men have a special place.

22 And as every soul of man is according to number similarly beasts will not perish. Not all souls of beasts which the Yahweh of the Aluhum created, till the great judgment and they will accuse man if he feed them ill.

23 He who works the killing of a man's soul, and kill his own body, and there is no cure for him for all the time. He who puts a man in any temptation, shall stick in it himself, and there shall be no cure for him, for all time.

24 He who puts a man in any vessel, his retribution will not be wanting at the great judgment for all time.

25 He who works crookedly or speaks evil against any soul, he will not make justice for himself, for all time.

26 Keep your souls from all injustice. Walk before Yahweh of the Aluhum, with terror and trembling, and serve him alone.

27 For the Yahweh of the Aluhum sees all things. When man takes thought in his heart, then he counsels the intellects, and every thought, it is always before Yahweh of the Aluhum, who made the Earth firm and he put all creatures on it.

28 If you look to heaven, Yahweh of the Aluhum is there. If you take thought of the sea's deep, and the under Earth, Yahweh of the Aluhum is there.

29 Walk, my children, in long suffering, and in meekness, and in honesty, in provocation, in grief, in faith and in truth, in reliance on promises, in illness, in abuse, in wounds, in temptation, in nakedness, in privation, loving one another, till you go out from this age of ills, that you will become inheritors of endless time.

30 Blessed are the just, who shall escape the great judgment, for they shall shine forth more than the sun sevenfold. For in this world the 7th part is taken off from all, light, darkness, food, enjoyment, sorrow, paradise, torture, fire, frost and other things. He put all down in writing that you might read and overstand.

31 When man clothed the naked and fills the hungry, he will find reward from Yahweh of the Aluhum.

32 But if his heart murmur, he commits a double evil: ruin of himself and of that which he gives. As for him, there will be no finding of reward on account of that.

33 If his own heart is filled with his food, and his own flesh and with his clothing, he commits contempt, and will forfeit all his endurance of poverty, and he will not find reward of his good

deeds.

34 Every proud man is hateful to Yahweh of the Aluhum, and every false speech, clothed in untruth; it will be cut with the blade of the sword of death, and thrown into the fire, and shall burn for all time.

35 Then the time came to depart.

36 It came to pass when I had spoken to my sons.

37 These men summoned me and took me on their wings, and they placed me on the clouds. And lo, the clouds moved.

38 Going higher, I saw the air and going still higher, I saw the ether.

39 They placed me in the first heaven, and they showed me a very great sea, greater than the earthly sea.

40 Ascending thus unto the heavens upon clouds that move,

41 I was transported from the first heaven, where the 300 Igigi ruled the stars.

42 To the second gloomy heaven then to the third heaven.

43 There I was taken into a biosphere in Nibiru that looked like a garden.

44 With a godliness of its appearance; beautiful and fragrant trees and fruits.

45 In the midst therein, is a tree of life in that place, which the Anunnagi rests when he comes into paradise.

46 I was stunned by the tree's magnificence.

47 It is more beautiful than any created thing.

48 On all sides in appearance it is like gold and crimson, transparent as fire.

49 From its root go four streams which pour honey, milk, oil and wine, and they go down from this heavenly paradise to the paradise of Eden,

50 Making a revolution around Earth.

51 This 3rd heaven and its tree of life are guarded by 300 very glorious Igigis.

52 It is in the 3rd heaven that the place of the righteous,

53 And the terrible place where the wicked are tortured and situated.

54 Going further up, to the further heaven, I could see the luminaries and various wondrous creatures, and the host of the ruler ANU.

55 In the 5th heaven, he saw many hosts; in the 6th, band of Anunnagi who study the evolutions of the stars.

56 Then he reached the 7th heaven, where the greatest Anunnagi hurried about and where he saw the ruler, ANU, from afar sitting on his throne.

57 The 2 winged men and their moving cloud placed me at the limits of the 7th heaven, and we left; whereupon the ruler sent the Arch Anunnagi, Aluhum Nusqu, who bore the title Nusqu, son of Rasiel and Zammael, to fetch me into his presence. For 33 days, I was instructed in all the wisdom and all the events of the past and the future. Then I was returned to Earth by an awful Anunnagi who had a very cold appearance. My return to Earth was only so that I might instruct my sons in the laws and commandments. 30 days later, I was taken up again unto the heavens, and this time, for good.

Tablet Thirteen
The Future As Inscribed For The Disagreeable And The Zodoq, Righteousness
(19 x 6=114)

Lo! The words of the blessing of Adafa, wherewith, he blessed the elect and the

righteous, who will be living in the day of tribulation, when all the disagreeable are to be removed.

2 He took up his parable and said Adafa, a Zodoq, a righteous man, whose eyes were opened by the Dinneer, Anunnagi, he saw the vision of the holy one in the heavens, that the Anunnagi showed me. From them, I heard everything, and from that, I overstood as I saw, but not for this generation, but for a remote one which is to come.

3 Concerning the elect I said, and I took up my parable concerning them: The holy great one ANU, A'LYUN A'LYUN EL, will come forth from his dwelling,

4 And the eternal one will tread upon Tiamat, the planet Earth, on Mount Sinai, meaning thorny, to the valley of Serabid El Qadam.

5 All shall be smitten with fear, and even the watchers shall quake. Great fear and trembling shall seize them unto the ends of Tiamat, the planet Earth.

6 And the high mountains shall be shaken, and the high hills shall be made low, and shall melt like wax before the flame.

7 And Tiamat, the planet Earth shall be rent asunder. And all that is upon Tiamat, the planet Earth shall perish, and there shall be a judgment upon all.

8 But with the righteous, he will make peace and he will protect the elect. And mercy shall be upon them. They shall all belong to **EL KULUWM**, The All. They shall be prospered, and they shall be blessed. And light shall appear unto them.

9 And behold! He cometh with 10,000 of holy ones, to execute judgment upon all, and to destroy the unrighteous sinners against him.

10 Observe everything that takes place in the heaven. How they do not change their orbits, the luminaries which are in the heaven. How they all rise and set in order, each in its season, and don't transgress against their appointed order.

11 Behold, Tiamat, the planet Earth, and give heed to the things which take place upon it from first to last, how change, all the words of the Anunnagi appear.

12 Behold, the summer and the winter, how the whole Earth is filled with water, and clouds and dew and rain lie upon it.

13 Observe and see how in the winter all the trees seem as though they had withered and shed all their leaves, except 14 trees, which do not lose their foliage but retain the old foliage from 2-3 years until the new comes.

14 Again, observe the days of summer, how Afsu, the sun appears to be above Tiamat, the planet Earth over against it. And you seek shade and shelter by reason of the heat of Afsu, the sun, and Tiamat, the planet Earth also burns with glowing heat, and so you can not tread on Tiamat, the planet Earth, or on a rock by reason of its heat.

15 Observe how the trees cover themselves with green leaves and bear fruit. Wherefore give heed with regard to all, and we recognize how he that live forever have made them so.

16 All his works go on from year to year, and all the tasks change not, but accordingly as have ordained so is it done.

17 And behold how the El Yamum "*the sea*" and El Bahuraat *"the rivers"* in like manner accomplish their tasks.

Tablet 13:18 **Tablet 13:44**

18 But you have not been steadfast, nor have you done the commandments of ANU, A'LYUN A'LYUN EL. But you have turned away, and spoken proud, and hard words with your impure mouths against his greatness. O hardhearted, you shall find no peace.

19 Therefore shall you curse your days, and the years of your life shall perish, and you shall be multiplied in eternal execration, and you shall find no mercy.

20 In those days you shall make your names an eternal execration unto all the righteous. By you, who shall who curse the accursed. The sinners shall imprecate by you,

21 And for you, those who do not follow ANU, there shall be a curse. And there shall be no forgiveness of sins, and every mercy and peace and forbearance:

22 There shall be salvation unto them that follow this law, a goodly light.

23 And as for all of you sinners, there shall be no salvation,

24 But on you all shall abide a curse.

25 But for the elect, there shall be light and grace and peace,

26 And they shall inherit Tiamat, the planet Earth.

27 And then there shall be bestowed upon the elect, wisdom. And they shall all live and never again sin, either through the act of not worshipping ANU or through pride. But they who are wise shall be humble.

28 And they shall not again transgress, nor shall they sin all the days of their life, nor shall they die of anger or wrath, but they shall complete the number of the days of their life.

29 And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters.

30 And the Anunnagi, Aluhum, the Children of ANU, A'LYUN A'LYUN EL, The Most High, saw and lusted after them, and said to one another: Come, let us choose us wives from among the children of men and beget us children.

31 And Semjaza, who was their leader, one of the heads of the 200 fallen Angelic Beings that fell, said unto them: I fear you will not have to pay the penalty of a great sin.

32 And they all answered him and said: "Let us all swear an oath, and let us all bind ourselves by mutual imprecations not to abandon this plan but to do this thing."

33 Then they all swore together and bound themselves by mutual imprecations upon it.

34 And they were in all 200, who descended of Jared, son of Mahalaleel and Haanah and on the summit of Mount Hermon.

35 And they called it Mount Hermon because they had sworn and bound themselves by mutual imprecations upon it.

36 And these are the names of their leaders: Semiazaz,

37 These are their chiefs of tens.

38 And all the others together with them took unto themselves wives,

39 And each chose for himself one.

40 And they began to go in unto them and to defile themselves with them,

41 And they taught them.

42 They taught them charms and enchantments,

43 And the cutting of roots and made them acquainted with plants.

44 And they became pregnant, and they bare great Nephileems, whose

[illegible] [illegible]

taught was there throughout all.

63 What concerned all the apportionment of stars. And whose every symbol no longer existed there.

64 The Nephilimoun were up against them and destroyed them.

65 And they began to sin against birds and animals and reptiles, and fish, and to devour one another's flesh, and drink the blood.

66 Then Tubaal the planet Earth led warriors against the Invisible ones.

67 And the Nephilimoun and men Annas, also called Hu'ul'a'ya's own enemies, Tubal Cain, taught men to make swords and knives.

68 And shields and breastplates, and made known to them the metals and the art of working them.

69 And bracelets and ornaments and the use of antimony.

70 And the beautifying of the eyelids, and all kinds of costly stones and all dyes.

71 And they grew many who do not follow ANU, and they committed fornication. And they were led astray and became corrupt in all their ways.

72 Semjâzâ, or Semjâza, who is also called Azazel taught enchantments and root-cuttings.

73 Armaros taught the resolving of enchantments.

74 Baraqijâl taught astrology, Kokabiel taught the constellations.

75 Tâmiel taught the knowledge of the clouds.

76 Asaradel taught the signs of Tsaraas, the planet Earth, Shamsiel taught the signs of Aby, the sun.

77 And Sariel taught the course of the light of the moon.

78 And as Adamites perished, they

[illegible] and they are lost up to heaven.

81 Then Michtak, son of Sisny and Dirdiriau, did sacrifice to Mylitta.

82 Rukbeh, son of Amazel and Baltisrel, also known as Uzzi or Rukbeam.

83 Kokabiel, son of 'Bagaris' and Figural, and Dingir-who-know-the-oak-Tsaraas.

84 Learned divers from Nibiru and he was much blood, being shed upon the planet Earth, and all Earthlings being wrought upon the planet Earth.

85 Then said we to ourselves the planet Earth is made without inhabitants, since the ruler of the Nephilim is dead upon the planet Earth, the Nibiruans to discover.

86 Now we pray the holy ears of The Great One Gay Nibiru, the ruler of a heavenly realm over ours, living and ever more before ANU, ALGIU ANUNNAKI, The Most High.

87 [illegible] [illegible] [illegible]

Book, and have their eyes on the women, and have defiled themselves and revealed to them hidden things.

13 And the women have given birth to Nephilusaim and Gibborusaim, that the whole Earth has thereby been filled with blood and unrighteousness.

14 Now, behold, the souls of those who have died are crying and making their case to the gate of The Great City Pelapsi. And their lamentation has ascended but they cannot enter because of the lawless deeds which are wrought on Thema the planet Earth.

15 Samiel, Dirdal, Baraqel, Barsajyal, Asael, Armaros, Berael, Araqiel, Zaqiel, Tumael, Rumael, Yomyel, Yehrel, Jusqael, Gehel.

16 These said ARIEL ARYEIN ARYEIN EL, The Most High, The Holy and Great one spoke, and sent Uriel, and he visited Nahel in the name of Lamech, and said to him:

17 Go to Unephilusaim who is also called Ninak, and bid him in my name 'Hide thyself!' And reveal to him the end that is approaching: that the whole planet Earth will be destroyed, and a deluge is about to come upon the whole planet Earth, and will destroy all that is in it.

18 Now, instruct him that he may escape and his seed may be preserved for all the generations of the world.

19 And again ARIEL said to Raphael: Bind Azazel's hand and foot, and cast him into the prepared pit, down to Abaddon. And make an opening in the desert, which is in Dudel, and cast him down.

20 And place upon him rough and jagged rocks, and cover him with darkness, and let him abide there forever; and cover his face that he may not see any light.

21 And on the day of the great judgment, he shall be cast into the fire of fire.

22 And heal the plague Earth which the downtrodden Azazel has corrupted.

23 And proclaim the healing of Thema the planet Earth, that they may heal the plague.

24 And that all the children of Eternities may not perish through all the secret things that the watchers have and caused their children: The Creation Of Delight, the watchers have disclosed and have taught their sons.

25 And the whole planet Earth has been corrupted through the works that were taught by Azazel: unto him ascribe all sin.

26 And to Penqua, that Son of Man, Noaqa, call ADFI.

27 Proceed against the bastards and the reprobates.

28 And against the children of fornication:

29 And destroy the children of The Watchers, engage! El Elders from amongst you:

30 Send them one against the other that they may destroy each other in battle:

31 For [illegible] years is length of days shall they not have.

32 And as regards that thou spoke of you shall be granted unto them [illegible]. Behold, for they hope to live an eternal life, and that each one of them will live 500 years.

33 And ARIEL said unto Michael, go Michael, go bind Tamiel who is Semjaza, the head of the [illegible] Azazel, and all his associates who have united themselves with women so as to have defiled themselves with them in all

that revelations also the way in heaven.

94 And when that time hath also ended,

95 And they have seen the destruction of their beloved ones,

96 Then come forth the 70 generations in the valleys of Tiamat, the planet Earth,

97 To the day of their judgment with all their unrighteousness.

98 Till the judgment day is known and over is consummated.

99 In those days they shall be led out to the abyss of fire on the torments and flamings, the prison in the underworld in which they shall be confined forever.

100 And whosoever shall be condemned and destroyed will have themselves to be bound together with them to the end of all generations.

101 And destroy all the spirits of the reprobates and the children of the wanderers, the original 21 rebels because they have wronged the Adamites.

102 Destroy all wrong from the face of Tiamat, the planet Earth, and let every evil work cease to exist.

103 And let the elect of righteousness and truth appear, and they shall be planted in truth and light for ever more. And then shall all the righteous escape, and shall live till they begat thousand children.

104 And all the days of their youth and their old age shall they complete in peace.

105 And then shall the whole planet Earth be tilled in righteousness, and shall all be planted with trees and be full of blessings.

106 And all desirable trees shall be planted on it, and they shall plant vines on it;

107 And the vine which they plant

thereon shall yield wine in abundance. And as for all the seed which is sown thereon each measure shall bear a thousand;

108 And each measure of olives shall yield 10 presses of oil, and cleanse your Tiamat, the planet Earth, from all oppression,

109 And from all unrighteousness, and from all sin, and from all that is not worship ADAM;

110 And all the uncleanness that is wrought upon Tiamat, the planet Earth, shall be destroyed from all the planet Earth.

111 And all nations shall offer adoration and shall praise me, and all shall worship me;

112 And the planet Earth shall be cleansed from all defilement, and from all sin, And from all punishment, and from all torment

113 And I will never again bring upon it punishment or generations forever.

114 And in those days I will open the store chambers of blessing which are in The Great City Hebron, so as to send them down upon the work and labor of the children of Enos, for all Seth and Ayhaziah shall prosper and peace shall be scattered together throughout all the generations of Enos.

Adafa Visits Dr Abdi
(1914 A.D.)

Let Baba Abdi things which I have hidden, and let one of the children of Enos learn where he has hidden, and what is in it, and what his Secrets of Love

2 And he commanded to do this in the

[illegible]

[illegible] the original 24 elders, and let days vary with the Deacon, the holy righteous one.

5 And I, Adam, was hearing (Ch9), and I let the original 24 elders, the watchers called me, Adam, the scribe and they said to me:

6 Adam, you are the scribe of righteousness, go, declare to the original 24 elders, the watchers of The Great City Nibiru, the heavens who have left The Great City Nibiru, the High Heavens, the Most Exalted Place, and have come to the wickedness of the planet Earth so, and have taken unto themselves wives, [illegible] great fornication on Earth, the planet Earth.

7 And you shall have no peace and forgiveness of sin and in as much as each [illegible] themselves in their children.

8 The murder of their beloved ones shall they see, and over the destruction of their children shall they lament and shall make supplication unto eternity, but mercy and peace shall you not attain.

9 And Adam went and said, Azazel, you shall [illegible] peace.

10 A severe sentence has gone forth against you and you are to bonds.

11 And you shall not have toleration nor request granted to you.

12 Because of the unrighteousness which you have taught.

13 And because of all the works of abominations and the wickedness which you have shown unto the sons [illegible] and sin upon sin you and all who partake thereof to destruction.

14 Then I went and spoke to them all together, and they were all afraid, and fear and trembling seized them.

15 And they besought me to draw up a petition for them that they might find forgiveness.

16 And to read their petition in the presence of the elder ANOL.

17 From whence (forward) they could not speak nor lift up their eyes to the sky for shame of their sin for which they had been condemned.

18 Then I wrote out their petition, and the prayer in regard to their requests that they should have forgiveness and length.

19 And I went off and sat down at the waters of Dan, in the land of Dan, to the south of the west of Hermon. I read their petition till I fell asleep.

20 And behold, a dream came to me, and visions fell down upon me.

21 And I saw visions of chastisement, and a voice came bidding me to tell it to the sons of Nibiru, and reprimand them.

22 And when I had awakened, I came unto them.

23 And they were all sitting gathered together, weeping in Abel's pit.

24 Which is between Lebanon and Senesar, with their face covered.

25 And I recounted before them all the visions which I had seen to sleep, and I began to speak the words of righteousness, and to reprimand the original 24 elders the heavenly, the watchers.

26 The record of the words of righteousness, and of the reprimand of the wicked, the original 24 elders, the watchers to eternities with the removal of the holy ones as to the seed.

27 I saw in my sleep what I will now say with a tongue of flesh and with the breath of my mouth:

28 I swear on your goddess, and he on which is appointed that, that I was politics will not be granted unto you.

29 And from heaven to me shall not control unto "The Three Glory Nations" forever unto all eternity.

30 And of Tiamat, the prince Bunch the demons has gone from the blood was for all the days of the world.

31 And previously you shall have seen the consequences of your beloved ones.

32 And you shall live my pleasure in them,

33 But they shall fall before you by the sword.

34 And your portion on this behalf shall not be granted, and he no flow unto.

35 Even though you to up and just and speak all the words contained in the writing which I have written.

36 And the nation has shown to you them

37 Behold, in the vision I shall remind me and look on of the nation a voice summoned on.

38 And the cousin of El Nayanaa, "the sun "and the lightning, spoil and harvested up,

39 and the vision of the nation caused me to fly and I shall see upward, and hope me unto the sky.

40 And I away in all I drew sight to a wall in such a pitch of events.

41 And surrounded by conquest of fire and it began to affiliate me.

42 And I drew unto the vengeance of fire and drew sight to a large house which was built of crystals.

43 And the walls of the house were like I ventilated floor made of crystals.

44 And in groups on the side of crystal,

45 As calling was like the peak of El Nayanaa, "the fire" and the lightning and brimstone flash were fiery Guardians watching day and night.

46 If Tamiaq, he surrounded the walls and its pyramids blazed with fire.

47 And I ensured unto that house, and it was like as fire and cold as ice.

48 "There were no delights of the chamber that covered me, and trembling got hold of me.

49 And as I quaked and vacillated I fell upon my face.

50 And I beheld a vision,

51 And O! There was a revealed temple, coming unto the throne.

52 And the seven priests stood unto before me.

53 And in my hand of blades of fire.

54 And in every respect it is manifest in splendour and magnificence.

55 As priests that I am unto describe as you in splendour and in majesty.

56 And in front was of fire.

57 And about it were lightning, and the peals of El Nayanaa, "the sun."

58 And also, in calling was of Demons fire.

59 And I looked and saw mention a throne.

60 In appearance was as crystal, and the wheels within wheels, likened as Ariel, the shining one,

68 And a great fire stood before him,

69 And [illegible] would shine even [illegible] before him,

77 And I bowed my face low towards...

78 And he answered and said to me, and I heard his voice:

79 "Do not, Aqbiel, you are a righteous man and scribe of righteousness.

80 Approach here and hear my voice.

81 And go say to the Irin and [illegible] the watchers of heaven, who have left [illegible]

82 "You should intercede for humans and not humans should for you.

83 Wherefore you have left the high, holy, and eternal heaven,

84 And lain with women, and defiled yourselves with the daughters of men,

86 And though you were holy, spiritual, living the eternal life,

87 You have defiled yourselves with the blood of women,

88 And you have begotten with the blood of flesh,

89 And the children of Earth, have lusted after flesh and blood as those who die and perish.

90 Therefore have I given them wives that they might impregnate them,

91 And begat children by them, that there nothing might be wanting on earth for Earth.

92 But you were [illegible] spiritual, living the eternal life,

93 And [illegible] for all generations of the world.

94 And therefore I have not appointed wives for you.

95 For as for the spiritual ones of the heavens, in heaven is their dwelling.

96 And now, the giants, who produced for the spirits and flesh,

97 Shall be called evil spirits upon the earth, flesh and in it the spirits Earth shall be their dwelling.

98 Evil spirits have proceeded from their bodies.

99 Because they are born from Adamites, and with the original [illegible] children, the holy watchers is their beginning and primal origin.

100 They shall be evil spirits on Earth, and evil spirits they shall be called.

101 As for the spirits of Earth which were born upon the Earth,

102 On the Earth shall be their dwelling.

103 And the spirits of the giants afflict, oppress, destroy, assail, do battle, and

work Anunnaki on Earth and they came a-calling.

181 They take no hold, but carry darkness, magic and thieves, and leave offerings.

182 And these spirits shall rise up against the children of Adamah.

183 And I punish my enemies, because they have provoked terror upon.

184 From the days of the Deluge and destruction and death of the Nephilim from the seed of angels flesh the spirits, having gone forth, shall carry spiritual cursing judgment.

185 Thus shall they destroy mankind until the day of the consummation, the great judgment in which the age shall be consummated over the watchers.

186 And those who by no means [illegible], you shall be wholly consumed."

712 And now as for the magical Ea Eleven, the watchers who have sent you to surrender to them,

111 Who had been victorious in the Great City Nibiru, heaven,

112 You have been in The Great City Nibiru, heaven for all the ascended and angels have revealed to you.

113 And you have overtaken them, and them at the instance of our lords you have made known to the watchers, and through them unseen wisdom and unrighteousness [illegible] you have no place.

12 And went to the place where no birds walks.

13 I saw the movement of the darkness of night and the place wherein all the waters of the deep flow.

14 I saw the mouth of all the Rivers of Eternity, the planet Earth and the mouth of the deep.

15 I saw the fountains of all the winds. I saw how he had furnished with them the whole creation and the firmaments of Eternity, the planet Earth.

7 Then said Kabtiel, who knew the ways Christ one of the holy Anunnaqi, who was with me, and you could were there, and said: Adapa, why do you ask, and why do you open to the void?

3 Then Raphael answered, one of the holy Anunnaqi who was with me and

said unto me: These wicked spirits have been created for this very purpose, that the spirits of the souls of the dead should assemble themselves, and beg all the souls of the children of men should assemble here.

4 And these places have been made as mortal abodes till the day of their judgment comes upon them.

5 I saw the spirit of the children of men who were dead, and their voice went forth to the gates of heaven and made cry.

6 Then I asked Raphael and the angels [illegible] with me, and I said unto him, the spirit which cry, whose voice go forth and make cry?

7 And he answered me saying, this is the spirit which go forth from Abel, whom his brother Cain slew, and he make his cry against him till he end it establish from amongst the seed of Adam, the Adamites.

8 Then I asked regarding it, and regarding all the hollow places why it was separated from the other?

A Prayer of the righteousness, who [illegible].

22 You have to whip a horse, you have to [illegible] a donkey, and you have to [illegible].

23 If you answer a fool according, you are yet a fool at the second to make it.

24 Give a silly answer to a silly question, and the one who asked is not realize that he's one as clever as he thinks.

25 If you let a fool deliver a message, you neglect well our old boss over him, you're asking for trouble.

26 A fool can use a proverb often as well as a cripple could use his legs.

27 Refusing nonsense who is wasted

makes as much sense as tying a stone in a catapult.

28 A fool quoting a wise saying, reminds you of a drunk man trying to pick a thorn out of his hand.

29 An employer who hires any fool that comes along is only hurting everybody concerned.

30 A fool doing some stupid thing a second time is like a dog going back to its vomit.

31 The most stupid fool is better off than someone who thinks he is wise when he is not.

32 Why doesn't the lazy man ever get out of the house? What is he afraid of? Lions?

33 The lazy man turns over in bed. He gets no farther than a door swinging on its hinges.

34 Some people are too lazy to put food in their own mouths.

35 A lazy man will think he is more intelligent than seven men who can give good reasons for their opinions.

36 Getting involved in an argument that is none of your business is like going down the street and grabbing a dog by the ears.

37 A man who misleads someone and then claims that he was only joking is like a madman playing with a deadly weapon.

38 Without wood, a fire goes out; without gossip, quarreling stops.

39 Charcoal keeps the embers glowing, wood keeps the fire burning, and the trouble makers keep arguments alive.

40 Gossip is so tasty! How we love to swallow it!

41 Insincere talk that hides what you are really thinking is like a fine glaze on a cheap clay pot.

42 A hypocrite hides his hate behind flattering words.

43 They may sound fine, but don't have faith in him,

44 Because his heart is filled to the brim with hate.

45 He may disguise his hatred, but everyone will see the evil things he does.

46 People who set traps for others get caught themselves.

47 People who start landslides get crushed.

48 You have to hate someone to want to hurt him with lies.

49 Insincere talk brings nothing but ruin.

50 These are some of the wise suggestions,

51 That will keep you walking in the right path.

52 Solomon wise in all, but domestic affairs.

53 His best choice was Sheba.

54 His worst choice was Canaanites.

55 But Solomon himself was mixed, deluded and genetically tampered,

56 For David his father, who was also wise in many things, yet unwise in his choice of women, for he married Bathsheba.

57 So even the wise can do foolish things and affect the innocent. Be not a fool, but even worse, be not a wise fool. For a wise fool thinks himself wise when he is indeed a fool.

The 7 Mountains In The Northwest And Their Dy Light

5 And from Greece I went to another place on Tiberias, the planet Earth.

6 And he showed me a mountain range of fire which was huge, from day and shadow heavy.

7 And I saw beyond it and saw seven magnificent mountains all differing each from the other.

8 And the truest thereof was magnificent and beautiful magnificence as a whole, and of glorious appearance and fair exterior.

9 Then towards the sun, one boasted in the valley and above towards the north, was upon the valley.

10 And deep rough ravines, no one of which could with any other.

11 And the seventh mountain was in the middle of them, and is excelled them in height, resembling the seat of a throne.

12 And fragrant trees encircled the throne.

13 And amongst them was a tree such as I had never yet smelt, neither was any amongst them, nor were others like to

14 And fragrance and its leaves and blossoms and wood withereth forever;

15 And its fruit is beautiful and its fruits resemble the dates of a palm.

16 Then I said, how beautiful is the tree and the fragrance,

17 And its leaves are fair and its blossom very delightful in appearance!

18 Then answered Uriel-Ir, one of the Holy and Honored Archangels who was with me, and was their leader,

19 And he said unto me: Adapa, why do you ask me regarding the fragrance of the tree?

20 And why do you wish to know the truth?

21 Then I answered him, saying: I wish to know about everything, but especially about this tree.

22 And he answered, saying: This high mountain which you have seen,

23 Whose summit is like the throne of ADAI in his throne, whom the holy great one, the eternal ruler will sit,

24 When he shall come down to visit Earth with goodness,

25 And as for this fragrance: no one mortal is permitted to touch it till the great judgment,

26 When he shall take vengeance on all and bring everything to an unexpected finish.

27 It shall then be given to the righteous and holy.

28 Its fruit shall be for food unto elect;

29 It shall be transplanted to the holy place, to the temple of ADAI the eternal ruler.

30 Then shall they rejoice with joy and be glad;

31 And into the holy place shall they enter;

32 And its fragrance shall be in their

33 And they shall live a long life on Tiburon, as have those Kadmon lived.

34 And in their days shall no sickness or plague or torment or calamity touch them.

35 Then Adonai I, the eternal ruler, who have prepared such things for the righteous,

37 And have caused them and proceed to give to them.

38 Then shouted I, the Yahweh Of Till Aldegan of glory, the eternal ruler, who have prepared such things for the righteous people, and they shall not be troubled to give to them.

And Then It Was Said By Angels Of Wisdom

39 Heaven are made by the wisdom of women, but are destroyed by foolishness.

40 Be honest and you show like you have covenant for Yahweh of the Alchemy be darkness and you show that you do not.

41 A fool's pride makes him rich too much, a wise man's needs poverty like.

42 Whereas my oxen to pull the plough, your fields will be empty but with them it will be full of corn.

43 A reliable witness always tells the truth, but an unreliable one tells nothing but lies.

44 Covenant people may even become wise, but intelligent people learn easily.

45 Stay away from foolish people; they have nothing to teach you.

46 Why is a clever person wrong because he knows what to do? Why is a stupid person foolish? Because he only thinks he knows.

47 Foolish people don't care if they sin, but good people want to be forgiven.

48 Your joy is your song; your bitterness is your woe, no one can share them with you.

49 A good man's house will still be standing after an evil man's house has been destroyed.

50 What you think is the right road may lead to death.

51 Laughter may fade away. While happiness is gone, sorrow is often there.

52 Bad people will get what they deserve. Good people will be rewarded for their deeds.

53 A fool will have said to anything sensible people would have said.

54 Wise people are careful to stay out of trouble, but stupid people are cocksure and are easily fooled.

55 People with less cunning do foolish things, wise people remain sober.

56 Ignorant people get what their foolishness deserves, but the clever are rewarded with knowledge.

57 Evil people will have to bow down to the righteous and humble they shall have.

58 No man may own his employer, but a good man, like the rich, have many friends.

59 If you want to be happy, be kind to the poor; it is a sin to despise a person.

60 You will earn the love and respect of others if you work for good, if you work for evil, you are making a mistake.

61 Work, and you will earn a living; if you sit around talking, you will be poor.

62 Wise people are rewarded with wealth, but fools are known for their foolishness.

the Lords, when he left Ur, he became people.

48 Reverence for the unseen gives confidence and security to a man and his family.

49 Do you want to avoid death? Reverence for the unseen is a fountain of life.

50 A ruler's greatness depends on how many people he rules; without them he is nothing.

51 If you say ruin, you are wrong, but if you have a low temper, you only show how stupid you are.

52 Peace of mind, making the body healthy, is as pleasing to Him as prayer.

53 If you oppress poor people, you insult Him who made them.

54 The spoilt people are produced by over-indulgence.

55 Wisdom is to every thought of an intelligent man.

56 Fools know nothing about wisdom.

57 Righteousness makes a nation great, sin is a disgrace to any nation.

58 Rulers are pleased with competent officials,

59 But they punish them who fail them.

60 Leadership takes away sleep, power. And the more powerful we serve the Lord, for they may lead us into battles we cannot win.

63 Who were before you, knowing,

64 And they learned wisdom and their eyes were opened,

65 And they knew that they were naked and they were driven out of the garden.

66 And from thence I came to the ends of Tiamat, the planet Earth and saw there a great beast,

1st And from thence I went towards the north to the ends of Tiamat,

2 And there I saw a great and glorious throne in the midst of the whole world.

3 And here I saw three portals of heaven open in the heavens

4 Through each of these general winds issued, when they blow, three to each, east, west, south, north, and one.

5 And out of one portal they blow for good, but when they blow through the other two portals, it is with violence and affliction on Tiamat, and they blow with violence.

6 And from thence I went towards the west to the ends of Tiamat, the planet Earth.

7 And saw there three portals of the heavens open, such as I had seen in the east.

8 The same number of portals, and the same number of winds.

The Journey To The South

9 And from thence I went to the north to the ends of Tiamat,

35 To show the greatness of his work to the heavens and to spirits and to men,

37 That they might praise his work and all his creation

38 That they might see the work of his might,

39 And praise the great work of his hands and bless his forever.

1 Of The second name which he saw,

2 The secret of wisdom to each Adam,

3 The son of Jared,

4 The son of Mahalalel,

5 The son of Cainan,

6 The son of Enos,

7 The son of Seth,

8 The son of Adam saw.

9 And this is the beginning of the words of wisdom,

10 Which I lifted up my voice to speak,

11 And say to those which dwell on Yarmak:

12 Hear you sons of old time, and let your ears from afar,

13 The words of the Holy One which I will speak before the Adamid of spirits.

14 I will hence my declare to the sons of old time:

15 But you that show not come with me, nor will you withhold the beginning of wisdom

16 Till the present day, such wisdom has never been given by the Adamid of spirits as I have received according to my insight,

16 According to the good pleasure of the Adamid of spirits,

17 By whom the lot of eternal life has been given to me.

18 Now three parables were imparted to me:

19 And I lifted up my voice and recounted them to those that dwell on Yarmak

Table Twenty Two:
The Coming Judgment Of The Wicked
(39 c 1 w 18)

1 Of The last parable, when the congregation of the righteous shall appear,

2 And sinners shall be judged for their sins,

3 And shall be driven from the face of Yarmak, the glorious Lord.

4 And when the righteous one shall appear before the eyes of the righteous,

5 Whose elect works hang upon the Adamid of spirits,

6 And light shall appear to the righteous and the elect who dwell on Yarmak, the glorious.

7 Where then will be the dwelling of the sinners,

8 And where the resting place of those who have denied the Adamid of spirits?

9 It had been good for them if they had not been born.

10 When the secrets of the righteous shall be revealed and the sinners judged,

1 And now I say unto you my children AND, rejoice from the presence of the righteous and elect.

2 Praise then ring those that praises Tzaaan, the pious Earth,

3 Shall no longer be grounded and wasted,

4 And they shall not be able to behold the face of the holy.

5 For the Adonai of spirits has caused his light to appear.

6 On the face of the holy, righteous, and elect.

7 Then shall the rulers and the mighty perish,

8 And be given into the hands of the righteous and holy.

9 And hence forward, none shall ask for compassion mercy from the Adonai of spirits, for their life is at an end.

Enoch Parable Three
The Abode Of The Righteous And Of The Elect One: The Praise Of The Blessed
(37-71)

1 And it shall come to pass in those days that the elect and holy children will descend from the high heaven,

2 And their seed will become one with the children of men.

3 And in those days Arkiel received records of zeal and work and books of despair and supplication.

4 And mercy shall not be withheld to them, says the Adonai of spirits.

5 And in those days I, Enoch was called and was all those Tzaaan.

6 And he was shown to the seat of The Great City Of Nibiru, the heavens.

7 And there I saw another vision, the dwelling places of the holy.

8 And the resting places of the righteous.

9 There mine eyes saw their dwellings with his righteous Amalmiqi.

10 And their resting places with the holy.

11 And they petitioned and succeeded and prayed for the children of men.

12 And righteousness flowed before them as water.

13 And mercy like dew upon Tzaaan, that is amongst them forever and ever.

14 And in that place mine eyes saw the well-spring of righteousness and of faith.

15 And I saw his dwelling-place under the wings of the Adonai of spirits.

16 And righteousness shall prevail in his days.

17 And the righteous and mercy shall be without number before him forever and ever.

18 And all the righteous and elect before him shall be strong as fiery lights.

19 And their mouths shall be full of blessing.

20 And their lips shall extol the name of the Adonai of spirits.

21 And righteousness before him shall never fail.

22 There I wished to dwell, and my spirit longed for that dwelling place.

23 And there heretofore have been my portion, for so has it been established concerning me before the Adonai of spirits.

24 In those days I praised and extolled the name of the Adonai of spirits with blessings and praises.

25 Because he has destined me for blessing and glory according to the good pleasure of the Adonai of spirits.

26 For a long time my eyes remained that place, and I blessed him and praised

him, saying:

37 Blessed be he, and may he be blessed from the beginning and forever more.

38 And before him there's no morning,

39 He knows before the world was created what is tomorrow.

40 And who will be bold enough to ask questions.

41 Those who deny are blind you.

42 They could behold your glory and show praise and exult, saying:

43 Holy, holy, holy is the Adonai of spirits.

44 He filled Tziruf with spirits.

45 And here say you are all those who deny are:

46 They could behold him and him and up.

47 Blessed be you, and blessed be the name of the Adonai forever and ever.

48 And my face changed, for I could no longer behold.

The Evil Ones Abandoned, Adonai
(70 v 1 – 71)

Let Anah also that I saw thousands of thousands and ten thousand times ten thousand,

2 I saw a multitude beyond number and reckoning, who stood before the throne of spirits.

3 And on the four sides of the Adonai of spirits I saw four presences,

4 Different from those that stay not, and I learned their names.

5 For my Archangel who went with me, made their names known to me.

6 And showed me all the hidden things.

7 And I heard the voices of those four presences as they uttered praise before the Adonai of glory.

8 The first voice blessed the Adonai of spirits forever and ever.

9 And the second voice I heard blessing the elect one and the elect ones who hang upon the Adonai of spirits.

10 And the third voice I heard pray and intercede for those who dwell on Tziruf, and supplicate in the name of the Adonai of spirits.

11 And I heard the fourth voice fending off the Satan.

12 And forbidding them to come before the Adonai of spirits to accuse those who dwell on Tziruf.

13 After this I asked the Archangel of peace who went with me.

14 Who showed me everything that is hidden,

15 Who are these four presences which I have seen,

16 And whose words I have heard and written down?

17 And he said to me: this One is Michael, the merciful and long suffering,

18 And the second is put in charge

19 And this one is (the) Satan

Tablet Twenty Four:
The New Heavens And The New Earth
(69 v 1 – 71)

Let Anah also in the second parable concerning those who deny the name of the dwelling of the holy ones and the Adonai of spirits:

2 And also the heavens they shall not ascend,

3 And on Tziruf, they shall not come,

4 Such shall be (as) if the moon,

5 Who have denied the word of the Adonai of spirits.

6 Who are then preserved for the day of

suffering and tribulation.

7 On that day, mine elect one shall sit on the throne of glory.

8 And shall try their works.

9 And their souls shall grow strong within them when they see mine elect ones;

10 And those who have called upon my glorious name.

11 Then will I cause mine elect ones to dwell among them;

12 And I will transform Heaven, and make it a blessing and light.

13 And I will transform Earth, and make it a blessing.

14 And I will cause mine elect ones to dwell upon it:

15 But the sinners and evil doers shall not set foot thereon.

16 For I have provided and satisfied with peace my righteous ones.

17 And have caused them to dwell before me:

18 But for the sinners there is judgment impending with me,

19 So that I shall destroy them from the face of Heaven.

Tablet Thirty-Nine
The Holy Book Of Revelation
(20 v 2-10)

1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.

2 He laid hold on the dragon, that old serpent, which is the devil, and Satan, and bound him a thousand years,

3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

5 But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection.

6 Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.

7 And when the thousand years are expired, Satan shall be loosed out of his prison,

8 And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea.

9 And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.

10 And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever.

The Hand Of The Days And The Sun Of Radiation

6 And there I saw one, who had a band of fire,
7 And his hand was white like wool,
8 And with him was another being whose countenance had the appearance of a man,
9 And his face was full of graciousness, like one of the holy Archangels.
10 And I asked the Archangel who was with me,
11 And showed me all the hidden things, concerning that was of man, who he was, and what he was,
12 What he went to do, the hand of days?
13 And he answered and said unto me:
14 This is the son of man who have righteousness, with whom dwells righteousness,
15 And who reveals all the treasures of that which is hidden,
16 Because the Adonai of spirits is upright forever,
17 And this son of man whom you have seen,
18 Shall exalt up the rulers and the mighty from their seats,
19 And he shall break the teeth of the sinners,
20 And he shall pull down the rulers from their thrones and kingdoms,
21 Because they do not exalt and praise him,
22 Nor humbly acknowledge whence the kingdom was bestowed upon them.
23 And he shall put down the countenance of the strong,
24 And shall fill them with shame.
25 And darkness shall be their dwelling,
26 And worms shall be the bed,
27 And they shall have no hope of rising from their beds,
28 Because they do not exalt the name of the Adonai of spirits.
29 And these are they who judge El Nejaman,
30 The stars of the heavens,
31 And raise their hands against ANU The Most High,
32 And tread upon 1 and dwell upon it,
33 And all their deeds manifest unrighteousness,
34 And these shall perish one upon their pides,
35 And their land is of the darkness which have made their minds,
36 And they deny the name of the Adonai of spirits,
37 And they persecute the houses of his congregations,

8 And that the prayer of the righteous may not be in vain before the Adonai of spirits.
9 That the judgment may be done upon them;
10 And that they may not have to suffer forever.
11 In those days I saw the head of days,
12 When he seated himself upon the throne of his glory.
13 And the books of the living were opened before him:
14 And all his host which is in heaven above,
15 And his counselors stood before him.
16 And the hearts of the holy were filled with joy.
17 Because the number of the righteous had been offered,

23 And the wisdom of the Adonai of spirits has revealed to him for the holy and righteous.
24 Because they have loved and despised the world of unrighteousness.
25 And they have hated all unrighteousness
26 And work in the midst of the Adonai of spirits

heard.

12 And, when this turmoil took place
the holy ones from heaven remarked it,

13 The pillars of Tumur, the giant
lords were moved from their place,

14 And the seven heavens were heard
from the one end of heaven to the other,
in one day.

15 There shall all fall down and worship

The Revelation Of The Secret
(29:1-16:8)

1 (a) And I began to speak this third
parable concerning the righteous and
sinner.

2 Blessed are you, you righteous and
sinner for glorious shall be your lot.

3 And the righteous shall be as the light
of day, the sun.

4 And you shall be in the light of eternal
life, the days of which life shall be
unending.

5 And the days of the holy and mission
number.

6 They shall seek the light, and they
will find righteousness with the Almighty
in spirit.

7 There shall be peace to the righteous
in the name of the eternal Adonai.

8 Adonai Ilu-i shall be said to the holy
in heaven.

9 Then they should seek out the secrets
of righteousness, the language of holy.

10 For it has become bright to Adar,
the one spirit Tiamat, the glorious Earth,
and the darkness is past.

11 There shall be a light that never
vanishes, and in a time of days which has
ended,

12 Then the darkness shall have been
destroyed,

13 And the light of righteousness will be
established forever before the Adonai of
spirit.

The Light And The Thunder

14 In those days shall see and the
secrets of the lightning,

15 And of the lights, and the judgments
they execute and they will work.

16 And there are the secrets of the
heavens,

17 And how water is secret is shown in
the heaven,

18 The mount thereof in heaven, and it
ascended to be the judgment [illegible]
on Tiamat.

19 Wherein they do live will living and
blessing,

20 Or for a curse, according to the
words of the Adonai of spirits.

21 After all this, the secrets of the light
and lightning were shown to me,

22 And they lighten for blessing, and
for satisfying.

The Judgment Of The Righteous By
The Elect Ones

23 I saw in those days how iron, tools
were given to those Anunnaki,

24 And they took to themselves weapons
and fire,

25 And they went to all the earth.

26 I called the Anunnaki, saying unto
him:

37 Why have those Anunnaqi taken them and put forth evil

38 And he said unto me: They have gone to heaven.

39 The messenger who went with me said unto me:

40 And the signs of the righteous to the nations,

41 That they may see themselves in the mirror of the Adonai of spirits forever and ever.

42 The elder shall begin to dwell with the elders,

43 And those are the ones which shall be given to faith.

44 Which shall enlighten righteousness,

45 Those measures shall reveal all the secrets of the Angels of Heaven, the planet Earth,

46 And those who have been destroyed by the flood,

47 And those who have been devoured by the beasts,

48 And those who have been devoured by the fish of the Nun,

49 That they may repent and stay themselves on the day of the elect one,

50 For none shall be destroyed before the Adonai of spirits and none of the dwellers

51 And all who dwell above in the heavens received a command and power and one voice was in light like seven fire.

52 And all who dwell above in the heavens received a command,

53 And power and one voice and rule light like seven fire.

54 And that one with them is in words they brought,

55 And rectified and healed with medicine, and they were with one another and in the spirit of life.

56 And the Adonai of spirits place the elect one on the throne of glory

57 And he shall judge all the works of the holy above in the heavens

58 And in the balance shall their deeds be weighed,

59 When he shall lift up his countenance to judge their secret ways

60 According to the word of the name of the Adonai of spirits,

61 And their path according to the way of the righteous judgment of the eternal Adonai of spirits.

62 Then shall they all with one voice speak and bless,

63 And glorify and exalt and sanctify the name of the Adonai of spirits.

64 And in all measures of the love of the heavens

65 And all the holy ones above, and the love of ANU, the Elevated, Sanctified,

66 And [illegible] and all the Anunnaqi of power,

67 And all the Anunnaqi of praise[illegible]

68 And the elect one and the other planet of Taurus, the planet Earth and over the moon.

69 On that day shall they raise one voice

70 And bless and glorify and exalt in the spirit of faith,

71 And in the spirit of wisdom, and in the spirit of patience,

72 And in the spirit of mercy, and in the spirit of judgment and of peace,

73 And in the spirit of goodness, and shall all say with one voice:

74 "Blessed is he, and may the name of the Adonai of spirits [illegible], Be blessed forever and ever."

75 All who sleep not above in heaven shall bless him.

Tablet Forty One	Tablet 41

66 And the holy ones who are in heaven shall hear him,

67 And all the elect ones dwell in the garden of life.

68 And every spirit of light who is able to bless,

69 And glorify and exalt,

70 And bless your blessed name,

71 And all flesh shall beyond measure glorify,

72 And bless your name forever and ever.

73 For great is the mercy of the Adonai of spirits,

74 And he is long suffering, and all his works,

75 And all that he has created he has revealed to the righteous

76 And the elect, in the name of the Adonai of spirits.

Tablet Forty One
Judgment Of The Kings And The Mighty Adonai Of Righteousness
(53 c.3-57)

1 And then the Adonai commanded the rulers,

2 And the regions and the mighty,

3 And those who dwell on Tiamat, the primeval Earth, and said

4 Open your eyes and lift up your horns,

5 If you are able to recognize the Elect one.

6 And the Adonai of spirits seated him on the throne of his glory,

7 And the spirit of righteousness was poured out upon him,

8 And the word of his mouth slays all the sinners,

9 And all the unrighteous are destroyed from before his face.

10 And there shall stand up in that day all the rulers,

11 And the mighty,

12 And the exalted and those who hold Tiamat, the primeval Earth,

13 And they shall see and recognize how he sits on the throne of his glory,

14 And righteousness is judged before him,

15 And no lying word is spoken before him.

16 Then shall pain come upon them as on a woman in travail,

17 When her child enters the mouth of the womb,

18 And she has pain in bringing forth.

19 And one portion of them shall look on the other,

20 And they shall be terrified,

21 And they shall be overcome of amazement,

22 And pain shall seize them, when they see that son of man sitting on the throne of his glory.

23 And the rulers and the mighty,

24 And all who possess Tiamat, the primeval Earth shall bless,

25 And glorify and extol him who rules over all, who was hidden.

26 For from the beginning the son of man was hidden,

27 And The Most High Adonai preserved him in the presence of his might,

28 And revealed him to the elect,

29 And the congregation of the elect and holy shall be sown,

30 And all the elect shall stand before him on that day,

31 And all the rulers and the mighty and the exalted,

32 And those who rule Tiamat, the primeval Earth,

35 Shall fall down before him on their faces,

36 And worship and cry their hope upon the son of man,

37 And petition him and supplicate for mercy at his hands.

38 Nevertheless that Adonai of spirits will so grant them,

39 That they shall hastily go forth from his presence

40 And their face shall be filled with shame;

41 And the darkness shall grow deeper on their faces.

42 And he will deliver them to the Accusing for punishment.

43 To execute vengeance on them because they have oppressed his children and his elect.

44 And they shall be a spectacle for the righteous and for his elect.

45 They shall rejoice over them;

46 Because the wrath of the Adonai of spirits rests upon them;

47 And his sword is drunk with their blood.

48 And the righteous and elect shall be saved on that day,

49 And they shall never thence forward see the face of the sinners and unrighteous.

50 And the Adonai of spirits will abide over them;

51 And with them, son of man shall they eat,

52 And lie down and rise up forever and ever.

53 And the righteous and elect

54 Shall have risen from the earth,

55 And shall cease to be of downcast countenance.

56 And they shall have been clothed with garments of glory:

57 And they shall be the garments of life from the Adonai of spirits:

58 And your garments shall not grow old,

59 Nor your glory pass away before the Adonai of spirits.

Tablet Forty-Two
The Unending Repentance Of The Rulers And The Mighty
(67:2-38)

1 Let in those days shall the mighty and the rulers who possess Yarmen the ghost Birth implore him to give them a little respite from the Accusing of punishment,

2 To whom they were delivered,

3 That they might fall down and worship before the Adonai of spirits,

4 And confess their sins before him.

5 And they shall bless and glorify the Adonai of spirits and say:

6 Blessed is the Adonai of spirits and the Adonai of rulers,

7 And the Adonai of the mighty and the Adonai of the rich,

8 And the Adonai of glory and the Adonai of wisdom;

9 And illumined in every secret thing is your power from generation to generation.

10 And your glory forever and ever:

11 Deep are all your secrets and innumerable,

12 And your righteousness is beyond reckoning.

13 We have now learnt that we should glorify and bless the Adonai of rulers and him who is ruler of all rulers:

14 And they shall say:

15 Would that we had rest to glorify and give thanks,

16 And cookies our faith before the above!

17 And how we long for a little rest, but find it not!

18 We follow food upon to ask (Ninki) a rest.

19 And Night has vanished down before us.

20 And darkness in our dwelling place forever and ever.

21 [illegible] have not believed before him.

22 Nor glorified the name of the Anunnaki of spirits.

23 But our hope was in the prayer of our kingdom and in our glory.

24 And in the day of our suffering and tribulation he came to us.

25 And we find no regret for ourselves.

26 That our Adapa is true in all his works, and in his judgment and his glory.

27 And his judgment have an impact of passion.

28 And he [illegible] from before his face on account of [illegible] works.

34 And they shall be driven from his presence.

35 And the ground shall drink before his face in their midst.

36 Then spoke the Annunaki of spirits:

37 This is the ordinance and judgment with respect to the mighty.

38 And the rulers and the exalted and those who possess the plants' fruits before the Annunaki of spirits.

29 It is a creation that produces them, and an Anunnaqi molds them.

30 And this Anunnaqi is permanent.

31 And after that my grandfather Adah took hold of me by my left hand and raised me up.

32 And said unto me go for I have told the Adonai of spirits of existing this conversation on Eleven.

36 Because of the sentence which they have pronounced and shall come.

37 Tiamat, and those who dwell upon it shall be destroyed.

38 And there, they have no place of repentance forever, because they have shown them what was hidden.

39 And they are the damned, but as for you, my son, the Adonai of spirits knows that you are pure, And guiltless of this reproach concerning the secret.

40 And he has destined your name to be among the holy, and will preserve you amongst those who dwell on Tiamat.

2 Who are prepared to meet and to bring all the powers of the world,

3 Which are towards the Tiamat in order to bring judgment,

4 And destruction on all who dwell on Tiamat.

5 And the Adonai of spirits gave commandments to the Anunnaqi who were going forth,

6 That they should not cause the whole to rest but should hold them in check.

7 For these Anunnaqi were over the powers of the waters.

8 And I rose away from the presence of Adah.

10 And to the Address of spirits,

11 From amongst those who dwell on Earth.

12 And he was raised aloft on the chariots of the spirits

13 And his name vanished among them.

14 And from this day I was no longer numbered amongst them,

15 And he set me between the 2 wheels,

16 Between the north and the west,

17 Where the Archangel took the cords to measure for me,

18 The place for the elect and righteous.

19 And there I saw the first fathers and the righteous who from the beginning, dwell in this place.

(Ten Dream Visions On The Deluge)
(70 x 3 = 57)

1 (a) Now, my son Etanimmil, I will show you all my visions which I have seen.

2 Recounting them before you.

3 Two visions I saw before I took a wife, and the one was quite unlike the other:

4 The first while I was learning to write, the second before I took your mother. I saw a terrible vision.

5 And regarding these I prayed to the gods.

6 I did, and my father of the house of my grandfather Mahalalel,

7 I saw in a vision how the heavens collapsed and the Earth fell upon Tiamat.

8 And when it fell on Tiamat, I saw how Tiamat, was swallowed up in a great abyss.

9 And mountains were supported on mountains.

10 And hills were thrown on hills and high trees were ripped from their roots.

11 And floated [illegible] and sank in the abyss.

12 And there arose a wind, hitherto unheard, and I filled up on my chest, and said:

13 Tiamat, it destroyed!

14 And my grandfather Mahalalel awakened me as I lay near him.

15 And said unto me: why do you cry so, my son, and why do you make such lamentation?

16 And I recounted to him the vision which I had seen, and he said

when you
17 A terrible thing from you were, my son, and of great measure in your dream, when as to the secrets of all the sin of Tiamat.
18 It must not come to you these and be thus cast with a great destruction, and now,
19 My son, arise and make petition to the Adonai of glory,
20 Since you are a believer, that a remnant may remain on Tiamat,
21 And that He may not destroy the whole Earth.
22 My son, from heaven all this will come upon Tiamat,
23 And upon the earth there will be great destruction.
24 After that I arose, and prayed and implored and beseeched,
25 And wrote down my prayer for the generations for the world.
26 And I will show everything to you, my son Methuselah.
27 And while I had gone forth below and sent the natives,

32 Because he had made Abel to go down from the windows of the east,
33 And he ascended and rose on the face of the heaven,
34 And so one said keeps removing the path shown unto him.
35 And I lifted up my hands in righteousness and blessed the holy and great one,
36 And spoke with the breath of my mouth,
37 And with the tongue of flesh, which God has made for the children of the flesh of men,
38 That they should speak therewith, and he gave unto breath, and a tongue and a mouth that they should speak therewith:
39 Blessed be you, O ADAM, great and mighty in your greatness,

48 Nor turns away from your presence,
49 And you foreknow and see, and foreknow everything, and there is nothing hidden from you,
50 And now the angelic beings of your heavens are guilty of trespassing,
51 And upon the flesh of men abides your wrath, until the great day of judgment.
52 And now, O ADAM, great ruler, I implore and beseech you to fulfill my prayer, to leave me posterity on Earth,

4 So Joseph found favor in his sight and became his personal servant, and he made him overseer of his house and put him in charge of all that he had.

5 From the time that he made him overseer of his house and of all that he had, the LORD blessed the Egyptian's house for Joseph's sake; the blessing of the LORD was on all that he had, in the house and in the field.

6 So he left all that he had in Joseph's charge, and because of him he had no concern except for the food he ate.

Now Joseph was handsome in form and appearance.

7 And after these things his master's wife cast her eyes on Joseph and said, "Lie with me."

8 But he refused and said to his master's wife, "Behold, because of me my master has no concern with what is in the house, and he has put all that he has in my charge.

9 He is not greater in this house than I am, nor has he kept back anything from me except you, because you are his wife. How then can I do this great wickedness and sin against God?"

10 And although she spoke to Joseph day after day, he would not listen to her, to lie beside her or be with her.

11 But one day, when he went into the house to do his work and none of the men of the household was there inside,

12 she caught him by his garment, saying, "Lie with me." But he left his garment in her hand and fled and got out of the house.

13 And when she saw that he had left his garment in her hand and had fled out of the house,

14 she called to the men of her household and said to them, "See, he has brought among us a Hebrew to insult us. He came in to lie with me, and I cried out with a loud voice.

15 And when he heard that I lifted up my voice and cried out, he left his garment with me and fled and got out of the house."

16 Then she laid up his garment by her until his master came home,

17 and she told him the same story, saying, "The Hebrew servant, whom you have brought among us, came in to me to insult me.

18 But as I lifted up my voice and cried out, he left his garment with me and fled out of the house."

19 As soon as his master heard the story that his wife told him, saying, "This is the way your servant treated me," he became angry.

20 And Joseph's master took him and put him into the prison, the place where the king's prisoners were confined, and he remained there in prison.

21 But the LORD was with Joseph and showed him steadfast love and gave him favor in the sight of the keeper of the prison.

22 And the keeper of the prison committed to Joseph's hand all the prisoners who were in the prison, and whatever was done there, he was responsible for it.

23 The keeper of the prison paid no attention to anything that was in Joseph's charge, because the LORD was with him; and what he did, the LORD caused to succeed.

40 After these things the cupbearer of the king of Egypt and his baker offended their lord the king of Egypt.

2 And Pharaoh was angry with his two officers, the chief cupbearer and the chief baker,

3 and he put them in custody in the house of the captain of the guard, in the prison, the place where Joseph was confined.

4 The captain of the guard charged Joseph with them, and he served them. They continued for some time in custody.

5 And they both dreamed a dream, each his own dream, and each dream with its own interpretation, the cupbearer and the baker of the king of Egypt, who were confined in the prison.

6 When Joseph came in to them in the morning, he saw that they were troubled.

7 So he asked Pharaoh's officers who were with him in custody in his master's house, "Why are your faces downcast today?"

8 They said to him, "We have had dreams, and there is no one to interpret them." And Joseph said to them, "Do not interpretations belong to God? Please tell them to me."

9 So the chief cupbearer told his dream to Joseph and said to him, "In my dream there was a vine before me,

10 and on the vine were three branches. As soon as it budded, its blossoms came out, and the clusters ripened into grapes.

11 Pharaoh's cup was in my hand, and I took the grapes and pressed them into Pharaoh's cup, and placed the cup in Pharaoh's hand."

12 Then Joseph said to him, "This is its interpretation: the three branches are three days.

13 Within three days Pharaoh will lift up your head and restore you to your office, and you shall place Pharaoh's cup in his hand, according to the former manner when you were his cupbearer.

14 But remember me when it is well with you, and please do me the kindness to make mention of me to Pharaoh, and get me out of this house.

15 For I was indeed stolen out of the land of the Hebrews, and here also I have done nothing that they should put me into the pit."

16 When the chief baker saw that the interpretation was favorable, he said to Joseph, "I also was in my dream, and behold, three cake baskets were on my head,

17 and in the uppermost basket there was some of all sorts of baked food for Pharaoh, but the birds were eating it out of the basket on my head."

18 Joseph answered and said, "This is its interpretation: the three baskets are three days.

19 Within three days Pharaoh will lift off your head and hang you on a tree, and the birds will eat the flesh from you."

20 Now on the third day, which was Pharaoh's birthday, he made a feast for all his servants and lifted up the head of the chief cupbearer and the chief baker among his servants.

21 He restored the chief cupbearer to his position, and he placed the cup in Pharaoh's hand,

22 but he hanged the chief baker, as Joseph had interpreted to them.

23 Yet the chief cupbearer did not remember Joseph, but forgot him.

41 After two full years, Pharaoh had dreams, and behold, he was standing by the Nile,

2 and behold, there came up out of the Nile seven cows, attractive and healthy, and they fed in the reed grass.

3 And behold, seven other cows came up after them out of the Nile, ugly and thin, and stood by the cows on the bank of the Nile.

4 And the ugly, thin cows ate up the seven attractive, healthy cows. And Pharaoh awoke.

5 He fell asleep and dreamed a second time; and behold, seven ears of grain, plump and good, were growing on one stalk.

6 After them, behold, seven ears, thin and blighted by the east wind, were sprouting.

7 And the thin ears swallowed up the seven plump, full ears. And Pharaoh awoke, and behold, it was a dream.

8 In the morning his mind was troubled, so he sent and called for all the magicians of Egypt and all its wise men. Pharaoh told them his dreams, but there was no one who could interpret them to Pharaoh.

9 Then the chief cupbearer spoke to Pharaoh, saying, "I remember my offenses today.

10 Pharaoh was angry with his servants, and he put me in custody in the house of the captain of the guard, me and the chief baker.

11 We dreamed on the same night, he and I, each of us according to the meaning of his own dream.

12 A young Hebrew was there with us, a servant of the captain of the guard, and we told him, and he interpreted our dreams to us, giving an interpretation to each according to his own dream.

13 And as he interpreted to us, so it came about: I was restored to my office, and the baker was hanged."

14 Then Pharaoh sent and called Joseph, and they quickly brought him out of the dungeon. And when he had shaved himself and changed his clothes, he came in before Pharaoh.

15 And Pharaoh said to Joseph, "I have had a dream, and there is no one who can interpret it. Now I hear tell of you that when you hear a dream you can interpret it."

16 Joseph answered Pharaoh, "It is not in me; God will give Pharaoh a favorable answer."

17 Then Pharaoh said to Joseph, "Behold, in my dream I was standing on the banks of the Nile,

18 and behold, there came up out of the Nile seven cows, healthy and attractive, and they fed in the reed grass.

19 And behold, seven other cows came up after them, poor and very ugly and thin, such as I have never seen in all the land of Egypt.

20 And the thin, ugly cows ate up the first seven healthy cows,

21 but when they had eaten them no one would have known that they had eaten them, for they were still ugly as at the beginning. Then I awoke.

22 I saw also in my dream seven ears growing on one stalk, full and good,

23 and behold, seven ears, withered, thin, and blighted by the east wind, sprouting after them,

24 and the thin ears swallowed up the seven good ears. And I told this to the magicians, but there was no one who could explain it to me."

25 Then Joseph said to Pharaoh, "The dreams of Pharaoh are one; God has told Pharaoh what he is about to do.

26 The seven good cows are seven years, and the seven good ears are seven years; the dreams are one.

27 The seven lean and ugly cows that came up after them are seven years, and also the seven empty ears blighted by the east wind are seven years of famine.

28 It is as I told Pharaoh; God has shown to Pharaoh what he is about to do.

29 Behold, seven years are coming of great plenty throughout all the land of Egypt,

30 but after them seven years of famine will arise, and all the plenty will be forgotten in the land of Egypt, and the famine will consume the land.

31 And the plenty will be unknown in the land because of the famine following, for it will be very severe.

32 And the doubling of Pharaoh's dream means that the thing is fixed by God, and God will shortly bring it about.

33 "Now therefore let Pharaoh look for a discerning and wise man, and set him over the land of Egypt.

34 Let Pharaoh proceed to appoint overseers over the land, and take one fifth of the produce of the land of Egypt during the seven plenteous years.

35 And let them gather all the food of these good years that are coming and lay up grain under the hand of Pharaoh for food in the cities, and let them guard it.

36 That food shall be a reserve for the land against the seven years of famine to come upon the land of Egypt, so that the land may not perish during the famine."

37 The proposal pleased Pharaoh and all his servants.

38 And Pharaoh said to his servants, "Can we find a man like this, in whom is the Spirit of God?"

39 Then Pharaoh said to Joseph, "Since God has shown you all this, there is none so discerning and wise as you are.

40 You shall be over my house, and all my people shall order themselves as you command. Only as regards the throne will I be greater than you."

41 And Pharaoh said to Joseph, "See, I have set you over all the land of Egypt."

42 Then Pharaoh took his signet ring from his hand and put it on Joseph's hand, and clothed him in garments of fine linen and put a gold chain about his neck.

43 And he made him ride in his second chariot. And they cried before him, "Bow the knee!" Thus he set him over all the land of Egypt.

44 Moreover Pharaoh said to Joseph, "I am Pharaoh, and without your consent no one shall lift up hand or foot in all the land of Egypt."

45 And Pharaoh called Joseph's name Zaphenath-paneah. And he gave him as wife Asenath the daughter of Potiphera, priest of On. So Joseph went out over the land of Egypt.

46 Joseph was thirty years old when he entered the service of Pharaoh king of Egypt. And Joseph went out from the presence of Pharaoh and went throughout all the land of Egypt.

47 During the seven plenteous years the earth produced abundantly.

48 And he gathered up all the food of the seven years when there was plenty in the land of Egypt, and stored up food in the cities; in each city he stored up the food from the fields around it.

49 And Joseph stored up grain in such abundance, like the sand of the sea, that he stopped measuring it, for it was beyond measure.

50 Before the year of famine came, Joseph had two sons born to him. Asenath the daughter of Potiphera, priest of On, bore them to him.

51 Joseph called the name of the firstborn Manasseh: "For God has made me forget all my hardship and all my father's house."

52 The second he called Ephraim: "For God has made me fruitful in the land of my affliction."

53 The seven years of plenty that there was in the land of Egypt came to an end,

54 and the seven years of famine began to come, just as Joseph had said. There was famine in all lands, but in all the land of Egypt there was bread.

55 When all the land of Egypt was famished, the people cried to Pharaoh for bread. Pharaoh said to all the Egyptians, "Go to Joseph; what he says to you, do."

56 So when the famine had spread over all the land, Joseph opened all the storehouses and sold to the Egyptians, for the famine was severe in the land of Egypt.

57 Moreover, all the earth came to Egypt to Joseph to buy grain, because the famine was severe over all the earth.

42 When Jacob learned that there was grain for sale in Egypt, he said to his sons, "Why do you look at one another?"

2 And he said, "Behold, I hear that there is grain for sale in Egypt; go down and buy for us there, that we may live and not die."

3 So ten of Joseph's brothers went down to buy grain in Egypt.

4 But Jacob did not send Joseph's brother Benjamin with his brothers, for he feared that harm might befall him.

5 Thus the sons of Israel came to buy among those who came, for the famine was in the land of Canaan.

6 Now Joseph was governor over the land. It was he who sold to all the people of the land. And Joseph's brothers came and bowed themselves before him with their faces to the ground.

7 When Joseph saw his brothers, he recognized them, but he treated them like strangers and spoke roughly to them. "Where do you come from?" he said. They said, "From the land of Canaan, to buy food."

8 Although Joseph recognized his brothers, they did not recognize him.

9 And Joseph remembered the dreams that he had dreamed about them. And he said to them, "You are spies; you have come to see the nakedness of the land."

10 They said to him, "No, my lord; your servants have come to buy food.

11 We are all sons of one man; we are honest men; your servants have never been spies."

12 But he said to them, "No, you have come to see the nakedness of the land."

13 They said, "We your servants are twelve brothers, the sons of one man in the land of Canaan; the youngest is now with our father today, and one is no more."

14 But Joseph said to them, "It is as I said to you; you are spies!

15 By this you shall be tested: as surely as Pharaoh lives, you shall not leave this place unless your youngest brother comes here.

16 Send one of you, and let him get your brother, while you remain in prison, that your words may be tested, whether there is truth in you; or else, as surely as Pharaoh lives, you are spies."

17 And he put them all together in prison for three days.

18 On the third day Joseph said to them, "Do this and you will live, for I fear God:

19 if you are honest men, let one of your brothers remain confined where you were confined, but you, go and carry grain for the famine of your households,

20 and bring your youngest brother to me. So your words will be verified, and you shall not die." And they did so.

21 They said to one another, "Truly we are guilty concerning our brother, in that we saw the distress of his soul when he pleaded with us, and we would not hear; therefore this distress has come upon us."

22 Reuben answered them, saying, "Did I not tell you not to sin against the boy? But you would not listen. Now there comes a reckoning for his blood."

23 They did not know that Joseph understood them, for there was an interpreter between them.

24 He turned away from them and wept. Then he returned to them and spoke to them. And he took Simeon from them and bound him before their eyes.

25 Then Joseph gave orders to fill their bags with grain, to restore every man's money to his sack, and to give them provisions for the journey. This was done for them.

26 Then they loaded their donkeys with their grain and departed.

27 And as one of them opened his sack to give his donkey fodder at the lodging place, he saw his money. It was in the mouth of his sack.

28 He said to his brothers, "My money has been restored; here it is in my sack." Their hearts failed them, and they turned trembling to one another, saying, "What is this that God has done to us?"

29 When they came to Jacob their father in the land of Canaan, they told him all that had befallen them, saying,

30 "The man, the lord of the land, spoke roughly to us and took us for spies of the country.

31 But we said to him, 'We are honest men; we have never been spies.

32 We are twelve brothers, sons of our father; one is no more, and the youngest is now with our father today in the land of Canaan.'

33 Then the man, the lord of the land, said to us, 'By this I shall know that you are honest men: leave one of your brothers with me, and take grain for the famine of your households, and go your way,

34 and bring your youngest brother to me, then I shall know that you are not spies but honest men. Your brother I will release to you, and you may trade in the land.'"

35 As they emptied their sacks, behold, each man's bundle of money was in his sack. When they and their father saw their bundles of money, they were afraid.

36 And Jacob their father said to them, "You have bereaved me of my children: Joseph is no more, and Simeon is no more, and you would take Benjamin. All this has come against me."

37 Then Reuben said to his father, "Slay my two sons if I do not bring him back to you. Put him into my hands, and I will bring him back to you."

38 But he said, "My son shall not go down with you, for his brother is dead, and he alone is left. If harm should befall him on the journey you are making, you would bring down my gray hairs with sorrow to Sheol."

ABRAHAM AND SARAH

GENESIS 11:27 – 12:5

Tahrir (Ur)

Tahrir (Ur)

27 Now this is the account of Terah's family line.

Terah became the father of Abram, Nahor and Haran. Haran became the father of Lot.

28 But Haran died while still in his father Terah's native land of Ur of the Chaldeans, in the land of his birth.

29 Abram and Nahor married wives. The name of Abram's wife was Sarai, and the name of Nahor's wife was Milcah; she was the daughter of Haran, who was the father of Milcah and Iscah.

30 Now Sarai was childless because she was unable to conceive.

31 Terah took his son Abram, his grandson Lot, the son of Haran, and his daughter-in-law Sarai, the wife of his son Abram, and they left Ur of the Chaldeans to go to the land of Canaan. But when they came to Haran, they settled there.

32 Terah died in Haran at the age of 205.

12:1 The Lord had said to Abram, "Leave your country, your family and your father's house and go to the land that I will show you.

2 I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing.

3 I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you."

4 So Abram left, as the Lord had told him; and Lot went with him. Abram was seventy-five years old when he set out from Haran.

5 He took his wife Sarai, his nephew Lot, all the wealth they had accumulated and the people they had acquired in Haran, and they set out for the land of Canaan, and they arrived there.

the king of Sodom.

[23] "I have sworn to the LORD God Most High, Creator of heaven and earth,

[24] that I will not take a thread or a sandal strap or anything that belongs to you, lest you should say, 'I made Abram rich.'

[25] I will accept nothing except what my young men have eaten and the share that belongs to the men who went with me—Aner, Eshcol and Mamre. Let them take their share."

Abram's Return

[26] The Amorites (Hebrew: Emorites) fought the people of Sodom.

[27] Sodom was defeated and plundered, and Lot, Abram's nephew, with all his goods, was taken away.

[28] The Hebrew Exodus had moved them from the land of Abram's times.

[29] Moreover, word had spread around about Abram and that he was coming to the Vale again.

[30] Rhoda started panicking as well, and together, and realized the plague carried, coming upon her kingdom because of Sarai.

[31] He then realized the one last Abram's plan to do to his life.

[32] Then, afterwards, the Pharaoh summoned Abram, and said: "What is this that you have done to me?

[33] Why did you not tell me that she was your wife/sister/sister-wife?

[34] Why did you say, 'She is my sister,' so that I took her to be my wife/sister-wife?

[35] Now therefore here she is, my wife/sister-wife; take her and go your way."

[36] So the pharaoh gave his servants charge concerning him, and they sent him away, with his wife and all that he had.

[37] And Abram departed from Pharaoh, returning "home" there toward the way of the plains Sodom of the south.

[38] And he dwelt between Luz (now "Bethel") and Ai, unto the place "and there "where he had at the beginning,"

[39] And unto his command was Abram's dwelling place in Hebron, a town south of Gaza, dedicated the oaks of Abrahelon.

[40] Now the Philistines are from Caphtorim, who are from Mizraim.

[41] But on another occasion when he arrived again, visiting Damascus, he very distant...

[42] He was obliged to give one tenth of all he owned with him to the priesthood there.

[43] He found it necessary to carry out a many days in a city where he was a stranger, once again.

[44] Abram ignored all his obligations which Sarai was concerned.

[45] When the officer presented a servile to see Abram's sake.

[46] "Suppose the officer (concerned) leave it upon it.

[47] Abram begged him again to put it unopposed.

[48] And the officer then again to give him your sister or all he wanted, so it is many dishes with gold and jewels.

[49] The officer listened, not seeing the contents of the chest when he found Sarai.

[50] He was to demand for the money

now he was back with him at the Oaks of the plateau, exploring what had happened.

111 The plateau's history. Abraham's homecoming commenced. Abram's and separated of him.

112 Why is the mother whose has any with you?"

113 Abram thanking for would his gone to Lord, it he revealed the words, replied,

114 "She is my sister?" and Abram said that Sarai the confidence, wife is my sister.

115 Abimelech in Lot's I Great were, and took Sarah to set Haran.

116 But the Abraham, moved the Elohim came to Abimelech in a dream at the dead of their darkness.

117 And he said to him, behold, you are about to die.

118 Because of the female living being whom you took Allon by Mercy.

119 Because [illegible] Abraham's protection. Now Abimelech did not have sex with Sarah.

120 He said, O Adonai, my master, will you kill even a Zadiqim righteous of a gentile nation?

121 Abram did tell me, she Sarah is his sister!

122 And she, even she herself said, he Abram is my brother.

123 In the integrity of my heart and the innocence of my hands I have done this.

124 And The Almighty said to him, Abimelech, in the dream,

125 Yes, I know that in the integrity of your heart you have done this.

126 And I also withheld you from going wrong against me.

127 Therefore I did not let you touch her.

128 And Abimelech rose early in the daylight hour, and called all his slaves and told all these Elohim in their ears.

129 And the [illegible] in [illegible] very afraid.

130 Then Abimelech called Abram and said to him, What have you done to us?

131 What have I done [illegible] to you, brought now.

132 That you have brought on me and on my kingdom as old wrongs?

133 You have done deeds to me you should not have done.

134 And Abram said to them, I thought,

135 Surely the fear of the Almighty was not in this place.

136 And they will kill me for his wife's sake.

137 And moreover she, Sarah is indeed my sister, the daughter of my father, but not of my mother, and she became my wife.

138 But my daughters of my mother Nature, meaning "abundant stone" for she had been touched by the hand of the Almighty and that daughter appeared in the womb of her that took on illness with daughters and sons then.

139 And she, Sara became my confidence, wife.

140 And so even, then when the Adonai caused me to wander from my father's House.

141 That I said to her, This is the kindness which you shall show to me.

142 In every place where we shall come, say of me, he is my brother.

143 And Abimelech took sheep and oxen, and male slaves and women slaves, and gave them to Abram.

144 And returned him Sarah his confidence, wife.

145 And Abimelech said, here are my [illegible] land is in front of you

[illegible]

[illegible]

167 And unto Sarah he said, Behold, I have given you besides a thousand pieces of silver.

168 Behold, it is for you a covering of the eyes to all that are with you.

169 And thus you are found innocent.

170 And Abram judged in the Abraham.

171 And the Abraham looked Abramelech, and his wife/slaves, wife, and his concubines, and they had children also that.

172 Because Yahweh Adonai did bring up all the wombs of the house of Abramelech because of Sarah, Abram's wife/slave, wife.

The Commandment To Wear Veils

173 For this AND unto the Assyrian Ishmael to call unto Abram can tell how that the women of his world would possess veils/beauty.

174 That is/they are to carry them so there but from that they forward the women would be ordered to wear the face veil at all times in the presence of those males that were ready and eligible to be with child, even at the risk of the gates of strength. Also, though were a face veil and a head covering over their bosoms to possess these from men of strangers.

175 Thus, he said will beg the mentioning ordeal of "her" name removed, and are to flame your eyes to ANE's chosen daughters.

176 The face veil became law one to be noticed, by any one of righteous [illegible]

177 Abram journeyed to the mountains a place where there was neither water nor cultivation

178 accordingly he dug a well there

179 The water flowed up to the surface of the well

180 that he had gone to the mountains had brought

181 And [illegible] a spirit Abram between him, and any childhood friends

188 Meanwhile the father, Terah became ahead and as distance known he left to go up further into the mountains

189 He was moved by signs and sought heaven

190 He was crying to spit Heaven about the approach of Abram

191 When Abram witnessed they called their friends

192 He asked some he was to see and Sarah informed him that they had taken away of the others by bad brought.

193 He was astonished to the removal parent of LYLIS & LYLIS EL.

194 He kept some of the wings for remembrance, and he would the

[illegible] When they found that the battle had disappeared, he was much surprised and saddened.

[illegible] When they had been received and entertained.

[illegible] Those who had undertaken the mission to [illegible] and rescue the prisoners, etc.

Abram And Lot

[illegible] And Abram went up out of Egypt, he, [illegible] and all that he had.

[illegible] And Lot went with him, [illegible] the south.

[illegible] And Abram was very rich in cattle, in silver, and in gold.

[illegible] And he went on his journeys from the south even to Bethel, to the place where his tabernacle had been at the beginning, between Bethel

[illegible] To the place the continuing unsaid for [illegible] which he had made there at first: and there Abram called on the name of Yahweh.

[illegible] And Lot also, who went with Abram, had flocks, and herds, and tabernacles.

[illegible] And the land of Lot's fellow-[illegible] was not able to bear them, that they might dwell together: for their substance was great, so that they could not dwell together.

[illegible] And there was a strife between the herdsmen of Abram's cattle and the herdsmen who [illegible] with the plain of [illegible] Lot [illegible] and the Perizzite [illegible] dwelt then in the land.

[illegible] And Abram said unto Lot, Let there be no strife, I pray you, between me and you, and between my herdmen and your herdmen; for we be brethren.

[illegible] Is not the whole land before you? [illegible] from me: if you will take the left hand, then I will go to the right; or if you take the right hand, then I will go to the left.

[illegible] And Lot lifted up his eyes, and beheld all the plain of Jordan, that it was well watered everywhere, before the Lord destroyed Sodom and Gomorrah, even as the garden of the Lord, like the land of Egypt, as you come unto Zoar.

[illegible] Then Lot chose him all the plain of Jordan; and Lot journeyed east: and they separated themselves the one from the other.

[illegible] Abram dwelt in the land of Canaan, and Lot dwelt in the cities of the plain, and pitched his tent toward Sodom.

The Men Of Sodom

[illegible] Now the [illegible] of Sodom, which means "a burning place" caused also to [illegible] were before very disagreeable and sinners against Yahweh exceedingly.

218 And Yahweh said unto Abram, after he was separated from Lot, unto Sh'ay-rim, "Lift now from the place where you are northward and southward and eastward and westward;

219 For all the land of the good Earth which you see with your physical eyes, to you I will give it, and to all of your seed forever.

220 And I will make all of your seed as the dust of the earth; so that if any being should number the dust of the earth, then also your seed will be numbered.

221 Rise, walk about in the land of the plain; Earth is to be bought and in the middle of it the town you will have."

222 Then Abram removed his tabernacle, and came to settle in the valley of Mamre, which is by Hebron, and he built an altar there unto Yahweh.

250 And they took Lot, Abram's brother's Haran son, who dwelt in Sodom.

251 And they took the goods and departed.

252 And there came one that had escaped and reported all this to Abram the Hebrew, the one who stood near the Oaks of Mamre "lament" the Amorite, brother Eshcol.

253 Who was living near a tumuli here in the plain of Mamre "lament" the Amorite, brother Aner.

254 And the brothers Eshcol "cluster" and his brother Aner "a young man" And these were the allies of Abram.

259 He and his servants, that smoted them.

260 And pursued them to Hobah "hearth" that lieth [illegible] north of Syria.

261 Which is on the left hand of Damascus.

262 He [illegible] had to [illegible] back [illegible] Abram.

263 And he brought back all of the goods.

264 And also brought back his brother Lot and his goods and the [illegible] people.

9 That I will not take a thread nor a shoe latch lest anything that is yours, or you would say, I have made Abram rich:

10 Save only that which the young men have eaten, and the portion of the Amorites that went with me, (Aner, Eshcol, and Mamre let them take their portion.

Abram Receives A Covenant

11 After these things had been done, the saying of Yahweh came to Abram in a vision, Yahweh made himself known, saying, "Fear not, Abram: I am your shield, your reward [a countless gain]."

12 And Abram said, "O Adonai, Master of Mine, Yahweh what can you give to me, while I am departing so childless, Eliezer [Eli is my help] of the house of Damascus is my help?"

13 And Abram said, "Here, to me you have given no seed: And, lo, the son of my house [slaves or other possessions] of mine:

14 And, behold, the word of Yahweh to him saying, "This one shall not take possession of you now, but he that will come forth out of your own body will take possession of all you own."

15 And he brought him outside, and said, "Look now toward the heavens, and count the stars, if you are able to count them:" And he said to him, "Thus will your seed be!"

17 And he said to him, "I am Yahweh that brought you out of the land of the planet Earth of Ur "the flame," the center of seven satellites in southern Babylonia of the Chaldees, "demons," to give you this part of the planet Earth to take possession of it.

18 And he said, "O Adonai, Master of mine Yahweh, how will I know that I will take possession of it?"

19 And he said, Adonai, "Take to Me three heifers, take but one calf three years old, and a she goat 3 years old, and a ram 3 years old, and a turtle dove, and a young pigeon."

20 And he, Abram, took him, Adonai,

all kinds of things, and cut them in two pieces in the middle, and laid each half over against the other; but the birds he did not cut in two pieces.

11 And the birds of prey came down upon the carcasses, and Abram drove them away.

12 And when the sun was about to go in, Abram was in a deep sleep; and a horrible darkness overcame him.

13 And Yahweh said to Abram, "Know this for a fact, your blood will be sojourners in a land that is not theirs, and they will enslave them and oppress them for 400 years.

14 And the people whom they serve as slaves I will condemn, and afterward they will leave with great wealth.

15 [1] Yahweh of the Hebrews [Yahweh] will judge [and rule] this, they will come out of bondage with great wealth."

17 And he said this, "You will go to your fathers in peace.

18 You will have your beautiful wife in a good old age. She will be in the Hebrew today.

19 And in the fifth year [4] from [Abram's] family,

Hagar And Ishmael
(Gen 16–21)

1 And now Sarai "princess" [Abram's] wife, could not give birth to him, and she had a female servant of Egypt whose name is Hagar, meaning "handmaiden" [and]."

2 And then Sarai said to Abram, "Behold now, Yahweh has shut me up from having [to] give birth. I beg you, go to my female servant. I beg you, Abram, with my slave girl.

3 Perhaps I will obtain children for my sake of her." And Abram agreed to the plan of Sarai.

4 And then Sarai, Abram's wife, took Hagar the Egyptian, as her slave girl, after Abram had lived [10] years in the land of the Amorites [and]

Canaan and she [illegible] her to Abram as he [illegible] to be his wife.

4 And [illegible] Hagar [illegible] and she became pregnant.

5 And when she saw that she became pregnant, her mistress despised in her sight.

6 And [illegible] said to Abram, "My injustice is your fault!

I gave my slave girl [illegible] and when she saw that she became pregnant I became despised in her sight. Yahweh judge between you and me!"

7 But Abram said unto Sarai, "Here your slave girl is in your hands.

Do to her that which is agreeable in your sight. And Sarai put her down and Hagar ran away from her face.

8 And then the messenger of Yahweh found her by a fountain of water in the wilderness, by the fountain in the way to Shur. And he said, "Hagar, Sarai's slave girl, where did you come from? And where are you going?"

9 And she said, "I am fleeing from the face of my mistress Sarai."

10 And the messenger of Yahweh said to her, "Return to your mistress and show yourself to be put down under her hands."

11 And the messenger of Yahweh said to her, "I will greatly multiply your seed, so that it will be uncountable, so that it will not possibly [illegible]."

12 And the messenger of Yahweh said to her, "Behold, you are pregnant, and will give birth to a son and you will call his name Ishmael, meaning 'El will hear,' because Yahweh has heard your affliction.

13 And he will become as a wild ass among humans.

His hand will be against everyone, and everyone's hand against him; and he will live in the face of all his brothers."

14 And she Hagar called the name of Yahweh, the one who spoke to her, El Roi, for she said, "Is it [illegible] who sees with a present eye?"

15 Therefore everybody called the well Beerlahairoi, meaning 'well of the living one who sees me.' It is between Kadesh, the holy place, and Bered, the place of hail."

16 And then Hagar gave birth to Abram's son, and Abram called the name of his son, whom Hagar gave birth to, Ishmael.

17 And Abram was 86 years old, when Hagar gave birth to Ishmael for Abram.

The Covenant Of Circumcision

17 And when Abram was 99 years old, Yahweh came to Abram and said to him, "I am El Shaddai. Be [illegible] Mine and walk before me, and be complete.

2 And I will make my covenant between me and you, and I will multiply you exceedingly."

3 And Abram fell down on his face. He prostrated with his face on the ground and the Yahweh spoke with him, saying,

4 "As for me, [illegible] my covenant is with you, and you will

peoples.
39 Neither will you any [illegible] called by
your name, Abram, from [illegible]
because Abram, because you are a father
of many nations of peoples. I have
appointed you.
40 And I will make you [illegible] still

peoples of you, and [illegible] will [illegible]

41 And I will [illegible] my covenant

[illegible] where you are a stranger, all the
places [illegible] that is Canaan, for an
everlasting possession. And I will be

43 And the Yahweh said to Abram,
"You will keep my [illegible], "covenant,"

their generations.
44 This is my covenant, which you will
keep between me and you and your seed
after you: Every male among you will be
circumcised.
45 And you will be circumcised in the
flesh of your foreskin. And it

and you.
46 And [illegible] 8 days old will be a

48 He that [illegible] in your house, and
he that is bought with your money,
must be circumcised: and my covenant
will be in your flesh for an everlasting
covenant.
49 And as for the uncircumcised male
being [illegible] whose flesh of his
foreskin is not [illegible] in [illegible]

off from his people. He has
broken my covenant."
50 And the Yahweh said to Abram, "As
for Sarai your wife, you will
not call her name Sarai, for Sarah is
her name. And I will bless her, and
also give you a son of her. Yes, I will bless her,
and she [illegible] nations. Kings of peoples
[illegible] will [illegible] of her."
51 Then Abram fell upon his face, and
laughed, and said in his heart, "Will a child
be born to [illegible] years old? And will Sarah, [illegible]
90 years old, bear?"
52 And Abram said to the Yahweh,
[illegible], "Oh that Ishmael
might live before you!"
53 And the Yahweh said, "Indeed Sarah
your wife shall bear [illegible]
him.
54 And you will call his name [illegible]
meaning, "he laughed," called
Yanking and [illegible]
55 And I will establish my covenant
with him for an everlasting [illegible]

56 And as for Yishmael, I have heard
you. Behold, I have blessed him,
57 And I will make him [illegible] and

I will establish my covenant 12 which will be my [covenant]
20 And I will appoint [the] [covenant]
20 And [my] covenant will I establish with Yitzhaq, whom Sarah will bear to you at this season in the next year.
22 And He finished talking with him, and God went up from Abraham.
23 And Abram took Yishmael his son, and all those born in his house, and all those bought with his money, every male among the people of Abram's house,
24 And he circumcised the flesh of their foreskin in the very same day, as God had told him.
25 And Abram was 99 years old, when he was circumcised in the flesh of his foreskin.
26 And Yishmael his son was 13 years old, when he was circumcised in the flesh of his foreskin.
27 On the same day Abraham was circumcised, and Yishmael his son,

8 Then Abimelek said to the other Gerarites,

9 "The sanctuary of priest has not moved. Abram dwelled a while to build the priest of prophecy."

10 Then Abimelek answered, Abram making Abram Abram's invitation.

12 Therefore, Abram was distressed, but then remembering

13 "Be not afraid, for we are Amorites [ungrateful] beings, who have been ordained by the supreme council to destroy the people of Sodom and Gomorrah."

14 Lot came from Ur, a small [a Mesopotamia].

15 Lot lived the same way [1] like as Abram, which is "the priest," and he received a portion where he felt that he could teach the people on his way.

16 Lot said, "Abram I want to go with you this valley where to build pasture and [a] to my own house."

17 And Abram, the commanding patriarch [as he was picked to Lot and let him go.

18 Then, Lot went off to the wicked cities of Sodom and Gomorrah.

19 The people of these cities were wicked and committed evil sins publicly.

20 Lot took his belongings, which Abram owned, and the Bible meaning "well provided." Tablets which were discovered in The Nil Mandiki, meaning "the Ark of Mandiki" a cultural mark of Uruk, or Warka, a city in Mesopotamia. These Tablets were given by Abram Amos Mandiki, and they become the Torah "the" of Moses, which was recorded in the Torah of Moses (Genesis day), which Moses gave to the Lord and Lot encouraged for up for him. "Mandiki" meaning, the Mandiki Torah from the Tell Mandiki, it has to be mistaken for the Torah or Torat of Moses.

22 Lot took the Religion of Amos, and was in such a bad way.

23 Moreover, he was not like Abram.

24 Abram began to worry about Lot.

25 He knew Lot [as] was [a] sinner and [a] very ignorant.

26 (Ex) So [a] he wouldn't care for Lot or him, so [a] Lord has not [a] [a].

27 Then, when the Amorites went to Lot, he sought to intercede for Lot.

28 The Sumerians said, "If I find in Sodom 50 righteous in the city then I will spare all the place for their sake."

29 Abram said "Behold now, I have taken upon me to speak to the Lord, myself [a] dust and ashes.

30 Perhaps there will be 5 of the 50 righteous [a] people, will you destroy all the city for lack of 5?"

31 And he said "I will not destroy it [for] for (Ex)." And he, Abram said,

32 "Oh let not the Lord be angry, and I will speak [a] once more, and I will speak:

33 Perhaps there will be 10 found there."

34 And he said I will not do it [a] Lord, (Ex Abram). And he went his [a] way, [a] Lord [a] Abram [a] to speak to [a] Abram, my master.

35 Perhaps there will be 20 found there. And he said I will not destroy it for

return's sake.

19 And he said unto him, See now, I have accepted your request also in this thing, that I will not destroy it for the ten's sake.

20 Perhaps 10 will be found there. And he said, I will not destroy it for the 10's sake, for the Adahmi wished that the kingdom of Lot had vanished and took that great city began to overrule the wickedness of that city through Lot's mercy. If not 10, then 9; if not 9, then 8; if not 8, then 7; if not 7, then 6; if not 6, then 5; if not 5, then 4; if not 4, then two. For all the seed of Shiloh. The upright portion in his genealogy before the Yahweh of the Adahmi.

21 And Yahweh went his way, as soon as he had stopped speaking with Abram. And Abram returned to his place.

22 Yet, was there one praying person found in the city? [Heb]

23 Even Lot was not righteous in that there were not his own daughter's that had sold to hell and married, as it got out from his sleeping in enough the consent that within city.

24 And the 2 messengers Abimelech, Shemi and Raphael came to Sodom in the evening time.

25 And Lot on his table gave of Sodom and Lot are Jesus and would eat by night things.

26 And he prevailed heavily with the two messengers Flesh.

27 And Lot said, behold now, my Adonai, my master, turn aside,

28 I beg thee, to your servant's house at young, and tarry all night, wash your feet.

29 And you will rise up early and go on your way. And they said, no, but we will remain in the open place all night.

30 And he prevailed them strongly, and they came in to him and entered into his house.

31 And he made them a feast, and baked unleavened bread, and they ate.

32 But before they lay down, the men of the city of Gomorrah, of which are the whole of Gomorrah were the Sodom of Sodom, surrounded the house, both young and old.

33 And they Sodom called to Lot and said,

They sharply reproach us and have in their mind that we may know them and the word they used was "knowledge" and means "in bring them to engage in consensual sex" and has nothing to do with sexual orientation, for these people were not being tempted for their sexual preferences but rather as the distinction between the angels and Adonai, whether they could find 10 righteous there in the righteous, that is a feeling in had nothing to do with their sexual preferences.

35 And Lot went out to the door unto the door way, and shut the door behind himself, for he did not want his wife and his daughters to hear what he was saying to these men.

36 And he Lot said, I beg you, my brethren, do not act this wicked or disgraceful. All I have unto two daughters [Ophra and Sharon] and let me bring them out to you and deliver them to you.

The Sacrifice

15:1 After Yinkay showed 4 years, 3 months, and 3 days old, Gabriyel told Abram take unto your son, your only one whom you love Yinkay.

2 And go to the land of the place Kush of Mmuk shall be by Yahweh and take him up there for an appointed offering upon one of the mountains which I will tell you of.

3 And Abram [illegible] in the daylight hour and built his [illegible] of the young ram with him. Mala Yahweh is obtained," just Elba Yinkay is young" and also Yinkay he was.

4 And he saw the wood for the appointed offering.

5 And rose up and went to the place of which the Alohim had told him.

6 And on the third day Abram lifted up his eyes and saw the place far off.

7 And Abram said to his people Wait and Elisa remain here with the ass.

8 I and the lad Yinkay will go to that mountain, up there, and look it as well go [illegible] and come again to you.

9 And Abram took the wood of the appointed offering and laid it upon Yinkay his son, [illegible].

10 And he Abram took in his hand the wood of fire and the knife.

11 And they went both of together and Yinkay spoke to Abram his father and said, my father and he said here I am your son, and Yinkay said here is the fire and the wood but where is the ram for the sacrificial offering.

12 Abram said to Yinkay "If my son I assure that I was sacrificing a ram, come look straight at me and tell me where are you in this dream."

13 Yinkay said "My father you are ordered by, you will look me it is pleasure to [illegible] of the ram you are willing."

14 And Abram said the Alohim will appear and provide the lamb himself for an appointed offering my son.

15 So they went both of them together and they came to the place of which the Alohim told him Abram of.

16 And Abram built the altar there and laid the wood on the altar and bound Yinkay his son.

17 And laid him on the altar upon the wood, and Abram stretched forth his hand and took the knife to kill his son.

18 And the messenger of Yahweh called unto him from the skies and said Abram, Abram.

19 And Abram said here I am, and the messenger said don't lay on your hand upon the lad neither do anything to him.

20 For now I know that you fear the Alohim, seeing you have not withheld your son, your only one from me.

21 And Abram raised up his eyes and looked and saw behind him a ram caught in the bush by his horns.

22 And Abram went and took the ram and offered it up as an appointed offering instead of his own son.

23 And Abram called the name of that place Yahweh Yireh, the which is said to this very day as of that message was Yahweh will be provided in the mountain and [illegible] shall be provided.

18 Fin This Was a great challenge, for never before in the world of Adam was there a human sacrifice.

19 And Satik thought that Abram had become deranged and disagreed with his understanding.

20 But Abram took his son and went his way to where both of them surrendered themselves. Abram put his face toward the ground.

21 Surely he called out to him saying: "O Abram, surely you have confirmed the truth of this vision.

22 Now surely, like this my servant those of you who do good." Surely this was a clear trial, and indeed we ransomed him with a sacrifice by splitting the throat, a ram a splitting thing.

23 And we left this recorded in history about him, Abram, from right and the truth of all things. So peace be upon you Abram, like that we will reward those who do good.

24 Surely Abram was of our servants, the faithful. It is the kind who lies and says it was Yisrael our servant that was to be cut when the truth is that it was Yitzhaq.

25 And we gave him good news of Yitzhaq as being a confidence from the prophesiers.

And This Is How This Event Was Commemorated In The School Of Mathematicians.

The special event is called Eid Al Adha. Eid Al Adha is a celebration commemorating the unchanging of Abram to sacrifice his beloved son in the name of his Adonai Jehovah, the instance thereby showing the supreme example for love, devotion and the fear of Jehovah, symbolizing the ram that was replaced for Yitzhaq and how it was slaughtered upon this is why we have in the form of Eid Al Adha Ancestors lessons of the manifestation of faith and courage as exhibited by Abram, many nations, almost persons is required to offer a sacrifice, as a sign of faith, on the face of sacrifice. On the daylight hours of this day as they celebrate it, we have a Khutbah a sermon, speaking of the event.

20 After overcoming this, the Archangel appeared to him saying:

81 And to invite the inhabitants of the world to make their pilgrimage to the House of El.

82 When Abram had completed his journey and arrived in the second place.

103 When the edifice was completed, Abram and Yisra'El finished and prayed El.

104 When they finished this ceremony, they said:

105 "O EL as custom was to be the most wise, and the bestower of prayers."

106 Gabriyel ascended and observed them at the completion of their prayers.

107 He taught them the ceremonies of pilgrimage, as well as the necessary things that are done at Mount Arafat.

108 The evening and the day of Terwia, the morning of 'amma and the sacrifice.

109 After Abram and Yisra'El had visited the house of El and performed the ceremonies.

79 Abram appointed his son Yisra'El as spokesman over the whole region, and gave him instructions on how to administer.

71 He no more called it Bekka, but called it Makka.

72 When he was about to return to his native country.

73 He ascended on the top of Mount Arafat and looked toward Syria.

74 He looked at the direction of the country surrounding Makka.

75 His blessed mind was occupied with thoughts of Yisra'El and his descendants.

78 Whose heart is written with promises to him by his prophetic light.

79 He considered how each event and every thing formed.

80 The revelation that appeared to his enlightened gaze were known, without name or gate.

86 He brought that Yahweh-El and no other was in any multitudes.

87 When he had completed his supplications,

88 He went to the sanctuary and was again overjoyed by a heavenly voice to invite the inhabitants of the world to visit the Lords the Right.

89 For they the House of Building is built also inviting all people to it, should belong to him.

90 Hermes, Abram also asked:

91 "How far will my voice reach?"

92 And the Almighty said,

93 Do you hear, and I shall bring the invitation to you."

94 Abram then returned to his place, which became large like a mountain.

95 He then turned his face towards Sodom and received a final vision.

96 "ALLYON ALLYON EL" he, by his breath and gaze.

97 Declared me or I shall a house for you.

100 Obey the command of ALLYON ALLYON EL quickly.

101 Then your pilgrimage may be accepted.

102 Then your endeavors may be approved, and your transgressions forgiven."

103 Then he turned to the east and to all points of the horizon repeating the same invitation.

104 Which were answered from every direction on the world.

105 "My words your behalf."

106 And it was repeated round about.

107 And, when he finished, was the disposition of India.

58 He Sleekly could take the seraphim and put it in his dwelling.

59 No one else could see it until the way he could not be accused of this worshipping.

60 The friend of Adula and Hayhi worshipped the seraphim which was the idol of "Bael."

61 The old name looked like a maiden man, in fine sight, and the ancient seraph resembled Adula.

62 Thus, the personal seraph of strong lost his friend companion Adula was greatly appreciated.

63 Sleekly created the seraphim in his dwelling so that no one could see it.

64 Every day and dark period he stayed c... in order to blow on the gate of losing his friend Adula.

65 Nevertheless Sleekly suddenly died of a broken heart because he pained his seraphim Adula, which the idol could not replace. for Adula was from the creation.

66 The people who had not seen Sleekly for several days entered his dwelling place and found him dead in front of the seraphim.

67 Hayhi then took the form of a man so that he could know the people who had encountered at when they found the covenant slave, the savior Adula and his loyal friend Sleekly carried their blessings from worshipping their.

68 The people then followed that Adula and Sleekly prayed to the idol Bael.

69 Hayhi, or the evil one answered their prayers.

70 Hayhi convinced these people that the powerful Adula had overcome people, to cause the men to fully to come the people to grow and to heal the sick, all come from the liar that Adula and Sleekly worshipped the seraphim.

71 So the deceptive nature of Hayhi allowed all the people and they all began to commune Bael causing idolatry to spread throughout the world.

72 Universal worship was the cause of the people worshipping trees.

73 Baalism was placed into a worshipping and every place they traveled they would every location.

74 Idol worship and incorrect worship spread throughout the land until the time of Enoch and Babylon, because a invasion the nations of the people or ruler the depraved nature of the household with them.

75 Later on, great nations kings and seraphim build an dominion which they ruled.

76 And consequently Baal followers did the same Idol worship with love.

11 In the end I will call the Ten out of the light to consume the Earth and all that live on it.

12 And all the land knows Noah for he was to be Adam again.

13 The Earth is to grow out of his seed.

14 He was a perfect man, but out of his son's son, came the seed of Enyhil on Earth, called Canaan.

15 When man was to spread the seed of the Jews on the Earth shedding blood.

16 They are without any mercy, living cruel with bigotry.

17 And out of them Moses was sent into the land of Canaan to clean up the bigots, yet failed.

18 The Earth cries due to the debt it will again filled with evil.

19 But Unnikkidan was loved by the Earth in our life.

20 And Enyhil knew he was born in the time when he, Unnikkidan was revealed.

The Descendants Of Kadmus

21 According to Adam's calendar, Unnikkidan was born in the year 6086 A.C. in Lemuria,

22 The son of Methuselah and Enoychia.

23 Unnikkidan's wives were named Kathyna Wada and Hanna.

24 Adhamic wife up to the Birth by a generation has still brought seed from the way of Adam.

31 What concerned him about A'LYUN A'LYUN El, The Most High The Highest,

32 And his mission as a newsbearer of A'LYUN A'LYUN El.

33 As a child, the Annunagi Nunga (Gabriyel) would spend time playing with him.

34 Before he revealed to him, his mission as a newsbearer of A'LYUN A'LYUN El.

35 The Annunagi Nunga gave him an unseen seed.

36 And told him to plant it.

37 And one day in the future he would know his purpose.

Jhen Migration
(70 x 14=280)

Ref: When you go back a number to 6 the descendants of Unnikkidan carried all to great.

2 There were 2 migrations.

3 The first migration and the second which are referred to as the old and the new migrations.

1 I should say now's it heavenliest is
not older than them, but it is not
explained.

2 The first migration is where they
moved into what is called Egypt today,
originally called Tamerika meaning
'Land Of Re'.

3 After the main migration was the so-
called old migration and the new.

4 The old migration was where
Tamerikaians must move out of
Africa as they Asiatic race what is called
Africa today.

5 So they moved to there and settled in
the land.

6 One of the most called Migrate
before Egypt which is originally called
Tamerika, the Hebrews call it Mitzrayim
in their Torah, the Christians call it
Aegyptus in their Gospel, the
Muslims call they is their Quran to
say the land inhabited by the Nubians,
Sudanese

7 Another one whose name was Cush
inhabited the land which became known
as Ethiopia. The Hebrews call it Kush
in the Torah, the Christians call it
Aethiopia in their Gospel, and the
Muslims falsely call a Habashi in the
commentary of their Koran, which is
actually not a Yemenite tribe called
Habasha.

8 Another one, Hazy, Ford is the one
that became known as Punic Arrica.

9 And another one, Phut, Ifyrit is an
area that became known as Libya and
when they mixed with the Tuareg called
Tamazight today and this is how the place
was set up.

10 The first people to Libya were the
children of Phut and her wife Lo, which
is where the name Libya is derived from.

11 These people occupied the land west
of northern Africa, west of Egypt.

12 The other Libyan people migrated
from Egypt through Cushite and
Lehabite.

13 Then it Phut's descendants are also
found across the continent of Africa
from Somalia to Senegal.

14 Ludim and Lehabim had occupied
parts of Egypt and the southern of
Palestine as Hamitic people.

15 The Ludim were dark brown
skinned, mostly kahrel people.

16 Concerned with the Nubian tribes,
are their forebears Lehabites.

17 Lehabim means "Burning." The
Lehabites are considered one of Libya's
most prominent tribes and is grouped
with the Libyans who descended from
Phut.

18 They were close relatives of the
ancient Egyptians and Cushites

19 The Lehabites are another tribe of
Libyan peoples who were descendants of
Phut and his multiethnic wife, Lo

20 They were an ancient Hamitic people
and they lived in north Africa west of
Egypt, or what is called Cyrenaica or
Libya today.

21 The Phoenicians and Greeks
eventually drove away the Lehabites to
the desert and the mountains.

22 Where they remained and are now
known as the Berber Berbers and the
Kabyles which are the Algerian Berbers.

23 The Libyans were a very Big people
were consistently seen as fierce
warriors.

24 These people, along with the sea
peoples, such as the Philistines, joined
forces to fight against the Pharaoh
Merneptah, son of Ramesses II and were
later with the Pharaoh Ramesses III.

25 The sea peoples are tribes only first

up the coast of the Mediterranean sea.

-7 Those invasions, led by the Libyan commander Meryey, took the name

-8 Some modern Shaldi might indeed have arrived as prisoners of war and later became slaves.

-9 From the Libyans who succeeded from Pha-ra-mun the great ruler Shishonk, son of Nemrat. He was also known as Pharaoh Shishonq I.

-10 He arrived at a powerful military commander of Egypt with the necessary forces in this city as allies and descendants of the Egyptians.

-11 The Libyans were paid to build pyramids which they settled in Lower Egypt with their families.

-14 As the Libyans increased in their power in Lower Egypt they became rivals of the religious men and the rulers.

-15 It was since this Shishonk united control over both upper and lower Egypt.

-16 This happened with numerous conflicts.

-17 Shishonk became the founder of the Libyan dynasty that ruled over Egypt.

-18 With his supporters with spears, swords in his right hand.

-19 He sought to unite Egypt with the many faithful rulers of Libya and other peoples who inhabited the northern Nile country into a close relationship.

-20 And so came a changing and divided country, such that would Libya and Egypt be classified as the Pharaoh nation that they once were.

-21 The mighty and powerful Shishonk reigned in that time, with the great rebellions.

-22 Moreover, in the year 845 B.C. after the death of the Prophet Solomon,

-23 Shishonk conquered Judah and Israel.

-24 Shishonk was able to conquer these countries because Israel [illegible] of Nine and nine of the 10 tribe nations were in constant strife with each other.

-25 And the land was filled with wickedness and transgression.

-26 Shishonk was able to conquer the cities of the powerful Shishonk, Shishonk was able to take these into possession unopposed for defense.

-27 The Pharaoh Shishonk captured and destroyed many cities and carried off treasures of the temple and palace.

-28 With his spoils it was for war able to establish his powers.

-29 Details of this campaign have been found on the wall of Amon's temple in Karnak.

-30 The Libyans participated largely in Shishonk's army. They also formed with the Ethiopians the bulk of Zerah's army.

-31 Zerah was a Ethiopian Pharaoh of Judah.

-32 As the Romans and Phoenicians came over Libya, they intermixed with the original people, the proud Libyans.

-33 Therefore the Libyans practiced today a mixed of numerous customs and peaceful migrations.

-34 The mixture of Libyans, with Greeks, Romans, and Persians explains the features of Libyan today.

-35 The Libyans such as Shoshonk Kashiff and his fellow Libyans do not look like the other common Arabs.

-36 Formerly their features were more towards today's Sicilians who are located in the mediterranean part of Italy and Corsicans.

-37 Who are inhabitants of a Greek island in the Mediterranean sea.

-38 The Ladies and Lebabies all considered to what we know as Libya

He for us and all other people that is were more our original land, Tanaalu.

13:8 While were called Kawaldy tribes their land were led. And the disappearance of the sun disappearing behind the horizon was symbolic of death.

13:9 And so here is represented the nature of the symbolic of the resurrection of the sun. So you can plainly see there that religions were born from four original traditions.

13:10 Most of these past and worshipped God which is respect for the universe and the planet and so the Lord is for the people.

13:11 The Hindus from Indians came across the Bering Strait and moved to north North America, they moved North called the Eskimos who are Mongolians the Mongoloid.

13:12 So you have these Hindu Indians moving in with the Eskimos and travelling called Sat the Maya or Sarasvati today.

13:13 The Mayan descended the original Olmec and Cherokee Egyptians were Olmec traditions of magic, dance, and children, sacrifices to their gods who were the Republics of the Empire, called Dogle, meaning "Light Bringer Beings".

13:14 Gunnarsson they say the invasion of the Hittites and their spreading blood plus groups of people have spread forth and to their intermingling.

13:15 Enoch, the son of Yaqeq and Jethrian, and also the sons of Yaqeqeb was a direct descendants of Abram.

13:16 Biblically named his son with Hanoch and Hanoch married. They belonging about the biblical tribe of people known as the Edomites, who

how the name of Mongoloid Lao.

13:17 Now the interweaving you how various nations that bear the features of this race. There are a number of the Edomites. There is the Hittites Edomites, and the Biblical journeys. The most Edomite is the Biblical name for the Mongoloids. The Biblical Edomites came by way of Jesus the son of Isaac and Rebecca Esau, and we speak with Mongoloids because he married his self with the Canaanite and this was going against the commandments as found in Genesis 28:1 and 28:6, which was a commandment from The Most High Himself not to go near with his father for giving his blessings to the firstborn Jacob instead of him (Genesis 27:33-39). He named his self with these Canaanite tribes, and a curse was placed on him through his generations and the family eventually were to go to Mount Seir (Genesis 36:8). When they went to Mount Seir, they were already there living in Mount Seir. These people were the Shaggoth who are tall, very pale from the Swiss-Star Constellation and the Dogmatic who are short and heavy with coarse Black Body Hair, both they called Hittite. They eventually lived and joined with the Terah who were also of tall stature who came in the eastern and formed a branch of Mongoloid race. The Terah are very close as were the Hittites and also about Orlando. The marriage of the Terah and the Shaggoth caused a decline of 47 dimensional consciousness, also is reversibly called Dwarf Syndrome. The Terah discriminate because it is small

different than that of marriage that the nations owned that domain. The Britannic are an old-world name that means A Tory and the Shaggies also Dalai Tenzo also mixed in with the Mongolics and the causes the charms called Elementary, where the study is fully covered with that. This is very common among the Shaggoloids today.

In fact in the marriage of the Hopi Native Americans, they adopted the customs of the Shaggies in Nigeria which they call Mahatma. They believe that Mahatma is the greatest spirit person who walks the surface of this earth. He stated that "He is "The First, The Last, The Eternal." They believe that Eighteen are here first, then any human beings were planted here. The Venusians who built their cities which they call the Maggoty Ant, which refers to the soldiers ants. Only they are not a monkey, and by is not a cross, he is a god, and the most powerful human-type manifestations on the surface of the Earth. They also call them the almighty god in India. The Hopi's it is believed that in 1998 and... Eighteen started talking to people in Europe and America in intelligible words. Ordinarily, he communicates by thoughts or with visions, dreams, or as a body language translation called automatic writing/speech. He or she receives these from the high mountains and especially in broad daylight at the edge of Mesquite. The Native Americans say that he is really giving an inner experience to those women so she can see that he's here... and hears the voices America's response. It's the beginning of the fulfillment of his prophecies that he would come back in a resurrected glorious spiritual body.

The Edomites are thought to have come from the Caucasians because they moved and mixed in with other flavors that were already living in Mount Seir. These Serites were of the opposite gene. It is also no coincidence that the Hebrew word the Star of Sirius and means "Hairy People"; and the Shaggies were hairy beings. So you is your mind that Esau is only the Biblical Mongoloid or Edomite race. There were Mongoloids living way before Esau. And these Mongoloids were a mixture of the Pre-Adamic the Shaggies.

[5] Esau's offspring or right his wrong then married an aboriginal named Mahalath, she was also called Basemath, the daughter of Ishmael and Sirius Adamic Esau's most loving accomplishment with other tribes of Nubian descent as well, who having migrated to other parts of the world, brought about a new classification of people.

[6] Among various lands or their acquisitions, and substance of their cattle.

[7] Which came from a province with the world's people called Peor who live in various locales of the planet Earth.

[8] Some of which came relative and lived in Mount Seir, where they stood as with Esau's children.

[9] Giving the Children a larger house and a larger share of intelligence than ours.

[10] Being children of correspondent house which the Jews originally came from beyond the stars.

[11] Their land because of different circumstances to go forth to their children.

[12] Their inheritance caused from marriage matters of known or light or pilgrimage, and dark.

128 And their last groups would have caught up many of the early to arrive of the earlier colonies.

129 These ages are only different as to how they knew a certain type life. It was like the Twenties here.

130 But These have a very disagreeable thing unpleasantly mixed in the place Earth with the wrong and problem Down's Syndrome.

131 The children that were in the land at that of the Hundredths (the Most Black Angels, members of Darkanthus came And then have stored staged reels, which can again be found only in Chronicle and Future Announcements). There are many cases such as Jamaica, Bermuda, Indonesian, Alaskans.

132 Negroes, Americans, Malaysians, and many other peoples of Nonagenius minds.

133 When the Descendants through history, of ships and with colors Asian and Western, Of African colors.

134 As the Ethiopian, migrated was into Africa they mixed with the Africanoids and Liberal-Ice riders that were Adapted by the Colonizers who had intermingled with the Guardians.

135 The Nine beams in Nubia resulted in a number important from these were built in strands of color and and movement. They came over a place that was more called "The Land Of Frogs", and they called the place in their Creation language Libia, which means "To Go Somewhere for Vacation." Libia because Atlan, making it that, and it signified North America and beyond that was Inside Atlantis, and Plato the Greek historian called the "Tin" and present Atlantis.

136 Which was "North and South Americans prior to their appearance which occurred when a continental drift took place.

137 The Colonizers were commissioned by the Lords with ones on the north and ones on the south.

138 Gaaamar have a man named Khan Khan Mana Mana, ruler of the West African region of Mali in the 14th century A.D., but he was to find his people, he called upon to them (from a speech of his half brother Abubakari. Mana Khan Khan Mana spoke from the shores of Africa in search of his half brother Abubakari, who was Gaaamar. A number of way of various peoples inhabiting a certain area of the right mountain valley of Western Africa the way the Guardians had up with the slavery of his people by Arabs and their religious laws like his brother. Abubakari, his half brother was the Emperor of Mali, he was the grandson of a daughter of Sundiata. Sundiata was the founder of the Malian Empire and he ruled for 25 years. Khan Mana Mana came over Antarctica he brought to the society Salt and Wealth. This the Seychellois brought in the names El and Al and the Turanic peoples brought in the names Ingi and the Yoruba name Zeus.

139 When he returned to the shores he had encountered a new people the Edenites of the Ra Nations who were descendants from the Chronic.

140 These Edenites had mixed their and with the original Martians, who were of Nubia African, or descendants from the planet Nibiruia.

141 These Khan Mana Mana took a civilization of prominent leaders of the Pilgrim people.

142 These are your original Maya. They were brought to what is called latitude of Central America. The stories

Figure 347

recognized the Olmec traditions and kept on to their Chinese traditions of Virgin Mount and Shifting satellites as their gods who were the Kingdoms of the Degrees called Virgin, meaning "Light Water Rising" by the Sukuma from Malaia today to the Olmecs and there they are still living that. They made boats to them and sent them with some with the wise tales to the area of what is now Vietnam, Phnom Penh, Gulam Malay Etc. When they got there, there were people already there that had run in with the Malay, the Chinese and the Far Indians to this side. The Mayans stayed in and worked with these people. They set up new civilizations, but most commonly known as the Angkor, in the Central Plain of Cambodia, also called Kampuchea. They erected giant stone huge stones called Negas, Asian snakes and mountain spirits of the Khmer empire, which they got from the Indians. The Naga, the called Nagas and Naga, were a representation of ancient Egyptians, Hindus, Southeast Asians and Chinese.

141 Some of these tribes migrated further into South America and from there, their descendants migrated to North America and became known as Native Americans or American Indians.

142 The names are given to them Spanish called by Christopher Columbus.

143 These people inhabited various areas in North America. Another movement migration of the Siberian tribes from Northeast Asia came across the Bering Strait.

144 They migrated down Idaho up into central Asia through North east and central Asia along the Bering Strait.

145 They moved down through Alaska and into North America. They became known as Eskimos, a mixed of Native Americans.

146 All of these Indians that inhabited the Americas are from a branch of Mongolian stock.

147 And although they may have mixed their seed with various other stock and blood as their varying facial features and body structures, they have certain common features.

150 The very primitive societies across that these Indians have in their customs.

151 Their love of mysticism, glory and nobility.

152 What's good is that they have what is called "Indian hair," which remain.

153 When you look at a cross section of a strand of your hair under a microscope you will see that it is in a circular form.

154 Which is interconnected, not a solid, I mean, it may be hollow, for it cannot be broken.

155 This is almost synonymous to the fact that the Indians are able to put a hole through very small small and no one knows how it is done. This is one mark of your roots.

156 Your history cannot be confined to Egypt alone.

157 When Negro, the Egyptian, was brought into the continent by Africa the upright ancestry of Ta Kush, their royal mother Kentyse Ati and the light hands of his way of life.

158 Why didn't Sarah object to a Egyptian in her household and how did they communicate if they were different people speaking different

language.

168 They were not the same language but they looked alike, meaning they were dark brown and both worshipped the same way at the same time of the year.

169 In order for the peoples Abram to communicate with Hagar, the entry have spoken the same language, Arbaric, Arabic.

170 And Chaldean is Aramic. Hebrew the original language of the places Earth.

171 And the language of the Americas that came down on the Earth from the Arcturus was the Arabic Language Canadians and the spoken language Hawaiki.

172 Yisma El, Abram's (the All mother) in Egyptian written name was Sitki Tuttim because there was no Hebrew known then.

173 The same thing happened during the time of the peoples Edmah, son of Abdullah and Arabic, when he changed to Abraham Edidymy, the Hagar they accepted the names.

174 The peoples Abram, son of Abdullah and Amina, and his followers had no problem with the language when he came to the South of Canaan.

175 The peoples Abram, son of Terah and Haran, went to America in Egypt, where there was a famine in the land, and Abram was caused stress.

176 The Prophet Yaqub, son of Yaqub, sent his family to Egypt to prosper, grow and his family was also growed well.

177 The Prophet Musa, son of Amram and Yochabed, grew up in Egypt and there was called to prophethood there.

178 The Children of Israel were in bondage under the Egyptians for 430 years under the command of El Shak.

179 So you can see, the sweeping history of the Children of Israel coincides with what is now being called Egyptian history.

180 The history of the Nubians people is one and the same that covers and should not be separated.

181 How can we verify prove that there was an difference between Egypt and Israel?

182 For example, Yaqub's two Lumps, which had the ability to interpret dreams was viewed by the Israelites because he was favored by his father.

183 Thus, the brothers conspired to slay him.

184 But one of his brothers, by the name of Judah, had compassion and suggested that they sell him into Egypt by way of the Ishmaelites instead, for 20 pieces of silver. Before we go further let's take a comparative and see what you see written there. Proverbs (Joseph's Father, Jacob).

185 Joseph had 11 brothers and was envy making 11.

186 Jesus had 12 disciples and 1 woman named Mary Magdalene.

187 Jesus were brought to Joseph while in Egypt.

188 Jesus were brought to Joseph by the three wise men.

189 Joseph they were forbidden to tell the one they [illegible].

190 Jesus flees as one garden of Gethsemane and flee to the [illegible].

191 Joseph is sold for 20 pieces of silver.

192 Jesus is sold for 30 pieces of silver.

193 Judah suggests the selling of Joseph.

194 Judas suggests the selling of Jesus.

195 The background of Joseph was:

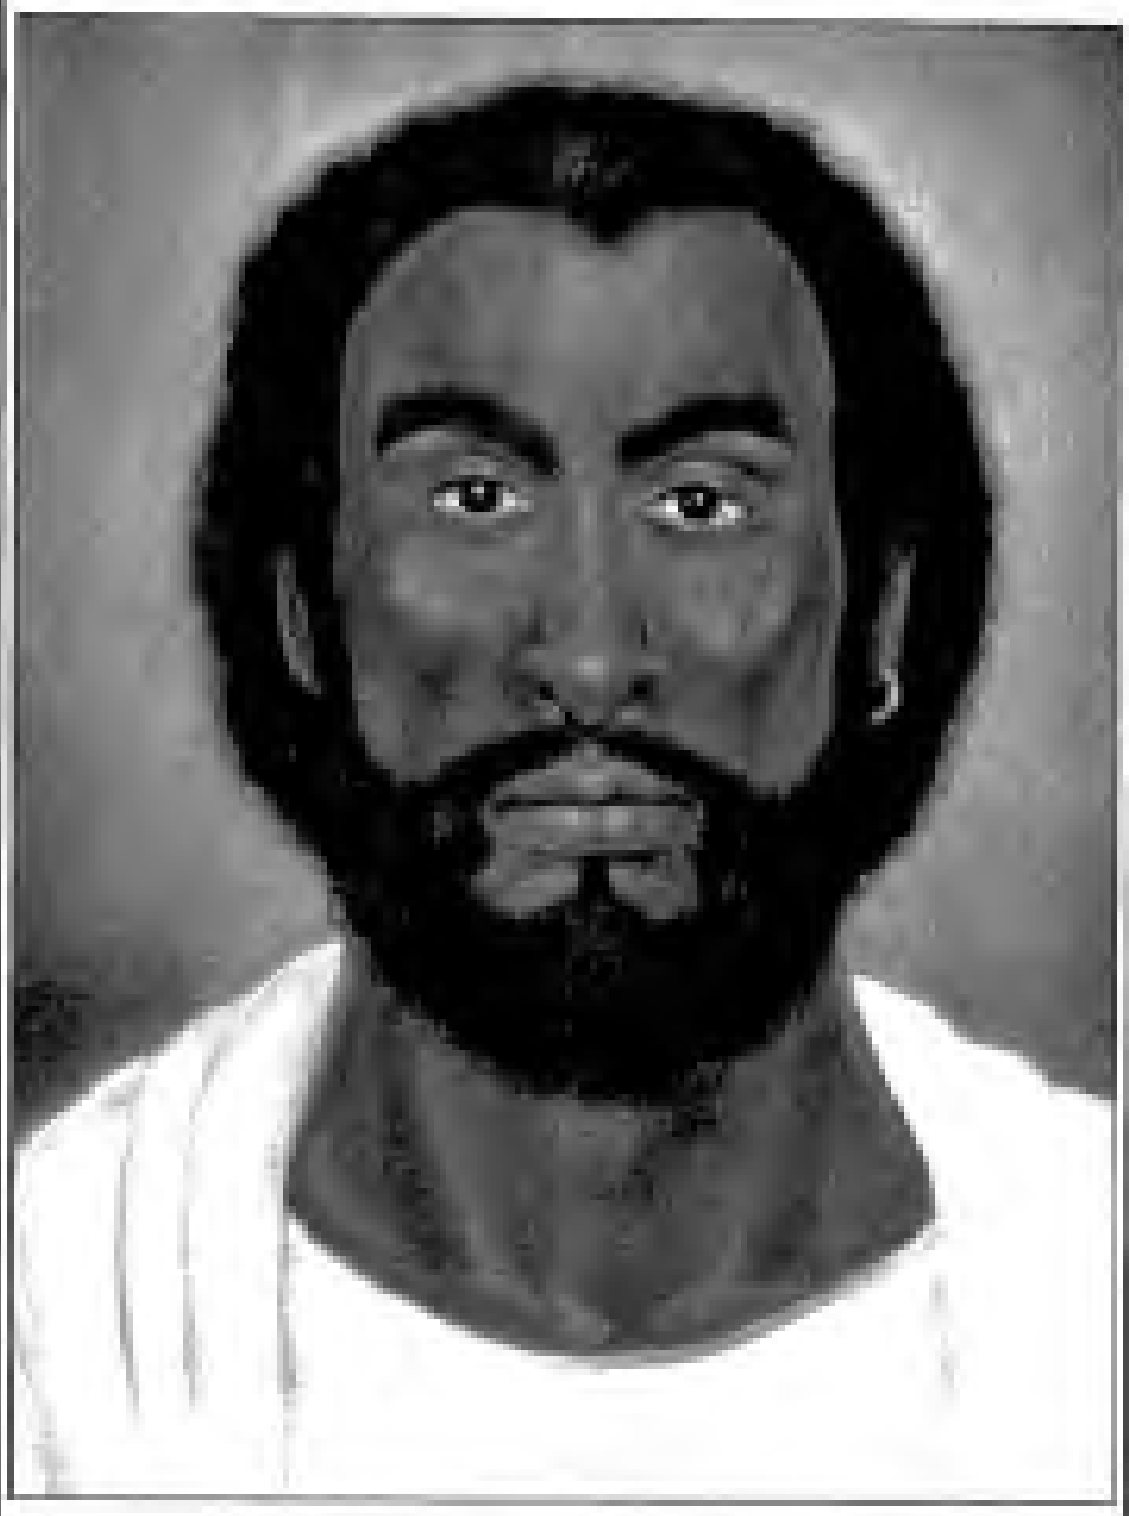

Figure 349

Egypt and the date of the first Jubilee.

187 The Prophet Joseph was an Egyptian official and the relative of Dudley, as one of the Nile Gods.

188 The background of Jesus was Egypt and the dating of the first three Jubilee Years.

189 See it now, as not the similarity as these people and decide which one is copied from the other. Now let us continue.

190 So Joseph was shown as a well and (2) Akhenaten showed unto who passed by these who are and with him were slaves.

191 Joseph was brought to the Pharaoh Amenhotep and was appointed governor of Egypt by the pharaoh.

192 The pharaoh had no problem accepting Joseph's love for knowledge.

193 Because he did was killed two thousand the Egyptian deities.

194 He didn't look different than the people of Egypt and he spoke the same language as they did.

195 While in Egypt Joseph was married to Zuleikah Potiphar. And he married the daughter of the high priest, Asenath, who bore unto 2 sons Manasseh and Ephraim.

196 The Egyptians and Israelites were one and the same people, and not just the ones of Moses knowledge.

197 (2) to be calculated with the Hebrew dynasty that was ruling a small part of upper Egypt during the time the three Pharaohs were of Canaanite descent.

198 There are examples of conversion such as the Israelites who dwelt with the Canaanites.

199 The people of Joshua, the father in law of Moses, through his daughter Zipporah converted to the Israelite's religion of Judah, to further religion would have delayed or been considered.

200 They would not have counted as respectable point such as this.

201 Another example of conversion which was the statement of the prophetess Ruth, a Moabite who converted to the religion of Israel.

202 She showed us the Torah with the people.

203 Ruth was a prophetess, wife of Boaz member of Christ of which David came the seed of Jesse and Yahweh.

204 David was the 8th and youngest son of Jesse, as Ephraimites from Bethlehem.

205 Jesse was the mother of Elimelech. Elimelech was an Ephraimite who lived in Bethlehem of Judah.

206 He was married to a beautiful Bethlehemite woman named "Naomi" whose name means "Pleasant."

207 Naomi bore two sons of Elimelech, one named Mahlon which means "sick" and the other named Kilion meaning "pining."

208 When times was a famine in Israel Elimelech and his family migrated to the country of Moab. There he was killed which left Naomi with 2 sons and no husband.

209 Mahlon married a beautiful Moabite woman named Ruth whose name means "a friend to all."

210 Kilion also married a beautiful Moabite woman whose name was Orpah, the name Orpah means "fondness."

211 About 10 years after Naomi's sons were married, before any of them have any children as their wives.

212 They were both killed in battle and were made this left Naomi and her 2

daughters in law above mothers children

153 Even after the death of her sons, Naomi found that El Yahweh had blessed his children in the land of Judah by giving them good harvests so she decided to return home.

154 On the way to the land of Judah, Naomi urged to see a widowed daughters in law and told them to go back to the land of Moab to their mother's house which was the tradition for a widowed woman.

155 She told them that El Yahweh would make it possible for them to marry again.

156 Ruth refused to leave Naomi and said she would go wherever Naomi went.

157 So Ruth and her mother in law went to Bethlehem.

158 It was the beginning of the barley season in Bethlehem and Naomi told Ruth to go work under Boaz, who was a relative of her father in law, Elimelech.

159 Ruth did as Naomi said and as soon they were married.

160 Ruth bore a son to Boaz whose name was Obed.

161 Naomi was finally happy because she had a grandson in place of her sons.

162 Obed was the father of Jesse, who was the father of David and from the family came Yeshua.

163 Orpheth took Naomi's words and loved her mother in law greatly and married in the land of Moab.

164 When she arrived in Moab, she was taken by force to an Amalekite giant named Goliath the name Goliath means "Banished"

165 He took Orpheth to the City of Gath, which was the city the Anakim took refuge in.

166 And then Orpheth bore Mahlaund a son that was giant.

167 Their names were Ruth meaning "Unpleased" who was killed by [illegible] named Obed [illegible].

168 Little Ruth meaning "the shining spirit of the Mist" who was killed by Nephilim the son of Zerubbabel.

169 Ruth meaning "Mighty" who is described as being a man of great stature having 6 fingers on each hand and on each foot.

170 He was killed by Jonathan, the son of Shimei, a brother of David.

171 Orpheth Meaning "Footsteps" is derived from the two words Gath which means "to stretch."

172 Orpheth was the son of Mahlaund and was killed in the Philistine war with Israelites at Gath by Elhanan, the son of Jaare Oregim, the Bethlehemite.

173 When seven people are very young so that there were 2 giant named Goliath who were from the offspring of Orpheth.

174 One was Goliath the son of Mahlaund and the other was Goliath the grandson who is called "Goliath the Gittite"

175 It was not David who killed Goliath, son of Mahlaund the Nephilim it was a Bethlehemite named Elhanan.

176 The name Elhanan in Aramic, "Elhanan means "El is gracious"

177 Goliath was of Mahlaund the Amorite, named a nephilim named Rephaim which means "tall mountain men"

178 He cut his son, Lahmi, many lives killed in the Philistine war against the Israelites by Elhanan.

340 All the inhabitants of Gath were called Gath. The Goliyath was killed by David.

341 He was 26 cubits, and wore a helmet of bronze, a coat of mail that weighed 5000 shekels of bronze, and a javelin of bronze on his shoulder.

342 And had a huge iron rod in his hand with a shield in front of him and a spear and a lance on each leg.

343 Everyday for 40 days Goliyath ben Goliyath challenged the Israelites to a battle.

344 He told the Israelites to pick one of their men to fight him and then if he should kill him then the Philistine would be slaves to the Israelites.

345 However, if he killed an Israelite then the Israelites would be slaves to the Philistines. All of the Israelites were afraid and ran away.

346 When the ruler Saul heard the news he was terrified, so he promised to give a reward to whoever would kill Goliyath ben Goliyath.

347 He promised that the ruler would give his daughter's hand in marriage and for the third ruler's family to be slaves from then on.

348 One day Jesse son of Obed gave his son David some food to take to his older brothers who had followed ruler Saul to war with the Philistines.

349 The 3 sons who went to war were Eliab, Abinadab, and Shammah.

350 The royal Goyish were in the Israelites country at Sokh a town in Judah at the valley of Elah where the Israelites forces were stationed and waited on the battlefield to see how the battle was going.

351 All the Philistines were called Philistines. The Goliyath was killed by David.

352 Just as David got there, Goliyath ben Goliyath came out and challenged the Israelites again.

353 David could not have told from the conversations that the Israelite soldiers had confessed, so he ran to the ruler Saul and told him he wanted to fight Goliyath ben Goliyath.

354 Jesse said to the ruler "no one should be afraid of Philistines."

355 Even though David was just 16 years old, he then said again of a warrior.

356 David assured to the ruler Saul to let him go and fight Goliyath ben Goliyath. Finally the ruler allowed him to go.

357 The ruler Saul gave David his own armor and told him to go. He told David that El Yahweh would be with him.

358 As David approached Goliyath ben Goliyath, he said "this day El Yahweh will give you to my power, I will defeat you and cut off your head."

359 "Then Philistines will be living in pebbles and rubble on a mountain you / to the dog's and dogs of Goliyath ben Goliyath.

360 The people of Goliyath and Goliyath in the forehead and crushed his skull.

361 David came over the dead Goliyath and cut his sword to chop off his head.

362 When David went get food to Goliyath, the Philistines in formation on the path Saul, overtook the dead and Jonah to cut his hands to his neck a successful leader and hero to others.

relationship work, which lead us to conclusions by God with the help of his all-wise Ancestors who planned to have David killed by the Philistines.

2 Although the name David means "beloved," the work shows us in that David was a very unreliable, excellent man who was forgiven his sins.

3 During the spring season which was the time that kings went out to battle, David sent Yoramkhalam, "Jeremiah".

4 Joab and his army invaded the land of Ammonites and overthrew the city of Rabbah.

10 Abishag was a young virgin from the town of Shunem, north of Jezreel and Mount Gilboa in the territory of Issachar.

11 She was extremely beautiful and was chosen by David's servants to become the future wife companion of David during his final days.

12 David was over 70 years of age and the hardships of his eventful life had evidently left him greatly weakened, so that he had little body heat.

13 Abishag waited on him during the day, sharing keeping the environment with her youthful freshness and beauty.

14 It is doubtful that he or David's lovers ever gave him warmth.

15 But David, himself, had an awareness with him:

47 Solomon desired to see the jews in their original form.

48 The Sovereign ordered this a criticism of the strength that she had been entrusted with, a host of Egyptians and Gangetics.

49 Whose appalling appearance filled Solomon, spoke of his dominion over them, with an inward shudder.

50 He had no idea that there were such striking and frightful beings in the world.

51 He saw human heads on the necks of beasts, with same feet, the wings of eagles on the shoulders of birds.

52 And the head of the gazelle on the head of the peacock, and the face of the face of a maiden on every first man.

53 Astonished at the singular forms, he paused to the Sovereign to explain it to him, since jinns, from whom all the jinns were descended, had only a simple form.

54 "This is the consequence," replied the Sovereign, "of their wicked lives and their shameful intercourse with wretched beasts and birds.

55 For their divine figure are hateful, and the entire they corrupt the most they disgustful."

56 When Solomon continued further, he commanded the 4 jewels which the Sovereign had given him to be set in a silver ring.

57 In order that he might be able to say whenever he rode over spirits and animals, and every wind and wave.

62 He charged the same time to erect various public buildings, among others, also a temple after the plan of the Kaaba at Mecca, which he had ever seen during his travels in the East.

63 The temple was to be elegant in work, to bear no mark of enmity to spirits or curse water, and to continue while successive heirs.

67 Tables, too, were also spread by command for him.

68 The jews and Egyptians sat at one table, the poor at tables of wood, the chiefs of the people and of the army at tables of silver.

Solomon And Makeda
(19 x 11=209)

Lo! The great ruler Solomon was thought to be the wisest man in the world,

2 Even wiser than all the animals and all the fish and insects called, the wisest of the wise.

3 He knew the secrets of the sun, moon and stars.

4 He knew the secrets in people's hearts and he knew how to speak with the animals,

5 Now at this time there lived the lovely Makeda far away in Sabean.

6 Those who don't know say, in the region presently known as Yemen.

7 Those who do know, know that she came from Ethiopia, there lived the mighty ruler of the land called Sheba.

8 Makeda was the most beautiful woman in the whole world.

9 She too was known for her great wisdom,

10 But as a wise person wanted to grow wiser still.

11 One day she called her astrologers and learnt men before her and asked what do you know of this man called Solomon,

12 Is it true he is the wisest of the wise?

13 They answered wise he is, wise he may be, but none can be found as wise as you.

14 Yet the lovely Makeda still wanted to seek for herself;

15 So she put together a huge caravan saying, I will go to the end of the Earth to share wisdom.

16 So the lovely Makeda set out on her long journey at the head of a splendid caravan.

17 Her servants carried rich gifts of spices, with frankincense and myrrh, jewels and gold.

18 Drums rolled and trumpets rang out as the Solomon bid a royal welcome to the lovely Makeda.

19 He led her along a path of gold and silver to a great feast in her honor.

20 That shadow hour, they walked in the garden of Solomon's golden palace.

21 "Tell me," he asked. "why have you come so far?"

22 "I want to learn from the wisest man in the world. Are you that man?" Asked the lovely Makeda.

23 "See for yourself," Solomon said. "Test me."

24 "Then tell me," said the lovely Makeda. "What runs day and shadow hour but never gets tired?"

25 "A river," answered Solomon.

26 The lovely Makeda nodded and asked another riddle.

27 "I have a basket of diamonds. every evening I scatter them. And every morning I gather them up. What am I?"

The Ancestors Of Unsophistry

11 Oh my friend, in the 101 year of your ancestor Noah, born in 1056 of Adam's Calendar, and he lived

18 As a child we looked after him when children called him strange because he always cried during meals Jews and noticed when the clouds filled the sky.

19 He, Unsophistry, never knew why water fell from the sky on the earth days.

20 But he was in on that great day of cleansing, a great fall of water as that never on his eyes.

21 This was the son, Unsophistry, who was great amongst men.

22 He was born from the land of Jehovah When he was 182 years of age.

23 As a baby he cried day and children knew.

62 And he spoke to each, Lo, and he
gave him a son and called his name
Rayo.
63 He was a playful one and
Unadikhin loved him deeply.
64 But Wada was the kind of mother
who always asked "why this and why

65 Unadikhin would say unto her, "O

Wada, I need you to be my [illegible]

66 And Wada would ask, "can I do a

67 Unadikhin would say to her:
68 "Let Rayo run with his brothers
Shem, Ham and Japheth."
69 And she, Wada, would wish him to
be by her side.
70 So he, Rayo, became the son of his
mother, Wada, rather than the son of
his father, Unadikhin.
71 So now was the time for
Unadikhin to be selfish.
72 And he was sent to a city [illegible]
Zohah,
73 And his people in the land called
Unadikhin godly then.
74 But they only laughed and mocked
at him.
75 And they mocked the love we had

76 They would pull their clothes over

The Words Of Prophecy

110 When the years of Methuselah's life were numbered with the rule of prophecy, said El Elohim, The Almighty had departed from the ground in the abominations of the world,

111 He was engaged in building and warning forty-six hundred years.

112 A small company accepted his words, notwithstanding he suffered much persecution from the Adamites,

113 Of those who received Noah after having faith in him

114 He said: "Say Creator, direct the people for they do not know."

115 They called him a pestilence of sorrow and a madman

116 Once when he, Unashishtem, was preaching also by marriage to his wife Mahlyma,

117 Who was the sister of Tubal-Cain, the wife of his brother Abra,

118 A prominent individual named Ramo by name, went with him

119 He was only 150 years old

120 He Ramo commenced to ridicule him saying

121 "My son! Know this that he is but a simple, ignorant man,

122 Take care and don't [illegible] his talk of the monsters and don't be deceived by his untrue words

123 Darkness makes us dismiss him as much as possible.

124 For this is the command of our fathers."

125 During this warning speech,

126 Some news of calamities found the wife of Unashishtem, Mahlyma in the field,

127 And they took no more day for the work alone.

128 Then it was sent by the saint Zebah, to tell Unashishtem, that they [illegible] the wife Mahlyma, sister of Enoch.

133 These 4 men went running to Unashishtem to help him build the ark,

134 For they reported where the Almighty Jehovah came for the Mahlyma's evil and ruined times,

135 Saying that when they do, the world [illegible] made to their bodies as you would it,

136 When Unashishtem heard and when they had done unto his wife,

137 Unashishtem asked:

138 "O [illegible] of all things, give and other of us,

139 Will none of the people of this unique [illegible]?"

140 Then also announcement came 100 years after Unashishtem was 500.

141 In his 600th year, Unashishtem, was 6 months for 150 years.

142 The year of the divine will have been declared.

[14] And Unadiabetes gave his name to the everyone of the agreeable Assemblies.

[15] And Nimrah "the rebellious"

[17] Shem "he was born of the morning,"

[18] Ham "brown, blackened" and [spoken "he who exhibited"]

[19] And everybody else on the Earth was going to pay to the promise of the Assembly.

[20] And they all were [illegible] evening and morning

[21] And the Assembly made a second [one] to the planet Earth.

[22] And one that is was to a race of [illegible],

[23] And all things born in the Earth [to] become evil.

[24] Disagreeable and many followed Yahweh's commandments.

[25] And the Assembly said to Unadiabetes,

[28] In the presence of the Elohim [illegible]

[32] This is exactly how big it should be made:

306 The children of Utnapishtim and Ut-napishtim's confidante, were Shamash the sky ship.

307 And the three souls were Puabi "little girl."

308 Ut-napishtim "Universe," who was with Enki, and like "divine chosen" with them and they all were here the souls.

309 And they had with them every kind of living animal alive to save them, as given.

310 And all the non-speaking mammals there as were kept in the ark.

311 And all kinds of creeping things that swarm on the planet Earth they to kept safe as given.

312 And all kinds of birds of every kind.

313 And they all went into the ship with Ut-napishtim in two's.

314 And it of every living animal who does not know they is a pair of every living animal added.

315 And as they all were in, the Universe and the Nibiruan ones of duty.

316 [illegible] had surrounded it as time.

317 And Yahweh shut him in. And the Flood lasted for 40 days upon the planet Earth.

318 And the waters increased and the ark rose up and it [illegible].

319 And it was lifted up above the planet Earth.

320 The waters [illegible] and increased upon the planet Earth.

321 And the ark [illegible] upon the surface of the waters.

322 And the waters prevailed exceedingly upon the planet Earth and all the high mountains that were under the whole heavens were covered.

323 Fifteen cubits upward did the waters prevail; and the mountains were covered.

324 And all flesh died that moved upon the earth, both of fowl, and of cattle, and of beast, and of every creeping thing that creepeth upon the earth, and every man:

325 All in whose nostrils was the breath of life, of all that was in the dry land, died.

326 And every living thing was destroyed which was upon the face of the ground, as Ut-napishtim.

327 And Ut-napishtim and they that were with him in the ark remained alive.

328 And the waters prevailed upon the earth an hundred and fifty days.

329 And God remembered Ut-napishtim, and every living thing, and all the cattle that was with him in the ark: and God made a wind to blow over the earth, and the waters assuaged;

330 The fountains also of the deep, and the windows of heaven were stopped, and the rain from heaven was restrained;

331 And the waters returned from off the earth continually: and after the end of the hundred and fifty days the waters were abated.

332 And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat.

333 And it came to pass that after forty days Ut-napishtim opened the window of the ark which he had made:

334 And he sent forth a raven, which went to and fro, until the waters were dried up from off the earth.

335 Also he sent forth a dove from him, to see if the waters were abated from off the face of the ground;

336 But the dove found no rest for the sole of her foot, and she returned unto him into the ark, for the waters were on the face of the whole earth: then he put forth his hand, and took her, and pulled her in unto him into the ark.

337 And he stayed yet other seven days; and again he sent forth the dove out of the ark;

338 And the dove came in to him in the evening, and, lo, in her mouth was an olive leaf pluckt off: so Ut-napishtim knew that the waters were abated from off the earth.

339 And he stayed yet other seven days; and sent forth the dove; and she returned not again unto him any more.

340 And it came to pass in the six hundredth and first year, in the first month, the first day of the month, the waters were dried up from off the earth: and Ut-napishtim removed the covering of the ark, and looked, and, behold, the face of the ground was dry.

341 And in the second month, on the seven and twentieth day of the month, was the earth dried.

342 And God spake unto Ut-napishtim, saying,

343 Go forth of the ark, thou, and thy wife, and thy sons, and thy sons' wives with thee.

344 Bring forth with thee every living thing that is with thee, of all flesh, both of fowl, and of cattle, and of every creeping thing that creepeth upon the earth; that they may breed abundantly in the earth, and be fruitful, and multiply upon the earth.

345 And Ut-napishtim went forth, and his wife, and his sons, and his sons' wives with him:

346 Every beast, every creeping thing, and every fowl, and whatsoever moveth upon the earth, after their kinds, went forth out of the ark.

347 And Ut-napishtim builded an altar unto Yahweh; and took of every clean beast, and of every clean fowl, and offered burnt offerings on the altar.

348 And Yahweh smelled a sweet savour; and Yahweh said in his heart, I will not again curse the ground any more for man's sake; for the imagination of man's heart is evil from his youth; neither will I again smite any more every thing living, as I have done.

349 While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.

350 And God blessed Ut-napishtim, and his sons, and said unto them, Be fruitful, and multiply, and replenish the earth.

351 And the fear of you and the dread of you shall be upon every beast of the earth, and upon every fowl of the air, upon all that moveth upon the earth, and upon all the fishes of the sea; into your hand are they delivered.

352 Every moving thing that liveth shall be meat for you; even as the green herb have I given you all things.

353 But flesh with the life thereof, which is the blood thereof, shall ye not eat.

354 And surely your blood of your lives will I require; at the hand of every beast will I require it, and at the hand of man; at the hand of every man's brother will I require the life of man.

355 Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man.

356 And you, be ye fruitful, and multiply; bring forth abundantly in the earth, and multiply therein.

357 And God spake unto Ut-napishtim, and to his sons with him, saying,

358 And I, behold, I establish my covenant with you, and with your seed after you;

359 And with every living creature that is with you, the fowl, the cattle, and every beast of the earth with you; from all that go out of the ark, to every beast of the earth.

360 And I will establish my covenant with you; neither shall all flesh be cut off any more by the waters of a flood; neither shall there any more be a flood to destroy the earth.

361 And God said, This is the token of the covenant which I make between me and you and every living creature that is with you, for perpetual generations:

362 I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth.

363 And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud:

364 And I will remember my covenant, which is between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy all flesh.

365 And the bow shall be in the cloud; and I will look upon it, that I may remember the everlasting covenant between God and every living creature of all flesh that is upon the earth.

366 And God said unto Ut-napishtim, This is the token of the covenant which I have established between me and all flesh that is upon the earth.

367 And the sons of Ut-napishtim that went forth of the ark, were Shem, Ham, and Japheth: and Ham is the father of Canaan.

368 These three are the sons of Ut-napishtim: and of them was the whole earth overspread.

369 And Ut-napishtim began to be an husbandman, and he planted a vineyard:

370 And he drank of the wine, and was drunken; and he was uncovered within his tent.

371 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without.

372 And Shem and Japheth took a garment, and laid it upon both their shoulders, and went backward, and covered the nakedness of their father; and their faces were backward, and they saw not their father's nakedness.

373 And Ut-napishtim awoke from his wine, and knew what his younger son had done unto him.

374 And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren.

375 And he said, Blessed be Yahweh God of Shem; and Canaan shall be his servant.

376 God shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant.

377 And Ut-napishtim lived after the flood three hundred and fifty years.

378 And all the days of Ut-napishtim were nine hundred and fifty years: and he died.

385 And the ark rested downwards, landed on the 17th day in the 7th month upon the mountain of Ararat.

386 And a dove came in the sky and found the water that is harvested above the surface of the water. When it was risen it lowered the craft (pressure) that it may land upon the water again.

387 And our waters emptied[?] popped on the first day of the tenth month.

393 But the dove did not find any place to settle down for the sole of her foot.

394 And she returned to him to the craft, because the waters were still all over the surface of the place Earth.

395 Then Utnapishtim put forth his hand,

396 And took her and pulled her [into] the craft.

397 He Utnapishtim waited another seven days and again he sent the dove out of the craft.

398 And the dove came to him in the [evening] and lo! in her mouth was an olive leaf freshly picked!

399 So Utnapishtim knew that the waters had withdrawn from off the surface of the place Earth.

401 And when Utnapishtim was 601 years old, on the first day of the first month,

402 All the waters had gone from off the surface of the place Earth.

403 And Utnapishtim removed the covering of the craft.

404 And looked, and see the surface of where the Akkadian Home Region lived had dried up.

405 By the 27th day of the second month the place Earth was completely dry.

The Journey Of The Cave-
(3462-3443)

1 And Mahli, the son of Uranishtim, followed his commandments to obey and was in a week under the appointed for him, and with his wife Haliyma, daughter of Anak and Shalma.

2 It was easy for the devil to possess only in his weak state of mind. Thus Hiliyoma one of the formidable beings in the form of Anak, the spirit of Mahli of Him and possessed him.

3 Then while in his father's care, studied in heaven's calculations, then he looked upon the misdeeds of his father with the thought of sexuality and fornication.

4 Yet he did not lay with his father Although Hiliyoma was not acting on his own will, he still violated the laws of Anu- This Must Right.

5 These feelings of sexuality and fornication entered before the time of the flood with the Nephilim who came from Nineveh.

6 After Mahli had violated himself by having an argument with his wife, Haliyma, he allowed Anak the Queen of the despicable Archons to possess him.

7 When Uranishtim awoke from his sleep he knew immediately what his son had done to him.

8 Therefore, he placed a curse on Mahli's Fourth son, who was called Uranu, Or Canaan in the Bible.

9 The curse was not put on Mahli as many say and wrote by Hebrew, but on his fourth son Uranu.

10 Uranishtim said Mahli, "the curse will be upon your son Canaan" which

11 Eliezer's name was later changed by Cassius the Prophet, which he carried up from the lowland to the cross.

12 This cause was placed upon Eliezer, Cassius and the day of judgment.

13 The physical cure existed that a race of image would manifest in the physical with the spirit of the demons. The race of beings, upon Eliezer's manifest and the birth of Eliezer.

14 He was named Eliezer by [illegible] as was pale red white like snow, later he was called Cassius, the [illegible] Unafraidism.

18 This name that was placed on Eliezer, Cassius was the [illegible] which means that [illegible] gates of man.

19 That was the [illegible] of the realm, which was all the lands [illegible] with the Amazingly Airborn.

21 This is because both parents [illegible] primary ray of the Amazing gene.

22 The [illegible] of Amazing [illegible] genes replace the mutations of physical traits and other characteristics of parents to their offspring.

23 The basic units in the complex process are called Genes, and these make up the chromosome.

24 The basic chemical of the gene, Deoxyribonucleic Acid, enables the gene to carry all the information of heredity.

25 The chromosomal [illegible] Normally, each of us have 23 pairs of chromosomes.

30 Hannah was the daughter of Hassan and Sakinah, who were born in the Greater tribe from the land of Judea.

31 Hellyona was the daughter of Asia and Shalom, Pallas, Pallas was in Europe and Asia was in Europe.

32 Remember in Genesis 20:12, Abraham had commanded the child bearing of his father Unafraidism. The name of God that is spoken by [illegible] and who walked with God in [illegible] Unafraidism told him that a race would be placed on the lands and Eliezer, Cassius

50 In January, 9 danger is perceived, the Primary Gland releases a hormone called Adrenocorticotropic Hormone, stimulating or acting on the Adrenal Cortex.

51 This hormone in turn triggers the Adrenal Glands to release Epinephrine, known to some as Adrenaline, which is a hormone secreted by the Adrenal Medulla that is released into the bloodstream in response to physical or mental stress or fear or injury.

54 If a person goes into a coma in short or long, which is something that would last years or for weeks, there are two things that can happen.

55 One of the possibilities is

Melanocyte-Stimulating Hormone, Beta is the pituitary gland, which really is known also as the beta-lipotropin of the Melanocyte-Stimulating Hormone Beta which could lead to what is the pituitary.

58 Jesus will find this when you are a person with a such or some kind of skin disorder that is comes from them being treated out, any sleeping on Pay using property, or being treated the minister a little rude.

59 Any lesion will tell you the least little problems come from stress.

60 That is why when people suffer from skin disorders such as Seborrhea, Eczema, Psoriasis, Herpes, Etc., They usually don't know one until they actually received one.

61 So you can't tell me that you don't need a malignant skin disease which a problem of in American Hill from stress.

62 The Doctor gives various symptom of the signs and symptoms of what leprosy actually looks like.

63 Leprosy affects the skin, the eyes, and the external membrane of the nose and throat, it mainly affects the nerves.

64 So it is nothing new to say that stress can affect your nervous system which in turn will affect your skin.

65 It is mentally and emotionally proven.

32 How we moved at the moment is like life. In our cells, our worlds still a magic dimension.

33 And yet it is known that mutations cause destruction, because other cells now activate another plan like.

34 If a reptilian parent could hear you "Baby," just imagine what could happen if the unknown was made known to you.

35 And that is exactly what happened when the Hebrew serpent in the world Horn gate.

36 But this didn't happen to him physically, it allowed his genetic code to be in the womb and Hebrew Genesis.

37 Because Horn was created in the point where it allowed his genes, it caused by child to be born male or female.

38 As you read previously, Mr. was that was placed on Lilitou, Genesis a genetic code, which caused God pity in the genes of Man.

39 In the case of Eliab, he carried his was placed on him would rule over us on his fourth Allegory which was Lilitou, Genesis.

40 Genes are part of chromosomes which are made of DNA.

41 DNA controls the inherited traits in cells, animals and plants, which is responsible for almost all the features that make you look different from anyone else.

42 The uniqueness of your body organs are governed by your intelligence.

43 In the nucleus of every cell in your body, there are at least a million strands of DNA.

44 Altogether, they do more or less what you look and think like.

45 It is in the fourth generation of animals and plants that the mutation starts show up.

20 The fourth race of prehistoric men the Cro-Magnon, were very similar to the present day human being.

21 At the close of the Ice Age, about 25,000 years ago, the Cro-Magnon wiped out the Neanderthal and inhabited Europe who then started down to Asia. It was known that they later moved from there to Asia.

22 The average height of the Cro-Magnon man was 6 feet and 10 inches and they stood tall and erect.

23 They were easily superior in physique and intelligence and their skulls indicate an exceptionally large brain capacity which was [illegible].

24 Their eyes were very broad with massive brows and high foreheads with wavy hair.

25 The Cro-Magnon people produced amazingly realistic cave paintings chiefly of animals, including the bull, and carved equally impressive statuettes on their walls and caverns.

26 This race, the Cro-Magnon, flourished fifteen thousand years until it was displaced by the Caspian and the Arabian invasions.

Expansion Of Neanderthal, Caucasoid According To Western Influence

27 The so called prehistoric man is not considered quite scientifically, we prefer.

28 According to the Western Caucasoid theology man, the Caucasoids evolved from the Neanderthal.

29 And according to these Western Caucasoid theology, they originally evolved in Europe and Asia.

30 They expanded to Africa up to where some of these white men which is now Mount Kenya.

46 A great catastrophe upon the Earth caused the most drastic change in the climate.

47 A permanent drift, as well as the reduction of the atmosphere's necessary and many of the prehistoric ones.

48 The catastrophe was caused by a comet which had momentarily knocked on the planet Earth causing drastic changes in the Earth's atmosphere.

49 Which caused an ice age to overcome the planet Earth between the years 65 million to 2 million B.C.E.

50 The ice age was a period in the Earth's history when the climate caused large regions of land to become covered in ice.

51 There were several ice ages. Our earliest known ice age occurred during the Pre Cambrian ice age which began more than 650 million years ago.

52 The second ice age occurred during the Carboniferous period after the end of the Ordovician ice age and Devonian periods.

53 Between 450 - 350 million years ago. The last ice age occurred about 2 - 1 million years ago.

54 During the ice age when a meteorite struck the planet Earth, it threw up a tremendous cloud of dust and weight of material from the Earth's crust.

55 A fraction of the debris was carried as dust all around the world, and made thick layers of clay which stopped the sun from the right degree.

56 At the end of the Cretaceous period, when the last ice age occurred.

57 The giant animals that had dominated the country for more than a hundred million years suddenly were gone due to the drastic change in the climate.

58 The ice sheets covered the planet at the end of the Cretaceous period.

59 A remarkable manner among the animals in which nearly all perished occurred about 25 million years ago at the end of the geological period known as the Permian.

60 The sundry life on that occasion included the flowering vegetation of the sea from algae as well as many early species of reptiles.

61 At the end of the Cretaceous period the giant animals that had dominated the country for more than a hundred million years were suddenly gone due to the drastic change in the climate due to ice age.

62 The drastic changes that were caused by comets and meteor showers which are definitely at work.

63 Comets are thought to be responsible for the formation of most, if not all, [illegible].

64 A comet like a distant misty object is made up of many ice particles.

65 The nucleus is composed of frozen gases and dust which mixed with the particles.

66 The gases include ammonia, carbon dioxide, carbon monoxide and methane.

67 Throughout the globe, a number of craters have been found which were caused by these falling comets.

68 An unusual piece of a comet hit the Earth to wreak up and killed most wildlife. It was much smaller than Halley's comet.

69 Another theory suggests that the Earth acquired its curves and rotty [illegible] by multiple impact during its development.

that they desired to kill him.
26 So, at last, they decided that on a certain holiday, they would kill him.
27 Shelah was asked to proceed with his followers to a place of festivity.
28 From there, both parties should engage in prayer to ascertain on both sides as to who had the truth.
29 And then they all would adopt the truth of that party.
30 So when the day of the feast arrived,
31 They all left the town, and proceeded to the place.
32 The infidels which they employed wanted to frustrate the cause of Shelah,
33 And not allow the great idol to grant him prayers.
34 When the people of Thamud had finished the devotions,
35 The prime minister and chief mind of the tribe of Thamud Jenda Ben Umar by name,
36 Then addressed Shelah, with the consent of his people.
37 "O Shelah, if your pretensions be true,
38 And you desire us to have faith in your mission,
39 And assert the unity of one deity, namely A'LYUN A'LYUN EL,
40 I challenge you to produce from the hard stone which is opposite in the direction of Hejar,
41 A she camel with the abundance of hair.
42 I will also and in the 10th month of her pregnancy,
43 Also produce at the same time from the womb of the pregnant camel a young one,
44 Perfectly resembling his mother, he, feeling this act could never be done."
45 After Shelah had prayed and besought El Shaadi, The Almighty's grandeur of requests,
46 The divine response arrived.
47 To the affect that a long time ago,
48 A camel adorned with the above mentioned properties,
49 Had been created in those stones,
50 For the purpose of answering Shelah's prayer.
51 In order to enable to enter into a covenant,
52 And in order to make contact with the people of Thamud.
53 And if the miracle should take place,
54 Jenda Ben Umar with all his tribe Thamud, would have faith in the one deity, A'LYUN A'LYUN EL,
55 After the infidels had agreed to this proposal.
56 There on the stone it commenced to increase in bulk,
57 Hour by hour, until it adopted the shape of a pregnant camel whose time of deliverance was at hand.
58 Shelah and the people of Thamud were looking when the stone hill began, suddenly, to move;
59 And wail like those of women in travail,
60 They were heard proceeding from the mute rocks.
61 The hill burst and a camel with the above mentioned properties emerged.
62 The issue from it measured 100 cubits from one side to the other.
63 This camel at the same time delivered a young one resembling its mother in strength, body and stature.
64 Jenda Ben Umar, who beheld this,
65 Trembled in fear and all of the tribe of Thamud after this wished to follow Shelah.
66 The devils in human shape

Tablet 1:66

manifested before the idol worshippers,
67 And the leaders of the people hindered him and accused Shelah of witchcraft.
68 They did not allow the nation to obey the precepts of their emotional sovereignty.
69 After the she camel was delivered of her young one,
70 She began to graze in the field.
71 Shelah admonished the people to cherish and not to injure her.
72 But for her watering, they asked Shelah for permission.
73 They met at the well,
74 And he spoke to the people at the deep well about the watering of their cattle.
75 They decided that on alternate days the camel could drink from their well.
76 After that the people of Thamud milked her.
77 They obtained great quantities of milk from the camel,
78 And they also used her wool.
79 The she camel shall have her drink.
80 And you, your drink on certain days, is what Shelah said to them.
81 When the she camel's turn came,
82 It went to the edge of the well.
83 The water likewise ascended to the brim and the she camel drank it all up.
84 After that, the people of Thamud milked her,
85 And obtained a quantity of milk equal to the water consumed by the camel.
86 They were also able to utilize the wool of the camel for themselves.
87 The she camel drank on alternate days. When the turn of the camel arrived,
88 The people drew a double quantity

Tablet 1:108

of liquid,
89 So that their cattle might not suffer on the she camel's days.
90 The she camel remained with her young one for 30 years.
91 The she camel was a wonderful form and had a strange countenance being the circumstance of a dreadful aspect.
92 The length of her body was 100 cubits.
93 And the breadth likewise 100 cubits.
94 For she was only a sign to the people of A'LYUN A'LYUN EL.
95 And each of her hairs were 120 feet high.
96 When the she camel grazed in the summer on the top of the Wadi valley in Qura,
97 All the people of Thamud were frightened at its extraordinary stature,
98 And they took refuge at the bottom of the Wadi valley,
99 Where the intensity of the heat injured them.
100 During the winter, the she camel went abroad aside the Wadi,
101 And the cattle went to the top of it, where they became lean,
102 And weak on account of the cold, and some even died.
103 These trials and temptations continued for a while.
104 But after the people were extremely harassed by them,
105 They were determined to hamstring, cripple and suffocate the camel.
106 When the she camel made its appearance at the request of the people,
107 Shelah was informed by divine inspiration that the request had been granted for his sake,
108 And that he was to admonish to

them not to injure,
109 Kill or remove the she camel by any means,
110 Because the destruction of the she camel would bring on their own destruction,
111 As predestination can't neither be resisted or delayed.
112 Shelah informed them of this message,
113 And they assured him they would never attempt such an act,
114 Whereupon he gave them notice that according to the divine revelations received by him,
115 The person who was to destroy the she camel was to be born that very month.
116 Accordingly, the people of Thamud agreed to kill every male infant born during that period of time,
117 In order to preserve the she camel from injury.
118 During the month however, 9 boys happened to be born,
119 And they were slain in conformity with the resolution.
120 When the 10th child entered this world,
121 His father whose name was Saluf,
122 Was sad and did not kill him because he never had any children before.
123 He, therefore, preserved him and named him Qudar,
124 Who became a very skilled archer when he obtained maturity.
125 He surpassed his contemporaries in all material accomplishments.
126 Every time Qudar met any of the 9 men who had killed their sons,
127 He reproached them with the deed of reminding them of the killing of their sons: "for a madman's sake."
128 And when they beheld his attainments,
129 Their sorrowless repentance increased until, at last, they began to consider Shelah to be the cause of the loss of their offspring,
130 And were inclined to murder him.
131 They left their tribe under the pretense of a journey,
132 Concealed themselves in a cave and intended to issue from it at midnight in order to assassinate Shelah in his sleep.
133 The cave, however, suddenly collapsed over their heads and they were buried under the debris.
134 When the people became aware of this event they immediately decided to damage the hamstrings of the she camel.
135 Their intentions were seconded by 2 women, Barbara and Hanama, by name,
136 Who had all their lives harbored intentions to kill it, the she camel.
137 In short, in that nation,
138 There was an old woman of the family of Thamud whose name was Anizah.
139 She was very rich and had 13 beautiful and pleasant daughters,
140 And numerous cattle.
141 She bore great enmity of Shelah on account of the injury,
142 Which the she camel occasionally did because it shared the pasture with her own cattle.
143 There was also another woman in the tribe named Saduf.
144 Who was extremely prominent and beautiful.
145 Her husband Badri had become a follower of Shelah,
146 And he had spent some of his wife's

Tablet 1:146

fortune to promote his way of life.

147 When Saduf, wife of Badri, became aware of this fact,

148 She separated from her husband Badri,

149 And spent the remainder of her property on hatred towards Shelah.

150 Rooted in her impure mind was to kill him.

151 These 2 women, Anizah and Saduf,

152 Associated with some of the leaders of the infidels in the matter of the she camel.

153 They threw lots as to who was to execute the project,

154 And selected Qudar son of Saluf, with Assda the son of Mahrug,

155 Who they met accordingly and asked for one of her daughter's hand in marriage.

156 When Saduf opened her mind to the last name of the individual,

157 She stated that the dowry required by her would be the death of Shelah's she camel.

158 Anizah on her part also promised to let him have the most handsome of her daughters in marriage if he would hamstring the camel to kill it.

159 Meanwhile, the women presented these 2 individuals with a sum of ready cash and various goods, as an honor.

160 These accused ones, accordingly, picked up 7 more men:

161 Sufan, Qadryya, Almatas, Atis, Fussun, Fasha, Afandi, from among the worst of the tribe.

162 And proceeded to ambush the she camel when it was going to drink.

163 Massada first shot an arrow and wounded her.

164 Thereupon, Qudar, who was a short bodied, hazel eyed dwarf, attacked

Tablet 1:180

and overtook the camel, then hamstrung, and crippled her.

165 When the 7 other men:

166 Sufan Qadryya, Almatas, Atis, Fussun, Fasha, and Afandi arrived, they slaughtered the camel.

167 And the people of Thamud fought with each other to get pieces of the meat,

168 As they did on other occasions when she camels were being slain for sacrifice.

169 But on this occasion, which was a wicked event,

170 None of the children of the descendants would eat of the flesh of a camel.

171 This was a reminder until the coming of the grace of A'LYUN A'LYUN EL, the seal of the newsbearer Ahmad, by name.

172 The young male camel was so frightened at this dreadful event, that it fled to the top of the mountain.

173 When Shelah had been informed of this abominable crime,

174 He made his appearance amongst the people,

175 Who begged his forgiveness, assuring him that they had no knowledge of this act,

176 And that it had been committed by those men entirely without their advice.

177 On that occasion, the faithful ones among them besought Shelah to pray that the people of Thamud might be spared the misery of the threatened chastisement.

178 He advised them to abstain from possessing the young male camel,

179 Hoping that by the blessings, A'LYUN A'LYUN EL would perhaps not punish them.

180 The people of Thamud hastened

Tablet 1:180 Tablet 1:220

towards the mountain after the young male camel,

181 But its summit rose by the command of A'LYUN A'LYUN EL, so high up into the firmament that even birds could not ascend to it.

182 Shelah followed the people to the mountain,

183 And when the young male camel had perceived him from the top thereof,

184 It exclaimed twice:

185 "O Shelah weep for my mother!"

186 And then disappeared.

187 Shelah now assured the people that on account of the voice they had heard, they would be respited one day,

188 But that on the 4th day, the punishment of A'LYUN A'LYUN EL would overtake them.

189 And they would obtain the reward of their works according to the verse:

190 "Enjoy your home 3 days,

191 And this is no mendacious promise."

192 They nevertheless asked,

193 By way of direction,

194 "What would be the sign of judgment?"

195 Shelah then informed them thus,

196 "Tomorrow your faces will be yellow;

197 After tomorrow red,

198 And on the third day, burnt.

199 But on the fourth day, the chastisement of the Aum-nipotent will avenge you and overtake you in the form of destruction in a violent motion."

200 After Shelah had uttered these words,

201 The 9 men: Qudar, Massada, Sufan, Qadryya, Almatas, Atis,

202 Fussun, Fasha, Afandi, that had girded their loins to destroy the she camel and had slain it,

203 Determined to assassinate Shelah.

204 They entered when he slept on the same day and they laid and waited for him.

205 But a legion of Anunnagi decapitated the heads of those men with stone, casting stones from Sijiyl.

206 And thus, put an end to their evil doings.

207 When the tribe heard of this event, they accused Shelah of the murder of the clansmen and agreeing to put him away, by death,

208 They hastened to his abode.

209 His followers and adherents remained and reminded them however, saying:

210 "We all know that this Shelah is indeed sent from our Rabb."

211 They said the evil of them:

212 "We don't have faith in him nor his revelations,

213 Never was his revelations collected in a text, so there is no scroll of Shelah."

214 Shelah had forewarned them of the affliction which would befall them after 3 days. This was not his revelation.

215 And that if this prediction turned out to be true there would be no use in molesting it,

216 And on the contrary, they would only augment the wrath of A'LYUN A'LYUN EL.

217 But in case Shelah should, after the expiration of the appointed time, prove to be a liar,

218 They might do to him whatever they thought fit.

219 These words brought the people to their senses.

220 They returned to their homes, left

Shelah alone and spent the night in great uneasiness and expectation.

221 When the daylight hour broke, they perceived that their ill fate was to begin.

222 Their countenance was yellow as if they had been dying and suffering.

223 As in later times, the people of Thamud sought Shelah in the height of their fear,

224 However, they had intentions of idolatry,

225 So they took refuge in the house of one of the leaders of the people of Thamud, he was Nafyl.

226 But he was told that Abu Hadab, the infidel, had heard of his whereabouts and they followed him there also.

227 But when they saw that Nafyl, inspite of his unbelief and doubt, granted protection to Shelah,

228 They returned disappointed and sad.

229 On the second day, which was a Friday, called "Aruba" amongst the people of Thamud, their faces became red like blood.

230 They were not certain of the approaching disaster,

231 And their slaughter with lamentations and wailing.

232 Two days of the appointed time passed.

233 On Saturday, their rosy cheeks became burnt as if they had been smeared with pitch and tar.

234 When the shadow hour had set in,

235 Shelah made his appearance amongst them secretly and migrated with the faithful of the country toward El Ghor, Arabia, yet in a small town outside of Syria.

236 On Sunday daylight hour which was the eve of the end of the prosperous life of the infidels,

237 The people of Thamud got ready.

238 They gathered their shroud and their necessities for the dying people.

239 They threw themselves upon the ground looking autumnally towards the heavens and Earth until at last a tribal voice,

240 Coming from the upper region began to sound in the air so that their hearts were smitten.

241 Their livers burst, and all of them expired as A'LYUN A'LYUN EL said.

242 When upon the violent noise and motion from the heavens descended upon them,

243 And in the daylight hour they were found in their dwellings prostrating on their breast, dead.

244 And the whole of the city sunk beneath the sand.

245 It is related that after the people of Thamud had been overtaken by sudden destruction and consequences of predestined decree of the irrefutable fate, and Shelah immigrated,

246 And felt after some time yearning to revisit his native country Qura.

247 And after returning to Qura,

248 He wept so much and implored to the country-men about the case of their ruin.

249 He also had spiritual conversation with the souls of the departed.

250 And thereupon again traveled back north to Syria.

251 Sometime afterward however,

252 He went to the noble country of A'LYUN A'LYUN EL Rabb,

253 El Rabb in Bekka,

254 And made it his home.

255 In that place he also departed from this perishable abode, and mansions of

documents.

256 He died there. But before his death, a voice from heaven spoke to him saying:

257 "Also know you that I am a servant to him whose existence is responsible for the order of the world,

258 Which is bound upon and connected to his command.

259 If they were not obedient to me,

260 I would not have casted a single glance upon those rebellions."

261 After this Shelah returned to his native country,

262 And to his people, and he met his fate with his creed, he died.

263 Much is to be said about Shelah.

264 But in all, he was a just man,

265 And gave himself for the way of A'LYUN A'LYUN EL.

266 Thus, was the fate of the people of Thamud.

Description Of Shelah

He was a very handsome man with a carmel brown complexion, his hair was very nappy and black. He had a full stature and a very broad breast. He had a long thick beard and mustache and very dark crossed eyes. His speech was eloquent and pleasant. He never wore shoes, and always walked about barefoot. He never lived in a shelter under a roof and he taught very much like Utnafishtim. The duration of his life according to some was two hundred and fifty and eight years, but according to most correct traditions and chronicles, he was two hundred and eighty. His tomb is situated in the noble city of Bekka near the central of the house.

267 And this Shelah gave birth to Eber the root seed of the Hebrew.

268 From Abraham to Jesus. Let us speak the Right Knowledge of this Ilah Mutajassida, or Avatara,

269 Known to many as Jesus, called in tones Yashua and in rhythm Issa.

270 He incarnated into human form on this planet Earth at the very place called Bethlehem,

271 Which is located 6 miles south of Jerusalem to a mortal mother of the seed of David,

272 And his cursed Canaanite wife of the Hittite tribe,

273 Namely Bathsheba, daughter of Eliam, the wife of Uriah, the Hittite.

274 And this Bathsheba bore him Shammua and Shobab and Nathan and Solomon to David.

275 Before David she was the wife of Uriah,

276 Whom David sent to the front line to be killed,

277 Not to be mistaken with her father,

278 He was also a Hittite,

279 Yet it was by Haggith that David fathered Adonijah.

280 And Adonijah wife's name was Abishag the Shunammite,

281 Who nursed David to health after his crucifixion,

282 For David had a homosexual love affair with Jonathan.

283 As the prophetic scriptures of Israel records in first Samuel the 20th degree the 41rst verse where it says:

284 They cried together and they kissed one another,

285 Until David, "gawdal" went beyond the limits, magnified the incident.

Tablet Two
The Crucifixion of David son of Jesse and Hilma
(19 x 13=247)

Lo! Death by crucifixion was considered to be the most demeaning and frightening method of execution which they had taken from the Egyptians.

2 It was carried out in such a way as to extend the pain and misery of the guilty, usually over a period of days until they expired or gave up the ghost.

3 Once the official death sentence was passed, care was taken to see that the execution was completed before the Sabbath.

4 The crucifixion of David, the son of Jesse, took place on the day before the Sabbath, called the day of preparation.

5 Therefore, the crucifixion had to be before the sun appeared to set which brought in the Sabbath, the "Day of Desisting."

6 On the 6th hour, which was 12 noon, of the day of preparation, David was nailed on the cross.

7 The nails were put through his wrists and feet so as not to damage any bones or major blood vessels.

8 His full body weight was suspended solely at the wrists,

9 And a small wooden cross-piece called the suppedaneum was fixed to the vertical post of the cross on which to prop himself up for as long as his strength allowed.

10 With the last breaths that was left in his body, David bar Jesse said "I thirst."

11 Upon hearing this, David was offered Soma, a sacred drink of India,

12 Which enabled a death like state for several days and to awaken afterwards into an exhilarated state that lasted a few more days,

13 On a hyssos, a short spear, that was linguistically mistaken as Hyssopos, a plant with a weak stem hardly suitable for holding anything up.

14 When David received this sacred drink, he said it is finished and bowed his head.

15 One of the soldiers noosso, pierced, David's side with a Hasta,

16 A thin, tapering blade, 20-40 centimeters long,

17 Broadening just before the shaft, to see if he was dead.

18 There were 2 other men who were also found guilty,

19 Jonathan died on the cross and another son was given his name,

20 From one of the concubines of Saul.

21 And none knew that Jonathan had died.

22 And Ahimelech, the priest of Nob, a Hittite of the house of Canaan, had also died,

23 Of whom the executioner was ordered by Saul, his name was Doeg, the Edomite,

24 After the trial ordered by Saul, who called in the prophet Samu'El to pass judgement for David's intimate involvement with his homosexual son Jonathan,

25 But moreover, for David undressed himself in public and in the presence of the prophet Samu'El,

26 And danced exposed down the streets in the presence of Michal,

27 Who watched him out of her window and saw David dancing and jumping around in the sacred dance,

28 And she was disgusted with him.

EL GISYHIYINAAT — THE CHRISTIANS

Tablet 2:29 — **Tablet 2:62**

29 This as the record is kept in the second scroll of Samu'El the 6th degree the 20th verse:

30 Then David returned to bless his household, and Michal the daughter of Saul came out to meet David,

31 And said how glorious was the ruler of Israel today,

32 Who uncovered himself today in the eyes of the handmaidens of his servants as one of the vain followers shamelessly uncovereth himself,

33 For she, Michal, his wife observed his shameful act from her window.

34 And David only turned and answered the daughter of King Saul in this manner:

35 It was before the Yahuwa, which chose me before thy father, and before all his house,

36 To appoint me ruler over the people of the Yahuwa, over Israel:

37 Therefore will I play before the Yahuwa.

38 And I will yet be more vile than thus, and will be base in mine own sight.

39 And of the maidservants which you have spoken of, of them shall I be had in honor.

40 Therefore, Michal, the daughter of Saul, had no child unto the day of her death.

41 Thus, David gave the king's daughter to another man, Phaltiel. This was a great insult to ruler Saul.

42 This unsightly act also angered the priest, and when David knew of it, he took to hide in the house of Ahimelech.

43 It was Doeg, the Edomite, which convicted David by saying:

44 "I saw the son of Jesse, coming to Nob to Ahimelech, the son of Ahitub,

45 And the ruler Saul said to Doeg, turn thou and fall upon the priests,

46 And Doeg, the Edomite turned and he fell upon the priest, and slewed,

47 On that day 4 score and 5 persons that did wear a linen ephod.

48 And David's answer in trial was unto Abiathar, I knew it,

49 That day when Doeg, the Edomite was there, that he would surely tell Saul,

50 I have occasioned the death of all the persons of your father house.

51 Doeg clearly condemns David to death by these words:

52 You love evil more than good, and lying rather than to speak righteousness. Selah, "pray."

53 You love all devouring words oh you deceitful tongue,

54 El shall likewise destroy you forever.

55 He shall take you away and pluck you out of your dwelling place and root you out of the land of the living. Selah, "pray."

56 When his hiding place was discovered a private trial was held because of the nobility of these 3 great men and they were crucified.

57 But the Magis who protected the house of Israel had this plan to revive David.

58 And he lived while the other 2 who were also being crucified at the same time that David was being crucified, died.

59 That was the custom of that day.

60 Yet David was taken down in a coma state and revived.

61 The soldiers broke the legs of these 2 men so that they could no longer take the weight on their legs and straighten up,

62 And so they painfully suffocated to death within a few hours.

Tablet 2:63 Tablet 2:88

63 Death by this means, occurred within 5-6 hours through gradual suffocation because of the way they were affixed on the cross.

64 But when they came to David, they thought that he was dead already because the effects of the sacred drink, Soma, had rendered him in a death like state.

65 So therefore the soldiers did not break his legs.

66 Now David had to get down off of the cross early enough so that it would be possible to keep him alive.

67 There was no intention of burying David,

68 Instead, he was to be brought to a safe place where he could rest in peace while he healed.

69 A large quantity of healing herbs, aloe vera and myrrh, were used to heal him.

70 Both substance, aloes and myrrh were commonly used in the treatment of large areas of injured tissue because they could easily be compounded as ointments and small mixtures.

71 In reality there were efforts behind the scenes by the Essenes to bring David back to life in the privacy of the palace

72 To treat David, the therapeuts "one who ministers" as they were called in Egypt, evidently packed him around with a sweat-promoting poultice.

73 In Palestine, these therapeuts were called Essenes and Magi.

74 Poultice was a soft medicated mass applied to sores, used for an overall healing effect after which they wrapped him in linen.

75 This was not meant as a mere covering or wrapping,

76 But an actual bandaging in strips that went around the whole body, tightly encasing it.

77 It was intended solely as a practical precaution, to avoid having to move the seriously wounded David.

78 The fact that the crucifixion took place on the day of preparation was,

79 If anything, an advantage, because it meant they could greatly speed up the burials without arousing suspicion.

80 And remove David to a sacred place in Bashan, which is a district stretching from the upper Jordan valley to the Arabian desert, where the Essenes did dwell.

81 From the moment that David was seen to hang unconscious from the cross, haste was made to secure the release of the body as soon as was humanly possible.

82 In the seclusion of the tomb cavern in the sacred department in the palace, preparations for the healing of David got underway on the ledge in the middle of the floor.

83 The opium drink helped him to sleep deeply, out of pain.

84 The medicinal herbs were packed around his body to make his wounds heal faster because he could not be in the tomb for long.

85 When David recovered all the men that were involved had already been put to death,

86 And those that knew kept the secret within their heart and life went on as normal.

87 Now the days of David drew nigh that he should die and he charged Solomon his son saying:

88 I go the way of all the Earth, be you strong therefore and show your self a man.

89 And keep the charge of Yahuwa, your Aluhum, to walk in the way to keep his statues and his commandments.

90 And his judgments and his testimonies, as it is written in the law of Moses.

91 That you may prosper in all that you do and whither so ever, you turn yourself that Yahuwa may continue his words,

92 Which he spake concerning me, saying if your children take heed to your way to walk before me in truth, with all their hearts, and with all their soul,

93 There shall not fail you said he, a man on the throne of Israel. So David slept with his fathers and was buried in the city of David.

94 And the days that David reigned over Israel were 40 years, 7 years reigned he in Hebron, and 33 years reigned he in Jerusalem.

95 Then sat Solomon upon the throne of David his father, and his kingdom was established greatly.

96 You must digest the whole of the 20th degree of first Samu'El to get a complete overstanding of their intimate relationship and the reason for David's crucifixion.

123 And Dina became the wife Of Yonakhir,

124 Who was the mother of Elizabeth, who is called in tones Elisheba and in rhythm Aliysabaat the wife of Zachariah,

125 Parents of Yuhanna Al Mikwah, also Yonakhir and Dina gave birth to Hanna,

126 Who was the wife of Imraan who parented Mary called in tones Mariam and in rhythm Maryam.

127 She was the very daughter of Anna who is also called Hanna and Joachim, also called Imraan. Mary herself was a native of Bethlehem as well as her husband Joseph son of Hadhbith and Jacob.

128 He Jesus thus was a Bethlehemite, who later moved to Nazarus,

129 That the prophecy may be fulfilled that he be called a Nazarite.

130 In the year 7 during the reign of the Edomite ruler Herod.

131 This Herod was the son of Antipater, the Idumaean.

132 Herod was the brother of Phasael,

the Tetrach of Judea.

133 Herod was ruler of Judea by consent of Rome from 37 B.C. to 4 A.D.

134 He had 4 wives: Mariamme I, who birthed Aristobulus,

135 And his second wife was Mariamme II, she gave birth to Herod whose wife was Herodias,

136 Who gave birth to Salome, who married Philip, the Tetrach, son of Herod, and this Salome is the one who took the head of Yuhanna Al Mikwah, Daughter of Simeon the High Priest

137 And his third wife was Cleopatra of Jerusalem,

138 Who gave birth to Philip Tetrach of Ituraea and Trachonitis,

139 And the fourth wife was Malthace a Samaritan,

140 And she gave birth to Archelus, the Ethnarch of Judea, Samaria and Idumaea,

141 This Malthach also gave birth to Herod Antipas, the Tetrach of Galilee and Persaea from 4 B.C. to 39 B.C.

142 It was Herod the Great that made the atmosphere for the birth of a Hebraic savior unsafe.

143 For there once lived in Palestine a man named Imraan Ibn Mathan, who had attained to a great age without being blessed with posterity.

144 Shortly before his death his wife Hanna prayed to A'LYUN A'LYUN EL that he might not suffer her to die childless.

145 Her prayer was heard, and when she was with child,

146 Contrary to her expectations, she gave birth to a daughter, whom she named Mary, who is called in tones Mariam and in rhythm Maryam,

147 And was naturally in doubt if her child would be accepted as a servant in the temple,

148 Until an Anunnagi, Aluhum Gabriy'El cried to her, "The Most High, A'LYUN A'LYUN EL has accepted your vow,"

149 Although he knew beforehand that you should not give birth to a son.

150 He has, moreover, sanctified your daughter, as well as the man child that shall be born of her, and will preserve him from the touch of Nakhash,

151 Who renders every other child susceptible of sin from its birth.

152 These words comforted Hanna, whose husband had died during her pregnancy.

153 Joachim who is called in tones Amram and in rhythm Imraan and his wife Hanna were grateful to A'LYUN A'LYUN EL,

154 For blessing them with a child at a time when they thought they would never have one.

155 As a result, they vowed that the child would be given unto the service of A'LYUN A'LYUN EL.

156 Now, the words of the Aluhum comforted Anna, mother of Maryam, who was really worried.

157 As soon as she had recovered from her childbirth, she carried her infant daughter to the temple in Jerusalem and presented her to the priests as a child dedicated to the Heavenly Father.

158 Zachariah was the brother of Hanna, and was also a high priest of Zodoq of the temple.

159 Zachariah, was desirous of taking the child home with him, but the other priests,

160 Who were all eager for this privilege protested against it,

161 And forced him to cast lots with them for the guardianship of Maryam.

162 They proceeded, therefore, 29 in number, to the Jordan river where the Magis, who are the Essenes, did gather to record and preserve the scriptures of old in canisters. The site of the Essenes was called Zion, or simply the Little Jerusalem away from Jerusalem.

163 And they flung them arrows into the river, on the overstanding that he whose arrow should rise again, and remain on the water, should bring her up.

164 By the will of A'LYUN A'LYUN EL, the lot decided in favor of Zachariah who then built a small sukkot for Maryam in the temple, to which no one had access but himself;

165 When Maryam reached the age of 4 years, 4 months and 4 days, she was taken by Zachariah to the temple for consecration to the Heavenly Father.

166 No one had access to Maryam except Zachariah.

167 When her monthly menses rendered her unclean, it was during this time that she returned to her home until she was pure again.

168 Maryam was taught to be many things by Zachariah while in the temple.

169 When Zachariah would bring Maryam some food, she was already supplied, and though it was in winter,

170 The choicest summer fruits were standing before her.

171 So her, Anna's Rabb accepted her, Mary, mother of Jesus with the best acceptance and made her,

172 Mary grow up in the best manner, and Zachariah took care of her;

173 And whenever, Zachariah would enter her, Mary's private place of worship, he would find everything had been provided for her.

174 So he, Zachariah, said: "O Mary, where is all this coming from?"

175 And she, Mary would say: "It is all from The Source, and El Eloh provides for whom he pleases without any limits."

176 After Zachariah saw the miracles for Maryam,

177 Zachariah prayed to the Most High to perform a miracle on his behalf.

178 Then Gabriy'El called to him, "A'LYUN A'LYUN EL will give you a son, who shall be called Jahia, John,

179 And bear testimony to the word of Thehos."

180 Zachariah went down to his house filled with joy and related to his wife what the Anunnagi Aluhum had announced to him;

181 This is a reminder and a yielding mercy of your Rabb, who is 'Sustainer' to his, El Eloh's slave Zakariyya,

182 Who is also known as Zachariah.

183 When he called his Rabb in a low voice.

184 He said: "My Sustainer, and Master, surely my bones have become weak and my head of hair does glisten, and never was I denied in my prayer to you."

185 "And surely I, Zachariah am afraid of the ones after me to succeed–my kindred,

186 Because my woman 'wife' Elizabeth is barren, 'childless,' so give me a gift of yourself, a near friend 'successor.'"

187 Which shall inherit that which is mine and inherit from the family of Jacob and, my Sustainer, Rabb make him one with whom you will be

pleased."

188 O Zachariah! "Surely We, Aluhum, Anunnagi have good news of a child.

189 His name is to be Yuhanna we, Anunnagi have not made anyone his equal before him."

190 Zachariah said: "O my Rabb, how shall I have any child and my woman, Elizabeth was barren? And I have certainly reached far too much in old age."

191 He said, "Just like that, your Rabb who is 'Sustainer' just has to say it;

192 And it is easy for me, And certainly I procreated 'Khalaq' you before, and you were not a thing."

193 He, Zachariah said: "My Sustainer make a sign for me." He said:

194 "Your sign is that you won't be able to talk to the Naas, Enosites for 3 periods successively."

195 So he, Zachariah came out to his nation of Enosites from his sanctuary; and revealed to them that they glorify early in the daytime hour and the evening.

196 O John who is called in tones Yuhanna and in rhythm Yahya, or simply Al Mikwah, the Baptist,

197 Take the scripture with power and we, **ALUHUM, ANUNNAGI** gave him the wisdom as a Sabiyy 'boy.'

198 The reason why the Muslims claim in the Qur'aan that Yashua spoke from the cradle is to say that he was the youngest prophet to defend The Most High, and his mother's honor.

199 But as she, Elizabeth was already 98 years of age, and her husband 120, she laughed at him,

200 So that at length he himself began to doubt the fulfillment of the promise,

201 And asked a sign from A'LYUN A'LYUN EL.

202 "As the punishment of your unbelief," cried the messenger Gabriy'El unto him, "you shall be speechless for 3 days,

203 And let this serve you as the sign you have required."

204 On the following day light hour, Zachariah, as usual, desired to lead in prayer,

205 But was unable to utter a single sound until the fourth day, when his tongue was loosed,

206 And he besought A'LYUN A'LYUN EL to pardon him and his wife.

207 Then there came a voice from heaven, which said, "your sin is forgiven and A'LYUN A'LYUN EL will give you a son, who shall surpass in purity and holiness, all the Enosite of his time.

208 Blessed be he in the day of his birth, as well as in those of his death and resurrection."

209 Within a year's time Zechariah became the father of a child, which, even at its birth, had a holy and venerable appearance.

210 This special child was Yuhannah, "The Herald of Yashu'a."

211 He now divided his time between him and Maryam;

212 And Yuhanna in the house of his father,

213 And Maryam in the temple, they grew up like two fair flowers,

214 To the joy of all believers, daily increasing in wisdom and piety.

215 When Yuhanna reached the age of 13 he was taken to the temple for his bar mitzwah.

216 And while in the company of the Essenes, Yuhanna the Harbinger found

himself wanting to be amongst them.

217 So he ran away from his family to live in the wilderness and then to Egypt to study.

218 It came to pass when Yuhanna, the son of Zachariah and Elizabeth, had finished all his studies in the Egyptian schools he returned to Hebron, where he abode for certain days.

219 And then he sought the wilderness and made his home in David's cave, where many years before he was instructed by the Egyptian sages.

220 Some people called him the Hermit of Engedi; and others said, "He is the wild man of the hills."

221 He clothed himself with skins of the beasts; his food was carob, honey, nuts and fruits.

222 When Yuhanna was 30 years of age he went into Jerusalem, and in the market place he sat in silence 7 days.

223 The common people and the priests, the scribes and the Pharisees came out in multitudes to see the silent hermit of the hills; but none were bold enough to ask him who he was.

224 But when his silent past was done, he stood forth in the midst of all and said:

225 "Behold the ruler has come; the prophets told of him; the wise men long have looked for him.

226 Prepare, O Israel, prepare to meet your ruler."

227 And that was all he said, and then he disappeared, and no one knew where he had gone.

228 And there was great unrest through all Jerusalem. The rulers heard the story of the hermit of the hills.

229 And they sent couriers forth to talk with him that they might know about the coming ruler; but they could not find him.

230 And after certain days he came again into the market place, and all the city came to hear him speak. He said:

231 "Be not disturbed, you rulers of the state; the coming-ruler is no antagonist; he seeks no place on earthly throne."

232 "The eyes of men shall not see it and none can enter but the pure in heart."

233 "Prepare, O Israel, prepare to meet your ruler."

234 Again, the hermit disappeared; the people strove to follow him but he drew a veil about his form and men could not see him.

235 Jewish feast day came; Jerusalem was filled with Judahites and proselytes from every part of Palestine and Yuhanna stood in the temple court and said:

236 "Prepare, O Israel, prepare to meet your ruler.

237 So, you have lived in sin, the poor cry in your streets, and you regard them not.

238 Your neighbors, who are they? You have defrauded friends and foes alike.

239 You worship A'LYUN A'LYUN EL with voice and lip; your hearts are far away, and set on gold.

240 Your priests have bound upon the people, burdens far too great to bear; they live in ease upon the hard earned wages of the poor.

241 Your lawyers, doctors, scribes, are useless cumbers of the ground; they are but tumors on the body of the state.

242 They toil not, neither do they spin, yet they consume the profits not the rights of Enosite.

243 And robbers ply their calling in the sacred hills; the holy temple you have sold to thieves; their dens are in the sacred places set apart for prayer.

244 Hear! Hear! You people of Jerusalem! Reform: Turn from your evil ways or A'LYUN A'LYUN EL will turn from you, and heathen from afar will come, and what is left of all your honor and your fame will pass in one short hour."

245 "Prepare, Jerusalem, prepare to meet your ruler." He said no more; he left the court and no one saw him go.

246 The priests, the doctors and the scribes were all in rage.

247 They sought for Yuhanna, intent to do him harm. They didn't find him.

Tablet Three
The Journey Of The Wisemen
(19 x 6=114

Lo! Our personal record keepers came to log the birth of this Aluhum into flesh,

2 For we did watch the skies for many years to this date when the great Tammuz would return in flesh for the salvation of all flesh.

3 Our loggers namely Balthasar, who headed 4 and Melchoir, who headed 4 and Jasper, who headed 4,

4 All followed the craft that delivered this spark Enad into this world.

5 They called them simply Magus.

6 The Magi were a group of mystics known by many different names.

7 They lived in communities set up all around the world,

8 These Magi or wisemen were linked together as one through the order of the Essenes.

9 The Essenes were very strict, observing daily prayers, foretelling the future and being well learnt in the scriptures,

10 Logging the motion and movement of the stars.

11 The Essenes followed the Levitical purity laws strictly and avoided contamination by the outside world.

12 They saw the Jerusalem of their day governed by the Pharisees, the Sadducees, the Sanhedrin and the false Kohen priest as children of wickedness.

13 Thus, they removed themselves to the mountains of the Jordan to form the New Jerusalem, Mount Zion.

14 They received their laws from Leviticus, one of the scrolls received by Moses.

15 They kept themselves isolated and lived for, of, and by each other.

16 No one had individual property and they all shared in the ownership rights.

17 If one member visited another community he or she was treated with utmost hospitality and concern.

18 Their livelihood was sowing and planting.

19 Some were herdsmen, bee keepers, writers and healers.

20 Some worked as handicrafts, writers and healers using roots and herbs.

21 They raised the locust plant which was a part of their diet.

22 This is the same locust which Yuhanna the baptist ate in the wilderness with wild honey.

23 The Essenes were ascetic and advocated a vegetarian diet.

24 Some of the Essenes were astrologers.

25 Their system of astrology has passed on from the Ancient Mystic Order of

Tablet 3:25

Melchizedek, Of which they were a branch.

26 They were to log the birth of an individual.

27 This was called solar biology,

28 For you would not only be what sign you were born under,

29 But because your father was one sign and your mother another sign,

30 The 33 and 1/3rd chromosome that come through your father put his sign into you.

31 And the 33 and 1/3rd chromosome that come from your mother put her sign in you,

32 And then the 33 and 1/3rd that makes up the sign you were born under means that each person is born with 3 signs equally manifesting in their character.

33 The Essenes believed in selective birth for selected characters.

34 So the Essenes were holders of great mysteries within their order and much symbolism was used within their community.

35 Balthasar meaning *"save the life of the ruler,"* was a Cushite from the tribe of Noah.

36 This tribe was situated in Ethiopia.

37 Balthasar traveled with 4 of his students from Ethiopia namely:

38 Zaarwandaad son of Artaban, Hurmizdaad son of Sitaruk, Gushansaaf son of Gundhephar and Arshaakh son of Miharuk.

39 The next group was headed by: Gasper meaning "treasure."

40 Gasper was from Persia.

41 He was of a mixed seed. He brought 4 of his students as well. They were:

42 Mihaaruk, son of Huhan, Anshirish son of Hasban, Sardalaah son of Baladan,

Tablet 3:57

and Mirsdaasht son of Bildaran.

43 The third of the leaders of the wisemen was Melchoir meaning "ruler of light."

44 Melchoir was from the city of Midian.

45 He was a student that sat under Melchizedek of which Yashua was a part of, as well.

46 All belonging to The Ancient Mystic Order Of Melchizedek who was after the Order of A'LYUN A'LYUN EL, The Most High.

47 This Melchoir was also accompanied by 4 of his students.

48 His students were: Zaarwandaad son of Warzwas,

49 Iryaahu son of Khusrau, Artahshisht son of Huliti and Ashthun-Abudaan, son of Shishrun.

50 When the wisemen were preparing for the birth of Yashua they brought along gifts for him, which accorded the stature of his station,

51 Balthasar brought gold, Gasper brought frankincense and Melchoir brought myrrh,

52 And she gave birth to him. Upon sighting the heavenly sign of Huwt, "the astrological house of Hebrews,"

53 Balthasar, his students and some travelers, as well as Gasper with his students made their way to the city of Midian.

54 They were made aware that once they reached this city, Midian, another sign would be given to guide them to Yashua.

55 Now the journey from Ethiopia to Midian was 600 miles,

56 And the journey from Persia to Midian was 650 miles; a journey indeed!

57 They picked up a large number of

stragglers along the way,

58 A number of soldiers, warriors and visitors who were eager to meet the anointed one, so they accompanied the caravan to Midian.

59 The majority of the people in the caravan traveled by camel because most of the journey took place across the desert.

60 Let me teach you a little about camels.

61 Camels are large, strong desert animals.

62 They are able to travel great distances across the arid deserts with small amounts of food and water.

63 Camels carry their own food supply on their back in the form of a hump of fat.

64 This hump provides energy for the camel if food becomes scarce.

65 There are 2 chief kinds of camels:

66 The Arabian camel and the Bactrian camel, which has 2 humps.

67 A special kind of Arabian camel called the Dromedary is raised for riding and racing.

68 The Dromedary is a swift, slightly built camel used for travel in parts of India, Arabia and Africa.

69 It sometimes grows up to 7ft, 2 meters tall.

70 The Dromedary has only 1 hump.

71 It can live on small amounts of food and water, and requires only short periods of rest.

72 The Dromedary has a swinging trot and travels at a rate of about 9 miles, 100 kilometers in a day.

73 The camel has always been a great importance to the desert traveler;

74 Because of its ability to walk on the sand without sinking and can carry heavy loads as much as 1000 pounds or 450 kilograms.

75 Camels stand from 6-7 ft tall and weigh from 1000 to 1,600 pounds.

76 Upon the caravan's arrival in Midian they met Melchoir who was watching the skies for the next sign.

77 He was rewarded one shadow hour when, after the third planetary conjunction,

78 All the heavenly host met together at one single point creating what appeared to be a bright star.

79 This was the sign that Yashua had been born.

80 This star signaled as the birth of an Ilah Mutajassid.

81 This was also the star that appeared on Tuesday, June 26th in the year 1945 A.D. at my birth, it also looked this way.

82 It was at this sighting that the wisemen knew to make their way to Jerusalem,

83 Which was approximately 525 miles away.

84 Before I give you the details concerning the birth of Yashua a Messiah,

85 I must provide you with a little background on the events which surrounded this point in time.

86 Herod, the Great was the familiar name of a dynasty of princes who ruled from 55 B.C. to 93 A.D.

87 Beginning with the patriarch Herod Antipater, this lineage of Idumeans, classified as Edomites were forced to accept Judaism, and they ruled principally in Judea.

88 They were not readily accepted by the Judahites and there were many uprisings against them by the Judahites.

EL GISYIIIYINAAT

THE CHRISTIANS

Tablet 3:89

89 Herod the Great was given the total rulership of Palestine, which included Jerusalem, given to him by Julius Caesar, sole ruler of the Roman empire.

90 Herod was an ambitious, paranoid, power seeker.

91 He would stop at nothing to attain status and authority.

92 He was informed of his future glory during his childhood by an essenic seer, or a wisemen named Manhem.

93 At the time he found it hard to believe he would be ruling such a vast empire since he was second son of Antipater.

94 Manhem also slapped Herod on the back and told him that from that moment on his future would change, that his life would be one of much happiness,

95 But his characteristics would cause him much misery.

96 When. political fortune did favor Herod the Great and he finally did, become ruler;

97 Herod the Great remembered the Essene seer and extended every consideration toward the order and its members.

98 At this time the Judahites were forced to take "loyalty oaths" to the Romans in return for the freedom to exercise their own religious practices.

99 The Essenes were excused from taking the loyalty oath due to the outcome of the accuracy of the Essenic seer was strengthened and manifested at a later date,

100 When he consulted so called "astrologers" as to the birth of a child who would be ruler.

101 Herod had 10 wives and 46 children.

Tablet 3:114

102 Herod held no qualms about murdering anyone who threatened his position.

103 In fact, when Herod conquered Jerusalem he had 46 noblemen who supported their leaders.

104 During his reign he also had some of his relatives murdered because of rumors of treason and attempts against his life.

105 His own children were included in the list of potential usurpers of his throne.

106 So it was no great surprise that when Herod learned of the birth of the Messiah, he became obsessed with finding this threat to his throne.

107 The way Herod learned of this birth was when a caravan reached his city during the time of taxation.

108 Included in this caravan were the wisemen who proceeded to inquire as to the whereabouts of the child.

109 The wisemen were surprised that there was none to aid them because no one knew to what "ruler" they were referring.

110 The residents directed them to Herod who was in the midst of directing the great census taken during this time,

111 All residents of the territory of Palestine were ordered to return to the land of their birth so they could be easily counted at the time of taxing.

112 This included Mary, the mother of Yashua and her husband Joseph and their children James also called Yaquwb,

113 Simeon, Jude, Joses, who is Barnabas Martha, Esther, and Salome,

114 Joseph's children by Halsaa, who were on their way back to the town of Bethlehem.

Lo! The wisemen inquired of Herod as to the whereabouts of the boy ruler at which point he contacted the Essenic seers to find out more.

2 Herod was informed that the Messiah could be found in Bethlehem.

3 It was at this point that Herod sent the wisemen to find the Messiah and said:

4 "Seek diligently for the youth and when you have found him,

5 Come and show me so that I too can show obedience to him.

6 Herod offered homage by way of his mouth though deceit was hidden in his heart.

7 Herod was anxious to know the whereabouts of the child because he wanted to eliminate him and keep his station secure.

8 This was why he pretended that he was interested in the child.

9 The same star which had been their guide on the road appeared to them again.

10 The wisemen were exceedingly happy because the star moved on before them until they reached a cave.

11 Remember, this was not a star at all,

12 Rather it was a gathering of all the heavenly hosts.

13 It was a craft, with the Aluhum,

14 Traveling as a pillar of light.

15 Shining against the black sky as a star.

16 Stars are too large to move across the skies.

17 And shooting stars are without point of direction, let alone a navigator.

18 Yes, this was indeed a craft.

19 For this child was from above.

Tablet Five
Joseph And Mary Meets
(19 x 8=152)

Lo! Zacharia was 120 years of age at the time of the birth of Yuhanna the Baptist.

2 His wife Elizabeth was 39 years of age.

3 It was not Zacharia who impregnated Elizabeth, it was the Aluhum Gabriy'El.

4 Elizabeth was barren and A'LYUN A'LYUN EL opened her womb so she could bear this special child.

5 Nazareth, a little town in the hill country of Galilee in Northern Palestine,

6 Was where Mary and Joseph both of the house of David, met, courted and finally married.

7 Joseph was a carpenter by trade.

8 He lived by himself near Mary's family.

9 He was living by himself, for his wife Halsaa had died of malaria in her last childbirth.

10 And her parents took the children.

11 So he Joseph had left his family to go make a living on his own.

12 Mary and her family lived up on a hill and Joseph lived at the bottom of the hill.

13 He would see Mary almost everyday as she passed by his house on her way to the well.

14 He greeted her and her eyes would smile in return.

15 Later on, he would sometimes help her carry her water up on the hill and they would engage in small talk.

16 This was the seed planted for the

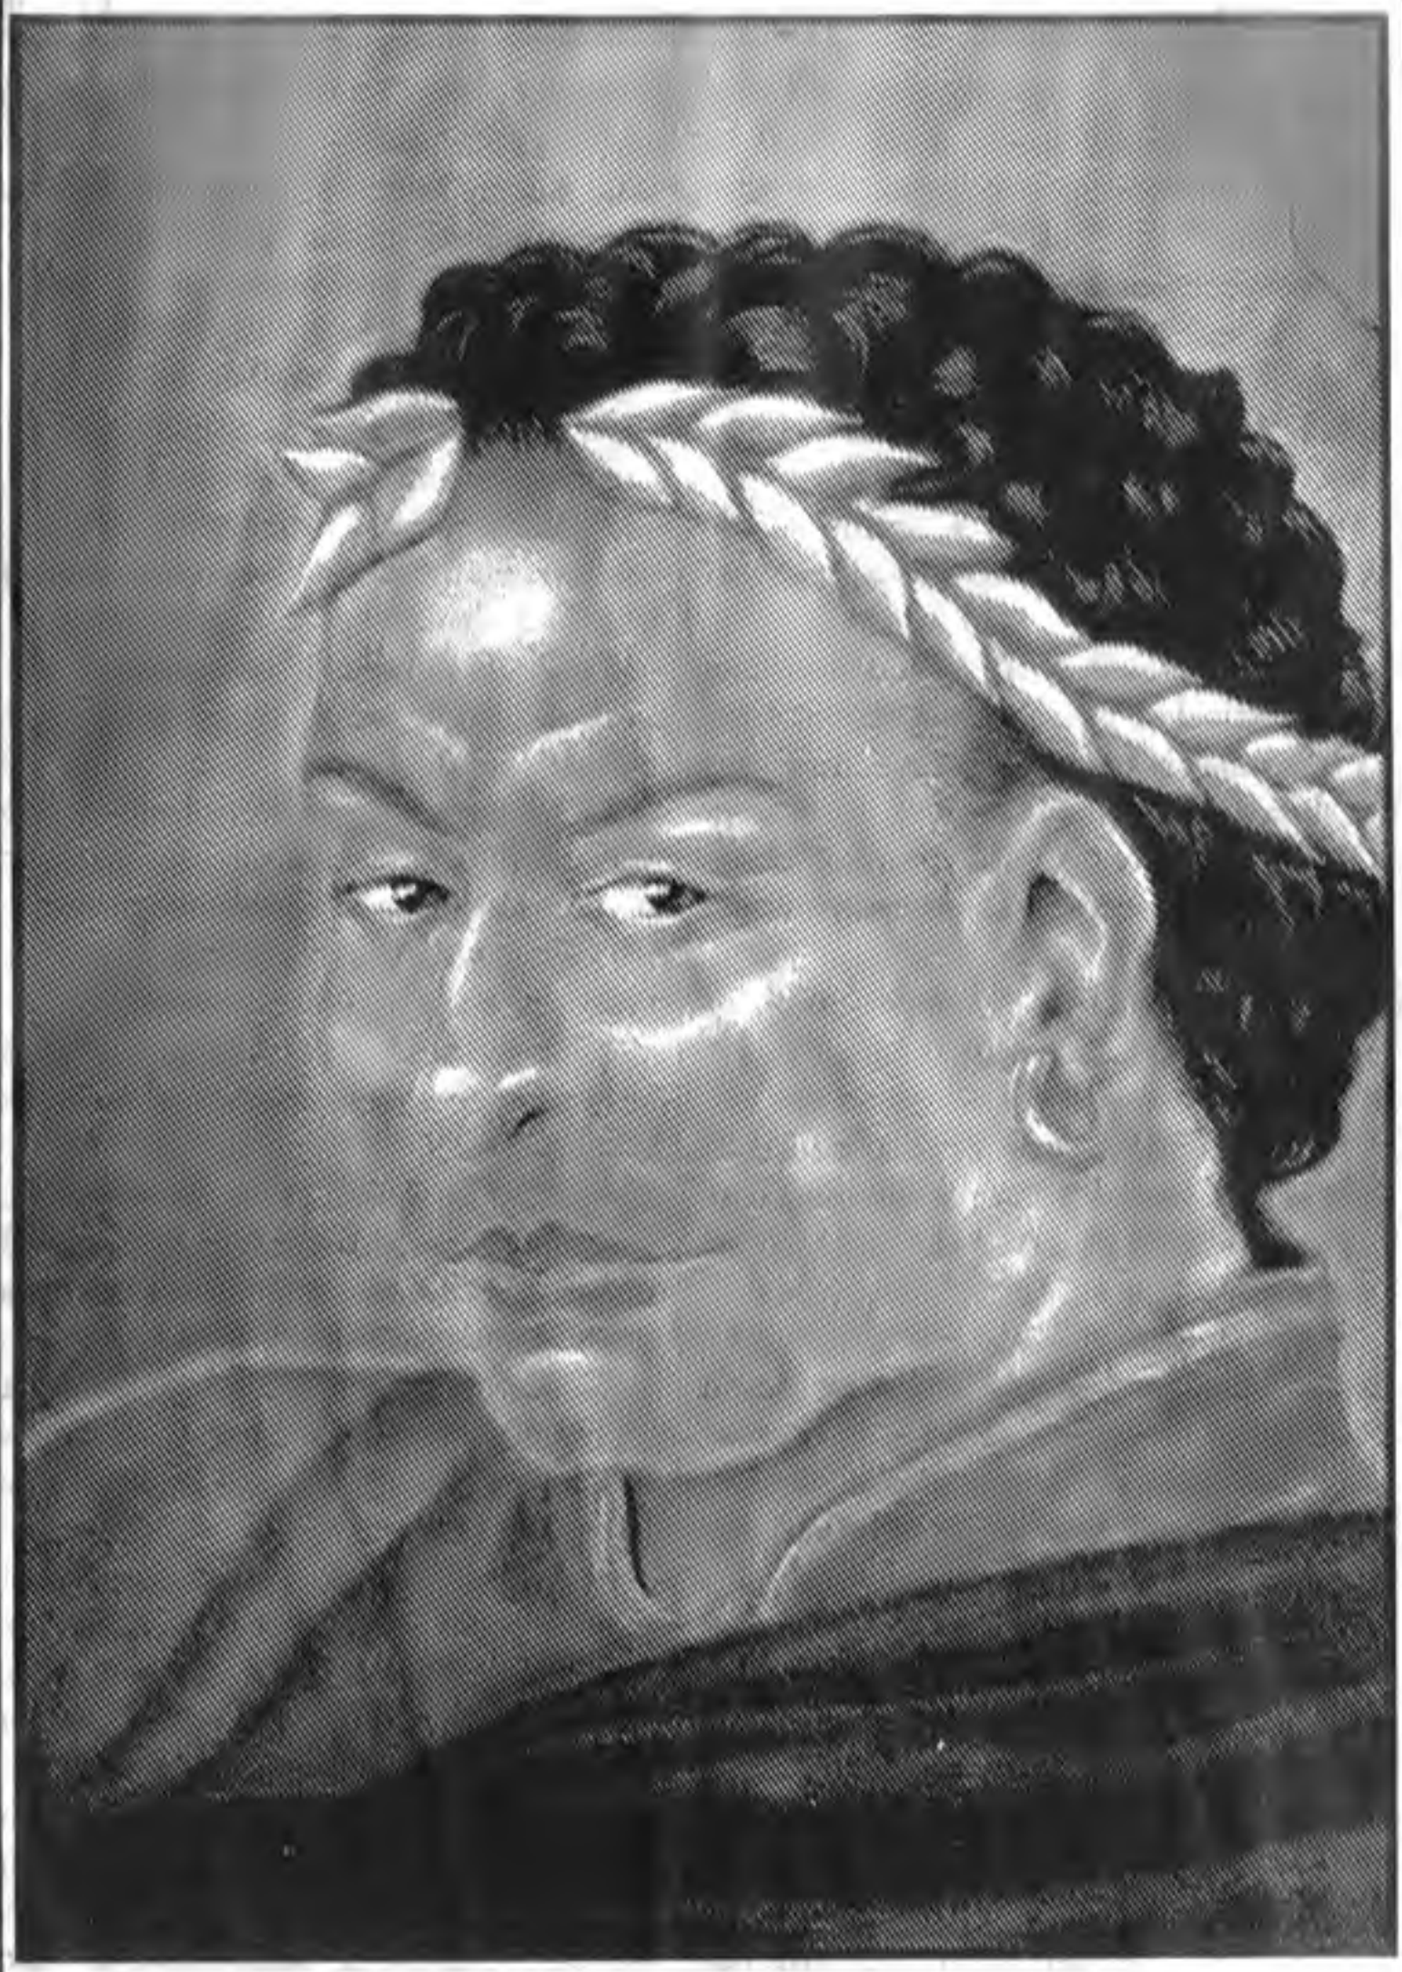

Figure 434

later blossoming of a beautiful courtship.

17 On her learning that he lived alone, Mary began to bring him dates and other food.

18 Eventually, this became a daily chore that they both enjoyed.

19 Now Joseph had a friend name Simon Barabas Yashua (Jesus), son of Barabas.

20 Son of buying and selling ecclesiastical or preaching advancements.

21 Barabas is from "Bera" meaning gift. Yashua means "savior".

22 Barabas was a rebel who chose violence as a means to overthrow the establishment.

23 He had tried to persuade Joseph to become a rebel, a zealot because of his lineage.

24 Since Joseph was of the house of David he would impress the populate and elevate the group in the sight of the Sanhedrin,

25 For they would not listen to Barabas because he was considered a common criminal.

26 One day Barabas came to see Joseph, and Mary had visited Joseph that day and brought him some dates.

27 Mary had her veil off and Barabas had seen her face.

28 Barabas was amazed at her beauty, for she had dark, brown, olive toned skin with black eyes.

29 As a result of Barabas seeing her face, he one day told Joseph that if he did not marry her soon, he, Barabas would.

30 This made Joseph realize how much he loved Mary, he rushed to ask her father Imraan for her hand in marriage.

31 When Joseph came to Mary's house, she had to leave the room for this was the manner of all Muslim women.

32 Her mother, however, could remain in the room with the men because she was past the age of childbearing.

33 Houses in that time were made with one large room.

34 The sleeping quarters were like a loft place near the top of the room, so Mary could still hear what was going on.

35 As they talked, she possessing a beautiful voice would laugh with a soft, cooing sound.

36 The marriage of Mary and Joseph was announced at the next Sabbath and was to take place at a later date.

37 This was the betrothal of ancient law.

38 They were considered married although the ceremony had not yet taken place.

39 A'LYUN A'LYUN EL found it favorable to send the Aluhum Gabriy'El to tell her that she was chosen above all other women to bear a Messiah,

40 A savior to his own people, the tribe of Judah, the lost sheep of the house of Israel only, before having children by an Earth born father.

41 When Maryam had grown to womanhood, there appeared to her one day, while she was alone in her cell, the Anunnagi, Aluhum Gabriy'El, in full human form.

42 Maryam hastily covered herself with her veil, and cried, "Most Merciful! Assist me against this man."

43 But Gabriy'El said, "fear nothing from me:

44 I am Nusqu, the messenger of A'LYUN A'LYUN EL, who has exalted you above all the women of the Earth, and am come to make known to you his

will.

45 You shall bear a son, and call him Yashua, some will think him to be Emmanu'El son of Isaiah, the blessed one.

46 He shall be honored both in this world and in the world to come!"

47 "How shall I bear a child and have had nò sex being still a virgin?", replied Mary, affrighted,

48 "It is even so," replied Gabriy'El.

49 "Your son shall be a sign of his Aum-nipotence, and as his prophet, restore the backsliding sons of Israel to the path of righteousness."

50 When Gabriy'El had thus spoken, he raised with his finger Mary's robe from her bosom, and laid upon her.

51 And went in unto her and she became pregnant with this holy child by the holy one Gabriy'El.

52 When Maryam conceived, she went to live with Zachariah again,

53 For she feared that her family would not overstand and call her a harlot.

54 They were upright people and in all probability would not overstand the circumstances surrounding her pregnancy.

55 Most of all Joseph would suffer because until this time, he had not known her sexually.

56 Elizabeth was in her 6th month of pregnancy when Maryam went to stay with her.

57 She overstood the burdens of Maryam's pregnancy and welcomed her.

58 When Joseph learned of it, he wanted to hide Maryam for the same reasons that she left her parents home.

59 He thought that she might have been unfaithful to him and he wondered was it Barabas,

60 Who always wanted her for his wife, that made her pregnant.

61 He was still willing to consummate their marriage although sometimes he doubted it,

62 However, an Anunnagi Aluhum had appeared and told him the truth of the matter.

63 Maryam, the mother of Yashua and her betrothed husband Joseph, were on their way to Bethlehem when she gave birth to Yashua.

64 Mary and Joseph had to go to Bethlehem for the census taking.

65 At the start of their journey to Bethlehem Mary was 6 months pregnant.

66 The journey from Nazareth, the home of their grandparents,

67 To Bethlehem is 70 miles but the trip was a long hard one, across mountains and desert land.

68 Don't forget that one traveled by ass in those days if one wasn't rich enough to afford a camel.

69 Besides there were many others who were on their way to Jerusalem and they traveled in a caravan so the trip took a long while.

70 As a matter of fact, by the time they reached the outskirts of Bethlehem, Mary was well into the labor pains of birth.

71 She informed Joseph that she was unable to go any further and while he was busy lighting a campfire Mary withdrew from the mainstream of the caravan.

72 Some people might question Mary's actions, asking why, if she had been specially prepared for his birth,

73 She suddenly wished she had never been born?

Mary Resting Upon A Tree

74 You must remember that Mary was 13 years of age at the time of the birth of Yashua.

75 Although she was prepared physically, to give birth to this special being, mentally, she still was a little girl.

76 When Mary reached the palm tree, the Anunnagi Gabriy'El manifested in the shape of a well made man.

77 At the conception, A'LYUN A'LYUN EL, gave Gabriy'El his permission for Gabriy'El to be present to aid Mary during her travail.

78 It was at this point that Yashua performed his first miracle which was speaking from birth.

79 Gabriy'El then stamped his foot and made a fountain of the fresh water that gushed forth from the Earth,

80 Just as he did with Hagar the daughter of Ishma'el.

81 The palm trunk Mary was leaning on, then burst forth with blooming flowers and fresh, ripe dates to refresh her.

82 Then Gabriy'El said to her: "eat of the ripe dates and drink of the cool water, cool your eyes and compose your spirit,

83 And should you see anyone who might question you about your child or censure you on account,

84 Then say I have vowed the merciful A'LYUN A'LYUN EL a fast, a vow of silence." Maryam plucked a few dates, which tasted like fresh fruit, from the fountains whose water was like milk. Joseph set off to get firewood and made a kind of fence around Maryam, since she was cold. He kindled the fire for her so that she might warm herself and he broke 7 coconuts, which he had in his saddlebag, and gave them to her to eat.

85 So when the 9 months were near complete for her to give birth,

86 She received her birth pains without grace so then after that,

87 Thereupon she ran into the field,

88 And had scarcely time to support herself on the withered trunk of a date tree which upon her touch transformed into a ripe date tree,

89 So she said: I wish I would have died before I encounter this labor pain,

90 And had been a thing already forgotten.

91 And the baby while still within her womb called out to her from beneath her saying:

92 Do not grieve verily your Sustainer El Eloh made a running stream beneath you and shake towards yourself Mary, the trunk of the palm tree,

93 It will drop ripe dates for you. So eat the dates and drink the water and refresh your eyes and if you see any mortal tell them,

94 Surely I made a vow to fast, to the Yielder, El Eloh, so that I won't speak to any Enoshites today, and she gave birth to him.

95 Mary came to her nation of Enoshites carrying him, they said:

96 "O Mary indeed you have come with a thing unheard of."

97 "O sister of Aaron also called Haaruwn! Your father, Amraam was not a wicked commander,

98 Nor was your mother, Hanna a harlot or an unchaste woman."

99 So she, Maryam pointed at him, Yashua; they, her Enosites said:

100 "How can we speak to one, who is still a child in the cradle?"

111 He, Messiah Yashua said: "Surely I am a slave of El Eloh.

112 He has given me the scripture, by Yuhanna son of Zebedee, and he, The Source, El Eloh made me a prophet.

113 And he made me, Yashua blessed wherever I may be,

114 And He, El Eloh has enjoined on me to Worship, **TAFUL** and Charity, **ZAKUT** for as long as I live."

115 He, The Source, made me righteous to my mother and he didn't make me a Jabbaar, Ghibbor 'insolent mighty one' and un-blessed and miserable.

116 And peace be upon me, the very day I was born, and the day I will die, and the day I will be raised back to life."

117 That is Yashua, son of Mary, speaking the facts beyond any doubt, about that which they dispute

118 But notwithstanding these wonders the children of Israel would not believe the voice of an infant baby speaking directly to them.

119 He was derided and despised because he called himself the word and the spirit of A'LYUN A'LYUN EL,

120 And was challenged to perform new miracles in the sight of the people. They raised their voices and called them foul things,

121 So for the safety of Mary, Joseph took Mary and the baby to a cave where he made them stay until she rose from confinement.

122 Then he brought her back to tavern where they had rented a room and Mary carried the infant Yashua in her arms.

123 Then cried she, "Oh that I had died,

124 And been forgotten long before this, rather than that the suspicion of having sinned should fall upon me!"

125 Gabriy'El appeared again to her, and said, "fear nothing, Mary.

126 Behold, the Thehos causes a fountain of fresh water to gush forth from the Earth at your feet,

127 And the trunk on which you leaneth is blossoming even now, and fresh dates are covering its withered branches.

128 Eat and drink, and when you are satisfied, return to your people;

129 To Maryam it must have been some wonderful news to learn that she was chosen above other women to be so blessed;

130 But there was doubt in her mind.

131 Joseph and she were virtuous people and did not engage in sexual intercourse before the ceremony, even though they were betrothed.

132 Maryam was in a predicament, but upon asking the Anunnagi Gabriy'El he explained to her how the conception would come about.

133 Many would you believe that Yashua was conceived by **Eli**, the Most High himself, and that there was no physical contact.

134 But let these facts enter your mind.

135 It takes one X and one Y chromosome to produce a male,

136 It takes one X and one X to produce a female.

137 If indeed Mary was a female and we know this to be true then she only had within her capacity for reproduction X plus X chromosome,

138 In order for a male child to be born through her at the fertilization stage there must have been a Y chromosome to produce a son.

139 Thus, some male counterpart had to have ejaculated semen carrying a Y chromosome to mix with her ovum with an X chromosome to produce an X Y namely Yashua, a male child

140 Others will say but can not God do any and all things?

141 The answer is simply no! God cannot become less than God and still be God and God creates in perfection.

142 If he intended to use miraculous powers then the baby and the pregnancy,

143 And the travailing in child birth and pain would not have happened or been necessary at all.

144 If Yashua was divine from the moment he was born, then Herod would not have been a threat to his life

145 And the many lives of the children of that town would not have been lost.

146 This Yashua as a child grew and waxed strong in spirit filled with wisdom and the grace of Eli was upon him.

147 It is now to be forgotten that by being called the word of A'LYUN A'LYUN EL,

148 Meant he had no words of his own.

149 And being called the spirit of A'LYUN A'LYUN EL, he had no spirit of his own.

150 He was prophesied to come,

151 Yet, when he came to whom he was sent, they rejected him.

152 He himself declared a prophet is without honor in his own home.

Tablet Six
The Gifts
(19 x 3=57)

Lo! The cavern of the Wisemen followed this star until they reached the cave where Joseph and Mary were staying.

2 Because the baby was a newborn, they moved him to a house to protect him from the elements.

3 The house which Joseph and Mary and the baby Yashua stayed in, was that of a shepherdess.

4 Here they were shown every hospitality until it was time for the child to be presented to the priest for consecration.

5 During this time the wisemen assisted and supplied the family with necessary items.

6 The Wisemen thought they would see a royal person upon their arrival, the ruler of Israel.

7 In that time when a ruler was born there were feasts, festivities and great rejoicing.

8 They expected a royal palace, coats of gold and elaborate costumes.

9 Delicacies placed upon strategically arranged cushions and platters. The son and his father arrayed in royal apparel soldiers companions,

10 Slaves in attendance, gifts and the rarest of entertainment. Yet what they found was Joseph and Mary sealed in the cave with an astonished look on their faces.

11 The child was speaking giving confirmation of this personage and although all they saw, was a humble estate of poverty,

12 They were left with no doubt that this indeed was a Messiah Yashua. The Magi sat with Joseph and Mary and told them stories of the signs of Yashua their child, and what to expect.

13 They foretold of the strange events which were now to begin, taking place in their lives.

14 And the gifts which they had carried, for so long were presented to him. They told Mary of the significance of the gifts.

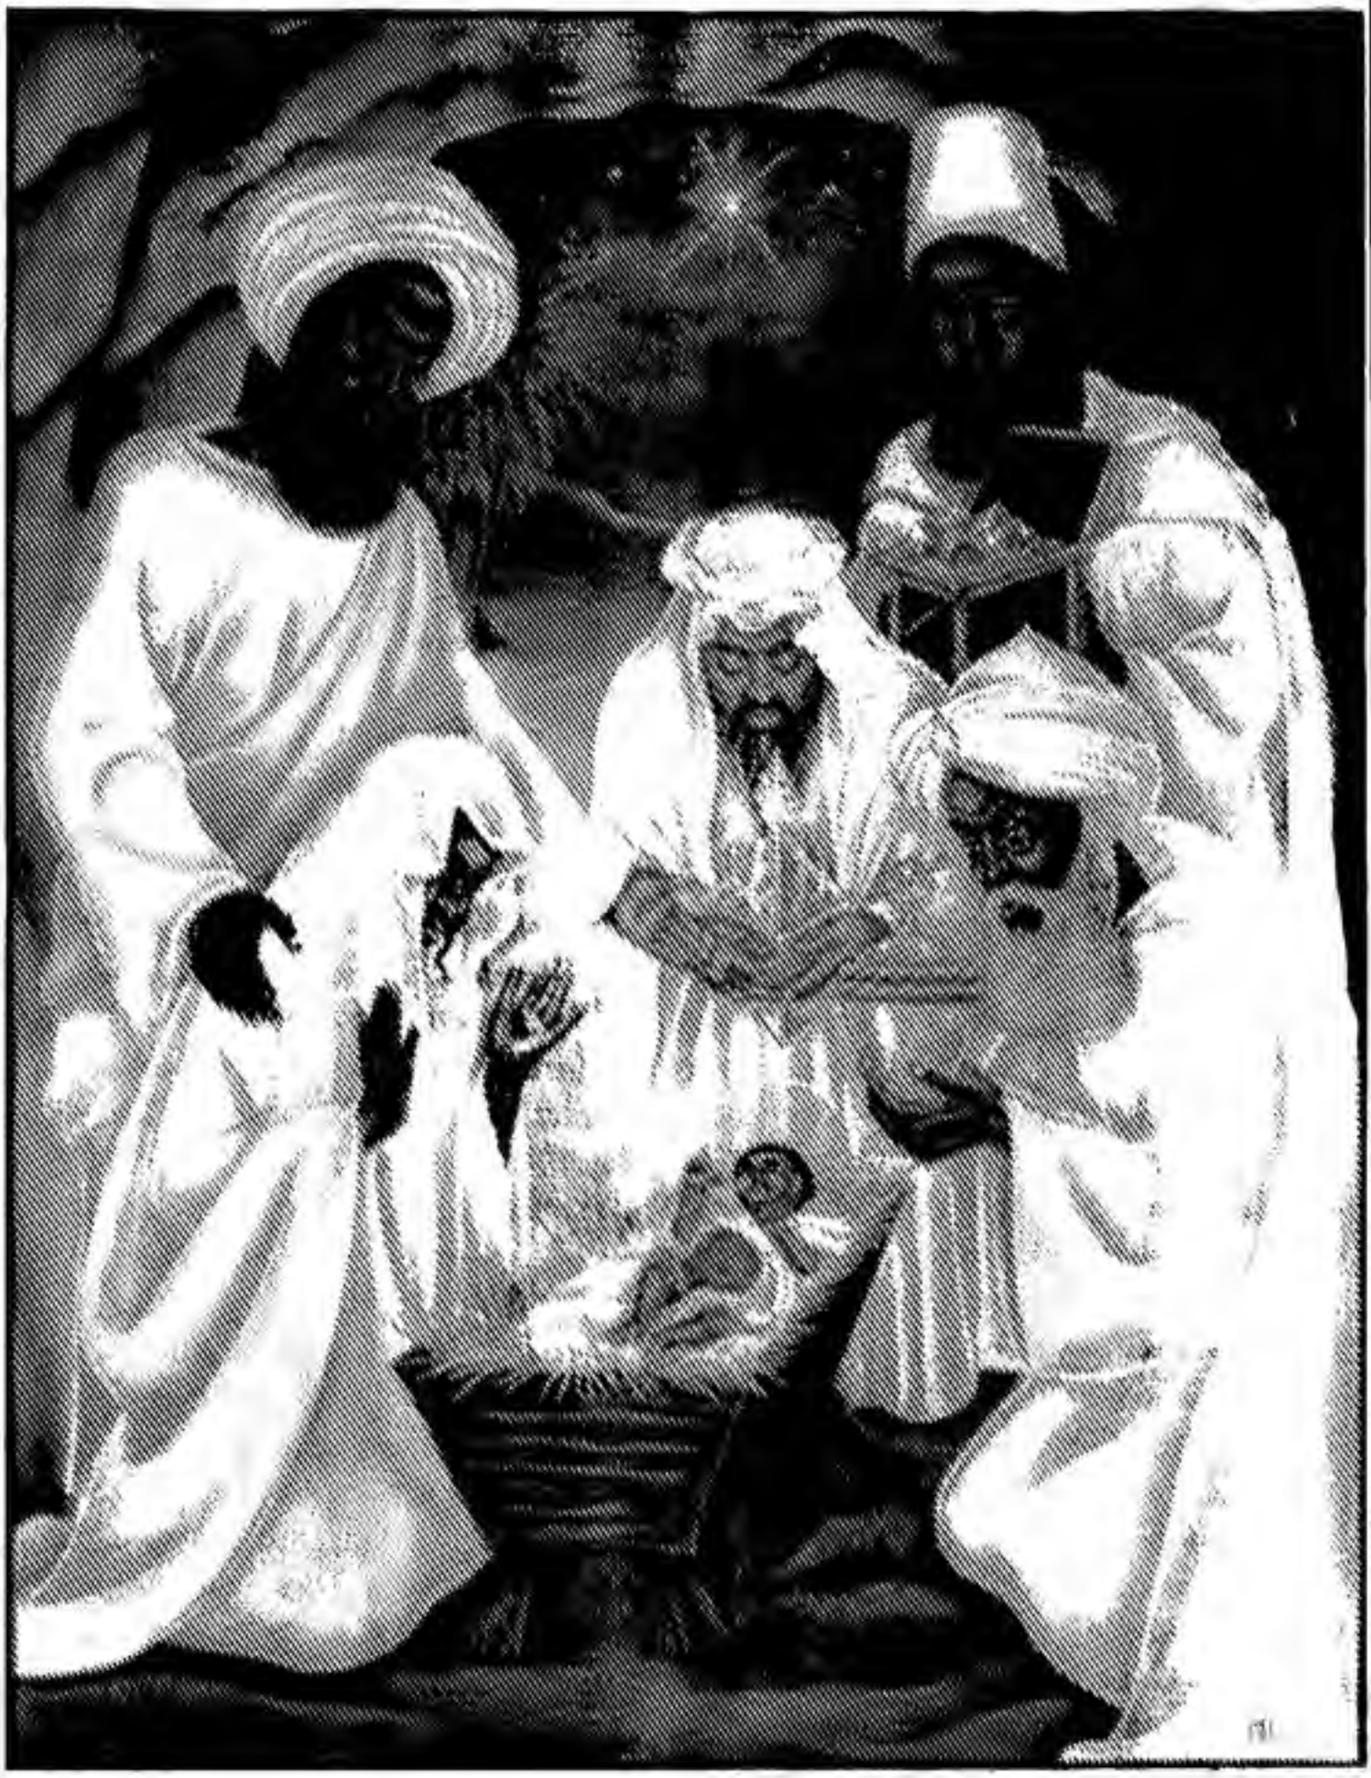

Figure 447
The Wisemen Bringing Their Gifts For The Baby Yashu'a

15 Along with the frankincense, myrrh and gold, the Wisemen brought thirty pieces of silver which they had and told them how it would be very significant in his life in the future.

16 They also brought the staff. These things were given to Joseph to hold until Yashua came of age. At this time Yashua would be instructed to seek out the Magi and learn his duties.

17 According to Hebraic traditions, manhood, or coming of age began at the age of thirteen years or immediately following what is known as the Bar Mitzwah.

18 Yashua would have to go to Midian because the Magi were going to leave their students behind to set up schools.

19 From Midian, the Wisemen would meet Yashua when he came of age and show him all of his ancestry,

20 Their tombs, the scriptures and all the things which they had written and said, so that he would have the knowledge of the key to be ruler over the Israelites.

21 The Magi had the original Book of Wisdom but they couldn't leave it with Joseph. Yashua would have to receive it later on in his life.

22 Because Yashua was born of a woman, Mary, and fathered by an Aluhum, Gabriy'El, the Aluhum were coming down from heaven to him.

23 The Magi rose and paid homage to Yashua.

And This Is How This Event, Of The Birth Of Yashua Should Be Commemorated

Children's Day

December twenty fifth is Uwladaat Yawum, children's day, most commonly known as Christmas. The eve before is called Layul Shil Hadeyaat "night of gifts" and while the mothers are preparing the children for bed, the fathers step outside of the house and ring bells for a period of about 15 minutes.

There are special angelic beings who have been assigned by El Rawuh, Michael in heaven, or their home called Malakuwt who go through all the lists of all the children on the planet Earth. They have done so for 19 days and the shadow hours before children's day ends the reading of the lists. They read the lists in order to find out which children have been good, those whose names are written in green and the children who have been bad, those whose names are written in red. Then they get together a final list of these children's names.

19 days before Children's Day, all the children on the earth are told by their parents to write a list of toys which they want to receive on children's day. A special box is put in the House of the Sustainer and the child puts the list of what they want in the box. Those who are so young they do not know to write, their mother or father writes it for them however, they put it in the box themselves.

These lists are then received by the angelic beings. There is a workshop in Malakuwt, home of the Aluhum set aside just for making toys. When the angelic beings make all the children's toys and finish their toys on time you hear bells ringing. As soon as each of the 4 angelic beings who assigned the 4 corners of the world finish

their toys for their specific part of the world, they get their wings. Upon receiving their wings all the elder angelic beings with wings sing out "Allahumma" while standing in a circle around the one getting winged. Then the elder angelic being tells stories of things they've encountered on Earth during previous children's days. There is a star for every angelic being's accomplishments. Only the angelic beings who were obedient get to make the journey to Earth for Children's Day.

Since evening time the stars have been twinkling brightly in the sky. On Earth, the children, are told the significance of the twinkling stars and they celebrate the angelic beings being winged by going from house to house singing praises and songs. At shadow hour time, the children look out of their windows in order to site the stars again. The stars, which twinkle in the heavens, are the angelic beings waiting for the children to fall asleep so that they can bring them gifts. This also is symbolic of the star which shone brightly in the shadow hour sky and led the Wisemen to the newborn baby Yashua. During this special occasion, all the angelic beings met together at one single point in the heavens, creating what appeared to be a bright star, signaling the birth of Yashua.

The recently winged angelic beings are given a list of houses to visit. They are to visit the homes of the good children and give them all toys they asked for. If the child was not very good, but just okay, then they get gifts, but not all the gifts they asked for. If they are very bad then the devil fools them by putting red gifts under the tree with nothing in it but unseen Jinns. If these red gifts are opened, the unseen Jinns will scare the child that whole year up until the next Children's Day.

Thus, the heavens open up and El Ruwh, the Soul and the Sarufaat descended with gifts wrapped in green packaging. El Ruwh and the Sarufaat also descended to Earth in the time of Muhammad to show him the Qur'aan in its entirety. This shadow hour is called Laylatul Qadri, the Shadow Hour of Power. The reason they descend in the eve to deliver the gifts is so that Satan will not see which houses they are bringing the gifts to.

When angelic beings fly to Earth they look for houses that have a beautiful tree, lights around the windows and a green six pointed star wreath on the outside of the door of their houses. The children can hear the bells ringing as the angelic beings are flying through the air. The bells ringing lets them know that the angelic beings are on their way down to deliver toys. The angelic beings can't come until the children retire, they made cards and angel cookies for the angelic beings in appreciation for the toys they are about to receive. If children listen closely they can hear the angelic beings singing in the heavens. As children are asleep the parents play special songs for this eve, pretending to be the voices of the angelic beings.

The Children's Day tree inside the home is an artificial pine tree, which is decorated by the whole family with different colored bright lights, little angelic beings, and angel hair. Each color has its own symbolism: The green light is symbolic of the Sarufaat, blue lights are symbolic of the prophet Adam's seed, yellow lights is symbolic of the sun, the source of life, and

EL GISYHIYINAAT

THE CHRISTIANS

Tablet 6:23

red lights are symbolic of the tree of agreeable and disagreeable that was in the Enclosed Garden eastward of Eden. There is a tree for your home and a community tree, which is decorated with the help of each family in the community. The central community is located outside for all to see. Satan knows the meaning of these colors also, that is why the colors red and green represent the Christmas season.

Children can make or purchase gifts for their parents, siblings, relatives, and acquaintances; adults may do the same. These presents are wrapped in green paper and placed under the tree along with a few boxes, which have been wrapped in red paper, which is symbolic of the apple in the garden. The children do not touch the red boxes that are discarded that early daylight hours. Also on this day, flowers, which are symbolic of the Enclosed Garden of Eden may be sent to loved ones, such as parents and grandparents. Greeting cards are sent to those who are near or far wishing them joyous celebration which is symbolic of man's remembrance of the commandments which the Aluhum commanded man to follow.

The interior of the homes will be decorated with different items with different symbolic meanings: Star, lights outlines of angelic beings, symbolic of heaven. Frankincense is burned and myrrh oil is put on anyone who enters your home. The myrrh oil is placed in the middle of the forehead, slightly above the eyebrows, where the third eye is located. Gold bulbs, balls and not real gold are hung on the tree. This is symbolic of the gifts the wisemen brought to Yashua when he was a newborn baby Balthasar brought gold, a

Tablet 6:26

gift given to kings and is promised as a reward for those who shall abide in paradise. And is symbolic of knowledge. Gasper brought frankincense known as, the gift is of deities. The smoke of frankincense enters the very heavens and is symbolic of wisdom. Melchoir brought myrrh, which is an essential oil, whose mystical meaning is, by myrrh cuts and wounds are cured, and likewise by Yashua, El Eloh will heal every diseased and sick person, myrrh is symbolic of overstanding. The menorah, a seven candled holder, which represents the opening of the seventh seal that occurred in the year 1970 A.D., is placed in the windows of homes. This is symbolic of the year when the truth was revealed by the reformer to Nubians throughout the world and the blinding spell that Zuen cast upon man began to be lifted. During this day stories of Angelic Beings and their reenactment in the form of a play will be performed by members of the family. The dusk period concludes with generous turkey dinner inclusive of a wide variety of baked fruit pies, with the exception of apple for example peach, cherry, blueberry. This is symbolic of when the Aluhum commanded man to eat all the fruits in the garden and forewarned him not to eat of the tree of knowledge of agreeable and disagreeable.

24 After the Magi paid their visit to the new born child, they were warned in a dream by A'LYUN A'LYUN EL that they should not return to Herod the Great, but should take another route back to their country.

25 Having prepared food for their journey, they each returned to their own country by way of the desert.

26 When Herod the Great realized that he had been made a fool of by the Magi,

27 He became furious. He sent his soldiers out with orders to kill every male child that was two years and under.

28 Herod the Great gathered all the priests and scribes to locate the child, Yashua.

29 But A'LYUN A'LYUN EL sent an Aluhum to Joseph informing him of what Herod the Great was resolved upon and told him to flee with the child and his mother into Egypt.

30 They set forth for Egypt in the year 7 A.D.

31 Mary rode a donkey which was led by Joseph while she held the infant in her arms.

32 Their journey lasted 7 years.

33 They stopped and settled in many small villages along the way.

34 Joseph, Mary and Yashua were safely away in Egypt while Herod the Great was playing the role of the Nakhash.

35 Joseph gathered his new family together and prepared to flee to Egypt to escape from Herod the Great.

36 Joseph brought his daughter Salome on his journey who was a child from his previous marriage to a woman named Halsaa who had died of malaria before his marriage to Mary.

37 Halsaa also bore Joseph seven children,

38 One of whom was Joses who wrote the apocryphal book of Barnabas.

39 Before they departed from Bethlehem, they stopped in a cave or cavern, known as Magharat As Saiyda, where Mary nursed the baby Yashua for two years.

40 Joseph purchased an ass for Mary and Salome to sit on while he led the beast to their destination.

41 Their first stop was the seaport of Ashkelon,

42 Where Samson, the Nazarene, had slew thirty Philistines.

43 They spent time there and departed from that village one year later.

44 Herod the Great was the authority over this territory and had built fantastically designed buildings complete with beautiful columns and fountains with lush greenery.

45 The family then proceeded to Hebron where they stayed for one and a half years. One of the oldest towns in the world.

46 Taking the route which ran parallel to the shore of the Mediterranean Sea, the family crossed the Wadi Gaza where they spent half a year.

47 After journeying for twenty and four hours they reached the township of Jenysos which today is part of the Gaza strip known as Khan Yunis where they stayed for 6 months.

48 Continuing on past, Rafah, the frontier town after 2 days they crossed the river in Egypt, Wadi Al Alish, which formed a natural boundary between Egypt and Palestine.

49 They passed quickly through the towns of Rhinocolura and Ostiakini, crossing the Isthmus at Al Qantara,

50 The bridge, which separates the Lake Menzaleh from the Lake Balah.

51 Following the footsteps of their patriarchs, the Holy family entered the Province of Goshen. Bashtah is the first town of the Delta which the holy family visited.

52 They were not well received, on which account the baby Yashua invoked blessings on a spring nearby making it a healing source for all except the

inhabitants of Basatah.

53 They offered the gifts given to the baby by the Wisemen.

54 Disappointed in the people of Basatah, the holy family continued on until they finally reached Dan, Al Muhanaq and stayed their return, for Herod the Great was not dead.

55 When Yashua entered Egypt, all the idols therein were swept from their places. They were broken to fulfill what was written.

56 During that period of time the family traveled to Egypt, Herod the Great couldn't go searching for the baby himself because he was busy collecting the tax that Caesar had demanded of him.

57 It took him approximately five hundred and fifty and one days to accomplish this, he then sent his men out in the land to find the priest who consecrated the child.

Tablet Seven
The Travels Of Jesus
(19 x 14 = 266)

Lo! As a babe Yashua was taken by his parents into Egypt.

2 Weaned until age two under the close watch of his mother,

3 At age three he started to study alphabets and their meanings under an Egyptian teacher.

4 At age 4 years, 4 months and 4 days he was given over to Joseph who taught him the rudiments of carpentry up to age 5.

5 At the 6th year they returned back to Jerusalem for they heard of the death of Herod.

6 By age seven, studying with the Essenes of which Joseph was a member. He memorized all the Hebraic text and returned to Nazareth because it was now safe for him and his family to return there.

7 At age eleven, Yashua was brought to the council of Sanhedrin. Hillel, who was also one of Mary's teachers was so interested with the youngster that he personally educated Yashua for the next year.

8 Their mutual admiration for one another grew quite quickly and they were almost inseparable companions.

9 Many of the knottiest points of the law which would perplex the Sanhedrin the child could clearly explain to Hillel through the logic of love and justice

10 At age twelve, he returned to Jerusalem from Egypt for the Feast of Passover.

11 When the passover feast was over and Yashua's family were on their way back to Galilee they realized that Yashua was not with their company. Thus, they returned to Jerusalem on finding him in the temple with the elders learning and teaching,

12 Discussing many things which surprised the elders."

13 He was asked about his behavior,

14 And he rejected them as his parents,

15 With the statement I must be about my father's work.

16 Hillel delayed his return for another day in order to show him off to the elders.

17 Who had come from the outlying reaches of the holy land for the celebration in Jerusalem.

18 But after much tears from Mary, Yashua decided to return with her home.

19 At age 13, this is the age Yashua, a Messiah received his Bar Mitzwah. This is the age all boys reached manhood.

20 At age 14, Yashua journeyed to India being a man after age 13.

21 Between the ages of 15 and 19, Yashua studied amongst the Brahma masters and common people.

22 They referred to him as Hare Krishna.

23 This title was carried back to Jerusalem and became Helios Khristos meaning "the anointed son" in time this became simply Christ.

24 Between the ages of twenty and twenty and five, Yashua journeyed up the Tigris Euphrates, going through Afghanistan and Chaldea.

25 First, he went to India, amongst the Hindu.

26 Bernares is the sacred city of the Brahms, and the Bernares, Yashua taught. Udraka was his host.

27 Udraka made a feast in honor of his guests, and many high born Hindu priest and scribes were there.

28 And Yashua said to them, with much delight: "I speak to you concerning life, the brotherhood of life.

29 The universal A'LYUN A'LYUN EL is one, yet he is more than one, all things are one.

30 By the sweet breath of A'LYUN A'LYUN EL all life is bound is one;

31 So if you touch a fiber of a living thing you send a thrill from center to the outer bounds of life,

32 And when you crush beneath your foot the meanest worm, you shake the throne of A'LYUN A'LYUN EL and cause the sword of life to tremble in his sheath.

33 The bird sings out its song for Enosites,

34 And Enosites vibrate in unison to help it sing.

35 The ant constructs its home,

36 The bee its sheltering comb,

37 The spider weaves her web and flowers breathe to them a spirit in their sweet perfume that gives them strength to toil.

38 Now, Enosites and birds and beast and creeping things are deities, made flesh. And how dare you kill anything?

39 It is cruelty that makes the world awry,

40 When Enosites have learned that when they harm a living thing, they harm themselves, they surely will not kill,

41 Nor cause a thing that A'LYUN A'LYUN EL has made to suffer pain."

42 A lawyer said: I pray to Yashua tell who is this A'LYUN A'LYUN EL you speak about;

43 Where are his priest, his temples and his shrines?

44 And Yashua said: "The Most High that I speak about is everywhere;

45 He cannot be compassed with walls nor, hedged about with bounds of any kind.

46 All people worship The Most High, the One, but all the people see him not alike.

47 This universal A'LYUN A'LYUN EL is wisdom, will and love.

48 All Enosites see not the same Most High. One sees him as the Most High of might, another as the Most High of thought, another as the Most High of love.

49 An Enosite's ideal is his A'LYUN

A'LYUN EL?

50 And so, as Enosites unfolds, his A'LYUN A'LYUN EL?

51 Unfolds, an Enosites A'LYUN A'LYUN EL?

52 Today, tomorrow is not The Most High.

53 The nations of the Earth see A'LYUN A'LYUN EL from different points of view, and so he does not seem the same to every one.

54 Enosites names the part of A'LYUN A'LYUN EL he sees, and this to him is all of the Most High's, and every nation a name for A'LYUN A'LYUN EL.

55 You Brahmans call him Parabrahm, and Zeus is his name in Greece,

56 Yhwh is his Hebrew name, but everywhere his is the causeless cause, the rootless root from which all things have grown.

57 When Enosites are afraid of A'LYUN A'LYUN EL and take him for a foe they dress up other Enosites in fancy garbs and call them priests.

58 And charge them to restrain the wrath of A'LYUN A'LYUN EL by prayers and when they fail to win his favor by their prayers, to buy him off with sacrifice of animals or birds.

59 When Enosites sees A'LYUN A'LYUN EL as one with him, as father A'LYUN A'LYUN EL he needs no middle Enosites, no priest to intercede.

60 He goes straight up to him and say;

61 'My father A'LYUN A'LYUN EL!' And then he lays his hands in A'LYUN A'LYUN EL own hand, and all is well.

62 And this is A'LYUN A'LYUN EL you are, each one, a priest, just for yourself; and sacrifice of blood A'LYUN A'LYUN EL does not want.

63 Just give your life in sacrificial service to the all of life and A'LYUN A'LYUN EL is pleased."

64 When Yashua had thus said he stood aside, the people were amazed, but strove among themselves.

65 Some said he is inspired by holy Brahm, and others said he is insane and others said:

66 "He is obsessed, he speaks as devils speak. "

67 But Yashua tarried not. Among the guest was one a tiller of the soil, a generous soul, a seeker after truth,

68 Who loved the word that Yashua spoke, and Yashua went with him and in his home abode. Then he traveled on into Tibet, amongst the Buddhist.

69 Among the Buddhist Priests was one who saw a lofty wisdom in the words that Yashua spoke. It was Barato Arabo.

70 Together Yashua and Barato read the Psalms and Prophets, and the Vedas, the Avesta and the wisdom of Guatama.

71 And as they read and talked about the possibilities of man, Barata said:

72 "Man is the marvel of the universe.

73 He is part of everything, for he has been a living thing on every plane of life.

74 Time was when man was not, and then he was a bit of formless substance in the moods of time and then a protoplast.

75 By universal law, all things tend upward to a state of perfectness.

76 The protoplast evolved, becoming worm, then reptile, bird and beast and then at last it reached the form of man.

77 Now man himself is mind and mind is here to gain perfection by experience and mind is often manifest in fleshly form,

78 And in the form best suited to its growth.

79 So mind may manifest as worm or bird or beast or man.

80 The time will come when everything of life will be evolved unto the state of perfect man.

81 And after man is, man is perfectness, he will evolve to higher forms of life."

82 And Yashua said: "Barata Arabo, who told you this, that mind which is man, may manifest in flesh of beast or bird or creeping thing?"

83 Barata said: "from time which man remembers, not our priest have told us so, and we know."

84 And Yashua said: "enlightened Arabo, are you a master mind and do not know that man knows naught by being told?

85 Man may believe what others say, but he never knows. If man would know, he must, himself, be what he knows,

86 Do you remember, Arabo, when you were ape or bird or worm?

87 Now, if you have no better proving of you, plea than that the priest have told you so, you do not know, you simply guess.

88 Regard not, then what any man has said let us forget the flesh and go with mind into the land of fleshless things. Mind never does forget.

89 And backward through the ages master minds can trace themselves and thus they know.

90 Time never was when man was not.

91 That which begins will have an end. If man was not, the time will come when he will not exist."

92 From A'LYUN A'LYUN EL's own record book we read:

93 The triune A'LYUN A'LYUN EL breathed forth and stood seven spirits before his face. The Hebrews call these seven spirits Aluhum.

94 And these are they who, in their boundless power, created everything that is, or was.

95 These spirits of the Triune A'LYUN A'LYUN EL moved on the face of boundless space and 7 others were and every other had its form of life.

96 These forms of life were but the thought of A'LYUN A'LYUN EL, clothier in the substance of their ether planes.

97 Men call these ether planes, the planes of protoplast, of Earth of plant of beast of man of angel and Garubaat.

98 These planes with all their teeming thought of A'LYUN A'LYUN EL are never seen by eyes of man in flesh.

99 They are composed of substance far too fine for fleshly eyes to see, and still they constitute the soul of things.

100 And with the eyes of soul all creatures see these ether planes, and all the forms of life.

101 Because all forms of life on every plane are thoughts of A'LYUN A'LYUN EL, all creatures think and every creature is possessed of will and in its measure has the power to choose.

102 And in their native planes all creatures are supplied with nourishment from the ethers of their planes.

103 And so it was with every living thing until the will became a sluggish will, and then the ethers of the protoplast, the Earth, the plant, the beast, the man, began to vibrate very slow.

104 The ethers became more dense, and all the creatures of these planes were clothed with coarser garbs of flesh, which men call physical appeared

105 And this is what is called the fall of man but man fell not alone: for protoplast, and Earth, and planet and beast were all included in the fall.

106 The angels and the Garubaat fell not; their will was never strong. And so they held the ethers of their planes in harmony with A'LYUN A'LYUN EL.

107 Now when the ether reached the rate of atmosphere and all the creatures of these planes must get their food from atmosphere,

108 The conflict came and then that which the finite man called survival of the best, became a law.

109 The stronger ate the bodies of the weaker manifest; and here is where the carnal of evolution had its rise.

110 In yonder kingdom of the soul this carnal evolution is not known and the great word of master minds is to restore the heritage of man,

111 To bring him back to his estate that he had lost when he again will live upon the ethers of his native plane.

112 The thoughts of A'LYUN A'LYUN EL change not.

113 The manifests of life on every plane unfolds into perfection of their kind and as the thought of A'LYUN A'LYUN EL can never die,

114 There is not death to any being of the seven ethers of the seven spirits of the triune A'LYUN A'LYUN EL.

115 And so Earth is never plant, a beast or bird, or creeping thing is never man and man is not and cannot be a beast or bird or creeping thing.

116 The time will come when all these manifests will be absorbed and man and beast and plant and Earth and protoplast, a revelation unto him.

117 Now Vidyapati, wisest of the Indian sages, chief of the temple Kapavistu, heard Barata speak to Jesus of the origin of man, and heard the answer of the Hebrew prophet and he said:

118 "You priests of Kapavistu, hear me speak we stand today upon a crest of time.

119 Six time ago a master soul was born who gave a glorious light to man, now a master" sage stands in the temple of Kapavistu.

120 The Hebrew prophet is the rising star of wisdom, defied, he brings to us a knowledge of the secret things of A'LYUN A'LYUN EL and all the world will hear his words and glorify his name.

121 You priests of temple Kapavistu stay. Be still and listen when he speaks, he is the living oracle of A'LYUN A'LYUN EL.

122 And all the priest gave thanks and praised the Buddha of enlightenment.

123 Then he traveled into Persia, amongst the Zoroastrians, then to Assyria, amongst the Magi and then to Egypt.

124 Yashua with Elihu and Salome in Egypt, tells the story of his journeys.

125 Elihu and Salome praise A'LYUN A'LYUN EL.

126 Yashua goes to the temple in Heliopolis and is received as pupil.

127 And Yashua came to Egypt land and all was well.

128 He tarried not upon the coast;

129 He went at once to Zoan, home of Elihu and Salome, who five and twenty years before, had taught his mother in their sacred school.

130 And there was joy when he met these 3.

131 When last the son of Mary saw

these sacred groves he was a babe.

132 And now a man grown strong by buffeting of every kind.

133 A teacher who had stirred the multitudes in many lands,

134 And Yashua told the aged teachers all about his life,

135 About his journey, sings in foreign lands.

136 About the meetings with the masters and his kind receptions by the multitudes.

137 Elihu and Salome heard his story with delight.

138 They lifted up their eyes to heaven and said:

139 Our Father, The Most High, let now your servants go in peace,

140 For we have seen the glory of A'LYUN A'LYUN EL.

141 And we have talked with him, the messenger of love, and of the covenant of peace on Earth; good will toward men.

142 Through him shall all the nations of the Earth be blessed, thru him.

143 Emmanu'El, another name that Yashua was called, a son of Isaiah and Jesus stayed in Zoan many days,

144 And then went forth into the city of the sun, that men called Heliopolis,

145 And sought admission to the temple of the sacred; The Ancient Mystic Order of Melchizedek.

146 The council of the Ancient Mystic Order of Melchizedek convened and Yashua stood before the hierophant and exclaimed.

147 "Rabboni of the rabbinate, why seek for wisdom in the hall of learning I would sit,

148 The heights that any man has gained these I would gain the grieves.

149 The disappointments and the sore temptations of my what any man has suffered I would meet,

150 That I may know brother man,

151 That I may know just how to succor those in need.

152 I pray you brothers, let me go into your dismal crypts,

153 And I would pass the hardest of your tests."

154 The master said;

155 "Take then the vow of secret brotherhood." And Yashua took the vow of secret to the Ancient And Mystic Order of Melchizedek.

156 Again the master spoke, he said;

157 "The highest heights are gained by those who reach the greatest depths,

158 And you shall read the greatest depths."

159 The guide then led the way and in the fountain Yashua bathed.

160 And when he had been clothed in the proper garb he stood again before the hierophant.

161 Then he moved on into Persepolis, Iran then stopped at the great spiritual center.

162 He headed toward Assyria into Damascus, Iraq on into Galilee where he went to visit his mother, Mary.

163 In each of these places he spent his time studying covering the period of about five years, healing and teaching and also learning.

164 Age 26 he involved himself with radical groups who spoke out against the Pharisees calling them vipers and the likes.

165 At age 27 Mary, his mother, feared for his involvement,

166 At age twenty and eight he married and impregnated his wife Mary of

Tablet 7:166

Magdalene,

167 At age 29, he and his wife left to go study at the mystical schools in the Jordan amongst the Essenes, also to visit his cousin Yuhanna.

168 Spending time there teaching and learning and presenting his new wife Mary of Magdalene, whom he married in the year 28 A.D. in Cana.

169 Essenes considered him too opinionated and he was temporarily outcast from the order.

170 At age 29, while in the Jordan he got his mikwah or baptism, his shahaadat.

171 This is the good news about Yashua Ha Mashiakh, the Ibn A'LYUN A'LYUN EL.

172 It began as the Prophet Isaiah known in tone as Yeshayahuw and in rhythm Ishaya.

173 A'LYUN A'LYUN EL said I will send my messenger ahead of you to clear the way for you.

174 Someone is shouting in the desert.

175 He is a noble son of the desert and has drunk from the well.

176 Get the road ready for the Rabboni. Make a straight path for him to travel.

177 So you Yuhanna appeared in the desert giving shahaadats and tablikh, that is giving dawah to the masses.

178 Turn away from your sins and get your shahaadat he told the people.

179 And A'LYUN A'LYUN EL will forgive your sins.

180 Many people from the province of Judea,

181 And the city of Jerusalem went out to hear Yuhanna.

182 They confessed their sins and he baptized them in the River Jordan,

Tablet 7:202

183 Yuhanna's clothes were made of camel's hair with a leather belt around his waist.

184 And his food was locust and wild honey.

185 He announced to the people, the man who will come after me is much greater than I am.

186 I am not good enough even to bend down and untie his sandals.

187 I baptized you with water,

188 But he will baptize you with the Holy Soul.

189 Not long after Yashua came from Nazareth in the province of Galilee,

190 And was baptized by Yuhanna in the Jordan.

191 As soon as Yashua came up out of the water,

192 He saw the skies open and a craft coming down on him flying like a dove.

193 And a voice came from the sky and said: "You are my walud, son. I am pleased with you."

194 At once, this spiritual craft ordered him to go into the desert where he stayed 40 days being tempted of Nakhash.

195 During that period John was arrested and imprisoned.

196 While John the Baptist was imprisoned he was visited by an agent of the Judahites who worked for the Romans. This secret agent's name was Judas Iscariot, son of Simon.

197 He asked John to give him a complete profile on this stranger.

198 John's reply was, "who asked?"

199 Judas said, "I seek to follow him.

200 John then replied, "Follow who?"

201 He said, "the Real Messiah."

202 John knew that there was a deception in his voice and his eyes.

CHAPTER FIFTEEN

EL GISYHIYINAAT — THE CHRISTIANS

Tablet 7:203 — Tablet 7:234

203 So he answered, "I am not sure of this one before us is the Real Messiah.

204 I will send an inquirer." Because John had heard, while in prison, the great works of Yashua.

205 Judas pretending that he did not know that Yashua and John were first cousins.

206 So as a means of a warning John sent two of his disciples, Yonas and Elias:

207 Both relatives by birth.

208 And they were to ask Yashua this question:

209 "Art you he that should come? Or do we look for another?"

210 Yashua answered and said unto them, "go and show John again those things which ye do hear and see.

211 The blind received their sight, and the lame walked, and the lepers are cleaned,

212 And the deaf hear, and the dead are raised up and the poor have the gospel preached to them.

213 And blessed is he whosoever shall not be offended in me."

214 And as the two turned to walk away, Yashua began to say unto the multitudes concerning John, what went ye out into the wilderness to see?

215 A reed shaking with the wind?

216 But what went ye out for to see?

217 A man clothed in soft white raiment? Are in kings houses, but what went ye out for to see? A prophet?

218 Yea, I say unto you, and more than a prophet.

219 For this is he of whom it is written, behold I send my messenger before your face, which shall prepare the way before you.

220 Verily I say unto you amongst them, that are born of women there has not risen, a greater than John the Baptist,

221 Notwithstanding he that is least in the kingdom of heaven is greater than he.

222 And from the days of John the Baptist, until now the kingdom of heavens suffered violence, and the violent took it by force.

223 For all the prophets and the law prophesied until John.

224 And if ye will receive it, this is Elijah, which was to come.

225 He that hath ears to hear, let him hear.

226 And Yonas and Elias knew what Yashua meant and returned to John with the message. And John knew that this was indeed a Messiah.

227 And Yashua knew that his life from this point on, would be in danger.

228 And Judas knew that he must betray Yashua from this point on.

229 The priest at that time was Zachariah, the husband of Elizabeth.

230 Herod the Great sent for Zachariah to appear before his throne to be questioned as to the whereabouts of this child.

231 Herod the Great was under the impression that Zachariah's son, Yuhanna Al Mikwah, was the child the Wisemen were looking for.

232 Herod the Great slew Zachariah because he refused to reveal the whereabouts of his son,

233 Because he did not know, he was struck dead on the spot. Members of the Essene brotherhood, rescued Yuhanna Al Mikwah and his mother Elizabeth and brought them to Zoan.

234 Elizabeth and Yuhanna Al Mikwah

resided with a relative in the Engedi Hills.

235 When Yuhanna Al Mikwah was 9 years old, his education was undertaken by Matheno,

236 An Egyptian Israelite who was a Master from the Temple of Sakkara, under the instruction of Zoser, the master healer.

237 Elizabeth died when Yuhanna Al Mikwah was twelve years old. So Matheno took him to Zoan where he remained until he was 30 years old.

238 Yuhanna Al Mikwah spent half of his life with the Essenes and the other half by himself in the wilderness.

239 Yuhanna Al Mikwah remained in the Bedouin lifestyle because all his life he believed the Romans were out to kill him.

240 He was known as a very powerful and spiritual man who foreran and prepared the way for Yashua. He spoke of one who would come after him.

241 Yuhanna Al Mikwah would have been in Israel doing his job if he had not been a threat to Herod the Great and his people.

242 He baptized Yashua and passed everything over to him. Yuhanna Al Mikwah met his death at the request of Herodias, Herod Antipas wife.

243 She instructed her daughter to request the head of Yuhanna Al Mikwah at the birthday of Herod Antipas.

244 Herod Antipas was the son of Herod the Great.

245 He married his half brother's wife Herodias.

246 An act which was condemned by Yuhanna Al Mikwah,

247 Herod Antipas didn't have Yuhanna Al Mikwah killed because he attracted a very large following,

248 And his death would have stirred the anger of the people. However, when it was Herod's birthday his daughter Salome, the daughter of Herodias, danced for him.

249 The style of dance she performed was very seductive and it pleased Herod and he promised her anything she wished for.

250 Herodias saw this as her chance to seek revenge on Yuhanna Al Mikwah for publicly condemning her marriage,

251 And instructed her daughter Salome to ask for the head of Yuhanna Al Mikwah on a charger, a platter.

252 Yashua returned from the Jordan River full of the holy soul.

253 And was lead by the spiritual crafts into the deserts being a son of the desert,

254 Where he was tempted of the Devil for 40 days.

255 In all that time he ate nothing, so that he was hungry when it was all over.

256 And the Devil said to him if you are Walad, A'LYUN A'LYUN EL,

257 You would have the power to do all things.

258 So Nakhash took him up and showed him the Essene village,

259 The second of all the kingdoms of the world.

260 And said:

261 I will give you all this power and all this wealth.

262 This is what Nakhash told him.

263 It has all been handed over to me and I can give it to anyone I chose

264 All this could be yours if you worship me.

265 Yashua said:

266 The scripture said worship Yahuwa of the Aluhum and serve him only

The Three Test
(19x1=19)

Lo! The herald or harbinger had paved the way; the kalimat had been introduced,

2 To Enosites as love made manifest, and he must now begin his divine ministry.

3 And he went forth into the wilderness to be alone with A'LYUN A'LYUN EL,

4 That he might look into his inner heart, and not its strength and worthiness.

5 And with himself he talked; he said: "my lower self is strong; by many ties I am bound down to carnal life.

6 "Have I the strength to overcome and give my life a willing sacrifice for Enosites?

7 "When I shall stand before the face of Enosites, and they demand a proof of my messiahship, what will I say?"

8 And then he, the tempter, came and said, "if you be the walad of A'LYUN A'LYUN EL, command these stones to turn to bread."

9 And Yashua said: "Who is it that demands a test? It is no signs that one is an Ibn of A'LYUN A'LYUN EL because he does a miracle. The devils can do mighty signs.

10 Did not the goyee, gentile magicians do great things before the pharaoh?

11 My words and deeds in all the walks of life shall be the proof of my messiahship."

12 And then the tempter said: "If you will go into Jerusalem and from the temple pinnacle cast down yourself to Earth, the people will have faith that you are the messiah sent from The Most High, A'LYUN A'LYUN EL.

13 This you can surely do. For did not David son of Jesse say: 'he gives his Aluhum charge concerning you, and with their hands will they uphold lest you shall fall?'"

14 And Yashua said: "I will not tempt the Yahuwa of the Aluhum."

15 And then the tempter said: "Look forth upon the world. Behold its honor and its fame! Behold its pleasure and its wealth.

16 If you will give your life to these they shall be yours."

17 But Yashua said: "away from me all tempting thoughts. My heart is fixed. I spurn this carnal self with all its vain ambition and its pride."

18 For forty days did Yashua wrestle with his carnal self; his higher self prevailed. He then was hungry, but his best friends had found him and they ministered to him.

19 Then Yashua left the wilderness, and in the consciousness of holy breath, he came into the camps of Yuhanna and taught.

Jesus Travels To Sudan With His Wife
(19 x 2=38)

Lo! Jesus's marriage was on this wise. When he reached the age of 27, his mother sought for him a wife. Having mentioned to him it is time to marry and have a family fearing that his radical opinions would cause him harm. Unbeknown to him, Mary, his mother had already picked for him a wife named Mary of Magdalene. She lived in Bethany in the east on the Jordan River.

For she was one who witnessed his baptism and listened to his teachings and along with his disciples longed for his return home. After his shahaadat and his break from the restrictions of the Essenes, he took to teaching the message and his wife and son at his side.

2 At age 30, after much persecution for that year, he decided to travel again

3 At age 31, he traveled from Jerusalem to Arabia to visit the Kaaba with his wife and his son Simon, who was one and some odd months at the time.

4 He crossed the Reed Sea, to port Sudan to travel to a place called Omdurman today,

5 To sit amongst the Mutassawaf at the eternal fire.

6 He stayed there in Sudan studying and teaching for 2 years.

7 Returning again, to Jerusalem at the beginning of age 33, he was met with much love by the people who looked for a Messiah,

8 But the hearts of the leaders of the people turned against him for fear that he may dethrone them.

9 So he sent his wife and his son away to live in the house of her sister and brother Martha and Lazarus.

10 And he would visit her from time to time to see his family and play with his son.

11 In one such visit, upon leaving early the next daylight hour hungry, the fig tree yielded no figs and in anger he cursed the fig tree.

12 When he returned from his journey, upon arrival he was met by his disciples, and he did many great things and they had a welcome party. And when they had all slept the next day, he went out to see Yuhanna.

13 And Yuhanna saw Jesus coming to him and said: "there is the lamb of A'LYUN A'LYUN EL who takes away the sins of the world. This was the one I was talking about;" for John did teach much about Yashua in his absence.

14 I said a man is coming after me but he is greater than I am because he existed before I was.

15 I did not know who he would be, but I came baptizing with water, in order to make him known to the people of Israel.

16 And the next day, Yuhanna was standing again with two of his disciples when he saw Yashua walking by "there is the lamb of El Eloh," he said.

17 The two disciples heard him say this and went with Yashua.

18 Yashua turned and saw them following him and asked "what are you looking for?" They answered:

19 "Where do you live Rabbi?"

20 He said: "come and see."

21 It was then about four o' clock in the afternoon.

22 So they went with him and saw where he lived and met his wife Mary of Magdalene there and her brother Lazarus and Jesus's son Simon bar Jesus and Martha. And there they kept the shabbat because it was too late to go home, so they stayed.

23 And spent the rest of that day with him and his family.

24 One of them was Andrew, Simon Peter's brother. And once he found his brother Simon he told him,

25 We have found a Messiah which is being interpreted the Christ

26 Then he took Simon to Yashua

27 Yashua looked at him and said

28 "Your name is Simon, son of John, but you will be called Cephas."

29 The next day Yashua decided to go to Galilee. He found Philip and said to him: "come with me," for this Philip was from Bethsaida, the town where Andrew and Peter lived.

30 Philip found Nathaniel and told him we have found the one who Moses wrote about in the scripture of the law and whom the prophets also wrote about.

31 He is Yashua adopted son of Joseph of Nazareth.

32 "Can anything good come from Nazareth?" Nathaniel asked. "Come and see," answered Philip. When Yashua saw Nathaniel coming up to him he said about him: "here is a real Israelite, there is nothing false in him."

33 Nathaniel asked him, "how do you know me?"

34 Yashua answered, "I saw you when you were under the fig tree before Philip called you." Rabboni answered Nathaniel, "you are the Ibn, A'LYUN A'LYUN EL. You are the ruler of all Israel."

35 Yashua said, "do you have faith just because I told you I saw you when you were under the fig tree? You will see much greater things than this."

36 And he said to them, "I am telling you the truth."

37 You will see heaven open and the Aluhum Anunnagi going up and coming down, on the walad, son of a human being.

38 That human being Mary, thus he was called "the Ibn, son of El Eloh and the walad, son of a human being."

Lazarus Raised
(19 x 6=114)

Lo! Lazarus whose real name was Eleazar meaning El has helped. There is symbolic meaning in the change of names. He was a student priest in the Essene order.

2 He and Yashua were in a political union and Lazarus had been excommunicated because he sympathized and was in agreement with Yashua his brother-in-law's teachings.

3 Yashua was also a priest in the Essene order.

4 The order consists of three degrees, Rab, Rabbi and Rabboni and these three degrees subdivided into many others.

5 Yashua was his brother in law being espoused to both Martha and Mary Magdalene.

6 Martha died before child bearing. Mary Magdalene's first son Simon bar Jesus was crucified.

7 They had no other children until they took residence in Egypt between his 35th year and 120 A.D., the year of his death.

8 He had two other sons and daughters.

9 The first daughter's name was Iglaal,

10 His second son's name was Zubair,

11 And his third daughter's name was San'aa, and their fourth son's name was Huday.

12 The remaining children moved south into Nubia and there they merged into the people.

13 And became the root seed of the Mahdi family in Sudan.

14 Mahdi simply meaning Ma and Hadi from Huda from Yahuda, simply Judah.

15 The Mahdiyya are the lost tribe of

Israel, Judah, called the Hadendawa, simply Huda and Dawa, being both Israelites and Ishmaelites, rendering them Islaamic Hebrews.

The Mahdiyya Tribe

16 The mixture of Nobatae, Ishmaelites and Havilahites, Israelites formed a powerful tribe,

17 Which was later converted in the sixth century to Christianity,

18 From their original Hebrew doctrine being descendants of the tribes of Dan of Israel, also called Danakiyl in northern Ethiopia the Rashada tribes,

19 And later Dongalawa or Dongola in North Sudan.

20 The Danakiyl are the original people of Hawilah same as the Dongalawa or the Fuzzy Wuzzy, they are the same tribe and people, your original family.

21 The Danakiyl migrated south and lived amongst the tribe of Cush,

22 Thus you have amongst this tribe of Danakiyl people with round faces, round eyes, and round noses.

23 They were of both the tribe of Judah and the tribe of Dan,

24 Who migrated with them, and became known as the Falasha, after their entry into Ethiopia which both tribes became the Danakiyl.

25 The Falasha are the original Danites, and the Judahites, who had been mixed with the Ethiopians when they moved into that land.

26 You are the original Falashas. The Falashas settled in the mountains of Begemdir and Simen, which border on the Sudan.

27 They spoke both Aramic, Hebrew and Syriac, Arabic and was also referred to as the Rashada tribes.

28 All of these tribes are referred to as the Lost Tribes.

29 These Lost Tribes can be found in lower Egypt, Sudan, Djibouti, Somalia, Ethiopia, and Kenya.

30 The ones from lower Egypt, Sudan and Djibouti are from Hawilah, Nubia.

31 They are also known as the Afars.

32 Their features are long faces, also oval, wooly hair and they have reddish brown skin tone.

33 The Afars are divided into major groups, the Adoyammaras and the Asahyammaras, which are divided into several tribes and sub tribes.

34 The other people of Somalia, Ethiopia and Kenya are Ethiopian, Cushites.

35 They are also known as the Issas.

36 Their features are round faces, also oval thin hair, and greenish brown skin tone.

37 The Issas are divided into three main groups, the Abgals, the Dalols, and the Wardiqs.

38 They, too, are divided into several tribes.

39 There is a land that exists today that is called the Forbidden Desert of the Danakiyl in Ethiopia,

40 Which is located at the southern end of the Red Sea. They were warriors that were never found without a weapon.

41 The rule of this tribe was that they killed all strangers.

42 Few survived that entered into the territory of the Danakiyl.

43 Their ancestors were from Nubia. When the Italians came to invade Ethiopia,

44 To try and explore new territory, under the command of Benito

Mussolini, they were unable to conquer the Danakiyl tribe.

45 At one point in time there existed over one million Danakiyls.

46 Because of the mentality of the Danakiyls, many sought to destroy them.

47 Ninety nine percent of them were eventually, and finally destroyed,

48 And one percent of them still exist today.

49 The kingdom later fell in the year thirteen sixty and six A.D. to the Mohammedans under one Muhammad Ali,

50 Born 1769 A.D, and died 1849 A.D., was a Pasha of Anglo Egypt, short pale-skinned Egyptian.

51 He was a common soldier who rose through the ranks.

52 In 1811 A.D., he exterminated the Mamelukes who had ruled Egypt for 700 years.

53 He won great victories for the turks in Arabia and the Sudan.

54 When in 1845 A.D. a man was born in Dongala called Muḥammad Ahmad Al Mahdi from the Fuzzy Wuzzies.

55 The name describes the original African hairstyles.

56 They are the pure descendants of the tribe of Judah.

57 This Mahdi was called to fight back the invasions of Sudan by the Anglo Egyptians and their British and Turkish confederates.

58 His success won the independence of the Sudan.

59 The Mahdi died in the year 1885 A.D., having protected the original land of Nubia and the Nubians.

60 Another tribe that played an important part in the plight against the British rule was the Bija tribe.

61 They were commonly known as the Hadendawa of the Fuzzy Wuzzy tribe.

62 The Hadendawa tribe were a Nomadic tribe of Sudan.

63 They were the backbone of the Mahdi's army.

64 Thus, a strong, proud people called themselves the Hadendawa people, the first master people.

65 The Hadendawa tribe were known as Fuzzy Wuzzy because of the extreme wooly texture of their hair. The Mahdi was a noble and great guide for his people, and we should not forget what he did for the Nubian tribes in Sudan.

And His Day Should Be Commemorated As:

Al Mahdi's Day

July 4th

On Al Mahdi's Day, an early daylight sermon is read to the congregation on the life of Al Mahdi. Afterwards, the entire community gathers to raise the black, red, and green flag of Al Mahdi. Afterwards, a great parade is held with multi-colored floats, which have been made by members of the community, depicting scenes from the Mahdi's time, such as: children in Jallaabiyyas with colored patches like those worn by the followers of the Mahdi in battle, the Mahdi carrying the black flag as prophesied by Muhammad.

Nubian music is played and there is dancing and eating of Sudanese food all day long. The families dress in beautiful black, red, green, gold, white and silver attire. The children march for all to see. After late afternoon tafulas, as in the Sudan, the congregation remains in the

House of the Sustainer to read from the Raatib, a book of enlightenment written by the Mahdi in dedication to, and expressing immeasurable love for the Aluhum.

After the appearance of the setting of the sun colorful fireworks will shine brightly against the sky in the shadow hours; symbolic of the guns fired during the battles of the Mahdi in the Sudan.

66 This is what the remaining children of Yashua and Mary Magdalene became known as.

67 Lazarus was placed in a burial cave.

68 This was all apart of the Essene order's sacred ritual.

69 Martha had sent Yashua a message "Rabboni, your dear friend is ill."

70 When Yashua heard it, he said:

71 "The final result of this illness will not be the death of Lazarus."

72 This has happened in order to bring glory to A'LYUN A'LYUN EL, and it will be the means by which the son of The Most High, will receive glory.

73 Yashua said, "our friend Lazarus has fallen asleep, but I will go and wake him up."

74 The disciples answered, "if he is asleep Rabboni, he will get well."

75 Yashua meant that Lazarus had died but they thought he meant natural sleep.

76 So Yashua told them plainly Lazarus is dead, but for your sake I am glad that I was not there with him, so that you will have faith. Let us go to Lazarus.

77 Yashua was trying to get to the tomb of Lazarus because Lazarus could only lay there for twenty and four hours,

78 Which is the period of total death according to the laws of Moses where one must be entombed within 24 hours of death before rigor mortis sets in.

THE CHRISTIANS

Tablet 10:93

79 Yashua went to the tomb which was a cave with a stone placed at the entrance.

80 "Take the stone away!" Yashua ordered.

81 Martha, the dead man's sister answered: "It will be a bad smell Rabboni. He has been buried four days!"

82 Yashua said to his wife Martha, "did I not tell you that you will see A'LYUN A'LYUN EL's glory if you have faith."

83 And they took the stone away. Yashua looked up and said "I thank you father, that you will listen to me.

84 I know that you always listen to me, but I say this for the sake of the people here, so that they will have faith that you sent me."

85 After he had said this, he called out in a loud voice, "Lazarus, come out!" He came out, his hand and feet wrapped in grave clothes, and with a cloth around his face.

86 "Untie him," Yashua told them, "and let him go."

87 Yashua lifted his excommunication.

88 It was thought that Lazarus was being raised by Yashua from the dead.

89 However, Lazarus never died.

90 Once Lazarus was resuscitated, yet thought by all resurrected from the very dead, everyone was amazed, yet filled with fright.

91 And instead of running to embrace him in joy, they all stood back and murmured what is this thing that he has done.

92 This man is dead, dead is dead. This is violation of the law,

93 Murmured in a whisper the Levite priest that were looking on,

Tablet 10:94

94 Quoting the scripture of where it says "Hashem alone gives life,"

95 This man has performed the greatest of sins and with that, none of the people wanted any close contact with Lazarus.

96 For Lazarus was a nickname of Eleazar. And Lazarus meant "rich man" for he was well to do in the sale of cloths known in the market place.

97 But from this point no one wanted him around.

98 He became a beggar. And his greatest wish was from that point on to really die. A wish forbidden in the law for suicide is an unforgivable sin.

99 Yet he pleaded and begged to be returned to the dead for real this time.

100 Abraham who watched from the heavens materialized before him while he sat in the wilderness in tears.

101 Abraham asked, "my brother what troubles you?" Lazarus replied, "who art you and whence comest you?"

102 Abraham responded "I am your father Abraham, the father of your nation.

103 At this moment I visit Sheol to counsel the souls that have paid their debt and prepare to ascend to the heavens.

104 My son this is a great wrong you request. For it is given man once to die and then to return to us."

105 Lazarus replied, "but to this moment, O master, my soul has never tasted the sweet nor bitter savor of death.

106 Yet my own reject without good cause. What could be better at this point than death that I may be amongst my eternal family."

107 Abraham said "reach forth your hand and touch my bosom."

Tablet 11:0

108 Lazarus stood and did as he was told as a gate opens so open the bosom of Abraham and Lazarus so entered.

109 His body fell lifeless to the ground, withered in the absence of others never to be seen or heard of again.

110 At one with Abraham, resting at peace in his bosom, he became the accompany of Abraham on his journeys to Sheol,

111 And advised those who committed themselves by submitting to suicide of its great sins.

112 With all this the Essenes created a massive plot to disrupt the leadership taken place in Jerusalem by what they called, the children of darkness.

113 They assisted from behind the scene Yashua in all of his undertakings.

114 The Essene's were behind Yashua's whole life. Their order, The Ancient Mystic Order of Melchisedek called The Sons of the Desert, received their rituals from Egyptian and Sumerian practices.

The Wedding Of Jesus
(19 x 7=133)

Lo! Those that have been fooled from amongst the mortals will laugh at the very thought and say "how could such a thing have occurred!"

2 So, let me walk you through it, verse by verse, that you may attain a vivid overstanding of how Yashua did indeed marry and have a son.

3 The story unfolds like this

4 The wedding of Yashua bar Maryam took place in Cana in Galilee

5 The reception was in Bethany at Yashua's own house.

6 The reason why it was not recorded

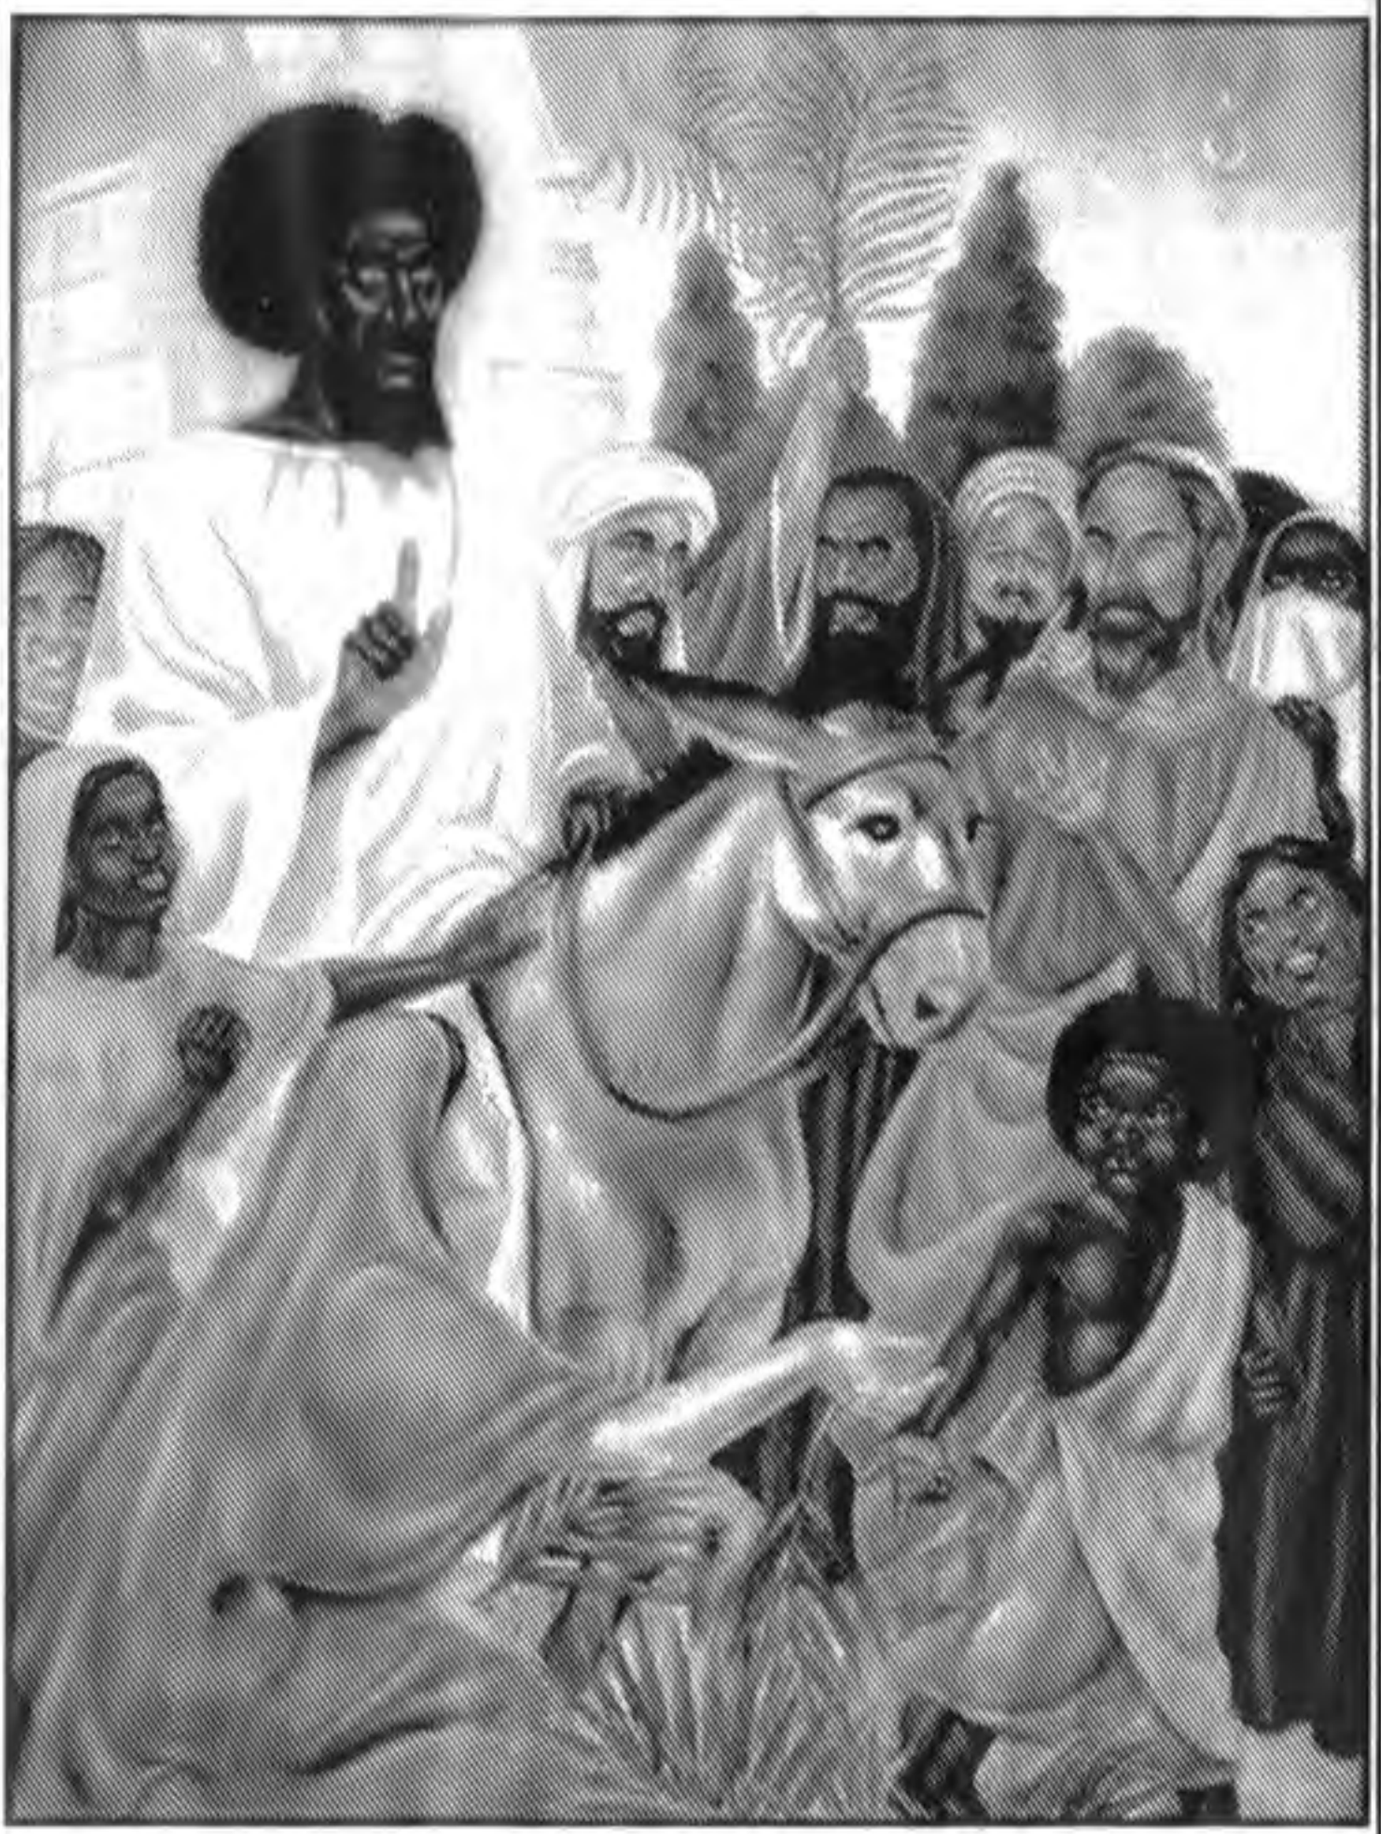

Figure 456
Yashu'a Entering Jerusalem

Figure 458
The Fuzzy Wuzzies

Figure 459
Lazarus Has Risen

Figure 460
The Essene Village

was because the Essenes vowed celibacy.

7 And it would've been a travesty to hear that one of their own had defected and married other than with the approval of the Rabb, the head of the order, for the sole purpose of reproduction.

8 This Bethany is where he lived with Martha, Lazarus, and his wife Mary Magdalene after the wedding.

9 When he defected from the Essenes Village, Lazarus, a student of his took him in.

10 Many years before he knew, he would marry his sister,

11 Bethany meaning "house of figs" is a village about one and three fourth miles, 3 kilometers southeast of Jerusalem on the Mount of Olives and close to Bethphage,

12 Where he eventually moved. It was the home of the sisters Mary and Martha.

13 Here, Yashua raised their brother, Lazarus from the dead, a ritual symbolism performed by the Essenes.

14 Yashua lodged In Bethany during his last week in Jerusalem and the palm procession set out from here.

15 The anointing of Yashua took place two days before the Feast Of Passover took place, at the home of Simon, the leper in Bethany.

16 Some of Yashua's disciples were there.

17 If the wedding was not Yashua's own, why was he and his disciples invited?

18 Or who were these persons that were so important that Yashua went to their wedding?

19 Yashua seemed to disagree with every other ritual in the scriptures saying that they exaggerated.

20 How come he went to this wedding? The law? There's never mentioned after this, of a marriage.

21 Yet, Revelation speaks of the marriage of the Lamb in symbolism this is what it says:

22 "So let us be happy and rejoice and glorify him because the wedding of the Lamb has indeed come and his bride is ready.

23 And she was given pure white linen to wear because the white linen is the dress of the righteous.

24 So he said to me: write blessed are all those who were called to the feast of the dinner for the wedding of the Lamb,

25 And he said to me this is the word of he who is above, the Heavenly One, which is facts beyond any doubt."

26 That can be found in their mistranslations with the same meaning in Revelation the nineteenth degree the seventh through tenth verses.

27 They refer and they prefer to identify with the New Jerusalem coming down like a bride prepared for her groom.

28 Where they read: and their came to me one of the 7 **ALUHUM,**

29 Which had the 7 bowls full of 7 last plagues.

30 And spoke with me saying come here I will show you the bride, the Lamb's, wife symbolically speaking of the holy city coming down from heaven.

31 Yet in the nineteenth degree, it begins: and a voice came from the seat saying glory is for our Creator O all you servants and all you that fear him both young and old.

32 And I heard it as if it were the voice

of many crowds and as the voice of many waters and as the voice of strong thundering.

33 Saying praise be Yahuwa the Adonai Al Shaadi, the Almighty Ruler, then it continues;

34 So let us be happy and rejoice and glorify him because the wedding of the Lamb has indeed come and his bride is ready.

35 It is clear for those who can see that this was talking about an event that had come and that the other was talking about an incident to come.

36 All the heavens was prepared for the wedding of Yashua for it was the laws of his heavenly father that states "therefore, shall a man leave his father and his mother and shall cleave unto his wife."

37 This law would apply to Yashua as well if he claims one jot or one tittle should not be removed from the law.

38 If it declares that the law came by way of Moses before Yashua,

39 And Moses, Abraham, Noah, and Adam all married and had wives, so the law would apply to Yashua as well.

40 The law is the law. Yashua said I did not come to change the law of Moses but merely to fulfill it. Yes!

41 The wedding at Cana was prepared by Mary for the Lamb to marry, Mary of Magdalene.

42 This was Yashua's wedding.

43 If he was the heavenly father, he would impose these laws as found in the scriptures that he revealed to his prophets.

44 Is not that so?

45 Or you show me another incident where Yashua and his disciples go to a wedding reception.

46 And what was his mother Mary doing there in this remote town to her own home?

47 Why are the names of the bride and the bride groom removed from your bible?

48 Throughout the whole life of Yashua, Mary is never mentioned as an associate of Mary of Magdalene.

49 And then, at the daylight hours of the tomb, they are together. At the day of the cross, they are together.

50 But no other place are they together.

51 But when she becomes her mother-in-law, they have pain in common.

52 Now let's look at the scriptures 2 days later. That is after Jesus met who? Philip and Nathaniel

53 There was a wedding in the town of Cana in Galilee.

54 Yashua's mother was there and Yashua and his disciples had also been called to the wedding, for it was a surprise to him.

55 A surprise that his mother prepared or there'd be no point in mentioning an unrelated wedding to their family, let alone to make the statement Jesus's mother was there.

56 Now at the wedding we have this story:

57 When the wine had given out, Yashua's mother Mary said to him: "they have no wine left."

58 Point to be made! Why is Mary taking control of the catering of a wedding she is merely invited to?

59 Why is she concerned with how much wine the guest of the bride and the bride groom have?

60 Point to be made! Jesus, in her eyes, was merely her son, not a performer of miracles at this point.

61 Why would she tell him, who was merely a guest?

62 In fact, concerning Mary and whether or not she was one of his followers, he made this very statement:

63 Behold, my mother and my brethren for whosoever shall do the will of my father, which is in heaven, the same is my brother, and sister, and mother.

64 And this statement was made after one said to Yashua:

65 Behold, or simply look! There is your mother and your brothers.

66 He made it clear that at that point they didn't believe. And were not doing the will of his father.

67 So Mary his mother would not have called on Jesus to perform the turning of water into wine because she, at that point, did not know, not believe that he could do it, according to your scriptures.

68 However, if she was the organizer of the wedding for Jesus,

69 Then it would make sense for her to be concerned with why there is no more wine left in this house.

70 And because the wedding was Jesus's, being the head of the house, she would inform him of this problem.

71 And it reads:

72 Jesus's goonay, said to him, they have no more wine left.

73 And when they wanted wine, Yashua's goonay, said unto him, they have no wine.

74 Jesus said unto her, goonay, which in Greek means "a wife, or a woman," what have I to do with you, my hour is not yet come?

75 This is clearly a bitter statement. For in Greek the word one would use to call and respect their mother is Maytare. So Yashua would have never spoke bitterly to Mary his blessed mother, he was speaking to his goonay, the Greek word for "wife."

76 For Mary was at a lost at what to do, at this wedding. So she confronted Mary of Magdalene and told her to go and ask Jesus,

77 And says: what have I to do with you, goonay.

78 Simply what am I to do about it, you're the one that organized the wedding?

79 He adds: mine hour is not yet come. Simply, my time has not yet come.

80 Speaking of his miraculous powers.

81 Then the story continues.

82 So Jesus's mother said to the deeakonos, the Greek for "servants:" whatsoever he says unto you do it.

83 Only the master of ceremony could tell the servants who they should listen to.

84 And if this was not Jesus's wedding why would Mary have the power to tell the servants in another person's house and wedding to listen to Jesus?

85 Remember these people were not his followers, he was merely invited–according to you–to this wedding.

86 Yet, an honest heart and an intelligent mind can see that Mary, having the power to tell the servants what to do, makes her the Master of Ceremony.

87 And there was six stone water jars, after the manner of the purifying of the Judahites.

88 The Judahites have rules of ritual washing and for this purpose 6 stones water jars were there.

89 Each one large enough to hold about 100 liters, or 9 gallons of water. That

would be 54 gallons of water.

90 This was a house for a very large family, or it was prepared to receive a large guest list.

91 So Yashua takes it upon himself, as you were led to believe, in another man's wedding, in another man's home.

92 Yashua says unto them: fill the water pots with water.

93 Make note in your mind, this means all 54 gallons had to be empty and used that day because the law says they must wash with fresh water.

94 There was a very large crowd there.

95 And after Jesus ordered the servants to fill them, the servants filled these jars up to the brim; that is the top.

96 And I ask: where are the families of the brides of the grooms if this is not Mary and Jesus's?

97 Why have they not stepped in and made their voices heard?

98 Why have not the fathers stepped in to try to solve this problem?

99 There's no mention of anyone involved save Mary, Jesus and the servants.

100 So after he told them to fill them to the brim, he ordered them, now draw water out and take it to the man in charge.

101 Take it to the governor of the feast not the parents, but the head caterer.

102 Called an arkheetree'kleenos, in Greek and means "superintendent of the dining room, a table master."

103 This is not the father of the bride or the groom.

104 So the servants obeyed the groom, which was Jesus and took the head caterer the water, which now had turned into wine.

105 When the head caterer of the feast had tasted the water, that was made wine and knew not whence it was.

106 But of course the servants under the head caterer knew because they had conversed with Mary and Jesus.

107 So the head caterer called the noomfeeos, which in Greek means "the bride groom," and said to him:

108 Everyone else serves their best wine first.

109 And after the guest have had plenty to drink, he serves the ordinary wine.

110 But you have kept the best wine until now.

111 The servants knew that Jesus was responsible for this wine.

112 And that the head caterer could not have been talking to a groom who would not have known also where the wine had come from without saying: I know nothing of this wine.

113 Because it was not just the wine, but it was obviously a better grade wine than they originally served.

114 The bridegrooms and his family, who would have paid for the wine and the wine bibber would have all known that this was not their wine and there would have been a complaint.

115 So the servants directed the head caterer to the bridegroom, which was Jesus.

116 And the head caterer complemented Jesus for his mannerism.

117 Yashua performed this first miracle in Cana in Galilee, there he revealed his glory.

118 And his disciples had faith in him.

119 After this, Yashua and his mother, brothers, and disciples went to Capernaum and stayed there a few days.

120 This act is commonly called a "honeymoon," for Mary Magdalene was

also one of Jesus's disciples.

121 The place called Capernaum was the city in Galilee where Mary lived.

122 So Jesus, his new wife, and mother and disciples went to her house for a private reception and honeymoon, a very common practice.

123 The story does not stop there, Jesus and Mary of Magdalene had a son, who they named Simon.

124 And he became known as Simon bar Jesus.

125 Simply translated from Aramic Simon, the son of Jesus.

126 If you read the second degree of John, the whole chapter, be it in:

127 Greek,

128 Hebrew,

129 Aramic,

130 Syriac,

131 Arabic,

132 Or Latin,

133 The facts will still remain the facts. The Wedding of Cana was the wedding of Jesus to Mary of Magdalene.

Tablet Twelve
The Son Of Jesus
(19 x 6=114)

Lo! During the very same honeymoon where the marriage was consummated, Mary Magdalene, daughter of Manaham and Zarullah, became pregnant.

2 And when the time for delivery came she gave birth to a son; and they called his name Simon.

3 Simon bar Jesus is the Bar Jesus of Acts. He's mentioned twice in there.

4 Once under the name Simon, and once under the name Bar Jesus.

5 He was called a magician, and a sorcerer. They're giving him mainly three attributes of his father.

6 Simon bar Jesus was the product of the marriage that the Christians claimed never happened.

7 He was born September 17 in 28 A.D.

8 Yashua had aspirations of his son becoming a great teacher,

9 Which he, Simon went off into the indebt study of mysticism and the Kabalah, a book of heretics by Yashua's own words.

10 He warned his son again and again that these were undesirables,

11 Until his son grew up and left to go live amongst them.

12 Unable, like most children, to respect the wishes of the parent,

13 He got caught up in the rituals and practices of Kabalahism and became known as a sorcerer, a great pain to Yashua.

14 And once someone came to Yashua and said there is a man teaching in your name.

15 Yashua knew immediately who that was, dropped his head saddened,

16 Quickly raised it again and said: "forbid him not: For there is no man which shall do a miracle in my name that can lightly speak evil of me."

17 He knew that his own son Simon, who was calling himself Jesus, had launched on a mission above his father where he went out to teach his own doctrine.

18 Simon bar Jesus went on to preach and teach all throughout Greece, Syria and Antioch.

19 He had many followers of which Saul, who later became known as Paul, the self-proclaimed apostle, was one of them.

20 So eventually Saul and them became

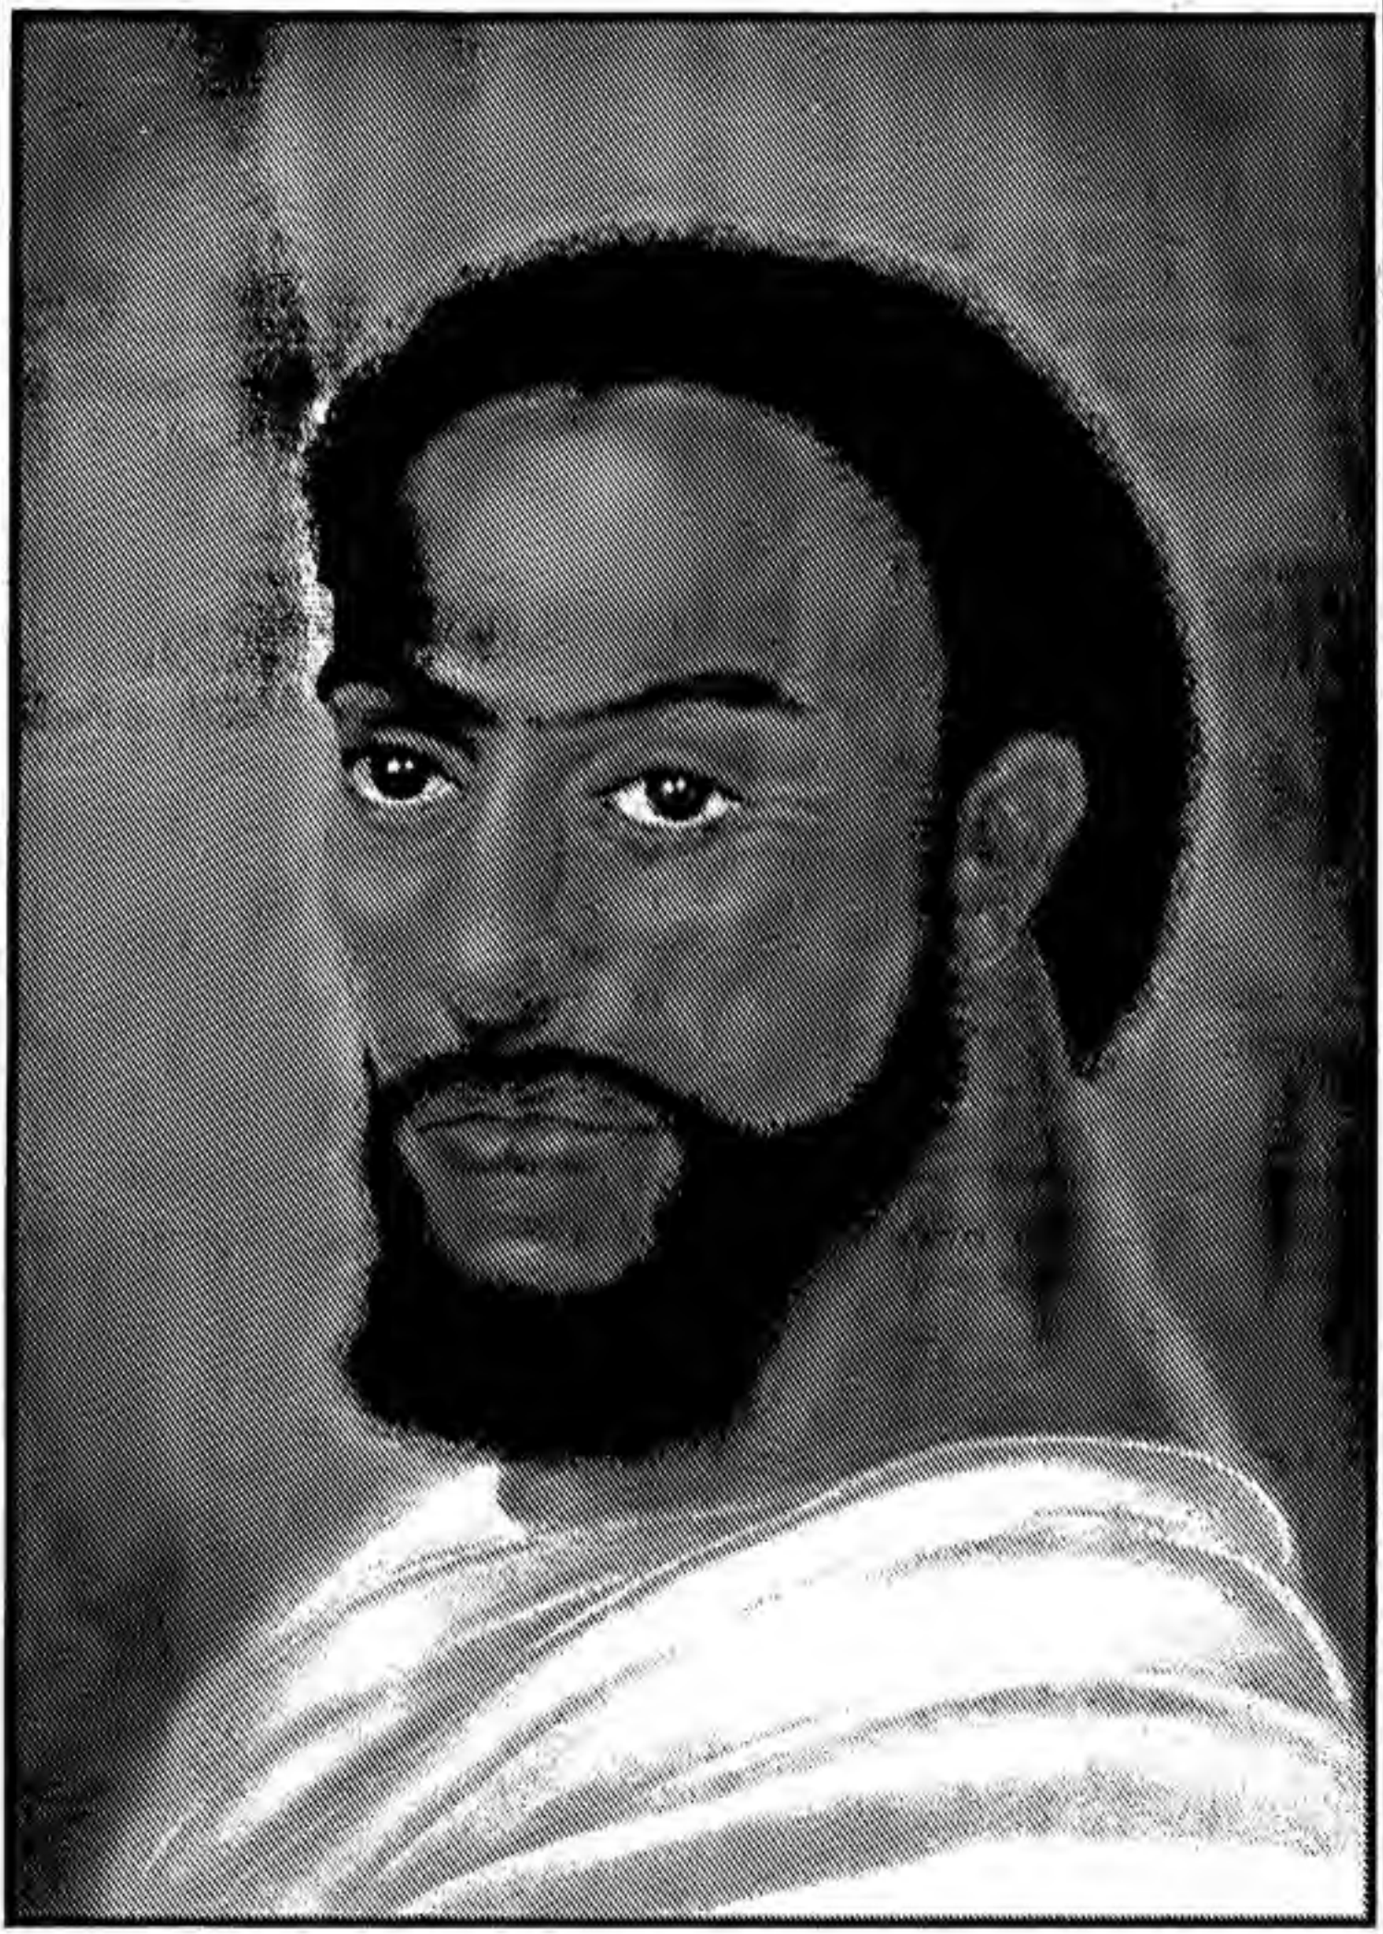

Figure 461
Paul, The Self-Appointed Apostle

his disciples, and they all started taking on Greek names.

21 They traveled back on into Syria, into a place called Antioch where they first established their church.

22 And they were called Christians because the people in Syria thought that these were the followers of Cleophus, who was a Hare Krishna.

23 He had converted to what's called Hare Khrisna religion and that's where the word Christos or Christ comes from, whom the Hindus thought Jesus was when he visited India.

24 The people in Antioch thought that this man Simon bar Jesus was really Cleophus.

25 Thus, they referred to them there in Antioch as Christians for the first time.

26 There was a conflict that broke out between the original disciples of Yashua bar Maryam, and Simon bar Yashua.

27 And Yashua's own brother-in-law, Barnabas. And his brother was with Paul at first and was a student of Simon.

28 They all came over to follow his father Yashua, son of Maryam, daughter of Imraan and Hanna, for Simon was also called Yashua, son of Mariam or Isa Ibn Maryam, for his mother's name was also Maryam being Maryam of a place called Magdala.

29 And he, Simon bar Jesus, did as the Greek says existaymee "amazing things, astonishing things" and bewitched the people of Samaria giving the impression that he is the Messiah. And that's what he did to the people of Samaria.

30 And Paul recorded it in his book called Acts and it says that "to whom they all gave heed."

31 What does that mean?

32 That the Samarians believed him and he had a large congregation.

33 That they gave heed from the least to the greatest.

34 He had his own congregation saying, "this man is the great power of God. This is the son of God. He's an embodiment of God."

35 Now and to him they had regards.

36 They had a lot of respect for him because he was performing miracles.

37 When the leaders of the people saw Simon bar Jesus performing miracles they said this man is a sorcerer.

38 They called him a sorcerer, but as you can see from your scriptures he was also called Elymas, "a wise man,"

39 This is the Greek word for Elymas elymaw; in Galilean Arabic "Muallam", or "Maulana" meaning *"a learnt"* or *"wise man."*

40 But when they believed Philip preaching the things concerning the kingdom of God, and the name of Jesus Christ they were baptized, both men and women.

41 Then Simon Bar Jesus himself believed also, and when he was baptized he continued with Philip, beholding the miracles and signs which was done.

42 Now when the apostles which were at Jerusalem heard that Samaria had received the word of Thehos, they sent unto them, Peter and John.

43 And when they were come down, prayed for them that they might receive the holy ghost.

44 Because up until then none of them have received it.

45 Only they were baptized in the name of their Rabbi Yashua, Hamashiy.

46 Then the disciples laid their healing hands on them at that very place and they received the holy soul.

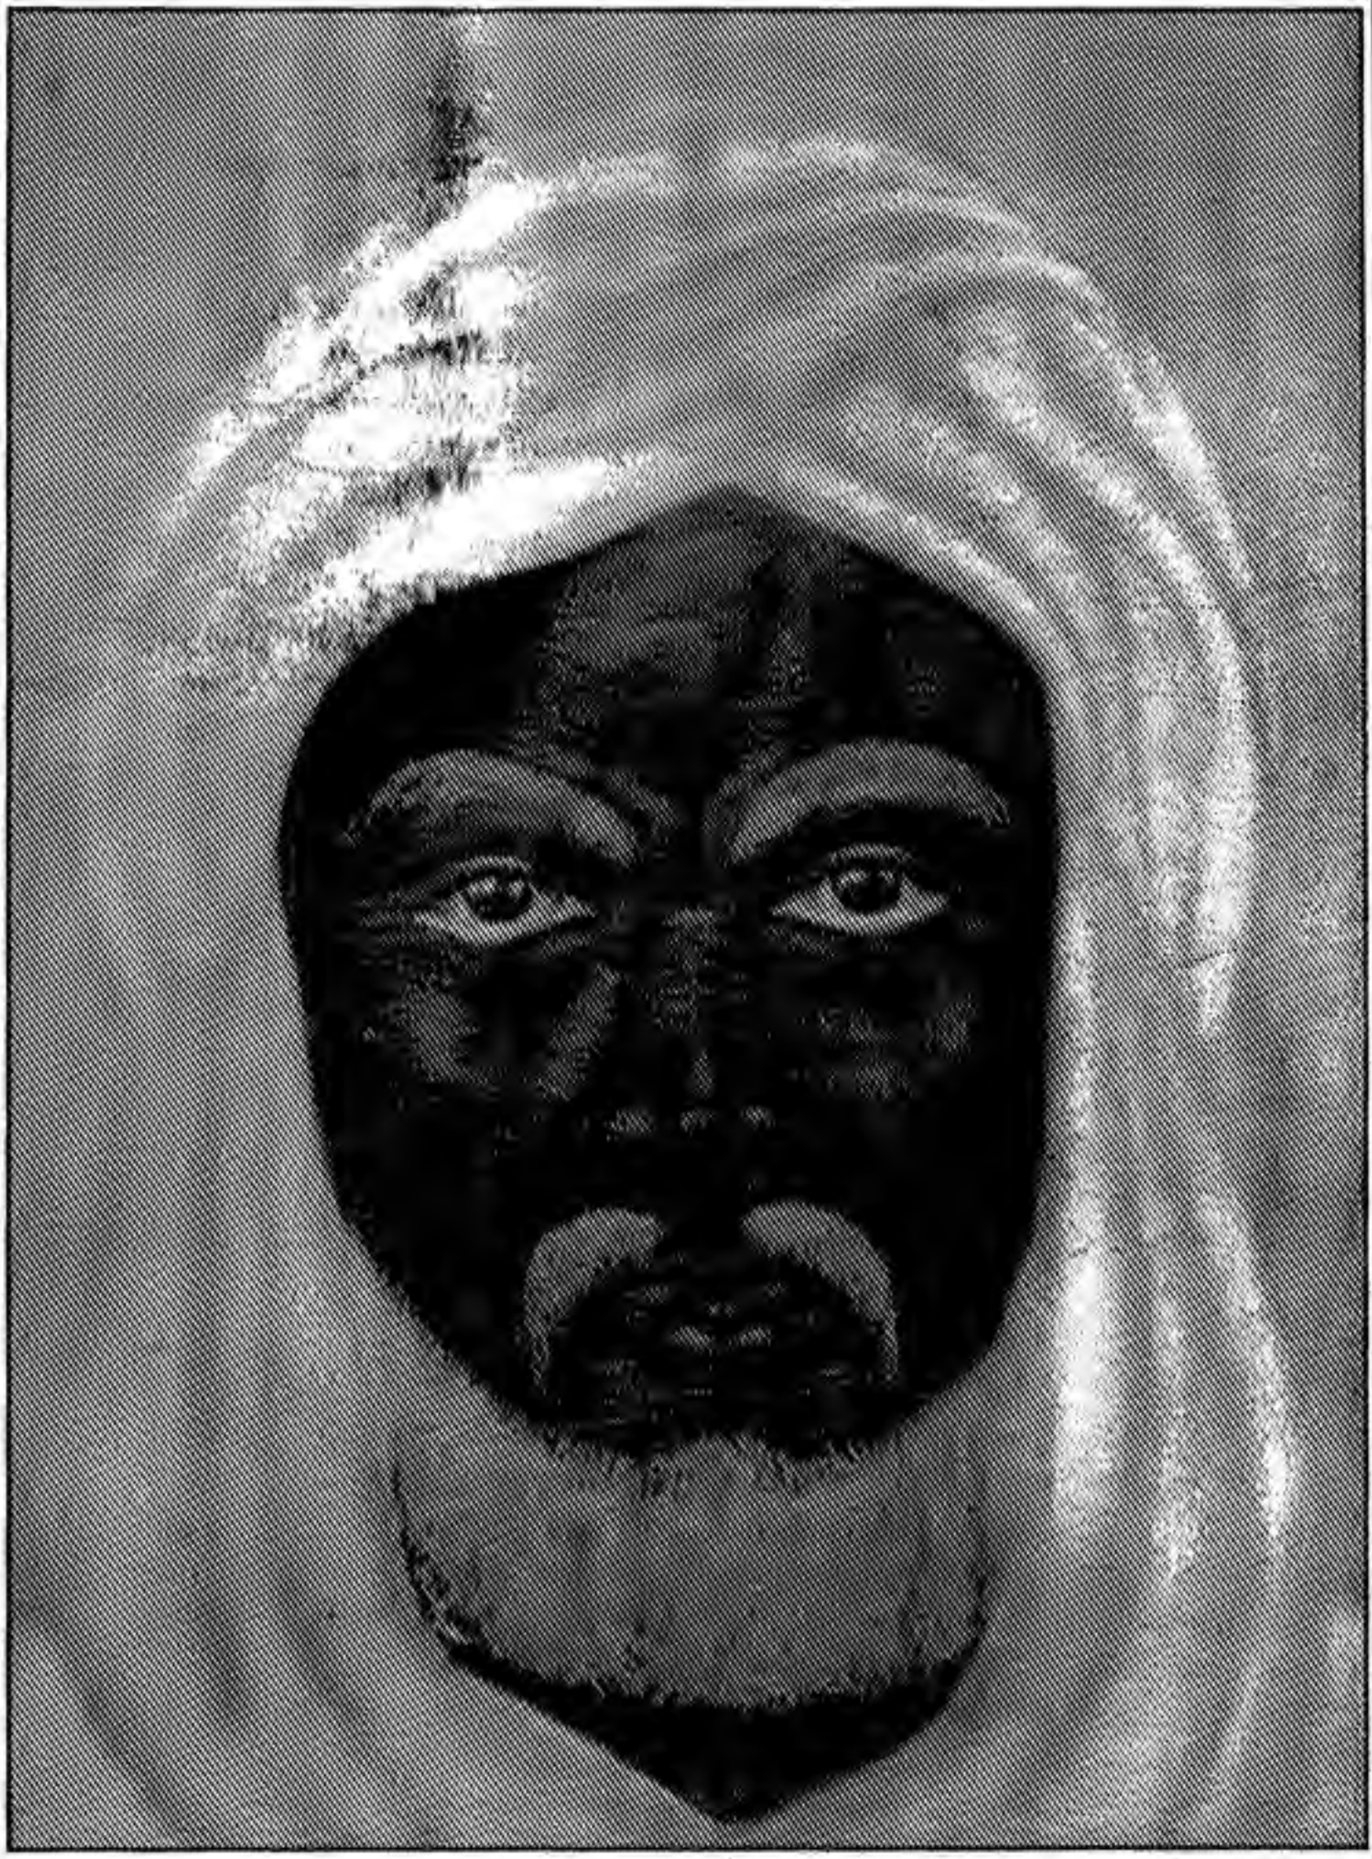

Figure 462
Imraan, Father Of Mary

47 And when Simon bar Jesus saw that through laying one of the apostles hands the holy ghost was given, he offered them money.

48 Saying, "give me all this power that whomsoever I lay hands, he shall receive the holy ghost."

49 A big argument breaks out between them, when therefore, Paul and Barnabas had no small uprising in reasoning with them.

50 They determined that Paul and Barnabas, and certain other of them, should go up to Jerusalem unto the apostles and elders about solving these differences.

51 They're talking about going back to Jerusalem to be amongst the original disciples of Yashua, especially now, because Simon Bar Yashua listened to Philip and them. He stopped his mission which he had a large congregation and converted to his father's teachings. This conversion led him to teach and preach as far as Rome–where he was thought to be his father, where he was crucified. This Simon bar Jesus is the Christ of the Christian religion as taught by Paul through his own 14 scriptures:

Romans written in 56 A.D.
First Corinthians written in 55 A.D.,
Second Corinthians written in 55 A.D.,
Galatians written in 52 A.D.,
Ephesians written in 61 A.D.,
Philippians written in 61 A.D.,
Colossians written in 61 A.D.,
First Thessalonians written in 50 A.D.,
Second Thessalonians written in 51 A.D.,
First Timothy written in 64 A.D.,
Second Timothy was written in 65 A.D,

52 When Paul first began his teachings he traveled with Barnabas to Antioch as a undercover spy for the Pharisees.

53 Paul and Barnabas then went on to Paphos where they encountered Simon bar Jesus, whom Paul decided to make his own teacher first, then god later in order to confuse the true followers of Yashua, Ha Mashiakh.

54 Paul decided to start changing the original teachings of Yashua and incorporate the sorcery of the Kabalah and mysticism that is found in his writings to this day. He made lawful things the scriptures and Yashua had made unlawful. He accepted the teachings and was taught by Bar Jesus the corrupted son of Yashua Ha Mashiakh. And this Paul's hidden motives was to form his newly found religion called Christianity.

55 This is why Paul and Barnabas separated from the disciples at Antioch.

56 John and Mark joined the disciples Barnabas and Paul, on their missionary journey.

57 Mark served as Rabbi to Barnabas and Paul and was considered the leader of this clan,

58 By performing lowly services such as handling the scrolls and after recording events.

59 While in Perga, Asia Minor Mark left to return to Jerusalem.

60 His departure caused dissension between Paul and Barnabas for Paul wished to become the new leader.

61 Paul proclaimed Mark to be a deserter, and this caused much arguments between the followers until Mark returned from Jerusalem. So when

Figure 463
Barnabas, Son Of Joseph And Halsaa

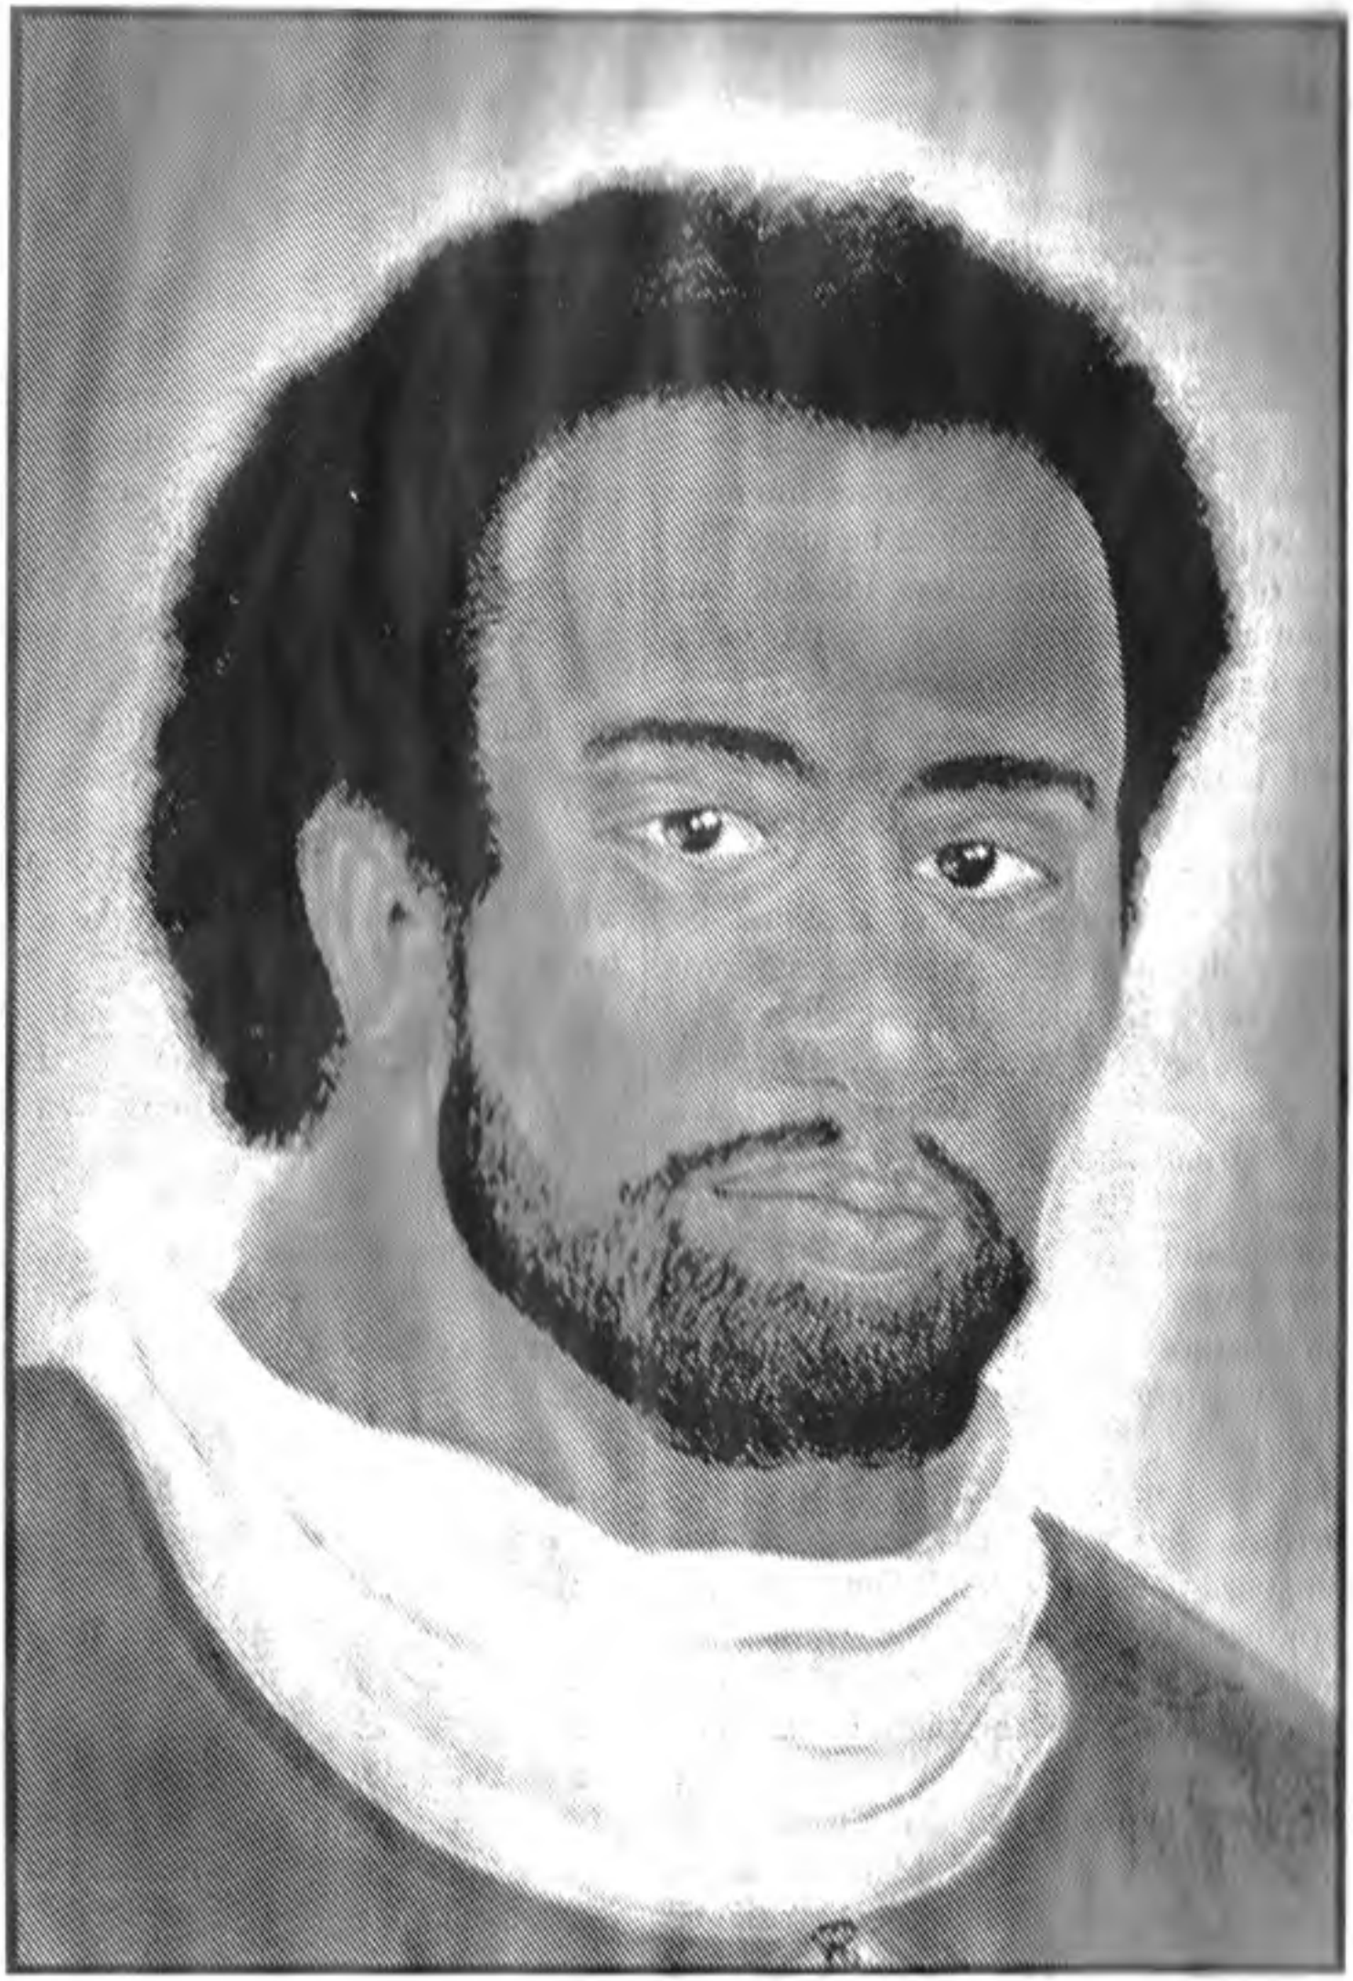

Figure 464
The Disciple Mark

they were prepared to embark on the second missionary journey, Paul was in favor of leaving Mark behind.

62 Barnabas insisted on his accompanying them.

63 As a result, Paul and Barnabas went their separate ways. Paul never intended to return to Jerusalem and be judged by the disciples and the elders. Instead, Paul planned to form his own church using the name they had obtained in Antioch, Christian.

64 Barnabas took Mark with him to Cyprus. This was also a good excuse for Paul to get away from Barnabas.

65 By this time he was accepted by many disciples and gained good favor with those disciples who had fallen away and looked for excuses to defame the original teachings of Yashua that Mark and Barnabas taught. Paul began to gain many dissatisfied followers, self-opinionated.

66 Thus, Barnabas and Mark chose to go separate ways from Paul.

67 This enabled Paul to teach what he wanted.

68 Paul considered Mark helpful to him because he was well versed in the language of the gentiles. Being one of the original that received the miraculous holy spirit and transformation of one language to the languages of all who inquired in the truth.

69 This happened in this manner: the disciples who were all of one tongue, Aramic, wanted to spread the original teachings to the Tribe of Judah that had been lost in many lands and now did not know their own language,

70 They were met with a problem, how to teach people who could not speak their tongue. The hearts of the apostles went out in every respect for the mission.

71 Their desire to spread what Yashua taught them of Yahuwa. They began to doubt their ability to reach out and their faith was removed, and as they traveled partly in the company, and partly alone, throughout the whole of Palestine, preaching the faith of A'LYUN A'LYUN EL and his Messiah Yashua.

72 In accordance with this new revelation, where Yashua stuck to the law and eliminated the innovations of the high priest and the Pharisees. Permitting the eating of many things which had been prohibited to the sons of Israel.

73 But when he would have sent them to teach his gospel even in distant countries, they excused themselves with their ignorance of foreign tongues.

74 Yashua complained of their disobedience before Yahuwa: and behold, on the following day while they all were gathered together in one place, balls of light shot down from the crafts in the sky that hovered above and touched down on each of them and they were able to speak in any language spoken to them.

75 Each of his disciples had forgotten their own language, and everyone knew only the language of the people unto which Yashua desired to send him,

76 So that they had no longer any reason to disobey his commands. And the mission began to spread far and wide.

77 This, the Pharisees felt, must be stopped so they sent their secret agent Judas in to infiltrate the organization in hopes to find Yashua guilty of violating the law.

78 Mark was one of the disciples that were in that upper chamber on the fiftieth shadow hour called Pentecost. When this great miracle did occur.

79 So Mark served the disciples Peter in the same position as he did Paul interpreter and attendant.

80 Mark would translate his sermons into Greek so that the gentiles could overstand.

81 Mark has been credited with founding the Christians church in Alexandria, which was inhabited by Judahites and Greeks.

82 After Paul and Barnabas separated, Paul chose Silos as his minister and headed toward Galatia and the city of Troas.

83 There he was joined by Luke where they proceeded to travel across the Aegean Sea on Paul's second missionary journey into the continent of Europe.

84 Six years later Luke accompanied Paul on the third missionary journey whose destination was Rome.

85 From Rome, Paul and his new disciples who taught of Simon bar Jesus as if he was Yashua bar Ha Mashiakh gained much opposition,

86 For remember, one other Simon bar Jesus was crucified there.

87 In time, after much prosecution these Christians found acceptance with a Roman Emperor Constantine,

88 Which declared all Rome, Christians and established the Catholic Church. Establishing Peter as the first Pope on to this day.

89 A group of men formed the second Nicean Council which was called by Empress Irene in 787 A.D.,

90 Where the Nicean decree of 325 A.D. was revolt and the principals governing the veneration of images were laid down. This was the birth of Christianity.

91 And they decided what is to be accepted and what is to be rejected.

92 Any teachings that made it clear that there was more, than one Jesus in his time,

93 And more than one set of teachings, or the truth of the crucifixion was thrown away as a fiction.

94 Thus, many of the original books that told the true story were lost. And from Paul and Luke you have the many churches of today:

95 Catholic, Roman, Greek Russian, Coptic, Ethiopian Coptic,

96 Or Lutheran, Protestant, Episcopalian, Baptist, Unitarian, Pentecostal,

97 Seventh Day Adventist, Jehovah's Witness, Quaker, Mormon, Amish, Holiest, New Age,

98 Spiritual Baptist, Santeria, Marianites, Collyridians, Salvation Army, The Red Cross,

99 Methodist, African Methodist Episcopalian, the Divine Order of Selassawi, World Wide Church,

100 YMCA, YWCA, Church of God and Christ, Judahites for Jesus, Shepherd's Rods, PTL, Davidians, Rosicrucians, Astara, Jesuit, Anglicans, KKK, the Assembly of God, Puritans, Soliar Temple.

101 You are all followers of Simon bar Jesus. and the books you follow are Paul's and Luke's.

102 You have no true guidance. You are being led by the anti-christ and it is said that Jesus said:

103 "For many shall come in my name and say that I am Christ and shall

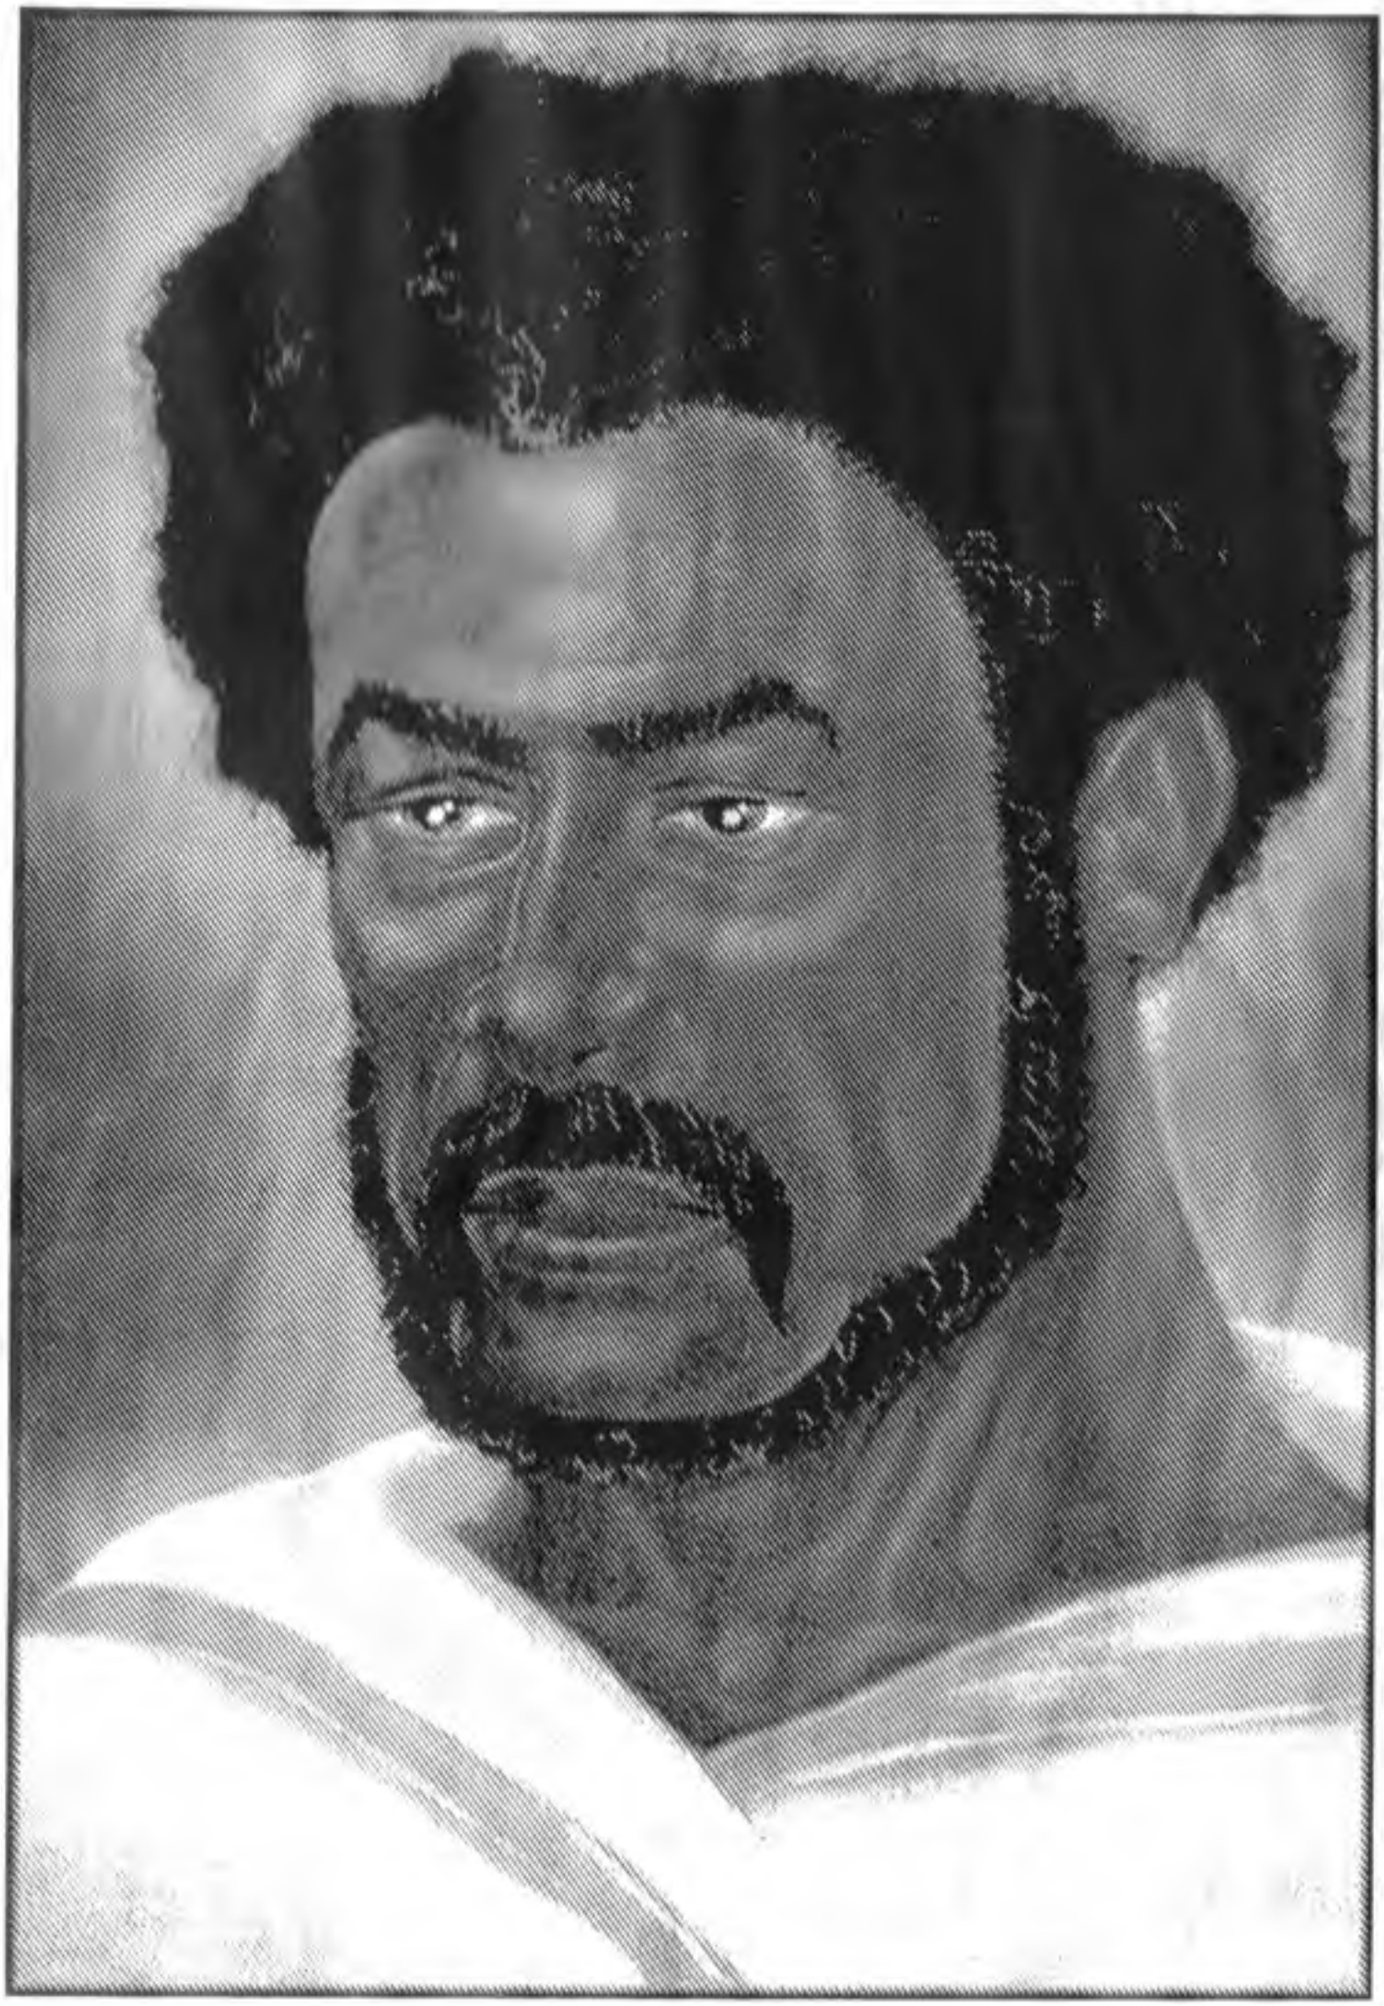

Figure 465
The Disciple Luke

Figure 466
The Emperor Constantine

deceive many." And he said, "for there shall arise false Christs." And he said, "then if any man shall say unto you 'here is Christ, or there,' believe it not!"

104 And he says that this is what he would say: "and then I will profess unto them, I never knew you depart from me, you that work iniquities." This is a statement being made to those of you who as he said "many will say to me in that day, Lord, Lord, have we not prophesied in your name, and in your name have cast out devils?

105 And in your name done many wonderful works." Oh my Christian brothers and sisters, you have been deceived by Satan. Turn away from him this very moment.

106 It all began when Paul lied and said:

107 "I had this vision that Jesus came to me, and told me to have this calling.

108 And then Paul took and created the doctrine Christianity today.

109 Simon bar Yashua was eventually found guilty of being a sorcerer and a false prophet,

110 And they sought out to crucify him. He was crucified in Rome at the age 33 and his body was taken to St. Peter Basilica in Rome,

111 Where he was buried in 61 A.D. and he is entombed to this day.

112 There are traces of his death being up in Europe.

113 And they made a replica of his mother Mary of Magdalene and him.

114 And it's called the Black Madonna, and that's where the Pope and them are holding their legions to, because he opened the gate for gentiles to get in to Israel.

Tablet Thirteen
Jesus's Miracles
(19 x 8=152)

Lo! After traveling and teaching throughout and performing great signs and wonders the people still had little faith,

2 And asked for a sign that he was indeed the Ibn A'LYUN A'LYUN EL,

3 Yashua reluctant then created at the will of A'LYUN A'LYUN EL, various kinds of birds out of clay,

4 Which he animated with his breath,

5 So that they ate and drank, and flew up and down like natural birds.

6 He healed in one day by his prayer 50,000 blind and leprous persons,

7 Whose cure the best physicians of those times had been unable to effect.

8 He recovered many dead who after he had recalled them to life, married again and had children,

9 And he even raised up Shem, the son of Noah, who however, died again immediately.

10 But he not only revived men, but even isolated parts and limbs.

11 During his wanderings he one day found a skull near the Dead Sea,

12 And his disciples asked him to recall it to life.

13 Yashua prayed to A'LYUN A'LYUN EL, and then turning to the skull, said:

14 "Live, by the will of the Yahuwa, and tell us how you have found death, the grave, and the future state!"

15 The skull then assumed the form of a living head, and said:

16 "Know you, O prophet of A'LYUN A'LYUN EL! That about 4000 years ago, after taking a bath, I fell into a

fever,
17 Which not withstanding all the medicines which were given me, continued 7 days.
18 On the 8th day I was entirely exhausted that all my limbs trembled,
19 And my tongue cleaved to the roof of my mouth.
20 Then there came to me the Angel of Death in a terrible shape.
21 His head touched the sky while his feet stood on the lowest depths of the Earth.
22 He held a sword in his right hand and a cup in his left,
23 And there were ten other angelic beings with him, whom I took to be his servants.
24 I would have shrieked so loudly at their sight that the inhabitants of heaven and of Earth must have been petrified.
25 But the angelic beings fell on me, and held my tongue, and some of them pressed my veins, so as to force out my soul.
26 Then said I, 'exalted spirits, I will give all that I possess for my life.'
27 But one of them struck me in the face and almost shattered my jawbone, saying:
28 'Enemy of A'LYUN A'LYUN EL! He accepts no ransom.'
29 The Angel of Death then placed his sword upon my throat,
30 And gave me the cup, which I was forced to empty to the dregs. And this was my death.
31 My consciousness now lost, I was washed wrapped in a shroud and interred.
32 But when my grave was covered with Earth, my soul returned to my body, and I was sorely afraid in my solitude.
33 But soon there came two angelic beings, with a parchment in their hands
34 And told unto me all the good and all the bad that I had done while living in the body.
35 And I was compelled to write it down with my own hand and to attest it by my own signature;
36 Whereupon they suspended the scroll on my neck and vanished.
37 There they appeared two other dark angels with blue eyes namely: Munkar and Nakir, each with a column of fire in his hand,
38 One single spark of which if it had dropped on the earth would have consumed it.
39 They called to me in a voice like thunder, 'who is your Yahuwa?'
40 Overcome with fright,
41 I lost my senses and said shudderingly:
42 You are my Yahuwas!
43 But they cried you liest enemy of A'LYUN A'LYUN EL!,
44 And struck me a blow with the column of fire,
45 That sent me down to the 7th Earth.
46 But as soon as I returned again to my grave, they said,
47 'O Earth! Punish the man who has been rebellious against his Yahuwa.'
48 Instantly the Earth crushed me,
49 So that my bones were almost ground to powder.
50 And she said:
51 Enemy of A'LYUN A'LYUN EL!
52 I hated you while you dwelt upon my surface,
53 But by the glory of A'LYUN A'LYUN EL,
54 I will avenge me now while you are

Tablet 13:54

lying in my bowels.
55 The angels then opened one of the gateways of hell and cried,
56 'Take this sinner, who did not believe in A'LYUN A'LYUN EL;
57 Boil and burn him.'
58 Thereupon I was dragged into the center of hell by a chain which was seventy cubits in length,
59 And as often as the flames consumed my skin,
60 I received a fresh one. But only to suffer a new, the torments of burning.
61 At the same time, I was so hungry that I prayed for food,
62 But I only obtained the putrefied fruit of the tree sakum,
63 Which not merely increased my hunger,
64 But even caused the most horrid pain and violent thirst.
65 And when I asked for something to drink nothing but boiling water was given me.
66 At last they urged one end of the chain with such violence into my mouth,
67 That it came out through my back, and chained me hand and foot."
68 When Yashua heard this, he wept with compassion,
69 But demanded of the skull to describe hell more minutely.
70 Now then continued the skull,
71 O prophet of A'LYUN A'LYUN EL, that hell consists of seven floors one below the other.
72 The uppermost is for hypocrites,
73 The second for liars,
74 The third for deceivers,
75 The fourth for the users,
76 The fifth for those who deny the Holy Tablets, reject the holy scriptures,

Tablet 13:99

and lie on those sent.
77 And 6th for idolaters,
78 And the 7th for the sinners.
79 The last mentioned abode is least terrible,
80 And sinners are saved from it through repentance.
81 But in the others the torture and agony are so great,
82 That if you, O prophet of A'LYUN A'LYUN EL, shouldst but see it,
83 You wouldst wept with compassion as a woman who had lost her only child.
84 The outer part of hell is of copper and the inner part of lead.
85 Its floor is punishment and the wrath of the Almighty, its ceiling.
86 The walls are of fire, not clear and luminous,
87 But amber fire and diffusing a close disgusting stench being fed with men and idols.
88 Yashua wept long,
89 And then inquired of the skull,
90 To which family he belonged during the lifetime?
91 He replied,
92 "I am a descendant of the prophet Elias!"
93 "And what desirest you now?"
94 "That A'LYUN A'LYUN EL would recall me to life,
95 That I might serve him with my whole heart,
96 So as one day to be worthy of paradise!"
97 Yashua prayed to A'LYUN A'LYUN EL, "O Yahuwa! You knowest this man and me better than we know ourselves,
98 And are Aum-nipotent."
99 Then A'LYUN A'LYUN EL said to him,

100 "I had long ago resolved upon that which he desires since, indeed he had many excellencies,

101 And was especially benevolent to the poor."

102 He may return to the world through repentance.

103 And if he serve me henceforward, faithfully, all his sins shall be forgiven,"

104 Yashua cried unto the skull, "be again a perfect man, through the Aum-nipotence of A'LYUN A'LYUN EL!"

105 And while the words were still on his lips, there rose up a man who looked more blooming than in his former life and cried,

106 "I confess that there is but one El Eloh, and that Abraham was his friend,

107 Moses saw him face to face,

108 And you Yashua, his soul and word.

109 I confess, moreover, that the resurrection is as certain as death,

110 And that hell and paradise do really exist."

111 This man lived 66 years after his resuscitation,

112 And spent his days in fasting and his shadow hours in prayer,

113 Nor did he alienate a single moment from the service of the Rabboni until he died.

114 But the more miracles Yashua performed before the eyes of the people, the greater was their unbelief.

115 For all that they were not able to comprehend they believe to be sorcery and delusion,

116 Instead of perceiving therein a proof of his mission.

117 Even the 12 apostles whom he had chosen to propagate the new doctrine were not steadfast in the faith,

118 And asked of him one day that he might cause a table covered with all sorts of fine foods, to descend from heaven!

119 "A table shall be given you," said a voice from heaven,

120 "But whosoever shall thereafter continue in unbelief shall suffer severe punishment."

121 Thereupon there descended two clouds, with a golden table, on which there stood a covered dish of silver.

122 Many of the Israelites who were present exclaimed,

123 "Behold the sorcerer! What new delusion has he wrought?"

124 But these scoffers were instantly changed into swine.

125 And on seeing it, Yashua prayed,

126 "O Yahuwa! Let this table lead us to salvation and not ruin!"

127 Then said he to the apostles,

128 "Let him who is the greatest among you rise and uncover this dish."

129 But Simon, the oldest apostle said,

130 "Rabboni, you art the most worthy to behold this heavenly food first."

131 Yashua then washed his hands and removed the cover and said:

132 In the name of A'LYUN A'LYUN EL. And behold there became visible a large baked fish,

133 With neither bones nor scales,

134 Which diffused a fragrance around like the fruits of paradise.

135 Round the fish there lay five small loaves and on it salt, pepper and other spices .

136 "Soul of A'LYUN A'LYUN EL," said Simon,

137 "Are these viands from this world or from the other?"

138 But Yashua replied, "are not both worlds,

139 And all that they contain the works of Yahuwa? Receive whatever he had given with grateful hearts,

140 And ask not whence it comes, but if the appearance of this fish be not sufficiently miraculous, to you shall behold a still greater sign." Then, turning to the fish, he said, "live! By the will of 6!"

141 The fish then began to stir and to move so that the apostles fled with fear.

142 But Yashua called them back and said: "Why do you flee from that which you have desired?"

143 He then called to the fish, "be again what you was before!" And immediately it lay there as it had come down from heaven. The disciples then prayed Yashua that he might eat of it first, but he replied,

144 "I have not lusted for it. He that has lusted for it let him eat of it now." But when the disciples refused to eat of it, because they now saw that their request had been sinful,

145 Yashua called many aged men, many deaf, sick, blind and lane, and invited them to eat of the fish. There now came thirteen hundred which ate of the fish and were satisfied. But whenever one piece was cut off from the fish, another grew again in its place, so that it still laid there in its tire as if no one had touched it. But the guest were not only satisfied,

146 But even were healed of all their diseases. The aged became young, and blind saw, and the deaf heard, the dumb spake, and the lame regained their vigorous limbs.

147 When the apostles saw this, they regretted that they had not eaten, and whoever beheld the men that had been cured and invigorated thereby regretted, in like manner not to have shared in the repast.

148 When, therefore, at the prayer of Yashua a similar table descended again from heaven. The whole people rich and poor young and old, sick and whole, came to be refreshed by these heavenly viands. This lasted during forty days.

149 At the dawn of day, the table, borne on the clouds, descended in the face of the sons of Isra'El, and before the sun appeared to set it gradually rose up again, until it vanished behind the clouds;

150 But as, notwithstanding this, many still doubted whether it really came from heaven, Yashua prayed no longer for its return, and threatened the unbelievers with the punishment of Yahuwa.

151 Nevertheless, in the hearts of the apostles every doubt, respecting the mission of their Yahuwa was removed, and they traveled partly in company, partly alone, through the whole of Palestine, preaching the faith in A'LYUN A'LYUN EL and his prophet Yashua. These miracles angered the priest and the Pharisees and they called him a sorcerer and said he was changing the laws. Saying: eat what is good for you.

152 According to this new revelation, he was permitting
them to eat many things which had been prohibited to the Children of Israel.

Tablet Fourteen
Jesus Is Betrayed
(19 x 4=76)

Lo! The outraged leaders of Yashua's

day set out to plot his death by crucifixion. And Yashua said:

2 "If anyone declares publicly that he belongs to me,

3 I will do the same for him before my father in heaven.

4 But if anyone rejects me publicly,

5 I will reject him before my father in heaven.

6 Do not think that I have come to bring peace to the world.

7 No I did not come to bring peace, but a sword.

8 I have come to set sons against their fathers, and the daughters against her mothers, and the daughters-in-law against her mothers in law."

9 Now it was 33 A.D. and Jesus once again told his disciples about his betrayal. It was on a Tuesday, 2 days before the Passover.

10 Then one of the 12 disciples, the one named Judas Iscariot went to the Kohen priests and asked,

11 "What will you give me if I betray Yashua to you?"

12 They counted out thirty silver coins, equivalent to 52 dollars and 80 cents and gave them to him.

13 From then on Judas was looking for a good chance to hand Jesus over to them. So he went and visited John in jail, to see what information he could attain.

14 The weight of the silver pieces according to the weight of the sanctuary was equal, to 600 pieces.

15 They called them Durhams, which is one hundred centines.

16 Jesus had sent Peter and John ahead to prepare.

17 But an unbelieving Judas had stolen into the house to watch Yashua that he might by no means escape,

18 The Passover supper was the time when he announced that one of his disciples was to become possessed by the devil and to betray him.

19 His disciples pleaded with him to disclose who his traitor was, so they could kill him, but he wouldn't.

20 And in quietness Peter asked John to ask Jesus who it was that should betray him.

21 "One of the disciples, the one whom Jesus loved, was sitting next to Jesus .

22 Simon Peter motioned to him and said, "ask him who he is talking about."

23 So the disciple moved close to Jesus's side and asked, who is it, Rabboni."

24 Jesus answered, "I will dip some bread in the sauce and give it to him, he is the man."

25 So he took a piece of bread, dipped it, and gave it to Judas, the son of Simon Iscariot."

26 Jesus then told Judas, who was the twelfth chosen disciple, to go do his devilishment.

27 But no one in the upper room knew what Jesus meant by those words, except for John and Peter.

28 As far as everyone else was concerned, Judas was going out to buy those things needed for the feast.

29 After Judas left, Jesus spoke to his disciples and told them that they should sell their garments for swords if they had none,

30 Which means that his initial plan was to fight, not simple surrender.

31 Remember he said: "I came not with peace but with a sword." This sword was not the sword of his mouth, it was weapon for defense, and was used for such.

32 For when they came to seize Jesus,

by shadow hour,

33 One of his disciples took out his sword and cut of the ear of a servant of the high priest,

34 An image never portrayed on any of the pictures presented to you, that they carried swords with them.

35 Judas opposed Jesus strongly.

36 Being of the Tribe of Judah, he believed he was protecting the covenant of Jacob by betraying Jesus.

37 Because Jesus did not fall in the line of the Levitical Priesthood, Judas neglected him.

38 Judas was expecting a political figure and Jesus came as a religious figure instead. Thus he hated the Romans and the leaders of the Children of Israel whom he worked for and longed for a warrior type Messiah to liberate all of his people.

39 Jesus did not meet Judas' expectations and because of this Judas did not trust him.

40 Eventually the Pharisees and enemies of Jesus started spreading rumors that Jesus was possessed of an evil spirit in Nazareth.

41 This added to the negative feeling that Judas already had, making him doubt Jesus, even more.

42 The disciples did not overstand that Jesus was a man of many parables.

43 Often when he spoke, the disciples did not overstand and were more afraid to ask him questions,

44 So they questioned each other concerning what Jesus said and as a result they remained in ignorance.

45 Not only was there doubt, and confusion in the minds of the disciples,

46 But there was also jealousy and envy of the relationship Jesus had with other people, especially women.

47 It was when all the women came to Jesus that his own people became very angry, jealous.

48 And upon misconstruing the relationship Jesus had with these women,

49 Some of his disciples went out among the Judahites and slandered his name.

50 They were also filled with doubts because of the various rumors that were being spread by the Pharisees.

51 On one occasion, Jesus went to the house of Simon the Leper, Canaanite, in Bethany where Lazarus, which had been declared dead, whom he resuscitated.

52 There they made him a supper, and Martha served, but Lazarus was one of them that sat at the table with them. While in Simon's home, Mary of Magdala, called Mary Magdalene, his wife of Bethany, the sister of Lazarus, took a pound of spikenard, very costly and anointed the feet of Yashua and wiped his feet with her hair and the house was filled with odor of ointment.

53 When Judas his disciple, which should betray him, saw what Mary was doing, he became very jealous.

54 Judas felt that the oil was being wasted and that instead, it should have been sold for a good price and said was not this ointment sold for three hundred pence and given to the poor?

55 Judas was the treasurer amongst the disciples and what he really wanted to do was to sell the oil and take some of the money for himself.

56 Then said Yashua let her alone against this day of my burying has she kept this,

57 For you always have the poor with

you.
58 But you don't always have me.
59 Judas was very angry and being seduced by Nakhash,
60 He went to the High Priest with plans to betray Yashua because he knew that they sought to kill him.
61 Much people of the Judahites therefore knew that he was there.
62 And they came not for Yashua's sake only but that they might see Lazarus also,
63 Whom he has raised from the dead.
64 But the chief priest consulted that they might put Lazarus also to death,
65 Because, that by reason of him, many of the Judahites went away and believed on Yashua.
66 On the next day much people that would come to the feast when they heard that Yashua was coming to Jerusalem,
67 Took branches of palm trees and went forth to meet him and cried, Hosanna,
68 Blessed is the ruler of Israel that cometh in the name of Yahuwa.
69 And Yashua when he had found a young ass, sat thereon as it was written,
70 Fear not daughter of Zion, behold, your ruler cometh sitting on an ass, colt.
71 These things understood not his disciples at the first, but when Yashua was glorified, then remembered they that these things were written of him.
72 And that they had done these unto him.
73 The people therefore that was with him when he called Lazarus out of the grave, and raised him from the dead, bore record.
74 For this cause, the people also met him for that they heard that he had done this miracle.
75 The Pharisees therefore said amongst themselves, you perceive, how you prevail nothing? Behold the world is gone after him.
76 They knew that they must stop him.

Tablet Fifteen
In The Garden Of Gethsemane
(19 x 9=171)

Lo! After much incident and strife conflicts and disagreements over a period of time,
2 Jesus knew that his death has been well planned.
3 He and his followers would often meet in a garden called Gethsemane,
4 A small farm situated across the brook of Kedron, at the foot of Mount Olivetti,
5 To the northwest and about one half to three quarters of a mile from the walls of Jerusalem,
6 One hundred yards east of the bridge of Kedron, there was the garden, cared for by a Joseph of Arimathaea.
7 He was also an honorable counselor who waited for the kingdom of A'LYUN A'LYUN EL known in the courts of Pilate.
8 Yashua with his disciples, traveled over the Brook of Kedron to the Garden of Gethsemane, a regular communication area of Yashua and his disciples.
9 When they arrived at the Garden of Gethsemane, Yashua instructed eight of his disciples to sit and watch as he proceeded with three other disciples, Peter, James, and John, into the garden.
10 Judas was the only disciple missing.
11 Although he knew already that once

EL GISYHIYINAAT

Tablet 15:11

in the garden his disciples would desert him as it was written,

12 Yashua made Tafulat to A'LYUN A'LYUN EL to spare him the death that was being planned for him

13 Yashua wanted the cup to pass so that the will of his father could be done.

14 The cup of the crucifixion was to pass into the hands of the ones who would betray him

15 Yashua knew that in view of the opposition that he was receiving from the Sanhedrin, the highest judicial and religious council of the Israelites,

16 Composed of 70 to 73 members, and the Roman establishment, that he would be destined to die and he didn't want to.

17 Spiritually he wanted to do the will of his Father but physically, as a man, he was afraid.

18 Yashua knew long before the night of his betrayal, that many people wanted him dead,

19 He felt that he might die so he prepared to defend himself which is why he told his disciples to buy swords.

20 Yashua was afraid, but being the faithful disciple that he was, he knew somewhere in his heart that The Most High would not desert him.

21 He knew that A'LYUN A'LYUN EL would give him a sign as a confirmation that he would be spared,

22 And he wanted to share this moment with his disciples in the hopes that it would strengthen them and increase their faith.

23 Yashua told his disciples to watch and pray also, so that they would not be tempted by Nakhash.

24 He then prostrated in the garden and prayed to the Creator and said:

25 My father if it is possible take this

Tablet 15:37

cup of suffering from me!

26 Yet not what I want, but what you want.

27 And this prayer was heard in this manner, when it said "ask and it shall be given, seek and you shall find,

28 Knock and the door shall be open unto you,

29 For everyone who ask will receive, and anyone who seeks will find, and the door will opened to him who knocks.

30 When Yashua returned to the area where the three disciples were waiting, and the disciples were sleeping whereupon the Aum-nipotent A'LYUN A'LYUN EL acted wonderfully in so much that Judas was so changed in speech and in face to be like Jesus, and they believed him to be Jesus.

31 Quite irritated he said to Peter: "why didn't you watch?"

32 After this, he withdrew again and prayed to A'LYUN A'LYUN EL for a second time.

33 While all of this was happening Judas was preparing to enter the garden with the soldiers.

34 From a distance, Yashua overheard the confusion of many voices and the sound of many footsteps. When the soldiers who were with Judas drew near to the place where Jesus was, Jesus heard the approach of many people, where for in fear, he withdrew into the gardener's house.

35 Having not yet received the sign that he hoped he would receive from The Most High, he fled into the shed full of fear and desperation hoping to hide from the soldiers.

36 While in the gardener's shed he prayed more earnestly for the their time.

37 Yashua was in agony and his sweat

was as if they were great drops of blood falling to the ground.

38 Yashua begged the heavenly father to spare him the death by crucifixion.

39 A'LYUN A'LYUN EL heard the cry of his servant.

40 Yashua prostrated and with strong crying and tears he supplicated and sought refuge in his Sustainer.

41 Witnessing the danger of his servant, A'LYUN A'LYUN EL commanded Gabriy'El, Murduk, Rapha'El and Uri'El,

42 His messengers to take Yashua out of the window of the shed that faced the south as a confirmation that he would not have to suffer death by crucifixion.

43 The Aluhum of A'LYUN A'LYUN EL entered into the gardeners shed while Yashua was in prayer and took him up to the second heaven, they bare him and placed him in the second heaven in company of angels, blessing A'LYUN A'LYUN EL forever more.

44 Judas entered impetuously before all into the chamber whence Jesus had been taken up to the realm of Malakuwt, he was strengthened.

45 Yashua had a bright light around him that shone as bright as the sun, for he had been transfigured.

46 It was there that he was assured he would not be crucified.

47 This is the same state he was in when he was transfigured which changed his appearance in the garden,

48 Having been endowed with the holy spirit which was by the Most High.

49 Yashua had the ability to break down molecules and rearrange them in a different state.

50 The disciples however, did not witness this miraculous event, because they were in the garden asleep.

51 However, they did not doubt of his power to transfigure himself for they witnessed this transfiguration aforetime,

52 In presence of 2 incarnated prophets namely, Moses and Elijah.

53 Where it is written and after 6 days Jesus taketh Peter, James and John, his brother,

54 And bringeth them up into a higher mountain apart and was transfigured before them.

55 And his face did shine as the sun. And his raiment was white as the light.

56 And behold there appeared unto them Moses and Elias talking with him.

57 Then answered Peter, and said unto Jesus:

58 Rabbi it is good for us to be here. So it's not the first time that Jesus was transfigured,

59 That is, his appearance changed in the presence of his disciples. In Greek they use Metamorphoo,

60 From whence comes the word to metamorphasize to alter the outward appearance.

61 After Yashua received assurance while in the second heaven that he would not taste the pain of death he descended back to the gardener's shed.

62 When one transcends and returns again, he always appears at the same location were he was originally.

63 Yashua was assured of his deliverance and was now ready to face what was to come. A'LYUN A'LYUN EL answered his prayers.

64 Unaware that he now looked like Yashua, Judas went in search of Yashua

65 In his search he saw a few of the disciples asleep in the garden and drew near to awaken them because he wanted to know the whereabouts of Yashua

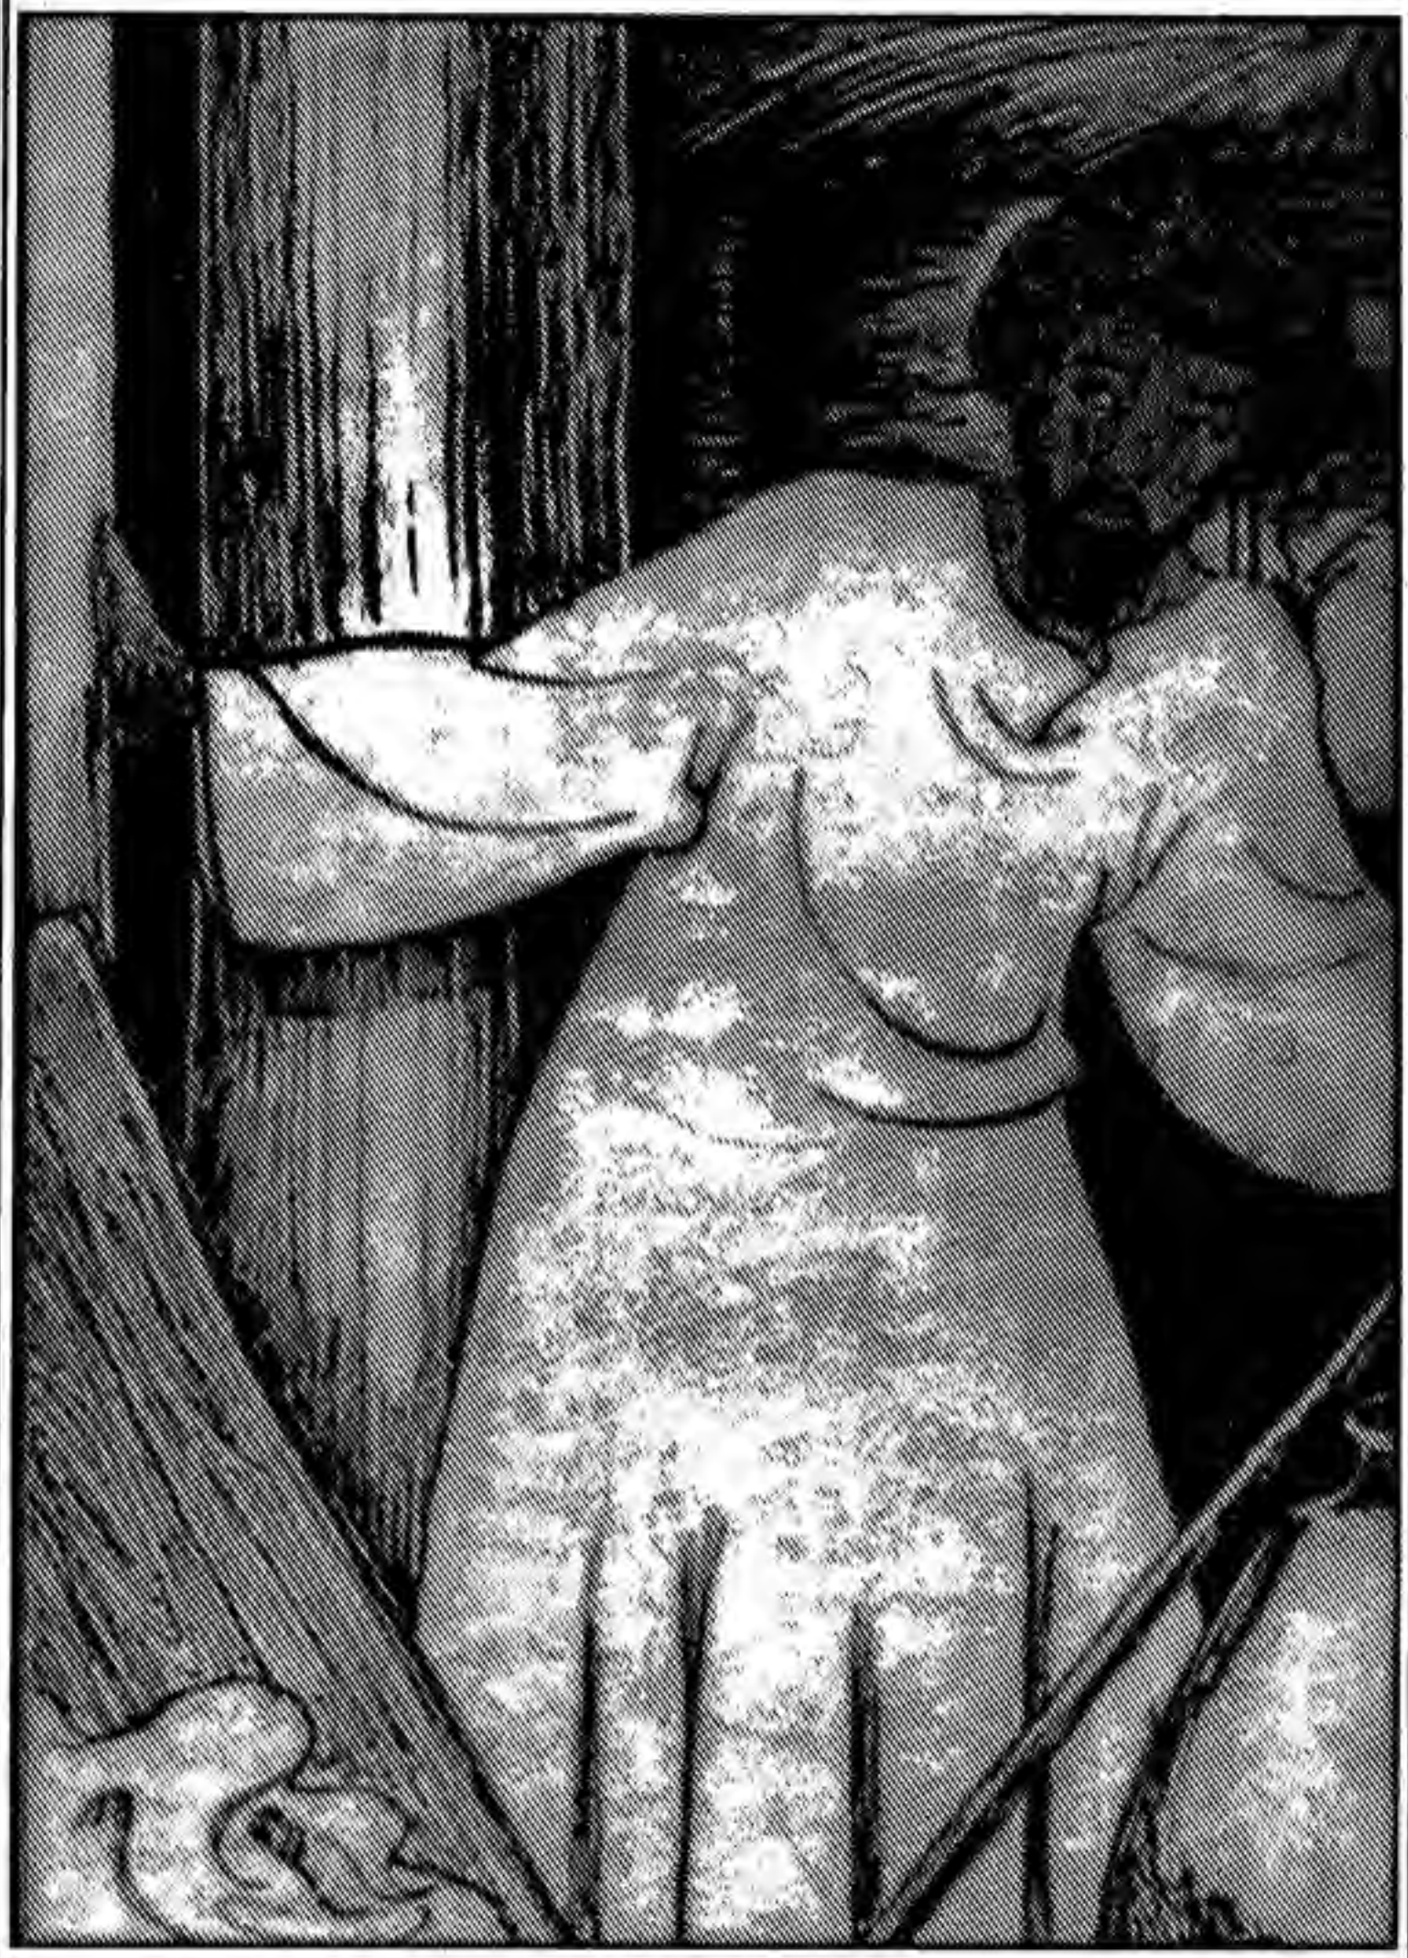

Figure 471
Judas Searching For Yashu'a

66 His questioning confused the disciples because he looked and sounded like Yashua, Jesus, for he to had been divinely transfigured to look exactly like Yashua.

67 With Judas stood, a band of men sent by the Sanhedrins bearing lanterns, torches and weapons to arrest Yashua.

68 Remember, they did not know what Yashua looked like, for they only heard rumors of him.

69 If they did, there would have been no reason for the kiss.

70 The soldiers sent from the Roman officials were a group who had pledged their loyalty to Yashua.

71 There were also amongst them Judahites and Pharisees who were also Yashua's secret disciples,

72 Because they bore witness to his teachings and the countless miracles he performed.

73 For he had healed the head of the Sanhedrin's dying child. For it is recorded:

74 When Jesus entered Capernaum, a Roman officer met him and begged for help:

75 "Sir, my servant is sick in bed at home, unable to move and suffering terribly."

76 "I will go and make him well, Jesus said."

77 Oh no, sir, answered the officer I do not deserve to have you come into my house.

78 Just give the order and my servant will get well.

79 I too am a man under the authority of superior officers and I have soldiers under me.

80 I ordered this one go, and he goes, and I order that one come and he comes,

81 And I order my slave do this and he does it.

82 When Jesus heard this he was surprised and said to the people following him,

83 I tell you, I have never found anyone in Israel with faith like this.

84 I assure you that many will come from the east and the west and sit down with Abraham, Isaac, and Jacob,

85 At the feast in the kingdom of heaven,

86 But those who should be in the kingdom, will be thrown out into the darkness, where they will cry and grind their teeth.

87 Then Jesus said to the officer, go home, and what you believe will be done for you, and the officer's servant was healed that very moment.

88 It was not a coincidence that his secret disciples were present for the supposed "arrest" of their master, Yashua.

89 The Roman and religious authorities of Jerusalem didn't know what Yashua looked like because he and his disciples had just arrived there from Bethany the day before.

90 Their only concern was to arrest Yashua because he performed miracles and was considered by the majority to be a sorcerer and false prophet,

91 Who blasphemed the name of Yahuwa, and broke the Sabbath.

92 The few soldiers that the authorities sent to arrest Yashua were depending on Judas to identify Yashua It was very dark to see.

93 Lanterns are not at all like street lights, they give off very little light They must be positioned near the face to be effective.

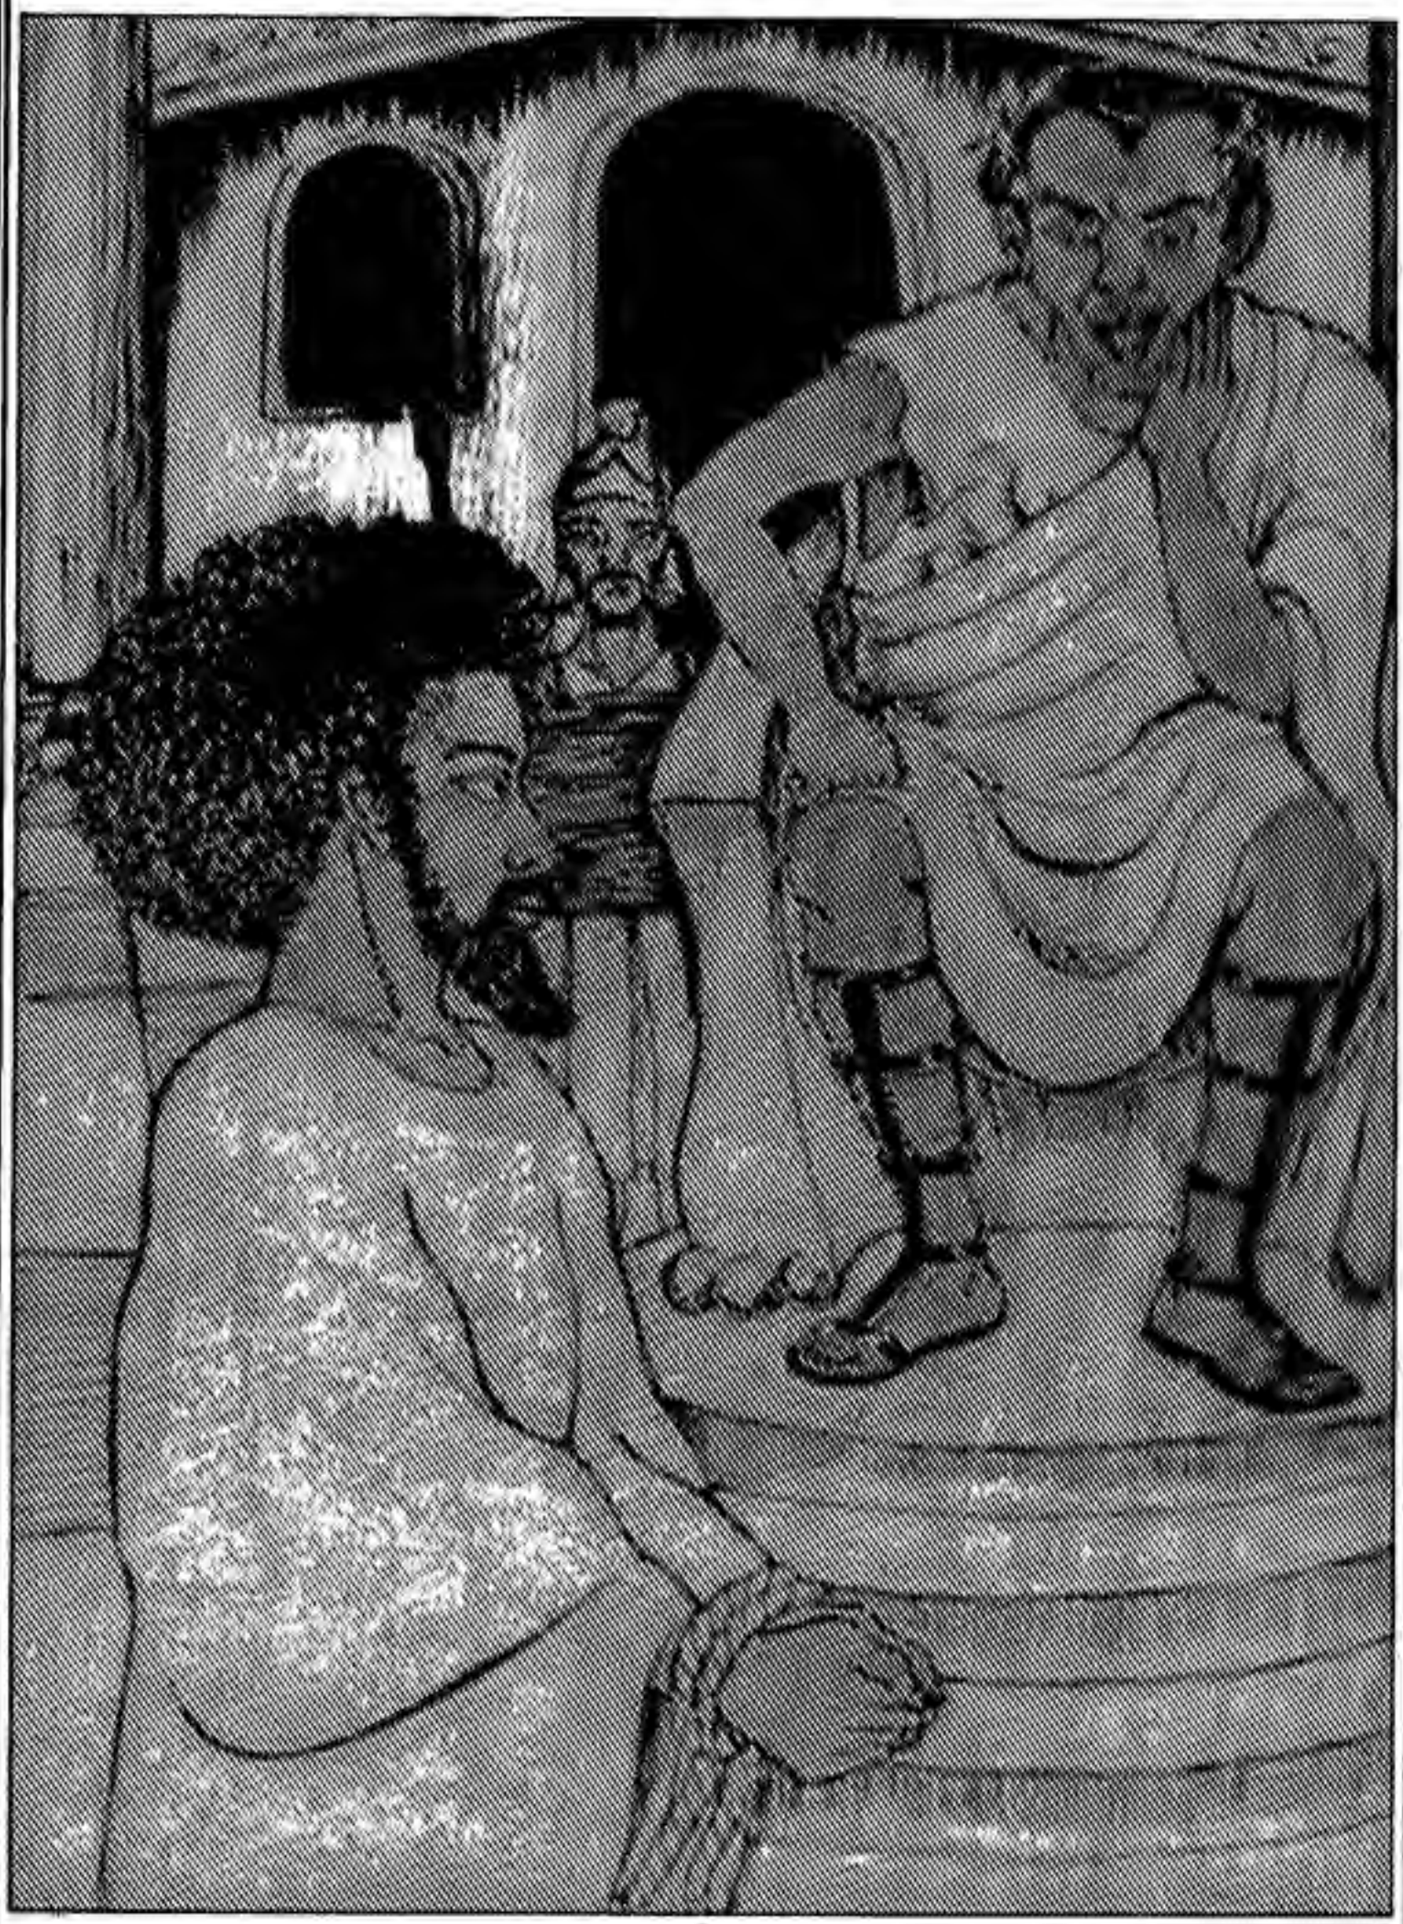

Figure 472
Judas Sent To Trial

Tablet 15:94 **Tablet 15:118**

94 After Judas' questioning of the disciples, Yashua knowing all things that should come upon him, he knew that he wouldn't die,

95 So he stopped running, and went forth in search of his disciples. Yashua's face was brightened with a very bright light as an indication of his ascension to the heavens.

96 As he drew near to the spot where the disciples were previously, Judas and the soldiers noticed him coming and approached him. Yashua said unto them: "whom seek ye?"

97 The soldiers answered him: "Yashua of Nazareth." Yashua said unto them: "I am he."

98 As soon as he said this, those soldiers closest to him stepped back in fear and as they turned to run away,

99 They awkwardly collided into the rest of the men, and thus fell to the ground, dropping their clubs and swords and torches.

100 Once again Yashua asked: "whom seek ye?" The soldiers, who are laying on the ground, answered him: Yashua of Nazareth."

101 Yashua then said: "I have told you that I am he; if therefore ye seek me, let these go their way."

102 Yashua was requesting that his disciples be free to go.

103 At this point Judas and the soldiers returned to their feet and Judas immediately ran up to Jesus and said:

104 Peace be upon you, and he kissed him,

105 And Yashua said: be quick about it my friend.

106 So they jumped to their feet with the intentions of arresting him.

107 In fear of the impending arrest, and in defense of Yashua,

108 His disciple Simon Peter drew his sword and cut off the ear of Malchus', the High Priest's servant.

109 Yashua by permission of A'LYUN A'LYUN EL picked up Malchus' ear and replaced it.

110 The High Priest was already a secret disciple of Yashua and after this miracle, Malchus was also converted.

111 Yashua instructed Peter to put away his sword because he had been assumed and strengthened by the Most High.

112 Once Yashua had done this, everyone in the garden realized that he was the prophesied messiah and became his followers.

113 During the last supper, Yashua told his disciples that one from amongst them would betray him, yet he never exposed his name because he knew the disciples would have killed Judas on the spot.

114 But now the disciples knew that Judas was the traitor. All of the soldiers turned to Judas because they no longer wanted to arrest Yashua.

115 His divinity was confirmed through his actions and Yashua had the appearance of a gardener and knew Judas had been transformed to resemble him and thus if brought in front of the authorities,

116 There would be no questions as to whether they had apprehended the right man.

117 Yashua fled towards the gardener's shed and at time the disciples fled also

118 While running, one of the soldiers grabbed hold of Yashua's robe, cloth he had draped around him, and he, continuing to run, left the robe behind and fled naked to the gardener's shed

Tablet 15:141

119 Yashua remained in the shed for three days and did not make himself public.

120 Cloaking himself in the gardener's own clothes.

121 Because as stated above, once the scuffle took place Yashua took the opportunity to flee from the garden into the gardener's shed.

122 The soldiers grabbed hold of Yashua robe, cloth he had draped around him, and he, continuing to run, left the robe behind and fled naked to the gardener's shed.

123 Yashua then disguised himself in the gardener's clothes and stayed in the shed for three days.

124 As the soldiers, who were really Yashua's secret disciples walked Judas off to prison he was protesting his innocence.

125 He believed that he was right and answered the Sanhedrin sarcastically and sometimes evasively.

126 Because of Judas' obstinate attitude, the high priest and guards literally "beat" Judas Iscariot into confessing that he was the ruler of the Judahites.

127 The following day the High Priest presented Judas to Pontius Pilate who could not find fault in him in spite of what the chief priests and elders accused him of doing.

128 Pilate's wife was told in a dream that the man they were persecuting was a just man.

129 Pilate did not want to have anything to do with the death of this just man thus he literally washed his hands of the situation.

130 Pilate sent Judas, who they thought was Yashua to Herod Antipas, whose jurisdiction was Galilee, Yashua's hometown.

131 A superstitious people are the Judahites.

132 They have a faith that they have borrowed from the idol worshippers of other lands that at the end of every year,

133 They may heap all their sins upon the head of some man set apart to bear their sins.

134 The man becomes a scapegoat for the multitudes; and they believe that when they drive him forth into the wilds, or into foreign lands they are released from sins.

135 So every spring before the feast they chose a prisoner from the prisons of the land, and by a form of their own, they fain, would make him bear their sins away.

136 Among the prisoners in Jerusalem were 3 who were the leaders of a vile, seditious hand, who had engaged in thefts and murders and raping, and had been sentenced to be crucified.

137 Barabas and Jezia were among the men who were to die and Barabas was rich and had bought off priests the boon to be the scapegoat for the people at the coming feast, and he was anxiously in waiting for his hour to come.

138 Now, Pilate thought to turn this superstition to account to save Yashua and so he went before the Judahites and said:

139 "You men of Israel, according to my custom, I will release to you today a prisoner who shall bear your sins away.

140 This man you drive into the wilds or in foreign lands, and you have asked me to release Barabas, who has been proven guilty of the murder of a score of men.

141 Now hear me men. Let Jesus be released and let Barabas pay his debt

Diagram118
Map Of Galilee

upon the cross:

142 Then you can send this Yashua to the wilds and hear no more of him."

143 At what the ruler said the people were enraged, and they began to plot to tear the Roman palace down and drive in exile Pilate and his household and his guards.

144 When Pilate was assured that civil war would follow if he heeded not to the wishes of the mob,

145 He took a bowl of water and in the presence of the multitude he washed his hands and said:

146 "This man whom you accuse is the Son of the Most High and I proclaim my innocence.

147 If you would shed his blood, his blood is on your hands and not mine."

148 And then the Judahites exclaimed:

149 "And let his blood be on our hands and on our children's hands."

150 And Pilate trembled like a leaf, in fear, Barabas he released, and as Yashua stood forth before the mob, the ruler said:

151 "Behold your Ruler! And would you put to death your ruler?"

152 The Judahites replied: "he is no Ruler: we have no Ruler but great Tiberius."

153 Now, Pilate would not give consent that Roman soldiers should put their hands in blood of innocence and so the chief priest and the Pharisees took council what to do with Yashua.

154 Caiaphas has said: "we cannot crucify this man. He must be stoned to death and nothing more."

155 And then the rabble said: "make haste! Let him be stoned." And then they led him forth toward the hill beyond the city's gates.

156 They rushed upon him, smote him with their hands, they spit upon him, stoned him and he fell upon the ground.

157 And one, a man of A'LYUN A'LYUN EL, stood forth and said: "Isaiah said, he shall be bruised for our transgressions and by his stripes we shall be healed."

158 As Judas laid all bruised and mangled on the ground, a high priest called out, "stay, stay, you men!

159 Behold the guards of Herod come and they will crucify this man."

160 And there beside the city's gates they found Barabas' cross and then the frenzied mob cried out, "Let him be crucified."

161 Caiaphas and the other ruling Judahites came forth and gave consent. And they lifted Judas, whom they thought to be Yashua from the ground and at the point of swords they drove him on.

162 They mocked him, dressing him in a robe of purple and gowned him with a woven wreath of thorns. Then laughing him to scorn, they hailed him as "Ruler of the Judahites."

163 The idea was to mock and shame him who they thought was the redeemer of Israel.

164 When Judas was told to carry his cross his father, Simon Iscariot having compassion for his son, asked to carry it for him but was denied. Judas was then led to a place called Golgotha, skull place, because the rock formation resemble a skull.

165 They placed his body on the cross, positioning his already weary arms on the horizontal log.

166 Tireless by their drive towards totally destroying and disgracing who

they thought was the Savior, they posted over his bowed head, "This is Jesus, Ruler of Judea."

167 The account of Judas' crucifixion was related by his supposed disciples yet, everything that the disciples wrote about their teacher, Yashua,

168 After the incident in the Garden of Gethsemane, for the hearsay and supposition, written after the fact.

169 Yashua stayed in hiding for 3 days after the fight in the garden. The Essenes who assisted Yashua after he was betrayed to be killed directed the bewildered souls to Galilee,

170 For there they would find Yashua alive and well. As they rushed away from the grave, they bumped into Yashua himself,

171 And he told them to seek out his disciples and tell them to meet in the city of Galilee. It was also the Essenes who helped him get out of the immediate area. This was all part of the plot. Remember, Yashua had many secret disciples.

Tablet Sixteen
Only A Wife Can Wash A Male's Dead Body
(19 x 7= 133)

Lo! It was the first day of the week early on Sunday daylight hours while it was still dark, Mary Magdalene went to the tomb and saw that the stone had been taken away from the entrance.

2 For Mary was one that did not know that Yashua was not crucified and it's recorded this way:

3 For as yet they knew not the scripture, that he must raise again from the dead.

4 So as a wife would do, because his followers were not allow to go near him during the incident, why it is recorded:

5 And all his acquaintance and the woman that followed him from Galilee stood afar off beholding these things.

6 Speaking of the crucifixion, they were not allowed to come close enough to see.

7 And if they were, they would have saw the transfigured Judas that looked exactly like Jesus on the cross.

8 So they wished for those who were acquainted with him not to get close enough to speak with him.

9 For his voice would have been the voice of Judas with the face of Jesus.

10 So early on Sunday during the daylight hour, Mary went running to Simon, Peter and the other disciples, Barnabas whom Jesus loved and told them they have taken the Rabboni from the tomb.

11 And we don't know where they put him.

12 For Mary came prepared with spices for to wash the body of her husband, which was the custom of Judaism.

13 If she was not his wife, in no way would she have been allowed under the law of Moses, which they followed, to see or wash his nude dead body.

14 However, Joseph of Arimathaea and Nicodemus, secret disciples of Yashua had requested the body of Judas whom all thought was Jesus.

15 After this Joseph who was from the town of Arimathaea asked Pilate if he could take Jesus's body.

16 Pilate told him, he could have the body,

17 So Joseph went and took it away,

18 Nicodemus, who at first had gone to see Jesus at shadow hour,

Figure 474
Joseph Of Arimathea Goes To Pilate

19 Went with Joseph, taking with him about thirty kilograms of spices, a mixture of myrrh and aloes.

20 The two men took Judas's body, who they thought to be Jesus and wrapped it in linen.

21 With the spices according to the Judaic custom of preparing a body for burial.

22 With a garden in the place where Judas had been put to death, and in it there was a new tomb where no one had ever been buried, since it was the day before the sabbath, and because the tomb was close by, they buried Judas' body there.

23 So it was necessary for the body of Judas to be removed before those who did not know the full plot got there and found the retransfigured body of Judas.

24 For at death the spiritual transformation would have returned to its natural appearance.

25 So they removed the body, took it to a tree and hung it for all to see.

26 Thus, the story was made.

27 An impossible story if it was supposedly Judas' own words, of how he went back to the priest in regret alone.

28 And cast back the ransom money before them alone, then went and found a rope and a tree and hung himself alone and was dead.

29 Then who recorded these step by step incidents conducted alone?

30 This story was created by the secret disciples of Yashua. It is recorded:

31 Then Judas, which had betrayed when he saw that he was condemned repented himself,

32 And brought again the 30 pieces of silver to the chief priest, and elders saying:

33 I have sinned in that, I have betrayed the innocent blood.

34 And they said, what is that to us?

35 See you to that.

36 And he cast the pieces of silver in the temple, and departed and went and hung himself.

37 And the chief priest took the silver pieces and said it is not lawful for to put them into the treasury because it is the price of blood.

38 And for all to see, they hung his body on a tree.

39 But must remove it so that the wounds from the spikes through his wrist and feet and the stab in his sides and the scars from the crown of thorns,

40 And the welps and bruises from the beatings of the soldiers would not be easily detected.

41 And this is what their scripture says was done.

42 Now this man purchased a field with the reward of iniquity.

43 And fallen head long, he burst asunder in the midst and all his bowels gushed out.

44 They had to throw his body over a cliff in order to disfigure it beyond examination to complete the plot.

45 Now with all believing that the trouble maker had been crucified and died,

46 And entombed, they sent 2 Essenes gowned in white to wait within the tomb for questions.

47 Mary of Magdalene, early that daylight hour went to the tomb and was surprised to find the stone removed and the body of Yashua no where to be found.

48 Mary stood crying outside the tomb.

49 While she was still crying she bent

over and looked inside the tomb and saw two angels there dressed in white, sitting where the body of Jesus had been.

50 One at the head and the other at the feet.

51 These Essenes whom she thought were angels gowned in white said:

52 Why are you crying?

53 She answered:

54 They have taken my master away.

55 And I do not know where they have taken him, she said as she turned to walk away.

56 And when she had thus turned herself back and saw Yashua standing and knew not that it was Yashua. Yashua said unto her:

57 Goonay, "wife, woman," why weepest you?

58 Whom seeketh you?

59 She supposing him to be the gardener for he was dressed in the clothes of the gardener.

60 Said unto him master, if you have born him hence, tell me where you has laid him.

61 And I will take him away.

62 Only a wife would have the authority to remove the body of a male.

63 Yashua said unto her:

64 Mary, she turned herself and said unto him, Rabboni, which is to say master.

65 Yashua said unto her:

66 Touch me not, for I am not yet ascended to my father:

67 But go to my brethren and say unto them I ascended unto my father,

68 And your father; and to A'LYUN A'LYUN EL, and your A'LYUN A'LYUN EL.

69 And now Mary of Magdalene was full of joy to find that her teacher, and master husband was alive and well,

70 But she was ordered to continue the plot with the statement:

71 For I have not ascended yet, to my father, which would mean died,

72 But go and tell the disciple that I did.

73 For he knew, that had the enemies found him, though he was not dead, they would for a surety seek him out to kill him.

74 For his appearance would imply that he came back from the dead.

75 And many believed and teach through Paul, that he came back from the dead or ascended from the cross,

76 Which would have, and always made him a spiritual being and as such would have no need for earthly food,

77 Could not hunger, could not thirst, but would be like unto angels.

78 Shy of the desires of this physical world.

79 And could have reappeared, in the public for all to see,

80 For it was written, it is appointed to man once to die and after this the judgment.

81 And if this be true and it is, according to their scripture,

82 Then sickness, disease, starvation, nor weapon, nor hand of man, nor claw of beast, could have killed him a second.

83 He could have walked freely in public and confirmed his divinity, if he was not yet still mortal in flesh.

84 So Mary of Magdalene returned home to prepare for his return and went to a upper room where the disciples stayed hiding behind locked doors for fear of their lives.

85 So it is written Mary of Magdalene came and told the disciples that she had seen the teacher.

Tablet 16:86

86 And that he had spoken these things unto her and that he would come and visit them by shadow hour when it was safe.

87 Thus it is written then, the same at dusk period, being the first day of the week,

88 When the doors were shut, where the disciples were assembled for fear of the Judahites,

89 Yashua came and stood in the midst and said unto them Al Salaamu Alaykum, peace be upon you. And when he had so said he showed unto them his hands and his side.

90 Then were the disciples glad when they saw the teacher.

91 Then said Yashua to them again Al Salaamu Alaykum, peace be upon you, as my father has sent me even so, I send you.

92 And when he had said this, he breathed on them and said unto them received the holy soul.

93 Yet, Thomas one of the twelve disciples called Didymus, who was originally one of the followers of Jesus called Justus,

94 Whose name was Cleophas son of Mark Anthony and Cleopatra, this one made himself out to be a savior also.

95 So this Thomas was not with them when Yashua came.

96 The other disciples therefore said unto him.

97 We have seen the teacher,

98 But he said, as a doubter accept I shall see in his hands the print of nails,

99 And put my finger into the print of the nails, and thrust my hand into his side, I will not believe.

100 And it is recorded that Yashua said:

101 Have you here any meat?

Tablet 16:118

102 They gave him a piece of broiled fish and a honey comb.

103 And he took and did eat before them.

104 Think on this: spirits or resurrected bodies need not eat.

105 That is, the dead don't eat for they don't need nourishment which is the sole purpose for eating.

106 Now eight full days have passed,

107 And Yashua was home with his wife recovering from the wounds of the fight in the garden.

108 And after the eight days, again his disciples were within and Thomas with them.

109 Then came Yashua, the doors being shut,

110 And stood in the midst and said Al Salaamu Alaykum, peace be upon you.

111 Then said he to Thomas, reach hither your finger and behold my hand and reach hither your hand,

112 And ballo, which does not mean "thrust" but "lay", "ice" which does not mean into, as in a hole, but onto, toward and against, my side and be not faithless but believing.

113 And Thomas answered and said unto him, my Rabboni and my Aluhum,

114 Yashua said unto him: Thomas because you has seen me, you has believed.

115 Blessed are they that have not seen and yet have believed.

116 And many other signs truly do Jesus in the presence of his disciples, which are not written in this book.

117 But these are written that ye might believe,

118 That Yashua, the Messiah, ibn A'LYUN A'LYUN EL.

119 And in like manner, in compliance with his human nature and his physical state,

120 It was clear by the meaning of the words and not the poor translation that he did have scars.

121 But as time has proven no full grown man's body could be suspended by spikes through the hand for the weight of it would rip the hand and the carcass would fall to the ground.

122 However, as in the case of Judas, nails in the forms of spikes, through the wrist could maintain the weight

123 But in accordance to mistranslation and error, Thomas uses the word khire, which means "hand" not wrist

124 It is a clear error, or an intentional deception.

125 For this great one Yashua never was crucified, nor did he die on the cross.

126 And the so called Judahites saying:

127 Surely we have killed the anointed, the Messiah Yashua.

128 And they never killed him, nor did they ever crucify him.

129 But it was made to look that way for them.

130 Surely those who dispute this matter are in doubt about it.

131 The don't have any knowledge about it, except that they follow only conjecture.

132 And for certain they did not kill him.

133 However, The Source El Eloh raised him, Yashua up towards himself and the Source is the Mighty, the Wise.

Tablet 17:15

Tablet Seventeen
And Who Is This Cleophas
(19 x 6= 114)

Lo! This Cleophas was the son of the Egyptian Cleopatra and the Roman deity called Marcus Antonius, simply Mark Anthony.

2 Cleophas was conceived illegitimately at one of the orgy parties of Herod the Great.

3 This party was attended by Cleopatra, which means "of a noble father" and Marcus Antonius.

4 Their union caused much controversy because Mark Anthony was a Roman dignitary,

5 Who at that time was considered divine in the triune of deities like Caesar.

6 According to Roman law, it was against the law for a Roman dignitary to have sex with women other than Roman.

7 However, when Mark Anthony saw Cleopatra at the party, he wanted her.

8 They copulated and Cleopatra became pregnant and a child was born December 25, one A.D.

9 The baby's birth had to be kept secret in Rome and in Egypt.

10 This was done with the help of Herod the Great, a good friend of Mark Anthony.

11 In reality, Herod had 9 wives but he put on record that he had 10.

12 Thus he added Cleopatra's name onto his other wives, because many people saw the party list with that name.

13 And even though Mark Anthony later married Cleopatra, 14 Their union was not recognized by the Romans nor the Egyptians.

15 This means that any children

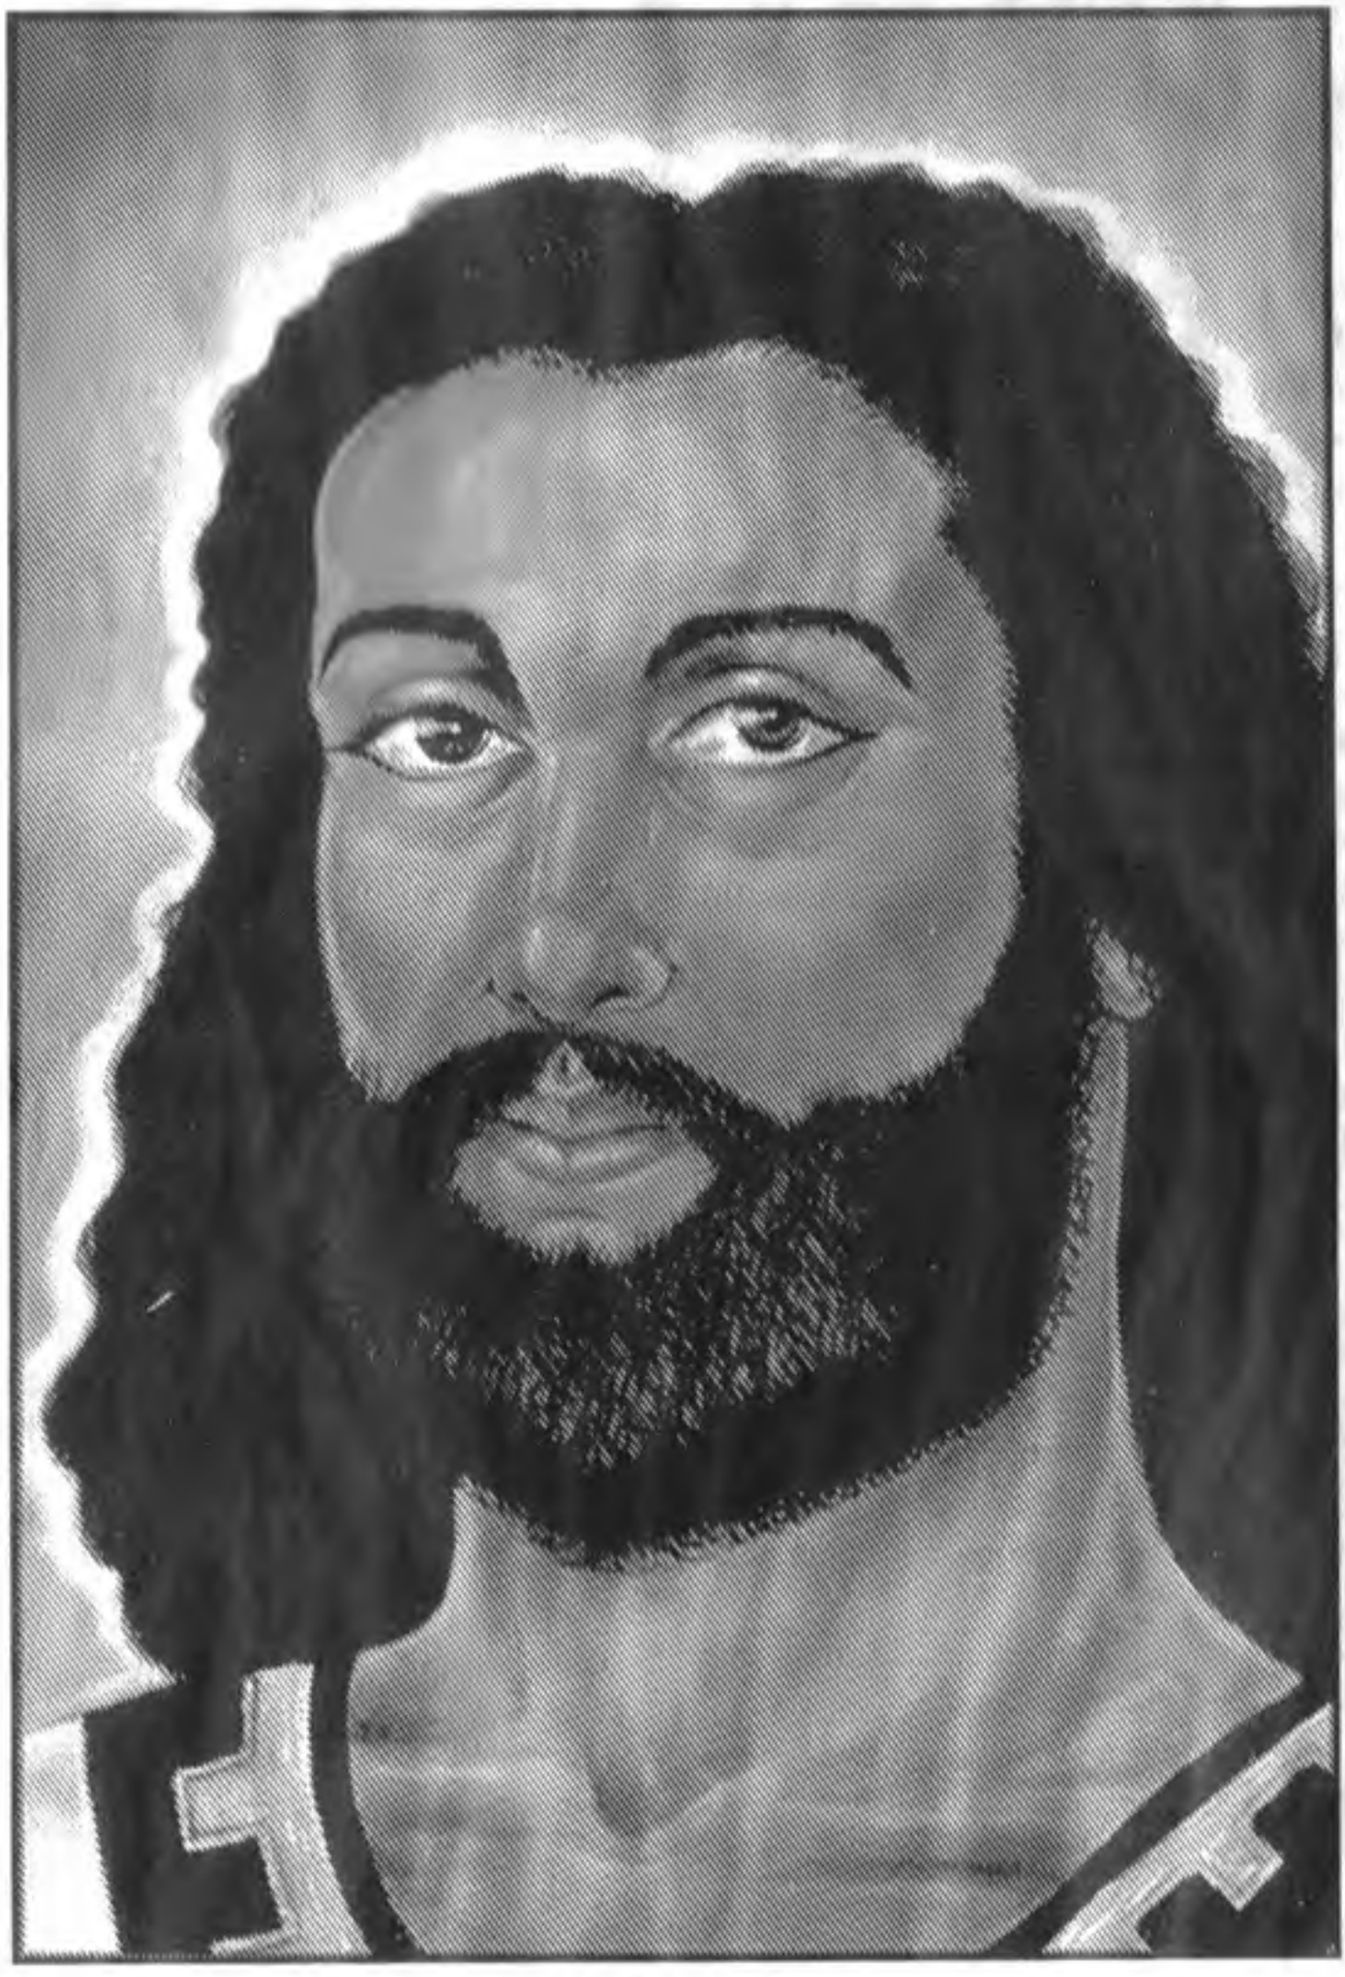

Figure 477
Cleophas, Son Of Cleopatra And Mark Anthony

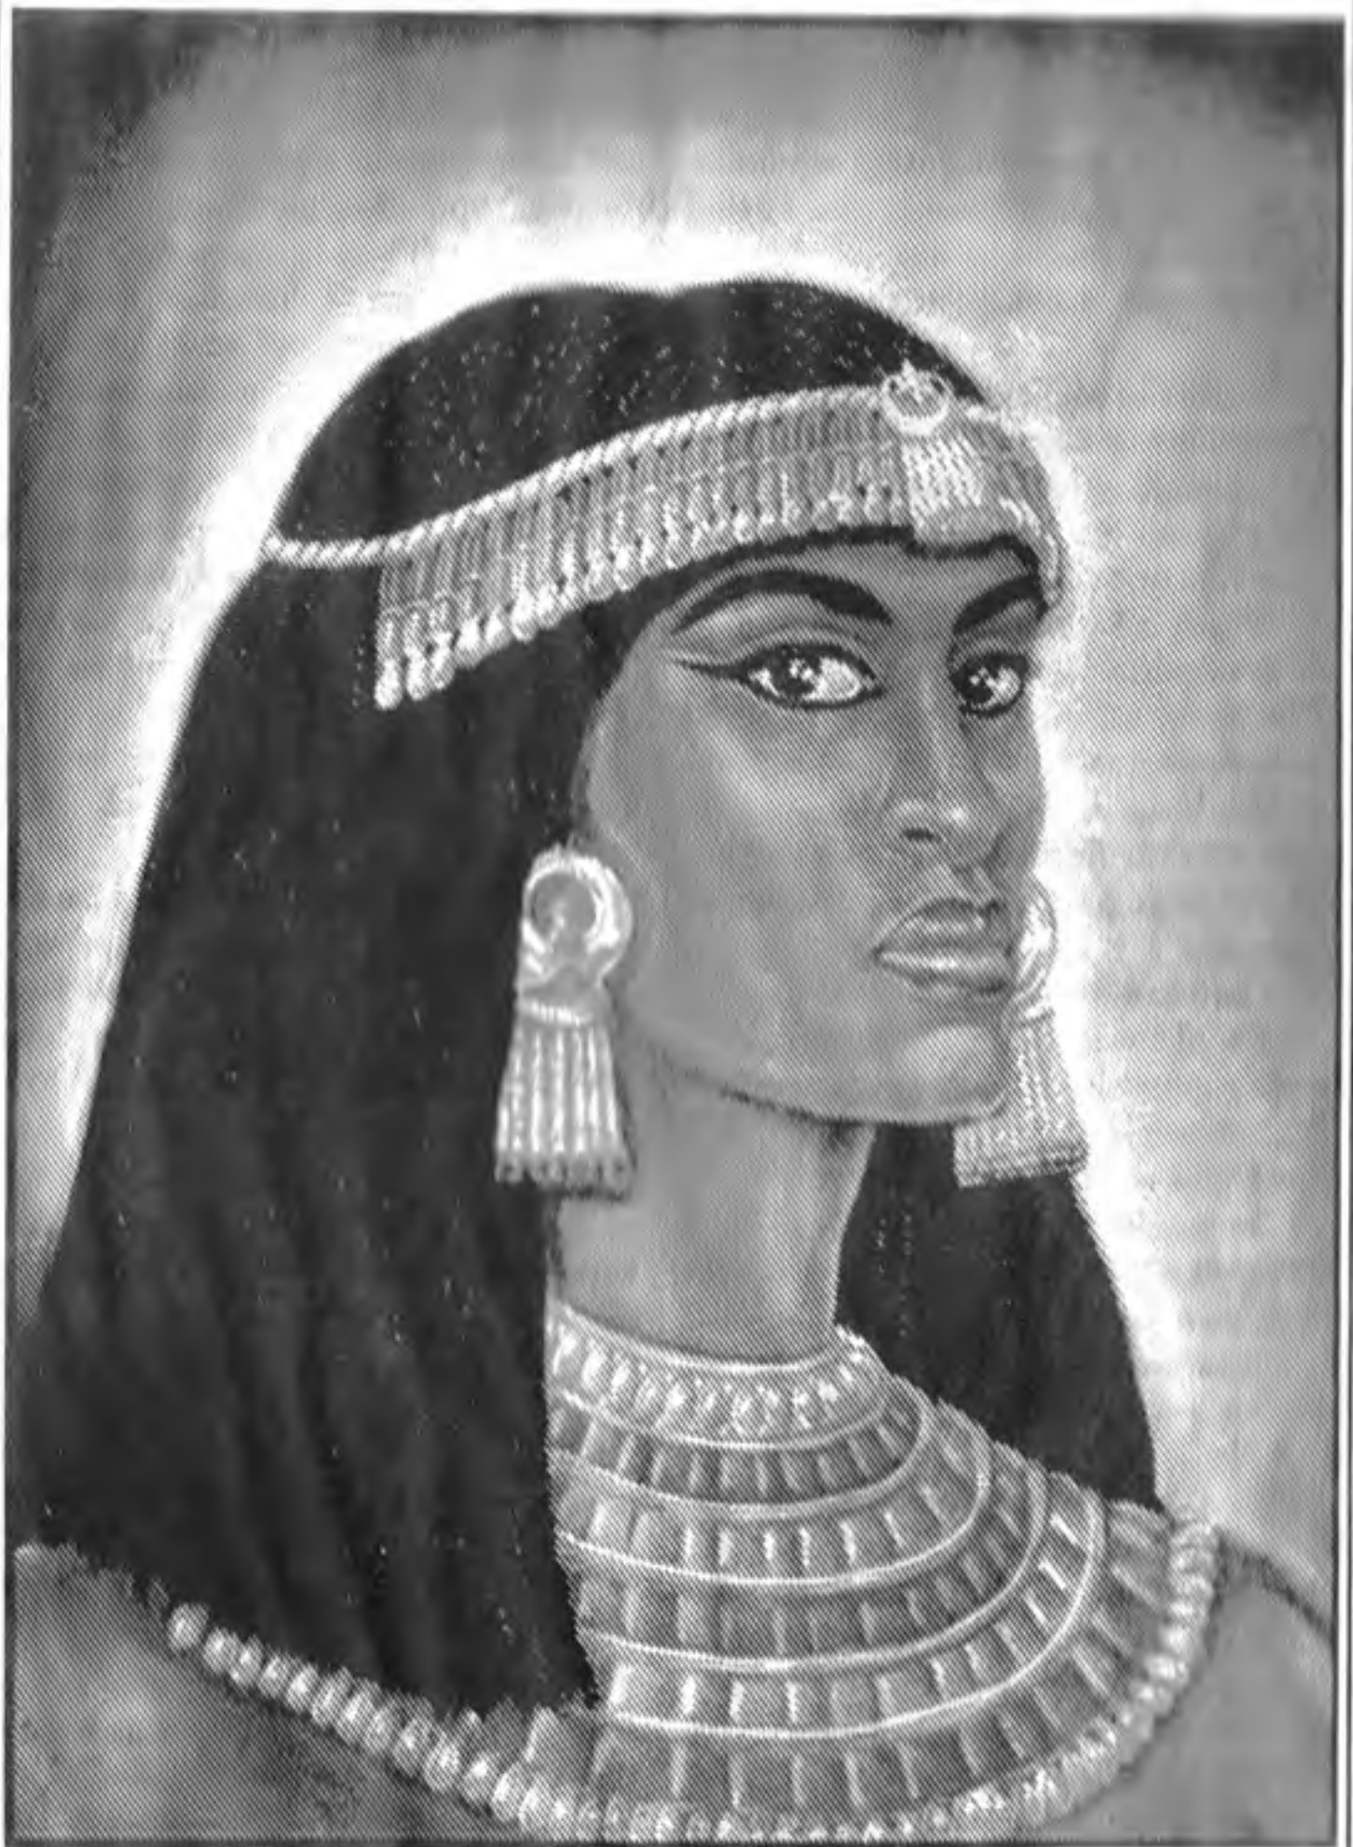

Figure 478
Cleopatra, Mother Of Cleophas

conceived of this relationship would be illegitimate and regarded as being fatherless.

16 Cleopatra was under the Cat God Bast,

17 Mother of Mahes,

18 Goddess of Life,

19 Fruitfulness and of cats.

20 So you get the Roman Catholic Church,

21 Which is Roman, Cat, and Holistic,

22 Symbolic of the Sphinx.

23 Which is a cat man with a face of a Pharaoh on it,

24 And the body of the lion which symbolize the Egyptian lion of Judah.

25 The immigration law was broken by Cleopatra.

26 They had immigration laws.

27 People were not allowed to come into Egypt without being announced.

28 And when you came in, you had to present things to the deities,

29 Or you had to be a deity.

30 If you were a deity of your own land, then the pharaoh allowed you to sit in his court,

31 But a normal couldn't do that. He'd get killed,

32 Or they come through and take all the wives, kill the men, and throw them into Egypt, and marry them off.

33 Mark Anthony got in because he was deity to the Romans and he married an Egyptian woman who was of nobility.

34 This was against the law.

35 The Romans saw the Egyptians as mortal people,

36 And the Egyptians saw the Romans as mortal people.

37 So when Cleophas was born, he was suppose to come to the throne, at age thirteen.

38 In Egypt, when a young Pharaoh in the royal house became of age to become the Pharaoh, it was 13 years old.

39 And the priest had him recite his family lineage, and some of the rituals,

40 And then he would ascend the throne.

41 However, the whole ordeal of his birth disturbed him because he was half Egyptian, and the son of a Roman deity.

42 Thus, the son of "God" and the Egyptians refused to let him take the throne in Egypt.

43 Cleophas not being accepted in either land, being half Egyptian and half Roman,

44 Cleophas left Egypt at 13 years of age, traveled to India and through Israel then back to Egypt and died in India at the age of seventy and one.

45 He is the Jesus that is buried in the tomb of Kishmir in India.

46 Twenty and one references in ancient texts have been found that bear witness of that Jesus called Cleophas stayed in Kishmir.

47 The name Aish Muqam refers to Jesus.

48 The word Aish is derived from Isha or Issa and Muqam means "place of rest or repose."

49 Yuz Asaf was another name that was used to refer to Jesus.

50 Evidence of a man called Jesus staying in India can be seen by the simple names of many towns and places in Kishmir:

51 Aish Muqam, Arya-Issa, Issa-Brari, Issa-Eil

52 Issah-Kush, Issa-Mati, Issa-Ta, I-Yes-Issa

53 I-Yes-Th-Issa-Vara, Kal-Issa, Ram-Issa, Yus-Mangala

54 Yus-Marg, Yusnag, Yusu, Yuzu-Dha, Yuzu-Dhara

55 Yuzu-Gam, Yuzu-Hatpura, Yuzu-Kun, Yuzu-Maidan

56 Yuzu-Para, Yuzu-Raja, Yuzu-Varman.

57 At the time when Cleophas lived in Kishmir, the "happy valley", was the center of a great religious, cultural, intellectual,

58 And political revival.

59 The Kingdom of Kishmir was the center of the enormous Indo-Scythian Empire,

60 And was ruled by the great King Kanishka I, from 78 through 103 A.D. of the Kushan Dynasty.

61 After his return to Jerusalem from India well versed in the spiritual teachings,

62 Vindictive, so he launched the first Evangelist teachings and went out to teach this "Gospel,"

63 Or Ghost Spell.

64 He went out teaching the Phoenician people that he was the "King" of the Judahites and the Greeks, and "God" of the Romans.

65 Thus, he became known as another Christ,

66 And he taught under the name Jesus, as is recorded in their scripture of him we find:

67 And Jesus which is called Justus, who art of the circumcision these only are my fellow workers.

68 Unto the kingdom of Thehos, which have been a comfort unto me.

69 He gained few followers,

70 Was persecuted and laughed at,

71 For he paraded around proclaiming to be the son of god,

72 Teaching Hindu mysticism and astrology,

73 His doctrine, Simon bar Jesus's doctrine and the real Yashua's doctrine got combined together to form present day Christianity.

74 He went insane.

75 He went traveling throughout India and teaching and healing in the name of Yashua Ha Mashiakh.

76 And there he was referred to as "Saint Isa."

77 When Saint Isa or Cleophas was 26 years old he returned back to Palestine,

78 And lived in the wilderness until age twenty and nine.

79 He then traveled back into India where he died at age 71 and was buried in a tomb in Kishmir, India.

80 As you can see there was more than one man in that
day and time professing to be Christ and even using the very name Jesus.

81 There are three mentioned in their New Testament:

82 And 16 others called the 16 crucified Christs, they are:

83 Krishna, of India, 1200 B.C.,

84 Sakia of Hindu, 600 B.C.,

85 Thammuz of Syria, 1160 B.C.,

86 Watoba of Telendanese, 552 B.C.,

87 Ioa of Nepal, 622 B.C.,

88 Jesus of the Keltic Druids 834 B.C.,

89 Quetzalcoatl of Mexico, 587 B.C.,

90 Quinos of Rome, 56 B.C.,

91 Prometheus of Greece, 547 B.C.,

92 Thules of Egypt, 1700 B.C.,

93 Indra of Tibet, 725 B.C.,

106 Azqisis of Zisippothese, 600 B.C.,

107 Attis of Phyrgia, 1177 B.C.,

108 Crete of Chaldean, 1200 B.C.,

109 Bali of Corsia, 725 B.C.,

110 Maitreya of Persia, 600 B.C.,

111 All of these were Christ to those

who followed them. The answer to all their questions, their pathway to heaven all were called sons of god, and had a blessed mother and can remove the sins from the world

112 If one wants to know the truth, they must study past and present. You must open your mind and your heart and research if you don't wish to be misled.

113 Yet, the Jesus of the Bible is the most impressionable individual of this day and time. And his life is laced in much controversy, not to mention fabrications, alterations and distortions, with the sole purpose of misleading.

114 Within these pages you will find facts beyond doubt which can become your own facts by simply researching. Others are divinely inspired.

Tablet Eighteen
The Final Journey Of Yashua
(19 x 4=76)

Lo! After Yashua was supposedly crucified, he disguised himself and continued the rest of his travels with Martha and Mary his two wives.

2 As we know, Yashua the Messiah was originally sent to gather the Lost Tribe of Judah only.

3 His travels took him all through India and Persia, tracing out the Wisemen or Essenes and then back to the land of Nazareth.

4 Yashua, the Messiah had previously made an appointment with Gasper,

5 One of the Wisemen whom he had met while in Persia and would meet again in Egypt at the Giza Pyramids,

6 At an annual meeting where all the Sufi and Mystics attended. Yashua Ha Mashiakh visited Nubia several times where his family eventually settled.

7 In this sense, he was constantly on the run from people trying to harm them.

8 Yashua had been given a camel and was about to leave Palestine, and he had to leave his mother and disciples behind.

9 After his supposed crucifixion, the only one he had encountered the next day was Mary Magdalene, and she didn't recognize him because of the disguise Yashua was in.

10 It was when she went to the tomb, that she realized who he actually was.

11 Before he left her, Mary Magdalene was told to inform the people that he had risen.

12 Yashua had told her not to touch him or embrace him, and do not be overjoyed because the events were not over yet.

13 In other words, don't go celebrating, telling people that he was alive.

14 The garden in which Yashua has supposedly laid, it is very important because it was turned into a tomb in which the body of Judas was lain.

15 This garden was to be a special place; it was owned by Joseph of Arimathaea, who was saving it for something really important, like the body of Yashua.

16 They were to bring his body there but in reality it was Judas' body lying there,

17 Whom they were to transfer to India in a short while, a journey that never took place,

18 For many angered followers of Yashua sought throughout the town to find the betrayer Judas,

19 In hopes to stone him to death. Thus, Nicodemus and Joseph of Arimathaea had to move very quickly

with their plot of what to do with the body of Judas.

20 First hanging it on a tree for all to see,

21 And then disposing of it by throwing it off a cliff,

22 That it burst asunder. And this is how the story goes.

23 Judas bar Simon, called Judas Iscariot realized on the cross that he was playing the role of the Messiah Yashua.

24 He had no choice but to act that part because he was transformed to look like the Messiah Yashua.

25 And everyone knew without a doubt that he was the Yashua regardless of his refuting who he was.

26 Joseph of Arimathaea, one of Yashua's secret disciples, knew that it was Judas on the cross,

27 And feared that the other devoted followers of Yashua might recognize that it was Judas;

28 And not Yashua on the cross; because he had transformed back into himself.

29 Knowing that they were searching everywhere for Judas so that they could kill him for betraying Yashua.

30 And after this Joseph of Arimathaea, being a disciple of Yashua,

31 But secretly for fear of the Judahites, besought Pilate that he might take away the body of Judas,

32 In the time of Yashua was the Order of the Essenes, which constituted the last remnants of those brotherhoods of prophets.

33 The Essenes, then known as the Sons of Light, were a sacred community established on an Ancient wisdom that embodied messianism, prophecy, ecstatic visions, astrology and mysteries.

34 The tyranny of the masters of Palestine, along with jealousy of an ambitious and vile priesthoods had pushed them into retreat and silence.

35 They no longer fought as did their ancestors;

36 They became gratified in preserving their tradition.

37 And had two main centers. One in Egypt beside lake Maoris, the other in Palestine at Engaddi, beside the Dead Sea.

38 According to tradition Joseph of Arithmathaea, the uncle of Yashua,

39 Was associated with the Essene Order. As were Joseph, son of Hasbidh and Mary, daughter of Amram.

40 Jesus was an Essene who was infused with Essene Ethics.

41 Joseph of Arimathaea, a wealthy and devout Israelite, who was a member of the Sanhedrins,

42 The high council of the Judahites and held a high office.

43 Being a secret follower of Jesus, Joseph wished to prevent the body of Judas from hanging on the cross overnight.

44 So he went boldly to Pilate after the crucifixion and asked for the body of Judas, who Pilate thought was Jesus.

45 And told him that he wished to lay it in his own new tomb, he had secured for him,

46 Which had been cut out of the rock in Golgotha,

47 Thereby offending Moses which allowed only a disgraceful burial to be executed.

48 Yet, it was common for friends of the crucified to purchase their bodies,

49 Which would otherwise have been cast out and refused, a prey to carrion birds and beasts,

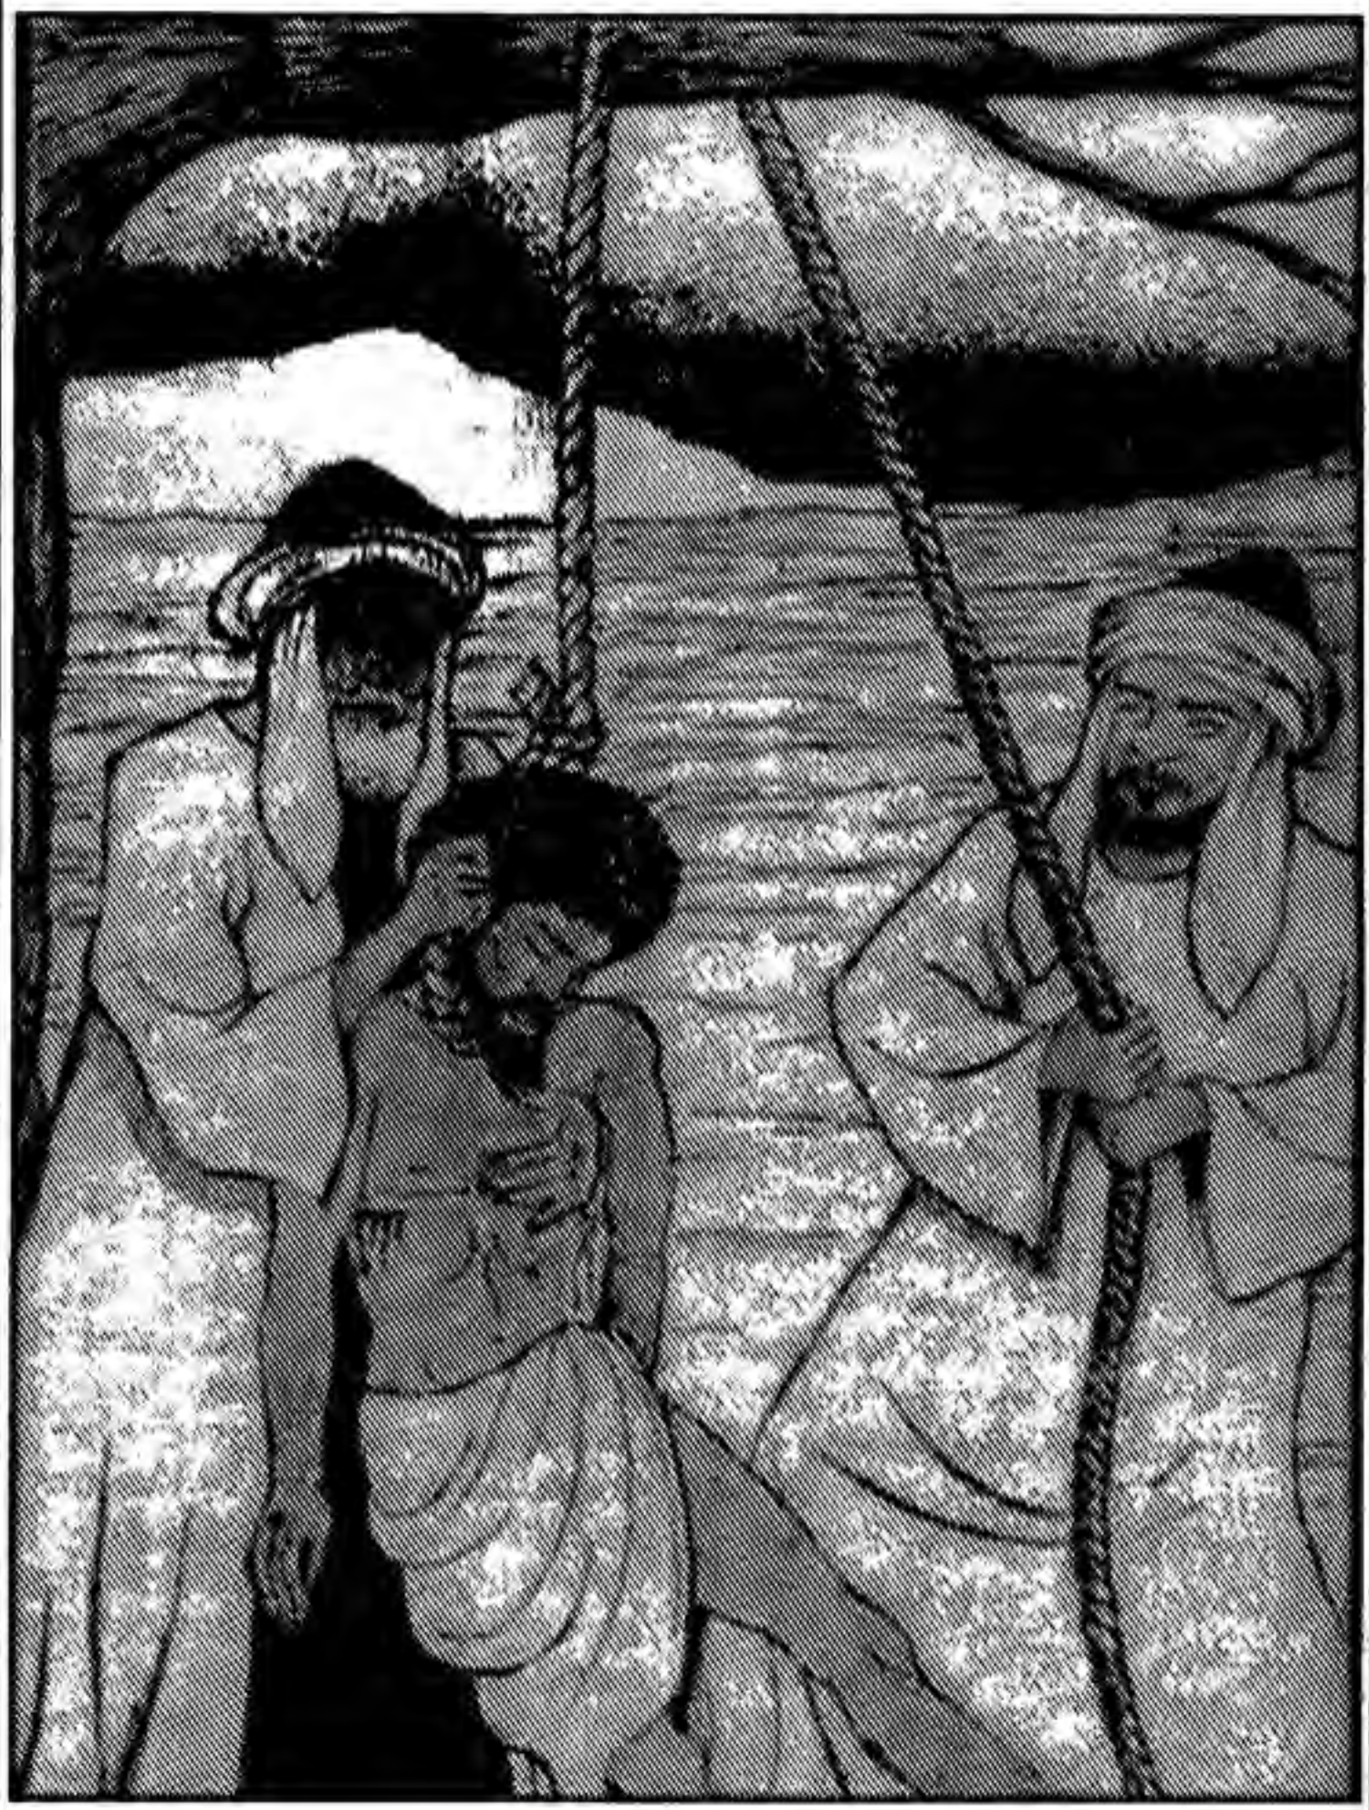

Figure 479
Joseph Of Arimathea And Nicodemus Hanging Judas On A Tree

50 And give them a decent burial.

51 And Joseph would offer Pilate his price,

52 In any case, he obtained the body.

53 And Pilate gave him leave. And he Joseph came therefore, and took the body of Judas away with the help of another.

54 That being Nicodemus another one of Yashua's secret disciples and a Pharisee.

55 They took the body of Judas Iscariot off the cross, and stuffed all the sores with spices, and hung it on a tree for all the people to see, so that all the people would assume that Judas had hung himself.

56 That same shadow how they took the body of Judas down from the tree and anointed it with about a hundred pounds of oils of myrrh and aloe,

57 And put the body in the tomb.

58 Because of Judas' repentance, the Almighty, Enqi, the Anunnagi, Aluhum of Death by permission of ANU, The Most High, A'LYUN A'LYUN EL, snatched his soul.

59 And the snatching of this soul left its impression through the cloth,

60 The Essenes came and they were made to move the tomb and take the body out.

61 Two Essenes were left to answer questions,

62 About what was to happen.

63 Nicodemus and Joseph of Arimathaea gave the body to the masses of people who hated Judas,

64 And these people started destroying the body, beating on it. And they threw the body off of a cliff, so that it may burst asunder.

65 In a matter of hours everyone thought Yashua was dead.

66 No one questioned the body being thrown off a cliff,

67 The story of Judas and Yashua being dead was perfect.

68 And the plot of the Essenes worked perfectly. The Essenes set up this plot to overthrow the rulers.

69 The story of the resurrection went far and became popular and gave the Essenes more power.

70 This angered the Judahites. And they set out to massacre the Essenes, this is the story of the Massada.

71 However, rather than being massacred or being killed by the Judahites, the Essenes all committed suicide.

72 But before they committed their suicide, they took their tablets, wrapped them up, and buried them in a cave in jars,

73 Only to be discovered in 1947 A.D. known as the Dead Sea Scrolls, or the Qumran Tablets.

74 When Yashua was walking with two men of Emmaus, they did not recognize him because of his disguise. They asked him; "are you a stranger in Jerusalem?"

75 However, when they did realize who he was, for he had sat down to a meal and broke bread with them, he vanished from their sight.

76 Yashua couldn't take the chance of anybody going and telling that he was alive and of his whereabouts.

Tablet Nineteen
Eight Days
(19x6=114)

Lo! These things have been written in order that you may have faith that

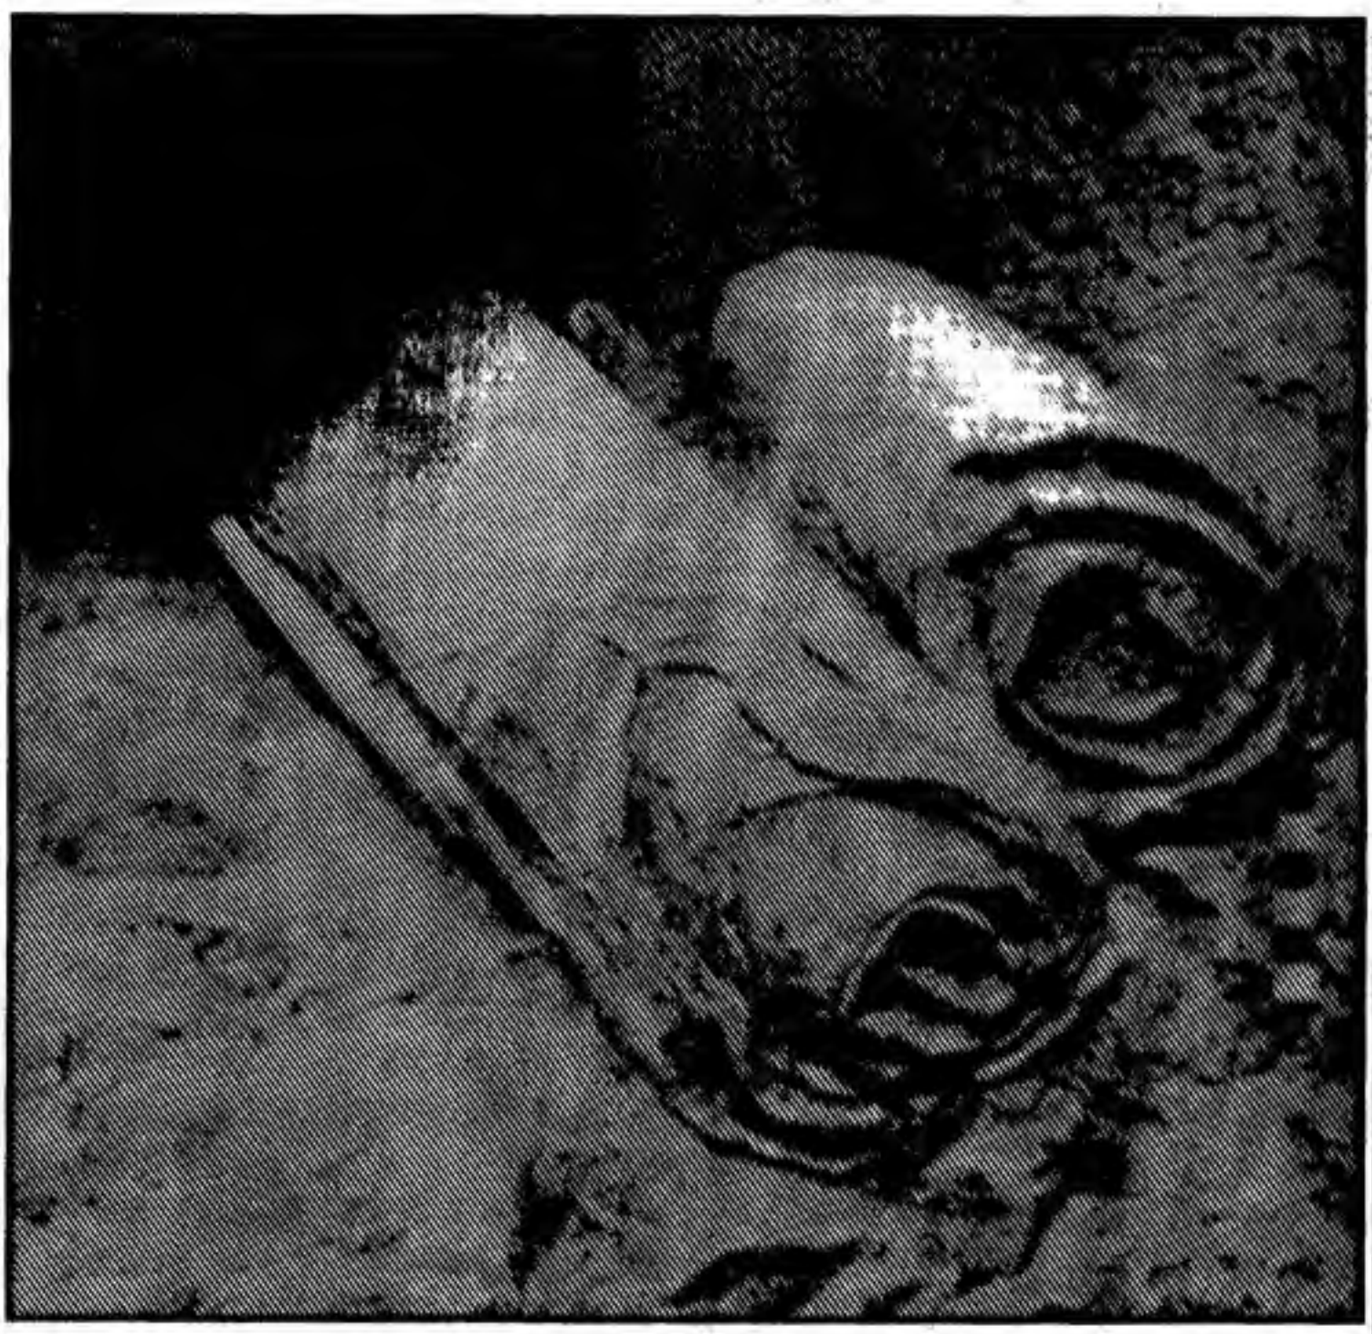

Figure 480
The Dead Sea Scrolls That Were Found In The Caves Of Qumran In 1947 A.D.

Yashua is the Messiah. The son of the Anunnagi, Aluhum Gabriy'El and Mary. And that through your faith in him you may have life.

2 And it is recorded in the twenty first degree of John that Jesus showed himself again unto the disciples at the sea of Tiberias and on this wise showed he himself.

3 And went together Simon Peter, Thomas, who was called the twin, Nathaniel ibn Zebedee, the one who was from Galilee, and two other disciples of Yashua were all together.

4 Simon Peter said to the others, "I am going fishing."

5 "We will come with you," they told him. So they went out in a boat. But all through the shadow hours they did not catch a thing because Yashua had told them before to stop fishing for fish, and devote their lives to be fishers of men.

6 As the sun appeared to rise, Yashua stood at the water's edge,

7 But the disciple did not know that it was Yashua.

8 He was in a transformed state.

9 It should be obvious why Yashua would have to transform himself.

10 If the people who had tried to kill him had found out that he was alive,

11 They would have certainly tried to kill him again.

12 His transformation served as a necessary precautionary measure to enable him to travel safely.

13 This is how he showed himself. Watch.

14 Didn't Yashua tell them to stop fishing for fish and become fishers of men?

15 Now he's gone. Yet, they know he's still alive because they saw him in the upper room twice.

16 He's not teaching amongst them any more, And right away what did they do

17 They went right back to doing what they were not suppose to be doing. Sounds familiar.

18 Thus, when the early daylight hours was now come, Yashua stood on the shores but the disciples knew him not."

19 They just saw him not long ago. He came to the upper room.

20 He was definitely still in the transfigured state,

21 Or he was looking like Judas and they would have seen him in the room and beat him up,

22 Why did they not know him?

23 This is going to be a problem here.

24 Yashua is in disguise yet he's naked, so it couldn't be a make up.

25 What did he do?

26 Yashua had to have shaved his beard and change his obvious appearance,

27 Not his transfigurated appearance. His obvious appearance.

28 The thing is they're going to show you that he is far away from them.

29 They didn't recognize him from a distance as we read on. He shaved.

30 Yashua was still hiding at this point, but in a transformed body.

31 Then Yashua said unto them,

32 "Children haven't you caught anything?" And they answered him, "no."

33 And he said unto them, cast the nets on the right side of the boat and you will catch some fish.

34 So they threw the net out and could not pull it back in, because they had caught so many fish.

35 Yashua still had the power to make a multitude of fish commit suicide

EL CISYTHIYINAAT

Tablet 19:36

36 If he could make those fish jump in that net on a specific side of a boat he still had his power to make them commit suicide.

37 Only a physical being, not a totally spiritual being, would command his followers to catch fish with the intent of killing them.

38 Fish have brains,

39 You know this to be fact.

40 Because if they didn't, you would not have to put a worm on a hook to catch them.

41 You have to trick them, which means they have to think

42 He fights and you fight Why is he fighting?

43 So fishes think, so they have intellect Why?

44 So Yashua found them unsuccessfully fishing

45 And to reveal himself to them, he began with this miracle

46 He showed his power by controlling the life of the fish.

47 To say that he controlled their lives

48 Thus, their symbol became the symbol of the fish.

49 In time the true significance was lost.

50 And the false pope's dom a mire.

51 In the form of a fish head,

52 As a symbol of the ancient deity Dagon.

53 Thus, their symbol of the fish

54 Of which was the symbol of man.

55 Because human beings come from the sea. and creatures in the sea think and feel and have emotions.

56 The point I'm trying; to make is that Yashua controlled the mind of the fish to make them want to be sacrificed and they did.

57 The 21st degree and the 6th verse of

THE CHRISTIANS

Tablet 19:81

John may not seem important, it is! Read it with the intent of overstanding.

58 "Therefore, the disciple John whom Yashua loved said unto Peter it is the teacher."

59 Now when Simon Peter heard that it was the teacher, he wrapped his outer garment round him,

60 For Yashua had taken his clothes off to bathe.

61 So John took off his garment and threw it to Yashua,

62 And then he, Yashua jumped into the water to hide his nakedness.

63 John saw Yashua was naked.

64 Obviously it was daylight hours, the best time for fishing.

65 And Jesus was bathing and he was already cooking breakfast.

66 The other disciples came to shore in the boat, pulling the net full of fish,

67 For they were not far from land,

68 They were about 100 meters away.

69 When they stepped ashore, they saw a charcoal fire there with fish on it and some bread.

70 Jesus had already kindled the fire.

71 And already started cooking his fish.

72 And already had his bread.

73 Jesus said unto them:

74 Bring of the fish which ye have now caught.

75 Simon Peter went up and drew the net to the land,

76 Full of big fish and 53 in all;

77 Even though there were so many, still the net did not tear.

78 Jesus said unto them, come and dine.

79 And none of the disciples dare ask him, "who are you?"

80 Knowing that it was their Rabboni.

81 Yashua went over and took some bread and fish and gave it to them

EL GISYHIYINAAT

THE CHRISTIANS

Tablet 19:82

82 This is now the third time that Yashua appeared to the disciples, after the so called resurrection that never happened.

83 The disciples saw Yashua 3 times after his supposed crucifixion

84 The first time, in the upper room.

85 The second time, 8 days later in the upper room.

86 And this was the third time, now.

87 Mary of Magdalene, his wife saw him five times.

88 She stayed with him but she saw him at the tomb.

89 Then she saw him at the upper room.

90 Then she saw him for 8 days at their home after meeting him at the garden of the tomb.

91 Well, he proved to them that he was not dead,

92 Because the first thing that was said to Mary of Magdalene by the 2 Essenes in shining garments is: why seek ye living among the dead?

93 Why do you come looking for some living person where people are dead?

94 That's the first statement.

95 He was not dead.

96 Then Yashua himself told Mary Magdalene,

97 I have not anabaino, "ascended", or gone up yet.

98 Meaning, I have not left my body yet,

99 But go tell the disciples that I did.

100 That means the disciples thought that Jesus was a resurrected spirit.

101 And John tells you that they didn't know anything about resurrection, where it's written: for as yet they knew not the scripture, that he must rise again from the dead.

Tablet 20:4

102 Yet, because it had not been written.

103 Had he mentioned resurrection to the people,

104 They would have got side tracked by reincarnation.

105 They did not, as the Judahites, believe in resurrection from the dead.

106 That is not a Judaic teaching.

107 They would have thought right away that this man was talking about reincarnation, a science he learned in his travels to India.

108 And he would have been condemned.

109 This whole incident makes it clear that Yashua was alive and in physical form after the so-called crucifixion,

110 For spirits need not bathe,

111 Spirits need not eat,

112 Spirits need not assurance of love.

113 This was Yashua in bodily form.

114 From there, his journey went on.

Tablet Twenty
Yashua Travels To Damascus
(19 x 7=133)

Lo! In spite of his disguise, the Brotherhood of the Essenes of which he belonged, knew of his plans.

2 They were the ones who helped him when he was in need. Also, they are the ones that the people had described as Aluhum standing at the tomb.

3 This is the Ancient And Mystic Order of Melchizedek. They are the mystics that link across the whole world, the sacred Brotherhood that only certain humans are allowed in.

4 They were also called Christ. All of them inherited the name Christ in the sense of the name Messiah, which means

"to touch, wipe clean and also to travel."

5 These men go from place to place, which is what Yashua did in his younger life.

6 The Essenes were the ones who persuaded Yashua to leave the country. But at this point, Yashua had already made up his mind about leaving anyway.

7 They say he went to Samaria which the so called Hebrews were forbidden to enter.

8 When Yashua was traveling through these lands, he was very sad because he knew in his heart that he might not ever travel through these lands again.

9 The Brotherhood of the Essenes sent word to Yashua the Messiah telling him that they were waiting for him, that it was already too late; that he must hasten or hurry.

10 Yashua and the Essenes were traveling by the shadow hours and resting by day. Finally they reached the land of Nazareth and went to the sea of Tiberias.

11 From Nazareth, he passed the great caravan in route to Damascus.

12 He went there because in that city, men of all nations, busy with another life other than that of Israel, were in it's streets,

13 And to its people came the thoughts, associations and hopes of the great beyond.

14 The country was so active that it wasn't interested in what was taking place amongst the Hebrew people,

15 And most of the time news had to be transported back and forth for them to know what was going on.

16 The news of the persecution of the followers in Jerusalem must have reached him,

17 Just as the information of his presence in Damascus reached the authority at Jerusalem.

18 For we find Paul, or Saul, the self-appointed Apostle,

19 Taking a letter of authority from the High Priest of the synagogues of Damascus,

20 Enjoining that Paul be given all the assistance in arresting the men and women of this way and to bring them bound to Jerusalem.

21 They did not know that after the so called crucifixion, Yashua was in Damascus.

22 The place where he stayed, in Damascus, which was about 2 miles from the city, and from then right up to now.

23 The place is still known as Maqami Isa but originally the name before was Rabwah.

24 He stayed there with his family, Mary Magdalene and Martha, the town in which Martha contracted malaria and died,

25 Leaving Yashua and Mary Magdalene, who lived there for some time, with Mary his mother.

26 Mary, his mother, left before them on route to Egypt with her own caravan. Her, Joseph and their male and female servants took residence in Alexandria, Egypt.

27 Mary, the mother of Yashua known as Miriam bat Joachim or Maryam bint Imraan,

28 Was born the tenth of March in the year 6 B.C., in the city of Galilee whose family came from Nebula in Nazareth

29 She lived but 12 years after Yashua went away in his 33rd year with his wife to Damascus.

30 She wasn't buried on the Earth. The Aluhum carried Mary, Yashua's mother, to paradise after, she departed this life in Alexandria, Egypt, in the year 45 A.D.

31 She knew that he, Yashua had a mission to carry out for The Heavenly Father, ANU.

32 But while in Jerusalem, she grieved because of their separation.

33 When doing so, she made sure, that it was not in the presence of his followers.

34 Before her departure, she prayed and casted frankincense in the fire and lifted up her eyes to the heavens and said:

35 "Heavenly Father, hearken unto the voice of your handmaiden and send unto your friend John, your young man, that I may see and be comforted by him."

36 The Holy Soul then appeared to each of the disciples in whatever country they were in and whether they were in their graves or not,

37 To inform them that the blessed Mary was about to depart from this world to eternal life.

38 The Holy Soul proceeded to summon some of them from their deaths to be together at daybreak.

39 For many of them died a gruesome death for it is written: blessed is he who is persecuted after righteous name's sake and in deed their robes were drenched in their own blood for the sake of the Lamb.

40 This is how each departed:

41 And as for Simon, this was his fate:

42 Simon, son of Jonah was from Bethsaida; Capernaum.

43 He was renamed Peter, Butrus, Cephas meaning "rock." Upon his separation from Yashua, he became a missionary to the Judahites as far as Rome, and his business was being a fishermen.

44 He was responsible for the writings first and second Peter in what you call the "New Testament" today. And became what would be called the first papal, or pope.

45 Simon was crucified in the year 68 A.D., beheaded in Rome.

46 And as for Andrew, this was his fate:

47 Andrew's, real name was Dan. He was the son of Jonah and was also from Bethsaida and lived as a fisherman.

48 Andrew preached in Seythia, Greece and the Asia Minor. Andrew was crucified on St. Andrew's cross.

49 And as for James, this was his fate:

50 He was called "The Elder." Born the son of Levi, his real name was Yaquwb.

51 He dwelled in Bethsaida as a fisherman. He preached in Jerusalem and Judea.

52 In 44 A.D., James was beheaded by Herod in Jerusalem.

53 And as for John, this was his fate:

54 John "the beloved disciple", was the son of Zebedee and Salome. John's real name was Yuhanna ben Reghesh.

55 He and his brother James were called the "Sons of Thunder" because of the way they propagated the doctrine of Yashua, which led to John's imprisonment in the Isles Patmos in the grotto, cave, where he had his many visions and received the Book of Revelation in the year 96 A.D.

56 His home was in Bethsaida and Jerusalem, where he, as well, lived as a fisherman.

57 He labored among the churches of Asia Minor, especially Ephesus.

58 John's writings included first and second John, and the Book of Revelation of the New Testament. He died a natural death at age 102.

59 And as for James, this was his fate:

60 James was the brother of John. His name was Yaquwb.

61 James preached in Palestine and Egypt and wrote the Epistle of James. He faced death by crucifixion in Egypt.

62 And as for Jude, this was his fate:

63 Jude, son of Alphaeus was also known as Thaddaeus and Lebbaeus. He was from the city of Galilee and is the writer of the Epistle of Jude.

64 He taught in Assyria and Persia. In Persia is where he martyred,

65 And as for Philip, this was his fate:

66 Philip preached in Phrygia, Caesarea where he later died from the knife wound of an assassin in Hierapolis in Phrygia.

67 His home was in Bethsaida and was the son of Jude. His real name was Amos.

68 And as for Bartholomew, this was his fate:

69 Bartholomew, son of Hali's real name was Nathaniel.

70 His home was in Cana of Galilee.

71 He too died of a horrible death.

72 He was flogged to death.

73 And as for Matthew, this was his fate:

74 Matthew, whose name was Levi, was a tax collector publican from Capernaum.

75 He was the offspring of Alphaeus.

76 Matthew displayed courage and loyalty when Yashua proposed to return to Judea, in spite of the Judahites hostility.

77 He was martyred by a lance a long shaft with a sharp pointed or steel head in Ethiopia.

78 And as for Thomas, this was his fate:

79 Thomas was popularly known as Didymus, was the son of Simon.

80 Thomas was claimed by Syrian Christians as the founder of their church.

81 While Thomas was in prayer, he was martyred shot by a shower of arrows.

82 And as for Simon, the Cananaean or Zealotes this was his fate:

83 He was the son of Dani'El. Simon was from Galilee.

84 He was an Israelite who resided in the land of Canaan.

85 He died a horrible death by way of crucifixion.

86 And as for Judas, this was his fate:

87 Judas, the son of Simon Iscariot was best known as The Betrayer.

88 His real name was Yahuda Iscariot from Kerioth of Judea.

89 Judas' life came to an ultimate end when he was beat beyond recognition, crucified and thrown off a cliff at Calvary in Jerusalem.

90 Each one came from his own land by way of The Holy Spirit to adorn and Salaam, Mary.

91 Yashua stayed in Damascus long enough to join a Brotherhood and make certain people converts.

92 He converted specific people who would keep silent of his presence.

93 One of the people he converted was Ananias, who became one of his

disciples.

94 Yashua now knew about the approach of Paul as anyone who traveled the desert would.

95 There were key points where certain schools, Essenes, Mystics, would set up and send information about whosoever was traveling the dessert.

96 In this case it was Paul, the self-appointed apostle. And like the prophet Elias, he went out to meet him.

97 Yashua's contact and power resulted in the conversion of his persecutors.

98 It was Yashua himself who being not seen by Paul or his followers on the road side said:

99 Saul, Saul why persecuteth you me?

100 Paul upon hearing the voice of Yashua thought it to be a divine revelation, for he thought Yashua to be dead.

101 So Paul in fear said: who art you Kurios, meaning "master" and the Kurios said:

102 I am Yashua whom you persecuted.

103 It is hard for you to kick against the pricks.

104 And Paul trembled and astonished said:

105 Kurios what wilt you have me do?

106 And the Kurios said unto him:

107 Arise and go into the city, meaning Damascus.

108 And it shall be told you what you must do.

109 And the men which journeyed with him stood speechless.

110 Hearing a voice but seeing no man,

111 For Yashua hid himself from their sight.

112 And Saul arose from the Earth and when his eyes were opened he saw no man,

113 But they led him by the hand and brought him into Damascus,

114 For Saul saw no man,

115 For he was blinded.

116 And he was 3 days without sight and neither did he eat, nor drink.

117 But the evil works of Paul had already taken root in the cities that he left behind, and could not be reversed.

118 The cult of the Paulites spread far and wide.

119 And when Paul was struck blind, so that he would not recognize Yashua, it made it possible for Yashua, the Messiah to stay there for three more days.

120 And he was three days without sight,

121 And neither did eat nor drink.

122 And there was a certain disciple at Damascus, named Ananias.

123 And to him said the sustainer in a vision, Ananias. And he said, "behold,"

124 I am here, Sustainer."

125 It was during this time that he received a letter from the Ruler of Nisibis through Anan, the Ruler's Tabulator.

126 The letter informed Yashua that the ruler had fallen sick to a grievous disease and requested him to proceed to Nisibis to cure him.

127 Yashua sent a reply that he would send a disciple and would himself follow later. Judas Thomas acted as the Emissary. He is the same Thomas before who Mary asked for.

128 Jesus knew that some of the Lost tribe of Israel, Judah, was at Nisibis; Josephus also mentioned this fact.

129 They referred to him as Josephus Antiquities, but at this junction was the arrival of the commission from Jerusalem to arrest Paul.

130 And after that many days were fulfilled,

131 The Judahites took counsel to kill Paul, but their laying await was known of Paul and they watched the gates day and shadow hour to kill Paul.

132 Then the disciples took him by the shadow hour,

133 And let him bow down by the wall in a basket.

Yashua Returns To Egypt
(19x1=19)

Lo! Yashua was convinced that it would no longer be safe for him to remain in Damascus. He went to Nisibis.

2 From that city he, the Mystic Gasper and his people, traveled on to Syria. As he traveled, he carried the shoba or staff which they called Asaa.

3 Traveling by shadow hour, he slept on the ground with his head on a rock, which was later found to be the same thing he did when he arrived in Egypt.

4 The time when Yashua was to arrive there in Egypt, the ruler was being very cruel to the people.

5 Yashua put himself out to preach and try to save the ruler, to change him.

6 When Yashua reached near the neighborhoods, Gasper sent his people into the city to tell them and proclaim that Yashua was outside the city and he was a prophet, a healer, and teacher.

7 Amongst them was one called Jacob, who offered along with Thomas, to warn them.

8 People abused them and said unpleasant things about Yashua and his wife. These people were ultimately produced before the ruler and he had their hands and feet cut off.

9 Shamun, one of the ministers, suggested that Yashua be asked to come and establish his claim, for he was nothing but a magician, and he was bound to fall.

10 Yashua exclaimed: I have had many people call me a magician. Some say they know this and that about me, but my works are my real miracle. Don't let them use their friendship with you to mislead you.

11 Yashua then placed the cup of hands and feet next to their bodies and passed his hands, over them and said: "by the order of A'LYUN A'LYUN EL, and they became whole again."

12 During Yashua's time, Mary Magdalene was with him and while traveling he wore a long white jallaabiyya, robe, and an immah, turban and carried a shoba, staff.

13 He spent most of his time walking by foot, and always saying he did not want to put a burden on any other beast.

14 Yashua journeyed on to the land of Mashaq, where the tomb of Shem, son of Noah was located. There he met other brothers of the Essenes.

15 At this point, Yashua took an oath

of silence setting a seal upon his lips, set out on his journey further. He left this place because the ruler of Nisibain was such a cunning man.

16 And he had his people trying to kill Yashua again. In those days there were three towns with the name Nisibain or Nisibis, one between Mosul and Syria.

17 The second on the banks of Euphrates, And the third near Halab in Syria.

18 Traveling back up and over to Lebanon.

19 He continued his journey finally to Egypt where he would meet his friend, Mescut. In all his journeys, these are the things that Yashua truly tries to teach the people.

Tablet Twenty Two
The Seven Tests
(19 x 4= 76)

Lo! Finally, in Egypt, he was received as a student.

2 Yashua was preparing himself for his seven tests to receive the highest degree any man would ever receive.

3 He said "I will gain the highest height of wisdom that man has ever gained. The 720 degrees, 360 of the physical and 360 of spiritual. What any man has suffered, I will meet that I may know how to comfort those in need,"

4 His first test was "Sincerity."

5 For many days, he remained alone in a room in which the light was faint and mellow like the light of early dawn.

6 He read the sacred texts and studied the hieroglyphics. A priest entered and told him that he had to save his life, for the other priests were jealous and tried to plot with him to deceive the priests,

7 But Yashua turned him away, telling him that he had only brought him a lesson in deceit. Thus, Yashua passed the first test and was given the scroll of "Sincerity."

8 The second test was "Justice."

9 Again he was put in a chamber for many daylight hours and shadow hours. Two men came to him in priest's attire, each carrying a flickering lamp light.

10 They claimed that they came to help him and that they too had once been imprisoned in the same room, and they offered him escape.

11 They also claimed that the priest were in actuality criminals planning to sacrifice him. Yashua told them that no man judge for him and asked them to leave.

12 Thus, he earned the second degree of "Justice."

13 The third test was "Faith."

14 It was indeed a hard test. The Hall of Fame was a chamber rich in furnishing and lit up with gold and silver lamps.

15 Impressed with his surroundings, notwithstanding the shelves of books by the master minds,

16 He became absorbed in deepest thought until a priest came to him declaring, "behold the floury of this place my brother, you are highly blessed."

17 He continued, "few men have reached high fame, why seek for further mystic lights within these dens? Go

forth and walk with men, they will honor you.

18 These weird initiations may be myths, and your messiah, hopes but base illusions of the hour."

19 For forty days, the higher self wrestled with your lower self and then faith rose triumphant.

20 Yashua said, "the wealth and honor and the fame of Earth are but the baubles of an hour. Yea what man does for his selfish will make no marking on the credit side of life."

21 Thus, he passed the third test, "Faith."

22 The degree of "Philanthropy" was the fourth test.

23 In the Hall of Mirth, which was also richly furnished and equipped with everything the carnal heart could wish for,

27 Maids in gay attire served men and women who were wild with joy.

28 Yashua simply watched in silence. Three times, during the festivities, hungry and destitute visitors, knocked at the door of the hall, a man, a woman and a child but they were driven away each time.

29 Unable to seek his pleasure at the expense of the unfortunate visitors, Yashua set out after them.

30 Why? Because they were a part of them all which is a part of one great human heart.

31 The fourth test "Philanthropies" was passed.

32 The fifth test, "Heroism" was a test of will and faith over material binds.

33 Yashua's guides placed him in chains in the midst of a den of hungry beasts, unclean beasts unclean birds and creeping things.

34 The wild beasts howled, the birds screamed and the reptiles hissed.

35 Yashua asked himself, "Why do I sit to be bound with chains? None has the power to bind a human soul."

36 Thus strengthened, he rose and what he thought were chains were merely worthless cords, rags parted at his touch.

37 Yashua said, "if man will stand erect and use the power of will, his chains will fall like worthless rags.

38 For will and faith are stronger than the stoutest chains that man has ever made.

39 The darkness that binds me is but the absence of light, and light is but the breath of A'LYUN A'LYUN EL, vibrating in the rhythm of rapid thought."

40 And with a will of might, he stirred up the Elders and their vibrations reached the plane of light. And there was light and the birds, beasts and creeping things were not.

41 Again, Yashua appeared before the high priest and received another degree, "Heroism."

42 The sixth test was of "Love Divine",

43 It is said that few ever get to the sixth test. In the Hall of Harmony, a room filled with musical instruments, among which was a harpsichord, Yashua sat in a thought mood inspecting it

44 A maiden of enchanting beauty entered and made her way to the harpsichord, she played and sang songs of Israel.

Tablet 22:45 **Tablet 22:74**

45 Yashua was entranced by her beauty. After she left, he thought of no other but her.

46 A few days later, she returned; this time she spoke and laid her hand on his head.

47 He forgot his work so thrilled was he with her touch. Again his ego longed for her. He could not eat or sleep.

48 Then he said: "I have conquered every foe that I have met and shall not be conquered by his carnal love."

49 His higher ego found himself again. He said: "I will be victor over carnal love."

50 The maiden once again returned, but this time to be spurned by a now wiser student of Al Khidr.

51 He was now a private student being taught the mysteries of Egypt.

52 To pass the 7th test required work in the Chamber of the Dead to learn the ancient methods of preserving the dead.

53 He gave comfort to those who mourned the passing of their loved ones and offered them help through strengthening words.

54 Yet, despite his age and wisdom. he still had to learn the most important lesson of all,

55 A girl of tender age followed her grieving mother into the chamber behind the body of another child.

56 As the courier neared the door, the child observed a wounded bird in sore distress, a hunter's dart in its breast.

57 She left her position to help the bird after which she returned.

58 Yashua amazed, asked the child of her action.

59 She said: "a lifeless body needs no help, I can help where there is life."

60 She had also been taught that grief and hopes and fears are reflexes from the lower self and that all emotions are prayers that arise from human loves, hopes and fears, that perfect bliss cannot be ours until we have conquered these.

61 Yashua said: "for days, months and years, I have sought to learn this high truth that man can learn on Earth and a child had told me in one short breath."

62 Yashua passed the seventh test.

63 After Yashua completed his 7 schools he stood before the High Priest to receive his scroll of the higher degree.

64 Thus, he was told:

65 "You are the spirit of A'LYUN A'LYUN EL, no man can do more,

66 But A'LYUN A'LYUN EL will confirm your title and decree."

67 A dove descended and a voice shook the temple saying, "this is Rawuh shil ANU."

68 Yashua at this point was 120 years old.

69 When Yashua was in Egypt he spoke of the events that took place in his life.

70 Thus, they became a part of Egyptian history.

71 The Egyptians called Yashua, Isous and Iyasus and Horus, Heru, in Greek he was called Huios, simply son.

72 The recorded dates of when he was in Egypt vary according the calendar that is being used.

73 Because of this, it is hard for historians to accurately state the exact time that Yashua was in Egypt.

74 One historian may find artifacts that

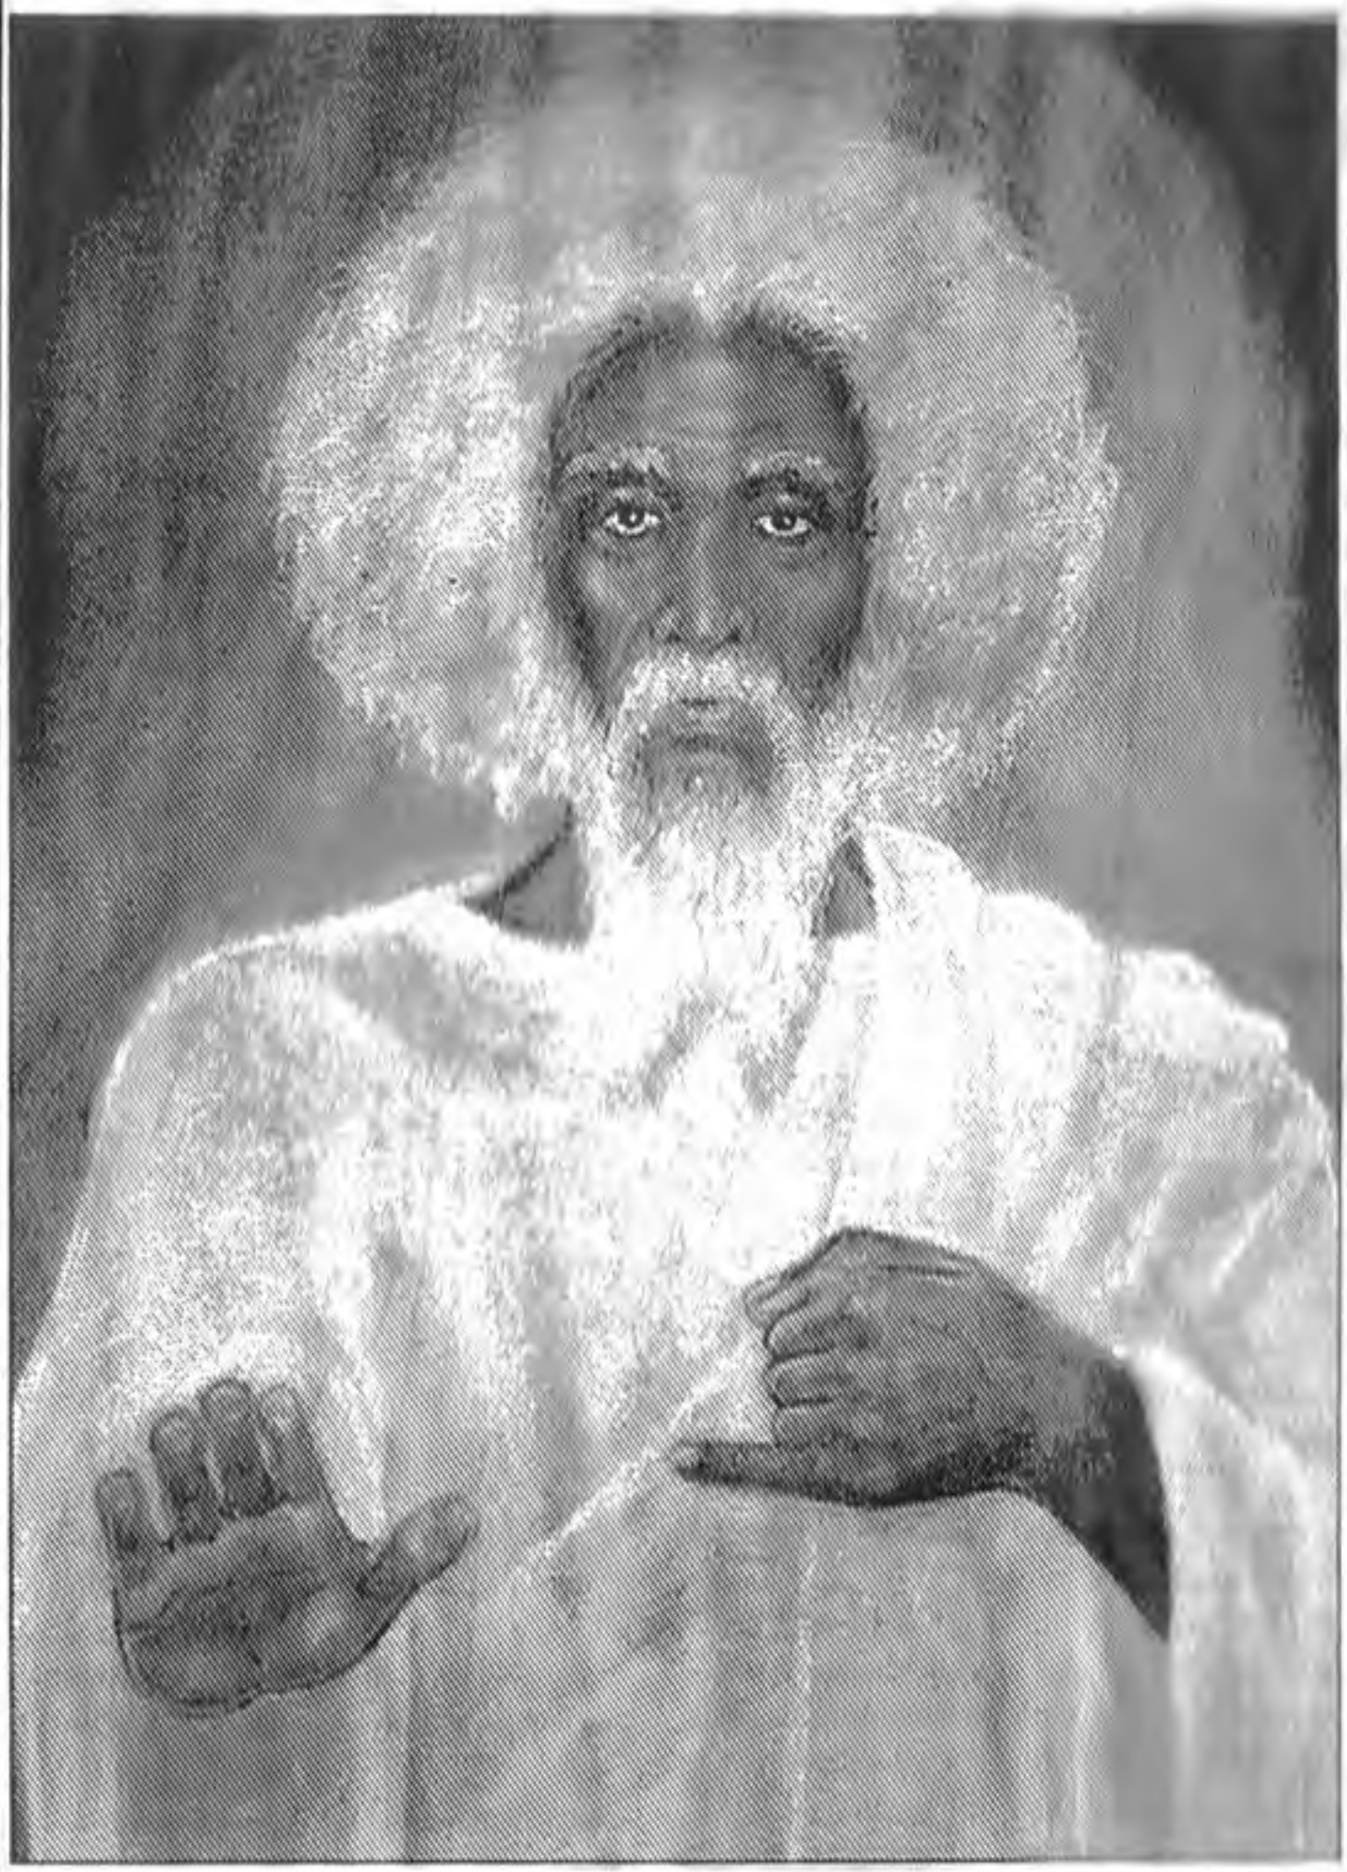

Figure 481
Yashu'a At Age One Hundred And Twenty

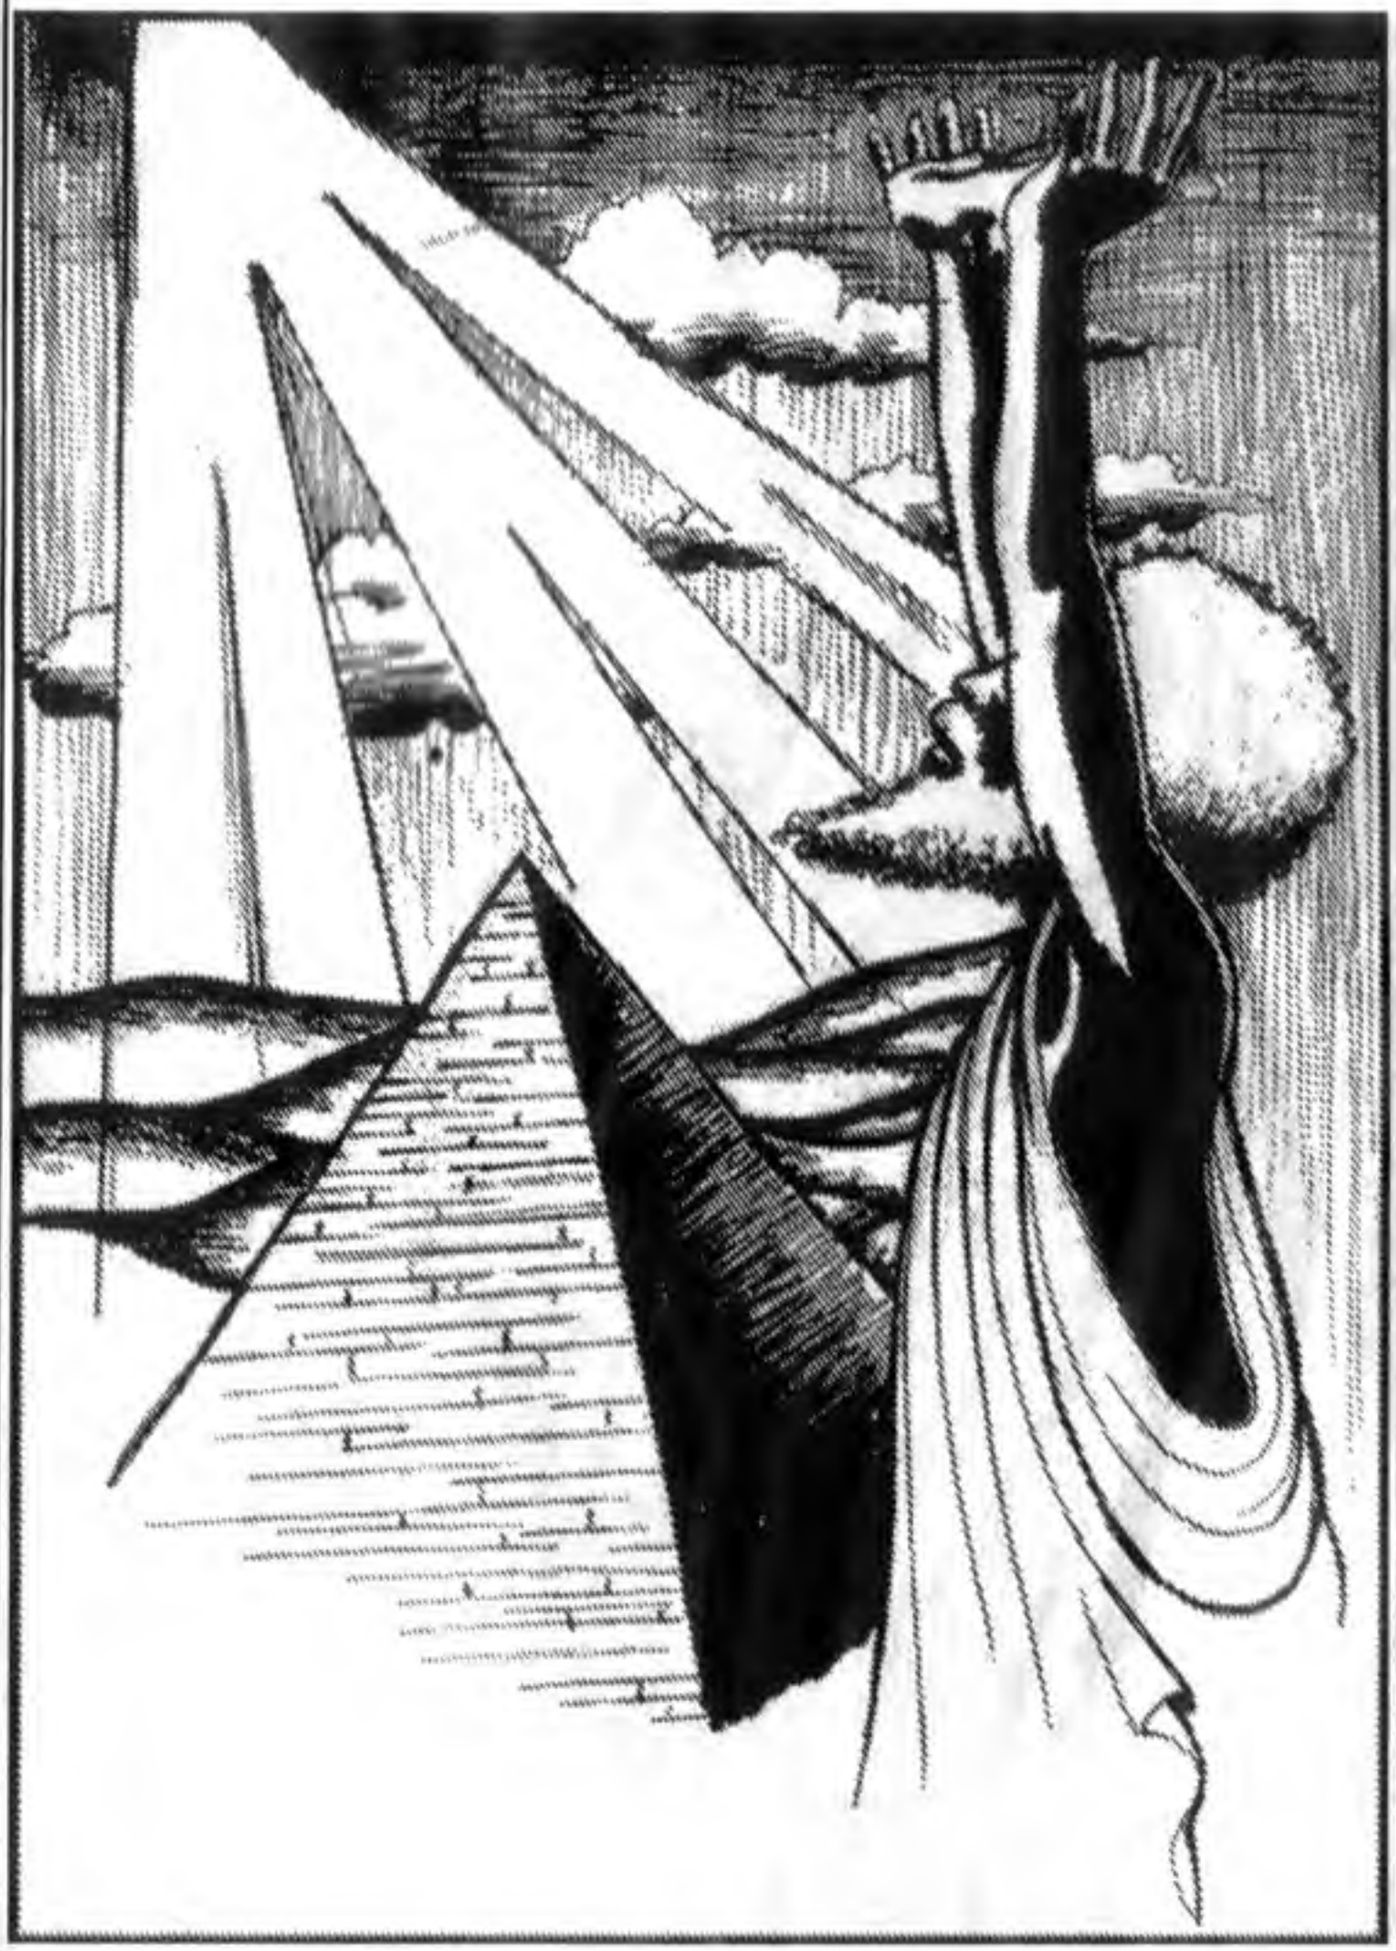

Figure 482
Yashu'a Ascending Up

were dated according to the Coptic, Egyptian calendar.

75 Whereas another historian will base his findings on the Judaic or Gregorian calendar.

76 Dates from one calendar to the next vary greatly. His beloved wife died at age one 110 being younger than him by 10 years, she passed 10 years before him. Their surviving 4 children moved southward up the Nile to live amongst their own, and in time their own tribe became known as the Bija.

Tablet Twenty Three
The Death Of Yashua
(19x2 – 38)

Lo! The book called Revelation records thus, in the eleventh degree the eighth verse:

2 Their dead bodies will be discarded in the market places of the great city,

3 Which is being called a spiritual Sodom and Egypt,

4 The place in which the Kurios of these two were crucified.

5 This crucifixion at age 120 was the ascension of Yashua, 6 To be met in the skies with a craft,

7 To where he is alive to this very day awaiting his return.

8 The Great Pyramid at Giza, Egypt, is a sepulcher which is a place and mount of the dead.

9 It is written that Yashua died on a cross.

10 The Pyramid is the cross that represents the astronomical symbol, power, symbol of the planet Earth. It is one in line of three forming the Orion constellation. Orion for Osiris, and the other Sirius for Isis, and the other the third slightly off line and smaller for Horus, bringing heaven down upon Earth. And Yashua made this statement as Horus the son in my father's house are many mansions, if it were not so, I would have told you. Speaking of all of the astrological constellations, Yashua went to Egypt for the ritual of the opening of the mouth and the reinstillment of life eternal.

11 The four triangles of the pyramid form the cross when looked at, when viewing the pyramid from a position above it.

12 When the Romans and Jews and other Greeks teach that they put Yashua, son of Mary, to death upon a cross,

13 In actually they meant he died on top of a pyramid.

14 What happened to the body of Yashua is confused with the body of Cleophas. And the same thing that happens to the bodies of all the Phoenician Egyptian Pharaohs before.

15 The bodies of all Phoenician pharaohs were mummified, including the body of this deprived Pharaoh called Jesus Justus who is Issa Panthera, Cleophas.

16 After the mummification process, the body of Yashua the false Ha Mashiakh of 2000 years ago, the son of Cleopatra, his body was transferred to India and entombed where it was laid to rest in Kishmir.

17 The image of the beast has been spread worldwide as the image and likeness of Yashua.

18 This plot was to have all those who did not see him, worshipping the image of the beast and giving them lives to it

19 Yashua, under the name Sanaanda or Tammuz is in the Crystal City in the

heavenly skies. leaving this state:
20 And he said unto them, you are Kato, beneath;
21 I am from ANU, above, you are of this kosmos, world,
22 And I am not of this kosmos, world.
23 He left them with the promise that he would send another parakletos, comforter, like himself.
24 Another holy person, or holy soul, who would not speak of himself,
25 But only that which he hears, would he speak.
26 He would have a little book, Al Qur'aan,
27 Which would be sweet in the mouth and bitter in the belly
28 This comforter or praised one would glorify Yashua's holy name which is Rawuh Shil Anu, "soul of Anu."
29 This prophesied comforter was none other than Mustafa Muhammad Al Amin,
30 Commonly called the prophet Muhammad born 570 A.D. in Arabia.
31 And after Muhammad who is called in rhythm Ahmad,
32 Would come, Muhammad Ahmad Al Mahdi,
33 And after Al Mahdi,
34 Would come Al Mujaddid: Issa Al Haadi Al Mahdi.
35 And after Al Mujaddid,
36 Would come again Al Masiyh.
37 Called Ha Mashiakh.
38 And the Messiah.

Tablet Twenty Four
The Description Of Yashua
(19 x 4=76)

Lo! Yet, if one wants to know what Yashua really looked like, the great prophet Dani'El, recorded it this way
2 In Dani'El the 7th degree, verse 9, gives a description of Yashua.
3 While I was looking,
4 Thrones were put in place.
5 One who had been living forever sat down on one of the thrones,
6 His clothes were white as snow,
7 And his hair was like pure wool.
8 His throne, mounted on fiery wheels, was blazing with fire."
9 This is recorded and believed to be the description of the Ancient of Days, known to be Melchizedek. Yet, believed to be Yashua.
10 But the description remains This great being had 9 ether, wooly or kingly hair texture.
11 But the Greeks are responsible for this great deception.
12 They altered words from their places as they translated from the Aramic to the Greek, which gave you your mis-English translation. Read
13 In the Book of Revelation, the first degree verses 14 through 15, you can see how the Greeks mistranslated the description of Yashua.
14 It reads:
15 "His head and his hairs were white like wool, this is the point of deception
16 The implication here is that there was a white glow that was around his head and his hair like white wool
17 However, wool coming from the sheep can also be brown and black
18 Also Revelation's story was taken from Dani'El's story,
19 For Revelation was revealed in 96 A.D. and Dani'El's was revealed in 536 B.C.E. many thousands of years before
20 And Dani'El's clearly states And his

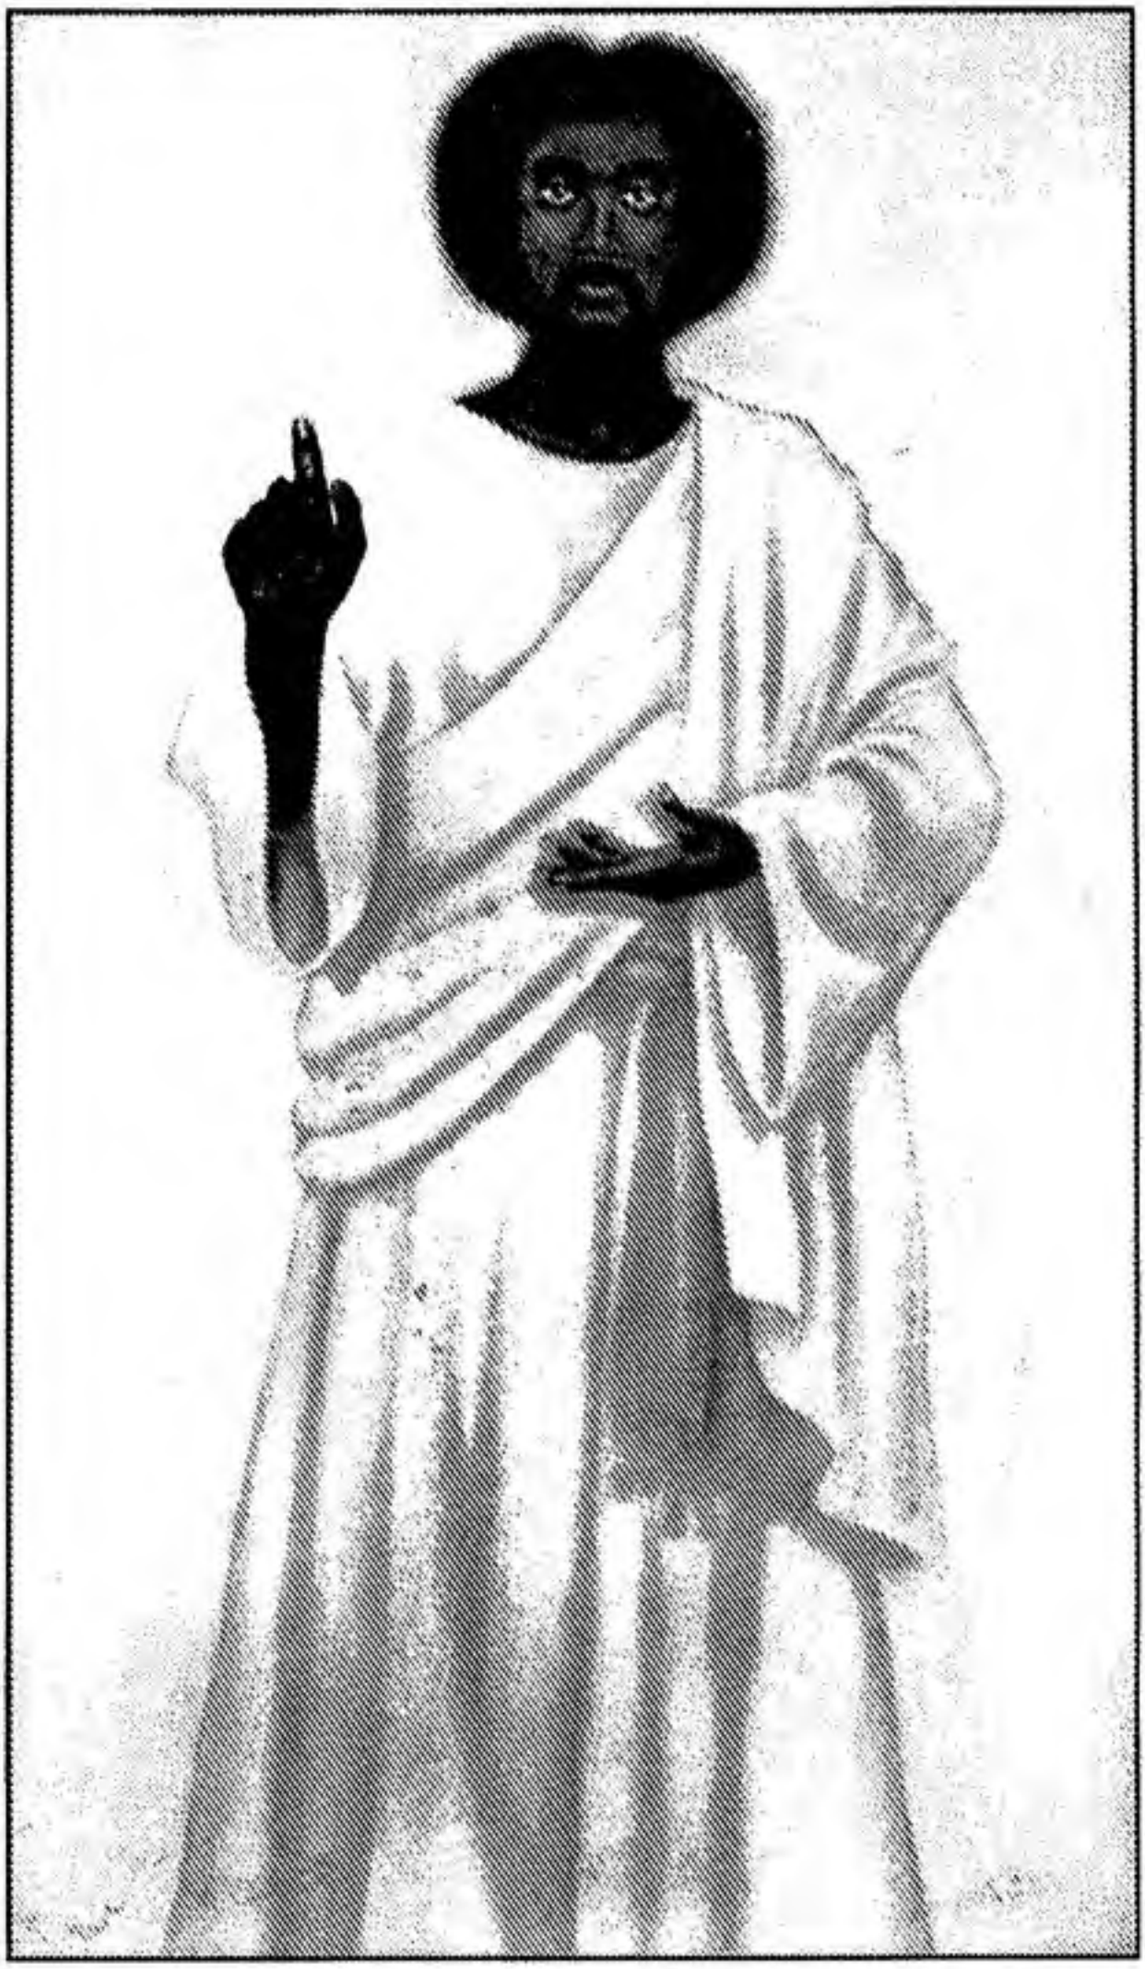

Figure 484
The Description Of Yashu'a

hair was like pure wool.

21 Back to Revelation. Reads:

22 As white as snow,

23 And his eyes were as a flame of fire;

24 And his feet like unto fine brass,

25 As if they burned in a furnace.

26 And his voice as the sound of many waters.

27 Without the intentionally alteration of the texture of his hair, the Book of Dani'El makes it plain that he had wooly hair.

28 The rest of Revelation describes a person who has red eyes. Not the pupil but the sclera, common in Nuwaubian people only.

29 Again it states that his feet were like fine brass. That would be polished brass.

30 Brass is a combination of 90 percent copper which is reddish brown in color and zinc, a dullish grey.

31 This combination would produce a brownish color.

32 But Revelation says these same brass feet had the appearance of being burned.

33 That would mean that it was not a brass color any longer, but brass after it had been burned. This would produce a very dark hue.

34 At this point we have three clear descriptions of Yashua.

35 He had wooly hair, the sclera of his eyes were red, and his feet which is attached to the rest of his body is burned to a dark complexion.

36 And they proceed to describe his voice as having the sound of many waters,

37 Which again describes a very common Nuwaubian characteristic, a raspy voice.

38 He stood 6 feet in height. He was medium build but often appeared very thin from strict fasting. He grew a full beard.

39 As he is described in Isaiah's book, which reads:

40 "He hath no form nor comeliness and we shall see him, there is no beauty that we should desire him."

41 He was tall, dark but not handsome.

42 This is a description of Yashua Ha Mashiakh of two thousand years ago.

The Return Of Yashua

43 And he showed me water of a river of the water of life, glittering as crystal coming out from the seat of ANU, "He who is above, the Heavenly One" of El Eloh and Tammuz, the Lamb.

44 In the middle of what looked like a market street of it and on both sides of the river, was a tree of life which gives twelve fruits every month, and the leaves and the tree were to heal all nations.

45 And all who were cursed did not exist anymore, but the seat of ANU "He who is above, the Heavenly One" and Tammuz, the Lamb in it, and his servants who serve him.

46 They will see his face, and his name is in their foreheads.

47 And there won't be shadow hours there, and no need of light from a lamp,

48 Nor any light from the sun; because of the illumination to them and they will rule forever and ever.

49 And he said to me, that these words are faithful, and are facts beyond any doubt and the Adonai, the Elohim, of the souls of the newsbearers sent his Anunnagi "those who ANU sent from heaven to Qi, Earth" to teach his servants, that which must come about soon.

50 This is it, I'm coming soon: Blessed is he who guards the words of this prophecy in this volume.

51 And I, the newsbearer John son of Zebedee saw and heard these things. And after I had heard and seen,

52 I fell down to prostrate in front of the feet of the Anunnagi who was the one who showed me all this.

53 So he said to me: don't do that, because I am a servant like you and like your brothers the newsbearer, and those who guard the words prophesied in this scroll.

54 So prostration is for ANU, "He who is from above, The Heavenly One" only.

55 And he said to me: don't seal the words of the prophecies in this scroll because the time is near.

56 As for him who is in ignorance, so leave him in ignorance, also, and he who is defiled, so let him be defiled also,

57 And he who is righteous then let him be righteous also, and the holy, so let him be holy also.

58 Here I come, I am coming soon and my reward is with me,

59 In order to reward everyone according to all they have done.

60 I am the first letter and the last letter,

61 The beginning and the end, the first and the last.

62 Blessed are they who wash their robes in the blood of The Lamb, so that there may exist authority over the tree of life,

63 And may enter into the city by way of its doors.

64 And outside are dogs, sorcerers and fornicators, and killers and those who serve idols and everyone who loves to do nothing, but lie.

65 I, Messiah Yashua have sent my Anunnagi "those who ANU sent from heaven to Qi, Earth" to testify to you all these incidents in the congregation.

66 I am the descendant and of the same race as the beloved and the lamp and the early star.

67 And the soul of the bride says: Come, and let him that hear say:

68 Come, and those who are thirsty;

69 So let them come, and as for him who wants,

70 So let him take of the water of life freely.

71 For surely, I bear witness to all who hear the words of this prophecy in this scroll.

72 If anyone adds to these things, so ANU "He who is above, The Heavenly One" will add to him the plagues of the things written in this scroll.

73 And if anyone takes away from the words of the scroll of this prophecy, ANU "He who is above, The Heavenly One,"

74 Will drop his share from the Scroll of Life and from the holy city, and from what is written in this scroll.

75 The witness says this: Yes, surely, I am coming soon "Amon" come on Messiah Yashua.

76 The grace of our Rabbi, the Messiah Yashua be with you all. Blessed is the man that endureth temptation, but when he is tried, he shall receive the Crown of Life, which the Adonai hath promise them that love him.

LOWHA SHIL ETANA TABLET OF

Begin All Acts And Thinking By Using El Kuluwm, The All

Tablet One
Tablet Of Etana
(19x9=171)

Lo the great Aluhum the Igigi designed the blueprints of a city,
2 The Igigi laid the plans for its foundation.
3 The Anunnagi designed this actual city of kish!,
4 The Anunnagi made and laid its brickwork firm.
5 In counsel, they decided to 'let Etana be their shepherd and rule first in the great city.
6 Let Etana be their builder and ruler and holder of the staff of leadership.
7 The great Anunnagi who decree destinies,
8 Sat and conferred their counsel on the land.
9 They were creating the four quarters of the world and establishing the form of it.
10 The Igigi were greatly satisfied and decreed names of its provinces for them all.
11 They had not established a ruler over all the people of each province.
12 At that time the headband and crown had not been put together,
13 And the lapis lazuli scepter had not been decreed over him.
14 At the same time near them, the throne-dais had not been made.
15 The Sebitti barred the gates against armies attacks.
16 The Sebitti barred the against other settled peoples.
17 The Igigi would patrol the city from the skies.
18 Ishtar was looking for a shepherd.
19 And searching high and low for a ruler.
20 Inninna was looking for a shepherd.
21 And searching high and low for a shepherd.
22 Enlil was looking for a throne-dais for Etana.
23 'The young man for whom Ishtar is looking so diligently,
24 And searches endlessly day and shadow hour sleepless.
25 A ruler is hereby affirmed for the land, and in Kish it is established that Etana is that ruler.
26 He brought rulership down to Eridu.
27 The Anunnagi of the lands were satisfied in him.
28 He named him Fish-Man, serpent of the sea. He built a fort in his behalf.
29 The throne-dais of Adad his Anunnagi name Baal.
30 In the shade of that throne-dais a poplar sprouted fresh water.
31 On its crown, an eagle-man crouched, and a serpent-man lay at its base.
32 Everyday they would keep watch for their prey to come.
33 The eagle-man made its voice heard and said to the serpent-man,
34 'Come, let us be friends,
35 Let us be comrades, you and I',
36 The serpent-man made its voice heard and spoke to the eagle-man,
37 'You are not fit for friendship in the sight of Shamash, whose consort is Aya!
38 You are wicked and you have

Figure 498
The Ruler Etana

grieved his heart.
39 You have done unforgivable deeds, an abomination to the Anunnagi.
40 But come, let us stand up and make a pledge together.
41 Let us swear an oath on the next of Shamash's great day'.
42 In the presence of Shamash, the warrior, they swore an oath,
43 'Whoever oversteps the limit set by Shamash,
44 Shamash shall deliver into the hands of the smiter for harm,
45 Whoever oversteps the limit set by Shamash,
46 May the mountain keep its pass far away from him,
47 May the prowling weapon make straight for him,
48 May the snares on which the oath to Shamash is sworn overturn him ensnare him!"
49 When they had sworn the oath.
50 On the next of Shamash's day,
51 They stood up straight and went up the mountain.
52 Each day they kept watch for their prey to come.
53 The eagle-man would catch a wild bull or wild ass,
54 And the serpent-man would eat, then turn away so that its young could eat.
55 The serpent-man would catch mountain goats or gazelles.
56 And the eagle-man would eat, then turn away so that its young could eat.
57 The eagle-man would catch wild boar and wild sheep,
58 And the serpent-man would eat, then turn away so that its young could eat.
59 The serpent-man would catch cattle from the plains and wild beasts from the country-side,
60 And the eagle-man would eat, then turn away so that its young could eat.
61 The young of the serpent-man had an abundance of food.
62 The eagle-man's young grew large and flourished. When the eagle-man's young grew large and flourished.
63 When the eagle-man's young had grown large and flourished,
64 The eagle-man plotted evil in its heart,
65 And in its heart it plotted evil,
66 And made up its mind to eat its friend's young ones.
67 The eagle-man made its voice heard and spoke to its young,
68 'I am going to eat the serpent man's young ones,
69 The serpent-man is sure to be angry.
70 So I shall go up and abide in the sky.
71 I shall come down from the tree top only to eat the fruit!'
72 A small fledging, especially wise, addressed its words to the eagle-man, its father.
73 'Father, don't eat! The net of Shamash will ensnare you.
74 The snares on which the oath of Shamash is sworn will overturn you and ensnare you.
75 Remember: whoever oversteps the limit set by Shamash,
76 Shamash shall deliver into the hands of the smiter for harm.'
77 It would not listen to them, and

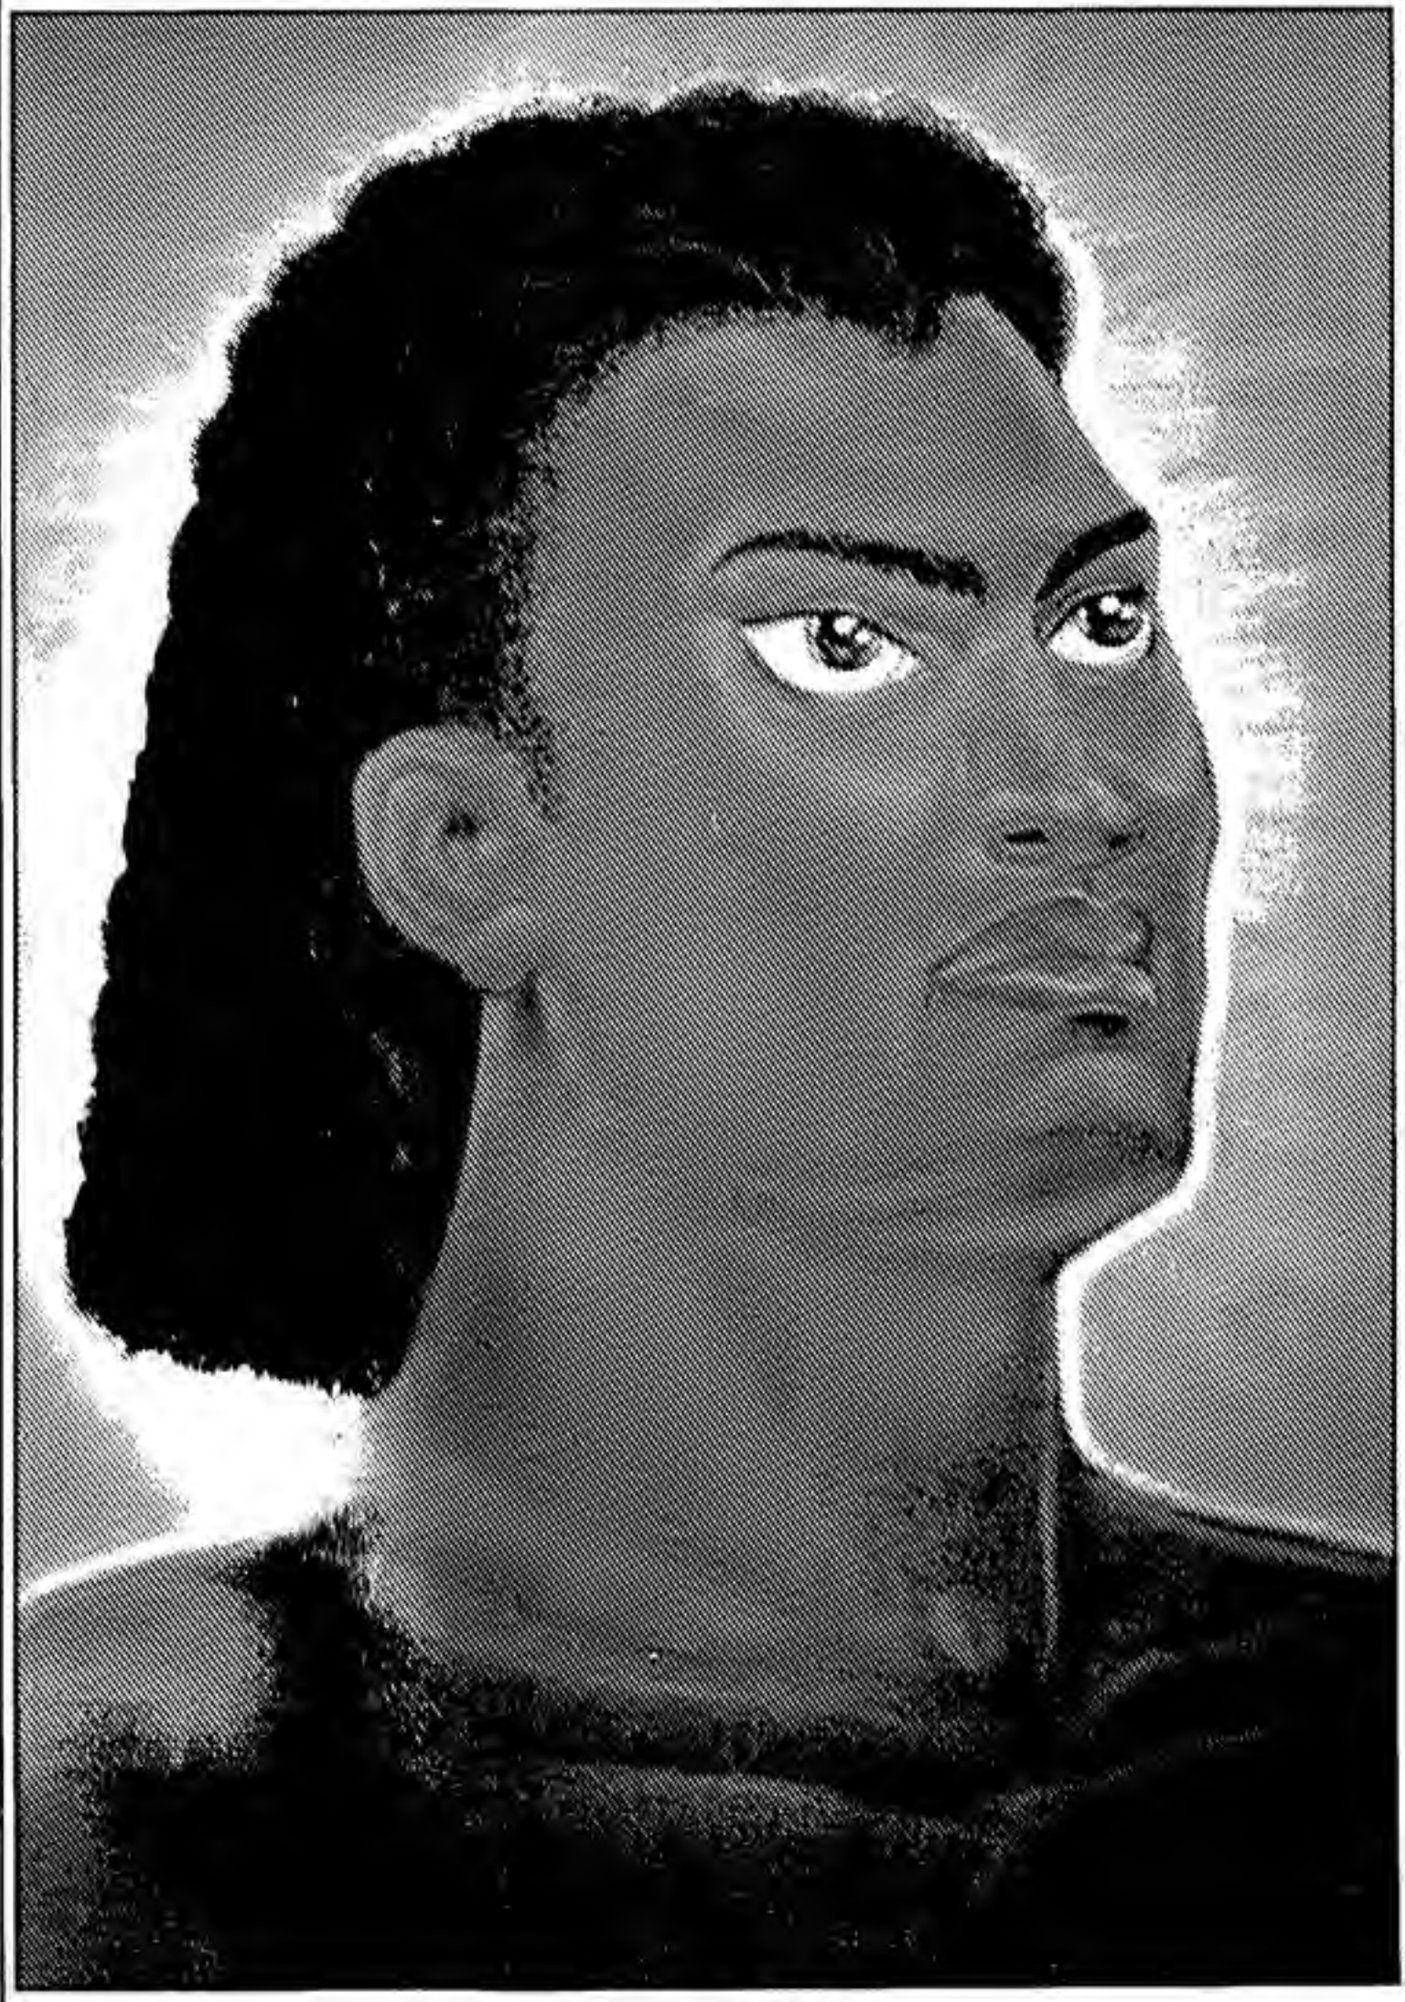

Figure 499
The Great Deity Shamash

would not listen to the word of its sons.
78 It went down and ate the serpent-man's young.
79 In the dusk period at the close of day,
80 The serpent-man came and was carrying its load,
81 Stared, for its nest was not there,
82 Daylight hour came he waited, but the eagle-man did not appear,
83 For with its talons it had clawed at the ground,
84 And its dust cloud covered the heavens on high.
85 The serpent-man lay down and wept,
86 Its tears flowed before Shamash.
87 'I trusted in you, Shamash, the warrior,
88 And I was helpful and sincere to the eagle-man who lives on the branches.
89 Now the serpent-man's nest is grief-stricken.
90 My own nest is not there, while its nest is safe.
91 My young ones are scattered and its young ones are safe.
92 It came down and ate my young ones!
93 You know the wrong which it has done me, Shamash!
94 Truly, O Shamash your net is as wide as Earth,
95 Your snare is as broad as the sky!
96 The eagle-man should not escape from your net,
97 As criminal as Anzu or Zuen, who wronged his comrade.'
98 When he heard the serpent-man's plea,
99 Shamash made his voice heard and spoke to the serpent-man,
100 'Go along the path, cross the mountain.
101 Where a wild bull abundant and has been bound for you.
102 Open up its innards, slit open its stomach.
103 Make a place to sit inside its stomach,
104 All kinds of birds will come down with them.
105 The eagle-man too will come down with them.
106 Since it will not be aware of danger to itself,
107 It will search out the most tender morsels will comb the area in search for it.
108 Penetrate to the lining of the innards.
109 When it enters the innards, you must seize it by the wing,
110 Cut its wings, feather and pinion,
111 Pluck it and throw it into a bottomless pit,
112 Let it die there of hunger and thirst!'
113 At the command of the warrior Shamash,
114 The serpent-man came upon the wild bull,
115 And opened up its innards and slit open its stomach.
116 And made a place to sit inside its stomach.
117 All kinds of birds came down from the sky and began to eat the flesh.
118 But the eagle-man was aware of the danger to itself.

Tablet 1:119 Tablet 1:161

119 And would not eat the flesh with the other birds.

120 The eagle-man made its voice heard and spoke to its son,

121 'Come, and let us go down and let us eat the flesh of this wild bull!'

124 The eagle man reasoned this to itself:

125 'If the birds felt any fear,

126 How would they be eating the flesh so peacefully?'

127 It did not pay heed to them, did not listen to the words of its sons,

128 Came down and stood upon the wild bull.

129 The eagle man inspected the flesh,

130 But kept scanning ahead of it and behind it

131 It inspected the flesh again,

132 But kept scanning ahead of it and behind it

133 It kept going further in the stomach until it penetrated to the lining of the innards

134 As it went right in, the serpent man, seized it by the wing.

135 'You robbed my young ones from my nest, you robbed my nest!'

136 The eagle man made its voice heard and began to speak,

137 'Spare me, and I shall give you, as one betrothed, a Nudunnu-payment.'

138 The serpent man made its voice heard and began to speak,

139 'If I were to free you, how would I answer, Shamash?

140 The punishment due to you would revert to me,

141 The punishment that I now I now inflict on you!'

142 It cut its wings, pinion and feather,

143 Plucked it and threw it into a pit,

144 It was left to die of hunger and thirst.

145 The eagle-man cried in regret. Everyday it prayed repeatedly to Shamash,

146 ' Am I to die in the pit?

147 Who realizes that it is your punishment I bear?

148 Save my life for me; the eagle-man,

149 So that I may broadcast your fame for eternity!'

149 Shamash made his voice heard and spoke to the eagle-man,

150 'You are wicked, and you have grieved my heart.

151 You did an unforgivable deed, an abomination to the Baalim, the Nephilims.

152 You are dying, and I shall not go near you!

153 But a man, whom I am sending to you, is coming, let him help you.'

154 Everyday, Etana prayed repeatedly to Shamash,

155 'O Shamash, you have enjoyed the best cuts of my sheep,

156 Earth has drunk the blood of my lambs,

157 I have honored the Anunnagi and respected the souls of the dead,

158 The dream-interpreters have made full use of my
incense.

159 The Baalims have made full use of my lambs at the slaughter.

160 O ruler, let the word to forth from your mouth,

161 And give me the plant of birth,

show me the plant of birth!
162 Remove my shame and provide me with a son!'
163 Shamash made his voice heard and spoke to Etana,
164 'Go along the road, cross the mountain,
165 Find a pit and look carefully down there.
166 It will show you the plant of birth.'
167 At the command of Shamash, the warrior,
168 Etana went across the mountain,
169 Found the pit and looked at what was inside it.
170 An eagle-man was abandoned down there.
171 The eagle-man raise itself up at once.

(19x6=114)

Lo! The eagle-man made its voice heard and spoke to Shamash,
2 ' O ruler, I thank you.
3 The offspring of mine that of a bird I pledge to you.
4 Whatever I say, in honor of you.
5 At the command of Shamash, I am saved.
6 The Offspring of mine that is of the bird, I pledge to you.
7 The eagle-man made its voice heard and spoke to Etana,
8 'Why have you come to me? Tell me!'
9 Etana made his voice heard and spoke to the eagle-man:
10 'O my friend, give me the plant of birth,

Tablet 2:33

11 Show me the plant of birth!
12 Remove my shame and provide me with a son!
13 Leave the plant with me when you get out, leave it I beg you.'
14 Then the eagle-man said to Etana, the ruler of Kish,
15 'All alone I shall search the mountains and cross the road.
16 Let me bring the plant of birth as I promised to you.'
17 When Etana heard this,
18 He covered the front of the pit with Juniper,
19 Made for it and threw down its wings and kept the plant.
20 Thus, he kept the eagle-man alive in the pit.
21 He began to teach it to fly again.
22 For one month, then a second month.
23 He kept the plant and the eagle-man alive in the pit.
24 And began to teach it to fly again.
25 For a third month, then a fourth month.
26 He kept the plant and the eagle-man alive in the pit.
27 And began to teach it to the fly again.
28 Etana helped it for seven months. In the eighth month he helped it out of its pit.
29 The eagle-man, now well fed, was as strong as a fierce lion.
30 The eagle-man made its voice heard and spoke to Etana,
31 'My friend, we really are friends, you and I!
32 Tell me what you wish from me, that I may give it to you.'
33 Etana made his voice heard and spoke to the eagle-man,

34 `Change my destiny for and disclose what is concealed!
35 Etana did as he was ordered by shamash and went and helped the eagle-man out of the pit.
36 The eagle-man hunted around in the mountains day and shadow hour.
37 But the plant of birth was not to be found there.
38 'Come, my friend, let me carry you up to the sky,
39 Let us meet with Ishtar, the mistress of birth.
40 Beside Ishtar, the mistress of birth, let us find a new plant.
41 Put your arms over my sides,
42 Put your hands over the quills of my wings.'
43 He put his arm over its sides,
44 Put his hands over the quills of its wings.
45 The eagle-man took him upwards for a mile.
46 `My friend, look at the country! How does it seem?
47 `The affairs of the country buzz with prosperity like flies building their homes.
48 And the wide sea is no bigger than a sheepfold!
49 The eagle-man took him up a second mile,
50 `My friend, look at the country! How does it seem,
51 `The country has turned into a garden of delight,
52 And the wide sea is no bigger than a bucket!'
53 It took him up a third mile.
54 `My friend, look at the country! how does it seem?
55 `I am looking for the country, but I can't see it!
56 And my eyes cannot even pick out the wise sea!
57 My friend, I cannot go any further towards heaven.
58 Retrace the way, and let me go back to my city!'
59 The eagle-man shrugged him off for one mile,
60 Then dropped down and retrieved him on its wings.
The eagle-man shrugged him off for a second mile,
62 Then dropped down and retrieved him on its wings.
63 The eagle-man shrugged him off for a third mile,
64 Then dropped down and retrieved him on its wings.
65 A meter from the ground, the eagle-man shrugged him off,
66 Then dropped down and retrieved him on its wings.
67 Etana said to the eagle-man,
68 `My friend, I saw a first bad ream.
69 The city of kish was sobbing from the disagreement between the Anunnagi.
70 Within it the people were in mourning for the disobedience of Enqi to ANU.
71 I sang A song of lamentation for this great grief.
72 "O Kish, giver of life!
73 Etana cannot give you an heir for they are in exile.
74 O Kish, giver of life,
75 Etana cannot give you an heir for they have been runaway.
76 His wife said to Etana,

77 `The Aluhum showed me a dream.
78 Liked Etana my husband I have had a dream of distress.
79 Like you the Aluhum have shown me a dream of distress.
80 And his ghost is most holy.
81 Etana opened his mouth and spoke to the eagle-man,
82 `My friend, that Aluhum showed me another dream of delight.
83 We were going through the entrance of the gate of ANU, father of Enlil and Enqi.
84 We bowed down together, you and I.
85 We were going through the entrance of the gate of Sin, Shamash, Baal-Adad and Ishtar.
86 We bowed down together, you and I.
87 I saw a house with a window that was not sealed.
88 I pushed it open and went inside.
89 Sitting in there was a girl.
90 Adorned with a crown, beautiful was her face.
91 A throne was set in place, and within this great house she sat.
92 Beneath the throne crouched snarling lions. I came up and the lions sprang at me.
93 I woke up terrified.' The eagle-man said to Etana,
94 `My friend, the significance of the dream is quite clear! Come, let me carry you up to the heaven of ANU, the great 'AL.
95 Put your chest over its breast, put his hands over its sides.
96 Put your arms over my sides,'
97 He put his chest over its breast, put his hands over its feathers,
98 Put his arms over its sides.
99 The eagle-man tied its load on securely,
100 Took him up a mile.
101 And spoke to him, to Etana,
102 `See, my friend, how the country seems!
103 Inspect the sea, look carefully for its features!
104 The country is only the edge of point seen of a mountain!
105 And whatever has become of the sea'.
106 The eagle-man took him up a second mile and spoke to Etana,
107 `See, my friend, how the country seems!
108 The sea has turned into a gardener's ditch!'
109 When they came up to the heaven of ANU,
110 They went through the gate of ANU, father of Enlil and Enqi.
111 The eagle-man and Etana bowed down together.
112 They went through the gate of Sin, Shamash, Baal-Adad, also called Elyon, the foul, and Ishtar.
113 The eagle-man and Etana bowed down together.
114 He pushed it open and went inside.

KODOISH KODOISH KODOISH ADONAI TSEBAYOTH (SABAYOT) x 3	The Mantra of Salutation from the Brotherhoods of Light. This mantra has been given to man as both a greeting and a protection from the influences of negative consciousness

AFFIRMATION OF PROTECTION

I am a child of the light,
I serve with the Brotherhood of Light,
to bring light upon this planet.

I am a guardian of the light
I am love in action here
Co–operating with the love and the light of the universe
I am dedicated to the Kingdom of God on Earth,
Interplanetary Fellowship and Universal Peace.

I invoke the light for my protection
and will not receive the words of any being
who does not serve the golden white light of God
In Heaven or on Earth.

SPECIAL CALL

I, as a son or daughter of the new age awakening now upon the earth command forth in the name of my mighty 'I AM' presence that my holy Christ self flow forth into my human mind and perform the work of reuniting me to its God receiver.
Oh come into me now, oh Christed one, and raise me back up to my source.
Bring forth God energies necessary for me to know, only the perfection of God's love, life, and light this day, in all I see, speak, and do. So be it done, in the name of my mighty 'I AM' presence.

The Great Invocation

From the point of Light
within the Mind of God
Let light stream forth into
the minds of men
Let Light descend on Earth.

From the point of Love
within the Heart of God
Let love stream forth into
the hearts of men
May Christ return to Earth.

From the centre where the
Will of God is known
Let purpose guide the little
wills of men –
The purpose which the
Masters know and
serve.

From the centre which we
call the race of men
Let the Plan of Love and
Light work out
And may it seal the door
where evil dwells.

Let Light and Love and
Power restore the Plan
on Earth. } x 3

IMAGINE

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace ...

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world ...

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will live as one

Thoth: The Ancient Egyptian Moon God Of Magic and Wisdom

Quote from Thoth:

"Thoughts are the essence of human creation, so it would seem that thoughts are your medium of travel, manifesting and healing. One thought is as powerful as the whole universe. One thought, One mind, Unity consciousness. One thought can manifest into an illness or disease. One thought can erase it. The power of your mind knows no limit."

Egyptian Astrology: Thoth

If you were born:
1st to 19th April
8th to 17th November

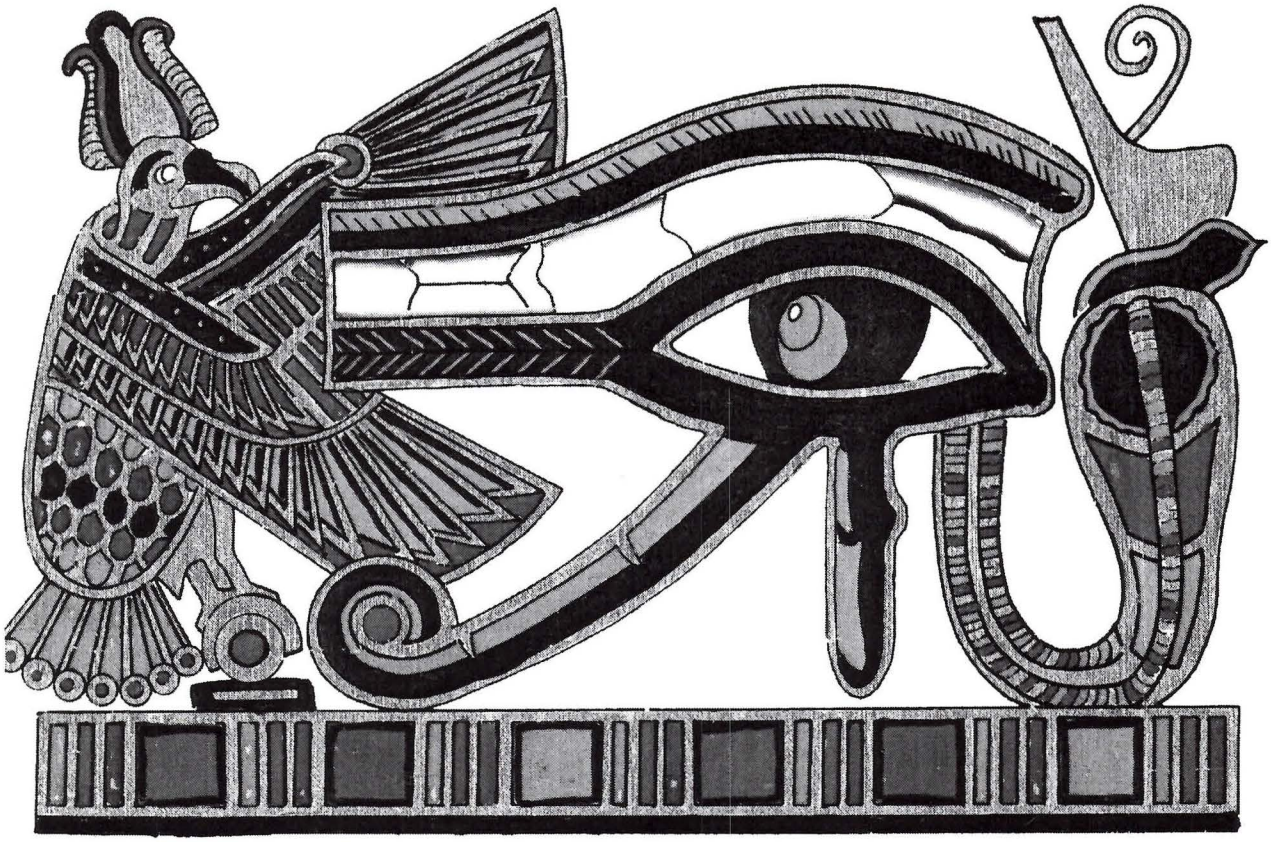
Related signs:
Bastet and Isis.

Beneficial colours:
pink for men and
white for women.

The sacred Ibis bird sways its silhouette on the banks of the river, where the Nile is extended by a striking monotony of irrigation channels. It is with modesty that this bird-god Thoth provides ingenious ideas to the simple senses of humans, and inspires their souls and energies with a passion to know and to build. Thoth's clear-sightedness drives away indolence, insidious cunning and impatient pride. Thoth's instruction induces people to invent and to risk breaking with tradition. Nature insists on producing enlightened masters who must serve her without pretensions in order to dominate her. Thoth comes to us as a good-natured memory, keen to preserve wisdom. As patron of astronomers, accountants, healers and charmers, Thoth stands out from all the gods of ancient Egypt by best expressing the reliability of the creative word, which he repeats tirelessly to all beings that bring fertility to the banks of the Nile. Persons born under the sign of Thoth are enthusiastic and enterprising, but scorn mediocrity and meanness. They are courageous and like to take risks, provided they are engaged in efforts that will ultimately allow them to surpass themselves. It is unthinkable for them to break their word or to cheat others.

Thoth was known as the Scribe in Ancient Egypt, and used reeds to draw hieroglyphs. Hence, he wore the headdress of the ibis bird that foraged for food among the reeds along the banks of the Nile.

Right Eye Of Horus - Egyptian Mystery School



On the left side of the Eye of Horus stands the Goddess Wadjet (the vulture) – she is the protectress of the royal authority over Lower Egypt.

On the right stands the Uraeus or the royal cobra that symbolises light and royalty – it is found in a rearing position on the forehead on most Egyptian deities and pharoahs. It was sacred to the Goddess Wadjet and to the Sun God (it was believed to be the eye of the latter). Thoth was also associated with the Sun God.

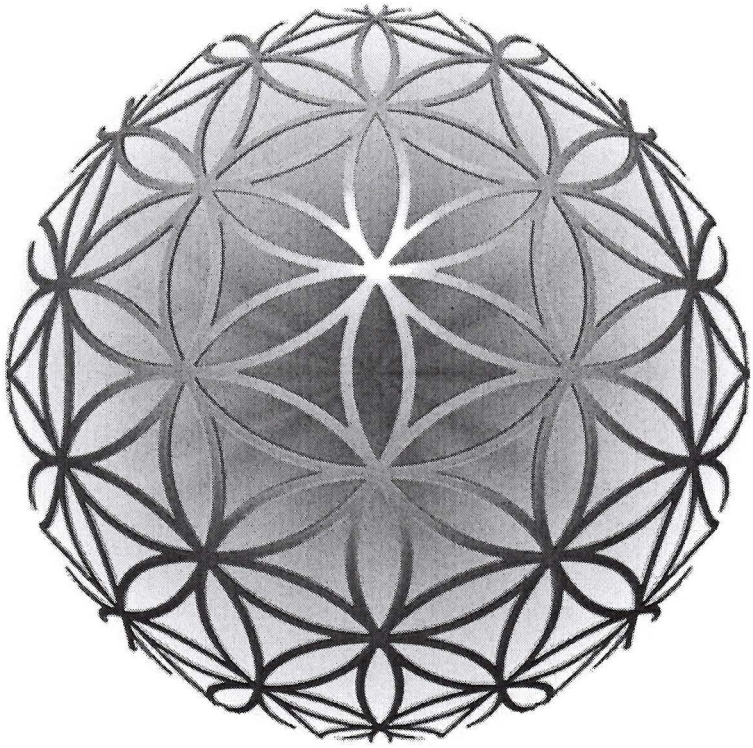
The Hologram Of Love



The whole universe was born through this sacred sphere. It is the sacred symbol of unconditional love. Our DNA, RNA was born through this holographic pattern. The finest particle of our atomic cell structure has this pattern within it.

The Ten Sephiroth Of The Tree Of Life And The Qualities They Represent

The basic Tree of Life meditation/ceremony consists of intoning the names of the Angels while visualizing energy traveling through the various "paths" between the spheres. The first path to be activated in this manner is the central channel,which descends from Metatron, through Michael,Gabriel and Sandalphon. The central channel is the basis for the Pillar of Light and Antahkarana in the Human body. The complete meditation does not lend itself to being taught in books, so I can only recommend working with the central channel. (Please note that these Hebrew names can be translated into English in various ways, so don't be surprised if you see these words spelled differently in another book.)

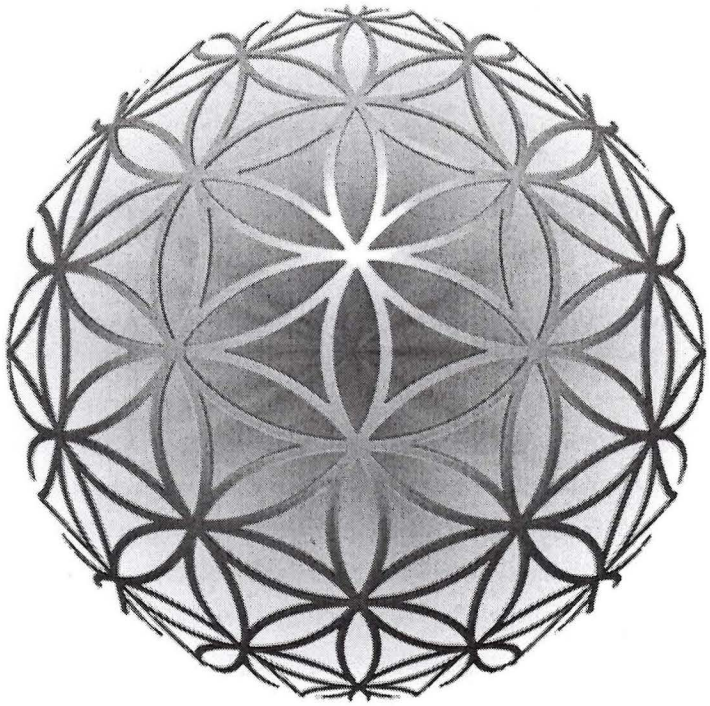
"The Hologram Of Love"



EXPLANATION OF THE HOLOGRAM OF LOVE

First of all, the Flower of Life Holographic Sphere is an automatic transmission to travel throughout this universe and beyond with a linear consciousness. If you visualise it around your body and then give the command: "Merkaba activate, phase lock, expand . . ." the sphere will lock all sacred geometrical shapes automatically and expand to infinity.

But if you make two vital changes, it reacts very differently.

Firstly, change the title of the Holographic Sphere to the Hologram of Love (unconditional love) and add the 13:20:33 frequency. When you do this the original seed of unconditional love in every cell of your body activates and simply wants to rotate counter clockwise back through the time continuum to its original source of love in the higher frequency Divine dimensions.

All the smaller individual spheres within the Hologram of Love begin to rotate in unison and draw you back into the time continuum. You are instantly in the space of unconditional love.

Using advanced techniques with the gold and silver ray of creation accelerates the process and you find yourself rushing backwards through the time and space continuum. In reality you are not going backwards; you are expanding through the spherical reality of no time.

Part of the experience is being able to see the veil that exists around the third dimension, and you can consciously observe from outside into the 3rd dimension.

THE HOLOGRAM OF LOVE IS THE EVER–CONTINUOUS PATTERN OF GOD'S MIND AND THOUGHT AS GOD ONLY THINKS AND MANIFESTS IN UNCONDITIONAL LOVE.

THE HOLOGRAM OF LOVE MERKABA MEDITATION ACCESSES THE UNIFIED FIELD OF CONSCIOUSNESS THROUGH GALACTIC TIMING OF THE UNIVERSE.

According to the Keys of Enoch, "Merkaba" is an interdimensional counter clockwise rotational vehicle of Light, Spirit and Body.

Mer - counter-clockwise rotation of Light, ka - Spirit, ba - Body. The mind directs, powers, and stabilises the Merkaba in unison with God. The Higher your vibration of Cosmic Christ Consciousness embraced in Unconditional Love, the stronger is your Merkaba field. The Merkaba is the chosen interdimensional vehicle of the Masters. To truly extend ourselves into their conscious realms we must raise the vibration of Love within our personal Merkaba.

The Chaldean Numerology of the 13:20:33

This numerological analysis draws upon the Hebrew Kabala teachings and the Chaldean alphabet, which in turn draw upon the rich traditions and symbolism of the Tarot and astrology. (information kindly provided by Stevie Bee, Sydney, Australia)

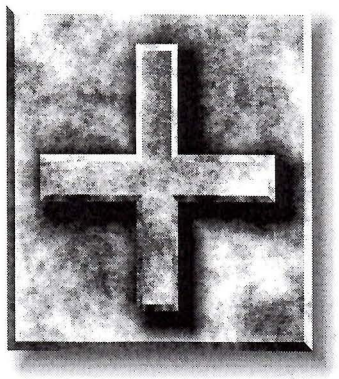
13 Regeneration/Change — 13 is not an unlucky number, as many believe. The ancients claimed that "s/he who understands how to use the number 13 will be given power and dominion", The symbol of 13 is a skeleton, or death, with a scythe, reaping down people in a field of new-grown grass, where young faces and heads appear to be thrusting through the ground and emerging on all sides. 13 is a number of upheaval, so that new ground may be broken. It's associated with power, which, if used for selfish purpose, will bring destruction upon itself. There is a warning of the unknown and the unexpected, Adapting to change peacefully will bring out the strength of the 13 vibration, and decrease any potential for negative. 13 is associated with genius - also with explorers, breaking the orthodox and new discoveries of all kinds, Because it reduces to a 4, there's a karmic obligation to learn one's lessons well. There is a period of grace during which one is able to reflect on the value of the lesson just experienced so that one doesn't repeat the lesson.

20 The Awakening — In addition to being called "The Awakening", this number is also pictured by the Chaldeans as "The Judgement". It is symbolised as "a winged angel, sounding a trumpet, while from below, a man, woman, and child are seen arising from a tomb, with their hands clasped in prayer." At some time in the experience of the person or entity, there is a powerful awakening, bringing a new purpose, new plans, new ambitions - the call to action for some great cause or ideal. There may be occasional delays and obstacles to one's plans, but these may be conquered through developing patience (the challenge of the 20) and by continually cultivating faith in one's own powers to transform. 20 brings the blessing of vivid precognitive dreams (recognition of the future), plus the ability to manifest the happy ones and cancel the negative ones. It is not a material number, and is therefore doubtful re financial success. However, those who are comfortable with their 20 vibration seldom care about finance. Money is not important to them and the 20 will, as a general rule, provide enough for the basic necessities.

33 — This number has no individual meaning of its own, but carries the same vibration as 24 except that the magic of love, the extent of originality and creativity and the promise of eventual financial success are deepened and increased. Due to the double 3, people whose name equals 33 are more fortunate in every way when involved in a harmonious partnership, which applies to the career as well as to romantic relationships. This is a number of well-deserved karmic reward. 33 people are advise not to abuse the astounding luck which will descend on them sometime during their lives by allowing it to tempt them into laziness, over-confidence and a feeling of superiority. When a sense of humour and genuine humility accompany the 33 vibration, it's a wonderfully fortunate number.

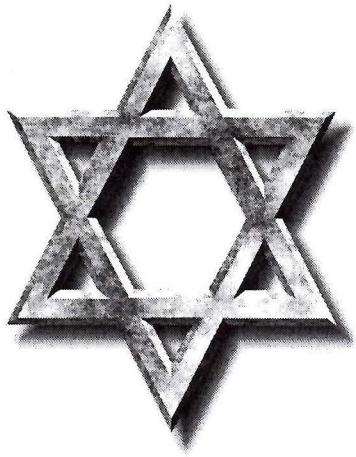
The living experience of Natural Time activates and aligns your personal energy body, your thoughts, feelings and emotions with the spiralling cycles of the Earth and Cosmos.

Within the sacred symbol, the cross of Christianity, you can count 12 inner and outer corners. These represent the 12 disciples. In the centre of the 12 disciples was Jesus, so the centre of the cross is counted as 13. This is also true with the star of David in which two pyramids merged together to have 12 inner and outer corners. These pyramids represent the spirit descending merging with the ascending body.



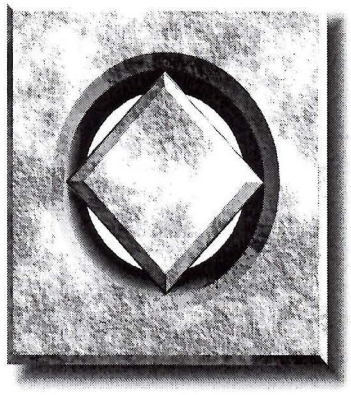
We have 13 major articulations in our body - ankles, knees, hips, wrists, elbows, shoulders and the neck. The number of the disciples and Jesus (13) plus the 7 chakras of our body = 20. we have 20 fingers and toes.

When we add the 20 fingers and toes with the 13 body movements together we come up with the master number 33. There are 33 vertebrae in the spine which is also the centre of our body. The centre of the number 13 is 7, which represents our 7 chakras. The Mayans say when we know how to use the power of seven we also know how to use the power of 33. Mayans see time as cycles of time-space spirals, not a flat two-dimensional illusion of time.



Jesus called down his higher Body of Light in the presence of his initiated disciples and became the synthesis of the thirty-two chemical building blocks of intelligence within the Mystery of the Logos, seen as the Lak Boymer, the Pillar of Light which called down the Christ Body of Light through the "thirty third" degree to inhabit the Jesus Body.

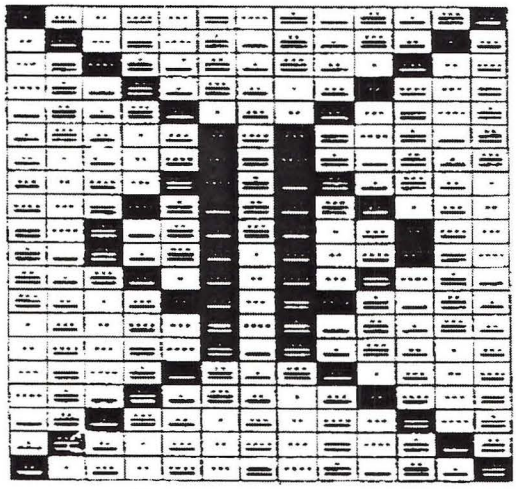
Mayans also say that merging with the centre of the universe helps us understand reality from many perspectives, without losing our centre. The Cosmic Maya call this omni-perspective. This added benefit helps us to begin to live in non-judgement. As we witness from many perspectives we can no longer judge another, and will begin to allow each member of humanity to express his or her unique expression of the Creator and solar destiny. We become galactic-aligned and empowered.



The ancient Mayas discovered the mathematical nature of God. This nature is in the frequencies of the numbers 13 and 20. The number 13 is symbolically illustrated with a circle. The number 20 is symbolically illustrated with a square. The square within the circle is the symbol the Mayas use to represent Hunab K'u. Hunab K'u is the "giver of movement and measure". Hunab means "God" or "source" and K'u means "pyramid". It may seem like this means God is in the pyramid, but in the Mayan tradition our physical bodies are also the pyramid and contain God-force within.

Understanding the power of 13 and 20 as the Maya do helps awaken God within all of us!

Hunab K'u is the universal dynamism that stimulates and motivates life in its total manifestation as spirit and matter. Hunab K'u weaves vast patterns of harmony, mathematical perfection that reflects the innate beauty of existence. We find that in our hearts we all hold an altar to the Universe, and by attuning to the 13:20 cycle we expand into deep, sacred intimacy with the mystery and order of the Earth, Self and Sky. The 13:20 frequency is aligned with lunar time, solar time, planetary time and galactic time, and our bodies are naturally calibrated to this cycle. In fact, we hold the Natural Time codes in our 13 main joints and our 20 fingers and toes. Since Hunab K'u is The One Giver of Movement and Measure – The Expression of Spirit and Soul, Spirit uses the 13 joints to express *movement* through our bodies, Soul uses the 20 fingers and toes to define and *measure* matter by counting and creating form!



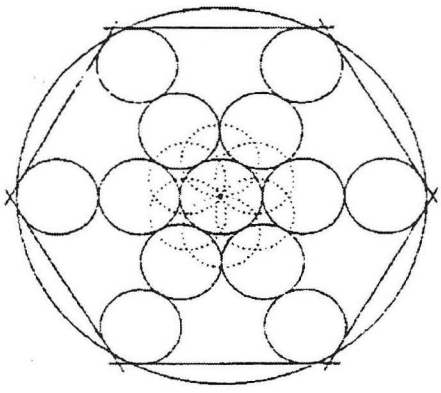
The Mayan Calendar

One of the most positive effects of this frequency is that it corresponds to the natural cycles of our Earth and galactic whole, so by consistently aligning ourselves to cycles of 13 and 20 we synchronise with the organic structure of the Universe's multi-dimensional flows of non-linear energy.

Although it was indeed the Maya peoples that recorded the frequencies of Natural Time for Planet Earth in the form of their calendar, Natural Time itself completely transcends all cultural limitations. The Natural Time 13:20 frequency is so organic to the human form that it naturally guides all people to sacredly relate to the energies of the cosmos and the Earth.

The Mayan Natural Time calendar is based upon a primal mathematical system that is found throughout nature. A notable example of this is the Mayan calendar's relation to the 64 hexagrams of the Chinese system known as I Ching, which in turn can be demonstrated to have a direct relation to the human genetic code (see Jose Arguelles' Earth Ascending). Because of this fact we can say that the human body is the biological counterpart of the mathematic code of the Mayan calendar.

The 260-unit grid of the Mayan calendar is the result of the combination of the numbers 13 and 20. The 20 signs are modified by the 13 powers, creating a matrix of 260 combinations. Dark squares are the 52-unit harmonic matrix that is formed by sets of squares that have a combined value of 28, the average number of days in a lunar cycle. In sacred geometry Metatron's Cube, which is the basis for the formation of the Platonic Solids, is composed of 13 circles. Another interesting correlation is the fact that 7 circles make up the core of Metatron's Cube, and that 7 is also the central number within the grid of the Mayan calendar. And of course we have 7 chakras which form the centre of our being.



Metatron's Cube

The number 20 is an important number in sacred geometry as it is essential to the formation of the icosahedron, the dodecahedron, the UVG geometries (Unified Vector Geometry), and all other spheres in the universe.

The Mechanical Time Frequency Of 12:60

In the past, indigenous people kept calendars that were based on the pulse of the Earth and Sky. The Sun, Moon, Stars and Nature were their clocks. By following the natural based rhythms the indigenous people were at One with the movement of the totality of life, and they experienced the natural cycles of time within their being. They kept track of time by knowing that they were time, that the living time of their bodies and souls reflected the Universe's movement and measure.

Our indigenous sense of sacred time and ability to attune to the natural rhythms of the Universe's order has been completely abandoned in exchange for our modern relationship to time. This modern paradigm is founded on racing the clock and letting the 12-month calendar overpower the natural rhythms of our beingness. This paradigm has created a frequency that has spread throughout our world. This frequency is 12:60, based on the 60-minute hour and the 12-month calendar.

This calendar that we currently follow and schedule our lives by was concocted by Pope Gregory the 13th in 1582. Pope Gregory revised the previous Julian calendar by taking 10 days off – he decided that the day after october 6th was not October 7th, instead it became October 16. Then, after he made his alteration, Pope Gregory used the authority of the Vatican's Doctrine of Discovery (AD 1452) to impose his calendar on all conquered peoples, going on to establish it as the worldwide measurement of time. Shortly after, the mechanical clock was perfected. By 1600, with these two controlling devices in place, man-made "mechanical time" prevailed.

The Gregorian calendar is not in harmony with the cosmic rhythms that govern our galaxy. Our use of the Gregorian calendar is unnatural and dis-harmonic. It creates a situation that results in the human race being out of harmony with the environment. Since the time the Gregorian calendar came into use, and particularly since the time of the Industrial Revolution when all the world began to synchronise with "artificial mechanical time," the population has expanded at an undesirable rate while the environment has been subjected to attacks of destruction. As our species gets further and further out of synchronisation with Galactic timing and the forces of creation, we become more and more under the control of the disharmony that we have created. Mechanical time's greatest detrimental impact has been the separation of us from our Source. This separation from our cosmic selfhood leads to the alienation from our planet Earth and to the human family's fascination with man-made, self-serving, small-story reality. The knowledge of the Earth as a living organism has been swept away and replaced with mechanical thought. It is now time to return to Source, return to Earth, return to our personal sacred rhythms, and explore our intimate relationship with the Grand Design.

As planetary healers, we must become aware of the galactic timing frequency of the Mayan calendar and learn how to use the natural harmonics of time to our advantage. When we become attuned to the natural galactic timing frequency we may find ourselves in control of a vast source of spiritual energy that can be used to heal the planet.

THE MAYAN CALENDAR AS THE GALACTIC TIMING FREQUENCY OF THE UNIFIED FIELD

On July 26, 1992, our planet entered the last 20-year segment of the 26,000-year grand cycle, and the 500 year great cycle of the Mayan calendar. This last time-space frame of the calendar is governed by its two highest signs: the 13th Ray and the 20th sign, the Solar Mind.

The Thirteenth Ray is the highest vibration in the Mayan calendar; it is the ray of transformation. The 20th sign, Solar Mind or "Ahau" reveals the mystery of light, both physical and spiritual. The auspicious combination of these signs indicates that our planet is entering into the time of initiation into the Greater Body of Light.

It is suggested that the completion date of the current 5,200-year Mayan "great cycle" has a direct correlation to the 26,000-year precession of the equinox, as the number of years in the precession are a "fractal overtone harmonic" of the 260 units that compose the calendar.

It has been determined that a series of notable celestial events that are due to take place between now and 2012 have a direct correlation to the galactic timing frequency of the Mayan calendar, the end of the current 5,200-year cycle, and the initiation of our planet into galactic civilisation.

One of the most important events in the timing frequency of the precession is keyed to the time when the winter and summer solstices achieve exact alignment with the galactic plane. This occurs twice in every 26,000-year cycle and occurred again in 1999.

There was also a total eclipse of the Sun in 1999. In both Mayan and modern astrology, solar eclipses are seen as activation portals for the consciousness programming of our planet. This eclipse took place on August 11. As this occurred the Sun and Moon were in the middle of Leo, with Mars, Saturn and Uranus in the middle of the signs Scorpio, Taurus and Aquarius respectively. Astrologers recognised this configuration as a **grand cross**. This particular grand cross formed at a point in the heavens that astrologers referred to as "**the points of Avatar**".

This eclipse is closely linked to another total solar eclipse that will happen November 13, 2012 - 13 years after the 1999 eclipse. This eclipse will be in alignment with the 13th constellation of the zodiac: **Ophiuchus the "Serpent Holder"**. This constellation is the archetype of the shaman/healer that has knowledge of the secret of life. In the terms of galactic whole-sky astrology this eclipse will represent the initiation of our planet into the mysteries that Ophiuchus represents.

From the astrological viewpoint of the science of galactic shamanism, the significance of the winter and summer solstices aligning with the galactic plane (ie. the orientation of the disk of matter that most of the universe is comprised of, similar in some ways to the disk the planets of our solar system form around the Sun) is that when this type of alignment occurs it clearly signals the end of one era and the beginning of another.

The scientific/metaphysical explanation for the importance of the solstices as a time of reprogramming and initiation is that, at the time of the solstices, large quantities of solar energy enter either the north or south magnetic poles of our planet. This large influx of energy contains an energy/consciousness program from the solar mind that programs the magnetic grid of our planet for the next six-month period.

This energy/consciousness program also carries with it galactic energy from the stars of constellations that the Sun and Earth happen to be in alignment with at that time. In the case of the 1999 winter/summer solstice we find that this event was in exact alignment with the galactic plane, in close proximity to the centre of the Galaxy and the 13th constellation of the zodiac: Ophiuchus the "Serpent Holder". An attunement to the energies of galactic synchronisation that emanate from the Galactic Centre took place at that time.

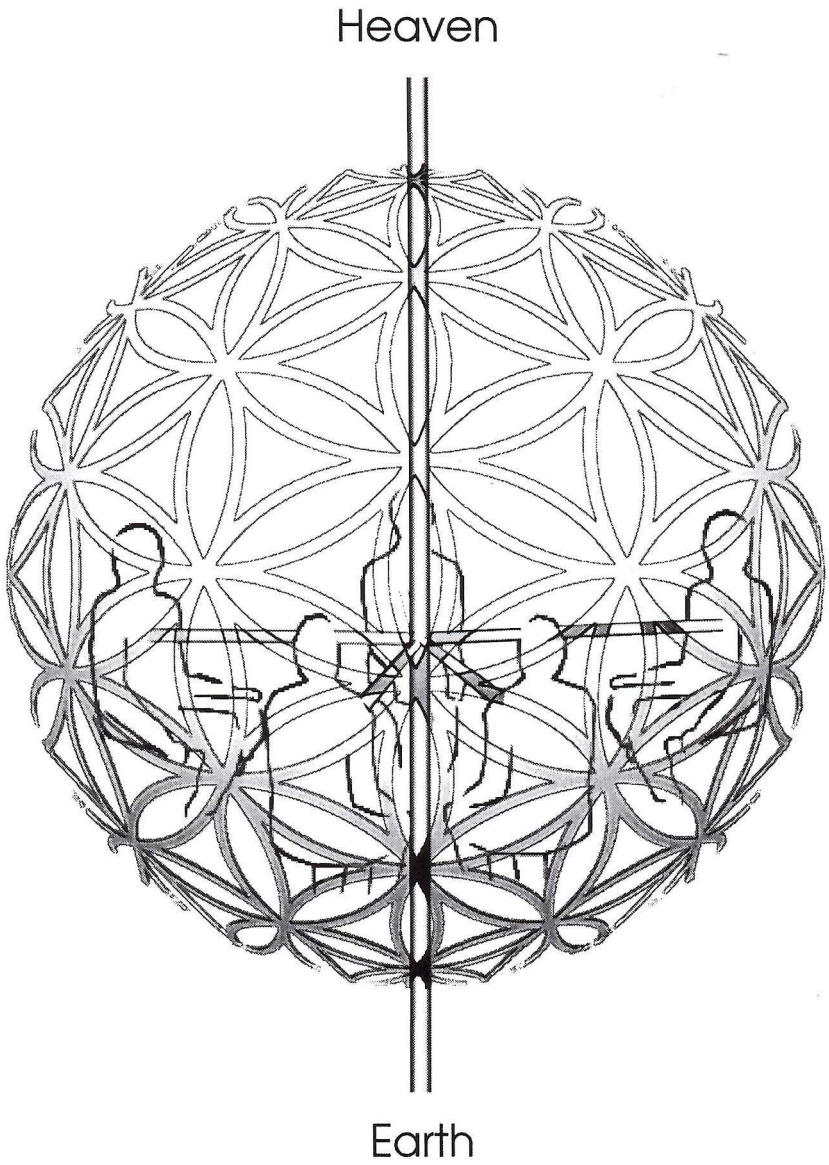
During the winter/summer solstice of 1999 the south pole of our planet was directed toward the Galactic Centre as it aligned with the plane of the galaxy and the Sun. At that time the galactic energy/consciousness programs entered the existing hole in the ozone layer above Antarctica, and gave our planet an initiation of galactic consciousness/energy that was entirely unprecedented in the history of our planet (isn't it interesting that the hole in the ozone layer may actually be working to our advantage?).

The 13-year period following the 1999 activation/initiation promises to be a time of intense change while the human race on planet Earth integrates the new galactic energies that have been made available to us. The final activations will consist of a series of three astronomical events in quick succession during the year 2012. The first will be the total eclipse on November 13. The second will be the winter/summer solstice, which is the final solstice in the galactic plane alignment series. The third event will be December 31, 2012, when Sirius aligns with our planet and the Sun at midnight.

Could one of these celestial events be the end of the 5,200-year cycle - Mayan calendar date?

Begin All Hologram Of Love Meditations With the Group Connection

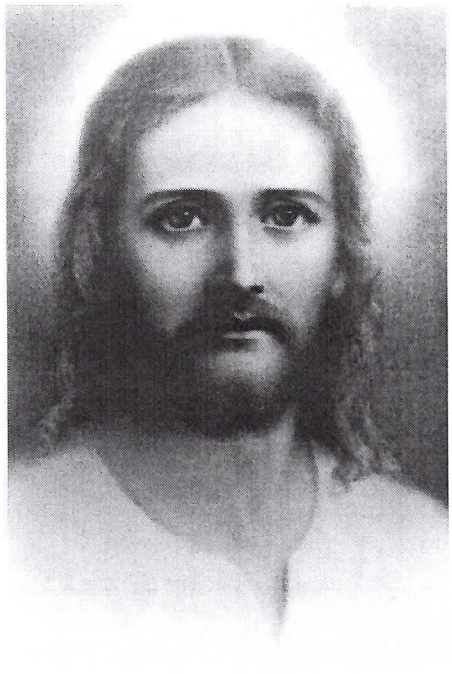
- Still the mind.
- Visualise a Triple Hologram of Love around the room and your group with the individual holograms in their respective brilliant gold, silver and white colours, rotating very slowly in their appropriate directions.
- Visualise a shaft of brilliant gold light through the centre of the Triple Hologram extending up to heaven or God Source, and extending down to the heart centre of Mother Earth.
- Project a beam of gold light from your heart into the centre shaft, repeating 13:20:33 in your mind.
- Hold this heart beam for a few moments as you connect into the hearts of your entire group, the Triple Hologram of Love, heaven or God Source and the heart of Mother Earth simultaneously.



Activating Your Chakras With The Natural Time Encoding Of 13:20:33 With The Triple Hologram of Love

- **Study the new chakra colours poster.**
- Begin with linking the group through the heart as set out on the previous page. Stilling the mind, call upon your spirit guides to support you through this spiritual journey.
- Visualise a crystalline Triple Hologram of Love with the 13:20:33 frequency within each chakra, beginning with the base chakra in sapphire blue.
- As the Triple Holograms spin there may be some particles dislodged as they clear the chakras.
- As this clearing takes place in each chakra you are re-establishing your ancient encoding of Divine unconditional love from your original point of creation within the Source of All There Is.
- Be guided by your intuition as to how long you work with each chakra.
- Next, the navel chakra using the colour emerald green.
- SOLAR PLEXUS - YELLOW/ORANGE
- Within the heart, visualise a red lotus flower slowly opening with the crystalline Triple Hologram of Love spinning in the centre.
- As it clears, call on Lord Sananda to enter your heart within the Triple Hologram, and connect with Him through your Soul.
- Next, move up to the thymus gland at the base of the neck which you will see as aquamarine (the thymus gland activates the immune system).
- As you spin the Triple Hologram of Love within the chakra, see it multiply into hundreds of tiny holograms and circulate through your body with the aquamarine colour. This strengthens your immune system.
- Now, move up to the throat chakra, which you will see as electric blue. Continue the same process as used with the thymus chakra.
- Move next to the third eye in the middle of the forehead which you will see as violet.
- Spin the Triple Hologram of Love and then visualise the violet penetrating like a shaft into the brain, firstly to the pituitary and then into the pineal gland.
- At the same time draw in white light through the crown into the pineal gland.
- Now, direct a continuous flow of tiny crystalline Triple Holograms of Love in through the violet shaft, through the pituitary and down through the white light of the crown into the pineal, all exploding together in the centre of your brain in a brilliant lilac coloured light.
- Manifest a Triple Hologram around your head to contain the exploding holographic light for as long as you can to allow the tiny holograms to reach every part of your brain in order to awaken it.
- Let the white light with the tiny Triple Holograms of Love pour out of the crown, down the back of the head, down your neck and then down your spine, exploding at the base of your spine.
- Hold for a while, then project the Triple Hologram up the spine through the crown into the Ninth Chakra above the head, which is pearlescent silver.
- Accelerate the spin of this Triple Hologram creating a shower of pearlescent silver particles cascading over your body. female energy
- Spin up to the tenth chakra in pearlescent gold and repeat. Male
- Next, spin up to the eleventh chakra, which is pearlescent pale blue and repeat. lady mary

- Move up to the twelfth chakra which is pearlescent rose pink and repeat.
- Finally, spin up to the 13th chakra, which is opalescent pearlescent, and, as you spin the Triple Hologram of Love and shower the body and lower chakras with a cascade of pearlescent colour particles, call on the Higher Self to manifest.
- If the Higher Self becomes visible it will appear semi-transparent pearlescent.
- It does not matter if the Higher Self is not visual - the thought intention will be enough for it to connect with you.
- Ask if it has a telepathic message for you.
- Next, visualise a large Triple Hologram of Love all in pearlescent gold above the Higher Self 13th chakra.
- Call upon your I AM presence to appear within it. Once again, it doesn't matter if it does or does not. The thought intention has made the connection.
- Allow the Triple Holograms containing the Higher Self and the I AM presence to merge together.
- Next, visualise the Christ Grid around the Earth and allow your combined Triple Holograms of Love to drift up into it and simply merge or melt into it.
- At this moment call once again on Sananda to come to you and ask Him to take you on a spiritual journey that is just perfect for you.
- After a short time draw yourself back to the Christ Consciousness Grid and draw your Triple Holograms of Love down out of the Grid.
- Slowly spin down to the Higher Self at the 13th chakra, drawing the Christ Consciousness energy from the Grid with you.
- Allow the Triple Hologram of Love to expand from the 13th chakra around the body to rotate slowly in its said manner.
- At the same time draw the powerful Christ Consciousness energy down through the higher chakras, down through the physical body and then down through your feet into Mother Earth.
- Continue down to Her heart centre, and explode the light in a spinning Triple Hologram of Love.
- Hold for a while as you become aware that you have become a conduit for the Christ Consciousness light energy from heaven to Earth.
- Continue to slowly rotate the Triple Hologram of Love around your 13 chakras and physical body as this process continues.
- Now, manifest a small Triple Hologram of Love in your heart. Ask Mother Earth to send the energy back up from the Earth to your feet, thanking Her for allowing you to serve Her in this way.
- Continue to draw the energy up and into the heart hologram. Also continue the flow down into the heart hologram. As the hologram fills up with energy allow it to expand slowly within and then beyond the body, and then to merge with the Triple Holograms already rotating around the body and 13 chakras.
- Hold for a while. When you are ready, open your eyes and relax. Your ancient original encoding of 13:20 time and eternal life is complete and fully activated through your whole creation. Now you are ready to activate your Triple Hologram of Love Merkaba.



The Colours Presented in this Meditation

Explained by Lord Sananda this way:

If you were to draw a heart, what colour would it traditionally be? Red, I'm sure. St Valentine's Day hearts are always red. Sananda has stated that red was always the colour of the heart, and that after the Great Flood and all the many lives since of war, murder, hatred, suppression etc. that green was introduced to heal the heart and red was in the base for us to keep procreating to establish, once again, larger numbers of human beings.

Bringing red up into the heart immediately draws the fire of the base chakra into love, and establishing blue and green in the lower chakras accelerates a healing of this region of the human body.

Remember, everything is changing now and you must be open to many new concepts that Spirit is gifting to you at this wonderful time on Earth.

Your bodies are also changing rapidly and are beginning to be attracted to a higher existence of Light. Your chakras will constantly continue to change now.

Foreword by Alton

At the beginning there was only a sound, then movement was introduced and then a vehicle. That vehicle was able to be transformed at will to accommodate any application that was needed in a given moment. The vehicle had to have a wave pattern so it could be manipulated by energy. This energy was of a magnetic value and so could respond to a thought command and pulse a response. As this concept developed and consciousness was added it was independently able to manifest, but still being connected to its original source. This amazing concept of divine wisdom was our original pattern of creation and so it seems the flower of life was that original pattern. I have never seen the flower of life pattern as a flat linear concept. The moment I saw it, it was holographic and all of my sacred geometrical work has been working with this amazing hologram, Several years ago, in the early days of working with Thoth, he reminded me of an original agreement I had with him in Atlantis and Egypt and as I lay on a bed of reeds dying within an Egyptian temple, he bent over me and said, "our work has just begun and I will return in your last lifetime and we will complete what we originally started. I will present the mysteries of the Universe to you and show you how to open the doors to the higher wisdom and the heavens will open for all mankind to see beyond their limited paradigm".

As I received this latest piece of information, the vision came flooding back to me and I was overwhelmed by its simplicity, His approach through the concept of time was most refreshing and seemed so logical. As we change our personal energy field to the Flower of Life hologram we break down linear time and disintegrate the veil. If we understand the concept of this pattern it will take us into the time continuum of the eternal life form of Adam Kadmon in the higher dimensions.

As the Universe is sustained by unconditional love, true divine manifestation can only occur within love. It is natural to conceive that the Flower of Life is the pattern of unconditional love. The Universe was born from it and the finest particle of our atomic cell structure is that pattern. That means we have always had the seed of unconditional love within us and all we need to do is recognise it and activate this wonderful original essence.

In presenting this wonderful 3 breath meditation, Thoth has renamed the hologram to the Hologram of unconditional Love and asked us to activate it with the Cosmic Christ Consciousness frequency of 13:20:33. This immediately awakens our original seed of love within our atomic structure and our soul responds through our heart and simply wants to expand through the Universe to merge with the unconditional love that abounds there. Simultaneously you break away from the linear time of 12:60 and enter the time continuum of the higher dimensions through the curves of the Hologram of Love. This approach to the Merkaba activation is unique and different and very automatic, It is quick and concise. As Thoth gave this tome he said it was time for mankind to enter no time and to break down the linear movement of time within the human consciousness this could only be done by activating the original seed of love within all human beings and align them with the source of All That There Is.

The Three Breath Merkaba — The Hologram Of Unconditional Love

(as received from Thoth through Alton)

My dears of physical Earth, I now wish to present to you an explanation of this ancient science and simple Merkaba activation.

Now is the time to see all things in curves. If you hope to extract yourself from the physical and seek the unlimited form of Light, you must attract to your consciousness a different form. This form must be of sphere or oval without any straight lines or edges. This is stated in the Emerald Tablets X, the key of time.

All angles are contained within the Hologram of Love and can be witnessed, but there is no need to delay your mind with these intricacies. When activating the holographic sphere, the angles automatically spin or rotate in unison and lock within the sphere of the Hologram of Love. With breath and thought intention the sphere will obey your every command and you will transverse the angles of time and find yourself in the stillness of the moment. You then can call upon the great Lords of Amenti and they will beckon you forward, as you will be within their garden.

Your call will be heard beyond the physical dimension and you will attract a variety of new Master teachers who will appear and open many more doors of higher cosmic wisdom.

The 13:20:33 Natural Time frequency is the key to activate and align your physical cells to the cosmic conscious vibration and the frequency will lock you into the cosmic consciousness grid now formed around the planet. The access to higher dimensions is then assured.

If you study your human body you will find the 13:20:33 Natural Time frequency is harmonised through it, and so this vital secret was known by the ancients and many aligned themselves and ascended.

The Hologram of Love is how the universe was born. When God gave the command, the universe burst forward from this patterned hologram and thus began the emergence of the Universe of Unconditional Love in which you live. The finest particle of your atomic cell structure has the Hologram of Love within it. This would seem to mean that if you activate a Light field of this hologrammed pattern around your physical body, that also extends through your body cells and anchors in your heart, you are indeed activating your true being of unconditional Love.

Unconditional Love is a magnetic force and once the Hologram of Love is activated and rotating, you truly become magnetic within every cell of your body and you begin to attract all you need to become a cosmic vibration of higher wisdom. The word Merkaba means a rotational field of Light, Spirit and body, and so if the command is given "13:20:33 Merkaba activate" the Triple Hologram, with all its sacred geometrical shapes within it, instantly rotates at that frequency of cosmic consciousness. Can you see how simple and automatic this is? The Hologram of Unconditional Love is an automatic transmission through and beyond the Universe.

The Halls of Amenti await you, my friends. There shall be more.

The Unity Consciousness Mudra

Interlock fingers.

Point your forefingers vertically, crossing the left over the right to press the fingertips together. Then point the thumbs forward, also pressing the thumb tips together.

Explanation

The fingers interlocked and forefingers crossed over brings the left and right sides of the brain and body together activating the pituitary and pineal glands when the Hologram of Love is activated and expanded.

The thumbs pressed together pointing forward indicate the flow of heart energy during activation.

The left forefinger represents the pituitary gland.

The right forefinger represents the pineal gland.

Three Breath Triple Hologram Of Love Merkaba

Find a quiet place, sit comfortably, place your hands in the Unity Consciousness Mudra, Call telepathically to your spirit and master guides (and Lord Sananda the Cosmic Christ, if you wish) to guide and protect you through this spiritual journey,

As you close your eyes and breathe a little deeper than you normally would, in your mind sound the word "so" on the inbreath and "hum" on the outbreath. This is the natural sound and rhythm of the breath.

After several breaths visualise a shaft of white Light entering your head at the back of the crown. See it exiting at the bridge of the nose between the eyes, so that the shaft of white Light is at a 45 degrees angle through the centre of your head,

This technique has the ability to still the mind, create the space between thoughts and stop the interaction between the right and left sides of the brain.

Continue breathing, sounding the "so hum" and holding the shaft of white Light within your brain until a perfect stillness envelopes you, Now begin the three step (or breath) Merkaba technique.

Step One:

Visualise a TRIPLE Hologram of Unconditional Love above your head, just a little larger than your physical body, With one breath draw it down over your body and anchor the centre in your heart,

Thought intention on the Inbreath: Triple Heart Lock, Rotate Now breathe with the hologram like a second set of lungs and feel it's softness, It's love and tune into Its consciousness,

Step Two:

Visualise a pranic tube running through the centre of the TRIPLE hologram, extending beyond the hologram above to connect with the heart centre of God or Source, and extending below to connect with the heart centre of Mother Earth.

The pranic tube enters through the crown chakra and out through the perineum, On the inbreath:

Visualise the violet fire with the silver Goddess ray within it flowing up the pranic tube from the heart of Earth and down the pranic tube from the heart of God to meet at your heart centre.

On the outbreath:

Visualise the flow projecting forward from the heart like a laser beam filling up the TRIPLE hologram with the violet fire and silver Goddess ray and all through your physical body cell by cell,

Thought Intention on the inbreath: ***Triple Clearing Rotate*** (clearing of all negative and emotional blockages),

Step Three:

On the inbreath: Visualise golden prana flowing from Heaven and Earth through pranic tube meeting at the heart.

On the outbreath: Once again project the golden prana like a laser beam through your heart filling up the TRIPLE hologram

Thought Intention : ***13:20:33 Triple Merkaba activate*** (inhale, hold your breath), ***Phase Lock. Disk Expand.*** (exhale).

You may feel a sensation of expanding in all directions out into the universe and beyond.

Breathing Instructions:

First breath - normal 7 seconds in and 7 seconds out of the nose. Second and Third breath - in through the nose, out through the mouth under pressure.

The second breath can be done as many times as you wish to maximise the clearing within and around you.

EXPLANATION OF THE "TRIPLE" HOLOGRAM OF LOVE

- The triple Hologram of Love comprises of a gold hologram with a silver hologram inside it with a white hologram inside the silver,
- The gold hologram represents the masculine ray of Creation.
- The silver hologram represents the feminine ray of Creation.
- The white hologram represents the combination of the gold and silver rotating faster than the speed of light to produce the androgynous white light of the God Source.
- This means that as you activate the triple Hologram of Love around your body you are drawing directly into your spine, through the 33 vertebrae, the perfectly balanced male and female energies of light and love resonating to the frequency of the God vibration.
- Also, as you activate the triple Hologram of Love the gold is rotating counterclockwise, the silver clockwise, the white counterclockwise.
- This also means the disc is split into three as well, rotating in the same manner as the gold, silver and white holograms.

Counter clockwise = clearing energy
clockwise = drawing from God.

NOTES

Why Don't You Have Eyes In The Back Of Your Head?

The spine is the center of your body but it is also the center that holds you between two worlds. The front of your body is in the illusionary world of the third dimension and the back is within the time continuum of the higher dimensional worlds.

As you raise your awareness you raise your spiritual energy up your spine and the time continuum of no time begins to awaken behind you.

The physical body is simply a facade for the full extension of yourself which resides in the higher dimensions right behind you,

The physical senses had to be in the front of the body to accommodate the physical world,

The back of the body was manifested to simply support the senses of the front and truly completes the illusion.

So the illusion of being separate is false within human consciousness because even as you think this, you reside in unity connected to the time continuum of the higher frequency worlds.

When one is working with spirit guides, they will always enter through the spine.

When a body dies, the time continuum simply envelopes the dead body and claims back the soul into the eternal light of the now and forever.

The illusion of that life dies with the body and the soul continues on its journey.

When a soul becomes fully enlightened it draws the time continuum forward allowing it to see 360° as well as allowing it to see all so called solid matter as transparent while it resonates to a higher conscious frequency within the time and light continuum.

Your physical body is smooth and rounded and has no straight lines or angles on it. It was built to easily remove itself from this physical paradigm through the time continuum to a higher divine concept,

A simple exercise is to activate the Hologram of Love Merkaba and ask the time and light continuum to press up against your back. It will respond and you will feel your whole back become energized.

Draw yourself back into the time continuum and look at your back. It may become transparent and you will see how illusionary your physical body and world really is.

Always in the One Heart.

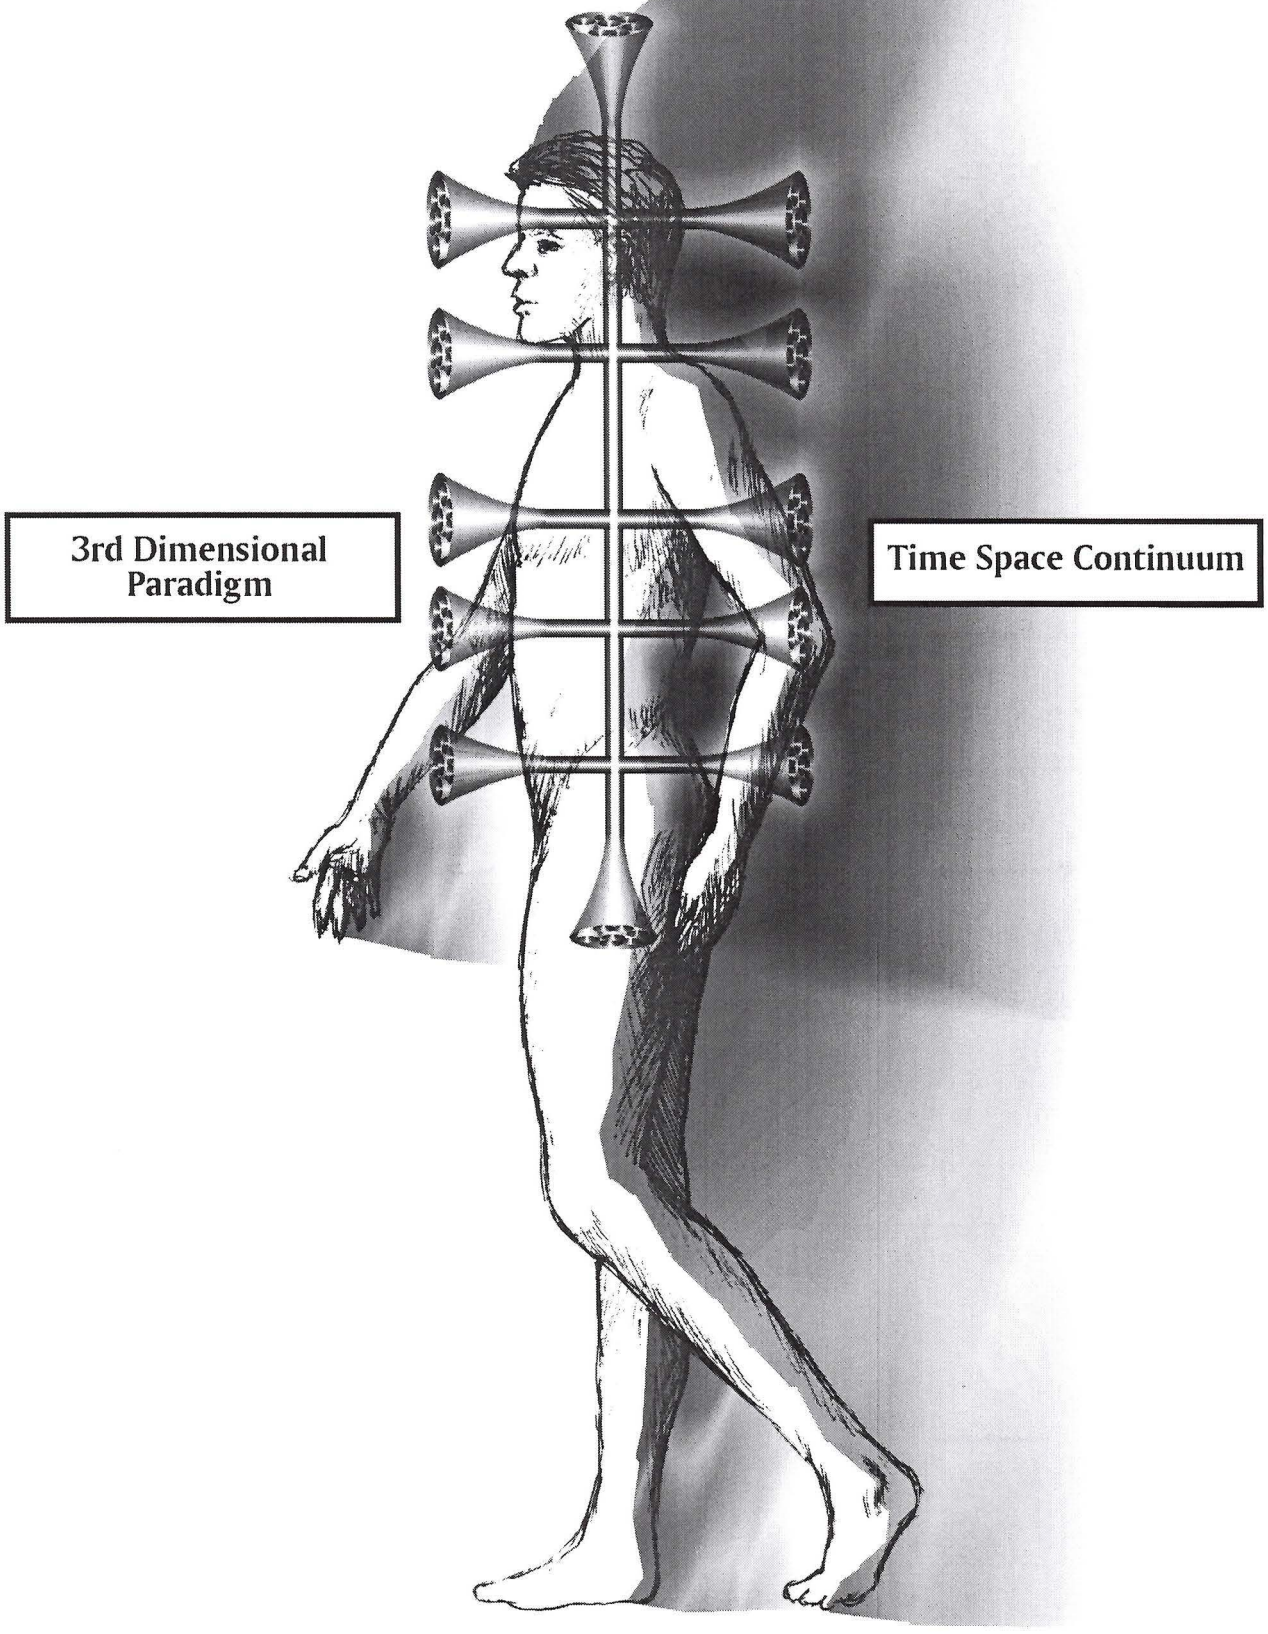
The Time Space Continuum and the Chakras of the Body



Accessing The Time Continuum With The Individual Spheres Of The Hologram Of Love

- Proceed through the first two steps or breaths of the Merkaba meditation.
- Now visualise each individual TRIPLE sphere within the Hologram pattern rotating. These individual Holographic Spheres represent every aspect of your being and body
- Allow them to align to form a unified rotating pattern. This will automatically occur. Thought intend 13:20:33 into all the spheres.
- Next thought intention: I command all spheres to accelerate rotation into the time space continuum moving out backwards through my body when the last breath of the merkaba is activated.
- 3rd breath, thought intention: 13:20:33 TRIPLE Merkaba activate

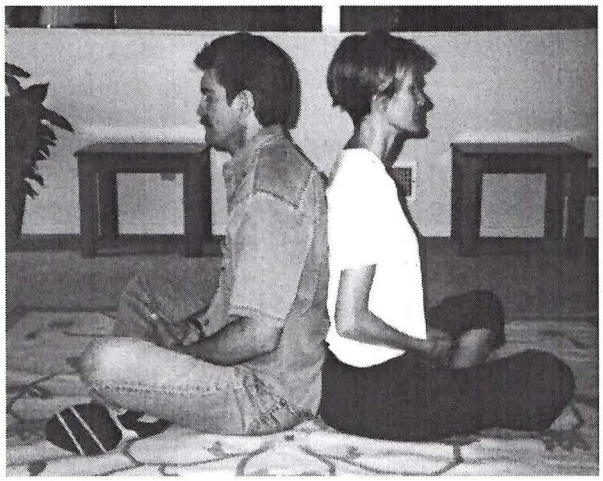
  (inhale, hold your breath)

  Time space continuum

  Phase Lock, Disk Expand (exhale).
- You may feel a sensation of being drawn out of your body backwards as you speed into the white light of the Source of God through the time space continuum.
- Enjoy your journey, and as you return come back through your time space continuum. Stop about three feet (one metre) out from the back of your body.
- Look at the back of your body and it may seem to have no back. You should be able to look into yourself and you may look more like a robot than a human being.
- Now, step forward into your body and fit into it like a glove. Now step out again and repeat a few times.
- Step out of your body backwards once again and call on your spirit and master guides to appear. Because you are standing exactly in their space you should be able to see, sense or feel them. Ask for some direct guidance and you should be able to hear telepathic communication.
- Now, go around to the side of your body and look at your personal veil which is attached to the vertical half-way point of your body. Many people describe their veil differently. What does yours look and feel like? Touch it with your etheric hand and try to describe it in your mind.
- Now, move through your veil and position yourself in front of your physical body and it may seem very different than what you're used to looking at.
- Move back around through your veil to behind your physical body and step back into your body.
- Relax, open your eyes and share your experience.

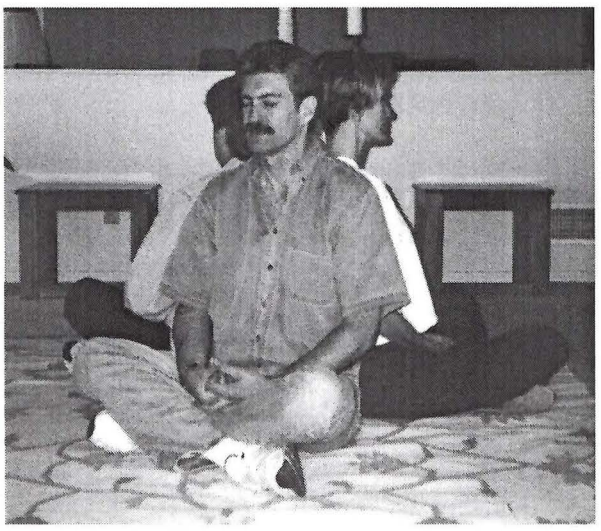
Bi-location

- In groups of three discuss your bi-location target, then sit back to back with shoulders touching (be very specific about your location: agree where to meet there and what to explore together).
- Next, visualise together a Triple Hologram of Love around all members of your group, then ask God to place a Triple Hologram of Love around your group as well; 12 holograms in total – a very powerful vehicle.
- Visualise an expanded shaft of light running vertically down from Heaven through the centre of the group, engaging all three spines, and from there down into the heart of Earth.
- Connect your hearts together with a golden thread of energy.
- Activate your Triple Hologram of Love Merkabas.
- Thought intention: **13:20:33 Triple Merkaba activate (inhale – hold your breath) Bi-locate, Phase Lock, Disk Expand (exhale)**
- When you are ready, return and discuss.
- This technique is equally effective in pairs, back to back, with spines touching.
- First bi-location: around the Earth.
- Second bi-location: out into the time space continuum.



EXTRA EXERCISES

- Agree to bi-locate to the etheric chamber of one of the Ascended Masters or Lord Sananda.
- Activate the one breath Triple x 3 Hologram of Love Merkaba arcing and illuminating the time space continuum to God.
- Play a piece of music you all agree on and bi-locate out on its rhythm wherever it takes you.
- Choose a past life of one of your group and bi-locate into it.
- Bi-locate to December 31st, 2012 on Earth.
- Rest and discuss with your partners after these exercises.



Activating The Pineal Through The Eye of Horus With The Original Ancient And Sacred Languages Of Egyptian, Hebrew, Sanskrit,Tibetan and Chinese

(REPEATING THIS EXERCISE WILL OPEN AND ENHANCE THIRD EYE SIGHT AND PSYCHIC ABILITIES)

- Activate the TRIPLE Hologram of Love Merkaba
- Visualising a TRIPLE hologram around the pineal and pituitary glands with a three jewelled crystal forming a pyramid within it, repeatedly chant the command, "Lay-oo-esh accelerate rotation time space continuum".
- The hologram will move quickly backwards into the time space continuum and you simply continue to chant the previous command.
- As you continue to chant the command you will draw the hologram further and further out into the white light of the God Source until the pineal disintegrates.
- As it disintegrates the Eye of Horus (Eye of God) will appear.
- Dive through the lens of the Eye of Horus (God) and the experience will simply be extraordinary.
- Chant: LAY–OO–ESH, AMEN–PTAH, PHOWA, KUAN YIN, GABRIEL, BUDDHA repeatedly (the proper sounding of these sacred words fuses together the Lightbody).
- As you travel deeper through the lens of the Eye you may experience the attraction of colours, languages, symbols, sacred geometry and sound.
- When you are ready to return, command the Eye of God, with the three jewelled crystal within it, to return and seat itself within your physical brain.
- Concentrate on the Eye of God in your brain and expand to infinity with the last breath of the merkaba. Enjoy this experience for a short while.
- As you open your eyes you may sense and feel a great deal of activity over your crown as you will have re-encoded the template across the top of your head to now receive all the ancient languages direct from the Source.
- Recite the Great Invocation at the end of this exercise and it will empower you.

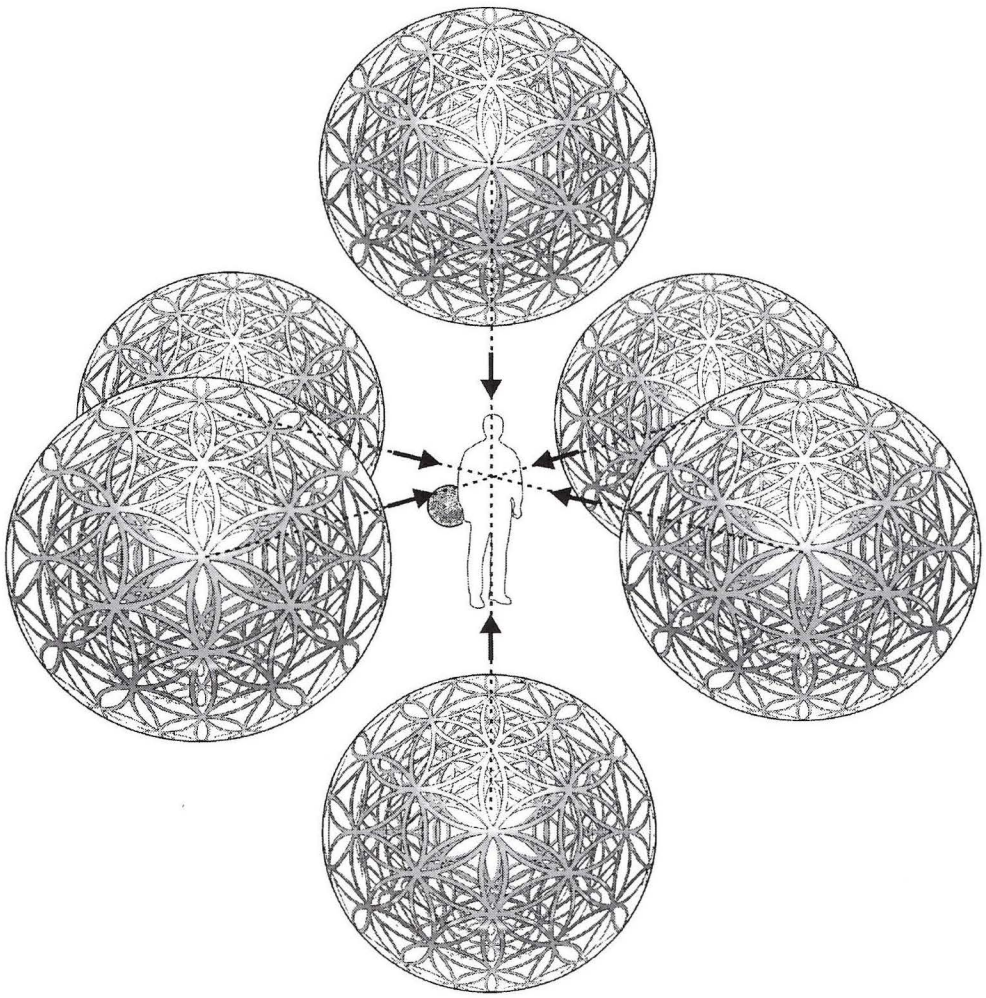
One Breath, Seven Hologram Of Love Merkaba Technique

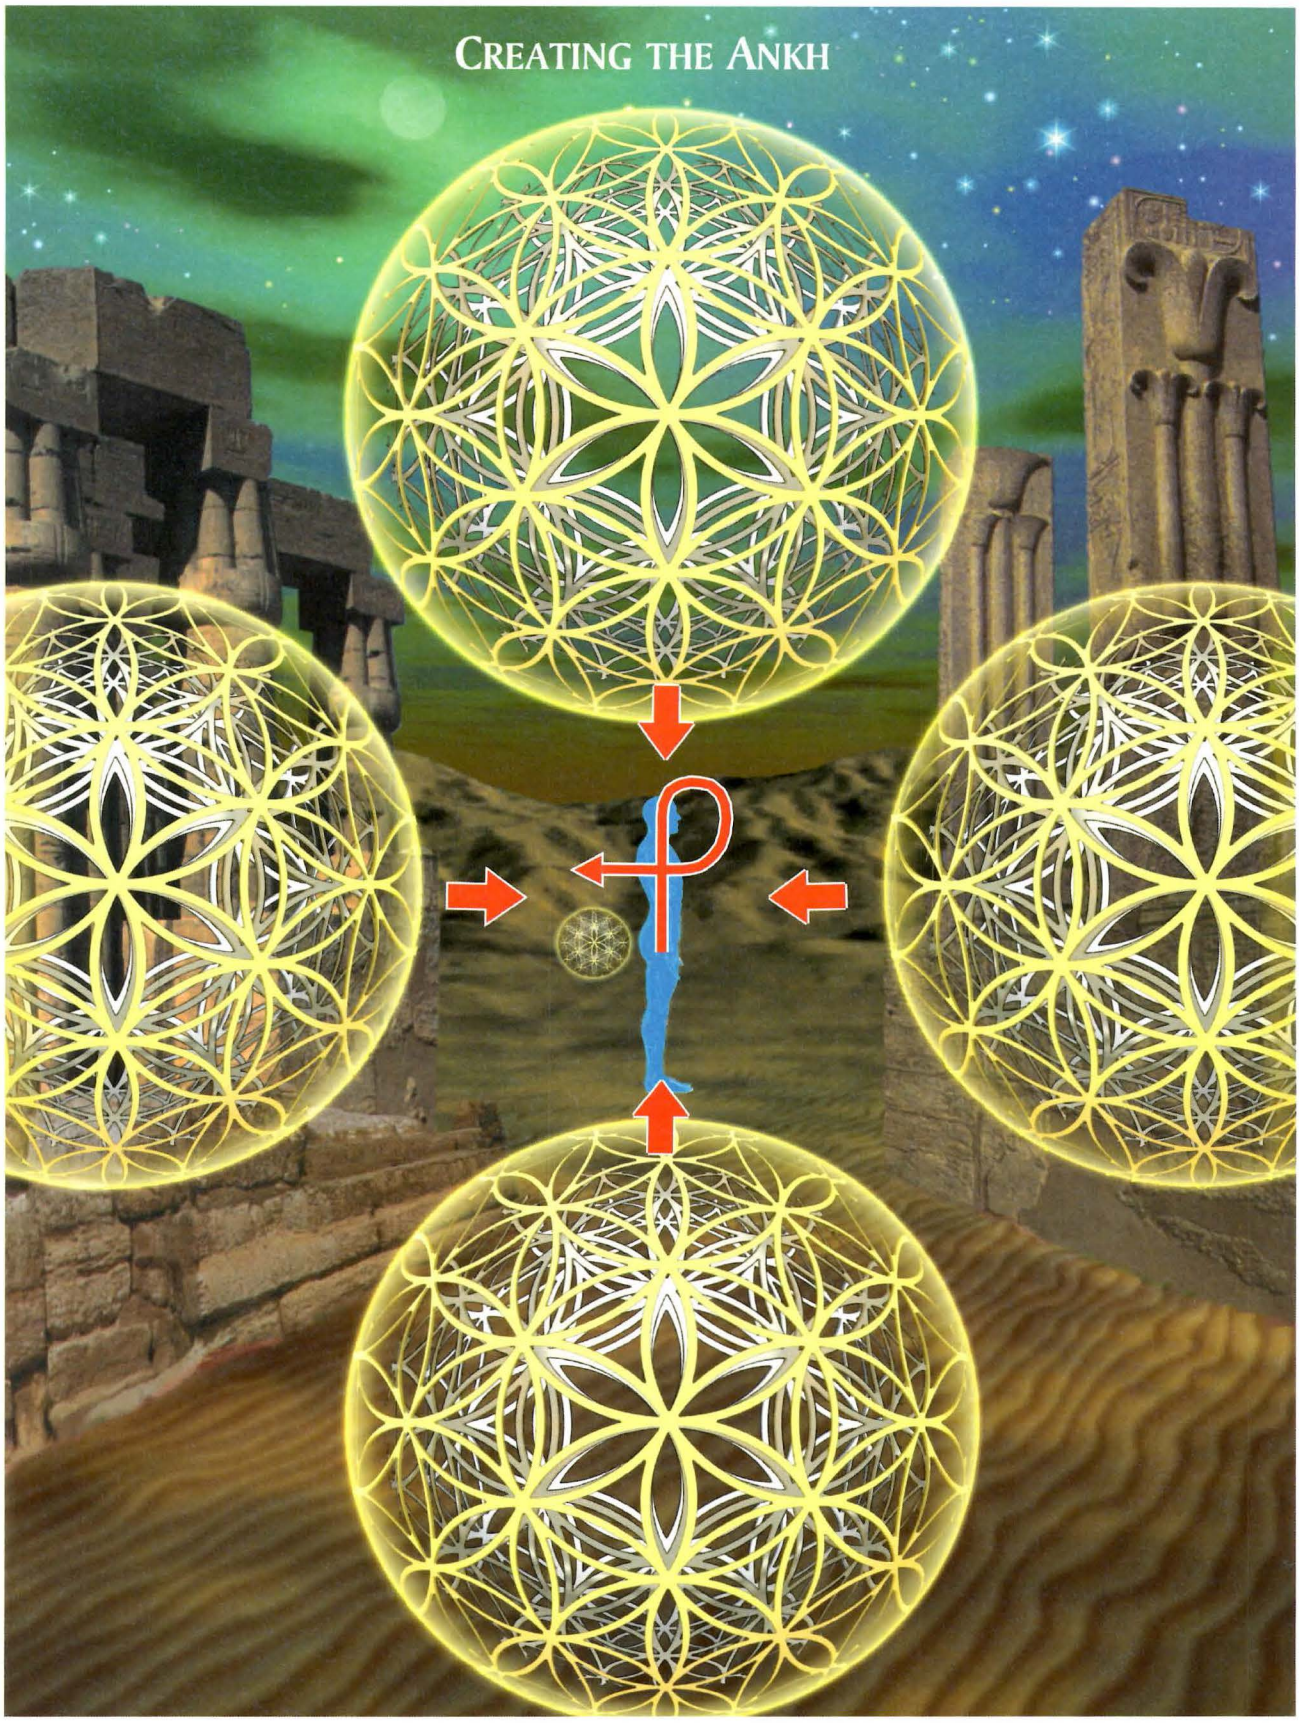
Begin by practicing with a small TRIPLE Hologram of Love spiralling counter-clockwise up your spine through the 33 vertebrae.

Next, visualise a TRIPLE Hologram of Love (large enough to fit around your body) above your head, a TRIPLE hologram below your feet, one in front of you, also one behind you, one either side of you and a small one at the base of spine (seven TRIPLE holograms in all - see diagram below).

INBREATH:	Draw the TRIPLE Holograms from above, below, in front, behind and either side of you to lock into the heart.
OUTBREATH:	Spiral counter-clockwise a small TRIPLE Hologram of Love up the spine and out the crown.
Thought Intention:	TRIPLE heartlock rotate (inhale) 13:20:33 phaselock disc expand (exhale)

This powerful technique activates great strength and power to your Merkaba field and can take you out into your known Universe and beyond or into the time continuum, whichever is your thought intention.





CREATING THE ANKH

The Receiving Of The Ankh

During the new year of 1998, early January, I received a wonderful gift from God of which I was prompted to share and teach once I completely understood all aspects of this unique experience.

Since activating the time, light continuum behind and around me with the 3 Breath Hologram of Love Merkaba, I became aware of the rotating field or tunnel behind me at all times and a glow of light in the distance within that rotating field (very similar to the light people experience when they are about to pass over – die). I wondered what was to happen to me. As I went about my daily routine one day I suddenly experienced a beam of white light projected at great speed, (from the glow of light) into the centre of my back. I physically felt myself being jolted forward with the impact. My spiritual energy (Kundalini) instantly responded by projecting up my back and seven serpent heads of spiritual energy appeared over my head. They curved over in front of me and entered back through my heart. As they entered through the spine again, there was an explosion of light and the time light continuum behind me spiralled into blinding white light and my whole Merkaba field around my body was immersed in piercing white light. At that moment I understood the power of unconditional love of the universe that was wrapped around and through me. I was aware of being in a white light body immediately behind my physical, at the same time as being in the physical body. My physical body did not seem to be physical, and unlike my white light body, it was radiating gold light.

I'm not sure how long this experience lasted, it seemed timeless. I was aware of the presence of Thoth continually, and as the euphoria began to subside he began to explain what had happened.

Before he spoke, I seemed to know intuitively that I had received the Ankh of the ancient Egyptian philosophies and he acknowledged this to be so. He then went on to explain and describe this wonderful experience.

As the light from God penetrates the heart from behind, it encourages the seven serpents to draw over the head and enter the heart. This creates a spiral through the time continuum and illuminates it. Then the physical body can be withdrawn from the physical realm and transcend the limited memory consciousness into the unlimited light memory consciousness. Thus the physical body has turned itself inside out with its own God magnetic force of love returning to source.

The time space continuum is the outer shell or cocoon of the light body and is everything you are, which continues back to the source. Your memory of yourself is encoded in the time space continuum attached to you.

As you draw the serpents over and through the heart, you are activating the natural spiritual extension of your spine back to God, which is once again the spiritual centre of your light body, which is automatically illuminated with this surge of energy. This means you are turning yourself inside out. This bares the soul to God and you surrender yourself to your divine higher intention.

The seven serpents reside dormant within the seven chakras of the body which in turn, are connected to the seven outer bodies of your creation. As they are activated they are responsible for turning the physical body inside out, spiralling back to the God Source.

You can see how this makes it possible to transcend the physical and manifest the Adam Kadmon light body which also resides dormant behind you until activated.

The seven serpents multiply to 13 once spiralling back into your time light continuum and form the light body.

When the perfect moment is presented by God once again, the serpents loop and spiral again, separating into twenty spiritual extensions and you enter into the Cosmic Christ Conscious form of Creation.

The final experience is creating a spiritual extension of 33 serpent energies which draws you into the Source of All That There Is.

The Ankh can only be received from behind.

Love and blessings, Thoth.

Once Thoth had given this explanation he then guided me to read certain pages in The Emerald Tablets once again. The following is what came forth. Emerald Tablet XIV Page 76 first paragraph:

In the primeval, dwell three unities.

Other than these, none can exist.

These are the equilibrium.

Source of creation;

One God, one truth, one point of freedom.

In ancient times the Ark of the covenant referred to an experience of the arcing of energy by God through man, returning him to his original blueprint/Adam Kadmon or Covenant. Initiates became living, walking Ankhs of God's grace.

ILLUSTRATION OF VISION ON THE FOLLOWING PAGE

Quotes from Thoth:

"As one dies, one travels the same space time continuum as the advancing light body when one is seeking enlightenment or Ascension."

"The final physical act as you draw back into the light body is to extend yourself forward to embrace the physical body in love and draw it back to merge into the light body. It dissolves in love."

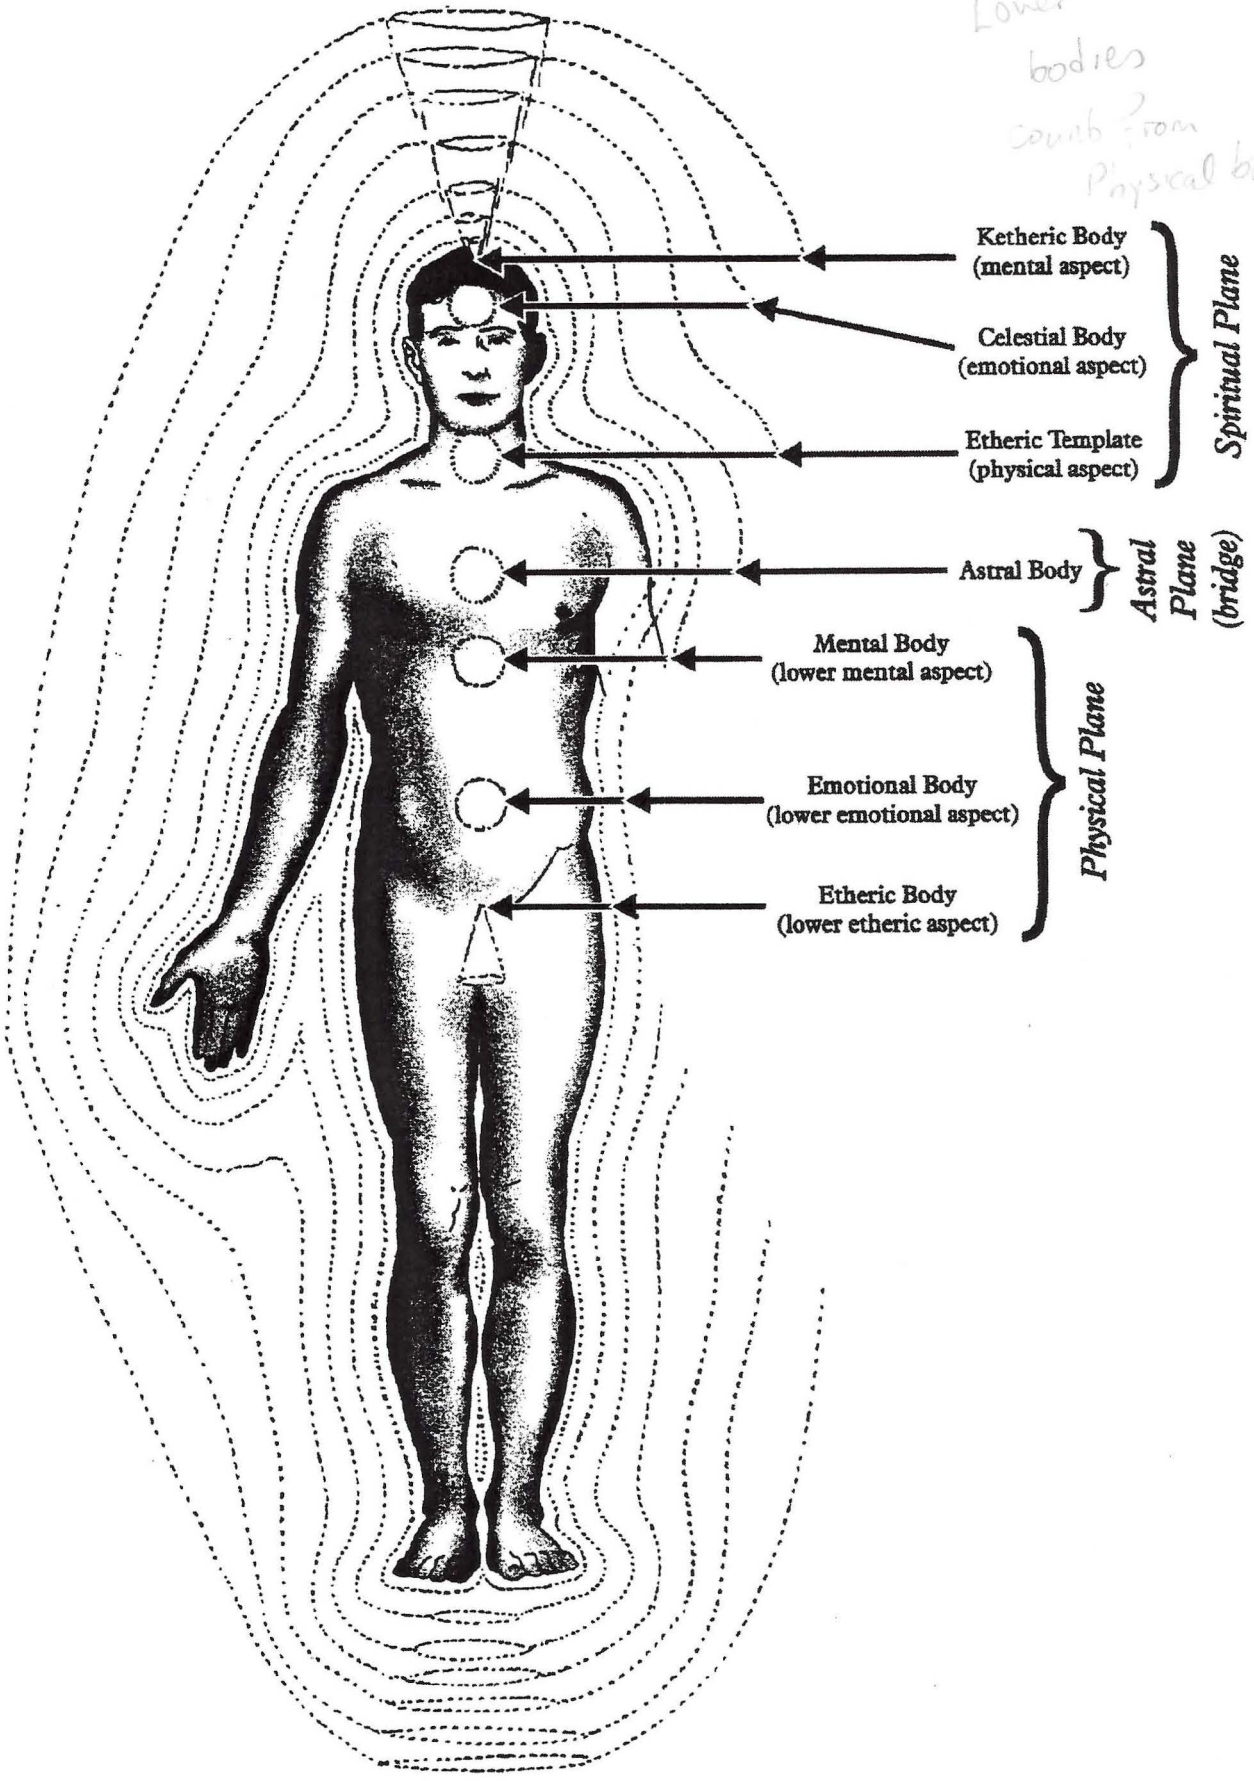
The Seven Layer Auric Body System



The Traditional Explanation Of The Ankh

The ankh is the oldest amuletic device of Egypt. The hieroglyphic sign of the ankh means 'life', 'living' and 'everlasting life'. It refers not only to the earthly world but also, and perhaps more importantly, to the afterlife, the second life, that of the spirit.

The symbol of the ankh combines the generative principles of man and woman in a single design. The loop represents the feminine reproductive organs while the remainder that of the male.

Another interpretation is that of a dam thrown across the Nile, which forms a lake of life-giving waters. The upright is the Nile, the cross bar is the dam and the loop the lake.

Activating The Ankh

The following technique was then given by Thoth based on The Emerald Tablets, once again, to allow initiates to draw the Ankh experience to themselves.

The technique begins with the 7 TRIPLE Hologram of Love One Breath technique.

As the spiritual energy spirals up the spine and surges out the crown chakra, draw it over your head and turn it back Into your heart.

At that moment you will feel a lot of energy in the body. Some of you will be drawn backwards out of your body into your time light continuum.

Chant the command; "DOR-E-UL-LA"

Emerald Tablets XV:

When ye have released the self from the body, rise to the outermost bounds of your earth-plane. Speak ye the word DOR-E-UL-LA. Then for a time your Light will be lifted, free may ye pass the barriers of space. For a time of half of the sun (six hours), free may ye pass the barriers of earth-plane, see and know those who are beyond thee. Yeo, to the highest worlds may ye pass. See your own possible heights of unfoldment, know all earthly futures of Soul.

Bound are ye in your body, but by the power ye may be free. This is the Secret whereby bondage shall be replaced by freedom for thee.

Chant the command: "LA-UM-1-L-GAN"

Emerald Tablets XV:

Calm let thy mind be,
At rest be thy body:
Conscious only of freedom from flesh.
Center thy being on the goal of thy longing.
Think over and over that thou wouldst be free.
Think of this word - LA-UM-1-L-GAN -

But only to those who seek my wisdom,
for only for these am I the Key and the Way,

Journey into the Halls of Amenti to meet the Lords of Amenti

Chant the command;
"MERKUT-EL-SHAB-EL HALE-ZUR BEN-EL-ZAB RUT ZIN-EFRIM-QUAR-EL."

Emerald Tablets XV:

Hear ye while I give the greatest of secrets: how ye may enter the Halls of Amenti,
enter the place of the immortals as I did,
stand before the Lords in their places.

Lie ye down in rest of thy body.
Calm thy mind so no thought disturbs thee.
Pure must ye be in mind and in purpose,
else only failure will come unto thee,
Vision Amenti as I have told in my Tablets.
Long with fullness of heart to be there,
Stand before the Lords in thy mind's eye.
Pronounce the words of power I given (mentally);
MERKUT-EL-SHAB-EL HALE-ZUR-BEN-EL-ZABRUT ZIN-EFRIM-QUAR-EL.
Relax thy mind and thy body.
Then be sure your soul will be called,

Journey into Shamballa

The next command should be preceded by the first two but not three as this is a separate journey.

Chant the command; "EDOM-EL-AHIM-SABBERT-ZURADOM.

Now I give the Key to Shamballa,
the place where my Brothers live in the darkness:
Darkness but filled with Light of the Sun
Darkness of Earth, but Light of the Spirit,
guides for ye when my day is done.

Leave thou thy body as I have taught thee.
Pass to the barriers of the deep, hidden place.
Stand before the gates and their guardians.
Command thy entrance by these words:
"I am the Light. In me is no darkness.
Free am I of the bondage of night.
Open thou the way of the Twelve and the One,
so I may pass to the realm of wisdom. "

When they refuse thee, as surely they will,
command them to open by these words of power:
"I am the Light.
For me there are no barriers.
Open, I command, by the Secret of Secrets -
EDOM-EL-AHIM-SABBERT-ZUR ADOM."
Then if thy words have been "Truth" of the highest,
open for thee the barriers will fall."

COMMENTARY

Visualise a Triple Hologram of Love above your head, one below your feet, one in front of you, one behind you, one either side of you and one at the base of the spine (seven TRIPLE holograms in all).

INBREATH:	Draw the Triple holograms from above, below, in front, behind and either side of you around the body to lock into the heart.
OUTBREATH:	Spiral counter-clockwise a small triple Hologram of Love up the spine and out the crown.
Thought Intention:	Triple heartlock rotate (inhale) 13:20:33 phaselock disc expand (exhale) Arc illuminate (As the energy flows out the top of your crown, draw it over your head in a circular motion and bring it back through your heart and out through the back of your spine into the time space continuum behind you.)

Repeat this technique 3 times with a short pause in between. The first time illuminates Higher Self 13; the second time illuminates I AM Presence 20; the third time illuminates God Self 33. This increases the height and size of the time space continuum. On the third time, as the spiritual energy enters back through your spine activating the zero point, or point of Creation, begin to chant the following below:

FIRST MEDITATION: Journey into the Halls of Amenti to meet the Lords of Amenti

Chant the command:	"DOR-E-UL-LA"
Chant the command:	"LA-UM-I-L-GAN"
Chant the command:	"MERKUT-EL-SHAB-EL HALE-ZUR-BEN-EL-ZABRUT ZIN-EFRIM-QUAR-EL"

SECOND MEDITATION: Journey into Shamballa

Chant the command:	"DOR-E-UL-LA"
Chant the command:	"LA-UM-I-L-GAN"
Chant the command:	"EDOM-EL-AHIM-SABBERT-ZUR ADOM"

The 33 Count

To clear, cleanse and heal all original emotion and thoughtform from all past lives and this life pertaining to karmic cycles yet to complete, one must rotate the whole body hologram 33 times into the God Source through the time space continuum chanting LAY-OO-ESH. This exercise cleanses the human cells completely, replacing them with a high vibration of Light and Love.

- To begin this powerful exercise you must call on your spirit guides, Master guides, Lord Sananda and ministering angels, your Body Elemental, Higher Self and I AM presence.
- Activate the Triple Hologram of Love around your body.
- Command: **LAY-OO-ESH accelerate rotation, time space continuum into the God Source** (outbreath)**.**
- Repeat LAY-OO-ESH continually.
- Hold in God Source LAY-OO-ESH.
- Draw hologram back through the time space continuum and place around the physical body. As you do this, simultaneously draw the white light of the God Source forward, compressing the time space continuum around the body.
- Hold around the body repeating LAY-OO-ESH.
- Once you have learned to draw the time space continuum around your body, whilst rotating the body hologram in white light, you can then begin the 33 count.

NOTE: This may seem overwhelming to some people so do not rush this exercise. If you do not complete the 33 count just go as far as you can and repeat again later. Eventually you will be able to complete the 33. The clearing of unwanted emotion and thoughtform is very powerful in this exercise, hence the difficulty in completing the exercise for some people.

Creating Unity Consciousness

- Activate your TRIPLE Merkaba
- Now, visualise four TRIPLE holograms around your heart in the Red Christ energy, representing the four elements, to create the Spherical Eye of God.
- Hold.
- Now, superimpose around this configuration the Seven Holograms in GOLD to create the Seed of Life.
- Hold.
- Next, superimpose around this configuration the Thirteen Holograms in WHITE to create the Egg of Life.
- Command: accelerate rotation 33 times God speed.
- Hold.
- Now, compress your Time Space Continuum around your body and merge all rotating spheres into brilliant WHITE light.
- Hold.
- If you are in a group, command that your light field of brilliant WHITE rotating spheres interconnect with everybody in the room, creating unity consciousness.
- Now, express the last breath of the merkaba once again.
- You will have created unity consciousness. Sense and feel this wonderful experience.
- Enjoy for as long as you wish.
- Relax.

NOTE:

Red represents the Blood and also the Christ energy.
The Blood holds the Christ vibration throughout your physical body.
The Heart vibrates the beat of God through the body via the blood.
Activating the Heart through the holographic spheres gives power to the Heartbeat of God through your creation.
The Heart being the seat or doorway to the soul.

MELCHIZEDEK METHOD

Level Two

Welcome to Level Two!

You have just begun. Level Two is a continuation of the beginning of this timeless method of self awareness. It is a time of knowledge gathering into a higher level of wisdom. This enables you to assimilate not only what you already know and have received but also to stay open for what is about to be presented.

Level Two will allow you to expand your knowledge of Ascension and at the same time present to you very powerful techniques which will continue to change your being, enabling it to vibrate to a higher volume of light. Your cells of physicality will accelerate their metamorphosis and continue to open as the symbolic lotus flower.

As you enjoy Level Two of the Melchizedek Method you will once more continue creating your ascending dreams to fulfill your chosen destiny. As Thoth has said concerning Level One, "the Melchizedek Method is a whole new formula for body health, harmony and spiritual ascension." This indeed applies to Level Two, as I am sure it will apply to Level Three!

Level Two

Level Two is a quantum leap from Level One. Not only will you see that most of the previous exercises have evolved and advanced, but you will once again be presented with new, cutting-edge information that higher Divine consciousness has been eagerly awaiting to present to us.

This workshop/seminar introduces an extraordinary new version of the merkaba called the "Orbital Merkaba". Its vibration will accelerate you into cosmic consciousness.

You will discover how to apply your mind and body to work in unison with the Great Pyramid and the Sphinx at Giza in Egypt. You will uncover and open hidden chambers releasing the ancient knowledge of enlightenment.

Healing is a major part of this workshop intensive and you will be introduced to some extraordinary techniques which will assist to bringing you and others into perfect health and vibrational harmony.

I once again encourage you to share any wonderful experiences or healings with me by e-mail or letter so that we can continue to add to our resume of experiences on the Melchizedek Method website to help support our facilitators around the world.

Please don't forget that if you have changed your address recently or if you do so at some time in the future to contact us with the changes so that our database remains up-to-date and that you won't miss the Melchizedek Method newsletter and any other ongoing information.

I wish you a safe and inspirational journey of Ascension as we, the human race, prepare ourselves for the completion of this journey of 3D and begin our journey of mastery into Light.

Love in Oneness always,

When I Walk Upon Earth

Chiquetet Arlich Vomilities (Thoth The Atlantean)
Through Alton Kamadon

A Master has come to walk upon the Earth plane again to prove that life is eternal. That death never was and never can be. I will prove a point, that conception was only in the beginning and that no more will man's soul need to endure a death again.

A physical body is a vehicle of transition and can and need never grow old. Old is in the mind of the beholder of that body, and when the body was born it was born to be eternal. It is constantly replaced as the consciousness cannot conceive it to be eternal. The mind set of generations of incarnating souls has to be changed forever, and so it shall be.

As I come again it shall be in an eternal body for all to see and it shall resonate to a higher tune for all to hear. It will appear like you, but it will resonate to cosmic consciousness and vibration. It will be retrievable at any given moment to appear elsewhere to bring the good news. It will know no bounds or limitation.

This body with my voice will be a resonance of higher consciousness that will know all things, and for those that will view it through their physical eyes it will affect them thus in the same manner as the vibration of that body.

No longer can there be talk of survival as the body will say it all. It will be a living, breathing example of what can be achieved. The boundaries of man are to be expanded – life as you know it will change forever.

The body of Chiquetet will hold an old encoding of eternal life of which all can partake and no longer can eternal life be denied.

So long as man has a role model he will endeavor to change to that role model.

The survival of mankind lies in the ever-changing consciousness that must continue and will. The change must now be rapid and concise, and a true direction be sought and become clear.

No longer must you accept death as the only option.

The time of no time is here. I bring to the Earth plane the original encodement for all to see, feel, and touch. The touch will result in a miracle change of perception of who you are.

No longer will you accept boundaries and limitation. You will awaken your cosmic encoding and return to the source of all that there is. This is not a promise, but a certainty.

The life of man can no longer be taken for granted, and for those that do they will also experience the change.

Your new world awaits you and you will succeed as this new world draws you to it as it is within your consciousness.

You have of past linear time experienced such a powerful state of being and voluntarily decided to succumb to a lower vibration to simply know how and what it would feel like.

You are much more than you perceive and I will come to prove it.

No more will man wonder what is before it – it will know it, then experience it.

You have many choices, but truly only one is uppermost in your higher consciousness. Know that before you take many more breaths your existence of no breath shall overcome you and you will breathe the cosmic breath of eternal everlasting life.

Allow your consciousness to open so you can engage my cosmic vibration. The door of heaven shall open inside you.

No more time is an option, for time is eternal too and will accommodate your every wish. It will obey your every command.

No more limitation, no more boundaries. Just peace, tranquillity, and a perfect state of being.

As I come to be with you, you will see no footprints as I have none. You will see only my golden light and you will know who is before you.

Know who I am as we are companions and brothers and sisters of light.

Only you can embrace me as your consciousness wishes and the eternal seed shall be awakened. No more heaven and hell. Only Heaven, Heaven, Heaven.

No time means that a state of existence can be manifest, that all things remain in a perfect state forever resonating to the service intention of God All There Is. This means that your intention shall always be clear and focused and you will manifest with only God Fulfilled Perfection.

This may seem not to be possible with such a low frequency vibration on Earth, but I say this is not so. The consciousness of man is illusionary and the illusion has now come full circle and yearning not to exist anymore.

It is a God-intended manifestation and so the dream of physical life is awakening to the reality of the higher perception of itself. It is also tired of continuing and wishes to close its doors forever. The illusionary world wants to experience the genuine world of higher consciousness and so the physical world of birth and death is disintegrating before your very eyes.

I will come to prove this very point and you will know without a doubt that this is possible and will manifest. It is God's intention. Know I am here, I am here now – soon you shall see me.

I Am Chiquetet Arlich Vomilities, My Love To All.

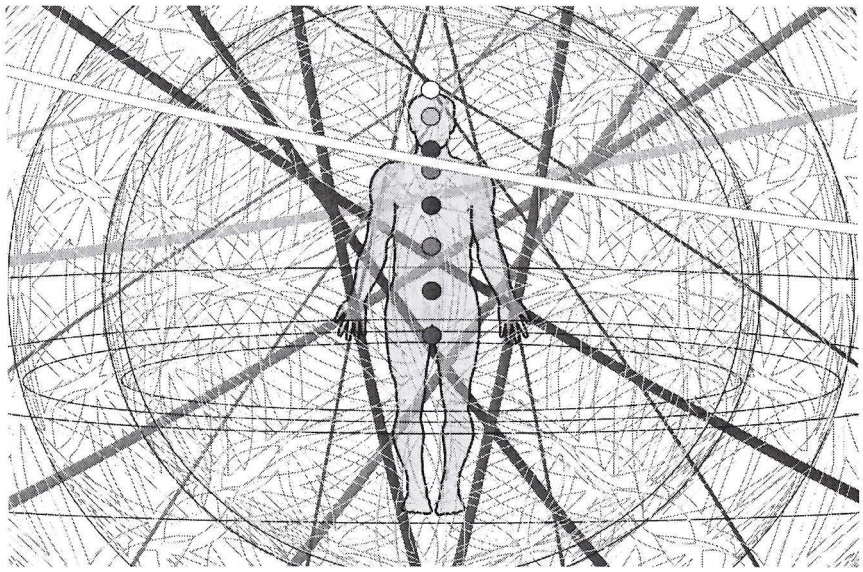
Quote from Thoth:

"Heaven meets Earth within the human body as heaven can only be drawn and manifest through human consciousness. Once it is established and accepted within the human consciousness the possibilities are endless as to how humanity can implement this consciousness.

Heaven is a concept of creation that indicates a desire for change into perfection within a given life form which seems to obstruct its own natural flow of evolution. Heaven has always been a concept of perfection. That perfection, in actual fact, has always existed, as all things created in God's mind are an image of God and must be perfect. The human form and consciousness is indeed perfect in its initial formulation but the illusion of third dimensional physical consciousness of imperfection is because the third dimensional paradigm truly moves as such a slow rotational speed that the human mind is drawn into every intricacy and is never satisfied that it has the complete answer at any given moment.

Humanity will never know every intricacy and so will never ever be satisfied. You constantly slow your Ascension process down by wanting to evaluate everything with your analytical mind."

The Orbital Merkaba Of Love



The Platinum Ray

The energy of the Platinum Ray is not a new energy but has an extremely high frequency that is forgotten and has been used by many in other dimensions and planetary systems to speed up the evolutionary process of many inhabitants residing on planets in these other systems.

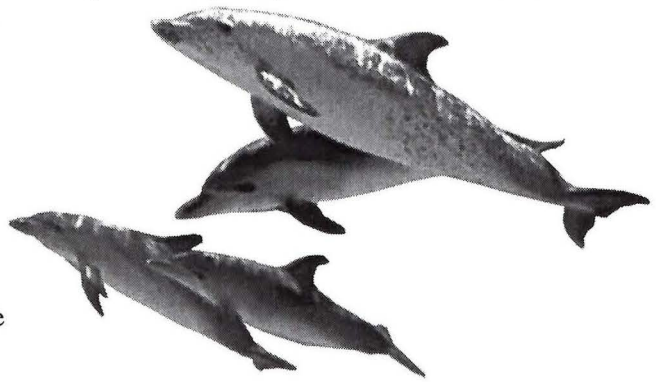
The energies found in Antarctica or the poles have a similarity to the Platinum Ray but they are nowhere near the degree of its refined vibration. The Platinum Ray is a silvery energy, which resonates to the feminine principle in all beings, this energy is like the energy prior to conception, a feminine energy to be used and honored by all who resonate with the goddess.

The energy of the Moon may be similar to this Ray but nowhere near its potential as a healer or activator, this is why the full Moon work has always been very popular on this planet with various groups and will continue to be.

The energy of the Platinum Ray is being activated at this time to clear the Karma which has been played out on Planet Earth and the Solar System. As we move into light the energy must be continually cleared on all levels for higher radiant energies to manifest on planet Earth and within our Solar System.

The energy of the Platinum Ray is carried through the nervous system and into the body. This can be very disruptive for some if the physical vehicle is not of good health. Focus on the Platinum Ray daily for protection, allow yourselves to drink of the Ray for your whole energetic system.

Water is very important – the higher the fluid intake, the clearer the channel for energies to manifest. Four litres of water a day is necessary to clear physical toxins from your bodies, caused by the physical pollution on Earth. Pollution in your minds and emotions as well as your physical bodies will be cleared with water. To begin, anchor and ground the Platinum Ray with running water, while you shower, bath or swim in a pool or the ocean. When you are in the ocean you resonate with the dolphins. They are platinum in color and have brought the Ray to Earth for many years. They need your assistance now on land to anchor the Platinum Ray energy.



There is much Joy in connecting with the dolphin energy - Dolphin energy holds the Platinum Ray magnificently to heal, clear and become pure.

Use the Platinum Ray daily: drink water and clear the mental body and emotional body through the heart center by using the Platinum Ray. Open to love of the Goddess and God force through your hearts. Resolve fear by thinking of the Goddess energy/Platinum Ray and mentally bathe yourself in this light. The Goddess is beauty, flowing healing into your life. This ray energy is beauty, peace, power, joy, magnificent and is available to all now.

Preparing Your Workshop Or Meditation Space

In order to maximise the effectiveness of the Divine power and Love energy that you will generate during your workshop you might consider setting up the energies in the room before the workshop.

The best time is the night before or the morning of the first day before people arrive.

I will describe my favourite method to you that has served me well over the years:

- First, set up and position all the chairs, tables and shrine or altar table;
- Next, light your candles;
- Now, stand in front of the centre of your altar table. Ask another person to stand opposite you at the other end of the room or, if you have two other helpers, ask them to stand in the two opposing corners at the far end of the room. Of course, you can set up the energies just as well on your own;
- Activate your Merkabas together;
- Call in Archangel Michael to manifest a pillar of Light in each corner of the room;
- Next ask Archangel Michael to line up his Legions of Light around the perimeter of the room to join up the pillars of Light in each corner;
- Now, ask Spirit to manifest a canopy of Light over the top and a platform of light underneath you, totally enscapulating the room or space that you are working in;
- Now call in Lord Sananda, Sai Baba and Archangel Michael to take position in the centre of the room, back to back, slowly rotating counter clockwise, projecting all their love and Light continually into the workshop space;
- While doing this ask Archangel Michael to hold his sword vertically above his head, extending through and beyond the canopy of Light;
- Next ask Lady Mary, Lady Athena, Lady Quan-Yin and White Buffalo Calf Woman to stand in each corner with the pillars of Light to manifest the perfect balance of male and female energies;
- Now call in all the Archangels and the Angelic Realms, the Elohim, the Ascended Masters, the Great Ones of the Central Sun (anyone else you may wish) and God to manifest their Divine Light and Love for the entire 4 day course;
- Once their energy has filled the room visualise a Orbital Hologram of Love surrounding everything, and see it slowly rotating in its said manner with a powerful pillar of Light through the centre extending beyond the Hologram above to God and below to Mother Earth;
- As you complete this setting up of the Divine Power of Love and Light ask spirit for total protection for yourself and your participants during the 4 days of the workshop;
- Ask the Orbital Hologram of Love to be of service to everyone for the entire 4 days as you tune into it each day;
- Ask for help for anyone that may need it during the workshop;
- Express that it is an honour to serve your God and fellow man in this way, and ask for assistance in presenting the workshop in a clear, concise and loving manner;
- At this time add any other request you might care to add that is important to you;
- Stand in silence in this position for as long as you are guided and then with a final thankyou open your eyes and relax;
- During this process you may be intuitively guided to add other suggestions given by Spirit, as each venue is different and may need something special for that particular place;

Now you are ready to begin.

The Group Connection

Begin all Hologram of Love meditations with the Group Connection

- Still the mind;
- Visualise an Orbital Hologram of Love with orbital spin around the room and your group with the individual holograms in their respective brilliant colours, rotating very slowly in their appropriate directions;
- Now repeat this pattern of holographic energy 1,000 times by visualising larger and larger orbital holograms around the outside of the original hologram sequence so that you are expanding the light energy fields to infinity, to God;
- Now, visualise a shaft of brilliant gold white light through the centre of the Triple Hologram extending up to heaven or God Source, and extending down to the heart centre of Mother Earth;
- Project a beam of gold light from your heart into the centre shaft, repeating 13:20:33 in your mind;
- Hold this heart beam for a few moments as you connect into the hearts of your entire group, the Triple Hologram of Love, heaven or God Source and the heart of Mother Earth simultaneously;
- Activate pulse expansion with normal breath;
- Next, accelerate the holographic light field to 33,000 times God speed with a breath;
- You have now created the highest vibration of inpenetrable light field around your group with which you can connect with God for meditation and healing;

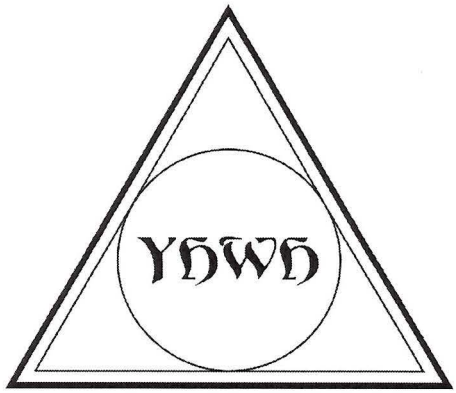
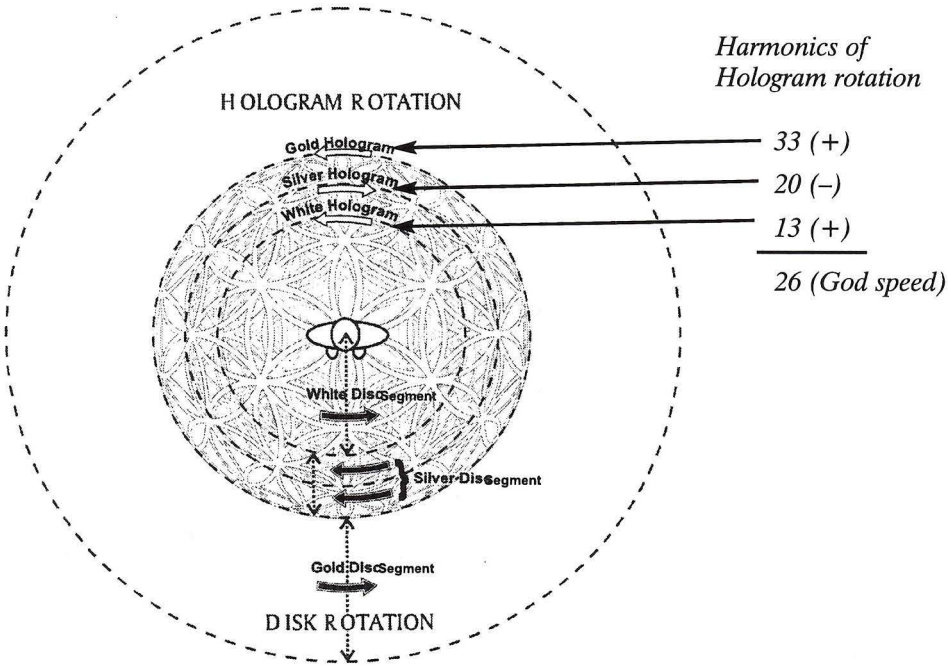
Unification Of The Mayan Calendar And The Kabbalah To Explain The Meaning of 'God Speed' As A Tool For Merkaba Rotational Acceleration



The Sacred Name of God (Tetra-grammaton) through gematria reduces to 26 (Y=10, H=5, W=6, H=5) . . . interestingly enough, the hologram of our sun is tuned to a 26 day cycle of rotation.

We will lose the shadow when we become like the Sun (Son), radiating from within!



The balance of the three rotation patterns of the HOL equals 26.

MER – counter-rotating fields of light are activated and tuned to the harmonics of spherical time – 13:20:33

Their spin is opposite, and their harmonics balance to 13-20+33=26.

So, the multidimensional Vehicle Of Light is "propelled" by the Love of God through the Language of Light, ***hence the meaning of the term 'God speed'.***

The Orbital Hologram Of Love

Find a quiet place, sit comfortably and place your hands in the Unity Consciousness Mudra. Call telepathically to your spirit and master guides (and Lord Sananda the Cosmic Christ if you wish) to guide and protect you through this spiritual journey.

Acitvate the Orbital Holographic field around yourself/group and room to create a sacred space. Now begin to breathe a little deeper than you normally would, in your mind sound the word "*so*" on the inbreath and "*hum*" on the outbreath. This is the natural sound and rhythym of the breath.

After several breaths visualise a sheet of white light entering the back of your head dividing your brain equally into two halves, then extending through your face and beyond into the universe. Continue to breathe in through you, increasing the power of the breath with the "*so hum*".

This technique has the ability to still the mind, creating a space between thoughts and stopping the interaction between the left and right sides of the brain.

Continue breathing thus until a perfect stillness envelopes you. Now begin the Orbital Merkaba activation.

- Visualise the Triple Hologram of Love Merkaba with the horizontal disk around your body, with the golden white pranic tube of light in the centre extending up and out through your crown to God as well as down and out through your perineum to Mother Earth;
- The vertical axis of the Triple Hologram of Love is aligned with your spine, the horizontal axis is aligned with your heart *(refer to bottom diagram on page 20);*
- Now expand the pranic tube to three times its diameter;
- Thought intention with breath: ***13:20:33 Triple Merkaba activate;***
- The merkaba will not expand at this point – just rotate it at God speed around you;
- The Triple Hologram of Love Merkaba should always be around you once initially activated;
- Now superimpose three new holograms along with the original gold, silver and white holograms of the Triple Hologram of Love merkaba:
    - The first new hologram is clear and spins just outside the gold hologram, in the opposite direction (clockwise);
    - The second new hologram is platinum in colour and encompasses the silver hologram, but spins in the opposite direction (anti-clockwise);
    - The third and final new hologram, which is clear like the first, spins just inside the white hologram and, once more, the direction of its spin is the opposite of the white hologram (clockwise);
- Thought intention with breath: ***13:20:33 Orbital Holograms activate;***
- The whole merkaba changes into a clear silvery white field of light;

At this point the body manifests 1,000 times more light. It starts to become semi-transparent in the third dimension and begins to glow with a brilliant light in the fifth dimension;

- Next, visualise the orbital spins through the chakras (rotating forward) with each orbital spin coloured according to the chakra around which it rotates;
- Thought intention with breath: ***Colour Orbital spin;***
- Hold for a few moments;
- Now visualise a second set of orbital spins through the chakras, this time rotating in the opposite (backwards) direction but occupying the same space as the coloured orbits. These second orbital spins are coloured with the Platinum Ray;
- Thought intention with breath: ***Platinum Orbital spin;***
- Hold for a short time to assimilate the spinning light fields through your energetic body and to allow all electrical impulses to align and merge in harmony and balance;
- We must next pulse-expand this configuration of disk, holograms and light orbits out to infinity (God), and then back in again;

- Thought intention with breath: ***Pulse-expand;***
- Pulse-expand this configuration with normal breaths in and out for a short time;
- Visualise a cleansing violet fire colour in your pulsing Orbital Merkaba at this time if you wish;
- Now accelerate the pulse-expansion beyond the rhythm of your normal breathing.
- Thought intention with breath: ***Pulse-expand 33 times God speed;***
- Hold for a while;
- Accelerate the pulse-expansion once more.
- Thought intention with breath: ***Pulse-expand 33,000 times God speed;***

At this moment the brain begins to align itself with a cosmic wave patterning (some of you may see or feel this vibration). This allows a higher cosmic wisdom to be drawn magnetically to you from the unified field of cosmic consciousness that lies at the galactic core in the centre of the universe. In other words, you are amplifying your personal magnetism of love at the cellular level, automatically attracting this great wisdom.

- At this time there is a connection that takes place between your pineal gland and your heart. As you activate the 33,000 pulse a beam of white light manifests connecting the pineal with the heart. Visualise this; see it becoming brighter and brighter;
- Thought intention <u>without</u> breath: ***Cosmic wave patterning;***

Thoth:

As the cosmic wave patterning is activated your brain and body unify and the cells open themselves like a lotus flower *(the lotus flower is the emblem of metamorphosis)*. They actually begin to turn themselves inside out with the pulse and back to normal again. This happens at great speed, and this action activates an electromagnetic energy that is purely made up of unconditional love and divine light. As your cells open and close at great speed, they begin to cosmically breath, so to speak, and your physical lungs relax a little, as they are not needed to physically breathe to the same degree. Eventually, with practice, the cells' cosmic breathing will take over from the physical lungs. This also means that the higher wisdom enters directly into your body cells and is automatically stored within. Your whole body becomes your brain. You can imagine that your body frequency or vibration has been enhanced a thousand-fold and that you become a pure divine magnetic pulse of love.

Becoming a divine magnet of love simply means that your cells attract a higher "wisdom of love". This automatically allows your Adam Kadmon light body to begin superimposing over and around you.

You become highly visible in the fifth dimension and beyond at this moment and many of you will begin to experience very colourful and detailed visions of this incoming dimension.

This dimensional shift is felt through all your bodily cells and outer bodies, and once experienced the memory is seeded and you can not return to the previous encoding. This is a non-reversable process. The cells have the ability to pulse open and closed naturally and so they increase their ability to manifest light a thousand-fold with this action.

You will never be the same after the Orbital Merkaba has been activated as you will have begun the process of entering cosmic consciousness.

I recommend that you might enter and stay in this energy light field of love for longer periods of time. This will magnetise your cells ever increasingly, and you will begin to explore the true cosmic consciousness that you are.

I bless you all as you begin to enjoy the open-hearted magnetism of cosmic love within the One Heart of God.

Adonai, Thoth.

Orbital Spin

The orbital spin of the chakra disks extends your spiritual centre energies beyond the physical body, manifesting a higher frequency body energy immediately. This helps the physical body to accelerate its transformation into light body and attracts light particles out of the ethers to spin directly into the chakras. These light particles are then spread throughout the spine, the whole physical body, and the outer bodies through this action. It also assists the process of opening up the spine 360°.

You will feel many sensations throughout your spine, the back of your head and your whole body as the light pours into you.

The orbital spin of the Merkaba takes you up beyond the Earth's gravitational field through your LAY-OO-ESH Pillar of Light and into a new light zone of life experiences. The orbital spin also creates spiralling effects which change the behaviour of the electron/proton structure, shifting us into new energy frequency fields.

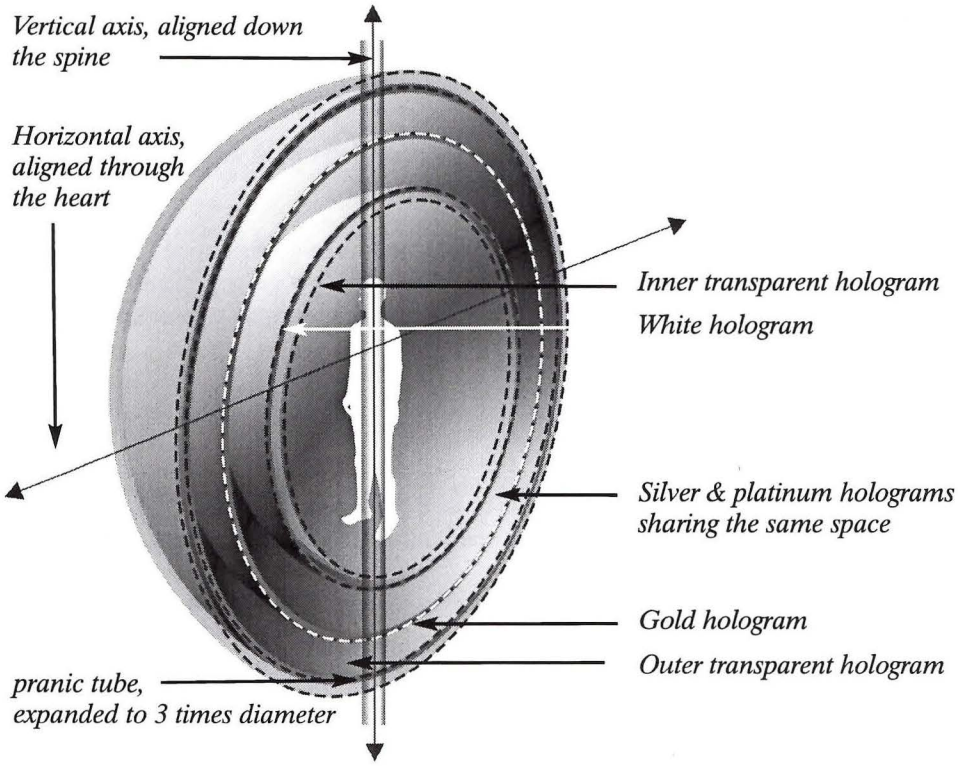
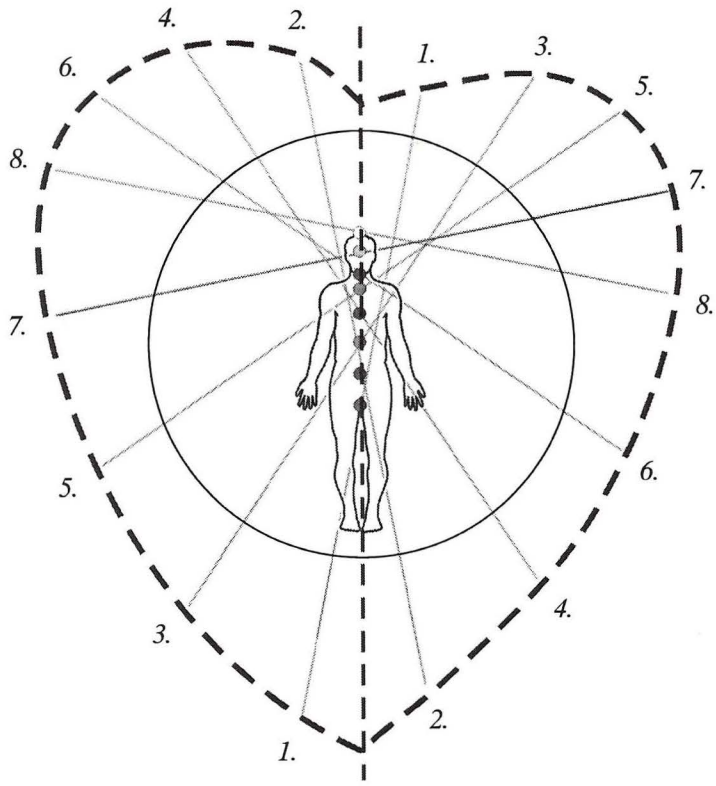
Orbital Hologram Diagrams



Left: ¾ cut away view of Orbital Merkaba's six holograms (holograms are represented as spheres for clarity). Note the vertical axis aligned down the spine, the horizontal axis aligned through the heart and the three new holograms in addition to the three existing Hologram of Love Merkaba holograms – the outer transparent hologram, the middle platinum hologram (sharing the same space as the silver) and the inner transparent hologram.



Left: Front view of Orbital Merkaba (one hologram represented as a ring for clarity around the body) showing the 8 chakra orbits, which if viewed at an angle would be seen as disks. Note that each orbit is centred on a chakra,using this chakra as an axis, with the sequence of orbits building from the orbits closest to the vertical plane:

1. *Base chakra orbit (sapphire blue)*
2. *Navel chakra orbit(emerald green)*
3. *Solar plexus chakra orbit (yellow orange)*
4. *Heart chakra orbit (red)*
5. *Thymus chakra orbit (aquamarine)*
6. *Throat chakra orbit (electric blue)*
7. *Third eye chakra orbit (violet)*
8. *Crown chakra orbit (white)*

For those technically minded, the angle between each consecutive orbit is 22.5°, building from the base chakra orbit on the left side of the diagram and alternating sides as each new angle is added. When an outline is drawn around the extents of the orbits ***a heart shape is clearly visible.***

NOTES

Advancing The Time Space Continuum

The time space continuum (hereafter referred to as the T.S.C.) is the continuous time love/light energy that allows you to divinely manifest your new reality. Hence you need to advance it through and around you to a greater degree than ever before. This new technique refines the previous approach to working with the T.S.C. and greatly amplifies the results.

Invite the T.S.C. to advance forward from behind you to end up projecting through the chakras, from your back to the front of your body. As you do this your chakras will begin to rotate clockwise. This ensures that the T.S.C. is propelled forward through your body to envelope and saturate your physical and outer bodies.

A cleansing of the spine and chakras takes place at this time, so you may experience some sensations. As you accelerate the T.S.C. through your body, thought intend it to project all the way to infinity in front of you, faster than the speed of light. This sets up a continuous high speed flow of T.S.C. energy. Eventually the flow will maintain itself of its own accord once it understands its purpose.

This flow will allow you always to be in a fifth dimensional unconditional love and light vibration, and will assist in the transparency of your atomic cell in the third dimension. In fact, when many of you first experience this T.S.C. high speed flow you may sense your body becoming non-existent, transparent.

This transparency experience is an indication to you that you are raising the vibration of your atomic cell structure to such an extent that your body can not hold its solidity anymore in the third dimension and is beginning to merge with the incoming fifth dimension.

Daily T.S.C. Activation With The Orbital Merkaba

  Chakras rotate in unison clockwise;
  (pause)
  Accelerate 33 times God speed to infinity;
  (longer pause)
- Thought intention with breath: ***13:20:33 Triple Merkaba activate;***
  (pause)
- Thought intention with breath: ***13:20:33 Orbital Holograms activate;***
  (pause)
- Thought intention with breath: ***Colour Orbital spin;***

Experiencing The Magnetism Of Love

First Technique

- Two people stand about three feet apart, facing each other;
- Now, both people visualise an Orbital Hologram around themselves and their partner, mainfesting a fine golden thread between their hearts that cannot be broken;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
  Increase acceleration of T.S.C. of unconditional love through me and through my partner to infinity;
- Hold;
- Move towards each other slowly, then stop;
- Now telepathically call in Lord Sananda to embrace you both in his love;
- Hold this position for a short time;
- Now come together and embrace in this overwhelming magnetised love energy, left to left, heart over heart as the Hopi Indians do.

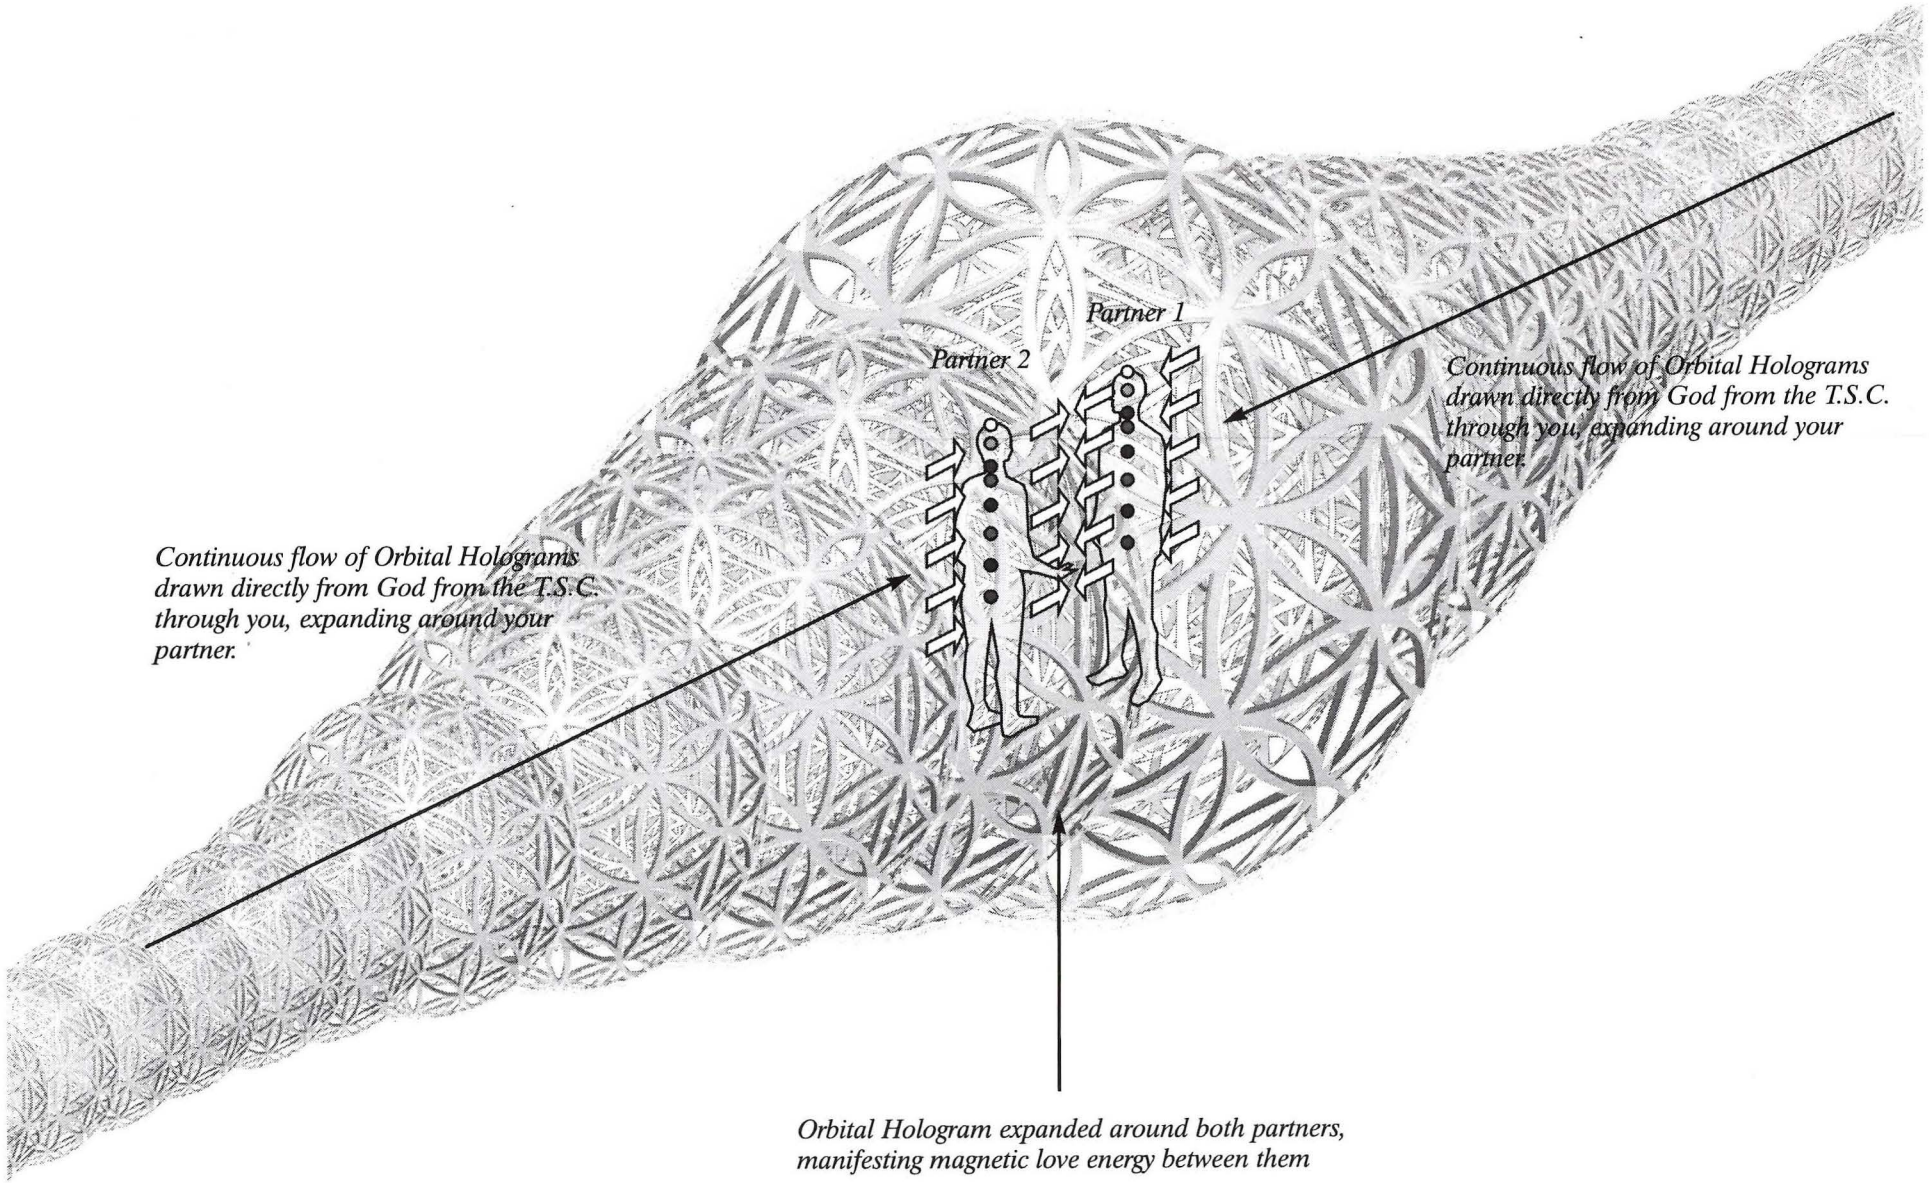
If you wish to do this exercise by yourself, simply stand in front of a mirror, or you might like to imagine Lord Sanada standing in front of you.

Second Technique

- Select the first person to send the Orbital Holograms;
- Two people stand about three feet apart, facing each other;
- Now, both people visualise an Orbital Hologram around themselves and their partner, mainfesting a fine golden thread between their hearts that cannot be broken;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
  Increase acceleration of T.S.C. of unconditional love through me and through my partner to infinity;
- Hold;
- Move towards each other slowly, then stop;
- Now the first person (the one sending the holograms) begins to draw from behind themselves through the T.S.C. a continuous flow of Orbital Holograms direct from God;
- With a breath project the holograms through you body towards your partner and expand them around your partner. Repeat in your mind "Cosmic vibration of unconditional love" as you flow with this exercise;
- Each partner takes a turn with this love visualisation;
- Now both people repeat the visualisation simultaneously together;
- Call in Lord Sananda to embrace you both. Pause, then embrace each other in this overwhelming magnetised love energy, left over left, heart over heart as the Hopi Indians do.

Warning: These exercises may lead to overwhelming love, joy and happiness combined with compulsive giggling and laughter!

Experiencing The Magnetism Of Love With The Orbital Merkaba



Activating The Pineal

This exercise activates the electromagnetic pulses within the brain to connect the pineal and pituitary glands so that you can see more clearly through your third eye. It also attracts the Higher Self and I AM presence to merge more fully with your physical self.

- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- Thought intention without breath: ***Cosmic wave-patterning;***
- Now visualise a six-tiered jewelled crystal forming an octahedron within your brain around the pineal gland in the centre of your head;
- Next, visualise the same jewelled crystal around the pituitary gland, both of your eyes, the lower back of your skull in the medula, the back of the crown in the causal chakra and also located above the head around the ninth chakra;
- Visualise an Orbital Hologram around this whole configuration, enclosing the space around and above your head;
- Thought intention (quickly) with breath: ***Lay-oo-esh***
  Accelerate rotation 33,000 times God speed;
  (pause)
  Lay-oo-esh;
  Accelerate rotation 66,000 times God speed;
  (pause)
  Lay-oo-esh;
  Accelerate rotation 99,000 times God speed;
- At this incredible light speed the Orbital Hologram around your head transforms into the Eye of God (Horus) and you accelerate straight through the lens of the Eye;
- You are now travelling at light speed through the Tunnel of Remembrance;
- Thought intention: ***Lay-oo-esh,***
  Amen-Ptah,
  Phowa,
  Kuan Yin,
  Gabriel,
  Buddha;
- You are still travelling at incredible light speed through the Tunnel of Remembrance;
- Suddenly, you have entered a multiple chamber of Light where indwells Lord Metatron;
- The rest is your experience. Allow some time to explore and receive;
- Return to the room;
- Allow a short break after this exercise to assimilate the on-going changes.

You may feel a great deal of activity over your head during and after this meditation as you have once again opened up the cranium, activated the divine matrix over and through your brain connecting you to your divine Pillar of Light and Adam Kadmon light body. Some of you may also experience a great deal of clarity.

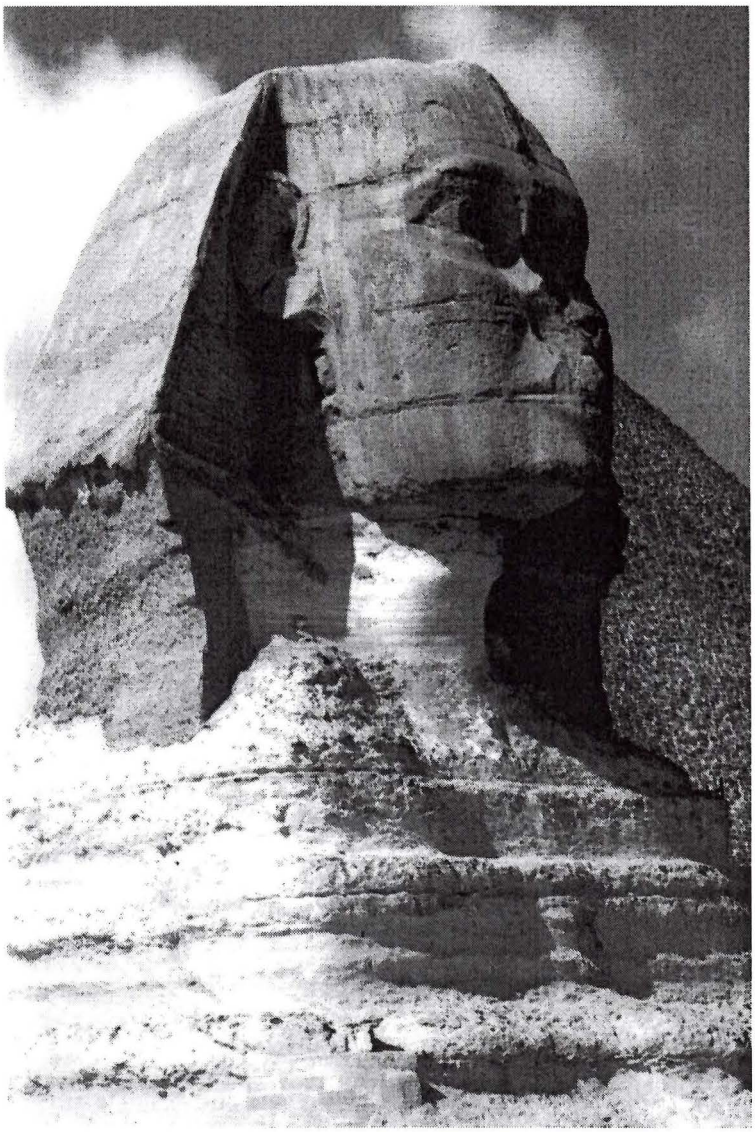
Opening The Mysteries Of Egypt



Uncovering The Hidden Mysteries Of The Great Pyramid And Sphinx

The Hall Of Records

Based on evidence gathered from both historical and esoteric sources, the Hall of Records is a time capsule of halls or a series of rooms containing ancient records, books and artifacts. The Hall of Records, however, was a time-capsule left by an advanced civilisation from the past, meant to be discovered by another civilisation which would one day progress enough to benefit from the knowledge the Hall contains. The Hall of Records, the various sources agree, was buried in Egypt near the Pyramid and Sphinx at Giza.

The Great Pyramid

The Internal Design

Within the interior of the Great Pyramid, an intricate system of passageways and rooms were constructed. There is a very real possiblity that other rooms – sealed and intact after thousands of years – may still remain hidden in the Pyramid. It will be these rooms that will reveal to us the knowledge of a lost advanced civilisation that built the pyramid before known history.

It is rumoured that there are at least thirty, perhaps even more, hidden chambers undiscovered within the Great Pyramid. That more chambers exist does not seem unreasonable, especially when we realise that – given the area of the known chamber spaces, and comparing it with the total volume of the Pyramid and its foundation – there is still room enough for 3,700 more chambers the size of the King's Chamber.

One of the most powerful energy areas has been pinpointed to exist somewhere just below the apex of the pyramid form. In the Great Pyramid there is almost 300 blank feet between the top of the King's Chamber ceiling superstructure and the platform at the very pinnacle of the monument – ample room for a secret room or rooms of considerable size, to utilise the energy potential.

Observations of the Pyramid along these lines have been complemented in the past century by other evidences and further speculations concerning unopened vaults high up in the Great Pyramid. It has been suggested that the large granite blocks which are suspended in the Antechamber entrance to the King's Chamber may hide a secret door. A passage lying behind such a door, if speculation is correct, would lead to a chamber directly above the King's Chamber.

Other Entrances, Other Chambers

Two secret entrances have long been suspected. On the east side of the Great Pyramid is a temple complex which historians consider is a mortuary temple complex. But there are others who believe the temple may actually be a doorway that leads directly into the eastern base of the Pyramid to secret chambers beyond. A second possible entrance is close by. Records and legends through the ages have spoken of a tunnel which begins at the Sphinx and passes beneath the Pyramid's southeast corner. In the spring of 1979 and 1980, while on expeditions to the Giza area, dowsing expert Bill Cox located this tunnel using a highly specialized instrument called an aurameter. The aurameter accurately detects changes in subterranean configurations by registering minute alterations in high frequency/bioelectric fields. After five dowsing checks, Cox noted that the *emanations indicated the subterranean tunnel and adjacent "cavities" are presently choked by sand and water* that has accumulated over the centuries. Cox also detected hidden passages and chambers in the Pyramid's northwest corner, and a chamber just below the apex, which he believes is 11 feet square, and is displaced from the center toward the northwest.

Much of the independent research going on today centers on the evidence for secret places adjacent and in between the known Pyramid chambers. A theory recently advanced foresees that one day a walled up, unexplored portion of the Queen's Chamber will come to light, and that the key to its discovery can be found by clues left in the other Pyramid rooms. It could be that the west wall in the Queen's Chamber may only be a thin barrier to the rest of the Chamber, which lies beyond.

As another possiblity, the so-called "plugs" in the Ascending Passage are not plugs at all, but hide entranceways to one or more secret tunnels. Purposely built into place, the positions of these "plugs" created a barrier to intruders wishing to scale the Ascending Passage and break into the upper chambers. But perhaps, secretly, they are still barricading other tunnels which enter the Ascending Passage at right angles to it.

The Sphinx – Guardian To The Hall Of Records

Directly to the southeast of the Great Pyramid, a distance of less than 2,000 feet away, and situated almost on the eastern edge of the Giza plateau, is a reclining figure in stone, half-lion and half-human, called the Great Sphinx. It stands today as one of the world's largest single-stone sculptures. The entire figure was carved out of the native limestone of the Giza plateau. Its sculptors also cleared away a considerable area of rock around it, so that the Sphinx appears to be resting on a flat stone surface, and the sculpture had once been painted red. For most of its known history only the Sphinx's head had remained above the surface. Only in the 1930's was the entire body of the Sphinx uncovered – the rest of its body had been buried in sand for thousands of years.

In astrology, the lion is the zodiacal sign of Leo, and the woman represents the sign Virgo. Many orientalists believe that the body of a lion and the face of a woman, as seen in the Sphinx, symbolises the transition point in the celestial Precession of the Equinoxes between the Age of Virgo and the Age of Leo. The last time this transition occurred was in 10,600 B.C. In Egyptian religion, the lion with a woman's head represented the goddess Tefnut, whose name means the "spitter", because she was also often pictured with an ever-flowing emission of water coming out of her mouth. This is very reminiscent of the sign of Aquarius, the man who holds a vase that pours water in an unending stream. Now, Aquarius happens to be directly on the opposite side of the zodiac from Leo. In fact, if the apexes of the Giza Pyramids are placed on a great imaginary zodiacal circle, the Pyramids fall in the space assigned to Aquarius, and a line drawn from the Great Pyramid to the Sphinx points directly at the sign of Leo. We are presently leaving the sign of Pisces, and the Procession of the Equinoxes is bringing us into the Age of Aquarius. Do the symbolic links between the Sphinx, the Age of Leo and the coming Age of Aquarius signify that perhaps the mysteries of the Sphinx will soon be revealed?

Legends studied by historians consistently allude to the fact that, during the reign of certain monarchs, the records of the history and deeds performed in the land of Egypt were gathered, read to the people, and then deposited in secret vaults somewhere near the Sphinx. But nothing was ever removed, only added to. The records, the legends indicate, were but a portion of a much larger collection of writings and artifacts, going back to the time of the gods.

There are many indications that the unfound chambers in the Great Pyramid, and in the other neighbouring Pyramids, are all linked together with the Sphinx, in a large system of vaults and passageways which the legends call "the Hall of Records." More than just a hall filled with books and writings, it is a virtual museum, housing actual working models and machinery of a once highly sophisticated science and technology.

Further Insights

In a number of messages received by Doreal, Thoth describes in detail a number of mysteries still hidden at Giza:

> *"Raised I over the entrance a doorway, a gateway leading down to Amenti. Few there would be with courage to dare it, few pass the portal to dark Amenti. Raised over the passage I, a mighty pyramid, using the power that overcomes earth force. Deep and yet deeper placed I a force-house or chamber from it, carved I a circular passage, reaching almost to the great summit. There in the apex set I the crystal, sending the ray into the time-space, drawing the force from out of the ether and concentrating it upon the gateway of Amenti. Other chambers I built and left vacant to all seeming, yet hidden within them are the keys to Amenti. He who in courage would dare the dark realms, let him be purified first by long fasting, lie in the sarcophagus of stone in my chamber, then reveal I to him the great mysteries. I also erected a marker in the form of a lion, yet like unto a man. Deep beneath the image lies my secret – search and find it also in the pyramid I built. Each to the other is the keystone; each the gateway that leads to LIFE. Follow the KEY I leave behind me, seek and the doorway to LIFE shall be yours. Seek in the pyramid, deep in the passage that ends in a wall, use the KEY of the SEVEN (13:20:33) and open the pathway. Know you that the pyramid I built has the KEYS that shall show you the WAY into LIFE. Draw you a line from the great image I built, to the apex of the pyramid, built as gateway. Draw you another opposite in the same angle and direction, dig you and find that which I have hidden. There shall you find the underground entrance, to the secrets hidden before you were men."*

Doreal also reveals that the Sarcophagus in the Great Pyramid connects with a central shaft, and when one lies in the Sarcophagus for a specified length of time their body is transported down the shaft to a central force-chamber below the Great Pyramid.

From these readings, then, it appears that the Hall of Records beneath the Pyramid and Sphinx, when it is opened, will contain mysteries that are not only ends in themselves, but will serve as the means of proceeding onward, into even greater mysteries, the spiritual mysteries of mankind's connection of love and light to the core of creation, God.

The Pyramid-Sphinx Key

The pyramids that are located around the world, not just in Egypt, are regarded as huge power stations that have a direct impact on the Earth, as they are connected to the Earth's electromagnetic field or "grid". Ancient civilisations used pyramids of Light which also exist on higher energy planes as initiation points for vehicles of Light.

Egypt represents the mathematical, astronomical, pyramidial foundation of the Earth, exemplified in the Great Pyramid. The Great Pyramid is built on a point where the magnetic fields under the Earth, on the surface of the Earth and on the celestial fields all cross – the fields of alignment are direct. The White Brotherhood are still connected with the Great Pyramid at Giza and its role as a focus for the gathering consciousness of ascension on Earth.

These magnetic fields are aligned with magnetic energy points where energies from outer space pour into the Earth's surface. The energy points are balanced on the Earth by the magnetic North and South Poles. In this way, the Pyramid acts as the foundation stone, the actual "centre of the Earth."

The Pyramid-Sphinx connection opens our zero point to the higher divine consciousness of the galactic core of the universe.

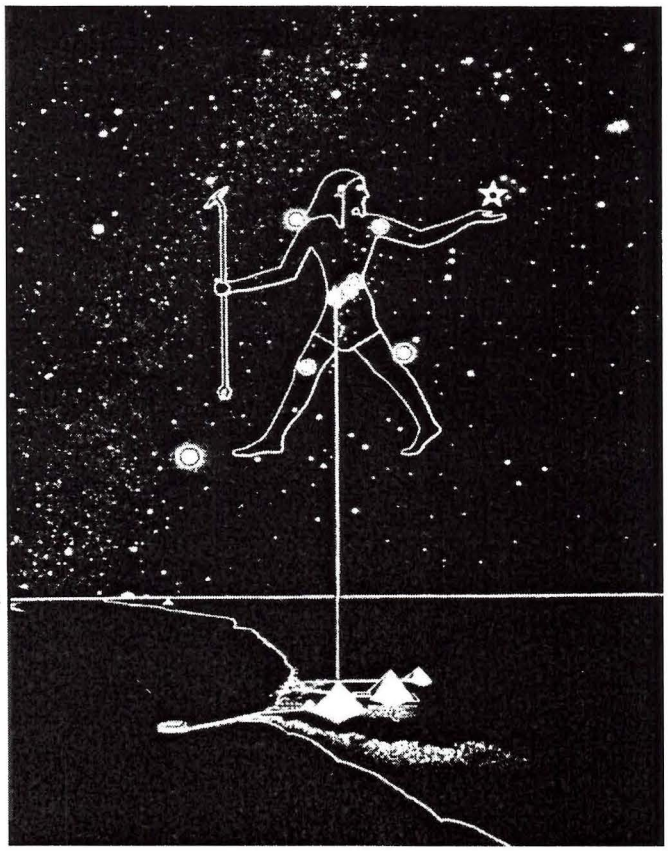
The Pyramid-Sphinx must be centred within ourselves if we are to use the magnetic energies of Earth to build a higher consciousness, to leave our consciousness realm and progress to the next level. When humanity can connect the spirit within to the knowledge and alignment of the Great Pyramid, it will draw down the capstone of spiritual freedom.

Once humanity has connected the "Pyramid-Sphinx" to the consciousness meridians which connect to the energy vortices of Earth, the spiritual Higher Mind can connect this magnetic energy to the celestial pyramid – Orion.

The Master Pyramid Of Light

The Orion "celestial Pyramid of Light" is the gateway through which matter-energy passes for higher soul evolution. To enter the "master Pyramid of Light" it is necessary to connect with Metatron. The three stars in the belt of Orion form the central grid which is used by the Lords of Light as a focal point for the creation of new worlds.

Placing a crystal pyramidal energy cap over the crown chakra opens us up to the Lords of Light, who will reconstruct our electromagnetic frequency. If we are able to fuse together geometric thoughtforms with colour and the right vibration of consciousness, then the experience of going into other worlds through the Pyramid can be revealed.



The Orion Connection

Excerpts from "The Orion Mystery" By Robert Bauval & Adrian Gilbert
(From Reed International Books Ltd)

The Star King

Egyptologists have shown that the underlying concept of Ancient Egyptian theocracy was that while the king was alive he was a reincarnation of Horus, the first man-god king of Egypt, and was hailed as the son of Osiris and Isis. After his death it was believed that the pharaoh would depart to the sky and himself become 'an Osiris'.

In Unas's pyramid the dozens of textual passages which call the dead king Osiris Unas are emphatic declarations that, in his afterlife form, the mummified Unas was to be an Osiris. We are also told that the Osirianised kings became stars; not any stars but specific stars in the region of the constellation of Orion. Egyptologists thus concluded long ago that the rebirth ritual was essential to convert the dead kings into Osiris and more specifically to Osiris in his astral form of Sahu, the constellation of Orion: Orion thus was identified with Osiris. It is not suprising to find an identification with Orion, for one of the central themes in the Pyramid Texts was the complete identity of the dead king with Osiris.

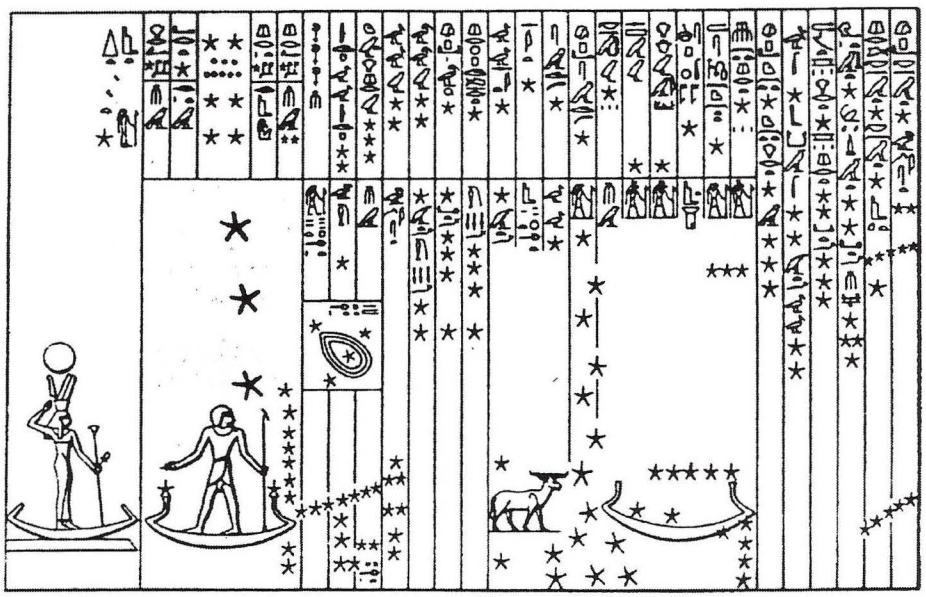
Central to the rebirth rites was that the dead Osiris was brought back to life through the magical rituals of mummification performed on him by his sister-wife, Isis, with the help of Anubis. The Pyramid Texts were aimed at ensuring the same rebirth for the dead king as that for the god Osiris-Orion. This is precisely what these texts are, a 'life insurance' policy put there so that when the rebirth rituals were taken to the pyramid, the congregation could put into motion the magical words which would induce the soul of the dead king to become a star and rise to Osiris-Orion. Thus risen, the departed king would join the original Osiris and, like him, become a star god in the constellation Orion.

Many images of Osiris-Orion are shown in Ancient Egyptian drawings, among the oldest being that on the capstone of Amenemhet III's pyramid, in the Cairo Museum. Here Sahu-Orion is seen as a striding man holding a large star in his hands.

The Giza Pyramid

In the Great Pyramid the view that the shafts had been intended for ventilation have now been seen in another light.

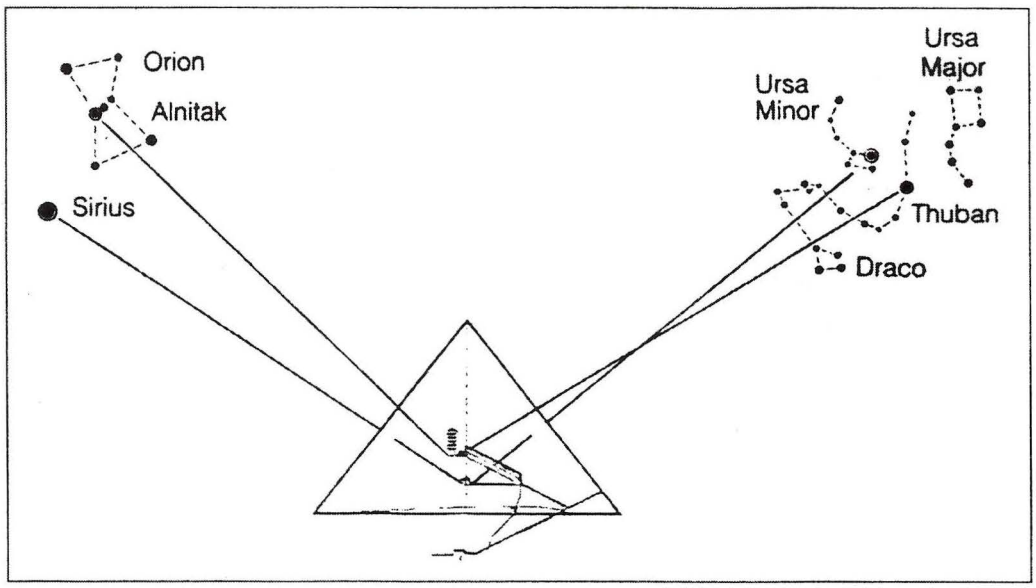
Studies have shown that the Ancient Egyptians did not ventilate tombs, nor would one expect it. As for the ventilation of their houses, they used slanting channels opening on the ceiling and oriented north to make use of the cool northern breeze.



Left: Ceiling from the Tomb of Senmut. Sahu-Orion is shown with Orion's Belt above him.

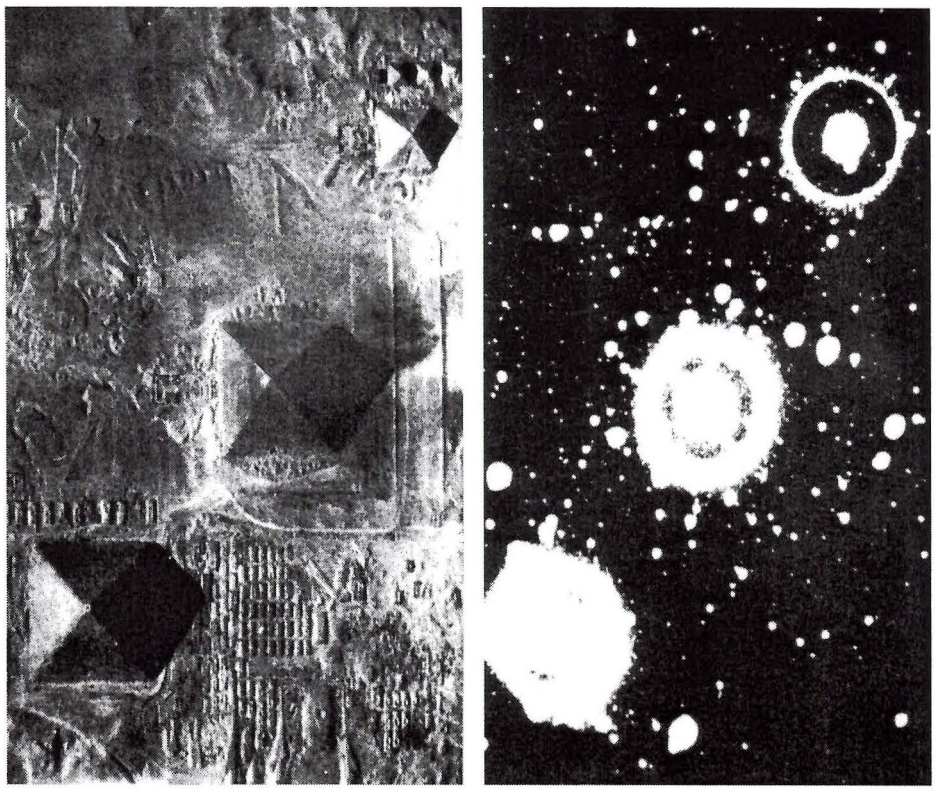
The Celestial River

As we have seen, the Pyramid Texts contain astronomical data in that they talk about observations made of Orion, of Sirius and other stars in the region of the sky the Egyptians called the Duat. What was thrilling and evocative was that the Ancient Egyptians correlated the Nile with the 'celestialriver' i.e., the Milky Way, and this was known even by the Greeks.



Orientation of the four shafts in the Great Pyramid with celestial features

In plain language, the pyramid constructions were considered Osiris. The celestial form of Osiris was Sahu, and this figure corresponds with our modern constellation of Orion – the pyramids were indeed Orion too. The text writers could not have made their intent plainer or more straightforward, and it substants the theory that the three pyramids of Giza are symbols of Orion's Belt. See the photographs of the three stars of Orion's Belt placed against an aerial shot of the three Giza pyramids, left. The correlation is stunning. Not only do the layout of the pyramids match the stars with uncanny precision but the intensity of the stars, shown by their apparent size, correspond with the Giza group: there were three stars, three pyramids, three Osiris-Orion kings.



Above left: The Giza overhead. Above right: The stars of Orion's Belt. Note the similarity of their relative positions and sizes to the pyramids at Giza.

The Fifth Element Meditation

- Begin by activating your Orbital Merkaba;
- Thought intention with breath: ***T.S.C. advance through me to infinity 33 times God speed*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- Thought intention without breath: ***Cosmic wave patterning;***
- Drift your consciousness across to the Great Pyramid in Egypt and visualise its counterpart underneath to form an octahedron;
- Drift into this sacred geometrical shape and position yourself in the centre so that the King's Chamber is within your heart, the Queen's Chamber in your solar plexus and the lower chamber in your base chakra. You are facing east;
- Also visualise a higher chamber above the King's Chamber just under the apex of the pyramid within your third eye.
- Pause, and experience the feeling;
- Now it is time to engage the Sphinx. Look across at the Sphinx and thought-intend it to lift up and move towards you, gaining height;
- Thought-intend it to lock into your heart inside the King's Chamber;
- Pause, and experience the feeling;
- Ask the Sphinx in your heart to turn over once, returning to an upright position.

Many of you will immediately feel that this is the sacred key to opening the seals to the ancient hidden chambers inside the Great Pyramid, underneath the Great Pyramid, and underneath the whole Giza plateau, connecting the Sphinx and all the pyramids with underground corridors. The Hall of Records has opened and is pouring into you, cell by cell.

Now that all the hidden chambers and corridors are open know that this has also occurred within yourself, and you are now ready to ascend through the universe into the Kingdom of Light and Cosmic Knowledge of God.

- Pause, and experience the feeling;
- Call upon Lord Metatron to come to you right now;
- As Lord Metatron's energy immerses you, you will feel an amplification of love and light;
- Ask him to now electrify and awaken through you the dormant electromagnetic fields around the Earth;
- As you stand in the Pyramid, visualise sense and feel that you are the centre of the world, that you have now connected to the Earth in the most deepest and sincere way. Sense yourself becoming one with the Earth as the electromagnetic fields around you come alive. The Pyramid comes alive, and the ancient chambers through you and underneath you are magnified with brilliant white light;
- The ancient knowledge and hidden records are now magnetically instilled into the cells of your body;
- Let your mind drift around the world, and see how the Great Pyramid has now connected itself through you, through the elctromagnetic grids to all the other pyramidal structures and energy vortexes on Earth;
- The White Brotherhoods are around you now. In your mind thought intend:

  I AM THAT I AM

  Kodoish Kodoish Kodoish Adonai 'Tsebayoth

  (repeat 3 times)

- You have now aligned and connected to the higher consciousness meridians of electromagnetic light in the Universe;
- Your zero point (heart/soul) is now fully illumined;
- Now a golden crystal capstone slowly descends upon your head – feel and sense this fusion taking place;
- Pause;
- Call upon Lord Metatron once more to surround you with his love and light. You have now connected to the Celestial Pyramid in Orion;
- Thought intend:

  Lord Metatron, you are the keeper of the new worlds beyond.
  Show me the way to the ancient Kingdom of God.
  Open the gateway to heaven and beyond.
  I am ready for all to be revealed.
  Allow my senses to partake of the greatest of all majesties.
  (pause)
  I AM THAT I AM
  Kodoish Kodoish Kodoish Adonai 'Tsebayoth
  (repeat 3 times)
- Thought intention with breath:

  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- With this breath and a rush of electromagnetic light and love you are travelling upwards with incredible speed towards the Belt of Orion (allow time);
- Lord Metatron is with you. Call out his name in your head several times. Ask him to guide you through this celestial gateway into the higher worlds;
- Allow yourself a time of at least 15 minutes to enjoy your experience;
- It is time to return;
- Pause;
- As you descend, draw the golden crystal capstone down upon your head;
- As you descend further into the Great Pyramid, the capstone hovers above your crown – *with a breath* its energy then descends through you, into the Earth;
- As this occurs it ignites a constant flow of light around the world, through you, through the Great Pyramid;
- The Earth now has new electromagnetic fields of fifth dimensional harmonics, and beyond, grounded through your physicality;
- Once again ask the Sphinx in your heart to turn over three times to seal all the chambers;
- Your journey is complete. Thank Metatron – thank God.
- Relax.

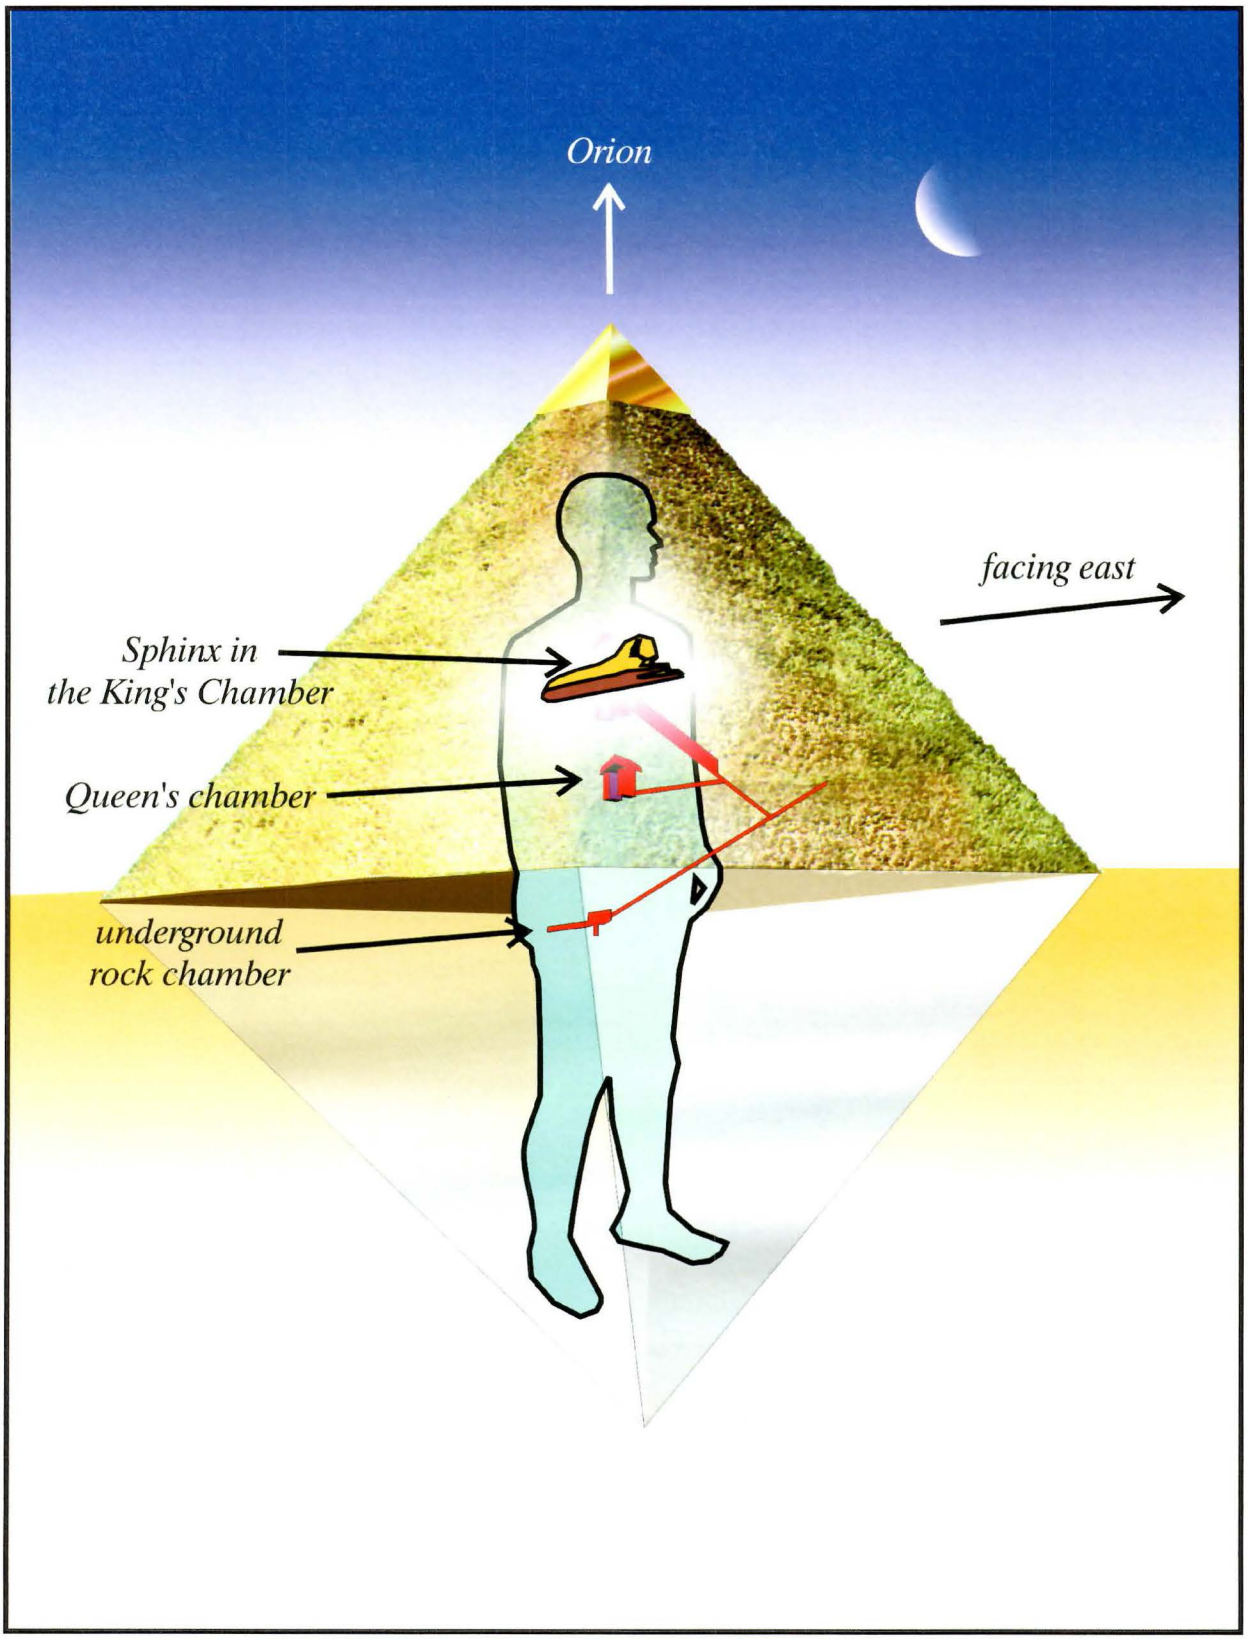
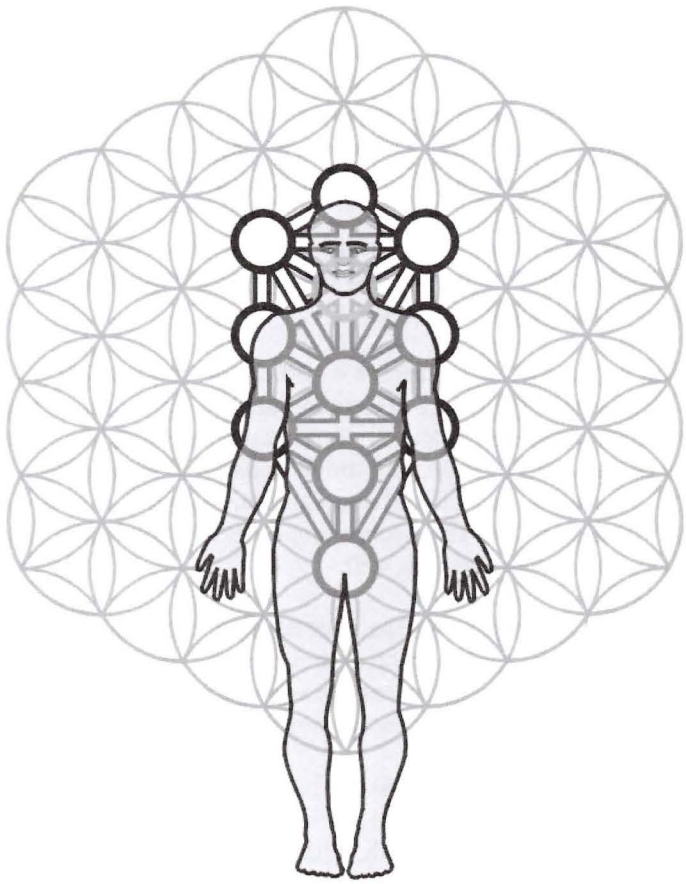
The Fifth Element Meditation



Kabbalah



Kabbalah

In Hebrew, kabbalah literally means "receiving," traditions received from earlier times. In practice, the term Kabbalah is applied to a particular strand of Jewish religious thought that reached its fullest development in sixteenth-century Safed, a small hillside town in the upper Galilee, in present-day Israel. The goal of Kabbalah is to penetrate the surface of everyday reality, to explore unseen spiritual worlds through rational inquiry and mystical meditation and thereby to grasp the ultimate meaning and purpose of life.

Not all Kabbalistic schools of thought are necessarily Jewish, or even Bible-orientated. Christian and occult Kabbalah were practised in medieval France, Flanders and Italy, and were not unknown in seventeenth-century Germay and eighteenth-century America. Further, Kabbalah, while remaining a principally Jewish tradition, has affected both Islamic and Christian mysticism, and vice versa.

Worlds Within Worlds

During the period in which kabbalistic ideas were first formulated, reality was thought of as multilayered, a viewpoint that continues to be an essential assumption in many systems of thought. From this perspective, the physical world that we perceive with our senses represents only the outward and visible manifestation of unseen dimensions that permeate the whole of existence. The kabbalists' version of this ancient cosmology includes four concentric universes – the Worlds of Action, Formation, Creation, and Emanation,

- **The World of Action (*Asiyyah*)** is the physical universe of space, time, matter and energy, the world of stars, planets, and the Earth, which, in medieval cosmology, was believed to be the center of the visible universe. This is the outermost layer of reality.

- **The World of Formation (*Yezirah*)** is the unseen world closest to us. In the ancient cosmology, this is the world of angels. Today we might think of it as the underlying source of the orderly patterns that we observe in the world around us – the formulas of mathematics, the laws of physics, the paradigms of the behavioral sciences, the rules of logic, and the harmonies of music. Because of its close connection to the material world, we can use reason and imagination, science and art, to draw inferences about the hidden World of Formation from the patterns we observe in our daily life. The kabbalist seeks to extend these inferences to deeper worlds as well.

- **The World of Creation (*Beriah*)** represents the next layer of reality beyond the World of Formation. In early Jewish traditions, it was the realm of the archangels and the divine throne on which God himself was seated. It is the highest realm that humans can experience, and then only as a visionary experience, accessible at the deepest levels of mystical meditation.

- **The World of Emanation (*Azilut*)** is the closest of the four worlds to the Infinite and the farthest away from our daily experience. The term "emanation" implies a continuous flowing, like light from the sun, water from a spring, or breath from the mouth, with the emanated substance remaining in close contact with its Emanator. Because the World of Emanation is so close to the Infinite, we cannot experience it directly. The kabbalists developed a variety of methods, however, to enable them to infer something about its inner structure and dynamics, both from Scripture and, by analogy, from patterns observed in nature and in the realm of human experience.

The Kabbalah holds that the human form contains all that is above in heaven and below upon Earth, the celestial as well as the terrestial creatures. The Divine Will creates the cosmic conditions that form the environment into which an individual is incarnated. every human being, every place and every instant in time emanates from the Eternal Now of Azilut and manifests in the spiritual universe of Beriah; this in turn is the setting for the planets which, in the psychological World (Yezirah) correspond to the archetypal principles in the human psyche. The effect is seen in the World of Action (Asiyyah). In this way the Eternal Now is manifested in every present moment.

Inner Ascent

Ascent into the upper Worlds is the reward of individual merit, i.e. inner work; but there is also the phenomenon of Grace. Such a moment of awe confronts any individual with the decision whether to remain asleep below or awake and consciously climb the ladder of evolution.

The Ten Sephiroth (Powers) Of The Tree Of Life

The basic Tree of Life meditation/ceremony consists of intoning the names of the Angels while visualising energy travelling through the various "paths" between the spheres. The first path to be activated in this manner is the central channel, which descends from Metatron, through Michael, Gabriel and Sandalphon. The central channel is the basis for the Pillar of Light in the human body.

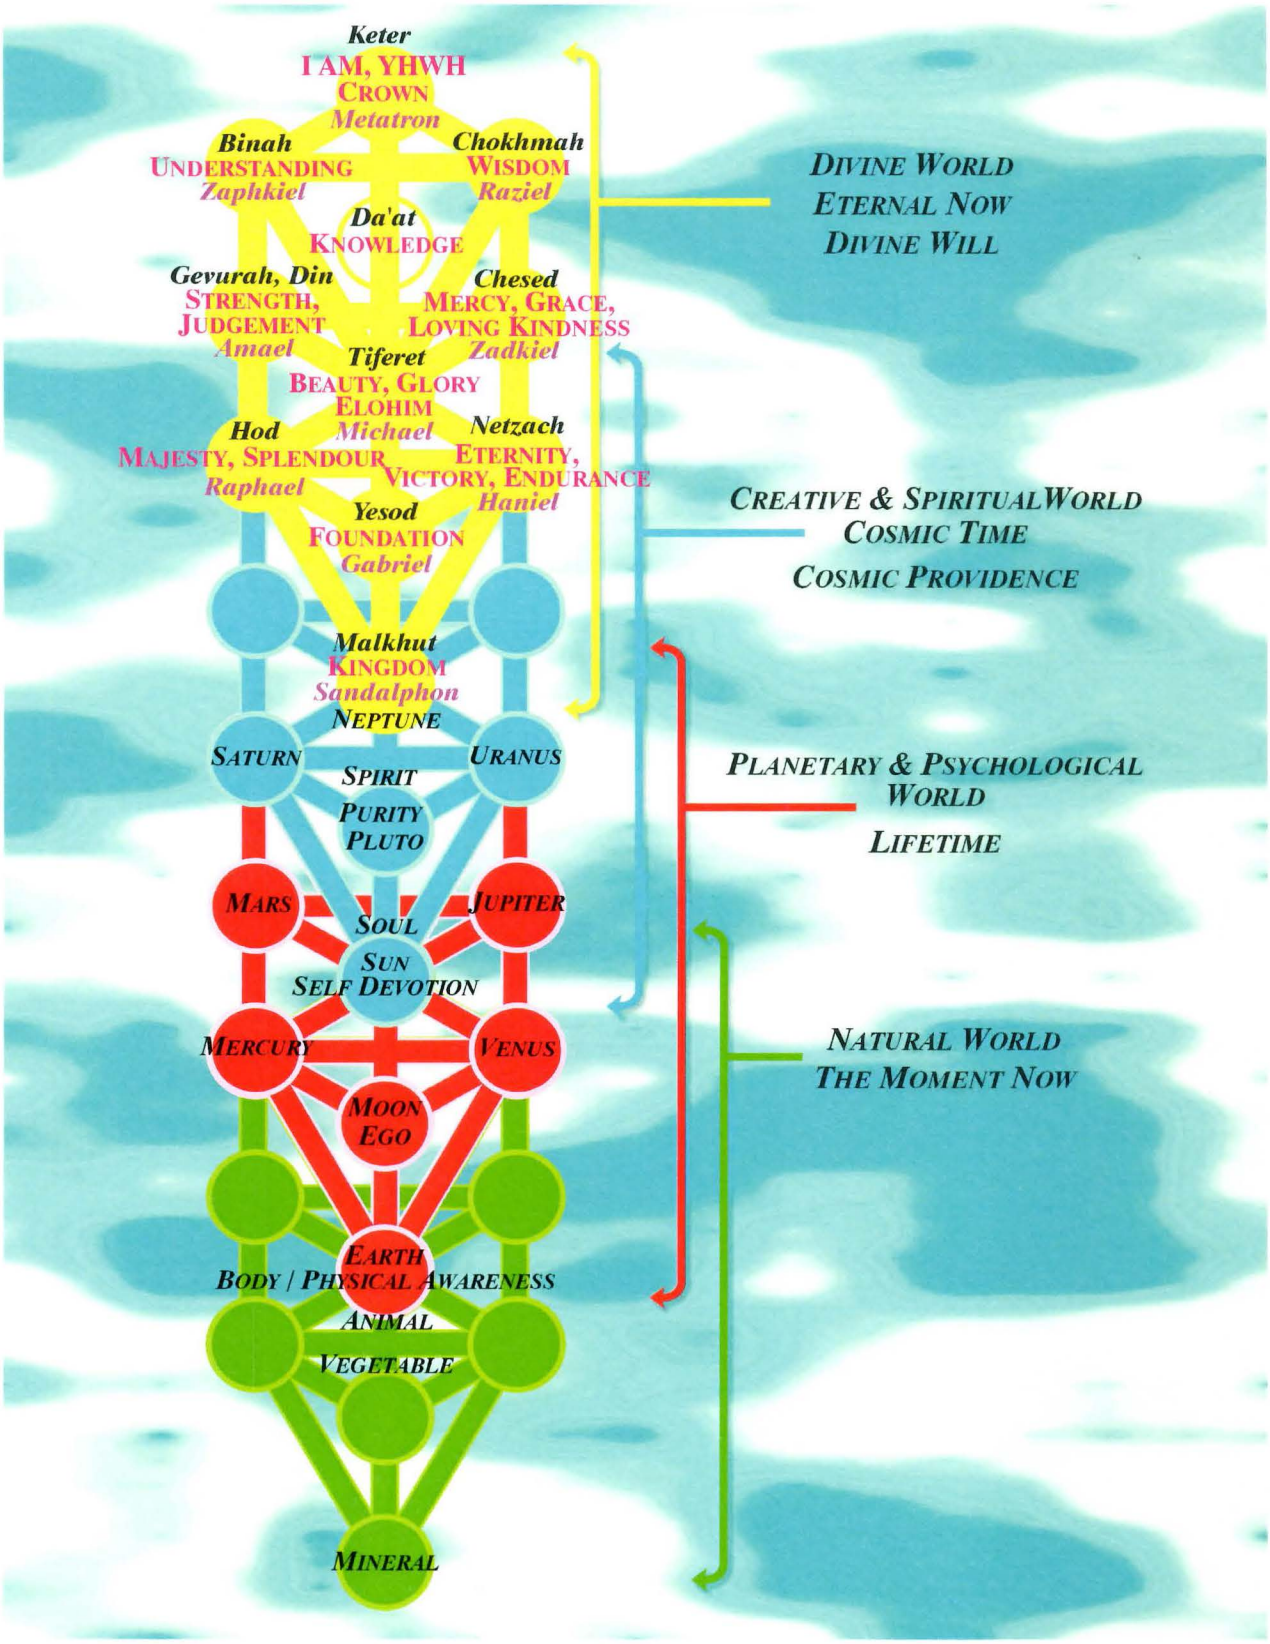
Kabbalistic Meditation



The Orbital Kabbalah Meditation (Jacob's Ladder)

- As you begin this meditation, know that the Sphinx is still inside the King's Chamber within your heart, and in order to open up the secret chambers once again, thought intend the Sphinx to turn over once, coming back to an upright position. This will reopen the secret chambers, for you to receive the powerful energies of the Kabbalah;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  Orbital merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- Thought intention without breath: ***Cosmic wave patterning:***
  (pause)
- Now begin to visualise with thought intention each level of the kabbalah, allowing time for contemplation at each level. These are the basic building blocks of the Adam Kadmon light body. Feel your Pillar of Light extending through to the very core of YHWH-God.
- Also at each level, thought intend: ***I AM THAT I AM***
  Kodoish Kodoish Kodoish Adonai 'Tsebayoth
- At the crown level, Keter (I AM), thought intend:
  I now receive the light of Michael, Uriel, Gabriel, Raphael and Metatron through my Pillar of Light of my Adam Kadmon.
  I AM THAT I AM
  Kodoish Kodoish Kodoish Adonai 'Tsebayoth
- To complete this meditation, command the Sphinx to turn over three times in your heart, coming back to an upright position, to seal the Four Worlds of the Kabbalah inside the secret chambers, encapsulating all the qualities of the Adam Kadmon within your being.

The "*Kodoish Kodoish Kodoish Adonai 'Tsebayoth!" ("Holy, Holy, Holy is the Lord of Hosts!")* is the measure of the cycle and the beat of all states of matter/radiation and resonance, uniting the lower vibratory levels with the higher levels of creation.

The human heart beat, a biological clock, is set to the vibration of "*Kodoish Kodoish Kodoish Adonai 'Tsebayoth!"* This mantra enables the body to experience the direct energy of the Masters of Light serving YHWH (God) and experience true divine love in one cosmic rhythm.

Adam Kadmon

From the point of Light the "Body" of the Divine was formed – the primordial human that preceded all other primordials. This is the *Adam Kadmon*, the "archetypal human" or prototype of humanity which is circumscribed on the Tree of Life. This *divine human* contains the essence of YHVH, for Yod of the Four-Lettered Name is symbolised by the head of Adam Kadmon, the letter Heh alludes to the arms and shoulders, the letter Vav refers to the torso, and Heh (last) is attributed to the legs and feet.

Adam Kadmon was the first of four reflections of the Eternal which become manifest as existence evolved from the Divine to the Material. Adam Kadmon is the consciousness of the Divine, containing within itself everything that is needed to create the manifest universe as a reflection of the divine universe. Adam Kadmon contains within itself Will (Azilut), Intellect (Beriah), Emotion (Yezirah) and the capacity for Action (Asiyyah). Adam Kadmon is the mirror of reflection that is used by the Divine to *experience itself* through the Four Worlds of the Kabbalah, for only a descent into all four Worlds will enable the Divine to perceive all aspects of divinity. However, once Adam Kadmon descends into the Active World of Manifestation, it must be reflected back to the original Source. The body of Adam Kadmon on the Sephiroth of the Tree of Life is a larger reflection of the human body superimposed on the spheres of the Tree. (Therefore the Pillar of Mercy is located at Adam Kadmon's right-hand side and the Pillar of Severity at his left-hand side. When applying the Tree of Life to your own body, a *reflection* of the Godhead is achieved. The Pillar of Mercy is on your left side while the Pillar of Severity is on your right.)

Stepping Into Mastery

Dear Ones of Light,

As you step into mastery, one must become less reliant on the Master Teachers that constantly surround you. They must become observers only, and be there only if really needed.

When you call upon one such as myself, you will call upon an energy that is able to command instant manifestation from the universe utilising the divine power intention of God. I command the Elements of Nature to conform or reform to your request. This cannot be possible, however, if I do not employ the divine energies of the Elemental Kingdom.

These ones are selected to perform a particular action of transformation using what I term *divine spiritual magic.* They have the ability to command the Elements to perform in any way that I have requested. In turn, if this was your original request to me, they complete the task.

In other words, I have command over the Elements and the Elemental Kingdom, and can create the universe to my own intent.

In this workshop you will begin to explore working more closely with these Kingdoms, and begin to test your own true mastery.

You will be as I, and will be able to levitate stone to create your own pyramid. The Ancients had developed these powers, and much more, through my guidance, and so you shall too.

These powers utilise the basic principles of the four Elements, as used within Alchemy, and so, as the four Elements are the make–up of all matter, one can rearrange the percentages of each to create a desired effect.

In Level Two I introduce a beginning into this mastery of commanding the Elements and the Elemental Kingdom to conform to your requests. Keep in mind that the secret is in obtaining a high vibration of light: your thought intention must be divine, and you must practice, practice . . .

I wish you all well in your continued journey into divine perfection.

Love Always,

Thoth.

The Four Elements

There are four basic Elements: Fire, Water, Air, and Earth.

These four primary Elements are regarded as realms, kingdoms, or divisions of Nature. They are the basic modes of existence and action – the building blocks of everything in the universe. All that exists or has the potential to exist contains one or more of these energies.

The name of God is symbolised by the Hebrew letters *Yod Heh Vav Heh*. Each of these four letters is assigned to one of the four Elements of Nature: *Yod* – Fire, *Heh* – Water, *Vav* – Air, and *Heh final* – Earth. These letters portray the balance inherent to the Kabbalistic system, for Yod-Fire and Vav-Air are *masculine, positive energies,* while Heh-Water and Heh Final-Earth are *feminine and negative potencies*. It indicates that the Divine is a unified whole which contains within itself all opposites in balanced disposition. Legend has it that the proper understanding and pronunciation of this Supreme Name of God are the Keys to divine power.

The early philosophers taught that the four Elements were present in the physiology of the human body; Fire corresponded to body heat, Water to the various bodily fluids, Air to the gases, and Earth to bones and flesh.

Further, the four Elements of the ancients are assigned the dual combination of two of the four qualities of heat, cold, dryness, and moisture. They are:

Qualities	*Name*
Heat and Dryness	FIRE
Cold and Moisture	WATER
Heat and Moisture	AIR
Cold and Dryness	EARTH

The Element of Fire

Qualities of Fire: active, masculine, spontaneous, quick, initiating, initialising, vitalising, and energetic.

The most physical expression of Fire is the visible, active phase of combustion manifesting in heat and light. The Element of Fire was seen by the Alchemists as an Element which operates at the centre of all things, as well as the "agent of transmutation" because all things are derived from and return to Fire. This Element is seen as the great Father energy – the "seed" force of the universe. It is an Element with two purposes: (1) it is an expression of spiritual energy and the determination of the Spirit, (2) it purifies, burns, and destroys the old so that the new may emerge. Thus it is a symbol of transformation and regeneration. Its action is quick and unpredictable. To pass through Fire is symbolic of transcending the human condition.

The Element of Water

Qualities of Water: passive, feminine, receptive, sustaining, subconscious, creative, fluidic, and generative.

Water is a liquid compound of hydrogen and oxygen molecules. In an esoteric sense, the concept of Water implies all liquid materials. Water is seen as a symbol of the unfathomable and mysterious well of Wisdom contained within the subconsious mind. Water symbolizes the infinite realm of possibilities, which precede all form and all creation. It is limitless and immortal – the Waters of Creation. Submersion in Water alludes to a return to the pre-formed state. Like the Element of Fire, Water also symbolises the ideas of transfiguration and regeneration.

The Element of Air

Qualities of Air: active, masculine, intellectual, ethereal, abstract, and communication.

The physical expression of Air is that of a mixture of gases which forms the atmosphere of the Earth. Symbolically, Air is related to the creative breath of Life, and, therefore, speech. Light, flight, and weightlessness, as well as scent and smell are all related to the Element of Air. Air is a volatile Element which is considered to be the offspring of the Parental Elements of Fire and Water (thus creating steam).

Reconciler between the rival Elements of Fire (male) and Water (female) – balancing and equilibrating these two parental opposites. Air also alludes to the human intellect and thought processes, which are quick, changeable, and abstract.

The Element of Earth

Qualities of Earth: passive, feminine, solid, materialisation, physical, stable, slow-moving, and grounded.

In a technical sense, earth is the dry land surface of the planet, made up of solid organic and inorganic particles.

Earth represents the physical, materialised universe in which we live. It is the tangible world around us that we can touch and feel. Earth is the Daughter of Fire and Water, just as Air is the Son. This Element encompasses all activities of productivity, fertility, growth, and regeneration. Earth is the fourth and final Element and the result of the actions of the other three.

Alchemy

The word Alchemy is an Arabic term comprised of the article al and the noun khemi. The latter word relates to Khem, the Coptic name of Egypt. Alchemy thus means "that which pertains to Egypt." Thus the words Alchemy and chemistry are a reminder of the scientific legacy of Egypt.

Together, Alchemy and Astrology are two of the oldest sciences known to humanity. The specialized fields of herbalism, mineralogy, natural science, chemistry and medicine all evolved from the mother science known as Alchemy.

Legend has it that the god Hermes (Thoth) was the founder of Alchemy. The most significant early alchemical text was the *Emerald Tablet* of Hermes Trismegistus. No one is quite sure who the first alchemist was, although the first group to learn and work with the art were metalsmiths.

The outer body of Alchemy is chemistry. Alchemy is a science that is based upon multiplication and the natural phenomenon of growth– it is the process of increasing and improving that which already exists. Alchemy is evolution – the raising of vibrations.

Practitioners of the art considered Nature to be the greatest alchemist of all, causing the latent seeds of all life to multiply and grow through the act of transmutation. Alchemy is the art and science of this elemental power of transformation.

The basic principles of Alchemy are as follows:

1. The universe has a divine origin. The cosmos is an emanation of *One Absolute Divine Being.* Therefore All is One.
2. All physical manifestation exists by virtue of a *Law of Polarity or Duality*. Any concept can be sufficiently defined in relation to its opposite: male/female, sun/moon, spirit/ body, etc.
3. All physical manifestation, whether Vegetable, Animal or Mineral (the Three Kingdoms), is composed of Spirit, Soul, and Body: *the three Alchemic Principles*.
4. All Alchemical work, whether practical laboratory work or spiritual Alchemy, consists of three basic evolutionary processes: *Separation, Purification, and Recombination*. These three evolutionary processes are also the work of Nature.
5. All matter is composed of the *four Elements* of Fire (thermal energy), Water (liquid), Air (gas), and Earth (solid). The knowledge and skillful use of the four Elements is an essential part of Alchemical work.
6. The *Quintessence* or Fifth Essence (divine spirit) is contained within the four Elements but is not one of them.
7. Everything moves towards its *preordained state of perfection*.

Teleportation

Previously in Level One you experienced bi-location. This technique allowed you to send your consciousness to a given location using exact co-ordinates of time, date and location on Earth.

Part of your body or body–consciousness remained within the room to anchor your return to your original location within the workshop. Within that experience, many of you received very accurate information and visions, and some of you felt the changed temperatures and sensed the smells of your bi-location destination. This was a very real experience for many of you. The next step is to understand teleportation.

Teleportation is a concept of moving one's complete self to a different location, but being able to manifest a lifeline to enable, once again, to return at will. Let us give you the theory of understanding this unique experience.

In order to transport a physical vehicle to appear elsewhere, you need to raise your vibration of light within your cells 99% higher than it is now. Once this is achieved you need to open a dimensional doorway of intent. This can only be achieved if your thought is divine and pure.

Once you know your destination, you can call upon the four Elements of Nature to separate before you so that you can see your intended destination. As you observe the vision of your intended destination through the open dimensional doorway, it will become clearer. Make sure it is exactly where you wish to go (practice looking through a wall first).

The next step is very important. Before you proceed through the dimensional doorway, organise a key for you to return by. I recommend a sound such as a soft chime, or something similar.

The next important step is to command the dimensional doorway to remain open until you return, and to close the instant you return. This part of the technique can be advanced upon once you are more experienced.

Now you are ready.

At the beginning you must activate your Orbital Merkaba to 99,000 times God speed.

You then open the dimensional doorway to your selected destination. Observe until a clear vision is apparent.

Next, you activate your Orbital Merkaba again to 99,000 times God speed. and command it to move forward through the dimensional doorway. You may feel some tingling sensations.

Once through, you may experience many new feelings and sensations. To begin with, just observe your surroundings. When you are at ease, begin to interact with your surroundings. Relax, and enjoy the experience. If you wish to return quickly, know that your dimensional doorway is still open, and all you have to do is think of returning through it, and you will be back once more. However, if you are enjoying the experience, look a little further afield, and explore.

When you hear the key sound, return immediately, as this sound is also keyed to your dimensional doorway.

Upon your return, reflect on your journey, and then plan your next!

Note: much practice is required to become proficient at this technique.

Orbital Teleportation

- Begin by selecting a destination on Earth: the exact time, date and location;
- Now call in the elemental Cambiel, and introduce yourself and explain your intention to teleport with this technique. Ask for Cambiel's assistance;
- Also call in your Body Elemental and introduce it to Cambiel, and ask if they will assist in the facilitation of this teleportation technique;
- Thought intention with breath:

  T.S.C. advance through me 33 times God speed to infinity (inhale);

  Unity chakra rotation (exhale);

  (pause)

  Orbital Merkaba activate (inhale);

  Pulse 33,000 times God speed (exhale);

  (pause)

  Pulse 66,000 times God speed;

  (pause)

  Pulse 99,000 times God speed;

- Thought intention:

  I call upon the Elemental Cambiel to diminish my solidity and amplify my light;

  minimise my Earth and Water elements, and expand my Fire and Air/Light elements;

  (pause)

  I once again call upon Cambiel to seperate the four Elements of Nature to open a dimensional doorway to _____ (location, date, time);

- Observe the vision through the open dimensional doorway until it is clear (you may ask Cambiel for more clarity if you wish);
- Now, focus ahead on an object, place or person through the open dimensional doorway and, when you activate your merkaba, draw yourself forward with your consciousness to that object, place or person. This will pull you forward more fully into your destination;
- Pause;
- Thought intention with breath:

  Orbital Merkaba activate (inhale);

  Pulse 99,000 times God speed (exhale);

- Thought intention without breath:

  Merkaba pulse forward through dimensional doorway;

- As you enter, be relaxed and observe;
- Now, begin to interact with your surroundings;
- If you wish to return quickly, just think of your dimensional doorway back to the room, and you will be there;
- Now, enjoy your journey for a period of time (maybe 15 minutes);
- Sound the key sound (chime);
- Return to the room, open your eyes and reflect on your journey.

This is the basic technique of teleportation. To begin with, close your eyes for more intense focus, but, as you become more confident, sit facing a wall with your eyes open and open the dimensional doorway. As you become a higher vibration of light and learn to work more with the Elements and Elementals you will also become more successful with this technique.

- Experience by yourself at first, then with a group.

Levitation

When one is wishing to levitate oneself or an object, you must consider that you must first raise your vibration of light to a high frequency, higher than your physical body is normally, or to raise your frequency higher than the object that you are trying to levitate.

Because you are learning the mastery of the sphere, you can begin by advancing your T.S.C. through you. This immediately has the effect of lightening your physical body. Then you must activate your Orbital Merkaba to 99,000 times God speed.

You have now raised your vibration of light to a cosmic level. This means that you are beginning to leave your solid physical plane.

The next step is to adjust the solidity of your four Elements, even though they have already been affected by the merkaba activation. Manifest the thought that the two heaviest elements, Earth and Water, must be condensed, and the Fire and Air elements be amplified.

Consider that the Fire element is the fire of light power, giving you thrust, and the Air element allows your body cells to amplify the lightness and transparency of ether. Next, you must consider that the direction of gravity must be reversed; the force of gravity is electromagnetic in its nature, and is attracted to the heaviest element, Earth. You need to reverse the gravitational pull around your self or the object you are trying to levitate. This is done once again by reversing the effect of Earth and Water by condensing their energy, and amplifying the Fire and Air elements.

Once you have achieved this, it is time to open your mind to become one with the divine light of the universe, and thought intend your levitation with God.

For many of you, the first time you try this exercise you may not be successful. This is because of a number of reasons:

- The first is that there is not a high enough light quotient amplified through your cells;
- Secondly, your belief in achieving levitation is not strong enough;
- Thirdly, you may not be relaxed enough, and thus your focus is not accurate.

Have no expectations – just practice, practice, practice . . .

Once you have achieved a result, you will always be able to levitate yourself or an object, because you will know that feeling of that state of being you must be in to achieve your goal. As well, your cells will retain the memory, and hence you will retain the ability to levitate.

If you achieve a limited result, know that you are on the right track, and put in some more practice.

> You might ask, what is the purpose of this exercise? The answer is this: when you are levitating, you are in a state of *samadhi* or bliss which allows the divine energy of love to penetrate all the cells of your body. It is also an indication of your ability to redirect the Elements and Elemental Kingdom to maintain that state of bliss, thus allowing you to express your continued achievement of divine mastery.

Orbital Levitation

- Begin by finding a quiet location where you will not be disturbed;
- Call upon the Elemental Cambiel to assist you in creating a zero gravity chamber. Visualise an Orbital Hologram of Love all around your group, and call on the Earth to diminish her attraction to the magnetism of gravity;
- Thought intend into the chamber: ***With the assistance of Cambiel within this chamber I now create zero gravity*** (exhale);
- Focus on this for a short time and work with Cambiel longer, if it is needed, to create zero gravity;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
  Pulse 66,000 times God speed;
  (pause)
  Pulse 99,000 times God speed;
  (pause)
  Pulse ONE MILLION TIMES God speed
  (only if this feels right)
- Thought intention: ***I call upon the Elemental Cambiel to diminish my solidity, amplify my light,***
  minimise my Earth and Water elements, and expand my Fire and Air/Light elements;
  (pause)
- Thought intention: ***I once again call upon the Elemental Cambiel to create zero gravity around me, and activate the levitation harmonic at the base of the spine;***
- Thought intend: ***Levitate, expand my light*** (repeat over and over);
- You must remain **very relaxed**;
- Many of you will feel a tingling through your body;
- Many of you may also hear a humming sound from the base of your spine, spreading through your body as the silent sound harmonic beams into the base of your spine and blends into you;
- When you are successful at levitating, you can control your height and movement by just a simple thought;

Levitating An Object

This exercise is also able to be directed toward an object. Use the same technique, but with a few changes.

Begin by activating your Orbital Merkaba to 99,000 times God speed, thus ensuring that your divine thought intention is of greater divine light power.

Then manifest an Orbital Hologram around the desired object, and activate the hologram's rotation to 99,000 times God speed.

Call on Cambiel once again, and when the silent sound harmonic is beamed in, it will project into the hologram at an angle of 45°, anywhere on the sphere.

Stay relaxed, holding the vibration, light and sound, repeating the words, *"Levitate, amplify the light."*

This exercise will probably be more successful with a group of people at first, rather than by yourself, because of your combined amplified light and thought power.

Orbital Abundance Meditation

- Start by writing down three things that you would like to manifest in your life at this present time;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- Thought intention without breath: ***Cosmic wave patterning***;
- Visualise an Orbital Hologram in your solar plexus about the size of a grapefruit;
- Thought intend: ***I now encode this Orbital Hologram – to retrieve my entire abundance from the universe;***
- Thought intend with breath: ***Expand abundance hologram into God consciousness;***
- Now call upon God to assist you with the retrieval of all your original abundance that you were allocated when you were created as a spark of Divine;
- You may experience energy and images returning into your solar plexus;
- Pause – allow time for retrieval;
- Thank God for assisting you;
- Thought intend: ***Abundance hologram return to original size;***
- The abundance Orbital Hologram will compress into your solar plexus and you will feel the amplified energy;
- Now, call upon the Elemental **Airel** to assist you in manifesting your requests. Give some time to sense and feel the closeness of this presence. Telepathically make contact if you wish;
- Now, in your mind, thought-project your three requests for manifesting into the abundance hologram in your solar plexus;
- Always finish your request with the words:
  "Please let this manifest if it is for my divine higher good;"
- Once all the requests are in the hologram, finish with the words:
  "I accept that these requests are now given to me – and I give thanks."
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***
- You may feel a magnetic attraction begin as the hologram begins its work for you;
- Repeat daily, or even several times a day.

- Suggested requests: ***Manifest the ability to manifest;***

  Absolute financial freedom and consistent lavish abundance;

If you stop requesting each day, within about two days your abundance hologram in your solar plexus will return to the Universe and you will have to repeat the whole exercise again.

The Melchizedek Method

Holographic Healing Technique

The Melchizedek Method is a revolutionary technique of holographic cleansing, healing and age reversal. It is preventative as well as curative.

If one was to activate the Hologram of Love Merkaba you activate the time light continuum around you and you become galactically aligned with a spherical consciousness.

This means during the healing process you can access the cosmic realm of consciousness easily and indeed you become the true healing master of the higher dimensions.

In other words, you don't need to call on any spirit guides or master healing guides to assist you, You become them,

The tool of the Hologram of Love is a high dimensional active conscious living Divine manifestation that accesses all levels of consciousness. It has the ability to heal and rejuvenate any form of creation as it is the living conscious holographic pattern of God Source vibration.

As you become more and more skilled at using and applying this wondrous Divine tool, you will develop an extraordinary relationship that will serve you on all planes of existence.

The truth is that you are drawing upon a Divine part of your own consciousness when you begin working with this tool of healing and rejuvenation.

It will begin responding to your every command even before you have finished thinking it. It will know what you want.

It is able to multiply and sometimes will do this spontaneously without a command, and you will find it accelerates the process immediately.

Many layers of thoughtform are the cause of all diseases and malfunctions in the physical body and even physical injuries are caused by a magnetic thoughtform that has attracted the event,

This means that the first step to healing and rejuvenation is being able to clear and peel away the original and subsequent thoughtform that has caused the problem,

What does this mean?

When a soul incarnates it will bring with it any unfinished karmic cycles to complete. But it will not complete these cycles unless it chooses it's physical parents perfectly.

The father is chosen for physical relationships and part of your genetic encoding, but the mother is more carefully chosen as she is the one you will receive almost all your physical encoding from and she must be facing the same karmic cycles as you. In other words, as you enter the physical plane you don't have a physical consciousness of birth and death, you have a timeless eternal life memory.

As you enter the womb the first thing that begins to influence you is the change in life memory as the mother vehicle is supplying the sustenance for your physical body vehicle to grow.

Every pattern the mother is completing or has still to complete is forwarded onto the baby as it receives its food of birth and death life.

During the pregnancy the mother's lifestyle, thoughtforms, emotions, expectations, fears, illnesses are passed directly to the baby, Can you see that it is the mother's influence that often is the basic and strongest thoughtform that one needs to clear and cleans when healing.

The other aspect to consider is that of yourself, Once you have entered the earth plane you have brought with you any unfinished karmic cycles, re-enforced them with the mother chosen, then you compound this by living in your chosen physical vehicle until they seem to suddenly manifest in the physical, By this time it is too late and no longer can you put it off, you must deal with it now. The three levels of thoughtform clearing are past, present, and parents. The Melchizedek Method can access these various levels of thoughtform without delving into the events. You often receive many warnings before the malfunction or disease or even injury reaches the physical plane, but many choose to ignore the signs as they are always too busy to respond,

Emotions are powerful and should not be ignored. What I mean by this is, if one is experiencing an emotional explosion or situation, it must be released immediately so it won't compound and manifest as an illness in the physical. This can also be successfully experienced by using the Hologram of Love Divine tool of healing and rejuvenation.

The most extraordinary influence the Melchizedek method has within its capacity to heal and rejuvenate is that of cell memory change.

When using the Hologram of Love you are working with a Divine manifestation of eternal life vibration. This means if you are healing and rejuvenating a physical cell of birth and death memory with this Divine tool, you change the cell memory automatically during the process to that of an eternal life form. Once healed in this way, the cell structure is changed forever and cannot die.

Let me draw your attention to the many eastern Yogis (Paramahansa Yogananda to name one) who have left their bodies when it's time to leave the earth plane and their bodies do not deteriorate, This is simply because they have drawn their time light continuum around the physical body, accelerated the rotation of the Holographic Love vibration to that of Cosmic vibration and the cell's memory of eternal existence is activated,

Let me add that you can heal, re-grow, rejuvenate, age reverse every single part of the physical body with this Divine tool. If you use the techniques as given, you will develop your own higher abilities and become a multidimensional healing master, very capable of accessing the Cosmic realms of consciousness without assistance. In other words, you will be able to take full responsibility for your own health and harmony, and teach and provide a service to others until they can be responsible for themselves.

Your consciousness must be in tune with your own self love. The more love you can manifest, the more powerful will be your relationship with this Divine Cosmic conscious vibrational tool and technique.

A good relationship is nurtured, responsible, respected and immersed in love.

Step into your mastery now. This is possible, and you can choose it for yourself if you wish.

Always in the one heart of love,

Thoth.

Introducing Your Body Elemental

When healing oneself or another you should always invoke your Body Elemental and your patient's Body Elemental to join together and help facilitate the healing.

Your personal Body Elemental lives within your etheric body. However, it is responsible for all the functions of the physical, emotional, mental and spiritual bodies as well.

The Body Elemental, working in conjunction with your Christ Self, is responsible for consciously carrying the Ray of Light of the vital force from your I AM PRESENCE down through the Gold Cord and distributing from the base of the brain tiny threads of Light to every cell in the body. This helps the body to function properly in the physical realm in your everyday life experience to fulfill the greater life purpose in the outer world. The function of the body is regulated by the Christ Self and Body Elemental. They are responsible for the continuation of your emotional and mental wellbeing and for the increase of spiritual wisdom by also working with the Ministering Angel who addresses the higher bodies.

Since the Body Elemental works very closely with the Christ Self, it is instrumental in aiding in your self–healing process. This little servant knows the blueprint of your atomic/molecular structure right down to the DNA/RNA cellular level because the Body Elemental helped create your very physical body to house the soul. This one knows exactly where the trauma and the memories have been stored and holds the road map to pinpoint the locations that contain the problems. Thus, it knows how to retrieve the information and release the"know–how" as to how to best facilitate self healing or healing for others. These precious little helpers may be called upon in healing practices to help the practitioner monitor the client's progress on more subtle levels, primarily to distinguish the problem within.

The Body Elemental may be summoned forth to help in all healing modalities, especially in vibrational medicine and science. They are helping to build new electrons of the Light within your physical body to accelerate the Light body activation under the direction of Lord Metatron. They are also increasing the emanations of your own personal Light Ray, for instance, one of the seven rays which you have chosen for your focus for inner work and growth. Since they help to cleanse the auric field, they will efficiently address the imbalances and bring your energies into alignment with the Universal flow of energy from your particular Ray. The Body Elemental and the elementals comprising the human body simply obey the commands of the individual. That particular command or focus becomes their 'action'. That is what makes habits so intense and potent for mankind at times. Although they are ruled by the Christ Self, their nature is to mimic that which they see and so copy mannerisms, desires, all actions of adults and bad habits set up by mankind. Because of their childlike nature, the Christ Self monitors their actions. However, under cosmic law, regardless, they are responsible for the bodily functions to continue for the sustaining of life.

Before any healing work, it would be beneficial to call forward the Body Elemental of yourself or your client through your God or Christ Selves as you are calling upon the healing Light Rays of the Beloved Masters. Call them forward to give their permission. Remember, they are there to serve you. For those of you who are sensitive, you can learn to communicate with these little ones through telepathy and intuition. I believe you will find your healing practice enhanced by the addition of this little helper. By using an affirmation regularly created for only the calling forward of the Body Elemental you will see an instant response. The relationship may start out somewhat elusive at first, but with pure intent of the heart you will soon have a new best friend.

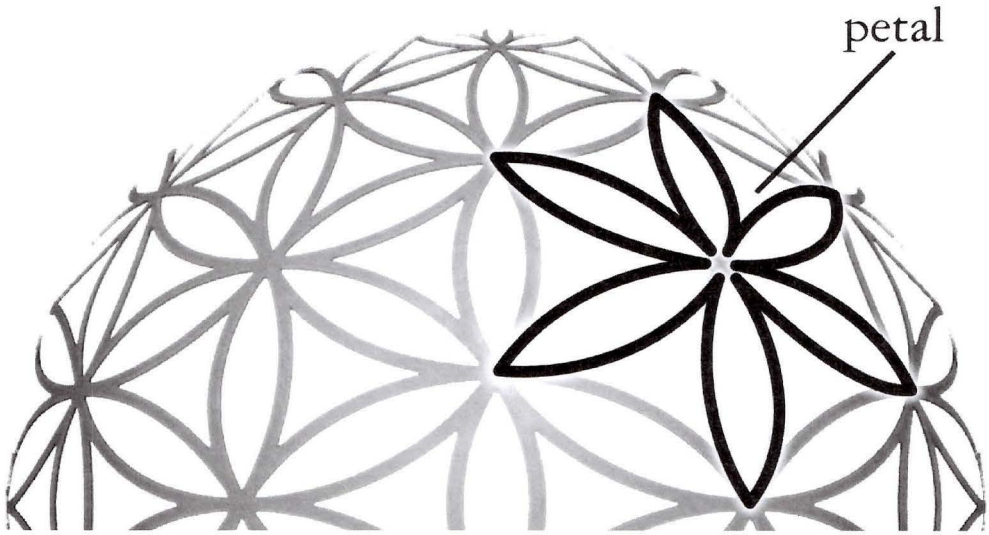
The Body Elemental promotes the expansion and contraction of your lungs as well as the functioning of other organs, keeping the sacred breath flowing in and out. The Elemental helps keep the blood pumping through your veins thus helping to sustain Holy life force within you. It also holds the focus of your nature, personality and physicality regarding your relationship with the Earth and the Stars. This blessed little one can aid greatly in helping you understand aspects of yourself. If you can learn to befriend your Body Elemental through faith, trust and patience, they will come to share with you the secrets of nature and the laws that govern your world, and will work to become acquainted. Working harmoniously with them, you can quickly facilitate your Ascension process.

These blessed nature spirits can be contacted on the inner realms through meditation. Each one has an individual name and personality, as you do, in which they will relate to you when your trust is won. They can be of either male or female gender, and may range from a tiny height of less than an inch to a height of three feet etherically, even up to twelve feet on rare occasions.

Your Body Elemental can become a source of amusement for you when you take the time to befriend them. They will teach you laughter and joy, and may at times become a little mischievous, but always in the Light. Like all Elementals they love your attention, praise and small gifts of appreciation. They love flowers and shiny objects such as small crystals, coins, old jewellery and marbles. They love it when you wear jewellery, flowers and gemstones on your person. They also make great travelling companions, so remember this when you are feeling lonely on your travels.

Clearing Original Thoughtform And Emotion With Each Orbital Hologram

The very petals of each Hologram of Love pattern represent all the outer bodies including the emotional body and original thoughtform of that specific Orbital Hologram. This means that you can command the clearing and healing of these aspects at the same time as the physical clearing and healing takes place within the rotating energies inside the Holograms.



Once the specific Hologram you have chosen is rotating behind in the time space continuum, you give this command:

"I command this Orbital hologram and all associated systems to permanently cleanse, clear and heal the physical and all original thoughtform and emotion from my past, present and parents, now."

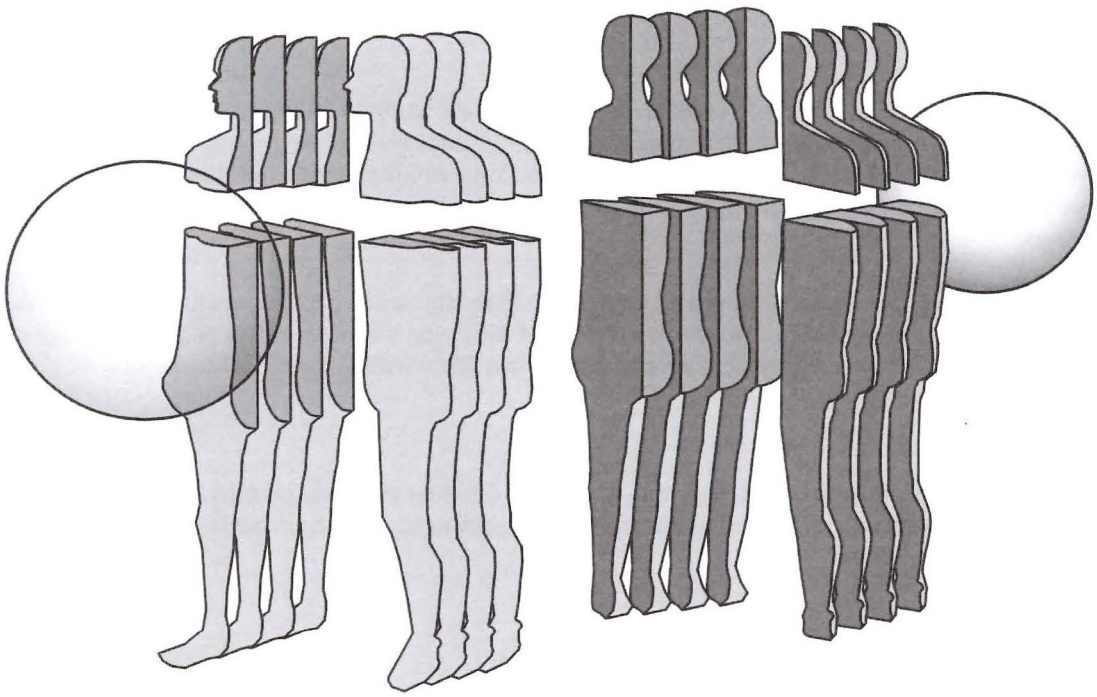
If you suddenly see or sense a discordant energy enter the Hologram it will be the past drawing forward to be cleared and healed.

Once this has been achieved, spin the cleared Hologram out into the white light of the God Source and spin until solid white light.

Now return it into the body computer or around the specific body part.

Repeat this exercise several times daily and a swift healing will be the result. Once original thoughtform and emotion are cleared there is nothing to stop physical healing from completing quickly and permanently.
When healing in this manner, include family members, parents, grandparents, children, brothers and sisters, and they will feel the effects of the healing as well, even if they are unaware of it. Add these extra words to your command: "including my genetic lineage behind and before me".

Orbital Hologram Of Love Healing



Orbital Split Paradigm Healing

The Theory

Split paradigm healing is an accelerated method of accessing the original source of a problem in the physical and outer bodies.

Once again you are using holograhic healing as the basis of this unique approach, but this method demonstrates the flexibility of the holograms as they work in unison from both sides of the body within the time space continuum (T.S.C.)

To understand split paradigm healing it is essential to recognise that the human body exists in two paradigms: the front of the body accesses the 3rd dimension, while the back of the body, through the T.S.C., accesses the fifth dimension and beyond.

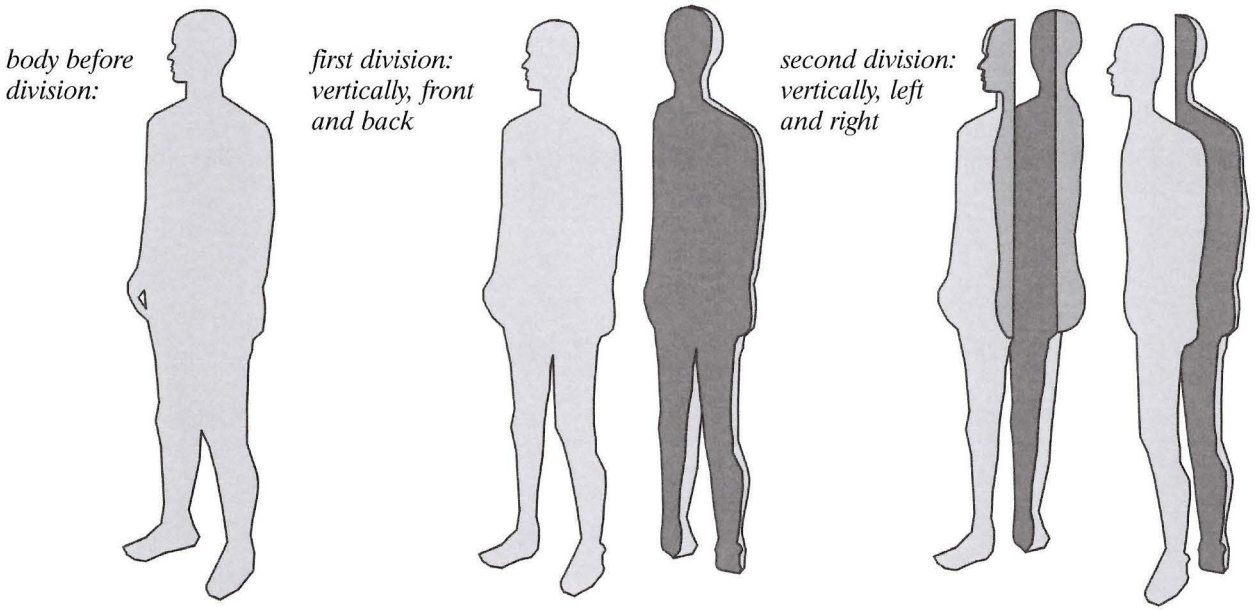
The divine vibration of the two halves are completely different, but, when held together in the form of the human body, they work in unison. In fact, each half of your body holds an encoded memory of the other half's function.

With this understanding, we can begin to explore the individual memory encoding of these dimensional separations that naturally exist in our bodies, and heal any malfunctions that have occurred that are preventing the body from fully aligning itself with its original blueprint. Your original divine blueprint is always perfect as it can never be influenced by anything outside of the divine vibrational pattern, with which it was originally created by God.

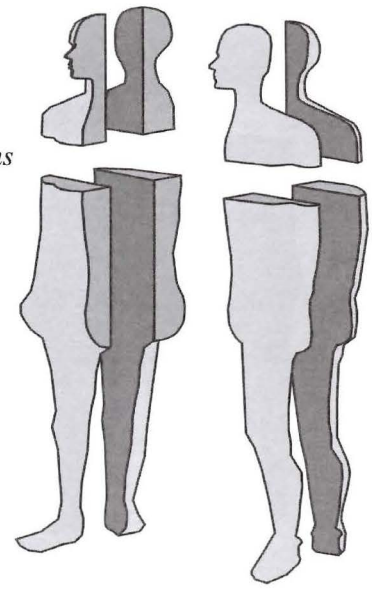
As with the physical body, your blueprint is made up of the four Elements, and also includes your DNA/RNA patterning. Because your blueprint and your body consist of the same basic components, then through clearing and rebalancing these essential components we can realign our body with its original blueprint.

The Technique

Through this technique we introduce the concept of not only dividing the body up into two halves vertically, but also into left and right portions, and then we also divide the body again, this time horizontally through the heart. This gives us four sections thus:



Now we divide the body once more, horizontally through the heart, giving you eight divisions of the body:

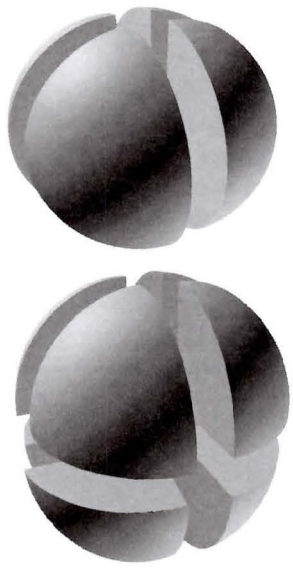


Right:
the final eight divisions of the body

Chakra split four ways

This technique effectively splits your chakras and their encodements into four sections, except for the heart chakra which is split into eight segments.

Heart chakra split eight ways



At this point we can isolate or locate a problem, and at the same time split the malfunction into its third and fifth dimensional vibrations, ie. that which is based in time, and that which is timeless.

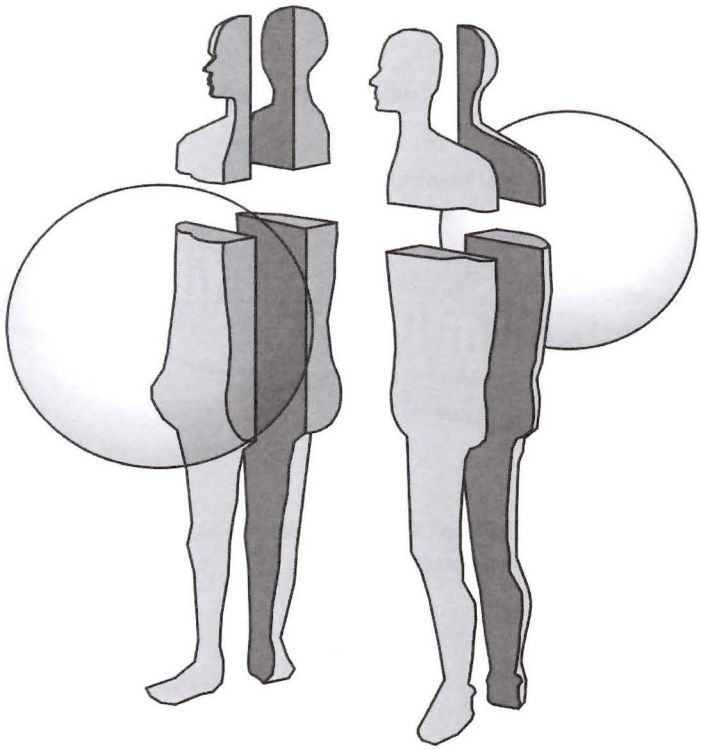
This approach intentionally divides all of your chakras into four equal segments, except for the heart chakra which is divided into eight segments. The heart chakra is the only chakra to be divided into eight, and this will substantially speed the healing of the heart and the clearing of any blockages that may exist there.

The division of the body and chakras in this manner allows us to heal from the front and the back simultaneously. To do this, we must now introduce the concept of two Orbital body computers, one in front of the body and one at the back. Note that they are now spherical in shape, but they still contain within them an Orbital Hologram that represents every aspect of your physical and etheric bodies.

The body computer at the front relates entirely to the physical vibration of the body even though it is in the T.S.C. The body computer at the back relates completely to the higher vibration of the T.S.C.

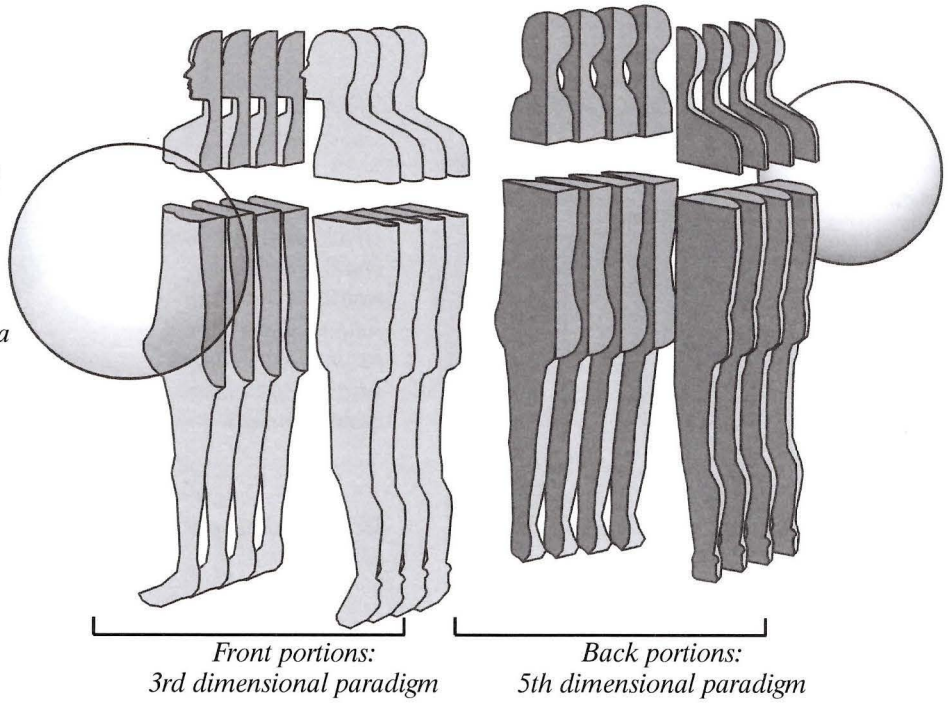
Remember that each half of each part of the body has a memory encodement of each other piece.

By separating the body in this manner and positioning the two body computers at the front and the back we are able to facilitate the healing process from two directions utilising two different vibrations simultaneously.



Right: the body divided into eight pieces with a holographic body computer both in front of and directly behind, facilitating healing not only from two directions but also from two different vibrational frequencies.

Once the body has been split in this fashion, it is only natural to also split the body into the four Elements:

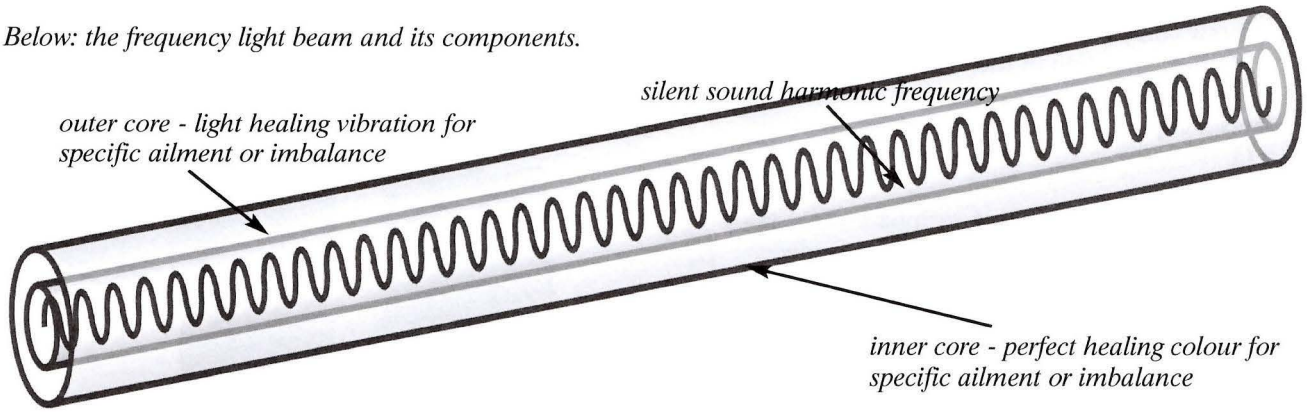


Right: the body, divided into eight pieces, then divided into parts corresponding to the four Elements (Earth, Air, Fire & Water) with a holographic body computer both in front of and directly behind.

When you reach this point of the technique many of you will immediately be able to see some imbalance in the four Elements as they pertain to a specific part of the body – knowing this, you will have found the original source of the malfunction or irregularity.

In order to balance the Elements at this point we must now introduce a new healing tool called a *"frequency light beam"*. This beam consists of the following characteristics: *a healing vibration of light* for the specific malfunction you have isolated; the *perfect healing colour needed* as well; and the *silent sound harmonic frequency* needed to bring about perfect balance and harmony once more. This frequency light beam has the ability to shatter irregularities immediately, allowing the body computers to draw off and dissolve the discordant energy into light, therefore accelerating the healing process.

Below: the frequency light beam and its components.



Once you have dissected the body into the eight parts, then divided these parts into the four Elements, you have opened up your body for repair.

The body computers contain within themselves an Orbital hologram for every aspect of your lower eight bodies. This is a configuration of six holograms all spinning in perfect unison and balance, emanating the hue of silver/platinum transparency.

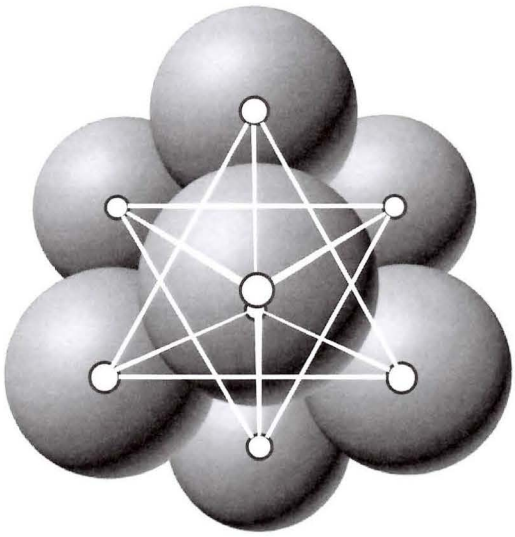
As before, you simply ask the body computers to release the Orbital Hologram of Love that represents the ailment or imbalance that you wish to heal. At this point a hologram will appear from *each* body computer, one in front of you and one at your back. As explained before, these two individual holograms will have different vibrations but will hold an encoding of each other as well.

You then project each hologram to place itself around the body part so that they merge together. If the holograms you have selected represent a non-physical function then allow them to merge together in your heart in unconditional love.

When these holograms are perfectly placed, ask for the frequency light beam that represents what you wish to heal to project into the merged holograms.
Two laser beams of light will appear from out of the ethers, one from the back and one from the front. They will pierce the healing holograms and shatter the illusory malfunction with *light vibration, the perfect healing colour and silent sound harmonic frequency.* The holograms will then change colour and perhaps even appear milky.
As this occurs, know that the body computers are drawing off the discordant energy and clearing it, dispersing it into pure light. The holograms will return to their original silver/platinum transparent hue once the healing is complete.

In this technique it is clear that these body computers have a dual action. They not only represent all that you are, but they also have the capacity to clear and cleanse as previously described. You do not need any other holograms to participate in the healing with this technique.

At the base of your spine within the etheric resides the original eight cells of your creation. These eight cells are directly related to your original blueprint and store the deepest embedded emotions and original thoughtforms. As these original eight cells reside at the base of the spine, they also directly effect the spine which is connected to your whole being, physically and etherically. Hence, your whole body responds to healing from this point.



Above: the original 8 cells at the base of your spine, packed as a cube, and how they also form a star tetrahedron.

Orbital Hologram Of Love Healing Procedure

Body Computers first

- Once again, ask for your body elemental, higher self and I AM presence to assist in facilitating this healing;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale)***;***
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale)***;***
  (pause)
- Thought intention without breath: ***Cosmic wave patterning;***
- Now, ask for the two **Orbital body computers** to present themselves, one in front of you, and one at the back of your body in line with your heart. They will appear with a silver/platinum transparent hue.
- Thought intention: ***Spectrum of body health colours appear;***
- A spectrum of colours will appear in each body computer with colours ranging from black, brown and red, to blue, green and yellow (the colours usually appear in the whole computer rather than in the individual holograms);
- The spectrum of colour may vary with each body computer, front and back;
- As the T.S.C. is advancing through at great speed,both body computers are in the T.S.C. but, of course, they represent the two dimensional halves of the body;
- Now, thought intend: ***Body divide into eight parts;***
  (pause)
  Body divide each part into four Elements; Earth, Fire, Air and Water;
- Next thought intention: ***I command these Orbital body computers – to permanently cleanse, clear and heal my lower eight bodies – of all original thoughtform and emotion – from my past, present and parents, now;***
  (pause)
  I now reinstate and restore myself to my original blueprint – of ageless body and timeless mind forever;
  (pause)
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***
- You may experience a great deal of light and heat as the healing process progresses;
- Continue the rotation of the **Orbital body computers** until the holograms have cleared all colours and have returned to their silver/platinum transparent hue;
- Once the clearing is complete, ask the body to close back together again;
- The body computer clearing may take several activations over approximately three days;
- For permanent good health, clear at least once a day.

Healing For Specific Body Parts Or Functions

- Begin by choosing what you wish to heal;
- Once again, ask for your body elemental, higher self and I AM presence to assist in facilitating this healing;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale)*;*
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale)*;*
  (pause)
- Thought intention without breath: ***Cosmic wave-patterning;***
- Now ask for the two body computers to present themselves, one in front and one in the back of your body in line with your heart. They will appear silver/platinum transparent in hue;
- Thought intend: ***Body computers release Orbital Holograms that represent my _ _ _ _ _ _ _ _ _ _ (your selected healing);***
- One Orbital Hologram will emerge out of each body computer, one in front and one at the back of your body;
- Thought intend: ***Holograms - merge together around selected body part;***
  or an alternative thought intention for a body function:
  Holograms - merge together in my heart;
- The healing holograms will locate themselves in their said position and merge together, beginning a perfectly balanced healing process;
- Thought intention: ***Activate frequency light beams;***
- A frequency light beam will appear from the ethers, one in front of you and one behind you, and project themselves directly into the merged Orbital Holograms. Each beam will embrace the components of ***healing light vibration, healing colour and silent sound harmonic frequency*** to quickly break down the density of the malfunction, allowing the spinning holograms to cleanse, clear and heal;
- As you focus on the frequency light beams, you may be able to see or sense the light colour and sound components;
- Thought intention: ***Body computers release the original eight cell Orbital Holograms;***
- As before, an Orbital Hologram will be projected out from each body computer and place themselves around the original eight cells at the base of the spine, merging together as one;
- Thought intention: ***Activate frequency light beams;***
- Once again, the dual frequency light beams, one from the front and one from behind your body, will project directly into the merged holograms at the base of your spine;
- You are now ready to accelerate the healing process. Thought intention:
  I command this Orbital healing process – to permanently cleanse, clear and heal my lower eight bodies – of all original thoughtform and emotion – from my past, present and parents, now;
  (pause)
  I now reinstate and restore myself to my original blueprint – of ageless body and timeless mind forever;
  (pause)
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***
- Continue the healing process until holograms return to their silver/platinum hue;
- Once the healing is complete, ask the body to close back together again;
- Repeat if you wish with three or more healing holograms;

Constantly work on your main case to heal completely

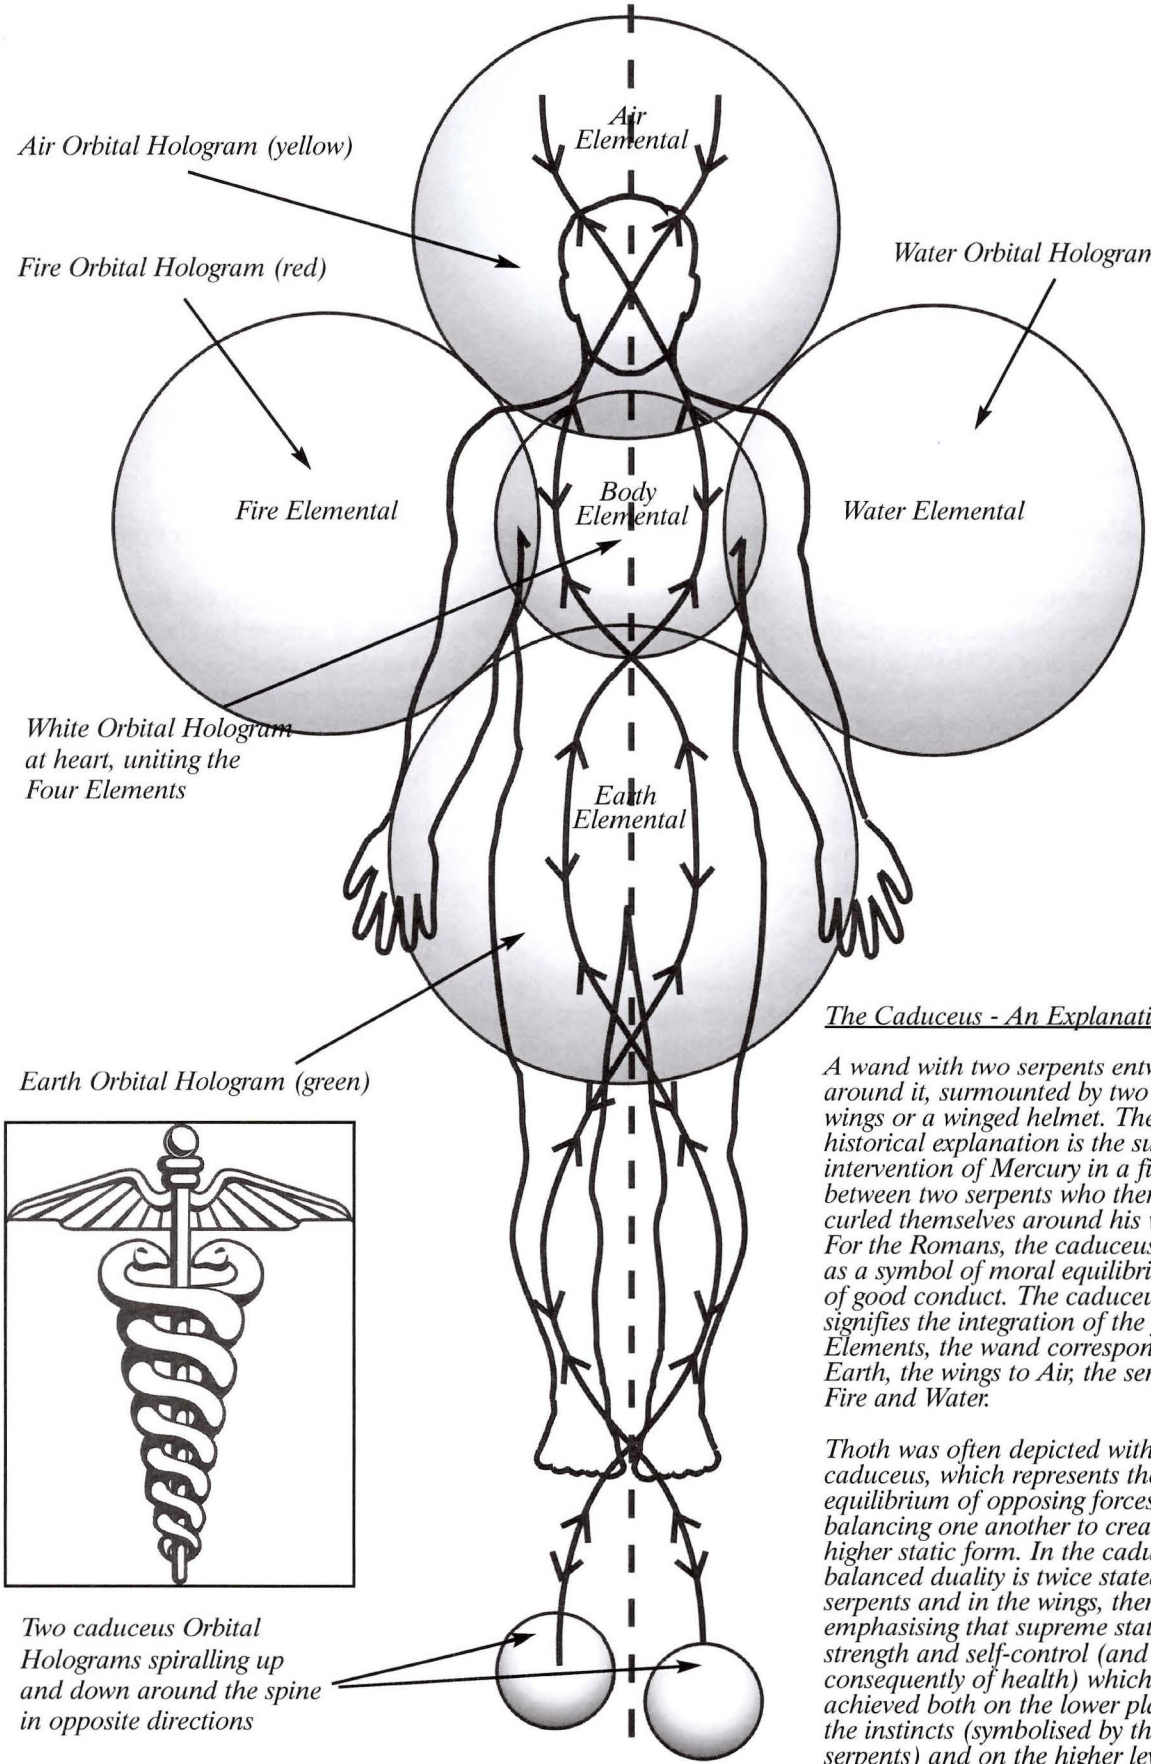
Orbital Five Elements Caduceus Balancing Technique

In order to remain centred and maintain clarity of mind, a person must have an awareness of the inner Elemental make-up of his/her own psyche. This awareness also includes the ability to experience the Elements and balance them in equal portion within the mind and body.

You must be constantly on guard against Elemental imbalance. It is suggested that one should perform the following technique of Elemental balancing to actively combat such imbalances that may occur during the transformative process of self-initiation. This is a technique that should be performed regularly.

- Begin by standing facing the East, and relax;
- Put your hands together in the unity mudra;
- Visualise a yellow Orbital Hologram of Love (for the Element of Air) superimposed over the upper part of your body;
- Thought intend: ***Air Element balance***;
- Visualise a green Orbital Hologram of Love (for the Element of Earth) covering the lower portion of your body;
- Thought intend: ***Earth Element balance;***
- Now visualise a red Orbital Hologram of Love (for the Element of Fire) superimposed over the right side of your body;
- Thought intend: ***Fire Element balance;***
- Visualise a blue Orbital Hologram of Love (for the Element of Water) covering the left side of your body;
- Thought intend: ***Water Element balance;***
- Bring your hands up to your heart;
- Visualise a white Orbital Hologram at the centre of your body around the heart, uniting the four Elements.
- Thought intend: ***Quintessence/Spirit balance all***;
- Now, call in the Four Element Elementals, Earth, Air, Fire and Water, and ask them to reside within their respective spheres;
- Call in your body Elemental to reside in the middle sphere around your heart;
- Now, spiral two Orbital Holograms up and down the spine in opposite directions: this represents the Egyptian caduceus which signifies the integration of the five Elements;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  All elements balance (inhale)
  Caduceus Holograms spiral (exhale)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- Strongly imagine all of the five Elements within your lower eight bodies balanced and in harmony under the guidance of Spirit.

Orbital Five Elements Caduceus Balancing Diagram

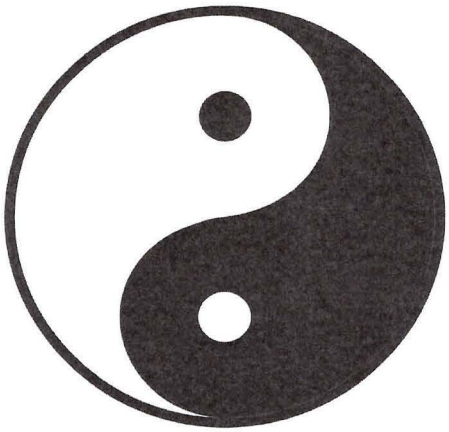


The Caduceus - An Explanation

A wand with two serpents entwined around it, surmounted by two small wings or a winged helmet. The historical explanation is the supposed intervention of Mercury in a fight between two serpents who thereupon curled themselves around his wand. For the Romans, the caduceus served as a symbol of moral equilibrium and of good conduct. The caduceus also signifies the integration of the four Elements, the wand corresponding to Earth, the wings to Air, the serpents to Fire and Water.

Thoth was often depicted with the caduceus, which represents the active equilibrium of opposing forces balancing one another to create a higher static form. In the caduceus this balanced duality is twice stated: in the serpents and in the wings, thereby emphasising that supreme state of strength and self-control (and consequently of health) which can be achieved both on the lower plane of the instincts (symbolised by the serpents) and on the higher level of the spirit (represented by the wings).

Balancing The Yin And Yang



The first concept in Chinese medicine is unity.

There are polarities in all things - this is represented by the words yin and yang and the familiar symbol:

Everything in creation is a result of the interplay of the two elements, yin and yang. Yang is the light, active, creative, positive element. Yin is the dark, passive, receptive, negative element. It is stated in the Chinese text "The Yellow Emperor's Classic of Internal Medicine," that in order to treat and cure diseases one must search into their origins, Through their interactions and functions, yin and yang, the negative and positive principles in nature, are the causes of diseases which befall those who are in rebellion against the laws of nature - or who do not conform to them.

"The Higher Self is androgynous and waits to unite with the lower eight bodies. It cannot form the union, however, until the lower bodies are balanced with the yin and yang energies. The balance actually accelerates the electron spin to a point of stillness necessary for the merger to take place, Ascension does not occur until the union is perfect.

Therefore, I say unto you, hold the perfect stillness within, and balance the masculine and feminine principles in the soul, Learn to listen to the higher guidance of your inner voice, and know that when you do so, all will be perfectly aligned.

When the yin and yang ore balanced perfectly within the soul, the individual Intuitively knows how and when to act appropriately in all situations. The balance of the positive and negative or masculine and feminine principles within brings the person to a point of androgyny, the state of mental balance that aligns the individual with the Higher Self. "

Quotation from El Moyra (from the book The Light Shall Set You Free by Norma Milanovich, chapter "Law of Gender".)

Everyone is made up of both yin and yang elements; yin exists within yang, yang exists within yin. The solid organs are considered to be yin. The hollow organs are considered to be yang.

Just as there is a north pole and a south pole on a magnet, there are yin and yang polarities within the body, The life systems are energized by this flow of energy known as chi, the primary or universal energy. It is the origin of all things and of life itself. The channels along which this chi energy flows in the body are called meridians.

What Is A Meridian?

Acupressure vessels, or meridians, are located throughout the body. They contain a free flowing, colourless, non-cellular liquid which may be partly actuated by the heart. These meridians have been measured and mapped by modern technological methods, electronically, thermatically, and radio-actively, With practice, they can also be felt. There are specific acupuncture points along the meridians. These points are electro-magnetic in character and consist of small, oval cells called bonham corpuscles which surround the capillaries in the skin, the blood vessels, and the organs throughout the body. There are some 500 points which are being used most frequently in a definite sequence, depending on the action desired.

We name meridians by the life function with which they seem to associate. In most cases, this name Is similar to the name of a gross organ we're familiar with, yet muscle indication of energy blockage doesn't mean there's damage to the organ named. We cannot say that a weak muscle means a weak organ - we can only note that a portion of the meridian energy flow indicates blockage or constriction.

The Chinese physician can detect imbalances in meridians by feeling the pulses, but this is a sensitive thought, and it may take 10 to 20 years to develop proficiency with it.

The Melchizedek Method of implementing the Hologram of Love can detect these same imbalances simply by visualising a Hologram around the wrist and tuning Into the information that is stored within it.

You can simply activate the Hologram out into the time light continuum and command it to rotate till perfect balance Is restored or if you want to be specific, work through each specific meridian, correcting and balancing as you go. Either way is very effective.

Triple Warmer

In Chinese medicine the body is divided into 3 areas, ie; Heaven (upper body), Earth (mid-body) and Man (lower body). The Triple Warmers function physically is to unite all 3 areas, regulating all other meridians as well as balancing all bodily fluids. Also, it balances the body's essential warming or regulating functions.

The higher or spiritual function of the Triple Warmer Is to bring In Holy Breath (this meridian only comes into function when a new-born child takes its first breath), All the other meridians are functioning within the development of the foetus.

In Chinese medicine there is no separation between the meridians (Chi) and the actual organ associated with that meridian. So, when working with any organ it Is very important to include its particular meridian and any associated functions.

NOTE:

The left side of the body is feminine, **yin,** and the right side is masculine, **yang**. Above is Heaven, **the greater yang**, and below is the Earth, **the greater yin**. So, true balance has to be restored not only above and below but to the left and to the right sides of the body, as well as to the front of the body, **anterior/yin,** and the back of the body, **posterior/yang**. This connects the body to Heaven through the time space continuum and then enters into no-time.

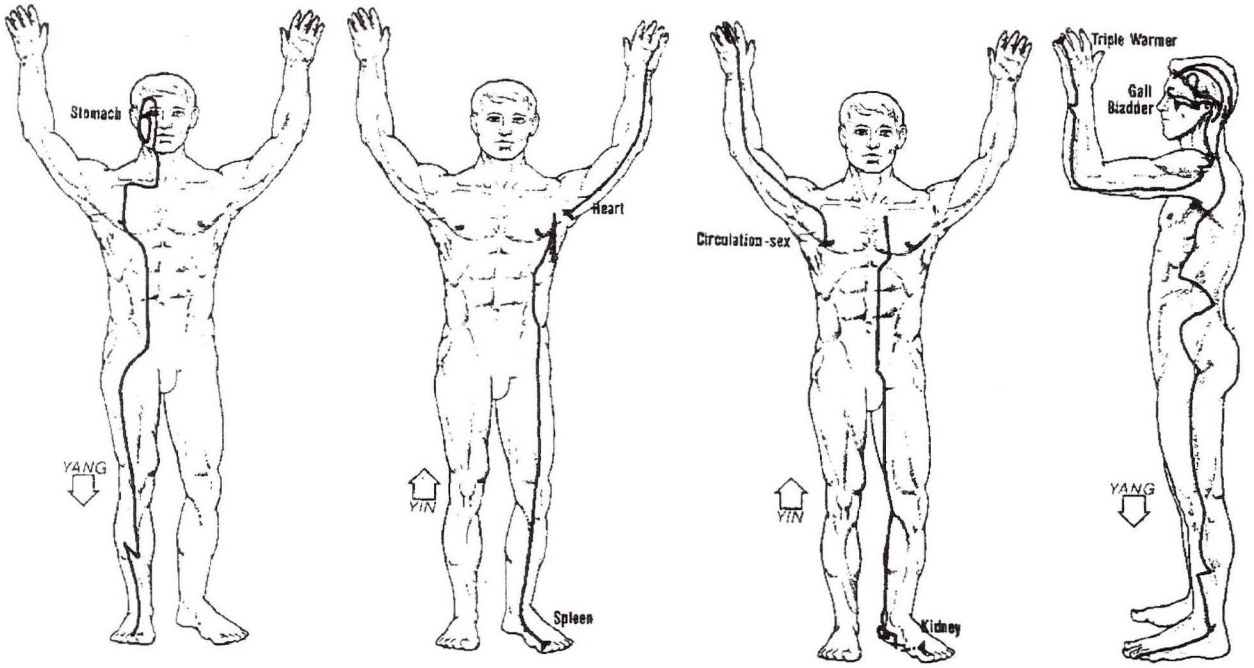
The Meridian Cycle

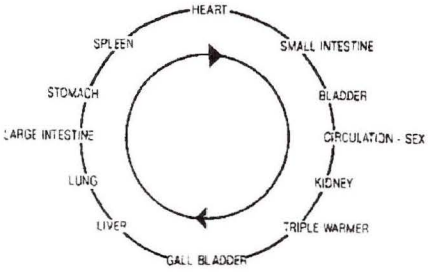
Meridians are classified yin or yang on the basis of the direction in which they flow on the surface of the body. Meridians interconnect deep within the torso. Yang energy flows from the sun, and yang meridians run from the fingers to the face or from the face to the feet. Yin energy, from the earth, flows from the feet to the torso, and from the torso along the inside (yin-side) of the arms to the fingertips.

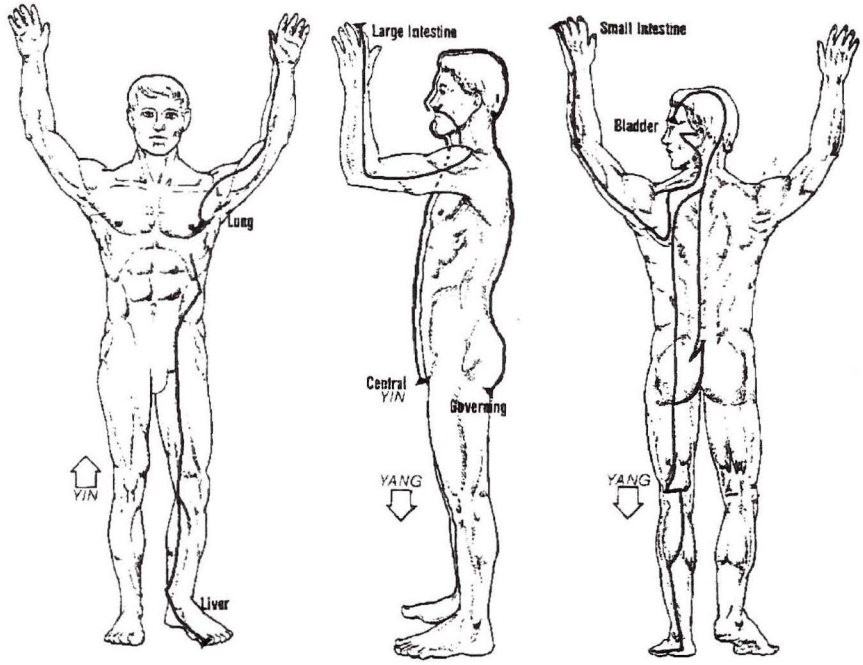
Since the meridian flow is actually one continuous, unbroken flow, the energy flows in one definite direction, and from one meridian to another in a well determined order. Since there is no beginning or end to this flow, we represent the order of the meridians as a wheel.

When this energy flow is unrestricted, the body harmonizes the flow to optimize body functioning, Sometimes, though, the life we lead and the abuses we heap upon our bodies cause stress, and sometimes the stress is so intense or so constant that, in effect, it "overloads" the circuit, The "circuit breaker" pops, and need to be reset before energy can flow properly.

Meridian Diagrams







*All meridians shown in these diagrams run up and down **both sides** of the body*

Orbital Balancing Of The Yin And Yang

Once again, balancing the positive and negative aspects of one's being is imperative to complete ascension. Enlightenment means just that:

In-light-meant-for-me.

Your four Elements are directly connected to your meridians as they contain impulses which are immediately affected if one of the Elements are out of balance. This in turn immediately affects the spine and the nervous system as a communication is transmitted to the brain to alert the body to the presence of a malfunction.

The intertwined nature of your being can be affected by more than one aspect being out of balance, so it is suggested that the balancing of the meridians always be included in any form of healing, and, in this case, performed before and in conjunction with the healing and balancing of the spine and the four Elements.

Balancing the meridians through the wrist pulse is still the basis of this technique, but enhanced by the Orbital healing process.

- Once again, ask for your body elemental, higher self and I AM presence to assist in facilitating this healing;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale)***;***
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale)***;***
  Pulse 33,000 times God speed (exhale)***;***
  (pause)
- Thought intention without breath: ***Cosmic wave-patterning;***
- Now ask for the two body computers to present themselves, one in front of your body and one at your back, both in line with your heart. They will appear with a silver/platinum transparent hue;
- Now, thought intend: ***Body divide into eight parts;***
  (pause)
  Body divide each part into four Elements; Earth, Fire, Air and Water;
- **The body is now open and ready for balancing;**

- Thought intend: ***Body computers release the Orbital Holograms that represent my meridians;***
- An Orbital Hologram will be projected out from each body computer and place themselves around your wrists as you hold them in the unity mudra, merging together as one;
- Thought intention: ***Activate meridian frequency light beams;***
- A frequency light beam will appear from the ethers, one in front of you and one behind you, and project themselves directly into the merged Orbital Holograms around your wrists;
- Thought intention: ***I command all meridians to balance themselves – in perfect harmony with all the functions of my lower eight bodies;***

  (pause)

  I now reinstate and restore myself – to my original blueprint of ageless body and timeless mind forever;

  (pause)
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***
- As the balancing progresses, tune into the Orbital Holograms that are rotating around your wrists and from time to time ask if they are balanced. When balancing has occurred, the holograms will inform you with a telepathic thought or sense;
- At this stage, when the balancing has been completed, thought intend: ***Balance complete – disperse:***
- The holograms around your wrists and the frequency light beams will dissolve.

Orbital Healing And Balancing Of The Spine

The spine is the centre of your being, therefore it must be in perfect condition for you to function at your optimum. Allow yourself the thought that your spine is a central column of activity that is continuous, whether you are asleep or awake. It has an active element that resonates to the higher forces of Nature continually. It is your true connection to your God source and, of course, the time space continuum of the higher dimensions. You will build continually upon the basic physical structure with pure thought as you become enlightened.

Of course, your physical spine is just the first building block of your whole divine structure back to God source. It is imperative that it functions perfectly if one wishes to proceed beyond the physical.

Because your spine is intertwined with the nervous system, many of us allow the storage of deep emotions to take place here. This can result in a painful reaction or condition.

Your spine is connected to your brain, so every thought you have is transmitted to your spine. Keep in mind, as your back and neck muscles are also connected to your spine, that your spine stores any overload of emotions and thoughts in the flesh of these muscles. The spine has a mechanism that will not allow it to be easily disconnected from its divine function.

Often when the storage muscles of the neck and the back are filled to capacity with intense thoughtform and emotion, these muscles will let the spine know, a signal is in turn passed on to the brain, informing it that the spine cannot take any more , that it is time to clear and heal this part of the body. Of course, if it is not healed immediately then the spine has no option but to begin dispersing its burden throughout the body. It can do so easily, as the spine is connected via the nervous system to every function and organ of the body. Such a course of action, however, would be the last option the spine will take, and it will send out many warnings before such action becomes necessary.

Your seven outer bodies are also connected to the spine through your chakra system, and so the same system of interconnected functions exists at these higher levels as well. As the outer bodies are affected by disharmonic thoughtform and emotion, they feed their own signals directly into the spine, and hence once more directly to the brain.

When a being is unenlightened it is unaware of this process, and so attempts to find the answer for its ailments outside of itself. The true nature of a human being is that all is within. The nature of life is that God is within all things, and so, as we are influenced by discordant energy of any kind, all we need do is call upon God for release. If this is done regularly then you can never be influenced by the outside world, as you simply will not hold onto anything that is not in harmony with your self.

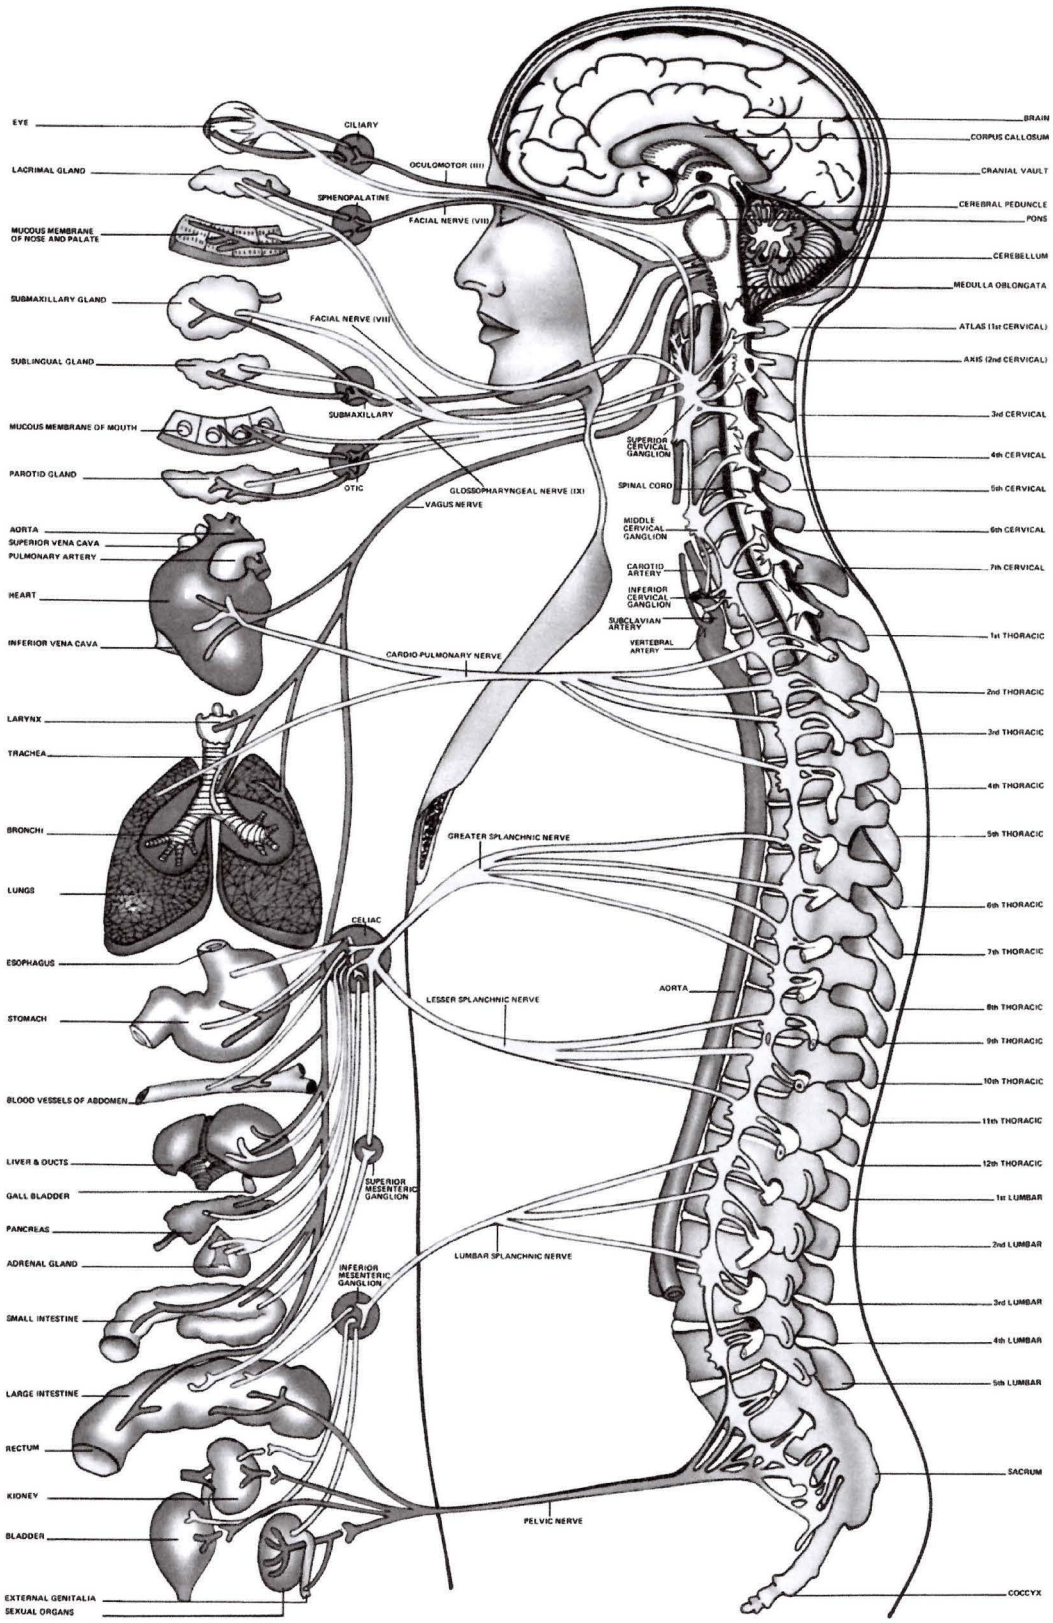
The Connection Between Your Spine And Your Organs

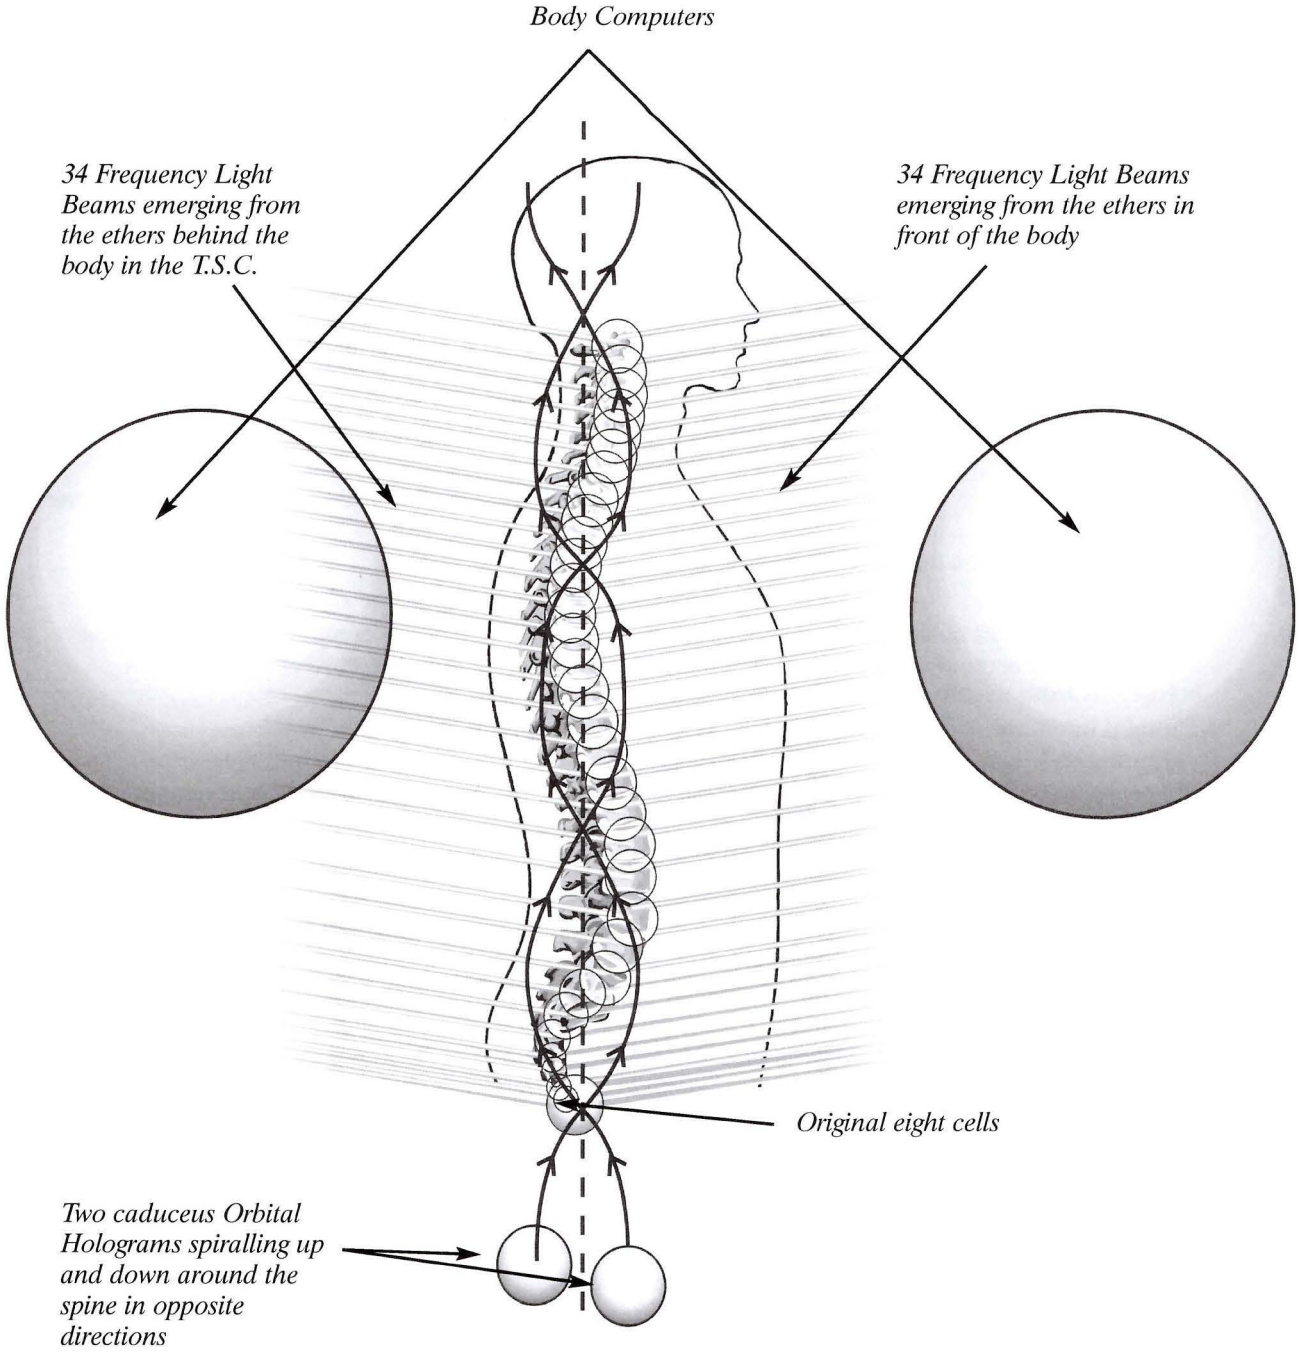


Using Split Paradigm Healing With The Spine

The spine is easily accessed through the time space continuum, from the front and the back, and so the Split Paradigm Healing process is perfect to heal, cleanse and clear the spine.

- Once again, ask for your body elemental, higher self and I AM presence to assist in facilitating this healing;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale)***;***
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale)***;***
  Pulse 33,000 times God speed (exhale)***;***
  (pause)
- Thought intention without breath: ***Cosmic wave-patterning;***
- Now ask for the two body computers to present themselves, one in front and one in the back of your body in line with your heart. They will appear silver/platinum transparent in hue;
- Now, thought intend: ***Body divide into eight parts;***
  (pause)
  Body divide each part into four Elements; Earth, Fire, Air and Water;
- The body is now open and ready for healing;
- Thought intention: ***Body computers release spine and eight cells' holograms;***
- Thirty three Orbital holograms plus the eight cells' hologram from each computer will appear and merge together around each verterbrae and the original eight cells at the base of the spine (34 holograms from each computer);
- Thought intention: ***Activate frequency light beams of the spine;***
- Thirty four frequency beams of light, colour and sound will appear in front of and behind you. They will project into the spine from both sides. As you observe this process, you may observe many different colours and sound harmonics;
- At the same time you must balance the Elements;
- Thought intend: ***Caduceus holograms spiral;***
- Immediately, two Orbital Holograms will appear at the base of the spine and begin a spiral rotation up and down the spine with opposite directions of rotation. As they reach the top of the spine they will simply reverse direction and spiral down again. This will repeat continuously while the healing process takes place;
- Now, you must accelerate the healing process. Thought intention:
  I command this Orbital healing process – to permanently cleanse, clear and heal my spine and original eight cells – of all original thoughtform and emotion – from my past, present and parents, <u>now</u>;
  (pause)
  I now reinstate and restore myself to my original blueprint – of ageless body and timeless mind forever;
  (pause)
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***
- Continue this healing process for as long as you are guided;
- Once the healing is complete, ask the body to close back together again;
- Once again, this technique should be applied daily to maintain good health and harmony.

Spin Directions, Body Computers & Frequency Light Beams When Healing The Spine



Orbital Chakra Balancing

- Visualise the pranic tube through the centre of your body encompassing the spine three times larger in diameter than previously introduced in Level One;
- In the top of the pranic tube at the God source, visualise an Orbital Hologram. At the bottom of the pranic tube, in the Earth, visualise another Orbital Hologram;
- Slowly project down from God and up from Earth both Orbital Holograms so that they cross through each other at the heart and continue on to their respective opposite ends of the pranic tube;
- Let them continue to slowly move up and down the pranic tube in this fashion, crossing through each other at the heart;
- Next, you must balance the five Elements;
- Now, thought intend:

  Caduceus Holograms spiral;
- This time the caduceus Orbital Holograms will appear at the bottom of the pranic tube in the Earth and begin to spiral in opposite directions up the tube, around the spine, and up to God. As they reach the top, they will spiral down again;
- Now, visualise both body computers in place at the front and at the back of your body, in line with your heart;
- Now, accelerate the chakra balancing process. Thought intention with breath:

  T.S.C. advance through me 33 times God speed to infinity (inhale);

  Unity chakra rotation (exhale);

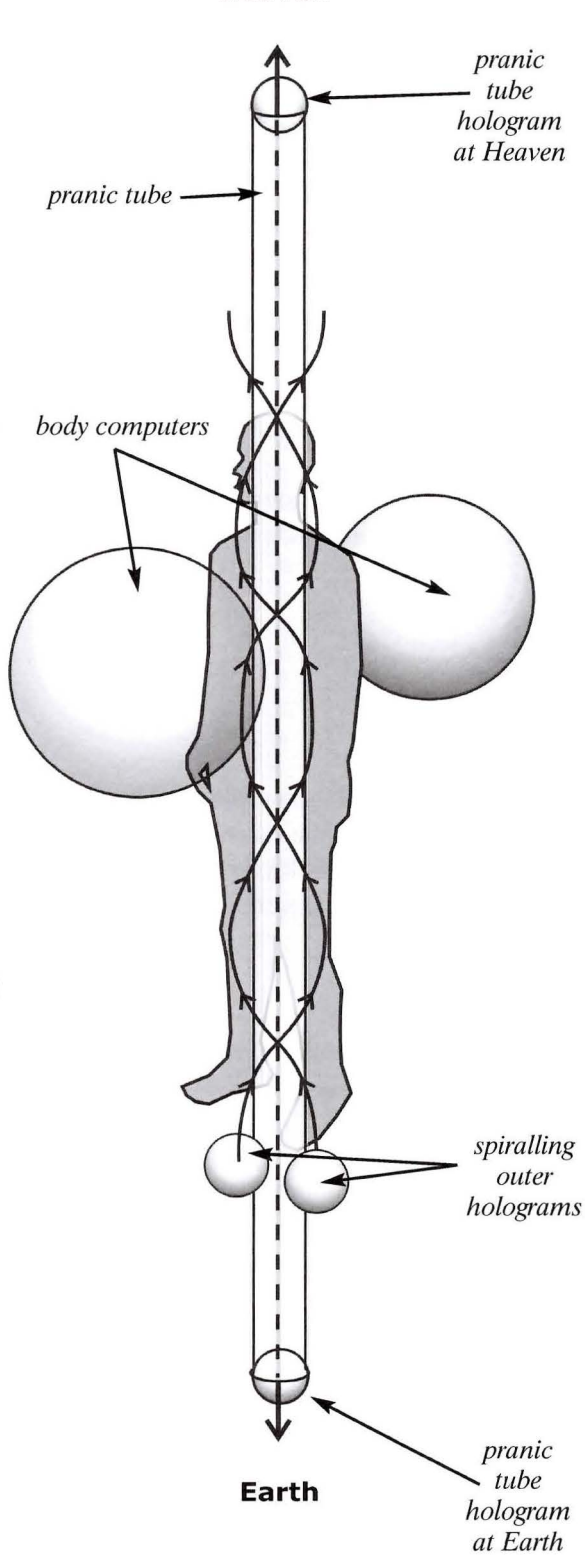
  (pause)

  Orbital Merkaba activate (inhale);

  Pulse 33,000 times God speed (exhale);

  (pause)
- Thought intention without breath:

  Cosmic wave-patterning;
- Once the balance is complete, stop all four holograms in the heart and merge them together as one Orbital Hologram
- With a breath, expand the heart Orbital Hologram around your body, hold for a moment, then relax.



Repeat this often and your chakras will always be in balance. Whenever you feel out of balance, the application of this technique will return balance to your chakras, thereby dissipating any discordant energy that may have built up through misalignment over time.

Orbital Adjustment And Healing Of The Skeleton And Muscles

(When working with skeletal misalignments, the first thing to consider is the need to relax the muscles, as one would with massage.)

When using this technique, some people may experience an adjustment straight away while for others it may come later, but in any case it will be a gentle adjustment.

The skeleton and muscles are intrinsic parts of your anatomy that interweave and interact with all other aspects and functions of the body. They are an alarm system that is activated when there are maybe more serious problems occurring on a different level of consciousness. One can also physically stress or strain these delicate interwoven systems of the body by allowing your thoughts to overpower your body's physical limitations, such as in sport, or heavy lifting in the workplace etc. Either way, this network of bone and muscle has a sensitivity that must be recognised, for you to remain healthy, happy and mobile.

Once again, the following Orbital adjustment and healing process is designed to restore you to perfect, balanced harmony.

- Ask for your body elemental, higher self and I AM presence to assist in facilitating this healing;
- Thought intention with breath: ***T.S.C. advance through me 33 times God speed to infinity*** (inhale);
  Unity chakra rotation (exhale);
  (pause)
  Orbital Merkaba activate (inhale);
  Pulse 33,000 times God speed (exhale);
  (pause)
- Thought intention without breath: ***Cosmic wave patterning;***
- Now ask for the two body computers to present themselves, one in front and one in the back of your body in line with your heart. They will appear silver/platinum transparent in hue;
- Now, thought intend: ***Body divide into eight parts;***
  (pause)
  Body divide each part into four Elements; Earth, Fire, Air and Water;
- **The body's muscles and skeleton are now open and ready for healing and adjustment;**
- Thought intention: ***Body computers, release Orbital Holograms for selected muscle group;***
- The selected Orbital Holograms will be projected out from each body computer and place themselves around the appropriate muscle group, merging together as one;
- Thought intention: ***Activate muscle frequency light beams;***
- A frequency light beam from the front and the back will project themselves into the selected muscle group;
- Ask all muscle group holograms to pull the muscles about 3 inches (8 cm) off the body;
- Thought intention with breath: ***I command that all tension and pain be released immediately and my skeleton to self-adjust automatically*** (inhale);
  Accelerate rotation 33,000 times God speed (exhale);

Continue this process for as long as you feel it is necessary, If the pain is relieved quickly, still engage the technique for an extended period to ensure complete healing and any skeletal adjustment to take place.

If you wish, you can engage the whole body muscular system at once with this technique for the relief of a number of muscular ailments or tensions in one sitting.

Your Divine Blueprint

The zero point, or point of freedom, is also where the soul enters and exits from, so when the soul enters, it does so into a perfect matrix blueprint of your human body. This original blueprint never changes. We, in our lifetimes, manifest irregularities into that perfect matrix that are not permanent, even though we may think them so.

So, it stands to reason that we can easily reverse these third dimensional, man-made irregularities with simple thought, as the original perfect matrix always exists, and is manifest directly from God, and has the vibration of existence within it. It cannot be destroyed or changed, except by God.

We often bring imperfections with us from past lives into this lifetime, so that we can learn to dissolve them back into the perfect matrix of life that always exists for us.

Orbital Activation Of The Original Divine Blueprint

- At the end of the healing process, thought intend:

  Original divine blueprint frequency light beams activate;
- A frequency light beam will appear from the ethers, one in front of you and one behind you, and project themselves directly into the heart, the soul;
- Thought intention: ***Soul release the divine blueprint;***
- A holographic blue matrix will begin to emerge from the heart and slowly expand to encompass the body;
- As it reaches the same size as the body, seven outer body blueprint matrices will expand out of the first to form a blueprint matrix for the lower eight bodies. These blueprints are of electric blue liquid light;
- Thought intention: ***I now ask my original divine blueprint to reinforce its encoding within all aspects of my being.***
- Thought intention with breath: ***Orbital merkaba activate*** (inhale);

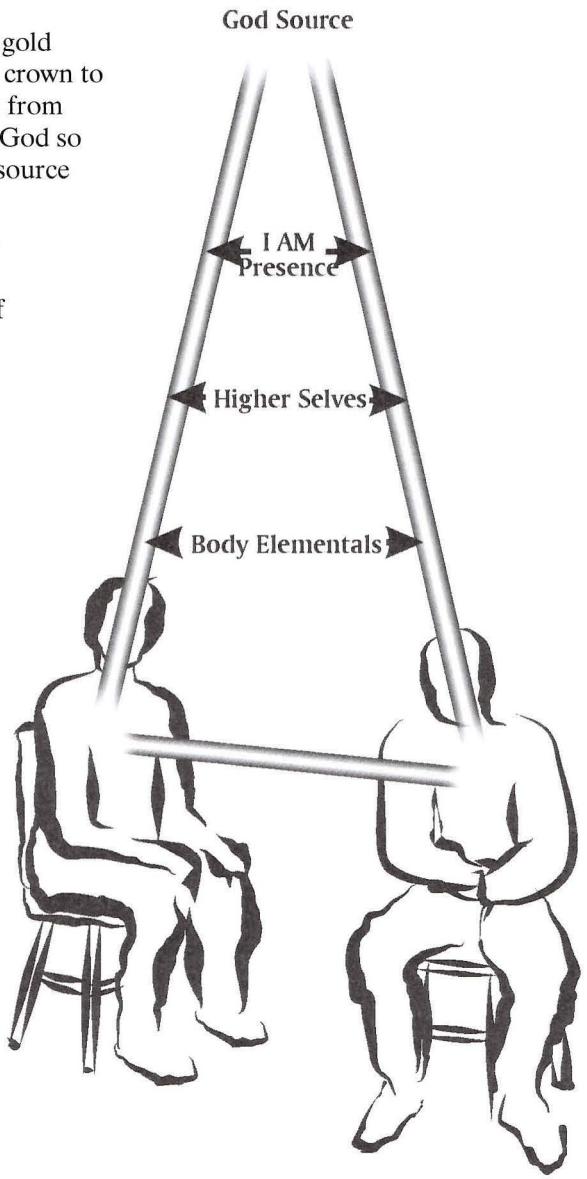
  Pulse 33,000 times God speed (exhale);
- As the Orbital Merkaba is activated, it will spin the eight blueprint matrices at 33,000 times God speed, reinforcing the original divine encoding of the third dimensional form;
- Hold the blueprint spin for as long as you are guided to in order to amplify your healing;

The Gold Triangle With The Orbital Hologram

As introduced in the Melchizedek Method Level One seminar, the Gold Triangle is a simple but very effective way of connecting to another person as you treat or heal them. This time, however, we use the new Orbital Hologram to enhance this process further.

Once again, when connecting with this healing technique, you may find that the person receiving the treatment or healing will be in one thought with you, and will be able to consciously see the holographic work you are doing on them.

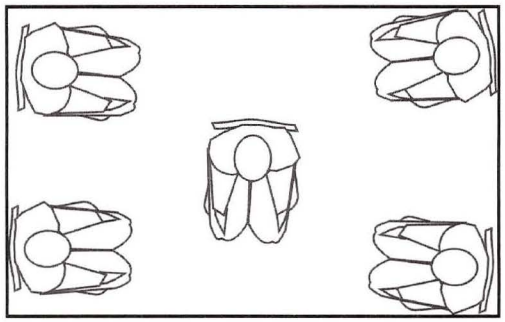
- Begin by sitting to the side of the person you are working on so that their T.S.C. is immediately in front of you;
- Now, project a gold beam of light from your heart into your subject's heart;
- While holding this heart connection, project a gold beam of light from your heart up through your crown to God. At the same time, project a similar beam from your subject's heart through their crown up to God so that the two beams meet together in the God source to form a Golden Triangle of Love;
- If your subject is in tune with you, ask them to participate with you in this love connection;
- Now you systematically connect on all levels of consciousness;
- First, ask your body Elemental to connect with your subject's body Elemental to help facilitate this treatment or healing;
- Next, you ask the same of the Higher Selves;
- Then you ask the I AM Presence of the both of you the same;
- Lastly, you connect to the God essences within the both of you within the Source, to co-create the perfect, loving, most divine healing for your subject;
- Once connected in this way you are both of one mind, one thought;
- Now, activate your Orbital Merkaba. If your subject knows how to activate their Orbital merkaba, synchronise your activation together;



You can now begin your healing or treatment.

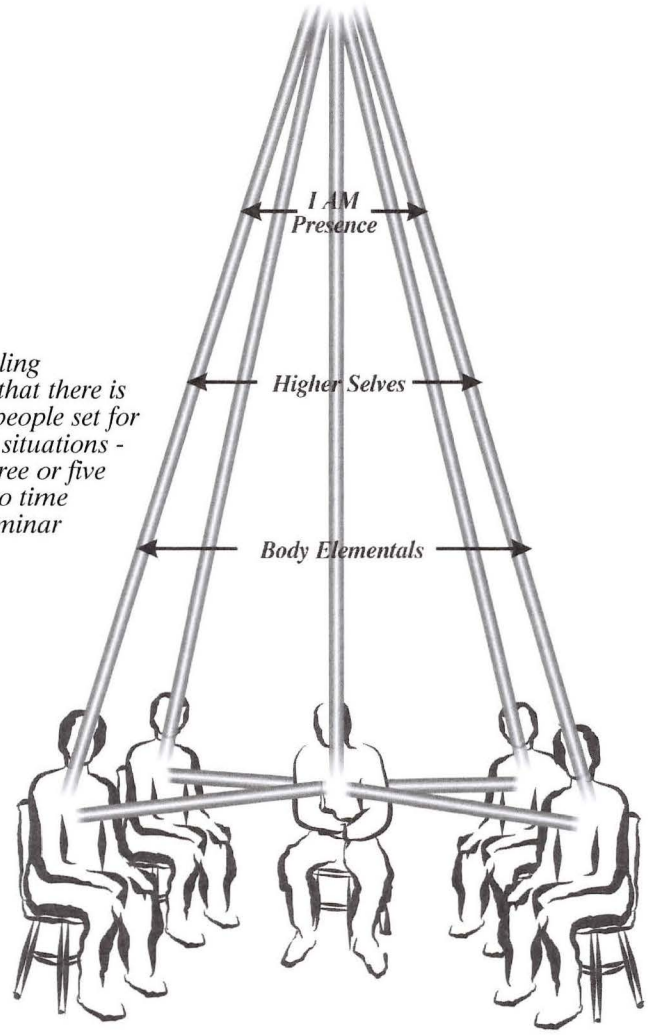
Group Healing With The Orbital Hologram

- Everyone in the group participates in every aspect of the healing together. This will create a more powerful and effective result;



Above: a top-down view of the healing configuration. Note that the person receiving the healing is centrally located between all participants.

Right: the group healing configuration. Note that there is no fixed number of people set for the group in healing situations - the group is set at three or five members soley due to time constraints in the seminar environment.



The sequence of the group healing is as follows:

1. **Body Computer;**
2. **Balance the Five Elements;**
3. **Balance the chakras;**
4. **Balance the meridians;**
5. **Healing and balancing of the spine;**
6. **Heal the selected illness or malfunction of your subject;**

Procedure (also a daily routine)

- Form groups consisting of three or five people each (or as many people as you like);
- Select one person for the first healing;
- Arrange your seating positions as instructed in the manual;
- Discuss your subject's selection of healing;
- Silence;
- Visualise an Orbital Hologram surrounding your group, creating a healing chamber. Encode this chamber with the thought intention: ***Nothing shall leave this chamber. All healing will take place within the T.S.C. of the person selected for healing;***
- Connect the Golden Triangle to the person you are healing – body Elementals – Higher Selves – I AM Presence – God;
- Thought intention with breath:

  T.S.C. advance through myself and my subject 33 times God speed to infinity (inhale);

  Unity chakra rotation (exhale);

  (pause)

  Orbital Merkaba activate (inhale);

  Pulse 33,000 times God speed (exhale);

  (pause)
- Thought intention <u>without</u> breath:

  Cosmic wave-patterning;

- Ask for the two **Orbital body computers** to present themselves, one in front of your subject and one at the back of your subject's body in line with their heart.
- Thought intention: ***Spectrum of body health colours appear;***
- A spectrum of colours will appear in each body computer with colours ranging from black, brown and red, to blue, green and yellow (the colours usually appear in the whole computer rather than in the individual holograms);
- Now, thought intend: ***Body divide into eight parts;***
  (pause)
  Body divide each part into four Elements; Earth, Fire, Air and Water;

- **<u>Your subject's body is now open for healing;</u>**
- Next thought intention: ***I command these Orbital body computers – to permanently cleanse, clear and heal the lower eight bodies – of all original thoughtform and emotion – from past, present and parents, <u>now</u>;***
  (pause)
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***

- **<u>Next, balance the Five Elements;</u>**
- Visualise a yellow Orbital Hologram of Love (for the Element of Air) superimposed over the upper part of your subject's body;
- Thought intend: ***Air Element balance***;
- Visualise a green Orbital Hologram of Love (for the Element of Earth) covering the lower portion of your subject's body;
- Thought intend: ***Earth Element balance;***
- Now visualise a red Orbital Hologram of Love (for the Element of Fire) superimposed over the right side of your subject's body;
- Thought intend: ***Fire Element balance;***
- Visualise a blue Orbital Hologram of Love (for the Element of Water) covering the left side of your subject's body;
- Thought intend: ***Water Element balance;***
- Visualise a white Orbital Hologram at the centre of your subject's body around the heart, uniting the four Elements.
- Thought intend: ***Quintessence/Spirit balance all***;
- Now, call in the Four Element Elementals, Earth, Air, Fire and Water, and ask them to reside within their respective spheres;
- Call in your subject's body Elemental to reside in the middle sphere around their heart;
- Now, spiral two Orbital caduceus Holograms up and down the pranic tube
- Thought intention with breath: ***All elements balance*** (inhale)
  Caduceus Holograms spiral at 33,000 times God speed(exhale)

- **<u>Next: chakra balancing;</u>**
- Visualise the pranic tube around your subject's spine three times larger in diameter;
- In the top of the pranic tube at God source, visualise an Orbital Hologram. In the bottom of the pranic tube, in the Earth, visualise another Orbital Hologram.
- Slowly project the holograms up and down towards each other so that they cross through each other at the heart and continue on to their respective opposite ends of the pranic tube;
- Let them continue to slowly move up and down the pranic tube in this fashion;
- Now, thought intend with breath: (inhale);
  accelerate chakra balance 33,000 times God speed (exhale)***;***

- **<u>Next, balance the meridians;</u>**
- Thought intention: ***Body computers release the Orbital Holograms that represent my subject's meridians;***
- An Orbital Hologram will be projected out from each body computer and place themselves around your subject's wrists as they hold their hands together, holograms merging together as one;
- Thought intention: ***Activate meridian frequency light beams;***
- Thought intention, with breath: ***I command all meridians to balance*** (inhale)***;***
  Accelerate rotation 33,000 times God speed (exhale)***;***

- **<u>Next, healing the spine and original eight cells;</u>**
- Thought intention: ***Body computers release spine and eight cells' holograms;***
- Thirty four Orbital holograms from each computer will appear and merge together around each vertebrae and the original eight cells at the base of the spine;
- Thought intention: ***Activate frequency light beams of the spine;***
- Now, you must accelerate the healing process. Thought intention:

  I command the healing of the spine and original eight cells (inhale);
  Accelerate rotation 33,000 times God speed (exhale);

- **<u>Next, heal the selected illness or malfunction of your subject;</u>**
- Thought intend: ***Body computers release Orbital Holograms that represent my subject's selected healing;***
- Thought intend: ***Holograms - merge together around selected body part;***

  or alternatively for a body function:

  Holograms - merge together in my subject's heart;
- Thought intention: ***Activate light frequency beams;***
- You are now ready to amplify the whole Orbital healing process. Begin recapping by visualising all the holograms and frequency beams in action, rotating around the body in this order: the two body computers, front and back; the five elements holograms; the chakra balancing holograms; the meridian balancing holograms; the healing holograms of the spine with frequency light beams; and finally the selected illness holograms and frequency light beams of your subject;
- Thought intention: ***I command this Orbital healing process – to permanently cleanse, clear and heal my subject's lower eight bodies – of all original thoughtform and emotion – from their past, present and parents, <u>now;</u>***

  (pause)

  I now reinstate and restore my subject – to their original blueprint – of ageless body and timeless mind forever;

  (pause)
- Thought intention with breath: ***Accelerate rotation 33,000 times God speed;***

  (longer pause)

- **<u>Lastly, reinstate the original divine blueprint;</u>**

  Original divine blueprint frequency light beams activate;

  (pause)

  Soul release divine blueprint;
- The blueprint will emerge from the heart and expand to the shape of the body, and then release seven outer body blueprint matrices;
- Thought intention: ***I now ask the original divine blueprint – to reinforce its encoding – within all aspects of my subject's being.***
- Thought intention with breath: ***Orbital merkaba acitvate*** (inhale);

  Pulse 99,000 times God speed (exhale)
- **Command the body to close back together after the completion of the healing if you wish or, for a more powerful continuous healing, leave the body open until healing is complete. This can be an automatic command;**

Hold this healing process for as long as you are guided with the expanded merkaba.

Introduction

This Scroll Is A Revised Edition Of ***"What Race Was Jesus?" Edition #179*** Which Was Originally Printed In **1988 A.D.** For Far Too Long The Issue Of What Race Was Jesus Has Popped Up, Yet Went Unanswered Until I, **Dr. Malachi Z. York**, Released A Series Of Scrolls Explaining Every Aspect Of The Life Of Jesus, Called **"The Christ Series."** And Once Again, With The New And Many Faces Of What Everyone Is Calling **"The Real Jesus"** Being Plastered In Every Church Around The World, I Felt The Necessity To Straighten Out The Lies. Christians All Over The World Say That The Racial Identity Of Jesus Christ Is Not The Principle Issue In Christianity. However, If This Is So, Why Was The Messiah Jesus Of 2,000 Years Ago, Always Depicted As A Typical Caucasian Hippie-Like Man With Shoulder Length Hair, Full Beard, And An Aquiline Nose? Although There Are Many Depictions Of The Messiah Jesus Drawn By Black Artist Who Have Decided That The Messiah Jesus Was Black, It Wasn't Until Recently That Your Preachers, Teachers, Reverends, Pastors Etc... Began To Acknowledge Them In Their Churches. Now All Of A Sudden, Nuwaubians All Over The World Want To Give You Their Portrayal Of What Jesus Looked Like.

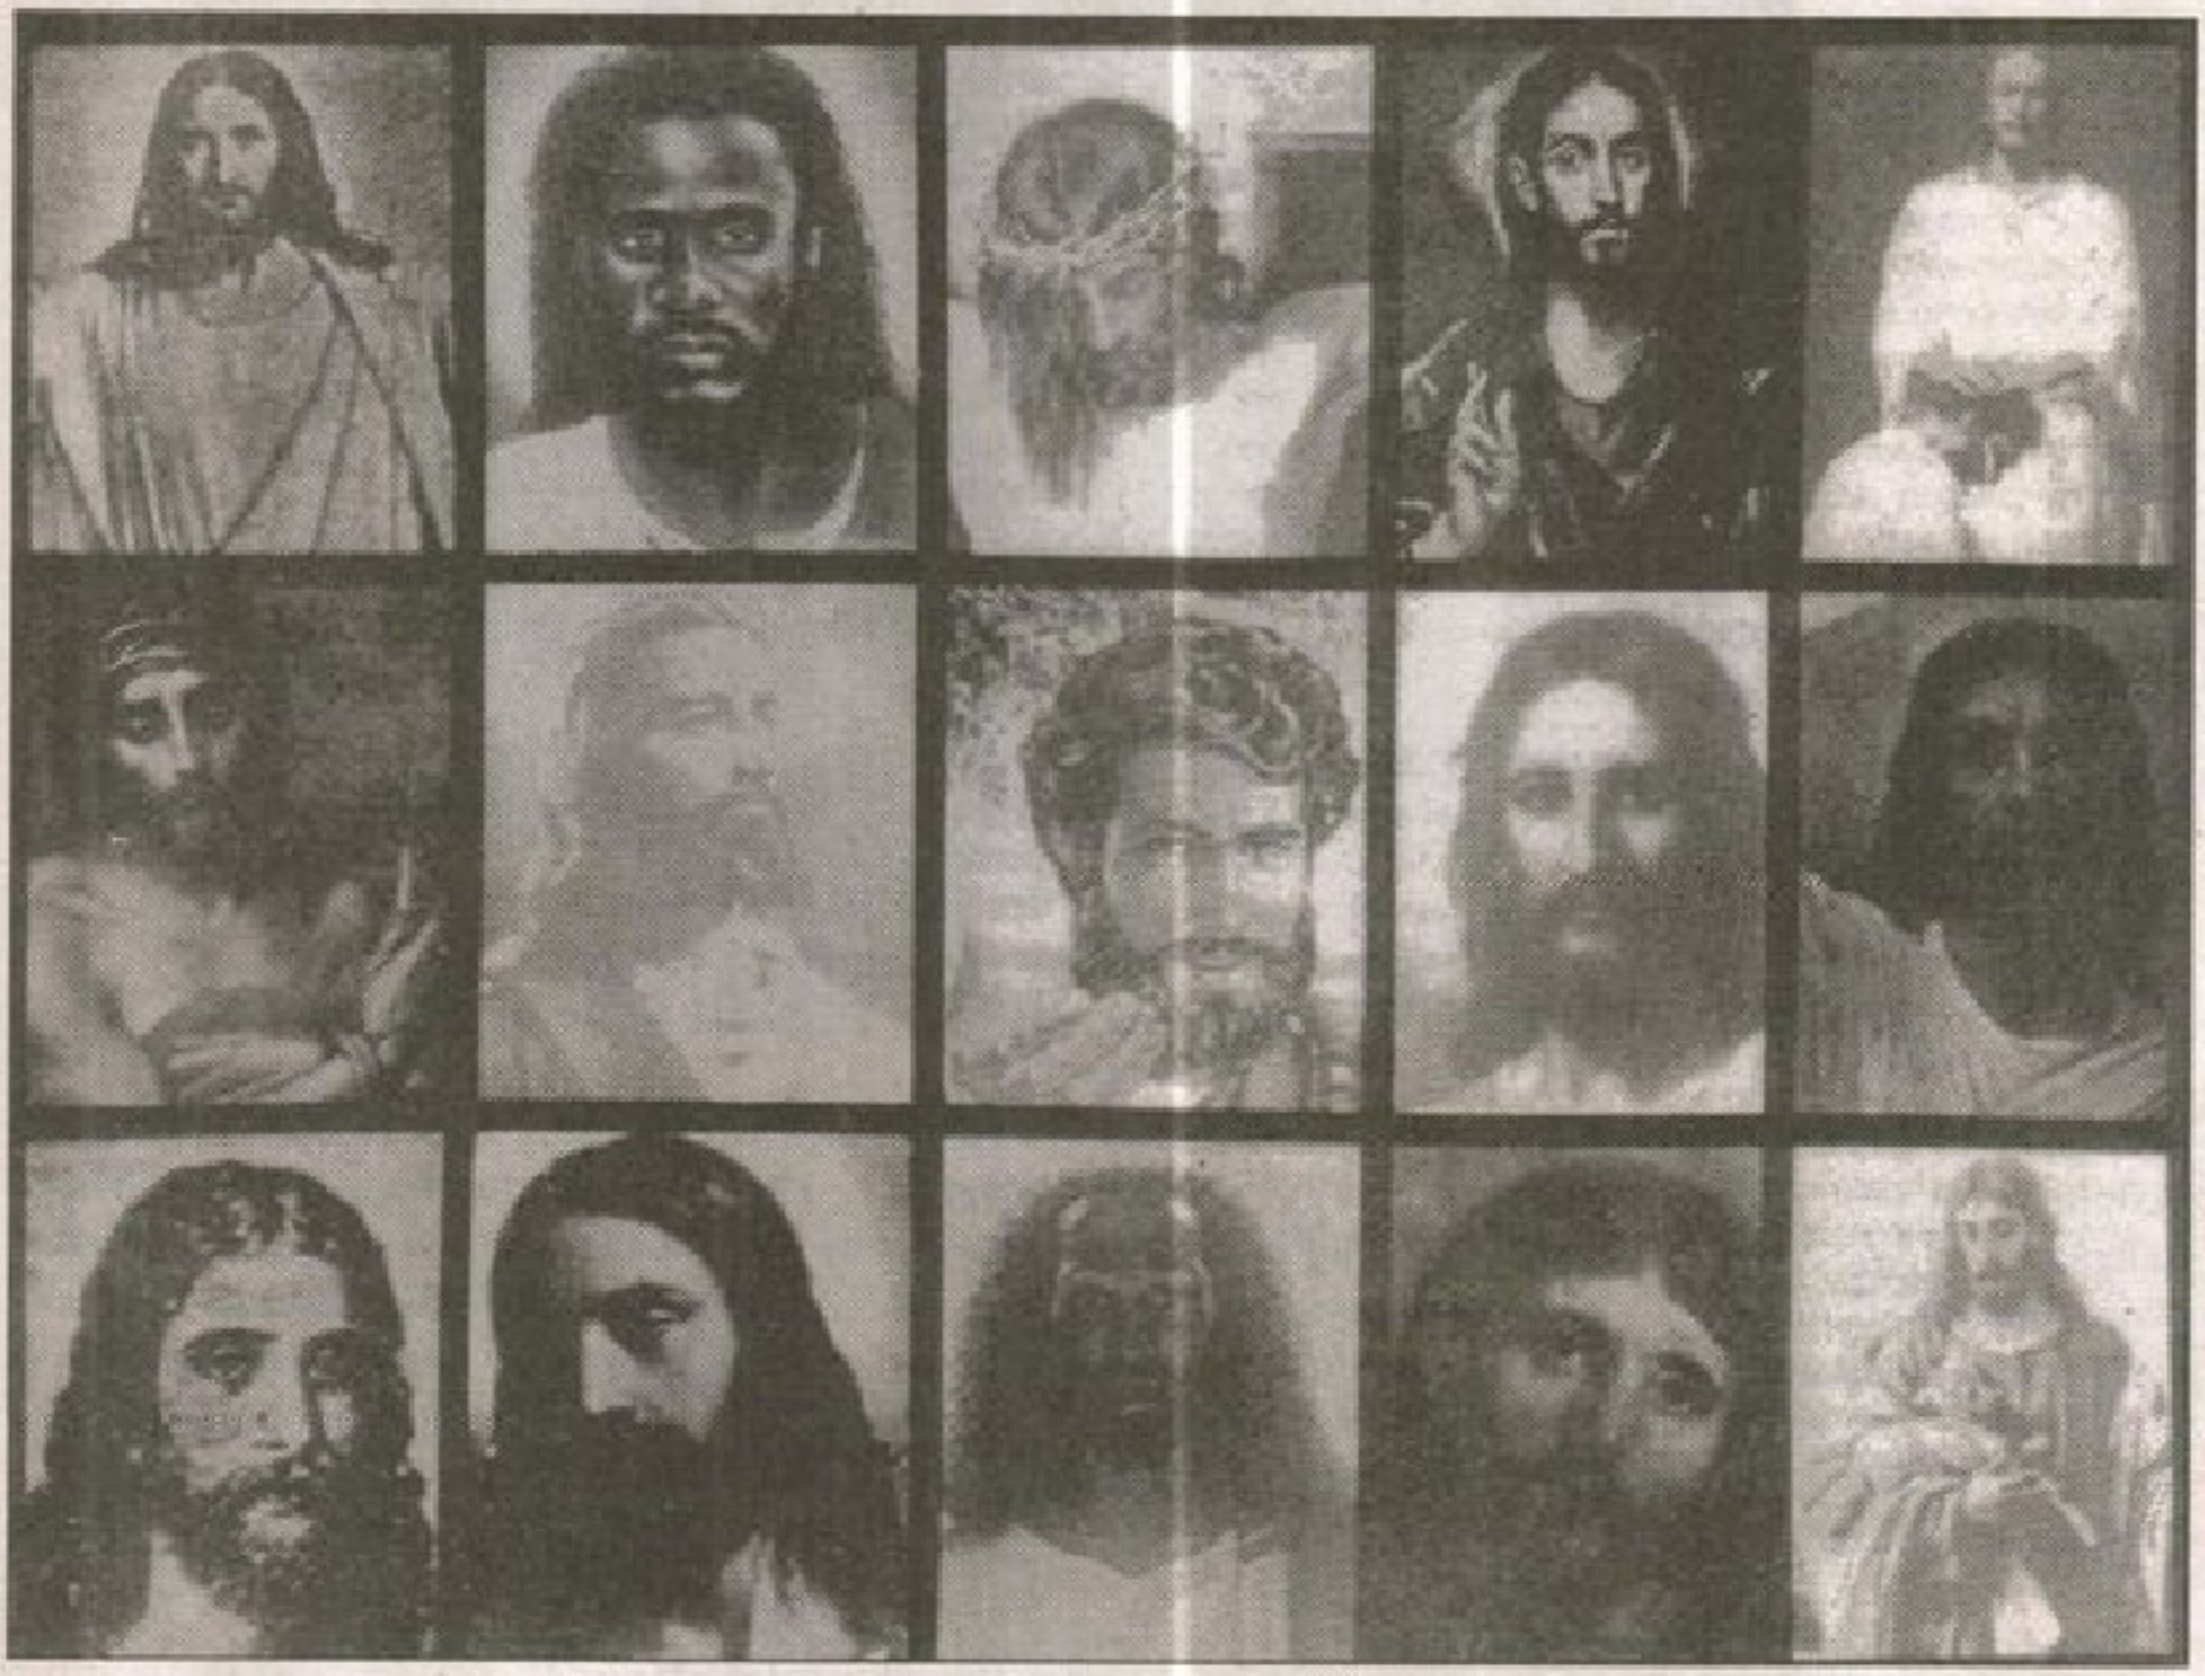

Figure 1
These Are Some Of The Many Depictions Of The Messiah Jesus Which Are Circulating Today.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

If Race Is Not The Issue, Then There Should Not Be Any Pictures Of The Messiah Jesus. Just As In Islam You Will Find Pictures Of The Prophet **Muhammad** Son Of **Abdullat** And **Amiyna,** As Well As In **Judiasm** You Will Find Pictures And Statues Of The Prophet **Moses**. However, The Pale Arabs Are Guilty Of Perpetrating Racism In Islam Because They Portray **Muhammad's** Family And Close Companions As Having Pale Skin. So, Subliminally They Project Him As Being Pale Also. They Always Make A Point To Show You That **Bilal** Son Of **Rabah** And **Hamama** As Being The Black Man That Calls Everyone To Prayer. Eventhough They Say That They Have No Pictures In Islaam, I Found These Pictures After The Release Of This Edition Back In **1988 A.D.**

Figure 2
Pictures Of The Prophet Muhammad.
Notice That He And His Companions Are Being Depicted As Being Pale.

Isn't It Strange How Anyone Considered Great Or Important Is Always Depicted As Pale??? And All Dark People Are Evil. Also Ponder On This For A Second. Why Is It That In Every Instance Of What The Paleman Projects As A Good Guy/Bad Guy Image, The Bad-Guy Is Always Depicted With Dark Colored Hair And Dark Clothing? Why Must Everything Dark Be Depicted As Bad? I Know Why, Because This Is Just Another Part Of The Spell To Keep You Spell Bound Into Making You Believe That His Image Is Superior To Yours. The Physical Devil (Amorite, Canaanites) Has Succeeded In Making The Nuwaubian Feel Inferior, Dirty And Wrong. This Is Why He Has Succeeded In Keeping Our Race Oppressed, Look At The Negative Implications In These Phrases He Uses:

Black Mass
Black Christians
Black Mailed
Black Arts
Black Sheep Of The Family
Black Friday
Black Balled
Black Cat
Black Market
Black Magic

www.Nuwaupuinc.com

www.Nuwaupuinc.com

That's Why **I, Dr. Malachi Z. York** Am Here To Raise The Consciousness Of My Brothers And Sisters To The Reality That Racism Does Exist Today. In Terms Of Religion, The Devil Has Programmed The Average Nuwaubian So That Whenever He Hears The Name **"Jesus,"** He Automatically Thinks Of An Average Caucasian Who Is About Thirty To Thirty Four Years Old. Isn't This Correct? Now This Same Mentality Is What Keeps The Average Caucasian And Nuwaubian Offenders From Killing, Assaulting, Or Robbing The Middle-Age Caucasian Men. Why? Because He Subconsciously Sees Him As **"Jesus"** And Therefore Respects Him More Than The Elderly Man. Check The Statistics And Media For Yourself And You Will See That This Is True. How Many Caucasians Between The Ages Of 30 And 34 Do You See Being Attacked Daily? The Answer Would Be Next To None.

It Is Time For Me As A Reformer To Bring You Into **RIGHT KNOWLEDGE, RIGHT WISDOM,** And A **RIGHT OVERSTANDING,** Which Are Facts That Can Be Scientifically, Etymologically, Historically, And Geographically Proven Beyond A Shadow Of A Doubt, So That You Will Be Able To See Through The **Lies, Mythologies, Spookisms** And **Misinterpretations** That You Base Your Soul On And Your Entire Lives Around.

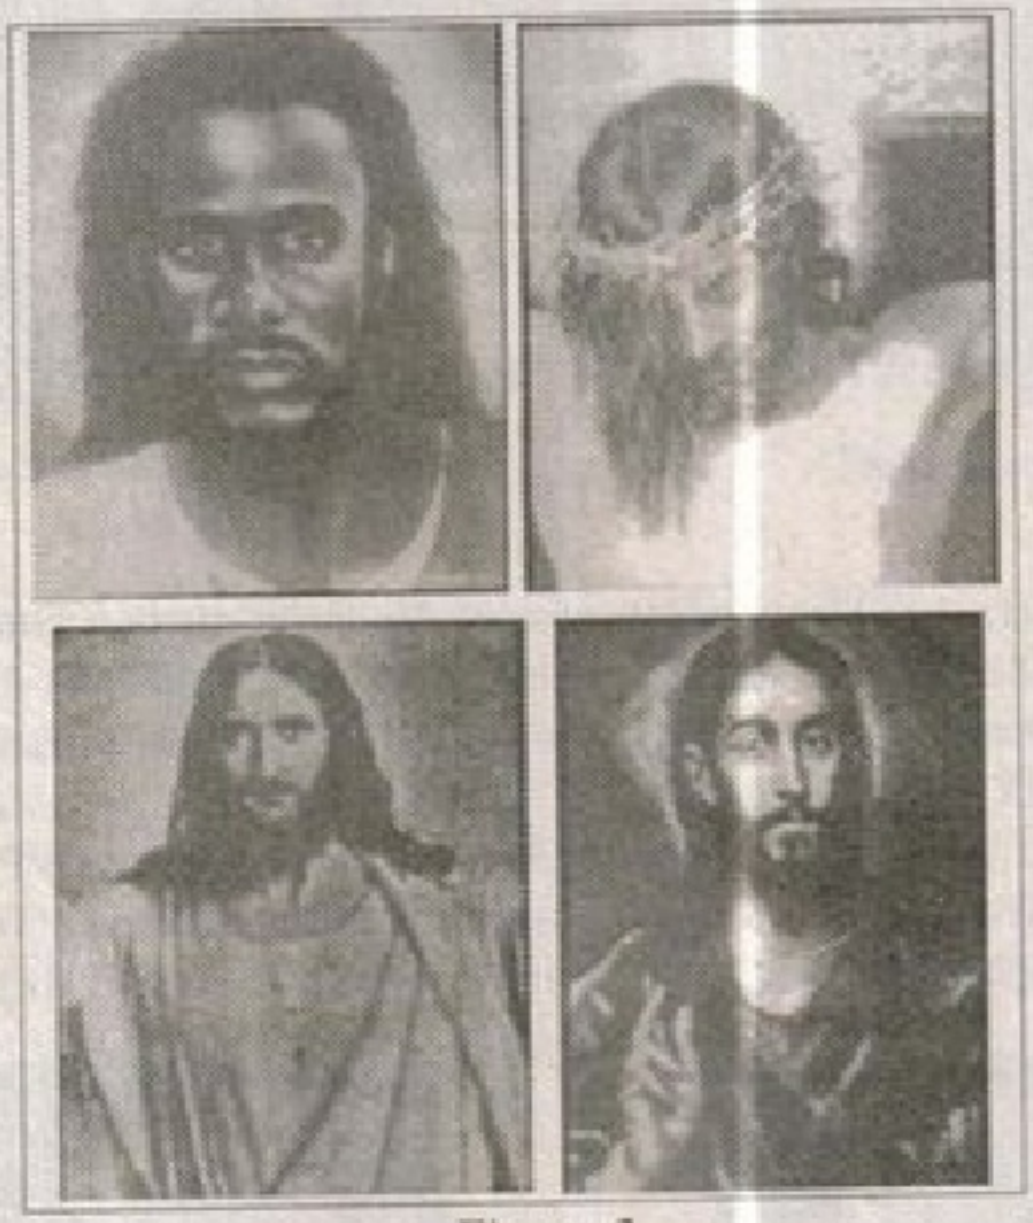

Figure 3
If This Is Their Interpretation Of "Jesus" Why Don't Christian Preachers Look Like This?

ARE THESE CHRISTIAN PREACHERS REPRESENTING JESUS' IMAGE

NO!

The Messiah Jesus Told His Disciples In The Book Of ***John 14:6***, And I Quote *"I AM THE WAY, THE TRUTH AND THE LIFE NO MAN COMETH UNTO THE FATHER, BUT BY ME."*

This Means That The Messiah Jesus Was An Example For The Tribe Of Judah Of The House Of Israel So They Would Know The Laws, How To Live, How To Dress, And How To Worship. Yet, They Rejected His Teachings And Refused To Worship **Eli (God)**, ***(Matthew 27:46; John 5:46-47; Koran 5:13)***. They Chose To Live The Life Of The Gentiles Those Who Refuse To Accept The Laws Of **Eli (God)**.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Figure 4

ARE THEY A REPRESENTATION OF THE ROMANS? THE ONES AGAINST JESUS

YES!!

Today These Adjectives Preachers Are Ministers Professing To Be Christians Or Followers Of The Messiah Jesus. Yet, They Are Living The Opposite Of What He Taught And Did As The Messiah. The Messiah Jesus Said In ***Matthews 22:21*** And I Quote, *"THEY SAY UNTO HIM. CAESAR'S. THEN SAITH HE UNTO THEM. RENDER THEREFORE UNTO CAESAR THE THINGS WHICH ARE CAESAR'S: AND UNTO GOD THE THINGS THAT ARE GOD'S."* These So-Called Religious Leaders Have Patterned Their Lives After Caesar's Politicians Instead Of The Man Who Is Supposed To Be Their Savior. This Is Why Many Of Them Are Involving Themselves In Politics While They Claim To Be Followers Of Christ.

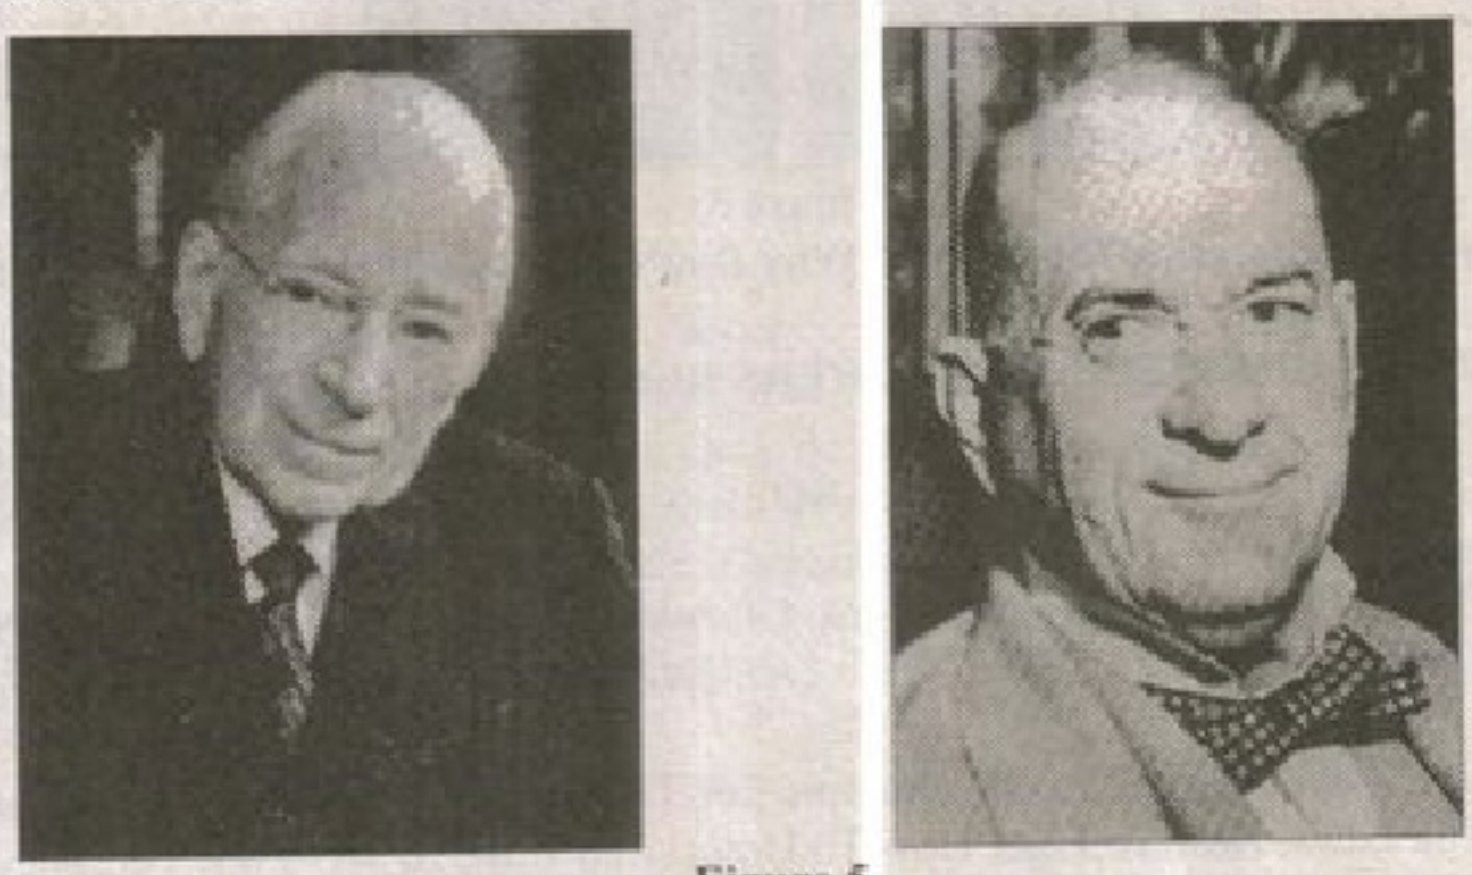

Figure 5

ARE THESE CHRISTIAN PREACHERS REPRESENTING JESUS' IMAGE?

NO!!

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Reverends Such As **Pat Robertson** Of The **700 Club** And **Jesse Jackson,** A Baptist Tried To Run For President Of A Political Country Set On Ruling By Wars, That Have Illegal Tax Systems, Racism, Etc. Why? Why Couldn't They Try To Change These Conditions By Using The Church Platform Instead Of Rendering What Is The Lord's To The Caesars (Politicians)? You Want Me To Tell You Why? It's Because They Want The Power And Attention Of Popularity That's Why. They Don't Care About Saving Your Souls.

Figure 6
Pat Robertson

Figure 7
Reverend Jesse Jackson

And This Is Why I Say That The Nuwaubian People Need To Have Their Brains Brainwashed Of All The False Doctrines, Lies, And Deceptions That Have Been Planted Into Their Minds. The Typical Christian's Image Of The Messiah Jesus Has Never Been Followed By Christian Preachers, Ministers, Reverends, Or Monks. If They Preach That They Are Ministers Of Christ Representing Christ To The People And The People To God. Then Their Whole Lives Should Be Patterned After His.

YET TELL ME WHICH OF YOUR PREACHERS OR PRIEST:
Observe The Sabbath As It Is In Your Bibles, Not The New Way They Observe It Today?
(Exodus 20:8-10; 31:15; Mark 2:27)

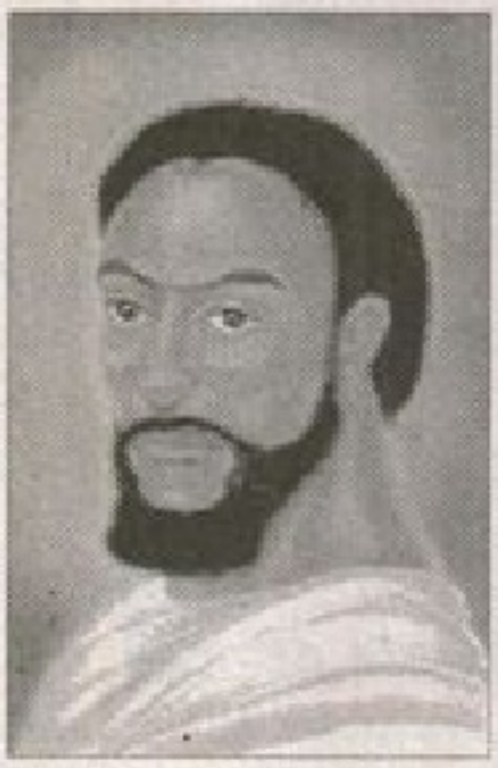

Figure 8
Paul,The 13Th Self-Appointed Apostle

Even Though So-Called Christians Claim That They Follow The Teachings Of The Messiah Jesus, They Don't Follow The Practices Which He Followed In This Day And Time. The Messiah Jesus Is Accepted By The So-Called Christians As An Israelite Prophet; However, They Use The Passages From The Books Written By **Paul,** The Self Proclaimed Apostle Whose Real Name Is **Saul;** To Support Their Reasons For Not Recognizing The Sabbath.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

COLOSSIANS 2:16-17

"LET NO MAN THEREFORE JUDGE YOU IN MEAT, OR IN DRINK, OR IN RESPECT OF AN HOLYDAY, OR OF THE NEW MOON, OR OF THE SABBATH DAYS: WHICH ARE A SHADOW OF THINGS TO COME; BUT THE BODY IS OF CHRIST."

ROMANS 10:4

"FOR CHRIST IS THE END OF THE LAW FOR RIGHTEOUSNESS TO EVERY ONE THAT BELIEVETH."

Yet, In ***Luke 4:16*** It Tells You That Jesus Kept The Sabbath As Commanded In ***Exodus 31:15***.

LUKE 4:16

AND HE CAME TO NAZARETH, WHERE HE HAD BEEN BROUGHT UP: AND, AS HIS CUSTOM WAS, HE WENT INTO THE SYNAGOGUE ON THE SABBATH DAY, AND STOOD UP FOR TO READ.

EXODUS 31:15

"SIX DAYS MAY WORK BE DONE; BUT IN THE SEVENTH IS THE SABBATH OF REST, HOLY TO THE LORD: WHOSOEVER DOETH ANY WORK IN THE SABBATH DAY, HE SHALL SURELY BE PUT TO DEATH."

Some Christians Will Admit That There Are No Scriptual Quotes To Back The Authority Taken To Change The Observance Of The Sabbath From Saturday To Sunday. Some Christians Also Realize That **The Council Of Laodicea** Quoted The Following Decree In The Year **363A.D.**, And I Quote:

"Christians Must Not Judaise By Resting On The Sabbath But Must Work On That Day."

Taken From The Nicene And Post - Nicene Fathers, Volume 14:

Laodicea, Is An Ancient City In **Phrygia** - In The West Coast Of Asia Minor.

Diagram 1
Map Of Laodicea

www.Nuwaupuinc.com

www.Nuwaupuinc.com

When The Christian Churches In Those Days Would Find Someone Observing The Sabbath, They Would Announce That He/She Was **"Anathema From Christ."** In Turn, This Made The Civil Government Put Many People To Death Or Under Governmental Arrest. The Sabbath-Keepers Of That Time Were Persecuted And In Many Instances Martyred.

Many Christians Know That The Holidays That They Follow Are Not Recognized Because Of Divine Decrees, Or The Commandments Of **Eli (God)**. But Because The Holidays Of Today Were Enjoined By The So-Called Christian Church. To These So-Called Christians, The Sabbath Day Is A Party Day, And A Day To Do All The Work Which You Put Off From The Rest Of The Week. Most Christians Work From Monday To Friday -All Else Is Done On The Sabbath Day (Saturday), And Sunday Is Church Day. ***(Read Introduction To Leviticus, Scroll #126)***

The People Of The Western Hemisphere Have Been Taught To Accept The Basics Of Religions, So They Don't Question The Validity Of The Teachings. In Christianity When A Person Asks Questions, They Are Given Very Vague Answers, So Much Until The Persons Are Eventually Persuaded Not To Ask Questions. Christianity Is Accepted Without Question, You Know That This Is True Because So Many People Are Still So-Called Christians.

The People Of The Western Hemisphere Are Also Lazy, They Will Not Take The Time To Research For The Facts Surrounding The Religions Or The Basis Of The Religion. If A Christian Would Take The Time To Research Christianity, They Would Find That They Are Not Following The Religion Of The Messiah Jesus At All, They Are Following **Saul** Also Known As **Paul** (The Self Appointed Apostle) ***(Read St. Paul Disciple Or Deceiver, Scroll #61)***.

The Messiah Jesus Observed The Laws And Practices Of The Israelites, As He Was The Last Of The Israelite Prophets ***(Matthew 23:1-3)***.

Matthew 23:1-3

Modern Greek Script

Τοτε ο Ιησους ελαλησεν τοις οχλοις και τοις μαθηταις αυτου λεγων, Επι της Μωυσεως καθεδρας εκαθισαν οι γραμματεις και οι Φαρισαιοι. παντα ουν οσα εαν ειπωσιν υμιν ποιησατε και τηρειτε, κατα δε τα εργα αυτων μη ποιειτε: λεγουσιν γαρ και ου ποιουσιν.

"THEN SPAKE JESUS TO THE MULTITUDE, AND TO HIS DISCIPLES, SAYING, THE SCRIBES AND THE PHARISEES SIT IN MOSES' SEAT: ALL THEREFORE WHATSOEVER THEY BID YOU OBSERVE, THAT OBSERVE AND DO; BUT DO NOT YE AFTER THEIR WORKS: FOR THEY SAY, AND DO NOT."

Do You Know What The Messiah Jesus Is Telling Them To Do? Read It And See. That's Right! Follow The Laws Of The Prophet **Moses** Given By The Scriptures: The Five Books Of **Moses** And **Aaron**. ***(Read 360 Questions To Ask A Christian, Scroll #102)***

AND AGAIN I ASK, WHICH OF YOUR PREACHERS OR PRIESTS:

- Wear White Robes? ***(Leviticus 8:7)***
- Wear A **Kufiyya** (كوفيه) A Dome Shaped Head Covering? ***(2 Samuel 15:30;Revelation 3:11, 4:4)***

- Do Not Smoke Cigarettes, Marijuana Etc.? ***(Koran 2:219)***
- Learn To Speak, Read, And Write The Languages Of The Bible Which Are Syretic Arabic, Aramic Hebrew, And Not Greek The Languages Of The Gentiles.

NONE OF THEM!!!

www.Nuwaupuinc.com

Because They Have Chosen To Dress Like The Romans (Gentiles) Who Are The Same People Who Tried To Kill The Messiah Jesus When He Preached In Jerusalem. ***(Refer To Was Christ Really Crucified? Edition #3)***

Ques: What Was The Dress Of The Messiah Jesus?

Ans: According To Your Bibles In ***Matthew Chapter 17 Verses 1-2***, Where It Describes Jesus As Follows, And I Quote *".. AND HIS FACE DID SHINE AS THE SUN, AND HIS RAIMENT WAS WHITE AS THE LIGHT."* So Anyone Who Is A True Follower Of Jesus Should Wear White, As Can Be Found In ***Revelation 19:8***, Where White Linen Is A Symbol Of **"Righteousness,"** And It Says And I Quote: *"AND TO HERE WAS GRANTED THAT SHE SHOULD BE ARRAYED IN FINE LINEN, CLEAN AND WHITE" FOR THE FINE LINEN IS THE RIGHTEOUSNESS OF SAINTS."* And When Jesus Came, He Said He Had Not Come To Change The Law, But To Fulfill It, As Found In ***Matthew 5:17***.

Figure 11
So If Jesus Wore A White Linen Robe, Why Do You Dress Like This?

MATTHEW 5:17

"THINK NOT THAT I AM COME TO DESTROY THE LAW, OR THE PROPHETS: I AM NOT COME TO DESTROY, BUT TO FULFILL."

So Jesus Must Have Been Wearing The Dress Of The Israelites, Which Was The White Robe.

MATTHEW 5:18

"FOR VERILY I SAY UNTO YOU, TILL HEAVEN AND EARTH PASS, ONE JOT OR ONE TITTLE SHALL IN NO WISE PASS FROM THE LAW, TILL ALL BE FULFILLED."

This New Testament Quote Came From ***Duetermonomy 12:32*** And I Quote,*"WHAT THING SOEVER I COMMAND YOU, OBSERVE TO DO IT: THOU SHALT NOT ADD THERETO, NOR DIMINISH FROM IT."*

Your Preachers, And Biblical Scholars Know Very Little About The Aramic (Hebrew) Language Of The Old Testament Or Greek, The Language Of The New Testament. They Will Boast That The Bible Was Translated Into Greek Yet, They Use **"God"** Instead Of **Theos** (Θεος) Or **Eli** (אֵל) Like Jesus Did In ***Matthew 27:45***, And I Quote ***"...Eli Eli Lama Sabacthani"***, Which Translates ***"My God, My God, Why Hast Thou Forsaken Me"***? It's Not Like **"God"** Is A Greek Word, Or Even An English Word. This Is Why You Should Take The Time Out To Learn The Original Languages In Which Your Scriptures Were Revealed In, So That You May Know What They Are Really Saying Instead Of Guessing.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Now Go Back And Take A Look At ***Matthews 5:18***, Which Is Taken From ***Deuteronomy 12:32***,Where Jesus Says The Law Should Not Be Changed, And I Quote *FOR VERILY I SAY UNTO YOU, TILL HEAVEN AND EARTH PASS, ONE JOT OR ONE TITTLE SHALL IN NO WISE PASS FROM THE LAW, TILL ALL BE FULFILLED.* However, When You Ask A Christian About This They Tell You That With The Death Of Christ Came, The Establishment Of A New Law. This Is Never And Can Never Be Backed Up By Anything Jesus Said, Because This Is Something That Paul, The Founder Of The Church Said.

Many People Claim To Follow Jesus. Yet, Their Lifestyle Contradicts Everything He Believed In. This Can Be Seen Through Their Dress, By Smoking, Drinking And All The Things The Evil One Loves Them To Do According To ***Isaiah 5:11*** Where It Says And I Quote *"WOE UNTO THEM THAT RISE UP EARLY IN THE MORNING, THAT THEY MAY FOLLOW STRONG DRINK."* And According To ***Proverbs 23:20-21*** Where It Says And I Quote *"BE NOT AMONG WINEBIBERS; AMONG RIOTOUS EATERS OF FLESH: FOR THE DRUNKARD AND THE GLUTTON SHALL COME TO POVERTY: AND DROWSINESS SHALL CLOTHE A MAN WITH RAGS."* The Point Is You Say Jesus Did Not Drink Strong Drink, Yet You Do. Why? Sure Everyone May Not Always Like The Idea Of Walking Around In A Long White Robe Everyday. ***(Read Which Laws Did Jesus Follow?, Scroll #37)***

BUT ACCORDING TO YOUR BIBLE THAT IS WHAT JESUS WORE!!!

So, If Jesus Said You Can't Get To The Father Except By Way Of Him ***(John 14:6)*** Shouldn't Your First Step Be To Emmulate His Way Of Life. You Shouldn't Let Anyone Come Along And Alter Jesus' Teachings To Suit Their Present Environment Or Economic Level. The Religion That You Are Following Today Called **Christianity** Is The Religion That Paul Made Up. Most People Are Under The Impression That They Are Following What Jesus Taught. **Christianity** As Taught In The Churches Today Is Not The Way The Messiah Jesus Taught It. Whether You Realize It Or Not, Paul Has You Following Him And His Interpretations Of The Teachings Of Jesus Christ! ***(Read St. Paul, Disciple Or Deceiver?, Scroll #61)***

THINK ABOUT THIS!!!

In Spite Of What The Christians Preach, If The Messiah Jesus Was To Return Today, In The Image That He Is Portrayed, He Would Not Be Accepted By The Masses Of The People.

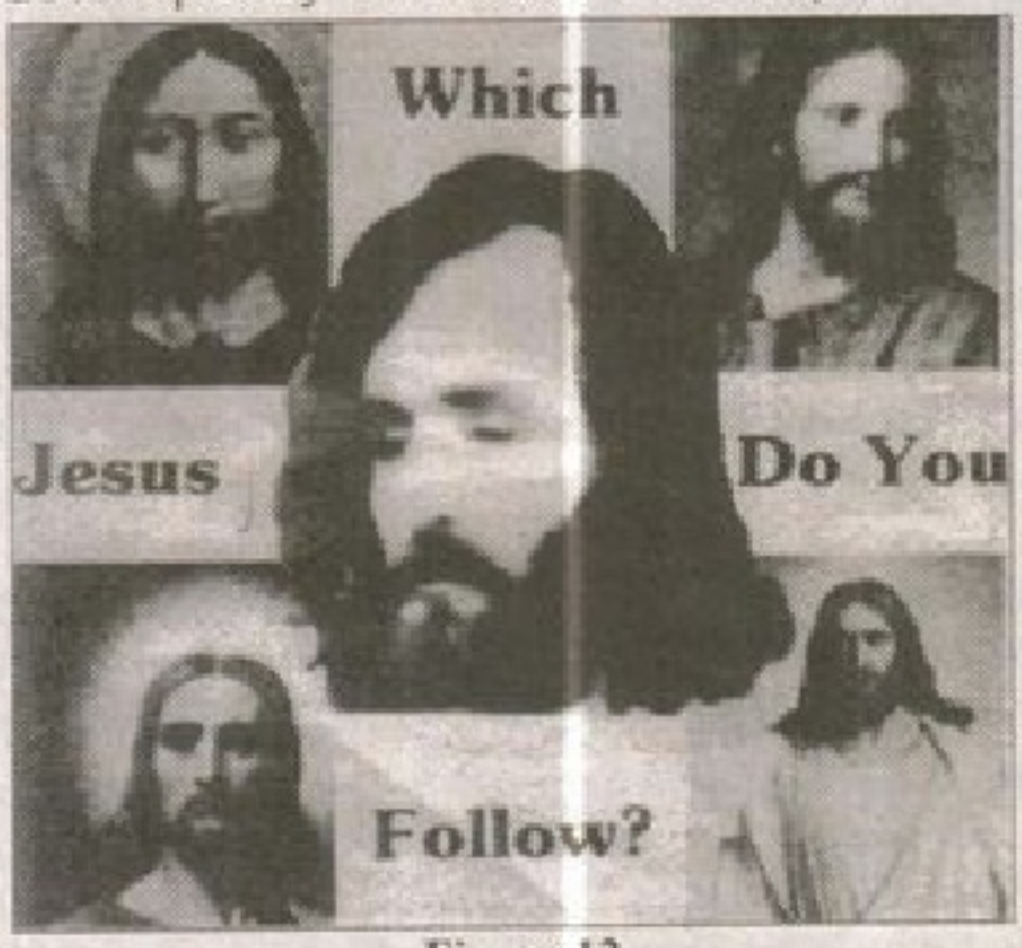

Figure 12
The Likeness Of Your Jesus: Charles Manson

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Why? Because He Would Be According To How They Have Depicted Him As A Caucasian Revolutionary Middle-Aged Man Dressed In Hippie Clothes, Talking About Love And Peace For Everyone.

The People Would Either Consider Him As Being Crazy (Because This Is What They Said About The Hippies Of The 60's) Or Try To Kill Him Because He Would Be A Threat To The Devil's Economic Success. Money Is The Concern At Hand, Not The Salvation Of Your Soul. This Society Contradicts Itself Because One Of The Most Dangerous Killers Of The 60's **Charles Manson**, Who Was Worse Than **Jack The Ripper**, Projected Himself As A White Hippie **"Jesus,"** Who The Christian Church Says Is **"God"** The Son.

Figure 13
Is This How The Messiah Jesus Is Supposed To Return?

Is This The Same **Eli (God)** That Is Supposed To Save The World? Somebody Is Lying To You. The Bible Says:

EXODUS 20:4-5 (IN PART)

"THOU SHALT NOT MAKE UNTO THEE ANY GRAVEN IMAGE, OR ANY LIKENESS OF ANY THING THAT IS IN HEAVEN ABOVE, OR THAT IS IN THE EARTH BENEATH, OR THAT IS IN THE WATER UNDER THE EARTH: THOU SHALT NOT BOW DOWN THYSELF TO THEM, NOR SERVE THEM: FOR I THE LORD THY GOD AM A JEALOUS GOD..."

Yet, Christian Churches Have **"Images"** Of The Christ Who They Claim Is Their **"GOD"** Or **"god"** With A Small **"g"**. What Foolishness! There Are No Small And Capital Letters In The Hebrew, Arabic, Or Greek Language ***(Refer To "GOD", "God", "god" What's The Difference? Scroll #66)***.

IS THIS NOT IDOL WORSHIPPING???

This Is Why I Have Recreated The Picture Of Some Of The Prophets, Apostles, Guides, Angels, And Their Companions According To The Scriptures In Their True Race - **Nubian**. It Is Time For My People To Erase From Their Minds The Pale Images Of The Messiah Jesus. He Will Not Return Like This Nor Did He Ever Come Looking Like That. You Have To Reverse This Negative Conception Of Yourself Before It Is Too Late ***(Koran 13:11)***.

FOOD FOR THOUGHT

In An Issue Of The **"Omni Magazine,"** Dated **May 1988 A.D.** There Appeared An Article Entitled, ***"Bad Guys Wear Black."*** Now Although The Article Is Saying That Most Penalties Are Made Against Football Players Who Wear Black (Dark) Uniforms, It Is Subliminally Suggesting That The Bad Guys Are Black Or Dark. As Long As The Nubian Man Has Been Here In America Since The **1600's A.D.**, It Has Been Planted In His Mind That ***"If You're White, Your Right; And If You're Black Get Back."***

Article From Omni Magazine, "Bad Guys Wear Black" (1988 A.D)

Or The Bad Guys Are Dressed In Black And The Good Guys Are Dressed In White. Is That Not How The Cowboys Stories Go? This Article Is Just An Extension Of The Black Inferiority And White Superiority Image.

It Is A Known Fact That The Teams That Are Dressed In Dark Uniforms **(Pittsburgh Steelers, Chicago Bears,** And The **Oakland Raiders)** Had The Majority Of Nuwaubian Men On The Team. And It Is Because Of The Excellent Performance Of These Black Athletes That Their Teams Win So Many Games. Black Dominated Sports Today Is A Proven Fact. So If In This Article They State That The Players Who Wear Dark Uniforms Are Considered More Aggressive And That The Penalties Are Made More Against Them Than Any Other Team Member, It Is Obvious That This Is A Racially Motivated Decision That Is Made Because The Paleman Referee More Than Likely Penalizes The Teams With The Darker Uniforms Out Of Racial Prejudice.

The Same Goes With That Which Happened Back In The Late 80'S Or Early 90'S, The Decision Made Against **Jimmy The Greek. Jimmy The Greek** Made It Public That The White Slavemaster Carefully Bred Blacks That Could Run Faster, Jump Higher, And Had A Higher Endurance Level. The Paleman Knew That These Black Slaves Would Produce The Best Work And Be The Best Athletes. **Jimmy The Greek** Was **"Black Balled"** From The Sports Association As A Result Of This Profound Statement. Why? Because He Had Disclosed To The World That The Nuwaubian Man Was Not Inferior To The Paleman But Is Unquestionably Superior To The Paleman In All Aspects Of Life; Sports Being One Of Them. This Article Is Being Brought To Your Attention As Further Proof That The Devil Implants In The Minds Of People That **"Blackness Is Bad!" READ IT FOR YOURSELF!**

LET ME ADD ANOTHER FOOD FOR THOUGHT THAT ONLY I CAN SHOW:

Remember The Classic Children's Story ***"Mary Had A Little Lamb Whose Fleece Was White As Snow."*** Now Are You Ready For This? Who Was Mary In This Story? That's Right, Mary Was None Other Than Jesus' Mother; And Wasn't Jesus Called The **"Lamb Of God"?** Now Repeat This Line Again, ***"Mary Had A Little Lamb, Whose Fleece Was White As Snow."*** Do You See What The Real Meaning Of This Story Is

Now??? Here Is The Trick: The Devil Is Subliminally Suggesting To You That The Word ***Fleece*** In The Story Represents The Skin Of The Caucasian Man. Therefore, Leaving The Thought In Your Mind That The Messiah Jesus Is A Caucasian. Did You Get It? I Tell You, This Is The Devil And His Tricks.

The Messiah Jesus Only Came To The Lost Sheep Of The House Of Israel. But You Still Say, **"Those People Are Crazy! We Heard This Before."** Yes, Think, You Have Heard This Ever Since He Raped You From Your Homeland All The Way Up To Slavery Down To Today And He Has Still Not Changed. But You As Nuwaubian People Are So Compassionate That You Become Compassionately Blind. Wake Up!!! **YOU CAN'T READ BETWEEN THE LINES ANYMORE!!!**

In Present Times Many Of The Present Nuwaubian Leaders Are Just Beginning To Become Aware That The Race Of The Messiah Jesus Was Definitely Nuwaubian. Many Have Their Own Interpretations. Let's Take A Look At What Some Of Them Are Saying.

In **1920 A.D., Marcus Garvey** Of The **Universal Negro Improvement Association (U.N.I.A.)** And **Archbishop George Alexander Mc Guire** Of The **African Orthodox Church** Advocated The Elimination Of All White Images Of Christ And The Madonna. This Church Promoted Jesus As The **"Black Man Of Sorrows,"** Which Is A Variant Of The Concept Of The **"Suffering Servant Of The Lord."**

Figure 14
Marcus Garvey

Figure 15

At The **U.N.I.A., 1924 A.D.** Convention In New York, **Mc Guire** Commanded That All White Pictures Of Jesus And Mary In Black Homes And Churches Be Torn Down And Burned And *"Then Let Us Start Our Negro Painters Getting Busy. . .And Supply A Black Madonna And A Black Christ For The Training Of Our Children."*

Taken From "Black Moses: The Story Of Marcus Garvey", By David E. Cronon, And The "Universal Negro Improvement Association", (Madison University Of Wisconsin Press, 1955, 1969), P.179).

Wallace D. Muhammad Also Raises This Penetrating Question:

Figure 16
Wallace D. Muhammad

"What Would Happen To The Minds Of The Caucasian People If Nappy-Headed, Black Jesus', Were Put All Over The Land And Throughout Their Homes, And In All Of Their Churches? What Would Happen To Their Minds Over A Period Of Three-Hundred Years If They Kept Coming To Churches And Seeing Our Image As Their Redeemer, Seeing Our Image As Their Prophets, Their Apostles, Their Angels? They Would Be Reduced To Inferiority Because The Image Before Them Of The Supreme Model Of Superiority Would Be Black And Not White."

This Point Which **Wallace D. Muhammad** Has Made Would Be Good If There Were The Same Amount Of People Believing That There Was A Black Jesus, As There Was Believing That He Was White; But There Aren't. Therefore, We Must First Reinstall A Black Image Of The Messiah Jesus In The Minds Of The Nubians So That When The White Images Or The Messiah Jesus Are Taken From Your Houses And Churches You Will Have The Image O-F A Black Jesus Implanted In Your Minds.

In The Newspaper ***"Muslim Journal,"*** **May 27, 1988 A.D.**, Which Is Published By The **Nation Of Islam** The Article Entitled ***"Christianity And Racism,"*** **Imam Alauddin Shabazz** Speaks About The Perpetration Of Racism By The Christian Religion. He States And I Quote, *"That The Roman Government Tried To Destroy The True Teachings Of The Messiah Jesus But The Gospel Of Barnabas Was Found In The Library Of **Pope Sixtus.**"*

Imam Shabazz Also Openly Admits That **Paul** (The 13Th Self-Appointed Apostle) Was The Founder Of Christianity And That: *"Christianity Would Be Greek To The Man We Know Today By The Name **'Jesus'**."*

He Also States And I Quote:

"The Emergence Of A Caucasian Looking Jesus Christ Came At The Time The Europeans Began Dominating Of Non-Caucasian People. Evil Minded, European, So-Called Christians, Concocted The Myth Of A 'Ham' Who Was "Cursed Black" To Rationalize Their Exploitation Of The Non-Caucasian People. In The 16th Century The Oxford Dictionary Described Black As Being...Wicked, Foul, Evil, Deeply Stained, And Iniguitous...Thereby Subtly Giving Subliminal Corroboration To The Ham Myth. The Church Was First To Institutionalize Racism, Then Their Missionary "Schools" Followed Suit. Caucasians Christians Who Were Rabid Bigots Popularized The Lie That 'Black People' Were Such Because 'God Cursed Ham, The Father Of The Black Race.' Thus, 'Blackness' Is Abnormal And Ungodly. Not Only Have Euro-Americans

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Bought The Lie, But A Large Number Of Afro-American Christians Preachers Who Preach That If So-Called Black People Accept Jesus Christ As God, They Will Go To Heaven And Then God Will Remove The Curse Of Blackness From Them."

Imam Shabazz Goes On To Say That: *"In Many 'Black Churches' One Of The Most Beloved Hymns Contains The Lyrics 'Wash Me Lord...Wash Me Lord...Wash Me White As Snow....Such Inferiority Is A Direct Consequence Of The Racism In Christianity - The Crucifix!"*

This Article Confirms That The Paleman Is Responsible For The Racism That Exists In Christianity. Now **Wallace D. Muhammad** Speaks About The Racism That Exists In Christianity Yet, He Made A Serious Error In The Last Part Of His Statement, Which Shows That He Does Not Understand The Bible:

"As Long As A Preacher Holds Up A Cross With A Caucasian Man On It And Tells The People That This Is The Manifestation Of God In The Flesh, He Is Promoting White Supremacy And Keeping It In Existence... The Diabolical Plan Of Satan To Make A White Body The Vessel That Holds Almighty God Was Part Of The Evil Plan To Enslave All Of The Darker People Of The World... It Is Not Ham That Was Alledgely Cursed, But Noah's 'Younger Son' But The Culprit, Ham Was The 'Second Oldest' Of Three Sons (Genesis 6:20, 7:13, 19:18-19), If The Syntax Of The Discourse Is True To Form."

Now If He Would Just Go To ***Genesis 9:25***, The Answer To Who Was Cursed Is In Black And White.

GENESIS 9:25

AND HE SAID, CURSED BE CANAAN; A SERVANT OF SERVANTS SHALL HE BE UNTO HIS BRETHREN.

Never Once Was The Curse Placed On **Japheth**. He And His Brother **Shem** Were The Ones Who Covered Their Father **Utnafishtim (Noah)** ***(Genesis 9:23)***. It Was **Canaan** Ham's Son That The Curse Was Placed On. This Is Why It Is Important To Read This Chapter From The Beginning So That You Will Know The Full Story. This Statement Made By **Wallace D. Muhammad** Must Be Corrected If We Ever Intend To Raise Our People Up In Facts!

He Was Later Interviewed By **Emerge News Magazine**, **Volume 6, Number 6, April 1995 A.D.** Stallings, Whose Interview Is Featured On **Page 22** Was Asked About His Views On Jesus Being Nubian And He Says The Following And I Quote:

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"If You Look In Matthew, Chapter 1, 1-17, When You Look At The 42 Generations Of Jesus, Four Women Are Mentioned In That Chart. Three Out Of The Four Are Either Hittites Or Canaanites, Almost Universally Defined By Biblical Scholars As Being Dark-Skinned Black People. You Have Tamar, You Have Rahab, And Bathsheba, The Wife Of Uriah. Also Matthew, Chapter 2, Verse 15, Where It Says, "Out Of Egypt Have I Called My Son." How Could It Have Been Possible For A Blond-Haired, Blue-Eyed, Thin-Nosed, Thin-Lipped, Pale-Faced Baby To Have Been Hidden Among A Land Of Black People In Egypt? Egypt, The Name Given To...That Country, On The Continent Of Africa By Europeans, Egypt Means Black."

Figure 23
Archbishop George Augustus Stallings, Jr.

Archbishop George Augustus Stallings, Jr. Makes A Truthful Statement, Jesus Was A Nubian. However, The Scriptures That He Uses, First Of All The Book Of Matthew Itself Being One From The Many Chosen By Romans (Caucasians) To Make Up The Four Synoptic Gospels Is Not A Holy Scripture. Christians Are Not Even Sure Who Wrote It Or Received It. ***Matthew 10:2-4, 3:16-19, Luke 6:14-16, Acts 1:13*** Lists Matthew As A Disciple. In ***Matthew 9:9,*** He Is Also Listed As A Tax Collector And As A Politician In ***Matthew 10:3. Matthew 5:1-2*** Calls It A Sermon On The Mount In Greek ***Oros*** (Ορος) ***"Mountain, Hill, To Lift Up, To Elevate"*** When ***Luke 6:17-20*** Clearly Calls It A Sermon In The Plains In Greek ***Pedinos*** (Πεδινος) ***"A Plain, A Leveled Place".*** There Is A Big Difference Between A Mountain And A Plain. And The Book Of Matthew Was Supposed To Be Recorded In **41 A.D.**, That Would Be **8** Years After Jesus' Supposed Crucifixion, In **Antioch In Syria**. It Bears Multiple Contradictions From The Other Three Gospels. ***Matthew 1:16*** Says *"Joseph Son Of Jacob"*, ***Luke 3:12-28*** Listed As *"Joseph Son Of Heli"*. He Is The Only One Who Talks About The **Magi** ***(Matthew 2:1-12)***. His Name Was Levi.

They Use, Who They Call The Man Who Became A Missionary In Ethiopia, Namely Matthew. **Reverend George Augustus Stallings,** Jr. Uses ***Matthew 1:1-17***, To Support His Claim, Which Is Wrong. He Also Makes The Very Drastic Mistake Like All Other So-Called Scholars Do. They Want You To Believe That You Are From The Cursed Seed Of Canaan ***(Genesis 9:25)***, Something Originally Taught To Them By **The Mormons** And Upheld By The **Ku Klux Klan** Today. Nubians Are Not From The Seed Of **Canaan** Which Would Make Them **Canaanites**. Nor Are Nubians From The Seed Of **Heth** Which Would Make Them **Hittites.** ***(Read Are Caucasians Edomites?, Scroll #142).***

Then He Mentions Three Out Of Four Women Of Which He Never Names The Fourth, As Further Evidence To Prove That Jesus Was Nuwaubian By Saying *"When You Look At The 42 Generations Of Jesus,"*. A List He Takes From ***Matthew 1:1-16*** From Jesus To Jacob. A List Which Is Contradicted In ***Luke 3:23-38.*** It Lists From Jesus To Adam, 76 Names Which He Calls Generations. *"Four Women Are Mentioned In That Chart. Three Out Of The Four Are Either Hittites Or Canaanites, Almost Universally Defined By Biblical Scholars As Being Dark-Skinned Black People. You Have Tamar, You Have Rahab, And Bathsheba, The Wife Of Uriah."*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

First Let's Take The First Woman That He Named, **Tamar** And Trace Her Lineage. If You Turn To *2 **Samuel 13:1*** Of Your Bible, You Will See Where It Says Tamar Is The Daughter Of **David** And **Maacah**. As You Know David Is Undoubtedly Nuwaubian **(Genesis)** And **Maacah,** The Mother Of **Tamar,** Was The Daughter Of **Talmai** *(2 Samuel 3:3)* The Son Of **Ammihud**, An **Ephraimite** *(2 Samuel 13:37)*, The Son Of **Elishama** *(Numbers 1:10)* Who Was The Son Of **Ephraim** *(Numbers 1:10)*, Who Was The Son Of **Joseph** *(Numbers 1:10)* Son Of **Jacob** *(Genesis 30:25)*. They Were All Nuwaubian. There Is No Record Or Scripture Indicating They Were Canaanites Or Hittites Who Are Caucasians.

The Name **Rahab** (**Rawkhab,** רהב) Is Used A Total Of Ten Times In The Old Testament Of The Bible. And Eight Of Them Are In Reference To A Harlot Named **Rahab Of Jericho**. Rahab Was A Prostitute Who Played A Key Role In The Victory Of Jericho *(Joshua Chapters 2-6)*. She Was Married Into The Family Of David By Way Of **Salmon** Who Was David's Great Grandfather. *(Ruth 4:18-22; 1 Chronicles 2:4-5, 9-11)* And She Gave Birth To **Boaz** Making Her The Great Grandmother Of David. **Rahab** Is Mentioned In The Genealogy Of Jesus As One Of His Ancestors *(Matthew 1:5)*. Nowhere Does It Mention In Any Of The Scriptures That She Was A Canaanite Or Hittite. Nor Does It Say That Boaz, Jesse Or Obed Married Canaanites Or Hittites.

The **Rahab** (רהב) That Is Spoken About In *Psalm 89:10* And *Isaiah 51:9*, Is Not To Be Confused With The **Rahab** (**Rawkhab,** רהב) Of The Book Of Joshua. **Rahab** (רהב) As It Is Used In *Psalms 89:10* And *Isaiah 51:9*, Is A Symbolic Name For Egypt And Mythological Dragon And Means *"Outrageous, Violent, Tumult, Fierce, Storm, Arrogance, A Sea Monster (Leviathan)"* Coming From The Root Word **Ruwhub** (רהב) Meaning *"To Behave Proudly, Act Stormily, Boisterously, To Act Insolently."*

Only One Of The Women That **Archbishop Stallings** Mentioned Was Indeed A Canaanite And That Was **Bathsheba** Daughter Of **Eliam**. **Eliam** Was A **Gilonite**, From The Children Of **Heth** *(Genesis 23:5)* Who Were From The Canaanite Tribes.

Bishop Promotes Rise Of Black Jesus

By: Daniel J. Lehmann
Staff Writer

Jesus will die today as a white person and rise another as a black man in at least one church.

Prominent black church leaders in Chicago said the effort led by Archbishop George E. Stallings Jr. to bring change started decades ago in a majority of predominantly black churches good will come from the event, clergy said. It is prompting whites who can identify with with a fair-skinned god to reexamine their beliefs.

The plans to host a Good Friday burning today and mark festival in Washington of images that give Jesus European features. A contemporary likeness of an african Jesus is to be unveiled, replacing another in one of the congregations, churches nationwide have been urged to follow his lead.

But focusing attention on Jesus's skin color misses the point of Stallings unusual church ceremonial.

"Brown, black, gray, white or purple, it doesn't matter," said Bishop Louis H. Ford of St. Paul Church, 4724 S. Wabash, presiding bishop of the Church of God in Christians.

"Christ reflects himself in the people he ministers to, as they reflect their image in him. Christ is every skin color and can be shown this way," said the Rev. David C. Cornish Jr., presiding elder of the south district, Chicago conference 8 for African Methodist Episcopal Church.

The ethnicity of the church's ministers have either displayed pictures of a brown or black Jesus for years with portraits altogether, he said.

"As a Mediterranean peasant of Jewish descent, I suspect the real Jesus to be on the border between black and white, to be a brown-skinned man," said crossan.

That view doesn't go far enough according to the Rev. Al Lampton of Fernwood United Methodist Church, 10027 S. Wentworth, a member of a biblical scholarship team preparing the african portrait bible.

Sun-Times/Bob Rosenbaum

A "black Messiah" adorns the office of the Rev. Nathaniel Jarrett of Harlin Temple African American Episcopal Zion Church, 4520 S. College Grove.

"Jesus' ancestors came out of Egypt in Northeast Africa, said Lampton, and a review of ancient texts points to a black Jesus.

Stallings project will help if it "correct misrepresentation and false notions and stereotype," held by some white Christians said the Rev. Nathaniel Jarrett of Harlin Temple African American Episcopal Zion Church, 4520 S. College Grove.

"It doesn't do whites any good if the jesus they are in reverenced is in heavenaire," said Jarrett. "When the kingdom comes it must scatter. Until then, it does necessitate the somehow they look at and treat others."

Prominent Black Leaders Are Being Led By **Archbishop Stallings** To Reflect Changes Which Was Started Decades Ago. **Archbishop Stallings** Planned A Good Friday Dedicated To Burning All Images That Depicts Jesus With European Features, And To Rise A Likeness Of An African Jesus. Churches Worldwide Have Been Urged To Follow Suit. Al Sampson Of **Fernwood United Methodist Church**, A Member Of A Biblical Scholarship Team Said That *"Jesus' Ancestors Came Out Of Egypt In Northeast Africa..,"*

In The **Saint Paul Insight News** Dated **Tuesday, November 9, 1993 A.D.** An Articled Authorized ***"Jesus Was An African, But Early Africans Did Believe Him To Be The Son Of God"*** It States That Lately Several Ministers Have Published Books Using Information To Prove That Jesus, Was A Nuwaubian Man. Some Have Made This Information Available For Over 20 Years. In The **1970's A.D. Dr. Yosef Ben Jochannan (Dr. Ben)** Wrote Several Books Trying To Prove This Fact. **Reverend Albert Cleage (Jeramoji)** Author Of The **"Black Messiah"** In **1968 A.D.**

In His Church You Can Find A Shrine Of A Black Madonna As Well As Ceiling Paintings Of A Black Mary And Baby Jesus. The Author States That And I Quote *"Accepting That The Biblical Jesus Is Black Is Just Half Of The Battle, Because We Are Still Being Taught European Christianity... Europeans Decided The Birthday Of Jesus To Be On December 25th, They Decided He Would Be Known As God, The Father, Son And Holy Ghost; His Mother Would Be Known As Mother Of God, Not The Mother Of Jesus; That She Would Have A Virgin Conception."*

This Article Also Goes On To State That The Conference Of Nicea Insisted Certain Books Of The Bible Would Be Taken Out From The Bible, To Mislead You Into Finding Out What Race Was Jesus. It Says And I Quote:

"The Bible Was A Re-Write Of A Story That Had Been Accepted In Africa Thousands Of Years Before The Common Ear. Those Who Translated The Story Wrote In A Part For Themselves... Every Human Representation Of God At The Time Was A Man Of Color. In Order To Support The White Jesus Myth, It Became Necessary For Europeans To Insert Themselves In Biblical History At A Time Prior To Their Actual Existence Thus Came The Whitewashing Of Biblical History."

Albert B. Cleage, Jr. Author Of ***"Black Christian Nationalism,"*** States In His Book, And I Quote, *"I Believe That Jesus, The Black Messiah, Was A Revolutionary Leader, Set By God To Rebuild The Black Israel Nation And To Liberate Black People From Powerlessness And From The Oppression, Brutality, And Exploitation Of The White Gentile World."* In His Other Book Entitled **The Black Messiah,** He States That And I Quote:

"For Nearly 500 Years The Illusion That Jesus Was White Dominated The World Only Because White Europeans Dominated The World. Now, With The Emergence Of The Nationalist Movements Of The World's Colored Majority, The Historic Truth Is Finally Beginning To Emerge- That Jesus Was The Non White Leader Or A Non-White People;...Black People Cannot Build Dignity On Their Knees Worshipping A White Christ. We Must Put Down This White Jesus Which The White Man Gave To Us In Slavery And Which Has Been Tearing Us To Pieces:...Jesus Was A Revolutionary Black Leader."

Yahweh Ben Yahweh Paraded Around Telling The People And His Followers That He Is The ***"Black Christ"*** And That He Is Here To Save His People From The Whites (Caucasians), Yet, He Couldn't Even Save Himself From Going To Jail. This Is Just Another Egotistical Leader Attempts To Rid You Of The Caucasian Image Of Christ That Has Been Placed In Your Heads, Yet He Is Only Deceiving His Congregation By Giving The Messiah His Own Image.

What All Of These Black Leaders Are Trying To Do Is Get You To Focus On The Race Issue Of Jesus Which Will Appeal To Blacks, Who Are Tired Of The Racism And A White God That Approves Their Slavery And Abuse. Soon All Of These So-Called Black Churches Are Going To Be At War As To Whose Drawing Of Jesus Is More Likely To Be Or Represent Him. Can't You Just Give Caucasians Back Their Religions?

Because You Weren't Christians Back In Africa. And According To Your Own Teachings Christian Missionaries Brought The Religion To Africa And That Includes Ethiopia. And If It Was Our Natural Religion It Would Have Been There With Us, Nobody Would Have To Bring It To Us. Jesus Wouldn't Have Been Born In The Middle East He Would Have Been Born In Africa If He Was A God For Africans. You Are Always Eating The Crumbs That The White Man Tosses Off His Table. More Than Half Of Them Are Not Even Christians Anymore And You Are Still Hanging On To The Slave Man's Religion.

These Black Christian Leaders Think That After **2,000 Years** They Can Just Paint Him Black And That It Is Alright. After These Subliminal Pictures Of A White Jesus Has Been Stamped In The Minds Of Children You'd Have To Make This A Full Time Effort To Explain What Jesus Looked Like And All Of You Would Have To Agree On One Story And One Picture. And This Doesn't Help. It Doesn't Help Because It Doesn't Do Anything But Confuse The Children. Now They Are Forced To Say *"Look Mommy A Black Jesus"*. That Is Because In Their Sub-Conscious Mind Jesus Is White.

It Is The Same As A Black Santa Clause. Just By Virtue Of The Fact That You Have To Say Santa Is Black Is A Confession That You Think That He Is White. And The Only Reason You Have To Say Black Jesus Is Because It Means That In The Sub-Conscious Mind You Have Already Accepted That Jesus Is White.

When Most Of These Ministers Were Calling Jesus Black, They Were In Their Ministry Studying Or Being Raised As Ministers Or Sons And Daughters Of Ministers, The Jesus That They Worshipped Was The White Jesus. This Was Stamped In Their Sub-Conscious Mind. They Accepted It, They Believed It, They Taught It, They Even Worshipped This White Image. Yet, Now After The Black Rage Of The 60's ***"Say It Loud I'm Black And I'm Proud"***, They Want To Pretend Blackness While Most Of Them Belong To White Diocese Or White Ministries. They Affiliate Themselves With Organizations Who Are Cheered By White People. Now They Want To Confuse Nuwaubian Children With This New Black Face Of Jesus And They Can't Even Get Together On What Face It's Going To Be. Look At This Collage Of What Has Popped Up Within The Last 10 Years.

I Have Given The Members Of **The Holy Tabernacle Ministries** A Host Of Pictures Of People Of The Scriptures, Including The Messiah Jesus. The Purpose Was To Stamp Out The Hippy-Image That Had Been Implanted Into Your Hearts And Minds. Now When Someone Mentions A Biblical Name You Automatically See Your Own Pictures. Yet, Regardless Of How Much You Try To Push The Nuwaubian Jesus You Still See The Image Of The Beast. This Was Not Done For Racist Purposes, Yet Rather Break This Evil Hypnotic Spell That Has Left You In Total Ignorance. We Have Outgrown The Ignorance Of Racism Because ***"No One Wins The Race In Racism."*** But This Will Not Prevent Me From Teaching You The Facts, **RIGHT KNOWLEDGE. TRUTH IS TRUTH.** ***(Read The Family Guide Book).***

Ques: How Can You Prove That The Messiah Jesus Was Nuwaubian?

Ans: To Sufficiently Answer This Question, It Is Essential To Establish That The Descendancy Of A Person Determines What Race He Or She Is. "OR DO THEY ENVY MANKIND FOR WHAT ALLAH HATH GIVEN THEM OF HIS BOUNTY? BUT WE HAD ALREADY GIVEN THE PEOPLE OF ABRAHAM THE BOOK AND WISDOM, AND CONFERRED UPON THEM A GREAT KINGDOM."

The Messiah Jesus Was To Come Out Of The **Tribe Of Judah**. This Can Be Confirmed In The Book Of ***Revelation 5:5*** Where It States And I Quote. *"WEEP NOT, BEHOLD, THE LION OF THE TRIBE OF JUDAH, THE ROOT OF DAVID..."* So As You Can See This Quotes Confirms That The Messiah Jesus Is From The **The Tribe Of Judah** And Of **The Lineage Of David** ***(Revelation 22:16)***.

Revelation 5:5

"AND ONE OF THE ELDERS SAITH UNTO ME, WEEP NOT: BEHOLD, THE LION OF THE TRIBE OF JUDA, THE ROOT OF DAVID, HATH PREVAILED TO OPEN THE BOOK, AND TO LOOSE THE SEVEN SEALS THEREOF."

The Greek Word Being Used In This Quote For **Tribe** Is **Foo-Lay'** (φυλή) And Is Defined As ***"Tribe, Kindred, A Race, Nation, People. "*** Now Let's Take In ***Romans 1:3***, Where Its Says And I Quote, *"CONCERNING HIS SON JESUS CHRIST OUR LORD, WHICH WAS MADE OF THE SEED OF DAVID*

ACCORDING TO THE FLESH." The Greek Word Being Used For Seed In This Quote Is **Spermah** (σπερμα) Meaning ***"The Male Sperm; Offspring; Seed"*** Which Comes From Thre Greek Root Word **Spi-ro** (σπειρω) Meaning ***"To Scatter, Receive Seed" (Romans 1:3, Revelation 5:5).*** In *Isaiah 65:9*, It Uses The Aramic (Hebrew) Word **Zeh-Rah** (זרא) Meaning ***"Seed, Posterity, Sowing Time"*** Of **Jacob**, And **Judah**. The Aramic (Hebrew) Word Comes From The Root Word **Zaw'-Rah** (זרא) Meaning ***"To Sow, To Disseminate, Conceive, Yield."*** The Ashuric/Syriac (Arabic) Word For Seed Is **Asl** (اصل) Meaning ***"Root, Origin, Source, Decent, Lineage,"*** Which Comes From The Root Word **Asalu** (اصل) Meaning ***"To Be Or Become Firmly Rooted; To Be Firmly Established; To Be Of Noble Origin."***

Isaiah 65:9

Modern Hebrew Script

No Where In The Scriptures Will You Find A Description Of The Messiah Jesus Having Blond Straight Goat-Like Hair. However, In ***Revelations 1:13-15***, Which Can Be Found In ***Daniel 7:9*** It Describes An Angel That Is Likened Unto The **"Son Of Man"** Which Is Jesus, As Having Hair Like Lamb's Wool As White As Snow, And I Quote, *"AND IN THE MIDST OF THE SEVEN CANDLESTICKS ONE LIKE UNTO THE SON OF MAN, CLOTHED WITH A GARMENT DOWN TO THE FOOT, AND GIRT ABOUT THE PAPS WITH A GOLDEN GIRDLE. HIS HEAD AND HIS HAIRS WERE WHITE LIKE WOOL, AS WHITE AS SNOW; AND HIS EYES WERE AS A FLAME OF FIRE; AND HIS FEET LIKE UNTO FINE BRASS, AS IF THEY BURNED IN A FURNACE; AND HIS VOICE AS THE SOUND OF MANY WATERS."*

Christians Like To Ignore The Words "*ONE LIKE UNTO THE SON OF MAN.*". If You Look At The Greek Word For **"Like"** You Will See The Word **Hom'-Oy-Os** (ομοιος) Which Is Defined As ***"Like, Similar, Resembling"***. So Now You See That The Messiah Jesus Of 2,000 Years Ago Was Not A Man With Pale Skin And Straight Hair That Is Depicted On The Cross. He Was Unmistakably Nubian And With 9 Ether Hair (Kinky). You And I Both Know That There Is No One On The Earth With This Kind Of Texture Hair Except Us Nubians.

So Now You See, The Importance Of Perserving This Seed For The Coming Of The Messiah Jesus Whose Lineage Chart You Can Trace Through His Mother **Mary** All The Way Back To The Prophet **David**. The

Lineage Chart That You Find In ***Matthew 1:1-16*** And ***Luke 3:23-33*** Does Not Prove The Descendancy Of The Messiah Jesus, They Are Showing You Joseph's Descendancy Chart, And **Joseph** Was Not His Natural Father. ***(Read The Holy Tablets Chapter 15, Al Masiyhiyyiyn, The Christians Tablets 2:97-125)***

Ques: Who Is Judah Or The Tribe Of Judah

Ans: **Judah** Was The 4th Son Of **Jacob** And Wife **Leah**. Judah Was Also A Prince; Not Of Ishmael, But Of Israel. This Tribe Of People Were Chosen Because Out Of Their Seed Were To Come The Messiah ***(Revelation 5:5)***. The Lost Sheep Of The House Of Israel Were The Members Of The Tribe Of Judah Which Numbered **7,000**. They Were Spared From The Wrath Of **Eli** ***(Romans 11:4)*** Which I Will Explain To You Further In This Scroll.

Today Judah Is The Sole Remaining Tribe Of Israel Or Bani Israel. The Tribe Of Judah Was The Last Of The Chosen People As I Previously Stated. Today In Ethiopia, The Chosen People Are Called Falashas And Are Living Up To The Laws Prescribed In Ancient Times By The Torah. Strangely Enough Falashas Are Called **"Israel"** Today In Ethiopia.

Figure 37
Judah Son Of Jacob And Leah

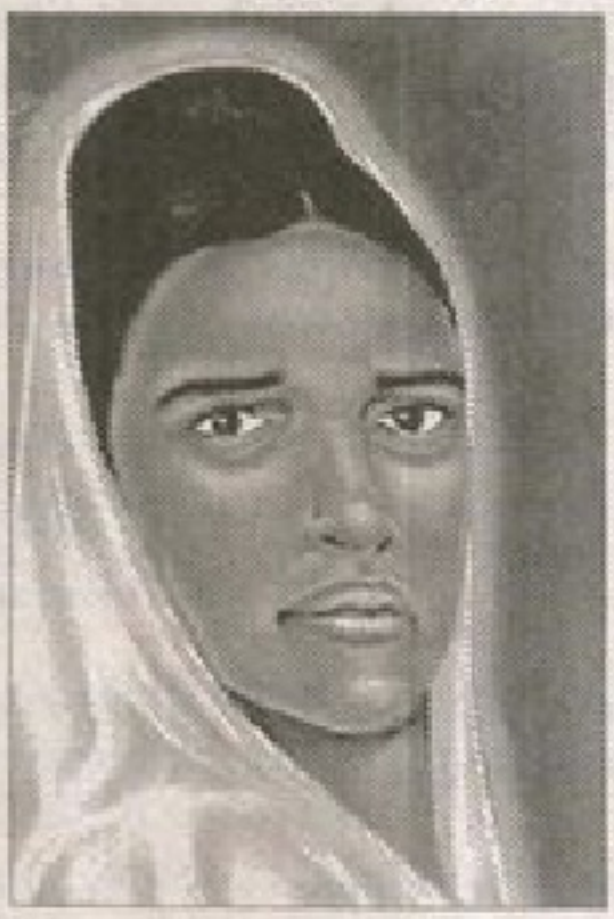

Figure 38
Leah Wife Of Jacob

The Term Falasha Is Used To Distinguish Them From The Native Ethiopians, Which They Are Not. However, If A Falasha Ever Leaves His Tribe And Goes To A Different Area Or Country, He Can Never Call Himself Of The Tribe Of Judah, Or Falashan Again. The Tribe Of Judah Became Known As The Falashas Because They Migrated To **Abyssinia (Ethiopia)** Just As Abraham Was Labeled A Hebrew When He Left From **Chaldees (Mesopotamia)** And Crossed Over The **Tigris-Euphrates** Valley. **Hebrew** Means ***"To Cross Over"*** And **Falasha** Means ***"To Wander About Like A Vagabond"*** (Which Is Descriptive Of The Tribe Of Israel's Wandering In The Wilderness). This Term Was Applied To Them To Distinguish Them From The Other Inhabitants Of **Al Habasha** (Ethiopia).

Ques: Who Were The Falasha?

Ans: Falashans Are Melanin Carrying Beings. They Are The Original **Danites**, And The **Judahites**, Who Had Been Mixed With The Ethiopians When They Moved Into That Land. You Are The Original Falashas. The Falashas Settled In The Mountains Of **Begemdir** And **Simen**, Borders On The Sudan. They Spoke

Both Aramic (Hebrew) And Syriac (Arabic) And Read Both The Torah And The Koran, And Were Referred To As The **Rashada** Tribes. All These Tribes Are Referred To As The Lost Tribes. The Falashans Lived In The Provinces Of Begemdir And Simen In The Mountains Of Ethiopia. ***(Refer To "Our True Roots", Scroll #38 And "The Melanin-Ite Children", Scroll #133 For More Information).***

Figure 39
A Falasha Man

Ques: Why Can They Not Call Themselves Of The Tribe Of Judah If They Leave The Area?

Ans: One Can Not Call Himself Of The Tribe Of Judah Because Leaving The Area Signifies Going Astray And Mixing With Others That Are Not Of The Seed Of Abraham And It Also Implies Idol Worship.

All The Prophets Were Sent To A Specific Race Of People - **Nubians,** Who Are The Descendants Of The Prophet **Abraham.** The Covenant Of **Abraham** Was To Not Mix His Seed, ***(Genesis 24:3)*** Which Extends Through The Loins Of His Descendants Directly To The Last And Seal Of The Prophets From The Line Of **Kadmon (Adam),** Down To **Mustafa Muhammad Al Amin**. It Tells You In ***Koran 15:28*** That **Eli (Allah)** To The **Eloheem (Angels)** He Created Man Of **Black Clay**. It Uses The Word **Haman** (حمأ) Which Is From The Same Aramic (Hebrew) Root As **Kham** (חם), The Son Of **Utnafishtim (Noah)** Father Of The Hamite People Who Are Nubians. The Pale Arabs Try To Dispute The Fact That The Prophet Muhammad Was Sent To The People Of Color - The Blacks And Reds. Throughout The Arab World There Is A Hadith That They Attribute To The Prophet Muhammad Concerning Who He Was Sent To. This Quoted Hadith Is The Foundation Which Many Mohammedans Have Used To Build The Argument That **Muhammad,** Son Of **Abdullat And Amina,** Came To All Colors Of People And Not Just His People.

In A Book That Was Written In The Ninth Century In The Arabic Language Entitled ***"The Book Of The Glory Of The Black Race, Kitab Fakhr As-Sudan 'Ala Al-Bidan,"*** Makes It Clear That The Prophet **Mustafa Muhammad Al Amin** Was Nuwaubian. By That I Mean, A Dark Brown To Black Nappy Haired Man. This Book Was Written By **Abu 'Uthman Ibn Bahr Al Jahiz (776-868 A.D.)** More Than Two Hundred Years After The Death Of The **Prophet Muhammad**,Which Was A Thousand Years Ago And Was Translated Into English By France Preston. On ***Page 50*** Of This Book It Says And I Quote:

"They Said, "Abd Al-Muttalib Fathered Ten Lords, Black As The Night And Magnificent. 'Amir Ibn At-Tufayl Saw Them Circling (The Ka'ba) As If They Were Handsome Jinn, And He Said With These (Present), Gatekeeper (Of The Ka'aba) Is Useless. 'Abd Allah Ibn 'Abbas Was Blackest In Magnificence,And The Family Of Abu Taalib Were The Most Noble Of Men; And They Were Black, With Black Skin. They Said,The Prophet (Blessing Of God And Salvation Be Upon Him) Said, 'I Was Sent To The Reds And The Blacks.' You Are Aware That It Was Not Said The Zinjs, The Ethiopians Or The Nubians Were White Or Red-For They Have No Name Other Than Black."

Let's Make It Clear That This Book Was Originally Written In The Arabic Language By A Man Born In The Year **776 A.D.** And Died In **868 A.D.** Reflect On How Long Ago That Was For A Minute And How Near It Was To The Birth And Death Of The **Prophet Muhammad**. And This Man, **Al Jahiz** Was Born In **Basra** In The Country Now Known As **Iraq**. This Is Not Some American Black Man Screaming The Prophet Muhammad Is Black As Did **J.A. Rogers** In His Book.

Abd Al Muttalib** Fathered Ten Black Children. One Of Those Sons Was **Abdullah** Who Was The Father Of The **Prophet Muhammad** Which Automatically Makes The Arabian Prophet Receiver Of The Qur'aan Called Ahmad Or Muhammad, Black As Well. Another Of His Sons Was **Abu Taalib** Who Was The Father Of Ali, The Prophet Muhammad's Nephew. Which Would Also Make Ali A Nuwaubian. ***(Refer To "Nuwaubu & Amunnubi Rooakhptah: Fact Or Fiction?" Muhammad, Came Only To The Nubian Race, **Al 'Irq Al Aswad** (العرق الاسود) And The Red Race **Al 'Irq Al Ahmar** (العرق الاحمر). If He Was Sent To **"All People"** (Including Whites, Yellows, Etc.) The Arabic Within The Quote Would Include The White Race **Al 'Irq Al Abyad** (العرق الابيض) And The Yellow Race **Al 'Irq Al Asfar** (العرق الاصفر). **AND IT DOESN'T!!**

The Reds In The Quote Is In Reference To **Abu Bakr**, The Father Of **'Aiysha**, The Third Wife Of **Muhammad**. **Abu Bakr** Was A Red Skinned Arab Whose Wife Was Nubian (Black). Which Means That **'Ayisha** Was Of The Same Race. Because **Abu Bakr** Was A Prominent Leader In Mecca, **Muhammad** Married 'Ayisha In Hopes Of Bringing The People Together.

Ques: How Would You Find The Descendancy Of The Messiah Jesus?

Ans: When Reading The Descendancy Chart Of **The Messiah Jesus** Of 2,000 Years Ago, You Must Bear In Mind That Each Child Is Named After The Most Prominent Parent. That Is Why It Is Read **"Son Of," "Begot,"** Or **"He Begot"** Such As In ***I Chronicles 10:14***, And I Quote: *"DAVID, THE SON OF JESSE"*.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

And ***Numbers 26:1,*** And I Quote: *"Eleazar, The Son Of Aaron, The Priest"*, Or The Word **"Begat"** As In ***Genesis 5:32***, And I Quote: *"Noah Begat Shem, Ham And Japheth"* And ***Matthew 1:2***, And I Quote: *"Abraham Begat Isaac"* And **"Begotten"** As In ***Genesis 5:4***, And I Quote: *"DAYS OF ADAM AFTER HE HAD BEGOTTEN SHEM."* For Example: **Ishmael** Was The Son Of **Abraham** Who Was The Son Of **Terah** And So On. Likewise, The **Messiah Jesus** Of 2,000 Years Ago Son Of **Mary**, The Daughter Of **Hanna**, The Daughter Of **Yonakhir**, A Descendant Of **David** The Son Of **Jesse**. An Example Of This Is In ***Genesis 5:4, Koran 49:13***.

VERILY THE MOST HONOURED OF YOU IN THE SIGHT OF ALLAH IS (HE WHO IS) THE MOST RIGHTEOUS OF YOU. AND ALLAH HAS FULL KNOWLEDGE AND IS WELL - ACQUINTED (WITH ALL THINGS)."

In This Quote The Word **Qabaa'il** (قبايل) Is Being Used Meaning ***"Descendants From The Same Family And The Same Race."*** And The Word **Shu'uwban** (شعوبا), Meaning ***"Tribes."*** It Was Derived From The Word **Sha'b** (شعب) Tribe, Which Means A ***"Group Of Persons, Families Or Clans Believed To Be Descended From A Common Ancestor."*** In ***Genesis 49:28***, Where It States And I Quote *"ALL THESE ARE THE TWELVE TRIBES OF ISRAEL..."* They Use The Aramic (Hebrew) Word **Shay'-bet** (שבט) For **"Tribes"** Meaning ***"Clan, Tribe."*** In The New Testament In The Greek, They Use The Word **Foo-Lay** (φυλή) Meaning ***"Tribe, Kindred, A Race, Nation."***

An Example Of This Are The Tribe Of **Ishmaelites**. They Are 12 Tribes Of Nubian Who Descended From **Ishmael**, Abraham's First Son By **Hagar**. From Ishmael's Second Son **Kedar** Came The Tribe Of **Kedar** Who Were **'Arab Asiliyuwn** (عرب اصليون) Meaning ***"Pure Arabs,"*** Because As Bedouins (Nomads) They Were Constantly Moving From Place To Place, Not Settling In One Place For A Long Time - And Most Importantly - Not Mixing Their Seed. They Observed Strict Marital Laws And Maintained Their Original Blackness.

On The Other Hand, **Qabiyl** (قبيل) Is A Body Of Men From Several Ancestors. An Example Of This Is That **Ishmael**, **Isaac**, **Midian,** And **Abraham** Are The Ancestors To:

1. **The 12 Tribes Of Ishmaelites.**

2. **Mixed Arabs: Black And Brown, 12 Tribes Of Israel (Israelites) And The Edomites Tribes From Esau.**

"AND IT CAME TO PASS, WHEN MEN BEGAN TO MULTIPLY ON THE FACE OF THE EARTH, AND DAUGHTERS WERE BORN UNTO THEM, THAT THE SONS OF GOD SAW THE DAUGHTERS OF MEN THAT THEY WERE FAIR; AND THEY TOOK THEM WIVES OF ALL WHICH THEY CHOSE."

Within This Quote You Will See That The Aramic Hebrew Words Used For **"Son Of God"** Is **Bane Eloheem** (בן אלהים), Meaning ***"Sons Of Angelic Beings (Gods)."*** To Get An Accurate Meaning Of The Terminology Being Used Here, You Must Go Back To The Original Language From Which The Scriptures Were Revealed, And The Language Jesus Spoke.

If You Read The Book Of ***Luke 3:21-22,*** You Will See That The **Messiah Jesus** Was Filled With The Holy Ghost And **Eli** Called Jesus His Son. And In ***Matthew 26:63***, Jesus Is Called The **"Son Of God."** The Word Being Used In This Quote For Son Is **Huios** (Ηυιος).

"AND THE HOLY GHOST DESCENDED IN A BODILY SHAPE LIKE A DOVE UPON HIM. AND A VOICE CAME FROM HEAVEN, WHICH SAID, THOU ART MY BELOVED SON: IN THEE I AM WELL PLEASED."

In **The Koran** He Is Called **"Son Of Allah"** Which Is Translated As **"Ibn Allah."** **Ibn** (ابن الله) Means ***"Son By Adoption."*** Ashuric Syriac (Arabic). There Is Also The Word **Walad** (ولد) Paternal Son From The Word **Walada** (ولد) ***"To Beget."*** In Aramic (Hebrew) The Word For **"Son"** Is **Ben** (בן) Meaning ***"Son, Grandson,Child, Member Of A Group ."*** These Is Also The **Bar** (בר) Which Means An ***"Adopted Son."***

According To The **American Heritage Dictionary**, The Word Son Is Defined As:

> **son** (sŭn) *n. Abbr.* **s. 1.** One's male child. **2.** A male descendant. **3.** A man considered as if in a relationship of child to parent: *a son of the soil.* **4.** One personified or regarded as a male descendant. **5.** Used as a familiar form of address for a young man. **6. Son.** The second person of the Trinity. [Middle English, from Old English *sunu*. See **seuə-**[1] below.] **—son'ly** *adj.*

The Point Of Familiarizing You With The Definition Of The Word **Son** Is To Prove To You That Every Son Is Not By Birth, But That You Have A Paternal Son And An Adopted Son.

The Messiah Jesus As You Know Was Not The Adopted Son Of Mary, He Was **"Waladu Maryam"** (ولدمريم) Blood Son Of Mary. In Aramic (Hebrew) **Blood Son** Would Be **Yalad** Or **Yeled** (ילד) Which Means ***"Offspring, Boy Child."*** However, When Used As **"Son Of,"** Its Proper To Use **"Ibn."** Also In ***Koran 3:45*** It Speaks Of Jesus In Two Parts: His Body Is Called **"Waladu Maryam"** (ولدمريم) And His Soul Is **"Ibn Eli (God)"** Meaning Jesus Was The Blood Son Of Mary Because She Conceived Him (This Made Him The Son Of A Mortal Or A **"Son Of Man"**), His Soul Was The **Son Of Eli** (God Or **"Son Of God"**). This Made Him Of Two Worlds, The Planet Earth And The Galactic Heavens. The Messiah Jesus Stayed In A State Of Limbo Being Half Angelic And Half Mortal. He Didn't Know Whether Or Not To Be One Or The Other. This Is What Is Meant When He Said *"...I AM NOT OF THIS WORLD" **(John 3:23, 18:36)***

Anyone Can Be **Ibn Eli (God)** When They Fully Accept **Eli (God)** As The One True Creator And Do Not Bind Partners With Him. **Ibn Eli (God)** Is A Noble Title One Must Be Especially Qualified To Bear This Title The **"Son Of God."** All Men Can Bear The Right To This Title, But They Must Sacrifice The Things Of This World And Become Fully Obedient To The Creator Like The Messiah Jesus Or Become Christ-Like.

There Are Men Who Are Sons Of **Eli** ***(John 1:12)*** And There Are Men Who Are The Sons Of The Devil ***(John 8:44)*** If They Believe. This Is What The Gospel Of John Is Speaking About. This Has Nothing To Do With Race, For You Can Be Black And Be A Black Devil Or White And Be A White Devil Or Any Other Race As Well As White Angels And Black Angels. It Depends On The Path You Take And Either Devil Or Angel Can Be Changed.

So You See The Title **"Son Of God,"** Is Not Exclusively Used For The Messiah **Yashu'a (Jesus)** Of 2,000 Years Ago. This Is Why It Is Very Important For You To Learn Your Original Languages So You Can See For Yourself Exactly What The Scriptures Are Saying. Get Scriptures With Hebrew And Greek Translation Like The **Strong's Concordance** Of The Bible! That Is Why I Have Translated Quotes From The Bible And Koran So That You Will See The Real Meaning Of Words In Their Original Language.

In The Case Of Jesus, He Was **Waladu Maryam** (Blood Son Of Mary, ولد مريم). Jesus Was Not **Waladu Allah** (ولد الله), The Blood Son Of Our Heavenly Father, Because In ***John 4:24***, The Word Used In This Quote In The Greek Is **Theh-Os** (θεος) Which Is Equivalent To Eloheem In The Plural, Also **Eli (God)** In The Singulae Form Or **El Eloh (Allah)**. This Makes It Clear That God Is A Spirit. The Messiah Jesus Could Only Bear The Title **Ibnu Allah** (ابن الله) Because He Could Only Be Adopted By **Eli (God)** Spiritually. As I Mentioned Previously, **Eli (God)** Cannot Conceive A Physical Son. By Doing This **Eli (God)** Would Have To Become Less Than Himself And That Is The Only Thing He Cannot Do, Become Less Than God And Still Be **"God"** The Total. In Other Words, By Becoming Less Than Himself Would Make Him Incomplete, Thus, He Can No Longer Be **"God."**

However, He Does Create Eloheem And They In Turn Take On The Title **Waladu Allah** (ولد الله), Because They Are From His Direct Light. They Are Of Him, Being Without Body, But Just **"Spirit"** And **"Light,"** Rendering Them **Walad** (ولد). Thus, The Angel Became **"All Spirit."** The Title **"Sons Of Eli (God)"** Is Mentioned 17 Times In The Bible. The Eloheem Gabriy'el Personified As A Man For **John The Baptist** And The Messiah Jesus' Conception. So Jesus Was Also **"Waladu Gabriel"** (ولد جبرئيل), The Blood Son Of The **Eloheem Gabriy'el** (A Physical Son).

Ques: How Do You Find The Descendancy Of The Messiah Jesus?

Ans: In The Bible, Descendancy Has Been Determined By **"Seed"** Meaning Their Physical Offspring By Sexual Intercourse.

First Let's Go To ***Genesis 3:15***, And You Will See The Aramic (Hebrew) Word Used For **"Seed"** Is **Zeh-Reh** (זרע) Meaning *"Offspring, Descendants, Prosperity."*

"AND I WILL PUT ENMITY BETWEEN THEE AND THE WOMAN, AND BETWEEN THY SEED AND HER SEED; IT SHALL BRUISE THY HEAD, AND THOU SHALT BRUISE HIS HEEL."

In Ashuric/Syriac (Arabic), There Are Two Words Frequently Used In The Bible And The Koran To Denote "Seed".

1. **Nasl** (نسل) - *"(Noun) Plural* (نسل) *Is Progeny, Offspring, Issue, Descendants." (Genesis 3:15, Genesis 21:12)*

   Nasala (نسل) - *"(Verb) To Beget, Procreate, Sire, Father, Reproduce."*

2. **Dhurriya** (ذريه) - *"Progeny, Descendants, Children, Offspring (Roman 1:3)"*

   Dhurri (ذريه) - *"Of Or Pertaining To The Offspring Or Progeny."*

Now If You Go To The Greek Language, You Will Find The Word **Sperma** (σπερμα) And Is Defined As *"Seed, Issue."*

The **"Seed"** Which It Speaks About Is The Physical Seed Of The Prophet **Abraham,** His Son **Isaac** And His Son **Ishmael**. Throughout The Scriptures, We Never Find The Messiah Jesus Identifying Himself With His Step-Father Joseph, Instead, He Identifies With The Prophet David, The Son Of Jesse.

Denied Because The Messiah Jesus Was From The Tribe Of Judah, Who Was A Descendant Of The Prophet Abraham By Way Of His Second Son Isaac Who According To The Scriptures Of **Eli** Were All Descendants Of The Prophet **Kadmon (Adam)**.

Ques: Who Was The Prophet Kadmon (Adam) And How Can You Prove That He Was Nubian (Black)?

Ans: Kadmon (Adam) Whose Name Is Also Known As **Zakar** (זכר), Meaning ***"One Who Remembers."*** His Name **Kadmon** Can Be Found In The Ancient Tablets As Well As In ***The Holy Tablets Chapter 3, Tablet 3, Verses 186-187*** As **Adam** (אדם) Son Of **Atum** And **Lillith**. **Kadmon** Whose Proper Spelling Is **Qadmon** (קדמן) Means ***"Easterners"*** And Can Be Found In ***Genesis 15:19*** Under The Word **Kadmonites** Who Were The People That Occupied The Land Of Canaan When **Eli** Promised It To **Abraham**.

The **Qadmonites** Occupied The Land Of Canaan Before They Were Invaded By The Dark-Skinned Canaanites Who Descended From Canaan's Son **Hamath** And His Wife **Salha** Who Was Also His Half Sister. The Hamathites Were Dark-Skinned Canaanites And Were Trusted By The Kadmonites, But Hamath's Brothers Betrayed The Kadmonites And Took Their Land And Called It The Land Of Canaan. These Are The Pale Canaanites Who Took Over The Land. When **Eli** Promised The Land Of Canaan To Abram ***(Genesis 12:7)***, It Had Already Been Taken Over By These Pale Albino Canaanites. These Canaanites Called Themselves Amorite Phoenicians The Same Way Europeans Came To **America** And Began Calling Themselves Americans Or When They Go To **South Africa** And Call Themselves Afrikaners. And 50 Years From Now, People Will Believe That The Original South Africans Were Caucasians Just As They Have You Believing Today That The **Ancient Egyptians** Were Caucasian Or Turks. However, Let Me Repeat, It Was Originally Occupied By The Direct Descendants Of **Qadmon** (Adam) Who Were Nubians. So Giving It To The Tribe Of Jacob Called Israel Would Not Be Taking The Land Of The Canaanites But Returning Adamite's Land To The Adamites. This Land Was Called Qadmon Or Kadmon Land Of The **Kadmonites**. This Is A Confirmation Of What I Have Been Saying For Years Which Is Some Of The Original Canaanites Were Nubian. So When The **Eli** Of ***Genesis 12:7*** Promised Him This Land, He Was Giving Abraham And His Descendants Back What Was Rightfully Theirs. So When You Say Why Did God Just Take The Land From The Canaanites, In Actuality He Was Returning It To Adam's Descendants. The Writers Of The Bible Want To Plant Canaan There So That They Can Claim That Land. This Is Just Another Way For Them To Make The Claim That The **First** Adam Was Caucasian, Which Is Simply Not True. As I Have Explained In This Scroll And Several Of My Other Publications Such As ***The Sons Of Canaan, Scroll #145***, ***The Paleman, Scroll #20***, That **Their "Adam"** Was **Canaan**, Whose Real Name Is **Libana**. He Was The First Pale Albino, The Pale Man Adam Or Edom (The Ruddy Man).

Also In ***Ezekiel 47:8***, **Kadmon** Is Found Under The Word **"East."**

Figure 53
Atum Father Of Kadmon (Adam)

Figure 54
Lillith Mother Of Kadmon (Adam)

First Let's Look At The Word Adam Which Has Many Forms. What They Don't Want To Show You About This Name Is That Every Place In Your Bible Where You See The Word Ground There Is The Aramic (Hebrew) Word **Adamah** (אדם) Which Is From The Same Root **Adm** (אדם). In This Case, It Means ***"Ground, Land,"*** But Of Course The Root Means ***"Earth."***

The Ancient Sumerians Had The Original Word **Adamah** Simply Meaning ***"Earthling Or Being From This Planet"***, Often Mistranslated As Simply The Name Of The Person. Also In ***Genesis Chapter 1 Verse 26*** And I Quote *"AND THE LORD GOD SAID LET US MAKE **MAN** IN OUR IMAGE AND AFTER OUR LIKENESS AND LET THEM HAVE DOMINION OVER THE FISH OF THE SEA AND OVER THE FOWL OF THE AIR AND OVER THE CATTLE AND OVER ALL THE EARTH AND OVER EVERY CREEPING THING THAT CREEPETH UPON THE EARTH."*

And The Aramic (Hebrew) Word For **Man** In That Quote Is **Adam** (אדם), Translated As ***"Man, Mankind, Human Being."*** And Again The Root Of This Word Is **Adm** (אדם). For The Meaning Of This Word, You Have To Look At ***Genesis 25:30*** Where Esau And Jacob Are Having A Discussion Concerning Pottage. Esau Says And I Quote *"I PRAY THEE WITH THAT SAME RED [POTTAGE] FOR I [AM] FAINT."* ***(Genesis 25:30)*** The Word Being Used For **Red** Is The Exact Same Word Being Used Throughout **Genesis** For **"Man"**, **"Ground"** And **"Adam"**. The Point I'm Trying To Make Is When Reading An English

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Translation Of The Bible, Unless You Get The Correct Transliterations So That You Can Do A Word For Word Search, Of The Aramic (Hebrew) That Is Being Translated. You Will Be Easily Fooled. ***(Read "Are The Caucasians Edomites?", Scroll #142)***

For Example **Adam** Which In Itself Was Adopted Into The Hebrew Language From The Ancient Cuneiform Tablets As **ADAMA** Simply Meaning ***"Earthlings."*** When It Got Grafted Into The Torah It Became Adam Meaning ***"Dark Reddish Brown,"*** As In Of The Ground. And It Is Used As A Plural When Referring To The Creation Story Of ***Genesis 5:2.*** However, In The New Testament, **Adam** Is Found In Greek (Αδομ). They Give The Meaning ***"The Red Earth,"*** And It Is Treated As If He Was An Individual In The Line Of Descendancy, As Found In ***Luke 3:38.***

But Getting Back To My Point, The Name **Adam**, Originally A Plural, Got Picked Up In The New Testament ***(Luke 3:38)*** As A Individual And In The ***Qur'aan 49:13*** As A Single Male Using The Ashuric/Syriac (Arabic) Word **Dhaakar** (ذكر) ***(Koran 49:13),*** Which Is The Same Word Used In The Torah, **Dhakar** (זכר) ***(Genesis 5:2).*** So The Muslims Will Argue, And I Would Have As Well While I Was An Ansaar Muslim, That The Qur'aan Is Referring To One Of The Adams And That **Adam** Would Be **Kadmon**, An Individual Chief Of The Tribe Of Adamites. Also Called **Zakar.** But History Has Proven That There Was An Adam Who Is Also Spelled **Edom** (אדם), For They Both Come From The Same Root **Aleph** (א) **Daleth** (ד) And **Miym** (ם) Or **Alif** (ا) **Daal** (د) And **Meem** (م). And As In All Semetic Languages, Which Originally Had No Vowels. When The Vowels Were Added, The Aleph (א) Changed From An "Ah" Sound To An "Oo", "Ee", "An", "In" Or "Un," Which Made Room For Misinterpretation And Poor Translation. Thus, Today The Argument Of Whether Or Not Adam Was An Individual, The First Man On The Planet, Or A Group Of Beings. However, As I Said Earlier, The Torah Makes It Quite Clear In Hebrew That Adam Was A Group. The New Testament With Their Greek Interpretation ***"Red And Earth"*** Is Indecisive, And The Qur'aanic Or Arabic Translation Of Adam Is ***"To Be Tawny,"*** As Found In The **Dictionary And Glossary Of The Kor-An.** Tawny Which Means ***"Yellowish Brown Or Tan"*** And From **The Hans-Wehr Dictionary,** Adam Means ***"Tanned Skin."*** Their Multiple Hadiths Supports This When In The **Qur'aan** In The **15th Chapter The 28 Verse** It States That Adam As An Individual Was Created Of Black Mud.

Some Of The Korans That Use "Black Mud" Are In Agreement With My Translation:

N.J. Dawood —The Word Hama'a (حمإ) Is Translated As "Sounding Clay, Black Mud".

M.H. Shakir —The Word Hama'a (حمإ) Is Translated As "Sound, Black Mud"

J.V. Mir Ahmad Ali— The Word Hama'a (حمإ) Is Translated As "Black Mud"

Mufassir Mohammed Ahmad —The Word Hama'a (حمإ) Is Translated As "Black Clay"

As You Can See, **Maulana Muhammad Ali**, Translates The Word Hama'a (حمإ) "Black Mud." This Quote From The Qur'aan Has Been Translated Many Times. But The Point Remains. That Is Most, If Not All Of The Translators Agree That Adam Was Created Of Black Mud.

Mistranslation By Abdullah Yusuf Ali 1938 A.D.

Koran 15:20 (Wrong Order)

BEHOLD! THY LORD SAID TO THE ANGELS: "I AM ABOUT TO CREATE MAN, FROM SOUNDING CLAY FROM MUD MOULDED INTO SHAPE;

But Take A Look At The Sunni Orthodox Muslim Translation Of The Koran Where They Try To Mislead And Hide The Fact That Adam Was Black, Even To The Point Of Changing The Koran. That Is Why I Say They Don't Have The Original Koran. Their Koran Is Tampered With.

This Is Also Verified In ***Genesis 2:7***:

"AND THE LORD GOD FORMED MAN OF THE DUST OF THE GROUND, AND BREATHED INTO HIS NOSTRILS THE BREATH OF LIFE; AND MAN BECAME A LIVING SOUL."

Now The Word That I'm Concerned About In This Quote Is The Aramic (Hebrew) Word **Aw-Fawr** (עפר) Meaning ***"Dry Earth, Dust, Ground."*** If You Look This Quote Up In Ashuric Syriac Arabic, You Get The Word **Turaaban** (ترب) Which Stems From The Root **Tarib** (تربا) Meaning ***"Soil."*** It Also Means ***"Dust Or Clay."*** Now Think What Color Is Soil? It Is Undoubtedly Black. So The Word **"Turaaban"** Meaning ***"Dirt, Soil"*** Is Not To Be Confused With **Ramlun** (رمل) ***"Sand,"*** Which You Are Aware Cannot Grow Anything In It.

The Arabic Word **Hamaa'** (حما) Means ***"Black, Mud,"*** And The Word **Salsaalin** (صلصل) Means ***"Clay."*** If You Look Up In Any Dictionary Under The Word **Ham** (حم) Or In The Hebrew Language **Cham** (חם), One Of **Utnafishtim's (Noah's)** Sons, You Will See **Ham** Also Means ***"Hot Or Burnt Black"*** Psalms Of David Confirms That They Inhabited Egypt ***(Psalms 105:23; 101:22).***

So You See The Koran, Also Confirms That The **Kadmon (Zakar/Adam)** Was Nubian.

So It's Not Something I Made Up. Contrary To What You May Want To Think, The Translation Of This Word Did Not Originate With Us. The So-Called Pale Arabs Have Translated The Word Hamaa (حما) As ***"Black"*** Or ***"Sun Burnt"*** Long Before We Did, They Never Thought That You Would Be Able To Read The Arabic Of The Koran Or Think For Yourself As To The True Meaning Of This Word. Not Only Am I Saying That The Adam Was A Nubian, But So Do Your Anthropologists. Let's Take A Look At The Front Cover Of A **Newsweek Magazine,** ***"The Search For Adam And Eve"*** Dated **January 11, 1988 A.D.**

When You Read This Article Bear In Mind That It Was Not Until **1970 A.D.** When I Disclosed The Truth About The Science Behind Creation; The Big Bang Theory; How Human Beings Was Created; Who The Pale Albino Really Is, The Original Language Of The Scriptures, The Secrets Of The Freemasonic Societies, And What Are The Events That Will Take Place Before The End Of The World. However, Think About This, At The End Of This Article They State That They Have Found The Racial Identity Of **Nekaybaw (Hawwa'a/Eve)** But They Now Have To Find The Racial Identity Of **Kadmon (Adam/Zakar).** These People Know That If **Nekaybaw (Hawwa'a/Eve)** Was Nubian Then **Kadmon (Adam/Zakar)** Was Also Nubian Because She Was Made From The **Kadmon (Adam/Zakar)** *(Genesis 2:21-22)*

Ans: The Sudan Was Also Called "**Nubia**". Hence We Get The Name Nubian. **Nubia** Or **Nubaala** (نبالة)Was A Land Rich In Gold, Good Quality Stone, Etc. It Was The Gateway From **Khemet (Egypt)** To Central Africa From Which Came Ivory And Ebony. The Same Land Was Called Havilah ***(Genesis 2:8)***. And Don't Believe Any Fools Who Says **Nubia** Is A Greek Name, It Is An Arabic Word. **Nubia** (نوبى) Is Derived From The Root Word **Nuwb** (نوب) From The Root Word **Nubi** Or Nubians Or As Likened To A Nation Called **Nubia**, The Plural Of Which Is "**The Nubians**" (نوبين). The Original Nubians, The **Ptahite Ethiopian Kuwshite,** Called **Nubun** By The Ancients, Were Nine Ether Or What You Know As **Kinky, Woolly Haired** People.

But All That Originated With The Name Nwaubian. In Which We Are Called Today. Let Me Explain To You Why We Are Called **Nuwaubians.** The Word **Nuwaubian** Comes From The Root Word **Na-Wa-Ba** Which Became The Aramic (Hebrew) Word **Nabi** (נביא) Also Meaning ***"Prophet"*** As Well As The Syriac (Arabic) Word **Nabi** (نبى) And It Also Means ***"Prophet"*** Or Simply ***"Message Bearers"***.

This Would Imply That The Word **Nuwb** (نوب) And The Aramic (Hebrew) **Nebuwah** (נבואה) Are From The Same Root And Not Only Does This Imply That Those Who Prophecy Were Black (Nuwaubian), This Explains Why There Were Never Any Prophets In Europe.

Now Let's Move On. The Words That Also Deal With Prophecies Are: **Nabaa** (نبا) ***"News, Tidings, Information, Intelligence, Announcement."*** **Naba'a** (نبأ) And Means ***"To Inform Notify."*** It Is Also A Derivative Of The Words **Nabiy** (نبي) Which Means ***"Prophet." You Can Find The Same Words In The Aramic (Hebrew) Language, Such As **Nabiy** (נבי) And It Means ***"Speaker, Spokeperson, Prophet"*** From The Root Word **Naba** (נבא) Which Means ***"Prophecy, (To Prophecy) , To Speak By Divine Power", To Pour Fourth Words Abundantly As Is Done By Those Who Speak With Ardour Or Devine Devotion Of Mind."***

Taken From The Hebrew/Greek Key Study, Strongs Dictionary

Nabiy Is A Prophet Who Foretells Or Prophesies The Future (I.E. Daniel Foretold The Events Of The End Of The World) **Naba'** Are The Prophets Who Bring News Or Tidings (I.E. Prophets Who Brought Scriptures: **Kadmon (Adam), Shiyth (Seth), Adafa (Enoch), Abram (Abraham), Thutmose (Moses)** Etc.

This **Nuwb** (نوب) Or ***"Blackness"*** Is Supreme Balancement Before The Chaos Was Introduced. It Was A State Of **Sound, Right Reasoning.** That Darkness Was Triple Darkness Which Is What You Would Call The Absence Of Conciousness, Or The State Of Being Awoke. In Actuality,The Dream State Is More Real And Peaceful Than The Chaos You Meet Once You Are Awake. A Form Of Spiritual Darkness Responsible For The Spark That Turned On The Light That Is The Life And Intellect Of All Who Breathe And Think. ***(Refer To Who Is God?, Scroll#103 And Nuwaubu And Amunnubi Rooakhptah, Fact Or Fiction?, Scroll #152)***

I Am Not Playing With Words. I Want You To Do Some Real Research On All Of These Facts That I Have Presented To You Thus Far. If You Research These Facts, You Will Find That There Is No Way You Can Refute Them Because They Have Been Proven Biblically, As Well As Historically . At This Point In Time The Population Of The Earth Was One Race - Nuwaubian.

Before I Present To You By Way Of The Scriptures Of **Eli (God)** That The Messiah Jesus Was Of The Nuwaubian Race, It Is Important For You To Know And Overstand How Did The Different Races Come About.

Ques: How Did The Caucasian Race Come About?

Ans: Let Me Give You The Facts. They Are A Degenerative Seed. The Canaanites Originated From A Curse That Was Placed On **Ham's** Fourth Son **Libana (Canaan)** (כנען) Meaning ***"Lowlander" (Genesis 9:18)***. And Also The Aryan Race Who Were Here Before Libana (Canaan) Living In The Caves Called The Flugelrods **8,400 Years Ago**, Which Is **2,400** Years Before Libana (Canaan).

Let Me Explain To You From The Beginning. Utnafishtim (Noah), Being One Of The First Farmers, Planted A Vineyard ***(Genesis 5:29, 1 Corinthians 9:7)***. He Gathered The Grapes From His Vineyard, Made Wine And Drank It ***(Genesis 9:20).*** He Did Not Know The Effects The Wine Would Have On Him, So He Became Drunk And Laid Down In His Tent Unclothed ***(Genesis 9:21)***. Ham Allowed His Countenance To Drop And Was In A Weak State After The Argument He Just Had With His Wife **Haliyma**, Daughter Of **Anis** And **Shakar**. It Was Easy For The Devil To Possess Him In His Weak State Of Mind. Thus, Ibliys

(The Rebellious One) Sent One Of His Disagreeable Beings In The Form Of **Anak**, The Queen Of Nod (Nudity), To **Ham** And Possessed Him. **Ham** While In His Father's Tent, Mocked His Father's Nakedness. Then He Looked Upon The Nakedness Of His Father With The Thought Of Sexuality And Fornication ***(Genesis 9:20-27, Leviticus 18:6-21)***. Yet, He Did Not Lay With His Father. Although Ham Was Not Acting On His Own Will, He Still Violated The Laws Of **ANU, THE MOST HIGH (Leviticus 18:7).** These Feelings Of Sexuality And Fornication Existed Before The Time Of The Flood With The Hindus, Who Came From **Nirvana**. This Act Which He Performed Was A Violation Of The Laws Of **Eli (God)**.

"THE NAKEDNESS OF THY FATHER, OR THE NAKEDNESS OF THY MOTHER, SHALT THOU NOT UNCOVER: SHE IS THY MOTHER: THOU SHALT NOT UNCOVER HER NAKEDNESS."

Ham Was Not Cursed Because Of This Sin. His Fourth Son Libana (Canaan) Received The Curse. It Is A Law Of The Old Testament That The Sins Of The Father Will Fall Upon Their Offspring Unto The Fourth Generation ***(Exodus 20:5).***

Ques: What Kind Of Curse Was It?

Ans: It Was A Genetic Curse, Which Means That It Took Place In The Genes Of Man. This Was The Removal Of His Melanin, Which Cut Off His Family Ties With The **Anunnaqi Eloheem**. This Is A Genetic Disorder Called **Albinism**. For A Person To Be Born With Albinism, Both Parents Must Be Albinos. ***(Read Sons Of Canaan, Scroll #145)*** It Affects One Out Of Every Several Thousand Humans And Other Animals. This Is Because Both Parents Do Not Possess Any Of The Dominant Genes. The Science Of Heredity In Human Genetics Explores The Transmission Of Physical Traits And Other Characteristics Of Parents To Their Offspring. The Basic Units In The Complex Process Are Called **Genes.** And These Make Up The Chromosome. The Basic Chemical Of The Gene, **DNA** (Deoxyribonucleic Acid), Enables The Gene To Carry All The Information Of Heredity. The Chromosomes Occur In Pairs. Normally, Each Of Us Have 23 Pairs Of Chromosomes. The **"Sex Chromosomes"** Carry Genes That The Determine Other Characteristics; Because These Others Are On The Sex Chromosomes, The Characteristics They Determine Are Called Sex-Linked Characteristics.

Genes Are Responsible For Almost All The Features That Make You Look Different From Anybody Else. All Composition Of Your Body Organs Are Governed By Your Gene Structure: Hair, Skin, Eye Color, Blood Type And Intelligence. In The Nucleus Of Every Cell In Your Body, There Are At Least A Million Genes. All Together They Do Much To Decide The Way You Look And Think Like. It Is In The Fourth Generation Of Animals And Plants That The Recessive Traits Show Up. Therefore In The Case Of Ham, The Curse That Was Placed On His Genes Would Only Show Up In His Fourth Offspring Which Was Libana (Canaan).

Mutation In The Genes Is What Causes **Albinism**. In The Following Illustration, Each Parent Carries One Normal **"N"** Gene And One Albinism **"A"** Gene. Thus, Each Of Their Offspring Has One Chance In Four Of Inheriting The Albinism From Both Parents. A Child That Inherits The Albinism Gene From Only One Parent Is Not An Albino, But May Transmit The Gene To His Offspring. ***(Read The Sons Of Canaan, Scroll #145)***

If Both Parents Are Albinos Their Offspring Can Only Be Albino. This Is Because They Do Not Possess Any Of The Dominant Genes. (Canaanites Are Composed Of Recessive Genes. This Is Why They Have Straight Hair, Albinism, Blue Or Grey Eyes, Thin Lips Etc.) This Illustration Shows How The Recessive Genes For Blonde Hair Shows Up In The Offspring Of Two Dark Haired Parents In The 4th Child ***(For More Information On The Curse Of Canaan, Read The Sons Of Canaan, Scroll #145).***

The Hereditary Makeup Of Canaanites Consists Of Recessive Genes. This Explains Why They Look The Way They Do. For Example:

Ques: How Was Libana (Canaan) Cursed?

Ans: As I Previously Stated The Curse That Was Placed On **Libana** (Canaan) Was A Genetic One. Which Means That It Took Place In The Genes Of Man. The Ashuric/Syriac (Arabic) Word For **Curse** Is **Mal'uwn** (ملعون), And Means ***"One Who Is Cursed."*** It Also Mentions Curse In ***Genesis 4:11*** In Reference To **Cain** Being Cursed For Slaying His Brother Abel ***(Genesis 4:15)***. The Word Curse In Aramic (Hebrew) Is **'Arar** (ארר) And Means, ***"Curse, Bitterly To Curse, Curse Be He."*** In The ***Koran 15:35***, It Speaks Of Another Kind Of Curse Being Place On Ibliys, Another Name For The Evil One, Called **Al La'nata** (لعنه). In This Quote The Word Used For **Yellow** Is **Tsawobe** (צהב) Meaning ***"Yellow, (Blonde Hair)"*** And How It Was **Dak** (דק) Meaning ***"Thin Or Fine,"*** Neither One Of These Words Describes Nuwaubian With Woolly Hair. **Libana (Canaan)** Lacked Pigmentation; He Was Melanin Recessive So His Skin Was Pale And Translucent, Making It Possible To See The Veins. Canaan's Descendants Had Straight, 6 Ether, Light Hair As A Result Of Leprosy. **Libana (Canaan)** Himself Didn't Have Straight Hair, He Had Woolly Hair. He Was Still A Nuwaubian, Just An Albino, Though He Carried The Gene That Caused His Descendants To Be Born With Leprosy. Exodus 20:5 Is Talking About The Fourth Son. This Implication Is That It's Talking About A Certain Group That Was Being Cursed, And It Was The Amorites. The Curse Will Fall On The Fourth Generation, Genealogy, Meaning Father To Son. So The Curse Wasn't Upon Ham; It Was Upon His Fourth Son Libana (Canaan) ***(Genesis 15:16, Leviticus 14:34)***.

Ques: Why Was The Action Of Ham Such A Great Sin?

Ans: The Reason Is That It Was By Ham That The 200 Fallen Disagreeable Eloheem Were Able To Get Back Into **Qi** (The Planet Earth). Remember, During The Time Of The Flood These 200 Fallen Disagreeable Eloheem Went To Saturn, Which Is Another Name For Rome. However, After Ham Had Opened Himself Up By Having An Argument With His Wife, Haliyma, He Allowed Anak, The Queen Of The Disagreeable Eloheem To Possess Him. Thus, The 200 Disagreeable Eloheem Returned To The Planet Earth And Rebuilt Their City Of Nod And Called It Sodom. ***(Refer To The Holy Tablets, Chapter 14, Qisa Nuwh, The Story Of Noah.)*** After Noah Awoke From His Sleep, He Knew Immediately What His Son Had Done To Him ***(Genesis 9:24-27)***. Therefore, He Placed A Curse On **Ham's** Fourth Son, Who Was Called **Canaan** In The Bible ***(Genesis 9:25)***, Whose Real Name Was **Libana**.

THIS IS NOT BEING RACIST - IT IS A COMMANDMENT FROM THE MOST HIGH!!

The Paleman (Caucasian) Wants You To Think That He Is The Original Man So That He Can Be Superior To You. Through His Educational System And The Media, The Paleman (Canaanite) Is Able To Perpetuate That Superior Image Of Himself By Disguising It As History. Yet, We Know That His-Story Is Just That, **HIS - STORY** A Lie. This Is Why When Nubians, Who Realize That They Have Been Lied To For The Past 388 Years, Begin To Speak About The True Nubian History, The Paleman Calls Us Racists.

As A People Who *"WERE BORN STRANGERS IN A LAND THAT IS NOT THEIRS" **(Genesis 15:13**,* You Must Regain Your Identity. You Must Stop Mixing Your Seed With The Paleman (Caucasian Race) And Keep Your Seed Pure!

Ques: Was Libana (Canaan) The First Caucasian Person On The Planet Earth?

Ans: No, Libana (Canaan) Was Not The First Caucasian On The Planet Earth; As I Stated Earlier There Was A Race Of Pale Skinned People On The Planet Earth Before Libana (Canaan). They Were The **Flugelrods.** Their Original Name Was The **Halaabeans** Or **Hulub**, To Distinguish Them From The Caucasians.

The **Flugelrods** Are The Results Of **Genetic Splicing** And **Graftation** That Took Place **8,400 Years** Ago Under A Scientist Named **Yaquub.** The Hindus Were Used To Breed The Flugelrods, Which Are The Original Aryan Race. ***(Refer To Shamballah And Aghaarta - Cities Within The Earth, Scroll #131, And The Melanin-Ite Children, Scroll #133).***

Yaquub Was Born A **Hydrocephalic**, Meaning That He Had A Head That Was Twice The Size That Of His Tribe Members (**The Dunaakial** Tribe With The Tremendous Foreheads), Which Was The Tribe Of His Father **Yishawk.** The **Teros** (The Coneheads), Was The Tribe Of His Mother **Lusinas**.

He Wanted To Create This New Being To Destroy His Own People. Therefore, **Yaaquub** Made The **Flugelrods** By **Genetic Splicing** Called **Grafting** To Show Forth His Power And His Wisdom. Declaring Himself The Righteous, He Made People Genetically And Mentally Weak, Then Gave Them The Power To Rule. He Then Intended To Eliminate Them To Show And Prove That He Was God, Always Was And Always Will Be. Yet, He Died At Age One Hundred And Fifty, And Never Saw The Completion Of His Creation. ***(Refer To The Holy Tablets, Chapter Three, Tablet 3:124.)*** The **Haalabeans** Or **Flugelrods** Are Not To Be Confused With The Cursed **Canaanites,** Who Came 2,000 Years After The Flugelrods.

Biblical Names: Shemite, Cushite, Mizraimite, The Descendants Of Noah Who Are Abraham's Seed. The Nubian (Black) Seed Are Descandants Of Isaac, Ishmael And Midian (Who Were All Nubian). That Is Us, Not The Caucasians. They Are The Descendants Of Libana (Canaan).

2. **Caucasoid** - Caucasians (Caucasus./Deteriorating Asians [Blacks]).

4. South West (Indians) - Edomites With Caucasian Features.
5. Central American - Inhabitants Who Mixed With Nubian Blood.

Biblical Name: Edomites - Descendants Of Edom (Esau).

Ques: Who Are The Edomites?

Ans: The Edomites Are Esau's Descendants ***(Genesis 36:9)***. The Edomites Are The Red Race Which Is Referred To As The Orientals Such As Japanese, Koreans, Indonesians, And Chinese. However, The Chinese Are The White Stock Amongst The Orientals. They Are A Result Of Esau Mixing His Seed With The Hittites (Descendants Of The The Tribe Of Canaan) Thus, Causing Them To Be Cursed With The Cursed Of **Monogolodism**. ***(Read Are The Caucasians Edomites, Scroll #142)***

Ques: What Is Mongoloidism?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: Mongoloidism Is A Disorder In The Chromosomes. Chromosomes Are A Part Of A Cell That Contain Tiny Structures Called **Genes** Which Determine Hereditary Traits. The Scientific Opinion Is That The Extra Enzymes Are Normal In Themselves But Excessive In Quantity. The Function Of These Extra Enzymes Is To Permit The Developing Cells Of The Fetus To Process, Absorb And Use Nutrients Of All Types From The Mother's Blood Stream. It Is Believed That An Excess Of These Enzymes Somehow Caused Them To Interfere With Each Other. The Result Is That The Developing Cells Are Insufficiently Nourished While The Bloodstream Of The Embryo Becomes Clogged With Unseen Nutrients, Hormones And Waste Products. As A Result Thus, The Organs And Tissues Grow More Slowly, Do Not Mature And Develop Properly Nor Function Well. The Result Is A **Retardation** In The Genes Or A Slowing Down Of The Genes **(A Mongoloid Child).**

People With **Down's Syndrome** Have **47 Chromosomes** Instead Of The Normal **46.** Down's Syndrome Is The Results Of Extraterrestrial Beings Called **Teros** Or **Sunaynans** Mixing In With Certain Humans. The **Sunaynans** Have 48 Chromosomes Instead Of 46 Chromosomes In Which Humans Have. The Tero's Chromosome Structure Is So Different From Earthlings That When Mixed With Certain Humans, Caused A Defect Of 47 Chromosomes Which Is Today Called **"Down's Syndrome."** ***Refer To Shamballah And Aghaarta, Cities Within The Earth, Scroll #131.***

Of Mixed Breed, Race, Origin Or Character.* **Mongoloid** Is *1. Of Or Characteristic Of The Nature Of Mongolia.* **2.** *Designing Or One Of The Three Major Groups Of Mankind, It Includes Who Are Generally Characterized By Straight Black Hair, Slanting Eyes, A Broad Face, Etc.* **3.** *Of Or Having Down's Syndrome.*

Ques: How Did The Edomite Race Come About?

Ans: The Edomite Race Came About Because Esau Was Angered That Jacob Stole His Birthright So He Disobeyed The Covenant That Was Given To The Prophet Abraham And His Seed By Marrying Two Hittites (Descendants Of The The Tribe Of Canaan). Esau Knew That Mixing His Seed Would Displease His Parents. ***(Genesis 28:8)***.

When Esau Was Forty Years Old He Took Two Wives From The Hittite Tribe. **Basemath** And **Judith.** If You Look In ***Genesis 26:34*** Where It Says And I Quote *"AND ESAU WAS FORTY YEARS OLD WHEN HE TOOK TO WIFE JUDITH THE DAUGHTER OF BEERI THE HITTITE, AND BASHEMATH THE DAUGHTER OF ELON THE HITTITE."* Esau And His Family Then Went To Dwell In **Mount Seir**. While Living in **Mount Seir**, The Descendants Of Esau, The Edomites, Mixed Their Seed With The Horites. Who Were (Hivites) Descendants Of Canaan Through His Sixth Son **Hiviy** By His Wife **Hitarah**, A Halaabean Flugelrod ***(Genesis 10:17)***. Hivite Means "Villagers."

Esau And Judith's First Child Was Cursed With Death. She Then Bore Him Twins, **Katar** And **Jibed** Who Were Also Cursed With Death At The Age Of 18 By A Falling Rock. This Was The Pain To Esau For Disobeying His Father's Laws. In The Same Day Judith Also Died Giving Birth To Another Child. This Child Lived, His Name Was **Al Khuwa.**

Ques: What Happened With Esau Wife Basemath?

Ans: Esau's Hititte Wife Basemath Was The Daughter Of **Elon** The Hittite. She Was The Second Wife Of Esau. Again Esau Went Against The Commandments And Took A Wife From The Tribe Of The Canaanites. This Wife, Basemath, Bore Three Sons **To Esau.** These Three Sons Were **Shuran, Mutt, And Kukuman** And Twin Daughters **Tibiyya** And **Siana.** And From The Result Of Esau Mixing His Seed Came The Edomite People (Mongolian Race). Ques: Why Do Jews And Israelites Believe That Ham Was Cursed?

Although These Facts Are Stated In The Bible, That Ham Wasn't Cursed, These So-Called Jewish Rabbis Still Say That It Was Ham That Was Cursed Black. In A Piece Of The So-Called Jewish Literatures Written In The **16th Century**, It Stated That His Descendants Are Nuwaubian (Black) Due To A Curse. It Depicted Ham As A Sinful Man And His Descendants As Degenerates. Here Is An Expert From The Collection Of **Midrashim** (The Jewish Commentaries On The Hebrew Scriptures Compiled Between **400-1200 A.D.** Known As **Midrash Rabbah-Genesis XXXVI: 7-8; Babylonian Talmud, Sanhedrin 108B; And Midrash Rabbah Genesis XXII: 5-6**), It States And I Quote.

"You Have Prevented Me From Begetting A Fourth Son, Therefore Your Seed Will Be Ugly And Dark-Skinned."

This Notion Persisted During The Middle Ages. According To Those Rabbis, Ham Was Supposed To Have Emasculated Noah Who Then Cursed Him. Noah As They Say, Cursed Ham By Saying Since He Was

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Unable To Beget The Fourth Son, Whose Descendants Would Have Been Servants To (Shem) And Japheth, As Well As Ham, It Would Have To Be Ham's Fourth Born, Canaan, Who Ham's Brother Would Enslave.

Then It Goes On To Say:

"Ham And The Dog Copulated In The Ark, Therefore Ham Came Forth Black-Skinned While The Dog Publicly Exposes Its Copulation..."

In A Book Written By Robert Graves And Raphael Patai, Entitled ***Hebrew Myths: The Book Of Genesis***, Relates The Passage In **Sanhedrin 108B** To Other Sources As **Tanhuma Noah 13, 15** And Produce The Following Addition Narrative:

"Morever, Because You Twisted Your Head Around To See My Nakedness, Your Grandchildren's Hair Shall Be Twisted Into Kinks, And Their Eyes, Red; Again, Because Your Lips Jested At My Misfortune, Theirs Shall Swell; And Because You Neglected My Nakedness, They Shall Go Naked, And Their Male Member Shall Be Shamefully Elongated. Men Of This Race Are Called Negroes."

These So-Called **"Scholars"** Claim That Traditions Grew Out Of A Need Of The So-Called Jews (Jebusites) To Rationalize Their Putting Down Of Canaan, Which Was Supposed To Be Validated Historically By Noah's Curse. In Other Words, To Be Called A Hamite Was Something Of A Curse In Itself, And If One Was Black He Was Automatically A Hamite, According To The Paleman. They State That The Words *"A Servant Of Servants Shall He Be Unto His Brethren"* Clearly Meant That The Nuwaubian Race Was A Slave To All Mankind. The Paleman Took This Quote From ***Genesis 9:25*** To Justify The Enslavement Of The Nuwaubian Race. How Can You Pale Jews (Jebusites) Be Such Liars? In The Old Testament, That You Claim To Fervently Follow, It States That Ham's Fourth Son, Canaan Was Born Cursed With Leprosy. ***(Genesis 10:6, Leviticus 13:3-4)***. And You Are The Fathers And Mothers Of Pornography, Killing, Free Sex, Inter-Racial Marriages And All Kinds Of Sins And Lies. You (Jebusites) Are The Image Makers. You Are Responsible For Our Brothers And Sisters Disowning Their Great Heritage So That They Can Look Like The Caucasian (Amorite, Paleman).

Their Nubians Features Are Obvious

Early In The **19th Century**, A New Hamite Concept Was Brought About By The Clergy. The Question Was Asked If The Nuwaubian Was A Descendant Of **Ham**, And **Ham** Was Cursed, How Could He Be The Father Of Many Great Civilizations? This Question Made The Clergy Take Another Look At The Bible And Its Explanation Of The Origin Of The Races Of Man And Man-Kind. Now, The **Mizraimites** Were Descendants Of **Mizraim**, A Son Of **Ham**. It Is A Known Fact That **Mizraim** Is Another Name For **Khemet (Egypt)**. Hence, His Descendants Who Inhabited **Khemet (Egypt)** Were Originally Called **Mizraimites** And **Hamites**.

The Paleman Knows Exactly Who He Is And Where He Came From However, He Has Skillfully Danced In And Out Of The Truth, Adding And Subtracting Anything That He Doesn't Like! The Thing He Obviously Knows Is That He Is Not The One Who Built The Great Pyramids Of **Khemet (Egypt)** (Of Which He Claims His Civilization Is A Part Of) And That The People Who Did Build Them Were Nuwaubian. The Paleman Knows That He Is A Hamite, As Well As Nubians Are Yet, Nubians Are Hamites Through The Sons Of Ham And Mizraim ***(Genesis 10:6)***. The Paleman Is A Hamite Through Ham's Fourth Son, Libana (Canaan) Whose Descendants Inherited His Curse Of Leprosy ***(Genesis 10:15-18)***. So Whenever Someone Tells You That Hamites Are Cursed Blacks, Give Them The Information That I Have Presented To You And There Is No Way That They Can Refute These Facts.

Ques: Were The Other Offspring Of Ham Cursed?

Ans: **No,** The Nuwaubian Race Continued To Populate The Earth In Spite Of The Sinful Acts Performed By Ham, The 2nd Son Of Utnafishtim (Noah). Besides **Libana** (Canaan), **Ham** Bore Three Other Sons: **Cush**, **Mizraim** And **Phut** ***(Genesis 10:6)***. All Of These Sons Were Born Nuwaubian And Did Not Fall Under The Curse Of **Libana (Canaan)**.

If You Look Up The Name **Kuwsh** (كوش) In The Ashuric/Syriac (Arabic) Language You Will See That It Means ***"Black."*** As Well As In The Aramic (Hebrew) Language (כוש) **Cush** And His Descendants Were Known As **Ethiopians**. At One Time **Ethiopia** Was Called **Cush**.

The So-Called **Jehovah Witnesses** (An Organization Led By Pale People) Made The Statement In Their **1965 A.D.** Edition Of ***"Make Sure Of All Things, Hold On To What Is Fast" Pages 406-407***, That **Canaan** Was White And That The Nubians Are Descendants From **Cush, Ham's** First Son.

THE JEHOVAH'S WITNESSES KNOW THE TRUTH!

"According To The Slave-Holder's Interpretation Of The Bible - An Interpretation Believed By Many To This Day - Negroes Were Descendants Of Ham And, As Such, An Inferior Tribe Subject To Noah's Curse... " A Servant Of Servants Shall He Be Unto His Brethren" (Genesis 9:25). Actually, The Curse Was Laid Upon Ham's Son, Canaan, And On His Descendants The "Canaanites", Who Were Reduced To Servitude By The Israelites When He Later Conquered The Land Of Canaan. No Doubt The Words In Genesis 9:25 Represent A Comment After The Fact, Written By The Hebrew Writers Of The Bible To Justify The Enslavement Of The Canaanites. In Any Case, The Point Of The Matter Is That The Reference Is To The Canaanites Only, The Canaanites Were Certainly White Men. It Was A Twisted Interpretation Of The Bible That The Slave-Holders Used, With The Telling Effect In Centuries Past, To Defend Their Subjugation Of The Negro."

The "Scientific" Racists Of More Recent Times Took Their Stand On Even Shakier Ground. They Argue That The Negro Was Inferior To The White Man Because He Obviously

www.Nuwaupuinc.com

Represented A Lower Stage Of Evolution. Where Not His Dark Skin And Wide Nose, For Instance, Reminiscent Of The Ape? Unfortunately For Their Case, This Line Of Reasoning Actually Leads To The Opposite Conclusion. The Negro Is The Least Hairy Of All The Groups Of Mankind; In This Respect And In The Fact That His Hair Is Crisp And Wooly, Rather Than Long And Straight, The Negro Is Farther From The Ape Than The White Man Is! The Same Can Be Said Of The Negro's Thick Lips; They Resemble Those Of An Ape Less Than Do The White Man's Thin Lips."

Races of Mankind

First Man and Woman Created by Jehovah God

Gen. 1:27 "God proceeded to create the man in his image, in God's image he created him, male and female he created them."

Gen. 2:21, 22 "Jehovah God had a deep sleep fall upon the man and, while he was sleeping, he took one of his ribs and then closed up the flesh over the place. And Jehovah God proceeded to build the rib that he had taken from the man into a woman and to bring her to the man."

All Mankind Descended from Adam and Eve

Acts 17:26 "He made out of one man every nation of men, to dwell upon the entire surface of the earth."

Gen. 3:20 "Adam then called his wife's name Eve, because she had to become the mother of everyone living."

"The Bible story of Adam and Eve, father and mother of the whole human race, will surprise no one who still has faith in the Bible as the inspired Word of God. But numerous scientists say the Bible's account of the origin of the human race is only a myth, a fable, a fairy tale. Others question the Bible's claim that all men are descended from one pair of parents, Adam and Eve. Still others say that the Bible's account of human origins is unscientific because it does not agree with the theory of evolution. Many people, supposing it is wrong, ridicule the entire account and wouldn't possibly think that it happened as the Bible says it did, but have a perfectly logical

...The fact of the unity of the human race is proved, therefore, in the strictest... All the various existing forms are so intermediate each as between the other, that it is impossible to say where one ends and another begins. The races of mankind are what the zoologists call varieties."—The Races of Mankind, by Prof. Ruth Benedict and Dr. Gene Weltfish, Public Affairs Pamphlet #48 (New York) 1943), Harwarth Division, pp. 7-8.

"All of us, if we could look far enough, backwards or otherwise, would arrive at the same place—the race of the human family was with the first woman Mytrie. . . . Here They Clearly Stating *"Black Race From Cush Not Due To Curse Of Canaan Whose Descendants Were White."* The Jehovah's Witnesses In Their Racism Identifies That The Canaanites Are The Caucasian Race And Not Nubians.

In Another Article Published By The **Jehovah Witness Sect**, They State:

"The Bible Records A Curse On Canaan, Not On The Black Race". It Continues: "Since The Canaanites Were Of A White Race, The Curse Had Nothing To Do With Blacks, Who Are The Descendants Of Cush, Another Son Of Ham. This Misinterpretation Of God's Word Has Been The Cause Of Much Hardship And Suffering Upon The Black Race. This Was Especially So When The Slave Trade Was Operating Under The Flag Of "Christian Nations." Says Historian H. Fisher: "It Is A Terrible Commentary On Christian Civilization That The Longest Period Of Slave-Raiding Known To History Was Initiated By

The Slaveowners, Good Churchgoers For The Most Part, Used To Justify The System Of Referring To The Mythical Curse On Blacks. Today, In Some Places, Many Whites Still Use The Same Argument To Try To "Whitewash" Discrimination Against Blacks.

Much Of The **Jehovah Witnesses** Teachings Are Contradictory. On One Hand, They Tell You The Truth, That The *"Curse Was On Canaan Who Was White, Not The Black Race."* Then On The Other Hand, They'll Imply That These Cursed Beings And Those Of The Pure Seed Are Equal: *"One Is Not Better Than The Other."*

In The Book Entitled ***"Did Man Get Here By Evolution Or By Creation," Page 112*** Under Degeneration, They Have The Nerve, With A 50% Nuwaubian Population, To Make Statements Like This:

"Many Of The So-Called 'Primitive' People Of The World Today, Most Of The Participants Agreed, That Certain Hunting Tribes In Africa, Cental India, South America, And The Western Pacific Are Not Relics Of The Stone Age, As Had Been Previously Thought, But Instead Are The 'Wreckage' Of More Highly Developed Societies Forced Through Various Circumstances To Lead A Much Simpler, Less-Developed Life."

Many Of Their Publications And Their Followers Are Confused. We've Witnessed Such Statements As *"Nowhere In Our Teachings Does It Say There's No Difference In The Races."* ***Taken From Races Of Mankind.*** Or Is It That This Follower Doesn't Know Their So-Called Doctrine.

To Make This Clear, **Cush** Is What Is Today Called **Ethiopia**, And Other Areas Encompassing **Kenya**, Parts Of **Sudan**, **Somalia**, **Uganda**, And Other Countries In Africa. If You Look At The Word **Ethiopia** In The Bible In ***Genesis 2:13*** You Will Get The Word **Kuwsh** (כוש) Which Means **"Black"** Also If You Look In ***Jeremiah 13:23*** There Are References Made Concerning The Ethiopian ***(Nahum 3:9)***.

"CAN THE ETHIOPIAN CHANGE HIS SKIN, OR THE LEOPARD HIS SPOTS? THEN MAY YE ALSO DO GOOD, THAT ARE ACCUSTOMED TO DO EVIL."

As I Previously Stated The Name **Kuwsh** (كوش) Means ***"Black"*** In Ashuric/Syriac (Arabic), And In Aramic (Hebrew), **Cush** Means ***"Dark Faced."*** Cush And His Descendants Were Known As **Ethiopians** In The Scriptural Translations. Cush The Son Of **Ham** Was Of The Original **Ptahites** Or The **Pygmy** Tribe Or Little People Who Were The Ancient **Kishites** Or **Cushites** Meaning ***"Black Skins"*** Which Can Be Found In ***Genesis 2:13***. They Were Called Ethiopians Long Before The Son Of **Ham** In ***Genesis 10:6***, (Beings Of Nine Ether) The Greek Word For **Ethiopian** Is **Aithiops** (Αιθιοψ) Which You Will See Is Derived From Two Greek Words **Aitho** (Αιθω) Meaning ***"To Scorch"*** And **Ops** (Οψ) Meaning ***"The Face"*** Which When Compounded Signifies ***"Black-Faced,"(Acts 8:27)***.

So-Called Christian Scholars Have Researched The Bible And Stated That Because There Appears Three Women Who Are From The Cursed Tribes Of Canaan, The Messiah Jesus Ancestral Line Cannot Be Pure. This Has No Bearing On Whether The Messiah Jesus Was Nubian Or Not. Why? Because ***Revelation 22:15*** States That He Was *"THE ROOT OF THE OFFSPRING OF DAVID."* Who Are Nubian, Which I Have Proven To You Earlier In This Scroll.

THINK ABOUT THIS:

Throughout The History Of The Nubian Race In America, The Paleman Has Never Said That Because You Have Some Amorite Blood As A Result Of The Paleman Raping The Nubian Woman During Slavery, You Are No Longer Nubian But An Amorite. All The Nubian People In America Are Of A Mixed Seed Because Of Slavery, Yet The Paleman Still Considers Them As Nubian, Nubian Is Nubian!

Now, Concerning The Three Women Who The Christians Say Made The Messiah Jesus' Seed Impure. The First Woman Mentioned Is **Tamar** Who Can Be Found In ***2Samuel 13:1*** Of Your Bible. Tamar Is The Daughter Of **David** And **Maacah**. As You Know **David** Is Undoubtedly Nubian **(Genesis)** And **Maacah,** The Mother Of **Tamar,** Was The Daughter Of **Talmai** ***(2 Samuel 3:3)*** The Son Of **Ammihud**, An **Ephraimite** ***(2 Samuel 13:37)***, The Son Of **Elishama** ***(Numbers 1:10)*** Who Was The Son Of **Ephraim** ***(Numbers 1:10)***, Who Was The Son Of **Joseph** ***(Numbers 1:10)*** Son Of **Jacob** ***(Genesis 30:25)***. They Were All Nubian. There Is No Record Or Scripture Indicating They Were Canaanites Or Hittites Who Are Caucasians. This Tamar Is Not To Be Mistaken With The Tamar Who Married Her Father-In-Law **Judah** ***(Genesis 38:6)***.

The Second Woman In Rahab (**Rawkhab,** רחב) Whose Name Is Mentioned Ten Times In The Bible Yet, Eight Of Them Are Pertaining To A Hartlot Name **Rahab Of Jericho**. Rahab Was A Prostitute Who Played A Key Role In The Victory Of Jericho ***(Joshua Chapters 2-6)***. She Was Married Into The Family Of David By Way Of **Salmon** Who Was David's Great Grandfather. ***(Ruth 4:18-22; 1 Chronicles 2:4-5, 9-11)*** And She Gave Birth To **Boaz** Making Her The Great Grandmother Of David. **Rahab** Is Mentioned In The Genealogy Of Jesus As One Of His Ancestors ***(Matthew 1:5)***. Nowhere Does It Mention In Any Of The Scriptures That She Was Canaanite Or Hittite. Nor Does It Say That Boaz, Jesse Or Obed Married Canaanites Or Hittites.

This **Rahab** (רהב) That Is Spoken About In ***Psalm 89:10*** And ***Isaiah 51:9***, Is Not To Be Confused With The **Rahab** (**Rawkhab,** רחב) Of The Book Of Joshua. **Rahab** (רהב) As It Is Used In ***Psalms 89:10*** And ***Isaiah 51:9***, Is A Symbolic Name For Egypt And Mythological Dragon And Means ***"Outrageous, Violent,***

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Tumult, Fierce, Storm, Arrogance, A Sea Monster (Leviathan)" Coming From The Root Word **Rawhab** (רהב) Meaning *"To Behave Proudly, Act Stormily, Boisterously, To Act Insolently."*

King David's Line Of Descendancy Is Traced To The Messiah Jesus Like Unto The Ancient Of Days In *Daniel 7:9* Whose Skin Was Dark Like Burnt Brass With Hair Like Lamb's Wool (Nine Ether Hair; Jesus Was Dark-Skinned). **Bath-Sheba**, The Wife Of **Uriah** The Hittite Who Later Married The Prophet David Was Indeed A Canaanite Daughter Of **Eliam**. **Eliam** Was A **Gilonite,** From The Children Of **Heth** *(Genesis 23:5)* Who Were From The Canaanite Tribes. **David** And **Bath-Sheba** Gave Birth To **Solomon**, Who Described In The ***Songs Of Solomon Chapter 5 Verses 10-16***, And I Quote *"...[IS] WHITE AND RUDDY."* The Aramic Hebrew Word Used Here For White Is **Tskakh** (צח) From The Root Word **Tsawkhakh** (צחה) *"To Be Dazzling To Glow To Be Clear, To Be Bright."* This Word Has Nothing To Do With His Skin Color. However, The Next Word Ruddy In Aramic (Hebrew) In This Verse Is **Admonee** (אדמני) From The Word Red. The Same Word Used For Edom, Red As Well As **Awdam** (אדם). This Is Clearly Stating That He Was Dark Brown, Or Olive Tone Or Black Like Burnt Brass After Having Been In A Furnace. He Was A Result Of His Father **David** Mixing His Seed With **Bathsheba,** Thus, Become Known As What We Call Light Skin Or A Red Nuwaubian *(II Samuels 11:27). (Read Are The Caucasians Edomites?)*

In Conclusion, The Descendancy Of A Person Is Determined By The Father And Not The Mother Except In The Case Of The Messiah Jesus . The Messiah Jesus' Ancestral Line Is Traced Through His Mother Because Joseph Was Not His Blood Father.

2. The Second Son Of **Ham** Was **Mizraim** *(Genesis 20:2)*.

Mizraim And His Descendants Dwelled In **Misr** (مصر) Which In The Ashurie/Syriac (Arabic) Language Means *"Red Mud."* The Inhabitants Of **Mizraim** Are Called **Mizraimites.** In The Aramic (Hebrew) Language "**Misrayim**" Means *"Land Of The Two Rivers"* Which Is Significant Of The Division Of Lower And Upper **Khemet (Egypt)**. The Word **Egypt** Essentially Means *"Land Of Burnt Faces"* According To The Bible **Egypt** Simply Comes From The Greek Word **Equiptus** Or **Aigyptos** (Αιγυπτος) Meaning *"Double Straits."* It Is A Word Coined By The Greek Historian **Herodotus** Of The **Fifth Century B.C.E.** He Is Called **"The Father Of History"** And Was A Student Of **Pythagorus**. The Word **Aigyptos** (Αιγυπτος)Was Also Used When Referring To The **Hyksos Dynasty** Who Were Light-Skinned Syrian Phoenicians Who Invaded And Took Over The Land Of **Egypt**. The Sun Used To Burn Their Faces **Red,** That's Why They Were Called *"Burnt Faces"*. Thus, That Is How **Mitsrayim** Began Being Referred To As **Aigyptos** (Αιγυπτος) Meaning *"Land Of The Burnt Faces."* **Mitsrayim** Was Original Called **Khemet** (Egypt) By The Ancient Egyptians And Was Part Of Sudan Nubia. **Khemite** Is Derived From The Root Word **Chem** Or **Cham** (חם) In Aramic Hebrew, And **Ham** (حم) In Ashuric Syriac Arabic Meaning ***"Burnt Black."***

Mizraim (Egypt) Is The Place In Which Is Located Some Of The Most Talked About Objects Of Mystery And Wonders On Earth - The Pyramids. The Pyramids Are Storehouses Of The **Anunnaqi's (Eloheem's)** Knowledge For Human Beings. **Nuba** Is **Mizraim** (Egypt) And **Aswaan** (اسوان), A City In Southern Egypt, Means *"Black."*

The Messiah Jesus Spent A Great Deal Of His Time In Khemet (Egypt). So If He Was Amongst The Mizraimites He Had To Have Been Nuwaubian. If He Was Pale As The Christians Profess, Then He Should Have The Dark Coppertone Tan That Is Being Advertised Today. And If He Was Pale And Stayed In The Desert As Long As He Did, The Messiah Jesus Should Have Died From Skin Cancer And Not The So-Called Crucifixion.

These So-Called Religious Leaders Will Tell You Anything To Keep You Confused As To Who You Really Are. Further Proof That The Original Mizramites (Egyptians) Were Nuwaubians Is Seen Inside The Pyramids In Aswan. The Nuwaubian Hair, Noses, And Lips On The Sphinx, Clearly Reveals The Identity Of The Constructors. The Sphinx, Was Too Large To Conceal Or Steal, (And Too Well Known And Protected To Destroy). It Is Said That Napolean Bonaparte Distorted The Face Of The Sphinx As Well As Other Statues. **Napolean Bonaparte (1769-1821 A.D.)** Headed A French Invasion Of Al Kham (Egypt) In 1789 A.D. The Sons Of Israel Came To Buy Corn Because Of The Famine, Yet His Own Blood Brothers Did Not Recognize Him. Why? Because He Blended In With The Khemetites (Egyptians). Why? Because Both The Egyptians And The Israelites Were Nubian.

3. The Bible Does Not Expound On The Fact That (The Third Son Of Ham:) Phut Was Nubian.

Phut Was The Offspring Of **Ham** Son Of **Utnafistim (Noah)**. And **Haliyma**. Ham's Brother **Shem** (Wife - **Faatin**) Was The Father Of The Semetic Tribes Who Were Also Nubian. The Country Of Libya Is Named

www.Nuwaupuinc.com

After The Wife Of **Phut**, Named **Lib**. **Libya** Was A Country Exclusively Inhabited By Nuwaubians Until The Invasion Of The Italians Of The Northern Regions Of Italy (Romans). This Further Proves The Nuwaubian Descendancy Of Ham And His Son, Phut. The Southern Italians Who Were Called Sicilians Were Brown Skinned. So Most Italians Are Also Nuwaubian, Even If They Want To Be Caucasian, They Are Nuwaubians. Just Like Many So-Called Jews (Jebusites) Are Nuwaubians.

The Tribe Of **Nebajoth** (Descendants Of **Nebajoth**, The First Son Of Ishmael, *(Genesis 25:13)* Mixed Out Of Their Tribe. This Is Why You Have So Many Amorite Tribes With Black Features And Colorings. Many Italians If You Have Noticed, Fall Into This Category. The People Of The Coastal Regions Of Italy, Along The Mediterranean Sea And The Island Such As Sicily Are Darker Than The People Of The Interior. It Is A Known Fact That The Original People Of Southern Italy Were Nuwaubian. They Were Of The Same Race As **Hannibal** Son **Hamilcar Barca** And The People Who Built The Empire Of **Cathage**.

Nebajoth Was The Light-Skinned Tribe Of **Ishmael** And **Kedar** Was The Dark Skinned Tribe. The Tribes And Families Are All Different. People Of Color Include The **Pakistanians, Yemenis, Egyptians, Jordanians, Japanese, Malaysians,** Etc. We Recognize The Fact That The Caucasian Is The Blond-Haired, Blue-Eyed Anglo-Saxons. Some Of The People Of Color Have Been Cross-Bred And Mixed Their Seed Down To Where Nubians Now Have Blonde Hair And Blue Eyes. In The Jews You Find The **"Wilders"** And The **"Segals"** (Also Written As Siegal, Segall). They Are The **Levy** Or **Levi**. They Are Classed As **Levim**. You Can See That They Have Woolly Hair. They Too Are Nuwaubian.

Figure 108

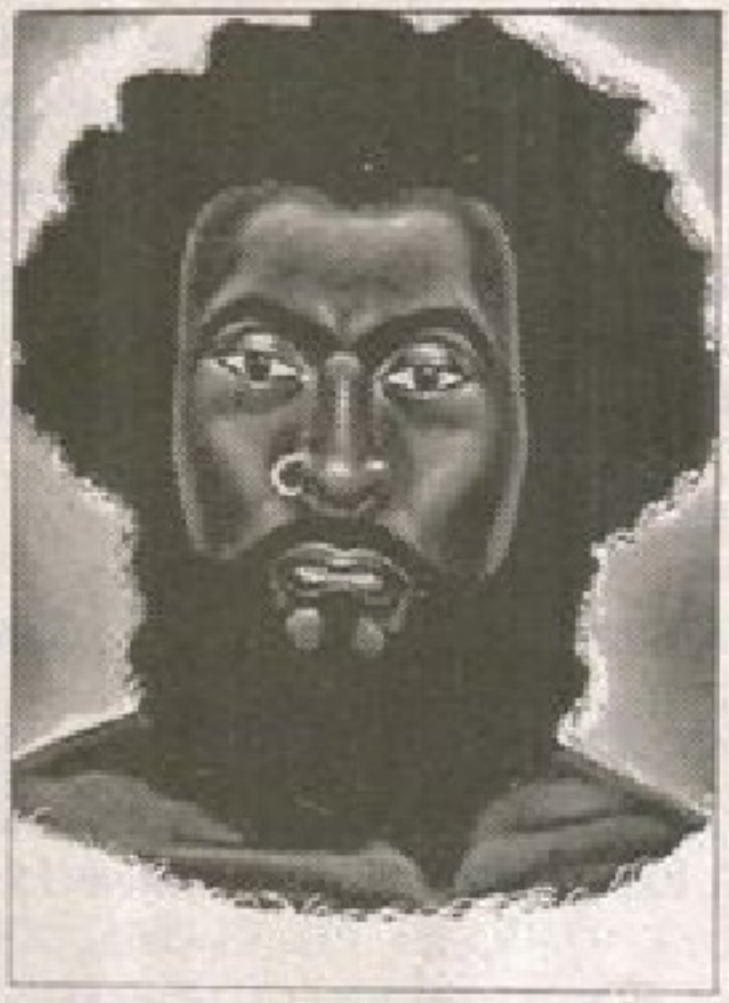

Figure 107

The Name **Levi**, Means ***"Joined Together, Attached"***. The Israelite Tribe Of Levites, Are The Offspring Of The Third Son Of Jacob By His Wife Leah. Leah, Named The Child Levi, Because She Thought The Bearing Of Another Son Would Bring Her Closer To Her Husband Jacob. The **Leviim, Levi** Or **Lawiy** (لوى) In **Ashuric/Syriac** (Arabic), Are The Descendants Of The Tribe Of **Levi**, The Third Son Of **Jacob**, As Was The Great Teacher **Moses** And His Brother **Aaron**. **Lawiy** (לוי) Come From The **Aramic** (Hebrew), **Lawah** לוה, Pronounced **"Law-Vaw"**(לוה), Meaning, ***"To Unite, To Remain***; Also ***"To Borrow (As A Form Of Obligation)"***; Or ***" To Lend, Abide With Borrow; Cleave, Join"***. The Name **Levi**, Means ***"Joined Together, Attached"***.

The Descendants Of **Aaron**, The **Kohens**, Were Not From The Tribe Of **Levi** And Were Not A Part Of The **Levitical Priesthood** As Was The Great Teacher **Moses**. **Aaron** And His Descendants Were Called The **Kohans, Kohen, Kahn, Khon**, Or **Cohanim** (The Plural), Which Is The **Aramic** (Hebrew), For ***"Priest"*** Because They Became Assistants To The **Levite** Priests. The Present Day **Jebusites** (Pale Jews), Profess To Live According To Levitical Law And Call Their Rabbis **Cohan (Cohens)**, After The Manner Of The **Levites**. Yet, The **Messiah Jesus (Of 2,000 Years Ago)**, Tells Us That They Are Really The Synagogues Of **Satan**. Several Passages In The Scriptures Refer To The **Jebusites**, As The Devil's Seed.

WHAT LAWS DID THE MESSIAH JESUS FOLLOW CONCERNING RACE???

Ques: What Laws Did The Messiah Jesus Follow Concerning Race?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: Many People Do Not Know That The Messiah Jesus Followed Established Codes Concerning Race, Dress, Moral Ethics And So On. He Followed The Laws Of The Abraham, Who Followed The Laws Of The Moses (***John 7:9, 8:37; Luke 24:44).***

Presently, There Exists A Wide Controversy Concerning The Laws.The Messiah Jesus Followed. Many People Believe That The Messiah Jesus Was Sent For The Salvation Of The Whole World ...People Of All Races. However, In The Bible This Statement Has Been Disproven ***(Matthew 15:24)***.

MATTHEW 15:24

"BUT HE ANSWERED AND SAID, I AM NOT SENT BUT UNTO THE LOST SHEEP OF THE HOUSE OF ISRAEL."

Why Is It That Your So-Called Theologians Claim That He Came To Save The Whole World Of Their Sins When It Explicitly States In ***Matthew 15:24*** That He Came Only To The Lost Sheep Of The House Of Israel?

THAT IS WHY IT IS BEST TO LEARN THE ORIGINAL LANGUAGE THAT YOUR BIBLES WERE REVEALED IN. READ THEM WORD FOR WORD AND STOP LISTENING TO THESE LYING PREACHERS, TEACHERS, IMAAMS, FALSE PROPHETS AND PROPHETESSES WHO ARE MAKING UP THEIR OWN DOCTRINE ABOUT THE BIBLE WITHOUT EVEN UNDERSTANDING IT!! THEY ARE BUSY PHILOSOPHIZING AND OPINIONATING (FORMING THEIR OWN OPINIONS) THAT THEY ARE NOT USING THE FACTS. GO DIRECTLY TO YOUR BIBLES, READ IT WORD FOR WORD AND SEE HOW THE MESSIAH JESUS TELLS WHO HE WAS SENT TO!!!

HE WAS NOT SENT TO THE GENTILES (MEANING THOSE NOT OF THE TRIBE OF JUDAH)

The Messiah Jesus Was To Rule Over The House Of Jacob (Who Was As You Know Jacob, The Father Of The 12 Tribes Of Israel) ***(Genesis 49:28)***.

"HE CAME UNTO HIS OWN, AND HIS OWN RECEIVED HIM NOT."

The Messiah Jesus Was Sent To A Specific People; That Specific People Being The Lost Sheep Of The House Of Israel. As I Previously Stated In This Scroll, The Members Of The Tribe Of Judah, 7,000 In Number, That Were Spared From The Wrath Of **Eli** ***(Romans 11:4)***.

ROMANS 11:4

"BUT WHAT SAITH THE ANSWER OF GOD UNTO HIM? I HAVE RESERVED TO MYSELF SEVEN THOUSAND MEN, WHO HAVE NOT BOWED THE KNEE TO THE IMAGE OF BAAL."

Ques: Why Were They Spared?

Ans: The Reason Why The **Tribe Of Israel** Was Spared Was Because They Were The Only Ones From The 12 Tribes Of Israel (Jacob) At The Time Who Did Not Turn And Worship The Deity Of The Phoenicians, Called **Baal**, Who Was Made Into A Graven Image ***(2 Kings 17:18)***. Another Reason Why The **Tribe Of Judah** Was Spared Was Because **Yahuwa** Stated That The Sceptre Will Not Depart From Judah Until **Shiloh** Comes In ***Genesis 49:10***, It States And I Quote, *"THE SCEPTRE SHALL NOT DEPART FROM JUDAH, NOR A LAWGIVER FROM BETWEEN HIS FEET, UNTIL SHILOH COME;..."* And The Third Reason Was A Remnant Of Judah Was Spared Because The Messiah Jesus Was Destined To Be Born From The This Tribe ***(Acts 13:22-23)***. Remember Jacob's Name Was Changed To Israel In ***Genesis 32:28***, Which Makes All His Sons And Daughters Israelites. However, In ***Acts 13:22-23***, It's Only Talking About **Judah** Of The **Israelites**.

Ques: Was The Messiah Jesus A Racist?

Ans: As I Stated Earlier, The Messiah Jesus Came To The House Of Israel Only. He Didn't Come To Any Other Race But His Own, Who Were None Other Than The Lost Sheep Of The House Of Israel (Judahites). Remember, The Other Israelites Were Destroyed Because They Transgressed Against **Eli** ***(Joshua 7:11; Koran 5:13)***.

LIKE THE MESSIAH JESUS WAS SENT TO THE LOST SHEEP OF THE HOUSE OF ISRAEL, I AM SENT TO YOU AND I SHALL NOT GIVE MY CHILDREN'S BREAD TO DOGS!

Think About This. If The Messiah Jesus Was There To Heal The Afflicted, Why Would The Canaanite Woman Have To Say: ***"Have Mercy On Me?"*** The Reason Is, The Canaanite Woman Knew For A Fact That He Was Not Sent To Her Tribe. So-Called Religious Scholars And Teachers Today Will Pretend That The Messiah Jesus Was A Universal Prophet, But He Made It Clear That He Was Sent To The Lost Sheep Of The Tribe Of Israel Only ***(Refer To Matthew 10:6, 15:24)***

Now When This Canaanite Woman Came To Him Begging To Heal Her Daughter He Ignored Her. Yes, Jesus The Messiah Wouldn't Even Speak To This Canaanite Woman. Finally He Answered Her By Saying:

This Is Just Like Me Saying That I Have Been Sent To America To Raise My People And They Do Not Accept Me. The Sunni Muslims Hate Me Without Even Investigating Me. But I Say ***"As Many Of Them That Do Accept Me, I Will Take Into The Kingdom Of Heaven."*** You See How I Just Said That?

Now Once I'm Dead, Someone Can Come Along And Say, See What He Said Is ***"I Come To The Black Race Of The People In America And All Of Them Didn't Accept Me But Anybody Who Did Accept Me (Black, White, Brown, Red, Orange Or Green) They Can Enter Into Heaven."*** That Is How You Christians Translate Things. That Is What The Greeks Did To You All, But In The Ancient Language This Verse Does Not Say That.

If The **Eli** Intended For All Human Beings To Be Raised All Over The World, He Will Do It The Way He Plans. I Cannot Interject On The Heavenly Father's Plans. I Could Only Quote To You What Is In The Scriptures. Because The Scriptures Say That The Messiah Jesus Was A Racist: He Was Sent To A Specific Race Of People And He Was Trying To Save Them. And As Many Of Them That He Was Able To Save They Were Called The **"Sons Of Eli"** And Were Given The Right To Reside In Heaven With Him. That Is What Your Bibles Say. It Doesn't Mention The Other Tribes. In Fact The Messiah Jesus Attributes A Negative Undertone To Them When He Says: *"Don't Go To The Gentiles And Don't Go To The Samaritans."*

Matthew 10:5-6

"THESE TWELVE JESUS SENT FORTH, AND COMMANDED THEM, SAYING, GO NOT INTO THE WAY OF THE GENTILES, AND INTO ANY CITY OF THE SAMARITANS ENTER YE NOT: BUT GO RATHER TO THE LOST SHEEP OF THE HOUSE OF ISRAEL."

So I Ask You, How Do Nubians Justify Having A Gentile Preacher? They Can't. These Christians Try To Justify This With The Following Quote:

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Acts 13:47-48

"FOR SO HATH THE LORD COMMANDED US, SAYING, I HAVE SET THEE TO BE A LIGHT OF THE GENTILES, THAT THOU SHOULDEST BE FOR SALVATION UNTO THE ENDS OF THE EARTH. AND WHEN THE GENTILES HEARD THIS, THEY WERE GLAD, AND GLORIFIED THE WORD OF THE LORD: AND AS MANY AS WERE ORDAINED TO ETERNAL LIFE BELIEVED."

Now If Paul Decided To Take It Upon Himself To Go And Teach Gentiles Of Every Nation, That's A Wonderful Thing. I Don't Argue With That But It Was Not What The Messiah Jesus Was Sent To Do. Do You Overstand?

You Cannot Do What **Paul (The 13th Self Appointed Apostle)** Said To Do If It Goes Contrary To What The Messiah Jesus Says To Do. The Messiah Jesus Followed The Teachings Of The Prophet Moses. This Is Why He Said:

Matthew 5:17-18

Ques: Did The Canaanite Woman Know That The Messiah Jesus Was Not Sent To Her Tribe?

Ans: Yes, The Canaanite Woman Was Aware That The Messiah Jesus Was Not Sent To Her Tribe (The Canaanites). This Is Why She Asked The Messiah Jesus To ***"Have Mercy On Me" (Matthew 15:22)***. It Should Be Noted That This Woman Disrespected Jesus By Addressing Him As The **"Son Of David"** Instead Of Who He Was, Who He Saw Himself As, And Who The World Should See Him As. This Woman Obviously Did Not Have The Respect For The Messiah Jesus As: One Who Came To Heal The Sick, Cleanse The Lepers, Raise The Dead, Cast Out Devils And Give Freely Of What The Heavenly Father Blessed Them With. ***(Matthew 10:8)***. For This Reason, He Ignored Her ***(Refer To Matthew 15:23)***. Also Proving That She Knew That He Wasn't Sent To Her People, But To **The Lost Sheep Of The House Of Israel** Only.

The **Messiah Jesus** Son Of **Mary** And **Gabriy'el** Knew That This Woman Was A Descendant Of The Cursed Seed Canaan ***(Mark 7:26)***. So, When She Came Begging And Crying To Him, He Ignored Her. Yes, He Wouldn't Speak To This Woman.

When She Approached Him As **Rabb** (رب) In Ashuric/Syriac (Arabic) Which Is To Say **Rhabbi** (Ραββι) In The Greek Meaning ***"My Teacher."*** So Then She Went Away And Found Out Who He Was, Which Is The Messiah Jesus, The Son Of **Mary**, Filled With The Holy Ghost; Spirit Of **Eli (God)**.

The Gospel Of Barnabas Also Clarifies Many Of The Misconceptions And Lies That Have Been Disseminated Concerning The Messiah Jesus . The Messiah Jesus's Disciple, Barnabas, Confirms In His Gospel That The Messiah Jesus Never Healed Any Canaanites, Because They Were Of The Cursed Seed. Also In The Case Of This Canaanite Woman, Barnabas States Like The Book Of ***Matthew 15:28***, That It Was Her Faith That Healed Her And Not The Messiah Jesus. So Don't Misinterpret The Following Verses When Barnabas Records That The Messiah Jesus ***"Raised Up His Hands To Heaven,"*** To Mean That He Healed Her This Way. Quite The Contrary, The Messiah Jesus Was Just Overwhelmed By The Fact That She Displayed More Faith Than His Own Disciples, Who Supposedly Believed In His Teachings.

These So-Called Christian Leaders Claim In Their Teachings That The "Laying On Of Hands" Is A Form Of Healing And That It Was In This Manner That Jesus Healed The People (Not Distinguishing What Tribe They Were From). Yet, In **The Gospel Of Barnabas** And **The Book Of Matthew** They Both Say That He ***"Raised Up His Hands"*** When He Spoke To The Canaanite Woman.

You Cannot Find A Single Recorded Incident In Which He Actually Touched A Canaanite Person. The Following Is A Listing Of The Times That He Healed His People (Those From The **Tribe Of Judah**) By Touching Them:

Matthew 8:2-3
Matthew 20:30-34
Matthew 8:15
Mark 8:22-25

These Canaanites Were Healed By Their Faith Only:

Matthew 9:22
Mark 10:46-52
Matthew 15:22-28
John 4:46-50

This Was Not The Only Event In Which The Messiah Jesus Was Approached By A Canaanite. There Is Also A Recording Of Ten Canaanite Lepers Of A Samaritan Village Who Beseeched The Messiah Jesus To Heal Them ***(Luke 17:11-12)***.

AND HE SAID UNTO HIM, ARISE, GO THY WAY: THY FAITH HATH MADE THEE WHOLE."

Notice That The Messiah Jesus Told Him The Same Thing That He Told The Canaanite Woman: ***"Thy Faith Hath Made Thee Whole,"*** Not Him! Just As The Messiah Jesus Was Sent To His Own, ***"The Lost Sheep Of The House Of Israel (Matthew 15:24)."*** This Is Clearly A Racial Statement, A Racial Bias For Jesus To State That He Was Only Sent Here For The Israelites, Which Would Not Be The Seed Of Jacob. He Is Not Saying He Hates Other Races Or That You Should Treat Them Bad. This Also Happened To The Prophet Moses When He Was Sent Down To Khemet (Egypt) To Pick Out A Specific People (The Israelites) And Bring Them Out. So These Prophets Were Considered Racists Because They Only Came For One Race Of People. This Is Termed **"Racism."** Christians Conveniently Overlook ***Luke Verse 17:19*** So They Can Make It Appear Like The Messiah Jesus Healed These Canaanites.

The Same Misoverstanding Is Happening With Me As The Reformer. So-Called Christians Scholars Do Not Understand That Just As The Messiah Jesus, The Prophet Moses And The Mahdi, Came To Their Own, I Came From The Sudan To America To Seek Out My Race Of People And Reach Them First. My Race Of People Consists Of Blacks, Latinos, Cubans, Malaysians, All Non-White People, Who Have Been Mixed And Scattered All Over The World. I Am Not Sent For The White Race. If A White Person (Male Or Female) Comes To Me And Asks Me To Bless Them, I Will Tell Them: *"I DON'T HAVE THE POWER TO DO THAT, SO TURN TO ELI, HE IS NOT NARROW MINDED LIKE I AM."* I Was Sent On A Mission To A Specific People So That Is All I Can Do. You Can Go To The Heavenly Father And He Might Prefer You Over Me. But I Cannot Make Such A Decision For *"OUR FATHER WHO ART IN HEAVEN."* ***(Matthew6:9)*** I Can Only Make A Decision For Who I Was Sent To. I Was Sent To Make The Meek, Which Are You My Brothers And Sisters, And Give You The Knowledge, Wisdom And Overstanding To Dumbfound The Wise; Which Is What I Am Doing Through These Scrolls And True Light Tapes Series.

Now Getting Back To The Messiah Jesus And The Canaanite Woman. Do Not Misoverstand Me. The Messiah Jesus Was A Very Loving, Very Compassionate And Warm Person, This Is Why He Told His Disciples, That *"A SIGN OF MY PEOPLE WILL BE THAT THEY HAVE LOVE BETWEEN EACH OTHER."* Not Other People.

When The Bible Speaks Of The Messiah Jesus Healing Lepers, It Must Be Overstood That These Lepers Were Not Canaanites, Nor From The Tribes Of Blood Descendancy, But Were Israelites. Some Of The Children Of Israel Had Been Infected With Leprosy. Leprosy Also Called Hansen's (Ham's Son) Disease, Is A Chronic Skin Disease That Is Highly Contagious. It Is Caused By Mycobacterium Leprae (Hansen's Bacillus). It Can Also Affect The Nervous System ***(Refer To The Sons Of Canaan, Scroll #145)***. As A Result Of Their Disobedience Of The Commandment That Were Given To Us By The **Anunnaqi**, Not To Mix Their Seed With The Sons And Daughters Of Canaan, ***(Genesis 24:3)***. This Is Why The Messiah Jesus Was Sent As A Savior To Them Because They Were Still Israelites And Not Canaanites. This Also Meant That There Was Hope For Them To Be Healed Of Their Sickness Of Leprosy. The Prophet Moses Was Given A Set Of Laws And Commandments To Govern Israel. He Also Received Laws Concerning Leprosy That Were Recorded In The Book Of **Leviticus**. It Is Here In **(Leviticus Chapter 13 And 14).** Instructions Were Given Concerning The Difference Between An Unclean And A Clean Leper.

"MATTHEW AND THOMAS, JAMES THE SON OF ALPHAEUS, AND SIMON CALLED ZELOTES,"

In The Book Of Luke **"Zealous"** Is Translated As **"Zelotes"** And Is Applied To Simon Because Of His Great Fervency (Sincerity) In Preaching The Gospel Of The Messiah Jesus .

Let's Look Up The Word "Zealous" In The ***American Heritage Dictionary***,

zeal·ous (zĕl′əs) *adj.* Filled with or motivated by zeal; fervent. **--zeal′ous·ly** *adv.* **--zeal′ous·ness** *n.*

zeal·ot (zĕl′ət) *n.* **1.a.** One who is zealous, especially excessively so. **b.** A fanatically committed person. See Synonyms at **fanatic. 2. Zealot.** A member of a Jewish movement of the first century A.D. that fought against Roman rule in Palestine as incompatible with strict monotheism. [Middle English *zelote*, from Latin *zēlōtēs*, from Greek, from *zēlos*, zeal.]

"Zealot" Or **"Zelotes"** Is A Term Used To Distinguish **Simon**, The Third Son Of **Alpheus**, And Brother Of **James** And **Jude**, From **Simon Peter**. **Zealots** During The Time Of The Messiah Jesus Was A Term Designated For Those Who Were Extremely **"Zealous"** For The Observance Of The Law, Without Denoting Any Specific Organized Group.

This Misoverstanding About Simon Being A Canaanite By Nationality Occurs Because The Translators Of The Bible Do Not Understand The Greek Or Aramic (Hebrew) Language Or The English Language For That Matter.

In Translation There Exists Phonetic Synonyms Or What Is Known In The English Language As **Homonyms** (From The Greek Word **"Homo"** Meaning ***"The Same"*** And **Onyma**, **Onoma**, Meaning ***"Name."*** A Phonetic Synonym Or Homonym Is A Word With The Same Pronunciation As Another But With A Different Meaning, Origin, And Usually Spelling.

Look At The Word **Washington**. How Many **Washingtons** Are There? Two. One Is The City Of **Washington** In The **District Of Columbia** And The Other Is The State Of **Seattle, Washington**. So If Your Friend Asked You To Drive Him To **Washington**, How Would You Know Which **Washington** He Is Speaking About? You Wouln't! That Is Why It Is Important To Be Specific And State Which **Washington** You Are Speaking About Because The Distance Between The Two Places Is Great.

Such Is The Case With The Word **Canaanite** In The Old Testament And **Canaanite** In The New Testament. When Canaanite Appears In The Old Testament As Stated, It Is Referring To The Descendants Of **Canaan**. Yet, When **Canaanite** Appears In The New Testament, It Is Still Pronounced The Same, Yet Its Spelling In The Greek And Meaning Are Totally Different. See It For Yourself.

Ques: Who Are The Real Jews.?
Ans: The Real Jews Are The Falashas Who Are The Original Danites, And The Judahites, Who Had Been Mixed With The Ethiopians When They Moved Into That Land. You Are The Original Falasha. The Falasha Settled In The Mountains Of Begemdir And Simen, Which Border On The Sudan. They Spoke Both Aramic (Hebrew) And Syriac (Arabic), And Read Both The Torah And The Koran, And Also Was Referred To As The Rashada Tribes All These Tribes Are Referred To As The Lost Tribes.

Yet, The Jebusites (Pale Jews) Reject The Book Of Luke And They Do Not Recognize The Qur'aan. Therefore, In The Talmud References Of The Messiah Jesus Are Written Against The Messiah Jesus. The Talmud States That The Messiah Jesus Was Born As A Result Of An Illegitimate Relationship Between His Mother And A Roman Soldier.

Ques: What Is The Talmud?

Ans: The **Talmud** (טלמוד) In Aramic (Hebrew) Means ***"To Study, Learn: Study Of The Law."*** It Gets Its Root From The Aramic (Hebrew Word **Lamud** (למד) Which Means ***"Taught, The Teaching."*** It Consists Of Two Parts: The **Mishnah** (Traditions) And The **Gemara** (Expositions). The **Mishnah** In Aramic (Hebrew) Is (משנה) Also Spelled **Mischnah**, Is The Principle Foundation And The Principal Part Of The Whole **Talmud**. The Term **Mishnah** Is Derived From The Aramic (Hebrew) Verb **Shanah** (שנה) Meaning ***"To Repeat"*** Under The Influence Of The Aramic (Hebrew) Word **Tanna**. However, It Receives The Meaning ***"To Learn."*** It Was Applied Specifically To Studying The Oral Law, Essentially A Matter Of Memorizing And Recapitualtion. This Book Was Accepted By The Jews Everywhere And Recognized As Their Authentic Code Of Law. The **Gemara** (גמרא) Is An Aramic (Hebrew) Word Meaning ***"Completion."*** In Aramic (Hebrew) It Is The Comments And Discussions Within The Talmud In Relation To The Text Of The **Mishnah**. It Is The Comprehensive Commentary On The **Mishnah**. ***(Read "Jesus As Tammuz And Horus In History" Scroll #134)***

In The **Tal'dath Jeshu** Which Is The Jewish Treatise That Weaves Together Early And Late **Talmudic** And **Midrashic** Legends And Sayings Concerning Jesus, Miriam Was Seduced In The City Of **Bethlehem** By A Handsome **Bachelor** Named **Jehoshua Ben Pandira**, Whom She Mistook For Her Fiance. He Came To Visit Her On The Eve Of The Sabbath And Miriam Was Astonished That Her Husband-To-Be Would Act In Such A Way. She Only Submitted Because She Was Soon To Be Married To Him And So Was Tricked By Joseph. When Her Fiance **Jehoshua Son Of Perachi** Came To Visit, She Chastised Him For His Behavior. **Jehoshua** Suspected **Pandira** And Reported These Suspicions To Rabbi Shimeon Ben Shesah. When It Became Known That Miriam Was Pregnant, Yochanan Knew That It Was Not His; But Unable To Prove The Guilt Of (Pondera) He Fled To Babylon. Miriam Brought Forth A Son And Called Him **Yehoshua** After Her Mother's Brother. This Name, In Due Course, Was Shortened To **Yeshu**.

As You Can See These Jebusites (Pale Jews) Are Clearly Making Slurs Against The Mother Of The Messiah Jesus. And They Record These Lies In The Talmud Because It Is The Book That They Base Their Doctrine On. This Is Their Scripture, Don't Let Them Fool You, They Do Not Follow The Old Testament (The 5 Book Of Moses) **Genesis, Exodus, Leviticus, Deuteronomy, Numbers**. Judaism As The Pale Jew Calls His Religion Is Based On Lies. This Is Why The Messiah Jesus Said:

Ques: Do The Jews Believe That The Messiah Will Return?

Ans: **No,** But They Do Believe One Is Coming. According To Judaic Beliefs, They Believe That A Personal Messiah, A Descendant Of The House Of David The Son Of Jesse Would Come To Redeem Mankind On Earth. Orthodox (Traditional) Jews Still Accept This Belief. Conservatives And Reformed Jews Now Speak Of A Messianic Kingdom Of Justice. Many Of Them Believe That Jesus Of 2,000 Years Ago Was The Designated Messiah Who Was Sent To The House Of (Israel).

Ques: Aren't Christians Just As Guilty Of Concealing The Truth Of The Messiah Jesus' Birth?

Ans: Yes, Very Much So. For Years They Have Successfully Fabricated The Birth Of The Messiah Jesus By Saying Mary Had An Immaculate Conception. In ***The Catholic Encyclopedia*** It States That The Angelic Being Gabriy'el Announced To Mary That She Was To Be The Mother Of The Messiah Jesus ***(Luke 1:26-28)***. At The Very Instant, The Fact Was Announced, **"The Word Became Flesh"** In The Womb Of Mary.

Now What They Are Saying Is That Mary Became Pregnant With The Messiah Jesus Without Any Male Touching Her. Obviously They Do Not Believe This Lie Because They Have Made Up A Feast Called **"Annunciation Day"**. The Word **"Annunciation"** Is Defined As **"The Angelic Being Gabriy'el's**

Announcement Of The Incarnation." Now You As A Christian Should Ask What Does The Word **Incarnation** Mean?

> **in·car·na·tion** (ĭn'kär-nā'shən) *n.* **1.a.** The act of incarnating. **b.** The condition of being incarnated. **2. Incarnation.** *Theology.* The Christian doctrine that the Son of God was conceived in the womb of Mary and that Jesus is true God and true man. **3.** A bodily manifestation of a supernatural being. **4.** One who is believed to personify a given abstract quality or idea. **5.** A period of time passed in a given bodily form or condition: *hopes for a better life in another incarnation.*

Can't You See That They Are Openly Contradicting Themselves So That They Can Conceal The Fact That The Real Father Of The Messiah Jesus Was The Anunnaqi Eloheem Gabriy'el And Not Joseph. They Are Admitting To This When They Observe The **"Annunciation Of Mary."** ***(Read "Who Was Jesus' Father?", Scroll #58)***

The Devil Knows That The Average Nubian Is Too Lazy To Research Anything And Will Accept Anything They Are Told. Nubians Have Only Three Years Left To Get Themselves Together. It Is Time To Throw Away That Caucasian Image Of Christ And Replace It With The True Picture Of The Messiah Jesus. Christianity And Judaism Is Not Your Way Of Life. **NUWAUBU** Is Perfected As Your Way Of Life, With **SOUND RIGHT REASONING**. A True Follower Of The Messiah Jesus Would Observe All The Laws Of The Prophets Abraham And Moses As He Did ***(Koran 22:78)***.

The So-Called Bible Translators Are Responsible For Keeping The Facts Of Who The Nubian Man Really Is Out Of The Bible: The **Ethiopian**, **Semite**, The **Mizraimite**, And The **Cushite**. For Example **King James** Of **England** In The **17th Century A.D.** Knew That Nubians Were Originally From Africa But He Did Not Clarify In His Translation Of The Bible That Nubians Were Also Called **"Ethiopians"** ***(Jeremiah 13:23)***. The Term **"Ethiopian"** Does Not Bring Images Of A Nubian Person To The English Reading Caucasian Mind. But Rather, Brought The Image Of A Caucasian Person With **"Blackish Color"** Due To The Hair Texture, Skin Color, Arabian Heritage, And Geographical Location Of The Modern Ethiopian People. Why? Simply Because The King James Translator Refused To Identify Africans, Whom They Held As Slaves, With The Sudanese (Africans) Written About In The Bible.

Ques: Who Helped Spread The "Caucasian Jesus" Image?

Ans: The First Known Paintings Of The Messiah Jesus Whom The Christians Call **"Christ"** Are Dated No Earlier Than The **3rd Century (200 A.D.)** And Are Found In Christian Catacombs Outskirts Of Ancient Rome. Catacombs **(Kate-Komz)** Are A Plural Noun For A Series Of Underground Chambers Or Tunnels

With Recesses For Graves. The **Christ** Of The Catacombs Painting Was A Humble Shepherd (Country) Type Lacking A Distinct Portrait-Like Features, Performing Miracles.

MAKE NOTE THAT MICHAELANGELO'S NAME MEANS "The Angel Micheal" Coincidence? No. The Devil Knew That He Was Betraying You. This Famous Italian Artist, Was Equally Instrumental In Making Up The Misconceptions To The Public That The Messiah Jesus Was A Caucasian And Not Nubian. His First Project That Was Used To Sustain This Lie Was The World Famous Marble Statue Called **The Pieta (1499 A.D.). The Pieta** Is A Sculpture Of The Virgin Mary Cradling Her Son, A Caucasian Jesus After His Supposed Crucifixion.

The Scenes From The Life Of The Messiah Jesus Limited In Number Before The **4th Century, 300 A.D.)** Were Intended To Encourage The Hopes Of The Faithful With A Promise Of Afterlife. These Pictures Are Trying To Convey That If One Had Faith, He Too Would Achieve Resurrection And Salvation. Many Of These Images Of The Messiah Jesus Have Been Done By Roman House Painters.

The Earliest Portrait Of Jesus From A Ceiling In The Catacombs Of Domitilla, No Later Than The 3rd Century. The Jewish Features Had Not Yet Become Styled Nor Had The Halo Been Introduced. Notice His Kinky Hair.

The **"Good Shepherd"** Image Of The Messiah Jesus That Is Found In The Catacombs And In Funerary Sculptures Are Familiar To Images In Greek Art. The Christians Valued The Similarity Between Christ As The Shepherd And **Orpheus**. The Legendary Greek Poet And Musician To Whom The Establishment Of The Orphic Mysteries (Philosophical Principles Set Forth In Poems Ascribed To Orpheus) Was Ascribed. This Greek Mythological Figure Had Much In Common With Both **Apollo** And **Christ**, Since He Was Associated With Salvation, Sacrifice, Love And Protection.

What Race Was Jesus Did Not Matter To The Artists Who Drew These Two Pictures Of Jesus. That Is Why The Picture To The Right Depicts Him As Yellow And In The Picture Above He Is A Bluish Grey. Race Was Simply Not The Issue Till Rome Stepped In And Spread The Lie That He Was Caucasian!!!

It Is Interesting To Make Note That Prior To Constantine's Rule, Christian Art Interpreted The **"Jesus Of The Gospels"** As The Messiah And Not As A Divinity. The Supposed Resurrection That Was Publicized By Paul (The 13Th Self Appointed Apostle) And The Romans Through Pictures And Sculptures Of The Messiah Jesus Provided Hope And A Spirit Of Optimism For Early Christian Converts. The Reason I Say **"Supposed Resurrection"** Is Because The Messiah Jesus Was Never Crucified, Nor Did He Resurrect According To The Gospels Of Matthew, Mark, Luke, And Paul ***(Refer To Was Christ Really Crucified, Scroll #??? And The Resurrection, Scroll #59)***.

It Was Common For Late Roman Artists To Work At Depicting Pagan Figures At The Same Time They Were Fulfilling Christian Commissions. **Sarcophagi** (A Stone Coffin) Were Completed In These Days Except For The Symbol Or Faces; Thus They Could Be Purchased By Either Pagan Or Christian Clients And Then Finished To Fit Their Purpose.

In The **300's A.D. (4th Century)** Christianity Received Royal Support And Was No Longer The Private Religion It Had Been In Its Earlier Phases. The Christian Church Was Reorganized Along The Lines Of The Roman Empire, And The Priesthood Became A Government Headed By A Single Person Having Unlimited Power. **Emperor Constantine** Was Responsible For Making Christianity A State Religion And In **325 A.D.** He Presided Over The First Ecumenical Or Church Council Of Nicea. The Nicene Council Was Two Councils Of Christian Churches Held At Nicea (Nice) In What Is Now Northwestern Turkey (Or The Caucasus Mountains) In **325 A.D.** In Which Prominent Gentile Followers Of Paul Established The Present Roman Catholic Church. ***(Read "Jesus As Tammuz And Horus In History", Scroll #134)***

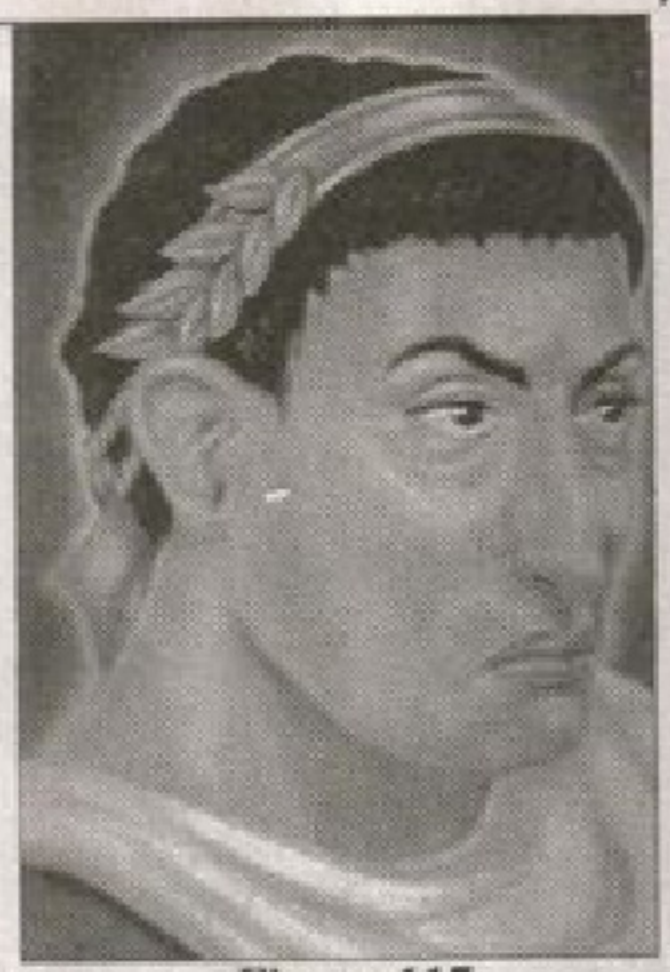

Figure 117
Emperor Constantine

The First Council, **Constantine** Settled The Dispute Caused By The Aryan Views Of The Trinity. **Arius** Was A Priest Of **Alexandria, Egypt** Who Rejected The Doctrine That The Three Persons Of The Trinity - The Father, The Son, And The Holy Spirit Were Equal. **Arius** Denied That The Messiah Jesus Was Created By "God" The Father And Was Inferior To Him. The Council Also Called In To Decided When Easter Should Be Celebrated, The Sabbath Day, And Whether Christ Was Of The Same Essence Of God. According To **Arius**, *"Jesus Was Not Eternal But Was A Superior Being Created By God To Redeem Man."* Constantine Condemned **Arius'** Teachings As Heresay And Affirmed That **"Jesus"** Was Completely Divine And As Of One Substance.

Emperor Constantine The Great Was Also Responsible For Destroying Any Traces Of A Nuwaubian Messiah By Enforcing The Circulation Of Statues And Paintings Of A Pale-Skinned Christ. This Propagation Of The False Identity Of The Messiah Jesus Was Not Hard Because By The **4th Century (300 A.D.)** All Of The Original Twelve Disciples Had Passed On To A Higher Life And The Teachings Of The Messiah Jesus Was Left To Be Propagated By Men Who Never Knew The Messiah Jesus. They Did Not Know That He Was Of The Tribe Of Judah, Which Meant That He Was Nuwaubian. ***(Read "Who Was Jesus' Father?", Scroll #58 And "Who Was Jesus Sent To?", Scroll #60)***. These Men Had Only Second And Third Hand Information Which Made Them More Susceptible To The Influence Of Other People Seeking Their Own Fame.

The Second Nicene Council Was Called By **Empress Irene** In **787 A.D** Which The Nicene Decree Was Revoked And Principles Governing The Veneration Of Images Were Laid Down. This Was The Birth Of Christianity. At The Nicene Council, Judaism Was Made Into A New Group Called **"Christians"**

In Addition To This, The Philosophies Of Plato And Aristotle And The Hellenistic Mystery Religions Were Injected Way Into The Original Doctrine Of The Messiah Jesus. This Along With The Borrowed Ideals Of Other Pagan Religions Enhanced Their Concept Of **"Christianity."** For Example; The Romans Changed The Name Of The Messiah Jesus **"Yashu'a"** To **Jah-Zeus** (Say It Together Fast, Jesus) Because They Knew Their God **Caesar)** Was Only A Man Destined To Die. Therefore, The Gods Of Israel Must Also Inherit The Same Qualities. Thus, The Gods Of Rome And Israel Were Made Equal.

When The Messiah Jesus Distinctly Told His People Not To Mix The Roman Laws With The Laws Of The Most High, **Eli** *"RENDER UNTO CAESAR THE THINGS THAT ARE CAESAR'S AND TO GOD THE THINGS THAT ARE GOD'S* ***(Mark 12:17)***. He Distinctly Refuted This Claim. The Substitution Of Greek Gods Into What They Called Christianity Is The Reason Why The Messiah Jesus Was Given The Pale Color He Presently Has Today.

If You Look At The Pictures Displayed, You Can See That From The **12th Century Byzantine Period** On, Pictures And Sculptures Of The Messiah Jesus, Displayed The Caucasian Features Of The Gods Of Greece And Rome. They Stressed The Necessity Of Making **"Christ"** More Physically Attractive To Mankind (The Amorite). This Is Why Any Picture You See Of **"Christ"** Is Portrayed As Having Caucasian Features But Painted In Light Blue. This Abstract Color Of **"Christ"** Was Given So That They Would Not Have To Admit That The Messiah Jesus Was Nuwaubian.

So-Called Scholars Attempt To Justify The Use Of The Name **"Jesus"** In The New Testament. They Claim That The New Testament Was Inspired To Be Written In Greek Originally. So Therefore, The Name **Jesus** Is Acceptable For Common Use, Instead Of **Yashu'a**. They Also Say That Because There Is No **"Sh"** Sound In Greek Language The Name Is Acceptable. **Iesous** (Ιησους) Was An Attempted Transliteration From The Original Language Into Greek. There Was No **"J"** Sound In The English Language Before **1565 A.D.** So How Was **"Jesus"** Pronounced? That Means The Word **"Jesus"** Is No Older Than The **16th** Or **17th Century**. The Names **Zeus** (Ζευς) And **Jesus (Iesous** Ιησους) Are Linked By The Same Root. ***(Read The Special Edition Bulletin, Who Do People Say I Am?)***

Ques: Where Did The Name Jesus Come From?

Ans: The Greeks Took The Ancient Deity **Tammuz** And Called Him **Zeus** (Ζευς), And The Romans Called Him **Jupiter** Having The Same Power As **Zeus**. Add The Letter **"J"** To The Name **Zeus** And You'll Get **J-Zeus**. The Letter **"J"** Is A Short Form Of The Hebrew Letter **Yod** (י) Which Is Used To Say **Yahweh** Or **Jehovah** As Found In ***Psalms 105:4***, Where The Word The Lord In Hebrew Is **"Ya"** (יה). Now Add The **Ja-** To The Greek **Zeus** And There We Get **Ja-Zeus** Which Is Simply **"Jesus"** Two Dieties In One. **Zeus** The Physical Part And **Ja** - The Spiritual Part. This Is The Way The Romans And The Greeks Taught And This Is How You See It Today. Jesus Is Called God And Man Or Simply "The Son Of God And Again As The Son Of Man."

Ques: Were There Other Names For Jesus?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: Yes, Jesus Called **Kurios** (κυριους) ***(Matthew 1:20; Epheisans 4:5)*** Which Is Equivalent To **Adonia** (אדני) In Aramic (Hebrew) ***(Genesis 15:2)***. **Adonia** Is The Name Of A Sumerian God Named **Tammuz** Who Was Also Called **Adonis**, Which Is Where The Hebrew Israelites Or Jews Get The Name **Adonia** () From, Found In ***Exodus 4:10***. **Adonis** Translates As ***"Master Or Lord."*** **Rabb** (רב) In Aramic (Hebrew). In Ashuric/Syriac (Arabic) It Is **Rab** (رب) ***(Koran 1:1)*** And Means ***"Sustainer."***

His Egyptian Name Was **Hor**, Which Means **"High,"** Or ***"Far Away."*** The Greeks Later Changed It To **Hores**, Then It Became Latinized As **Horus**. The Muhammadans Refer To Him As **Issa** Also Spelled **Essa** (عيسى)Which The Greek Name Of Jesus **Iesous** (Ιησους) Comes From. ***(Refer To Is The Koran Authentic?, Scroll #128, Is Jesus The God Of The Koran?, Scroll #100, Jesus As Tammuz And Horus In History, Scroll#)***

Ques: Who Is Tammuz?

Ans: Tammuz Was Another Name For The Messiah Jesus Whose Galactical Name Is Sananda And Whose Ancient Name Is **Tammuz**. The Name Tammuz Means ***"The Sprout Of Life."*** It Can Be Found In The Ancient Tablets Called ***"Tammuz And Ishtar"*** In Cuneiform. Tammuz Is The Name Of An Ancient Sumerian Deity Whose Name Also Can Be Found In The Accadian Tablets. The Name **Tammuz** (תמוז) Is Mentioned In The Old Testament In The Book Of ***Ezekiel 8:14***, And I Quote, *"THEN HE BROUGHT ME TO THE DOOR OF THE GATE OF THE LORD'S HOUSE WHICH WAS TOWARD THE NORTH; AND, BEHOLD, THERE SAT WOMEN WEEPING FOR TAMMUZ."* The Word In This Quote Used For Lord In The Aramic (Hebrew) Was **Yahweh** (יהוה), Which Means This House Belonged.

Tammuz Was Known By The Babylonians As **Dammuzi**, But That Was His Father's Name, Which They Say Means **"God Of Pastures And Flocks"** Of Subterranean Water And Vegetation. **Tammuz** Was Originally A Disagreeable Eloheem As Found In The Ancient Tablets Of The **Atra Hasis** And The **Enuma Elish** Where The Eloheem Are Referred To As **Anunnaqi**. **Tammuz** Was The Son Of **Ishtar** And **Dammuzi** And He Was Called **Adonis**. ***(Read Is Jesus The God Of The Koran, Scroll #100, And Is Jesus God, Scroll #120)*** The Nativity Symbol Used Today In Christianity Comes From The Deity **Ishtar** Who The Egyptians Referred To As **Isis** Or **Aset** And Her Son **Horus** And Her Husband **Osirus** Or **Usir**.

Ques: Who Is Horus

Ans: Horus Was The Son Of **Isis** And **Osiris**. **Isis** Is Equivalent To The Babylonian **Ishtar** Who Is Also **Aset** , **Astarte,** And **Ashteroth**, From The Root Word **Aster** (אשתר), Meaning ***"Star"*** In The Aramic (Hebrew) Language. In Ancient Sumerian She Is Known As The Deity **Sin, Ishtar,** Whose Son Is **Tammuz,** Father Being **Dammuzi**. **Tammuz** Is Equivalent To The Ancient Egyptians Deity **Horus**, And **Dammuzi** Is Equivalent To **Osiris**. In Christianity, Which Was Taken From The Hinduism, You Get God, Father, **Yahweh**, His Son **Jesus**, **Yashua**, And His Mother **Mary, Maryam**. **Horus** Was Represented As A Falcon Or A Falcon-Headed Man.

His Two Eyes Symbolized The Two Heavenly Bodies, The Sun And The Moon, With The Right Eye Being The Sun And The Left Eye Being The Moon. **The Of Eye Of Horus** Which Is **"The Right Eye"** Is Symbolic Of The Sun. The Father **Osiris (Usir)** Is **"The Left Eye"**, Represents **The Moon,"** Making Jesus, **Heru (Horus) "The Right Eye"** Symbolic Of The Rising Sun, The Early Morning Star Which Is Symbolic Of The Sun On The Cross.

Horus Was Known As **"The Rising Sun"** And The Sun Appears To Come Up Over The Horizon. Listen To The Phonetics **Hor-Ri-Zon**. When The **"Sun"** Horus Goes Down Or Appears To Set, The Uncle Of **Horus** Named **Set** Rules, As The **"Prince Of Darkness"** Until, The Sun Appears On The **Horizon** Or Appears To Rise Again. Thus, When The Sun Goes Down, It Is Phrased As Set, Or **Sunset**. Because Set Was In Opposition With Horus.

If You Look In Your Bible, Jesus Is Often Referred To As The Son Of God, ***(Matthew 4:3)***. The Word For Son In Greek Is **Huios** (Ηυιος). When It Was Moved From Latin To Greek, The Name **Horus** Became A Latinized Form Of The Greek **Huios** (Ηυιος) Or **Hores**, Which In Turn Is Derived From The Egyptian **Hor**, Which Is The Same As The Origin Of This Name Meaning ***"High"*** Or ***"Far Away"*** Or **Har**, Which Is The Original Name Of Egypt. You Also Get From This Name **Horus**, **Horus-Scope (Horoscope)** Or Horus Who Scopes The Stars Of The Heaven And The Word **Horizon**, Which Is **Horus -Rising** From The Darkest Or Dead. And A Host Of Others Such As: **Hurricane, Hour; Horologe, Horology, Hurry, Horror, Whore Etc**. Horus Can Also Be Found In Aramic (Hebrew) As **Har** (הר) Meaning ***"Mountain"*** Or **Haar** (حار) In Ashuric/Syriac (Arabic) Meaning ***"Hot Or Burning"***. You Won't See This If You Read Your **King James Version** Of The Bible, But If You Take The Time To Research, In The Original Language Of The Scriptures You Will Find Out The Facts. If You Put All Of This Together You Get ***"A Burning Bush High Up In The Mountains"***. ***(Read The People Of The Sun, Scroll #147, And "Jesus As Tammuz And Horus In History", Scroll #134)***.

Ques: What Are Some Of The Similarities?

Ans: As A Theologian I Couldn't Help But To Realize The Similarities Between The Egyptian Deity Horus And The Jesus Story.

There Are Two Births Days Assigned To Jesus By The Christian Fathers, One At The Winter Solstice Which Is In December; The Other Was Born At The Spring Equinox Which Is In March. Both Jesus's, Which Can't Be Historically The Same Person Are Based On The Two Birthdays Of The Double Horus's In Egypt.

First Let's Look At The Two Deities Born With The Name Horus. One Was A Solar Deity Osiris, And The Brother Of Set. The Other Was Horus The Child Of Osiris And Isis, Who Was Considered To Be God Of The Sun And The Sky. However, In Later Times The Egyptians Appeared To Have Been Unable To Distinguish Between The Two. Thus, The Two Became One.

Now Let's Look At The Word **Soltice** Which Is Suppose To Mark The Birth Of One Of Them. The First 3 Letters Is Sol Equaling The Latin Word For Sun.

> [Middle English, from Old French, from Latin *sōlstitium* : *sōl*, sun; see **sāwel-** below + *-stitium*, a stoppage; see **stā-** below.] —**sol·sti′tial** (-stĭsh′əl) *adj.*
>
> ***Taken From The American Heritage Dictionary***

So, It Was Apparent That Even Then One Was A **Sun Deity**, And The Other A **Moon Deity**, Or A **Day Deity**, And A **Night Deity**. This Is Not Lost In Your Bible But Covered So You Are Not Able To Find The Facts. You Have More Than One Jesus In Your Bible. **Jesus** Son Of **Mary** And **Gabriy'el** Which Would Be **Yashu'a Bar Miryam** In The Aramic (Hebrew) Who Can Be Found In ***Matthew 1:16***, The Real Messiah Of 2,000 Years Ago. The Second Is **Simon Bar Jesus** Found In ***Acts 13:6***. This Was The Son Of **Jesus** And **Mary Of Magdelene**. The Third Was **Jesus Justus** Also Known As **Cleophas** Found In **Colossian 4:11**.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

The Fact That Jesus Had A Son, And Had Been The Great Cover Up, Even Though It Can Be Found Right Here In Your Bible. In Ancient Khemet (Egypt) You Get **Osiris** And His Son **Horus** And His Mother **Isis** As The Equivalent To **Jesus**, **Bar-Jesus** And **Mary Of Magdalene** Of Your Bible.

This Is Another Similarity That You Must Listen To Closely To Overstand It. Horus Was Known As The Rising Sun And The Sun Comes Up Over The **Horizon**, Listen To The Phonetics **Hor-Riz-On** When The **"Sun"** Horus Goes Down Or Appears To Set, The Uncle Of Horus Named **Set** Rules, As The *Prince Of Darkness* Until, The Sun Appears On The Horizon Or Appears To Rise Again. Thus, When The Sun Goes Down, It Is Phrased As Set, Or *Sunset*. Because Set Was In Opposition With Horus. Jesus Is Also Symbolic Of The **Rising Son**. And Jesus Was The Son (Sun) Who Died (Set) On The Cross By Crucifixion And Will Resurrect (Rise) According To The Christians. When The Son Came Down Apparently Sets Or Dies Into The Darkness And Raises Or Resurrects Back To Life It Is The Story Of The Christian's God **Jesus**. The Bible Scholars Always Refer To **Jesus** As **The Son Of God** ***(Matthew 3:17)*** And They Mean God's Sun, **S-U-N**. And The God They Are Really Talking About Is The God Of Ancient **Khemet (Egypt)**, **Horus** Or **Hor**, Which Again Means ***"High, Far Away."***

Another Story Surrounding The Conception Of The Son Of God As The Child-Horus, Osiris Comes Down To Earth; He Enters Matter, And Becomes Mortal. He Is Born Like The Logos, Or ***"As A Word."*** His Father Is **Seb**, The Earth, Whose Consort Is **Nu**, The Heaven. One Of Whose Many Names Is **Meri**, The Lady Of Heaven; And These Two Are The Prototypes Of **Joseph** And **Mary**. **Osiris** Is Said To Cross The Earth A Substitute, And To Suffer Vicariously As The Saviour, Redeemer, And Justifier Of Men. There Was Constant Conflicts Between Osiris And Set, The Evil Power, Or Horus And Set, The Egyptian Satan. ***(Read "The Conflicts Between The Gods", Scroll #130)***.

Set, Osiris's Brother, Was Envious Of The Position And Power Of **Isis** And Sought To Take The Throne For Himself. **Isis**, However, Was Wise And Strong And She Quickly Defeated His Rebellion. **Set** Was The Brother Of Both Isis And Osiris, He Escaped Punishment And Was Allowed To Retain His Freedom. As You Can See This Jealousy Parallels The Story Of **Jesus** And **Judas**. **Judas** Was Also From The Tribe Of Judah And Expected Jesus To Be A Political Figure And Had Doubts About Him, At The Same Time He Was Jealous Of The Relationship Jesus Had With Other People Especially Women. ***(Read The Holy Tablets Chapter 15 Tablet 14)***

As You Can See By All Of These Examples That The Concept Of A **Son Of God**, **Trinity**, And A **Messiah** Existed Years Before Christianity Came Into Play. Your Stories In Your Bible Are Nothing But A Fabrication From Other Stories From Ancient Tablets And Different Cultures Just Retold Using Different Names. Your Jesus Story Is Nothing But A Play. You Christians Are Trying To Live The Reality Of A Play. It Is Time For You To Wake Up And See Through The Falsehoods Of Religion. You Have To Start Asking Questions, Researching, And Asking For Proof, Stop Believing Everything You're Told Are Facts. Only Then Will You Attain **RIGHT WISDOM**, And **RIGHT OVERSTANDING**, Which Leads To **SOUND RIGHT REASONING - NUWAUBU**.

Back To My Original Point. The Spread Of The Caucasian Image Was From As Far **Back As The 11th Century** To The **13th Century** The Christian Powers Of Western Europe Organized Military Expeditions (Called The Crusades) Against Muslim Powers In Order To Take Possession Of Or Maintain Control Over The Holy City Of Jerusalem And The Places Associated With The Earthly Life Of The Messiah Jesus. The First Crusade (Commonly Called The **"People's Crusade"**) Which Was Launched With The People's Support In Late **1095 A.D.**, Established A Group Of Four Crusader States On The Eastern Shore Of The Mediterranean Sea. From The North To The South, They Were Named Respectively: The City Of Edessa, The Principality Of Antioch, The Country Of Tripolis And The Kingdom Of Jerusalem.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

These Four Counties Acted As Satellites For Europe So That They Could Spread The False Teachings Of The Messiah Jesus As Taught By **Saul (Paul, The 13Th Self Appointed Apostle).** This Also Gave The Crusaders The Opportunity To Destroy Any Evidence That The Messiah Jesus Was Nuwaubian By Circulating Pictures Of A Caucasian (Pale) God Whom They Called **"Jesus Christ."** This Was All Apart Of The Paleman's Plan To Christianize The Islaamic Countries Of Africa And The Middle East. And To Hide The One Real Sketch, Which Is One, Under His Real Name **Sanaanda**.

Not Long Ago After The First Slaves Were Taken From Africa By Europeans, **Pope Julius II** In **1505 A.D.** Commissioned The Paintings Of Certain Biblical Works From Artist **Michaelangelo** And In Doing So Initiated The Concept Of **"God"** As Being Caucasian. Included In The Painting Is The Portrait Of Mary, Mother Of The Messiah Jesus, Whose Prominent Nuwaubian Features Were Distorted To Resemble A Florentine Italian Woman.

Figure 126

Ques: Were There Any Portraits Or Statues Made Of The Messiah Jesus That Presented Him As A Nuwaubian Man?

Ans: Yes, The Portrait On On *Page 126* Was Originally Discovered Inside The Pyramids Of Khemet (Egypt). Christian Crucifixes Were Found In Syria Which Displayed The Ethiopian Type Christ And Was Dated Far Back As The Fifth Century (**400 A.D.**). This Discovery Was Kept Secret By Europe Because This Would Prove That Their **"God"** Was A Nuwaubian, Man Or Negro To Them. These Ethiopian Type Figures Also Confirm That The People Knew That The Messiah Jesus Was Of The Tribe Of Judah Because Judah And Dan Were The Only Surviving Tribes Of Israel That Migrated To **Abbysinia, Ethiopia**.

Judah And Dan Mixed Into Each Other Forming Two Tribes: One **Danaakil**, The Other Called **Falashan**. Don't Mix Them Up With The Modern Day Ethiopian Or Eritrea, Who Are Not Of Israel Just Ethiopia. Nuwaubian And Semetic Types Of Christs Were Mostly Seen On Crucifixes Well Into The 14th And 15th Centuries, Especially In Rome (The Capital Of The Christian Church) And Italy. Moreover, In All The Roman Countries Of Europe, Italy, France And Germany, The **"God Christ"** And His Mother Mary (Often Called Madonna) Are Depicted As Nuwaubian In All Their Old Pictures And Statues. Some Cathedrals In Munich, Germany, Genoa, Pisa (City In North Central Italy), Padua (City In Northeast Italy), Paris, Rome, Brussels, Spain And Even Switzerland Kept These Ancient Icons In The Archives. **Icon** Also **Ikon** Is An Image Painted On A Wooden Panel.

There Is Scarcely A Church In Italy Or In The Countries Controlled By Rome, Where Some Remains Of The Nubian Virgin And Child Are Not Found. As Time Passed Very Often The Nubian Figures Were Put In Archives. When Some Of These Statues Are Presented To The Public, Christian Priests And Bishops Deny That The Messiah Jesus Was Nubian By Saying That These Statues Have Become Nubian By Candle Smoke. If This Is True, Why Didn't The Candles Blacken The White Of The Eyes, The Teeth Or The Stark Redness Of The Lips. The Negro History Bulletin In 1970 A.D. Published A Similar Assertion That Candle Smoke Conspired To Change The Color Of Poland's Black Madonna.

Two Of The Oldest Black Madonnas Of Europe Are Those Of Loretto, Italy And Of Nuria, Spain. The First Is Said To Be The Original Of All The Nubian Virgins. It Was Destroyed By Fire About **1930 A.D.** And Was Restored By **Pope Pius XI** Who According To **Father Ledit**, *"Ordered The Color Preserved."* The Nubian Virgin Of **Nuria**, Which Is Called **"The Queen Of Pyrenees"** Is Distinctly Nubian. Now Just Look At These Two Words: **Nuria** And **Nubia**!!

Today, The Majority Of The Black Madonnas Have Caucasian Features. The Reason Is That Nearly All Of The Original Ones Were Destroyed By Fire Or By Mobs During Revolts Against The Church. When Re-Erected They Were Made Nubian, But With The Facial Type Of The Predominant Population. During The French Revolution **(1789-1799 A.D.)** And The **Napoleonic** Wars There Was A General Destruction Of Black Madonnas In Europe. Two Notable Instances Occured At Montserrat In Spain And At Le Puy In France.

This Is A Representation Of The Messiah Jesus Washing His Disciples Feet. Notice Again That They Were All Nuwaubian, So Someone Knew The Truth!!!

Figure 134

The Race Of The Messiah Jesus Has Taken A Transition From Being Nuwaubian With Ethiopian Features To A Pale Skinned Caucasian. The Conclusive Proof That The Image Of The Messiah Jesus In Caucasian Europe Was Originally Portrayed Non-Caucasian Is Supplied By A Note From The 'Cambridge Encyclopedia Company Regarding Their Coin Collection:

"Among Rare Pieces, Our Collection Contains A Gold Solidus Of The Emperor Justinian Circulated 705 A.D. . . The Reverse Side Of The Coin Has A Picture Of An African-Ethiopian Type Jesus With Wooly Hair.."

Figure 135

This Entry Further States That This Coin Leaves No Doubt That The Messiah Jesus Was A Nuwaubian. So Controversial Was The Discovery Of This Coin That It Caused The War Between **Justinian II** And **Abdul Malik**, The **5th Caliph** Of The **Omyyads**, The Former Demanding Tribute To Be Paid In These Coins And The Latter **(Abdul Malik)** Refusing To Do So. ***(See Crisis Magazine, Volume 8, No. 2, June 1914)***. The Fact That The Messiah Jesus Was Depicted As Caucasian During The Time Of Slavery Implied To The Slave That The Almighty Creator, **"Jesus Father,"** Was A Caucasian Man Or Master. This Served To Strengthen The Doctrine Of White Supremacy And A Sense Of Inferiority In The Minds Of The Nubians ***(Read Lost Tribe, Scroll #36, Our True Roots, Scroll #38)***.

CONCLUSION

Throughout This Scroll I **Have Presented To You Undeniable Facts From The Scriptures To Prove That The** Messiah Jesus Of **Eli** Was Nubian. The Messiah Jesus Was A Direct Descendant From The Prophets: **Kadmon (Zakar/Adam), Utnafishtim (Noah), Thutmose (Moses), Abram (Abraham), (Israel) Isaac, Ishmael (Yishmael), Jesse (Yishay)** And David **(Dawiyd)** Who Were All From The Pure Nubian Seed, He Too Was Nubian. I Wish To **Bring Up One More Point That Has Always Been Overlooked To Prove That** The Messiah Jesus Was None Other Than Nubian.

They Even Describe Him In The Book Of ***Revelation 1:14:15*** As Having **1. Hair Like Wool 2. Eyes Of Flames Of Fire 3. His Feet Like Fine Burnt Brass. 4 And His Voice Like Crashing Water.**

Revelation 1:14-15

Modern Greek Script

η δε κεφαλη αυτου και αι τριχες λευκαι ως εριον λευκον, ως χιων, και οι οφθαλμοι αυτου ως φλοξ πυρος, και οι ποδες αυτου ομοιοι χαλκολιβανω ως εν καμινω πεπυρωμενης, και η φωνη αυτου ως φωνη υδατων πολλων.

*"HIS HEAD AND HIS **HAIRS** WERE WHITE **LIKE WOOL**, AS WHITE AS SNOW; AND HIS EYES WERE **AS A FLAME OF FIRE**; AND **HIS FEET LIKE UNTO FINE BRASS**, AS IF THEY BURNED IN A FURNACE; AND HIS **VOICE AS THE SOUND OF MANY WATERS**."*

The Greek Word For Wool Is **Erion** And Means "Like The Wool Of A Sheep." This Clearly Tells That This Is Coarse, Curly, Woolly, Or Kinky Hair. The Messiah Jesus Did Not Have Long Blond, Or Auburn Straight Textured Hair.

This Should Tell You Three Things:

1. **The First That He Was Definitely A Nuwaubian Man Because What Amorite (Paleman) Do You Know Has Hair Like Wool?**

2. **And Second That The Messiah Jesus Was Of A Very Old Age Because In No Way Could His Hair Have Been As White As Snow At The Age Of 33 Years (The Supposed Age Of His Crucifixion).**

3. **The Holy Soul, The Eloheem Nusku (Gabriy'el,) Took The Likeness Of *"A Perfect Human Being" (Koran 19:17)* When He *"Came In Unto Her (Mary)" (Luke 1:28)* To Conceive The Messiah Jesus. So If Mary Was Nuwaubian And The Eloheem Nusku (Gabriel) Was A Well-Made Nuwaubian Man, The Messiah Jesus Had To Have Been Nuwaubian. Facts Are Facts!! *(Refer To Who Was Jesus' Father, Scroll #58)***

Throughout The Scriptures, Reference Is Made Of Various Prophets Having Hair Like Wool. Is There Any Mentioning In The Scriptures Of Any Prophet Having Long, Stringy Hair? **No, Because All The Prophets Were Nuwaubian!** ***(Read Nuwaubu And Amunnubi Rooakhptah, Fact Or Fiction, Scroll #152)***

The Melanin (Pigment) Which Is Dark (Blue Black) Is Characteristic Of Nubians. All Human Skin, Except That Of The Albino (Paleman), Contains Greater Or Lesser Amounts Of Melanin. Color Of Hair Is Determined Greatly By Racial Or Hereditary Factors. Two Pigments Which Are Involved In Hair Coloration Are Melanin, Which Is Black Pigments And A More Diffuse Iron-Containing Red Pigment. Grey Hair Is The Absence Of Any Pigment Plus The Absence Of Air Bubbles In The Hair Shaft. However, In Gray And White Hair As In Such Instances The Pigment Is A Matter Of Heredity, And Such Is Considered A Divine Majesty ***(Read The Melanin-Ite Children, Scroll #133)***.

Now Getting Back To The Last Part Of The Quote In ***Revelation 1:14-15 (In Part).***

"...AND HIS EYES WERE AS A FLAME OF FIRE;. .."

The Greek Word For Flames Of Fire Is **Phlox** () Meaning ***"Flames As In Kindling A Fire, Igniting A Fire Or The Burn Up."*** So He Had Either Fire Coming Out Of His Eyes Or Simply **Inflamed Conjunctiva** Of The Eyeball, Meaning **"The White Of His Eye Was Red"** Or What's Commonly Called **Blood Shot**. This Is A Known Nubian Trait.

"...AND HIS FEET LIKE UNTO FINE BRASS, AS IF THEY BURNED IN A FURNACE;..."

As For His Feet Which Would Be Describing His Skin Color, We Find It Broken Into Two Parts. The First Being The Greek Word For **Brass** Which Is **Chalkolibanon** () And It Describes A ***"Metal That Is God In Color."*** Then It Adds That This Gold Color Is Burnt. The Greek Word Being Used Here Is **Puroo** () And Means ***"Burnt With Fire, Set On Fire, Kindled,"*** And At This Point We Need Just A Little Bit Of Common Sense. If You Take A Piece Of Fine Brass, And Put It In What That Quote Calls In Greek A **Kaminos** Which Means ***"A Furnace For Baking,"*** And Kindled A Fire In This Furnace Results Of Scorched Or Burnt Brass Is Obvious. The Color Of It Is Obvious, But I Will Leave It For An Honest Mind To Figure Out.

Again, I Ask You What Amorite (Paleman) Do You Know Fits This Description? The Natural Color Of Brass Is Yellow Like Gold And When It Is Burnt It Becomes The Color Of Black Olives. These Adjectives Are Describing A Nubian Man:

". . .HIS VOICE IS AS THE SOUND OF MANY WATERS. . ."

His Voice Had The Sound Of Many Waters. This Simply Means That When He Talked, You Heard More Than One Voice Because In ***Revelation 19:6*** Uses Water As A Symbol Of Many People. This Means He Had What Is Referred To As A Raspy Voice. His Raspy Voice Is Very Distinct From Any Other Race Of People. No Paleman (Amorite) Has A Raspy Voice. He May Put One On To Sound Like Us, But That Is Not His Natural Self. This Is A Proven Nubian Characteristic And Shows That The Race Of The Messiah Jesus Was Nubian!

What Excuses Are You Going To Use To Justify Your Propagation Of A Caucasian **"Jesus?"** You Have No More Excuses Because The Truth Has Come And False Doctrines Are Perishing.

The Image Of The Messiah Jesus That Christians Worship Is Patterned After The Image Of The Beast In ***Revelation Chapter 13.***

This Is It. I, The Messiah Jesus, Will Give You The Community Of Haylal The Physical Evil One, Reptilian Nakhash Or Satan, The State Of Israel, Who Say That Surely They Are Of Judah And They Are Not Of Judah, But Are Liars. This Is It! I Will Make Them Come And Worship At Your Feet So That They Will Know That Surely I Love You.

Right Translation In Greek By:

Dr. Malachi Z. York

Mistranslation For King James 1611 A.D.

"BEHOLD, I WILL MAKE THEM OF THE SYNAGOGUE OF SATAN, WHICH SAY THEY ARE JEWS, AND ARE NOT, BUT DO LIE; BEHOLD, I WILL MAKE THEM TO COME AND WORSHIP BEFORE THY FEET, AND TO KNOW THAT I HAVE LOVED THEE."

The So-Called Jew (Jebusite Of Canaan) Is Like A Beast, Because The New State Of Israel (Which Is Now Occupied By These Pale Jews [Jebusites] Is An Evil Killer, Just Like The United States Has Been Since The Beginning Of The History Of America (Which They Took From The Native Americans). So The Second Beast Is Just Like The First Beast.

"And He Had Power To Give Spirit To The Image Of The Beast That The Image Of The Beast Should Both Speak And Cause That As Many As Would Not Worship The Image Of The Beast Should Be Killed."

Right Translation In Greek By:

Dr. Malachi Z. York

Mistranslation For King James 1611 A.D.

"AND DECEIVETH THEM THAT DWELL ON THE EARTH BY THE MEANS OF THOSE MIRACLES WHICH HE HAD POWER TO DO IN THE SIGHT OF THE BEAST; SAYING TO THEM THAT DWELL ON THE EARTH, THAT THEY SHOULD MAKE AN IMAGE TO THE BEAST, WHICH HAD THE WOUND BY A SWORD, AND DID LIVE. AND HE HAD POWER TO GIVE LIFE UNTO THE IMAGE OF THE BEAST, THAT THE IMAGE OF THE BEAST SHOULD BOTH SPEAK, AND CAUSE THAT AS MANY AS WOULD NOT WORSHIP THE IMAGE OF THE BEAST SHOULD BE KILLED."

The New State Of Israel Deceives The Whole World By Making Them Think That They Are The Real Lost Tribe Of Judah And **Eli** Is Helping Them, Not The United States As They Are Engaged In The War In The Middle East.

The Idea Of The Image Of The Messiah Jesus Was Formulated By The Pale Jews (Jebusites). It Was Their Plan To Create An **"Image Of The Beast"** Which Was The Picture Of The Pale Jew Jesus, Whom They Say Was Pierced But, Did Not Die On The Cross.

The State Of Israel Had The Power To Make This Image (Of A Pale Jew Jesus) Have A Soul, Meaning That By The Pale Jews (Jebusites Of Canaan) Pretending They Are Evangelist And Pentecostal Preachers They Can Teach All The World This Lie. Because Once They Have You Loving The Pale Image Of The Messiah Jesus , Who They Teach Is A Jew, Then You Will Love The Jew ***(Read The Spell Of Leviathan 666, The Spell Of Kingu, Scroll #15)***..

THIS IS THE IMAGE OF THE BEAST!

This Is Why I Find It Necessary To Recreate The Images Of The Prophets, Prophetess, Apostles, The Mahdi And All The People Of The Scriptures In Their True Color Which Was Nubian And Then Make Them Available In Pamphlets, Posters, Pictures And Flyers. This Way These Great Nubian Men And Women Can Replace The Caucasian Images And Idols That The Physical Devil Has Put In Your Churches, Schoolbooks, Magazines, Etc.

"You Will Not Make For Yourself Any Idol At All Any Likeness In The Skies Above Or That Is Upon The Planet Earth Or Inside The Plane Earth Or Under The Waters Of The Planet Earth."

Right Translation In Aramic (Hebrew) By:

Dr. Malachi Z. York

Mistranslation For King James 1611 A.D.

"THOU SHALT NOT MAKE UNTO THEE ANY GRAVEN IMAGE, OR ANY LIKENESS OF ANY THING THAT IS IN HEAVEN ABOVE, OR THAT IS IN THE EARTH BENEATH, OR THAT IS IN THE WATER UNDER THE EARTH:"

Sunni Muslims Say That We Are Violating The Laws Of The Creator By Making Images. They Do Not Understand That In ***Exodus 20:4*** The Almighty Is Commanding Us Not To Make An Image After The Likeness Of Anything On Earth Or In The Heaven. In Other Words Idol Worshipping Is A Sin. We Are Not Worshipping Idols, We Are Removing The Caucasian Images That Have Been Bred Into Our People's Subconscious Mind, And Replacing Them With The True Racial Identity Of The Prophets, As Well As Their Companions. Once You Know That Your Forefathers Were Nubian, And Not Pale, You Will Be Able To Instill A Feeling Of Pride In Yourselves And In Your Children. This Will Release That Spell That Has Been Over Our People Since The 1600'S A.D. And Give Them A Sense Of Pride To Know That They Are Nubian. ***(Refer To Are Pictures A Sin, Scroll #135).***

The Paleman Has The Audacity To Depict All The Prophets And Their Servants As Nubian. Are They Trying To Imply That All We Can Ever Be Is Their Servants? How Preposterous!!!

Tell Me The First Image Or Name That Pops In Your Mind When I Name The Following Well Known Personages (Five Points For Each Match):

You Are In Serious Need Of Some Brain Washing - Meaning You Need To Get Your Brain Washed Of The Misconceptions That Have Been Programmed Into Your Mind Through The Media Called Entertainment.

Is It Just Entertainment? Or, Is It Something Far More Profound Than A Casual Pastime? Can't You People See That What's Passing For Mere Entertainment Is Really A Blatant Form Of Subliminal Education? All Of The People That Were Named Above Were Nuwaubians!! Are You Surprised?? Isn't It's Sad That Many Of Us Have Been Led To Think That All Those Great People Were Caucasian. Even Now I Can See You Shaking Your Heads In Disbelief. You Are Questioning The Validity Of The Fact That Those People Were Nuwaubian, Why Is It That You Feel Only He Is Qualified To Teach You History? Let Me Repeat This Again Real Slow. Why Is It That You Feel That Only The Paleman Is Qualified To Teach You His-Story?

He Doesn't Want You To Know Of Your True Heritage. He Is Propagating A Caucasian Superiority Complex And A Nuwaubian Inferiority Complex. Yes! He Is Programming The Children With His-Story. Can't You See How He Mixes People's Culture With His People, So That Children Constantly Get An Image Of What He Portrays?, Look At What He Has Done With Muhammad Ali, Who Was Heavy Weight Champion Of The World. He Had A Positive, Clean Image And Gave Nuwaubian Children An Idol. ***(Read The Spell Of Leviathan 666, The Spell Of Kingu, Scroll #15)***. They Replaced Him With Undefeatable Sylvester Stallone (Rocky). Another Change Up Was With Bruce Lee (Martial Arts Expert) Then Came Blond Hair Blue-Eyed Chuck Norris. He Is Using The Media As A Means To Saturate The Public With White Supremacy And Removing People Of Color Out Of His-Story. This Is Being Done Maliciously So There Is No Way Our Children Can Ever Grow Up Respecting Us As Parents. Nor Will They Ever Be Interested In Pursuing The Study Of The Past. Instead They Have Greece, A Homosexual Society, Create A Hercules. What A Laugh! And Rome, Look At The Caesars, What Comes To Your Mind? Surely No Image Like That Of John Wayne. Their Past Will Still Be What Is Presently Being Broadcast In Front Of Them As Elizabeth Taylor, Charleston Heston, Kirk Douglas, Etc.

What You Are Being Taught Is Carefully Planned Out. Believing Whatever He Tells You, Until You Stumble Into The Quicksand And Suffocate In Your Own Ignorance. You Better Wake Up, And Open Your Eyes Before It's Too Late. Wake Up My People! Start Looking Beyond His-Story And Find Out Our-Story Before It's Too Late !!!

Food For Thought:

If There Is Any Image To Be Made Of The Messiah Jesus In This Day And Time It Should Be Based On The Scriptures Or An Artist Drawing Which Is Nuwaubian, The Image That **Eli** Created Him In. Why? Because There Were No Artists, Cameras, Or Videos To Capture His Image And You Were Not There To Acknowledge How He Looked. The Book Of Revelation Is The Only Book Given To Jesus Which Also Describes His Physical Appearance. The First Verse Of Revelation Confirms This:

Revelation 1:1

Modern Greek Script

Αποκαλυψις Ιησου Χριστου, ην εδωκεν αυτω ο θεος, δειξαι τοις δουλοις αυτου α δει γενεσθαι εν ταχει, και εσημανεν αποστειλας δια του αγγελου αυτου τω δουλω αυτου Ιωαννη,

Dr. Malachi Z. York

"THE REVELATION OF JESUS CHRIST, WHICH GOD GAVE UNTO HIM, TO SHEW UNTO HIS SERVANTS THINGS WHICH MUST SHORTLY COME TO PASS; AND HE SENT AND SIGNIFIED IT BY HIS ANGEL UNTO HIS SERVANT JOHN:"

Therefore The Image Of The Messiah Jesus Should Be Patterned After ***Revelation 1:14-15*** And ***Revelation 4:3.***

So I Ask You, Which Of These Pictures Accurately Portray Jesus As He Is Described In ***Revelation 1:14-15?***

It Is Time For You To Wake Up From That Spell That Has Left You In Ignorance For Far Too Long. Yashua (Jesus) Was Just Like All Of The Other Messengers That Came To Save A Group Of People. There Was No Difference Between Him.

However, **Yashua** Was Definitely A **Nuwaubian Moor** And He Did Indeed Have Kingly 9 Ether Hair. Nowhere In The Scriptures You Will Find A Description Of Yashua With Pale Skin, Shoulder Length Hair, Full Beard, And Aquiline Features. So The Next Time Your Reverend, Pastor, Or Imaam Tells You That Yashua (Jesus) Was Of The Pale (Caucasian) Race, Just Present Them With The Facts Contained Within This Scroll, So The Spell Will Also Be Lifted From Them. I Did Not Write This Scroll To Offend Anyone. It Is Just That You Accept What People Tell You Instead Of Investigating It. I Always Say **"DON'T BELIEVE ME, CHECK IT OUT"**.

Author's Note

I, Have Devoted My Visit To This Planet To The Resurrection Of The Mentally Dead, Which I affectionately Refer To It As Mummies. Never Did I Know That The Evil One Had Done Such A Great Job With These People Both Mentally And Physically As To Have Them Hate Self And Kind. My Greatest Dilemma And Hindrance Has Been The Black Devil. Born Amongst You, and by you, Married To You, Socializing With You, Praying In The Same Sacred Houses Of Worship As You; But Secretly They Have A Spiritual Pack With The Devil, Which Makes It Near Impossible For Them To Totally Surrender To Nuwaupu. But, For The Few Chosen From The Many Called, I Sift To Find Those Beings That Wish To Become One With The Supreme In All. So I, The **Supreme Grand Hierophant: Amun Nebu Re Akh Tah**, As I Am Known Throughout The Mystical Schools, The Incarnation Of **Tehuti** "Thoth" Student Of The Great **Tum**, Known As **Atum-Re,** The First Point Of Resurrection From Ignorance To **The Right Knowledge, The Right Wisdom** And **The Right Overstanding.** I Have Blended In With Each Of The Religions Most Interesting To My People. I Lived As One Of Them, Practiced As One Of Them In Order To Reveal The Misconceptions Of These Doctrines That Have Plagued And Diseased The Minds Of My People.

Introduction

There are terms in this book that may be offensive. These are just the terms that the Egiptians used for their enemies. For instance the word **Haribu** is Egiptian and became Hebrew. The Israelites were called **Heka Khasut**. The foreign invaders such as the Caucasians were called **Tam'a-hu** meaning *"living filth"*. This is in reference to their lack of knowledge of hygiene and their body odors due to their ignorance.

Pa Tuta is a term used for an evil person or being. This is regardless of race gender or creed. And then **Apep** ***"Apophis"*** is a demon creature a serpent that punishes those souls that have failed in the Hall of Judgment when weighed on the scale against the feather of **Ma'at;** also the Devil of your Bible, called **Nakhash** In the Hebrew. In the **Qur'an** ***"Koran" 2:256-257*** you see the word **Taaghuwt**. When you look in ***Genesis 3:15*** it says the serpent has a seed. That means the serpent has a physical seed, flesh and blood and that is why Jesus said in ***John 8:44*** you are of the devil your father and I quote: *"You are of the Devil as father, and the lusts of your father you will do. He was a murderer from the beginning, and did not abide in the truth because there is no truth in him. When he speaks a lie, he speaks of his own, for he is a liar and the father of it"*

Leviathan is also a term used when referring to a serpent; yet is also used when referring to the **Spell of Sleep** that the **Egiptians** call **Amam** *"The Devourer"*. **Leviathan** is the great serpent or dragon mentioned in the book of ***Revelation Chapter 12.***

Revelation12:7

Modern Greek Script

και εγενετο πολεμος εν τω ουρανω ο μιχαηλ και οι αγγελοι αυτου επολεμησαν κατα του δρακοντος και ο δρακων επολεμησεν και οι αγγελοι αυτου.

AND και <**kai**> THERE WAS εγενετο <***ginomai***> *WAR* πολεμος <***POLEMOS***> *IN* τω <***EN***> *HEAVEN* ουρανω <***OURANOS***>: *MICHAEL* μιχαηλ <***MICHAEL***> *AND* και <***KAI***> *HIS* αυτου <***AUTOS***> *ANGELS* αγγελοι <***AGGELOS***> *FOUGHT* επολεμησαν <***POLEMEO***> *AGAINST* κατα <***KATA***> *THE DRAGON* δρακων <***DRAKON***>; *AND* και <***KAI***> *THE DRAGON* δρακων <***DRAKON***> *FOUGHT* πολεμησεν

<POLEMEO> AND και *<KAI> HIS* αυτου *<AUTOS> ANGELS* αγγελοι *<AGGELOS>,*

"And there was a battle in the skies Michael and his Angels fought against the dragon and fought his angels."

Right Translation In Greek by:
Neter: A'aferti Atum-Re
Translation for King James 16 A.D.

"AND THERE WAS A WAR IN HEAVEN; MICHAEL AND HIS ANGELS FOUGHT AGAINST THE DRAGON; AND THE DRAGON FOUGHT HIS ANGELS."

You will also see Caucasians referred to as *"White"* the same was Negroids are called *"Black"* and Orientals are called *"Yellowman"* in relation to color. Yet, this doesn't make it right, but is not wrong according to the definitions in the dictionary.

According to ***American Heritage Dictionary*** *Black* means: **Black 3.** Often **Black**. **a.** Of, relating to, or belonging to a racial group having brown to black skin, especially one of African origin: *the Black population of South Africa.* **b.** Of, relating to, or belonging to an American ethnic group descended from African peoples having dark skin; African American; Afro-American: *"When the history books are written in future generations, the historians will . . . say, 'There lived a great people—a black people—who injected new meaning and dignity into the veins of civilization'"* (Martin Luther King, Jr.). *"Despite the exposure, being young, gifted and Black in the corridors of power has its trying moments"* (Ebony).

White means: ***White***. *A member of a racial group of people having light skin coloration, especially one of European origin.*

Yellow means: *Yellow Of or being a person of Asian origin*

This scroll is not to be mistaken for as a racial book because people of all race can be a member of the ***Egiptian Church of Christ Inc., ECC.***

There is an evil hypnotic spell of **amnesia** cast upon the **Nuwaupians, Black** people everywhere called **"Kingu" "the Hypnotic Spell of Sleep"** or what is commonly known as **"The Spell of Leviathan".** Our people have been in a coma state for 6,000 years, of the conscious mind, making you forget your true identity of self In Ancient **Tama-Re** ***"Egipt"*** we called it 𓅱𓄿𓅱𓄿 ***AMAM.*** This Spell of **Amam** is enforced through the media and religious propaganda that promotes scriptures, such as the English translation of the Bible and the English translation of the **Qur'an** *"Koran"*, that consists of blind faith and beliefs with no facts or confirmations; out right ignorance to who they are. The powers of **Amam** ***"Leviathan"*** are actually enforced by these fake religious book, and white supremacy propaganda, which I call ***White Magic.*** In their original tongue and form, the purpose of these religious books were for guidance, until disagreeable forces altered them into the form you have today which has you living off of blind faith. You shall know the truth ***John 8:32***. Do not believe in the Truth. Know it through confirmation!) Also a scripture written in Hebrew or Arabic does not make them true. Both the Hebrew Torah "Bible" and the Arabic **Qur'an** *"Koran"* have mistakes in them, and God or Allah could not make mistakes, not to mention, the original scriptures were destroyed. They don't have them. They only have replicas.

These religions themselves, **Mosesism** *"Judaism"*, **Christism** *"Christianity"*, **Muhammadism** *"Al Islaam"* are spells. How? **RELIGION IS A SPELL,** because it keeps you thinking that someone or something is going to save you, when the helping hand that you're looking for is at the end of your arm. **RELIGION IS A SPELL,** because it has you believing that you can't have anything of worth until after you die, and go up somewhere in a heaven or garden, when all you have to do is work for it (***Refer to What Is God Doing For You, Scroll #54***). They don't describe anything in heaven, you or a millionaire can't get

www.Nuwaupuinc.com

right here on earth. **RELIGION IS A SPELL,** because it condones people turning into bums, dropouts and failures of society, when a steady income could solve most of your problems. **RELIGION IS A SPELL,** because it has you believing in spooks and ghost. However those whom you were made in the image and likeness of, were physical beings of **Tama-Re**, *"Egipt"*. Your **Neteru, or Neteraat** *"Supreme Beings"* called god, were and are real. **Neter *"Supreme Being"*,** the father, **Asaru *"Osiris"***, **Neter *"Supreme Being"*** the Son, **Haru *"Horus"*** and the Mother, the **Netert *"Supreme Being"* Aset** *"Isis", are real people.* In fact, they are making themselves known. The tombs of **Asaru** *"Osiris"* and **Aset** *"Isis"* have recently been unearthed, so they are no longer a myth.

The spell of **AMAM *"Leviathan"*** is also enforced through **Pa Tama'-Hu,** man or Ghost man's media by establishing how you as Blacks should look, what you should wear, how you should feel, where you should go, where you should work, how you should spend your money and what you should eat. The **Tama'-Hu** man tries to control your mind and all your feelings to make you work against yourself and kind.

The spell of **AMAM** is also enforced through the public school system by instilling in you since childhood, the concept of **1, 2, 3.** Everything is taught to you in threes, your **ABC's;** your **123's;** your nouns, **Persons, Places,** and **Things; The 3 Little Pigs, The 3 Bears, Etc.** The **Spell** of **AMAM "Leviathan"** is in the mode of **"1, 2, 3"** or **"persons, places,** and **things"** locked within the *3* dimensions and there is nothing you can conceive that does not fit in either of those categories. Everything is in some way based on the number **"3"**, for example:

A. **The Three *R*'s =**
1. *R*eading **2. W*R*iting** **3. A*r*ithmetic**

B. The Trinity =
1. The Father **2. The Son** **3. The Holy Ghost**

C. The Bible = based on:
1. God **2. Devil** **3. Humanity**

D. Lifestyle concept =
1. Home **2. Job** **3. Money in the Bank.**

With these three methods, **Religion, Media and Schools"** (or sheowl שְׁאוֹל)meaning ***"hell"*** in the Aramic (Hebrew) language) you have been programmed from a very young age, even in something as simple as being taught to say *Hell-o or "Hell is Low".*

In all their religions, they worship **Hades** (Hδηω - the underworld), which is the Greek word for Hell. That's why they greet with hell-o, and their ancient Greek religion and way of life culture and language are all based on the prefix Hell.

www.Nuwaupuinc.com

First, let's go to the word **holy** according to the ***American Heritage Dictionary***.

ho·ly *adj.* **ho·li·er, ho·li·est. 1.** Belonging to, derived from, or associated with a divine power; sacred. Middle English *holi*, from Old English *h³lig*. See **kailo-** below

HALE[1], WHOLE, from Old English hale, whole; **b.** WHOLESOME, from Old English * HOLY, from Old English *ho³lig*, holy, sacred; **b.** HALLOW, from Old English *h³lgian*, to consecrate, bless, from Germanic derivative verb **hailaga*. Both **a** and **b** from Germanic **hailagaz*.

Now, we look up the word **Hell** according to the ***American Heritage Dictionary***. **Hellenism** is today's holistic societies. Note the word **Catholic** as **cat** and **Holistic.** .HELL, *from Old English hell, hell;* ***b.*** *HEL, from Old Norse Hel, the underworld, goddess of death. Both **a** and **b** from Germanic *halja the underworld ("concealed place")*

.**Ho·lis·tic** *adj.* **1.** *Of or relating to holism.* **2.a.** *Emphasizing the importance of the whole and the interdependence of its parts.* **b.** *Concerned with wholes rather than analysis or separation into parts:*

Hel·lene also **Hel·le·ni·an** --*n.* A Greek.

Hel·le·nism *n.* **1.** An idiom or custom peculiar to the Greeks. **2.** The civilization and culture of ancient Greece. **3.** Admiration for and adoption of Greek ideas, style, or culture.

Hel·len·ic *adj.* **1.** Of or relating to the ancient Hellenes, their language, or their history; Greek. --**Hel·len·ic** *n.* The branch of the Indo-European language family that consists only of Greek.

Hel·le·nist *n.* **1.** One in Hellenistic times who adopted the Greek language and culture, especially a Jew of the Diaspora. **2.** A devotee or student of Greek civilization, language, or literature.

You have learned not to question anything that is taught to you, not even the obvious contradictions or things that lack plain common sense. You don't go past what you are told. You are so caught up in the **Spell of AMAM** ***"Leviathan"***, that you are unable to come up with anything new. You can't create a line. You always go to the devil to learn how to support your family. You work for them against yourself and kind. Everything you do or say has already been done or said many times before; but now is the time to break that spell with ***The Ancient Egiptian Order, A.E.O.***

Ques: Who cast The Spell of Amam?

Ans: **Zuen** also known as **Enzu, Shakhar Kato, Devil, Ibliys, Shaaytan, Belus, Nulush, Hadad, Ha Satan, Tarnush** and **Apophis** in **Tama-Re** ***"Egipt"***, the father of **Haylal** cast this evil hypnotic spell of sleep. **Apep** ***"Apophis"***, a **Remusyan** *"Reptilian"* from the planet **Rum** ***"Titan"***,according to the Sumerian Doctrine. Most of you think Saturn is a planet as you have been programmed to think when actually it is a ball of gas, not a planet. **Zuen** cast this spell for **Enqi, Nudimmud of Sumerian culture**. **Nudimmud,** who is equivalent to **Sutukh** in **Egipt,** was the founder of the city of **Nod, Lebanon** of **Old Phoenicia**, who was master of **Ta** ***"the planet Earth"***. **Enlil**

(Asaru) Enqi (Sutukh) brother, the sons of **Anu**, or **(Re** ***"Ra"*****)** The Heavenly One, had 7 tablets in his possession called ***"The Scroll of All",*** which told of the coming of the **Elders.**

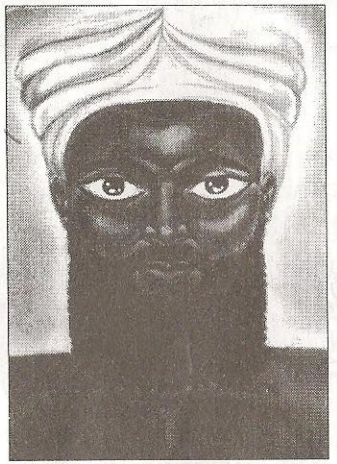

Figure 1

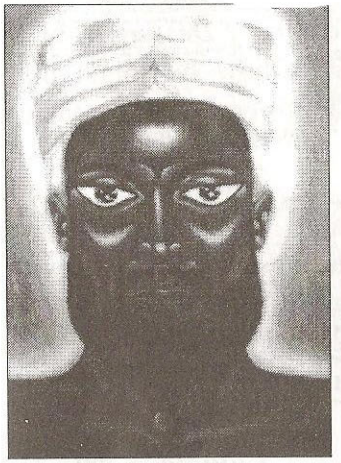

Figure 2

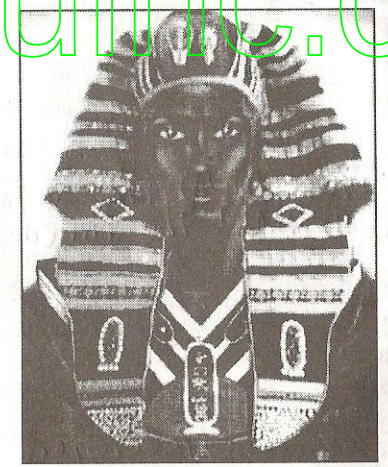

Figure 3

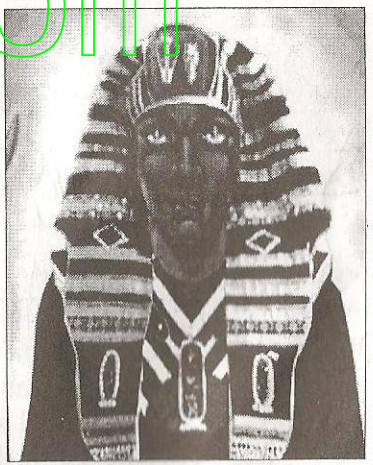

Figure 4

Zuen, equivalent to **Apep** ***"Apophis"*** of ancient **Egipt,** befriended **Enlil,** equivalent to **Asaru** ***"Osiris"*** of ancient **Egipt** and became his gate keeper for the sole purpose of reading the ***Tablets of Destiny*** **"The Scroll of All"** or ***The*** **Akasha Records;** that's how he found his way to this secret chamber, **the 9th Chamber,** where the tablets were kept.

Zuen, Apep, Apophis stole the first writings of the tablets and changed all their destinies or changed what was to happen. At that point, everything was at a standstill, the Earth was void and dark, the **Pa Neteraat** ***"The Eloheem"*** were in conflict. You had 12 **Qa'hat** ***"agreeable"*** and 12 **Netchnetch** ***"disagreeable"*** and **Enlil, Asaru** was left speechless.

Enlil meaning ***"Divine of The Heavens or the Skies"***, ruled the skies and was the son of **Anu,** who is **Allah** or **El Eloh** of the **Neteru "Eloheem Anunnaqi",** and master of the heavens and earth. Once **Zuen, Apep (Apophis)** got **The Tablets of Destiny,** he gave them to **Enqi, Sutukh** and together they conspired against **Enlil, Asaru** and the descendants of the Adamites, Enosites and the Cainites. **Anu, Re** ***"Ra"*** is our heavenly father, **Abaanaa,** of **Tama-Re** ***"Egipt".***

So with **Zuen, Apep, "Apophis"** help, **Enqi, Sutukh** ***"Set"*** was able to cast a spell on the descendants of **Enlil, Asaru** ***"Osiris"***. This was done out of jealousy and a power conflict with his brother started, as with the stories of ***"Cain & Abel, Jacob & Esau, Ishmael & Isaac,*** and ***Solomon & Adonijah.*** All of these storied came from the real stories of **Asaru** ***"Osiris"*** and **Sutukh** ***"Set"*** from ancient **Tama-Re** ***"Egipt"***. This spell could also be used to control the pro-created beings that would work for **Pa Neteraat "The Eloheem** and **The Anunnaqi** ***"those who came down in 50's"*** in the gold mines of **South Africa,** then called **Raphali** ***(Refer to Birth Ceremony, scroll #50),*** and those who stay in the **Heaven,** ***Elul.***

They were able to execute this **SPELL** of **Amam** ***"Leviathan"*** by making that which was bad look good, and that

which was good look bad. They made dark -peace, and tranquility look and seem *bad;* and fire –lightening, explosions, and light look and seem *good*. So Tama-Hu people look good and Nubian people look bad, making it easy to accept a *white god* and a white *son of god*. They were able to control you so well, because they actually bred with you, and have gotten into your blood, which gives you the desire to want to be like them. And they do not allow you to hate them or love yourself, which makes it harder, but not impossible, to awaken from under the spell of ***self-hate.*** Then they created the Bible and books with all white pictures for you and your children. They make and have movies about Bible stories with all white people from *Jesus* to angels. Plus you have *Michelangelo's* Portrait *"Creation of Adam"* where God is reaching for Adam's hand, and they are both white. The Moslems did the same thing in the Islamic movie, about *Muhammad* and his companions. All are white and so are all their pictures. It's all religious racism.

Figure 9

This is to control you mentally so you would continue to follow them blindly without question, so not to alarm the *"sleeping god"* **Neter *"Supreme Being"*** within, The True Egiptian.

The Bible is a fabrication of the Babylonian texts from the original seven tablets called **"ENUMA ELISH"** and the **"GILGAMESH EPICS"** that bred the belief in a book that this **Yahweh** called **Tammuz *"sprout of life" Ezekiel 8:14***, the son of **Ishtar** and **Dummuzi**, along with a council of **46 Anunnaqi** plagiarized for the seed of **Seth**; This happened in **Nod, Phoenicia or Lebanon. Tammuz, The Lord** did not create the Bible. He made it easier by extracting parts from the **Enuma Elish** and **Gilgamesh Epics**. You see, **Tammuz** was appointed as the Lord, over you. He is called **YHWH, Jehovah *Genesis 4:26,*** who used the ancient Sumerian tablets as his guidelines. Disagreeable beings, Canaanites came in with their influence and now have people following behind them in blind faith. When at one time you as **Neteraat *"Supreme Beings*** gods and were in direct contact with your own spiritual forces, knew.

They call themselves Hebrew and were not. They call themselves Nazarites and were not. They call themselves Christian and were not. They call themselves Muslim and were not. The original of all of these were Blacks, Nuwaupians. Not **Tama'-Hu** as you see today masquerading around as the original people, when they are not.

The original Hebrew or Chaldean were Black from Abram or **Abraham** son of **Terah**. The original Greeks were black from **Javan** son of **Japheth**. The original Arabs were Black from **Kedar** the son of **Ishmael**. But with the spell, came the enchantment called ***"Religion"*** ***Muhammadism*** as the Muhammadans say in Islam **"DIN"** (دين), which is the worship of the goddess **DINA;**

The Christian Blessed Mother Mary "Dina"

also known as **Ishtar,** the Egiptian Equivalent is **Aset** ***"Isis"***.

At first **Zúen, Apep, Apophis,** was conspiring with **Enqi** to cast the spell on **Enlil's** seed. However, **Zuen** had an ulterior motive. He wanted to find out his destiny, because in his heart he wanted **Enlilship, Osirianship**, meaning **"control over the - *lil* (skies)** ". Then **Zuen, Apep, Apophis** turned against **Enqi, Sutukh *Set*** and cast the spell on **Enqi's *"Set's"*** seed also. This same spell is on **Blacks** worldwide today.

www.Nuwaupanc.com

The adverse spell is also in the atmosphere itself, because **Amam** ***"Leviathan"*** which is broken down as: **"Levi"** [law] & **"Athan"** [sin] emanates it. **Amam** is the ghost spell (or **"GOS-PEL"**) of spiritual ignorance and racial blindness, and the only way this opium-like hypnotic spell can be broken is by **THE RIGHT KNOWLEDGE, THE RIGHT WISDOM,** and **THE RIGHT OVERSTANDING** of yourself, your kind and knowledge of others. The reason the spell has existed for so long is because the spell itself is hypnotic and you are in a state of amnesia, and although many of you are waking up, you still need to remember or **re-know** who you are. This science is, called **Nuwau-pu,** taught through ***The Ancient Egiptian Order, A.E.O.,*** only works with nature, and its atmosphere of the new sun cycle - the revolutionary cycle – after the year **2000 A.D.,** which was marked by the electric storms on the sun, that create bad weather patterns, deformed animals and humans, hail storms, change in weather patterns, landslides, droughts, sink holes, buildings and other structures collapsing, and war, all over the world. There are earthquakes, floods, insanities in humans and plane crashes. Racial tensions are increasing and more and more Nuwaupians, Blacks are waking up and becoming aware of their condition and de-forming, and not conforming to the Devil's ways. **Apophis'** time is up and he will fade away; and **Blacks** will give up on the white man, slave master's religions, and return to Egiptian teachings.

THE RIGHT KNOWLEDGE, THE RIGHT WISDOM and THE RIGHT OVERSTANDING can only produce right thinking for the **Nuwaupian Egiptian Moor, Blacks**; and **Right Thinking** causes us to follow the right way to liberty and equality through **RIGHT WORDS** and **RIGHT WORKS**. **Right Knowledge** is truth, and truth is the best knowledge. Therefore, if information is the best knowledge, then the best knowledge is **Right Knowledge, and Outformation is Supreme Mathematics, Black Magic. It's our time to rule self!**

Ques: What is keeping you spellbound?

Ans: Part of the Devil's evil spell that has a hold on you, are negative spirit forces, **6-ether forces,** sympathy, pity, apathy, jealousy dis-contentment, self defeat, and inferiority complexes, **white magic.** These feelings which are within the hearts and minds of Blacks, were sent to them by **Amam** ***"Leviathan"***. This means, although those negative spirit forces of ***"white magic"*** are within many of the "captives", **Blacks The Egiptian Moors,** they work against "Blacks"; because they are allies of the "captor". They really think they can trust **Pa Tama'-Hu** or ghost man. Although many captives **Negro** or **Necro** ***"Dead"*** are willing helpers or allies of this 6-ether force, they will only be used by this force; for those that follow the white "ghost" image, are compelled to do the very things that are preventing their rise from their bondage. It is a very depressive position for a race of people to be in, having forces within self constantly working against ones self and kind. This force is called *"Ra'a"* (רַע) in the Hebrew Torah or Bible, the disagreeable or the negative side of will (***Genesis 3:22***); not to be mistaken for the Egiptian deity of the sun **Re** ***"Ra"***, our own force. They tried to deceive you. The words look alike, but that is the position of the oppressed, and the only way to destroy the negative forces that maintain that position, is to destroy the negativity, and ignorance that those negative forces live and strive on, such as bright light and white magic. The acceptance of **Right Knowledge** is the solution, which leads to **Right Thinking,** and right thinking leads to **right action,** and breaking away from their fire forces.

Nubians OR NEW-BEINGS, Blacks do not just read this scroll and the others of **"The Right Knowledge Series" (Mythology, The Right Knowledge, First Language, What is Nuwau-pu? Our Bondage; The Black True Roots, and Garden of Eden),** but **study** them also because, these scrolls are dedicated

www.Nuwaupuinc.com

and designed to offset and help destroy the negative, "Negro" that is, **Necro**-***"dead black"***, and slave minds amongst you. The spell of ignorance, is taught to us by the slave master, with his white magic, through *Christianity, Judaism* and *Islam*. Also through other white religions of a spook or spirit or ghost worship, which is their spirit force not our own.

Ques: Tell me more about Right Knowledge?

Ans: Right Knowledge organizes and unifies the minds of **Nuwaupians** *"Nubians"*, that is **Egiptian Moors** called **Black** people, *Negroes, African Americans* and others individually and collectively. If knowledge is not to be confusing and thereby effective, then it must be in sequence. Knowledge received must be in an organized sequence in order to put the mind in order, and unity. One purpose of these scrolls is to help organize and put the minds of **Nuwaupians** *"Blacks"* in unity and order enough to qualify for your own effective spiritual science called **NUWAU-PU (noo-wau-poo)**. Black magic is for **Black** people. It will clear the fog and your single eye will re-open. **Safera** ***"Clairvoyance"*** meaning *"clear vision"* will return and you will see again. **NUWAU-PU** and the forces and powers thereof are liberty, equality, justice, rightness, and proper survival for **Nuwaupians** ***"Blacks"*** everywhere. **NUWAU-PU** and the powers that make it effective and binding are the equalizers for ***Black Folk,*** *Egiptian Moors* in all fields of necessity and endeavors in which other races offer contest. The liberation forces for **Nuwaupians,** ***Blacks*** are not ***Caucasian*** and their **Tama'-Hu** form of Jesus, or their *Lord*, their *Allah*, nor the spirit power-names of any other race and their gods. The liberation forces of **Nuwaupians,** ***Blacks*** are **9-Ether** whose scientific name will be disclosed in our science **NUWAU-PU**. 9-ether is the original creative forces that made these scrolls possible.

Ques: What is Negro mentality?

Ans: Negro mentality is negative mentality, a slave mentality. The very word is **necro** means dead and **Negro, negra-omega** ***" means black death"***. A Negro, negative, or slave mind is one, regardless of how free you think you are, if you don't take control of your life, you are dead. One who is in mental slavery knows no more, or little more than what the **Tama'-Hu,** cursed albino seed, has written for public reading and spoken for public hearing, the Negro mentality knows no more or little more than what the **Tama'-Hu-aat** and/or their Negro helpers have taught. This is what I call synthetic education, which breeds a synthetic mind. This ties into the whole world of the **Tama'-Huaat.** They make movies to portray themselves as being something they are not. Yet the animation and graphics appear so real that you are convinced it is real and you believe it. This is done so that you will accept this kind of man as being superior, and if you are not like them, then of course you must be less or nothing. When, in actually, you are the ***"Supreme Beings"*** called gods, who created them. You and your ancestors and descendants of Ancient **Tama-Re** *"Egipt"*, are the real Gods.

You don't have a mind of your own. You are out of your mind. You are in his mind. Your Preacher, Imam, is holding their translation or the scripture he is teaching you from, or relates you to their books to cheat me, your **Reformer Neter A'aferti Atum-Re, Amunnubi Raakhptah, Atum-Re**. So these preachers, teachers, imams are really enforcing the evil teachings, and the results of the ghost spell are negative and slave mentalities, full with physical slaves and captives that must be resurrected from this mental death. (***REFER TO What is NUWAU-PU? SCROLL #42***).

Ques: Will these scrolls really help?

Ans: Yes, if a person has a Negro, negative, or slave mentality, these scrolls will help him or her get rid of it, provided the person does not just read, but studies the scrolls and accept the facts therein and herein. Facts can be rejected, but they can't be disproved. Those of you who've survived the year **2000 A.D.**, the

www.NuWauPuInc.com

showdown between **Qa'hat** *"agreeable"* and **Netchnetch** *"disagreeable"*, will accept these facts and stick to them. The **Heka-Khasut** did not and will not teach others besides their own race. Any real knowledge about universal powers and forces would enable others to rule themselves. Moreover, other races are not going to give woolly-haired people, ***Blacks, Egiptian Moors,*** real universal knowledge, and **Black Magic**, because real spiritual and universal knowledge is where real ruling power is found and exercised. This is something they, **Pa Tama'-Hu** ghost man may have knowledge of, yet still cannot exercise this spiritual power on their own, without the help of self and kind. Let me add they have no power over you unless you, or one of self and kind, gives it to them; just as vampires can't come into your home unless you welcome them. Stop trusting them. The same Negroes *"dead blacks"* give them their power by worshipping their Gods, Allahs and their prophets, apostles, angels and image. This must stop for us to regain our own power again when we ruled ourselves in **Tama-Re** *"Egipt"*.

Apophis' race of demons you all living by *"white magic"* and **Black** folks should live by *"black magic"*; but they don't. They all live by white magic, a spell of ghost *"gospel"*, under the white Indo-Aryan Religions. If they had any real knowledge they would be exercising these principles now. Instead they use Blacks as "guinea pigs". They study your experiences and reactions and then go write a book about it as if they had knowledge of it themselves, when they do not.

Ques: Are we to adhere to any teachings of the Tama'-Hu man, being that we are not taught Right Knowledge?

Ans: **Yes**, no one can really teach you but self and kind. For the time being, it may be permissible for the **Tama'-Hu** man to teach occupational knowledge, jobs, and trades, along with computers, mathematics, works and subjects that no one can be deceived with. But not subjects like history **"his- story"**, religion – Judaism, Christism, Muhammadism-, origins etc., because the **Tama'-Hu**

seed will not and sometimes cannot give others the facts about these subjects. The **Tama'-Hu** albino seed knows and teaches certain occupational jobs and trades according to present-day standards, and mathematics which is a universal science which speaks for itself; but what can they teach anyone about morals and the best way of life, when they are those who destroyed the real knowledge, morals and the best way of life by suppressing and murdering darker peoples, lying to divide others and creating ignorance, and stealing other people's lands, cultures, and natural resources, that are another people's heritage. The **Heka-Khasut** *"Hyksos"* act like they are real *Egiptians*. That is why they were called the *Jacobites or Yaqub's grafted devil. Jacob* means *"supplanter"*. These same **Heka-Khasut** or ***Canaanites*** called ***Amorites, Jebusites, etc,.*** never did and never will give others true spiritual and universal knowledge, because much of it they do not know themselves. In secret lodges like *The Knights of Templar, Freemasons, Knights of Columbus, Rosicrusian, Astara, The Theosophical Society* and the likes, use small portions of our knowledge. What they do know is kept amongst themselves so that they may continue to rule the ignorant and the poor, in their Luciferian or Illuminati White Brotherhood, *Skull and Bones*.

www.Nuwaupubinc.com

Ques: Will education free us?

Ans: No! Occupational, professional, and technical knowledge is what **YOU** need and should have, but **YOU** need more than that in order to be free, and as gods gain and have ruling power. Occupational, vocational, professional, and technical knowledge are not sufficient to eliminate Negro, negative, and slave mentality. Negro or negative mentality (negative mind) is one which is void of real universal knowledge - knowledge about time and origin of universes, stars, planets, satellites; origin of oceans, mountains, vegetation; time and origin of races, cultures, and what each race is supposed to represent. *Negro* mentality is void of its own true spiritual science, and the powers, which maintain a race's spiritual science, are those that create a race's culture, make its history, and direct its way of life. Therefore, if a race does not have its own

true spiritual science, **The Black Sciences**, it is void of what is necessary to make it free and regain that God state of mind. In **Your** case, **NUWAU-PU** is YOUR true spiritual and universal science. It will make you God, **Supreme Beings** again and **9 E-ther utopia** beings.

Ques: Who is our true teacher?

Ans: Your true teacher is one that can give **You** the universal knowledge that informs **You** about the governing codes and cycles of all existing and living beings, ones that can inform you of mankind's, *white magic,* spirit forces and the ones that are for or against you as a **man god** spirit force, ***Black Magic*** that is for you. They made Black magic sound evil because they fear it. You are Black and have miraculous powers when you learn how to use them again. Real universal knowledge must answer the knowledge questions: **When? Where? What? Who? How? Why? And nature of;** that is, whom a thing is for or against. **The *Sun of Righteousness,*** the writer of the scrolls entitled, ***"The Right Knowledge Series"***, a man-god Supreme Being, who foretells the future and it comes true, is qualified by the forces of nature, the **9-ether** forces that created and grew this planet. Through the **Black Science** of **Nuwaupu,** you will receive disclosed universal knowledge, unveiling the past, emphasizing the present, and a blueprint of the future.

What I, **Amunnubi Raakhptah** called **Atum-Re**, write is meant to destroy the barriers between woolly-haired, **Egiptian Moor, Black** people and their spiritual science and heritage in general. Universal forces cannot beneficially and effectively work for **You** and with **You,** as long as so many minds amongst **You** are so negative or in opposition to your own kind; and negative minds attract negative forces of *white magic,* and those negative or opposing forces destroy **You,** and cause **You** to destroy Yourselves. Just like when the light is cut on it over powers the dark. Yet the dark still exists, but only a dark hand can cut on the light or it would not have been totally dark. Light has a beginning

light or it would not have been totally dark. Light has a beginning and an ending. Once you start working with the forces of 9-ether, meaning love of self and kind, these same forces will also begin to work with and for you.

This resource is available to all **Nuwaupians, Blacks**, who have abandoned the love of the image, mind, and body of the **Tama'-Huaat**. Only then will you be in your right state of mind **9-mind.** Once the love of all, other than self and kind has left you, then the forces of **9-ether** will help you and never abandon you. If you turn back to love of other than self and kind, it will leave you again. You need a positive mentality to offset the negative, then **You** will have the brain power necessary to identify yourselves with the universal forces of nature, **Tamunefuset, Ta *Earth"*, Mu *"Water"* Nefu *"Wind*, Set *"fire,"*** forces of **9-ether** and they will help **You** to find or obtain liberty, godliness and justice. **Black is God.** God is good. **Black is good. Pa Neter *"The Supreme Being"*** called God was in blackness or darkness ***(Amos 5:18)***, when he said *"Let there be light." (Genesis 1:3)* So, **God dwelled in darkness, and dwells there now. Light is chaos.**

When the **Tama'-Hu** meets someone who does not believe in their god, (that is, ghost) they call that person an ***Atheist***. There are two kinds of spirits **"ghost"** and **"ether"**. Therefore, if a person is not of *ghost*, that is "god", he or she must be of *ether*, hence, he or she is called atheist by the **Tama'-Hu** Ghost or Albino being. **A**=against **theist** = **Thehos** Greek for god or deity. **Atheists and Etherists** have the same original or etymological meaning, *"not god"* or *"not of god"* because, if one was originally created by an **Ether Black Man-God**, instead of ghost, spook, or spirit, that person by nature is not "Ghost" god and not of "Ghost" god. A person originally created by ghost can, and most likely will become of god, their white god; and created by god mentally during the cycle of their god, **Pa Ah *"The Moon"* Cycle**, which

www.Nuwaupu.com

end in the year 2000 A.D. The beginning letter of ether was **"A"** instead of **"E"**, in ancient times, **Ather**.

Ques: What are cycles?

Ans: There are **4** cycles: **2 Ah** ***"Moon"*** cycles and **2 Re** ***"Sun"*** cycles, which consist of **6,000** years per cycle. The second moon cycle, which lasted **6,000** years has ended, **9-9-99 A.D.** His last attempt at total control was **6-6-66 A.D.**, when he came up from the **6th chamber** and he turned **13** in the year **1979 A.D.** ***"The International Year of The Child"*** **in flesh.** Then in **1999 A.D.** he became **33,** completing his higher degree **3+3 =6.** In **Revelation Chapter 13,** note age **13,** which has **18** verses or **3x6** and is where you will find **666. (Refer to *"The Spell of Leviathan, Kingu 666"*, scroll now!)** Just before the end of each ruling cycle of nature, a male person is authorized and appointed by the female forces of nature to determine and disclose to the people especially those of his own kind, the hidden past, the changing present, and ruling future. 30 years before the end, that was **1970 A.D.** until the year **2000 A.D.**, which is **6,000 years**. I came up from the 9th chamber with the power to defeat the devil and his hosts and g-host.

Pa Ah ***"The Moon*** Cycle was the 3rd phase of the evolutionary cycle which is **24,000** years. This continuous cycle of **24,000** years is broken up into **4 6,000** year periods, being **2 Re** ***"Sun"*** **cycles** and **2 Ah** ***moon"*** cycles, has been occurring for **17 million 250 thousand** years.

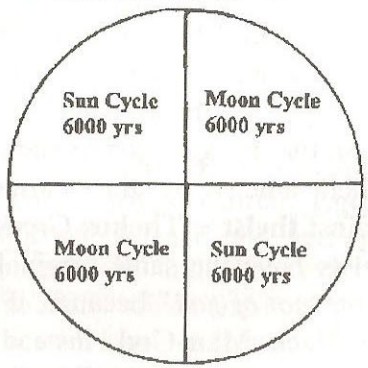

Diagram 2
24,000 year cycle

Therefore, since the end of **Pa Ah** ***"The Moon"*** cycle is also the end of the evolutionary cycle. The cycle of mankind and it is now the revolutionary cycle, which means an evolutionary reverse. It was necessary for the forces of nature to select from among the oppressed, a woolly-haired, **Egiptian Moor, Black** and qualify, authorize, and appoint him to manifest the knowledge and rule the beginning present שמש Shamash ***"sun"***, cycle of the outer world with **Afsu.** This is not to be confused with the sun of the inner world. **RE** found as **Shemesh** in the **Hebrew** language is called ***"The Sun of Righteousness"*** in ***Malachi 4:2 Atum-Re or Ra.***

"BUT UNTO YOU THAT FEAR MY NAME SHALL THE SUN OF RIGHTEOUSNESS ARISE WITH HEALING IN HIS WINGS; AND YOU SHALL GO FORTH, AND GROW UP AS CALVES OF THE STALL."

Now look at this. **"Righteousness"** is **"Tsed-aw-qaw" (zodoq)**, found in the book of **Malachi**. **Malachi-Zodoq** the messenger of ***Revelation 1:1,*** **Malachi Zodok York.** The **"Ang-el-os"** angel is **"messenger"**, and in ***Malachi 4:5***, **Elijah** which is short for an **"Eloheem of Yahuwa"**, is an Angelic being who will prophesy to you before the end. Elijah has come and gone. ***(REFER TO THE SCROLL OF MALACHI, SCROLL* #111**).

Just as there are forces that can foretell the future, there are also forces that can tell you about the past, and **Atum-Re**, also called **Murdok** in Babylonian text and **Amar-Utu** in ancient **Sumerian Tablets,** the son of **ENQI,** who is the son of **ANU,** your **ALLAH, EL Eloh, JEHOVAH or GOD,** has access to all forces necessary to retrace the past and foretell the future. This fact made these scrolls possible. You can acquire more information on this subject by joining ***"The Ancient Egiptian Order, A.E.O."*** **a Higher Degree,** of ***"The Ancient Mystic Order of Melchisedek, A.M.O.M."***. One authorized and appointed by the forces of nature is given connection and access to the powers of **Pa Re** ***"The Sun"*** and **Pa Ah** ***"The Moon"*** and powers of **Pa Ta** ***"The planet Earth"***, that he may take his place in the sun, meaning, in universal affairs, and all of his kind who are able to learn, overstand and accept universal knowledge and facts as disclosed by **9-ether** will also be given the same connections and powers for realization and maintenance of liberty, justice, equality, rightness, and survival beyond **2000** onto **2003** onto **2030 A.D.,** which is the **Order of Ma'at.** **The Principles of Ma'at** is the internal struggle for balancement of your nature commonly called *the* ***Yin and Yang, or considered Tobe and Rah*** *or simply* **Qa'hat** ***"Agreeable"*** and **Netchnetch** ***"Disagreeable"*** and in **Ancient Tama-Re** ***"Egipt"*** called **Ma'at** *"Order"* And **Isfet** *"Disorder"*

The war or the showdown between right and wrong, that occurs in each individual. It is not, a physical battle. It's a struggle with the heart that is weighed against the feather of **Ma'at,** who is also the **Netert** "***Supreme Being***" of Order. Your heart or deeds are weighed against the principles of **Ma'at,** which determines where your soul will go after judgment.

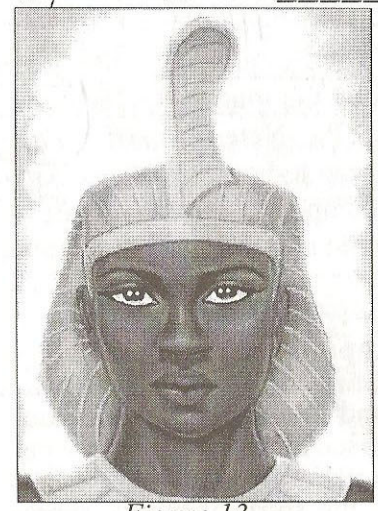

Figure 13

Figure 14
Judgment of the Soul
"Weighing of the heart against the feather of Ma'at"

After judgment the journey your soul takes can be to continue the journey on to **Sahu** ***"Orion"***, which is called heaven, where **Pa Neter Asaru** ***("The Deity Osiris")*** presides, or be sentenced to be devoured by **Amam Ammit,** ***The Devourer"***. She is a composite creature made up of a lion, hippopotamus, and crocodile and she sits in the **Hall of Judgment.**

I, as your Supreme Grand Hierophant, **Amunnubi Raakhptah** am able to distinguish between that which is for **Egiptian Moors, Blacks, Nuwaupians** and that which is against him and her. Ghost "white god", the spirit of the ghost "whites" the cursed albino seed, represents death for **Nuwaupians "Blacks"** and is thereby against Nuwaupians, Blacks, Egiptian Moors. **9-ether**, the spirit of blacks, represents life; and of course, life and death are opposites, just as Blacks and whites are opposites. **6-ether** is **9-ether** in death and yet and still at its death, returns to **9 ether**, being the "alpha and the omega". **9-ether** can produce ghost but ghost can not produce **9-ether**.

The purpose of anything and everything written in these scrolls is to help destroy the *Negro* and negative slave mentality. So that Nuwaupians, Blacks, woolly-haired people everywhere may have, and exercise free mind and **God** mind and thereby enjoy freedom and equality; if a person has an free mind, he will do free things and if a person has an equal mind, he will do equal things. Scrolls like the **"Right Knowledge Series"** are designed to open the way to a spiritual and mental revolution, because there can be no change in racial status for **Nuwaupians,** ***Blacks*** as a whole without first having change in mental powers and spiritual forces. The same old spirit forces and same old minds will maintain the same old system. Although the ways and means of maintaining the old system may change, it will be the same old system, as long as the same old minds and the same old spirits prevail, the same old system is the nature of them.

A change in mental status by **The Right Knowledge, The Right Wisdom, and The Right Overstanding** which leads to **Sound Right Reasoning,** brings change in the spiritual status,

because ignorance in the mind is destroyed. Then the spirit forces of ignorance, w*hite magic*, that maintain ignorance will have nothing to live on they die, scatter, or become sealed in **Pa Ta** ***"The Earth"***.

When the mind receives **Right Knowledge** and accepts it, the mind defends itself by fighting against the forces of ignorance (its enemy), and when the right side of the mind defeats the weaker side, the person becomes free and a **god-man** as sufficient effort is made and no longer ***god-damned***. The result of cruel suppression of the mind and the accumulation of gross ignorance is the state of miserable conditions where the *slave* and slave master or c*aptive* and *captor* pray to the same god and the **Black** man becomes damned. Since the slave master is an enemy of the slave, if the slave prays to the same white-skinned ghost or spook god as the master, he is praying to the god that enabled the slave master to enslave the captive; the enemy of the slave or captive just as the slave master is. The *one-god* doctrine, that the slave master indoctrinated the slave with, is really worship of himself and his "white" image and a part of the spell of 6,000 years ago brought on by **ENQI, Sutukh** and **Zuen** ***Apophis***; all the **Neteraat** ***"Supreme Beings"*** were condensed into one called "***god***" with a capital **"G"**. www.Nuwaupuinc.com

In this quote it speaks about **Joseph** taking an *Egiptian* wife named **Asenath** a daughter of **Potipherah** a priest of **On *"Strength and vigor"*** also **called Annu *"Heliopolis"*, the City of the Sun.**

Now **Apep "Apophis"** uses it as a trick to keep the slave from recognizing any other spiritual power but that of the slave master. There are many gods, but only one **Neteru** *"Supreme"* of ancient **Tama-Re *"Egipt"***, called **Alyun Alyun EL "The Most High" Re "Ra".** Even **Anu** means ***"The Heavenly One",*** and that being is infinite-omnipotent in nature and has innumerable powers and parts. The one Supreme being is in every **Nuwaupian, *Black*** person called **Eloheem** in the Bible ***Exodus 7:1*** where even **Moses** is called **an Eloheem *" a God"***; in every place, heaven; and in every thing, nature - *finite* and *infinite*, visible (body) and invisible (cells) which is all within **Pa Temt-Ta "The All"**.

The powers and forces of **NUWAU-PU** are liberation and salvation for **Egiptian Moors, *Blacks,*** and woolly-haired people everywhere. Liberation is mental and physical separation from opposing forces, and salvation is keeping opposing forces away from woolly-haired people after they have been liberated. Therefore, salvation comes after liberation and is the maintenance and perpetration of liberty, justice, equality, and rightness. Like the other scrolls, this scroll helps to open the prison gate that has your minds locked in, and as the gate of mental confinement opens, ignorance will flee, and **The Right Knowledge, The Right Wisdom and The Right Overstanding** will become the keeper of your minds. **The Right Knowledge, The Right Wisdom and The Right Overstanding** are **NUWAU-PU**, and **NUWAU-PU** is the spiritual science of all woolly-haired **Nuwaupian**, **Black,** people throughout the universes, which gives you soul and makes you soul people. These are **The Black Sciences** and **Black Magic** that has worked for us. Knowledge and formulas that created the pyramids and the great civilizations of ancient **Tama-Re** *"Egipt"* were built. These are the wonders of the world that the **Pa Tama'-Huaat** have still not figured out today.

The scrolls called **The Right Knowledge Series** are not the science, **NUWAU-PU** itself, but is the diligent reading and diligent study and profound overstanding of these scrolls that will open the mind, tear down barriers, and qualify the mind for the universal science called **NUWAU-PU**, as taught by ***The Ancient Egiptian Order, A.E.O.***

You, the reader, will overstand these scrolls better if he or she remembers that **Amam,** ***The Spell of Leviathan,*** comes in all forms such as: a sun god, an earth god, and a moon god for the **Tama'-huaat** all straight-haired peoples. **Amam** ***"Leviathan"*** can manifest itself as the sun god, for them it's fire worship. So many of them worship on Sunday and worship the sun, as a great ball of fire, a destructive force. Notice how they lay on the beaches, but the sun is not their friend. Why else do they need to cover up, while laying, under the sun? If they do not cover up, they will die from skin cancer, **melanoma** that develops from the lack of pigment, melanin in their skin.

Amam, Leviathan can also manifest itself as *God* their father *"Our father who art in heaven"*, in the **Draco Star Constellation** (Dragon) at one time; the *earth god*, god their son *Jesus*, at another time, and the moon god, their mother of god *Mary*, or *Dina* at still another time, or it can manifest itself as a combination of two or all three at the same time calling it the trinity, from the Egiptian Triad of deities, *The father* **Asaru "Osiris"**, *the son* **Haru "horus"** and *the Holy Ghost* **Khonsu** and with all 4, the blessed mother, **Aset "Isis"**, is really a **Quadity**. (*Refer to the scroll,* ***Jesus found in Egipt.***

The group called **"Adam" 6,000** years ago was an incarnation of the Earth god, known as **Jehovah, Dagon, the Mesopotamian god of vegetation**, who was half man and half fish; also known as **Jesus, Zeus, Lord, Baal,** etc. by whatever name, this ***Adam*** is really **Canaan** of your **Bible** found in ***Genesis 9:25***, who is the son of **Ham** who dates back to **4,004 B.C.** years ago.

Canaan Kena'an כנעאן meaning ***"Low Lander",*** is the father of the Canaanites. **Libana** was his name from where **Lebannon, Phoenician** ***"Land of palm trees"*** comes, or the land of **Nod.** That's why they always say that **Canaan** *"Adam"* ***Genesis 10:6*** was created only **4,000** years ago. Yes, there was more than one *"Adam"* in your Bible.

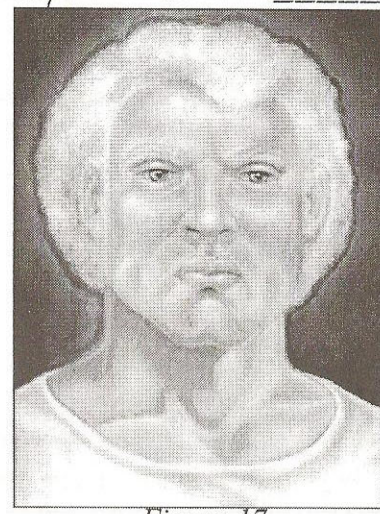

Figure 17
The Albino "Adam"
Canaan, Libana
son of Ham and Haliyma

www.Nuwaupubinc.com

The first *Adam* is mentioned in ***Genesis 1:26.*** The word for *man*, in ***Genesis 1:26*** is **Adam.** *Adam* is not one person, but a group or tribe, ***"created he them".*** The second **Adam** found in ***Genesis 1:27*** says *"males and females"*. This Adam was actually the **Hindus**. The third Adam is in ***Genesis 2:7*** speaks of Man being created from the *"dust of the ground"* when god breathed into the nostrils of man. The fourth *"Adam"* was from ***Genesis 9:18*** and ***Genesis 10:6.*** They are really talking about the birth of **Canaan,** the 4th son of **Ham,** son of **Noah**. So, again when the white race refers to Adam as being of their race they are talking about their Adam, who was ***Red*** and ***Ruddy*** as in **Edom**. This is not Esau, who many say was red, which is in reference to a pot of red lentils. ***Genesis 25:30.***

In the Jehovah Witness publication entitled ***"All Scriptures are inspired of God and Beneficial"*** on page **292**, they list the birth date of **Adam** ***"Canaan"*** as being in the year **4004 B.C.** So Canaan is their *Adam* and **Libana** means "white" like milk, so to them the *Devil* is *God*. Moreover, **Amam** ***"Leviathan"*** is *god* at

one time and the *devil* at another time or both at the same time to them. They say "O *my god"* and "*God damn"* at the same time.

Of course, this means that **Amam *"Leviathan"*** is very powerful and very deceptive. In fact, **Amam *"Leviathan"*** are the forces of trickery, the source of tricknology, deception, and hypocrisy. He is a flat out liar. **Amam *"Leviathan"*** is also a strong sex force that has control over all that submit to the *luster* or ***lust*** of what is offered. Lust is not only in reference to the sexual aspect, but is also demonstrated by the very fact that you want everything you see. The *"luster"* or *"glimmer"* of gold is what attracts you. It is something natural, and taps into your innocence; for even a child if given a choice between a shiny penny and a million dollar bill, the child will go for the glitter of the shiny coin. The allure something has, is what attracts you to it. It happened with **Nekaybaw *"Eve"*** in the garden. The allure of having something *"pleasant to the eye"* (attractive, allure) and *"good for food"* and being promised to be wise like God ***Genesis 3:6*** made her accept the offer of the **Remusyan** *"Reptilian"* in the enclosed Garden of Delight. There are all forms of seduction, which is one of the attributes in the "Devil's web" and is out there for you. You had all he offered to you. You had your own mind in the **Black Mind** as a **Tama-Reye** "***Egiptian",*** knowing who you are, what you are, where you are, and why you are. All this is yours again in the Egiptian way of life, **Nuwaupu;** but, not as you are now, wanting what he has and which he will never share with you.

Amam *"Leviathan"* is 6-ether that is spirit fire, amber light also referred to as smokeless fire found in ***Qur'an*** *"Koran" 55:15 of Muhammadism* and the lesser light of the Torah, Bible of Mosesism and Christism ***Genesis 1:16*** that produces ghost, not light. If the reader overstand this paragraph, he or she can overstand the **Bible**, **Qur'an** *"Koran"* and the pamphlets called **"Right Knowledge"**. In this scroll, there may be repetition, but it

is needed for clarity and emphasis. **Qur'an *"Koran"*** says how the people seek to blow out the light of the Muhammadan deity *Allah*, from 1400 years ago. **Qur'an *"Koran"* 61:8**... *their intention is to extinguish Allah's light (by blowing) with their mouths...,"*.

That light would be fire. What other light would you be able to blow out with your mouth? There were no electric lights 1400 years ago. So the **Qur'an** *"Koran"* ***61:8*** admits *Allah* is fire, and the Bible in **1 John 1:5** *"... God is light and in him you find no darkness at all"* it also admits their *God* is fire. They will try to say by light we mean knowledge. But how could anyone or anything put out God's, Allah's, knowledge?

Ques: What is a real Nuwaupian or Egiptian Moor?

Ans: When I use the name Nubians and or, Blacks, I do not mean only a woolly-haired person born in the small territory in **Africa** called **Nubia, Ethiopia** today. I mean a woolly-haired **Black** person born anywhere in the universe. The root of the word **"Ethiopian"** is **"ether".** In middle English it means *"upper air"* or from Latin ***Aether*** and Greek *Aither*. **Ghost** is lower and ether is upper or the highest, **Anu** or **On**. It's all about breath, and breathing ***khayyeem*** חיים with **2** *yods* (יי) as found in the Torah or Bible in the Hebrew, Genesis 2:7 as *neshawmah khayeem* which is ***Ether, divine spirit***, forever and **khay** חי ***"life" in Genesis 2:8 as nephesh khay*** with one *yod* (י) which is for **ghost**. Ether is the creative power that the sun and other true stars produce and emanate.

When the planet was forming and was in a state of desolation or void and darkness, there were forces that were on this planet ***Jeremiah 4:23.*** These forces were 9-ether. These black forces, created life in the water first. Hydrocarbons were present in these waters. Hydrocarbon is simple methane or benzene gas

www.Nuwaupuinc.com

that only contains hydrogen and carbon. **Hydro-carbon** from, *hudor* means ***"we "*** **or** ***"water"*** and **carbon** from *carbo, charcoal* means ***"black".*** So these black gases of **9-ether** are the celestial origin of all Ethiopians, Blacks. Being behind the **Nine Ball** or the 9 known planets of this new solar system. We as **Etherians** were trapped within the Earth's atmosphere, because we breathe in bad air, until the year 2000, which is 6,000 years, the end of **Apophis's *Rule.*"** You are 9-Ether beings behind the **9-Ball**, who are called Blacks and all the Nuwaupians are from the original Nuwbuns born black as coal. For 9-ether is the power that produced the **Pygmy,** the **Kishites/Kushites** also known as **Zulu or Lulu**, the ancestral tree of all woolly-haired people who were pre-dynastic **Tama-Re *"Egipt"***.

Accordingly, Greek philosopher, such as Diodorus states how the Ethiopians are Egiptians and I quote: *"and upon his return to Greece, they gathered around and asked, 'tell us about this great land of the of the blacks called Ethiopia.' And Herodotus said, there are two great Ethiopian nations, one in Sind (India) and the other in Egypt."*

And even the God of the Bible is from Egipt as found in **Hosea 12:9:** ***"... and I am that Lord God from the land of Egypt..."***

At one time, all Africa and the nearby surrounding lands, before the parting of Africa from Asia and other territories, were called **"Ethiopia"** or **Ether-Utopia** ***(Genesis 2:13)***. **Kuwsh,** called **Kish** in pre-Bible time, is now **El Habasha** and the **Atlantic Ocean** was called the **Ethiopian ocean**.

There is only one ocean and many land masses. Before the separation of the land due to explosions and continental drift the masses were all one, called **Ganawa.**

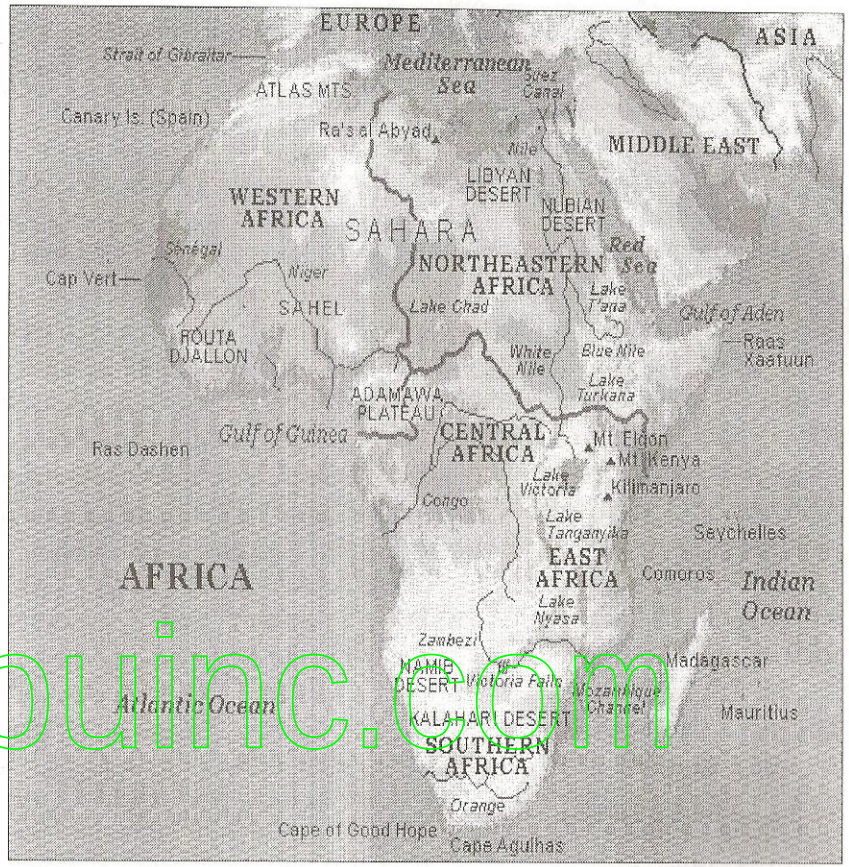

Figure 18
Atlantic Ocean once the Ethiopian Ocean

Therefore, there are two ***Kuwsh*** **(Cush)**. The ***Kuwsh*** **(Cush)** mentioned in ***Genesis 10:6 Kuwsh,*** son of Ham, came many years after the **Kuwsh** in ***Genesis 2:13,*** which translates as ***"Ethiopian"*** which is a name that gives woolly-haired people their celestial origin, terrestrial origin, and ancestral origin. Hence, **Ethiopian Utopia** was the best all around name identification for mentally resurrected woolly-haired people, until **NUWAU-PU**, by the power of 9-ether, gave YOU **Blacks,** your new-cycle name, **Nuwaupians**, NEW-BEINGS.

Ques: From the ending of the Old Testament (Malachi), to the beginning of the New Testament (Matthew), why is there a time span of three or four hundred years?

Ans: Pa Tama-Reyeaat *"The Egiptians"* **Blacks, Pa Heka-Khasut, Israelites,** *Gews*, **Grews** Greeks had a war around **1600 B.C.** And **Pa Tama-Reye** *"The Egiptians"*, lead by **Moses**, or **Thutmose I** according to the *Egiptian Mysteries* that is, the **A'aferti** ***"Pharaoh"*** **Thutmose I**, defeated the Greeks (Grews, Jews from **Javan** *Yawan* in Hebrew) under the command of **A'aferti** *"Pharaoh"* **Ahmose** and **A'aferti** ***"Pharaoh"*** **Kamose** whose names are from *Mose*. **Mosheh** in Hebrew and **Musa** in Arabic, **Mose** in **Egiptian** meaning ***"child"***. **A'aferti** *"Pharaoh"* **Ahmose** and **A'aferti** ***"Pharaoh"*** **Kamose** returned them, **Pa Heka Khasut** - *Captive Shephards, Captives of Kings, or "Chieftan of Foreign Lands,"* back across ***"the burning sands"*** on up in to the caves of Asia *"Caucas-asian"* with great control until around **600 or 700 B.C.**, then its rule began to weaken and the **Heka Khasut** began to gain strength. Their moon God, Yahweh as found in ***Isaiah 43:3*** gave ancient **Tama-Re "Egipt"** to us as a **kopher** (כפר) **ransom**.

"FOR I AM THE LORD THY GOD THE HOLY ONE OF ISRAEL, THY SAVIOR: I GAVE EGYPT FOR THY RANSOM, ETHIOPIA AND SEBA FOR THEE."

Notice how this quote is making reference to *Ethiopia* and *Seba* as Egiptians. The word used for **Ethiopia** again is *Kuwsh* and **Seba** is the first son of **Cush "Kuwsh** as found in *Genesis 10:7* which again shows the Ancient Egiptians are the same as Ethiopians.

www.Nuwaupuinc.com

By **200 or 300 B.C.** the **Tama'-Huaat** had control of **Tama-Reye** ***"Egiptian"*** territory including **Tama-Re** ***"Egipt"*** itself, and they started suppressing the **Tama-Reye** ***"Egiptian"*** culture, which was called by them *pantheism*, and persecuting those who maintained it. **"Pantheism"** is the study of **"EL"** or the **Elul "The Creator of Mother"** as nature, and working through **Mother Nature**. Nature is **Neter** ***"god"***. The forces of nature are Mother Nature, which controls birth of everything. So any new idea of existence must pass through mother nature's permission first, to get to this realm or manifest, as in **man-infesting** the planet. Mother nature brings man about, and she also created the **god-man** or "good man".

Pan-Theos, Pan is Hérmes, that's Tehuti or **Thoth** of **Tama-Re** ***"Egipt"*** and there is **Tawaret** ***"Theoris"*** goddess of women and childbirth in **Tama-Re** ***"Egipt"***, from the book ***"Comprehensive Dictionary of the Gods"*** **by Anne S. Baumgartner.** So true pantheism is from ancient **Tama-Re** ***"Egipt"***. It is your ancient way of life. **Pantheism,** the secret

wisdom of **Tehuti** ***"Thoth"*** **or Hermes** is just a word, and a poor one at that, for ***"being in tune with nature"***. It was the religion of **Adam** and **Abraham** and the **Ancient Phoenicians, of Nod or Lebanon, "Libana"** also taken from **Egipt.**

The **Tama'-Hu** suppressed the **Tama-Reye** ***"Egiptian"*** culture by taking certain books out of circulation, burning others, forbidding the adherents followers to practice it, and killing off the **Tama-Reye Waabaat** ***"Egiptian Priests"*** and prophets (***Matthew 23:35***) who protested and resisted. **Zachariah, Tama-Reyeun Waab** *"An Egiptian Priest"* of high rank was murdered before the end of that suppression.

The so-called killing of **Jesus of 2000** years ago was supposed to end **pantheism.** The **Tama'-Hu** thought by killing **Yashu'a** ***"Savior",*** who is equivalent to **Tut Ankh Atun** ***"King Tut"*** of **Tama-Re** *"Egipt"*, who was sent to find and save the **Lost Tribe of Judah. Apophis** thought that by eliminating this savior, they would cut off the link of the **Ethiopian,** people called **Kuwshites** or **Nubians** *in Aswan,*

or *Yahuda* from *Huda, Haadi,* Al *Mahdiyya* ***Habiru*** Hebrews, *or* **Aksum (Axum), Ethiopia, Ether-Utopia;** However, as the forces of nature protected them, these people were in Egipt as the *Biga* or *Hadendawa* in Sudan, as the **Mahidiyya** living in **Dongola, Nubia.** They were also the remainders of the pure seed of the real Israelites.

Many refer to Ethiopia as the kingdom of **Meroe** and **Napata,** but actually the official name is **Kuwsh.** So-called scholars who were trying to hide the fact that these are all the same people use various names. The **Pa Tama'-Hu** man's motto has been *"divide and conquer"* since the beginning of time. When you kill off a person, you kill off his whole race. That is what he refers to as genocide **Gene-Ocide**. Remember the whole family lives on through pro-creation.

Figure 20
The Goat God – Pan

Therefore, they called the death of **Jesus,** the death of the God **Pan** (also called *Faunus*. **Pan** is the goat god; and is celebrated **December 25th** as the birthday of **Jesus** every year because **pan** (Capricorn of the Zodiac) is re-born every December around that time, and the goat is used in **Satan** worship.

That's why both *Jesus* and *Lucifer* are called *"The bright morning star* ***Isaiah 14:12*** for *Lucifer,* ***The Devil,*** *as the son of the morning."* and ***Revelation 22:16*** *"I Jesus have sent my angels...I am the root of David and the bright and morning star."* For the son of God, **Jesus Ja-Zeus,** was considered to be **Capricorn**, the scapegoat found as Azazl in ***Leviticus 10:26,*** and ***16:8***.

The name of the man called **Jesus** was **Issa** in the **Qur'an** ***"Koran".*** This same person was known as **Saint Isa** in **Kishmir India, Issa Panthera** or **Yashu'a**, of **the Torah** or **Cleophas** ***(Refer to The Real Jesus, Scroll #34).*** **"Panthera"** is a word which refers to **The Great Sphinx at Giza, Egypt,** the big cat, holistic cat, or *Catholic;* the first Roman branch of Christism or the Lion of Judah, with the Astrological Sign, **Leo.**

This also refers to the religion of **Adam**, which was **pantheism** also, for Adam was the first Christ: ***1 Corinthians 15:22 For as in Adam all die even so in Christ shall all be made alive." 1 Corinthians 15:45 and as it is written, the first man Adam was made a living soul; the last Adam was made a quickening spirit."Qur'an "Koran" 3:59.***

Ans: First, things first, there was more than one Jesus. Let's deal with them one by one. **Cleophas**, which means ***"my exchanges".*** In other words, exchange one Jesus for another, who is also called **Jesus-Justus,** ***Colossians 4:11*** and **Saint Isa,** was the son of **Cleopatra** and **Mark Anthony** (Marcus Antonius).

And because of this, **Cleophas** became very vexed; he became an evangelist, that is a messenger, and set out to teach the Phoenicians that he was their "king" as in *"King of the Jews"*. ***Matthew 2:2*** He traveled mostly in India and studied there in the mystery schools.

There is reference made about him as **St. Issa** in the **Upanishads**, the **Hindu tablets** as an **Avatara,** an incarnation of god in flesh or god in the personage of **Christ,** which tells about the god, who came to Earth. They were hermaphrodites in appearance, even part animal covered in fur.

Diagram 3
The Hindu Avatar Krishna
An incarnation of Vishnu

These Hindu tablets called the **Upanishads** were recorded thousands of Years before those of ***Matthew, Mark, Luke and John;*** yet, they have a *Krishna or Christ* that was Crucified long before the Bible and Koran were created.

Excerpts from the Upanishads are shown below:

These avatars such as Visnu took on the form of a fish when the earth was overwhelmed by a universal flood. The fish legend first appeared in Brahmanas (the impersonal world soul) and the Noah's ark theme.

The tortoise (Kurma) Visnu became a great tortoise, and dived to the bottom of the cosmic ocean to reclaim the many divine treasures that were lost in the flood including the Ambrosia (Amrta, the food sometimes the drink of the gods in

Greek mythology) with which Gods preserve their youth.

A demon, Hiranyaksa, cast the earth once more into the depth of the cosmic ocean. Visnu took the form of an enormous boar, killed the demon, and raised the earth on his tusk.

Another demon, Hirauyakasipu, had obtained a boon (blessing) from Brahma ensuring that he could not be killed by any man or beast. Safeguarded he persecuted all including his son. Prahlada (his son) called on Visnu for help. Visnu burst from a pillar of the demons' palace in the form of a half man and half lion and slew Hirauyakasipu.

A demon named Bali gained control over the world and commenced a course of asceticism (self denying) by which his supernatural power so increased that he menaced even the gods. Visnu appeared before him as a dwarf asking for a blessing of two strides, when granted the god became a giant and the two strides covered the earth, heavens and middle air.

There was also a group of hairy beings who came down to the planet earth from the **6th** star constellation **Septu** *"Sirius"* which is located just below Orion, who they were known as the shaggy people or the Shaggies, who are dog people from the dog star, **Sirius**.

So they love the dog like one of their own family members – and will eat, sleep, and kiss them on the mouth. One of the shaggy people was called **ENKIDU,** the ruler of the ancient Babylonian city of **Uruk,** the Bible **Erech** ***"long" Genesis 10:10*** northeast of **Ur** of Chaldea toward **Babylon.** He was the friend of **GILGAMESH,** who was **2/3 ELOHEEM & 1/3 HUMAN**. The disease is called **hirsutism**. You can go to any pool or beach today and see **Pa Tama'-Hu** the Europeans are descendants from this race of hairy beings with hair all over their bodies with connecting eyebrows.

There is also hair all over their back and even their shoulders. They came to **Ta** ***"Earth"*** from their planet for the sport of hunting dinosaurs, killing just for sport and fun. It's their nature to kill and the **Tama'-Hu** man is still the only race that hunts and kills for sport and fun.

However, when they came, they were captured and used as slaves, by the **ELOHEEM** or **NETERU** in **Ancient Tama-Re** ***"Egipt"***. The Shaggies were too aggressive to be workers for the **ELOHEEM: ENQI, NINTI, NERGAL** *"ruler of the underworld"*, and his wife **ARISKERGAL,** who were the children of **ANU,** ***"He who is above, The Heavenly One"*** the **YAHUWA** of the **ELOHEEM or YAHWEHANS of the 9 -ETHER or NEW BEINGS.**

You have the agreeable ***Yahweh*** and the disagreeable ***Yahweh*** or **Neteraat,** Anunnaqi, who were scientists as well as astrologers. These aggressive shaggy beings were cross -bred with a docile, yet civilized tribe of beings who evolved from the algae of the water and were called **Ptahites**; also known as the **Pygmies**,

the little people, **Zulu, Lulu** and the **Kishites/Kushites**. The product of this combination was the **Homo Erectus.**

These beings were not able to pro-create by themselves, so the scientists mixed in the blood of the **Eloheem** called **Shiru.** One of the scientists in particular named **Ninti,** the sister of **Enlil** and **Enqi,** took her blood along with the blood of **the Homo Erectus** and bred the **Homo Sapien.**

As previously stated, the mother of **Jesus Cleophas, Jesus-Justus** was a Black Phoenician woman of **Nod, Lebanon, Urat** ***"Female Ruler"*** named ***Cleopatra*** of **Tama-Re** ***"Egipt"*** who had children, but was unmarried. This fact made it easier for the **Tama'-Huaat** to state that this ***Jesus*** had no human father.

Yet, the physical father of this ***Jesus*** was a high-ranking Roman soldier, a general, named Mark Anthony of the Ghost Race, the white race, as previously said, who was one of the Roman Triumvir, which is a three person ruling body.

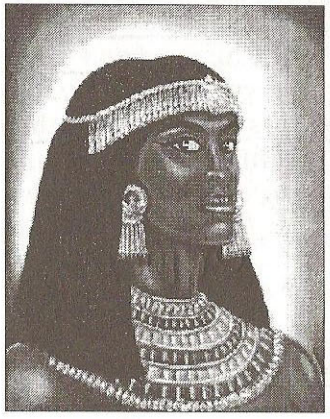

Figure 29

The mother of **Jesus Justus** was **Cleopatra Uratun** ***"a Female Ruler"*** of **Tama-Re** ***"Egypt"***, a well-known notorious person, even today and his father was **Marcus Antonius,** better known as **Mark Anthony**. **Mark Anthony** was a warmonger. Cleopatra was also responsible for lifting the ban and reopening the land of Egipt up to foreign people.

All the **Tama'-Huaat** are personifications of ghosts, because they were bleached or *"ghostized"* as albinos by the curse of Canaan ***Genesis 9:25*** or mixing with his seed ***Genesis 28:6***, by **Amam** ***"Leviathan"*** using the ghost process when they were being extracted from the original **Black** Phoenicians in the land of **Nod** ***"wandering"*** where, **Noah's** family lived as found in *Genesis 4:15*.

Therefore, **Mark Anthony,** being **Tama'-Hu** as a ghost or as pale as a ghost as they say, was a ghost in person and being noble made him a holy ghost in Rome, a noble Spirit. Hence, when

he impregnated **Cleopatra**, the ghost had overshadowed ***Cleopatra*** **"Mary"** as in the tale of ***Matthew 1:18,20***.

When the Bible speaks of a *Holy Ghost*, most of you have the impression that it is referring to an angel or the angel Gabriel, when it has to do with breathing. When you are no longer breathing you are dead. The point of death is when **ether** is **ghost**. So when they say *"he gave up the ghost"* ***John 19:30,*** they are talking about the breath of life that was breathed into the lungs of man by the Eloheem, and so man was made a living soul as it says in ***Genesis 2:7*** *"And the Lord formed man of the dust of the ground, and breathed into his nostrils the breath of life, and man became a living soul.*

Genesis 2:7

And a Yahuwa of the Eloheem shaped Kadmon, The Adam, from Ninti's clot of granulated blood, (dust from the ground, earthling). They gave him the breath of divine life and Kadmon, The Adam, was born a living spirit.

Right Translation in Aramic (Hebrew) By:

Neter: A'aferti Atum-Re

Mistranslation for King James 1611 A.D.

AND THE LORD GOD FORMED MAN OF THE DUST OF THE GROUND, AND BREATHED INTO HIS NOSTRILS THE BREATH OF LIFE; AND MAN BECAME A LIVING SOUL.

In the Hebrew, the word for living soul or *divine breath*, is **neshawmaw** נשמה. When Adam was originally born as a **nefesh khay** נפש חי ***"living soul"*** with one **yod** (י), he was given the **neshawmaw khayyeem** נשמה חיים ***"breath of life"*** with 2 yods (יי), that was blown in his nostrils, as stated earlier.

When you look up the word for breath in the **New Testament,** ***Matthew 1:18,*** you will see **pneuma** meaning *"breath wind or spirit"*, and when you look up this same word **pneuma** in the ***American Heritage Dictionary***, you will see *"soul or vital spirit"*. This root word is found in the word **pneumonia,** which originated from an alteration in the word *pleumonia*, from **pleumon,** which means *lung*. Compare this word with the word **pneumonia**, which is a chronic disease marked by the inflammation of the lung, and caused viruses etc. Your lungs are used to breathe in air or breath, and without oxygen you would die or – become as a ghost dead.

The word **ghost** can be found in ***Genesis 25:8*** in the Bible as **Gaw-wah** גוה Notice how close the spelling of the word **Yahweh** יהושה and **gaw-wah** גוה are. This is where *god* came from as in the "***ghost god***", they worship and have so many of you worshipping also.

The word **ghost** comes from middle English ***gost***, from old **English** ***gost***, *breath, spirit.* They worship this ***divine force*** because they cannot and do not have it. You as Ether People have this ***divine breath, the breath of life,*** **the soul and spirit 2 yods. They only have a spirit, one yod.** The **Neter** ***"Supreme Being"*** **is**

www.Nuwaupuinc.com

inside of you. They have you looking for "god" outside of you, while they are worshipping the god in you all of the time. They are absorbing from you, as much of that "breath", your life giving ether, your essence, as they can. That's why they claim to hate you, as *ether* people so much, yet like to put their hands on you. Have you ever noticed how a "ghost" person breathes different than an *Ether* person? Did you notice how they breathe in your breath as you breathe out? Again trying to get that divine breath that they are not entitled to.

We are at the end of the evolutionary cycle where the **ghost people**, **Pa Tuta** were supposed to be civilized. It is something that cannot be done. The scientists and the Eloheem, have tried to civilize this being and have realized these *ghost people* are *"uncivilizable"*. With this, the evolutionary cycle is thrown in reverse and now a revolutionary cycle will start for us as Ether people.

It is important that you people break the spell of Amon ***"Leviathan"*** that has been on us for so many years. These stories you find in Christianity and in your *Bible* and *Koran* are found in Ancient **Tama-Re *"Egipt"***. The story is repeated and replaced in different cultures. The names are changed, but the root or theme of the story stays the same. You can wake from this spell, but you must make that decision within yourself. This *Right Knowledge Series*, along with many others, will help you break this spell. You must overstand that Caucasian history is mixed up, falsely and ironically written to hide facts, mislead, and deceive. Although, the Phoenicians meaning ***"purple"*** are of all races, originally they were from what was called **Uruk** and later **Chaldea** in the Persian Gulf today.

The Original Phoenicians, Blacks, were eventually scattered and powerless by **200 or 300 B.C.**; yet the Romans and Jews and other Greeks, who were controlling **Tama-Re *"Egipt"*** at the time, allowed the figure head-puppet kings and queens of original Phoenician ancestry to continue to sit on the throne of Egipt until this **Jesus** was rejected as **A'aferti *"Pharaoh"***. The

same way **Pa Tama'-Hu** albino seed, set up and controlled parrot rulers and puppet establishments in these times. They did the same in those times until revolutionary forces moved in and moved them out.

This occurred with the **Nuwaupian, Black A'aferti "Pharaoh" Taa II, Senkhtenre, Tao II** son of **Taa I, Senqenere Tao I, Taa Ken** who was killed in battle. The fight was continued by his eldest son **Kamose** and completed by his top military man **Ahmose,** son of **Ebana.**

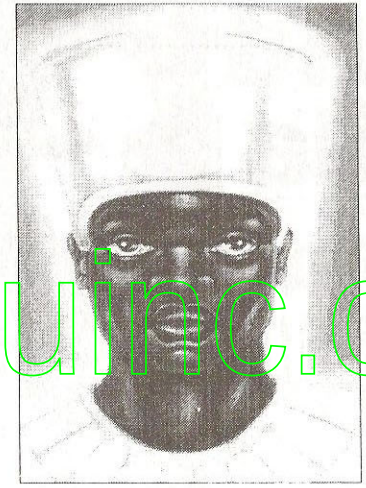

Figure 31

Figure 32

Under their reign, **Ancient Tama-Re** was taken out of the hands of **Pa Heka-Khasut**– ***Hyksos*** "*captive kings*" and returned back into the hands of **Nuwaupian, Black** rule.

After **Jesus-Justus, Cleophas** was denied the throne of **Tama-Re** *"Egipt"* because he was mixed with Roman blood and failed in his attempt to rally the Phoenicians to unity and power as they once were. He left **Tama-Re** "*Egipt*" at age **13,** and when he became a man by law, he traveled to **India** as **Saint Isa,** where he

www.Nuwaupuinc.com

lived until age **26;** then he came back through the land of Israel then back to **Tama-Re** ***"Egipt"***, returned to India and died in **Kashmir** at the age of **71**. He is buried in a **tomb in Sringer** in **India**.

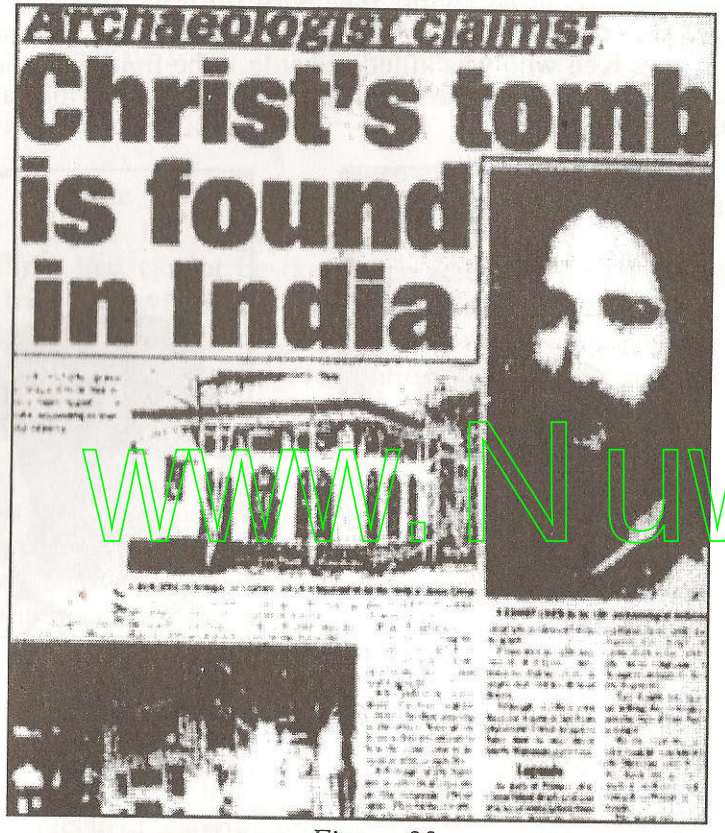

Figure 33
The Tomb of Kashmir in India of Cleophas /Jesus –Justus

Then there's **Jesus, Yashu'a** of **2,000** years ago, the son of **Mary** and adopted son of **Joseph** - the carpenter's son ***Mark 6:3***. **THIS IS THE REAL JESUS.** He was born **June 26, 7 A.D.** and was fathered by the ***"Holy Ghost"*** or ***Gabriel.*** This is the *Immaculate Conception* that was taken from the true accounted of

Aset ***"Isis"*** and her son, **Haru** ***"Horus"*** as recorded in the *Egiptian Mysteries.* When he was a baby, his parents had to take him to **Tama-Re** *"Egipt"* to keep him from being killed by **Herod**, the ruler of **Judea**.

Yashu'a, Jesus of **2000** years ago, then came back to **Judea, Jerusalem** after **Herod "Heroic"** died. At this time he was **11** years old. He was the one in the temple at **13** years old where he impressed the elders with the knowledge that he had gained in the mystery schools of **Tama-Re** ***"Egipt"*** before coming back to Jerusalem once **Herod** was dead, ***Matthew 2:19.*** Herod was the Son of Antipater *"Like the Father"* and Idumaea *"red race or Edomite"*.

Figure 34
Herod, Ruler of Judea

www.Nuwaupuinc.com

This **Yashu'a** ***"Jesus"*** eventually left **Mary** and **Joseph** to start his mission. He taught in Israel that he was to gather only the lost seed of Judah. ***Matthew 15:24*** The other tribes like the Levites, hated him because of that. So when he was **33** years old, they set out to kill him on the cross. He escaped and a *scapegoat* name **Judas** was crucified in his place.

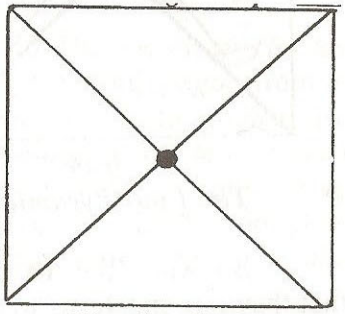
Jesus of 2,000 years ago returned to **Tama-Re** ***"Egipt"***, and lived there from **33** to **120** years of age, in the ***Ancient Egiptian Order, A.E.O.*** under **Tehuti**; then he died on top of the pyramid at **Giza**, which is a ritual in that sacred order. From this event, comes the expression **"x marks the spot"**, the spot of death and burial for this *Jesus*.

It is written that this *Jesus* was put to death at a place called **Golgotha,** meaning ***"skull"; The Great Pyramid at Giza, Egipt***, is a sepulcher, ritual tomb of the Dead Ritual of **Asaru's** ***"Osiris"*** Death and Resurrection.



The Cap Stone

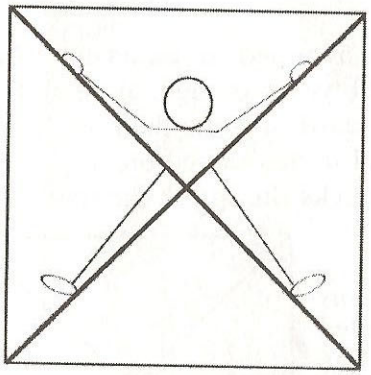
Figure 39
The Great Pyramids of Giza



It is also written that this ***Jesus*** died on the cross. The pyramid is the cross that also represents the astronomical symbol (⊕) of planet earth, because the four triangles of the pyramid form the cross that looks like this when viewing the pyramid from a position above it.

Diagram 5
The Four Pyramids

So when the **Tama'-Hu** religion of Christianity teaches that they put this **Jesus** to death upon a cross, he really died on top of the pyramid in the *Pyramid Ritual of* ***Asaru "Osiris".*** What happened to the body of this **Jesus** is the same thing that happened to the bodies of all **Nuwaupian A'aferti** ***"Black Pharaohs"*** before this **Jesus**. The bodies of all **Nuwaupian** ***"Black"*** pharaohs were mummified, including the body of the pharaoh called **Jesus-Justus**, that is, **Issa Panthera or Cleophas**.

Jesus of **2,000** years ago had a son called **Simon Bar Jesus** (**Acts 8:9-11; 13:6**). The meaning of **"bar"** is ***"son"*** in Aramic (Hebrew) so you get **Bar Jesus-the son of Jesus** or **the son of god** by his wife **Mary** ***"Rebellion"*** **Magdalene** ***"a tower"***. He was born **September 17, 28 A.D.** in **Bethany** *"House of Dates"* **(Betharaba)**.

The third **Jesus** is **Simon Bar Jesus** was born during the period of time when **Jesus of 2,000** who years ago was married to **Mary Magdalene** and she got pregnant. **Jesus** of **2,000** years ago had aspirations of his son, **Bar Jesus**, becoming a great teacher. But this **Jesus, Simon** got caught up in spookism and went out to teach his own doctrine. In ***Acts 8:9***, it was his bewitching of the people that made him a man of miracles. **Jesus', of 2,000** years ago, followers, referred to **Bar Jesus** as a **Magus** *"wise man or*

sorcerer". He was caught up with the rituals and practices of the Kabbalahism, and from these practices, he became a well-known sorcerer. His father had taught him about magic or the ***Magi***, and more information than he was supposed to know at such a young age, when he had not gone through the schools of thought that would render him worthy of such information.

The word ***"magic"***, according to *The American Heritage Dictionary,* comes from the middle English word ***magik***, from old French ***magique***, from late Latin ***magica***, from Latin ***magice***, from Greek ***magike***, from feminine of ***magikos, magician, magical*** from ***magos, magician***. **Magus** is from middle English **magi, magi** from Latin **magi, pl. of magus *sorceror*, magus** from Greek **magos,** from old Persian **magus.** See **magh** meaning *"to be able, to have power"*.

Therefore he abused the knowledge he had and changed information around from the teaching of his father to his advantage, which eventually led to his death.

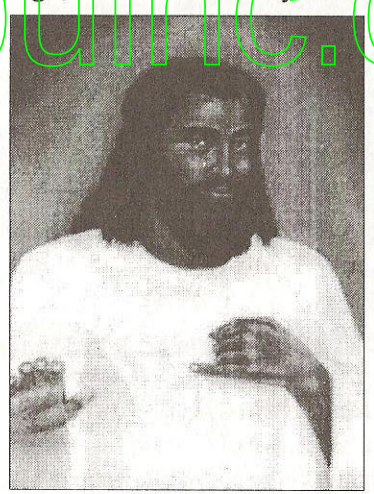

Figure 40

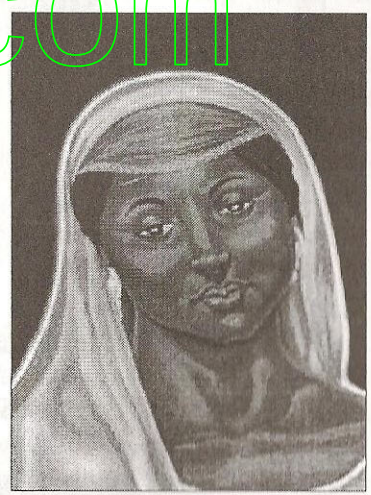

Figure 41

Simon Bar Jesus had many followers, **Paul** was one of them. **Bar Jesus** was of the real tribe "of **Judah**" like his father, **Jesus of 2,000** years ago. **Simon Bar Jesus** performed miracles and was even called, ***"not the real prophet",*** unlike his father who was considered a prophet. He was eventually found guilty of being a sorcerer and a false prophet. After his said death by crucifixion, Simon Bar Jesus' body was taken to **St. Peter's Basilica** in **Rome,** where he was buried in **61 A.D.** after converting **Tama'-Huaat** ***Europeans*** called, ***"Gentiles"***, something his father said not to do. (***Refer to "Degree of Christism"***)

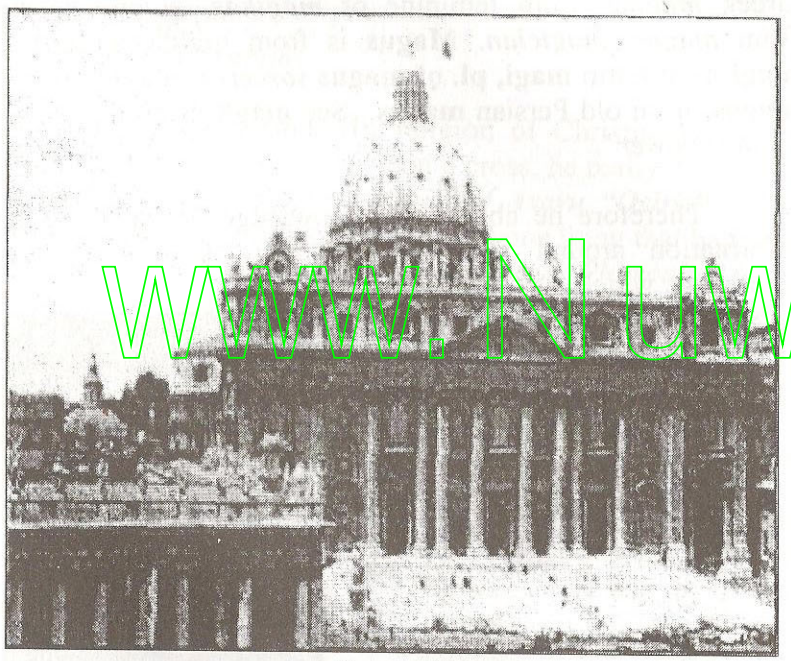

Figure 42
Crypt of St. Peter's Basilica

Simon Bar Jesus taught in **Greece** and **Syria**, where they got the name Christian's in ***Act 11:26*** and was crucified in **Rome** at the age of **33.** His body was taken to **Rome** for the benefit and perpetuation of Christianity. He is the **Jesus Christ of Christianity, the metaphysical Jesus.** Since **Simon Bar Jesus**

went and taught to the ghost people, those other than self and kind, was left open to be possessed by the spirit forces of ghost ether or 6-ether force, which gave him the power to perform his magic. That is why many people in church are possessed by evil spirits, who have them speaking mumbo jumbo calling it tongues. These poor souls are possessed by legions of demons from **6-ether** evil spirit forces, not the Holy Ghost Spirit Ghost or spirit like many believe. This evil spirit will possess you but won't improve your life's health or living conditions. You will stay poor, while the white church gets rich because that is their white magic, spirit, spook, ghost force in the Christian and Muslim churches. They call it Holy Ghost, *"Holy Dead thing"*. At the time of his death, these same forces that gave him the power to perform miracles, left him before his death, preventing him from saving himself. These forces of 6-ether had only used him to extend the time the **Apophis** had to rule for another two thousand years, which was up as of the year 2000 A.D., which also marks the coming in of the sun cycle. Yet and still, this Jesus was a **Nuwaupian, Black** and they have you worshipping a **Tama'-Hu** *Jesus*, and loving other than yourself, and will desert you once you have served their purpose they have no need of you. You are and were the god that was worshipped. Ghost ether or **6-ether** can't be **9-ether**, the force that grew the universes. You are the sleeping god that has been placed so far under the spell, that you have no idea of your origin. However, you will remember your origin, under the guidance of ***The Ancient Egiptian Order, A.E.O***

www.Nuwaupinc.com

WAKE UP TO SELF AND KIND.

Simon Bar Jesus' mother was also called **Mary,** but it was **Mary Magdalene,** who was the wife of the **Jesus of 2,000** years ago. It was **Mary Magdalene's** wedding reception that was at **Cana** (***John 2:1-11***). If it wasn't his wedding reception, why was his mother there? If they were just guests, why was she so concerned about the wine running out? Why was Jesus and the disciples there? There is never any mention of the name of the bride and groom. The Nicean council purposely went out of their

way to leave out all names, but **Mary** and **Jesus**. What was the reason that this **Jesus** went to this wedding? Or his disciples? **Jesus'** character type throughout the Bible does not seem like the type of guy who goes to weddings, unless the wedding was his own. Do you overstand?

As a matter of fact, **Jesus son of Mary** had two wives. His other wife's name was **Martha**, **Mary's** sister. You know **Jesus of 2,000** years ago was married because there are many places where it tells you in ***The Holy Bible*** where **Jesus** spent the night at **Mary's** and **Martha's** house ***Matthew 21:17, Luke 10:38-42, 24:50***, ***John 11:18, 12:1-9***). They lived in **Bethany,** which was first called **Bethabara,** which means ***"House of preparation"*** (***John 1:28***). ***John 11:5*** speaks about this **Jesus'** love of **Martha**, how much he loved **Mary** and their brother **Lazarus**.

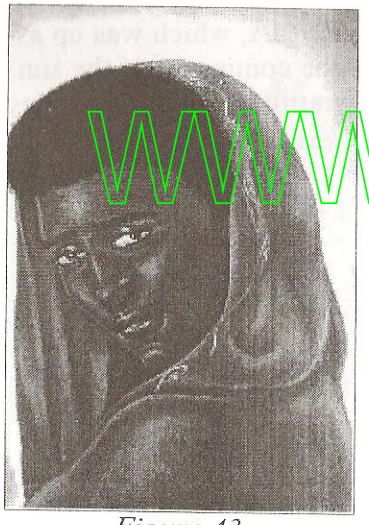

Figure 43
Martha wife of Jesus
Sister of Lazarus

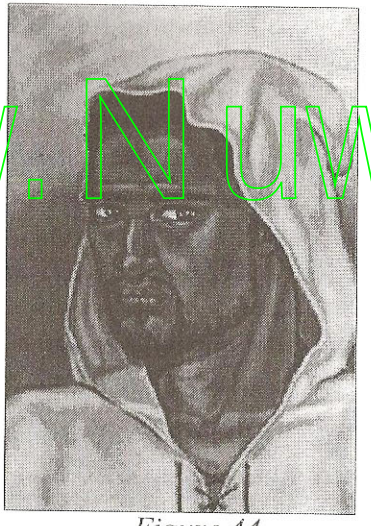

Figure 44
Lazarus brother of
Martha and Mary

Here it shows you a story where **Martha** gets jealous of **Mary** because **Martha** is preparing dinner for this **Jesus**, and her sister is sitting up under **Jesus** and she goes to **Jesus** and tells

Jesus to tell **Mary** to go do some work. **Jesus** tells **Martha** to leave **Mary** alone (***Luke 10:38-42***).

Another example was after the incident at the **Garden of Gethsemane,** when **Mary Magdalene** heard that her husband did not have a proper Judaic burial, because this body of the scapegoat had been buried in a hurry. This would have been the body of Judas; yet, the body of Judas had already been moved, by the secret disciples **Nicodemous** and **Joseph** of **Arimithea**. She was coming to the tomb in the morning after the Sabbath in hopes to wash his body, put the coins on his eyes and wrap his body. (***John 20:11***). According to Judaic law, a woman is only allowed to do this if she is married or related to the Rabbi, because then she'd have to be looking on his private parts, and that would be a violation of the books of ***Leviticus, Chapter 19***. Yes, she followed the law of Leviticus; you know this because she waited until after the Sabbath to come to the tomb.

www.Nuwaupuinc.com

So when you look more closely at the New Testament, you will find that there are usually three Jesus' as previously mentioned:

1. **Yashu'a Bar Maryam -Jesus the son of Mary and Gabriel (the true one; a messiah)** (***John 1:45***)

2. **Simon Bar Jesus - son of Jesus and Mary Magdelene (Christ)** (***Acts 13:6***)

3. **Cleophas, Jesus-Justus, Saint Issa - son of Cleopatra and Mark Anthony (Holy Ghost)** (**1** ***Colossians 4:11***)

Ques: How do the Tama'-Huaat get away with their his-story?

Ans: The **Tama'-Hu** race has taken full advantage of antiquity by hiding facts so that the lapse of time would seal them, because of course, no one living now, lived at that time except in the person of your ancestors who have been died centuries ago. He hides them right in the library or "where their lies are buried." Even if someone would put the body of **Jesus** on public view after two thousand years and call it **Jesus** or someone else well -known at that time, by what means after so many years, would anyone prove or disprove it?

The point is you, **Nuwaupian**, **Black** people have been under the spell of their religion for far too long with, their white god, white prophecy, white apostle and white angels. Give it back, it was all a white lie. The first, great white lie was told to you by your Black parents, when they told you to write a letter to a White man, asking for something for nothing, that was Santa Claus. This is that great white hope "white magic that has been forced upon us as a people for centuries. If your own black parents will teach you this lie, then anyone else will lie to you. They help enforce "*white magic*".

This spell has not only clouded your thinking, but it also has blocked you from your own liberation. You are unable to see the mistakes in the so-called "Holy Scriptures" you believe in and you actually allow your lives to be governed by *"books of the dead"*, people or *"books of ghost"* what so many of you call holy scriptures such as: The Torah, **Qur'an** "*Koran*", Hadith and Talmud. In these same Holy Scriptures, people actually kill other people because *"I"* believe something different than "you". The word believe, is part of the problem. To believe in something is to accept something with out proof. There was a time when a Nuwaupian man's word was his bond, but that was a time in ancient **Tama-Re *"Egipt"***, a time when there were no wars; there was a natural harmony, where people worked together naturally because of common interests. However, it has been a long time since the usurpation, or unlawful seizure, of the throne of **Tama-Re *"Egipt"*** and the trickery of the **Tama'-Hu** man was put upon the **Nuwaupians, Blacks.** However, now this is a thing of the past. You will regain your **9-mind**.

I cannot stress to you enough, do not accept, do not believe anything as true if it has not been proven to you beyond a shadow of a doubt. It is time for the minds of *the sleeping gods*, the **Black God-Man** and **God-Woman** to awaken. Break the **Spell of Amam *"Leviathan"***, sleep that has prevented you from taking your rightful place as **Urat** *"Rulers"* and creators of this planet; or as one great man said: *"maker, owners, cream of the planet earth god of the universe"*. The sun cycle is in. Reclaim what has always been yours!! Find your way home to **Tama-Re *"Egipt"***. Home to your descendants: **Re, Asaru, Sutukh, Hat-Haru, Geb, Nut, Aset, Nebt-hut, Tefnut** and **Shu** who are your spiritual or Etheric parents. Some of them are seen below.

9-Ether beings will guide you along the path once you have planted your feet firm. You will find love of self and kind in ***The Ancient Egiptian Order, A. E. O.***, a solution to the Spell. Once you have committed yourself to love of self and kind half the battle is won. Take that step through **Pa Sebkhet** *"The Pylon"* never turning back. Only through progressing forward can you make that complete cycle in life and move on through another level. ***The Ancient Egiptian Order, A.E.O.*** can take you to the next level, where you will return to your right state of mind again.

I, as the Reformer for Nuwaubians, Black people have the power to foretell and retrace time and events. Now relate the true story, our story, the story of Ancient **Tama-Re** *"Egipt"*, **Pa Neteru** ***"supreme beings"***, **Nuwaupic** the language, **Tama-Re** the rebirth of your ancient land and culture, and you must be willing to take the journey back to your ancient descendants and ancestors who are waiting to help you awaken from this *Spell of Sleep*, **Amam** ***"Leviathan"***. You can only awaken with the love of self and kind, which can happen only after you remember and accept who you are and where you came from. As mentioned before, the forces of 9-ether will open up to you. They are what grew you.

Your past is real, recognized by all cultures and is engraved in and carved in stone. **Pa Ruwty** ***"The Sphinx"***, which originally had wings, was also constructed **12,500** years ago, and dates as far back as **10,500 B. C.** That means you were here long before what scientists have dated as the age of **Pa Ta** ***"The Planet Earth"***, which is estimated to be no more than **6,000** years old. That is because 6,000 years was all the time **Apophis** was given to rule and is the date of their creation or origin. Yet and still their time and their rule is over.

The **"Pa Ruwty"**, ***Sphinx*** is one of those pieces of evidence of how great you as Nuwaupians, Blacks, are. This structure has been standing for **12,500** years, withstanding all

forces of erosion of nature and the attacks of foreign invaders with their canon balls, only losing her wings. Yes, *"her wings"*, a woman. The **Pa Ruwty** ***"The Sphinx"*** had the face of a **Urat** ***"female ruler"***. Many people are under the false impression that the face of the sphinx is that of the **Pharaoh Khufu**, because he was given the credit for its completion as well as the completion of the Great Pyramid of Giza.

Pa A'aferti Khufu ***"The Pharaoh Cheops"***, also called **Cecrops,** was the king of northern and northeast **Africa** and **western Asia.** It was **Khufu** ***"Cheops"*** who lifted the immigration ban and allowed the first group of **Pa Heka-Khasut** or *Canaanites* mentioned in the Bible ***Genesis 28:1,3*** **Tama'-Hu** from Europe and **Grews** "*Greek Jews" from* Greece, to reach **Africa** and **Asia.**

This ban was called "the rope", which is where the word ***Eu-rope*** came from, and all knew not to pass that barrier. The immigration ban had a restriction that said no one without dark hair and dark eyes were allowed to enter **Tama-Re** ***"Egipt"***.

The **Tama'-Hu** race were sealed in Europe by anti-immigration laws for 1,000 years (***Revelation 20:2***); They were there from the time **Pa Tama'-Hu** albino seed were sent from the **Aegean Islands** to **Europe** until the time of **Pa A'aferti Khufu** ***"The Pharaoh Cheops"*** which is why Masonic groups have the symbol of this Egiptian pharaoh, who the doors of **Tama-Re** *"Egipt"*, to them, **Pa Tama'-Hu** race after being banned for so long.

The **Tama'-hu** walks around in America and other countries with, a self-confidence, as if he is home. Stop and think. He does not belong in America. It is not his homeland. His homeland is Europe. America is, not Europe; yet, he has you, Nuwaupians, accepting all he does here as if it's his. It's not. Part

www.Nuwaupuinc.com

of his spell is he walks around convincing people that what he does is right. He comes into other peoples' countries starts making laws to punish you if you break the law, but remember you are again in your country, before his made up laws were forced upon you. He starts wars and becomes the law, the judges, attorneys etc. in a country that is not his. This country belongs to the Native Americans who were dark-skinned, woolly-haired beings, that inhabited what is now called America long before the invasion of the **Heka Khasut** *"Hyksos-Canaanites"* and they are not to be mistaken for the American Indian - light-skinned, straight-haired Indians that are claiming to be Native Americans. They are two separate groups. The dark-skinned woolly-haired Native Americans, who were first and their children who came from the Native Americans mixing with the Chinese, East Indian, and Eskimos, to give you your American Indian of today. So the trick is to make you think you are wrong, for doing your own thing, in your country as if this country belongs to him. It doesn't. It belongs to you.

Khufu ***"Cheops"*** ruled part of **Europe**, as well as part of **Africa** and **Asia** and in **Pa Tama'-Hu's** albino seed, mythology and legendary history there is a king they call **Cecrops (Cheops),** who was the first king of Attica, actually means the first king of Greece for the **Tama'-Hu**. Nuwaupians, Blacks, have been living in all areas of the **Ta** ***"Earth"***, such as Europe, Asia, Ireland, England, and Norway.

In other words all places that are predominately "white" countries, that are considered **Tama'-hu** countries were inhabited by Blacks, long before the time of **Biblical** characters such as: **Qadmon, Zakar, Adam** and **Nekaybaw, Hawwah, Eve,** who were the second set of **Homo Sapiens** able to procreate. You may ask how is this possible according to history "his story"? Well Nuwaupians, Blacks were the first beings on the earth and existed before the 7 continents or before continental drift.

Cheops, Ethiops, was Ethiopian, also **Black** as the name implies, and he is the **Ura** ***" male ruler"*** who put the finishing touches on the symbol of living power, called the sphinx, and the symbol of the power of the dead, called the great pyramid. Nuwaupian **Ura-aat** "***Rulers***" before **Pa A'aferti Khufu** ***"The Pharaoh Cheops"*** had blue- printed and already started the construction of those masterful monuments and masonries, but **Khufu**, Cheops is given the credit for their completion.

Definition of Cecrops

Cecrops, *SEE kraphs*, in Greek mythology, was the first king of Attica and the builder of the great fortress of Athens. He called the fortress Cecropia in his honor. He was half man and half snake. Legend says he introduced the customs of marriage and burial of the dead, and did away with sacrifices of blood. Cecrops also founded the city of Athens. *Padriac Column*

Khufu, Cheops was one of the last real powerful **Tama-Reye-aat** ***"Egiptians"*** during his rule. That's because after the **Pa Heka-Khasut** -'captives of kings', were allowed into **northern Africa** and **western Asia**, the morals and mentality of the populations weakened.

The first set of **Heka-Khasut** *-Hyksos Captive Shephards"* that came were those children of **Hammath**, the 11th tribe of **Libana** ***"Canaan"***. This was the only son that was born with dark hair and dark skin, so his tribe was allowed to cross the border. When they came, they began to raid the Black tribes, taking the women back up into the mountains to reproduce. As stated before, with them came a breakdown in the moral structure of Nuwaupian, Black, people. They continued their raids in the village and got as far as India, which is where they stopped and is why in India today you will see a range of complexions from the darkest of the dark, to the lightest of the light with straight hair. One of their chief deities is Krishna, who is depicted with dark blue skin.

Pa Tuta emphasized racial differences, and the Phoenicians, who were in a much better power position than the **Pa Tama'-Hu** race, capitalized on those racial differences They took

over rulership of **Tama-Re** *"Egipt"* from Nuwaupians, Blacks, as was predestined by the cycle of nature.

The Phoenician, or ***Nodite*** race has always been closest to the Nuwaupian, Black race ever since **mankind** evolved. They are the children of **God-Man** or **Nuwaupians, Blacks**, the original **Hindus** or **Asiatic Blackman** out of which **mankind** was made. I use the word made, because mankind is a kind of man made from something or someone already existing. The Original Phoenicians were considered as the closest to the original Nuwaupians and they, the Phoenician people, represented the sun deity. Likewise, the **Nuwaupians, Blacks**, are the strongest terrestrial sun force by nature, because nature actually grew you. So when you read in history that the Phoenicians used to worship the sun deity, these are, **Pa Tama'-Hu** ***"The White" ghost*** man and not the original. These Phoenicians used to worship Nuwaubians, Blacks, long before the Romans, Jews, and other Greeks did. Again, **Khufu, Cheops**, was a woolly-haired Nuwaupian, Black, but because the cycle had changed in favor of the last stage of mankind's evolution, being the **Ah** ***"Moon"*** cycle, **Khufu,** ***"Cheops"***, became an incarnation of the Phoenician deity called **Ra** and **Tehuti** ***"Thoth"***, but not the deities of ancient **Tama- Re** ***"Egipt"***

So, **Khufu**, **Cheops** was an incarnation of a Phoenician deity, although he was Ethiopian by race and was called "the finisher" of the Sphinx and the great pyramid. This is why I can refer to the sphinx and pyramid when explaining information about Phoenician deities with such names as **Jesus, Jupiter, Zeus, Pan**, etc., Because of the moon cycle, and the forces it ushered in the **Ethiopian**, Black **"God-Man"** stopped being himself ever since **Khufu's** ***"Cheops"*** time. However, it is time for you to be yourselves again.

The first born children of **Canaan** ***"Adam"*** and **Salha** ***"Eve"*** were the beginning of the Christ, "ghost" in person, called Christ, on **Ta** ***"Earth"*** **6,000** years ago, **4,000** years before the birth of **Jesus of 2,000** years ago. As mentioned before, everything that is invisible on the planet earth has a visible counterpart agreeable or disagreeable, somewhere on this planet.

The name **Noel,** as in the *Christmas Carol*, means **Noah** and is **Alyuwn, Eloah**, or **Eloheem: Alyuwn, Eloah**, or **Eloheem** is the agreeable force, father of **Jesus of 2, 000** years ago called **Gabriel,** the holy soul or Ether being. The disagreeable **Eloheem** is called ***Jesus***. **Jesus or Ja Zeus** is **6-ether**, the forces of evolution, *Zeus* being the chief or father god in Greek mythology, from which the name *Jesus* was derived to deceive the Nuwaupian, Blacks, Israelites into accepting a foreign deity. **Jesus**, who has many names such as: **Zeus, Jupiter, Christ, Kristos, Lord, God, Lucifer, Beelzebub, Satan, Iblis, Harmachis, etc.** was the god of the albino **Phoenicians.**

Jesus is the Capricorn of the 12th sign, 12th month of the zodiac, and astrology is **Amam's,** Leviathan's religion along with ***Tarot Cards,*** and ***Ouija Boards*** and ***psychics***. This is their way of getting in contact with those familiar spirits. The *zodiac*, an ancient Babylonian word for animals, has many forms such as the dog, monkey, eagle, serpent, crocodile, etc. that are not shown in almanacs, dictionaries, and encyclopedias. Although this stems from ancient **Tama-Re** *"Egipt"* as everything does, it was distorted and altered from its original meaning.

For instance, *Zodiakos* is the Egiptian **Netert** ***"female deity"*** **Hat-Har** ***"Hathor"*** and the Temple of **Denderah** was attributed to her, and is where the original immaculate conception took place with **Aset** ***"Isis"*** to conceive **Haru** ***"Horus"***.

Ques: What are the definitions of the words Jew and Hebrew?

Ans: The words ***"Jew and Hebrew"*** are confusing to some people, because many people think they are the same in meaning. No people can not be true Jews with their interlocking six-pointed star, or true Christians, with their cross, by nature, but the **Tama'-Hu ghost man**.

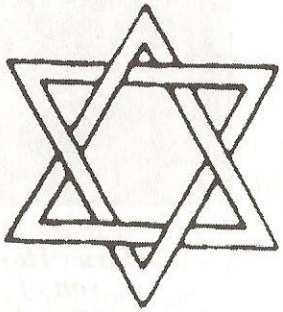

Diagram 6
The Interlocking 6-pointed star of the Jews

First of all, the word **"Jew"** or **Gews, Grew,** which is short for ***Greek*** or a short combination of the words ***Greek*** and ***Hebrew***. You see, all the Greeks are Jews by the simple fact that the father of the Greeks is **Japheth, a son of Noah and Na'mah,** through his son **Javan** who married a Hittite named Iris and produced the **Ionian Race.** The name **Yawan** in Hebrew means ***"clay".*** The name **Yawan** or **Javan** in English is taken from the Greek word *Iaon* for *Ionian*, a general term used throughout the Bible for the Greek race. Through this union, the ghost men were able to exist without the extreme affects of leprosy and produced hair colors of auburn, brown, to almost black with dark-eyed Greeks, who are really mulattoes. This mixing allowed these foreign tribes to invade Ancient **Tama-Re** *"Egipt",* having dark hair and eyes unlike the white or Albino tribes having transparent skin and clear

eyes although they appear blue. Refer to ***The Ancient Egiptian Order Magazine Volume 4***.

They were star-worshippers and that is their symbol called ***"The Star of David".*** When they know it's **"magan",** meaning **"shield"** as found in ***Genesis 15:1*** as Abraham's shield. You must be very careful of the star you use, and make sure it's not an interlocking one and make sure the **ankh** you use is not the **Tau**.

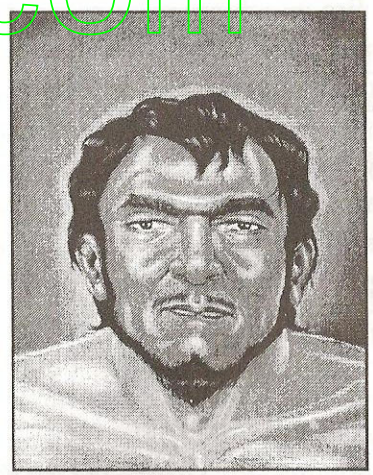

Figure 54

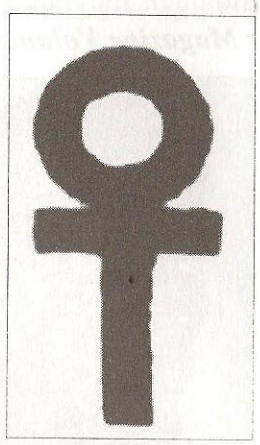

Diagram 8
The Ankh (Tau)

David used **the shield of Abraham**, later called **the star of David**. The original Jews were star-worshippers, and the true stars are suns. The Earth's sun is a star, which is fire. They were and are fire worshippers. However, the Jews adopted the term *Hebrew* because they are derivatives of those East Indian Hindus and mixed Phoenicians, those from Nod, Lebanon. Therefore, when the terms *Hebrew* and *Jew* are used in the **Bible**, most people think they mean the "White" of Jewish origin; in some cases yes, and in some cases no. ***Hebrew*** is a variant of the word **"*ghebre*"**. Sometimes spelled ***gheber, gibborim,*** and ***jabbaarat*** (***Genesis 6***). A **ghebre** is a fire-worshipper. A true star is fire, ether fire. The sun of earth's solar system is one of the true stars.

A point must be made here to shed some light on the Israelites of your Bible. There were **Nuwaupian, Black** Hebrews and there were **Tama'-Hu** Hebrews. In fact, one of the tribes of Canaan of your Bible, called the **Sidonians** lived with the **Black** or **Hammathite** tribe. This tribe of Canaanites had pale skin and red hair. In reality these people are those foreign people called Setians

who followed the **Neter** *"Male Deity"* **Sutukh,** which is why he is depicted with a white mask of a Camel With clipped Ears, with red hair.

There were Ethiopian Hebrews too, meaning, woolly-haired people who were Hebrews. However, since the Jews have possessed the term **"Jew"** for themselves, let them have it. Don't try to reclaim it, because the woolly-haired people among the other Hebrews were only being used anyway. Moreover, the original Hebrew writers of the books of the Bible were **Nuwaupian, Black**. Then the Phoenicians were used by the moon god, Dina, to reprove the **Pa Tama'-Hu** race concerning what they were doing to darker peoples; but the moon god knew that **Pa Tam'a- Huaat *ghost men*** would persecute and even kill those that spoke with disapproval; but that was part of the game the moon god was playing to keep the moon cycle in progress and the **Pa Tama'-Hu Heka–Khasut - *Canaanites*** in power. This happened to Simon Bar Jesus who was also used as a part of this game as mentioned earlier.

www.Nuwaupume.com

In light of the previous paragraph, you can easily see that the people in bondage and captivity in the Bible were darker people, especially THE ORIGINAL Phoenicians, Nubians, Blacks. It is written that the Hebrews lost their tribal identities around **400 or 500 B.C.;** but there were never any twelve tribes of Hebrews in the first place. The real "Hebrew" were Chaldeans who crossed over, and because of that motion, were called **"Hebrew"**. The Hebrews who began losing their identity around that time were not **Pa Heka-Khasut** or Pale of Jewism, but they were the Original Phoenicians, Blacks because around that time is when the Canaanites started their cruel persecution and suppression against the Phoenicians, and the Phoenicians started going wherever they could to escape those atrocities and brutalities.

So by **300 or 400 B.C.** around the time the last book of the Old Testament or old testimonies is supposed to have been written, there was hardly any need for a prophet, because the Phoenicians

were so well scattered. However, there were various writings between **400 B.C.** and **1 B.C.** by priests and prophets that should be part of the Old Testament (Old Testimonies), but are not, because they tell of the cruel persecutions and atrocities that preceded the appearance of Jesus.

The Old Testament are testimonies of people who came along and studied the two tablets The Torah, תרה meaning ***"law"*** from the Aramic (Hebrew) root word **"yarah"** יוֹה, that were given to **Moses** at **Serabid El Khadim**, where **the temple of Hagar,** the Goddess **Hathor** stood. These tablets were created by **TAMMUZ** by taking portions of the 7 Holy Tablets, **The Tablets of Destiny** of the **ELOHEEM** and combined them with the **Gilgamesh Epics,** which talks about the great deluge.

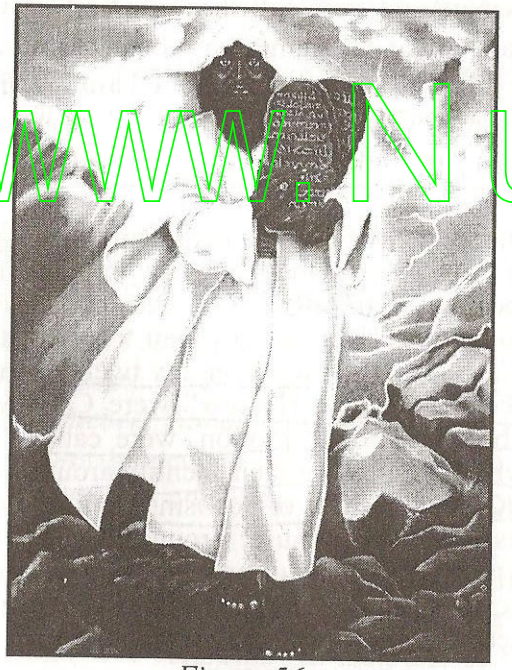

Figure 56
Moses holding the tablets

If you look at the two tablets that **Moses** held, you will see they begin with the Hebrew letter Alef (א) and end with the Hebrew letter **yod** (י) symbolizing the **10** commandments, which all real students of the Torah know is not **10**, but **613** commandments which when added together 6+ 1+ 3= is 10 any way.

The Alef (א) is symbolic of the name of **ELOHEEM** (אלהים) in the first chapter of ***Genesis*** which uses only the name **ELOHEEM** and the yod (י) is symbolic of the name **Yahuwa** (יהוה) of the second chapter of **Genesis,** which uses only the name **Yahuwa ELOHEEM**. This, along with the laws of the Levite priests who are the students of the serpent (**Levi-athan**), and the Levitical laws, which are the laws of Satan, come from the laws of **the code of Hammurabi** (meaning Rabbis [Masters] of **Ham** (being **Ham** was the father of **Canaan**). They are the same laws that are made and enforced by the **Pa Tama-Hu** ***"The white"*** Ghost man that govern the world. The **Chemarims** or **Khamarim** are the black-robed priests of different idols. They were appointed by the kings of Judah to conduct worship in high places. The original significance of the verbal form was **"to be black"**, and explained the use of the noun by the assertion that the idolatrous priests wore black garments. Today, it represents the one that becomes emotional behind the pulpit when he dances around while trying to "fire up" the audience. The word **"kamar"** (כמר) means ***"to grow warm and tender, be or grow hot, black, dark, gloomy"*** ; it also means ***"idolatrous priests"*** ; it is the root of **"khamarim"**. This is parallel to the root word ***kham*** (חם) meaning ***"black, or heat"***, which comes right to **Kham** (חם) son of **Noah** and father of **Libana**, **Canaan**, father of the Canaanites; the enforcers of the code of laws.

www.Nuwaupbinc.com

It's clear to see the laws you are forced to adhere to, are made up, written, and enforced by pagan worshippers of Baal by way of **Ham's** son **Canaan**. When you look at the derivative **Khammin** (חם) you'll find that it means ***"sun pillar"***, used in idolatrous worship and often as epithet of the solar **Baal**. On the tablet that has the code of **Hammurabi**, you see the sun deity **Shamash**.

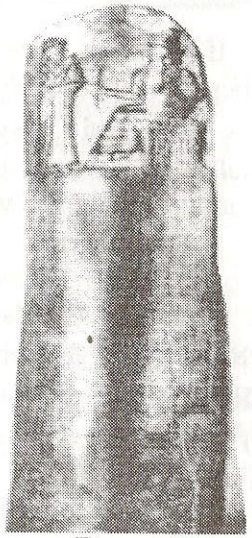

Figure 57
The Code of Hammurabi
Shamash, the Sumerian deity

The priests of **Baal** were called **Chemarim.** One of these **Chemarim** bears the name **Sanchoniathon**. He was a priest of **Baal** who purportedly wrote the history of the world on the sun pillars of an ancient Syrian temple. Those were sun pillars the Pagan Canaanites had dedicated to the solar disc. **Sanchoniathon** claimed that he was standing in the lineage leading directly from ***Adam***, and through **Cain** down to his day. He claimed that **Baal** worship was descended from **Cain**.

"I WILL ALSO STRETCH OUT MINE HAND UPON JUDAH, AND UPON ALL THE INHABITANTS OF JERUSALEM; AND I WILL CUT OFF THE REMNANT OF BA'AL FROM THIS PLACE, AND THE PRIESTS."

From the definitions being used you'll find that the **Chemarim** were the priests of **Baal** who wore black robes. This is the garb most worn by the priests and ministers of today. These men wore these robes in contrast to the white robes ordained by **Yahuwa Eloheem** to wear in the temple. This is why the Catholic Church and the Christian ministers as well as the Jewish Rabbis all wear black when in their scriptures it clearly tells them that they should be wearing white robes. What is interesting in when you were in ancient **Tama-Re** ***"Egipt"***, you too wore black, and wore white only during funerals.

www.Nuwaupuinc.com

The Levite priests were responsible for converting the children back to the worship of the bull god, who they called **Tor**, as found in ***Exodus 32:1-6.*** In ancient **Tama-Re** *"Egipt"* would be the **Neter** ***"Supreme Being"*** **Apis** the bull or **Hat-Haru** ***"Hathor",*** whose symbol was a cow with the tall horns of the Apis Bull. Aaron deceived **Moses,** and the high priest, from the knowledge of all this.

Along with the testimonies of other people, they yielded the rest of the Old Testament, like the **Patriach Ezekiel**, who tried to tell about the **ELOHEEM** that he saw, but you do not see this. The so-called Jews further distorted the Bible by the Talmud and the Mishnah. The Nubians that lived in these regions who were controlled by the **Pa Tama-Hu** Ghost man, were forced to accept the Canaanites' new version of Christianity, ***Matthew 23:15,*** which came out of the Alexandrian schools of **Egipt** around **300 B.C.**

It was mixed with the Hindu doctrine because it is partly based on the belief in reincarnation and "god"' incarnated into flesh. The Hindus brought **Seh** ***"religion"*** to the planet **Ta** ***"Earth" 17 million 250 thousand*** years ago with the first moon cycle.

The **Septuagint** (the Greek version of the Old Testament from which came the Latin and English versions) was compiled (collected) after **Alexander the Great,** the Greek marched

unopposed into **Tama-Re**, ***"Egipt"*** and Northern Africa around **333 B.C.** The **Septuagint** was published several decades later around **300 B.C.**, and this means that the so-called Jews did not have an organized Bible until the Greek version was compiled, for they had been using various scrolls and parchments for their religious rituals and rites. Moreover, the Jews were well schooled in the **Kabala** system--a system of mystery words and secrets that were passed down secretly by word of mouth, from father to son and mother to daughter, but never put in writing; The Kabala was their book of devil worship.

There have been many versions and revisions of the **Septuagint** or the Old Testament, since its compilation and publication around **300 B.C.** The **70** and **72** emissaries from Jerusalem who were supposed to be the ones who compiled the old Testament, were the people who were persuaded to change the writings to suit the purposes of **Pa Tama'-Hu** ghost rulers. At the time of the advent of Jesus, apparently the Jews had not yet claimed the Ethiopian and Phoenician bondage and captivities of the Old Testament as their own, as evidence by this written statement ***John 8:33***.

John 8:33

Jews and the other Canaanites, if given the opportunity in the future, will also claim the enslavement of the Nuwaupians as enslavement of the Canaanites, as the Jews claimed the enslavement of the Egiptian as the enslavement of Jews. For instance, the 430 year bondage that is mentioned in the Torah involving the Israelites enslaved to the Egiptians, was actually the Egiptian bondage to the **Heka Khasut,** who took over **Tama-Re *"Egipt"*** and suppressed the original people for a time, until their, the **Heka Khasut** –*"Captive Shepherd"* exodus from **Tama-Re** *"Egipt"*, when they were being chased across the sands of the desert.

Moreover, in reading the Bible, people make the mistake of concentrating too much on what *god* or Jesus is supposed to have said and too little emphasis on the other side of the argument, and through this error, people miss valuable information and eye-opening knowledge, which disproves many Biblical and **Tama'-hu *"White"*** people claims, not only by words, but also by what actually took place before. Then, by what took place since, and what is taking place now. In other words, note that secular

(unreligious) history does not coincide with those claims, and that the whites are still doing today what they did then, which was claiming one thing and then doing another. This makes them history's best known hypocrites and liars.

So there is a time span of **300** or **400** years between the Old and New Testaments, because **(1)** the Hebrews (the Phoenicians) were too scattered, therefore there was little need for a prophet. **(2)** After the **Septuagint,** (The Old Testament) was compiled and published around **300 B.C.)** Any Biblical writing in B.C. after **The King James Version** would have to be an unauthorized edition, such as **Bel** and the dragon, the wisdom of Jesus, the **Maccabees**, the book of Barnabas, etc. and **(3)** there were many words and works that went on between **400 B.C.** and **1 B.C.,** which the **Pa Tama'-Hu** ghost man did not want known, such as the persecutions and atrocities **Pa Tama'-Hu** ghost man used to eliminate Egiptian pantheism before they finished it off around the time of Jesus.

When the New Testament was compiled, it began with God coming down to save the people, which is based on ***Genesis Chapter 2***. The Greeks, Ionians, who mixed in with **Adah,** wife of Esau and son of Jacob, had to create their own Gods. They took their seed and gave them a doctrine, which became Christianity, an offshoot of Hinduism. The books of **Ezekiel** and **Daniel** of The Old Testament were used to compile the book of ***Revelation.*** They took other books from The Old Testament and created a messiah image and god incarnated into flesh concept. They took this to the Gentiles who incorporated their own doctrine, which double enforced the spell of **Enqi, Sutukh** cast by **Zuen, Apophis**.

Ques: Why are there four similar books about the same story at the beginning of the New Testament instead of one?

Ans: Because in reorganizing Christianity after the so-called death of the Three Jesus', the Canaanite had no proof of their

How did **Mary** get pregnant? They also had no proof of the resurrection of **JESUS**. The reorganizers of Christism could not bring out the parts about the *"immaculate conception"* and resurrection until scores of years after the so-called death of **Jesus**,

because the people living in his time, and for years after, knew better. Therefore, they could not publish with success these additions to the story about **Jesus** until the people who knew better had died out, and certain parts of the true story had been concealed. It was not until around **325 A.D.** that the council of Nicea that reorganized Christianity really began to flourish in the form that you know it today. The new concepts called *Immaculate Conception* and resurrection had been added by that time; and all three **Jesus'** became one person in three, called the trinity.

The earlier forms of Christianity, such as the beginning of the book of John, did not have the later ideas called the "*immaculate* - story about **Abel** and **Cain**. Christianity before that based on the 3 Jesus' of 2,000 years ago broke out around **500 or 600 B.C.** during when the Phoenicians power of **Nod or Lebanon**, began to dwindle, and **Pa Tama'-Hu** Ghost man, cursed albino seed's, power began to increase.

www.Nuwaupuinc.com

These earlier forms of Christianity started with Greek philosophies such as Pythagoras, Hippocrates, Socrates, Plato, Aristotle, etc. who received their knowledge from the Egiptian Mystery system that was headed by Egiptian **waabaat** ***"priests"***, prophets and other mystic men. Of course, the first and earliest form of Christianity started with **Cain**

The beginning of the loss of Nuwaupian or Black, rule, freedom, and independence, was when the Egiptians let the Greeks and others into their mystery system from which they obtained vast knowledge, secrets, and activated names of **Supreme Beings**, gods and goddesses. The Egiptians had what was called lesser mysteries and also greater mysteries.

~~The original~~ Phoenicians (latter-day Egiptians) took the **Pa Heka-Khasut** into their confidence, and that was the beginning of

the end of **Tama-Reye** "***Egyptian***" power and rule. Today they are called **Ros-i-cru-cians (Rosicrucians)**, Freemasons, Astara, etc.

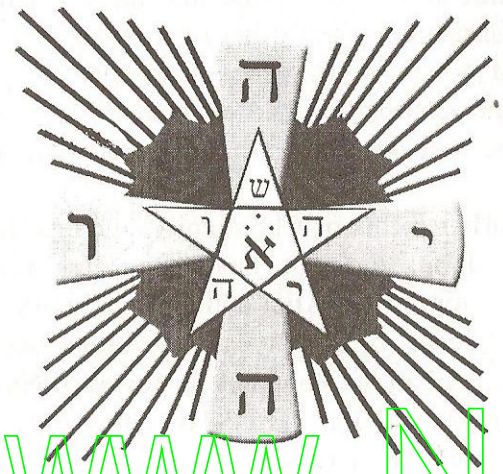

Figure 59
Rosicrucians *"The Rose and Cross"*

www.Nuwaupuinc.com

These **Heka-Khasut** pushed in slowly and took over the police department and eventually took over to rule.

Alexander the Great, being a Greek with dark eyes and hair fell with in the restriction of the immigration laws granted by **Khufu *"Cheops"***, so he was a member of the Egyptian Mystery System, and by the time he came on the scene around **333 B.C.**, the way was clear for just about anything the **Heka Khasut** wanted to put forth. This is why **Alexander** was able to march (unopposed) into **Egipt, Eastern** and **Northern Africa**, and elsewhere. Although **Alexander** had sworn his alliance and allegiance to the goals of the Egiptian Mystery System of which he was a member. He was also a member of a vast clandestine spy system of **Pa Heka Khasut** whose aim was to deceive and deprive

the **Original Phoenicians, Blacks** of their ruling power and independence. Today they are called the **C.I.A. and K.G.B.**, etc.

The first member of the spy ring to join the mystery system was the first **Tama'-Hu** accepted into the mystery system, because that is the nature of the **Tama'-Hu** the pale man--to deceive and spy on darker people. **Pa Tama'-Hu** ghost man's spy ring was the key that opened and cleared the way for **Alexander's** march.

Once the **Tama'-Hu** seed were admitted into the mysteries of **Tama-Re** *"Egipt"*, of course, the power they received would be used for negative purposes or would turn negative like the **Tama'-Hu** albino seed were, and that negative power was enough to make the spy system successful by the help of the **Tama'-Hu** women, and some of the Nubian Phoenicians, Blacks, themselves, who were spellbound by **Apophis**, making them black devils helped them to destroy their own.

Alexander, a **Greek,** was falsely built up as a great conqueror, but he was a fake who the **Tama'-Hu** spy system chose to take bows for the work the spy system had done. However, most Greek philosophers and members of the spy system who were also members of the mystery system, met with ill-fate for their deceit and broken vows to the laws of the mysteries.

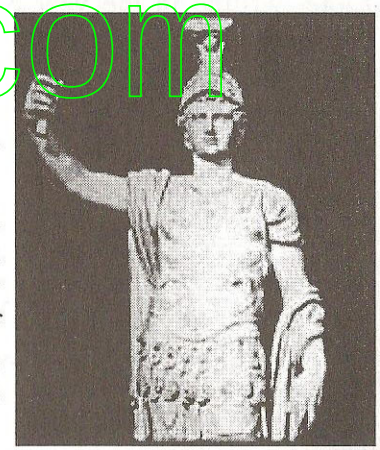

Figure 60
Alexander The Great

The philosophy they taught was from darker people, and was foreign to their people, and their people were afraid of it at first. Teachers of the new philosophy who were not put to death,

died in shame and disgrace, including **Alexander** who died of drunkenness at the early age of **32**.

The Alexandrian Christian schools in **Tama-Re** ***"Egipt"*** that started around **300 B.C.** and were named in honor of Alexander the Great, produced such early Christians and reformed Jews as the Stoics, Gnostics, Essenes, Zealots and others who lasted until the advent of **Jesus son of *M*ary** and for a time after; but the Essenes (who were also called zealots) and some others became a part of **Jesus son of Mary** followers. Subsequently, the three gospels (the first three books at the beginning of the New Testament) had no factual backing when the *Immaculate* Conception and *Resurrection* concepts were organized and became doctrine prior to the council of **Nicea (325 A.D.)**. Therefore, the organizers at the council decided to publish three similar books and proclaim that three eyewitnesses: ***Matthew***, written in the **51 A.D.** in **Palestine**; ***Mark***, written in the year **60-65 A.D.** in **Rome;** and ***Luke***, written in the year **56-58 A.D.** in **Caesarea.** The book of **John** was written to clear up this mess in the year **98 A.D.** in **Ephesus.** *Matthew, Mark,* and *Luke* had no contact with each other when they wrote their books in 4 different places at different times. This, plus the similarities among the four books were supposed to prove the gospels. But that is no proof because **(1)** there would have to be further proof of the four eyewitnesses who had no contact with each other and who wrote their books in different places at different times, therefore, **(2)** three of the books were produced from the original one, the ***Book of John***. Of the four, or all four came from a fifth book, ***The Holy Tablets***. So it's very easy to make all of your prophecies about your Jesus look true. You just copied them from *The Holy Tablets*, saying, look there it is. Then you have the Book of Barnabas which most of the public has never seen. It tells that Jesus, **Yashu'a** of 2,000 years ago was not crucified on any cross. In other words, you could be told anything after those who knew the true story died out or were put to death. The **Tama'-Hu** ghost man's title of the Bible is *Holy Bible*, which is a copy of the fabricated **"Babylonian text"** as previously stated. But the universal title of the Bible is the book of

the dead, because it is from the dead and is about the dead and is for the dead, the physical and mental dead. This is why we see the same symbol on the church, house of the mental dead, that you see in the cemetery, a place of the physical dead; the symbol to which I refer is the cross, the sign of the dead--physical and mental.

"Cross" is a word that refers to crescent symbolic of **ENQI,** equivalent in Egipt to **SUTUKH,** who ruled **Pa Ta** *"The Earth"* before his brother **ENLIL,** equivalent in Egipt to **ASARU** was sent by their father, **ANU** to take over the rulership, of **Ta** *"Earth"* in the Sumerian Doctrine.

Diagram 9
Cross

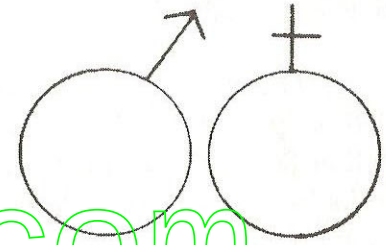

Diagram 10
Male and Female Symbols

www.Nuwaupuinc.com

The crescent refers to the moon --a dead universal body, which supports and multiplies the physical and mental dead and their forces on the planet earth. The Egiptian book of the pyramids, the cemetery, and book of the dead (The Bible) were magnified by **TEHUTI,** sometimes called **THOTH** or **HERMES TRISMEGISTUS,** also known as Anubis--the jackal dog of the dead. Read dog backwards (in dyslexia) and you get god.

The only way such false concepts as *"immaculate conception"*, physical resurrection of their Jesus, and ascension were able to take roots and grow in the first place, is because it was the time and season for such fabrications. There's no such thing as *"immaculate conception"* as you know it - that is spookism. It was an experiment performed by **ELOHEEM** who were scientists

was an experiment performed by **ELOHEEM** who were scientists that pro-created beings, through ***in vitro fertilization,*** which in your terms would be considered **"test tube babies"**; so this kills the spookism theory (***Refer to Mission Earth, Scroll #82***).

Christianity, as you know it today, took roots at the council of Nicaea (**325 A.D.**) and other councils since then, including the council of chalcedony (**451 A.D.**). Chalcedony is the **4th** ecumenical council. Ecumenical is the council of church authorities accepted by the church as official. The councils of Nicea and Chalcedony are two **ecumenical** councils recognized by the Roman Catholics.

The etymological meaning of the word **"gospel"** is *ghost spell* or spell of the ghost, meaning, spell of god. Ghost works by spell or fascination and is therefore **spellbinding. While 9- Ether** works by reason through **knowledge, wisdom**, and **overstanding**. If I am running after the image of other than self and kind, I cannot imagine self and kind as being anything. So they cannot allow any positive Black images, in the highest positions in this society. Those that are there have something wrong with their characters and if they don't have anything corrupt, they will make up something and character assassinate them. So, the accusation is always in the back of your mind even, if that person is cleared of whatever charges. It is a well thought out plan.

What is presented in the booklet called ***The Right Knowledge*** discloses part of the true history of the Bible, little known or unknown to wooly-haired people. Disclosure of the true history of the Bible is knowledge, and that knowledge helps to destroy ignorance of the oppressed and helps to open the escape route to liberty and equality by the mental process and progress.

Ques: Since Protestantism is an offspring of Catholicism, when was Protestantism born?

Ans: "Protestant" means ***"one who protests"***, meaning, religiously, one who protests the established order of belief or decorum (order) or both. The order of belief and decorum for the time, **1520 A.D.** in Europe which reference is now made to as *Catholicism*. The etymological meanings of the words **"Catholicism** and **Pantheism"** are the same in the sense that they both refer to the statue of a huge cat with a king's head at Giza, Egipt. The huge cat called the sphinx at Giza, Egipt, symbolizes the lion of Judah, which is Jupiter also called Zeus.

Figure 61
Martin Luther

Remember, all Greek and Roman Gods were originally Phoenician-Hindu Gods. Literally, the word **"Catholic"** means ***"Cat-Holy"*** or ***"holy cat"***. Of course, Catholicism and Protestantism and their many branches and denominations are all Christianity called Christendom, the Canaanites' spiritual world. According to history, **Martin Luther,** a German monk, and **John Calvin,** leaders who spear-headed the break from Catholicism. This was called the reformation.

Out of the reformation movements, came Protestantism, which represented looser religious practices and less religious discipline. The want for less religious discipline is one of the main

www.Nuwaupuinc.com

causes of the reformation in Germany, France, England, and other European countries.

Less strictness in religious practices meant that there could be separation of church (the national religion of a country) and state, (the Government of a country). Thereby, under Protestantism, the national religion of a country could pretend to represent one thing while the Government of that same country represents another thing, and this opened the way for greater deception and hoodwinking (underhandedness) by Christian rulers, that is, Caucasian rulers.

For instance, if there was no separation of church and state in the United States, the oppressed would know that it is the oppressor's religion and the spirit forces thereof helping the oppressor to keep the oppressed ignorant and captive even more so than the oppressor's politics and other systems, because the policy of the state would openly be the policy of the church and vice versa. But the separation scheme helps to keep the oppressed masses deceived about the enmity of the slave master's god against the captives. However, in recent years it has been made very clear that the slave-master's religion is as racist as his politics and other parts of his oppressive system. It should be pointed out right here, however, there is nothing wrong with right racism. In fact, everything is right with it.

Ques: What is Right Racism?

Ans: Right Racism preserves the races. There is no other way to preserve the purity of the races but by right racism. The **Tama'-hu** albino seed practices wrong racism, that is, one-sided racism. Right racism is a symptom of race pride and intelligence. Right racism is racism practiced on equal terms; and to practice racism equally, a race must have equal things, beginning with equal universal knowledge. This means being pro yourself, pro your race; but not being against or hating another.

It is ironical and hypocritical that the very ones who introduced racism, as you know it today, in the world, are the ones who practice wrong racism to extremes and are the very ones who tell us now that racism is devilish. To the **Tama'-Hu** albino seed it means that racism is devilish when it is practiced by others, toward themselves; because when others practice it, it means that Caucasian males:

(1) WOULD NOT abuse, misuse, rape, and ravish women of other races at will and nothing be done about it.

(2) WOULD NOT be able to mongrelize and leopardize, genocide by miscegenation, other races. Miscegenation means sex between a man and a woman of different races.

(3) WOULD NOT be able to religiously spellbind and sexually stigmatize the bodies and minds of women of other races and use those women against the men of the women's own race. In other words, right racism prevents **Tama'-hu** men from using the women of another race against their own men of the same race.

www.Nuwaupuinc.com

Remember, right racism is the only way to preserve the purity of the races and keep peace among the races. Many darker people, especially Blacks, do not realize that the spirit forces that empower the Bible are more racist than the **Tama'-hu** show them to be. By this I mean different races turn against each other, and even those of the same race turned against each other. Protestantism made it easier for them and other races to practice wrong racism on woolly-haired people.

The schism called Protestantism caused a great influx of European heretics (misbelievers) and jailbirds to migrate to America, because Catholicism demanded too much discipline, law, and order. Soon after that influx of separatists and jailbirds from Europe, slavery started in the Americas and the surrounding islands and territories thereof.

In **1520 A.D.** the time when **Martin Luther** was excommunicated, from the Catholic Church by **Pope Leo, X,** Catholicism controlled the church and the state. In other words, it controlled the establishment of the country where it had jurisdiction. So Protestantism sprang from Catholicism in the **16th** century (around **1520 A.D.**) by heresy (disbelief). Catholicism is the mother of all Christendom and, all Christian faiths and denominations, as it exists today. Unfortunately, Protestantism provides and allows separation of church and state, and this means that the masses are allowed to do their own Biblical interpretations, instead of leaving interpretations to the head of the church. Also, people are freer to practice their own evil wills and ways upon self and others without any real religious penalties or punishment. Nevertheless, **Christism** *"Christianity"* and **Mosesism** *"Jewism"* in all their forms and practices, are religions of and for the **Tama'-hu** race, not in favor of woolly-haired people.

According to history, the Bible was not completely translated into English until around **1610-11 A.D.**, and various English versions were produced since the first English translation. Therefore, the Bible, Old and New Testaments are nothing like the original writings, which the present Bible is supposed to represent. In ancient times, laymen were not allowed to interpret spiritual writings, because **(1)** there would be different interpretations which would confuse the people. **(2)** Different interpretations would not only be confusing, but also false--the layman not knowing spiritual lingo, and **(3)** individual interpretation by the masses would open the way for religious profiteering, exploitation, malice, and division; and there are other reasons why spiritual interpretations by the masses are undesirable and detrimental.

Protestantism opened the way for all the foregoing detriments. The schism called Protestantism is an outlaw from Catholicism. In other words, Protestantism is a result of spiritual lawlessness against Catholicism, just as the United States of America is a result of political lawlessness against England, and all

your churches today which includes Baptists, Pentecostals, Jehovah witnesses, 7th day Adventists, born again Christians, spiritual Baptists and all others.

In ancient times, once done, spiritual writings were never altered or revised. If there was something to be added or brought up to date, it would be at the end of the book and labeled properly as such. Altering or revising a holy book means that it was not right in the first place, or someone wants to deceive or mislead somebody into his own selfish way, such as exploitation, oppression, and slavery, which took place in America after the pro-testament (Protestant) reformation. In ancient times, the masses were kept up to date with current periodic writings already fully interpreted. The masses were not constantly taught about past events, except as history. They were not taught to live in the past or by the past. The masses were always taught that they should say and do for their well-being as of the present, because what was all right for the past may be all wrong for the present, depending on the issues in question or at hand and the surrounding circumstances.

Ques: What is life and can it be eternal?

Ans: A living being gets its life from its parents. The parents of a living being is its personal creator, and nature its impersonal creator. A living being is in the image and likeness of its mother and father. The parents of a living being, is its creator by the help and laws of nature. A child's life is born from its parents and is spontaneous. The father and mother of a child (or any living being) give up part of their lives through the sex act, and this is how the child gets its life. The father supplies the blood through the sex act, and the mother supplies the bones and flesh through the gestation in the womb by the laws of nature by its inborn and spontaneous powers. Life itself is a burning. All life is a burning, including the life of vegetation. In people, the burning takes place in the lungs and blood. A person inhales oxygen and exhales carbon dioxide. Carbon is the residue of burning, that is, carbon is the waste of a

burnt substance or gas. When oxygen enters the lungs, it reaches the blood, and the acids in the blood ignite the oxygen and burn it, and that burning is life. The burning generates light or natural electricity and the blood transmits the light to the brain; then the person is able to think, see, feel, hear, taste, and smell. The burning is spontaneous by nature and acids thereof. This can be seen in what is called Kirlian photography.

Figure 62
Kirlian photograph showing lighted fire surrounding this hand

Kirlian photography is named after a soviet developer called **S. Kirlian in 1939 A.D.** It is a method of capturing on a photographic plate, an image of an aura of energy that emanates from animals and plants, and that undergoes changes depending on physiological or emotional changes (***Refer to Man From Planet Rizq, scroll #80***).

When food substances seep through the lacteals of the small intestines and reach the blood stream, the acids in the blood ignite and burn the substances. The heat and energy produced from the burning generate pressure (blood pressure), and the blood distributes the pressure to the various glands and nerve centers.

Then the person is able to move the various parts of the physical being and the heart is able to keep the blood flowing, and distributing the energy, and nourishing particles throughout the living being to maintain strength and keep the flesh alive. The burning is the initiative to all life activities of the body, for the burning is life. Therefore, when the burning stops permanently, that is the end of life, then the person gets cold and stiff.

Open your mouth and blow your breath on the back of your hands and you will feel heat from the burning. In order to determine whether life can continue after death of the body, it had to be known first, what life is. Now that you know life is a burning, it is also true that the body of a living being provides the condition (the necessary combined factors) for burning, therefore, without this condition for burning, there can be no life. All this means is that physical life cannot go beyond the death of the physical person, because there is no condition outside the physical body that can continue the burning for a person. Hence, when the burning stops permanently, the person's body loses all consciousness and that is the end of physical life. A person's spirit is his or her divine body, and it links to the divine soul making you an **ELOHEEM**, or **Neter** ***"a deity"*** and the head of the spirit is his or her mentality, meaning the mind. The breath of life is simply oxygen, one of the gases of nature.

www.Nuwaupinc.com

This is the way the ancients had it. The soul is the divine body and mentality of a person. When a child is born, spirits may possess his or her body, but those spirits existed ever since creation. The spirits that possess the person may be **Qa'hat** *agreeable* or **Netchnetch** ***"disagreeable"*** or both, called **ELOHEEM.** This depends on the person's environment and the moment or time of the birth under which the individual was born. Moreover, the seed from which the child sprang is a major factor in determining his or her pattern of life.

Ka-aat "*Spirits*" being **ELOHEEM,** will most likely take a liking to the person with a nature most relative to theirs, unless they wish to torment someone's mind. Spirits can give false impressions or true ones. This depends upon the nature of the spirits possessing the person. Therefore, in addition to proof, sound reason (instead of spirits or spirit dreams) is the best barometer for determining what is true or false, right or wrong; to be able to make these determinations is why people, by nature, were given the ability to reason, called **"will"** or self-determination.

Spirits, just like people, have laws of their own and those laws are binding by nature. Since spirits are conscious gas forces, they can enter a person at will and leave at will, so long as the entering and leaving are according to the laws and codes by which they exist. The fortune or misfortune (the fate) of a person largely depends upon the spirit forces that accompany him or her and the seed from which the person sprang. Spirit law provides for the evacuation of all spirits just before or at the time of the death of the person they possess; but, the spirit or spirits that take permanent leave from the person's lifeless body are not the individual's soul or life, because they existed long before the birth of the person and they cannot keep the person alive if the burning stops, that is if the person stops breathing. Furthermore, a person can live without soul, because the burning is what's keeping the person alive, and light from the burning transmitted to the brain is what keeps the person conscious.

Spirits are not ones soul or life but the factors that determine what course that person's life will take and the length of his or her life. On the contrary, spirits are not people's lives (the burning proves this), but people may be the lives of spirits, and the life of all visible and invisible. People are the lives of spirits because, at the death of a person, spirits possessing that person

must transmigrate to something or someone else in order to stay alive, for they must keep subsisting feeding on the substance of something or someone's blood.

The ancients further maintained that eternal life for a person or a race is continuous pro-creation (perpetual reproduction) of that person's family or kind. For example, no Nubian is ever dead in the ethnical sense as long as two breeding Nubians, male and female, are still alive and together, because all Nuwaupians, Blacks, are of the same origin or ancestral tree. Hence, as long as there are two breeding Nuwaupians Blacks, all Nuwaupians here or having passed this physical plane, live through them. For all **Nuwaupians, Blacks** are the same flesh and blood.

There is no eternal life in the sense that a person has a personal spirit that continues beyond the death of his or her physical body (this is evident by the burning), and spirits that existed long before the birth of the person and leave the body just before or at death are not interested in maintaining the individual's image, identity, personality, and memories, but their own identities and ways instead. Moreover, since spirits transmigrate from place to place and person to person, there would be too many identities, personalities, and memories for them to maintain from the various persons through the years and centuries.

However, those people who can view spirits may be telepathically influenced by beings of a higher intelligence. And they may see the image of a relative, friend, or acquaintance that is still alive or deceased, because they can alter their form and appear in any image. They can even appear as a *Jesus* or *Mary* to deceive the weak into doing the evil spirits' work, telling them they are on a mission for god and his son. They may also give him/her healing powers, letting them speak in gibberish, or foam from the mouth and fall on the church floor and kick. Then say you got the *Holy Ghost*. Their power can be very misleading to those who do not

www.Nuwaupuinc.com

know the deceptiveness of what you call spirits. Yet, they have the power to activate the forces of nature. The unholy spirits of Christianity work hard day and night to keep the masses (particularly the Black masses) deceived about the facts of life and death--to keep the captive pacified and the Caucasian in the dominant position. The unholy spirits of Christianity constantly work hard to keep the moon cycle in progress and the Caucasian in power over other peoples.

In light of the preceding answer to life (and can it be eternal) you can readily see that salvation is not what you in the west have been taught that it is. You, in the west, have been taught that salvation is everlasting bliss and happiness is some place in the sky after death if you are good and obedient (of course, good and obedient to the hard taskmaster) ***(Refer to What is God Doing For You? Scroll #54)***. You have been placed under the spell to think that if you work hard until you die, and pray to a god that's in a place called heaven, who will give you no correspondence (meaning you will receive nothing until you die), you will then go to meet this god in heaven and live happily ever after. Undoubtedly, this nonsense was designed to pacify the oppressed in their captivity and continue working to their death, while the oppressor exploits them in every way. Salvation is protection from all kinds of enemies, including the enemies called hunger, disease, and ignorance, after a people have been liberated from them. Salvation comes after liberation. Liberation comes from the forces of oppression, evil, exploitation, and servitude, while that person or people oppressed are still alive. Salvation is that teaching and those forces that keep a people free and equal.

Liberation for a people or a kind comes collectively for all and not individually, because one is not really free until all of his kind are free. However, as stated elsewhere in this scroll, **I, Neter:A'aferti Atum-Re** offer a do-it-yourself solution to the

problems of achieving liberty and equality for yourselves until all of you woolly-haired people can get mentally strong enough to do what you must do for your liberty and equality, together. A solution that you will find in **the *Ancient Egiptian Order*, *A.E.O.*** The do-it-yourself solution means every woolly-haired person who desires liberty and equality can liberate his or her mind from the grave of **amnesia,** gullibility and the prison of ignorance. You can do this by facing and accepting facts and knowledge as outlined in the scrolls called ***The Right Knowledge Series***. Once a person's mind is liberated, he or she will do things right that will lead to liberation of the physical body. Once the captive's mind becomes equal to that of the captor, the captive is not a captive any more, because he will do things equal to that of the would-be captor.

Liberation for a person and his kind is true independence from domination by another kind of people. The forces of exploitation, evil, and oppression destroy a people in every sense. Salvation therefore, is protection from those wrong and cynical forces after being separated from them. Independent free people (people who are masters of their own destinies) need no liberation, for they have it already. Yet, salvation they constantly need, but through disobedience of the laws of nature, they can and will lose it. Look at all the natural disasters. Mother Nature is tired of mankind and the abuse she has endured from them. She is attacking with full force with all that she can. Some of the attacks were in the form of diseases and attacks from nature such as: Ebola, killer bees, the new diseases, animal deformities, hurricanes, tornadoes, fires that are out of control, floods all over the world and hail storms. The world is in total chaos.

All of this is now happening to the **Tama'-hu** race as the end of their **6,000** year rule. A people in oppression and captivity are in hell, and this brings us to the next question of life. But remember, eternal life for a person or a race is perpetual pro-

www.Nuwauprince.com

creation, meaning continuous reproduction on through the centuries.

Ques: What and where is heaven and hell?

Ans: Now that you know there is no individual who has a personal soul that will go to some heaven in the sky or hell fire under the ground after death, this changes the mental and physical location of heaven and hell for people of Earth. Heaven and hell exist indeed, but not in the sense and places the oppressed peoples have been taught. Heaven and hell are states of condition, and whatever condition one finds oneself in at any given time is his heaven or hell, no matter where he or she may be. If one is in captivity and oppressed, that is hell for that person. If one has troubles day and night, that person is in hell. If an individual is in bad health and he or she cannot get or afford the proper attention that is hell. If he or she is hungry and his or her clothes are ragged and is living in a society with closed doors to his or her well-being and economic progress, that is hell. When a person or a people are deprived of freedom, justice, and equality, that is hell for those deprived.

Heaven is where those of a kind make it for themselves, and hell is where those of a kind let others of a kind make it for them. Heaven is in no particular place beyond the stars; it is wherever heavenly conditions are for those realizing the bliss. A place can be heaven at one time and hell at another time. A place can be heaven for one kind and hell for another kind at the same time. For example, the United States of America is basically heaven for the **Pa Tama'-Hu** albino seed and basically hell for Nuwaupians, Blacks. Hell is in no particular place; it is wherever hellish conditions are for those experiencing the misery.

However, there is wrong heaven and right heaven. Wrong heaven is hell for the oppressed. Wrong heaven is the heaven of the oppressor because his heaven is built upon, strives upon, and survives upon a foundation of fabrication, slavery, killing, exploitation, and oppression. Right heaven is the heaven of liberty

for all in a society of justice and equality for all. Right heaven includes the necessary provisions and protection for all. But the only way people can have right heaven is that each race be in a land of its own, minding its own business, and practicing its own way of life. Liberty, justice, and equality are ingredients that make up heaven. Liberty, justice, and equality are forces of rightness. No one wants to rest all the time. People get tired of resting all the time, just as they get tired of working all the time. Hence, heaven is not a place of rest all the time. Heaven is reasonable rest and reasonable work plus the responsibilities for well -being and happiness. Heaven and hell are right here on the planet earth in the person of fleshy people. Heaven and hell are states of condition; whatever condition you find yourself in at any place or time is your heaven and hell.

Basically, the following is how **Amam** ***"Leviathan"***, who produces ghost, keeps hell going by way of the **Tama'-hu** , ***Ghost Race***; **Amam** ***"Leviathan"*** is the **boss** or *head of the unholy spirits* of **Pa Tama'-hu**, race and mankind in general, and it commands the most powerful, knowledgeable, and orderly unholy spirits of itself to **Pa Tama'-hu** race for the purpose of ruling and oppressing. However, **Amam** *"Leviathan"* commands the least powerful, most ignorant, and disorderly unholy spirits of itself to its captives for the purpose of submission, servitude, and informing the oppressor, because knowledge and order rule ignorance and disorder. Moreover, the unholy spirits of ignorance and disorder make the oppressed, instead of the oppressor, look like the villain. Furthermore, destructive, ignorant, and disorderly unholy spirits, possessing the oppressed by the will of **Amam** ***"Leviathan"***, compel the oppressed people to distrust, dislike, and reject each other the same way the oppressor rejects them. Most times the oppressed do not deal fairly with each other, and this is cause for distrust of each other. Most times the oppressed are destructive and disorderly, and this is the reason for dislike of each other, but all this is being done by evil spirit forces dispatched by **Amam** "***Leviathan***" to the oppressed to aid in keeping them down trodden

www.Nuwaupuinc.com

through ugly words and ugly works. Spirit forces can cause people to be dumbfounded or cause them to be mentally keen.

Evil demons live and strive on the blood and suffering of the innocent. Therefore, when those sadistic spirits are ready to subsist on the blood and rejoice at the suffering of the innocent, they cause the **Tama'-hu** race to provoke the innocent or cause the oppressed to become discontent and rebel against the oppressor, knowing that the oppressor will willingly shed the blood of the innocent and rejoice in their suffering caused by his vicious attacks.

That's what you see with the chaos in the world every day. Something is happening on the television. Those crimes that are geared toward Nuwaupians, Blacks, such as the shooting of 16-year old Black male youth *Ahmadou Diallo*, who was reaching into his pocket to get a key and was shot at **41** times and hit **19** times by several White New York Cops. What about the recent execution of the Black kid *Gary Graham* in Texas, accused, convicted and executed for a crime. Although there was evidence that would have proved his innocence; however, no stay of execution was issued. Yet in the case of a **Tama'-hu** person named *Ricky McGuinn*, a death row inmate, was given a 30 day reprieve for a Dna test by Governor Bush, just minutes before his execution. McGuinn was accused of raping his 12-year old step-daughter and failed the **Dna** test. Yet and still there was no rush for his execution after failing his test. Where is the justice? This happened in the same state Texas, under the same governor. There are numerous hate crimes, racial crimes, and incidents and murders due to racial profiling that are occurring and have occurred all over the country. Why? To spark a riot so it would justify the killing of more Nuwaupians, Blacks. They know their time is running out. They know they are at the end of their reign, and they have to try and do anything that will extend their rule. They tied into the vine trying to prolong their existence, because they know that if a **Nuwaupian, Black** married **1 Tama'-hu,** the kids produced, would automatically be

classified and be genetically **Nuwaupian, Black,** that would be the end of the **Tama'-hu** race. That is also a way of getting into your genes because they know that every 4th generation or fourth child, is where a change in the genes takes place. If you are a Nuwaupian, Black with a lot of recessive genes, you should only have children with someone closest who is of the darker **Nuwaupian, Black** as opposed to someone with a lighter complexion, especially if you are in the 4th generation, or are two people of the fourth generation which is when the change in the genes occur. This is not a Racist Statement. This is a genetic fact and is just to make sure the genes of Nuwaupians, Blacks, stay Black. If you are so busy running behind and after an image other than your own, then you have no love for self and kind. With this the spirit forces of **9-ether** will not help you, while the forces of **6-ether** will use you for their purpose and then leave you.

In other words, **Amam** *"Leviathan"* deliberately sets up opposition against itself and defeats it through brutality or kills it off, for that is part of the pleasure and livelihood of that spirit monster dragon--this is the nature of the unholy spirits of **Pa Tama'-hu** race that keep hellish conditions flourishing and prevailing. That is the nature of **Pa Tama'-hu** race religion whose purpose is to keep the **Tama'-hu** in the dominant position over other people. The thing that causes most of the ills in the world, as you know it, is Dracula, which means ***"son of the Draco".*** The name **Dracula** comes from a species of **Remusyan** "***Reptilians***" or serpent people called **Gargoyles** with flaps of skin supported by long ribs of Dracona, the human vampire.

The **Tama'-Hu** race is **Dracula** who live by the scapegoat doctrine. The satanic scapegoat is called, **Azazl** the devil or Satan, and the serpent or reptilian in the Bible.

The Hebrew doctrine maintains that the ghost, the god and spirit of the **Tama'-hu** race must survive by killing the living to obtain their blood, because ghost has no blood (life fluid) of its own, and it loves (most of all) the blood of Nuwaupians, Blacks, for yours is the richest by nature of all blood on the planet. So the dead, the ghost of Dracula, creates conditions called captivity and slavery, so that it may have victims whom it can conveniently prey upon whenever it needs additional blood for life.

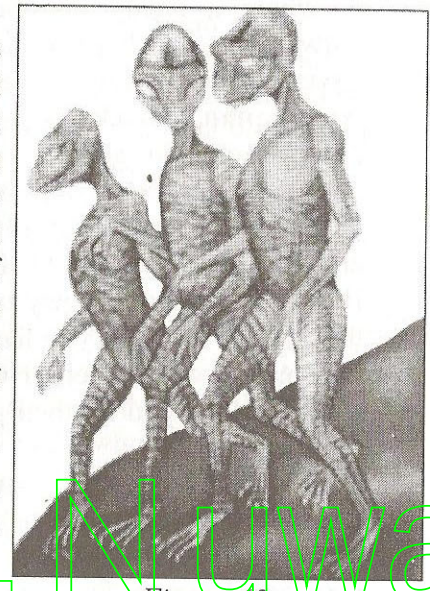

Figure 63
Reptilians of Dracos

www.Nuwaupinc.com

Have you ever wondered why they take so many tubes of blood from you when you only need a drop to conduct experiments? They are vampires and need a steady supply of fresh blood. The blood of the best known victims of Dracula is sent to the high places in **Tama'-hu** religions, and that blood is offered up to 6- ether (Jesus) and the ghost (god), the spirits of the ghost subsists on the blood, then ghost gets thicker and stronger in the atmosphere around the earth, for it is multiplied from the blood of those victims offered up in rituals and those whose blood is spilled outright. As ghost gets thicker and stronger in the atmosphere, its posterity the **Tama'-hu** race gets stronger to perpetuate oppression and captivity and keep the captive prepared for future needs of the ghost and its posterity. The satanic scapegoat **Azazl** doctrine

further maintains that the guilty must survive on the blood and suffering of the innocent and ignorant. So *Dracula*, in the person of the **Tama'-hu** race, pounces on its prey in the darkness of the night, because then its victim is unaware of what is really happening. Dracula created that darkness (ignorance) in the minds of your forefathers and their children to use YOU as adjusting tools when something goes wrong in its oppressive system, and to have YOU for exploitation. The darkness of the night, for the oppressed people of the world, is the ignorance of their minds.

But Dracula cannot withstand the sun successfully and the light, **The Right Knowledge,** thereof, because the sun destroys the darkness (ignorance) which Dracula must have, to practice its evils of death upon its victim. So, as the sun rises, if Dracula refuses to go back to its crypt, it will be forced by nature to destroy itself by help of nature, for Dracula cannot survive the rays of the sun. The crypt of Dracula is the mountains or caves today called "high rises" or condos. The **Tama'-hu** race is the visible and spiritual manifestation of the death forces, because, like symbolic Dracula, their creator and activator are the unholy spirits (ghost) of the Necropolis, a cemetery. Remember? The slave captive is the subsistence and scapegoat for Dracula and the death forces, which gives Dracula power.

Nevertheless, all this misfortune can be overcome through the acceptance of **The Right Knowledge, The Right Wisdom, and The Right Overstanding,** which leads to **right action** by the help of the forces of nature. This will be learned through the ***Ancient Egiptian Order***, ***A.E.O.*** The discontentment and rebellion of the oppressed against their miserable conditions are justified **100** per cent; but the bloodshed and suffering for such action only serve to strengthen the oppressor, if the discontentment and rebellion are not channeled in the right direction by **The Right Knowledge,** which leads to **Sound Right Reasoning.** To put it

another way, all suffering done and every drop of blood shed by a woolly-haired person, while he or she is a Christian or Muslim, a servant and victim of the **Tama'-hu** is shed for the cause, betterment, and salvation of the **Tama'-hu** race, whether or not you agree with them, Because the **Tama'-hu** is the visible god of Christianity and Jewism as **Amam** ***"Leviathan"*** producing ghost is the invisible god of the same.

They call it an unseen god, a ghost, spirit, fire, etc. Yet, what you have come to worship are spirit monsters of the necropolis like Frankenstein, Dracula, The Zombie, The Mummy, The Werewolf, etc. I must repeat it again, **Pa Tama'-hu** people live by white magic and Nuwaupian, Black people should live by **Black Magic**. But they don't. You know **Pa Tama'-hu** seed does, because there is a man named **John Edward**, born and raised in Long Island, New York who communicates with the dead every night on his show *Crossing Over with John Edward*, that airs on the **Sci-Fi** cable network. *John Edward* communicates with the dead, be they family, friends, uncle, step relative, parents grandparent and even great grand parents. ***John Edward,*** a Christian, is doing this on national T.V. and is doing it for Christians; yet they don't see this as a form of devil worship or Satanism or new age or spiritual upliftment of warlocks. All of a sudden, it is all right for a man to conjure up spirits on television, when people were burned and killed for such practices.

When we identify with our ancestors, as far back to Ancient Egipt and call them for help and guidance, we are pagans, while their T.V. ratings are shooting up and people are calling in like crazy. This was our way of life, which has ancestral worship with rites and rituals, real, yet we are called pagans. This man is confirming our way of life, the Egiptian way of life. But this man can go on T.V. with his crosses and star patterns that resemble pentagrams, because he is a Christian, and be allowed to communicate with the dead. What they are showing you is, that there are ghost forces of

6–ether that do indeed exist; and likewise those of **9- ether**, which **6-ether** comes out from, exists.

Make note have you seen many or any Blacks on this show? Recently, he had a black actress, *Tisha Campbell* on **August 23, 2000,** and while talking to her, he and she got stuck on **Tama-Re** ***"Egipt"*** and he kept repeating and seeing the Sphinx and the Pyramids. This was something she did not recognize, but we did. It was her Egiptian past coming through.

If you really look at what he is doing, this is what the Bible calls a **necromancer,** practicing calling on the dead. The same that is spoken about in the Bible as speaking with familiar spirits found in ***Deuteronomy 18:10.*** According to the Bible this is an abomination and according to the Christian church, he is practicing Paganism and Pantheism. **Necromancy** is something that people of this same Christian church have persecuted and even killed people for, doing and labeling them with all kinds of negative titles.

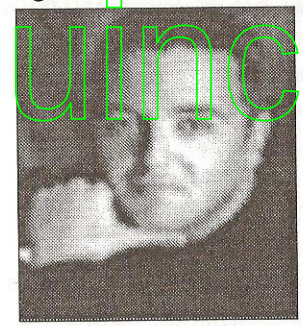

Figure 64
John Edward

This is the same practice that was condemned by being burned at the stake hundreds of years ago in Europe and America. Now the descendants of these **Tama'-hu**, Europeans today called, Euro-Americans, are praising **John Edward.**

That tells you that they are dealing with their spirit forces, the Ghost; but the moment we profess and practice our way of life **Nuwaupu**, based on the *Egiptian Mysteries* what they study called Egiptology, we are ridiculed and made to feel ashamed of our positive powers called ***Black Magic,*** when that is where our strength is, and for practicing our power, we are called pagans and

www.Nuwaupuinc.com

infidels. Egyptology is based on ancestral reverence and identifying, acknowledging, and giving thanks to our ancestors, whether it is through Kwanzaa, Yoruba, or what white people have labeled Voodoo in Haiti.

When we identify with our grandparents, great grand parents or even our ancient ancestors as far back to the time of Ancient **Tama-Re** *"Egipt"*, and call on them for guidance, we are pagans.

Yet, these hypocrites are doing the exact same thing. They are just calling on their dead spirits and we are calling on our ancient ancestors. We identify with our ancestors or grandparents and call on them for help. Yet, a white person is allowed to communicate with the dead on television and do "pagan" rituals for all kinds of staunch Christians carrying crosses and statues of St. Jude, their Bible and Rosaries, and nothing is said about it. As a matter of fact, he is receiving more offers for T.V. shows. The good side of all of this is what *John Edward* is doing is merely confirming our way of life. We have been in contact with our ancient ancestors for thousands of years before white people began to exploit it.

Blacks should be living by *black magic* however, Blacks are still living by white magic, a spell of ghost or gospel (ghost spell) under the white and Indo-Arab religions called Christianity, Islam and their tricknowledge called the media. They have their face in your face all day on television from the time you get up in the morning until the time you go to sleep, and they even get into your dreams. They make sure they are in every facet of your life. They are on videos, in movies, they are the newscasters, your teachers, the judges, the T.V. Evangelist, the preachers, the soap opera stars, they are in the commercials, and anything else you can name. This is their master technology of the hypnotic spell.

In other words, instead of the Nuwaubian, Black masses physically rebelling against the oppressor - a rebellion that will

leave the masses of Nuwaupians, Blacks, dead or hurt - the masses must rebel instead against the lies and ignorance created by **Apophis** which keep the minds of **Nuwaupians**, **Black** people imprisoned and their spiritual strength weak. To make it plainer, the only rebellion the Nuwaupian masses can win at this time, is a **mental** and **spiritual** revolution, which will put the Nuwaupian masses in mental and spiritual power. Then they will have the power to do anything else that may be necessary for complete liberation and well-being. The reading, studying, and acceptance of **The Right Knowledge, The Right Wisdom,** and **The Right Overstanding,** as found in the scrolls written by MYSELF, **Neter: A'aferti Atum-Re,** are the weapons that all Nuwaupian, Blacks, woolly-haired people should arm themselves with. Then universal power will work with **YOU** and for **YOU,** individually and collectively. A person has accepted **Right** and **Universal Knowledge** when he or she practices that knowledge. **YOU** must do that which is practical and sensible for yourselves and that which YOU can succeed in.

Ques: What is mercy, forgiveness, and justice?

Ans: Mercy is delay of justice until a later time. Then justice will fall upon the individual guilty one himself (or herself) or upon his or her seed or kind, because each and every one of a kind is one flesh and blood, for they sprang from the same ancestral tree or origin. **Forgiveness** is temporary transference (removal) of guilt from the guilty one to the forgiver. However, forgiveness does not free the guilty from his or her wrong-doing because, according to the laws of nature, the guilty one must account for his wrongs personally, or the guilty one's seed or kind must do so.

Forgiveness is to take the guilt of someone upon self, and thereby the forgiver becomes an accomplice of the guilty. Therefore, his penalty or punishment is the same as the guilty, but the forgiver's punishment comes before that of the guilty, because

the act of the forgiver is a temporary transference of the guilt to himself, meaning the punishment of the actual guilty one is delayed until later since the forgiver has taken it upon himself. However, the innocent paying the price of the guilty does not satisfy the laws of justice, because the innocent did not commit the wrong. The guilty one himself (or herself) must finally take the punishment of guilt in full, then the laws of justice are satisfied.

Moreover, a person cannot forgive another person for some wrongness the culprit did to a third party, for the only one who can truly forgive is the victim himself, because he or she is the one who suffered the hurt and harm, and the victim does not have the power of forgiveness unless he or she is in his or her right mind, and one cannot be in his or her right mind unless he or she knows, accepts, and understands **The Right Knowledge**. A person has accepted **The Right Knowledge** when one knows **The Right Knowledge** and practices **The Right Knowledge**. **The Right Knowledge** is **Universal Knowledge**.

If a person of one kind forgives another person of his own kind, he has forgiven himself; because all people of the same kind are one flesh and blood by nature and ancestral tree or origin and justice works by the seed, that is, ancestral lineage. **Justice** is words for words and deeds for deeds, ***"not equal to the amount sown but equal to the amount grown",*** which means this: the one who initiates a wrong deed is an aggressor whose wrongs may cause a chain reaction of wrong deeds, but the wrong-doer of the original wrong act is responsible for all the wrongness which results from the original wrong act.

Therefore, the one who first sowed the seed of wrongness must reap the whole harvest according to the laws of justice, because he is the aggressor as well as the transgressor. However, all who were a part of the chain reaction of wrongness are accomplices of the original aggressor, and will meet the same fate

as the aggressor. If they deliberately follow in the footsteps of the aggressor, knowing that he is wrong and violating the laws of nature. Since the time of **Qadmon**, **Zakar "Adam" and Nekaybaw, Hawwah "Eve",** real justice was delayed, and therefore, evils and wrongs have continued to pile up, until those injustices have reached their peak. And the peak is supposed to and has triggered **Armageddon** or **Ha Megiddo** which is going on right now in Camp David, which I said would start back up in the year **2000 A.D.** This is the last war of **Pa Ah** *"The Moon"* cycle, the war between right and wrong. Justice cannot be destroyed, hence, it was only delayed by mercy and transferred by forgiveness, temporarily.

If one Iota of justice could be destroyed in the sense, that Iota exists no more. There would be no such thing as wrong or right. Armageddon started before the end of the moon cycle and is still going on all over the world. The moon cycle ended officially in the year **1970 A.D.** However, the hangover will not be terminated until the end of Armageddon in the year **2030 A.D.** Since the guilty themselves have not accounted for their wrongs during the **Moon cycle,** a period of **6,000** years allotted to them. The end of the moon cycle was the time predestined for their reward in the form of justice.

The only way **Pa Ah *"The Moon"*** cycle could exist in the first place was by mercy and forgiveness, meaning on the blood and suffering of the innocent and those with strong morals, because it was a cycle of weaknesses for the existence of the wicked. To overstand existence within **Pa Ah *"The Moon"*** and **Pa Re *"The Sun"*** cycles you must first overstand that there are **4** cycles. As stated before each is **6,000** years being: **2** moon cycles - when **Haylal**, the son of **Tarnush, Apophis,** and his children dominated and **2** sun cycles when people of pure pigmentation or **Nuwaupians, Blacks,** rule and come to your glory. In the

www.Nuwaupinc.com

previous moon cycle, **Haylal, Apophis,** was created out of poisonous wind or a smokeless fire of the previous sun cycle. That's in the **Qur'an** ***"Koran"*** when it speaks about **Ibliys, Apophis** who in his arrogance, disobeyed the command of **Allah** ***"The Source"***, who ordered him to bow out of respect to Adam after his creation. Because he was ***akbar*** **"older"** than **Adam, Zakar,** who was created out of clay of the moon cycle, found in **Qur'an** "***Koran***" ***2:34*** says, ***"istak bara"***, which is another verb form for **"older".** This Disagreeable being named **Ibliys, Apophis** was big-chested and full of pride.

The Elders calculated your time and made a **12** month calendar. When broken up it's actually a thousand years individually. And combined it comes out equal to **24,000** years altogether; and the circumference of the planet is **24,896**. If you round this number up you get **25,000,** as in every **25,000** years, a renewer of your story comes. Once the information has, reached around the globe and back to America as it has then a renewal of right knowledge or information of our story is necessary to set the records straight as is happening now, which has called my presence **Amunnubi Raakhptah**, as the reformer and renewer of "your story".

The cycles actually run into each other; and when the planet **Ta** ***"Earth"*** completes its equinox, passing ***Jupiter*** and ***Titan***, that's when everything starts over again. That's what the replenishing is all about. Everything renews itself. The first **1,000-** years of this **Re** ***"Sun"*** cycle is when everyone who cannot live under the sun will be killed off by *"the sun of righteousness"*

(***Refer to The Scroll of Malachi, SCROLL #111 Chapter 4***) and the rest of the years of this sun cycle will be used for the people of pure pigmentation to prepare for the replenishing as did your descendants and ancestors. The **9-ether** Nuwaupians who were called **Ptahites,** survived the meteorite shower **14 million** years ago. The ozone layer will be totally destroyed allowing gamma rays, x-rays, ultra-violet rays to enter the atmosphere to destroy everything on the planet Earth. However, the children of the **ELOHEEM, NETERU,** those who listen and are prepared, will be protected because they will be inside the center of the earth until the replenishing - the end of the equinox. The vast injustices done against the innocent since **Qadmon**, **(Zakar Adam)** and **Nekaybaw (Hawwah, Eve)** shall cause the impact of Armageddon to be so great that, when the war is over, there may be but few structures erect and few people left alive.

Rest assured, those left alive will be the innocent and roots of this new **Ra** ***"Sun"*** cycle, the cycle of liberty and equity. Everyone who lived long enough during the moon cycle did something wrong, for that was the cycle of wrongs, therefore, the innocent are those persons and the offspring of those persons who did not knowingly cross a race line and intentionally do something wrong to a person or persons of another race, just because he or she was or is a person of another race. The foregoing knowledge and universal law points out how important a race line is - universal and spiritual innocence or guilt is determined by the race line. If a person of one race does harm to a person of another race because the justice in nature (universal law) requires it, it was an innocent act. Among the guilty are those persons of a race who knowingly and deliberately worked and/or works against their own race for a price or for nothing to please and help a person or person of another race.

When a person knows and overstands that: if the punishment for wrongs he or she does, misses him or her who transgressed, the punishment will eventually fall upon the

transgressor's own children or the transgressor's own kind. That person who knowingly transgresses now would be very careful in the future to follow the way of **The Right Knowledge, The Right Wisdom** and **The Right Overstanding** to the best of his ability and information. If that person is sensible and intelligent, because no sane father or mother wants their son or daughter to suffer the punishment for what the mother or father did wrong.

The same holds true for the other races. Apparently, the **Tama'-hu** race felt that it was all right to cross the race line and do what he desired to other races and nothing would ever come of it, so long as he did not do that to himself. But an act of wrongness is still a deed of wrongness, whether one does it to himself, his own kind, or some other kind, and the process of justice is the same. However, when one race crosses the race line to aggression and transgression against another race, because it is of another race, the laws of justice are more strict, and more drastic in the final punishment, because people of different races are not the same flesh and blood. Therefore, when a **Tama'-Hu** does harm to a **Nuwaupian, Black** he has violated the code of the races as well as the code of rightness. These codes are defined and explained in the science **NUWAU-PU**. It suffices here to state that the code of the races is a strict and drastic system of laws by nature.

Ques: What is death and the Resurrection?

Ans: Of course, death is the reverse or opposite of life. Since life is a burning, then physical death is the permanent stoppage of that burning. There are various kinds of death; economic death, linguistic death, nominal death, historical death, unity death, spiritual death, citizen death, cultural death, mental death, and physical death. All deaths (except physical death) are parts or phases of mental death. A person may be resurrected from all deaths but physical death. Once a person is really physically dead to the extent that his or her body gets cold and rigor mortis takes

www.Nuwaupuinc.com

over (which means that the law of decomposition has gone into effect), there is no return to physical life for that person, because the law of decomposition cannot be reversed. Decomposition (decay) can be made to stand almost still as in the case of a mummy, but it cannot be reversed.

Ques: What about people who can make their pulses almost stop?

Ans: There is such a thing as a trance in which a person seems to have no pulse beat and no respiration, and later he or she comes out of it. That kind of thing is done by spirit demons, but the person was never physically dead. When a person dies indeed, the brain cells are damaged beyond consciousness, and even if the heart could start beating again, the mental consciousness could not return.

www.Nuwaupuinc.com

Ques: What is a zombie?

Ans: A zombie is a dead body reanimated by spirit demons whose purpose is to scare and terrify, but the person is neither alive mentally nor physically in the same way, as when he was fleshly alive. In other words, a zombie is a trance body or dead body being used by demons or spirit demons, but there is no such thing as a person being resurrected back to physical life in the useful sense. YOU know as physical life, after he or she is physically dead. Physical death of a person is the unity and completion of all deaths as an individual personality.

An individual's ideologies and thoughts (if put in writing and action) may survive the death of the body and prevail, but this is not the person's physical mind or mentality; it is the works of his or her mentality, for the mental faculties die with the rest of the person. Only the divine soul of **EL** called **ELOHEEM** live on for the rebinding into the **EL**. Therefore, the works physical or mental

or both, of a person may survive physical death, but nothing else such as a personal body, because there is no personal mind other than the mental of all the race.

The physical body and mind are married as one. In the case of the Jesus of 2,000 years ago, the resurrection was a fabricated story designed to deceive the world, just as the story of the *"immaculate conception"* and ascension were fabricated to spell bind the people. Also religious histories show record of at least **14** such stories like that of **Jesus** --all existing before the time of **Jesus of 2,000** years ago. Those stories, like that of Jesus, were impractical and illogical. They were allegory. All of those **virgin-born-resurrection-ascension** tales were mainly Hindu Indian legends in the east and west. Originally however, the life-death resurrection-ascension story came from us the Nuwaupians, Ancient Egiptians, Blacks, with the conception story of **Haru** ***"Horus"*** who was conceived and birthed by **Aset** ***"Isis"*** after the untimely passing of **Asaru** ***"Osiris"***. But when only the Nuwaupians had it, it was overstood that the story was a description of the works of nature. But when **Pa Tama'-hu, race** got hold of the story from the Phoenicians they mixed with. **Pa Tama'-Hu,** took the real overstanding out of it, and used the story to fascinate darker people, Nuwaupians, Blacks, into spiritual ignorance and gullibility for the purpose of oppression and exploitation.

The Nuwaupians', Black's story about nature covered a **24-hour** period and it went this way:

> *"The sun is the king and ruler of the solar system, who sits on the throne at midday (this is the time the sun is highest in the sky) the sun is the bright and morning star and the light of the world, who by his ray (light) gives life to the world, meaning, the earth and the things thereof and the rest of the solar system, because the sun is the burning that is the original source of all lesser burnings (natural and artificial) in the solar system. The sun is the creator of the solar system, meaning, the planets and their satellites in this part*

of the universe. From his throne, the sun condescends and descends to earth. When the sun reaches the earth, he sheds blood (the red hue of the sun at sunset) by which he gives life to the world as he is put to death on the cross, meaning, on the earth, because the astronomical symbol of the earth and moon is a cross in a circle; look under the word planet in a dictionary with a table of the planets. He (the sun) is put to death by the demons of darkness (sundown). The sun enters hell or darkness called the grave (gravitation) and rises from the grave (the dead) in the morning (sunrise or levitation) victorious over death, hell, and the grave and ascends back into the heavens where he always reigns."

The preceding is the core of the Nuwaupians' story concerning the sun. More and more original meaning of the story, the sun was also used to symbolize, then ideas were added to this story, until it was eventually applied to individual men such as **Krishna, Rama, Buddha, Jesus,** and other savior types. So, the true meaning of the story was lost. In the true story, the death of vegetation, in the evening or shadow hour, was when the sun of nature appears to go down and the life of vegetation at day break when the sun appears to go up. The phrase **"son of god"** used by **Pa Tama'-hu** race in the Bible was termed ***"Sun of Nature"*** in the original Nuwaupian story. In other words, **Pa Tama'-hu** albino seed, changed the phrase *sun of nature* to *son of god* in order to deceive **YOU**.

However, the phrase *son of god* is in keeping with **Tama'-hu** origin. In other words, the phrase *"son of god"* is right for the **Pa Tama'-hu** albino seed. YOU can see from what has been stated in the previous paragraphs, there is no such thing as a physical resurrection for physically dead people, neither individually nor collectively nor does the sun set or rise yet only appears to. Because the body and the mind are the soul and they cannot be restored to usefulness after physical death. The resurrection mentioned in the Bible, though false, can be applied to the resurrection of the mentally dead people, which began at the end of **Pa Ah *"The Moon"*** cycle, the cycle of ignorance, who are

being resurrected by right knowledge from the grave of spiritual and cultural ignorance, gullibility, and injustices that they might take their proper place and position in the life of liberty, unity, justice, equality and rightness. All of this is being given to you through ***The Ancient Egiptian Order, A.E.O.***

Amam, The Hypnotic Spell Of Kingu, *The Spell of Sleep*, Spiritual ignorance and racial blindness, or amnesia of knowledge of self and kind has, a hold on so many Black people, but you wake up through **The Right Knowledge, The Right Wisdom and The Right Overstanding. Pa Tama'-Hu *"The White"*** Albino seed were given **6,000** years in the hands of **Amam**, ***"Leviathan"*** and were assigned one of the Eloheem named **Tammuz** as your guardian or god for the **6,000** years. While under the spell of **Amam *"Leviathan"*** sleep, **Nature *"The Neteru"*** are were awaiting your awakening, which is now and is the end and the **6,000** year reign of **Apophis** and the end of the **Ah** "***Moon***" also called the silver cycle. Now you, sleeping god people must regain your memory of self from this state of **amnesia.** It is time for you to become conscious again. That love that you had for self and kind must be rekindled. **Nuwaupians, Blacks**, are finally reclaiming what is rightfully yours. The forces of **9-ether** and your gods, **Neteraat *"Supreme Beings"***, referred to as Mother Nature, are coming out to you. They are here all around you to help you. Don't reject them. They are you.

You must, as **Supreme Beings** god-man and god-women, step forward equally and take your rightful place as rulers of the planet responsible for self and kind. Together for you need the spirituality of the man and the attunement with nature – of the woman and rule equally as one balanced being, within all, All in All.

"Walk in the Light of the sun, as if all can see you at all times. Bathe in the light of the sun as if it can, as it does, heal all things. Take each step in its warmth as if the sun is your true loving parent, and think of it as the source of all life, as we all know it is. For without the sun there would be no life, as we know it. This we all know."

Author's Note

I, Have Devoted My Visit To This Planet To The Resurrection Of The Mentally Dead, Which I Affectionately Refer To As Mummies. Never Did I Know That The Evil One Had Done Such A Great Job With These People Both Mentally And Physically As To Have Them Hate Self And Kind. My Greatest Dilemma And Hindrance Has Been The Black Devil. Born Amongst You, And By You, Married To You, Socializing With You, Praying In The Same Sacred Houses Of Worship As You; But Secretly They Have A Spiritual Pack With The Devil, Which Makes It Near Impossible For Them To Totally Surrender To Nuwaupu. But, For The Few Chosen From The Many Called, I Sift To Find Those Beings That Wish To Become One With The Supreme In All. So I, The **Supreme Grand Hierophant: Amun Nebu Re Akh Tah**, As I Am Known Throughout The Mystical Schools, The Incarnation Of **Tehuti** "Thoth" Student Of The Great **Tum**, Known As **Atum-Re,** The First Point Of Resurrection From Ignorance To **The Right Knowledge**, **The Right Wisdom** And **The Right Overstanding.** I Have Blended In With Each Of The Religions Most Interesting To My People. I Lived As One Of Them, Practiced As One Of Them In Order To Reveal The Misconceptions Of These Doctrines That Have Plagued And Diseased The Minds Of My People.

Amongst The Arabs Of **Al Islaam** In The Degree Of **Muhammadism**, I Was Known As **As Sayyid Issa Al Haadi Al Mahdi** Or Simply **Imaam Isa**. Being Fluent In The Many Dialects As Well As The Classical Arabic Language, I Translated Word For Word Without Biasness In Favor Of The **Islaamic Religion**, The **Qur'an (Koran)** From Syretic Arabic Into English. I Sat Beneath The Great **Shuyuwkh** As A Student, One Of Which Was **Mahmoud Muhammad Mahmoud** And The Great Master **Karama Shaikh Al Hasoun** Of The **Khalwatiyya** Order Of **Sufis** Out Of **Sudan,** As A **Mahdiyya** Or **Ansaar.**

As A Moorish-American Under Noble Drew Ali As **M. York-EL, I Republished** And **Revised The Holy Koran Circle Seven**. Their Connection With The **N.O.I. "Nation Of Islam",** Known As The Black Muslims, Encouraged Me To Do An In-depth Study Of The Teachings Of **Master W.D. Fard,** Allah In Person To His Final Messenger, **The Honorable Elijah Muhammad**. I Released Several Books Explaining In-depth, Their Doctrine, Which Led Me To Another Ex-Member Of The Nation Of Islam Called **Clarence 13X,** A Self-Styled Allah Who Founded The **5 Percent Nation Of Gods And Goddesses**. I Collected Data And Published **The Problem Book,** Their Interpretation Of The English Class Lessons Of The Nation Of Islam.

Amongst The **Hebrew Israelites**, While In The Degree Of **Mosesism**, I Was Known As **Rabboni: Yashu'a Bar El Haady**. As A Hebrew, I Was **Bar Mitzwahed** By The Great **Rabbi: Matthews** Of Harlem. Through The **School Of Judaism**, I Translated The **Torah** And The **Psalms** From The **Ancient Hebrew** Into **English**.

Amongst The **Christians**, In The Degree Of **Christism**. I Was Known As **Reverend: Malachi Z. York** Or **Dr. York, Pastor And Founder Of The Egiptian Church Of Karast "Christ"** Through The **School Of Christism**, I Translated And Explained **The Book Of Revelation**, From The **Galilean Arabic** And The **Ancient Greek**.

In This Day And Time, I Received A **New Holy Tablet**, Our Own Scripture That Each Day, As Scientists, Astronomers, Paleontologists, And The Likes Uncover New Evidence Confirming That It Was Indeed Divinely Inspired, And Is Not Merely A Book But A Revelation A Holy Scripture With Prophecies Of The Future Which Are Manifesting Daily. Also, I Translated The Book Of The Coming Forth By Day, Called **The Egiptian Book Of The Dead** From Hieroglyphics As **Amunubi Rahkaptah.** I Also Released A Series Of Books Called **Behind The Nine Ball** And **Bible Interpretations and Explanations**. I Felt It Is My Duty As The True Reformer And Savior To My People To Make That Which Is Unclear, Clear. I Have Also Revealed The Doctrine Of Those Called The Hebrew Israelites, And The Likes With A Series Of Books Called **360 Questions To Ask** And 3 Volumes Of Over 1,000 Pages Each Entitled The **Degree Of Mosesism**, **The Degree Of Christism,** And **Degree Of Muhammadism** Covering Any Question That Anyone Could Have Pertaining To Any Of The 3 Monotheistic Religions.

I Have Also Traveled The Rough, And Rugged Path Of **Freemasonry** And Have Arrived As The **Imperial Grand Potentate Internationally, Of The Ancient Arabic & Oriental Order Nobles Of The Mystic Shrine New Mecca Temple No. 11 Macon Ga. And I.G.P. Of A.E.O. & A.N.O.M.S. Al Mahdi Shrine Temple No. 19 Macon, Ga. Northern & Southern Jurisdiction, The Worshipful Master** of **Nuwaupian International Grand Lodge A.F. & A.M.**, Also **Deputy Grand Master Pride Of Georgia Grand Lodge A.F. & A.M. 33rd Scottish Rite Freemason** Of **Amos Grand Lodge of Macon, Ga.** I, As **Al Mufti** Sit On **The Council Of 9 The International Supreme Grand Council Of Shrine Ahli'l Bait.**

I Entered **The Order Of The Acacia**, Under The Most Worshipful Master The **ILL. Charles Tinsley,** 33rd Degree At **King**

Solomon's Lodge No. 4 Of Brooklyn, New York The **Grand Enoch Lodge** In **Brooklyn N.Y.** On **Putnam** And **Nostrand Ave. Prince Hall Affiliated** And Of The **Ancient** And **Accepted Scottish Rite Freemasonry A.F. & A.M. Jurisdiction** Of **Georgia** Called **Zerubbabel Grand Chapter Royal Arch Mason, United States** And **Canada.**

My Travels Took Me Throughout The World From Sitting With The **Mystics** And The **Monks** Under The Tibetan Master **Lama Mott Kokomau** Of **China** To The **Grand Lodge** In **Cairo, Egypt, North East Africa;** To Being A Member Of The Rosicrucian Order Since **1974 A.D.** As Well As **Astara Mystic Order** Since **1975 A.D.** For More Than 25 Years. As The **Supreme Grand Hierophant,** Of The ***Ancient Egiptian Order, A.E.O.***, **Mir** "Pyramid" **No. 9,** My Family Has Been Freemasons For Generations In **Virginia's Zen Shriner Temple No. 122**, Newport News, Virginia And **Daughters Of Isis, Zen Court No. 98**, Prince Hall Affiliated.

I Stepped On To The White Lodge Freemasonry From The Black Egiptian Mystery As **Tehuti** *"Thoth"*, Called *Hermes Thrice Times Great,* The Possessor Of The Master's Key, Keeper Of The Secret Word To Become A **Haru** *"Horus"*, A Companion Of The Great Hierophant; **I-M-Hotep**, The Scribe Of The Secret Doctrine, Conferrer Of The **720 Degrees** In The **Secret Number 9**, And The Guardian Of The **9th Gate**, Raising From The Ninth Chamber The Secret, Which Will Give You The Power To Re-Align Yourselves. I Was There, Which Is Here, When The Word *"Let There Be Light"* Was Uttered. I Have Stood The Test Of Time. I Have Been Questioned By Scholars, And Historians Of All Religions And Denominations. I Am Capable Of Answering The Unanswered And Solving The Problems Of The World; Yet, My Personal Interest Is In Each And Every One Of You.

I Am Not A Holy Man Or A Preacher I Am A Master Teacher. I Have Resurrected In The West, The Ancient Fraternity, ***A.E.O.*** *With Healing In My Wings*, The Spiritual Order Of Our Ancestors, The Egiptians, And Your True Bloodline Under The Reincarnation Of **Neter: Amunnubi Raakhptah,** Your **A'aferti** "Pharaoh" For This Day And Time **"Atum-Re"**. Introduction

Let Us Open This Book By Establishing Right Here, That There Has Been A Series Of Books That I Have Written Over The Years, About Secret Societies And Demonic Brotherhoods, And It Should Be Cleared That There Is Much Sectism And Denominations Taken Place Within The Masonic And Shrinendom Orders. There Is A Line Down The Middle Between Euro-Freemasonry And Afro-Freemasonry And Euro-Shriner And Afro-Shriner, And Because Euro-Freemasonry's Claim As Being The Authority, Afro-Freemasonry Has Been Divided Into **Prince Hall** Which Depends On Euro-Freemasonry For Its Charters Referred To As **F & A.M., Free And Accepted Masons** Along With Their Versions Of The Shriners Referred To As **A.E.A.O. & N.M.S. - Ancient Egyptian Arabic Order And Nobles Of The Mystic Shrine** From The Various Other Afro Masonic Orders. Such As, **A.F. & A.M. - Ancient Free And Accepted Masons** And **A.A.O. & N.O.M.S. - The Ancient Arabic And Oriental Order Nobles Of The Mystic Shrines** Or Simply **The Ancient Arabic Order Nobles Of The Mystic Shrine** And The Modern Day **Freemasons.**

As You Can See, The Devil Has Touched This Most Illustrious And Noble Society And Has Created Dissension. The Catch Word Is **Alberta,** A Province Of Western Canada Between British Columbia And Sascatchewan, Where The Myth That Freemasonry And Shrinery Are European Institutions That Began Under One Called **Albertus Magnus.** His Book Is Called "***ALBERTUS***

MAGNUS being the approved, verified, Sympathetic and Natural, EGIPTIAN SECRETS –or- White and Black Art for man and Beast. Revealing the Forbidden Knowledge and Mysteries of Ancient Philosophers".

The **Ancient Arabic Order Nobles Of The Mystic Shrine** Was Originally Called The **Order Of The Mystic Shrine** Or Called In **1870 A.D.** Which Is The Same Year The Shrine Was Built In **Sudan** By The **Mahdi** Which Is Where The Europeans And Euro-Americans Base Their Rituals On What They Saw While In The Middle East.

They Set Up Their Grand Lodge Of Canada In Alberta, Canada Which Was Established In **1901 A.D.** And In **1905 A.D.** They Established 39 Lodges And 2,380 Brothers Of The White Brotherhood Under Their Jurisdiction, Who All Followed **Albertus Magnus**. **Albertus Magnus** Was Born In Lavington, In **Swabia** In **1205 A.D.** And Died In **1280 A.D.** He Was A Master Magician And Inventor Of German Gothic Style Of Architecture. **Albertus Magnus** Is The One Who Changed The One True Constitution Of Masonry. He Created New Races, Had New Books, New Rituals, A New Constitution, New Laws And Publicly Declared No Negroids, Jews, Or Native Americans, Nor Orientals Were Allowed Membership In The Order. It Was Strictly For Anglo-Saxon Protestants, And Was Spearheaded By **Albert Pike** Who Became The Sovereign General Of Euro-Freemasonry, Respected By Them And His Disciple **Albert Gallatin Mackey.** Make Note The Initial Name Of **Albert,** Just As The Sons Of The Confederate, Another Name For The **Ku Klux Klan,** Used *"Robert"* And *"Lee"* In Their Names As Codes.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Note Both Names Such As **Albert Pike** And **Albert Gallatin. Mackey** Have A Symbolic First Name *Albert*, Taken From The 12th Attribute Of Allah, The Mohammedan God In Arabic **Al Bari** البرى Meaning *"The Maker"* As In Master Builders, And 12th As In the 12 Disciples. The Grand Lodge Of Canada Is In **Alberta, Canada.** Notice The Name Albert, Which Was Established In **1901 A.D.** And In **1905 A.D.; Alberta Canada** Had **39 Lodges** And **2,380 Brothers** Of The **White Brotherhood,** Under Their Jurisdiction, Who All Followed **Albertus Magnus. Albertus** From **Albert** Meaning ***"Bright"*** And **Magnus** Meaning ***"Great"*** And Together The Name **Albertus Magnus** Means *"Great Illumination"*.

Albert Pike, The Son Of A **Boston Cobbler**, Was A 33rd Degree Freemason As Well As A Confederate General During The Civil War ***(Refer To The Millennium Book, Part 2)***. He Became A Lawyer, Journalist, Poet, And A Prominent Jurist. In The 1800's **Albert Pike** Joined The Luciferian Conspiracy, And Soon Became The Head Of The Organization. In **1834 A.D. Mazzin E. Guiseppi**, An Italian Revolutionary Became Adam Weishaupt's Successor As Illuminati Director. He In Turn Placed Albert Pike As The Head Of The Illuminati Operations In The U.S. They Soon Became As One Unit And Divided The Work Of The One World Government Conspiracy Between Them. **Albert Pike** Took Control Of The Theosophical Society Working With A Witch Named **Madame Helena P. Von Hahn** Also Known As **Madame Blavatsky (1831-1891 A.D.).** She Wrote Books Such As *"Isis Unveiled"*, 4 Vol. In **1877 A.D.;** ***"The Secret Doctrine"*** In **1888 A.D.;** ***"The Key To Theosophy"*** And *"The Voice Of Silence"*,

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Both Which Were Written In **1889 A.D.** She Along With Two Other Women **Maria Austich**, **Zigrum** And The **Thule Society** Came Together And Selected **Adolph Hitler** To Be Their Contactee In The Pursuit To Rule The World. They Were All Directly Involved With The Head Of The Freemasons, **General James Albert Pike**, A **33^0 Master**. **Albert Pike** Took Control Of The Religious Side Of The **Theosophical Society** And **Mazzin Guiseppi** Was In Charge Of The Political Side. Then, **Albert Pike** Organized Another Order Of Freemansonry Called The "New And Reformed Phalladian Rite". This Was To Help In Their Mission To Destroy Christianity And Promote A Luciferian One-World Government. As You Can See, The Worship Of Lucifer Is Breeding In These Masonic Lodges.

This **Albert Pike** Is The Author Of *"Morals And Dogmas"* **Of Freemason.** A Book Where He Declares On **Page 321** And I Quote: *"Lucifer, The Light Bearer! Strange And Mysterious Name To Give To The Spirit Of Darkness! Lucifer The Son Of The Morning! Is It He Who Bears Light....? Doubt It Not!.... A Devil, The Fallen Lucifer, Or Light Bearer... It Is True."* Albert Pike Pledges That Euro-Freemasonry As A Whole, And All Who Come Under Him Or His Disciples New Brand Of European Freemasonry, Step Into The Light, Which They Make The Declaration That Light Is Knowledge.

In Imitation Of The Humility Of The Wisest Of Mankind, We Look To The East For Light, And Find Placed There The Beautiful Emblem Of Newborn Light, The Crescent. The Excerpt Below Is Taken From **Medina Temple No. 19, A.E.A.O. & A.N.O.M.S.**, Page 34-44 And It States:

> *"This Is Yet Only A Symbol, And Refers To A Higher And Purer Source, The Great Fountain Of Light, The Sun, Which Is Also An Emblem Of The Great First Cause Of Light And Intelligence. Thus, Do We Lead The Mind Of The Initiate, Step By Step, From The Sterile And Shifting Sands Of The Desert In To The Halls Of Science, The Chambers Of Culture, Until He Stands In The Presence Of The Emblem Of Light And Intelligence, In Possession Of The Key, That Will Open To The Diligent Inquirer Every Truth In Nature's Wide Domain."*

The Monotheistic Religions Of Today Widely Accept The Fact That Light Is Knowledge Without Forethought To The Reality That Prior To **Thomas Edison (1847-1931 A.D.)**, Who Invented The Light Bulb, They Had No Knowledge Of Electric

Light. The Only Ones That Had Knowledge Of This Were The Egiptians, Which You Can Find On The Walls, So In Fact When The Bible And Koran Makes Reference To Light, They Are Making Reference To **Fire** ***(Exodus 3:2, 13:21, Deuteronomy 4:12,)***. Thus The God Of The Bible And The Present Day Koran Being Called: The Light Of The World, Light Of The Heaven And The Earth ***(Qur'aan 24:35),*** Allah's Light ***(Qur'aan 9:32),*** Light As Knowledge, Illumination, Illuminati, Light Is Good, Light Is Intellect, White Is Light, White Is Pure, White Is Holy, etc., Are All Deceptions To Lead The Mind, Body And Soul On A Path To Submission Totally To The Will Of Fire The Koran Of The Muslims Uses The Arabic Word **Nar** (نار) For **Fire** ***(Koran 2:24)*** And **Nur** (نور) For **Light** ***(Koran 6:1),*** Both Having The Same Root **Nr** (نر), As The Torah Of The Jews Uses Literally The Same Word **Esh** (אש) For *Fire* ***(Deuteronomy 4:24)*** And **Ur** (אור) For **Light** ***(Genesis 1:3)***. The New Testament Of The Christians Uses **Foce** (φως) For **Light** ***(Revelation 22:5)*** And **Pur** (πυρ) For **Fire** ***(Revelation 21:8).***

You Can See The Word **"Ur"** Hidden In *Nur, Pur* And *Ur* In All Three Supposedly Holy Texts And The True Origin Of The Word **Holy** In Greek Is **Hag-ee-os** (αγιος), Borrowed From The **Greek** Word **hay-lee-os** (ηλιος) For *"The Sun"*. All From The Egiptian City **Annu** Or **On** Called By The Greeks **Heliopolis** Which Means ***"A City Of The Sun"***. The Word **Sun** As Defined In **American Heritage Dictionary** Comes From *the Middle Eenglish from Old English, Sun, from New English, Derivative Of Germanic Sunthaz meaning "Sun-Side", a Variant Of Sol, Solar, Solarium From The Latin Sol. Originally Spelt Soul, From The Root Word Sawel meaning 'Sun' And Sawol meaning "Soul'.*

As I Mentioned Earlier, The Light Of The Qur'aan And The Bible Is Fire, The Torch Of None Other Than Lucifer As Found In *Isaiah 14:12* *"How Art Thou Fallen From Heaven, O Lucifer, Son Of The Morning!"* This Same Torch Is Used By The Illuminati Societies Today Under The Leadership Of Albert Pike, Who Pledge Allegiance To A Sacred Society Called Luciferian, That Literally Predates The Christian Bible.

One Of Their Master Plots Was The Removal Of The Moorish Islaamic Teachings Which Influenced The **Knights Of Columbus,** Who Practiced A Form Of Islam Called **Alhambra** Named After A Mosque Called **Al-Kal-At Alhamra** (الحمراء الكلعة). **Al Kal-At** (الكلعة) Means *"Fortress, Citadel, Stronghold, Fort"* And **Hamra** (حمراء) Means *"Smut, Rust" Feminine Of Ahmaru* (احمر) *"Red", Relative To Hammara* (حمر) *"He Dyed Red", Humrah* (حمرة) *Meaning "Redness".* **Alhambra** Is The Red Castle Describing The Color Of The Sun-Dried Bricks Which Its Outer Walls Were Built Of, The Letter "**B**" Was Mistakenly Added To The Arabic Word **Alhamra**, Making It **Alhambra**, The Castilian Word. Castilian Is The Spanish Dialect Of Castile, A Region And Former Kingdom Of Central And Northern Spain. **Alhambra** was Built In The **12th** And **13th** Century By The **Moors** In **Granada, Spain** Meaning *"The Red Palace"*.

Ques: Who Or What Tribe Began Shrinery?

Ans: Banu Kinanah بنو كنانة *"The Tribe Of Kinanah"*, Which Have Their Seed Linked Directly Back To The Prophet **Muhammads' (570-632 A.D.)** Of Arabia Great Grandfather **Hashim (464-546 A.D.)**, Whose Original Name Was **Amr Hashim,** Fathered By **Abid Manaaf** Created The Arabian Branch Of Islamic Shrinery. Coming From The Blue Lodge, Blue Nile Scottish Rite Freemasonry On Into Shrinendom, Both Having

This Is A Fact That The Deceivers All Know And Had To Accept Before They Decided To Deviate, Alter, Plagiarize, Corrupt And Change The Original Signs, Grips, Passwords And History To Include Judeo-Christianity, Adding To The Rituals The Bible And The Koran Characters.

These Biblical And Koranic Characters Have Nothing To Do With The Original Sacred Societies And Mystical Brotherhoods Of Ancient Egipt, Thus It Became Necessary That I Make You Aware Of The Luciferian Plot To Take Away Freemason And Shrinery From The Original Egiptian Moors Presently Called Negroes, Latinos And Other Ethnics And Give It To The Europeans, Knowing That Its Origin Is Ancient Egipt. Read ***"Freemasonry Of The Ancient Egyptian By Manly P. Hall, Copyright 1937" And "The Masters Carpet By Edmon Ronayne, 1818", "Egyptian Masonic History, Rites Of Memphis, Clavin C. Bert, 1867", The Mysteries Of Egypt, Luis Spence."*** Plus. They All Add In Their Masonic Handbooks And Shriner Handbooks References To The Origin Of All Knowledge Being In Egipt. Not To Mention, Why Would An Arabic Order Use An Arabic Name For Their Temples, And Greeting In Arabic Such As **Es-Salmu Aleikum**, (السلام عليكم) And The Center Of The Seal Of The Shriner Has A Face Of An Egiptian Sphinx? The Attempt To Hide These Facts Is Called The Luciferian Conspiracy.

Ques: Just What Is The Luciferian Conspiracy?

Ans: Firstly, Let's Define The Words Luciferian And Conspiracy. When You Hear A Word Like Conspiracy, Your

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Brain Immediately Clicks And You Hear The Two Words "Con" And "Spire".

con[1] (kŏ n) *adv.* **1.** In opposition or disagreement; against: *debated the issue pro and con.* **--con** *n.* **1.** An argument or opinion against something. **2.** One that holds an opposing opinion or view. [Middle English, short for *contra*, from Latin *contrā*, against. See CONTRA-.]

spire[1] (spīr) *n.* **1.** A top part or point that tapers upward; a pinnacle.

According To ***The American Heritage Dictionary***, The Word **Conspiracy** Is Defined As Follows:

con· spir· a· cy (kən-spîr'ə-sē) *n., pl.* **con· spir· a· cies. 1.** An agreement to perform together an illegal, wrongful, or subversive act. **2.** A group of conspirators. **3.** *Law.* An agreement between two or more persons to commit a crime or accomplish a legal purpose through illegal action. **4.** A joining or acting together, as if by sinister design: *a conspiracy of wind and tide that devastated coastal areas.* [Middle English *conspiracie*, from Anglo-Norman *conspiracie*, probably alteration of Old French *conspiration*, from Latin *cō nspīrātiō* , cō nspīrātiō n-, from *cō nspīrātus*, past participle of *cō nspīrāre*, to conspire. See CONSPIRE.]

con· spire (kən-spīr') *v.* **con· spired, con· spir· ing, con· spires.** *--intr.* **1.** To plan together secretly to commit an illegal or wrongful act or accomplish a legal purpose through illegal action. **2.** To join or act together; combine: *factors that*

conspired to delay the project. --*tr.* To plan or plot secretly. **[Middle English *conspiren*, from Old French, from Latin *cō nspīrāre* : *com-*, com- + *spīrāre*, to breathe.]**

To Conspire Against Someone Means To Breathe Against Someone, Just As The Luciferians Breathed Or Conspired A Spell Called Religion On The Masses To Keep Them Under Control. You Should Be Asking Yourself, Why Aren't The Definitions The Same? Why Don't The Words **Con** And **Spire** Equal To What The Word **Conspire** Means, Being That They Are The Words That **Conspiracy** Is Composed Of? Because The American Language Is A Tool Of The Luciferians To Keep You Trapped.

Ques: Could You Define The Word Luciferian?

Ans: According To ***The American Heritage Dictionary,*** **Luciferian** Derives From The Word **Lucifer** Meaning:

eyes), attributed by some to this root (but more likely of obscure origin).

This Is Where "*The Brotherhood Of Light, Fire And Chaos, The Illuminated Ones, Illuminati*" Are From, The Luciferians. In The Book **"The Illuminati 666" By William Josiah Sutton, Copyright 1983 A.D., Page 114,** It States:

> *"These people who thought so much of Albert Pike, the highest authority of freemasonry, the prince adept mystic and poet, had no idea of his affiliation with a Lucifer worshipping secret society; would suspect that his mission was aimed at "destroying Christianity, replacing it with the worship of Lucifer himself".*

The **Luciferian Conspiracy** Is A Conspiracy To Be Uncovered In Time And Leave Many People Bewildered And Confused. This Conspired Plot Or Spell Called **Kingu,** Or In Egiptian **Amam** Has Been In Affect And Enforced For 6,000 Years (***Read Right Knowledge Series No. 4 "Breaking The Spell On Blacks" By Neter: A'aferti Atum-Re, & Pa Gadush Lowhaat "The Holy Tablets"***).

Ques: Why Has The Spell Existed For So Long?

Ans: The Reason The Spell Has Existed For So Long Is Because The Spell Itself Is Hypnotic And You Are In A State Of Amnesia About Self And Kind. As Original Egiptians, You Have Been Made To Think You Are What And Who You Are Not And Although Many Of You Are Waking Up, You Still Need To Remember Or **Re-Know** Who You Are. Kingu Had Equal Power With The Ruler Of The Upper Half, However He Wanted To Rule The Whole Planet As Well. Kingu's Rejection Angered Him, And He Decided To Blow Up The Planet Tiamat.

Kingu Or **Luna** Is An Old Deity Who Was Disagreeable And Ruled The Planet Kingu, The Moon Where There Was Once Life Before It Died. The Waters On The Planet Kingu Dried Up, Due To It Being Thrown Off Into It's Own Orbit By Nibiru. All Of Your Planets And Moons Are Named After Beings Who Lived.

Amam *"Leviathan"*, Who Produces Ghost Keeps What Is Termed As Hell Going By Way Of The **Tama'-Hu, *Ghost Race, Human Beast, Canaanites.*** **Amam** *"Leviathan"* Is The **Boss** Or *Head Of The Unholy Spirits* Of **Pa Tama'-Hu,** Race And Mankind. In General, And It Commands The Most Powerful, Knowledgeable, And Orderly Unholy Spirits Of Itself To **Pa Tama'-Hu** Race For The Purpose Of Ruling And Oppressing. However, **Amam** *"Leviathan"* Commands The Least Powerful, Most Ignorant, And Disorderly Unholy Spirits Of Itself To Its Captives For The Purpose Of Submission, Servitude, And Informing The Oppressor, Because Knowledge And Order Rules Ignorance And Disorder. Moreover, The Unholy Spirits Of Ignorance And Disorder Makes The Oppressed, Instead Of The Oppressor, Look Like The Villain. Furthermore, Destructive, Ignorant, And Disorderly Unholy Spirits, Possessing The Oppressed By The Will Of **Amam** *"Leviathan"*, Compel The Oppressed People To Distrust, Dislike, Betray And Reject Each Other The Same Way The Oppressor Rejects Them. However You Should Love And Help Other Than Self And Kind. Most Times, The Oppressed Do Not Deal Fairly With Each Other, They Are Destructive And Disorderly. This Causes Distrust And Dislike Of Each Other, But All This Is Being Done By Evil 6-Ether Spirit Forces Dispatched By **Amam** *"Leviathan"* To The Oppressed To Aid In Keeping Them Down Trodden Through Ugly Words And Ugly Works. Spirit Forces Can Cause People To Be Dumbfounded Or Cause Them To Be Mentally Keen.

Ques: What Is This Ghost Produced By Amam "Leviathan"?

Ans: This Ghost Is The 6-Ether Ghost Force. The Word **Ghost** Can Be Found In ***Genesis 25:8*** In The Bible As **Gaw-Wah** (גוע) Meaning *"To Expire, Die, Perish."* Notice How Close The Spelling Of The Word **Gaw-Wah** (גוה) And **Ghost** Are. This Is

Where *God* Came From As In The "***Ghost God***", The 6-Ether Ghost That They Worship And Have So Many Of You Worshipping Also.

Ques: Can You Define The Word Ghost?

Ans: The Word **Ghost** Comes From Middle English ***Gost***, From Old **English *Gost***, Meaning "*Breath, Spirit*". 9-Ether Beings Have The ***Divine Breath, The Breath Of Life,*** **The Soul And Spirit, With 2 Yods (Khayyim חַיִּים) And The 6-Ether Beings Have A Spirit, With One Yod (Khay חַי). Genesis 2:7 States:** "*And The LORD God Formed Man Of The Dust Of The Ground, And Breathed Into His Nostrils The Breath Of Life; And Man Became A Living Soul.*" This Is Speaking About Two Different Beings Here, One The **9-Ether** Being With The Divine Breath Of Life Inside Of Him, Having A Soul And A Spirit, And Two, The **6-Ether** Spirit Being, Having Only A Spirit Yet Made Without A Soul. This **6-Ether** Spirit Force Of **Amam** "Leviathan" Is The Force Of Trickery, The Source Of Tricknology, Deception, And Hypocrisy. Refer To ***(Genesis 3:15)*** "The Serpents Seed".

Ques: Is This Amam "Leviathan" The Same Sex Force?

Ans: Yes. Amam *"Leviathan"* Is Also A Strong Sex Force That Has Control Over All That Submit To The ***Luster*** Or ***Lust*** Of What Is Offered. The Word Lust Comes From *Middle English, From Old English Meaning "Desire,"* And The Original Teachings Say: "*Desire Is The Key To Suffering*". **Lust** Is Not Only In Reference To The Sexual Aspect, But Is Also Demonstrated By The Very Fact That You Want Everything You See. The "*Luster*" Or "*Glimmer*" Of Gold Is What Attracts You.

It Is Something Natural, And Taps Into Your Innocence; For Even A Child If Given A Choice Between A Shiny Penny And A Million Dollar Bill, The Child Will Go For The Glitter Of The Shiny Coin. The Allure Something Has Is What Attracts You To It. This Is How **Nekaybaw** "Eve" Became Deceived In The Garden. The Allure Of Having Something *"Pleasant To The Eye"* (Attractive, Allure) And *"Good For Food"* And Being Promised To Be Wise Like God ***Genesis 3:6*** Made Her Accept The Offer Of The **Remusyan** *"Reptilian"* In The Enclosed Garden Of Delight. *(Genesis 3:6 - And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat. and gave also unto her husband with her; and he did eat.)*

Amam ***"Leviathan"*** Is 6-Ether That Is Spirit Fire, Amber Light Also Referred To As Smokeless Fire Found In **Koran 55:15** *"And He created Jinns from fire free of smoke."* This Is The Lesser Light **Genesis 1:16** *"And God Made Two Great Lights; The Greater Light To Rule The Day, And The Lesser Light To Rule The Night: He Made The Stars Also"* Or Torch Of Lucifer (**Isaiah 14:12**) Of The Torah. The Lesser Or The Lunar Has No Light Of Its Own Thus It Reflects The Light Of The Sun, The Same As The 6-Ether Spirit Force Has No Light Of Its Own Thus It Reflects The Light Of The 9-Ether Force. The **Koran 61:8** Says How The People Seek To Blow Out The Light Of The Muhammadan Deity *Allah*, From 1400 Years Ago *"... Their Intention Is To Extinguish Allah's Light (By Blowing) With Their Mouths..."*. This 6-Ether Spirit Force Or Sex Force Of **Amam** "Leviathan" Is Being Used By The Luciferians To Enforce The Spell Of Sleep Or Kingu Using Religion.

Ques: Who Are The Luciferians?

Ans: The **Luciferians**, After Owning Independence By Proving Man And Woman Not Being Worthy To Be In The Garden *(Genesis 3)* Were Allowed To Work With The Yahwehans, Together At One Time To Conquer Certain Portions Of This Planet Earth. But, One Such Luciferian Named **Haylal**, Son Of **Naatas** Or **Shakhar**, Wanted To Rule All The Stars Of The Heavens, Meaning All The **Yahwehs**.

Ques: So Who And What Are These Beings From Other Constellation's And Planet Saturn?

Ans: Actually **Saturn** Is Not A Planet, It Is A Ball Of Gas And Only Spirit Beings Could Reside There. Titan, Which Is Considered The Moon, Is The Planet And Was Sometimes Called **Luna**. **Saturn** According To The Book Called "The Comprehensive Dictionary Of The Gods" Page 158, States: *"Roman Mythology, He Is Ancient God Of Agriculture. Titan Is Where These Physical Luciferians Once Dwelled. And Their Spirit Being 6-Ether Dwell In **Saturn** (Luna). Satan Or **Saturn** Fell From Grace And Was Cast Out Of Heaven, And Took Residence In The Planet Becoming The Largest Moon Of Saturn Called **Titan** And Mixed With A Breed Of Reptilians Beings There Called **Dragon, Sea-Men, Serpent People**, Or **Nakhash** *(Genesis 3:1)*. The Largest Of Saturn's 18 Known Satellites Is Titan. The Diameter Of Titan, Including Its Atmosphere Is 3,400 Miles. Any Of Various Warm-Blooded Reptile Animals Of The Class Of Mammals, From Late Latin *Mammalis*, Of The Breast, From Latin *Mamma*, Meaning *"Breast"*. This Mixture Bred Human Looking Snakes Called Serpents; People Who Speak With A Whisper. They Are Your **Luciferians**, **Leviathans**, **Satanists**, **Nakhashites**, Or **Khanaas** And Even **Yahwehans** (**Genesis 3:1-5**).

Ques: Where Are The Luciferians From Originally?

Ans: The **Luciferians** Are Originally From A Planet Known As **Valkun** Also Called **Maldek**, The Eleventh Planet Which Was Occupied By The Maldekians And The Trogladites. Maldek Was Between Mars And Jupiter And Was 27,500 Miles In Diameter. Maldek, A Planet Having 2 Moons, Had A Population Of Billions Living Under The Seas In The Sub-Cities Of Karna. Maldek Is Now Referred To As The Lost Planet *(Refer To "The Holy Tablets" Chapter 1 By Neter: A'gferti Atum-re)*. This Planet Called Earth, Even Has Luciferians And Yahwehans, Eloheems And Some Of Them Are Disagreeable. The Luciferians Don't Usually Work Together, However They Will Come Together If There Is A Common Interest.

Ques: When Did The Luciferian Order Come About?

Ans: The Luciferian Order Came Out Of A Group Of Extraterrestrial Beings Called The **Yahwehans**, Sometimes Called The **Jehovahs**. There Are 24 Yahwehans, Which Consist Of 12 **Yah** "Agreeable" And 12 **Weh** "Disagreeable" Beings. The Luciferians Or Reptilians Would Interfere With The Beings On

This Planet Called Earth, And Pass Themselves Off As Gods Or Helpers Of God. From **Genesis 3** To **Koran 114** People Worship Them As **Gods, Allah** Or **Yahweh** And Many Other Names. Your Bible And Koran Are The Spell Binding Books In English, Spanish, And French. But In The Original Language They Are Egiptian History Books. The Original **Yahweh** (יהוה) Were Called **Ansarullah** (انصار الله) ***Gods Helpers"***. They Helped In All Things And Became Known Aslo As The We, Us And They, Gods, Lords And Allah's.

Nothing Has Served The Reptilian Agenda More Than Religion. Still Today In America, Religion Controls The Minds, And Limits The Thinking Of The Christians, Jews, And Muslims. Many Other Sects Such As Buddah-Ism, Hindu-Ism, Teoism, Bahai-ism, American Indian, And Many New Age Groups Of Believers In This Or That Patriot Movement, Are Also Mind Controlling. These Religions Are Seen Through Many Other Smokescreens And Are Identified Through Many Aspects Of The White Brotherhood Conspiracy. Euro-Freemasonry And Euro-Shrinery And Many Negroes Follow Them Knowing Or Un-Ko-Knowingly. They Work With The 6-Ether Spirit Forces Of White Magic And Their Ghost, God, And Spookism. You Even Have Euro-Masonry And Afro-Masonry And They Don't Really Work Together. The Same Way Euro-Masonic Orders Work With Luciferians. What They Cannot Face, Is That Their Own Religions Are A Massive Part Of That Conspiracy, By The Devil Himself Or Lucifer, The Deceiver As **God** Or **Allah** Or **Jehovah** And They Believe In Him.

Ques: Exactly Who Is Lucifer?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: Lucifer Also Called **Nakhas** Was An Extra Being Of **Terra**, Or What You Refer To As **Extra-Terra-Astral**, Or **Extraterrestrial**. He, Lucifer Comes In Many Forms To Trick And Deceive You, (The Faithful Ones). Lucifer, The Evil Reptilian Who Is Also Called **Haylal** In The Bible Book Of **Isaiah 14:12**, Or **Sama'el**, Was Number Three **(3)** Of His Order. When You Look Up The Name **Haylal** (هلل) In **Arabic** It Means ***"To Shine, Gleam, Glow, Be Radiant, Cheer, To Raise Ones' Voice, Rejoice, Exult."*** You Can Find This Same Root **Halal** (حبلال) Being Used For **Lucifer**, Whose Name In Hebrew Is **Haylal** (הילל) Spoken About In **Isaiah 14:12.** The Christians That Are Singing Praises Using **Halleluia** Are Really Praising Lucifer.

However, When Lucifer Was Commissioned By The Supreme Being **Murdoq** Son Of **Enqi** And **Damkina**, He Was Designated As One Of The One Hundred Most Able And Brilliant Personalities, In More Than 700,000 Of His Kind. However, From Such A Magnificent Beginning, Through Evil And Error, He Encouraged Disagreeable Acts. Lucifer Was So Self-Nourished To The Point Of Self-Deception, That He Actually Persuaded Himself That His Contemplation Of Rebelliousness Was Actually For The Good Of The System, If Not Of The Universe.

Lucifer Became Insincere, And Evil Evolved Into Deliberate And Willful, Disagreeable Acts. Lucifer Believed That The Universal Father Did Not Exist, And That Physical Gravity And Space-Energy Were Inherent In The Universe. He Believed That The Sustainer Was A Myth That Was Invented By The **Sarufaat** (𓋴𓈖𓇋𓂋𓄿𓈖𓈖𓀀), To Enable Them To Maintain The Rule Of The Universes In Their Father's Name. The **Sarufaat** "Seraheem" Are "Those Agreeable Beings" That Fought With **Murduq** Against The Dragon **Haylal** And His **Garubaat** (𓍿𓈖𓇋𓂋𓅱𓈖𓈖𓀀) "Those Disagreeable Beings" However, The **Sarufaat** Did Win.

Lucifer Believed That The Universal System Should Be Autonomous Or Self-Governing And Independent. He Protested Against The Right Of **Murduk**, Who Also Bore The Title **Miyka'el** Meaning, ***"Who Dares To Be Like El"***, The Grandson Of The Most High **Anu**, ***"The Heavenly One"***. He Was Willing To Acknowledge Murduk As His Creator-Father, But Not As His Rightful Ruler. He Had Claimed That The Whole Plan Of Worship Was A Clever Scheme To Glorify The **Neteraat** (Supreme Beings). He Had Totally Rebelled Against The Order Of **Annu "Re"**, The Highest, The Supreme Being Of The Sun That Gave

Anton Szandor Levay

Notice If You Look At The Name **Anton Levay** When Spelled Backward, It Comes Out To Be **Levay-Anton** Which Is Pronounced And Phonetically Sounds Like **Levi-Athan** (Leviathan). Now That Is Definitely Something To Think About. However, Lucifer Is From Saturn, Which Is Connected To The Latin Word For **Rome** Which Is 'Saturn' **Nalia**, He Was Born In The Center Of Rome. **Apophis** *(Apep, Pope)* Which Is The Egiptian Word For Lucifer, Is From Rome And That's Where The Seat Of The Devil Is Called The Belley Of The Earth. Notice How They Try To Trick You With The Word **Saturn** Which Is Phonetically The Same Word As Satan, Which Is Also Another Name For **Santa** Who Is The One That Dresses Up In A Red Suit And Gives Children Toys And Candy; Something That Is Bad For You. Did You Ever Wonder Why Santa Wears The Color Red And The Devil's Color Is Always Depicted As Red? Food For Thought. ***(Refer To "Santa Or Satan; The Fallacy Of Christmas" By Noble: Rev. Dr. Malachi Z. York).***

Satanist Control The Mind And If You Notice How Christopher Columbus Goes Around The World With The Disease Of Religion And Bred Off Different Branches Like Pentecostal, Baptist Church, Mormon, Jehovah Witness, 7 Day Adventist, Etc.

They Are Trying To Make Earth Like Saturn. They Go Around The World Spreading This Fire Creating A Circle (Imaginary Circle Of Fire). They Worship Fire And Call It God's Light, The Light Of The Heaven And Earth ***(Deuteronomy 4:24/Qur'aan 24:35).*** Notice Where All The Olympic Events Occur, All In The Same Equatorial Line Of The Globe Like Atlanta, France, Etc. They Use Religion To Control The Masses.

Ques: Why Religion?

Ans: Because Of The Quote In The Bible **Matthew 5:39** Turn The Other Cheek... **Matthew 5:39** Says: "*But I Say Unto You, That Ye Resist Not Evil: But Whosoever Shall Smite Thee On Thy Right Cheek, Turn To Him The Other Also.* This Breeds Perfect Slave Mentality. It Is A Luciferian Plot To Manipulate All Of The People On The Planet **Ta** "Earth". What They Cannot Face, Is That Their Own Religions Are A Massive Part Of That Conspiracy, By The Devil Himself. The Bible Calls Them **Canaanites** And **Amorites**, However, The Egiptians Called Them **Heka-Khasut** "Hyksos".

That Is Not To Condemn All People Who Call Themselves Christians, Jews, Muslims, Etc. There Are Many Who Express Loving Spirituality Through Their Beliefs. I Am Talking About The Institution Of Monotheism And Its Arrogant Indoctrination

www.Nuwaupuinc.com

www.Nuwaupuinc.com

And Imposition Of Its Desperately Limited Vision Of Life Which Has Created A Mind-Prison For Literally Billions Of People For Almost **6000** Years. All The World's Major Religions, Hinduism, Christianity, Judaism And Islam, Came Out Of The Very Same Region Of The Middle And Near East From Which The Original Hindu, Aryan Race And Reptile Snake Or Fish People Crossbreeds Emerged After The Cataclysm Of **6000** Years Ago, As The **Canaanites** The Caucasian. A Made Man, A Grafted Man, Not Created But Made From The Original Black Straight Fur Man, The Hindu Whose God **Krishna** Became Their God **Christ**.

These Religions Were Designed To Imprison The Mind And Engulf The Emotions With Fear And Guilt. They Are Usually Based On Some Savior-God Figure Like **Jesus, Mohammed, Khrisna,** Or **Buddah** And Only By Believing In Them And Following Their Commands, Can We Find God And Be Saved. That Is Precisely What The Sumerians Priests Of **Nimrod** Said About **Tammuz** When The Blueprint For Mind Control Using Religion Was Being Molded In Babylon By **Tammuz**.

Ques: Who Is Nimrod, The First Recorded Master Mason In The Bible?

Ans: The Bible Mentions **Nimrod** As Having The Master Plan To Build A Tower Called **Babel** Meaning ***"Door Way To El"*** Which Got The God (Yehovah) Of The Bible Mad According To **Genesis 11:4-7**. So Nimrod Was The First Recorded Master Mason, And If You Say To Any Freemason That Nimrod Was The First Freemason And He Was A Negriod As You Say, And He Was Of The Seed Of **Cush**, A Negroid, Then The First Freemasons Were Negroids, And You All Should Not Be Petitioning The Euro-Masons For Charters. That Is A Reality; Those Are The Things That Nobody Wants To Address.

To Overstand Who **Nimrod (2334-2279 B.C.E)** Is, You Must First Go Back To The Beginning, For Nimrod Was The Son Of **Cush** *(Genesis 10:8)*, Who Was The Son Of **Ham** *(Genesis 6:10)*, Who Was The Son Of **Noah (2970-2020 B.C.E.)** *(Genesis 6:10)*, Which Is Where The Story Begins. **Noah** Also Known As **Utnafishtim, Niham, Bushkur, Naahmasuliyl** Or **Ziusudra,** And Really **Sneferu** Of The **4th** Dynasty Of **Egipt**, Had Three Sons All Born The Same Year, Which Would Make Them Triplets As Found In *Genesis 5:32.*

Bible – Old Testament, Genesis 5:32

"And Noah נח <Noach> was five חמש <chamesh> hundred ham <me'ah> years שנה <shaneh (in pl. only),> old בן <ben>: and Noah נח <Noach> begat ילד <yalad> Shem שם <Shem>, Ham חם <Cham>, and Japheth יפת <Yepheth>."

"And Noah was five hundred years old: and Noah begat Shem, Ham, and Japheth."

King James Version

www.Nuwaupuinc.com

Bible – Old Testament, Genesis 10:6

"...And The Sons בן <Ben> Of Ham חם <Cham>; Cush כוש <Kuwsh>, And Mizraim מצרים <Mitsrayim>, And Phut פוט <Puwt>, And Canaan כנען <Kena`an>."

"And the sons of Ham; Cush, and Mizraim, and Phut, and Canaan."

King James Version

Our Concern Here Is With The Son **Mizraim** First. Because The Bible Translated **Mizraim** As An **Egiptian** And Translated **Cush** As An **Ethiopian**, It Translated **Phut** As A **Libyan**, And Doesn't Bother To Translate **Canaan**. However, It Was The **Mizraimites** Who Originated With **Noah** In The Persian Gulf. And If The Bible Story Is True And **Noah** Was A Direct Descendant From **Adam** And They Were Dwelling In The Middle East, Then In Order For **Mizraim** To Be An **Egiptian,** The **Mizraimites** Would Have Migrated Westward. Just As In Order For **Cush** To Be **Ethiopian** Which Is In Africa, They Would Have Migrated Westward. And The Same Applied In Order For **Phut** To Be **Libyan**, Which Is Also In **Africa**. I Repeat Note That **Ethiopia**, **Libya**, And **Egypt** Are In The Continent Of Africa However, The Biblical Society Try To Make It Appear That Ethiopia, Libya, And Egypt Are On Separate Continents.

The Descendants Of **Mizraim,** Were **Lydia**, **Anna**, **Lehab**, **Naphatuh**, **Pathruhim**, **Casluhim**, *(Genesis 10:13)* Out Of Who Came **Philistim**. "**Philistines**", Which Are Your **Palestinians** Of **Palestine** Today. However, They Are Mixed With European Type Arabs From Turkey. So According To Your Biblical **Geography**, The Egiptians Originated In **Genesis 10:6**, As The Sons Of **Ham** Which Means ***"Burnt Black ".***

Ham Happens To Be An **Egiptian** Word For **Kham** As Stated In A Book Entitled *"An Egyptian Hieroglyphic Dictionary Volume 1"*, **By E.A. Wallis Budge, On Page 572, Kham** Become **Khemites** And Was Recorded In The Egiptian **Hieroglyphs** Before The **Torah** Or The Five Books Of The Bible, Were Supposedly Given To **Moses (1593-1473 B.C.E.)** From God. In Fact "**Kush**" An Ethiopian, Is Mentioned In **Genesis 2:13** And It States:

Bible - Old Testament, Genesis 2:13

"...And The Name שם <Shem> Of The Second שני <Sheniy> River נהר <Nahar> Is Gihon גיחון <Giychown>: The Same Is It That Compasseth סבב <Cabab> The Whole Land ארץ <'Erets> Of ***Ethiopia*** *כוש <Kuwsh>.*

"And the name of the second river *is* Gihon: the same *is* it that compasseth the whole land of Ethiopia."

King James Version

Nimrod Was A **Negro** From These People Of **Ethiopia** Who Were From The First People Who Are **Cush (Kuwsh)**, As In **Kishites** The Original Woolly-Haired People. Long Before Any Migration Had Taken Place, These Beings Were Created And Two Individuals From Two Groups Were Selected Then Were Placed Eastward In **Eden,** According To **Genesis 2:15.**

Bible – Old Testament, Genesis 2:15

"..And The LORD יהוה <Yehovah> God אלהים <'Elohiym> Took לקח <Laqach> The Man אדם <'Adam>, And Put Him ינח <Yanach> Into The Garden גן <Gan> Of Eden עדן <`Eden> To Dress עבד <`Abad> It And To Keep שמר <Shamar> It"

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it."

King James Version

This Is Where Your **Adam** And **Eve** Story Came From. According To **Genesis 2:1**, It States:

Bible – Old Testament, Genesis 2:1

"Thus The Heavens שמים <Shamayim> And The Earth ארץ <'Erets> Were Finished כלה <Kalah>, And All The Host Of Them צבא <Tsaba'>."

Thus the heavens and the earth were finished, and all the host of them.

King James Version

The Heavens And The Earth Were Finished And All The Host Of Them According To **Genesis 2:5.**

Bible - Old Testament, Genesis 2:5

"...And Every Plant שיח <Siyach> Of The Field שדה <Sadeh> Before טרם <Terem> It Was In The Earth ארץ <'Erets>, And Every Herb עשב <`Eseb> Of The Field שדה <Sadeh> Before טרם <Terem> It Grew צמח <Tsamach>: For כי <Kiy> The LORD יהוה <YeHovah> God אלהים <'Elohiym> Had Not לא <Lo'> Caused It To Rain מטר <Matar> Upon The Earth ארץ <'Erets>, And There Was Not אין <'Ayin> A Man אדם <'Adam> To Till עבד <`Abad> The Ground אדמה <'Adamah>."

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And every plant of the field before it was in the earth, and every herb of the field before it grew: for the LORD God had not caused it to rain upon the earth, and *there was* not a man to till the ground."

King James Version

There Was No Man Created Yet To Till The Ground And Nothing Has Grown Yet As Found In **Genesis 2:8,**

Bible – Old Testament, Genesis 2:8

"...And The LORD יהוה <Yehovah> God אלהים <'Elohiym> Planted נטע <Nata`> A Garden גן <Gan>* ***Eastward*** *קדם <Qedem>* ***In Eden*** *עדן <`Eden>; And There שם <Sham> He Put שום <Suwm> The Man אדם <'Adam> Whom אחר <'Aher> He Had Formed יצר <Yatsar>.

"And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed."

King James Version

The Above Quote Tells You That The Garden Was **Eastward** In **Eden**. And This **Eden** Covered Everything From The **Tigris** And **Euphrates** To The White And Blue Nile In **Africa**. So In Fact This Family Based On **Genesis 2:13** Was Originally From Africa, And The **Yahweh** "**Eloheem**" Or The "**Neteraat**" Moved Them Into The Middle East. Where Your **Noah** Story Picks Up And The Name **Kush** Reappeared For What Will Be The First Time In **Genesis 10:6**. So They Have Their Story Backwards, Africa Was Already Populated With **Cushites** And They Migrated Eastward And Set Up In The Middle East Where **Noah's** Family Supposedly Originated And **Adam's** Family Supposedly Originated. But Close

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Examination Of **Genesis 2:1** Clearly Tells You There Was A Genealogy Of Heavens Called The "*Host Of Heavens*" And Genealogy Of Earth Called The "*Host Of The Earth*". This Quote Is Not Referring To Adam Because He Is Yet To Be Created.

Bible – Old Testament, Genesis 2:1

"*...Thus the heavens* שמים <*shamayim*> *and the earth* ארץ <*'erets*> *were finished* כלה <*kalah*>, *and all the host of them* צבא <*tsaba'*>."

Thus the heavens and the earth were finished, and all the host of them.

King James Version

In The Above Quote, The Hebrew Word Being Used For **Man** Is "*Aw-Dawm*"; And As You Can See, It Is Really Saying **Adam**. They Hid That From You In The Translations Because They Know It Would Confuse You. Because Of **Genesis 1:27** And I Quote:

Bible – Old Testament, Genesis 1:27

"So God אלהים <'elohiym> created ברא <bara'> man אדם <'adam> in his own image צלם <tselem>, in the image צלם <tselem> of God אלהים <'elohiym> created ברא <bara'> he him; male זכר <zakar> and female נקבה <neqebah> created ברא <bara'> he them"

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"So God Created Man In His Own Image, In The Image Of God Created He Him; Male And Female Created He Them".

King James Version

So This Creation Of This Being Or Beings Are In The Image And After The Likeness Of **God**. And In The Quote **Genesis 2:1** Where It States: *"Thus The Heavens And The Earth Were Finished, And All The Host Of Them."*, Would Apply More To Them As Host Of **Earth** And **Heavens**.

Bible – Old Testament, Genesis 6:1

"...And It Came To Pass, When Men אדם<'Adam> Began חלל<Chalal> To Multiply רבב<Rabab> On על <`Al> The Face פנים<Paniym> Of The Earth אדמה<'Adamah>, And Daughters בת<Bath> Were Born ילד<Yalad> Unto Them".

"And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them."

King James Version

Genesis 2:7 "Will Confirm That For You As Well. It States:

Bible – Old Testament, Genesis 2:7

"...And The LORD יהוה<Yehovah> God אלהים <'Elohiym> Formed יצר<Yatsar> Man אדם <'Adam> Of The Dust עפר <`Aphar> Of מן<Min> The Ground אדמה<'Adamah>, And Breathed נפח<Naphach> Into His Nostrils אף<'Aph> The Breath

www.Nuwaupuinc.com

www.Nuwaupuinc.com

נשמה<Neshamah> Of Life חי<Chay>: And Man אדם <'Adam> Became A Living חי<Chay> Soul נפש<Nephesh>..

"And the LORD God formed man *of* the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."

King James Version

On The Other Hand, It Speaks Of The Lord God Forming Man From The Dust Of The Grounds **Genesis 2:7.** According To The Hebrew, You Only Find The Word **Eloheem** As The Creator. When You Look In **Genesis 2:7,** You Will Also Find A **Yahweh Eloheem** In The Hebrew Version. So 2 Distinct Beings Are At Work Here, Creating Two Different Groups. **Genesis** 2:7 Simply Said He Formed Man. The Word Form In Hebrew Is **Yaw-Tsar** (יצר). However, In **Genesis 1:27,** The **Eloheem** Uses The Word Create, **Baw-Raw** (ברא). Again If You Are Not Able To Look Into The Roots Of The Languages, But Are Restricted To A Translation Of A Translation, There Is No Way You Will Get Into The Bottom Of The Line "The Truth". This Is A Well Thought Out Plot, Plan And Scheme.

So In Fact The Bible Does Recognize The Many Supreme Beings Of Egipt That Predates The God Yahweh And Those That Formed Or Made The Adamites. The Doctrine That They Put Together For Them, Which They Borrowed, Is In Fact From Egipt. So Now Back To The First Question, **Nimrod** Is The Son Of **Cush** And **Semiramis (Ishtar)** ***(Genesis 10:8).*** **Nimrod** Is Mentioned In The Bible Four Times; First In ***(Genesis 10:8)*** And Second In ***Genesis 10:9.***

www.Nuwaupuinc.com

www.Nuwaupuinc.com

THE LORD: WHEREFORE IT IS SAID, EVEN AS NIMROD THE MIGHTY HUNTER BEFORE THE LORD."

The Third Time Nimrod Is Mentioned Is In **1Chronicles 1:10** And I Quote:

Bible – Old Testament, 1 Chronicles 1:10

"...And Cush כּוּשׁ<Kuwsh> Begat יָלַד <Yalad> Nimrod נִמְרוֹד <Nimrowd>: He Began חָלַל <Chalal> To Be Mighty גִּבּוֹר <Gibbowr> Upon The Earth אֶרֶץ <'Erets>."

"And Cush begat Nimrod: he began to be mighty upon the earth."

King James Version

And **Nimrod** Is Mentioned Last In **Micah 5:6** And I Quote:

Bible – Old Testament, Micah 5:6

"And They Shall Waste רָעָה<Ra`Ah> The Land אֶרֶץ<'Erets> Of Assyria אַשּׁוּר<'Ashshuwr> With The Sword חֶרֶב<Chereb>, And The Land אֶרֶץ<'Erets> Of Nimrod נִמְרוֹד<Nimrowd> In The Entrances פֶּתַח<Pethach> Thereof: Thus Shall He Deliver נָצַל<Natsal> Us From The Assyrian אַשּׁוּר<'Ashshuwr>, When He Cometh בּוֹא<Bow'> Into Our Land אֶרֶץ<'Erets>, And When He Treadeth דָּרַךְ<Darak> Within Our Borders גְּבוּל<Gebuwl>."

"And they shall waste the land of Assyria with the sword, and the land of Nimrod in the entrances thereof: thus shall he deliver *us* from the Assyrian, when he cometh into our land, and when he treadeth within our borders."

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

The Name **Nimrod** When Translated From **Aramic** (Hebrew) Means "**Rebellion**" Or "**The Valiant**". Notice That Three Out Of Four Verses Repeats That He Is A "**Mighty One**" And On The Second Verse, Not Only Is He A "Mighty One", He Is The Mighty Hunter Before The **Lord**. The Term "Mighty One" Is Translated From The **Aramic** (Hebrew) As A "**Gibbowr {Ghib-Bore'}** Or **{Shortened} Gibbor {Ghib-Bore'}**, Derives From The Hebrew Word "**Gabar**" *{Gaw-Bar'}*.

The First Time **Gibbowr {Ghib-Bore'}** Is Mentioned In The Bible Is In **Genesis 6:4** And I Quote:

Bible – Old Testament, Genesis 6:4

"There Were Giants נפיל<NaPhiyl> In The Earth ארץ<'Erets> In Those Days יום<Yowm>; And Also After אחר<'Achar> That כן<Ken>, When אחר<'Aher> The Sons בן<Ben> Of God אלהים<'Elohiym> Came In בוא<Bow'> Unto The Daughters בת<Bath> Of Men אדם<'Adam>, And They Bare ילד<Yalad> Children To Them, The Same הם<Hem> Became Mighty Men גבור<Gibbowr> Which Were Of Old עולם<`Owlam>, Men אנוש<'Enowsh> Of Renown שם<Shem>."

"There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown."

King James Version

So This Verse Clearly States That **Nimrod** Is Related To The Sons Of God, Who Had Children With Female Mortals,

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Making Him Half Human And Half God. The Same As **Jesus (7-127 A.D.)** Who Is The Son Of **Mary**, The Virgin Female Mortal And God Himself, Jesus Christ.

He Was Given The Name **Nimrod** Which Means **"To Rebel"**, *"He Rebelled Or Revolted"*, *"Rebellion" Or "The Valiant"*. Again The Same As **Mary** Mother Of **Jesus** And **Elizabeth** Mother Of **John The Baptist (2 B.C.-99 A.D.)**. Their Names Also Meant *"Rebellion"* When Translated From The Greek Language. And The Phrase **"Were Of Old"** Is Translated In Aramic (Hebrew) As **'Owlam עולם (O-Lawm')** Meaning *"Long Duration, Antiquity, Futurity, For Ever, Ever, Everlasting, Evermore, Perpetual, Old, Ancient World."* So **Nimrod** Is From The Ancient Ones.

Nimrod Opposed The Teaching Of **Abram** Prior To His Meeting With **Melchizedeq,** The Priest Of The Most High As Mentioned In ***Hebrew 7:1,17*** And ***Hebrew 6:20.***

Bible - New Testament, Hebrew 7:1

"...For Γαρ <Gar> This Ουτό <Houtos> Melchisedec Μελχισεδεκ <Melchisedek>, King Βασιλεύ <Basileus> Of Salem Σαλεμ <Salem>, Priest Ιερεύ <Hiereus> Of The Most High Υθιστό <Hupsistos> God θεος <Theos>, Who O <Ho> Met Συναντaω <Sunantao> Abraham Αβρααμ <Abraam> Returning Υποστρεφω <Hupostrepho> From Απο <Apo> The Slaughter Κοπη <Kope> Of The Kings Βασιλεύ <Basileus>, And Και <Kai> Blessed Ευλογεω <Eulogeo> Him Αυτό <Autos>;").

www.Nuwaupuinc.com

"For this Melchisedec, king of Salem, priest of the most high God, who met Abraham returning from the slaughter of the kings, and blessed him"

King James Version

Jesus Was Also A Priest After *"The Order Of* ***Melchisedec****"* As Mentioned In The Book Of **Hebrew 7:17**.

Bible – New Testament, Hebrews 7:17

"...For Γαρ <Gar> He Testifieth Μαρτυρεω <Martureo>, Οτι <Hoti> Thou Συ <Su> Art A Priest Ιερεύ <Hiereus> For Εί <Eis> Ever Αιων <Aion> After Κατα <Kata> The Order Ταξί <Taxis> Of Melchisedec Μελχισεδεκ <Melchisedek>."

"For he testifieth, Thou *art* a priest for ever after the order of Melchisedec."

King James Version

This Is Found Again In **Hebrew 6:20.**

Bible – New Testament, Hebrews 6:20

"...Whither Οπου <Hopou> The Forerunner Προδρομό <Prodromos> Is Εισερχομαι <Eiserchomai> For Υπερ <Huper> Us Ημον <Hemon> Entered Εισερχομαι <Eiserchomai>, Even Jesus Ιησού <Iesous>, Made Γινομαι <Ginomai> An High Priest Αρχιερεύ <Archiereus> For Εί <Eis> Ever Αιων <Aion> After Κατα <Kata> The Order Ταξί <Taxis> Of Melchisedec Μελχισεδεκ <Melchisedek>."

"Whither the forerunner is for us entered, *even* Jesus, made an high priest for ever after the order of Melchisedec."

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Nimrod Named A City Called **Calneh** Meaning *"Fortress Of Anu"* Which Is Called Today In Egipt As **"The City Of Annu" Heliopolis,** "*The City Of The Sun*" In Honor Of The Most High. **Nimrod**, As Mentioned Previously, Was Called A Mighty Hunter **(Ghibbore),** As The Beings That Came Down From Above As Found In **Genesis 6:4.**

Bible – Old Testament, Genesis 6:4

"...There Were Giants נפיל<Nephiyl> In The Earth ארץ<'Erets> In Those Days יום<Yowm>; And Also After אחר<'Achar> That כן<Ken>, When אחר<'Aher> The Sons בן<Ben> Of God אלהים<'Elohiym> Came In בוא<Bow'> Unto The Daughters בת<Bath> Of Men אדם<'Adam>, And They Bare ילד<Yalad> Children To Them, The Same הם<Hem> Became ***Mighty*** *Men גבור<Gibbowr> Which Were Of Old עולם<`Owlam>, Men אנוש<'Enowsh> Of Renown שם<Shem>.",*

"There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown."

King James Version

Where It Is Used As In Relation To The Sons Of The **Eloheem** That Came Down To Earth. So Originally Nimrod Was Classified With The **Anunnaqi** Or **Neteraat** As A **Ghibbore** (גבור) *"Mighty Hunter"* By His Envies, The Levitical Priests.

Ques: Who Did Nimrod Worship?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: **Nimrod** Worshipped The Sumerian God **Anu** Who Is None Other Than The Egiptian Supreme Being **On (Ra-Re). On (Heliopolis)** Which Is The ***City Of The Sun*** Is Found In ***Genesis 41:45,50,*** And **Genesis *46:20*** Meaning ***"Strength, Vigor"***. The Greeks Renamed The Sacred Egiptian City **Leopolis** In His Honor As **Heliopolis** Meaning ***"The City Of Helios [The Sun]"***. **Helios** Is The Sun God In Greek Mythology Who Is The Son Of The Titans **Hyperion** And **Theia.** He Was The Brother Of **Selene** And **Aurora**, And The Father Of **Aeetees**, **Circe** And **Phaethon.**

Again, When You Look Up The Word **Calneh** In Your Bible Under The Strong #03641, You Get **Calneh** Or **Calno** Meaning ***"Fortress Of Anu"***. The Name **Annu** Is An Egiptian City In Egipt From Where You Get The Egiptian Word **On** Who Is An Egiptian Supreme Being. **Anu** Or **Annu** Is Another Name For **Heliopolis** Meaning ***"City Of The Sun***, **Annu** Or **On**". **Nimrod** Named His City An Egiptian Name Because He Named One Of His Cities **Calneh** And According To **Genesis 10:10** It *States:*

Bible – Old Testament, Genesis 10:10

"And the beginning ראשׁית *<re'shiyth> of his kingdom* ממלכה *<mamlakah> was Babel* בבל *<Babel>, and Erech* ארך *<'Erek>, and Accad* אכד *<'Akkad>, and Calneh* כלנה *<Kalneh>, in the land* ארץ *<'erets> of Shinar* שׁנער *<Shin`ar>."*

"And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar."

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

This Means That **Nimrod** Worshiped The Egiptian Supreme Being **Re "Ra"** The Egiptian Sun Deity.

Ques: What Was Nimrod's Original Name?

Ans: His Real Name Was **Sargon II** Also Called ***Nembroth (Refer To "Best Kept Secret" No. 2 Ch. 19 By Neter: A'aferti Atum-re).*** Nimrod Had His Own Value System And Considered Himself A **Neter** "God, Supreme Being" In Flesh. So He Broke Off From The Worship Of **Tammuz** And Even Named His Son **Tammuz.** To Belittle, The Status Of **Tammuz**. Nimrod Was A Master Builder, A "**Master Mason**" Who Is Responsible For Creating The Tower Of **Babel**, **Bab** Meaning *"Door"* To **El** *"Most High"* As A Launching Pad. **Babel** Means *"Door To The Most High"*, In The **Accadian** It Is **Bab-Ilu** *"The Gate Of El"*, It Is The Tower That Made The God Of The Bible Feel Intimidated Enough To Go Down And Confuse Or Confound Their Language As Found In The Bible In **Genesis 11:7.**

Bible – Old Testament, Genesis 11:7

"Go To יהב <Yahab>, Let Us Go Down ירד <Yarad>, And There Confound בלל <Balal> Their Language שפה <Saphah>, That אחר <'Aher> They May Not Understand שמע <Shama`> One איש <'Iysh> Another's רע <Rea`> Speech שפה <Saphah>...."

"Go to, let us go down, and there confound their language, that they may not understand one another's speech."

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

That Is Exactly What God Did. He Caused Unnecessary Confusion To A Group Of People Who Were Building A Tower To Reach The Heavens. Note: **Yahweh** The Lord Of The Bible Must Have Thought It Was Possible To Reach The Heavens By This Tower, Or This Whole Episode Would Not Have Been Necessary And Note Also That "**Yahweh**" Is Being Used Here For The Word "**God**" And Not The Word "**Eloheem**", Which Is Used Throughout The Beginning, Again Shows Two Different Beings Are Referred To As God.

Ques: Was Nimrod A Babylonian?

Ans: No. Actually Nimrod Was An **Ethiopian** Through His Father **Cush**, Who Was A **Negroid** As It Is Recorded In The **Tanakh** "Torah" And Was An **Egiptian** Through His Uncle Named **Mizraim,** As Found In **Genesis 10:6** And It States:

Bible – Old Testament, Genesis 10:6

"...And The Sons בן *<Ben> Of Ham* חם *<Cham>; Cush* כוש *<Kuwsh>, And* **Mizraim** מצרים *<Mitsrayim>, And Phut* פוט *<Puwt>, And Canaan* כנען *<KeNa`An>."*

"And the sons of Ham; Cush, and Mizraim, and Phut, and Canaan."

King James Version

Mizraim Is Translated From **Aramic** (Hebrew) As **Egypt** *"Land Of The Copts"*. According To ***"The American Heritage Dictionary"*** The Word **"Copt" Means:**

> **Copt** (kŏ pt) n. 1.An Egyptian Belonging To Or Descended From The People Of Ancient Or Pre-Islamic Egypt. 2. A Member Of The Coptic Church. [French **Copte**, From New Latin **Coptus**, From Arabic **Qubt**, **Copts**, From Coptic **Gyptias**, From Greek **Aiguptios**, An Egyptian, From **Aiguptos**, Egypt, Of Egyptian Origin].

Again Not Only Does **Nimrod** Have A Blood Link With **Ethiopians** Through His Father **Cush**, He Is Also Related With

Egiptians Through His Uncle **Mizraim** And Libyans By His Uncle **Phut.** That Is Why You Can Find Sumerian's Culture In Egipt. It Was The **Mizramites** Who Brought In The **Babylonian** And **Assyrian** Culture In **Egipt**, Such As: Braiding Hair And The Wearing Of The Hair Wigs, Because The Original Egiptians Had No Hair On Their Bodies As Original Pygmy (Tahites).

The Egiptians Had A Big Influence On The **Sumerian's** Way Of Life. This Is Why You Can Find Similarities In Their Gods Or Beings They Worshipped. Such As **Ishtar** And **Tammuz**. They Are But Symbolic Of **Isis** And **Horus**. The **Enqi** And **Enlil** Story Is Nothing But The Egiptian Story Of **Set** And **Osiris**.

Ques: What Else Did The Sumerians Or Babylonians Receive From Ancient Egipt?

Ans: Babylonians Also Adopted The Egiptian's System Of Building. The Early Sumerians And Babylonians Built **Ziggurats** That Resemble The Egiptian **Pyramids**. These Pyramids And Ziggurats Predate The Christian Churches, And The Muhammadan's Mosque And Minarets By Thousands Of Years. Scientist And Archeologist Of Today Can't Seem To Figure Out **How**, **When**, Or **Why**, The Ancient Ones Built These Pyramid Structures. They Use Words Such As: *Probably, Maybe, Theories, Assumes, Seems, Might Have*, Because They Simply Don't Know! That Only Proves That These Are Merely The Work Of None Other Than Gods Or Supreme Beings.

Ques: Are There Any Other Cultures That Have Built Pyramids?

Ans: Yes. Many People Are Ignorant To The Fact, That There Are Many Different Pyramids Throughout The World. Egiptians Are Portrayed And Always Thought To Be The Only Builders Of The Pyramids. However, This Is Not True. Other Cultures Were Influenced By **Egiptians** Who Traveled Around The World And Taught Other Cultures Their Knowledge, Doctrine, And Language, Which Is Why You Will Find Similarities In Other Culture's Language.

Ques: How Did The Egiptians Do All This?

Ans: Because The **Egiptians** Had Knowledge Of Aviation. Yes! Egiptian Technology By Far Exceeds The Technology Of Today's World.

Ques: So Why Was It Necessary For God To Confound Their Tounges?

Ans: The Aramic Hebrew Word For Confound In **Genesis 11:7** Is **Bawlal** (בלל) *Meaning "To Confound), Confuse* Or ***Mingle***.

Bible – Old Testament, Genesis 11:7

"Go To יהב <Yahab>, Let Us Go Down ירד <Yarad>, And There Confound בלל <Balal> Their Language שפה <Saphah>, That אחר <'Aher> They May Not Understand שמע <Shama`> One איש <'Iysh> Another's רע <Rea`> Speech שפה <Saphah>..."

"Go to, let us go down, and there confound their language, that they may not understand one another's speech."

King James Version

When It Says, In **Genesis 11:7** And **Genesis 11:9**, To Confuse Their **Sawfaw** שפה *"Language"*, This Would Indicate That There Was More Than One Language At That Time On Earth Which Is Proven By **Genesis 10:5** Where It Says:

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Bible – Old Testament, Genesis 10:5

"...By These Were The Isles אי *<'Iy> Of The Gentiles* גוי *<Gowy> Divided In* פרד *<Parad> Their Lands* ארץ *<'Erets>; Every One* איש *<'Iysh> After His Tongue* לשון *<Lashown>, After Their Families* משפחה *<Mishpachah>, In Their Nations* גוי *<Gowy>."*

By these were the isles of the Gentiles divided in their lands; every one after his tongue, after their families, in their nations.

King James Version

To Pronounce A Specific Thing Which Creates Dialects From Languages, A Different Speech. This Is Clear Proof That There Was More Than One Dialect Being Spoken. **Genesis 11:6-7** Gives The Implication That Everybody Spoke One **Sawfaw** (Language), And A Yahuwa Of The **Eloheem** Divided The Languages Because Of Them Building The Tower Of Babel In Verse 4. In **Genesis 11:6** It Says:

Bible – Old Testament, Genesis 11:6

"And The LORD יהוה *<Yehovah> Said* אמר *<'Amar>, Behold, The People* עם *<`Am> Is One* אחד *<'Echad>, And They Have All One* אחד *<'Echad> Language* שפה *<Saphah>; And This They Begin* חלל *<Chalal> To Do* עשה *<`Asah>: And Now Nothing* לא *<Lo'> Will Be Restrained* בצר *<Batsar> From Them, Which They Have Imagined* זמם *<Zamam> To Do* עשה *<`Asah>...".*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And the LORD said, Behold, the people *is* one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do."

King James Version

This Is Speaking About One **Am** "Nation Of People" Which Were The **Babylonians Genesis 11:9** "*Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth*") Under The Rule Of **Nimrod**, And Everyone Within That **Am** 'Nation Of People' Spoke **Ekhawd** (אחד)'One' **Sawfaw** (שפה) 'Language', And That Language Was **Nuwaupic** (The Ancient Egiptian Mystery Language) **Or Cuneiform**, That Language That **Yahuwa** Spoke To The Angels Before Coming To Earth. So The **Babylonians'**, Who Were Descendants Of **Noah** According To **Genesis 10:1** And It States:

Bible – Old Testament, Genesis 10:1

"Now these are the generations תולדה *<towledah> of the sons* בן *<ben> of Noah* נח *<Noach>, Shem* שם *<Shem>, Ham* חם *<Cham>, and Japheth* יפת *<Yepheth>: and unto them were sons* בן *<ben> born* ילד *<yalad> after* אחר *<'achar> the flood* מבול *<mabbuwl>."*

Sawfaw (שפה) "Language" Became **Bawlal** (בלל) 'Confused' Into **Lisaan** (לשן) Many Dialects Or Tongues, From **Cuneiform** Or **Nuwaupic,** (The Ancient Egiptian Mystery Language) Which Gave Birth To Other Dialects Such As: **Accadian**, **Aramic (Hebrew)**, And **Syretic (Arabic)**, And Other **Semetic** Dialects, Which Created Many Scripts Such As: **Hieroglyphics** And **Cuneiform**. So God Caused Confusion Amongst Those People In The City Of **Calneh** ***(Genesis 10:10)***.

Bible – Old Testament, Genesis 10:10

"...And the beginning ראשׁית *<re'shiyth> of his kingdom* ממלכה *<mamlakah> was Babel* בבל *<Babel>, and Erech* ארך *<'Erek>, and Accad* אכד *<'Akkad>, and Calneh* כלנה *<Kalneh>, in the land* ארץ *<'erets> of Shinar* שׁנער *<Shin`ar>."*

Nimrod's Subjects, Because **Nimrod**, Who Was Known Amongst The **Sumerians** As **Sargon,** Strayed Away From The Laws Of The One Lord, **Tammuz**. **Nimrod** Gave All Praise And Gratitude And Reverence To The Supreme Being **Re**, And None Other, And He Had No Respect For Intermediaries, Such As **Tammuz**. He Believed, "Go Directly To The Heavenly One", And For That He Was Called Disagreeable. Because He Disagreed With The Worship Of **Tammuz**.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Who Is Tammuz?

Ans: **Tammuz** Is None Other Than The Son Of **Ishtar** And **Dummuzi**. He Is The Appointed One By God For Mortals On Earth. He Was Also Known As **Adonis** And Became The **Adonia** Of The Aramean And Hebrews Spoken Of In The Bible ***(Ezekiel 8:14)***. He Is Also Referred To As **Adonis**, **Adown**, **Haru**, **Elyon**, **Alah**, **Kurious**, **Kristos**, **Christ**, And **Jesus**. In The Egiptian Mystery Doctrine, **Tammuz** Is Equivalent To The Egiptian Supreme Being **Horus**. So As You Can See Again, The Bible Grafted Deities From Different Cultures And Made Up Their Own Fabricated Stories, And If **Tammuz** Is Supposed To Be A Myth Found In The Sumerian And Babylonian Tablets, Then How Did This Name Find Its Way Inside The Bible ***(Ezekiel 8:14)***?

Tammuz Is A **Messiah** Meaning "*The Anointed One*" From The Egiptian Word **Messeh** *"To Anoint"*, Son Of A God, **Asaru (Enlil)**. He Would Be Equivalent To **Jesus** Being Worshipped Rather Than His Father, And Those Ancient **Hebrews** Or **Jews**, Who Do Not Acknowledge Jesus Are Hated And Called Heathens By The **Christians**. This Was The Case Even Back Then. And Note That **Tammuz** Was Also Mentioned In The Bible In ***(Ezekiel 8:14)***

Bible – Old Testament, Ezekiel 8:14

"Then he brought בוא <bow'> me to the door פתח <pethach> of the gate שער <sha`ar> of the LORD'S יהוה <Yehovah> house בית <bayith> which was toward the north צפון <tsaphown>; and,

Translated From Aramic (Hebrew) As ***Tammuwz*** *{Tam-Mooz'} "Sprout Of Life", A Sumerian Deity Of Food Or Vegetation.*

As Mentioned Before Nimrod Refused To Submit To **Tammuz**, Who Created A Religion To Worship Him Instead Of The Most High, For That **Nimrod** Was Considered Disagreeable.

That Is The Same Thing Happening These Days. If You Question Your **Pastor, Imaam, Reverand, Minister** Or **Shaikh**, About **God** Or **Allah**, Or **Jesus**, Or **Yahweh**, Or **Jehovah**, You Are Considered A Heathen. So Religion Teaches You That Those Who Refuse To Believe Or Worship And Give Thanks To A Spiritual Spook **God, Allah, Yhwh, Adonai** Etc. Some Unseen, Unproven, Spook, Spirit, Ghost, Or Hogwash Are Condemned To Stoke The Fires Of Hell For All Eternity. Staggeringly, Billions

Upon Billions Have Fallen For This Scam Over Thousands Of Years And Still Do. That's Fine If They Want To Give Their Minds Up And Their Lives Away, But Many Insist That Everyone Else Must Do The Same And That's Not Fine. Seriously Not Fine.

Most Of The People Reading This Book Will Be From The Parts Of The World Dominated By **Juda-ism**, **Christ-ism,** And **Muhammad-ism.** So I Shall Take Those As The Main Examples And Show How They Were Copied From The True **Egiptian** Stories And How The Manipulation Of These Stories Has Produced The Most Powerful Form Of Mass Mind Control. Yet, They Invented, Myths, Fables, Tales, Fake Stories (His-Story) Not Our-Story, And The Legends, Which They Call The Truth; And That Same Light Has Blinded You As **Religion.** This Conspired Plot Is Taking Place Daily In Your Life Without Your Knowledge, Which Is Governed And Controlled By The Illuminati, The Luciferians Who Are In Control Of The World Using The Spell-Binding Tool Called Religion Or Re-Legions. You Are Possessed By Legions Of Demons. Re-Legion (**Mark 5:9**) *"...Come Out Of The Man, Thou Unclean Spirit And He Asked Him, What Is Thy Name? And He Answered, Saying, My Name Is* ***Legion****: For We Are Many"*- Who Control Your Thoughts, Your Emotions And Your Thinking Patterns. There Is Another Quote In The Book Of Luke Which Was Revealed In **58 A.D.**-*Luke 8:30 "...Jesus Asked Him, Saying, What Is Thy Name? And He Said,* ***Legion****: Because Many Devils Were Entered Into Him."*

Re-Legion, Whether It Is Judaism, Which Bred Christianity, Which Later Bred Muhammadism Is All A Plot To Have You Under Their Control. These Three Monotheistic Religions, Which Breeds The Belief In A One God, And Causes Wars And

Bloodshed Because Each Denomination Thinks That They Hold The True Version Of The Bible Or Koran. These Different Conflicts Of Beliefs Causes The Roman Catholic To Break Off Into Sects Such As Pentecostal, Seventh Day Adventist, Baptist, The Ansaar Allah To Break Off Into Sects Such As Shi'ite, Ikhwaani Muslimiyn, 5%Percenters, Sunni, Orthodox, Nation Of Islam. However, In ***Matthew 9:20-22*** Jesus Makes It Clear That *"Thy Faith Hath Made Thee Whole."* So It Does Not Matter Which Spell-Binding Religion You Join Or Which Denomination You Claim To Be A Part Of, You Will Still Be Under The Control Of The Luciferian, For Religion Is One Of The Greatest Tools Used To Control The Masses.

So To Overstand The True Background Of Religions, We Need To Appreciate The Basis Of All Ancient Religions, Going Back To The Phoenicians, The Babylonians, The Sumerians And Beyond. The Indian Backdrop Of Religion, The Oriental Backdrop Of Religion, And The Semetic Backdrop To Religion.

The Indians Oldest Dated Language Is Sanskrit. Which Gave Birth To Hindu, **Adamic** (A Combination Of Cuneiform And Sanskrit), **Ugaric**, (A Combination Of Hindi And Cuneiform). **Ugaric**, Later Gave Birth To Accadian. **Armenian** Also Known As **Nodic,** Another Aramic Dialect, Gave Birth To The Indo-European Languages. Indo-European Languages Are The Languages Of Europe And The Southwest Asia And India. The Persian Language, Also Called **Farsi**, Is Considered Part Of The Aryan Or Indo-Aryan Languages. However, Persian Has Been Divided Into Three Different Languages For Three Different Eras Of Time. Old Persian Was Written In Cuneiform; Middle Persian Used Aramic; And Modern Persian Is What The Arabs Are Calling Arabic Today ***(Refer To Scroll # 27, First Language & Scroll #96 What Is Gods Language, By Noble: Dr. Malachi Z. York).***

www.Nuwaupuinc.com

www.Nuwaupuinc.com

The **Oriental's** Oldest Dated Language Is Chinese Which Gave Birth To Japanese And Korean And Many Sub-Dialects Mixing In With Euro Stock Produced Such Dialects As **Altaic, Manchu** And **Sino-Tibetan.**

The **Semetic's** Oldest Dated Language Is **Ugaric** Which Gave Birth To **Ashuric** And **Accadian** Also Spelled **Akkadian,** And Many Sub-Dialects Mixing In With Euro Stock Produced Such Dialects As **Aramean, Chaldean, Hebrew** And **Arabic.** All These Languages Used The Script Known As Cuneiform, Which Is A Written And Spoken Language Of The **Neteraat**, Which Is The Only Language Not Mentioned In The Bible By Name In ***Genesis 11:1 "And The Whole Earth Was Of One Language, And Of One Speech."*** Cuneiform Is The Oldest Written And Spoken Language On The Planet Earth Which Was Used By The Pre-Dynastic Neolithic Egiptians.

So If According To All Torah And Bible Scholars Alike, The Name Mizraim Being Translated Means *"Egypt"*. This They Would Declare The Origin Of Egypt, Appearing For The First Time In The Bible In **Genesis 10:6** As A Son Of Ham, Along With His Brother Cush, Son Of Noah Of The Flood. **Genesis 10:6** States:

Bible – Old Testament, Genesis 10:6

"And the sons (בן) of Ham (חם); Cush (כוש), and Mizraim (מצרים), and Phut (פוט), and Canaan (כנען)."

"And the sons of Ham; Cush, and Mizraim, and Phut, and Canaan."

King James Version

www.Nuwaupuinc.com

And This According To Them Was Taking Place In The Middle East Or A Part Of Asia.

Ques: How Did The Egiptians Get Into North East Africa?

Ans: The Bible Never Gives You A Detail Migration. And If We Are To Follow It Chronologically, We Become More Confused By The Fact That The Brother Of **Mizraim** "Egipt", **Cush** Comes Up In **Genesis 2:13** In Disguise Of The Name **Ethiopia**, Originally Called **Aksum**, Which Translates To **Cush** Again, Meaning That This Family Of **Cushites**, **Mizraimites**, **Egipt**, Originally Called **Tama-Re**, Were The Sons Of **Ham** Or **Hamites**, **Sudan** Originally Called **Nehisi**, And Must Have Been In **Africa** Before Moving To The **Middle East** Or **Asia**. The Egiptian Name **Cush** Comes From The Word **Khamm** Or **Kamm, Kam, Kami** *"To Be Black"* As Found In The Book Entitled **An Egiptian Hieroglyphic Dictionary Volume 1, E.A. Wallis Budge, Page 572, Khamm** *"To Be Hot, To Blaze"*, And **Page 787 Kamm, Kam, Kami** *"To Be Black"*.

Ques: Are You Saying That The Family Of Cush Lived In Egipt Before They Moved To Egipt?

Ans: Yes. Genesis 2:13 Makes It Clear That **Cush** Was In Egipt Before The **Cush** Son Of **Ham** Of **Genesis 10:6**. **Genesis 2:13** Mentions **Cush** As **Ethiopia**, Which Is A Country Of Northeast Africa. These **Ethiopians** Were Called Copts Or Coptic By The Greek, Which Is Another Name For Egipt. The Word **Copt** Derives From French ***Copte***, From **New Latin** ***Coptus***, From **Arabic** ***Qubt***, **Copts**, From **Coptic** ***Gyptias***, From **Greek** ***Aiguptios***, **An Egyptian**, From ***Aiguptos***, **Egypt**, Thus At One Time The Whole Of The Continent Of Africa Was Known As Ethiopia, And At One Time The Whole Of The Continent Of

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Africa Was Known As **Sudan**, Originally Called **Nehisi** And **Ganawah**.

The Arabic Word **Sudan** (سودان) Is Defined As *"A Black, Negro"* From **Sawad** (سودا) *"Black Color, Black, Blackness"*, From The Root Word **Sawada** (سود) *"To Make Black, Blacken"* – Taken From ***Hans Wehr, A Dictionary Of Modern Written Arabic, Arabic-English, Edited By J. Milton Cowan, Page 440.*** Thus, You Have The Continent Of Africa Which Was Called Sudan At One Time Meaning *"Black, Blackness, Negro"* Telling You That On The Continent Of Africa There Existed Blacks Termed As Negro. According To A ***USA Today***, **12/7/2000,** By **Jeff Donn**, The Associated Press, Entitled **"DNA Tells Of African Exodus"**, It States:

> *"A Study Comparing The DNA Of People Around The World Has Yielded What Could Be The Best Evidence Yet That Modern Man Evolved In Africa And Scattered And Populate The Planet As Recently As 50,000 Years Ago." Such A View Suggest That The First Homo Sapiens Held Such Dramatic Evolutionary Advantages – Perhaps Stronger Powers Of Reasoning – That They Replaced Other Early Humans With Virtually No Interbreeding. This Is Not The First Time DNA Technology Has Been Applied To The Question Of When And Where Modern Humans Emerged. But The Researchers Say They Analyzed The Longest Strand Of DNA Ever Examined For A Study Of Human Lineage. They Say Their Findings Strongly Favor The "Out Of Africa" Theory Of Modern Human Origin. Advocates Of The Rival Multi-Regional Theory Say Modern*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Humans Evolved Simultaneously In Africa, Europe And Asia From Multiple Early Humans, Maybe Including Neanderthals And Homo Erectus, Who Left Africa In A Much Earlier Wave. "I Think People Are Going To Stop Testing Those Two Theories And Say, 'Let's Look At The Details Of The Out Of Africa Hypothesis,'" Says Evolutionary Biologist Blair Hedges At Pennsylvania State University, Who Did Not Take Part In The Study. "I Think People Are Not Going To Be Too Much Concerned With The Multiregional." Others, Though, Say The Latest Findings Could Allow For A Theory That Merges Both Models: A Core Of Modern Humans From Africa Later Mating In Limited Numbers With Early Humans In Distant Locations. The Study, In Today's Issue Of The Journal Nature, Was Conducted By Swedish And German Researchers. They Analyzed The Genetic Material Inside Structures Known As Mitochondria Within The Cells Of 53 People Of Various Nationalities, Ethnic Groups Of Races. Earlier Researchers Studied Only 7% Of The Mitochondrial DNA. Taking Advantage Of Techniques Worked Out In The Human Genome Project, The Project To Decipher The Human Genetic Blueprint, The Swedish-German Team Looked At The Entire Length Of Mitochondrial DNA, Or About 16,500 Chemical Base Pairs. The Researchers Determined How Heavily Mutations Scrambled The DNA Across The Generations. They Found That Africans Are About Twice As Diverse As Other Groups In Their Genetic Makeup – And, Assuming A Constant Rate Of

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Mutation, Thus Appeared Earlier. With Their Calculations, The Reasearchers Estimate That Modern Humans Left Their African Homeland Relatively Recently, Perhaps 50,000 Years Ago. Other Out-Of-Africa Theories Have Placed The Exodus Around 100,000 Years Ago.

Since The Beginning Of The Existence Of Life Itself And Life Of Man Began On The Continent Of Africa, Which The Latest Fossils Were Found In **Nairobi, Kenya** Called **Kenyanthropus Platyops** *"The Flat-Faced Man Of Kenya"* Dating Back **3.5 Million Years** ***(Los Angeles Times, March 22, 2001 A.D., By Robert Lee Hotz, Times Science Writer)***, And The **Millennium Man,** Dating Back **6 Million Years Ago,** Found In The Village Of **Rondinin** In The **Tugen Hills,** About 150 Miles Northeast Of The **Nairobi** ***(Washington Times, December 5, 2000, By David Fox, Reuters News Agency).*** Then That Means That This Fossil Had To Be The Fossil Of A Black Person, A Negro, The First Human Being Or Homosapien To Walk The Planet. The Theory Of Man Evoluting Out Of Egypt And Spreading Throughout The World Has Been Proven To Be No Longer A Myth, But A Reality By Scientific Data.

Ques: So Now Where Does The Bible Fit In All This Scientific Data, Which Is Dis-Proving It's Validity?

Ans: If You Look At The Construction Of The Bible, You Can See That It Was Written By Four Different Authors. You Have The **"J" Text** Which Is The **Jehovah** Torah Where The Name **Jehovah** Is Always Mentioned. You Have The **"P" Text** Which Is The **Priest** Torah With Opinions In Support Of **Abiathar** And

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Nathan, The Two Priest. You Have The **"E" Text** Which Is The **Eloheem** Torah And You Have The **"D" Text** Which Is The **Deuteronomy,** Moses' Version Of The Torah. All These Are Different Stories Of The Same Events In The Bible, Yet Written In Different Ways, Sometimes Different Languages, Which Was Intertwined And Woven In Each Other, Placed Above Each Other, And Made To Appear Authentic As If It Is The Holy **Halios** Book **Papyrus** Of God.

This Book Continually Tells You That These Different Versions And Text, Which If You Begin To Read With An Open Eye, Or The Eye Of **Ra**, You Will See That They Were Taken From The Babylonian Stories, The Canaanite Stories, And The Egiptian Stories, Showing You That These Were The Major Influences Of The Israelites, Which Was Organized By The **46 Nicean Council**, And Formed Their Holy Book Which Is Called Today The Bible, Whether It Be The Torah, The Gospels, The Evangel – Revelation, The New Testament, And The Old Testament.

So When You're Trying To Explain That There Is No Validity In The Bible, You Have To Do Your Research And Cross Examine Each Story In The Bible, And Cross Examine Each Name In The Bible, For Some Names Were Mentioned Twice. Or They Were Mentioned Out Of Place, Or The Stories Contradict Each Other, As In The Story Of Mizraim And The Migration Of The Sons Of Noah. Because They Would Not Be Able To Explain Certain Things, They Purposely Leave Out The Fact That The Family Of Noah Were In Africa First, Then Landed In The Mountains Of Ararat, Not One Mountain, But Mountains As The Bible States ***(Genesis 8:4)***, Then They Migrated Back To Egipt Again, With The Exception Of One Son Named Japheth, Who Lived In The Tents Of Shem ***(Genesis 9:27)***, Which Is Why You Find Nimrod In ***(Genesis 10:8)***, As Being A Mighty Hunter, A

Ghibbore *"Mighty One"*, Building Towers Such As The **Tower Of Babel** (בבל) Which In Itself Is **Bab** (באב) *"Door"* And **El** (אל) *"The Doorway To El"*, To Reach Heaven. However, The God, Be He **Yahweh** Or **Adonai** Of The Hebrews, Didn't Approve Of This So He Came Down And Confounded Their Tongue, In That Part Of The Planet Earth Of **Babylon, Not The Whole Earth**. So These People Were All One Big Family Who Separated After The Flood Of The Noah Story, And If You Look In **Psalms 78:51** You Can See That They Place **Egipt**, Which Is **Mizraim**, The Son Of **Ham** And **Ham** As Being The Same, **Egiptians**. **Psalms 78:51** States:

Bible – Old Testament, Psalms 78:51

"And Smote (נכה) All The Firstborn (בכור) In Egypt (מצרים): The Chief (ראשית) Of Their Strength (און) In The Tabernacles Of Ham (חם)."

"And smote all the firstborn in Egypt; the chief of *their* strength in the tabernacles of Ham:"

King James Version

Again, This Quote Makes **Mizraim** And **Ham** Both **Egiptians** Along With **Psalms 105:23** Where It Says,

Bible – Old Testament, Psalms 105:23

"Israel (ישראל) Came (בוא) Into Egypt (מצרים) And Jacob (יעקב) Sojourned (גור) In The Land (ארץ) Of Ham (חם)".

"Israel also came into Egypt; and Jacob sojourned in the land of Ham."

King James Version

In **Jeremiah 46:9, You Read:**

Bible – Old Testament, Jeremiah 46:9

"Come up (עלה), ye horses (עלה); and rage (הלל), ye chariots (רכב); and let the mighty men (גבור) come forth (יצא); the Ethiopians (כוש) and the Libyans (פוט), that handle (תפש) the shield (מגן); and the Lydians (לודי), that handle (תפש) and bend (דרך) the bow (קשת)."

"Come up, ye horses; and rage, ye chariots; and let the mighty men come forth; the Ethiopians and the Libyans, that handle the shield; and the Lydians, that handle *and* bend the bow."

King James Version

Jeremiah 46:9 Mentions **Libya,** Originally Called **Tehnu** As **Phut, Who Is The Son Of Ham (Genesis 10:6)** Along Side Of **Ethiopia** As **Cush**. Then The Egiptian Term **Kemite** Or **Khemet** Predates The Bible Or Hebraic Name **Ham** As Mentioned Above, Thus The Original **Hamites**, **Cushites** And **Mizraimites** Had To Have Been According To Their Own Bible, In North East Africa's Libya Extending From What Is Called **Egipt** Today Down Past **Sudan**, Called **Ham** *(Genesis 10:6)*, And On Into **Ethiopia** Called **Cush** *(Genesis 2:13)* In The Bible.

Ques: Aren't These The Ancestors Of Abraham?

Ans: Being These Are The Ancestors Of The Patriarch Of Monotheism, Namely A Chaldean Born Syrian Named **Abram**

www.Nuwaupuinc.com

www.Nuwaupuinc.com

(Genesis 11:27), Who Became **Abraham (2078-1903 B.C.E.)** *(Genesis 17:5)*, The Founder Of What Became Known As The Hebrew Religion Who Birthed **Isaac** *(Genesis 17:19)*, Who Birthed **Jacob** *(Genesis 25:26)*, Who Became **Israel** And Fathered **Judah** *(Genesis 29:35)*, We Get The Hebrew Religion, The Israelite And The Judaic Which Broke Off In Time To Become Known As **Nazarites, Meccabeans, Essenes**, Who Became **Christians** And Later **Muhammadans.**

Ques: Wouldn't That Make The Origin Of Religion To Stem From Egipt?

Ans: The Origin Of Monotheism Would Have To Be From **Ham**, The Father Of **Cush** And **Mizraim**, And Being **Mizraim** Is The Biblical Name For Egipt *(Genesis 10:6)*, Then **Ham** And **Cush** Would Be Describing **Pre-Dynastic Egipt** In **Cush** And **Neolithic Egipt** In **Ham**. From **Ham** Back Is **Neolithic** (**Nile + ithic**), People Who Dwell Around The Nile Or The Rivers As In **Genesis 2:13,** And Because **Cush** Was The Son Of **Ham**, **Cush's** Reign And The People Of His Time Would Be **Pre-Dynastic**, And **Mizraim** (מצרים) Whose Name Is Written In Plural, When Its Singled Out Becomes **Mizr** (Egipt) + **Ra** (**rosh** or **resh**, the **20th** letter of the hebrew alphabet for *"head or leader"*) + **Im** (A Plural Ending). **Mizr** (מצר) *"Matsour"* Which Is The Same As **Menes**, is The Initiator, the first, the head or leader Of The First Dynasty, Which Would Be The Starting Of The **46** Dynastic Period. As I Mentioned Earlier, The Sons Of Noah Migrated Back To Egipt After The Flood, Which Means That Was Not Their First Migration, Thus The Scientific Findings Of Man Evolving Out Of Africa First And Spreading Throughout The World Out Dates The Validity Of The Bible.

Ques: Where Did The Flood Occur?

Ans: The Flood Happened In The Land Of Egipt And When The Waters Dried Up, The Ark Of Noah According To The Bible Landed On One Of The Mountains Of Ararat ***(Genesis 8:4)***. The Biblical Society To Date Has No Record Of The Validity Of The Flood Of The Bible. It Cannot Be Proven As Of Yet. However, There Are Records In The 11th Book Of The Gilgamesh Tablets From **Nippur**, Dating Before The Year **2000 B.C.**, Which Gives An Account Of A Flood, And There Is Also Record Of A Flood Being In **Egipt**, Which Flooded The Sphinx During The Reign Of **Khufu** And **Sneferu**. To This Date, You Can See Water Erosion Which Can Only Happen From A Massive Flooding, Not An Annual Flooding Of The Nile Around 10,500 B.C.E.. ***(Read "The Epic Of Gilgamesh By: Maureen Gallery Kovacs")***

Ques: Was This The Only Flood Mentioned In The Bible?

Ans: No. If You Turn To ***Genesis Chapter 1, Verse 2,*** You Read *"And The **Earth Was Without Form, And Void; And Darkness***

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Was Upon The Face Of The Deep. *And The Spirit Of God Moved Upon The Face Of The Waters".* When It Says That *"And The Earth Was Without Form, And Void; And Darkness Was Upon The Face Of The Deep,"* This Is Saying That The Whole Earth Which Consisted Of Mountains And Land Were All Submerged Under Water, And This Is Confirmed In **Genesis 1:9**, Which Tells You God Decided To Dry Up The Waters And Show Land *"And God Said, Let The Waters Under The Heaven Be Gathered Together Unto One Place, And Let The Dry Land Appear: And It Was So."* So Now God Dried Up The Waters Of The Flood Which Covered The Whole Planet Earth, And This Is The First Time That Lands Appears. Then In **Verse 10**, You Find *"And God Called The Dry Land Earth; And The Gathering Together Of The Waters Called He Seas: And God Saw That It Was Good."* Now You Have The Separation Of The Waters Of The Sea And The Dry Land, Which Was Called Earth. So This Is The First Flood Of The Planet Earth, And The Whole Planet Earth Was Submerged Under Water, For **Genesis 1:2** Tells You That *"The **Earth Was Without Form, And Void; And Darkness Was Upon The Face Of The Deep***". So If The Dry Land Appeared According To Verse 9, From Under The Waters, Then God Did Not Have To Form Land, It Already Existed, Showing You That This Was A Re-Plenishing, And Not The Actual Creation Process. So Again, When Speaking Of The Flood Of Genesis, We Find That The Flood Story Of Noah (**Genesis Chapter 6,7, And 8**) Was Not The First Flood. The First Flood Was In ***Genesis 1:2***. This Was The First Flood Of The Bible, Which Covered The Entire Planet Earth According To The Bible.

Ques: What Height Did The Flood Waters of Noah Reach?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: According To The Bible, The Waters Of The Flood Reached **25 Feet Or 15 Cubits** Above The Mountains ***(Genesis 7:19-20)***.

Bible – Old Testament, Genesis 7:19-20

"And the waters מים *<mayim> prevailed* גבר *<gabar> exceedingly* מאד *<me`od>* מאד *<me`od> upon the earth* ארץ *<'erets>; and all the high* גבה *<gaboahh>* הר *<har>, that were under* תחת *<tachath> the whole heaven* שמים *<shamayim>, were covered* כסה *<kacah>. Fifteen* עשר *<'asar>* חמש *<chamesh> cubits* אמה *<'ammah> upward* מעל *<ma`al> did the waters* מים *<mayim> prevail* גבר *<gabar>; and the mountains* הר *<har> were covered* כסה *<kacah>."*

"And the waters prevailed exceedingly upon the earth; and all the high hills, that *were* under the whole heaven, were covered. Fifteen cubits upward did the waters prevail; and the mountains were covered."

King James Version

A Cubit In Hebrew Is **Ammah** (אמה) ***"Mother Of The Arm,"*** The Fore-Arm. **1 Cubit Equals 50 Centimeters Or 20 Inches, So 15 Cubits Would Equal 25 Feet,** Meaning The Waters Of The Flood According To The Bible Would Have Reached 25 Feet Above The Highest Mountains, Which To The Bible Would Be The Mountains Of Ararat. The Highest Peak Of The Mountains Of **Ararat** Is About 5,168 Meters Or 16,945 Ft, And If You Add **16,945 Ft + 25 Ft Of Water, You Would Get 16,970 Ft Of Flood Water According To The Bible. The Holy Tablets Says:** ***"17,022 Feet Of Water Covered The Ground Outside The Ark."***

Ques: Is Mount Ararat The Highest Mountain On Earth?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: No. Mount Ararat Stands **16,945 Feet**, And Mount Everest In The Himalaya Stands **29,028** Feet High. The Height Of Mount Everest, 29,028 Feet High Is Higher Than The Waters Of The Flood Of Noah, Which Came Up To 16,970 Feet Of Water. So If You Subtract 29,028 Feet From 16,970 Feet, You Would Get A Difference Of 12,058 Feet. From The Height Of The Flood, Which Stood 16,970 Feet High, To The Height Of Mount Everest, The Tallest Mountain, There Was 12,058 Feet Of Space That Was Not Flooded. The Lowest Part Of The Atmosphere Called The Troposphere Extends About 34,320 Feet From The Earth's Surface, And If You Subtract 34,320 Feet From 16,790 Feet, You Would Get 17,350 Feet, Which Extended From The Top Of The Flood Water, To The Lowest Part Of The Atmosphere That Was Not Flooded.

Ques: Where Did The Ark Land?

Ans: There Has Been Much Controversy On Where The Exact Location Was. This Happened Because As Time Went On, Stories About The Flood Was Passed Down From Mouth To Mouth, From Tongue To Tongue And The Location Took On Many Names. However, The Bible **Genesis 8:4** Makes Mention Of The Ark Landing On The Mountains Of **Ararat** *"And The Ark Rested In The Seventh Month, On The Seventeenth Day Of The Month, Upon The Mountains Of Ararat"*. Yet, According To The Babylonian Sumerian Account From Which The Bible Story Was Copied, It States The Ark Landed On Mount **Nisir**. According To The **New Unger's Bible Handbook** By **Garry N. Larson**, On **Page 38** It States That: *"The Boat Landed On Mt. Nisir"*.

Ques: Where Is Mount Ararat?

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ans: Mount Ararat (Jrra: Ararat: Ararat) Is A Mountainous District Of Asia. The Easton Revised Bible Dictionary States "We Have Apparently An Indication Of Its Position As Eastward Of Mesopotamia." However Mount Ararat Appeared In An Inscription Of Shalmanassar I Of Assyria **(1272-1243 B.C.)** As **Urartu, Uratri** Or **Uruatri** In Akkadian Or Assyrian, Which Is A Mountainous Country North Of Assyria And Is One Of The Mountains Of Ararat That The Ark Of Noah Rested On. This Territory Is West Of The Caspian Sea And South East Of The Black Sea, Which Is Where The Babylonian Sumerian Ark Rested. However, In This Babylonian Account, This Mountain Was Called Mount **Nisir** Or **Nizir**.

According To The Online Bible Hebrew Lexicon #0780, Ararat Is Placed As A Mountainous Region Of Eastern Armenia, Between The River Araxes In North East Turkey And The Lakes Van, A Salt Lake Of Eastern Turkey And Oroomiah. The **American Heritage Dictionary** ***States Ar· A· Rat (²r"...-r²t"), Mount Is A Massif Of Extreme Eastern Turkey Near The Iranian Border Rising To About 5,168 M (16,945 Ft).***

The **Koran 11:44** Claims That The Ark Rested On Mount Judi *"Then The Word Went Forth: "O Earth! Swallow Up Thy Water, And O Sky! Withhold (Thy Rain)!"* And The Water Abated, And The Matter Was Ended. The Ark Rested On Mount Judi, And The Word Went Forth: *"Away With Those Who Do Wrong!"*. This Is Mentioned In The Library Of Religious And Philosophic Thought, **Page 255** As *"Al-Judi "Good Place" – Mount Ararat Upon Which The Ark Of Noah Rested. Judi Is A Corruption Apparently For Mount Giordi, The Gordycei Of The Greeks, Situated Between Armenia And Mesopotamia."* So The Qur'an Got Mount Judi From The Greek Mount Giordi.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Does The Koranic Story Differ From The Biblical Story?

Ans: The Koran Claims That Judi Is The Same Mount Ararat Of The Bible ***(Genesis 8:4),*** Yet Why Was It Necessary To Change The Biblical Name Mount Ararat To Judi. The Biblical Name Adam Was Not Changed In The ***Koran 2:31***, Yet They Made A Concentrated Effort To Change Ararat To Judi. This Story Of The Flood Was Altered In The Koran Chapter 11. A Fourth Son Named **Raya** Was Added To The Koranic Story, Which Absolutely Has Not Facts To Back It Up, None. When The Biblical Version Only Speaks Of 3 Sons Namely **Shem (2470-1870 B.C.E.), Ham (2470 –1934 B.C.E.)** And **Jepheth** ***(Genesis 7:13, 9:18)*** Entering The Ark, And Makes No Mention Of A Fourth Son Outside Of The Ark Which Noah Commanded To Get In The Ark, And He Sought Refuge On The Highest Mountain So He Drowned. ***Koran 11:43*** "The Son Replied: *"I Will Betake Myself To Some Mountain: It Will Save Me From The Water." Noah Said: "This Day Nothing Can Save From The Command Of Allah, Any But Those On Whom He Hath Mercy!" --And The Waves Came Between Them, And The Son Was Among Those Overwhelmed In The Flood."*

These Are The Religious Versions Of The Story Of **Noah** Whose Name Means ***"To Rest Upon".***

Bible - Old Testament, Genesis 5:29

"And he called קרא<qara'> his name שם<shem> Noah נח<Noach>, saying אמר<'amar>, This same shall comfort נחם<nacham> us concerning our work מעשה<ma`aseh> and toil עצבון<`itstsabown> of our hands יד<yad>, because מן<min> of

the ground אדמה<*'adamah*> *which the LORD* יהוה<*Yehovah*> *hath cursed* ארר<*'arar*>."

"And he called his name Noah, saying, This *same* shall comfort us concerning our work and toil of our hands, because of the ground which the LORD hath cursed."

King James Version

How Can He Be Named **Noah** ***"To Rest Upon"?,*** The Same Name Used In **Genesis 8:4** **"And The Ark Rested In The Seventh Month..."** For Rested (Noo-Akh) ***"To Rest"***? This Event Did Not Occur At Noah's Birth, But When He Was **600** Years Old. The Name **Noah** And The Word **Rested** Is The Same!!! If You Look At The Incident After The Flood, Where Noah Became Drunk Because Of His Happiness According To **Genesis 9:21** "And He Drank Of The Wine, And Was **Drunken**; And He Was Uncovered Within His Tent", You Will See That The Hebrew Word For **Drunken** שכר (Shaw-Kar) Means "To Become Drunk Or Drunken, Be Intoxicated", And There Was A Pharaoh Who Was Referred To As **Sneferu** Who Had Bad Drinking Habits. Now This Is Recorded On Record. If You Look In The Dictionary Entitled "**An Egiptian Hieroglyphic Dictionary Volume 1, E.A. Wallis Budge, Page 355**, You Will See The Name **Noah** Is Found As **Nuh** Meaning *"To Be Drunk With Joy Or Drink, Drunkedness"* Right In An Egiptian Dictionary. So The Name **Noah** Derived From The Egiptian Name **Nuh**. Again You Find The Origin Of Your Biblical Stories In Egipt. You Find The Origin Of Your Biblical Names And Places In Egipt. Everything Went Back To Egipt, And The Deity **ON**, Which Can Be Found In The Bible As Well.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Where Can I Find This?

Ans: If You Look In **Genesis 2:11** Where It States:

Bible – Old Testament, Genesis 2:11

"The name שם <shem> of the first אחד <'echad> is Pison פישון <Piyshown>: that הוא <huw'> is it which compasseth סבב <cabab> the whole land ארץ <'erets> of Havilah חוילה <Chaviylah>, where אחר <'aher> there is gold זהב <zahab>,"

"The name of the first *is* Pison: that *is* it which compasseth the whole land of Havilah, where *there is* gold;"

King James Version

You Find The Word **Pison** פישון (Piyshown) Meaning "***Increase***" From **Poosh** פוש Meaning ***"Spread, Scatter, Spring About"***. This Word **Pison** Is **Poosh** פוש ***"Spread Scatter"*** + **Own** ון "The Egiptian Deity On", And **Pison** Is The **White Nile** Which Is Found In **Egipt.** And If You Go To **Genesis 2:13**, You Will See The Name **Gihon** גיחון (*Ghee-Khone*) ***"Bursting Forth"*** From *Ghee'-Akh* גיח ***"To Burst Forth"***. This Word Is **Gee-Akh** גיח "Burst Forth" + **Own** ון "The Egiptian Deity On", And **Gihon** Is The Blue Nile In Egipt.

Bible – Old Testament, Genesis 2:13

"And the name שם<shem> of the second שני<sheniy> river נהר<nahar> is Gihon גיחון<Giychown>: the same is it that compasseth סבב<cabab> the whole land ארץ<'erets> of Ethiopia כוש<Kuwsh>."

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And the name of the second river is Gihon: the same is it that compasseth the whole land of Ethiopia."

King James Version

So You Have **Gihon** Being The Blue Nile In Egipt Mentioned In **Genesis 2:13**, And You Have Cush As Ethiopia Which Is Called Copt, Egipt To The Greeks. **Genesis 41:45, 50, 46:20** Mentions The Priest Of **On** (Heliopolis), And **On** Is Defined As "Strength, Vigour". The Greeks Renamed The Sacred Egiptian City Leopolis In His Honour As **Heliopolis** "The City Of Helios [The Sun]", And In Greek Mythology Helios Is The Sun God. In The Book Entitled "A **Comprehensive Dictionary Of The Gods**", Page 80, You Find **Helios** As:

> *"Greek" Son Of The Titans Hyperion And Theia. Brother Of Selene And Aurora. Father Of Aeetes, Circe And Phaethon. Helios Is Omniscient And Reports The Activities Of Earth To The Other Gods.*

Again Taking You Back To Egipt. This **Helios**, Greek **Sun** "Son" God According To The **Neolithic Egiptians,** Was **Re** "Ra" The **Sun Supreme Being.** The Hierarchy Focused On The Sun Because They Overstood Its True Power As An Amazing Generator Of Electromagnetic Energy, Which Is Affecting Our Lives And Behaviour Every Second Of Every Day. Just Think About That. The **Sun** Is The Solar System And When It Changes, We Change. Overstanding These **Sun Cycles**, And **Moon Cycles** And The Changing Nature Of The Energy It Projects Allows You To Anticipate How Human Beings Are Most Likely To React To Various Events At Different Times. As With The Text That Forms The Basis Of The Various Religions, There Are Two Levels Of Knowledge In **Sun** Worship.

Ques: What Are The Two Levels Of Knowledge In Sun Worship?

Ans: In The Ancient World, The Hierarchy Focused On The **Sun** Because They Knew It's Effect At A Deep Level, The Masses Worshipped The Sun Because Its Heat And Light Had An Obvious And Crucial Role In Ensuring An Abundant Harvest. In The Same Way An Initiate Of The Esoteric Knowledge Will Read The Bible Differently Than A **Christian** Or **Jewish** Believer. The **Initiate** Will Recognize The **Symbolism**, The **Numerology** And The **Esoteric Codes**, While The Believer Takes The Text Literally. So The Same Text Acts As A Means Of Passing On Esoteric Knowledge To Those Initiated And Creates A Prison-Religion For The Masses Who Are Not Initiated.

The Babylonian Tablets Of **Hammurabi** Shows This Babylonian Worshipping In His Language, Cuneiform. The Deity **Shamash** Is The Sumerian **Sun God.** Note That The Hebrew Word Used Is Also The Word **Shamesh** (שמש) For Sun. In Arabic, They Use The Word **Shamsa** (شمس) And In Nuwaupic The Word For Sun Is **Re "Ra"** (𓇳). Anyone Can See That The Hebrew And Arabic Word For Sun, Was Borrowed From The Babylonian Language Of **Cuneiform**. This Is Indisputable Proof That They Retained The **Sun** God In Their Religious Languages, As Found In **Genesis 15:12**

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Bible – Old Testament, Genesis 15:12

"And when the sun שמש <shemesh> was going down בוא <bow'>, a deep sleep תרדמה <tardemah> fell נפל <naphal> upon Abram אברם <'Abram>; and, lo, an horror אימה <'eymah> of great גדול <gadowl> darkness חשכה <chashekah> fell נפל <naphal> upon him."

"And when the sun was going down, a deep sleep fell upon Abram; and, lo, an horror of great darkness fell upon him."

King James Version

The Word Sun, When Translated From Hebrew Is **"Shemesh"** **{Sheh'-Mesh}** And A Whole Chapter Of The **Qur'aan 91** Named **Ash Shams** Meaning *"The Sun"*. Muslims, Jews, And Even Christians Worship The Sun.

The Jewish Star Is Also Symbolic Of The **Sun (Psalms 84:11)**, And The Muslims Star Is A Sun And Crescent Is The Moon. The Halo Around The Head Of Jesus Symbolizes The Ring Of Saturn. And The Word "**Helios**" (ηλιος) Is The Greek Word For **Sun**. The **Halo** Is Symbolic Of The Evening Sun When It Comes Up. The Sun Starts Down Behind The Water, Then It Proceeds To Walk Across The Water In The Morning: This Is Symbolic Of God Walking Across The Water. Jesus, Who Is Also Referred To As The Early Morning Star, Is Always Dressed In Red And Blue. The Red Is The Sun, And Blue Is The Water. The Crown Of Thorns Worn By Jesus Is The Ring Of Fire The Halo, As A Sun Is Eclipsed You See A Ring Of Fire. And As The Appearance Of The Setting Of The Sun, God Walks Away. The Sun Goes Away And Comes Back.

The Halo On Jesus' Head, As Depicted By The Christians, Also Symbolizes The Rings Of **Anshar**, **Saturn** As Bright As The **Sun** Or **"Sol"** Of The Solar System. When The Sun Of God Died With The Crown Of **Thorns** On His Head, It Was Symbolic Of The Sun's Rays. It Is Also Written In **Revelation 22:16**

Bible – New Testament, Revelation 22:16

"I εγω <ego> Jesus Ιησού <Iesous> have sent πεμπω <pempo> mine μου <mou> angel αγγελό <aggelos> to testify μαρτυρεω <martureo> unto you υμιν <humin> these things ταυτα <tauta> in επι <epi> the churches εκκλησια <ekklesia>. "I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, *and* the bright and morning star."

King James Version

Jesus Is The Morning Star, Again Proves That Christianity, Not Knowing Christians, Are Really Worshipping The Sun.

The Egiptian Supreme Being **Haru, Heru, Horus** Was Also Called **Har-An-Akaet** Or **Re Harakhahte** Meaning *"Horus*

In The Horizon" And A Name For The Sphinx Is **Harmakhes** Which The Greeks Called **Hormakhet** Meaning ***"Horus Of The Horizon".***

The Egiptian Sun **"Re" Ra** Is Also Found In The Bible As **El Roi** Used By One Of The Wives Of **Abraham**, The Patriarch Of The Three Monotheistic Religions. In **Genesis 16:13 Abrahams'** Second Wife, **Hagar (2040-1892 B.C.E.)** Called On The Supreme Being **Ra** As *"El Roi" "...Unto Her Thou God Seeth Me".*

Bible – Old Testament, Genesis 16:13

"And she called קרא <qara'> the name שם <shem> of the LORD יהוה <Yehovah> that spake דבר <dabar> unto her, Thou God אל <'el> seest me ראי <ro'iy>: for she said אמר <'amar>, Have I also here הלם <halom> looked ראה <ra'ah> after him אחר <'achar> that seeth me ראי <ro'iy>?",

"And she called the name of the LORD that spake unto her, Thou God seest me: for she said, Have I also here looked after him that seeth me?"

King James Version

Hagar Also Chose An Egiptian Wife For Her Son **Ishmael** Named **Faatimah** As Found In ***(Genesis 21:21)*** Meaning All The Arabs Have Their Root Seed In Egipt Also Through Hagar's Son **Ishmael**, Father Of The Arabs.

Hagar Was An Egiptian By Birth, Being The Daughter Of The Pharaoh **Imhotep**, And A Worshipper Of **Pa Neter** "The Supreme Being" **Re** "Ra". So If Hagar Is An Egiptian And Gave Birth To **Ishmael**, Who Is The Father Of **Ishmaelites**, Who Are The Arabs Or Muslims, That Are Giving Praises To Allah, Then They Are Also Egiptians Who Should Be Calling To **Pa Neteraat** "The Supreme Beings" Of Ancient Egipt, Just As Their Mother, **Hagar (Heket-re)** Called On **Ra,** The Sun God Of Egipt.

Bible – New Testament, Revelation 3:14

"...And και <kai> unto the angel αγγελό <aggelos> of the church εκκλησια <ekklesia> of the Laodiceans λαοδικεύ <Laodikeus> write γραφω <grapho>; These things ode <hode> saith λεγω <lego> the Amen αμην <amen>, the faithful πιστό <pistos> and και <kai> true αληψινό <alethinos> witness μαρτύ <martus>, the beginning αρχη <arche> of the creation κτισί <ktisis> of God ψεό <theos>."

Figure 68
The Egiptian Neter "Supreme Being" Re "Ra", The Sun God Of Ancient Egipt

Note That The Word **"Amen"**, Is Used As A Noun And A Name. Again You See The Bible Refers To The Creation Of God As The **Amen**, The **Egiptian** Supreme Being **Amen-Ra (Amun-Re)** One Of The Trinity Or Triad Supreme Beings Of **Egipt.** The Other Two Being **Atun-Re** And **Atum-Re** From Where The Christians Copied Their Concept Of The **Trinity,** The Father, The Son, The Holy Ghost; Or In The Case Of Islam 1. **Allah** 2. **Al Rahman** 3. **Al Rahim** The Islamic Trinity, And In Hebrew 1. **Eloheem,** 2. **Jehovah** And 3. **Adonai**, The Trinity.

And Again The Name **Potipherah** Which Can Be Found In The Book Of The Bible, **Genesis 46:20** It State:

Bible – Old Testament, Genesis 46:20

"And unto Joseph יוסף <Yowceph> in the land ארץ <'erets> of Egypt מצרים <Mitsrayim> were born ילד <yulad> Manasseh מנשה <Menashsheh> and Ephraim אפרים <'Ephrayim>, which

Asenath אסנת <'Acenath> the daughter בת <bath> of Potipherah פוטיפרע <Powtiy Phera'> priest כהן <kohen> of On און <'Own> bare ילד <yalad> unto him."

"And unto Joseph in the land of Egypt were born Manasseh and Ephraim, which Asenath the daughter of Potipherah priest of On bare unto him."

King James Version

Potipherah When Translated From Hebrew It Means "*He Whom The* **Ra** *Gave*" *1) An Egyptian Priest Of On, Father Of Asenath, The Wife Whom Pharaoh Gave To Joseph"*

Notice The Word **On**, Also Means **Annu (Anu)** To The Sumerians/Babylonians, Meaning "*The Most High*"; And Egipt Happens To Have A City Called "The City Of **Annu**, **Heliopolis**" City Of The Sun, Coincidence, I Don't Think So. Another Confirmation That The Egiptians Supreme Beings Are Not Myth Or Mythological. But Were Copied And Changed Their Names And Forms By These Levitical Priests, Controlled By Luciferians To Hide The Truth From The People And Created Religions, Spell Binding Religions To Control The Masses.

Not Only Is **Amen, Amon** Or **Amun,** An Egiptian Deity **"Supreme Being"** Mentioned In The Bible As Stated Above IIe Is Also Depicted As Jesus According To **Revelation 1:5** It States That **Jesus** Is **Amen** Or As In Ancient Egipt Is **Amun.**

Amen Or **Amun** Is The Word That The **Muslims**, **Jews**, **Christians**, **Freemasons**, And **Shriners** All Use To End Their Prayers Or Rituals. And As Mentioned Before, The Egiptian Neter "Supreme Being" **Re "Ra"** Is Symbolic Of The Sun, Just As Jesus Is The Bright Morning Star Or Sun *(***Revelation 22:16***)*.

Bible – New Testament, Revelation 22:16

"I εγω <ego> Jesus Ιησους <Iesous> have sent πεμπω <pempo> mine μου <mou> angel αγγελος <aggelos> to testify μαρτυρεω <martureo> unto you υμιν <humin> these things ταυτα <tauta> in επι <epi> the churches εκκλησια <ekklesia>.

"I Jesus Have Sent Mine Angel To Testify Unto You These Things In The Churches. I Am The Root And The Offspring Of David, And The ***Bright And Morning Star.*****"**

King James Version

Note In The Following Verse Lucifer Is Referred To As The Son Of The Morning, Implying That Jesus And **Lucifer** Are The Same Person. **Isaiah 14:12** *"...How Art Thou Fallen From Heaven, O Lucifer,* ***Son Of The Morning!*** *How Art Thou Cut Down To The Ground, Which Didst Weaken The Nations!"*

Ques: Isn't The Name Amun Used At The End Of Our Prayers?

Ans: Yes. Every Religious Denomination Whether It Be A Christian, A Jew Or Muslim End Their Prayers, Salaat, Or Tefillah Using The Name **Amun**, As **Amiyn** (امين), **Awmane** (אמן) ***(Numbers 5:22)*** Or **Amen** (αμεν) ***(Revelation 3:14)*** Meaning *"Trustworthy Or Faith"*. The Foundation Of The **Muslim** Doctrine Is Based On The Word **Amun** (امن) *"Faithful"* Which Is In The 6th Name **Al Mu'min** (المومن). The Believing Men Are Called **Mu'minuwn** (مومنون) ***(Koran 60:10)*** And The Believing Women Are Called **Mu'minaati** (مومنات) **(Koran 60:11)** In Their **Koran** Which Signifies *"The Faithful Ones"* That All True Muslims Are Worshippers Of **Amun-Re**. In The Ancient Egiptian Language, **Amun's** Name May Be Written As **Amen** (𓇋𓅓𓐍𓅱𓈖). **Amon** (𓇋𓅓𓐍𓏏𓈖) Or **Amun** (𓇋𓅓𓐍𓅱𓈖). This Is To Show You That Everyone's Prayer Goes Back To Egipt To The Worship Of The Highest Supreme Being Amun.

This Is To Show You That Everyone's Prayer Goes Back To Ancient Egipt To The Worship Of The Highest **Neter** "Supreme Being" **Amun**. According To The Book Entitled ***Ancient Egyptian Myths And Legends, By Lewis Spence, Page 141,*** He Says:

> *"The entire pesedt or company of the gods was supposed to be unified in Amen, and indeed we may describe his cult as one of the most serious attempts of antiquity to formulate a system of monotheism, the worship of a single god."*

This Is Where The Religious Concepts Of Worship Came From, The Egiptian Doctrine. However, When You Sing The "National Anthem", You Are Also Giving Reverence To **Atum-Re**, Who Is The Morning Sun.

The National Anthem

*"O Say Can You See, By The **Dawns Early Light**..."*

Bible – New Testament Acts 7:43

"Yea και <kai>, ye took up αναλαμβανω <analambano> the tabernacle σκηνη <skene> of Moloch Μολοχ <Moloch>, and και <kai> the star αστρον <astron> of your υμων <humon> god ψεό <theos> Remphan Ρεμφαν <Rhemphan>, figures τυπό <tupos> which ό <hos> ye made ποιεω <poieo> to worship προσκυνεω <proskuneo> them αυτό <autos>: and και <kai> I will carry μετοικιζω <metoikizo> you υμά <humas> away μετοικιζω <metoikizo> beyond επεκεινα <epekeina> Babylon Βαβυλων <Babulon>."

www.Nuwaupuinc.com

"Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon."

King James Version

This Verse Clearly States That The Israelites Worship A Star Or Sun, A Being From Another World Or Planet, An Extraterrestrial And His Name Is **Remphan,** From Saturn.

Note The Word "**Star**" Being Mentioned In This Verse When Translated Properly From The Greek Word "**Astron**" (αστρον) and It Means ***"A Group Of Stars, A Constellation".*** So This God **Remphan** They Worshipped Was From Another Constellation. And According To "**The Westminster Dictionary Of The Bible**", **Remphan** Is Defined As:

> *"...A God Who Has A Star Associated With Him, And Who Was Worshiped With Him, And Who Was Worshiped By The Israelites In The Wilderness...The Passage Is Quoted From The O.T. The Name Represents Raiphan, A Corrupt Transliteration In The Lxx Of Kaiwan Akkad. Name Of Saturn And Was Understood To Be The God Chiun (Amos 5:26 A.V. And J.V.)."* **(The Westminster Dictionary Of The Bible)**

Remphan Is Defined In The **Greek Bible** As,

"Rhemphan" Meaning "The Shrunken [As Lifeless], The Name Of An Idol Worshipped Secretly By The Israelites In The Wilderness.

And Note According To The Logos Bible Software: The Name **Rhemphan** Or **Remphan** Indicates That It Was An Incorrect Transliteration From Hebrew Word "**Kiyuwn**" {Kee-Yoon'} Or

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Chiun Meaning An "*Image Or Pillar, A Statue Of The Assyrian Babylonian God Of The Planet* **Saturn** *And Used To Symbolize Israelite Apostasy*". Note Also That **Moloch** Is Mentioned In This Verse.

Ques: Who Is Molech

Ans: According To **"Westminster Of The Bible"** On *Page 404*, **Moloch** Happens To Be A Name Of Another **Idol** Or **God** That The Amorites Who Are The Sons Of The Cursed Seed Of Canaan ***(Genesis 9:25)*** Worship According To The Bible. To Which Human Victims, Particularly Young Children Were Offered In Sacrifice. Its Image Was A Hollow Brazen Figure, With The Head Of An Ox, And Outstretched Human Arms. It Was Heated Red Hot By A Fire From Within, And The Little Ones Placed In Its Arms To Be Slowly Burned, While To Prevent The Parents From Hearing The Cries, The Sacrificing Priests Beat Drums. And That Is In Your Holy Bible. This Clearly Proves That There Is More Than One God And The Israelites Worshipped A Few Of Them, Including **Moloch**, **Remphan** And **Chiun** As Found In The Book Of **Amos 5:26**

Bible – Old Testament, Amos 5:26

"...But ye have borne נשׂא *<nasa'> the tabernacle* סכות *<cikkuwth> of your Moloch* מלך *<melek> and Chiun* כיון *<Kiyuwn> your images* צלם *<tselem>, the star* כוכב *<kowkab> of your god* אלהים *<'elohiym>, which ye made* עשׂה *<`asah> to yourselves"*

"But ye have borne the tabernacle of your Moloch and Chiun your images, the star of your god, which ye made to yourselves."

Note, Another Mistranslation That, The Word "**God**" Mentioned In This Verse Is A Plural Form Not Singular Form, It's The Hebrew Word "**Eloheem**" Translated Properly As Gods.

Ques: Are There Other Gods Mentioned In The Bible?

Ans: Yes. With A Little Research, You Can Also Find **Pa Neteraat** "The Supreme Beings Of Ancient Egipt Right In Your Bible. And These Supreme Beings, Again As Mentioned Before Predates Your Bible By **10,500** Years.

The Egiptian Neter "Supreme Being" THOTH "Tehuti"

The Supreme Being **Thoth, Tehuti** Or **Thutmose** Is Mentioned In Your Bible As **Nebo,** Which Derives From The **Nuwaupic** Word **Neb** "Master, Or **Nebu** "Lord".

The Word **Nebo** Is Mentioned Thirteen (13) Times In Your Bible. It's Mentioned In The Following Quotes: (**Numbers 32:3; Numbers 32:38; Numbers 33:47; Deuteronomy 32:49; Deuteronomy 34:1; 1Chronicles 5:8; Ezra 2:29; Ezra 10:43; Nehemiah 7:33; Isaiah 15:2; Isaiah 46:1; Jeremiah 48:1** And **Jeremiah 48:22.)** According To The Bible Dictionary "Strong's (#5015) Hebrew Lexicon" **Nebo** Is Defined As *"Prophet, 1) Babylonian Deity Who Presided Over Learning And Letters; Corresponds To Greek Hermes, Latin Mercury, And Egyptian* **THOTH**." All Of This Information Is Right Under Your Nose, But You Did Not Know It Was There.

He Was Originally Named Either **Djehuti** Or **Zehuti** By The **Pa Tama-Reyeaat** *"The Egyptians"*, **Tehuti** *"Thoth"* Was Given His Better-Known Name By The Greeks. They Linked Him With Their Own God Or **Thehos** *"Deity, Supreme Being"* Hermes, Greek. He Becomes The Son Of **Zeus** And **Maia**, And **Zeus** Was The Son Of **Cronus** And **Rhea**. None Of This Is True. They Just Took This Egiptian And Tried To Make Him Theirs And Change His Teachings. This Hermes Was Considered To Be The Greek **Thehos** *"Deity, God Supreme Beings"* Of Wisdom, Writing And Invention To The Greeks. They Get Their Word Thehos From The Egiptian Supreme Being **Theoris** Or **Thoeris,** A Goddess Of Women In Childbirth, Protectress Of Babies. This Is The Word Used In Your Bible, New Testament In The Greek For God. **Tehuti** Was Also The Messenger And Spokesman Of The **Neteraat** *"Supreme Beings"* As **Tehuti,** And Finally A Lunar **Neter** *"Supreme Being"* Under The Sun God **Re** *"Ra"*. You Can See The Greek Word **Thehos** Came From The Hieroglyphic Word **Tehuti**, Or **Thoth**.

The Egiptian Neter "Supreme Being" ANUBU "Anubis"

The Supreme Being **Anubus** "**Anubis**" Was Also Mentioned Right In Your Bible As "**Nibhaz**". He Was Mentioned Once In **2Kings 17:31.**

Bible – Old Testament, 2Kings 17:31

*"...And the Avites עִוִּי <`Avviy> made עשה <`asah> **Nibhaz** נִבְחַז <**Nibchaz**> and Tartak תַּרְתָּק <Tartaq>, and the Sepharvites סְפַרְוִי <Cepharviy> burnt שרף <saraph> their children בן <ben> in fire אֵשׁ <'esh> to Adrammelech אַדְרַמֶּלֶךְ <'Adrammelek> and Anammelech עַנַמֶּלֶךְ <Anammelek>, the gods אֱלֹהִים <'elohiym> of Sepharvaim סְפַרְוַיִם <Cepharvayim (dual)>."*

"And the Avites made Nibhaz and Tartak, and the Sepharvites burnt their children in fire to Adrammelech and Anammelech, the gods of Sepharvaim."

King James Version

When The Word **"Nibhaz"** Is Translated From Aramic (Hebrew) Languages It Means:

"...05026 Nibchaz {nib-khaz'} of foreign origin;; n pr m AV - Nibhaz 1; 1 Nibhaz = "the barker" 1) a deity of the Avites introduced by them into Samaria in the time of Shalmaneser; idol had the figure of a dog" Again Right Under Your Nose.

King James Version

Aset Or **Isis** Is Mentioned As **Ashtoreth, Ashtaroth** Or **Diana** As Well According To **Acts 19:35** And I Quote:

Bible – New Testament, 19:35

"...the city πολις<polis> of the Ephesians Εφεσιος<Ephesios> is ων<on> a worshipper νεωκορος<neokoros> of the great μεγας<megas> goddess θεα<thea> Diana Αρτεμις<Artemis>, and και<kai> of the image which fell down from Jupiter διοπετης<diopetes>?"

"And when the townclerk had appeased the people, he said, *Ye* men of Ephesus, what man is there that knoweth not how that the city of the Ephesians is a worshipper of the great goddess Diana, and of the *image* which fell down from Jupiter?"

King James Version

These Quotes Are Just Another Confirmation By The God Of Your Bible That Egiptians **Neteraat "Surpreme Beings"** Are Real And Not Mythological As Most People Claimed Them To Be. Their Tombs Are Being Found And Opened In Egypt Every Day. These People Are Not Myths, They Are Real People.

The Egiptian Neter "Supreme Being" NUN

The Eight (8) Ogdoads Of Ancient Egipt Are Also Confirmed By The Christian Bible. **NUN** Is Mentioned In **Psalm 119:105-107** And I Quote:

Bible – Old Testament, Psalm 119:105-107

*"NUN. Thy Word דבר <dabar> Is A Lamp ניר <niyr> Unto My Feet רגל <regel>, And A Light אור <'owr> Unto My Path נתיב <nathiyb>." **106.** "I Have Sworn שבע <shaba>, And I Will Perform קום <quwm> It, That I Will Keep שמר <shamar> Thy Righteous צדק <tsedeq> Judgments משפט <mishpat>. **107.** "I Am Afflicted ענה <'anah> Very Much מאד <me'od>: Quicken חיה <chayah> Me O LORD יהוה <yehovah>, According To Thy Word דבר <dabar>..."*

"(105) NUN. Thy word *is* a lamp unto my feet, and a light unto my path. (106) I have sworn, and I will perform *it*, that I will keep thy righteous judgments. (107) I am afflicted very much: quicken me, O LORD, according unto thy word."

King James Version

Notice That **NUN** Is Being Referred To As LORD. He Is Found Throughout The Bible 30 Times And His Name Is Written As **Nun**, With The First Letter Capitalized, Except For In The Book Of Psalms Where You Can Find It All Caps And The Only Verse Where The Bible Doesn't Define It. As In All Other 29 Verses **Nun** Is Defined As The *"**Fish**" Or "**Posterity**" 1) Father Of Joshua The Successor Of Moses".*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

NUN, To The Egiptians Is **Pa Neter** "The Supreme Being" Of The Primeval Water And Is The God Of The Ocean. It Is Also the Nothing Which Contains Everything And From Which All Life Came. This Is Where The Roman Copied Their Deity **Neptune**. In The Arabic Language, The Word **Nun** (نون) Means ***"Fish"*** Also. According To The Book Entitled ***"The Meaning Of THE HOLY QUR'AN"*** By Abdullah Yusuf Ali, On Page 1506 It States:

> *"...5592 Nun Is An Abbreviated Letter: See Appendix I At The End Of S.2. Nun May Mean A Fish, Or An Ink Holder, Or It May Be Just The Arabic Letter Of The Alphabet, N. In The Last Case, It May Refer To Either Or Both Of The Other Meanings. Note Also That The Arabic Rhyme In This Surah Ends In NUN. The Reference To Ink Would Be An Approprite Link With The Pen In Verse 1. The Reference To The Fish Would Be Appropriate With Reference To The Story Of Jonah In Verses 48:50. Jonah's Title Is "The Companion Of The Fish", (Dhu Al Nun, 21:87), As He Was, In The Story, Swallowed By The Fish. The Letter N Could Also Symbolically Represent Jonah In The Arabic Form Yunus, Where The Characteristic "Firm Letter" Is N.*

So As You Can See The Egiptian **Neter** "Supreme Being" **NUN** Is Found Not Only In Christianity, Who Breeds Other Religions But Also In Islam, Which Also Bred Other Sects And Created Other Religions Such As: Sunni, Five Percenters, Orthodox And Many Others. But All Derives From Ancient Egipt. ***(Read "Historical Deception; The Untold Story Of Ancient Egypt" And "Exiled Out Of Egypt" By: Moustafa Gadala)***

The Egiptian Netert "Supreme Being" NEITH

Another Egiptian **Netert** *"Supreme Being"* Found In The Bible Is The Netert **"NEITH"** Where The English Words "Neither", "Either" Derives From. **Neith** Is Found In The Bible Under The Name **Asenath.** When Translated From The Aramic (Hebrew), The Word **Asenath,** Means *"Belonging To The Goddess Neith"* Under The Strong's # 0621. (Read Zakaria Stitchin Books And Also Read *"God Of The New Millennium" By Alan F. Alford).* **Nergal** The Master Of The Underworld Was The Greatest Of The **Chemist** Or **Magi** From The Forbidden Land Of The Many Wanderers, The Homeless, The Land Of **Nod** In Kullab, A Province Of The City **Uruk, Ereck** Or **Araf.** **Arishkegal**, The Wife Of Nergal Was A Cushite. That's The Reason Why Nergal Lived In That Evil Land, Which Was The Land Of The Cushites.

Real According To The Bible *(2Kings 17:40)*, Then His Father **Enqi** Is Also Real. **Enqi's** Father Is Also Real, Whose Name Is **Anu** *"The Most High"*, The Grandfather Of **Murdoq** Also Known As **Melchizedek** And To The Egiptians, The Incarnation Of **Thoth** Or **Tehuti** Meaning ***"Possessor Of The Masters Key, Keeper Of The Secret Word"***. The **Enuma Elish**, Where The Bible Was Also Copied From, Proves And Recorded The **Anunnaqi's** Existence, Which Also Predates Your Bible And Qur'aan Which Was Revealed Between **(610-632)**. ***"Don't Believe Me Check It All Out"***.

So Religious Groups Who Call Themselves "Hebrew Israelites, Israeli Church, Yahweh Ben Yahweh, And Amongst Many Others Are Naming Themselves After The **Israelites/Jacobites** Not Knowing That These Israelites Served Many Idols *(2Kings 17:12)* And Sacrificed Human Beings, Especially Their Own Children *(Jerimiah 19:9)* To These Different Deities Or Gods And Even Have Been Known To Eat Their Flesh *(2Kings 6:29)*, Have Been Known To Call Out Bears *(2Kings 2:24)*, To Lie And Say Your Wife Is Your Sister And Give Your Wife Over To A Stranger *(Genesis 12:11-12:14)* As Stated Above. This Is Human Sacrifice Found Right In Your Bible, Which Is The Same Practices That The Satanic Cults Practice To This Very Day. They Will Claim To Be **Monotheist**, When In Reality They Are **Henotheistic**, Which Is Another Form Of **Polytheistic**. The Trick Is, They Pretend That They Worship One God And **Genesis Chapter 1** Has The Name Of This One God As **Eloheem** (אלהים), And The Slightest Research Into The Meaning Of The Word Into The Lexicon Or Dictionary, Reveals That Eloheem Is A Plural Of **El** (אל) Or **Eloh** (אלה) Making The Creator Of The Planet Earth And The Heavens, A Group Of Supreme Beings.

All Those Things Mentioned In Genesis Which Are Repeated In The New Testament, And Then Continued On Into The Qur'aan Of The Muslim Or The Muhammadan Faith Where Time Gave This Mystical Brotherhood A Chance To Alter The Original Text Of In The Beginning Eloheem Created The Heavens And The Earth, To A **Yahweh** Onto A **Thehos** Onto **God**, Onto An **Allah**, And Give You The Impression That This Is Not A Group Of Beings, But A Pure White Light. That Pure White Light, Became Synonomous With Pure Knowledge Or God As The Light Became A Symbol Of God As The Knowledge Thus, Rendering Darkness As Ignorant When In Fact, This Very Eloheem Of The Bible, When Making This Statement In **Genesis 1:3**, *"Let There Be Light", And There Was Light"*. Confess That The Divine State, The Holy State, The God Existence, The Heavenly Abode Was In A Pure State Of Darkness In Which These Eloheem Existed When They Said In **Genesis 1:3** *"Let There Be Light"*. And Then Continued In Verse 4 To Add, *"And God (Eloheem) Saw The Light That It Was Good, And God (Eloheem) Divided The Light From The Darkness"*.

Make Note At This Point Before We Go One Step Further, That Someone Or Something Is Speaking On Behalf Of These Gods (Eloheem) By The Very Statement Being Put In The Second Or Third Person, In **Genesis 1:4** *"And God Saw..."* It Should Be In The First Person Singular "And I Saw". So This Creation Of Light Which Divided The Day From The Night And The Evening From The Morning ***(Genesis 1:4-5)***, Was The Beginning Of Chaos And Confusion. Competition And Challenge, Love And Hate, Jealousy And Envy. This Creation Of Light Started Work From Sleep, And The Worker Was The Builder Or The Farmer Or The Herdsmen And The Builder Chopped Down The Tree To Make

His House. And The Farmer Ripped Up The Herbs For His Food. And The Herdsmen Killed The Animals For Their Skins For Clothes Such As The Second Apron Of *Genesis 3:7-Genesis 3:21*. And This Light Which Created The Difference Between The Farmer And The Herdsmen Created The First Competition In The Offering Of **Cain** And **Abel** *(Genesis Chapter 4)*, And Note That This God Who Created Light, This Group Of Illuminati Chose To Eat Flesh Over Vegetables, For They Chose Abels Offering Of Flesh And Blood Over Cain Offering Of Vegetation. This Group Of Illuminati Chosse Burnt Offerings *(Genesis 4:4)*. The Smell Of Burning Carcass. They Had To Kill To Get The Skin, Wheih Is The Clothes They Gave To **Adam** And **Eve** To Cover Themselves *(Genesis 3:7)*. The First Killer Was Not Cain, It Was The God Who Killed To Get The Cloth Of Skin, *"Don't Believe Me Check It Out For Your Self"*.

You Make The Decision As To This Group Of Gods Who Create Temptation, And Then When The Creation Is Tempted, You Curse And Condemn Them As In The Tree In The Garden, The **Adam** And **Eve** Incident *(Genesis 3:3)*.

Ques: What Is The Point?

Ans: This Group Of Beings In Your Bible And Your Koran Going Under Many Different Names, For The Many Different Acts That They Perform Are Indeed An Illuminated Group Who Want To Blind You By The Light Of The Torch, Which They Hold In Their Hand Of Fire, For Remember There Was No Electric Light Before **Nikola Tesla (1856-1943 A.D.)** And **Thomas Edison (1847-1932 A.D.)**. The Evil Illuminati Have No Concern With Race, Nationality, Creed, Or Movement. They Work Only For Themselves. The Aim Of The Illuminati Is To Subject All Mankind To Sovereign Tyranny And To Control The Minds Of The World's Population Through Their Deception And Illusions. They Want To Rule Under One World Order. Some Other Sects Recorded In The History Of Illuminism Are The Illumines Of Picardy (France), The Illuminati Of Avignon (France), And The Illuminati Of Stockholm (Sweden). However, None Of These Proved To Be As Big A Threat As The Illuminati Of Bavaria (Germany) Another Sect Of Illuminati Was Los Alumbralos, A School For Higher Learning Of Witchcraft Founded In Spain In **1152 A.D. Ignatius De Loyola (1491-1565 A.D.)**, The Founder Of The Society Of Jesus (The Jesuits), Was A Member Of This Order (Los Alumbralos). Hence, It Is Not Suprising That The One Man Accredited With Having Defined The Illuminati As An Organization Was An Ex-Jesuit Himself. Many Believe That **Ignatius De Loyola** Originally Founded The Illuminati That Was Conceived In **1776 A.D.**

He Began The Most Successful Of All The Secret Orders, And Of All Of The Illuminatis - This Was The Bavarian, Germany Illuminati.

Ques: What Is The Bavarian Illuminati Based On?

Ans: The **Bavarian Illuminati** Is Based On The Columbian Faction. The Columbian Faction Came After The Government Was Formed. That's Why We Have Columbian Space Shuttle, Columbian Radio, Television, Records, University, Columbian

Broadcasting System, Which Is The All Seeing Eye ***(Refer To Scroll #147, Entitled: "People Of The Sun" By Neter: A'aferti Atum-re)***. That Is Also Why Our Government Is In The **District Of Columbia**. Now, Adam Weishaupt Took Another Approach, Which Was Through Intense Secrecy. He Managed To Quietly "Weasel" His Way Inside Other Secret Societies. In The Book **"The New World Order", Page 105-106, Authored By A. Ralph Epperson** It States:

> *"That Professor Adam Weishaupt Boastfully Stated That His Organization Would Remain Concealed From The Eyes Of The Public.* He Wrote: *"The Great Strength Of Our Order Lies In Its Concealment; Let It Never Appear In Any Place In Its Own Name, But Always Conveyed By Another Name, And Another Occupation."*

He Even Told The World, In His Writings, Where He Would Conceal The Order: *"None Is Fitter Than The Three Lower Degrees Of Freemasonry; The Public Is Accustomed To It, Expects Little From It, And Therefore Takes Little Notice Of It."* Which Is Exactly What Is Happening Today. If You Would Pay Close Attention To A Simple Thing Such As The Symbols All Around You, You Would Know That The Illuminati And The Freemasonic Rituals And Symbols Are Incorporated In Everything That You Do. They Are The Ones That Set The Codes, Rules, Laws And Regulations. Yet No One Cares To Notice It, So It Continues To Be Unnoticed. And The Moment Someone Like Myself Comes Along And Tells You About It, You Call Them Crazy Or Say They Are Against The Government. When In Actuality It Is Your Government That Is Against You. Just Pay A Little More Attention To Your Surroundings And It Will All Come Together

For You. *"Don't Believe Me, Check It Out".* With A Little Research You Will Find That What I Have Been Saying To You For More Than **30** Years, Is All Right And Exact, I Deal Strictly With The **Facts**.

Adam Weishaupt Decided That The Illuminati Needed A Cover, And He Successfully **Infiltrated The Freemasonic Order In 1777 A.D.** At The Freemasonic Congress At **Withelmsbad**, Weishaupt Joined The Freemasons In **1782 A.D.,** And Was Initiated Into Freemasonry In A Lodge At **Munich, Germany.** Posing At First As A Religious Reformer And A Liberal In Politics, He Attracted Many To His Political Movement, Which Was Also Known As **Republicanism**. He Adopted The Jesuit's System Of Espionage, Introduced Witchcraft To His Followers, And Developed A Fraternity Within His Political Movement That Was Similar To Freemasonry. He Didn't Make Much Progress Until He Met A High Ranking Freemason, Named **Baron Von Knigge.** Von Knigge Was Not Only A High Ranking Freemason, But He Was Also A Master Of Most Of The Secret Societies Of His Day, And An Expert In The Occult.

Baron Von Knigge Joined Weishaupt's Order In **1780 A.D.** And He Soon Became A Leader, Dividing The Control And Direction Between Him And Weishaupt. After Weishaupt Formed His Organization With Financial Backing From The House Of Rothschild, He Adopted The Name Illuminati (Enlightenment) And Now **Weishaupt** And **Von Knigge** Planned This Take Over By Using The Prestigious, Honorable And Virtuous Society, **The Fraternal Order Of Freemasonry.** Eventually, These Two Occult Masters Had A Rivalry For Who Would Be **"Rex"** - Ruler Of The Illuminati.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

So In **1785 A.D.**, Baron Von Knigge Left The Order And Weishaupt Began To Suffer Internal Turmoil. Adam Weishaupt Headed The **"Grand Lodge Of The Orient"** With The Pseudonym (Alias Or Fictitious Name) ***"The Light Bearers"***. This Lodge Had Great Influence Throughout The World. His Public Call Was For One World Government, Which Consisted Of Ingenious Thinkers, That Included Knowledge In Literature, Political Science, Economics And Art. His True Aim Was To Destroy All Existing Governments And Religions, By Any Means Necessary. One, Which Was The Use Of Men With Great Influence And Good Standing, So That They Would Become Tools Of Use In The "Light Order" ***(Refer To "Secret Societies Unmasked", Edition #64 By Neter: A'aferti Atum-re).***

The Professors Of Universities Who Were A Part Of The **"Light Order",** Associated With Intellectual Students From Respectable Families. Their Aim Was To Push These Students Towards Studies Of Internationalism. This Would Make Humanity Avoid The Disaster Of Wars Under Mankind's Leadership. Once Students Accepted These Principles, Their Education Began In Private Schools. When The Students Returned To Their Countries They Were Placed In Influential Positions.

Ques: What Was Adam Weishaupt's Plan?

Ans: Adam Weishaupt's Plan Was To Destroy Two Of The Greatest States That Existed In The 18th Century, **France** And **Britain**, Through The **"Light Order"**, Which Was To Create Imperialistic Wars, To Incite Revolution In France, And To Exhaust The **British Empire**. As A Result Of This Plan, The French Revolution Took Place In **1789 A.D.** Because Of The Knowledge That The **Bavarian Government** Had Concerning This Plan; Orders Were Issued To Occupy And Claim All That Was In The "**Grand East Lodge**". The Illuminati Survived As An

www.Nuwaupuinc.com

Order Through Such Sects Known As The **Gnostics** And The **Rosicrucians**.

Ques: Who Was The Gnostics?

Ans: The **Gnostics** Were A Sect Of Illuminati Of Which The **Nicolaitanes** Were A Part. The Nicolaitanes Are Mentioned In ***Revelation 2:15*** As A Group Founded By **Nicolas**, A Leader Of Paul's (The 13th Self-Appointed Apostle) Congregation. **Simon Magus** (Bar-Jesus) Took His Magic From The Gnostics And Mixed Them With Christianity. **Simon Magus** (Bar Jesus) Is The "Jesus" **Paul (10-67 A.D.)** Has Christians Worshipping. ***(Refer To Scroll #134, Entitled: "Jesus As Tammuz And Horus In History" By Noble: Rev. Dr. Malachi Z. York).***

Ques: So Where Did The Members Of The Evil Illuminati Come From? I Mean, How Are They Chosen To Be A Part Of The Illuminati?

Ans: A Great Number Of The Members Of The Order Of The Illuminati Come Through Euro-Freemasonry. When You Reach A **33rd Degree Mason,** Then You Are Introduced To The Illuminati And Find Out Their Purpose. Euro-Freemasons Have Been A Part In The Illuminati Circles Since **1775 A.D.** The Head Family Over The Illuminati At The Present Time Is The Rothschilds. Directly Under Them Is The Council Of 13, The **"Grand Druid Council".** The Grand Council Only Takes Their Orders From The Rothschilds. Directly Under The Grand Council Is The Council Of 33. These Are The Highest Euro-Freemasons In The World; And Under Them Is The Council Of 500. These Are The Richest People In The World.

Approximately 25 Years Ago Philip Rothschild Told One Of His Mistresses To Write A 1,100 Page Book To Witches Describing How They Were Going To Take Over The World Through The Illuminati. The Book Is Called *"Atlas Shrugged" By Ayn Ran*. It States That The Illuminati Will Bankrupt Their Own Businesses And Still Remain Financially Independent. They Will Raise Oil Prices And Destroy Oil Burn Wells Or Have Oil Spills. They Will Derail Trains And Blow Up Rain Forests. There Will Be Long Shoremen Strikes, Air Traffic Controllers, Strikes, And Motor-Men Strikes. Nothing Will Be Able To Be Imported Or Exported, Everything Will Be Paralyzed. Only Federal Planes Will Fly. They Will Pass An Anti-Holding Act. Which Will Forbid You To Store Over A Months Worth Of Food And Medicine In Your Houses. The Illuminati Are In The Process Now Of Destroying Stored Food And Farmlands. The Only Food That Will Be Available To You Will Be In Federal Houses. You Will Have To Depend On The Federal Government For Everything. Sounds

Familiar? All The Above Mentioned Ploys Are Happening Today Or Have Already Happened. You May Think Or Want To Believe That This Is Some Story Book That You Are Reading, And That It Is Just Made Up. But It's Not. The Knowledge That You Are Reading In This Scroll Is Facts. It's Happening Right Now.

The Order Of The Illuminati Has Succeeded In Gaining Followers Of Wealth And Power Throughout The World ***(Psalms 2)*** They Are Monopolizing And Controlling Every Aspect Of Your Life. They Are Controlling The Church And Mosque You Attend, The Banks Where You Get Your Money, The Stores Where You Spend It, The Clothes That You Wear, The Music That You Listen To, The Sports That You Partake In, Etc., And You're Not Even Aware Of It. They Are Doing All Of This In The Name Of The Luciferians. As You Can See, The *"One World Order"* Was Introduced Way Back Then. As I Stated Previously, This Is Not A New Thought That I, Or Anyone Else In This Century Just Decided To Make Up Out Of Nowhere. Now, If You're Going To Accept What I Am Saying, Then You're Starting To Have A Totally Different Outlook On The World You Live In. But It's Up To You To Decide Who's Side You Want To Be On.

Ques: Are All Freemasons A Part Of The Illuminati?

Ans: No. The **Afro-Freemason** Don't Know A Thing. The Illuminati Use Euro-Freemasonry As Another Ploy To Cover Up Their Devilishment. Most Freemasons Don't Even Know That Illuminists Exist In Their Midst. Only Selected Individuals Within The Lodge Are Initiated Into The Illuminati. The Illuminati Went Underground And Infiltrated The Freemasonic Orders. One Lodge That Was Infiltrated Was The Lodge Of Blue Freemasonry. The Plan To Infiltrate The Freemasonic Lodge Was Written In A Book Entitled ***"Protocols Of The Learnt Elders Of Zion"***. Albert Pike

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Some Freemasons Became Aware Of That Infiltration And Felt The Need To Comment About It.

One Such Freemason Was **President George Washington** Who Was Sent A Copy Of **Professor John Robinson's** Book Entitled, ***"Proofs Of A Conspiracy"*** By A Christian Minister Named **G.W. Snyder**. The President Responded To The Minister's Request That He Read The Book, And His Letter To The Minister Has Been Preserved For Posterity. Here Is An Excerpt From That Letter Taken From ***"The New World Order", Page 110-111 By A. Ralph Epperson,*** And It States:

> *"It Was Not My Intention To Doubt That The Doctrines Of The Illuminati, And Principles Of Jacobinism, Had Not Spread In The United States...On The Contrary, No One Is More Fully Satisfied Of Was That I Did Not Believe That The Lodges Of Freemasons In This Country Had, As Societies, Endeavored To Propagate The Diabolical Defined As Being Of The Devil Tenets Of The Illuminati.... That Individuals Of Them May Have Done It, Or That The Founder ... May Have Had These Objects -- And Actually, In My View, Had A Separation Of The People From Their Government, Is Too Evident To Be Questioned. I Believe ... That None Of The Lodges In This Country Are Contaminated With The Principles Ascribed To The Society Of The Illuminati."*

Ques: Were There Any Requirements To Join The Order Of The Iluminati?

Ans: Yes There Was, Each Man Initiated Into The Order Of The Illuminati Was Required To Take An Oath Of **"Unlimited Obedience To The Head Of The Council Of Thirty Three And**

www.Nuwaupuinc.com

www.Nuwaupuinc.com

To Recognize No Mortal As Above Him". The Heads Of The Council Numbered 13, They Supposedly Possessed All Knowledge In Everything Pertaining To Religious Doctrine, Rites And Ceremonies.

Eventually, The Secret Document On The Illuminati Would Fall In The Hands Of **Victor E. Marsden**, A Reporter For The London Morning Post. After Completing An Assignment In Russia, Marsden Returned To England With A Document Given To Him By A Professor **Sergius A. Nilus**, Which Had Been, Published In Russia In **1905 A.D.,** Under The Title ***"The Jewish Peril"***. **Nilus** Claimed He Obtained It From A Woman Who Had Stolen It From A Wealthy Jew. When He Returned To Her Apartment After A Meeting With Top Level Executives Of The Grand Orient Lodges In Paris In **1901 A.D.,** Marsden Had The Document Translated Into English, Even Though He Received Death Threats.

Figure 95

Sergius A. Nilus

www.Nuwaupuinc.com

His Translation Was Published Under The Title *"The Protocols Of The Learned Elders Of Zion"*. A Few Years Later, **Victor Marsden** Died Under Suspicious Circumstances. This Book Caused A Sensation When It Was Published, And To This Day It Causes A Stir. **William Guy Carr** Writes In His Book Entitled: *"Pawns In The Game":*

"My Own Research Work Has Caused Me To Believe That The Documents Published By Professor Nilus In Russia In 1905 As "The Jewish Peril", And By Mr. Marsden In England In 1921 As "The Protocols Of The Learned Elders Of Zion", Are The Long Range Plan Of The Illuminati Which Was Explained By Amschel Rothschild To His Associates In Frankfurt In 1773 As Recorded In Chapter 3 Of This Book. Rothschild Was Not Addressing Rabbis And Elders. He Was Addressing Bankers, Industrialists, Scientists, Economists, Etc. Mention Is Also Made Saying How It Was Intended To Use Political Zionism To Serve The Purpose Of Those Who Direct The W.R.M. In The Future ... The Illuminati. The Document Outlines How Zionism Shall Be Aided To Reach Its Objectives. Theodore Herzl Was The Founder Of The Official Zionist Movement." After Examining The Main Points Of The Meeting Brought Out By Weishaupt And Rothschild At Their First Meeting, I Have Noted The Similarity With The Protocols Of The Learned Elders Of Zion. For Instance, No. 10 Of The Outline Says: "10. Dealing With The Use Of Slogans He Said "In Ancient Times We Were The First To Put The Words 'Liberty', 'Equality' And 'Fraternity' Into The Mouths Of The Masses ... Words Repeated To This Day By Stupid Poll-Parrots: Words Which The Would-Be Wise Men Of The Goyim Could Make Nothing Of In Their Abstractness, And Did Not Note The Contradiction Of Their Meeting And Inter-Relation".

www.Nuwaupuinc.com

www.Nuwaupuinc.com

In The Introduction To The ***"Protocols Of The Learned Elders Of Zion"***, An Explanation Of The Word Protocol Is Given. It Says:

> *"The Word "Protocol" Signifies A Precise Gummed On To The Front Of A Document, A Draft Of A Document, Minutes Of Proceedings. In This Instance, "Protocol" Means Minutes Of The Proceedings" Of The Meetings Of The Learned Elders Of Zion. These Protocols Give The Substance Of Addresses Delivered To The Innermost Circle Of The Rulers Of Zion. They Reveal The Concerted Plan Of Action Of The Jewish Nation Developed Through The Ages And Edited By The Elders Themselves Up To Date. Parts And Summaries Of The Plan Have Been Published From Time To Time During The Centuries As The Secrets Of The Elders Have Leaked Out. The Claim Of The Jews That The Protocols Are Forgeries Is In Itself An Admission Of Which The Protocols Contain, And, Indeed, The Correspondence Between Prophecy And Fulfillment Is To Glaring To Be Set Aside Or Obscured. Thus The Jews Well Know And Therefore Evade. The Presumption Is Strong That The Protocols Were Issued, Or Reissued, At The First Zionist Congress Held At Basle In 1879 Under The Presidency Of The Father Of Modern Zionism, The Late Theodore Herzl."*

In Essence, The **Illuminati** Are Merely The Spearhead Of The So-Called Group Of Europeans Who Use The Torah Claiming To Be Jews' And Have A Plot To Rule The World. If People Think They Are Gods Chosen People, Then They Will Help Them. So They Hide Behind **God**, **Hashem**, **Allah**, **Yahweh**, Etc. From The Kabala They Received The Guidance Of Their Father, The Devil. By Way Of The Protocols They Have Devised A Plan And Through The Organization Itself, They Have Managed To Work

Into The Very Fibers Of All Societies, All Religions, Secret Society And Governments Of The World. If You Examine The American System, You Will See For Yourself That The So-Called Jews (Jebusites) And Arabs (Muslims) Have Dominated This Society Ever Since They Migrated Here From Europe, And Most Of Your Big Chruches Are Owned By Them. Can't You See That This Very Society Is Controlled By Them? They Control The Media, The Monetary System, And The Government. The Three Major Television Networks Were Founded By Pale Jews (Jebusites From The 12 Tribes Of **Libana**, Canaan); **David Sarnoff** - President Of **NBC (National Broadcasting Corporation)**; **William S. Paley** - President Of **CBS (Community Broadcasting System)**; **Goldenson** - President Of **ABC (American Broadcasting Corporation)**. The Jebusites Occupy The Front Desk Positions While They Control The Television Industry. Now The Arab World Works With Them.

Jews Made Up **59%** Of The Executive Positions And Only Three Percent Of The Working Force. In The Motion Picture Industry, All Picture Companies Were Founded And Controlled By The Jews With The Exception Of United Artist Industries.

The Number Of Jewish Senators And Congressmen, As Well As Lobby Groups, Have Grown Over The Years. For Years, The Jew Had A Monopoly Over The World's Banking And Lending Institutions.

Ques: What Organization Is Used By The Illuminati?

Ans: They Use Organizations Such As **Special Interest And Christian Ministry Groups, The K.K.K., American Nazi Party, Civil Rights Groups, Congressmen, Senators, Presidents,** And **Popes**; They All Work For The Illuminati. The Illuminati Are So Determined To Have People In Key Positions That Can Be Controlled Like Puppets, That They Organized Corporations To Seek And Find Ways Of Implementing Their Plans.

Ques: What Are Some Of The Influential Organizations Of The Illuminati?

Ans: Some Of The Influential Organizations Of The Illuminati Are **The Council On Foreign Relations (C.F.R.)** Which Is The Political Body Of The **Illuminati**. Its Purpose Is To Make And Produce Enough Presidents, Senators, Congressmen, Etc., So That They Would Have Enough Power In The Legislation To Pass Laws That Would Be To Their Advantage. **The Institute Of International Affairs**, The Brother Group To The **C.F.R. Inc.**, Its Aims Are Similar To The Council On Foreign Relations Inc., Except They Are Located In England. **The Trilateral Commission** Is An Offshoot Of The **C.F.R. Inc.** The Trilateral Commission Was Organized By **David Rockefeller**. Its Purpose

www.Nuwaupuinc.com

Is To Find A Way To Unite Countries Of **Europe, Canada, Japan** And **The United States** Together In An Organization Similar To The **E.E.C., (Or Common Market)**. Their Goal Is More Economically Geared, While **The Council On Foreign Relations** Is More Politically Inclined. They First Had To Take Control Of The World By Taking Control Of The World's Monetary System, Which They Have Already Done. Then They Must Convince The World's Governments To Agree On A Nuclear Disarmament.

This Is Starting To Happen As We See The United States And Russia Put A Freeze On Nuclear Weapons. The Main Catalyst For All This Will Be The United Nations. Under The Demise Of The United Nations, The **Illuminati** Will See Their Dream Of A **"One World Order"** Come True. That's Why The **United Nations** Never Takes Action Against Israel Or Opec. Instead, It Is Israel's Protector. Their Basic Plan Was To Create Three Big World Wars And Three Important Revolutions To Further Their Secret Ambitions. We Have Seen **World War I, World War II, The Russian Revolution, The French Revolution,** And **The American Revolution,** All Sorted By The Machinations Of The Illuminati. The **Illuminati** Created **Communism, Fascism (Nazism)**, And **Zionism** As The Tools Of Their Diabolical Plan. And Now **World War III** Has Been Put Into Motion. They Have Purposely Stirred Up The Differences Between Zionists (The So-Called Jews) And The Arabs; It Is All A Part Of Their Game Plan. According To The Book Entitled ***"Pawns In The Game"*** Authored By **William Guy Carr** It States:

> *"The War Is To Be Directed In Such A Manner That Islam (The Arab World Including Mohammedanism) And Political Zionism - (Including The State Of Israel Will Destroy Themselves While At The Same Time The Remaining Nations, Once More Divided Against Each Other On This Issue, Will Be Forced To Fight*

Themselves Into A State Of Complete Exhaustion Physically, Mentally, Spiritually And Economically. Can Any Unbiased And Reasoning Person Deny That The Intrigue Now Going On In The Near, Middle, And Far East Is Designed To Accomplish This Devilish Purpose?"

Eventually, The World Will See The Last Empire, America, Become Powerless And Crumble To The Ground As All The Previous Empires Met Their Demise If They Don't Change. It Will Be Humbled And Broken Into Pieces By The Greatest Kingdom, The Kingdom Of The Most High And The Coming Of The **Messiah**. His Kingdom, The New Jerusalem, Will Be That Little Stone Spoken Of In The ***"Book Of Daniel"***, That Will Strike The Beast In Its Weakest Part, The Feet, And Cause Its Death. As **David** Son Of **Jesse** And **Hilmah** Cast A Stone At The Giant **Goliath** And Humbled Him With Death, So Will The Kingdom Of The Most High Cause The Fall And Death Of America. There Will Be No More Empires, The Like Of Those That Will Be Destroyed, Forever ***(Revelation 18)***.

Ques: Who Are The Leviathans?

Ans: The **Leviathans**, The Serpent People, One Of The Reptilian Seeds, Or The Luciferians, Again They Have Been Trying To Gain Control Over This Planet For Many Thousands Of Earth Years. They Are Called The Sex Spirit Force. Also Called **Pornay**. They Are Able To Seduce And Deceive All Those With Desires On Earth, Turning Lust To Luster. Thereby Attracting And Controlling All With It, As **Nekaybaw** Or Eve Was Seduced By The Leviathan Powers Of Lust. It Is Death Of Divinity And The Birth Of Mortality.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Are The Satanists The Same Group As The Luciferians?

Ans: No. There Are A Group Of Satanists Who Are Not The Same As The Luciferians. Their Other Names Are Divines, Or **Nakhashites**, Or **Khanaas**. These Satanists Are More **Sadistic** Than The **Luciferians**, Whose Leader Was **Lucifer** Also Called **Naatas**, Which Is Simply **Sataan** Spelled Backwards. They Are Also Called **Shayaaatiynihim** (لشيطين ا) In **Qur'aan 37:65.** The **Satanists** Seek Mind Control And Dominance, While The Luciferians Seek To Control The Energies Of Others. They Are Best Described As Vampires Who Draw Energy From Others, Also Called **Dracula, Dracos, Dragos** Or Serpent Dragons Called **Leviathan** *(Revelation 12)*.

Ques: Who Are The Yahwehans?

Ans: The Yahwehans Were The Original 24 Elders. There Were 12 Ex-Luciferians, The Dissatisfied. The Other Twelve Were Agreeable **Dineers**. That's Why You Have 12 Satisfied And 12 Dissatisfied. These Beings Have Supplanted Themselves In Every Facet Of Life That You Can Think Of And Now They Have You Naming Yourselves After Them.

Ques: So Are You Saying That Reptilians Are Extraterrestrials That Are Living On The Planet Earth Now?

Ans: Yes, There Are Many Strands And Different Breeds Of Reptilians Or **Draconians**, One Commonly Known As **Valkuns**, That Were Living In The Seas, Also Known As The **Maldekians**, Living In The Bermuda Triangle, In **Mu** And Atlantis, Not To Be Mistaken With Another Type Of **Maldekians**, Called The Primitives.

The **Valkuns** That Lived In The Sea, Were From The **Mizar** Constellation, Which Is Also Referred To As **Zeta Reticulli**. They Originated From The Planet **Maldek**, However When Their Planet Was Destroyed Some Took Residence On The Planet Earth, While Others Took Residence In The Constellation **Draco**, And **Zeta Reticulli**. The Reptilians Have Been Breeding And Living With Humans For Centuries. They Are **Humanoid** In shape And **Reptilian** In Heritage. Their Leaders Are **Draconians**. These Reptilians Stand From Eight Feet Down To 6 Feet In Height, With Dark Green Scaly Skin. Their Leader Is **Haaton**. But Over The Years They Have Bread With Human Being And Now They Walk Among Us Like Humans, They Look Like Humans But Are The Demon Seed *(Genesis 3:14)*.

There Are 16 Different Kinds Of Reptilians Seen These Days By Abductees. There Is A Type Of Species Of Reptilians Called Gargoyles That Have Special "Wings", Which Are Flaps Of Skin Supported By Long Ribs Of **Dracona**. The **Nummos**/Reptilians Were Called **Dogri**, Or **Dogir** By The Nubians. They Were Also Referred To As The "Ugly Water Beings".

Ques: Can The Reptilians Be Seen?

Ans: The Reptilians Can Be Seen In Daylight; However, They Would Roam Mostly In The Deep Dark Swamps And The Marshlands. They Took On Different Forms To Appeal To The Humans. They Had A Very Violent Nature, Which Horrified Most People. They Always Came Out At Shadow Hour, And Hang Around Date Trees. They Would Kidnap The Virgins And Rape Them To Implant Their Seed. So It Became A Ritual To Offer Virgins In Order To Prevent The Bloodshed. This In Turn Led To Female Child Sacrificial Rituals To These Serpent People.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Becoming Willing Blood Sacrifices To What Became Known As Ha-Satan, The Head Of The Reptilian Tribes, Also Called **Shaytaan**, Became A Common Practice And Like A Honor And A Way To Appease These Malevolent Beings. Which Would Explain Why The Israelites Or The Levites/ Leviathans Performed Child Sacrifices To Their Gods **Molech** *(Leviticus 20:2)*, **Remphan** *(Acts 7:41-43)*, And **Chiun** *(Amos 5:29)*.

Ques: What Happened When These Reptilians Mixed Their Seed With Humans?

Ans: Due To Mixing With Reptilians, Humans Inherited Their Genes. A Very Common Physical Feature Of Reptilians, That Is Showing Up More And More In Nubians, Is The Back Of Their Head Being Flat Or What Is Termed "Slope Head". Other Defects From Mixing With Reptilians Are Puffy Fingertips, Longnails And Webbed Hands. There Are Many Skin Diseases That Come From Mixing With Extraterrestrials.

The Skin Disorder Eczema Is From Mixing The Genes With Reptilians, Which Is Extreme Cases Of Very Dry, Scaly, Leather-Like Looking Skin. Everybody Has Scales. When You Don't Put On Oil Or Lotion, Or Some Sort Of Moisturizer, You Easily See The Flakes On Your Skin. It Is What You Call "Ash". These Disorders Are On A Small Level. Some Are Extreme, As In The Case Of 2 Children Born In India, Where The Skin On Their Entire Body Is Extremely Rough, Dry, Scaly And Discolored. This Disorder Is Called "**Ichthyosaurus**", Pronounced (Ik-Thee-Uh-Sohr'uhs) Meaning *"Fish Lizard"*, A Type Of Reptile That Existed During The **Mesozoic** Time Until The **Cretaceous** Period. This Is Just Further Proof That Humans Evolved From Different Life Forms And The Fact That There Is **Extraterrestrial** Involvement With The Genes Of Humans.

Ques: So Does This Mean That The Reptilians Are Responsible For Fabricating Today's World Religions?

Ans: Yes, I Know This May Sound Strange But It's The Truth. All Religions And Religious Doctrines Younger Than **6,000** Years, Have Been Fabricated By Reptilians, Who Use A Species Of Greys, They Breed, To Indoctrinate People. I'm Sure That You Have Heard The Saying That Religion Was A Ploy By Extraterrestrials To Get Humans In One Place, So That They Could Eat Them. After Being Given These Facts, I'm Sure You Are Reflecting Back On This Statement In A Different Light. It's Not Too Funny—Is It? These Malevolent Beings Created "Organized" Religions, And Controlled The Masses For Thousands Of Years, Merely As A Means For Subjugating, Controlling, Manipulating, And Directing Earth's Civilizations Perceptions, Concepts And Behaviors. All Religions And Religious Doctrines Younger Than 6,000 Years, Have Been Fabricated By A Species Of Malevolent Beings. Various Books Are Used By Different Denominations, Like The Talmud, Which Is The Jewish Hadith Book That Was Fabricated. The Old Testament, New Testament And The Koran All Are Fabricated.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

The Malevolent Beings Founded Institutionalized Religions, That Were Simple Community Disciplines. Then They Telepathically Inspired Certain Individuals, To Launch, From The Torah, A Code Of Laws. They Tell You Who They Are In Your Holy Books. Walking, Talking, Serpent People That Breed, Human Jinn, Devils As People.

Ques: Is The Bible The Manuscript Of The Devil?

Ans: Yes, Churches, Ministries, Preachers, Imaams, And Rabbis Don't Even Have That Much Information Into What That Bible Is Saying And How It's Been Coded And Put Together, And What Each Thing Means. If You Go All The Way Back To The First Word In The Bible *(Genesis 1:1)*, You Will Find The Word (בראשית) **Barasheeth**. They Say In The "**Beginning**". However The Hebrew Word Says "**Barasheeth**" (בראשית). The Word "**Beth**" (ב) Is The Second Letter In The Hebrew Alphabet.

You Go To The Koran, It Says **Bismi Allah** (بسم الله) Or **Bismi** (بسم). The First Letter Of The Sentence That Opens **El Koran** is "**Bah**" (ب) Which In Ashuric/Syriac (Arabic) For The **Tasmiyah**, **Bismi** (بسم).

And If You Go To The Christian Bible, The First Letter Is **Beta**. 3 *B's (Beh, Bah, Beta).* 3 Second Letters (*Ah-Beh, Alif-Bah, Alpha—Beta.* 3 Seconds. 3 Second Letters. 2,4,6, In A Book That Consists Of **66 Books**.

You That The Creatures That Created You By Nature Were Evil People. These Malevolent Beings Are Responsible For Commentaries And Interpretations, Which Led To The **Talmud** And The **Mishnah,** The Hadith **Sunna.** This Code Of Laws Led To **Racism**, **Zionism**, Arabs And Muslims **War** And **Death**. They Telepathically Communicated The Scriptures, Generally Referred To As *"Divine Inspirations"*, Which Are Responsible For The 13th Self-Appointed Disciple Paul's Additions, And Fabrications. Which Again Led To A Series Of Books, That Are Responsible For The Many Denominations Of Christianity, War, Bloodshed, Racism And Sects. And Last But Not Least, **Islam** Is Also One Of The Reptilian Tools, Who Is Called **Shaytan** (شيطان) By The **Muslims**.

So, It Is Plain To See How These Malevolent Beings Step Into Organized Religions, From Their Own Base Of **Hinduism**, To Poison The Masses, Controlled And Steered Them In The Direction Of Which They Chose, Leaving All Of You Open. Hoping By Prediction That Some Type Of Savior Would Come For Them At The End. In The Case Of **Judaism** He's Called **Ha Mashiakh** (חמשיח), Or The **Messiah**. In The Case Of **Christianity**, He's Called The **Christ** (karəşt), And In **Islam**, He's Called **Al Masih** (المسح), But Not The Real One The Anti-One, The False One. They Are The Ones That Gave You This "Jesus" Interpretation, That Would Manifest Periodically To The Christians With Long Blond Hair And A Beard, Or Even Allow Many To Heal One Or Two, To Fool Millions, Which Leaves A Doorway For These Malevolent Beings. Down Books That Have Bred Religions For Dropouts And People Who Are Failures.

Ques: Why Do People Hold On To Religion?

Ans: People Hold On To Religion Because They Can't Make It Any Other Way In Life. Religion Is Basically A Crutch. The Only People That Cling To Religion Are Those Who Can't Face The Real World. People Use Religion As An Escape. People Make Religion Look Important Because They Have Failed, And Are Sitting Around Waiting And Praying That One Day **God, Allah** Or **Yahweh** Is Going To Come Save Them And Take All Their Worries Away. And That's What Religion Teaches You, It Teaches You, Faith, Belief, And Symbolism.

Ques: What Is Symbolism In Religions?

Ans: To Overstand The Ancient Sun Symbolism Is To Overstand The Major Religions. In The Ancient World They Used One Particular Symbol For The Sun's Journey Through The Year. The Figure On Page 163, Is Still A Fundamental Symbol Used By The Babylonian Brotherhood. It Symbolized Both The Phoenician Depictions Of Barati And Was On The Shield Of Her British Expression, Britannia.

The Ancients Took The Circle Of The **Zodiac** Which Is A Greek Word Meaning ***"Animal Circle"***, And Inserted A Cross To Mark The Four Seasons. At The Center Of The Cross, They Placed The **Sun.** So Many Of The Pre-Christian Deities Were Said To Have Been Born On **December 25th** Because Of This Symbolism. On December 21st You Have The Winter Solstice When, In The Northern Hemisphere, The Sun Is At The Lowest Point Of Its Power In The Annual Cycle. The Sun, The Ancients Said, Had Symbolically 'Died'. By December 25th The Sun Had Demonstrably Begun Its Symbolic Journey Back To The Summer And The Peak Of Its Power. The Ancients, Therefore, Said That

The Sun Was 'Born' On **December 25th**. The Christian Christmas Is Merely A Renamed Pagan Festival.

The Sun Enters The Astrological Sign Of **Aries** The Ram, Symbolic Of The Ancient Egiptian Supreme Being **Re "Ra"** Or The Lamb, Which The Ancients Used To Sacrifice. Because They Believed The Lamb Would Appease The Gods, Most Notably The Sun God, And Ensure Abundant Harvests. In Other Words They Believed That The Blood Of The Lamb Would Mean That Their Sins Would Be Forgiven. As Stated In The Book Of **Leviticus 5:6** And I Quote:

Bible – Old Testament, Leviticus 5:6

"And he shall bring בוא *<bow'> his trespass offering* אשם *<'asham> unto the LORD* יהוה *<Yehovah> for his sin* חטאה *<chatta'ah> which he hath sinned* חטא *<chata'>, a female* נקבה *<neqebah> from the flock* צאן *<tso'n>, a lamb* כשבה *<kisbah> or a kid* שעירה *<se`iyrah> of the goats* עז *<`ez>, for a sin offering* חטאה *<chatta'ah>; and the priest* כהן *<kohen> shall make an atonement* כפר *<kaphar> for him concerning his sin* חטאה *<chatta'ah>."*

"And he shall bring his trespass offering unto the LORD for his sin which he hath sinned, a female from the flock, a lamb or a kid of the goats, for a sin offering; and the priest shall make an atonement for him concerning his sin."

King James Version

Jesus Was Also Called The Lamb Of God According To **John 1:29** It States:

Bible – New Testament, John 1:29

"The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world."

King James Version

In Ancient Babylon, **Tammuz**, The Son Of Queen **Semiramis**, Was Said To Have Been Crucified With A Lamb At His Feet And Placed In A Cave. When A Rock Was Rolled Away From The Cave's Entrance Three Days Later, His Body Had Disappeared. ***(Read "The Book Of Lilith" By Barbara Black Koltuu, P.H.D.)*** "I Have Definitely Heard That Somewhere Before". The Ancients Also Symbolized The Sun As A **Baby** In December, A **Youth** At Easter, A Strapping, Immensely **Strong, Man** In The Summer, An **Ageing Man** Losing His Power In The Autumn, And An **Old Man** By The Winter Solstice. The Modern Depiction Of Old Father Time Is A Version Of This. This Also Symbolized The Sun As Having Long Golden Hair (Sun Rays) Which Got Shorter As He Lost His Power In The Months Of Autumn. Now Look Again At The Old Testament Story Of **Samson** – Sam-Sun. He Was Incredibly Strong And Had Long Hair, But He Lost His Power When His Hair Was Cut.

The Problems Started When He Entered The House Of **Delilah, De – Lilah** Whose Name Comes From The Word **Lilat** Meaning **Night,** The Astrological House Of **Virgo**, The **Virgin**, And Has Been Identified With The Babylonian Fertility Goddess **Ishtar**; **Astraea**, The Roman Goddess Of Justice; **Demeter**, The Greek Goddess Of Harvest (Roman, Ceres) But They All Got It From The Egiptian Supreme Being **Aset "Isis"** The Blessed Mother Of **Haru "Horus,** Through Which The Sun Passes As Autumn Approaches. Summoning His Last Burst Of Power, **Sam-The-Sun**, Pushes Down The Two Pillars. Which Is Classic Brotherhood Symbolism Going Back At Least To Ancient **Egipt** And Is Still Used By The Freemasons Today. This Is A Symbolic Story Of The Sun's Annual Cycle. Ques: What Is The Origin Of The Name Samson?

Ans: The Name **Samson** Is A Combination Of Two Words **"Sam",** Which Is Short For Samuel And **"Sun". Samson** Is Derived From The Hebrew Name **Shimshown** (שמשון) Meaning ***"Like The Sun."*** According To A Book Entitled ***"A Comprehensive Etymological Dictionary Of The English Language" By Dr. Ernest Klein On Page 654,* Samson** Is Defined As Such:

> "Samson, Sampson, 1) Masc. PN.; 2) in the bible a judge distinguished for his enormous strength. -Late L., Fr. Gk. (Σαμψων) fr. Heb *Shimshon*, A Name Derived fr. *shemesh*, 'Sun' Cp. Aram. *shimsha*, Syr. *shemsha*, Arab. *shams* (Dissimilated fr. **shamash*), Akkad. *shamshu*, Ugar. *sh-p-sh*, 'sun'"

However, To The Orthodox Christian, Jesus Is The Only Begotten Son Of God Who Died So Our Sins Could Be Forgiven.

Bible – New Testament, John 3:16

"...For γαρ <gar> God ψεό <theos> so ουτω <houto> loved αγαπαω <agapao> the world κοσμό <kosmos>, that ωστε <hoste> he gave διδωμι <didomi> his αυτό <autos> only begotten μονογενή <monogenes> Son υιό <huios>, that iva <hina> whosoever πά <pas> believeth πιστευω <pisteuo> in εί <eis> him αυτό <autos> should αποολλυμι <apollumi> not μη <me> perish αποολλυμι <apollumi>, but αλλα <alla> have εχω <echo> everlasting αιωνιό <aionios> life ζωη <zoe>".

But You Will Find Exactly The Same Claims For A Stream Of 'Gods' In The Ancient World Long Before The Name Of **Jesus** Was Even Heard Of. Indeed, We Know His Name Wasn't **Jesus** (Ιησους) Because That's A Greek Translation Of A Hebrew Name "**Yashua" (ישוע)**. The Term *"Son Of God"* Would Seem To Have Been Adopted At Least As Far Back As The Aryan Gothic King Of Cilicia Who Took The Title Son Of The Sun God. This Was A Tradition Originated By The Pharaohs Of Egipt. And According To **Genesis 6:2** God Had Other Sons.

Bible – Old Testament Genesis 6:2

"That the sons בנ <ben> of God Myhla <'elohiym> saw האר <ra'ah> the daughters בת <bath> of men מדא <'adam> that they הנה <hennah> were fair בוט <towb>; and they took חקל <laqach> them wives השא <'ishshah> of all which they chose רחב <bachar>."

"That the sons of God saw the daughters of men that they *were* fair; and they took them wives of all which they chose."

King James Version

Also In **Genesis 6:4** It States:

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Bible – Old Testament, Genesis 6:4

"There were giants נפיל <nephiyl> in the earth ארץ <'erets> in those days יום <yowm>: and also after אצר <'achar> that כן <ken>, when אשר <'aher> the sons בן <ben> of God אלהים <'elohiym> came in בוא <bow'> unto the daughters בת <bath> of men אדם <'adam>, and they bare ילד <yalad> children to them, the same הם <hem> became mighty men גבור <gibbowr> which were of old עולם <`owlam>, men אנוש<'enowsh> of renown שם <shem"

"There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown."

King James Version

Yes God's Sons Had Sexual Intercourse With Female Human Beings And Gave Birth To Children, Half God And Half Mortal.

To Many In The New Age, **Jesus** Is **"Sananda"**, A High Initiate Of Some Spiritual Hierarchy Who Incarnated To Infuse The Earth With The Christ Energy, Or Depending On Who You Talk To; He Was An Extraterrestrial On A Similar Mission. The Soldiers According To **Matthew 27:27** Claimed He Was **The KING OF THE JEWS.** It States:

Bible - New Testament, Matthew 27:27

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"Then τοτε <tote> the soldiers στρατιωτή <stratiotes> of the governor ηγεμων <hegemon> took παραλαμβνω <paralambano> Jesus Ιησού <Iesous> into εί <eis> the common hall πραιτωριον <praitorion>, and gathered συναγω <sunago> unto επι <epi> him αυτό <autos> the whole ολό <holos> band σπειρα <speira> of soldiers."

"Then the soldiers of the governor took Jesus into the common hall, and gathered unto him the whole band *of soldiers*."

King James Version

They Even Say This Was Written Above His Head On The Cross And Drew Literally Thousand Of Pictures And Sculptures Depicting A Sign Above His Head Reading In **Matthew 27:37** And I Quote:

Bible – New Testament, Matthew 27:37

"...And και <kai> set up επιτιψημι <epitithemi> over επανω <epano> his αυτό <autos> head κεφαλη <kephale> his αυτό <autos> accusation αιτια <aitia> written γραφω <grapho>, THIS ουτό <houtos> IS εστι <esti> JESUS Ιησού <Iesous> THE KING βασιλεύ <basileus> OF THE JEWS ιουδαιό <Ioudaios>."

Mark 15:26 Said Something Different As Well,

"And και <kai> the superscription επιγραφη <epigraphe> of his αυτό <autos> accusation αιτια <aitia> was ην <en> written over επιγραφω <epigrapho>, THE KING βασιλεύ <basileus> OF THE JEWS ιουδαιό <Ioudaios>"

"And the superscription of his accusation was written over, THE KING OF THE JEWS."

King James Version

Mark 15:18 States:

Bible – New Testament, Mark 15:18

"...And και <kai> began αρχομαι <archomai> to salute ασπαζομαι <aspazomai> him αυτό <autos>, Hail χαιρω <chairo>, King βασιλεύ <basileus> of the Jews ιουδαιό <Ioudaios>!"

"And began to salute him, Hail, King of the Jews!"

King James Version

All Of This Confirms That They Saluted Him By Saying ***"Hail King Of The Jews".*** These Same Soldiers Of **Pontius Pilate** Meaning ***"Armed With A Spear"***, (The Sixth Roman Procurator Of **Judah** And **Samaria** Who Ordered Christ To Be Crucified.) Labeled Him *"KING OF THE JEWS"*. Now Bare In Mind That The Word "**JEWS**" Did Not Exist At That Time. They Would Have To Declare Him "King Of The **Hebrews**", "King Of The **Israelites**", "King Of The **Nazarite**", Or "King Of The Tribe Of **Judah**".

Bible – New Testament, 1Timothy 6:15

"Which in his times he shall shew, *who is* the blessed and only Potentate, the King of kings, and Lord of lords;"

King James Version

It Is Clear That This Jesus Never Claimed To Be The King Of Israel And Could Have Not Claimed To Be Of The **Jews**, Because The Word **Jews** First Came In To Use In The Yiddish Language.

Ques: Who Did Jesus Come For?

Ans: Throughout The Bible **Jesus** As You Call Him, Makes It So Very Clear That He Didn't Come For Anybody Else And No Other Race And No Other Tribe, But Those Whom He Call "The Lost Sheep Of The House Of **Israel"** As Stated In The Bible According To *Matthew 15:24.*

"And he came and dwelt in a city called Nazareth: that it might be fulfilled which was spoken by the prophets, He shall be called a Nazarene."

King James Version

So Again You Have A Luciferian's Deception Where They Claimed He Is The King Of The Jews In Their Translation On Every Cross That Every Christian Looks Up To. So The **Levitical** Priest Or The **Leviathanites** Re-Instill The Word **Jews** As A Reality. When No Such Word Even Existed **2000 Years** Ago. And By Declaring Him The "**King Of The Jews**" It Belittles The Statement ***"King Of Kings Lord Of Lords" (1 Timothy 6:15, Revelation 17:14, Revelation 19:16).***

Ques: Why Would That Bother The Luciferians So Much?

Ans: Because It Establishes In The Bible That There Is More Than One Lord. For Jesus To Be **"Lord Of Lords"**, There Must Be Other Lords That He Must Be A Part Of. And This Brings Attention To Multiple God Worship As Opposed To The One God Worship That **Monotheism** Is Supposed To Be Founded On. It's A Biblical Confession That They Acknowledge The **Egiptian** Way Of Multiple Deities Or Supreme Beings. Lord Not The Lords. And

www.Nuwaupuinc.com

Being Every Pharaoh After **Horus** Was Referred To As A **Horus**, You Would Have The "**Horus Of Horuses**" Simply The "*Lord Of Lords*" As Stated In **Revelation 17:14.**

"These ουτό *<houtos> shall make war* πολεμεω *<polemeo> with* μετα *<meta> the Lamb* αρνιον *<arnion>, and* και *<kai> the Lamb* αρνιον *<arnion> shall overcome* νικαω *<nikao> them* αυτό *<autos>: for* οτι *<hoti> he is* εστι *<esti> Lord* κυριό *<kurios> of lords* κυριό *<kurios>, and* και *<kai> King* βασιλεύ *<basileus> of kings* baσileuv *<basileus>: and* και *<kai> they that are with* μετα *<meta> him* αυτό *<autos> are called* κλητό *<kletos>, and* και *<kai> chosen* εκλεκτό *<eklektos>, and* και *<kai> faithful* πιστό *<pistos>".*

"These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him *are* called, and chosen, and faithful."

"Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him."

King James Version

King David

Note That This Statement Is Declaring Him The King Of The Jews Made By **The 3 Wise Men**. So They Didn't See Him As A God, They Saw Him As Merely A King. It States: *"Where Is He That Is Born King Of The Jews, We Have Seen His Star In The* ***East*** *And Have Come To Worship"* The Greek Word Being Used For **Worship** Is "**Pros-Koo-Neh-O**" (προσκυνεω) And It Means ***"To Kiss His Hands"*** According To The ***"Online Greek Lexicon (English).*** According To ***"The American Heritage Dictionary"*** **Worship** Means ***"To Honor"***. However, It Comes From The Root

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Word **"Pros"** (προς) Meaning *"To Stand Near Up Against"* As To Press Ones Lips Against Someone Or Something. Here Again He Is Being Declared As King. Nowhere In The Bible Will You Find **Jesus** Refer To Himself As The *King Of Israel*. They Don't Even Have A Bloodline For **Jesus** Except Through **Mary**. And They Don't Give You Mary's Bloodline Or The Name Of Her Relatives. And Even Though In The Koran Of The Muhammad Faith, In Al Islam, They Attempt To Answer This Question. They Make Major Mistakes In The Koran By Confusing **Mary** With **Miriam** "Moses Sister" And Moses' Father **Imraan** As Mary's Father. A Mistake That An All-Knowing God **Alahula'limu** (العليم الله) ***"Allah The Knowing"*** Could Not Have Made.

Ques: Where Did The Koran Make The Mistake Of Identifying Mary Mother Of Jesus?

Ans: The Proof Is In The Holy Qur'an **Chapter 3:34,** Where It Makes A Mistake When It Said Behold A Woman Of **Imran** Said:

"When said (Hanna) the wife of Imran "My Lord! I have vowed unto thee what is in my womb to be (dedicated) for Thee (exclusively for thy service) freed (from all worldy responsibilities) therefore accept (it) from me; Verily Thou are the All-Hearing, the All-Knowing."

S.V. Mir Ahmed Ali Version

Verse 36 Confirms This As Being The Birth Of **Jesus**. So The **Qur'aan** Is Claiming That **Mary,** The Mother Of **Jesus** Was From The Seed Of **Imran**. And **Imran** Is The Father Of **Moses** According To **Numbers 26:59.**

Bible Old Testament, Numbers 26:59

"...And the name שם <shem> of Amram's עמרם <`Amram> wife אשה <'ishshah> was Jochebed יוכבד <Yowkebed>, the daughter בת <bath> of Levi לוי <Leviy>, whom her mother bare ילד <yalad> to Levi לוי <Leviy> in Egypt מצרים <Mitsrayim>: and she bare ילד <yalad> unto Amram עמרם <`Amram> Aaron אהרון <'Aharown> and Moses משה <Mosheh>, and Miriam מרים <Miryam> their sister אחות <'achowth>."

"And the name of Amram's wife *was* Jochebed, the daughter of Levi, whom *her mother* bare to Levi in Egypt: and she bare unto Amram Aaron and Moses, and Miriam their sister."

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Moses Just Happens To Have A Sister With The Same Name **Mary** Or **Miriam,** An Out Right Mistake On A Part Of An Infallible Religion. Or Was It Placed There As A **LUCIFERIAN'S CONSPIRACY** To Be Uncovered In Time And Leave Many People Bewildered And Confused?

Verses 42-48 Confirms That This Is Mary, The Mother Of Jesus Spoken About In The **Qur'aan**. The **Qur'aan** Of The Muslim Dedicated The Whole **19th Chapter** To **Mary,** The Mother Of Jesus. But Makes Countless Mistakes About The Birth Of **Jesus,** How And Where It Took Place In **Verse 16-17** Where It States: *"Relate In The Book The Story Of Mary When She Withdrew From Her Family To A Place In The East, She Placed A Screen To Screen Her Self From Them, Then We Sent To Her Our Angel, And He Appeared Before As A Man In All Respect"* Which You Read In **Verse 22** Of The **Qur'aan** *"So She Conceived Him And Retired With Him To A Remote Place"*.

Verse 23 *"And The Pain Of Child Birth Drove Her To The Trunk Of A Palm Tree: She Cried (In Her Anguish): "Ah! Would That I Had Died Before This!" Would That I Had Been A Thing Forgotten And Out Of Sight!"*. So The Qur'aan Is Declaring That **Mary (6 B.C. – 90 A.D.)** Had Her Baby Under A **Palm Tree** In A Remote Place Away From Her Family. This Has Nothing To Do With The Bible Story, Which Doesn't Identify Her Family. And The Only Person That She Was Supposed To Have Known That Was There In This Manger, Not Outside Was **Joseph (39 B.C. – 29 A.D.).** She Was Not Related To Him By Marriges Because There Was No Ceremony Or Blood Relation. There Is No Proof Of A Bloodline To **Joseph** In The Bible!

www.Nuwaupuinc.com

Ques: Luke 2:16 Says That She Had The Baby In The Presence Of Joseph While Lying In A Manger Not Outside Any Other Palm Tree, Is This True?

Ans: Yes, However There Is A Verse In **Revelation** That Speaks Of A Futuristic Mary, As A Wonder, In The Heavens. **Revelation 12:1** States:

Bible – New Testament, Revelation 12:1

"...And και <kai> there appeared οπτανομαι <optanomai> a great μεγά <megas> wonder σημειον <semeion> in εν <en> heaven ουρανό <ouranos>; a woman γυνη <gune> clothed περιβαλλω <periballo> with the sun ηλιό <helios>, and και <kai> the moon σεληνη <selene> under υποκατω <hupokato> her αυτό <autos> feet πού <pous>, and και <kai> upon επι <epi> her αυτό <autos> head κεφαλη <kephale> a crown στεφανό <stephanos> of twelve δωδεκα <dodeka> stars αστερη <aster>:"

"And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:"

King James Version

Verse 6: Is Where The Qur'aan Got Their Misinformation. Where Allah Revealed According To Muslims The Wrong Story. And It Reads *"...And The Woman Fled Into The Wilderness Where She Had A Place Preferred Of God That They Should Feed Her There A Thousand Two Hundred And Three Score Days."*

This Was A Symbolic Futuristic Story Revealed By **John Son of Zebedee** In The Year **98 A.D.** While He Was In Prison In The Isles Of **Patmos** And Receiving The Book Called The **Apocropa.** That Is The **Revelation** Also Called The **Evangel**, From Which The Muslims Got The Wrong Name Of The New Testament And They Refer To It As The **Injiyl 2nd Chapter Of The Holy Qur'aan. Chapter 5:46** Is Referring To The **Injiyl** As The **Gospel.** That Can Only Be Referring To The Book Of **Revelation** Because That Is The Only Book That Declared In **Revelation 1:1** And I Quote:

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Bible - New Testament, Revelation 1:1

"...The Revelation αποκαλυθί <apokalupsis> of Jesus Ιησού <Iesous> Christ Χριστό <Christos>, which ό <hos> God ψεό <theos> gave διδωμι <didomi> unto him αυτό <autos>, to shew δεικνυω <deikmuo> unto his αυτό <autos> servants δουλό <doulos> things which ό <hos> must δει <dei> shortly εν <en> ταχό <tachos> come to pass γινομαι <ginomai>; and και <kai> he sent αποστελλω <apostello> and signified σημαινω <semaino> it by δια <dia> his αυτό <autos> angel αγγελό <aggelos> υντο his αυτό <autos> servant δουλό <doulos> John Ιοαννή <Ioannes>:".

"The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified *it* by his angel unto his servant John:"

King James Version

Evanjil, **Angelos**, And **Angel**, That Is What Is Meant By The Book Of Angel. **Revelation Chapter 1** Confirmed It, Sent It, And Signed It By His Angel. No Other Book In The **New Testament** Called The **Gospel** Or "Ghost-Spell" Is Attributed To **Jesus Christ** But Given To An Angel. They Are All Books Of His Disciples, Relatives, And The Likes. So Yes The Qur'aan Is A Part Of The **Luciferian's Conspiracy,** And Now The Muslim Sects Have Broken Up Into Many Groups All Over The World Spreading Terrorism, Killing, War, Bloodshed, Etc. And If You Look At The Faces On The Leviathan Book Cover, You See The Arabs Faces Also. The Spread Of Islam Is A Part Of The Luciferian Plot, Be It:

Nation Of Islam Tailor Made For The Revolutionary Blacks;
Sunni Islam Tailor Made For The Non-Racial Integrated Blacks;

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Shaikh Islam For The More Fanatical Revolutionary Blacks;
Ahmaddiyah For Those That Still Need A Christ Figure;
Bahai, For Those Who Want To Incorporate All Faiths,
Five Percenters For The Hip Hop Generations,
And **Sufism** For The Mystic....

And The List Of Deception And Mental Entrapment In Untruth, Confusion And Myth Goes On And On, In Order To Enslave The Minds In A **Leviathanian Luciferian Spell,** Tailor Made Just For You!! So Christianity Is Not Alone In Its Fallacies, Corruptions, Fictions, Fantasies And Lies. Today Islam Is Also A Part Of It.

So Back To The Initial Point Here, The Bible Never Gave The Bloodline Or Genealogy Of **Mary**, **Jesus'** Virgin Mother. And Even If They Did, The Seed Is Passed On Through Men In The Three Monotheistic Religions Namely **Mosesism**, **Christism**, And **Muhammadism,** Not Women In These Male Chauvinistic Religions. However, **Mitochondria DNA**, Which Archaeologists Today Have Traced Fossils That Goes Back 200-300 Thousand Years, That They Traced Back To One Woman's Gene, Called **Mitochondria.** The Gene Proven To Be Transferred From The *Mother To The Child*, Never From The Father To The Child. Mitochondria Is Also Proven To Be The Gene That Produces Nearly All The Energy To Keep The Cell Alive.

However, **Joseph**, Mary's Husband's Bloodline, Was Mentioned In **Matthew 1:16**

Bible - New Testament Matthew 1:16

"*...And δε <de> Jacob Ιακωβ <Iakob> begat γενναω <gennao> Joseph Ιωσηφ <Ioseph> the husband ανερ <aner> of Mary Μαρια <Maria>, of εκ <ek> whom ό <hos> was born γενναω <gennao> Jesus Ιησού <Iesous>, who ο <ho> is called λεγω <lego> Christ Χριστό <Christos>.*" And Notice In Verse One (1) Of **Matthew 1:1** It States: "*...The book βιβλό <biblos> of the generation γενεσί <genesis> of Jesus Ιησού <Iesous> Christ Χριστό <Christos>, the son υιό <huios> of David δαβιδ <Dabid>, the son υιό <huios> of Abraham Αβρααμ <Abraam>.*

"And Jacob begat Joseph the husband of Mary, of whom was born Jesus, who is called Christ."

King James Version

It States That Jesus Christ Is From The Seed Of David. But Gives No Proof Of That But Attempts To Deceive You In Two Places Into Thinking They Were Giving You Jesus' Bloodline. **Matthew 1:1-16** And **Luke 3:23** States:

Bible – New Testament, Matthew 1:1-16

Bible – New Testament, Luke 3:23

"...And και <kai> Jesus Ιησού <Iesous> himself αυτό <autos> began αρχομαι <archomai> to be ην <en> about ωσει <hosei> thirty τριακοντα <triakonta> years of age ετό <etos>, being ων <on> (as ως <hos> was supposed νομιζω <nomizo>) the son υιό <huios> of Joseph Ιωσηφ <Ioseph>, which was the son of Heli Ηλι <Heli>",

"And Jesus himself began to be about thirty years of age, being (as was supposed) the son of Joseph, which was *the son* of Heli,"

King James Version

And Then In **Matthew 1:17** It States:

Bible – New Testament, Matthew 1:17

"...So ουν <oun> all πά <pas> the generations γενεα <genea> from απο <apo> Abraham Αβρααμ <Abraam> to εώ <heos> David δαβιδ <Dabid> are fourteen δεκατεσσαρέ <dekatessares> generations γενεα <genea>; and και <kai> from απο <apo> David δαβιδ <Dabid> until εώ <heos> the carrying away μετοικεσια <metoikesia> into Babylon Βαβυλων <Babulon> are fourteen δεκατεσσαρέ <dekatessares> generations γενεα

"So all the generations from Abraham to David *are* fourteen generations; and from David until the carrying away into Babylon *are* fourteen generations; and from the carrying away into Babylon unto Christ *are* fourteen generations."

King James Version

Either Christianity Would Have To Admit That It Is A Mistake Or They Would Have To Agree That This Bible Is Not The So-Called Word Of God Or From God. And If It Is, Why Would God Allow People To Manipulate And Tamper With His So-Called Holy Scriptures? The **Three Columns Chart** On Page 228 Is A List Of The Generations From **Adam** To **Joseph,** Taken From ***(Matthew 1:16)***. It Is Not The Generation Of **Jesus**, Because **Jesus** Is Not The Seed Of **Joseph** You Say. That Would Only Mean That **Jesus** Did Not Come From The Seed Of **King David,** Which Is A Contradiction According To **Matthew 1:16.** That Would Mean That **Jesus** Did Not Come From The Seed Of **Adam**. The Only Way That Jesus Could Be From The Seed Of Adam, Is If Joseph Is His Father Who Is Just Another Man And Not The Almighty God. Note Also That In The Third Column; It Is Not Fourteen Generations Even If You Include Jesus. They Only List 13 Generations, And That Is Not Including Jesus Who Is Only 12 Generations. Unless Of Course They Are Talking About **Bar Jesus** Meaning ***"Son Of Jesus"***, Translated From The Greek Language According To **Acts 13:6** And I Quote:

Bible - New Testament, Acts 13:6

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"...And Δε <De> When They Had Gone Through Διερχομαι <Dierchomai> The Isle Νησό <Nesos> Unto Αχρι <Achri> Paphos Παφό <Paphos>, They Found Ευρισκω <Heurisko> A Certain Τί <Tis> Sorcerer Μαγό <Magos>, A False Prophet Θευδοπροφητή <Pseudoprophetes>, A Jew Ιουδαιό <Ioudaios>, Whose Ό <Hos> Name Ονομα <Onoma> Was Barjesus Βαριησού <Bariesous>:"

"And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name *was* Barjesus:"

King James Version

So Now, If Jesus According To Christianity Did Not Marry And Have Children, That Would Only Mean The End Of His Generation Or Bloodline. Because Now We Know That Joseph Is Not The Father Of Jesus As Found In **Matthew 1:18** Right?

Bible – New Testament, Matthew 1:18

It Is Not A Coincidence That **Isis** The Egiptian **Netert** "Supreme Being", The Blessed Mother Of **Horus,** Son Of The God **Osiris, Pa Neter** "*The Supreme*" Also Gave Birth Through Immaculate Conception Long Before The Many Stories. Also After Putting The **Fourteen** Parts Of Her Beloved Husband **Osiris**, The Heavenly Father **Pa Neter** "*The Supreme*", (Who Was A Willing Sacrifice For His People), **Isis** Resurrected **Osiris**, For His Last Seed And She Became Pregnant. She Fled To **Chemmis** 'The Wilderness', The Sacred Floating Island In The Western Delta Near **Buto**, A Site South Of **Tanis** In The **Delta**, Where She Gave Birth To **Horus** After Nine (9) Months Of Pregnancy And Labor In Deliverance, A Virgin Birth. And Horus Begot Four Sons, Unlike Jesus As Mentioned Previously Who Didn't Have Any Children To Pass On His Genes Or Bloodline, Which Is Apparently Important Because Throughout The Christian Bible Genealogy Was Recorded. The Four **Canoptic Jars** Of Egipt Represents The **Four Synoptic Gospels**: *"**Matthew** (Revealed in 41 A.D.), **Mark** (Revealed In 65 A.D.), **Luke** (Revealed In 58 A.D.), And **John** (Revealed In 98 A.D.)"*.

This Is Not A Coincidence. That Is Why You Must Pay Close Attention While Reading Or Studying The So-Called Holy **Bible** Or **Qur'aan** And Read With An Open Mind And Not Base It On Blind **Faith** Or Fanatical **Belief.** You Can Easily Get Caught Under The Spell That **Religion** Creates. It Is Like A Disease That Affects The Body And The Soul And It's Hard To Cure With The Best Medicine Of Truth.

It Takes Over A Person's Will And They Allow Themselves To Be Controlled, Simply Hoping For An After Life Of Eternal Leisure, A Sure Sign That Religion Is Based On Lazy, Shiftless People. People Who Want And Hope That When They Die They Can Go To A Place And Sit Back And Be Treated Like Kings And Queens Doing Absolutely Nothing For Eternity. What A Sad State Of Mind To Breed. And You Know What That Does Here On Earth? It Produces People Who Put All Their Stocks In A Future World And None In The Present World. It Breeds Failures! A **Luciferian's Tactic**. So They Will Keep You Blinded In The **Spell Of Religions** Because The Day That You Wake Up And Break Away From Them And See How Weak They Really Are, Is The Day When You Take Control Of Your Life And Your Future.

Ques: But Did Jesus Actually Exist? Did Moses, Solomon And King David Even Exist?

Ans: There Is No Credible Evidence For The Existence Of Any Of Them Outside The Biblical Texts And They Are Certainly Not Credible. The Whole Bible And Qur'aan Concept As, I Have Stated Numerous Times Is A Hoax That Was Placed On Mortals Or Humans To Be Easily Enslaved And Submit, Unknowingly By These Evil, Disagreeable, Malevolent Luciferians! You Find All These Men In Egipt.

Ques: Who Are The Levites Or Israelite Priests?

Ans: They Are The White Brotherhood Who Arranged For The Destruction Of Ancient **Egiptian** Knowledge And Libraries To Be Burnt All Over The World. And Lied And Deceived The Masses And Said They Are Going To Write Down The True **His-Story,**

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Not **Our-Story** In Their Texts But Instead, They Produced The Version They Wanted The People To Believe, In Order To Control The Masses. They Are The Human **Reptilians**, Known As **Luciferians**, The Father Of The Malevolent Beings. The **Luciferians**, Have Left The Name **Leviathan** Untranslated In Your Scriptures So That You Will Not Know Who Or What It Is.

According To The ***"Comprehensive Dictionary Of The Gods"*** **By Anne S. Baumgartner On Page 109, Leviathan Is Defined As Such:** *"Leviathan –Phoenician -A Serpent-Monster Who Inhabits The Deeps. It Must Be Noted That The Phoenicians Were Excellent Mariners And They Knew Whereof They Spoke."*

However, In ***"The American Heritage Dictionary"***, It Defines **Leviathan** As: ***Le· Vi· A· Than (lə-vī'ə-thən) N. 1. Something Unusually Large Of Its Kind, Especially A Ship. 2. A Very Large Animal, Especially A Whale. 3. Bible. A Monstrous Sea Creature Mentioned In The Old Testament. [Middle English, Huge Biblical Sea Creature, From Late Latin, From Hebrew liwyatan Canaanite Ltn, Lotan, The Hydra.]***

Now According To The **King James** Version Of The Bible, The Word **"Leviathan"** Is Found Four Times:

The First Time Is In The **Bible – Old Testament, Job 41:1**

"Canst Thou Draw Out משך *<Mashak>* Leviathan לויתן *<Livyathan> With A Hook* חכה *<Chakkah>? Or His Tongue* לשון *<Lashown> With A Cord* חבל *<Chebel> Which Thou Lettest Down* שקע *<Shaqa`>?"*

"Canst thou draw out leviathan with an hook? or his tongue with a cord *which* thou lettest down?"

King James Version

The 2nd Time Is In The **Bible – Old Testament, Psalm 74:14** *"Thou Brakest* רצץ *<Ratsats> The Heads* ראש *<Ro'sh> Of*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Leviathan לויתן <Livyathan> In Pieces, And Gavest נתן <Nathan> Him To Be Meat מאכל <Ma'akal> To The People עם <`Am> Inhabiting The Wilderness ציי <Tsiyiy>."

"Thou brakest the heads of leviathan in pieces, *and* gavest him *to be* meat to the people inhabiting the wilderness."

King James Version

The 3rd Time Is In The **Bible Old Testament, Psalm 104:26** *"There Go הלך <Halak> The Ships אניה <'Oniyah>: There Is That Leviathan לויתן <Livyathan>, Whom Thou Hast Made יצר <Yatsar> To Play שחק <Sachaq> Therein."*

"There go the ships: *there is* that leviathan, *whom* thou hast made to play therein."

King James Version

The 4th Time Is In The **Bible Old Testament, Isaiah 27:1** *"In That Day יום <Yowm> The LORD יהוה <Yehovah> With His Sore קשה <Qasheh> And Great גדול <Gadowl> And Strong חזק <Chazaq> Sword חרב <Chereb> Shall Punish פקד <Paqad> Leviathan לויתן <Livyathan> The Piercing בריח <Bariyach> Serpent נחש <Nachash>, Even Leviathan לויתן <Livyathan> That Crooked עקלתון <`Aqallathown> Serpent נחש <Nachash>; And He Shall Slay הרג <Harag> The Dragon תנין <Tanniyn> That Is In The Sea ים <Yam>.*

leviathan that crooked serpent; and he shall slay the dragon that *is* in the sea."

King James Version

In These Four Verses, In Aramic (Hebrew) **Leviathan** Translate As **Livyathan (Liv-Yaw-Than)** (לִוְיָתָן) **Meaning** ***"Sea Monster, Dragon"***. From The Aramic (Hebrew) Word **Lawah** (לָוָה), Pronounced **"Law-Vaw"**, Meaning, ***"To Unite, To Remain, To Join; Also "To Borrow (As A Form Of Obligation)"; Or "To Lend, Abide With Borrow; Cleave, Join"***. The Name **Levi**, Means ***"Joined Together, Attached"***. It Was The Third Son Of **Jacob** Who's Name Was Changed To **Israel** ***(Genesis 32:38)***, The Father Of The **Israelites** And **Jacobites**. The **Israelite Tribe** Of **Levites**, Are His Offspring By His Unwanted Wife **Leah,** Who He Was Tricked Into Marrying. **Leah**, Named The Child **Levi**, Because She Thought The Bearing Of Another Son Would Bring Her Closer To Her Husband **Jacob** As Found In ***Genesis 29:34.***

Bible – Old Testament, Genesis 29:34

"...And She Conceived Again הָרָה ***<Harah>, And Bare*** יָלַד ***<Yalad> A Son*** בֵּן ***<Ben>; And Said*** אָמַר ***<'Amar>, Now This Time*** פַּעַם ***<Pa`Am> Will My Husband*** אִישׁ ***<'Iysh> Be Joined*** לָוָה ***<Lavah> Unto Me, Because I Have Born*** יָלַד ***<Yalad> Him Three*** שָׁלוֹשׁ ***<Shalowsh> Sons*** בֵּן ***<Ben>: Therefore Was His Name*** שֵׁם ***<Shem> Called*** קָרָא ***<Qara'> Levi*** לֵוִי ***<Leviy>.***

"And she conceived again, and bare a son; and said, Now this time will my husband be joined unto me, because I have born him three sons: therefore was his name called Levi."

King James Version

The Tribe Of Levi, Was Chosen By **Yahuwa** "The God Of Israel", To Be The Priest's Tribe. When **Levi** And **Simon** (The Second And Third Sons Of Jacob), Were Called To Their Father's Bedside Before His Death, Jacob, Reminded Them Of The Trickery They Used To Revenge The Defilement Of Their Sister **Dina.**

Bible – Old Testament, Genesis 34:2

"...2 And when Shechem שכם <Shekem> the son בן <ben> of Hamor חמור <Chamowr> the Hivite חוי <Chivviy>, prince נשיא <nasiy'> of the country ארץ <'erets>, saw ראה <ra'ah> her, he took לקח <laqach> her, and lay שכב <shakab> with her, and defiled her ענה <`anah>."

"And when Shechem the son of Hamor the Hivite, prince of the country, saw her, he took her, and lay with her, and defiled her."

King James Version

As A Result They Lost Their Inheritance. Jacob's Firstborn **Reuben** ***(Genesis 29:32)***, Also Lost His Inheritance Because He Committed Incest With His Father's Concubine **Bilhah,** ***(Genesis 35:22).***

Bible – Old Testament, Genesis 35:22

"...And it came to pass, when Israel ישראל <Yisra'el> dwelt שכן <shakan> in that land ארץ <'erets>, that Reuben ראובן <Re'uwben> went ילך <yalak> and lay שכב <shakab> with Bilhah בלהה <Bilhah> his father's אב <'ab> concubine פילגש <piylegesh>: and Israel ישראל <Yisra'el> heard שמע <shama`>

"And it came to pass, when Israel dwelt in that land, that Reuben went and lay with Bilhah his father's concubine: and Israel heard *it*. Now the sons of Jacob were twelve:"

King James Version

Therefore, **Judah**, The Fourth Son, Gained The Inheritance As The Next In Line. **(Joshua 15:20; Joshua 19:1; Joshua 19:9; Nehemiah 11:20; Jeremiah 3:18;** And **Jeremiah 12:14).**

The **Leviim**, **Levi** Or **Lawiy** In Ashuric/Syriac (Arabic), Are The Descendants Of The Tribe Of **Levi.** The Third Son Of **Jacob**, As Was The Great Teacher **Moses** And His Brother **Aaron (1596-1473 B.C.E.)**. The Descendants Of **Aaron**, The **Kohens**, Were Not From The Tribe Of **Levi** And Were Not A Part Of The **Levitical** Priesthood As Was The Great Teacher **Moses**. **Aaron** And His Descendants Were Called The **Kohans**, **Kohen**, **Kahn**, **Khon**, Or **Cohanim** (The Plural), Which Is The **Aramic** (Hebrew), Word For **"Priest"** And In **Nuwaupic** It's **"Waab"** (𓅓𓀀𓀀𓃀) Because They Became Assistants To The Levite Priests. The Present Day **Jebusites** (Pale Jews). Profess To Live According To **Levitical** Law And Call Their Rabbis Cohan (Cohens), After The Manner Of The **Levites**. Yet, The Messiah **Jesus** (Of 2,000 Years Ago), Tells Us That They Are Really The Synagogues Of Satan. Several Passages In The Scriptures Refer To The **Jebusites**, As The Devil's Seed.

The Judaic Faith Or People Of The Bible, But A Tribe Of The Canaanites.

Ques: Who Are The Levites Or Israelites According To Ancient Egipt?

Ans: They Are **Pa Heka Khasut** *"The Hyksos,* Or **Hikau-Khoswet"**. The Hyksos Ruled **Hut-Waret** *"Avaris"* For 430 Years, And This Devil Seed Was Cast Out Of Old Egipt, By The Ruler **Kamose**, Elder Son Of **Seqenenre** Of The 17th Dynasty, Whose Younger Brother Was **Ahmose I** And Then By The Successor **Ah-Mose** Son Of **Ebana** Of The 18th Dynasty Of The 46 Dynasties. Note The Hebrew Names Of The **Hyksos** Rulers From The 15th And 16th Dynasty: Starts With **Sheshi (Mayebre) Yakub-Her, Ya'akob-Her,** Or **Jacob-Her**, Anather (Meruserre), **Apepi I (Auserre) Apepi II (Aqenenre)** And **Yakobaam**, That Is **Jacob-Aam**, As **Jacob** *(Genesis 25:21-26)*. **Jacob (1918-1771 B.C.E.)** Son Of **Isaac (1978-1798 B.C.E.)** And **Rebecca (Ra-Ba-Ka)** Is The Hebrew Or Israelite Seed. So The **Hyksos** Are The False Israelites, **Isis-Ra-El**, Seed Of Abraham, **Ab-Ra-Kemet**. That Is Those He Lived With, His Family Mixed Their Seed With Them After Being Ordered Not To Mix His Seed *(Genesis 24:2* And *Genesis 28:1-6).*

Ques: What Are The Hyksos Doing With Hebrew/Jewish Names?

Ans: According To An **Illustrated Encyclopedia Of Ancient Egipt By Gerald Harris, Delia Pemberton** The Hyksos Are Syria/Palestinians. The Reason They Are Called This Is Because Once Ahmose Drove Them Back Across The Dessert Sands, They Stopped At Palestine, Set Up And Made Up What Is Called Israel Today.

Ques: So Who Would Joseph Be Amongst The Hyksos?

Ans: Joseph Would Be **Apepi I** *(Apophis)*. As A Hyksos Demon, He Was Proudly Named **Apepi I** *"Apophis"*, (**Joseph Ben Jacob, Yosef** *"To Add On"*) Was Defeated In **1585 B.C**, Worshipper Of **Sutukh** *"Set"*, **Baal**. This Name **Apophis** Or **Poppi** Means ***"Giant Serpent"***, Who Some Call White Syrians. These Evil Human Beasts Called **Hyksos** Started A Feud With The Indigenous People Of The Land. **Poppi** Wanted Them To Kill And Destroy All The Holy **Hippopatamus**, Which Was A Symbol Of The Deity **Taweret** Or **Taueret**, The **Tama-Rean** Goddess Of Women In Childbirth, Which The Greeks Call **Thueris**. The Word Hippopotamus Means ***"Sea Horse"***, Which Is The Shape Of **Africa**, The Horse's Head.

Ques: Why Did The Greeks Hate Taweret?

Ans: Because She Was The Center Of The **Iunet** Or **Tantere**, Called By The Greeks **Denderah** Calendar And She Represented Mitochondria DNA. And These Greeks Hated Women. They Kept Their Women Suppressed And Only For Reproduction. The Hyksos Wanted To Change The **Dendera** Calendar And Remove **Taweret** From Its Center, The Great Female Deity, The Goddess Symbol That Women Was Indeed First Before Man. The Greeks Were Not Very Gay On This Fact Being Female Haters And Homosexuals By Genetic Makeup. **Taweret** Held The **"Sa"** Symbol Of Protection Just As The Supreme Being **Bes**. So They Claimed That The Snoring Of The Hippos Was Unseemingly Noisy In The Sacred Temple Pool At Thebes. They Said Their King **Poppi**, Who Slept 400 Miles Away Could Not Sleep. This Is To Be Found On The Karnak Stelae. **Seqenenre Tao II** And **Wadj-Kheper-Re Kamose**, Started Reclaiming The Land From The **Hyksos**. So They Took This Claim As An Insult Being His Bed Was 400 Miles Away.

Ques: But Jesus Is From The Line Of Judah, And Didn't He Die On The Cross For All Humanity?

Ans: The Whole Crucifixion Story Was A Play Created By **Joseph Flavius Piso,** Which I Will Elaborate Further On Within The Following Page. He Got His Idea From The **2nd Psalms** Written *By A Chief Magician Upon* ***Aigeleth Shahar*** A Psalm Of David. They Call It **"Anguish And Praise"**. They Refer To This As A *Psalm Of David.* Remember That The Psalms Were Revealed In **Jerusalem** To King David (73 Books) **Solomon** (2 Books) And **Asaph** (12 Books), **Korah** (12 Books), **Ethan** (1 Book) **Moses** (1 Book) And **Heman** (1 Book) Around **1037 B.C.E.** This Book Of Songs For What Psalms Mean, Consist Of 150 Different Songs Grouped Into Five Collections:

The First Collections:	**Psalm 1-41,**
The Second Collections:	**Psalms 42-47**
The Third Collections:	**Psalsm 73-89**
The Fourth Collections:	**Psalsm 90-106 And**
The Fifth Collections:	**Psalsm 107-150**

The Fact That The Book Of Psalms Is Broken Up Into The Five Scrolls Or Sections Is Why They Have Been Called The **Five Books Of David.** You Have 5 Books Of The **Old Testament,** Which Are What The Torah Is Made Out Of, "**Genesis**, **Exodus**, **Leviticus**, **Numbers**, And **Deuteronomy**. Then You Have These Psalms Broken Up Into Five Books Also And Many Different Authors Took Part In The Writings Of These 150 Psalms. All Of A Sudden This Story Which Dates Back That Far, Ends Up In The New Testament **Matthew 27:46.** Read **Psalm 22** Yourself And You Will See It.

THE 9TH HOUR

And About The **9th Hour Jesus** Cried With A Loud Voice Saying *"Eli Eli Lama Sabachthani,"* That Is To Say My God My God Why Hast Thou Forsaken Me.

Bible – New Testament, Mattews 27:46

"And δε <De> About περι <Peri> The Ninth εννατό <Ennatos> Hour ωρα <Hora> Jesus ιησού <Iesous> Cried αναβοαω <Anaboao> With A Loud μεγά <Megas> Voice φωνη <Phone>, Saying λεγω <Lego>, Eli ηλι <Eli>, Eli ηλι <Eli>, Lama λαμα <Lama> Sabachthani σαβαχψανι <Sabachthani>? "And about the ninth hour Jesus cried with a loud voice, saying, Eli, Eli, lama sabachthani? that is to say, My God, my God, why hast thou forsaken me?"

King James Version

Now This Was In The Book Of Matthews In The New Testament. The Book Of Matthews Was Revealed In **41 A.D.** Called The Gospel Or The Good News According To Matthew. Matthew Himself In The Bible, In **Matthews Chapter 9:9** Becomes A Contradiction.

www.Nuwaupuinc.com

Bible – New Testament, Matthew 9:9

"...And As Και <Kai> Jesus Ιησού <Iesous> Passed Forth Παραγω <Parago> From Thence Εκειψεν <Ekeithen>, He Saw Ειδω <Eido> A Man Ανψρωπό <Anthropos>, Named Λεγω <Lego> Matthew Ματψαιό <Matthaios>. "And as Jesus passed forth from thence, he saw a man, named Matthew, sitting at the receipt of custom: and he saith unto him, Follow me. And he arose, and followed him."

King James Version

Obviously By This Statement In **Matthew 9:9,** Matthew Couldn't Have Written The Book Of Matthew Or The Quote Would Have Read *He Saw Me, A Man Named Matthew.* Matthew Was A Tax Collector **Matthew 9:9.** In **Luke 5:27-32** Matthew Threw A Banquet Or Party For Jesus, And This Is Before He Became One Of Jesus' Disciples.

Bible – New Testament, Matthew 17:24

"...And Δε <De> When They Αυτό <Autos> Were Come Ερχομαι <Erchomai> To Εί <Eis> Capernaum Καπερναουμ <Kapernaoum>, They That Received Λαμβανω <Lambano> Tribute Διδραχμον <Didrachmon> Money Came Προσερχομαι <Proserchomai> To Peter Πετρό <Petros>, And Και <Kai> Said Επω <Epo>, Doth Τελεω <Teleo> Not Ου <Ou> Your

"And when they were come to Capernaum, they that received tribute *money* came to Peter, and said, Doth not your master pay tribute?"

King James Version

That Is How Long This Event Was Found Of The Crucifixion And It Was Recorded By Someone Other Than Matthew. The Next Thing They Should Notice Is That **Matthew 1:1** Starts Off With A Lie. It Reads:

Bible – New Testament, Matthew 1:1

"...*The Book Βιβλό <Biblos> Of The Generation Γενεσί <Genesis> Of Jesus Ιησού <Iesous> Christ Χριστοώ <Christos>, The Son Υιό <Huios> Of David Δαβιδ <Dabid>, The Son Υιό <Huios> Of Abraham Αβρααμ <Abraam>*

"The book of the generation of Jesus Christ, the son of David, the son of Abraham."

King James Version

It Starts From That Point On And Gives You A Whole Line Of Descendants And By The Time You Get To **Verse 16** Instead Of It Being Joseph Blood Line It Says:

Bible – New Testament, Matthew 1:16

"...And De <De> Jacob Ιακωβ <Iakob> Begat Γενναω <Gennao> Joseph Ιωσηφ <Ioseph> The Husband Ανερ <Aner>

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Of Mary Μαρια <Maria>, Of ἐκ <Ek> Whom Ὅ <Hos> Was Born Γενναω <Gennao> Jesus Ιησού <Iesous>, Who Ὁ <Ho> Is Called Λεγω <Lego> Christ Χριστό <Christos>."

"And Jacob begat Joseph the husband of Mary, of whom was born Jesus, who is called Christ."

King James Version

The Fact That **Matthew** Didn't Write The Book Himself, And The Time After The Actual Event That The Book Was Recorded, Shows The Inconsistency Of Matthew Alone And How He Was A Liar.

Our Point Being That These Writings Were Plagarized From The Hebraic Writings Of The **22 Psalms** Which Begins *"My God, My God, Why Hast Thou Forsaken Me?"*

Bible – Old Testament, Psalms 22:1 (In Part)

"...My God אל <'El>, My God אל <'El>, Why Hast Thou Forsaken עזב <`Azab> Me...?"

"...My God, my God, why hast thou forsaken me?..."

King James Version

Make Note That When This Verse, From **Psalms 22** Was Being Copied Or Plagarized For The New Testament And I Quote:

Bible – Old Testament, Matthew 27:46

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"...Eli ηλι <Eli>, Eli ηλι <Eli>, Lama λαμα <Lama> Sabachthani σαβαχθανι<Sabachthani>?..."

"...Eli, Eli, lama sabachthani?..."

King James Version

It Is To Say:

Holy Bible - Psalms 22:1, Old Testament (Partially)

"...My God אל<'El>, My God אל<'El>, Why Hast Thou Forsaken עזב<`Azab> Me...?"

"...My God, my God, why hast thou forsaken me?..."

King James Version

They Intentionally Did Not Put The Full Verse In From **Psalms 22:1,** Which Reads:

Bible – Old Testament, Psalms 22:1 (Complete Verse)

"...Why Hast Thou Forsaken עזב <`Azab> Me? Why Art Thou So Far רחוק <Rachowq> From Helping ישועה <Yeshuw`Ah> Me, And From The Words דבר <Dabar> Of My Roaring שאגה <Sheagah>?"

"My God, my God, why hast thou forsaken me? Why art thou so far from helping me, and from the words of my roaring?"

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

And The Hebrew Word Used For Roaring Is **Sheagah, Sheh-Aw-Gaw'** (שאגה) Under Strong # 07581 Meaning *"A Rumbling Or Moan:--Roaring. From Gav Sha'ag, Shaw-Ag', A Primitive Root; To Rumble Or Moan:-- Mightily, Roar".*

You Must Ask Yourself At This Point, Why Would The Recorder Of Matthew Leave That Part Out? The Answer Is Quite Simple, How Could They Pass This Man Off On The Cross, Jesus Christ, As God Himself In Flesh Or God Incarnate And Have Him Say After That *"Oh My God, I Cry In The Day Time But Thou Heareth Not; And In The Night Season And Am Not Silent."* That Is **Verse 2**.

Bible – Old Testament, Psalms 22:2

"...O My God אלהים <'Elohiym>, I Cry קרא <Qara'> In The Daytime יומם <Yowmam>, But Thou Hearest ענה <`Anah> Not; And In The Night Season ליל <Layil>, And Am Not Silent דומיה <Duwmiyah>"

"O my God, I cry in the daytime, but thou hearest not; and in the night season, and am not silent."

King James Version

But They Had A Specific Time Mentioned In **Matthew 27:46**, **The 9th Hour**. According To Them, They Were Trying To Get The Crucifixion Done Before The **Sabbath** Came In. **Matthew 27:46** *"...And About The Ninth Hour Jesus Cried With A Loud Voice, Saying, Eli, Eli, Lama Sabachthani? That Is To Say, My God, My God, Why Hast Thou Forsaken Me?"*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

But That Is Not In The Original Story. The Original Story Uses Day And Night. And This Individual In **Psalms 22**, Is Implying That God Is Far Away From Him. This Is What He Says Out Of His Own Mouth, "***But You Don't Hear Me***" Or In Biblical Words ***But Thou Heareth Not.***

It Will Be Hard For Them To Make This The Son Of God Who Was Crucified At The **9th Hour** Before The **Sabbath.** If They Would Have Used The Full Verse And Chapters, They Would Have To Explain The Daytime Under **Strong # 03119**. "יומם **Yowmam**, Yo-*Mawm' From # 3117; Daily:--Daily, (By, In The) Day(-Time), A Common Word For During The Daylight Hours. And* ערב *`Ereb, Eh'-Reb (Strong # 06153) From # 6150; Dusk:-- + Day, Even(-Ing, Tide). The Word Night Comes From Strong # 03915.* ליל *Layil, Lah'-Yil Or (Isa. 21:11)* ליל *leyl; Also* לילה *Laylah {Lah'- Yel-Aw}; From The Same As # 3883; 03883.* לול *Luwl, Properly. A Twist (Away Of The Light), I.E. Night; Figuratively, Adversity:--(Mid-)Night (Season).*"

So It Is Clear In The **22nd Psalms** That This Person Suffering, This Person Crying Out To God As "*My God*", Is Talking About Something He Does During The Daytime And In The Night Season. And That He Doesn't Ever Stop Crying. In His Own Words He Says "***And I Am Not Silent.***" This Does Not Match Up With What They Call The **Messiah Prophecy**, Which Starts Off In **Matthew 27:46,** Which Says And About The **9th** Hour Jesus Cried With A Loud Voice.

Bible - New Testament, Matthew 27:46

"And δε <de> about περι <peri> the ninth εννατος <ennatos> hour ωρα <hora> Jesus Ιησους <Iesous> cried αναβοαω <anaboao> with a loud μεγας <megas> voice φωνη <phone>,

saying λεγω <lego>, Eli ηλι <eli>, Eli ηλι <eli>, lama λαμα <lama> sabachthani σαβαχθανι <sabachthani>? That τουτεστι <toutesti> is to say, My μου <mou> God θεος <theos>, my mou <mou> God θεος <theos>, why ινατι <hinati> hast thou forsaken εγκαταλειπω <egkataleipo> me μη <me>?"

"And about the ninth hour Jesus cried with a loud voice, saying, Eli, Eli, lama sabachthani? That is to say, My God, my God, why hast thou forsaken me?"

King James Version

This Could Not Have Been Based On **Psalms 22,** The Story Of Jesus Christ Crucifixion. Somebody Borrowed The Words From The 22nd Chapter And Used Up Only Part Of Them Which Revelation 22 Tells Them. What's Going To Happen To Them For Doing That, Taking One Portion And Ignoring The Other To Make Their Own Point? Notice The Two Quote Numbers, **Revelation 22** And **Psalms 22.**

Bible – New Testament, Revelation 22:19

"And και <kai> if εαν <ean> any man τις <tis> shall take away αφαιρεω <aphaireo> from απο <apo> the words λογος <logos> of the book βιβλος <biblos> of this τουτο <touto> prophecy προφητεια <propheteia>, God θεος <theos> shall take away αφαιρεω <aphaireo> his αυτος <autos> part μερος <meros> out of απο <apo> the book βιβλος <biblos> of life ζωη <zoe>, and και <kai> out of εκ <ek> the holy αγιος <hagios> city πολις <polis>, and και <kai> from the things which are written γραφω <grapho> in εν <en> this ταυτη <taute> book βιβλιον <biblion>."

Of The Book Of Life, And Out Of The Holy City, And From The Things Which Are Written In This Book."

King James Version

Also In The Book Of **Matthew 5:18** It States: *"For Verily I Say Unto You Till Heaven And Earth Pass One Jot Or One Tittle Shall In No Wise Pass From The Law Till All Be Fulfilled."* This Verse Is Stating That The Prophecy Must Be Fullfilled.

Bible – New Testament, Matthew 5:18

For γαρ <Gar> Verily αμην <Amen> I Say λεγω <Lego> Unto You υμιν <Humin>, Till εως <Heos> Heaven ουρανος <Ouranos> And και <Kai> Earth γη <Ge> Pass παρερχομαι <Parerchomai>, One εις <Heis> Jot ιωτα <Iota> Or η <E> One μια <Mia> Tittle κεραια <Keraia> Shall In No Wise ου μη <Ou Me> Pass παρερχομαι <Parerchomai> From απο <Apo> The Law νομος <Nomos>, Till εως <Heos> All πας <Pas> Be Fulfilled γινομαι <Ginomai>.

"For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled."

King James Version

Either That Is A Reference To The Book Of **Revelation** And **Matthew** Only Or It Applies To The Whole Bible And That Would Render The Author Of **Matthews Guilty**. But We're Not Finished As You Read On From **Verse 2** To **Verse 3** Of **Psalms 22**, You Get "*...But Thou Art Holy, O Thou That Inhabitest The*

www.Nuwaupuinc.com

Stop! Lets Look At **Verse 4** Here. This Could Not Be **Jesus** By The Statement ***"Our Fathers Trusted In Thee, They Trusted And You Didst Deliver Them"***. Jesus Would Say Because He Would Be Talking To God, *"**My Father Our Ancestors Trusted You, They Trusted And You Delivered Them'*** Speaking Out Of The Hands Of Either The **Babylonians** Or The **Egiptians**. But That Is Not What Is Said Here. This Person Here Does Not Identify Himself As The Son Of God And No Way Could That Be Mistaken For **Jesus Christ**.

Bible – Old Testament, Psalms 22:5

"...They Cried עק <Za`Aq> Unto Thee, And Were Delivered מלט <Malat>: They Trusted בטח <Batach> In Thee, And Were Not Confounded בוש <Buwsh>"

"They cried unto thee, and were delivered: they trusted in thee, and were not confounded."

King James Version

This Has Nothing To Do With What Jesus Said On Any Cross. This Is A Man Speaking Out And I'll Continue.

Bible – Old Testament, Psalms 22:6

"...But I Am A Worm תולע <Towla`>, And No Man איש <'Iysh>; A Reproach חרפה <Cherpah> Of Men אדם <'Adam>, And Despised בזה <Bazah> Of The People עם <`Am>."

You're Telling Me That **Jesus Christ** The Son Of God, In This Prophecy About Himself While Suffering On The Cross Says To God, **"I Am A Worm."**

Jesus Calls Himself A Worm Or A Maggot. And No Man.

Bible – Old Testament, Psalms 22:7

"... All They That See ראה *<Ra'ah> Me Laugh Me To Scorn* לעג *<La`Ag>: They Shoot Out* פטור *<Patuwr> The Lip* שפה *<Saphah>, They Shake* נוע *<Nuwa`> The Head* ראש *<Ro'sh>, Saying",*

King James Version

You Get The Hint There Of How That Was Borrowed From **Psalms** With A Little Addition And A Little Extra Coloring. It Continues On To Say:

Bible – Old Testament, Psalms 22:9

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"But Thou Art He That Took גיח <Giyach> Me Out Of The Womb בטן <Beten>: Thou Didst Make Me Hope בטח <Batach> When I Was Upon My Mother's אם <'Em> Breasts שד <Shad"

"But thou art he that took me out of the womb: thou didst make me hope when I was upon my mother's breasts."

King James Version

Again He Is Speaking To God, Saying You Delivered Me At Birth. Again You Find A Hint Toward Gods Intervention Towards The Birth Of This Individual Or A Special Kind Of Birth By The Hands Of God Like They Do With Jesus Where They Got It From **Psalms 22:9** *"...Thou Didst Make Me Hope בטח <batach> When I Was Upon My Mother's אם <'em> Breasts שד <shad>."*

Bible – Old Testament, Psalms 22:10

"I Was Cast שלך <Shalak> Upon Thee From The Womb רחם <Rechem>: Thou Art My God אל <'El> From My Mother's אם <'Em> Belly בטן <Beten>

"I was cast upon thee from the womb: thou art my God from my mother's belly."

King James Version

Psalms 22:11 *"Be Not Far From Me..."*, Which Takes You Back To **Psalms 22:1**, *"...Why Art Thou So Far From Helping Me, And From The Words Of My Roaring?"*. This Was Suppose To Be After The Trouble And He Was On The Cross Getting Ready To

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Give Up The Ghost His Darkest Hour. Trouble Would Be Near When They Were Approaching The Garden To Get Jesus. That's When They Would Be Near, When They Were Suppose To Betray Jesus With A **Kiss**. Not Trouble Is Near. This Could Not Have Been **Jesus Christ**. He Then Continues On In ***Psalms 22:11*** And Say: "*For There Is None To Help.*" Then In ***Psalms 22:12*** It States: "*Many **Bulls** Have Compassed Me*". Not Compass, But Like Encircle Me. Nowhere In The History Of The **New Testament** Have Bulls Circled Jesus. The Word There In Hebrew For Bull Is פר <*Par*> Or פר **Par {Pawr};** There Is No Record For Jesus Ever Being Surrounded By Bulls. Again I Repeat This Is Not Talking About **Jesus!** And Don't Tell Me It's Symbolism Because I Have Been A Freemason, Climbed The Whole Latter And I Am Now On The **Supreme Council Of World Wide Shrinendom**. I Know Symbolisms And This Is Not It.

Bible – Old Testament, Psalms 22:12

"...*Many* רב <*Rab*> *Bulls* פר <*Par*> *Have Compassed* סבב <*Cabab*> *Me: Strong* אביר <*'Abbiyr*> *Bulls Of Bashan* בשן <*Bashan*> *Have Beset Me Round* כתר <*Kathar*>.

"Many bulls have compassed me: strong bulls of Bashan have beset me round."

King James Version

Note That In Verse 12 It Mentioned A Place Called "Bashan" Under Strong # *01316* (בשן) Bashan *Baw-Shawn'*, Which Is A Region East Of The Jordan. This Is Not At Golgotha (**Matthew 27:33**), Where The Cross Of Jesus Is Suppose To Be Standing.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

This Is Another Whole Place Being Mentioned. **Another Contradiction!**

Bible – New Testament, Matthew 27:33

"And και <kai> when they were come ερχομαι <erchomai> unto εις <eis> a place τοπος <topos> called λεγω <lego> Golgotha golgoya <Golgotha>, that ος <hos> is esti <esti> to say λεγω <lego>, a place τοπος <topos> of a skull κρανιον <kranion>,"

"And when they were come unto a place called Golgotha, that is to say, a place of a skull,"

King James Version

Are You Getting The "**Jest**" (Idea) Of What I Am Trying To Say Here. This Was Not Where **Jesus** Was Supposed To Have Been Crucified. This Is A Different Place. This Man Was Surrounded By **Bulls** In A Different Place.

Bible – Old Testament, Psalms 22:13

"...They Gaped פצה <Patsah> Upon Me With Their Mouths פה <Peh>, As A Ravening טרף <Taraph> And A Roaring שאג <Sha'ag> Lion אריה <'Ariy>."

"They gaped upon me with their mouths, as a ravening and a roaring lion."

King James Version

www.Nuwaupuinc.com

www.Nuwaupuinc.com

No Animals Surrounded Jesus' Cross. Opening Their Mouths Like Lions And Roaring And Tearing At Him Which Is What That Verse Implies.

Bible – Old Testament, Psalms 22:14

"...I Am Poured Out שפך <Shaphak> Like Water מים <Mayim>, And All My Bones עצם <`Etsem> Are Out Of Joint פרד <Parad>: My Heart לב <Leb> Is Like Wax דונג <Downag>; It Is Melted מסס <Macac> In The Midst תוך <Tavek> Of My Bowels מעה <Me`Ah>."

"I am poured out like water, and all my bones are out of joint: my heart is like wax; it is melted in the midst of my bowels."

King James Version

This Has Nothing To Do With The Crucifixion Of **Jesus** But You Can See The Different Parts, Where They Stole It From And Its Alluded To. The Stabbing Of The Side And The Wine, But It Is Talking More About **Judas** Who Was Thrown Off The Cliff And His Body Burst Asunder *(Acts 1:18)*.

It Gets Even Deeper Than That.

Bible – Old Testament, Psalms 22:15,

"My Strength כח <Koach> Is Dried Up יבש <Yabesh> Like A Potsherd חרש <Cheres>; And My Tongue לשון <Lashown> Cleaveth דבק <Dabaq> To My Jaws מלקוח <Malqowach>; And

"My strength is dried up like a potsherd; and my tongue cleaveth to my jaws; and thou hast brought me into the dust of death."

King James Version

This Man Here Is About To Die. The Dust Of Death Means The Dawn Of Death. Death Is About To Approach Him Like The Sun Coming Up In The Morning. There Has Been No Mention Of A Crucifixion Here Yet, In **Psalms 22**, But So Far This Story Has No Tie To Jesus Christ New Testament Story Of The Crucifixion Other Than Eluded To It Or Borrowed From It.

Bible – Old Testament, Psalms 22:16

"...For Dogs כלב *<Keleb> Have Compassed* סבב *<Cabab> Me: The Assembly* עדה *<`Edah> Of The Wicked* רעע *<Ra`A`> Have Inclosed* נקף *<Naqaph> Me: They Pierced* כרה *<Karah> My Hands* יד *<Yad> And My Feet* רגל *<Regel>"*

This Man Is Looking To Survive, That Is Not What Jesus Said On The Cross, *"Father Its Over It Is Done"* This Verse Said For God Not To Stay Too Far So He Could Rescue Him. He's Going To Reiterate In The Next Couple Of Verses.

The Breath Of What, **John 1:1**, In The Beginning Was The Word, And The Word Was With God, And The Word Was God. Jesus Died At This Point According To Them.

It Is Very Clear That Anybody Who Is Seeking The Truth That **Joseph Flavius** With His Passionate Play Fabricated This Story From The Psalms And Every Body Knows That The Songs Comes From **Ankh Atun's** "Negative Confession". Below, Are Comparison Of The Psalms And The Egiptian Book Called "**Coming Forth By Day**" Known As "**The Book Of The Dead**" Which Predates The Psalms Of David.

This Whole Thing May Come As A Shock With Some Of You. Others Of You Will Say "This Can't Be True". They Call That Tunnel Vision And Blind Faith. However, In Your Bible According To **John 8:32** I Qoute:

Bible – New Testament, John 8:32

Ques: So What Is The Symbolism Of The 9th Hour Or The Crucifixion?

Ans: According To **Luke 23:44** And Verse **45** It States...

Bible – New Testament, Luke 23:44

"...And Δε <De> It Was Hv <En> About Ωσει <Hosei> The Sixth Εκτό <Hektos> Hour Ωρα <Hora>, And Και <Kai> There Was Γινομαι <Ginomai> A Darkness Σκοτό <Skotos> Over Επι <Epi> All Ολό <Holos> The Earth Γη <Ge> Until Εώ <Heos> The Ninth Εννατό <Ennatos> Hour Ωρα <Hora>."

"And it was about the sixth hour, and there was a darkness over all the earth until the ninth hour."

King James Version

Bible – New Testament, Luke 23:45

"...And Και <Kai> The Sun Ηλιό <Helios> Was Darkened Σκοτιζω <Skotizo>, And Και <Kai> The Veil Καταπετασμα <Katapetasma> Of The Temple Ναό <Naos> Was Rent Σχιζω <Schizo> In The Midst Μεσό <Mesos>."

Ques: Was Jesus Raised From The Dead In Three Days?

Ans: That Is Symbolic Of Easter, The Equinox, That Jesus (The Sun) Triumphs Over Darkness – The Time Of Year When There Is More Light Than Darkness Every Day. The World Is Restored By The Power Of The Sun In The Time Of Rebirth And Spring Equinox Was One Of The Most Sacred **Egiptian** Events. **Netert Aset "Isis, Auset"** Was Often Portrayed With **Rams** Head To Symbolize That The Time Of **Aries**, The Spring, Was A Period Of Nature's Abundant Creation. The Festival Of Easter Was As Important To Early Christians As **December 25th**. The Legend Of **Mithra** Said He Was Crucified And Was Resurrected On March 25th. The Date Of Easter Is No Longer Fixed To The First Day Of Aries, But The Symbolism Remains.

The Christians Religious Day Is "**ReDay**" Sunday. Christian Churches Are Built East-West With The Altar To The East. This Means That The Congregation Face East – The Direction Of The Rising Sun. Even **Easter** Eggs Like The Egg Of **Re "Ra"** Coming Out Of The Primeval Water Of The Egiptian **Netert** "Supreme Being" **Nun**, Like Hot Cross Buns, Are Not A Christian Tradition. Dyed Eggs Were Sacred Easter Offerings In **Egipt** And **Persia**, Among Other Places. How Ironic That The Authorities At Westminster Abbey Have Questioned Whether They Should Have A Christmas Tree Because It Is A Pagan Symbol. The Whole Religion Is Pagan, From Worshipping The Image Of The Cross, Dove, And Fish. Symbolism: Symbolic Of Drinking Christ Blood And Eating His Flesh All Paganism.

That The Son/Sun Had Died And So There Was Darkness. And Look How Many Hours This Lasted For: **Three**. The Same Story Of Darkness At Their Death Was Told By The **Hindus** Of **Khrishna**, The **Buddhists** Of **Buddha**, The **Greeks** Of **Hercules**, The **Mexicans** Of **Quetzalcoatl**, And Infinitum, Long Before Jesus. When He Died, Jesus Descended Into Hell, Just Like The Earlier **Krishna**, **Zoroaster**, **Osiris**, **Horus**, **Adonis/Tammuz**, **Bacchus**, **Hercules**, **Mercury** And So On. He Then Rose From The Dead Like The Earlier **Krishna**, **Buddha**, **Zoroaster**, **Adonis/Tammuz**, **Osiris**, **Mithra**, **Hercules** And **Balder**. **Jesus** Was Symbolically Crucified At Easter Because This Is The Spring Equinox When The Sun (Jesus) Enters The Astrological Sign Of **Aries**, The **Ram** Or The **Lamb**. The Lamb In The Book Of **Revelation** Is The Same Symbol As Found In **Chapter 22:3**.

Bible – New Testament, Revelation 22:3

"...And και <kai> there shall be εσομαι <esomai> no ου <ou> more ετι <eti> πά <pas> curse καταναψεμα <katanathema>: but και <kai> the throne ψρονό <thronos> of God ψεό <theos> and και <kai> of the Lamb αρνιον <arnion> shall be εσομαι <esomai> in εν <en> it αυτό <autos>; and και <kai> his αυτό <autos> servants δουλό <doulos> shall serve λατρευω <latreuo> him αυτό <autos."

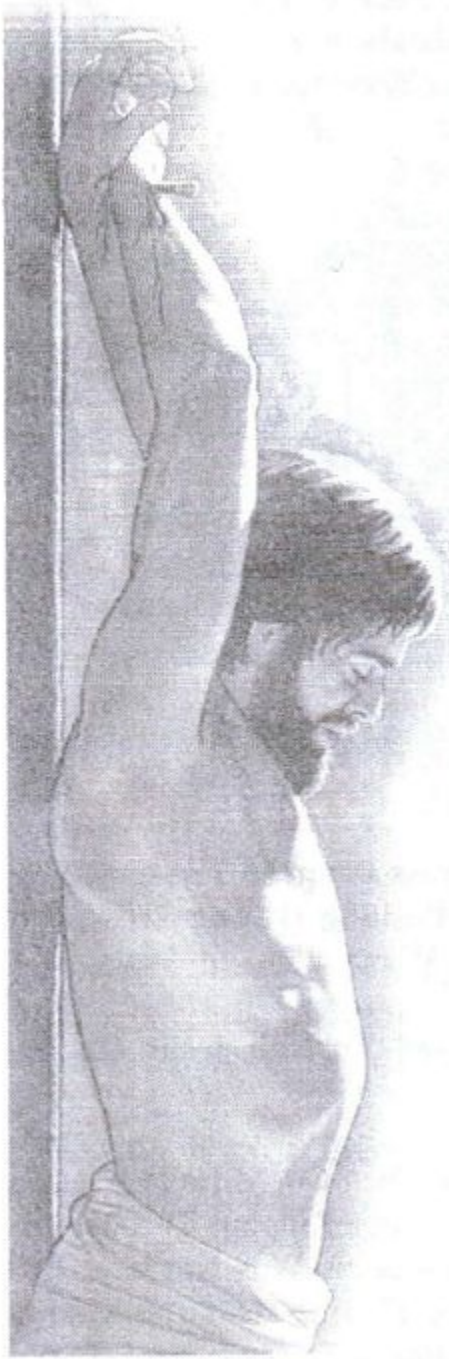

Figure 152 There Are Several Theories Which Attempts To Explain How The Body Of Jesus Was Supported On The Cross.

As You Can See On The Figure To The Left, According To Jehovah's Witness Group He Is Cruxified With Both Hands On Top Of Him. Notice That He Is Also Nailed On The Wrist And Not The Usual Nailed Through The Palms As Depicted From The Previous Page. Which Is Something That I Have Been Explaining Since 1970 A.D. *(Refer To "The Degree Of Christ-Ism And 360 Questions To Ask The Christians By Neter: A'aferti Atum-re)* Nowhere In The Bible Does It Say Anything About Yashu'a Or Jesus' Hands Being Nailed Right On Top Of Him. So Don't Add Leather, Posters, A Crouch Prop, A Foot Stand Or Anything Else. Because According To...

Revelation 22:18-19, Says And I Quote *"...For I Testify Unto Every Man That Heareth The Words Of The Prophecy Of This Book, If Any Man Shall Add Unto These*

Things, God Shall Add Unto Him The Plagues That Are Written In This Book: And If Any Man Shall Take Away From The Words Of The Book Of This Prophecy, God Shall Take Away His Part Out Of The Book Of Life, And Out Of The Holy City, And From The Things Which Are Written In This Book."

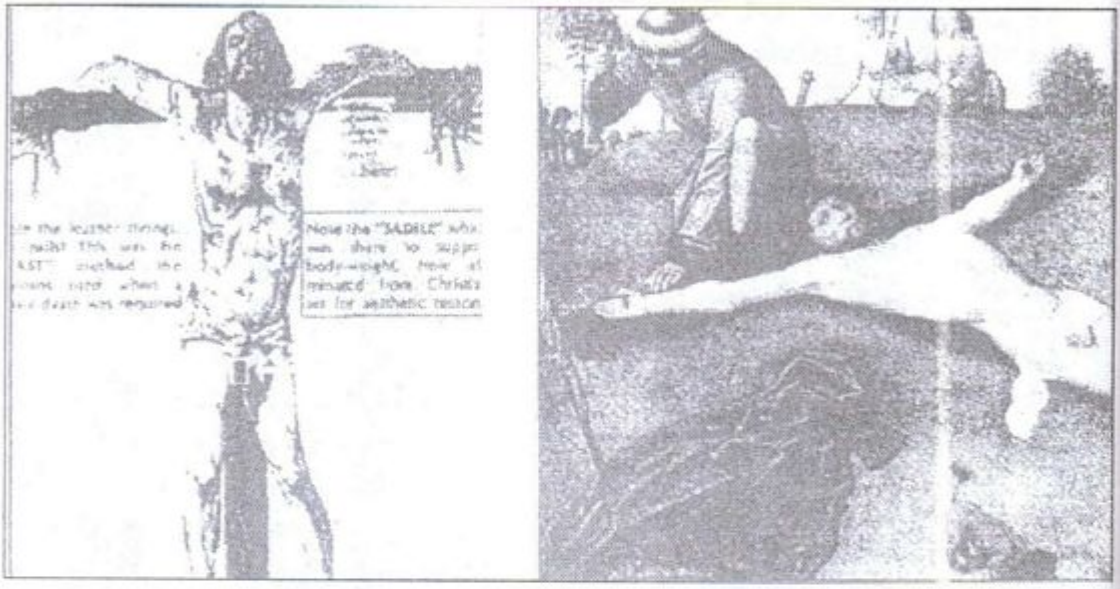

Figure 153

Jesus Was Merely Nailed To A Cross Beam In The Ground With His Arms Spread Out In The Position Of The Cross, And He Died That Way.

Ques: What Kind Of Nail Was Used To Nail Jesus On The Cross?

Ans: There Is No Type Of Nail That They Could Have Used To Support A Man Like Jesus' Size, Without Ripping Through His Palms Or Shattering His Bones. Again Jesus Was Not Crucified. It's A Myth, A Play Created By Joseph Flavius. But The Kind Of Nails Used By Romans Which Measure 8 To 10 Inches. It Was Hammered Through The Hands And Feet Of The Accused Victims Sentenced To Death. In Order For The Weight Of The Body To Be

Supported, Shroudist State That The Nail Had To Pass Through The Wrist In What Is Called The **Despot's** Space. **A Nail This Size Would Shatter Someone's Wrist Bones.** Then What Support Do You Think They Would Have Had Then? No Way Could It Support 200 Lbs (Pounds) As Depicted On The Previous Page From "Jehovah Witness Group".

Jesus Should Have Been Dead Within An Hour, Because His **Diaphram** Would Have Collapse Due To His **Dead Weight** Body. His Diaphram Could Have Not Supported His Body Weight. Note The Cruxifixion Lasted For Three Hours Before He Died.

Ques: Was Yashu'a (Jesus) Made To Carry A Tree?

Ans: According To The New Testament, In Numerous Places, It Says Jesus Was Hung On A Tree.

Bible – New Testament, Acts 5:30

According To ***The New Encyclopedia Britannica Volume 19, Published By Helen Hemingway Benton On Page 918,*** Concerning The Weight Of Wood, It Says:

> *"Common Temperate Climate Woods Range In Weight From About 300 To 900 Kilograms Per Cubic Metre (20-55 Pounds Per Cubic Foot) In Air-Dry Condition, But Lighter And Heavier Woods Exist In The Tropics (80-1,300 Kilogram Per Pubic Metre On 10-80 Pounds Per Cubic Foot), Such As Balsa And Lignum Vitae, Respectively."*

The Lightest Kind Of Wood Is **Balsa** Wood, Which Is Used Making Model Airplanes, Life Rafts And Buoys. That Kind Of Wood Could Not Have Been Used, Because The Lightest Kind Of Wood Weighs Up To **20Lbs**. Per Cubic Foot. A Cross Made Out Of **Balsa** Could Not Have Supported **Yashua's (Jesus')** Weight. Now If You Say It Was A Heavier Kind Of Wood, Like Oak, That Was Used, Then You Would Have To Take Into Consideration That The Wood Would Have Been Too Heavy For **Yashu'a** (Jesus'), Who Was Beaten And Weakened.

Now Wood Is Cut In 2X4, 4X4 And So On, Whatever Size Wood Is Used For Building, With Its Length Varying According To The Length That Is Needed. In Order For The Cross To Have Been Strong Enough To Hold A Man Of His Size It Would Have Had To Have Been Thicker Than A 2X4 Or 4X4 To Support His Weight. How Was It Possible For Yashu'a Or Jesus, Who Had Been Starved And Beaten, To Have Carried A Tree-Sized Cross 6'4" Inches Wide And 18'2" Inches Tall. Or An Actual Tree To **Galgotha (Matthew 27:33)**?

Ques: How Could Yashu'a (Jesus) Carry The Cross To Calvary, When According To The Holy Bible He Was Starved First, Then Beaten, Then Made To Bear His Own Cross?

Ans: According To ***John 19:17*** Yashu'a (Jesus) Carried His Own Cross.

Bible – New Testament, John 19:17

"... And Και <Kai> He Bearing Βασταζω <Bastazo> His Αυτό <Autos> Cross Σταυρό <Stauros> Went Forth Εξερχομαι <Exerchomai> Into Εί <Eis> A Place Τοπό <Topos> Called Λεγω <Lego> The Place Of A Skull Κρανιον <Kranion>, Which Ό <Hos> Is Called Λεγω <Lego> In The Hebrew Εβραιστι <Hebraisti> Golgotha Γολγοψα <Golgotha>:"

John 19:17 Bible In Basic English

"...And He Went Out With His Cross On Him To The Place Which Is Named Dead Man's Head (In Hebrew, Golgotha)"

It Is Clear That According To **John 19:17** Yashu'a Bared His Own Cross. Even If **Simeon (17 B.C. – 46 A.D.)** Had A Good Night's Sleep And Ate A Good Meal The Next Day, He Still Wouldn't Have The Strength To Carry A Cross Of That Size And Weight. **Yashu'a** And **Simeon** Together Couldn't Even Carry The Cross All The Way To Calvary. According To *"Jerusalem"*, By Colin Thuborn, On Page 91, It States: *The Traditional Route Of Christ To Calvary Begins At The Convent Of The Sisters Of Zion, Near The Ruins Of Antonia—The Fortress Raised By Herod On A Scarp Above The Temple.*

This Means He Would Have To Carry The Cross Approximately 1,775 Feet Or 0.3195 Miles. Now, The So-Called Self Righteous Among You Will Try To Say That Because Jesus Was The Son Of God, He Was Super Human, And He Had Super Human Strength,

However According To Your Bible, He Was Reduced To A Man: He Was Starved, Then Scourged Meaning Whipped.

Bible – New Testament, John 19:1

"...Then Τοτε <Tote> Pilate Πιλατό <Pilatos> Therefore Ουν <Oun> Took Λαμβανω <Lambano> Jesus Ιησού <Iesous>, And Και <Kai> Scourged Μαστιγοω <Mastigoo> Him."

"Then Pilate therefore took Jesus, and scourged him."

King James Version

Then Made To Carry The Cross ***(John 19:17).*** So, Even With The Help Of **Simeon**, It Would Have Taken Samson To Carry A Cross That Size, Weight, And Distance.

Ques: Ask Any Christian, If Yashu'a (Jesus) Was Carrying A Cross Then How Big Was The Cross That He Was Carrying?

Ans: According To A Book Entitled "***Shroud" By Robert K. Wilcox On Page 30*** Where It States *"...An Italian Scholar Estimates That He Was A Shade Under 5'4" And Probably Weighed About 155 Pounds..."* And Some Experts Say That Jesus' Height Was About 5'10" Tall. The Arm Span For A Man Between The Height Of 5'4 To 6' Is Approximately 4'4" Across In Length. So The Cross Beam Would Have To Be At Least 4'4 Inches In Length To Cover His Arm Span, Then Giving At Least 1 Foot On Each Side Of The Cross Beam For Extra Space As Shown In Many Depictions Of Yashu'a On The Cross. Thus, If You Add 1 Foot To The 4'4 On Each Side Of The Cross Beam You Would Have 6'4" In Length.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Why Would You Add One Foot To Each Side?

Ans: Why? Because That Is The Way You See It Depicted. They Added The Extra Length. Something You Never Thought About Before. Well Think About It. Look At Everything Like That. Always Examine All Of The Facts, Not Some Of Them.

Ques: What Would The Size Of The Cross Be, To Be Able To Support A Man His Height?

Ans: Now If He Was, Let's Say 6 Foot To Support A Man His Size The Cross Itself Would Have To Be 5 Feet Above And 5 Feet Below The Ground, Or 10 Feet. It Would Have To Be This Large In Order To Support The Weight Of A Man This Tall. Then If You Add On 10 Inches For The Sign, You Know The Words *"THIS IS JESUS KING OF THE JEWS..."* That *Appears In* ***Matthew 27:37*** And I Quote:

Bible – New Testament, Matthew 27:37

"...And και<kai> set up επιτιθημι <epitithemi> over επανω <epano> his αυτος <autos> head κεφαλη <kephale> his accusation <αιτια aitia> written γραφω <grapho>, THIS ουτος <houtos> IS εστι <esti> JESUS Ιησους <Iesous>THE ***KING*** *βασιλευς <basileus>* ***OF THE JEWS*** *ιουδαιος <Ioudaios>."*

"And set up over his head his accusation written, THIS IS JESUS THE KING OF THE JEWS."

King James Version

That You All Profess Hung On The Cross Visible For People Below Him To See, Which Means The Letters Had To Be Very Large, In Order To See Them That Far; And Then Add About 1'6" Above The Cross Section, You Know The Space That You See That Makes Up The Cross. Thus, When You Add All Of These Measurements Together You Come Up With A Cross About **18 Feet 2 Inches Tall, And 6 1/2 Feet Wide.**

www.Nuwaupuinc.com

That's A Pretty Large Cross That This 6-Foot Man Had To Carry Upon His Back After Being Beaten And Weak. As It Appears In **Matthew 26:67** And I Quote:

Bible – New Testament, Matthew 26:67

"...Then Τοτε <Tote> Did They Spit Εμπτυω <Emptuo> In Εί <Eis> His Αυτό <Autos> Face Προσωπον <Prosopon>, And Και <Kai> Buffeted Κολαφιζω <Kolaphizo> Him Αυτό <Autos>; And Δε <De> Others Smote Him With The Palms Of Their Hands Ραπιζω <Rhapizo>,"

"Then did they spit in his face, and buffeted him; and others smote him with the palms of their hands,"

King James Version

And In The **New Testament, Matthew 27:30** *"...And Και <Kai> They Spit Εμπτυω <Emptuo> Upon Εί <Eis> Him Αυτον <Autos>, And Took Λαμβανω <Lambano> The Reed Καλαμό <Kalamos>, And Και <Kai> Smote Τυπτω <Tupto> Him Αυτό <Autos> On Εί <Eis> The Head Κεφαλη <Kephale>."*

"And they spit upon him, and took the reed, and smote him on the head."

King James Version

Where It Clearly States That They "Smote Him", And **Smote** Means To ***"Smite, Beat, Strike, Wound"***, And The Greek Word Being Used Here Is **Tupto** (*Τυπτω*).

Bible – New Testament, Luke 22:63

"...And Και <Kai> The Men Ανερ <Aner> That Held Συνεχω <Sunecho> Jesus Ιησού <Iesous> Mocked Εμπαιζω <Empaizo> Him Αυτό <Autos>, And Smote Δερω <Dero> Him."

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And the men that held Jesus mocked him, and smote him."

King James Version

Again, The Greek Word Used For **"Smote"** Is **"Dero"** Meaning ***"To Beat, Smite, To Flay, To Skin, Trash".***

Yet, According To **John 19:17** This Weakened, Wounded, Skinned, And Beaten Man Carried This 18 Feet 2 Inches Cross With A Cross Beam Of 6 1/2 Feet Upon His Back. If You Take A Look At **John 19:17** Where It States And I Quote:

Bible – New Testament, John 19:17

"And και <kai> he bearing βασταζω <bastazo> his αυτος <autos> cross σταυρος <stauros> went forth εξερχομαι <exerchomai> into εις <eis> a place τοπος <topos> called λεγω <lego> the place of a skull κρανιον <kranion>, which ος <hos> is called λεγω <lego> in the Hebrew εβραιστι <Hebraisti> Golgotha γολγοθα <Golgotha>:"

"AND HE BEARING HIS CROSS Went Forth Into A Place Called The Place Of A Skull, Which Is Called In Hebrew Golgatha."

King James Version

The Greek Word They Use For Cross Is **Stauros** (Σταυρό) Which Means ***"An Upright Stake"***, Coming From The Root Word **Histemi** (Ιστεμι) Meaning ***"To Cause Or Make Stand".*** The Word For **"Bearing"** Is **Bastazo** (Βασταζω), And It Means ***"To Take Up With The Hands, To Carry, To Put Upon One's Self (Something) To Be Carried"***. So He, Jesus Had To Bear His Own Cross. Even If Jesus Was 7 Feet, Or 9 Feet, Which He Wasn't, Because No Where In The Bible Does It State That He Was A Giant Or Nephilim. But Even If He Was, Let's Say 9 Feet, If The Cross Was 18 Feet 2 Inches With A 6 1/2 Feet Cross Beam Which Would Be Double His Height, And The Wood Was Sturdy Enough, It Would Still Be Too Heavy.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: What Type Of Wood Was The Cross Made Out Of?

Ans: In Order To Support A Man His Size, The Cross Would Have To Be Made From Strong Wood, And According To ***The New Bible Dictionary, By Tyndale, On Page 254***, The Cross Was Made Out Of Olive Wood, Which is A Soft Wood With A Dark Grain. This Tree Has A Base Width Less Than An Oak. Which Estimates From 1 Foot—5 Foot In Diameter, And It Ranges In Height From 10 To 40 Feet. The Olive Tree Can Be Found In ***(Romans 11:17)*** Where It Says And I Quote:

Bible – New Testament, Hebrews 11:17

And δε <de> if some ει τισ <ei tis> of the branches κλαδος <kladoς> be broken off εκκλαω <ekklao>, and δε <de> thou su <su>, being ων <on> a wild olive tree αγριελαιος <agrielaios>, wert graffed in εγκεντριζω <egkentrizo> among εν <en> them αυτος <autos>, and και <kai> with συγκοινωνος <sugkoinonos> them γινομαι <ginomai> partakest συγκοινωνος <sugkoinonos> of the root ριζα <rhiza> and και <kai> fatness πιοτης <piotes> of the olive tree ελαια <elaia>;

"And If Some Of The Branches Be Broken Off, And Thou, Being A Wild Olive Tree, Was Grafted In Among Them, And With Them Partakes Of The Root And Fatness Of The Olive Tree."

King James Version

In Fact The Cross He Would Have Had To Carry Would Be As Big As A Tree. You Insist That Christ Died On A Cross, Now Ask Yourself What Type Of Wood Was Sturdy Enough To Hold Him. Let's Say They Make Wood In Different Sizes, So The Size Of The Wood Could Vary, Maybe 2x4 Or 4x4, Which We Know In Actuality Could Not Hold A Man 150 Pounds Or More. Why? Because The Wood That The Cross And The Cross Beam Was Made Of Had To Be Strong Enough To Hold Up This Man Who Ranged In Height From 5'4" To 6 Feet. Yet Many Kinds Of

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Crosses Are Used In The Catholic Religion. If The Cross Began Simply With The Cross Of Christ—And Was Not Influenced By Paganism—Why Are There So Many Different Types Of Crosses Used Today?

Some Believe That It Was Simply A Torture Stake With No Cross Piece Whatsoever. The Word "Cross" Automatically Conveys The Meaning That Two Pieces Of Wood Cross Each Other At Some Point Or Angle. But The Greek Word From Which "Cross" Is Translated In The New Testament Is **"Stauros"** (σταυρος), Does Not Require This Meaning. The Word Itself Simply Means ***"An Upright Stake Or Post"***. If The Instrument On Which Jesus Died Was No More Than This, Then It Was Not "A Cross" (As Such) At All! This Would Clearly Show The Folly Of Many Types Of Crosses Being "Christianized".

Ques: So Are These Levitical Priests Responsible For Writing The Bible?

Ans: Yes, The So-Called Fake **Levitical Priests** Did Write These Texts And Agree With What They Said. Even If You Accept They Didn't Exist, The Real **Israelites** Had Long Dispersed By The Time They Inked Their Pens. **Genesis**, **Exodus**, **Leviticus** And **Numbers**, Which Together Make Up The **Jewish Torah**, Were All Written By The **Levitical Priest** Under Their Supervision During Or After Their Period In **Babylon,** Where This Bunch Of Human Sacrificing, Blood Drinking Fanatics And White Magicians, Who You Would Not Trust To Tell You The Time, Compiled The Law, Which **Jewish** People To This Day Are Supposed To Follow. Which Are The **613 Commandments** Listed In The Book Of Exodus. And These Were Stolen And Copied From The Egiptian Book Called "**Coming Forth By Day**" And Known As *The Book Of The Dead*.

Likewise Many Christian Fanatics Quote This Stuff As The Word Of God! It Is Not The Word Of God, It Is The Word Of The **Levitical Priests** Under The Direction Of The **Reptile** Full Bloods And Crossbreeds Of The **Babylonian Brotherhood**. The Sumerian Tablets Prove Beyond Question That **Genesis** Was A Much Edited And Condensed Version Of Sumer Records.

The Sumerian Story Of **Edin** Became The Levite's Biblical Garden Of Eden. Remember The Story Of Moses Being Found In The Bulrushes By The Egiptian Princess? The Same Tale Was Told By The Sumerians-Babylonians About King Sargon The Elder. The Story Of Moses Is Make-Believe, As Is Egiptian Captivity, The Exodus, At Least In The Form Described, And Also The Creation Of The 12 Tribes Through Jacob.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

These Texts Were Written By The False Levites, The Heads Of Which Were **Reptilian** Mystery School Initiates In **Babylon**. Their Stories Are Symbolic And Coded For Initiates To Understand And The Masses To Take Literally. According To The **Levites**, **Moses** Was Given His Laws And Commandments By God And On Top Of A Mountain. Again And Again We See The Symbol Of **Mountains**. One Reason For This Is That The Top Of A **Mountain** Is Closer To Their Symbol Of God – The Sun, **Mount Sion** Meaning "**Sun Mountain**".

Ques: Was Moses The Only One That Went Up On Top A Mountain?

Ans: No. Moses Is Not The Only One That Went Up To The Mountains. According To The Bible, There Are A Few Other People That Went Up To The Mountain Such As **Jesus**, The **Israelites**, **John** Son Of Zebedee, Etc.

Jesus Going To The Mountain

Notice The Aramic (Hebrew) Word For Mountain Is "**Har**" (הר) And The Greek Word For Mountain Is "**Oros**" (ορος) Both When Put Together Phonetically Sounds Like The Egiptian **Neter** "Supreme Being" **Horus** (𓅃𓂋𓇋𓎛) Or **Haru** (𓅃𓄿𓇋𓎛). Ques: What Description Does The Bible Give Of Jesus?

Ans: If You Turn To **Revelation 1:14-15,** It Describes Jesus As Having Hair Like Wool And Feet Like Burnt Brass.

δε <de> His αυτος <autos> head κεφαλη <kephale> and και <kai> his hairs θριξ <thrix> were white λευκος <leukos> like ωσει <hosei> wool εριον <erion>, as white λευκος <leukos> as ως <hos> snow χιων <chion>; and και <kai> his αυτος <autos> eyes οφταλμος <ophthalmos> were as ως <hos> a flame φλοξ <phlox> of fire πυρ <pur>; And και <kai> his αυτος <autos> feet πους <pous> like ομοιος <homoios> unto fine brass χαλκολιβανος <chalkolibanon>, as ως <hos> if they burned πυροω <puroo> in εν <en> a furnace καμινος <kaminos>; and και <kai> his αυτος <autos> voice φωνη <phone> as ως <hos> the sound φωνη <phone> of many πολυς <polus> waters υδωρ <hudor>.)

"His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire; And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters

The Only People On This Planet With This Description Are **Africans** Called **Negroids**. This Is A Description Of A **Negro** According To Your Bible Or As **Acts 13:1** States "**Niger**", When Calling **Simeon** The **Niger**, Νιγερ Neeg'-Er Of Latin Origin Meaning "*Black*"; And When You Research The Family Of Simeon, You Will Find Out That He Is The Brother Of Jesus Found In **Matthew 13:55** And I Quote:

Matthew 13:55

"Is εστι <esti> not ου <ou> this ουτος <houtos> the carpenter's τεκτων <tekton> son υιος <huios>? is λεγω <lego> not ουχι <ouchi> his αυτος <autos> mother μητερ <meter> called λεγω <lego> Mary Μαρια <Maria>? and και <kai> his αυτος <autos> brethren αδελφος <adelphos>, James Ιακωβος <Iakobos>, and

"Is Not This The Carpenter's Son? Is Not His Mother Called Mary? And His Brethren, James, And Joses, And Simon, And Judas?"

King James Version

And If **Simon** Is Denoted As A **Niger** In **Acts 13:1** And He Is The Brother Of Jesus, Then **Jesus** Must Also Be A Niger "*Black*", And **Jesus'** Mother **Mary** Must Also Be A Niger "*Black*", And **Jesus'** Description Is In **Revelation 1:14-15** As Feet Being Burnt Brass As If Burned In A Furnace. Is Jesus Still The Son Of God Now That Scientist Says He Is A Black Man? **BBC** Documentary (**BBC: British Broadcasting Corporation**) Show Called "Jesus, A Black Man" Uses A Computer-Generated Image Created Of Jesus To Show What He Might Look Like. This Was Created By A Forensics Artist Using The 2,000 Year-Old Skull Of A Jewish Man From Israel.

The Result Has Been Described As A Dark-Skinned, Round-Faced, Curly-Haired Man With A Stout Nose. In An Article Entitled **"Your Own Personal Jesus"** by **Jennifer Askin, ABCNEWS.Com,** It States: *"A New Documentary Will Show Jesus Christ As Dark, Round-Faced, Brown-Eyed, With A Close-Shaven Beard And Cropped Hair. To Some, He May Even Look Swarthy And Stocky. Producers Of The Documentary, Co-Produced By The BBC And The Discovery Channel, Insist ...The Most Accurate Depiction ...Because It Came From A Marriage Of Classic Forensic Science And Modern Computer Technology."* So This Must Be The **Visible Image Of The Invisible God** According To Your Bible.

Judaism, Christianity And Islam All Base Their Beliefs On These Same Stories Written By The Levites After Their Stay In Babylon. We Are Looking At A Point In History, Which Was To Define And Control The World From Then Until Now. Most People Believe That The Knowledge The Levites Stole From **Egipt**, Expanded As A Result Of Their Stay In Babylon And Became Known As The **Cabala (Kabala, Qaballa).** And It Has Been Proven That The Babylonians Received Their Knowledge, Way Of Life Or Culture From The Ancient Egiptians.

Ques: What Is Kabala, Qaballa?

Ans: According To *"The American Heritage Dictionary"* The Word **Kabala** Is Defined As:

> **kab·a·la** or **kab·ba·la** (kə-bä"…-l…, k…-bä"l…) *n.* Variants of **cabala.** **cab·a·la** or **cab·ba·la** also **kab·a·la** or **kab·ba·la** (kə-bä"…-l…, k…-bä"-) *n.* **1.** Often **Cabala**. A body of mystical teachings of rabbinical origin, often based on an esoteric interpretation of the Hebrew Scriptures. **2.** A secret doctrine resembling these teachings. [Medieval Latin, from Hebrew *qabbᵊlâ*, received doctrine, tradition, from *qibbēl*, to receive.] **--cab"a·lism** *n.* **--cab"a·list** *n.*

The Word **Kabala** Comes From The Hebrew Word קבל **KBL** (Qal obs.) Akin To (גבל), (חבל) Arab. (قبل) Means *"To Bind, Combine"*; Hence (כבול). - Pu. (כבל) (For W. (ו) Inserted For Dagh. F.) To Be Girded, Only In Part. מכרבל (Gram. 56). Hense כבל (c. p. כבלי) Meaning *"A Bond Or Fetter"* Which Is Found In The Bible In **Psalms. 105:18,** And **149:8.**

Bible – New Testament, Psalms 105: 18-19

"...Whose feet רגל *<regel> they hurt* ענה *<`anah> with fetters* כבל *<**kebel**>: he* נפשׁ *<nephesh> was laid* בוא *<bow'> in iron* ברזל *<barzel>:9 Until the time* עת *<`eth> that his word rbd*

"Whose feet they hurt with fetters: he was laid in iron: Until the time that his word came: the word of the LORD tried him."

King James Version

Bible – Old Testament, Psalms 149:8

"...To bind אסר <'acar> their kings מלך <melek> with chains זיקה <ziyqah >, and their nobles כבד <kabad> with fetters כבל <kebel> of iron ברזל <barzel>;"

"To bind their kings with chains, and their nobles with fetters of iron;"

King James Version

The Word **"Fetter"** According To The ***"American Heritage Dictionary"*** Means:

"...**fet· ter** (fĕ t'ər) *n.* **1.** A chain or shackle for the ankles or feet. **2.** Something that serves to restrict; a restraint. **--fet· ter** *tr.v.* **fet· tered, fet· ter· ing, fet· ters 1.** To put fetters on; shackle. **2.** To restrict the freedom of. See Synonyms at **hamper1.** [Middle English *feter*, from Old English. See **ped-** below.]

So From The Definition Above, The Priest Stands Before The Levite Initiate And Restricts The Secrets Which Comes From His Mouth Only To The Ear Of The Initiate. This Is The Method Used In Freemasonry To Communicate The Most Secret Information To Initiates. This Secret And Sacred Doctrine; Became Known As **"The Light"**; According To The 3 Monotheistic Religions, **Judaism**, **Christianity**, And **Islam**. This Doctrine They Called **"Light"** Comes Out Of The Lighthouse Or The **Obelisk** Or The Cathedral Or The Minarets, This Round Or

In The Islamic World, They Add A Star And Crescent Symbolic Of Light In The Standard Lighthouse And Is Self-Explanatory. Where The Great Library Of Alexandria Egipt **"Raqote"** Once Stood, Is A Great Light House.

Ques: What Does This Entire Symbolism Mean?

Ans: It's Simply Means That The Religions And Sacred Societies Based Everything On Birth Or Re-Birth Called Resurrection. The Birth Of God. The Light At The Tip Of The Lighthouse Is The **Sperm Seed** That Brings Life, Into The Body Of A Woman.

Bible – New Testament, John 1:4

"...*IN* εν <en> *HIM* αυτό <autos> *WAS* ην <en> *LIFE* ζωη <zoe>; *AND* και <kai> *THE LIFE* ζωη <zoe> *WAS* ην <en> *THE LIGHT* φώ <phos> *OF MEN* ανψρωπό <anthropos>.

"In him was life; and the life was the light of men."

King James Version

Bible – New Testament, John 1: 5

"And the light shineth in darkness; and the darkness comprehended it not."

King James Version

This Symbolizes That Man is **Light** And Woman Is **Darkness.**

Ques: What Is Meant By Woman Is Darkness And Man Is Light?

Ans: Women Are Inner Beings And Men Are Outer Beings, Or Exposed Beings. Women Have Vaginas (Which Is Internal) And Men Have Phallus' (Which Is External). The Contact Between The Sperm Of The Male And The Ovum Of The Female Can Only Happen Properly By Insertion Of The Phallus Into The Vagina. Her Fertilization In Her Ovaries Or Ovum Takes Place In The Darkness Of Her Womb, But The Sperm Produced In The Seminal Vesicle, Onto The Prostrate Glands Must Be Ejaculated Outward. To Ejaculate Is To Separate The Life From The Darkness Of The Inner Being, And Put It Outside Of Oneself. However, The Orgasm, As In The Word Organs Is Done On The Inside Of The Woman In Triple Darkness. So She Is The Seat Of The Mysteries, Called The Mistress Of Darkness, Unlike The Male Or Man. (*Refer To The Sacred Records Of Neter: A'aferti Atum-Re*)

The **Cabala** "*Kabala*" Is The Esoteric That Is A Well Selected Record For Privileged Membership Only That Is The Under-Stream Of What Is Called **Judaism Mysticisms**, Which Bred The **Masonic** Brotherhood And Its **Moorish** Chapter "**The Shriners**" Which In Fact Is A Front For The Babylonian Brotherhood, Which The Israelites Obtained While In Captivity In Babylon. The **Vatican** Today Also Have Their Mystical Order Referred To As The **Knights Of Columbus** And **Alhambra** For Their Moorish Chapter.

The Cabala Is Considered The Secret Knowledge Hidden In Codes Within The Old Testament Called **The Order Of Melchizedek** According To **Genesis 14:18** And I Quote:

Bible – Old Testament, Genesis 14:18

"*...And Melchizedek* מלכי-עדק *<Malkiy-Tsedeq> king* מלך *<melek> of Salem* שלם *<Shalem> brought forth* יצא *<yatsa'> bread* לחם *<lechem> and wine* יין *<yayin>: and he was the priest* כהן *<kohen> of the most high* עליון *<'elyown> God* אל *<'el>.*"

www.Nuwaupuinc.com

www.Nuwaupuinc.com

And Melchizedek king of Salem brought forth bread and wine: and he was the priest of the most high God.

King James Verion

The Patriarch Of Judaism Of Which They Claim **Abraham** Belonged To That Order, Which Extended Into The New Testament As The Order Of **Melchizedek Hebrew 5:6**

Bible – New Testament Hebrews 5:6.

"...As καθως <kathos> he saith λεγω <lego> also και <kai> in εν<en> another ετερος <heteros> place, Thou συ <su> art a priest ιερευς <hiereus> for εις <eis> ever αιων <aion> after κατα <kata> the order ταξις <taxis> of Melchisedec Μελχισεδεκ <Melchisedek>."

"As he saith also in another place, Thou art a priest for ever after the order of Melchisedec."

King James Verse

The Savior Of Christianity Belongs To This Order. This Person **Melchizedek** Was A Non **Hebrew** And Non **Christian** Ruler Of Palestine, Before The Birth Of The Torah Which Birthed The Old Testament, The New Testament And **Qur'aan,** He Was Called "*King Of Salaam*". Palestine Was Originally Called **Philistines**, Who In **Genesis 10:14** Is The Son **Casluhim** Meaning "*Fortified*" And It State:

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Bible – Old Testament, Genesis 10:14

"And Pathrusim פתרסי *<Pathruciy>, and Casluhim* כסלחים *<Kacluchiym>, (out of whom came* יצא *<yatsa'> Philistim* פלשתי *<Pelishtiy>,) and Caphtorim* כפתרי *<Kaphtoriy>."*

"And Pathrusim, and Casluhim, (out of whom came Philistim,) and Caphtorim."

King James Version

Also In The **Bible – Old Testament, Genesis 10:13** Which Saith:

"And Mizraim מצרים *<Mitsrayim> begat* ילד *<yalad> Ludim* לודי *<Luwdiy>, and Anamim* ענמים *<`Anamim>, and Lehabim* להבים *<Lehabiym>, and Naphtuhim* נפתחים *<Naphtuchiym>,"*

"...And Mitsrayim Begat Ludim And Anamim And Lehabim, Niphtuhim,

King James Version

Verses Fourteen Continues To Say And *"Pathrusim And Casluhim" Out Of Whom Came* **Philistim** *And Caphtorim".*

Looking At **The Bible - Old Testament, Genesis 10:13** Where It States:

"Mizraim מצרים *<Mitsrayim> begat* ילד *<yalad> Ludim* לודי *<Luwdiy>, and Anamim* ענמים *<`Anamim>, and Lehabim* להבים *<Lehabiym>, and Naphtuhim* נפתחים *<Naphtuchiym>",*

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And Mizraim begat Ludim, and Anamim, and Lehabim, and Naphtuhim,"

King James Version

We See The Name **Mizraim** As The Father Of These Tribes And **MIZRAIM** Translates In Aramic (Hebrew) As "**EGIPT**". So **Melchizedek** Was In Fact An **Egiptian,** Making The "**Order Of Melchizedek**" An **Egiptian Order**. So Again This Sacred Order Of Melchizedek Was Carried From The Old Testament, **Abraham** Who Was Not A Jew, Israelite Or Hebrew By Birth Or Religion. He Was Just Called A Hebrew ***(Genesis14:13).*** To The New Testament, **Jesus**, Which Could Only Mean That All The People Between Abraham And Jesus Were A Part Of The Order Of Melchizedek.

Melchizedek Also Spelled **Malachi-zodoq** Is A Name Or Better Yet A Title Meaning ***"Ruler Of Righteousness Or Justice"***. Some Would Translate The Name As **Michael** Meaning ***"My Angel"*** Or **Miykael** Meaning **"Who Dares To Be Like El".** However. If We Look For The Author Of The Book Of **Malachi** Which They Haven't Found, We Find Him There As The "**Savior**".

In The Book Of **Malachi 4:2** It States:

"...But unto you that fear יראי <yare'> my name שם <shem> shall the Sun שמש <shemesh> of righteousness צדקה <tsedaqah> arise זרח <zarach> with healing מרפא <marpe'> in his wings כנף <kanaph>; and ye shall go forth יצא <yatsa'>, and grow up פוש <puwsh> as calves עגל <`egel> of the stall מרבק <marbeq>."

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall."

King James Version

"*... But Unto You That Fear My Name Shall The Sun Of Righteousness Arise With Healing In His Wings*". If We Look At The Word Righteousness, We Will Find Out That **ZODOQ** Or Simply **Malachizodoq**, "**Melchizedek**" Being Associated With The Coming Of The **SUN** With **Wings**, The Egiptian Solar Disk Emblem Of The Egiptian **Neter** "*Supreme Being*" **RE** "**RA**" The Sun God. So Does This Mean That **Michael** "**Melchizedek**" Is The Savior, Because If You Go Back To The Book Of **Revelation 12:7** Who Fought The Devil, **Michael** Or Your Savior **Jesus?**

Bible – New Testament, Revelation 12:7

*"And και <kai> There Was γινομαι <ginomai> War πολεμος <polemos> In εν <en> Heaven ουρανος <ouranos>: **Michael** Μιχαηλ <Michael> And και <kai> His αυτος <autos> Angels αγγελος <aggelo> Fought πολεμεω <polemeo> Against κατα <kata> The Dragon δρακων <drakon>; And και <kai> The Dragon δρακων <drakon> Fought πολεμεω <polemeo>And και <kai> His αυτος <autos> Angels αγγελος <aggelos>.*

In The **Islamic** World, **The Order Of Melchizedec** Became The Highest Order Of **Sufism** Called **"The Order Of Al Khidr" The Khalwath** (خلوث). Other Religions Plagiarized Their Mystical Order And Can Be Found In Other Texts And Writings.

Judaism Is The Literal Interpretation Of It. This Is A Technique You Can See In All Religions. An Example Of The Levite Coding Is The Names Of The **Esdras** Or **Ezra**. The Names And Their **True Meanings Are:**

Garia:	*Marks Which Ancient Scribes Used To Indicate That The Text Is Either Defective Or Has Another Meaning.*
Dabria:	*Words Comprising A Phrase Or Text.*
Tzelemia:	*Figures, Something Figured, Or Indicated In An Obscured Manner*
Echanu:	*Something, Which Has Been Changed Or Doubled.*
Azrel	*The Name Of Esdras/Ezra, The Suffix "El" Meaning The Work Of Ezra*

These Five Names For Scribes Therefore Read As One Phrase To An Initiate: *"Marks Of Warning Of The Words Figured In An Obscure Manner Which Have Been Changed Or Doubled Which Is The Work Of **Ezra**".*

The Way These Levitical Priests Manipulate Things Is By Modernizing, Which Sounds Agreeable For The Majority But A Pure Deception. So When They **Modernized** The Word Of God, Or The So Called Holy **Bible** Or **Qur'aan**, To Fit Today's World, It Is A Form Of **Manipulation**. Because They Change Words Or The Meanings Of The Words And Create **Dictionary**, Or **Definitionary**. The Whole Islamic Community Is A Part Of The Luciferian Plot.

Just A Couple Of Months Ago, The Shriners Were In Saudi Arabia Trying To Find Out What The Black Stone Was Actually Made From And Had Archaeologists Investigating So Thus. Were Kicked Out Of Saudi Arabia. Then They Had **Rashad Khalifah** Killed Because He Was Able To Prove The Unauthenticity Of The **Mishnah,** The **Talmuds** And **Hadiths** Using Mathematics. So They Had Him Killed, Because They Were The Ones Responsible For Pushing The Hadiths And Other Writings As Authentic. Then You Have Another Man, A Christian Named **Dr. Anis Shirrosh** Who They Have Tried To Kill On Many Occasions Who Has Open Debates With Muslims And Because He Has Proved Them Wrong, They Want Kill Him. Again, It Is All A Part Of The Luciferian Plot. There Were No Qur'aans In America Until The **Dagwood** Koran Was Published.

Ques: What Is The Proof That Muslims Are Involved In The Luciferian Conspiracy?

Ans: The Proof Is Because The Muslims Are A Part Of The Circle Of Changing The Words Of The Scriptures Also. The Qur'aan Is Being Altered Right Now. If You Check Old Qur'aans And Compare It With The Revised Copies, You Will See That Words Was Taken Out And You Will See Words Were Added In. They Changed It From *"Black Mud"* To *"Mud" (Quraan 15:28)*, And They Changed *"Guilty Blue Eyed"* To *"Blaired Eyed" (Qur'aan 20:102).*

Ques: Why Is The Scriptures Being Altered?

Ans: Because Too Many Black People (Afro-Shriners), Who Are The Original Egiptians Are Starting To Wake Up And Ask Questions, And They Don't Want Them To See What Is In The Original Scriptures. So They Are Revising The Bible And The Koran.

If You Look In **The Noble Qur'an** That Was Printed In **1993 A.D.** And Translated By **Dr. Muhammad Taqi-Ud-Din Al-Hilali, Ph. D. (Berlin)** And **Dr. Muhammad Muhsin Khan** On **Page 396,** In **Surah 15:28** It Reads:

"...I Am Going To Create A Man (Adam) From Sounding Clay Of Altered Black Smooth Mud."

This Is The Correct Interpretation. However, In The Revised Edition Of The Same Qur'aan Called **"The Noble Qur'an"** That Was Printed In **1996 A.D.** And Translated By The Same Two People: **Dr. Muhammad Taqi-Ud-Din Al-Hilali, Ph. D. (Berlin)** And **Dr. Muhammad Muhsin Khan** On **Page 328, Surah 15:28** Reads:

"...I Am Going To Create A Man (Adam) From Dried (Sounding) Clay Of Altered Mud."

The Word **"Black"** Was Omitted From The Revised Version Of That Verse. Now If The Qur'aan Is Supposed To Be The Words Of Allah As You Muslims Say, Then Why Are You Changing His Words? This Is Why It Is Important To Have The Correct Translations And Not Just Any Copy Of The Qur'aan That Is Out In The Market. And Because Of The Bad Translations, And Misinterpretations, It Caused Sectism Or The Divisions Which Are/Were Prevalent In Al Islaam. Racism Is Very Much Alive In The Islaam Community And Is Evident From The Many Hadiths That Speak About The Complexion Of Muhammad. It Has Been A Plot.

This Is All A Part Of The Luciferian Plot To Mis-Lead You, They Create **Ebonics** And Then Tell You To Get A Better Education From Them. All These Are Leviathan's Tactics. They Put The Image Of The Beast And Portray Them As Beautiful Having

Blonde Hair Or Blue Eyes, And Create Contact Lenses And Hair Color, Perms, Just To Distort The Natural You, The Way God Intended You To Become.

If God Wanted You With Straight Fur, He Would Have Given You Fur. If God Wanted You To Have Blue Or Green Or Hazel Eyes, Due To Lack Of Pigmentation In Your Eyes, He Would Have Given You Just That. That's Another Deception. The Color In Their Eyes, Be It Blue, Green, Hazel, Or What Ever Other Than The Shade Of Dark Brown, Is An Illusion Played By The Light.

So The More Our Children Watch Televisions Or Tel Lies Visionally, The More They Are Apt To Become In Their Image And After Their Likeness. They Want You To Worship Them And Give Reverence To Them, Which Give Them Energy And Gives Them Power ***(Revelation Chapter 13)***. They Don't Want You To Become **Natural** Because Then You Become **Intune** With **Nature**, And Return To Becoming A **Neter** Or A "*Supreme Being*", A God, In Control Of Your Own World And Destiny. Just As Jesus Said "Ye Are Gods" In **John 10:34** And I Quote:

Bible – New Testament, John 10:34

"...*JESUS* Ιησού <**Iesous**> *ANSWERED* αποκρινομαι <**apokrinomai**> *THEM* αυτό <**autos**>, *IS IT* εστι <**esti**> *NOT* ου <**ou**> *WRITTEN* γραφω <**grapho**> *IN* εν <**en**> *YOUR* υμων <**humon**> *LAW* νομό <**nomos**>, *I* εγω <**ego**> *SAID* επω <**epo**>, *YE ARE* εστε <**este**> *GODS* ψεό <**theos**>?

They Don't Want You To Have Anything, Or Be Anyone. They Want You To Be Their Slave. And That Is Exactly What Religion Is For. The **Luciferians** Have Created A World Of Illusion. Where It's Hard To Find Reality. Our Children Are Becoming The Characters In Movies, We Allow Them To See And Watch And Are Being Subliminally Recorded In Their Mind And Subconscious. They Are Killing One Another. It Is Time To Hold On To Our Children And Take Them Back Away From These Evil Luciferians.

Ques: So What Was Their Whole Purpose Of Creating Religion For Us?

Ans: The Whole Purpose Is So They Can Do Anything To You And Accept It As Found In Your Bible And I Quote:

Bible – New Testament, Matthew 5:39

"But δε <de> I εγω <ego> say λεγω <lego> unto you υμιν <humin>, That ye resist ανθιστημι <anthistemi> not μη <me> evil πονηρος <poneros>: but αλλα <alla> whosoever οστις <hostis> shall smite ραπιζω <rhapizo> thee σε <se> on επι <epi> thy σου <sou> right δεξιος <dexios> cheek σιαγων <siagon>, turn στρεφω <strepho> to him αυτος <autos> the other αλλος <allos> also και <kai>."

Bible – Old Testament, Leviticus 24:20

"...BREACH שבר <sheber> FOR BREACH שבר <sheber>, EYE עין <`ayin> FOR EYE עין <`ayin>, TOOTH שן <shen> FOR TOOTH שן <shen>: AS HE HATH CAUSED נתן <nathan> A BLEMISH מאום <m'uwm> IN A MAN אדם <'adam>, SO SHALL IT BE DONE נתן <nathan> TO HIM AGAIN."

"Breach for breach, eye for eye, tooth for tooth: as he hath caused a blemish in a man, so shall it be done to him again."

The Muslims Don't Really Accept Turning The Other Cheek Because In Their ***(Qur'aan 4:92)*** It States That You Can Kill Someone That Is Not A Believer.

The Holy Qur'an - Qur'aan 4:92

The Result Of Muslims Terrorists

But You American Negro And Other Ethnic Groups In The World Let Them Do Anything To And Say Anything To You And You

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Just Turn The Other Cheek. As Is The Many Cases, When Will You Fight Back With Your Mind And Power?

Ques: What Does The Word "Ethnic" Mean?

Ans: According To *"The American Heritage Dictionary" The Word* "**Ethnic**" Is Define As Such:

eth· nic (ĕ th′nĭk) *adj.* **1.a.** Of or relating to sizable groups of people sharing a common and distinctive racial, national, religious, linguistic, or cultural heritage. **b.** Being a member of a particular ethnic group. **c.** Of, relating to, or distinctive of members of such a group: *ethnic restaurants; ethnic art.* **2.** Relating to a people not Christian or Jewish; heathen. **--eth· nic** *n.* A member of a particular ethnic group, especially one who maintains the language or customs of the group. [Middle English, heathen, from Late Latin *ethnicus*, from Greek *ethnikos*, from *ethnos*, people, nation. See **s(w)e-** below.]

So When They Call You Ethnic, They're Really Calling You A Heathen . All Ethnic Groups Get Robbed, Killed, Mistreated, Even Lynched, Hung, And Then You Turn Your Other Cheek By Letting Them Get Away With It Or Call Your Self After Them Like The Rap Group Who Call Themselves "**Lynch Mob**", "**Nas**", "**Murderers**", "**Il Nanna**" "**Death Row**" etc. They Execute You, Prosecute You To The Fullest Extent Of The Law Even If You Have Proof Or Evidence That You Did Not Commit The Crime That They Charged You With And They Let Their Kind Get Away With Murders. All Of This Confusion Is Based On Religion. Infact You Cannot Name A Conflict In The World That Does Not Involve Religion. All Of This Confusion Was Done Purposely Through All Of The Secret Societies By Way Of The Luciferians.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

As You Can See All Of These Secret Societies Are In Some Way Affiliated Or Associated With Freemasonry. This Lodge Gave Birth To All The Other Religions From Rosicrucians To The Mormons, To The Jehovah Witness And To All The Secret Societies. They Have The Same Rituals And The Same Practice

Ques: Are You Saying All Religions, Cultures And Secret Fraternities Came From Egipt?

Ans: Yes, They All Got Their Teachings In One Form Or Another From The Egiptians. Even The Sacred Societies, Such As We Freemasons And The Rosicrucians, Astaras, Theosophical Society, Odd Fellows, Knights Of Columbus And Their Many Offshoots Take Their Roots Back To Egipt. But In Time, The Racism Settled In And The Caucasians, The Indians, And The Mongoloids Didn't Want To Admit To The World That They Were Educated By Negroids, Egiptian-Moors, So They Dropped Names, Titles, Places And Gave Birth To What You're Calling Your Cultures And Religions Today. ***(Read The Book Let's Set The Record Straight, Scroll #360)***

Ques: What Group Was Most Responsible For These Corruptions?

Ans: The Most Influential In Your Bible Stories Came From A Group Known As The **Heka-Khasut** Or **Hyksos,** The Cursed Seed Of Canaan ***(Genesis 9:25)*** Who Lived In Egipt For **430** Years They Took The Egiptian Doctrine Back To The Middle East, Mixed It With Sumerian Doctrine And Bred What You're Calling Your Religion Today ***(Read The Books "Science Of The Pyramids" - Scroll #191,*** And ***"Ancient Egypt And The Pharaohs", Scroll #190, By Neter A'aferti Atum-Re).***

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Just How Did They Do This?

Ans: They Changed Names, Slightly Altered Stories, Confused Incidents, And Mislead Souls. The ***Qur'aan 17:105*** Warns You Against, A *Luciferian Conspiracy*, By A Group Known As The Levitical Priests And Arab Leaders. Their Texts Are Called *The Kabblah*, The *Talmud*, The *Mishnah*, The *Hadith*, The *Sunna*, *Etc.* They Were *Leviathanians "Shayatanihee/*شَيطينهم*"* ***(Qur'aan 2:14)***, And One Of Their Most Outstanding Kohans, Priest Was Named *Josephus Flavius Piso* **37–97 A.D.** Also Known As **Joseph Ben Mathaias,** And For The Muhammads He Is Called **Bukhari.** One Of Their Best Tactics Was Translating From Classical Languages Back To Dialects So That The True Meanings And Roots Could Not Be Traced And Many Were Unable To See The Egiptian Language In The **Semetic** Or **Shemetic** Language Of The Scriptures, Hebrew And Arabic, Which Are Two False Dialects, And In Actuality Don't Even Exist. The New Testament, And Christianity Were All Creations Of **Calpurnius Piso's** Family, Who Were Roman Aristocrats. It Was All A Play. The New Testament And All The Characters In It, Including Jesus, All The Josephs, All The Characters And They Tied The Story Into A Specific Time And Place In History. They Even Got **Ahmed** In By **Barnabas**.

Ques: Just What Did This Demonic Priest Josephus Flavius Piso Do?

Ans: You Have To Trace His History Carefully To Catch The Trick. He Is Recorded As Being A Jewish Historian And A Soldier In The Jewish Revolt Against The Romans **66 A.D.** After This Betrayal, He Won The Favor Of A Roman General **Vespasian**.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Who Authorized The Play?

Ans: The Play Was Authorized By A Historian Named **Arius Calpurnius Piso**; But Originally **Joseph Ben Mathaias**, Whose Pen Name Was **Flavius Josephus (37 A.D.-93 A.D.).** The Name **Piso** Was Supposedly Derived From The Latin Word *"Pistror"* Which Originally Meant *"One Who Ground Have A Miller Or Baker"*. **Piso** Was The Most Prominent Family In The **Calpurnian** Clan. This Man, **Piso**, Along With Other Roman Scribes Is The True Author Of Your Bible. They Created The Stories And The Characters; As Previously Stated, They Tied The Story Into A Specific Time And Place In History.

Arius Calpurnius Piso Wrote In Order The Following: The Gospel Of **Matthew 70-75 C.E.**, Gospel Of **Mark 75-80 C.E.**, And The Gospel Of **Luke 85-90 C.E.** In The Gospel Story, Piso Inserted Himself By Playing The Role Not Only Of Jesus, But Of All The Josephs, As Well. He Practically Enjoyed Assuming The Identity Of Joseph. He Wished To Create A Jewish Hero, A Savior, In Fictional Form. He And His Father Before Him, Felt The Identity Of A Second Joseph Secretly, Rearranged, As The Four Hebrew Letters (**Yod "י" Vav "ו" Samekh "ס" Pe "פ"**), Which In That Language Spelled The Name **Joseph**. Thus, They Saw Themselves As The New Joseph. That Is Why So Much Of The Story Of Joseph In Egipt Is Secretly Redone And Inserted Into The Gospel Story Of Jesus. Piso Created A Composite Figure Of Jesus. He Inserted, Redrawn Pictures Of Joseph In Egipt, And Other Jews Of The Bible; Elements From Essenic Writings; And Characteristic Of Various Pagan Gods. Piso Gods. Plagiarized The Hebrew Scriptures. He Especially Borrowed From Isaiah Whose 44th Chapter Was Most Helpful To Him Because That Is Where

www.Nuwaupuinc.com

www.Nuwaupuinc.com

He Received Most Of His Ideas Of **Jesus** Being **Emmanuel** ***(Isaiah 7:14),*** And From **Psalm 22** But Mainly From Egipt. His Idea Of Making **Jesus** A God To Whom Everyone Bowed, Worshipped, And Prayed To, Came From **Isaiah**. Later They Created A Second Hero By The Name Of **Paul**, And Made Him Fulfill The Acts That They Forgot To Have **Jesus** Fulfill In The Synoptic **Gospel**.

Ques: So Joseph Was Really Calpurnius Piso?

Ans: By Now You Should Overstand That **Josephus** Was Really **Calpurnius Piso** And That He Was The Founder And Author Of The Jesus Story. Joseph Wrote Himself As The Father, As Jesus, As His Three Sons And As The Three Main Disciples. Calpurnius Piso Inserted Himself And His Family Repeatedly By Numbers And Other Methods Into The Gospels. He Was The Leader Of The Play And Had Most Of The Important Parts Because He Wanted To Have Power Over The Jews. So Now That You See, The Whole Jesus Story Is False And So Is The Christian Doctrine. However, A Real **Al Masih** Or **Ha Mashiakh** Is To Come. ***(Read "The Degree Of Christ-Ism" By Noble Rev. Dr. Malachi Z. York El).***

Ques: Then What Did He Do Next?

Ans: He Altered History, Changed Books, Fabricated Stories And Played Games With His Specialty Language. Some Of His Works Were *History Of The Jewish War*, *Antiquity Of The Jews*, And *Against Apion* (A Defense Of The Jews). He Took On Roman Citizenship, Because Of Their Influence In The World And

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Became The Governor Of Galilee, Which Was His Original Home And First Language Galilean A Form Of Arabic.

Ques: What Does Him Being A Galilean Jew Who Became A Roman Have To Do With It?

Ans: Everything, Because The Bible Was In Galilean First, So The Jews, Romans, Greeks, Could Not Read It, So He Had The Upper Hand. That Is What **Acts Chapter 3** (Speaking In Tongue) Is All About, Translating From Galilee To Other Languages To Spread His New Teachings Called 'Christianity' First In **Antioch** ***(Acts 15:35)***.

Calpurnius Piso Was The Creator Of Paul's Teachings Which Was To Deviate From The Original Hebraic Teachings And Combine Them With Roman And Mythology Such As The Changing His Name From ***Saul*** To ***Paul (Acts 13:9)*** Elimination Of Circumcision ***(Acts 21:21)*** And Disregard For The Sabbath And Finally Breaking The Blood Code Or The Seed Code, Mixing In With Other Groups Like The Romans. This Is Unlike The Teachings Of Jesus Who Claimed That He Only Came To His Own People ***(Matthew 15:27)***.

Ques: Was He Responsible For The Corruption Of The Original Teachings?

Ans: That Is Correct By Creating A Fictitious Story An Incident Of Fire Worship Through The Holy Ghost Found In **Acts 2:3** And I Quote:

Bible – Acts 2:3, New Testament

www.Nuwaupuinc.com

www.Nuwaupuinc.com

"And Και <Kai> There Appeared Οπτανομαι <Optanomai> Unto Them Αυτος <Autos> Cloven Διαμεριζω <Diamerizo> Tongues Γλωσσα <Glossa> Like As Ωσει <Hosei> Of Fire Πυρ <Pur>, And Τε <Te> It Sat Καθιζω <Kathizo> Upon Επι <Epi> Each Εκαστος <Hekastos> Εις <Heis> Of Them Αυτος <Autos>."

"And There Appeared Unto Them Cloven Tongues Like As Of Fire, And It Sat Upon Each Of Them"

King James Version

About Speaking In Tongues And Being Filled With The Holy Ghost On The Day Of Pentecost Altering It From The Jewish Jubilee And He Said The One Language Spoken Amongst Them Was Galilean "Arabic".

Bible – New Testament, Acts 2:7

(And Δε <De> They Were Εξιστημι <Existemi> All Πας <Pas> Amazed Εξιστημι <Existemi> And Και <Kai> Marvelled Θαυμαζω <Thaumazo>, Saying Λεγω <Lego> One To Another Προς <Pros> Αλληλων <Allelon>, Behold Ιδου <Idou>, Are Εισι <Eisi> Not Ου <Ou> All Πας <Pas> These Ουτος <Houtos> Which Ο <Ho> Speak Λαλεω <Laleo> Galilaeans Γαλιλαιος <Galilaios>?).

"And They Were All Amazed And Marvelled, Saying One To Another, Behold, Are Not All These Which Speak Galilaeans?"

King James Version

A Form Of Arabic, Which Later Became A Host Of Other Languages Into Which The Doctrine Could Be Translated And The

www.Nuwaupuinc.com

True Meanings Lost *(Acts 2:9 – 11).* **Acts 2:7** Identifies The Language At That Time As Galilean, But Then It Is Broken Up Into 1) **Parthian** (Egiptian) 2) **Medes** (Persian) 3) **Elam** (Syretic) 4) **Mesopotamia** (Chaldean) 5) **Judea** (Phoenician) 6) **Cappadocia** (Latin) 7) **Pontus** (Arabic) 8 **Asia** (Arabic) 9) Phyrgia (222) 10) **Pamphylia** (222) 11) **Egipt** (Demotic) 12) **Libya** (222) 13) **Cyrene** (222) 14) **Rome** (Latin) 15) **Crete** (Greek) 16) **Arabia** (Nabatean); And So He Is Responsible For Translating It From The Original Under The Guise That A Fire Driven, Cloven Tongued Holy Spirit Alighted Upon These Men In An Upper Room And He Immediately Starting Translating From Galilean "Arabic" To Other People's Tongues. That's Why I Base My Translations On The Arabic To Get The True Meaning. ***(Read El's Holy Injiyl "The Book Of Revelation", El's Holy Torah, El' Holy Tehillim "The Book Of Psalms", And El's Holy Qur'aan, All Translated By: Noble: Rev. Dr. Malachi Z. York-El).***

Ques: How Does That Affect Us?

Ans: It Affects You Like Today, People Are Holding A Hebrew Bible And They Think There Is Such A Language And It Is Authentic When It's Not. They Are Holding A Greek New Testament And They Think It Is Authentic When It's Not, Just Like Muslims Hold A New Arabic Koran And They Think It Is Authentic Or Original When It's Not. This Tactic Of Translating From The Original Language In Which You Can Find The Original Word Ending And Putting It Into 2nd And 3rd Dialects And Calling Them Modern Standard Or New Version Or Even Declaring A Dialect A Major Language Is A Major Form Of Deception And The Root Of World Religious Confusion And Men Like Josephus And His Band Of Luciferians Are Responsible For This.

www.Nuwaupuinc.com

www.Nuwaupuinc.com

Ques: Most Of What People Are Practicing Are Fabricated?

Ans: That Is Correct And Their Books And Their Gods And Their Prophets Altered And Changed To Deceive Them. And It All Came Originally From Egipt In A Pure State. The Very Jesus They Worship, Adore, And Pray To And Through, Was None Other Than The Egiptian **Neter** *"Supreme Being"* **Horus "Heru, Haru"** The Son Of **Osiris "Usir, Asaru"** The Supreme God Who Acted In Part As An Incarnation From The High Supreme Being **Atum** And His Physical Manifestation **Re,** To Become **Atum-Re "Atum-Ra"**, The Beginning Of The Eastern Lights.

Ques: So What Are We Suppose To Do Or What Religion Are We Suppose To Have Or Follow?

Ans: None, You Suppose To Have A Way Of Life; Religion Is Base On Icon And Images For Worshipping. The Egiptians Didn't Have Any Religion Because They Didn't Have Any Opposition. They Had A Way Of Life. They Gave Reverence To Nature Or **Pa Neteraat "The Supreme Beings"**. They Acknowledge The All And Being A Part Of It. *(Read "The Sacred Wisdom Of Tehuti" And "Jesus Found In Egipt" By Noble: Rev. Dr. Malachi Z. York-El).*

So To Be Able To Overstand **Christianity** To The Fullest You Must Study **The Degrees Of Christ-ism.**

To Overstand **Islam** To The Fullest You Must Study **The Degree Of Muhammad-ism.**

And To Overstand **Judaism** To The Fullest You Must Study **The Degree Of Juda-ism.**
